

[The Man Decree] A Man Like None Other

A Man Like None Other Chapter 3711-"You're farting. Although our Wantong Pavilion is not as good as that Demon Sealing Alliance, we are still not short of his resources. How could I spy on it?"

"I don't care who Chen Ping wants to kill. He is on the airship of our Wantong Pavilion right now, and he needs to be protected by our Wantong Pavilion. If I hand him over now, how will the entire Southern Territory view our Wantong Pavilion in the future?" Pavilion?"

"As an escort elder, I want to protect the safety of the airship and passengers. Unless I die, I will not hand the person over to you."

"I don't care how you got the news that Chen Ping was on our airship. If you dare to use force, I will accompany you to the end. Even if I die, our Wantong Pavilion will put you on the must-kill list."

"You have to think carefully. If our Wantong Pavilion is placed on the must-kill list, do you think you still have a chance to hang out in the Southern Territory?"

Elder Sun can only continue to move out of Wantong Pavilion to scare the other party!

Sure enough, the one-eyed monk did hesitate this time. Wantong Pavilion is also a famous sect in the Southern Territory, with many branches in the Southern Territory!

If he is really annoyed and Mr. Wantong puts it on the must-kill list, he will really not be able to hang out in the Southern Territory!

What's more, the master of Wantong Pavilion is a dragon who never sees the end, and few people know his identity. It's all the elders who control Wantong Pavilion!

Just when the one-eyed monk hesitated, Elder Sun continued: "If fellow Taoist give way this time, I, Wantong Pavilion, can send a batch of resources. Although it is not as good as the hundred-year tribute of the Demon Sealing Alliance, it will definitely not be too bad!"

Elder Sun struck while the iron was hot, hoping to make the one-eyed monk leave!

After hearing what Elder Sun said, the one-eyed monk became even more hesitant!

“Brother, if we kill Chen Ping, it won’t be as simple as just getting a hundred years of worship from the Demon Sealing Alliance.”

At this time, a young man behind the one-eyed monk came forward and whispered a few words in the one-eyed monk’s ear!

After hearing this, the one-eyed monk’s eyes became firm and he looked at Elder Sun and said, “Elder Sun, although I have no intention of being an enemy of Wantong Pavilion, I must take away Chen Ping today, otherwise you will die.”

Elder Sun frowned. He was about to succeed just now. I don’t know what the one-eyed monk said again to make the one-eyed monk become determined!

“Elder Sun, can you beat this eye?”

Just when Elder Sun was in trouble and didn’t know what to do, Chen Ping walked out of the airship!

“Mr. Chen, why did you come out? Didn’t I tell you not to move!”

Seeing Chen Ping come out, Elder Sun said anxiously!

“Are you Chen Ping?”

The one-eyed monk glanced at Chen Ping and asked in surprise!

After all, he thought that the person who could be killed by the Demon-Sealing Alliance with hundreds of years of sacrifice was also a monk at level 5 or above of the Tribulation Realm!

He should also be a person who has a life-and-death feud with the Demon Sealing Alliance.

But Chen Ping looks very young, he is only at the third level of Tribulation Realm, and he is very ordinary!

How could a person of this level of strength be punished by the Demon Sealing Alliance?

“Yes, I am Chen Ping, the man who was killed by the Demon Sealing Alliance with a hundred years of sacrifice.”

“I can go with you, but don’t embarrass Elder Sun.”

Chen Ping said to the one-eyed monk!

When the one-eyed monk heard this, he was immediately overjoyed. If Chen Ping was captured without hesitation, he would not have to offend Wantong Pavilion, and he would still be able to receive a hundred years of worship from the Demon Sealing Alliance, the best of both worlds!

“Okay, as long as you are obedient, I will never embarrass Wantong Pavilion. I will let them leave immediately.”

The one-eyed monk nodded!

“Mr. Chen, you...”

Elder Sun couldn’t bear to see Chen Ping standing up on his own initiative just to avoid causing trouble to him!

Chen Ping ignored Elder Sun and continued to say to the one-eyed monk: “I will be killed by you soon. Can I understand one thing before I die?”

A Man Like None Other Chapter 3712-“Okay, tell me!” the one-eyed monk said!

“I want to know, how did you know that I was on the Wantong Pavilion airship, and how did you know that I went to Guanghan Palace? Who told you?”

Chen Ping has always wondered who revealed his whereabouts!

