### **Chapter 6066**

“Order the entire army to prepare for battle!”

David roared. “The real test has begun!”

Inside the Temple of the Gods, alarm bells rang loudly.

A hundred thousand demon soldiers rapidly assembled, their battle banners fluttering, their killing intent soaring to the heavens.

David stood before the temple, Dragon-Slaying Sword in hand, his gaze resolute.

What was destined to come would inevitably come.

So let the battle begin!

David took a deep breath, the power of chaos surging within him.

Standing before the temple, his gaze sharp as lightning, he looked towards the eastern horizon.

In the distance, dark clouds pressed down.

Not dark clouds, but a densely packed army of gods!

War drums thundered, horns blared, and three hundred thousand gods rolled in from the east like a black tide.

Banners blotted out the sun, killing intent filled the air, the entire sky dyed a blinding gold by the golden battle banners of the gods.

At the front of the army, hundreds of enormous divine flying ships formed a battle formation, each ship filled with fully armed divine guards.

Golden chains crisscrossed between the flying boats, forming a vast net covering hundreds of miles.

Even more chilling were the soaring auras rising into the sky.

Ten auras!

A full ten auras of the seventh rank of the Upper Immortal Realm!

Leading them was a man in a dark gold robe, his face majestic—the Grand Venerable of the Central Region’s Divine Punishment Hall!

He stood in mid-air, his aura as deep and boundless as the ocean, clearly an eighth-rank Upper Immortal Realm cultivator!

To his left and right were ten Divine Race Venerables from various regions, each a seventh-rank Upper Immortal Realm cultivator.

These important figures, usually ruling their respective regions, had gathered in the Western Regions today!

Behind the Grand Venerable, a man and a woman stood out.

The man wore a silver robe and carried a long sword, his divine king mark gleaming between his brows; the woman wore a purple dress and had silver hair, her beauty as exquisite as the bright moon in the heavens.

They were the special envoys from the Fourteenth Heaven, Lin Wuchen and Yue Liuli!

Although their auras were only at the peak of the seventh rank of the Upper Immortal Realm, their purity and refinement far surpassed that of their counterparts in the Thirteenth Heaven.

Especially Lin Wuchen, standing there, was like a divine sword about to be drawn, his sword intent soaring to the heavens, even causing space itself to slightly distort.

Three hundred thousand troops, ten experts of the seventh rank or higher in the Upper Immortal Realm, and two special envoys from the fourteenth heaven!

Such a lineup was enough to sweep through any major region of the thirteenth heaven!

Before the palace, an army of 100,000 demons stood in formation.

Although outnumbered, every demon warrior’s eyes burned with hatred, ready to die for their cause.

David stood at the front of the formation, holding the Dragon-Slaying Sword, his face as calm as still water.

Behind him, Ming Li, You Sha, Fox Third Sister, and 108 cultivators of the fifth rank or above in the Upper Immortal Realm formed the Chaos Returning Origin Formation, a huge gray vortex slowly rotating above their heads.

“David!”

The Grand Venerable’s voice boomed like thunder, echoing through heaven and earth: “Do you know your crimes?!”

David looked up, his gaze piercing through miles to meet the Grand Venerable’s eyes: “Crime? What crimes have I committed?”

“Killing a Divine Clan Venerable, attacking the Demon Suppression Hall, and instigating a rebellion!”

the Grand Venerable roared, “Each of these is a capital offense! Today, I will personally lead an army of 300,000 to tear you to pieces as a warning to others!”

David suddenly laughed: “Tear you to pieces? With your abilities?”

He raised his hand, the Dragon-Slaying Sword pointing at the Grand Venerable: “Five of your Venerables died at my hands, three of the Western Regions’ Venerables died at my hands, and tens of thousands of Divine Clan soldiers died at my hands. You, as a Grand Venerable, can’t even handle a mere First-Rank Upper Immortal, yet you still have the nerve to spout such nonsense here?”

“You!” The Grand Venerable’s face turned ashen with rage.

David didn’t give him a chance to speak, continuing, “The Divine Race has ruled the Thirteen Heavens for thousands of years, extracting the souls of living beings to refine soul crystals, poisoning all races. Ironback Bear King, Elder Deer, tens of thousands of demon warriors... their blood, today I will make you pay a hundredfold!”

