

[The Man Decree] A Man Like None Other

A Man Like None Other Chapter 3691-At this time, it is not appropriate to yell, as it seems that yelling will destroy the sacredness of this moment!

Chen Ping's body slowly fell, and then he walked in front of Zeng Nian'an!

"Master Zeng, see if this is the intensive technique of your Heavenly Demon Sect!"

Chen Ping handed the jade slip of the Kung Fu technique to Zeng Nianan!

"Yes, yes!" Zeng Nian'an took the jade slip of the exercise method and nodded excitedly like a child!

With the intensive skills, their Heavenly Demon Sect can continue to pass it on!

"If so, I hope that Master Zeng will keep his promise and give me the Heavenly Demon Stone!"

Chen Ping said calmly!

It was for the Tianmo Sect that Chen Ping went to help the Tianmo Sect get the intensive skills. Otherwise, how could he go to the cave!

But it was precisely because of this that Chen Ping knew the whereabouts of the Blood Demon, and with the help of the Blood Demon in the cave, he broke through to the third level of the Tribulation Realm!

Chen Ping knew that if it weren't for the aura left by the Blood Demon on the Jade Slip of the Kung Fu, it would have been impossible to break through to the third level of the Tribulation Realm just by relying on the Heavenly Demon Dragon Ginseng!

After hearing Chen Ping's words, Zeng Nian'an was stunned for a moment, and then said with an embarrassed face: "Mr. Chen, I...I..."

Zeng Nian'an didn't know what to say to Chen Ping. After all, in exchange for the Demonic Stone, this was what he had promised!

But now that Chen Ping has taken out the intensive skills, he can't take out the Heavenly Demon Stone!

"Mr. Chen, the Heavenly Demon Sect can no longer produce the Heavenly Demon Stone!"

At this time, Sect Leader Jiang stepped forward and helped Zeng Nianan out of the siege!

"What's going on?" Chen Ping frowned!

"Someone just stole the last Heavenly Demon Stone from the Heavenly Demon Sect, so now Master Zeng is afraid that he won't be able to get the Heavenly Demon Stone."

Sect Leader Jiang said!

"Who is it?" Chen Ping was stunned!

"Mr. Chen is the ancestor of the Ning family. He came out of the cave and kidnapped the master of the Zeng clan, and then got the Heavenly Demon Stone."

Zhe Yan stepped forward and said!

Only Zhe Yan knows Ning Zhi and knows his identity!

"It turns out it's this guy Ning Zhi. It seems like he's really not waiting for me outside!"

When Chen Ping heard that Ning Zhi had snatched it away, he was not too surprised!

After all, Ning Zhi is different from other enemies. This guy's IQ is a bit high, and he often doesn't play according to the routine!

"Mr. Chen, I'm really sorry, but don't worry, I will immediately send out all the disciples of the Heavenly Demon Sect to look for the Heavenly Demon Stone. After I find the Heavenly Demon Stone, I will hand it over to Mr. Chen as soon as possible!"

Zeng Nian'an said very ashamed!

After all, his promise was not fulfilled, which made him very uneasy!

“No, I’ll look elsewhere!”

Chen Ping shook his head!

Chen Ping knows that there is a Heavenly Demon Stone in Guanghan Palace. As long as he finds Guanghan Palace, he can get the Heavenly Demon Stone!

It’s just that the Blood Demon didn’t say where Guanghan Palace was, he just said it was on Tianmo Mountain!

But the Demonic Mountain is thousands of miles long, stretching across the entire Southern Territory, and spanning countless counties and cities. How long will it take to find it?

“Mr. Chen, do you know where there is a magic stone?”

Sect Leader Jiang asked in confusion!

Chen Ping nodded and said, “Sect Master Jiang, do you know where Guanghan Palace is?”

“Guanghan Palace?”

Upon hearing this, Sect Leader Jiang shook his head: “I don’t know, is there a Heavenly Demon Stone in Guanghan Palace?”

“Yes!” Chen Ping said!

“I’ve never heard of this Guanghan Palace. Isn’t it in the Southern Region? But if it’s not in the Southern Region, how come there is a Heavenly Demon Stone?”

