Chapter 5891

“Who is it?” The Crimson Cloud Demon Lord rose warily.

“It’s me, Huo Ling’er.”

A clear female voice sounded from outside the door, tinged with weariness and worry.

The Crimson Cloud Demon Lord opened the door, and Huo Ling’er stood outside holding a jade plate.

On the plate were several exquisite jade bottles and a few crimson spiritual fruits.

Seeing David sit up, her eyes lit up with surprise: “David, you’re awake!” She

quickly entered the room, placed the jade plate on the table, and carefully examined David: “How are you feeling? Still in pain? I brought the best healing pills from the Earth Fire Pavilion, the ‘Nine Revolutions Crimson Flame Pill,’ and the ‘Earth Fire Spirit Fruit,’ which are very helpful for restoring your qi and blood.”

David looked at Huo Ling’er’s swollen eyes and slightly haggard face, and felt a warmth in his heart: “Thank you, Princess. Although my injuries are severe, I can still bear it.”

“Don’t call me ‘Princess,’ just call me Ling’er.”

Huo Ling’er pursed her lips. “David, this time... thank you. If it weren’t for you, none of us would have come back.”

“Lin Feng, Shi Meng... they’re all dead. And so many of my fellow disciples from the Earth Fire Pavilion... it’s all my fault, I insisted on going...”

Hearing Huo Ling’er’s words, David’s expression became dazed for a moment. He suddenly thought of Gu Ling’er.

Then, the figures of women flashed rapidly through his mind.

But they only disappeared in an instant, because David knew that now was not the time to think about matters of the heart.

“Princess, there’s no need to blame yourself,”

David said with a slight smile. "The Evil Path Hall planned this all along. Even if you hadn't gone, they would have found another opportunity to strike. The most urgent thing is to find the traitor and avenge the dead."

Huo Ling'er nodded emphatically, wiping away her tears. "Father is investigating with all his might. But... Senior Brother Yan Lie..."

She hesitated, clearly having suspicions about Yan Lie as well, but unwilling to believe it.

David glanced at her and changed the subject. "Princess, I have a favor to ask."

"Tell me! I'll do whatever I can!" Huo Ling'er said immediately.

"I need a completely secluded place where I can recover without being disturbed,"

David said slowly. "Although this place is safe, there are many people coming and going, which is not conducive to recovery. Moreover... I have some secret techniques that I cannot use in front of outsiders."

Huo Ling'er was stunned for a moment, then understood.

David possessed the bloodline of the Golden Dragon and had many secrets; he indeed needed a secluded place.

She bit her lip, pondering for a moment, then her eyes suddenly lit up: "There's a place! It's the forbidden area of the Earth Fire Pavilion. No one except Father and a few core elders can enter. I can take you there!"

"The forbidden area?"

Crimson Cloud Demon Lord frowned. "Is this... appropriate? If the Pavilion Master finds out, he might blame the princess."

"We can't worry about that now!"

Huo Ling'er said firmly. "David saved our lives, and Father won't say anything even if he knows. Besides, the forbidden area is deserted year-round and very secluded, perfect for recuperating."

David and Crimson Cloud Demon Lord exchanged a glance and nodded:

"Then we'll trouble the princess." "Let's not delay, let's go now." Huo Ling'er looked out the window. "It's late at night, the guards are relatively lax. I'm familiar with the patrol routes of the forbidden area, I can avoid everyone. "

She took out a black cloak and handed it to David: "Wear this; it will conceal your aura."
The

three quietly left the room, and led by Huo Ling'er, bypassed the layers of guards of the Earth Fire Pavilion, heading deeper into the back mountain.

The back mountain of the Earth Fire Pavilion was a crimson mountain range shrouded in restrictions.

The deeper they went, the higher the temperature became, and the air was filled with pure fire-attribute spiritual energy.

Occasionally, crimson crystals could be seen exposed on the mountainside, radiating a warm light.

"The entrance to the forbidden area is just ahead,"

Huo Ling'er pointed to a seemingly ordinary mountain wall ahead. "Multiple illusion arrays and defensive formations are set up here; only the core members of the Earth Fire Pavilion know how to enter."

She formed hand seals and chanted incantations, and crimson runes flew from her fingertips, merging into the mountain wall.

The mountain wall rippled like water, revealing a deep cave entrance.

Inside the cave entrance was a downward-facing stone staircase, its walls inlaid with glowing crimson crystals that barely illuminated the path ahead.

"Follow me," Huo Ling'er said, stepping in first.

David and the Crimson Cloud Demon Lord followed closely behind.