“Arrogant!”

a Divine Race Venerable roared, “David, you’re just a junior who luckily encountered a fortuitous event, yet you dare to speak so arrogantly here?!”

David’s gaze swept over the man: “And who are you? State your name, my sword does not kill nameless nobodies.”

“I am the Frost Venerable of the Northern Region!” the man said proudly.

“Frost Venerable?”

David nodded, “Good, I’ll remember that. You’ll be the first one I kill later.”

“You!” The Frost Venerable trembled with rage.

At this moment, Yue Liuli suddenly chuckled, her voice as clear and melodious as a silver bell: “Senior brother, this David is quite interesting. He’s clearly only at the first rank of the Upper Immortal Realm, yet his arrogance is beyond measure.”

Her beautiful eyes swept over David: “Hey, you’re David? You look quite young. Interested in returning to the Fourteenth Heaven with me? With your talent, if you’re willing to submit to the Divine Race, I can plead with our master to spare your life.”

David looked at Yue Liuli, a hint of surprise flashing in his eyes.

This woman was indeed stunningly beautiful, but her haughty attitude was repulsive.

“Go back to the Fourteenth Heaven with you?”

David laughed. “What for? To be your gigolo?”

“You!”

Yue Liuli’s pretty face flushed instantly, a hint of shame and anger flashing in her beautiful eyes. “Insolence!”

Lin Wuchen frowned slightly: “David, my junior sister is giving you a chance because she thinks highly of you. Don’t be ungrateful.”

David looked at Lin Wuchen, his gaze falling on the mark between his brows: “God Clan royal bloodline? No wonder

you’re so arrogant. However...” He changed his tone, turning cold: “Are all the people of the Fourteenth Heaven so self-righteous? Do you think that just because you come from the Upper Realm, you can kill and take the lives of beings in the Lower Realm?”

Lin Wuchen said calmly: “The law of the jungle is the ultimate principle of heaven and earth. The God Clan rules the heavens with strength. If you’re not convinced, you can try.”

“Try it then.”

David stepped forward with his sword. “But before that, I need to clean up some trash.”

He looked at the Great Venerable: “Old man, you brought 300,000 troops here, you’re not just here to watch the show, are you? If you want to fight, then fight, enough nonsense!”

### **Chapter 6067**

The Great Venerable One, enraged, laughed coldly: “Fine! Fine! Since you seek death, I will grant your wish!”

He waved his hand: “First wave, charge! Slaughter all these demon traitors!”

“Kill!”

Tens of thousands of divine vanguard soldiers roared in unison, forming a battle formation and charging towards the Anti-God Temple like an iron torrent.

These vanguard soldiers were all elites, each possessing a cultivation level of at least the fourth rank of the Upper Immortal Realm. Once in battle formation, their auras merged into one, like a mobile war fortress.

The hundred thousand demon army stood ready, but David waved his hand.

“Withdraw.”

He turned to the one hundred and eight cultivators behind him: “Chaos Returning to Origin Formation, activate!”

The one hundred and eight cultivators at least the fifth rank of the Upper Immortal Realm simultaneously formed hand seals, and the Chaos Returning to Origin Formation was activated at full power!

Boom!

A huge gray vortex spun wildly, releasing terrifying devouring power.

The thousands of divine vanguard soldiers at the forefront were swallowed by the vortex before they could even react!

There were no screams, no struggles, not even a trace of their remains!

Thousands of elite warriors at the fourth rank or above of the Upper Immortal Realm vanished just like that!

“What?!” The Grand Venerable’s pupils constricted sharply.

The expressions of the ten Divine Race Venerables changed drastically.

Lin Wuchen and Yue Liuli's eyes flashed with shock at the same time.

That gray vortex... could actually devour thousands of Upper Immortal Realm cultivators in an instant?

What kind of formation is this?!

David stood at the core of the formation, feeling the surging power within the Chaos Returning to Origin Formation, and said calmly, "Is there more?"

The Grand Venerable's face was ashen, and he gritted his teeth: "Second formation, continue the charge! I refuse to believe that this formation can devour my 300,000-strong army!"

Another tens of thousands of Divine Race soldiers charged forward.

The result was the same.

The gray vortex was like the mouth of a glutton, accepting all who came.

Tens of thousands of soldiers rushed into the vortex's range and instantly disappeared without a trace.