Zeng Nian’an didn’t know where the Guanghan Palace was!

“It seems that I can only find it slowly. Guanghan Palace is on Tianmo Mountain.”

Chen Ping was also helpless. After all, Guanghan Palace had only been rebuilt for more than half a year. It was normal for many people not to know!

“Mr. Chen, although we don’t know Guanghan Palace, there is a place we should probably know about.”

Sect Leader Jiang said!

“Where is it?” Chen Ping was delighted!

It would be much easier if you knew the location of Guanghan Palace!

A Man Like None Other Chapter 3692-“Sect Master Jiang, are you talking about Wantong Pavilion?”

Zeng Nianan asked!

“Exactly, I think Wantong Pavilion must know where Guanghan Palace is.”

“Let alone a sect, even if there is a mouse in the Southern Territory, Wantong Pavilion will know about it.”

Sect Leader Jiang nodded!

“Sect Master Jiang, what is this Wantong Pavilion?”

Chen Ping asked in surprise!

“Mr. Chen, Wantong Pavilion is the largest transportation organization in the entire Southern Territory. As long as you are willing to spend money, there is nothing you can’t understand. Moreover, Wantong Pavilion also has its own airship, allowing people to easily travel through Tianmo Mountain. Across the entire Southern Territory.”

“It is precisely because Wantong Pavilion is running around in the southern region, so he knows more things than others. We only need to go to Wantong Pavilion to inquire, and maybe we will know the specific location of Guanghan Palace.”

Sect Leader Jiang followed Chen Ping and explained!

“I understand...” Chen Ping nodded!

It sounds like the Wantong Pavilion and the Ji Yun family's industries should be the same, they are all engaged in airship business and transportation!

However, Ji Yun's family does not sell information, and it sounds like it is not as big as Wantong Pavilion!

Being able to set up such a large transportation network in the Southern Territory and sell information, then the master of Wantong Pavilion must be no ordinary person!

"Mr. Chen, I can take you to Wantong Pavilion to try your luck, but you have to change your appearance first. I'm afraid many people are looking for you now."

Sect Leader Jiang said!

"good!"

Chen Ping nodded, and then his aura changed, and Chen Ping turned into a middle-aged man!

"Mr. Chen, although our Heavenly Demon Sect does not have the Heavenly Demon Stone you need, you will definitely need a lot of spiritual coins to go to Wantong Pavilion. I have some purple gold spiritual coins here. This purple gold spiritual coin can be worth a million ordinary spiritual coins. I also hope Mr. Chen will accept it."

Zeng Nianan took out a bag of purple gold spirit coins and said!

Chen Ping was not polite and took the purple gold spirit coin directly. After all, Ji Yun was not around and it would be very inconvenient for Chen Ping to spend money!

After saying goodbye to Zeng Nian'an, Chen Ping and the others set out on the road to Wantong Pavilion!

This journey was smooth, but the way Jiang Yulian and Zhe Yan kissed each other made Zheng Jian hate him more and more!

Zheng Jian didn't say anything along the way, his face was ashen, and Chen Ping saw Zheng Jian's performance!

After marching for a day and a night without rest, Chen Ping and the others finally arrived at Wantong Pavilion!

After looking at the huge city in front of him, Chen Ping was a little confused!

I saw the words Wantong Pavilion written on the city!

“This...is this Wantong Pavilion?”

Chen Ping asked in surprise!

He thought that Wantong Pavilion was just a sect, not very large, but now what appeared in front of him turned out to be a huge city!

And this city is much larger than the Demon Imperial City!

It can't be that such a big city is Wantong Pavilion, right?

“Mr. Chen, this is Wantong Pavilion. This entire city belongs to Wantong Pavilion. Wantong Pavilion is considered the richest sect in the entire southern region. Now, in addition to transporting and selling information, Wantong Pavilion also engages in... Some of the auctions are all novelties from all over the place.”

Sect Leader Jiang explained!

“Wantong Pavilion is so rich, aren't we afraid that someone will miss it?”

Chen Ping asked in surprise!