Once inside, the cave walls closed behind them, isolating them from all outside sounds.

The cave was eerily quiet, save for the echoing footsteps of the three.

The stone staircase spiraled downwards, the temperature rising with each step. After about fifteen minutes, the cave opened up before them.

It was a massive underground cavern, about thirty feet high and a hundred feet in circumference.

In the center of the cavern was a lava pool ten feet in diameter, its crimson lava flowing slowly, radiating terrifying heat and pure fire elemental energy.

Around the lava pool grew rare fire-attribute spiritual herbs and medicines, some even a thousand years old.

The cave walls were densely inlaid with crimson crystals, bathing the entire cavern in a fiery red glow.

“This is the forbidden area of the Earthfire Pavilion, the ‘Heart of Earthfire’,”

Huo Ling’er explained. “It is said that the ancestor of the Earthfire Pavilion comprehended the Great Dao of Fire here and founded the pavilion. The concentration of fire spiritual energy here is a hundred times that of the outside world, which is of great help to cultivating fire-attribute techniques.”

She paused, somewhat embarrassed, “However... the temperature here is too high, and ordinary cultivators cannot stay for long. David, your injuries have not yet healed, can you withstand it?”

David felt the rich fire spiritual energy in the air, and his chaotic immortal power circulated on its own, converting this spiritual energy into pure immortal power to nourish his damaged meridians.

“It’s alright, this place suits me very well.”

David nodded, “Thank you, Princess.”

“I told you to call me Ling’er.”

Huo Ling’er waved her hand, “Then you should stay here and recover from your injuries. I will send you pills and food regularly. As for Father... I will keep it from you for now, and we’ll talk about it after you recover.”

“I will remember the Princess’s great kindness.”

David solemnly clasped his hands in thanks.

Huo Ling’er blushed and whispered, “Then you should take good care of your injuries. I’ll go back now. I’ll come see you again tomorrow.”

After saying that, she turned and left, her figure disappearing at the end of the stone steps.

Chapter 5892

Looking in the direction Huo Ling'er had left, the Crimson Cloud Demon Lord clicked his tongue and said, "That little girl is really good to you. She even dared to secretly bring you to the forbidden area."

David didn't reply, but walked to the edge of the lava pool and sat down cross-legged.

He could feel that the fire elemental energy here was not only rich, but also contained an ancient and pure aura of law, which was of great benefit to healing injuries and improving cultivation.

"Senior, I need to enter the Demon Suppression Tower to heal my injuries. One day outside is equivalent to a hundred days inside the tower. This way, my injuries will heal in just a few days."

David took out the Demon Suppression Tower and said to the Crimson Cloud Demon Lord, "Senior can protect me outside the tower, or we can enter together to cultivate."

The Crimson Cloud Demon Lord shook his head and said, "My body is fine. I'll go outside to protect you and also study the fire laws here."

David nodded and tossed the Demon Suppression Tower into the air. The Demon

Suppression Tower grew taller in the wind, transforming into a three-zhang-tall pagoda, hovering above the lava pool.

The tower exuded an ancient and vast aura, faintly resonating with the fire laws within the cave.

David took a deep breath and stepped into the Demon Suppression Tower.

The space inside the tower was vast, and the flow of time was completely different from that outside.

David entered the cultivation room, sat cross-legged, and took out the Nine-Turn Crimson Flame Pill and Earth Fire Spirit Fruit given to him by Huo Ling'er, beginning to focus on healing. His

Chaotic Immortal Power slowly circulated, like spring rain on a parched riverbed, repairing his damaged meridians and body.

His Golden Dragon Bloodline activated automatically, strands of golden blood flowing through his body, mending his depleted life force.

The Nine-Turn Crimson Flame Pill melted instantly upon entering his mouth, transforming into a scorching yet gentle medicinal power that surged through his limbs and bones.

The Earth Fire Spirit Fruit provided pure fire-attribute energy, fusing with the Chaotic Immortal Power to accelerate the recovery process.

Time flowed quietly within the tower.

One day, two days, three days...

three hundred days passed within the tower.

David's injuries healed at an astonishing speed.

His broken meridians reconnected, his shattered bones healed completely, and most of his depleted blood and energy was replenished.

His aura was more solid and profound than before.

"Hoo..."

David slowly opened his eyes, a flash of light passing through them.

He felt the surging immortal power and robust physique within him, a slight smile playing on his lips.

"My injuries have healed, and my cultivation has even improved slightly. The environment of this Heart of Earthly Fire is indeed extraordinary."