Twenty thousand elite warriors were gone just like that!

The entire arena fell silent!

The 300,000-strong Divine Race army was completely silent.

The eyes of all the Divine Race soldiers looking at the gray vortex were filled with fear.

This wasn't a battle, it was a massacre!

The Great Venerable trembled, both from anger and fear.

He finally understood why the Demon-Suppressing Venerable and the Golden Spear Venerable had suffered such a crushing defeat.

This David... he was simply inhuman!  
"Great Venerable One, this formation is strange,"

a Divine Clan Venerable said in a deep voice. "We can't let ordinary soldiers die any more."

The Great Venerable One took a deep breath, forcibly suppressing the fear in his heart: “David, do you think you can stop my 300,000-strong army just by relying on this formation?”

David smiled: “Whether I can stop them or not, we’ll find out by trying.”

He paused, then added: “But it’s pointless to keep sending these small fry to their deaths. How about this, you have ten Venerable Ones, right? Come at me all at once, I’ll take them all on by myself.”

As soon as these words were spoken, the entire audience was in an uproar!

One person challenging ten Venerable Ones of the Seventh Rank of the Upper Immortal Realm?

Insane!

This David is absolutely insane!

Even Ming Li and the others paled: “Mr. Chen, you mustn’t!”

David waved his hand: “It’s alright. It’s a good opportunity to test my current limits.”

He looked at the Grand Venerable: “What? You dare not? Ten people against one of me, and you still dare not?”

The Grand Venerable’s expression shifted, and finally he gritted his teeth and said: “Fine! Since you’re courting death, I’ll grant your wish!”

He looked at the ten Venerables from various domains behind him: “You ten, go and test his strength first.”

The ten Venerables exchanged glances and flew out simultaneously.

These ten were all seventh-grade Upper Immortals, from various domains of the Thirteen Heavens, each a regional overlord.

Now, joining forces to deal with a junior of the first grade Upper Immortal was somewhat humiliating, but the strength David displayed made them dare not be careless.

“David, prepare to die!”

The ten attacked simultaneously, unleashing all sorts of supernatural powers and magical treasures.

Frost filled the sky! Blazing flames scorched the heavens! Sword energy crisscrossed!  
Thunder roared!

Ten different laws of power intertwined in the sky, forming a destructive ocean that  
crushed towards David!

Such an offensive would be too much for even an eighth-grade Grand Venerable of the  
Upper Immortal Realm to withstand head-on!

But David merely smiled faintly.

“Chaotic Sword Domain, open!”

Centered on him, a thousand-foot radius transformed into a gray domain.

The power of the ten laws, upon entering the domain, was greatly reduced, as if they  
were mud oxen entering the sea, rapidly assimilated and devoured by the power of  
chaos.

“What?!” The ten Venerables were shocked.

They had never seen such a bizarre domain, capable of devouring even their own laws!

“My turn.”

David took a step forward, unleashing the Dragon-Slaying Sword.

“Chaos, slash!”

Ten gray sword beams simultaneously slashed towards the ten!

Fast! Too fast!

The ten Venerables didn't even see the trajectory of the sword beams, only feeling a  
chill between their brows and excruciating pain in their souls!

Thud!

Thud!

Thud! ...

Ten heads flew off simultaneously!

Ten seventh-grade Grand Immortal Realm Venerables perished!

One sword, ten Venerables slain!

The entire arena fell silent!

The army of 300,000 gods and 100,000 demons left everyone speechless. Even Lin Wuchen and Yue Liuli's eyes showed solemnity.

One sword slaying ten seventh-grade Upper Immortals?

This wasn't just fighting across ranks; it was utter crushing defeat!

"Such powerful chaotic energy..."

Lin Wuchen murmured to himself, "No wonder he could slay five Venerables in a row."

Yue Liuli's beautiful eyes shone with wonder: "Senior brother, this David... is indeed extraordinary."

The Grand Venerable's face was ashen, his body drenched in cold sweat.

Ten Venerables!

Ten seventh-grade Upper Immortals!

The elite he had gathered from various domains!

Just like that... gone?

One sword?

What kind of monster is this David?!

David sheathed his sword, his gaze sweeping over everyone remaining: "Who else?"

His voice wasn't loud, but it was like a thunderclap, exploding in the hearts of every Divine Race soldier.