After all, only a few people knew that he took the airship to Guanghan Palace, and it was impossible for these people to leak his whereabouts!

And the monks on the airship don’t know him, and they can’t reveal it!

“Hahaha, it doesn’t matter that you offended the Demon Sealing Alliance, but you actually offended Mr. Mu of the Mu family. Mr. Mu revealed your whereabouts to us.”

“Now you know it, you damn well understand it...”

The one-eyed monk laughed and said!

“Mu Kui?” Chen Ping’s eyes narrowed slightly!

He knew that Elder Xia would never kill Mukui, but he didn’t expect to let this guy go so quickly!

“Mr. Mu from the Mu family? How did Mr. Chen offend him?”

Elder Sun didn’t know what Mu Kui was doing in Wantong Pavilion, so he was full of doubts!

Chen Ping didn’t have time to explain to Elder Sun, so he said, “Elder Sun, it’s a long story. I’ll explain it to you later.”

“I asked you just now, can you beat this one eye? You haven’t answered yet.”

“Mr. Chen, I am 80% sure of defeating him, but he has so many younger brothers who are not weak at all. These disciples I brought are no match for him.”

Elder Sun said in embarrassment!

If it’s one-on-one, Elder Sun is not afraid!

But there are so many people on the other side, it’s impossible to fight him alone!

“Elder Sun, just hold on to one eye of this one and leave the rest to me.”

Chen Ping said calmly!

“What?” Elder Sun was shocked: “Mr. Chen, these are more than a dozen monks at the fifth and sixth levels of the Tribulation Realm. Although there are not many sixth-level monks, there are so many people that you cannot handle with only the third level of the Tribulation Realm. .”

Although Elder Sun knew that Chen Ping was good at spells, it was impossible for a third-level monk in the Tribulation Realm to deal with more than a dozen fifth- and sixth-level monks in the Tribulation Realm!

Isn't this a joke?

When the one-eyed monk saw that Chen Ping actually wanted to take action and deal with more than a dozen of his younger brothers by himself, he suddenly laughed wildly: "Boy, have you lost your mind and gone crazy? You are only at the third level of the Tribulation Realm, and you still want to Are you going to fight with a dozen of my brothers?"

"Whether you are going crazy or not, you will know after you try it."

Chen Ping smiled coldly, and the dragon-slaying sword instantly appeared in his hand, and the indestructible golden body covered his whole body!

Seeing Chen Ping's body suddenly covered with golden scales, and the terrifying aura emanating from his body, the one-eyed monk frowned slightly!

Upon seeing this, Elder Sun knew that today's battle was unavoidable, so he gritted his teeth and said: "Mr. Chen, you and our Wantong Pavilion disciples will fight against the enemy together. I will help you after I kill the one-eyed man!"

"No need, you Wantong Pavilion disciples are too weak, don't die in vain."

Chen Ping shook his head and said!

When those Wantong Pavilion disciples heard this, they were all furious!

Many of them are at the third or fourth level of strength, many of them are at the fourth level of the Tribulation Realm, which is higher than Chen Ping. Now Chen Ping actually says that their strength is low?

Isn't this humiliating?

After listening to Chen Ping's words, Elder Sun also felt that Chen Ping was a little too pretentious. He was only at the third level of Tribulation Realm, but he actually said that others were low in strength!

But at this time, Elder Sun couldn't refute Chen Ping, so he could only say: "Okay, I'll try my best to make a quick decision and come here to help you!"

“I’d better make a quick decision and go help you...”

After Chen Ping finished speaking, his figure disappeared in an instant!

Then a white light flashed, and next to Duyan, a young man who was in the fourth level of the Tribulation Realm, his head flew high in an instant!

A Man Like None Other Chapter 3713-Kill with one sword!

Still, no one reacted!

Chen Ping was holding the Dragon-Slaying Sword, and blood was still dripping from the blade of the Dragon-Slaying Sword.

hiss.....

Seeing this scene, all the disciples of Wantong Pavilion took a breath!

Just now they were angry that Chen Ping looked down on others!

Now everyone is stunned. A fourth-level cultivator in the Tribulation Realm was actually killed instantly by a third-level Tribulation Realm cultivator without any hesitation.

Even if a fifth-level monk in the Tribulation Realm wanted to kill a fourth-level Tribulation Realm monk, he couldn’t do it so quickly and smoothly!