He rose and left the cultivation room, preparing to depart from the Demon-Suppressing Tower.

However, just as he was about to step out of the tower's gate

, a sudden change occurred within the cave!

The magma pool suddenly boiled violently, crimson magma shooting into the sky and condensing into a blurry humanoid figure!

This figure was composed of pure flame and magma, its face indistinct, except for a pair of eyes burning with golden flames, like two small suns, radiating an ancient and majestic aura.

Even more strangely, at the same time this fiery humanoid appeared, the fire laws of the entire cave seemed to come alive, like subjects bowing to a king!

“This is...” David’s pupils

contracted sharply.

The fiery humanoid slowly spoke, its voice ancient and distant, as if traversing countless ages: “The Demon Suppression Tower... I never thought that in my lifetime I would see such a treasure...”

Its gaze fell on David, its golden flame-like eyes seemingly able to see through everything: “Little fellow, you possess the bloodline of the Golden Dragon and wield the Demon Suppression Tower, yet you are so severely injured... It seems the outside world is still far from peaceful.”

Alarm bells rang in David’s heart, his Chaotic Immortal Power instantly reaching its peak, the Dragon-Slaying Sword already in his hand: “Who are you?!”

The fiery humanoid let out a soft laugh, a laugh tinged with vicissitudes and self-mockery: “Who am I? A lonely ghost who should have died long ago, yet has lingered on until now.”

“You can call me... Ancestor of Earth Fire.”

“Ancestor of Earth Fire?”

David frowned, “The founder of the Earth Fire Pavilion?”

“Not bad.” The fiery body of the Earthfire Ancestor rippled slightly, seemingly indicating some emotional fluctuation. “I founded the Earthfire Pavilion, but unfortunately, I was too arrogant back then, thinking I could suppress the Earth Core Demon Flame single-handedly. The result... hehe, my physical body collapsed, my soul was severely injured, leaving only this wisp of remnant soul, hiding in this Earthfire Heart, barely clinging to life.”

His gaze fell on the Demon Suppression Tower again, a glint of fervor flashing in his eyes: “However, heaven has not forsaken me. The Demon Suppression Tower... this legendary treasure has actually appeared here. Little fellow, how about lending it to me for a while?”

David’s eyes turned cold: “Senior wants to seize it by force?” “

Seize it by force?”

The Earthfire Ancestor shook his head. “I am now just a wisp of remnant soul, my strength is less than one ten-thousandth of my prime, how can I seize it by force? However... how about making a deal?”

“What deal?” “

I will use the exact location of the Earth Core Jade Marrow Milk to exchange for your opportunity to use the Demon Suppression Tower to help me condense my soul and reshape my physical body.”

The Earthfire Ancestor said slowly, “You should really need the Earth Core Jade Marrow Milk, right?”

David’s heart trembled.

Earth Core Jade Marrow Milk!

This was precisely his primary objective upon arriving in the Eleventh Heaven!

But how did the other party know?

He had never mentioned it here.

“Do you know where Earth Core Jade Marrow Milk is?” David asked in a deep voice.

“Of course,”

the Earth Fire Ancestor said proudly, “In this Eleventh Heaven, no one understands the Earth Core Demon Abyss better than me. Earth Core Jade Marrow Milk is produced from the Lava Heart at the deepest part of the Demon Abyss, but it is protected by the Earth Core Demon Flame, and ordinary cultivators simply cannot enter.” “

However, if I were to guide you, coupled with your Golden Dragon Bloodline and the Demon Suppression Tower... it might not be impossible.”

David was silent for a moment before saying, “How can I trust you?”

“You may not believe me,”

the Earth Fire Ancestor said calmly, “but this is your only chance. Earth Core Jade Marrow Milk is obtained only once every ten thousand years. Although the Earth Fire Pavilion has some clues, they certainly do not know the exact location. Moreover... do you think that brat Huo Fentian would easily tell such a precious clue to an outsider like you?”

These words struck a nerve with David.

Indeed, the Earth Fire Pavilion might have clues, but they would never hand them over easily.

The Earth Core Jade Marrow Milk is related to the life and death of the Crimson Cloud Demon Lord's women, and the Crimson Cloud Demon Lord cannot afford to wait.

Chapter 5893

"What do you need the Demon-Suppressing Tower for?" David asked.

"To condense my soul and reshape my physical body,"

said the Earth Fire Ancestor. "My remnant soul is too weak to leave the Heart of Earth Fire. But if I can cultivate within the Demon-Suppressing Tower, utilizing the tower's time flow and special laws, I can solidify my soul in a short time and then find a suitable body to possess... or, use a secret method to reshape my physical body."

