Chapter 5896

“Alright, since you accept the punishment, then I will...”

“Wait, I’ll decide David’s punishment!” said the Earth Fire Ancestor!

Huo Fentian was stunned, not expecting the Ancestor to speak personally.

He bowed respectfully: “Ancestor, please tell me, how should David be punished?”

The Earth Fire Ancestor’s fiery body rippled slightly, his golden flame-like eyes scanning back and forth between David and Huo Ling’er, finally revealing a meaningful smile:

“Since Ling’er says David is her man, then let the two of them marry immediately and become Daoist partners. In this way, David will no longer be an outsider, but the son-in-law of my Earth Fire Pavilion. The crime of trespassing into the forbidden area will naturally be waived.”

“What?!”

“Marry?!”

“Immediately?!”

A series of exclamations rang out in the cave.

Huo Fentian was dumbfounded.

The elders exchanged bewildered glances.

Huo Ling’er’s pretty face instantly flushed crimson, like a ripe apple, so embarrassed she almost fainted.

David was also stunned; he never expected the punishment from the Earth Fire Ancestor to be this.

“Ancestor... this...”

Huo Fentian opened his mouth, wanting to say something.

“What? My words no longer carry weight?”

The Earth Fire Ancestor's voice deepened, and the temperature of the entire cave suddenly rose, the lava pool even boiling.

Huo Fentian hurriedly bowed: “This disciple dares not! But... how can a marriage be so hasty? Moreover, Ling'er is the princess of the Earth Fire Pavilion; the wedding should be grand, inviting guests from all sides...”

“Why bother with formalities?”

The Earth Fire Ancestor interrupted him, “With the Evil Path Palace army pressing in, where is there time for a grand wedding? Marry immediately and settle this matter. We can hold a celebration later after defeating the Evil Path Palace.”

He looked at David: “Little fellow, are you willing?”

David's mind raced.

The Earth Fire Ancestor's move, seemingly absurd, was actually brilliant.

Firstly, it would clear David's name of trespassing into the forbidden area, making him a son-in-law and thus not an outsider.

Secondly, it would completely bind David to the Earth Fire Pavilion's cause. With this relationship, David would have to wholeheartedly help the Earth Fire Pavilion fight against the Evil Path Hall.

Thirdly, David possessed the Golden Dragon bloodline and extraordinary talent; becoming the Earth Fire Pavilion's son-in-law would greatly benefit the pavilion's future development and could even help him reshape his physical body.

As for himself...

David looked at Huo Ling'er.

Huo Ling'er was looking down, her fingers nervously twisting the hem of her clothes, her pretty face flushed crimson.

Although she was shy, there was no resistance in her eyes; instead, there was a hint of expectation.

To be fair, Huo Ling'er was stunningly beautiful, of noble birth, kind and brave, and deeply devoted to him.

To become her Daoist partner would be an absolute blessing.

However... David had other women in his heart, and too many unfinished business.

But then he thought again. He and Huo Ling'er already had feelings for each other, and Huo Ling'er had just publicly declared him her man, binding her reputation to his own.

If he refused now, it would not only hurt Huo Ling'er's feelings but also cause her to lose face in the Earth Fire Pavilion.

More importantly, he still needed the power of the Earth Fire Pavilion to fight against the Evil Path Hall, and he needed the Earth Fire Ancestor to point out the location of the Earth Core Jade Marrow Milk... “

I do,” David took a deep breath and said slowly.

His voice was not loud, but it clearly reached everyone's ears.

Huo Ling'er's body trembled, and she suddenly raised her head, her eyes flashing with surprise and disbelief.

“However,”

David continued, “although Ling'er and I are in love, marriage is a major event that requires Ling'er's consent. If she is not willing, I will not force her.”

All eyes turned to Huo Ling'er.

Huo Ling'er bit her lip, looked at David, and her eyes glistened with tears.

She took a deep breath and mustered her courage: “I...I do.”

Her voice was as soft as a mosquito's buzz, but in the silent cave, it was as clear as thunder.

The Earth Fire Ancestor laughed loudly: “Good! Since that's the case, then let's get married immediately! Fen Tian, you will preside over the ceremony!”

Huo Fen Tian smiled bitterly, but he dared not disobey the ancestor's order.

He glanced at his daughter, then at David, and finally sighed, “Very well, since the Ancestor has given the order, and you two are mutually in love, then... let's get married.”

