

[The man decree] A man like none other

A man like none other chapter 3641-"I understand, I understand..."

Sect Master Jiang nodded repeatedly. After all, Chen Ping's current identity is very mysterious!

Ever since Chen Ping injected the power of the dragon into him, Sect Leader Jiang already knew that Chen Ping was deliberately hiding his aura!

Maybe the appearance in front of him has also changed, but no matter what the reason is for Chen Ping, Sect Leader Jiang does not intend to go into details. After all, Chen Ping saved his life!

"Master, there is a residual soul in Mr. Cheng's body. It is his friend and has been living in his body. He wants to reshape his friend's body..."

Jiang Yulian followed Sect Master Jiang and said!

When Sect Master Jiang heard this, he immediately smiled and said, "What's so difficult about reshaping the body? Mr. Cheng, come with me..."

Sect Master Jiang stood up and then led Chen Ping towards the depths of the sect!

It wasn't until they reached the place where the soul flower was blooming that Sect Leader Jiang stopped!

"Mr. Cheng, please release your friend's remnant soul. There is a soul flower here to protect you. Your friend's remnant soul will not dissipate." Sect

Leader Jiang said to Chen Ping!

"Okay..."

Chen Ping nodded, and then said to Zhe Yan, "Zhe Yan, are you willing to reshape your body now?"

After all, Zhe Yan must agree to this kind of thing!

"Mr. Chen, I am willing, I am willing..."

Zhe Yan said excitedly!

Although it is good to be in Chen Ping's sea of consciousness and gain a lot of knowledge, Zhe Yan may have his own body, especially after seeing Jiang Yulian, he hopes even more eagerly!

He fell in love with Jiang Yulian at first sight and his heart beat wildly, so after he recovered his physical body, he could pursue Jiang Yulian!

Seeing that Zhe Yan agreed, Chen Ping made a move!

Suddenly, from between Chen Ping's eyebrows, Zhe Yan's remnant soul flew out and fell into the soul flower!

Zhe Yan's remnant soul was very weak and not a complete soul. At that time, Chen Ping controlled Zhe Yan's remnant soul because he only wanted to know some things about the demons from his mouth and had no intention of letting him reshape his body!

However, after this period of contact, Zhe Yan cooperated very well with Chen Ping, and Zhe Yan's mentality also changed, and she admired Chen Ping endlessly!

Sect Master Jiang looked at Zhe Yan's soul and couldn't help but frown and said, "What a weak remnant soul. It will take a lot of effort to reshape the body."

Zhe Yan's remnant soul was looming, if not for the soul flower. The aura protects the surroundings, and Zhe Yan's remaining soul might be blown away by the aura of heaven and earth!

"Yulian, Zheng Jian, you two assist me and prepare the soul-suppressing tower immediately..."

Sect Leader Jiang said to Jiang Yulian and Zheng Jian!

"As ordered..."

After saying that, the two of them waved their hands, and a breath came from all directions of the Soul Demon Sect!

Immediately afterwards, four golden towers flew from all directions, and then landed in the four directions of Zhe Yan's remnant soul!

As Sect Leader Jiang injected a burst of spiritual energy into the four soul-suppressing towers, faint white smoke slowly emerged from the four soul-suppressing towers!

This white smoke carries a peculiar fragrance, and then surrounds the other flame!

Surrounded by this smoke, Zhe Yan felt extremely comfortable!

And his remnant soul became more and more solid, and he could see it clearly, without the looming feeling!

Zhe Yan's breathing became rapid, and it was hard to express the excitement in her heart!

Especially when Zhe Yan was facing Jiang Yulian, their eyes were facing each other, and the radio waves were stimulating each other frequently!

Jiang Yulian's heart began to beat wildly, and her face became rosy!

She didn't expect that the remnant soul friend Chen Ping mentioned would actually be quite young and handsome after he truly solidified, not an old man!

"Friend, you don't have to be nervous. Even if you fail to reshape your body, you won't be in any danger. At worst, you will return to Mr. Cheng's body." "

I need to restore your remnant soul now, and then I can give it to you. Reshaping the physical body may be a long and painful process, so you have to persevere!"

Sect Master Jiang heard Zhe Yan breathing rapidly and thought he was nervous, so he comforted her!

Little did he know that Zhe Yan was excited to see his female disciple!

A man like none other chapter 3642-The white smoke in the four soul-suppressing towers continues to surround Zhe Yan, and then the smoke returns to the soul-suppressing tower again, and emerges from the top of the soul-suppressing tower again, and the cycle repeats!

Because of this, Zhe Yan's remnant figure became clearer and clearer, and in the end it was as if he was standing alone in front of everyone!

At this time, Zhe Yan is no longer a remnant soul, but a complete soul body. Later, he only needs to use materials to reshape his physical body!

"Did someone blow up your physical body before? It seems that the other party wanted to kill you. Even the soul was injured, leaving only a trace of the soul. The attack was cruel enough. If Mr. Cheng hadn't asked you Living in the body, a remnant soul like you cannot find a host at all, and is blown away by the power of heaven and earth."