"Don't worry, I won't use your treasures for nothing. Besides the clues to the Earth Core Jade Marrow Milk, I can also pass on the complete version of the Earth Fire True Scripture to you, and... help you find the traitor within the Earth Fire Pavilion."

"You know who the traitor is?" David's eyes narrowed.

"Although I am but a remnant soul, the Heart of Earthfire is still connected to the protective array of the entire Earthfire Pavilion."

"Everything that happens within the Earthfire Pavilion, as long as it involves fluctuations in fire-attribute spiritual energy, cannot escape my perception."

The Earthfire Ancestor sneered. "That brat named Yan Lie secretly contacted the outside world three days ago using a communication talisman. The aura of the talisman... is exactly the same as the aura of the Evil Path Hall that you all possess."

Yan Lie!

It really was him!

A cold light flashed in David's eyes.

"So? Will you take this deal?" the Earthfire Ancestor asked.

David pondered for a long time before slowly nodding, "I can. But I have a few conditions."

“Speak.”

“First, the clues about the Earth Core Jade Marrow Milk must be completely true, and you must help me obtain it.”

“Second, while I’m helping you condense your soul body, you must not do anything detrimental to me.”

“Third, the evidence to expose the traitor must be irrefutable.”

The Earth Fire Ancestor laughed heartily, “Little fellow, you’re quite cautious. Alright, I agree. However, I also have a condition.”

“What condition?”

“After you obtain the Earth Core Jade Marrow Milk, you must help me reshape my physical body. At that time, I will need a drop of your Golden Dragon Essence Blood as a catalyst.”

The Earth Fire Ancestor said, “Of course, I will give you sufficient compensation.”

David frowned.

Golden Dragon Essence Blood was extremely precious, each drop containing his life essence.

But if he could obtain the Earth Core Jade Marrow Milk and revive the Crimson Cloud Demon Lord’s woman, the price... would be worth it.

After all, the Crimson Cloud Demon Lord had saved him countless times along the way.

“Okay.”

David finally nodded, “but only one drop.”

“Deal.”

The Earthfire Ancestor’s fiery body rippled, appearing quite excited. “Then, shall we begin now? I can’t wait to experience the feeling of a complete soul body again.”

David shook his head: “No rush. I need to recover from all my injuries first before making preparations. Besides... there are people waiting for me outside.”

He was referring to the Crimson Cloud Demon Lord. The Earthfire Ancestor understood: “Alright, I’ll give you three days. We

'll officially begin in three days."

"On Yan Lie's body ..." After saying that, his fiery body slowly dissipated, merging back into the lava pool.

The cave

returned to calm, as if nothing had happened.

But David knew his plan needed to be readjusted.

He had found clues about the Earth Core Jade Marrow Milk, confirmed the identity of the traitor, and now there was the mysterious Earth Fire Ancestor...

The path ahead seemed clearer, but also more complicated.

He put away the Demon-Suppressing Tower, left the cave, and returned to the stone steps.

Just as he stepped onto the steps, he heard Huo Ling'er's anxious voice from above: "David! David, are you there? Something's happened!"

David's heart skipped a beat, and he quickly walked up.

At the entrance to the forbidden area, Huo Ling'er's face was pale, her eyes filled with panic.

"What happened?" David asked.

"Senior Brother Yan Lie... he informed Father that you secretly infiltrated the forbidden area with ill intentions!" Huo Ling'er said urgently, "Father is bringing several elders this way! You must leave quickly!"

David's expression remained unusually calm after hearing Huo Ling'er's words.

He turned to look into the depths of the cave; the lava pool remained calm as ever, as if everything that had just happened was merely an illusion.

"Princess, there's no need to panic,"

David said calmly. "Since the Pavilion Master wants to come, let him come. Some things need to be laid out clearly."

"But David, the forbidden area is the most core secret of the Earth Fire Pavilion! Unauthorized entry is a capital offense according to the Pavilion's rules!"

Huo Ling'er stamped her foot anxiously. "Senior Brother Yan Lie is determined to kill you this time! You should leave first and wait until Father's anger subsides!"

"Leave? Where to leave?"

Crimson Cloud Demon Lord frowned. "There's a protective array around the Earthfire Pavilion, and it's definitely fully activated now. If we go out, we'll be treated as fugitives and killed without mercy."

He looked at David: "David, what are your plans?"

A cold glint flashed in David's eyes: "Since Yan Lie wants to play, then I'll play along to the end. But..."