He turned to an elder and said, “Pass down the order, everyone in the Earthfire Pavilion, prepare for the princess and David's wedding immediately. It doesn't need to be too grand, but the proper rites must be observed.”

“Yes!” The elder accepted the order and left.

The Earthfire Ancestor nodded in satisfaction, “Very good. After the wedding, David will go into seclusion in the forbidden area to help me restore my physical body. Once I have reconstructed my physical body, I will personally hold a celebration for you.”

He looked at David, a deep meaning flashing in his eyes, “Little fellow, treat Ling’er well. She is someone I watched grow up; if I dare to betray her... hmph.”

David solemnly clasped his hands, “Ancestor, rest assured, David will not betray Ling’er.”

“Good! Everyone disperse, prepare for the wedding.”

The Earthfire Ancestor’s fiery body slowly dissipated, merging back into the lava pool.

Everyone left the forbidden area.

Huo Fentian looked at David and Huo Ling’er standing side by side, his feelings complicated.

He patted David on the shoulder: “Kid, treat my daughter well. If you dare bully her, I won’t forgive you.”

“Don’t worry, Father-in-law,” David quickly changed his tune.

Huo Fentian’s lips twitched, but he finally sighed and turned to leave.

Soon, only David, Huo Ling’er, and the Crimson Cloud Demon Lord remained in the cave.

The atmosphere became somewhat awkward.

The Crimson Cloud Demon Lord tactfully stepped aside, saying, “I’ll go for a walk outside. You two chat.”

After he left, Huo Ling’er blushed and looked at David, whispering, “David... I’m sorry... I didn’t mean to say that. I just wanted to save you...”

“I know,”

David said gently. “I should thank you. If it weren’t for you, I probably wouldn’t have survived this ordeal.”

“But... but...”

Huo Ling'er bit her lip, "Now that the Ancestor wants us to marry, are you... are you really willing? If you're not willing, I can talk to the Ancestor..."

"I am willing,"

David interrupted her, taking her hand. "Ling'er, you're a good girl. It's my blessing to become your Daoist partner."

He paused, then said sincerely, "It's just... I carry too many burdens, and there are other women on my shoulders. There may be many dangers in the future. Following me, you might suffer."

Chapter 5897

Tears welled in Huo Ling'er's eyes, but she shook her head firmly: "I'm not afraid. As long as I can be with you, I'm not afraid of any hardship."

"I don't care how many women you have, I just need to be one of them."

She nestled into David's arms, her voice soft yet resolute: "David, I know you may have many things to do. But I will wait for you, I will face them with you. No matter what the future holds, I will not regret my choice today."

A warm current surged through David's heart, and he hugged Huo Ling'er tightly.

At this moment, he truly accepted this brave and sincere girl.

After a moment of embrace, Huo Ling'er blushed and pushed him away: "I...I have to go prepare for the wedding. Although it's rushed, it's a major life event after all..."

"I'll go with you," David smiled.

"Okay!"

...

The entire Di Huo Pavilion was bustling with activity because of the sudden wedding.

Although time was short, it was, after all, a princess's wedding, and all the proper rituals had to be observed.

Red silk hung throughout the palace, and the character for “double happiness” adorned every door and window.

The disciples of the Earth Fire Pavilion were surprised, but mostly offered their blessings.

After all, David had saved the princess, exposed a traitor, and possessed great strength; he was worthy of the princess.

The wedding was held at noon.

The main hall of the Earth Fire Pavilion was brightly decorated. Although no foreign guests were invited, all the elders, deacons, and core disciples of the Earth Fire Pavilion were present.

David, dressed in a crimson wedding robe, was dignified and imposing. Huo Ling'er, in her phoenix coronet and wedding gown, was breathtakingly beautiful.

Under the guidance of Huo Fentian, the two bowed to heaven and earth, to their parents, and to each other as husband and wife.

The ceremony was complete.

Simple yet solemn.

“To the bridal chamber!” the master of ceremonies shouted.

Amidst the blessings of the disciples, David and Huo Ling'er were led to the newly decorated bridal chamber.

Inside, red candles flickered, and the atmosphere was joyous.

Huo Ling'er sat on the edge of the bed, her palms sweating with nervousness.

David walked to her side and gently lifted the red veil.

In the candlelight, Huo Ling'er's face was breathtakingly beautiful, radiantly gorgeous.