Elder Sun was also shocked. He did not expect that Chen Ping was so powerful. From that sword alone, he was not sure he could do it!

The one-eyed monk looked at his dead brother and was shocked in his heart.

Then he yelled angrily: “Boy, you are looking for death, kill me...”

The one-eyed monk jumped up, with a scimitar in his hand filled with black mist, and came straight towards Chen Ping!

“As long as I’m here, you can’t hurt Mr. Chen at all!”

Elder Sun also jumped up. With Chen Ping’s performance just now, Elder Sun’s confidence has greatly increased!

Elder Sun followed the one-eyed monk into a fierce battle!

The remaining dozen demon cultivators came to attack Chen Ping!

“Nine Shadows Sword Technique...”

Chen Ping waved his dragon-slaying sword, and then figures appeared one after another!

In the end, there were seven identical Chen Pings, all wearing golden armor, holding dragon-slaying swords, and looking at the demon cultivators with murderous eyes!

More than a dozen demon cultivators were stunned when they saw so many identical Chen Pings suddenly appearing!

Not only them, but also the monks in Wantong Pavilion and the airship were stunned!

They really didn't understand what kind of technique Chen Ping used, and how could he conjure up so many of himself at once?

Which one is true?

“Don't be afraid, this is an illusion, it's all fake, just attack!”

The one-eyed monk saw that his younger brother was being restrained by Chen Ping, so he shouted loudly!

With so many Chen Pings suddenly appearing, it was obvious that they had used illusions to confuse everyone's eyes!

After hearing the one-eyed monk's words, more than a dozen demon cultivators started attacking again!

More than a dozen treasures of various kinds were coming towards Chen Ping together!

Chen Ping held the dragon-slaying sword and instantly jumped up high!

When Chen Ping jumped up, more than a dozen demon cultivators immediately aimed at him. They all knew that this was Chen Ping's true form, and the others were all phantoms!

Chen Ping wanted this effect. A dozen demon cultivators jumped up and headed straight for Chen Ping's body. No one was paying attention to the Chen Ping clones below!

But just as these dozen demon cultivators were attacking Chen Ping, they suddenly felt a chill coming from behind them!

These demon cultivators were shocked. They thought the disciples of Wantong Pavilion had taken action!

But when they looked down, they found that the clones of Chen Ping that they had ignored were actually coming to kill them with dragon-slaying swords in their hands!

These demonic cultivators were so shocked that they had no time to react, and six or seven of them were directly killed!

This time, half of the people were lost!

“What's happening here?”

“Damn it, can the transformed clone also kill people?”

“This clone doesn't seem to be an illusion at all. It seems that each clone has its own aura.”

“It's too scary. Is this kid really at the third level of Tribulation Realm?”

Whether it was the disciples of Wantong Pavilion or the people on the airship, everyone looked at it in shock, their eyes almost fell out of shock!

The one-eyed monk followed Elder Sun to fight and didn't notice it. When he glanced at it casually, he was instantly stunned!

A dozen boys who were alive and kicking just now were half dead in the blink of an eye?

He didn't understand how Chen Ping did it!

At the moment when the one-eyed monk was shocked, Elder Sun seized the opportunity and slapped the one-eyed monk on the chest, knocking the one-eyed monk far away!

A Man Like None Other Chapter 3714-Elder Sun also noticed at this time that half of the dozen demon cultivators were killed by Chen Ping in the blink of an eye!

Now he finally knew why Chen Ping asked himself if he was the opponent of the one-eyed monk!

More than a dozen demon cultivators who were in the fourth and fifth levels of the Tribulation Realm had no resistance to Chen Ping, a third-level Tribulation Realm cultivator. It was simply outrageous!

“withdraw.....”

The one-eyed monk felt the chaotic atmosphere in his body and knew that he was injured. In addition, his younger brother was no match for Chen Ping, so he waved his hand and withdrew!

Elder Sun and Chen Ping did not pursue him. Their top priority was to get on their way, not to kill!

Now that Chen Ping’s identity has been exposed, there may be more people blocking the road. Now Elder Sun must send Chen Ping to Guanghai Palace as quickly as possible!

“Mr. Chen, are you okay?”

Elder Sun asked Chen Ping!

“It’s okay. He’s only at the fourth or fifth level of the Tribulation Realm. He can’t hurt me.”

Chen Ping said calmly!

Elder Sun was listening to Chen Ping’s words at the moment, but he didn’t even realize that he was showing off!