Sect Leader Jiang said, wiping the sweat from his forehead!

Zhe Yan's remnant soul was lacking too much, so Sect Leader Jiang spent a lot of spiritual power in order to completely restore Zhe Yan's soul!

However, Sect Master Jiang's words made both Zhe Yan and Chen Ping embarrassed!

This is what Chen Ping did. You can't say it at this time!

"Sect Master Jiang, can my friend reshape his body now?"

Chen Ping asked to Sect Master Jiang!

"That's enough. His soul has been completely restored. The next step is to reshape his body."

Sect Master Jiang nodded, and then released a breath that directly penetrated Zhe Yan's soul!

Zhe Yan was stunned for a moment, then his eyes became confused, and finally he closed his eyes and passed out!

When Chen Ping saw this, he was immediately shocked!

Zhe Yan is now a soul body. If he has a physical body, how can he still faint?

The soul body cannot be knocked out unless it is directly scattered or burned with spiritual fire!

Seeing the shocked look on Chen Ping's face, Sect Leader Jiang smiled lightly and said, "Mr. Cheng, don't panic, your friend will be fine. Reshaping the body later will be too painful. I just let your friend faint temporarily, so as to avoid He is panicking!"

Chen Ping nodded, but he admired the Soul Demon Sect even more. It is indeed a sect that specializes in studying souls!

As the saying goes, there are specialties in martial arts, and Chen Ping wanted to follow Sect Leader Jiang to learn a few techniques that specifically target the soul!

Sect Leader Jiang waved his hand, and the four soul-suppressing towers suddenly flew away and returned to the four directions of the Soul Demon Sect. It seems that this soul-suppressing tower is the soul-suppressing treasure of the Soul Demon Sect!

Sect Leader Jiang cast a large number of spells with both hands, and then left Zhe Yan with formation marks all around him. Then he stepped forward and stood in front of Zhe Yan's soul!

Chen Ping looked at the formation imprint in front of him and found that there was nothing strange about the formation formed by the formation. Anyone could easily pass through it!

This kind of magic circle should be specifically targeted at the soul body, so for normal people, it has no effect at all!

Sect Leader Jiang put his fingers together, and a purple aura penetrated into Zhe Yan's soul like a small snake!

Zhe Yan's soul began to tremble violently, looking very painful!

Sect Leader Jiang's forehead also gradually became covered with a layer of sweat!

The surrounding soul flowers flew up one after another, and then quickly landed on Zhe Yan's soul!

After these soul flowers landed on Zhe Yan's soul, they immediately melted and disappeared!

And Zhe Yan's transparent soul actually began to grow layers of skin!

As the soul flowers continue to fall, Zhe Yan's body is growing rapidly!

Soon, a naked Zhe Yan appeared!

With bronzed skin, bulging muscles, and an angular face, this body is actually much stronger than Zhe Yan was at the beginning!

Chen Ping was also shocked when he looked at Zhe Yan's body. When he killed Zhe Yan, he didn't realize that this guy still looked like a handsome man!

But now after the reshaping, he has become much more handsome, as if he went to a plastic surgery institution and directly underwent surgery and had a plastic surgery!

A man like none other chapter 3643—"Mr. Cheng, why don't you find some clothes for your friend..."

Jiang Yulian blushed and said to Chen Ping!

After all, Zhe Yan was standing naked in front of her, and Jiang Yulian was very shy!

Chen Ping realized what he was doing and quickly found clothes to put on Zhe Yan!

Sect Leader Jiang also hit such a body with spiritual power, and Zhe Yan suddenly woke up!

But at this moment, half of the entire soul flower bush has disappeared!

In order to reshape Zhe Yan's physical body, Sect Master Jiang also spent a lot of effort. After all, he was Chen Ping's friend. Sect Master Jiang had to do this for Chen Ping's sake!

"Mr. Cheng, this physical body of your friend has probably risen to several realms at once. My master used half of the soul flowers to reshape it for him. You must know that reshaping other people's bodies only uses ordinary resources. That's all."

Zheng Jian said to Chen Ping!

Zhe Yan, who had woken up at this time, felt the power of his body and looked at his restored body. He was so excited that he knelt down in front of Sect Leader Jiang.

“Sect Master Jiang, I, Zhe Yan, will always remember your kindness in my heart...”

Zhe Yan directly kowtowed to Sect Master Jiang!

“Fellow Taoist, please get up quickly. I’m doing this for Mr. Cheng’s sake. He saved my life, so I have to do this.” “

If you want to thank me, you’d better thank Mr. Cheng...” ...”

Sect Leader Jiang said!

Zhe Yan turned around, kowtowed to Chen Ping and said, “Mr. Chen, thank you. I have grown a lot during this period of following you, and now you have given me life again. Thank you...”