After all, there is no order in the world of heaven and earth. If you don't have strong strength, you won't be able to keep so much wealth!

“Mr. Chen, it's okay in the Southern Territory, especially in the Tianmo Mountain area, no one dares to mess around.”

“What's more, I heard that the master of Wantong Pavilion is also very powerful. The dragon has seen its head but not its tail. No one has seen the master of Wantong Pavilion.”

“And this Wantong Pavilion cooperates with many sects and has branches in various places, so no one provokes Wantong Pavilion!”

Sect Master Jiang continued to explain!

A Man Like None Other Chapter 3693-Chen Ping nodded, and then several people walked into Wantong Pavilion!

After walking into Wantong Pavilion, there were many monks and many shops selling goods on the street. It was very lively. This was the busiest city that Chen Ping had seen in the world of heaven and man!

Moreover, in Wantong Pavilion, in addition to human monks, there are also beasts and a small number of demon cultivators walking on the street, which is rare!

Nowadays, other places in the Heavenly Realm are resisting demonic cultivators everywhere. Only the Tianmo Mountain area can be so friendly to demonic cultivators!

Sect Master Jiang took Chen Ping and the others into an attic that didn't look very impressive!

"Mr. Chen, this is where Wantong Pavilion sells information. Even though this place is inconspicuous, the information coming out from here is very explosive."

"Some people who are looking for the location of enemies or selling treasures will come here. Some people even come here to investigate information about their Taoist companions."

Sect Master Jiang followed Chen Ping in a low voice!

Chen Pingdao didn't want to know any gossip information, he just wanted to know the specific location of Guanghan Palace.

There are rooms of different sizes in the attic, and there is a small sign hanging on the door of each room!

"Mr. Chen, please wait a moment. I need to make an appointment first."

Sect Master Jiang said to Chen Ping!

Chen Ping nodded: "Go ahead..."

I saw Sect Leader Jiang walking into a small room, staying there for more than ten minutes, and then walked out!

“Mr. Chen, the appointment is in the afternoon, we need to wait...”

Sect Leader Jiang said!

“Then just wait!”

Chen Ping is not in a hurry, and Feng Mo is not particularly anxious about needing the Heavenly Demon Stone, as long as he can find the Heavenly Demon Stone for Feng Mo!

“Mr. Chen, since we have to wait, why don’t we take a walk around Wantong Pavilion...”

Jiang Yulian suggested!

In fact, Jiang Yulian still wanted to follow Zhe Yan around casually, but she was afraid that Sect Master Jiang would not agree, so she followed Chen Ping!

“Okay, just in time to see if there’s anything good.”

Chen Ping smiled and nodded!

Since Chen Ping is also talking about wandering around, Sect Master Jiang can’t say anything!

A group of people were walking casually on the street. Jiang Yulian held Zhe Yan’s hand and looked around curiously!

After all, their Soul Demon Sect is not as prosperous as here!

“Sect Master Jiang, are you Sect Master Jiang of the Soul Demon Sect?”

At this time, a middle-aged, fat man walked over with a smile, looked at Sect Master Jiang and asked!

The man’s face looked a little uncomfortable, and his eyes were glowing red, as if he was on the verge of mental collapse!

Sect Leader Jiang looked at the man in front of him, frowned slightly, and said in confusion: “Yes, it’s me, who are you?”

“Sect Master Jiang, it turns out to be you. What a coincidence. I was about to send someone to the Soul Demon Sect to invite you.”

“I am the elder of Wantong Pavilion, and my surname is Xia.”

The middle-aged man hurriedly introduced himself!

Upon hearing that it was the elder of Wantong Pavilion, Sect Master Jiang instantly became polite.

After all, an elder of Wantong Pavilion, regardless of status, is no worse than him, the leader of the Soul Demon Sect!

What’s more, they came to Wantong Pavilion to ask for something. It would be much easier if Elder Xia could help.

“It turns out to be Elder Xia. How disrespectful and disrespectful. I wonder what Elder Xia wants from me?”

Sect Leader Jiang asked in confusion!