Now he also understands why the Demon Sealing Alliance wants to use a hundred years of sacrifice to kill Chen Ping!

Elder Sun took Chen Ping back to the airship!

Looking at the dead monk in the airship, Elder Sun frowned slightly!

He didn't know that this monk was killed by Chen Ping!

Just when Elder Sun was about to ask questions, Chen Ping took the lead and said: "This guy knew my identity and wanted to kill me and go to the Demon Sealing Alliance to receive the reward. It's a pity that he didn't have that life and was killed by me... "

When Elder Sun heard this, he said nothing more, but glanced at the many monks on the airship and said: "Everyone, as passengers of Wantong Pavilion, I will ensure your safety, but if you dare to act recklessly on the airship, I will never show mercy!"

Elder Sun is also warning everyone not to take Chen Ping's advice!

The airship started to move forward, but this time it went smoothly, no one was intercepting it!

Two full days later, the airship finally reached the end of the Southern Territory!

Chen Ping saw that there was a vast expanse of white under the airship, and above this vast expanse of ice and snow, there was a not very big city!

"Mr. Chen, this is Nanju City, which means we are at the very edge of the Southern Territory. Our airship landed in this city. If we want to go to Guanghan Palace, we still need to pass through the city and go up to the depths of Tianmo Mountain. That's all."

"The climate here is extremely cold. The depths of Tianmo Mountain are more dangerous than the hinterland. You must be careful. However, Guanghan Palace has a reception desk in Nanjing City. After signing up, you can be led to Guanghan Palace. This is relatively safe. Some."

"Our Wantong Pavilion also has a branch here. If Mr. Chen has anything to do, he can go to Wantong Pavilion at any time. As long as we can help, we will never stand idly by."

Elder Sun valued Chen Ping even more at this time.

A small third-level cultivator in the Tribulation Realm could easily kill half of the dozen or so fourth- and fifth-level demon cultivators in the Tribulation Realm.

This kind of abnormal strength can definitely support the genius among geniuses!

Elder Sun knows that if Chen Ping grows up, he will definitely be very terrifying. By then, he may have absolute power in the heaven and human world, and it is possible to even become a domain lord!

If you could ascend to immortality, that would be even more awesome!

Elder Sun knows that Chen Ping is a potential stock, so making friends now is the best choice!

“Thank you, Elder Sun.” Chen Ping nodded slightly and apologized, then asked curiously: “Elder Sun, since we have reached the end of the Southern Territory, if we continue to move forward, where will we end up?”

Chen Ping didn't know if the celestial world was the same as the secular world. It was spherical. If you continued walking to the end of the Antarctic, it would circle around!

A Man Like None Other Chapter 3715-“I don't know. No one knows where the end of the Southern Territory is, because apart from the Central Territory, there are barriers at the ends of the four major regions of the Tianren Realm, southeast, northwest, and cannot be penetrated at all, so no one knows.”

“I heard that there was once a powerful man who had reached the realm of immortality. He could not understand the way to become an immortal or ascend to immortality. He wanted to cross the barrier and see what was beyond the world of heaven and man, but he failed. When the body dies, the Tao disappears.”

“So for all these years, no one would want to cross that barrier, and no one would want to know what is beyond the end!”

Elder Sun explained with a smile!

When Chen Ping heard that the end of the Heavenly Realm was a barrier, he knew that the entire Heavenly Realm might be a space world created by a certain immortal!

You must know that the universe, galaxies, thousands of worlds, thirty-six heavens, so many worlds may be nothing more than chess pieces in front of the real master!

He can create countless worlds at will, and he can also destroy countless worlds at will!

As Chen Ping's strength grew, he discovered that the entire galaxy was more complicated than he imagined!

Chen Ping doesn't know what kind of strength his father is now!

"Mr. Chen, please don't even think about testing me. Everything I say is true..."

Seeing Chen Ping's silence, Elder Sun thought Chen Ping was curious!

You know, curiosity killed the cat. If Chen Ping really wanted to go to the end of the Southern Territory and cross the barrier, it would really be over!

"Don't worry, Elder Sun, I won't be stupid enough to test you."

Chen Ping smiled slightly!

While Chen Ping and Elder Sun were talking, the airship slowly landed on Wantong Pavilion's own branch square!

Stepping off the airship, Chen Ping saw a lot of monks shuttled here, most of them young monks!