Zhe Yan said excitedly, but I completely forgot that Chen Ping has already changed his identity and is no longer called Chen Ping at all!

“Mr. Chen?”

Sect Master Jiang, Jiang Yulian and Zheng Jian looked at Chen Ping at the same time!

Zhe Yan was stunned, knowing that he had lied, and he was so embarrassed that he didn’t know how to explain it!

Chen Ping smiled slightly, “Actually, my surname is not Cheng, my surname is Chen, and my name is Chen Ping...”

After Chen Ping finished speaking, his appearance changed rapidly and turned into his original appearance!

The reason why Chen Ping dared to reveal his identity was because he believed in the Soul Demon Sect and the character of Sect Master Jiang!

“Chen Ping? That Chen Ping that the Demon Sealing Alliance is going to hunt down after offering a hundred years of sacrifice?”

Zheng Jian asked incredulously!

Chen Ping nodded, “Yes, it’s me who the Demon Sealing Alliance is chasing. Kill me, and you can get a hundred years of worship from the Demon Sealing Alliance!”

Zheng Jian was stunned, and then waved his hands!

Sect Leader Jiang said seriously, “Mr. Chen, in fact, I have known that you have hidden your identity for a long time. The reason why I did not expose you is because I believe you and know that you have difficulties.” “

Since you have revealed your identity, my soul The Demon Sect is not that kind of treacherous and ungrateful villain.”

“You saved two of my disciples and my life. If we attack you now in exchange for a hundred years of worship from the Demon Sealing Alliance, are we still human beings? ?”

“Mr. Chen, please rest assured. If anyone in our Soul Demon Sect dares to attack you for the centenary enshrinement of the Demon Sealing Alliance, I will not be merciful...” After Sect Master Jiang finished speaking, he looked at Zheng Jian specially!

This startled Zheng Jian, and he hurriedly explained, “Not to mention the hundred years of worship from the Demon Sealing Alliance, even if I were to ascend to immortality immediately, I would never do anything to Mr. Chen. I would never do such ungrateful things.” You can do it, but if you do something ungrateful, what’s the use of becoming an immortal.”

Zheng Jian expressed his position. He was really afraid that something would happen to Chen Ping, and his master would be blamed on him!

“Sect Master Jiang, of course I believe in the character of your Soul Demon Sect, otherwise I would not reveal my true identity easily.”

“To be honest, I hid my identity and came to the depths of Tianmo Mountain to find the Demon Swallowing Cave. Then go in and find out!”

Chen Ping revealed his true purpose!

A man like none other chapter 3644-“Go to the Demon Swallowing Cave?”

Upon hearing Chen Ping’s purpose, Sect Master Jiang and others all looked shocked!

You must know that the Demon-Swallowing Cave is in this Tianmo Mountain, and it is a taboo existence. No one wants to go to that place!

If it weren’t for the purpose of saving Sect Leader Jiang, Jiang Yulian and Zheng Jian wouldn’t have taken people to dig up the Heavenly Demon Dragon Ginseng near the Demon Tun Cave!

In the end, everyone was sucked into the Demon Swallowing Cave, and only the two of them escaped!

In the end, he was cheated!

“Mr. Chen, may I ask, why did you go to the Demon Swallowing Cave? That place is very weird!”

asked Sect Leader Jiang!

“I just want to go to the Demon Swallowing Cave to explore and see if there are any hidden secrets in the Demon Swallowing Cave.”

“Because when someone enters the Demon Swallowing Cave, their level will be improved when they come out. I have learned a lot, I think there must be secrets in the Demon Swallowing Cave!”

Chen Ping said without hesitation!

It was because Qi Peijia entered the Demon Swallowing Cave that he transformed from a casual cultivator who was bullied by others to his current strength!

But Chen Ping doesn’t know yet, Qi Peijia is now being bullied again!

“Mr. Chen, no one knows what’s in the Demon Swallowing Cave. It will definitely be dangerous to enter rashly. If it’s just to investigate, it’s better not to take the risk!”

Zheng Jian advised Chen Ping!

“Mr. Chen, I think senior brother is right. You should not go there. The Demon Swallowing Cave is very evil.”

Jiang Yulian also stopped Chen Ping!

“Thank you both for your kindness, but I have already decided. Now that Sect Leader Jiang’s life is safe, it’s time for me to set off.” “

But I don’t know where the Demon Swallowing Cave is, and I hope Miss Jiang can tell me!”

Chen Ping asked Jiang Yulian!

Seeing this, Jiang Yulian could only tell Chen Ping the location of the Demon Swallowing Cave!

Seeing that Chen Ping had decided to leave, Sect Leader Jiang did not dissuade him. Instead, he took out a bead about the size of an egg from his body!

“Mr. Chen, this is the largest soul-fixing bead of our Soul Demon Sect. You take it with you. In addition to strengthening your soul, this soul-fixing bead can also make you not afraid of the attacks of the soul-seducing magic.”