The remaining Divine Race soldiers all took a step back!

Fear!

Unprecedented fear!

They had cultivated for thousands of years, experiencing countless life-and-death situations, but they had never felt such fear!

This young man before them wasn't human; he was a demon!

The Great Venerable One took a deep breath, forcibly suppressing the fear in his heart, and looked at Lin Wuchen and Yue Liuli: "Envoys, this boy is strange, please make a move!"

He knew that the power of the thirteenth heaven alone was no match for David.

Only the envoys of the fourteenth heaven could intervene!

Lin Wuchen and Yue Liuli exchanged a glance, and simultaneously flew out.

The two landed a hundred feet in front of David, confronting him.

"David, you truly surprise me,"

Lin Wuchen said slowly. "A mere first-grade Upper Immortal, yet you can slay ten seventh-grade Upper Immortals with a single sword strike. Such a feat would be considered genius even in the Fourteenth Heaven."

He paused, then continued, "But that's all. While the power of chaos is strong, your cultivation time is too short, and your mastery of it is still too superficial. Today, let me show you what true power is."

David looked at Lin Wuchen, his gaze calm: "A prodigy of the Fourteenth Heaven? Perfect, I also want to see just how strong the geniuses of the Upper Realm truly are."

Yue Liuli snorted: "David, don't be too smug. My senior brother is among the top ten of the younger generation in the Fourteenth Heaven. Although you are someone of note in the Lower Realm, you are no match for us." "

Oh?"

David raised an eyebrow: "Top ten of the younger generation in the Fourteenth Heaven? Is that impressive?"

He suddenly smiled: "But wouldn't it be too unfair for the two of you to fight together? How about this, I'll fight your senior brother first, and if you're worried about him losing, you can help him anytime."

"You!"

Yue Liuli's pretty face flushed red with anger. "Arrogant! My senior brother could crush you with a single finger!"

Lin Wuchen raised his hand to stop Yue Liuli, and said calmly, "Junior sister, there's no need to argue with him. Strength isn't about words."

He looked at David: "David, I'll give you one last chance. Submit, or die."

David stood with his sword drawn, the tip pointing at Lin Wuchen: "If you want to fight, then fight. Why all the nonsense?"

"Fine." Lin Wuchen nodded. "Since you insist on seeking death, I will grant your wish."

### Chapter 6068

He slowly drew his longsword from his waist.

The moment the sword was drawn, the world changed color!

It was a longsword entirely silver-white, slender in blade, its edge as thin as a cicada

's wing. The blade was engraved with profound golden runes, each radiating terrifying sword intent.

"This sword is called Immortal Slayer, a superior-grade immortal weapon bestowed upon me by my master,"

Lin Wuchen said, gently stroking the sword. "Since acquiring this sword, I have never used it in the lower realms. Today, for you to die by this sword is your honor."

David felt the terrifying sword intent emanating from the Immortal Slayer sword, a hint of solemnity flashing in his eyes.

This sword was indeed extraordinary.

Its grade was probably close to that of a top-grade immortal weapon!

Moreover, Lin Wuchen's sword intent was refined to the extreme, far surpassing any sword cultivator in the thirteenth heaven.

He truly deserved to be a prodigy of the fourteenth heaven.

But so what?

David gripped the Dragon Slayer sword tightly, chaotic power surging within his body.

“The Immortal-Slaying Sword? A nice name

,” he said calmly. “But my sword is called the Dragon-Slaying Sword. Today, let’s see whether your Immortal-Slaying Sword is stronger, or my Dragon-Slaying Sword is more powerful.”

“As you wish.” Lin Wuchen took a step forward, his figure vanishing from his spot.

The next instant, he appeared before David, the Immortal-Slaying Sword aimed at David’s brow!

Fast!

Extremely fast!

This sword strike transcended the limitations of space, as if teleporting!

But David’s reaction was even faster!

His Chaotic Sword Domain expanded to its full power, and the Immortal-Slaying Sword’s speed decreased drastically after entering the domain!

Clang!

The Dragon-Slaying Sword collided with the Immortal-Slaying Sword!

Sparks flew!

Space shattered!

The two retreated simultaneously, standing a hundred feet apart.

The first sword strike was a draw!

“Good!”

A glint flashed in Lin Wuchen’s eyes. “To withstand a sword strike with seventy percent of my power, you are indeed worthy of being my opponent.”