The iconic loft of Wantong Pavilion is very eye-catching in this small border town, and it can also be seen that Wantong Pavilion has indeed great financial resources!

"Mr. Chen, since Guanghan Palace has a reception in Nanjing City, and everyone knows that the disciples of Guanghan Palace are as beautiful as immortals, the entire Nanjing City has become a lot more lively."

"Of course, our Wantong Pavilion has also benefited a lot from this. In the past, there were not many people in Nanjing City."

Looking at the monks constantly passing by, Elder Sun sighed with emotion!

Chen Ping was a little puzzled, then why did Guanghan Palace set up a reception desk and specially take people to Guanghan Palace?

Is it just to find Taoist companions for the outer disciples of Guanghan Palace?

Although he was confused, Chen Ping didn't go into details. He just came to get the Heavenly Demon Stone. He could go back after getting the Heavenly Demon Stone. As for why Guanghan Palace did this, Chen Ping didn't want to think about it anymore!

Just after Chen Ping and the others stepped off the airship, several people wearing Wantongge costumes came over!

“Elder Sun, thank you for your hard work. Will it go well this time?”

A tall and fair-skinned disciple of Wantong Pavilion asked Elder Sun very politely!

“Fortunately, although there is a little hiccup, it doesn't matter.”

Elder Sun smiled slightly, then looked around and said, “Why do I feel that there are so many more monks in Nanjing City? Could it be that some saint has appeared in Guanghan Palace to attract people?”

“That's not true. Guanghan Palace recently spread news that a place where immortals died was discovered in the polar regions. However, that place is very dangerous, so Guanghan Palace hopes to find some Taoist companions for the outer disciples. Then go explore together.”

“But this time Guanghan Palace has set up many tests. Only after passing the test can we select Taoist companions to go to the polar regions, so it attracts more people.”

“If I weren't the person in charge of the Wantong Pavilion, I would also like to give Guanghan Palace a try...”

The Wantong Pavilion disciple said jokingly!

When Chen Ping heard this, he looked at the person in front of him carefully. He didn't expect that this person was so young and was actually the person in charge of the Wantong Pavilion branch!

No wonder this guy dares to follow Elder Sun and make such a joke!

A Man Like None Other Chapter 3716-“Hahaha, Pavilion Master Qian, don’t let your brothers and sisters hear these words, otherwise you will be in trouble.”

Elder Sun laughed and said!

“I was just joking. Elder Sun won’t complain, right?” Pavilion Master Qian asked with a smile!

“That’s not certain. If you want to stop my mouth, you’ll have to bleed some blood.”

Elder Sun was joking with Pavilion Master Qian!

“Elder Sun, since you’ve already arrived, I won’t bother you. I’ll ask you where the reception desk of Guanghan Palace is.”

Chen Ping saw Elder Sun chatting happily with Pavilion Master Qian and didn’t want to waste time, so he asked Elder Sun!

“Elder Sun, who is this???”

Master Qian Pavilion looked at Chen Ping!

“Oh, this is Mr. Chen. He is the one who is optimistic about Elder Xia’s daughter’s illness.”

Elder Sun quickly introduced!

Elder Sun specifically talked about Elder Xia’s daughter because Pavilion Master Qian has a good relationship with Elder Xia!

Pavilion Master Qian was able to become a person in charge of the branch pavilion in Nanjing City at such a young age because of Elder Xia’s recommendation!

Although Nanjing City was extremely desolate at that time, he was also the master of the branch pavilion. For a young man, this was unlimited opportunities!

Now that the emergence of Guanghan Palace has made Nanjing City prosperous, the master of Qian Pavilion has also risen in the Wantong Pavilion. Now he can joke with Elder Sun!

“What? Elder Xia’s daughter is cured of her illness?”

Pavilion Master Qian was a little shocked!

“Well, Mr. Chen cured her. Lao Xia also gave Mr. Chen a token.”

Elder Sun nodded and said!

After listening to Elder Sun’s words, Pavilion Master Qian looked at Chen Ping with much more respect!

“Mr. Chen, my surname is Qian. I am the person in charge of the Wantong Pavilion here. If you have anything to do here, you can come to me at any time.”

Pavilion Master Qian said very politely!

“Thank you very much, Pavilion Master Qian. Now I just want to go to the reception desk of Guanghan Palace to sign up. I wonder where the reception desk is?”

Chen Ping just wants to go to Guanghan Palace quickly to get the Demon Stone!