He looked at Huo Ling'er, somewhat apologetic: "But it will implicate the princess."

Huo Ling'er gritted her teeth: "I'm not afraid! I'm the one who brought you in, punish me if you must! And... and I believe Father will be able to distinguish right from wrong!" As

soon as she finished speaking, hurried footsteps and commotion came from outside the cave.

"They're here!" Huo Ling'er's face paled.

David, however, straightened his robes and stood calmly at the entrance to the forbidden area.

Crimson Cloud Demon Lord also returned to his normal appearance, standing beside David.

"Boom!"

The illusion array at the entrance to the forbidden area was forcibly broken, the mountain walls shook, and rubble fell down.

A group of people stormed in aggressively.

Leading them was none other than Huo Fentian, the Pavilion Master of the Earth Fire Pavilion!

He wore a crimson-gold robe, his face imposing, and the oppressive aura of a peak ninth-grade Celestial Immortal was undisguised, raising the temperature of the entire cave several degrees.

Behind him followed five elders of the Earth Fire Pavilion, each possessing a profound aura, all above the seventh grade of the Celestial Immortal realm.

Yan Lie stood behind the elders, a smug sneer playing on his lips.

When Huo Fentian saw David, the Crimson Cloud Demon Lord, and his daughter Huo Ling'er standing at the entrance to the forbidden area, his eyes blazed with fury.

Chapter 5894

“Ling'er! You really are here!”

Huo Fentian roared angrily, “And you two outsiders, how dare you! How dare you trespass into the forbidden area of the Earth Fire Pavilion!”

Yan Lie immediately stepped forward, pointing at David and sternly said, “Pavilion Master, this disciple saw it with his own eyes! David and this demonic cultivator sneaked into the back mountain under the cover of night, using a secret technique to break the forbidden area's formation, intending to steal the Earth Fire Pavilion's core secrets!”

“Fortunately, this disciple discovered and reported it in time, otherwise the consequences would have been unimaginable!”

He paused, then added, “Moreover... this disciple suspects that they are traitors from the Evil Path Hall! They infiltrated the Earth Fire Pavilion to gather intelligence and coordinate with the Evil Path Hall's ambush!”

“You're talking nonsense!”

Huo Ling'er trembled with anger, “I clearly brought them in! David was seriously injured and needed a quiet place to heal, so I...”

“Junior Sister Ling'er, stop making excuses for them!”

Yan Lie interrupted her, his face full of heartache. “I know you're kind-hearted and have been deceived by David.”

“But think about it, why would you risk violating the rules of the Pavilion by bringing him into the forbidden area, a complete outsider? He must have used some kind of evil magic to bewitch you!”

“I...”

Huo Ling'er was speechless.

She couldn't very well say that she brought David in regardless of everything because she was in love with him, could she?

Huo Fentian's face was ashen, and he looked at David as if he were a dead man: "David, what else do you have to say?"

David remained calm, clasped his hands, and said, "Sect Master, I did indeed trespass into the forbidden area. This was all thanks to the Princess's kindness, and I am deeply grateful. But if you say that I am a traitor within the Evil Path Hall..."

He looked at Yan Lie, a cold smile playing on his lips: "Why doesn't the Sect Master first ask Steward Yan Lie who he contacted in his room late three nights ago using a communication talisman? Why is the aura on that communication talisman exactly the same as that of the cultivators from the Evil Path Hall?"

Upon hearing this, everyone was stunned.

Yan Lie's face turned deathly pale instantly, but he roared, "You're spouting nonsense! When did I ever use a communication talisman? Pavilion Master, this person is sowing discord and cannot be trusted!"

"Is that so?"

David said calmly, "Then may I ask, Steward Yan Lie, why is there a trace of the unique ghostly aura of the Yin Soul Communication Talisman remaining on the third button inside your left sleeve? This kind of communication talisman is one of the signature talismans of the Evil Path Hall."

Yan Lie subconsciously looked at his left sleeve, a look of panic flashing in his eyes.

But he quickly forced himself to calm down: "Nonsense! I just changed these clothes today, where would I find any Netherworld Aura? If the Pavilion Master doesn't believe me, you can have the elders check!"

An elder stepped forward, his divine sense scanning Yan Lie's sleeve, and frowned, "Pavilion Master, indeed, no Netherworld Aura was found."

Yan Lie breathed a sigh of relief and looked at David triumphantly: "David, what else do you have to say?"

David, however, remained calm: "Oh? Perhaps I'm mistaken. But... Pavilion Master, could you check what's hidden under the third floor tile under the bed in Steward Yan Lie's room?"