David shook his numb arm and laughed, “Seventy percent of my power? Then you’d better be careful. I only used fifty percent just now.”

“Stubborn.”

Lin Wuchen snorted coldly and attacked again.

This time, he held nothing back.

“Nine Heavens Sword Art, First Form – Sword Piercing the Sky!” The Immortal-Slaying

Sword emitted a dazzling silver light, and a hundred-foot-long silver sword beam shot into the sky, tearing through the clouds and slashing down towards David!

This sword strike contained pure sword dao laws, its power enough to kill an eighth-grade Upper Immortal!

David’s expression turned solemn, and he swung the Dragon-Slaying Sword.

“Chaos, Heaven Opening!”

The gray sword beam met the silver sword beam.

The two swords collided!

Boom!

A terrifying shockwave swept in all directions, the earth below cracked open with countless deep trenches, and mountains within several miles collapsed!

The protective array of the Anti-God Temple trembled violently and almost shattered!

The 300,000-strong divine army and the 100,000-strong demon army were all thrown about!

As the dust settled, the two remained locked in a standoff.

The second sword strike was still evenly matched!

But Lin Wuchen’s expression darkened.

He used the Nine Heavens Sword Technique, yet he still couldn’t defeat David?

This chaotic power is truly bizarre!

“Senior brother, let me help you!”

Yue Liuli was about to intervene.

“No need.”

Lin Wuchen raised his hand to stop him, “I am enough on my own.”

He looked at David, his eyes burning with fighting spirit: "David, you are worth my full strength."

As soon as he finished speaking, the divine mark between his brows shone brightly!

A terrifying aura erupted from his body, and his cultivation instantly soared to the eighth rank of the Upper Immortal Realm!

"God King Bloodline, activate!"

Lin Wuchen's aura surged more than three times, his body radiating brilliant silver light, like a war god descending!

"Now, do you still think you have a chance of winning?" Lin Wuchen's voice was icy.

David felt Lin Wuchen's surging aura, a hint of surprise flashing in his eyes.

God King Bloodline?

Truly extraordinary.

It can actually raise one's cultivation by a whole realm in a short time!

But, so what?

"Eighth-grade Immortal Realm?"

David smiled. "Perfect. I also want to test just how strong my current combat power truly is."

He closed his eyes, and the Chaos Dao Seed within his body spun wildly.

"Chaotic True Body, manifest!"

Boom!

David's aura surged instantly!

Gray patterns appeared on his body's surface, his eyes turned chaotic, and his hair moved without wind, each strand shimmering with gray light.

Chaotic True Body!

This was a secret technique he had comprehended from the Great Dao of Chaos, capable of unleashing the full potential of chaotic power for a short time!

Although the duration was short, his combat power would increase several times over during this period!

“Now, it’s fair.”

David opened his eyes, the chaotic color flowing within them.

Lin Wuchen’s pupils contracted slightly.

He sensed that David’s aura was no weaker than his own!

“Good! This is more interesting!”

Lin Wuchen roared, “Nine Heavens Sword Art, Ninth Form—Sword Annihilation of All Heavens!” The Immortal

-Slaying Sword unleashed unprecedented light, nine silver sword beams appearing simultaneously, weaving into a sword net in the air, descending upon David!

This sword strike was the ultimate essence of the Nine Heavens Sword Art, its power enough to kill an eighth-grade Upper Immortal!

David took a deep breath, raising the Dragon-Slaying Sword high above his head.

“Chaotic Great Dao, Slash!”

He unleashed a single strike!

There were no dazzling sword beams, no terrifying aura.

Only a simple, unadorned gray sword light.

But wherever this sword light passed, space shattered inch by inch, time seemed to stand still.

The nine silver sword beams collided with the gray sword light.

There was no sound, no explosion.

The silver sword beams melted rapidly, like ice and snow meeting fire.

The gray sword light continued its momentum, slashing straight at Lin Wuchen!

## **Chapter 6069**

“What?!”

Lin Wuchen was horrified and hurriedly raised his sword to defend.

Clang!

The Immortal-Slaying Sword was knocked away!

The gray sword light struck Lin Wuchen’s chest!

Pfft!

Lin Wuchen spat out a mouthful of golden blood, a deep, bone-revealing wound appeared on his chest, and he flew backward a thousand feet!