“Sect Master Jiang, it’s a long story. If you have time, I hope you can come and sit in the humble house!”

Elder Xia extended an invitation to Sect Master Jiang!

Sect Leader Jiang looked at Chen Ping, then nodded and said, “That’s fine, I’ll have nothing to do now.”

Upon hearing that Sect Leader Jiang agreed, Elder Xia became happy and his expression became much better!

“Master, I’ll just follow Brother Yan for a casual look, and I won’t follow you...”

Jiang Yulian wants to go shopping with Zhe Yan, so she doesn’t plan to go to Elder Xia’s house!

A Man Like None Other Chapter 3694-“Don’t run around!” Sect Leader Jiang also agreed!

Along the way, he watched the behavior of Jiang Yulian and Zhe Yan, and knew that these two people liked each other and would soon get together!

Sect Master Jiang is not a stubborn person. If his disciples can find the other half to practice Taoism together, he will support it!

Demon cultivators are also human beings, they also have emotions and desires, and they also need to express their emotions!

“Master, I also plan to take a stroll...”

When the Zheng family saw that Jiang Yulian and Zhe Yan wanted to continue shopping, he didn’t plan to go to Elder Xia’s house either!

Sect Leader Jiang glanced at Zheng Jian, then nodded and said: “You have to be honest and don’t cause trouble for me!”

After admonishing Zheng Jian, Sect Master Jiang took Chen Ping and left with Elder Xia!

Soon, led by Elder Xia, several people arrived in front of a magnificent mansion!

An elder has such a luxurious mansion, which shows that Wantong Pavilion is really rich!

“Sect Master Jiang, please come inside...”

Elder Xia invited Sect Leader Jiang and Chen Ping in!

As soon as he walked into the courtyard, Sect Master Jiang was stunned for a moment, then looked around and said, “Elder Xia, is there a magic circle in your mansion? Why do I feel like there is a force suppressing the soul in my body?”

Chen Ping also felt it. As soon as he entered the courtyard, there was a force that seemed to be restraining the soul, and it was difficult for even the consciousness to spread here!

“Ten Thousand Souls Formation, how come there is such a vicious formation here?”

Demon Lord Chiyun said in Chen Ping’s sea of consciousness!

“Ten Thousand Souls Formation? What kind of formation is this?” Chen Ping asked curiously.

Although Chen Ping also felt the existence of the formation, he didn’t know what specific formation it was and what its function was!

“This Ten Thousand Souls Array is a formation that nourishes the soul, but few people know that every full moon night, this Ten Thousand Souls Array will absorb souls, leaving people with less souls, and the absorbed souls will be The one who casts the spell refines it.”

“The reason why this formation is vicious is because it looks like a gain formation on the surface, but it actually does a lot of harm behind the scenes.”

Demon Lord Chiyun was explaining to Chen Ping!

After hearing Demon Lord Chiyun’s explanation, Chen Ping couldn’t help but tremble in his heart!

He didn’t understand who dared to set up such a vicious formation in the elder’s mansion of Wantong Pavilion!

“Sect Master Jiang is right. Someone has indeed set up a magic circle in my mansion, and it is the master of the magic circle that I hired at a high price.”

“It’s just because the little girl’s soul has always been weak, and she will lose her soul from time to time. Even if she is a little frightened, her soul will leave her body and it is difficult to return to her place. In order to suppress the little goddess’s soul from leaving her body and nourish her soul, we specially asked someone to clothe her. This magic circle.”

“I didn’t expect Sect Master Jiang to see through it at a glance. Sect Master Jiang is indeed a member of the Soul Demon Sect, and his research on souls is thorough!”

Elder Xia is a sucker for Sect Leader Jiang!

When Sect Leader Jiang heard this, he immediately understood why Elder Xia was looking for him!

“Elder Xia, is it true that after setting up this magic circle, my little girl’s spirit is still weak and she often loses consciousness?”

Sect Leader Jiang asked Elder Xia!

“Yes, yes, I really have no choice but to ask Sect Leader Jiang for help. I know that your Soul Demon Sect’s research on souls is the best.”