If his identity is completely exposed, it will be even more difficult here!

Pavilion Master Qian told Chen Ping the location and wanted to take Chen Ping there, but Chen Ping refused directly!

Chen Ping plans to find a secluded place to change his appearance. It would be inconvenient for Pavilion Master Qian to follow him!

After saying goodbye to Elder Sun and Pavilion Master Qian, Chen Ping found a hidden place and changed his appearance!

But this time, Chen Ping did not turn into a bearded uncle.

After all, most of the monks who went to Guanghan Palace were young people. If Chen Ping turned into an uncle, he would be too conspicuous!

Chen Ping just turned into a very ordinary young man and walked towards the reception area of Guanghan Palace!

Before he even arrived at the reception desk, Chen Ping saw that there was already a queue in front of him!

The queue stretched for hundreds of meters, with no end in sight!

Chen Ping frowned when he saw such a long queue. He didn't expect that so many people wanted to go to Guanghan Palace!

If there is a queue, how long will it take?

Just when Chen Ping was in a dilemma, a monk with a goatee and narrowed eyes walked towards Chen Ping!

“Does this fellow Taoist want to sign up to go to Guanghan Palace to find a Taoist companion?”

The goatee walked up to Chen Ping and asked in a low voice!

Chen Ping nodded. Although he was not looking for a Taoist companion, he couldn't tell this guy that he was here to get the Heavenly Demon Stone!

“If you go to Guanghan Palace and sign up at the reception desk, you won't be able to get in line in the year of the monkey and the month of the horse.”

“But you only need to pay one hundred thousand spirit coins, and I can take you to Guanghan Palace. I know the way to Guanghan Palace, and it is absolutely safe.”

“But I can only send you to the outer gate of Guanghan Palace. You have to figure out how to get in.”

“If you want to enter the outer gate, I can take you, but it will cost you one million spirit coins.”

The goatee said to Chen Ping!

A Man Like None Other Chapter 3717–

“Can you really take me to Guanghan Palace?”

Chen Ping looked at the goatee with disbelief in his eyes!

“Of course. I have lived here all my life. I am very familiar with the road to Guanghan Palace, and it is absolutely safe.”

“I’ll tell you the truth. I am familiar with an elder from Guanghan Palace. If you give me more spirit coins, I can take you to the inner gate without any problem.”

Goatee smoothed his beard with his hand and said confidently!

“Okay, then take me to the inner gate. It’s best to meet the master of Guanghan Palace!”

After saying that, Chen Ping took out a dozen purple gold spirit coins from the storage ring and threw them to Goatee!

“Purple gold spiritual coin?”

Goatee looked at the purple gold spirit coin in his hand and was stunned for a moment!

It took a long time to recover, and the look in Chen Ping’s eyes instantly became extremely flattering!

He didn’t expect that Chen Ping turned out to be a rich man who could sell more than a dozen purple gold spirit coins!

“Fellow Taoist, don’t worry. I have stayed here all my life, and I will definitely send you to Guanghan Palace!”

Goatee hurriedly put the purple gold spirit coin into his pocket and was about to leave with Chen Ping!

“Shen Jizi, you are cheating here again, how many times have I warned you!”

Just when Shen Jizi was about to leave with Chen Ping, a shout suddenly sounded!

I saw a female cultivator wearing green clothes and holding a sword coming quickly, glaring at the magical machine!

When Shen Jizi saw the woman, he immediately seemed extremely embarrassed!

“Miss Lan, I’m not lying. Don’t be so slanderous!”

Shen Jizi quickly shook his head and said!

“Huh, I’ve been watching you for a long time. You’ve been using our Guanghan Palace as an excuse to deceive people all day long. Don’t think I don’t know.”

The girl Lan snorted coldly, then looked at Chen Ping and said: “Fellow Taoist, I am the person in charge of the reception desk of Guanghan Palace. My name is Lan Yingying. Did this guy tell you that he can take you to our Guanghan Palace?” The palace can still take you in and let you spend money?”

Chen Ping nodded, and then looked at the magic machine with a bit of anger in his eyes. It turned out that this guy was a liar!

“Don’t be fooled. If you want to go to our Guanghan Palace, you can only register at the reception desk and then be guided by us.”

“If you rashly go up the mountain privately, you won’t be able to find the location of our Guanghan Palace. Instead, you will be in trouble. The environment here is harsh and there are monsters everywhere.”