Yan Lie's expression froze completely.

Under that floor tile was another communication talisman he used to contact the Evil Path Hall, and... a bottle of "Blood Fiend Pills" as payment from Elder Blood Soul!

"You... how do you know?"

Yan Lie blurted out, only realizing his mistake after speaking, and hurriedly corrected himself, "What I meant was, there's nothing under my bed! You're framing me!"

But it was too late.

Huo Fentian, a man of great stature, saw through Yan Lie's abnormality at a glance.

He snorted coldly, "Go investigate!"

The two elders obeyed and left.

Yan Lie tried to stop them, but was pinned to the spot by Huo Fentian's glare, cold sweat pouring down his face. The

atmosphere became terrifyingly tense.

Huo Ling'er looked at David in surprise, then at the ashen-faced Yan Lie, and seemed to understand something.

In less than a quarter of an hour, the two elders returned, holding a pitch-black communication talisman and a blood-red jade bottle.

"Sect Master, we found these two items under Yan Lie's bed in his room,"

one elder said in a deep voice. "Upon examination, the communication talisman does indeed have the unique Netherworld Evil Qi of the Evil Path Hall, and this bottle of pills... is the Blood Fiend Pill refined by the Evil Path Hall, made with the essence of living beings, extremely malevolent."

"Boom...!"

Terrifying flames erupted around Huo Fentian, and the entire cave trembled.

He stared intently at Yan Lie, enunciating each word clearly: "Yan... Lie! What else do you have to say?!"

Yan Lie's legs went weak, and he knelt on the ground, his face ashen: "Sect Master... I... I was forced! The Evil Path Hall captured my parents and forced me to work for them! I didn't want to! Please, Sect Master, spare my life!"

“Parents?”

Huo Fentian’s eyes grew even colder. “Your parents died twenty years ago due to cultivation going awry. Where did you get parents?”

Yan Lie trembled, realizing he had let something slip. Despair flashed in his eyes, then turned to madness: “Yes! I am a member of the Evil Path Hall! So what? What is the Earth Fire Pavilion?”

“The Evil Path Hall is the true ruler of the Eleventh Heaven! Huo Fentian, do you think you can kill me?”

He suddenly pulled out a blood-red jade slip from his robes and crushed it!

“Boom!”

Blood-red mist erupted from the jade slip, transforming into a blood-red pillar of light that shot into the sky, piercing through the rock strata above the cave and soaring into the clouds!

“Not good! He’s summoning reinforcements from the Evil Path Hall!”

an elder exclaimed.

Enraged, Huo Fentian slammed his palm down at Yan Lie: “You beast! Die!”

The furious strike of a peak ninth-grade Celestial Immortal was terrifying!

A gigantic, crimson fiery palm blotted out the sky, crashing down with the power to incinerate everything!

A mad glint flashed in Yan Lie’s eyes as he summoned a blood-red shield to block, roaring, “Palace Master Zhan! Save me!”

“Hehehe... Huo Fentian, did you even ask me before attacking someone from my Evil Path Palace?”

A sinister voice echoed from the blood-red pillar of light.

Within the pillar, a blood-red figure slowly materialized—it was Zhan E!

Although merely a projection, his aura was still terrifying!

The blood-red hand emerged from the pillar of light, colliding with Huo Fentian’s fiery palm!

A Man Like None Other Novel Chapter 5895

Full Read Online **Chapter 5890** of the novel **A Man Like None Other** Chapter 5895

“Boom...!”

The entire cave shook violently, countless rocks fell, and the lava pool surged with huge waves.

The terrifying shockwave forced everyone except Huo Fentian and David to retreat.

“Zhan E! You dare to project into my Earth Fire Pavilion’s forbidden area!” Huo Fentian’s hair stood on end, his anger uncontrollable.

“What’s there to be afraid of?”

Zhan E’s projection sneered, “Huo Fentian, if you know what’s good for you, hand over David and obediently submit to my Evil Path Palace, otherwise... the Earth Fire Pavilion will be removed from the Eleventh Heaven today!”

“Arrogant!”

Huo Fentian roared, “Just with one projection clone of you?”

“One isn’t enough, how about a few more?”

Three more blood-red beams of light descended from the sky and landed in the cave.

The pillar of light dissipated, revealing three blood-red figures—projections of the three elders of the Evil Path Hall!

A terrifying aura of bloodlust permeated the entire cave, rivaling Huo Fentian’s crimson flames!

“Huo Fentian, how are you now?”