“And doesn’t your Soul Demon Sect have soul-fixing beads, soul-nurturing stones, etc.?”

Elder Xia said!

“Elder Xia, please let me take a look at my little girl’s condition and then make a diagnosis!”

Sect Leader Jiang said!

“Okay, okay, please come inside...”

Elder Xia nodded repeatedly and led Sect Leader Jiang into a small courtyard, which was full of flowers and plants!

Pushing open the door, Elder Xia invited Sect Master Jiang in. Just when Chen Ping wanted to go in, he was stopped by Elder Xia!

“The little goddess’s soul is very weak, so she really shouldn’t meet strangers for fear of being frightened.”

Elder Xia blocked Chen Ping outside!

A Man Like None Other Chapter 3695-After all, Chen Ping now looks like a middle-aged man with a full beard, which makes him look a bit scary!

“Elder Xia, this is my friend. He is also very knowledgeable about souls. He will not scare your daughter.”

Sect Master Jiang said quickly!

When Elder Xia heard this, he agreed to let Chen Ping enter the house!

I saw a girl of fifteen or sixteen years old lying on the bed in the room. She looked a little pale and her eyes were dull, as if she was a little stupid!

Although the girl's facial features are very beautiful, her dull eyes make her a little ugly!

With just one glance, Chen Ping knew that this girl was in a desperate state.

Sect Leader Jiang stepped forward, took out a crystal clear stone from his arms, and then gently turned it around the girl!

Soon, the stone emitted a faint light, and the light became brighter and brighter!

Sect Leader Jiang frowned and immediately put the stone away!

"Elder Xia, your daughter is no longer weak in spirit now. She is obviously missing a soul. The loss of soul is irreversible unless the soul can be recovered."

Sect Leader Jiang said solemnly!

"How is that possible? I spent a lot of money to hire someone to set up a soul-nurturing array just to protect my daughter. How could I lose my soul?"

Elder Xia couldn't believe it!

"Elder Xia, can I ask who set up this soul-nurturing array you mentioned?"

Chen Ping asked!

"I spent a lot of money to invite the formation master from the Central Region. This soul-nurturing formation can indeed nourish the soul, and can also solidify the soul and lock the body, preventing the soul from leaving the body. You can feel it as soon as you enter the courtyard! "

Elder Xia said!

"Elder Xia, may I ask how long you have been setting up this soul-nurturing array?"

Chen Ping continued to ask!

“It’s been about a year...” Elder Xia recalled!

“One year...”

Chen Ping frowned slightly, thinking a little!

After a while, Chen Ping said: “Elder Xia, what you have set up in your mansion is not a soul-nurturing array, but a ten-thousand-soul array. This is a very vicious array. Although you can’t see anything usually, this array It will absorb people’s souls on full moon nights!”

“Presumably your daughter’s lost soul was absorbed by this Ten Thousand Soul Array...”

Chen Ping’s words made Elder Xia freeze on the spot, his face full of disbelief!

“This...this is impossible, how do you know?”

Elder Xia looked at Chen Ping doubtfully!

“Elder Xia, in addition to his research on souls, this friend of mine is also a senior formation master, so what he said is completely credible.”

Sect Leader Jiang said!

Seeing Sect Master Jiang say this, Elder Xia was frightened!

“What...what should I do? Will my daughter be like this for the rest of her life?”

Elder Xia panicked, then held Chen Ping’s hand tightly and said, “Please help me, fellow Taoist, as long as you find my daughter’s soul, no matter how much money you ask, I will promise you!”

“I am just a daughter, and I can never let her become like this...”

“Elder Xia, you don’t have to worry. Let me give it a try first. If your daughter’s soul is really sucked away by the formation and remains in the formation, I can rescue her. But if the soul has been refined, then I can’t. There is no other way.”

Chen Ping said truthfully!

After all, Chen Ping also knows whether this Ten Thousand Soul Array can refine the soul of Elder Xia's daughter!

If it is refined, it will really be over. With Chen Ping's current strength, there is no way to restore Elder Xia's daughter!

"Okay, okay, try it quickly..."