Jiang The sect leader said, handing the soul-fixing bead to Chen Ping!

Chen Ping was not polite, put away the Soul-fixing Pearl, and then followed Sect Leader Jiang to say thank you!

Then Chen Ping looked at Zhe Yan, who had been successfully reshaped. He knew that he liked Jiang Yulian so much. If Zhe Yan wanted to stay in the Soul Demon Sect, Chen Ping wouldn’t say anything!

Seeing Chen Ping looking over, Zhe Yan immediately said, “Mr. Chen, I will accompany you to the Demon Swallowing Cave. Even if I have to leave you, I have to wait until you come out of the Demon Swallowing Cave safely!”

Chen Ping smiled and did not say anything. What!

Zhe Yan has followed him for such a long time, and Chen Ping has seen all the changes!

“Mr. Chen, let me take you to the Demon Swallowing Cave. That place is very hidden. Although I told you the specific location, I’m afraid you won’t find it!”

When Jiang Yulian saw that Zhe Yan was going to follow Chen Ping to the Demon Swallowing Cave, Jiang Yulian also Take the initiative to follow!

In fact, after seeing Zhe Yan’s naked remodeling, Jiang Yulian’s heart skipped a beat!

This was the first time she saw a man’s naked body!

“Junior sister, the Demon Swallowing Cave is very dangerous...”

Seeing that Jiang Yulian was going to take Chen Ping to the Demon Swallowing Cave, Zheng Jian anxiously dissuaded him!

But at this time, Sect Master Jiang said, “Zheng Jian, you should go with me. After all, you have just escaped from the Demon Swallowing Cave, so you are more familiar with the Demon Swallowing Cave than others.” “

As ordered...”

Zheng Jian Seeing that his master had spoken, he nodded and could only follow along!

After saying goodbye to Sect Leader Jiang, Chen Ping and the others headed straight for the Demon Swallowing Cave!

In order not to cause necessary trouble, Chen Ping changed his appearance again!

Along the way, Jiang Yulian always looked for opportunities to chat with Zhe Yan!

And Zhe Yan was also very happy to chat with Jiang Yulian!

Two people who are in love with each other have become very close even before they reach the Demon Swallowing Cave!

It's just that the intimacy between the two makes Zheng Jian angry to death.

A man like none other chapter 3645-Although Zheng Jian didn't say anything along the way, he already hated Zhe Yan in his heart!

Originally, he was going to take down his junior sister, but now Zhe Yan, a body reshaped by a broken soul, followed Jiang Yulian and kissed me!

Zheng Jian followed Chen Ping and the others quietly to the vicinity of the Demon Swallowing Cave!

"Mr. Chen, as you move forward, you will reach the Demon Swallowing Cave area, so be alert, because you don't know when a strange suction force will suddenly appear, and then your whole person will be sucked into the Demon Swallowing Cave. In the cave!"

Jiang Yulian pointed to the front and warned Chen Ping!

"Well, I understand!" Chen Ping nodded, and then slowly walked forward!

Zhe Yan followed Chen Ping, but was grabbed by Jiang Yulian, "You have just reshaped your body, and your level is too low, so don't go in. Let's follow Mr. Chen." ..."

Jiang Yulian looked worried, worried that Zhe Yan's level was too low and she would be in danger!

"I'm fine. With Mr. Chen here, you can all rest assured!"

Zhe Yan comforted!

After following Chen Ping for a long time, he knew that Chen Ping was the chosen one. No matter what kind of danger he encountered, he could save the day in the end!

Seeing that Zhe Yan insisted on following, Jiang Yulian took off the jade stone from her chest and put it on Zhe Yan!

"Put this on, and you will be able to resist attacks from the soul!"

Jiang Yulian said with concern!

Zhe Yan nodded, then took Jiang Yulian's hand and slowly followed Chen Ping!

Zheng Jian in the back was so angry that he wanted to break his teeth!

Chen Ping didn't know that Zhe Yan followed Jiang Yulian to show off his love. He only focused on the Demon Swallowing Cave!

As they got closer and closer to the Demon Swallowing Cave, a strange force suddenly filled the air around Chen Ping and the others!

Then this force turned into a huge suction force!

Everyone felt their bodies light up, and then quickly headed towards the Demon Swallowing Cave!

This sudden change caused Jiang Yulian and the others to quickly use their spiritual power to resist, and each of them hugged the tree tightly to prevent the suction force from sucking them into the Demon Swallowing Cave!

But Chen Ping did not resist the suction force. He completely dispersed his breath and looked like an ordinary person!

Just as Chen Ping dispersed the breath in his body, the huge suction force magically disappeared!

When Chen Ping looked at Jiang Yulian and the others, they were all resisting desperately, hugging the tree tightly!

But even so, their bodies are still suspended in mid-air, and they are about to be unable to hold on!

"Give up resistance, restrain all your aura, and regard yourself as an ordinary person, an ordinary person without any spiritual power..."