Zhan E sneered. “Although the four of us are merely projections, together we can hold you off for a while. Meanwhile, the army of my Evil Path Hall has already assembled outside the Earth Fire Pavilion, ready to breach the protective mountain formation at any moment!”

Huo Fentian’s face was extremely grim.

He hadn't expected the Evil Path Hall to mobilize so heavily, with Zhan E personally coming, and a large army pressing in from outside!

Although the Earth Fire Pavilion was not weak, its chances of victory against the well-prepared Evil Path Hall were slim.

"Father..."

Huo Ling'er's face was pale as she tightly gripped Huo Fentian's sleeve.

Several elders of the Earth Fire Pavilion also wore solemn expressions, each summoning their magical treasures and preparing for battle.

Seeing this, Yan Lie became arrogant again: "Huo Fentian, it's not too late to surrender! As long as you hand over David and offer up all the treasures of the Earth Fire Pavilion, the Evil Path Hall might spare your life!"

"You're courting death!"

Huo Fentian's eyes were filled with killing intent, and he was about to attack again.

"Enough."

A calm yet majestic voice rang out. Everyone was stunned, because this voice... did not come from anyone present!

The voice came from the lava pool. Under everyone's shocked gaze, the lava pool boiled again, and crimson lava shot into the sky, condensing into a fiery humanoid figure. It was none other than the Earth Fire Ancestor! "Ancestor?!"

Huo Fentian and the elders were dumbfounded, then overjoyed. "Ancestor, you're still alive?!" The Earth Fire Pavilion

has a portrait inheritance, and all the pavilion masters and elders of the past generations recognize the appearance of the Earth Fire Ancestor.

Although he is only a human form formed from flames at this moment, the aura, the pressure, the unique fluctuations of the fire law... there is no mistake!

"Just a wisp of a remnant soul."

The Earth Fire Ancestor said indifferently, his golden flame-like eyes sweeping across the entire scene, finally landing on the projections of the four evil path hall elders. "A few junior projections dare to run wild in my Earth Fire Pavilion?"

Before he finished speaking, the Earth Fire Ancestor simply waved his hand.

“Boom...!”

The fire law of the entire cave seemed to come alive, transforming into four crimson-gold flame chains, instantly binding the four projections!

“What is this?!”

“Chains of law?! How is this possible?!”

Zhan E and the others were shocked and struggled desperately, but to no avail.

Their projections, bound by chains of flame, rapidly became illusory and dim.

“Destroy,”

the Earthfire Ancestor uttered softly.

The four chains of flame tightened abruptly!

“No...!”

The four projections simultaneously let out a shrill scream, then shattered like bubbles, dissipating into the air.

Even the four pillars of blood-red light crumbled inch by inch.

Everything happened in the blink of an eye.

The four projections, which had just been so aggressive, threatening to annihilate the Earthfire Pavilion, were just... gone?

Yan Lie stood frozen, his face ashen.

Huo Fentian and the elders were also speechless with shock.

They knew the Ancestor was powerful, but they never expected that a mere wisp of a remnant soul could so easily annihilate the projections of four powerful figures!

This was simply... a miracle!

“Ancestor’s divine might!”

Huo Fentian was the first to react, his voice trembling with excitement, “Disciple Huo Fentian pays respects to the Ancestor!”

“Pay respects to the Ancestor!” the elders knelt in unison.

Huo Ling'er quickly knelt down, secretly glancing at David with eyes full of doubt—how did David know the Ancestor was here? What connection did they have?

The Earth Fire Ancestor's fiery body rippled slightly: “Rise, all of you. I am but a remnant soul, unworthy of such a grand gesture.”

He looked at Yan Lie, his eyes icy: “As for this traitor...”

Yan Lie was terrified, kowtowing repeatedly: “Ancestor, spare me! Ancestor, spare me! This disciple knows his mistake! It was all the Evil Path Hall's fault that I was forced into this! I beg the Ancestor to give me a chance to reform!”

“Repent and start anew?” Old Ancestor Earthfire sneered, “You colluded with the Evil Path Hall, causing the deaths of dozens of Earthfire Pavilion disciples, and even attempted to murder the Pavilion Master and overthrow the Earthfire Pavilion. Such crimes deserve to be punished ten times over.”

He looked at Fire Burning Heaven: “Burning Heaven, according to the Pavilion Rules, what is the punishment for a traitor?”

Fire Burning Heaven's eyes were filled with murderous intent: “Reporting to the Ancestor, those who betray the Pavilion will have their souls extracted and refined, never to be reincarnated!”