“Senior Brother!” Yue Liuli exclaimed, hurriedly flying to catch Lin Wuchen.

The entire arena was deathly silent!

The 300,000-strong Divine Clan army and the 100,000-strong Demon Clan army were all dumbfounded.

Lin Wuchen, the genius of the Fourteenth Heaven, the inheritor of the Divine King bloodline, the peak of the seventh rank of the Upper Immortal Realm...

defeated?! Severely

injured by David’s sword?!

The Great Venerable’s face was ashen, and his whole body trembled.

It’s over... Even the special envoy of the Fourteenth Heaven has been defeated...

Just what kind of monster is this David?!

Yue Liuli supported Lin Wuchen, her beautiful eyes filled with shock and anger.

“David! How dare you harm my senior brother!”

she gritted her teeth. “I’ll kill you!”

With a wave of her jade hand, a golden talisman appeared.

It was the Divine Sealing Talisman!

“Master bestows this talisman to seal heaven and earth! David, prepare to die!”

The golden talisman soared into the sky, transforming into countless golden runes that enveloped an area of a hundred miles!

In an instant, the laws of heaven and earth were sealed!

The Chaos Sword Domain vanished!

The Chaos Returning to Origin Array failed!

All arrays, divine powers, and magical treasures suffered greatly reduced power!

“Hahaha!”

The Great Venerable laughed wildly upon seeing this. “David, your death is at hand! Everyone, charge! Kill them all!”

The 300,000-strong divine army charged once more!

This time, no arrays stood in their way!

David looked at the countless golden runes, then at the charging 300,000-strong army, a trace of solemnity flashing in his eyes.

The Divine Sealing Talisman... truly powerful.

Even the power of chaos was suppressed.

But, so what?

He gripped the Dragon-Slaying Sword tightly, looking at the 100,000 demon army behind him.

“Brothers, this is the final battle! Follow me and kill!”

“Kill!”

The 100,000 demon army, fearless in the face of death, charged towards the 300,000-strong divine army!

The decisive battle had officially begun!

A divine sealing talisman enveloped the heavens and earth, golden runes binding the void like chains.

The once surging gray chaotic power, under this seal, was like a giant beast being strangled, its momentum drastically reduced.

David felt the flow of chaotic power within his body become sluggish, every ounce of power requiring several times the mental effort.

The Chaotic Sword Domain dissipated, the gray light on the Dragon-Slaying Sword dimming like a candle flickering in the wind.

“Kill!”

Three hundred thousand divine soldiers surged forward like a tidal wave, war drums thundering, battle cries like lightning. Golden armor gleamed, swords and blades gleamed, the entire earth trembled beneath their iron hooves. The one hundred thousand

demon army, though their morale remained high, quickly found themselves in a fierce battle under overwhelming numbers.

Ming Li, You Sha, Fox Third Sister, and other experts fought desperately, but the divine venerables, empowered by the sealing talisman, greatly increased their strength, resulting in heavy casualties for the demons.

“David, prepare to die!”

The Grand Venerable charged forward with a maniacal laugh, his dark golden scepter transforming into a thousand-foot-tall pillar, crashing down upon him.

Divine runes flowed across the scepter, its power more than thirty percent stronger than usual!

Simultaneously, Yue Liuli lightly raised her jade hand, nine streams of purple light darting through the void like serpents, sealing off all of David’s escape routes.

The power of law contained within those streams of light was incredibly pure, clearly a profound divine ability of the fourteenth heaven.

Facing the Grand Venerable’s full-force attack from the front and Yue Liuli’s deadly sealing attack from behind,

David took a deep breath, holding the Dragon-Slaying Sword horizontally before his chest, forcibly circulating the power of chaos.

“Chaos Protection!”

A gray light shield appeared on his body, much weaker than before, yet still radiating an indomitable will.

Boom!

The dark golden scepter slammed into the light shield, causing it to tremble violently, cracks spreading like a spiderweb.

David groaned, a trickle of blood spilling from the corner of his mouth, his body retreating a hundred feet.

Nine streaks of purple light followed closely, piercing through the remaining light barrier and aiming straight for vital points!

David’s sword danced like a dragon, his Dragon-Slaying Sword creating countless sword shadows before him, barely managing to block seven streaks.