“Ling'er...” David called softly.

“Mmm...” Huo Ling'er's voice was barely audible.

David sat down beside her and took her hand: “Ling'er, there's something I need to tell you.”

Huo Ling'er's heart tightened: "What?"

"Before our marriage, I did have someone else in my heart,"

David said honestly. "She's my...old friend, she saved my life. I promised to save her, that's my promise to her."

Huo Ling'er's eyes dimmed, but quickly regained their composure: "I know. How could someone as outstanding as you not have a past? I don't care about your past, I only care about our future."

She looked at David, her eyes filled with deep affection: "David, I will save her with you. After we save her, let's live a good life together, okay?"

David was moved and embraced her: "Okay."

This night, the wedding night was short and fleeting.

Huo Ling'er endured the ordeal that every woman must face.

Pain and pleasure coexisted.

...

Meanwhile, in the Twelfth Heaven, at the headquarters of the Evil Path Palace. This was a black palace suspended above an endless sea of blood, surrounded by countless vengeful spirits and ghosts, emitting mournful howls.

Deep within the palace, on a throne built of white bones, sat a man in black robes.

The man's face was sinister, his eyes deep-set, and his pupils a strange blood red.

He was surrounded by a dense aura of bloodlust, as if he were a demon god emerging from a mountain of corpses and a sea of blood.

It was none other than Zhan E, the Lord of the Evil Path Palace!

"Bang!"

Zhan E slammed his palm on the armrest of the throne, instantly turning it into dust.

"Useless! A bunch of useless trash!"

he roared, his voice like a chilling wind from the depths of hell, causing the temperature in the entire hall to plummet. “My projection was actually annihilated by a wisp of remnant soul! My Evil Path Hall has utterly disgraced itself!”

Below, a dozen or so elders of the Evil Path Hall knelt, each one trembling with fear, not daring to raise their heads.

Elder Blood Soul was among them; his injuries had not yet healed, and his face was pale, but he could only force himself to remain kneeling there.

“Palace Master, please calm your anger,”

a white-haired elder said, forcing a smile. “According to intelligence, that remnant soul is the Earthfire Ancestor, the founder of the Earthfire Pavilion. His cultivation is unfathomable; at his peak, he probably touched the threshold of the third rank of Upper Immortal. Even if only a remnant soul remains, it’s not something an ordinary projection can contend with.”

“Besides, that place is his territory. We’re already at a disadvantage, and being projections, we’re naturally no match.”

“If the Palace Master were to personally come, he could definitely annihilate the Earthfire Pavilion.”

“Earthfire Ancestor?” A cold glint flashed in Zhan E’s eyes. “I will definitely kill that old bas***.”

He pondered for a moment, then said coldly, “Send down the order to gather the elite forces, led by the three Vice Palace Masters themselves, to go to the Eleventh Heaven and raze the Earthfire Pavilion to the ground! Capture David alive!”

“Yes!” The elders accepted the order.

“Furthermore,” Zhan E added, “tell the three vice hall masters that I want the remnant soul of the Earth Fire Ancestor alive. If I can devour his remnant soul, I might be able to break through the final bottleneck and enter the third rank of the Upper Immortal Realm!”

“Yes, sir!”

“As for David...”

A greedy glint flashed in Zhan E’s eyes, “Golden Dragon bloodline, possessing great treasures... This boy carries a great secret. He must be captured alive; I will interrogate him personally!”

“Yes!”

“Go and prepare. The army must depart within three days!”

The elders hurriedly left.

In the hall, only Zhan E remained.

He slowly rose, walked outside the hall, and looked down at the churning sea of blood below.

“Earth Fire Ancestor... David...” he murmured to himself, his eyes flashing with bloodlust, “Interesting. The Eleventh Heaven seems to be getting lively.” “

However, no matter how lively it gets, it will ultimately become a stepping stone for my Evil Path Hall. When I break through to the third rank of the Upper Immortal Realm, that will be the time when the Evil Path Hall unifies the Twelfth Heaven!”

“Hehehe...”

A sinister laugh echoed above the sea of blood, and countless vengeful spirits shrieked, as if the end of the world had arrived.

Chapter 5898

Eleventh Heaven, Earth Fire Pavilion.

After the wedding, David took Huo Ling'er back to the forbidden area.

The fiery body of the Earth Fire Ancestor reappeared.