“Then proceed according to the Pavilion Rules.” Old Ancestor Earthfire said calmly.

“No!!!” Yan Lie roared in despair, turning to try to escape.

But how could Fire Burning Heaven give him the chance?

A crimson flame instantly enveloped him, and before Yan Lie could even scream, he was burned to ashes.

Huo Fentian grabbed with one hand, and a phantom soul flew out from the ashes—it was Yan Lie's remnant soul, sealed in a crimson jade bottle.

“Extracting and refining the soul, as a warning to others,” Huo Fentian said coldly.

Having dealt with the traitor, the Earth Fire Ancestor turned his gaze to David.

Huo Fentian's heart tightened, and he hurriedly said, “Ancestor, although this young friend David trespassed into the forbidden area, he was there to heal his injuries, and... he exposed the traitor Yan Lie, which can be considered a merit. Please, Ancestor, show leniency.”

He wanted to protect David.

After all, David had saved Huo Ling'er and Elder Yan Xin, and now he had exposed Yan Lie; his merits outweighed his demerits.

The Earthfire Ancestor looked at David, a hint of a smile flashing in his eyes: "Little fellow, what do you say?"

David smiled slightly: "Whatever you say, do as you please."

"Do as you please?"

The Earthfire Ancestor teased, "Then I will severely punish you for trespassing into the forbidden area, how about that?"

Huo Ling'er became anxious: "Ancestor! I brought David in! Punish me if you must!"

"Ling'er!" Huo Fentian shouted.

"Father, I brought David in without permission, so punish me if you must!" Huo Ling'er shouted!

"Do you know that outsiders are not allowed to enter the forbidden area?"

the Earthfire Ancestor said.

"I know, but... but..."

Huo Ling'er looked at David, then took a deep breath and said: "Ancestor, what if I said... David is not an outsider?"

"Not an outsider?" Huo Fentian frowned, "What do you mean?"

David was also stunned.

Huo Ling'er took a deep breath, looked at David, a hint of tenderness and apology flashing in her eyes.

She knew that the next sentence might change many things.

"David and I... have already consummated our marriage," Huo Ling'er said slowly. "He is my man."

"Boom...!"

These words exploded in everyone's ears like a bolt from the blue!

Huo Fentian

was dumbfounded.

The elders were speechless.

David's mind went completely blank. When had he and Huo Ling'er consummated their marriage?

How come he didn't know?

Wasn't this just accusing him for no reason?

But David quickly realized that Huo Ling'er was saving him!

Moreover... Huo Ling'er's words were tantamount to announcing their relationship in public.

Huo Fentian's expression changed uncertainly.

He looked at his daughter's shy appearance, then at David's calm eyes, and believed it to some extent.

To be fair, although David's origins were mysterious, he was exceptionally talented, possessed the bloodline of the Golden Dragon, was powerful, and valued loyalty and righteousness.

If he really became his son-in-law, it would definitely be a good thing for the Earth Fire Pavilion.

But... this kid was too direct, wasn't he?

They had only known each other for a short time, and he had already taken advantage of his daughter?

"Ahem..."

Huo Fentian coughed twice, "David, when did you and Ling'er... happen?"

David was stunned for a moment, then began to make up a story.

"In the Crimson Flame Canyon, Ling'er was in danger, and when I healed her..."

This was half true and half false.

He had indeed healed Huo Ling'er in the Crimson Flame Canyon, but at that time he only transferred immortal energy; there was no physical intimacy.

However, to outsiders, this was ambiguous enough.

Huo Fentian's face flushed red, and he glared at Huo Ling'er—this girl, how could she be so unreserved!

Huo Ling'er lowered her head even further, wishing she could disappear into the ground.

The Earth Fire Ancestor suddenly laughed heartily: "Good! Good! Good! Fentian, your son-in-law is quite good! Golden Dragon bloodline, possessing great treasures, limitless potential.

He is worthy of my Earth Fire Pavilion's princess!" His words were tantamount to finalizing the matter.

What could Huo Fentian say?

The ancestor had approved; could he object?

Moreover... thinking about it carefully, David was indeed a rare talent.

With his assistance, the future of the Earth Fire Pavilion was promising.

"Since the Ancestor has said so..."

Huo Fentian sighed, looking at David with a complicated expression. "David, your matter with Ling'er can be discussed later. But your unauthorized entry into the forbidden area is ultimately against the rules. Considering your merit in exposing the traitor, you can be spared the death penalty, but you will not escape punishment."

"I accept the punishment," David said.