“If you really want to go to Guanghan Palace, please queue up and register.”

After Lan Yingying finished speaking, she glanced at Chen Ping and then continued: “However, with your third-level strength in the Tribulation Realm, I’m afraid you won’t have the chance to go to our Guanghan Palace this time. The strength of the monks we registered this time must be Only those who are at level five or above of the Tribulation Realm can do it.”

“After all, the Taoist companions that the outer sect sisters are looking for this time are going to enter the polar regions together. If the cultivation level is too low, they will just die in vain!”

After hearing what Lan Yingying said, Chen Ping was really surprised. He didn’t expect that Guanghan Palace was really different!

There are also realm requirements for finding a Taoist companion for the outer disciples in your palace!

This is not looking for a Taoist companion. It is obviously looking for someone to take advantage of, someone who has worked for Guanghan Palace in vain!

Chen Ping was about to ask Lan Yingying if the palace owner of Guanghan Palace was in the palace. Chen Ping wanted to set up a relationship to see if he could enter Guanghan Palace!

But before Chen Ping could say anything, a commotion broke out in the queue!

“Who are you? We’ve been waiting in line for a long time, why did you jump in line?”

“What the hell, don’t you Guanghan Palace care about it?”

“I’ve been waiting in line for a long time, no one can jump in line!”

Some people in the queue shouted in dissatisfaction!

Lan Yingying frowned and her face became ugly. It seems that queue jumping often happens here!

A Man Like None Other Chapter 3718—“Xue’er, what’s going on? Why is there someone jumping in line?”

Lan Yingying looked at a female cultivator not far away and asked sharply!

“Sister Lan, this person is related to Elder Mu.”

The female cultivator hurriedly came over and said.

Lan Yingying said with a cold face and an unhappy expression: “Didn’t I say that no matter what, you must follow the rules?”

“Have you forgotten the rules of our Guanghan Palace?”

“Sister Lan, I…” The female cultivator lowered her head, looking a little aggrieved!

“Do I have to follow the rules too?”

A male cultivator in white walked towards Lan Yingying, with a hint of amusement on his face.

When Chen Ping saw this male cultivator, he was stunned. Isn't this the same Mu Kui who was let go by Elder Na Xia?

When did this guy come to Nanjing City?

Could it be that he was also going to Guanghan Palace?

Lan Yingying frowned slightly after seeing Mu Kui: “Mr. Mu, now your behavior has caused dissatisfaction to others, and there is nothing we can do...”

Obviously, Lan Yingying's tone has softened a lot, and it seems that she also knows Mu Kui!

Mu Kui looked at Lan Yingying with a flickering look in his eyes, and raised the corner of his mouth and said, “You mean, you want me to line up?”

“Not bad!” Lan Yingying nodded!

“What if I don't line up?” Mu Kui seemed to be provoking Lan Yingying!

“Then there's no way to register you!”

Although Lan Yingying's tone was calm, she was very firm!

“Won't you register for me?” Mu Kui snorted coldly: “I want to see if you have that ability.”

“Open your big eyes and see what this is...”

Mu Kui took out a token and waved it in front of Lan Yingying. This was the token of Guanghan Palace!

Seeing the token, Lan Yingying stopped talking!

“This is the token given to me personally by Elder Mu of Guanghan Palace. What else do you dare to say?”

“Let me tell you, if it weren’t for the fact that you are an inner disciple of Guanghai Palace, I would have played with you a long time ago.”

“My aunt personally notified me to come here, so that I can go to the extreme to experience it. Otherwise, I would not be willing to come to this ungrateful place.”

After Mukui finished speaking, he put away the token and walked straight towards the reception room. There was no queue at all!

Mu Kui didn’t notice Chen Ping’s existence until he left. Chen Ping changed his appearance and suppressed his aura. If Mu Kui didn’t deliberately investigate, he wouldn’t have been able to discover it!

Lan Yingying looked at Mu Kui’s back, her face turned red with anger, but there was nothing she could do!

The female cultivator opened her eyes angrily and said, “Sister Lan, this Mu Kui has gone too far. He dares to talk to you like this because of his relationship with Elder Mu. Moreover, this guy has fooled us by relying on his status as the son of the Mu family. Several outer sisters.”

“He also said that the harmony of yin and yang, the dual cultivation of ice and fire, can quickly increase the strength, so that many of our outer sect sisters were deceived by him and competed with him...”