“Ancestor.” David bowed.

“Hmm.” The Earth Fire Ancestor nodded, his gaze sweeping over the two of them, and said with satisfaction, “Not bad, the auras are intertwined, yin and yang are in harmony. It seems you have truly become Daoist partners.”

Huo Ling'er blushed and lowered her head.

David was frank: “Thank you for your kindness, Ancestor.”

“Now, can you fulfill your promise?” the Earth Fire Ancestor said!

Huo Ling’er looked at David blankly and asked, “What promise?”

“I will help the Ancestor restore his physical body, and Ling’er, you and Senior Crimson Cloud Demon Lord will help me.”

David said!

Upon hearing this, Huo Ling’er nodded, “Alright!”

David took out the Demon-Suppressing Tower!

The Demon-Suppressing Tower floated in the air, exuding an ancient and vast aura.

The fiery body of the Earth Fire Ancestor rippled slowly beside him, his golden flame-like eyes filled with anticipation.

“Ancestor, we can begin,” David said.

The Earth Fire Ancestor nodded, “You will help me condense my soul and reshape my physical body within the Demon-Suppressing Tower. In return, I will transmit to you the complete version of the ‘Earth Fire True Scripture’ and point out the location of the Earth Core Jade Marrow Milk.”

“This junior understands,” David said solemnly.

“Good, then enter the tower!”

The Earth Fire Ancestor’s fiery body transformed into a stream of light and plunged into the Demon-Suppressing Tower.

David followed closely behind, stepping into the tower.

The flow of time inside the tower

is a hundred times faster than outside.

The fiery body of the Earth Fire Ancestor gradually solidified within the tower, transforming into a phantom of a kind-faced old man with white hair and beard.

Although still in soul form, it was much more solid than before.

“Good! Good! Good!”

The Earth Fire Ancestor, sensing the increased time flow and special laws within the tower, praised it repeatedly with excitement, "The Demon Suppression Tower truly lives up to its name! With this treasure's help, I have hope of reshaping my physical body!"

He looked at David: "Little fellow, let's not delay, let's begin now. You should first familiarize yourself with the basics of the *Earth Fire True Scripture*. Once my soul has solidified to a certain degree, I will pass on the complete version to you."

"Yes!"

David sat cross-legged and began to comprehend the *Earth Fire True Scripture*.

This technique truly lived up to its reputation as the Earth Fire Pavilion's treasure, incredibly profound.

It was divided into nine levels; with each level cultivated, the understanding of the laws of fire deepened. Upon

reaching the ninth level of cultivation, one can control the myriad flames of heaven and earth, capable of scorching mountains and boiling seas with boundless power.

David already possessed the power of chaotic immortality, encompassing all things, making the cultivation of any technique twice as effective.

Furthermore, with the personal guidance of the founder, the Earth Fire Ancestor, his progress was rapid.

Time passed day by day within the tower.

One day outside was equivalent to a hundred days inside.

David was immersed in cultivation, forgetting the passage of time.

The Earth Fire Ancestor, on the other hand, used the time acceleration and special laws of the Demon Suppression Tower to frantically condense his soul body.

His soul body gradually became solidified from its initial illusory state, beginning to possess the sensation of a physical body.

At the same time, the Earth Fire Ancestor was also preparing to reshape his physical body.

Reshaping the physical body required a massive amount of rare and precious materials, but fortunately, Huo Fentian was prepared, continuously sending the Earth Fire Pavilion's millennia-old treasures into the forbidden area.

“Ten-thousand-year-old fire crystal jade, earth core flaming iron, crimson sun refined gold, molten lava blood essence...”

The Earth Fire Ancestor, while condensing his soul body, directed Huo Ling'er and the Crimson Cloud Demon Lord to process these materials.

Although Huo Ling'er was newly married, she knew the matter was of great importance and suppressed her longing, focusing on assisting the Ancestor.

The Crimson Cloud Demon Lord was responsible for guarding the area, ensuring no one disturbed them.

Time flowed quietly within the tower.

One day, two days, three days...

a year passed in the blink of an eye. During this year, David underwent earth-shattering changes.

He cultivated the “Earth Fire True Scripture” to the sixth level, reaching an unprecedented level of understanding of the Law of Fire.

The Chaos Immortal Power fused with the Law of Fire, resulting in a surge in power. His cultivation level broke through from the peak of the first rank of the Heavenly Immortal Realm to the peak of the second rank, only one step away from the third rank!