Elder Xia nodded repeatedly and asked Chen Ping to try it quickly!

Chen Ping didn't say anything more, but walked directly to the yard!

Immediately afterwards, Chen Ping waved his hand, and several rays of spiritual light hit the formations, and then the formations in the entire mansion circulated and lit up continuously!

A Man Like None Other Chapter 3696-"I'm going to look for Miss Xia's soul in this Ten Thousand Souls Array. If I can find the best one, if I can't find it, I will destroy this array. If I let this great array run, I'm afraid it won't take more than a few years. Elder Xia's family will all become dementia!"

Chen Ping said!

Elder Xia looked at the formation that was constantly flashing light and nodded quickly!

Chen Ping's skills are much better than others!

Chen Ping slowly walked towards the center of the formation, and with a ripple in the void, Chen Ping's figure disappeared.

When Sect Leader Jiang saw this, he broke into a cold sweat for Chen Ping!

Chen Ping appeared in a void at this moment, and everything he looked around was a vast expanse of white.

There were only faintly shining array patterns, letting Chen Ping know that he was in the Ten Thousand Souls Array!

“Boy, you are brave enough. You don’t know anything about the Ten Thousand Souls Array and you dare to rush in. Aren’t you afraid that you won’t be able to get out?”

Demon Lord Chiyun asked curiously!

“Of course I’m not afraid anymore. I understand. I still have you, right? I can’t get out, and you’re trapped here too. I think you don’t want to be trapped either!”

Chen Ping said with a faint smile!

Demon Lord Chiyun was stunned for a moment, and then he smiled bitterly: “Good boy, you are trying to trick me, but although this Ten Thousand Soul Formation is vicious, it is indeed child’s play for me!”

“Now I will open the Tianming Eye for you. Under the Tianming Eye, all illusions will have nowhere to hide, and all illusions will disappear!”

Chen Ping was stunned, his eyes filled with disbelief!

Chen Ping knew the power of Tian Ming Eye. When he was chased by Qi Peijia in the battlefield of gods and demons, he had no way to escape because of that day Ming Eye!

After Qi Peijia opened the Tianming Eye, Chen Ping had nowhere to escape!

I didn’t expect that Demon Lord Chiyun would open the Eyes of Heaven and Darkness to him!

Chen Ping was about to open his mouth to say thank you when he heard Demon Lord Chiyun continue: “Don’t be too happy first. I will open the Tianming Eye for you. It doesn’t mean that you have the Tianming Eye. As long as I leave your sea of consciousness, You won’t be able to open your Tianming Eye.”

“If you really want to learn Tianming Eye, I will tell you the technique when the time comes, and you have to practice hard on your own. If I were not a remnant soul now, it would not be difficult to teach you Tianming Eye!”

“It’s a pity that I am just a remnant soul now. It would be great to help you open the Tianming Eye, but there is no way to pass it on to you.”

Demon Lord Chiyun's words made Chen Ping's excitement instantly turn into depression!

It turns out that Tian Mingyan still needs Demon Lord Chiyun to be in his sea of consciousness!

It is impossible for Demon Lord Chiyun to be in Chen Ping's Knowledge Sea all his life, which means that Chen Ping's Tianming Eye is only temporary!

"The temporary one is not bad, please help me open it!"

Chen Ping thought it over and said!

Demon Lord Chiyun nodded, and then a red light shot out from Chen Ping's sea of consciousness, following Chen Ping's eyebrows and shining around!

Between Chen Ping's eyebrows, a scar that looked like an eye appeared!

At this moment, Chen Ping looked around. It was no longer white, but gray, and the atmosphere became a lot more depressing!

But under the gray, there were several dark shadows. Chen Ping took a quick look and realized that these dark shadows were human souls!

In addition to Elder Xia's daughter, there are also other people's souls. These souls are trapped here, wandering aimlessly!

Seeing this, Chen Ping breathed a long sigh of relief!

If these souls are refined, it will be over. Now that they have not been refined, Chen Ping can take the soul of Elder Xia's daughter out!

But just as Chen Ping was walking towards the soul of Elder Xia's daughter, he was suddenly pulled by a suction force!