Chen Ping said loudly to the three of them!

Hearing Chen Ping's shout, the three of them quickly put away their spiritual power, and then restrained their breath.

The strange suction gradually disappeared, and finally all three of them landed firmly on the ground!

“Mr. Chen, what is going on?”

Zhe Yan asked Chen Ping in disbelief!

When they restrain their breath, they can no longer feel the suction. This is amazing!

“There must be a magic circle set up at the entrance of the Demon Swallowing Cave, and the condition for the magic circle to be activated is that if there is a monk’s aura permeating the area at a certain distance, the magic circle will be activated, and then generate a huge suction force!” “

If the breath converges and becomes an ordinary person, then the formation will lose its activation conditions, so the huge suction power will disappear.”

Chen Ping explained!

When Jiang Yulian and Zheng Jian heard this, they immediately regretted it. If they had taken Chen Ping with them from the beginning, maybe their fellow apprentices would not have been sucked into the Demon Swallowing Cave and their lives and deaths are unknown!

As a monk, everyone who comes near the Demon-Swallowing Cave will unconsciously circulate their aura and remain vigilant, guarding against dangers that may come at any time!

How could anyone restrain their aura and become an ordinary person, wandering around the Demon Swallowing Cave!

It is precisely because of this that the Demon Swallowing Cave has been successful repeatedly, and it is unknown how many monks it has swallowed!

A man like none other chapter 3646-Chen Ping led the three of them slowly into the Demon-Devouring Cave. About ten meters into the Demon-Devouring Cave, sure enough, there were formations carved on the stone wall!

This should be the formation that generates the huge suction!

Several people restrained their breath and carefully passed through the magic circle. At this moment, the cave was completely dark!

As soon as Chen Ping stretched out his hand, a spiritual fire burned, lighting up the cave!

Looking around the cave, except for the carved formations at the entrance, the stone walls elsewhere were covered with moss and had a damp smell!

At first glance, it looks like an ordinary cave, nothing special about it!

However, Chen Ping did not take it lightly, but walked forward cautiously!

Jiang Yulian and the others are following behind!

This is the Demon Swallowing Cave. No one knows what will appear inside, so everyone is very nervous!

After walking a certain distance, Chen Ping saw man-made formation patterns carved on the stone wall!

He knew that this was another formation appearing!

Chen Ping hurriedly extinguished the spiritual fire in his hand, allowing everyone to restrain their breath again, and passed through with breathless concentration!

In this way, they passed through three formations and finally reached the depths of the cave!

At this moment, deep in the cave, there are densely packed strange marks on the stone walls!

There were more than a dozen corpses lying on the ground, and on the other side of the cave, there were a large number of bones piled up, not only human bones, but also many animal bones!

Chen Ping fired a burst of fire, lighting up the entire cave!

“Junior brother...”

Jiang Yulian and Zheng Jian immediately screamed when they saw the corpses on the ground!

It turns out that these corpses are the disciples of the Soul Demon Sect who were sucked in!

Chen Ping was attracted by the marks on the stone wall!

He looked carefully and found that these regular marks turned out to be exercises, and they were also demonic cultivation exercises!

Chen Ping also has the demonic aura in his body, so he can also understand these techniques!

Just when Chen Ping was surprised that someone had left so many demon skills deep in the cave, he suddenly heard Zhe Yan calling him loudly!

“Mr. Chen, come and see, come and see...”

Zhe Yan’s shout directly attracted Chen Ping to him!

“What’s wrong?” Chen Ping asked!

“Mr. Chen, look at this corpse. Is it the head of the Ning family, Ning Caichen?”

Zhe Yan asked, pointing to a corpse!

Chen Ping took a look and found that it was indeed Ning Caichen’s body!

Chen Ping reached out and found that Ning Caichen had died long ago. The breath in his body disappeared, and even the death energy gathered after death was swept away!

“Why did he appear here? Who killed him?”

Chen Ping looked at Ning Caichen’s body and fell into silence!

Although Ning Caichen did not have much friendship with Chen Ping, Chen Ping even had trouble with the Ning family because of the matter of the Imitation Dafa!

However, seeing Ning Caichen suddenly die tragically in the Demon Swallowing Cave, Chen Ping still felt a little uncomfortable!

He also couldn’t understand why Ning Caichen appeared here?

Where is the ancestor of the Ning family?

All kinds of questions troubled Chen Ping. He really couldn't figure out why Ning Caichen appeared here!

Could it be that after coming out of the battlefield of gods and demons, Ning Caichen did not go back to the Northern Territory, but what he did in the depths of the Demonic Mountain, near the Demon Swallowing Cave?

Chen Ping never expected that Qi Peijia would cooperate with the Ning family!

"Mr. Chen, don't you have a time magic weapon? You can go back in time. If you use that time magic weapon, you will know what is happening here!"

Zhe Yan reminded Chen Ping!

After hearing this, Chen Ping nodded, and then took out the clock!