More importantly, his combat power far exceeded his cultivation level.

With the power of Chaos Immortals, the Golden Dragon Bloodline, the “True Scripture of Earth Fire,” and treasures like the Dragon-Slaying Sword and the Dragon-Patterned Bell, David was confident he could even contend with cultivators at the Upper Immortal Realm!

The Earth Fire Ancestor underwent even greater changes.

After a year of refinement, his soul had solidified to its peak, almost indistinguishable from a real person.

All the materials for reshaping his physical body were ready; only the final step remained: using a drop of David's Golden Dragon Blood essence as a catalyst to fuse his soul with the materials and reshape his body!

“Little fellow, it's ready.”

The Earth Fire Ancestor opened his eyes, golden flames flickering within them. "My soul has been refined to its peak, and the materials for reshaping my body are ready. Now, all that's missing is a drop of your Golden Dragon Blood essence as a catalyst."

David nodded without hesitation, biting his tongue and forcing out a drop of golden blood essence.

The moment the blood essence appeared, a sacred and majestic dragon's might permeated the entire tower.

Within the blood essence, a tiny five-clawed golden dragon could be faintly seen swimming, radiating boundless vitality.

Excitement flashed in the eyes of the Earth Fire Ancestor as he carefully collected the drop of golden dragon essence blood into his palm. "

Good! With this drop of golden dragon essence blood as a guide, my success rate in reshaping my physical body will increase by at least 30%!"

He looked at David, "Little fellow, thank you very much. I will definitely fulfill my promise to you."

"You're too kind, Ancestor."

David asked, "Shall

we begin reshaping our physical bodies now?"

"No rush,"

the Earth Fire Ancestor shook his head. "Reshaping the physical body takes forty-nine days and cannot be disturbed. Moreover... I sense some movement outside."

He calculated with his fingers, his brow furrowing slightly: "The people from the Evil Path Hall... have arrived."

Before he finished speaking, a voice rang out.

"David! David! Something's happened!" It was Huo Ling'er's anxious voice.

David's heart tightened. He exchanged a glance with the Earth Fire Ancestor and simultaneously withdrew from the Demon Suppression Tower.

Outside the tower, Huo Ling'er's face was pale, her eyes filled with panic: "The Evil Path Hall's army is attacking the mountain! Three vice-hall masters have personally arrived,

all at the peak of the ninth rank of the Heavenly Immortal Realm! The mountain-protecting formation is about to collapse!"

"What?"

David's expression changed.

The Earth Fire Ancestor frowned deeply: "Three peak ninth-grade Heavenly Immortals... The Evil Path Palace has really gone all out this time."

"Little fellow, my physical body reconstruction is at a critical moment and cannot be interrupted. Otherwise, not only will all my previous efforts be in vain, but my soul will also be severely damaged. Outside... I can only rely on you."

David took a deep breath, his eyes flashing with cold light: "Don't worry, Ancestor, leave it to me."

He turned to Huo Ling'er: "Ling'er, you stay here to assist the Ancestor. Senior Chi Yun, come with me to meet the enemy!"

"Alright!" Chi Yun Demon Lord was already rubbing his hands together, "I've been holding back for a while, it's a good time to stretch my muscles!"

David then looked at the little fire unicorn Wangcai sleeping by the lava pool .

After a year of growth, Wangcai had reached ten zhang in size, its golden-red scales shining brightly, its four hooves treading on golden flames, majestic and awe-inspiring.

Its aura had reached the peak of the seventh-grade Heavenly Immortal!

The fire spiritual energy here was the most suitable cultivation resource for the little fire unicorn.

"Wangcai, let's go!" David patted its head.

"Roar!" Wangcai roared, stood up, and its eyes gleamed with excitement.

The man, the beast, and the demon rushed out of the forbidden area, heading straight for the gates of the Earth Fire Pavilion!

Chapter 5899

Outside the Earth Fire Pavilion, dark clouds pressed down, threatening to crush the city.

Thousands of cultivators from the Evil Path Hall swarmed in like locusts, completely surrounding the Earth Fire Pavilion.

They were all dressed in jet-black robes, wearing demon masks, and their evil weapons reeked of a nauseatingly bloody aura.

The entire sky was stained dark red by the dense bloody aura, preventing even sunlight from penetrating.

