## **Chapter 5680**

But that was all!

The Soul Devourer's cultivation was far, far superior to Liu Xue's!

That bit of restraint seemed so pale and powerless in the face of such an absolute difference in power.

The Judgment Sword Light shattered in less than a breath!

The icy blue longsword in Liu Xue's hand let out a mournful cry, breaking into pieces!

She herself was directly invaded by the terrifying demonic energy that rebounded from her body. She screamed in agony, her meridians feeling as if pierced by thousands of poisonous needles, blood seeping from every pore, instantly turning her into a blood-soaked figure. She crashed heavily to the ground, her breath extremely weak.

The desperate attack of two Heavenly Immortal Realm experts couldn't even delay that demonic palm for a moment!

It couldn't even make the Soul Devourer take it even slightly seriously!

This was the Soul Devourer's true strength! Terrifying beyond belief!

At this moment, within that frozen space and time cage, David watched helplessly as Yan Nantian and Liu Xue were severely injured and their fates unknown while trying to save him. An indescribable rage and violence instantly overwhelmed his reason!

"Ah—!!!!"

He let out a beast-like roar, his eyes instantly turning bloodshot!

The spiritual power within his body surged wildly at an unprecedented speed, even at the cost of damaging his meridians!

The newly comprehended law of time acceleration was pushed to its limit, attempting to break through the spatial confinement!

"Open for me!!!"

“Buzz—!”

The flow of time around him suddenly became chaotic, and an extremely subtle fluctuation appeared in the frozen spacetime cage!

Seizing this one-in-a-million chance, David gripped the Dragon-Slaying Sword tightly with both hands, pouring all his power, all his anger, and all his resentment into it!

“Original Power, Fusion! Time Acceleration, Slash!”

The five colors of light—gold, cyan, blue, red, and yellow—were more dazzling than ever before, no longer simple sword energy, but transformed into five chains of original laws condensed to the extreme, winding around the Dragon-Slaying Sword!

At the same time, time around the sword was accelerated wildly, making the speed of this sword strike exceed the limits of thought!

A ray of light, as if born at the beginning of creation, burst forth from the imprisoning cage! With a resolute

will to annihilate and shatter everything, it defied the heavens and fiercely slashed at the overwhelming demonic palm that had already pressed down on its head!

This was the strongest attack David could currently unleash!

It combined his understanding of the origin and his latest insights into the laws of time!

“Eh?”

The Soul Devourer, who had been expressionless, finally let out a soft exclamation.

The power of the laws contained in David’s sword strike and that do-or-die will surprised even him.

“Boom—!!!!”

This time, the collision was no longer a silent crushing!

The five-colored sword light and the pitch-black demonic palm collided fiercely!

It was like two stars colliding! An indescribable terrifying energy storm instantly erupted!

“Crack! Boom—!!!”

The already dilapidated main hall of the Yama Heavenly Sect finally succumbed to the devastating impact, letting out a mournful cry. The dome exploded completely, and the four walls collapsed like sandcastles!

Countless fragments of stone and wood were swept high into the air by the energy storm, only to be instantly pulverized!

The blinding light temporarily blinded everyone, and the deafening roar robbed them of their hearing!

Only the all-consuming shockwave spread rapidly outward like ripples of death!

The disciples of the Yama Heavenly Sect scattered in terror, but their speed was far slower than the speed at which the shockwave spread. Countless people were swept away by the aftershocks of energy amidst screams, instantly turning into ashes!

The entire Yama Heavenly Sect's mountain gate was as if it had been stomped on by a giant foot; pavilions and terraces collapsed in patches, mountains cracked, and the earth tilted, as if the end of the world had arrived!