As a burst of spiritual power penetrated into the clock, the clock emitted light, and then the hands started to move!

Chen Ping's consciousness seemed to have entered the river of time, and was then taken away by a whirlpool!

But just when Chen Ping felt that his consciousness was retreating in the long river of time, a golden light suddenly flashed up!

Then Chen Ping opened his eyes and found that he was still in the cave, and the clock in his hand was still the same as before!

A man like none other chapter 3647-"Mr. Chen, what's wrong?"

Zhe Yan asked when she saw Chen Ping like this!

"There seems to be a formation in this cave. I can't activate the magic weapon at this time..."

Chen Ping said while looking around the cave!

"I didn't find any formation patterns. How could there be formations?"

Zhe Yan also looked around!

Chen Ping was also surprised. He did not find the existence of the formation, but when he just started the time magic weapon, he had already started to go back in time, but he was blocked by a golden light!

It was obvious that this golden light was emitted by something in the cave. At this moment, except for Chen Ping and the others, there was no living creature at all in the cave. Apart from the formation, Chen Ping couldn't think of anything else!

But there are no formation patterns carved around it. How was the formation formed?

Chen Ping was also puzzled!

"Mr. Chen, the techniques on the stone walls of this cave are so advanced. They don't belong to the world of heaven and humans at all."

Zhe Yan observed the strange words on the stone walls around him and said with some surprise!

"These skills should be carved by the Demon Immortal. Isn't it rumored that Tianmo Mountain is suppressing a big demon? Maybe he was the one who painted them." "

You can take this opportunity to record these skills and then go With practice, your strength will definitely improve by leaps and bounds."

Chen Ping said!

In fact, Chen Ping didn't know whose hand these techniques came from, it was just a guess!

"It would be great if I could understand just one of these techniques, but I don't dare expect to learn them all!"

Zhe Yan said, then sat cross-legged and stared at a stone wall intently, looking at it carefully!

Chen Ping looked around at the exercises around the stone wall, and soon he discovered that among these exercises, some of the engraved symbols shone slightly!

“Zhe Yan, do you think there are some symbols in these exercises that can emit light?”

Chen Ping asked quickly!

“No, I didn’t find it!”

Zhe Yan shook his head!

Chen Ping frowned, and then observed the technique again. Indeed, there were symbols shining brightly in the words in the formation!

Chen Ping closed his eyes slightly and opened his consciousness, and the entire cave scene instantly appeared in his sea of consciousness!

This time, those shining symbols can be completely seen!

“Array patterns, these shining symbols turned out to be array patterns...”

Chen Ping was shocked. He didn’t expect that the other party would hide the formations in these several techniques!

Chen Ping carefully observed these formation patterns, and then with a flash of golden light, Chen Ping felt that his whole body suddenly appeared in a land of nothingness!

The cave is gone, and so are Zhe Yan and the others!

“Zhe Yan, Zhe Yan...”

Chen Ping shouted, but Zhe Yan’s voice could not be heard at all!

Chen Ping knew that he must have been trapped by this formation, but Chen Ping did not panic, but looked for the formation’s eye!

Just find the formation eye and break the formation directly!

But Chen Ping searched around and couldn’t find the formation eye. The entire formation was like chaos, with no beginning and end, and he couldn’t find the formation eye!

Chen Ping frowned slightly, then turned his palm over, and the Dragon-Slaying Sword appeared in his hand!

Immediately afterwards, a sharp sword light was swung out instantly, slashing at the surrounding chaos!

Since you can't find the formation eye, then forcefully break the formation!

boom!

The sword energy was instantly submerged in the chaos, and then countless brilliance lit up from the chaos!

At the same time, in the chaos, a red spiritual light suddenly flew out, and then turned into a monster whose whole body was burning with flames!

This monster has no entity and is looming. Only when the flames are beating can the monster's shape be clearly seen!

The monster's mouth is very big and its eyes look very weird!

"Why are there still monsters in the formation?"

Chen Ping frowned!

A man like none other chapter 3648-This monster has no entity, it is obviously a spirit monster, but how could this spirit monster hide in the formation?

"Who are you? Why are you hiding in the formation?"

Chen Ping asked the spirit monster!

"Young monk, you dare to question me. Since you broke into the formation, please stay alive." The

spirit monster kept talking, but it was not afraid of Chen Ping at all!

Chen Ping snorted coldly and slashed with his sword with his backhand!

Facing the spirit monster, Chen Ping didn't talk nonsense. He knew that only by killing the spirit monster, the formation would be broken!

Seeing this, the spirit monster opened its mouth wide, and a flame came straight towards Chen Ping!

Chen Ping extinguished the flame with a wave of his hand!

And Chen Ping's sword had already struck at the spirit monster!

But the spirit monster didn't dodge, so it should have been able to withstand Chen Ping's sword. He was a spirit, so the sword didn't cause any harm to him!

When Chen Ping saw this, he waved the dragon-slaying sword in his hand, and it instantly burst into flames!