The protective array's light shield trembled violently under the continuous attacks, like a candle flickering in the wind.

The surface of the light shield was covered with spiderweb-like cracks, which widened with each attack, emitting a teeth-grinding "crack" sound.

"One more strike! The formation is about to be broken!"

a deacon of the Evil Path Hall roared, wielding a blood-red longsword as he slashed at the light barrier.

"Boom!"

The light barrier trembled violently, and a fist-sized hole appeared in its center!

Although the hole quickly repaired itself, it still plunged the hearts of everyone in the Earth Fire Pavilion into despair.

The mountain-protecting formation wouldn't last much longer.

Before the mountain gate, three black-robed elders stood in mid-air, like three insurmountable mountains.

They were the three vice hall masters of the Evil Path Hall... Soul Fiend, Bone Demon, and Soul Annihilation!

Vice Hall Master Soul Fiend had a withered face, sunken eyes, and eerie blood-red pupils.

He was surrounded by a thick blood mist, within which countless struggling human faces could be vaguely seen, emitting silent wails.

Vice Hall Master Bone Demon was emaciated, resembling a skeleton draped in human skin.

His fingers were long and pale, the tips gleaming with a chilling white bone light, capable of tearing through space with a single stroke.

The most enigmatic was the Soul Extinction Deputy Hall Master; he had no physical form, his entire being resembling a constantly shifting gray mist.

In the mist

, countless eyes flickered in and out of sight, each radiating a chilling aura that sent shivers down one's spine.

The three figures linked their auras, forming an invisible cage that enveloped the entire Earth Fire Pavilion.

The pressure of a peak ninth-grade Celestial Immortal was immense, overwhelming and suffocating all the Earth Fire Pavilion disciples.

"Huo Fentian, this is the last chance,"

the Vice Hall Master of the Soul Fiend Sect said in a cold, hoarse voice, like sandpaper scraping. "Hand over the remnant soul of the Earth Fire Ancestor and David, and the Earth Fire Pavilion's lineage will be preserved. Otherwise... not a single one will be spared."

Inside the protective formation, Huo Fentian stood at the forefront, his crimson-gold robe stained with blood, some his own, some of his enemies'.

Behind him, a dozen Earth Fire Pavilion elders were all wounded, their auras weakened.

Further away in the plaza, fewer than a hundred disciples remained capable of fighting, most of them heavily injured.

The three-day siege had taken a heavy toll on the Earth Fire Pavilion.

Originally nearly a thousand disciples, now less than one-tenth remain.

If it weren't for the mountain-protecting formation relying on the Heart of Earth Fire, whose energy was nearly inexhaustible, it would have been breached long ago.

"Dream on!"

Huo Fentian's eyes were bloodshot, his voice hoarse yet resolute, "My Earth Fire Pavilion has stood for three thousand years, and has never had a traitor! Today, even if we fight to the last man, we will never bow down to you heretics!"

"Stubborn to the end."

The Bone Demon Vice Hall Master shook his head, his tone tinged with regret, but his eyes were as cold as knives, "Since you insist on seeking death, then I will grant your wish."

He slowly raised his right hand, his five fingers spread, and gently clenched his fist towards the mountain-protecting formation.

"Bone Prison – Myriad Manifestations."

"Crack crack..."

The ground trembled violently, and countless white bone spikes burst forth from the earth, each as thick as a bucket and tens of feet long!

The bone spikes twisted and grew like living things, instantly covering every inch of land outside the mountain-protecting formation, forming a terrifying forest of bones!

Even more terrifying, these bone spikes began to frantically attack the protective array.

They collided, pierced, and entangled, each attack causing the light shield to vibrate violently, cracks spreading at a visible speed!

"Hold on! We must hold on!"

An elder roared, burning his life essence to inject immortal power into the core of the array.

The other elders followed suit, and more than a dozen crimson rays shot into the sky, merging into the protective array.

The light shield stabilized somewhat temporarily, but everyone knew that this was merely a temporary fix.

Burning life essence was overdrawing their lives.

At this rate, all the elders would be exhausted within half an hour.

"Useless."

The voice of the Soul Extinction Deputy Hall Master resounded directly in everyone's minds, cold and eerie. "A trapped beast's struggle only increases suffering. Why not give up resistance, and I'll let you die a quicker death."

Before he finished speaking, the gray mist suddenly spread, transforming into countless fine threads that seeped in through the cracks in the protective array!