Then I saw a beam of light shining on those souls, and those souls showed painful expressions!

A Man Like None Other Chapter 3697-“Boy, the refining of the Ten Thousand Souls Array has started. We must break the Ten Thousand Souls Array, otherwise these souls will disappear soon!”

Demon Lord Chiyun warned Chen Ping!

Chen Ping nodded, and the dragon-slaying sword instantly appeared in his hand, and then a sharp sword light swung towards the place where the light shone!

Chen Ping now has no time to find the formation's eye, so he can only forcefully break the Ten Thousand Souls Formation!

boom!

Wherever the sword light reached, there was a loud noise, the large array of patterns began to flash continuously, and countless brilliance lit up chaotically!

At the same time, Sect Master Jiang and the others who were outside saw the large array of patterns flashing continuously and causing chaos. They guessed that it must be Chen Ping's fault!

Everyone is worried about Chen Ping!

"Deploying such a vicious formation is really embarrassing for our formation masters. Look, I'll break it for you..."

Chen Ping shouted angrily and swung the dragon-slaying sword in his hand again!

Accompanied by a dragon roar, terrifying power struck the formation pattern. The entire formation began to flicker and was about to collapse!

Outside, Sect Master Jiang and the others could vaguely see Chen Ping's figure in front of the flashing formation!

"You nosy bastard..."

Suddenly there was an angry curse, and then a man with a spiritual light all over his body appeared!

The man has no physical body, he is obviously a ray of soul left in the formation!

The man at this moment stared at Chen Ping angrily!

“It turns out that you set up this vicious formation. Since the other party gave you money, you still set up such a vicious formation to harm people. Today, you will do justice to God.”

Chen Ping pointed his sword at the man and said with cold eyes!

“There is no morality in the world of heaven and humans. There is no need for you to pretend to be a big-tailed wolf here. If you ruin my good deeds, I will kill you.”

The man gritted his teeth and said angrily!

“Hahaha, you are really ridiculous. Are you going to kill me with just this fragment of your soul?”

“Leave your name and when I have time, I will come to you. Even if you don’t kill me, I won’t keep a harmful guy like you!”

Chen Ping laughed, his eyes full of contempt!

The man also knew that there was no way he could kill Chen Ping, he was just bragging!

If Chen Ping could be killed by his remaining soul, it would be impossible to break through the Ten Thousand Soul Formation!

“Zhongyu Liangyi Sect, Gu Tianchao...”

After the man finished speaking, the remnant soul instantly turned into a stream of light and rose into the sky!

He couldn’t really fight Chen Ping!

“What rushed out?”

Sect Leader Jiang suddenly shouted!

Everyone looked and saw a stream of light rising into the sky from the formation!

As this stream of light flew by, the Ten Thousand Souls Array collapsed and disappeared!

The soul of Elder Xia's daughter suddenly appeared in front of everyone!

Looking at his daughter's soul, Elder Xia was surprised and happy!

"Daughter, daughter..."

Elder Xia said excitedly!

"Elder Xia, your daughter's soul is too weak and must return to her original form immediately..."

After Chen Ping finished speaking, he rushed into the room with the soul of Elder Xia's daughter!

Then a breath headed towards Elder Xia's daughter!

Along with this breath, the soul also entered the body of Elder Xia's daughter!

After her soul returned to her body, Elder Xia's daughter's face looked much better, and her eyes became brighter!

"Daughter, are you okay..."

Elder Xia rushed over!

"Dad, why are there so many people?"

Elder Xia's daughter said a little scared when she saw so many people in the room!

"Don't be afraid, these people are here to treat you."

Elder Xia comforted him!

"Elder Xia, your daughter has just passed away and needs more rest. We'd better not disturb her!"

After Chen Ping finished speaking, he winked at Sect Master Jiang and walked out of the room!

Not long after, Elder Xia also walked out!

After seeing Chen Ping, Elder Xia stepped forward and saluted: “Fellow Taoist, thank you so much. Without you, my Xia family would have suffered from the intrusion of the Thousand Soul Array!”