But the last two—one grazed his left shoulder, spraying blood; the other pierced his right abdomen, instantly staining his robes crimson with blood.

“Mr. Chen!” Ming Li cried out in alarm, trying to come to his aid, but was held back by three members of the Divine Race.

“Hahaha!” The Great Venerable laughed loudly upon seeing this, “David, you’ve finally met your match! No matter how strong your Chaos Power is, under the seal of my Divine Race, you’re nothing but a lamb to the slaughter!”

Yue Liuli’s eyes flashed with cold light: “The revenge for my senior brother will be avenged today! David, I will extract your soul and refine it into crystal, ensuring you never reincarnate!”

David stood leaning on his sword, blood gushing from his wounds, dripping onto the scorched earth.

He looked around.

The 100,000-strong demon army had suffered more than half its casualties, corpses littered the ground, and blood flowed like rivers.

Ming Li was covered in blood, his Netherworld Bone Armor shattered, and Fox Third Sister had two of her three fox tails severed... Every demon warrior was fighting to the death, but the divine army swarmed in like locusts.

Was defeat inevitable?

David closed his eyes.

In his mind, the Iron-Backed Bear King's last smile, the Deer Elder's kind face, and the demon warriors' fearless eyes flashed before him.

There was also Yu Ranran's tearful farewell in the Jade Immortal Palace, Youmingzi's earnest instructions in Netherworld City, and the secret assistance from True Person Hanyuan...

No.

He couldn't lose.

He suddenly opened his eyes, golden light flashing within them!

## [A Man Like None Other Novel Chapter 6070](#)

Full Read Online **Chapter 6070** of the novel **A Man Like None Other**

### **Chapter 6070**

“Roar!”

A dragon's roar erupted from David's body, resounding throughout the heavens and earth!

It wasn't a human voice, but a true dragon's roar!

Vast, ancient, majestic, and domineering!

The entire battlefield fell silent at the sound of the dragon's roar. Whether gods or demons, everyone felt a surge of inexplicable awe.

“What sound?!” The Great Venerable's expression changed.

Yue Liuli's pupils shrank sharply: “This is...”

David roared to the sky, his body radiating golden light!

The golden light was dazzling, like the rising sun, dispelling the oppressive effect of the sealing talisman.

Crack!

The golden runes that enveloped the heavens and earth actually developed cracks under the impact of the golden light!

“Impossible!”

Yue Liuli exclaimed in shock, “The Divine Sealing Talisman was personally crafted by my master, capable of sealing all laws below the ninth rank of the Upper Immortal Realm, how could it...”

Before she could finish speaking, an even more shocking scene unfolded.

A golden dragon phantom soared into the sky from behind David!

The golden dragon was a thousand feet long, with distinct scales, sharp five claws, flowing whiskers, and eyes like the sun and moon!

It coiled above David’s head, exuding supreme majesty and domineering aura, as if it were the master of heaven and earth, the king of all beasts!

The true form of the golden dragon!

“A dragon... a dragon race?!”

The Great Venerable’s voice trembled, his eyes filled with disbelief, “And a five-clawed golden dragon! This... how is this possible! Wasn’t the golden dragon lineage already extinct?!”

The entire arena fell silent!

Three hundred thousand divine soldiers and one hundred thousand remnants of the demon race, all looked up at the golden dragon, forgetting the battle, forgetting life and death.

The dragon race, the legendary supreme race, is an ancient bloodline that existed since the beginning of heaven and earth!

And the five-clawed golden dragon is the emperor of the dragon race, its bloodline even more noble than that of the divine royal family!

David slowly rose into the air, merging with the golden dragon’s phantom.

His wounds healed rapidly under the golden light, and his aura rose steadily!

The golden dragon bloodline awakened.

David opened his eyes, which were now filled with gold. He looked down at the army of gods below, who resembled ants, his voice as cold as ice:

“Gods? Royal bloodline? Ha...”

He laughed, his laughter full of disdain and mockery: “Before my Golden Dragon bloodline, your so-called God-King bloodline is nothing but chickens, dogs, ants, and dust!”

“You...”

Yue Liuli’s pretty face turned pale. She felt the God-King bloodline within her tremble with fear!

It was a suppression from the depths of her bloodline, like a subject facing a king!