"Ah...!"

Several Earth Fire Pavilion disciples were entangled by the gray threads, letting out shrill screams.

Their bodies withered at a visible speed, their life force rapidly drained, finally turning into dried corpses and collapsing.

Their souls were dragged out by the gray threads and absorbed into the Soul Extinction Deputy Hall Master's body, becoming part of his power.

"Beast!"

Huo Fentian's eyes were bloodshot as he slammed his palm down on the gray threads.

Crimson flames erupted, burning the gray threads into wisps of smoke.

But more gray threads surged in from the cracks, impossible to defend against.

Despair, like a cold tide, overwhelmed everyone's hearts.
"It's over..." A young disciple knelt on the ground

, sobbing uncontrollably, "We're all going to die here..."

"The protective formation can't hold..."

Another elder wept bitterly, "Sect Master, please take the princess and escape! We'll fight to the death to buy you time!"

Huo Fentian smiled bitterly: "Escape? Where to escape to? Since the Evil Path Hall has come out in full force, they won't leave us a way out."

He looked into the depths of the Earth Fire Pavilion, a complex look flashing in his eyes:
"I only hope... David and Ling'er can escape this calamity."

As soon as he finished speaking, a crisp cracking sound suddenly came from the center of the protective formation.

"Crack...!"

A huge crack spread from the top to the bottom, like shattered glass.

Then, a second, a third... cracks spread like a spider web!

The protective formation was broken!

“Kill!”

The eyes of the Po Sha Deputy Hall Master blazed with bloodlust, “Leave no one alive!”
“

Kill!” Thousands of Evil Path Hall cultivators surged towards the Earth Fire Pavilion’s gate like a tidal wave.

Huo Fentian took a deep breath, his body engulfed in raging flames: “Disciples of the Earth Fire Pavilion, heed my command! Fight to the death!”

“Fight to the death!” The surviving disciples roared with tragic resolve, preparing for a final, desperate struggle.

Just then!

“Roar!!!”

A deafening dragon’s roar echoed from the depths of the Earth Fire Pavilion!

The roar was high-pitched, majestic, and sacred, containing an undeniable imperial pressure!

A Man Like None Other Novel Chapter 5900

Chapter 5900

Wherever the sound passed, space trembled, and time seemed to stand still!

All the cultivators of the Evil Path Hall froze, as if they had been frozen in place.

Those cultivators rushing towards the mountain gate were struck as if by lightning, letting out a muffled groan as they were sent flying backward, blood flowing from their seven orifices.

The three vice hall masters of changed their expressions simultaneously.

“What is that sound?” Vice Hall Master Bone Demon frowned.

“A dragon’s roar... and an extremely pure dragon’s roar!”

Vice Hall Master Soul Annihilation’s voice was solemn, “How could there be a dragon in the Earth Fire Pavilion?”

Vice Hall Master Soul Fiend narrowed his eyes, looking in the direction from which the sound came: “No matter what it is, they must die today!”

Before he finished speaking, a golden stream of light shot out from the depths of the Earth Fire Pavilion!

The stream of light was extremely fast, instantly traversing dozens of miles and arriving in front of the mountain gate.

The golden light dissipated, revealing three figures.

The leader, dressed in a flowing blue robe with black hair, possessed a handsome face and calm, serene eyes.

He stood with his hands behind his back, his cultivation merely at the peak of the second rank of the Heavenly Immortal Realm, yet he exuded an aura of unfathomable depth.

To his left stood a three-headed, six-armed demonic cultivator, his demonic energy surging, each arm wielding a demonic weapon. His aura reached the peak of the seventh rank of the Heavenly Immortal Realm—it was none other than the Crimson Cloud Demon Lord!

To his right stood a ten-zhang-tall, golden-red Qilin, its head held high, its hooves treading on golden flames, its dragon-scale armor gleaming in the sunlight.

It roared to the sky, its dragon might awe-inspiring, its aura also clearly at the peak of the seventh rank of the Heavenly Immortal Realm!

“David?!”

Huo Fentian was initially stunned, then his expression changed drastically. “Why are you out here? Go back! This is not a place for you!”

He was frantic with worry.

Although David possessed extraordinary talent, he was, after all, only at the peak of the second rank of the Heavenly Immortal Realm.