"Since you are a spirit body, physical damage is useless to you, then try the taste of this fire!" The

fire crow on Chen Ping's dragon-slaying sword turned into a fire dragon and went straight towards the spirit monster!

Seeing this, the fire spirit monster suddenly clapped his hands, and several red flames rushed out from the surrounding chaos, and collided with Chen Ping's fire dragon!

boom!

There was a violent breath fluctuation, and the surrounding chaos suddenly became distorted, and it actually absorbed all the fluctuating breath!

Chen Ping was stunned. He didn't expect that this formation could absorb breath. It was so strange!

The spirit monster was not surprised. He waved his hands again, and five red flames came straight towards Chen Ping!

The air vibrates, and the void emits a wail!

The five red flames were extremely powerful, but Chen Ping smiled faintly and remained motionless!

"You are too arrogant..."

The spirit monster snorted coldly when he saw Chen Ping refusing to dodge!

Chen Ping still showed a faint smile, until those red flames hit Chen Ping, Chen Ping did not move at all!

It's just that the fire source stars in the source space began to flicker, forming a huge suction force in Chen Ping's body.

Five red flames hit Chen Ping, and were quickly absorbed and refined into the original power by the fire source stars.

Not only did it not cause any harm to Chen Ping, it was quickly absorbed by Chen Ping!

The spirit monster who saw this scene was very confused, but he quickly said, "I didn't expect that you, a little monk, could realize the origin of fire, but I want to see how much fire you can absorb!" After the

spirit monster finished speaking, it spread its teeth and claws with its hands . Get up, as if doing something.

Immediately afterwards, the surrounding chaos began to roll, like strong winds and waves, and then a large amount of flames poured out from the chaos!

The flames instantly surrounded Chen Ping, and the flames soaring into the sky were like a wave bursting from a dam!

The entire chaos was filled with flames, and the spirit monster was also in the flames, letting out bursts of harsh laughter!

"Let's see how much you can absorb..."

The spirit monster laughed mockingly!

The fierce firelight and heat can fuse everything!

The spirit monster's whole body was also burning with flames, suspended in mid-air!

"This endless flame, even if you understand the origin of fire, you can't even think of absorbing it all..."

The corner of the monster's mouth curled up into a sneer.

Under this kind of flame, everything will be destroyed, let alone a little monk Chen Ping!

The flames became smaller and smaller, and Chen Ping's figure disappeared!

In the chaotic space of the formation, only the monsters were smiling proudly!

But soon, a voice made the monster's smile freeze on his face!

"Are you laughing a little too early?"

Chen Ping said slowly behind the monster!

The spirit monster turned around and was suddenly startled. It turned out that Chen Ping was standing completely behind him. There was no trace of being burned anywhere!

A man like none other chapter 3649-"You...you..."

Red flames flashed all over the spirit monster's body, and his face was full of disbelief. "How could you still be alive..." "

Why is it impossible? Your little flame is not enough to fill the gap between my teeth, no. I'm calling for some flames to come out!"

Chen Ping said proudly!

His origin space is the stars of the universe, even his fire origin is still a star!

With just this little flame, Chen Ping's origin space is expected to explode. It's a joke!

The spirit monster's face was extremely ugly, and its body kept retreating!

Chen Ping saw that the spirit monster was about to escape, so he took advantage of the situation and took advantage of the situation, and the overwhelming flames came rolling in!

"I'll also let you taste the flames..."

Chen Ping roared, and the flames directly engulfed the monster's body!

The spirit monster let out a harsh roar, and then the chaotic void around it trembled violently!

Along with a huge suction force, Chen Ping's body was instantly sucked into the darkness!

When there was light again, Chen Ping found himself back in the cave!

However, Zhe Yan and the others are no longer in the cave, and there are no skills engraved on the cave walls!

Chen Ping was very strange and kept looking around!

“A mere cultivator in the Tribulation Realm actually has an origin space like the stars in the universe. It's rare, it's really rare...”

A faint voice seemed to come from the horizon!

“Who are you?”

Chen Ping was suddenly startled and asked loudly!

“Who am I?” The voice was filled with confusion and confusion, as if he was asking himself back!

“Who am I? Where do I come from? Why do I appear here?”

The voice echoed in the cave!

This time, Chen Ping was confused!

He didn't even know who made the sound, so how could he know who the other party was!

“Do you dare to show up and meet me? Maybe if I see you, I can know who you are.”

Chen Ping said!

“Oh? Do you know me?”

The voice was a bit surprised!

“If you show up, I might get to know you...”

Chen Ping lured the other party to show up.

If the other party doesn't show up and acts like a ghost, Chen Ping won't be able to deal with it!

As soon as Chen Ping finished speaking, a figure suddenly appeared in front of him!

This figure looks very old and tired, and he is also carrying heavy shackles!

Just like a serious criminal in ancient times, one can't help but feel pity for him!

“Do you know me?”