Lin Wuchen barely managed to stand up, looking at David in the air, his eyes filled with shock and resentment: “Golden Dragon bloodline...you actually possess the Golden Dragon bloodline...no wonder...no wonder the power of chaos recognized you as its master...”

David ignored him, his gaze fixed on the Great Venerable.

“Old man, you had a good fight just now, didn’t you?”

The Grand Venerable trembled, instinctively retreating: “Chen... David... you... you mustn’t do anything rash! I am a Grand Venerable of the Divine Race, if you kill me, the Fourteenth Heaven Divine Palace will never let you go!”

“The Fourteenth Heaven?”

David sneered, “Let them come. Today, I’ll first kill you, you old dog, to appease my fallen demon brethren!”

As soon as he finished speaking, he raised his hand and pointed.

The golden dragon phantom roared to the sky, transforming into a golden light, rushing straight towards the Grand Venerable!

“No! Divine King’s Protection!”

The Grand Venerable frantically activated all his power, countless runes appearing on his dark golden robe, transforming into layers of protective shields.

But in front of the golden dragon, these shields were like paper!

*Swoosh!*

Golden light pierced through layers of protective shields, striking the Great Venerable's chest!

The Great Venerable froze, looking down at the bowl-sized hole in his chest, his eyes filled with terror and resentment: "I...I am the Great Venerable...I have ruled the Thirteen Heavens for hundreds of years...how could this be..."

Before he could finish speaking, his body exploded, turning into a rain of blood!

His soul and spirit were annihilated!

The highest ruler of the Thirteen Heavens' divine race, the Great Venerable of the eighth rank of the Upper Immortal Realm, had fallen!

"The Great Venerable is dead!"

"Run! Run!"

The divine army instantly collapsed!

With their commander dead, morale crumbled, and the 300,000-strong army scattered like headless flies.

"Trying to escape?"

A cold glint flashed in David's eyes. "You killed my friend, how can I let you leave so easily?"

He formed hand seals, and the golden dragon phantom roared once more.

"Golden Dragon Domain, open!"

Centered on David, a golden domain stretched for a thousand miles!

Within the domain, all the divine soldiers were trapped in a quagmire, struggling to move! The demon warriors, however, thrived, their injuries healing rapidly and their combat power greatly increased!

"Kill! Avenge our fallen brothers!"

Ming Li was the first to react, leading the remaining demon forces in a counterattack.

It was a massacre.

The demoralized divine army, under the suppression of the Golden Dragon Domain, was utterly powerless.

Swords flashed, flesh and blood flew, and screams and wails filled the air.

Yue Liuli, supporting Lin Wuchen, watched this horrific scene, her pretty face ashen.

She knew defeat was inevitable.

“Junior sister, let’s go!”

Lin Wuchen gritted his teeth, “This boy possesses the Golden Dragon bloodline; he is no match for us. Return to the Fourteenth Heaven and report to Master, please make a decision!”

Yue Liuli nodded, taking out a silver talisman and crushing it.

“Void Escape Talisman, activate!”

Silver light enveloped the two, ripples spreading through the space.

“Trying to escape?” David sneered, pointing a finger.

The phantom of the Golden Dragon spewed out a golden dragon breath, directly attacking the two.

“God King’s Amulet!”

Yue Liuli hurriedly summoned a jade pendant, which transformed into a light shield protecting the two.

The dragon’s breath struck the light shield, causing it to tremble violently, but ultimately it did not shatter.

Taking advantage of this opportunity, the Void Escape Talisman was fully activated, and the two figures gradually became ethereal.

“David!”

Yue Liuli stared intently at David, her beautiful eyes filled with resentment and venom. “Today’s humiliation will be repaid a hundredfold in the future! The Fourteenth Heaven Divine Palace will never let you go!”

“I’ll be waiting,”

David said calmly. "Tell the people of the Fourteenth Heaven that from this day forward, the Thirteenth Heaven is no longer the backyard of the Divine Race. If anyone dares to invade, I will kill one; if two come, I will kill both!" As

soon as he finished speaking, Yue Liuli and Lin Wuchen completely disappeared.

David did not pursue them.

He landed slowly, the golden dragon phantom gradually dissipating, and the gold in his eyes gradually fading.

An unprecedented feeling of weakness surged through his body.

Although the awakening of the Golden Dragon bloodline was powerful, it also placed a great burden on his body. The battle just now had almost exhausted all his strength.