Facing three vice-palace masters at the peak of the ninth rank of the Heavenly Immortal Realm was tantamount to throwing an egg against a rock!

“The young master is here!” The disciples of the Earth Fire Pavilion were initially overjoyed, but then filled with worry.

“Young master, run! Don’t worry about us!”

“Yes, young master, you and the princess should escape!”

David, however, seemed not to hear them, his gaze calmly sweeping over the army of the Evil Path Hall, finally settling on the three deputy hall masters.

“The three of you, did you ask me before coming to my Earth Fire Pavilion to cause trouble?”

He spoke calmly, his voice not loud, but clearly reaching everyone’s ears.

The entire place fell silent.

Everyone was stunned.

A moment later...

“Hahaha!”

The Bone Demon Vice Hall Master laughed loudly, his laughter full of mockery and disdain. “Boy, who are you? Peak second-grade Celestial Immortal? You dare to speak to us?” He pointed at Chen Ping

as if watching a joke: “You think bringing a Qilin and a demonic cultivator can change anything? In my eyes, you’re nothing more than a slightly stronger ant.”

The Soul Fiend Vice Hall Master also sneered: “Huo Fentian, is this the hope of your Earth Fire Pavilion? A junior at the second-grade Celestial Immortal? How laughable.”

The Soul Extinction Deputy Hall Master stared at Wangcai, his gray mist surging violently: “A pure-blooded Qilin descendant... What a treasure! Boy, offer up this Qilin, and I can give you a quick death.” The

Evil Path Hall army also erupted in laughter.

“Second-grade Celestial Immortal? Is he here to die?”

“The Earth Fire Pavilion really has no one left, actually sending out a second-grade junior to fill the ranks.”

“What a pity for that Qilin, it followed the wrong master.”

Facing the overwhelming ridicule, David’s expression remained unchanged, even a faint smile appeared at the corner of his mouth.

“Peak of the second rank of the Celestial Immortal Realm...”

he repeated softly, then raised his eyes, a golden glint flashing in them. “Killing you all is enough.”

“Arrogant!” the Vice Hall Master of the Soul Fiend Sect roared in fury. “Boy, since you’re courting death, I’ll grant your wish!”

He waved his hand: “Everyone, listen up! Continue attacking the Earth Fire Pavilion! Leave this brat to me!”

Before his words even finished, the Vice Hall Master of the Soul Fiend Sect had already transformed into a blood-red afterimage, instantly traversing a thousand feet and appearing before David!

His speed was as fast as teleportation!

“Soul Fiend Palm!”

A gigantic blood-red palm, obscuring the sky and sun, materialized out of thin air, its palm lines clearly visible, each line formed from countless vengeful spirits!

The gigantic palm, carrying overwhelming Soul Fiend energy, slammed down on David!

The Vice Hall Master of the Soul Fiend Sect used seventy percent of his strength for this palm strike.

In his view, seventy percent of his strength was more than enough to deal with a junior at the peak of the second rank of the Celestial Immortal Realm.

The power of this palm strike was enough to instantly kill any cultivator below the eighth rank of the Celestial Immortal Realm!

“David, be careful!” Huo Fentian

cried out in alarm, trying to help, but he was locked in place by the aura of the Bone Demon Vice Hall Master and couldn’t move.

The hearts of everyone in the Earth Fire Pavilion were in their throats; some female disciples even closed their eyes, unable to bear the sight of David being smashed into a bloody pulp.

The Evil Path Hall cultivators revealed cruel smiles, as if they could already see David's gruesome death.

However, facing this earth-shattering palm strike, David remained calm, not even... lifting an eyelid.

He slowly raised his right hand, his five fingers spread, and gently clenched it against the sky-covering, blood-red giant hand.

The movement was casual, as if catching a fly.

"Chaos Fire Domain,"

he uttered softly.

"Boom—!"

Within a thousand feet of David, space suddenly distorted!

The hazy chaotic energy intertwined and merged with the crimson-gold Earth Fire True Flame, transforming into a unique domain.

Within the domain, the laws of fire boiled, and chaotic energy permeated, as if forming its own world!

The crimson giant palm slammed into the domain, its speed and power drastically reduced, like a giant beast stuck in mud, unable to move an inch!

Even more bizarrely, the vengeful spirits in the palm, upon contact with the chaotic energy and the true flames of the earth, let out shrill screams, melting away rapidly like ice and snow meeting the scorching sun!