After the figure appeared, he asked Chen Ping!

Chen Ping shook his head. He didn't know the other person, but Chen Ping didn't understand. This old man clearly had only a trace of his soul left, so why was he still bound by heavy shackles?

And these shackles should not be ordinary things. After all, something that can lock the soul must be a high-level magic weapon or something!

“Senior, who are you? Why are you here? And you are already a remnant soul, and you are still being restrained. What happened?”

Chen Ping asked curiously!

“I don't know who I am, and I don't know why I am trapped here. I want to leave here, but for thousands of years, I have been unable to get out of here.”

The old man looked at the stone walls around him with a look in his eyes. Full of desire for freedom!

“Senior, did you draw the formations and techniques in this cave?”

Chen Ping continued to ask!

The old man nodded, "Yes, I drew it. I just wanted to suck in some monks, then possess them in their bodies and leave here. How could I know that these guys were too weak and died one by one..." "

I really can't understand. , why are the monks in this place so weak and like rubbish? I have no choice but to carve out the skills and let him practice them. When he is strong enough, I can attach myself to his body and leave here!"
Chen

Pingyi Listen, I instantly thought of Qi Peijia. After entering the Demon-Swallowing Cave, this guy's strength improved by leaps and bounds. It turned out to be because of the old man. It seems that this guy is really lucky!

A man like none other chapter 3650-"What state are you in now?"

Chen Ping asked curiously!

"I don't know!" The old man shook his head!

"Then you should know your name, right?" Chen Ping continued to ask!

"I don't know..." The old man still shook his head!

"Then what else do you know about yourself?"

"I don't remember anything. I only know that I have to get out of here!"

the old man said!

"Since you don't know anything, then I can't help you. Why do you trap me in this circle?"

Chen Ping didn't understand why the old man wanted to Trapped in the magic circle!

Only Chen Ping can see the magic circle hidden in the skill, which is what the old man did on purpose!

"Of course it's because of your body. Your body interests me very much. Maybe I can get out of here by possessing you!" After the

old man finished speaking, he looked at Chen Ping greedily!

“If you say you are possessed, then you are possessed. I will not agree. What benefits can I get from helping you leave here?”

Chen Ping knew that although the identity of this old man was unknown, he was definitely suppressed here from heaven. Big devil!

Maybe you can get some benefits from this guy!

“Benefits?”

The old man was stunned and said slightly angrily, “Are you bargaining with me? I’m not begging you. Even though I only have a residual soul left and am still bound by shackles, if I want to enter you it’s easy to control you inside my body...”

“Really?” Chen Ping snorted, not believing it at all!

Whoosh!

As soon as Chen Ping finished speaking, the old man turned into a black mist in an instant, and then quickly entered Chen Ping’s sea of consciousness!

Chen Ping’s consciousness did not let go, but the old man entered Chen Ping’s sea of consciousness easily, which shows that he is indeed powerful!

“Hahaha, you ignorant little kid, it is your supreme honor to be able to be borrowed by me...”

After the old man entered Chen Ping’s sea of consciousness, he actually burst out laughing!

“You really have a lot of trouble. I promise to take you out, but after you go out, you have to come out of my body immediately!”

Chen Ping said to the old man!

“Stop dreaming. It took me thousands of years to wait for you to have such a strong body that can withstand my remaining soul. How can I be willing to leave? I want to use your body to practice again and retrieve my lost memories!”

The old man showed a ferocious expression at this moment!

Chen Ping was not surprised at all when he heard the old man's words. After all, the old man was just a remnant soul and was still bound by shackles. If he walked out of the cave, even in the world of heaven and man, it would be difficult for his remnant soul to survive. of!

"You want to seize my body with just this remnant of your soul. Isn't it too beautiful!" After

Chen Ping finished speaking, golden rays of light suddenly burst out in the sea of consciousness!

When the old man saw this, he couldn't help but sneered, and his body exuded a light blue aura. This aura wrapped the old man's body and blocked the golden light!

Chen Ping's sea of consciousness instantly became a battlefield. The two forces were constantly colliding, making Chen Ping frown and feel like he was in pain!

Fortunately, Zhe Yan reshaped his body and left Chen Ping's sea of consciousness. Otherwise, this terrifying collision of auras would definitely tear Zhe Yan's remaining soul into pieces!

"Boy, the stronger your consciousness is, the more I like it. It seems that my thousands of years of waiting have really not been in vain!" The old man

smiled when he faced the overwhelming golden light attack from Chen Ping's consciousness sea. stand up!

Chen Ping tried his best, and the vast sea of consciousness continued to surge, but he could not cause any harm to the old man!

You must know that this old man is just a remnant soul, or a remnant soul bound by shackles. He actually possesses such a huge power of divine consciousness that Chen Ping's sea of consciousness attack can't do anything!

The old man laughed, and the light blue aura on his body began to expand, gradually drowning the golden light in Chen Ping's sea of consciousness!