“Xue’er, shut up!” Lan Yingying didn’t wait for Xue’er to finish speaking and quickly glared at her!

After all, with Chen Ping and that magic machine, it is inconvenient to talk about some scandals in Guanghai Palace!

Lan Yingying took Xueer away without even looking at Chen Ping!

In Lan Yingying’s eyes, Chen Ping is just a little monk at the third level of Tribulation Realm!

Not even qualified to register!

When Shen Jizi saw this, he turned around and prepared to leave!

“Fellow Taoist, have you forgotten something?”

Chen Ping saw that the magic machine was actually going to leave, so he said!

“What did I forget?” Shenjizi said pretending to be confused!

“You forgot to give me the money back.”

Chen Ping stretched out his hand toward Shenjizi!

“What money? I didn’t take any of your money. Don’t slander anyone. Get out of here right now, otherwise don’t blame me for being rude to you!”

How could the money that Shen Jizi put in his pocket be taken out again!

What’s more, Chen Ping is only at the third level of the Tribulation Realm, but he himself is at the fifth level of the Tribulation Realm!

Chen Ping has no companions, he is alone, and the magic machine is going to rob him!

A Man Like None Other Chapter 3719-“Are you planning to steal it openly?”

Chen Ping smiled coldly!

“Yes, I will rob you, what can you do? I tell you, money is an external possession, be careful not to lose your life because of money!”

“If you lose your life, then...”

Before Shenjizi finished speaking, he discovered that Chen Ping was missing!

Then a black shadow flashed in front of him, and Shenjizi felt his breath stagnant, and he was a little out of breath!

I saw that Chen Ping was already in front of him, holding Shen Jizi’s neck with one hand!

Shenjizi’s eyes widened with disbelief!

After all, he was also a fifth-level monk in the Tribulation Realm. He didn't even have time to react before he was controlled by Chen Ping, a third-level monk in the Tribulation Realm!

"No one has ever dared to steal my money..."

Chen Ping's eyes were cold, and streams of aura were constantly coming out of his hands!

Shen Jizi's whole body was suppressed by this aura, and he could not move at all. Moreover, he felt that the soul in his body was not peeling off bit by bit!

Shenjizi panicked, knowing that he had met a master.

How could someone who could take out more than a dozen purple gold spirit coins at once be an ordinary monk?

regret!

Shen Jizi regretted it so much that cold sweat kept dripping from his forehead!

"Fellow Taoist, this fellow Taoist is merciful. I'm not lying to you. I really know the way to Guanghan Palace, and it's absolutely safe."

"I can take you to Guanghan Palace and return all your money to you."

"I hope fellow Taoists will be noble and spare my life. I have parents who are hundreds of years old and children who are dozens of years old. They all rely on me to support them..."

As Shenjizi spoke, he actually started crying...

Chen Ping didn't want to kill him. It wasn't worth it for a dozen purple gold spirit coins!

"Do you really know the way to Guanghan Palace?"

Chen Ping asked!

Since there is no way to register at the reception desk, Chen Ping can only go to Guanghan Palace by himself. It would be best if someone leads the way!

“Really, if I tell a lie, five thunderbolts will strike from the sky, and I will be struck to death by thunder and calamity, and I will never be reborn again.”

Shen Jizi hurriedly swore!

When Chen Ping saw this, he let go of Shen Jizi.

Shenjizi was breathing heavily, feeling like he was surviving a disaster!

“I’ll pay you back the money first, and then I’ll take you there...”

With that said, Shen Jizi went to pay for it!

“No need, if you take me to Guanghan Palace, the money will be your fee!”

Chen Ping waved his hand and said generously!

When Shen Jizi heard this, his eyes suddenly shone, and he patted his chest and promised: “Don’t worry, fellow Taoist, I will definitely take you to Guanghan Palace, and it will be fast and safe!”

Shenjizi took Chen Ping out of Nanjue City, and then arrived at the foot of Tianmo Mountain. It was all covered with white snow, and it was endless as far as the eye could see!

Shen Jizi did not take Chen Ping up the mountain, but continued walking south along the foot of the mountain!

Chen Ping was a little surprised. The Guanghan Palace was on the mountain, but this genius didn’t take him up the mountain!

Shen Jizi also saw Chen Ping’s doubts, so he explained: “Fellow Taoist, I have my own secret passage. I can go to Guanghan Palace, but I can only go to the outer gate. If I want to enter the outer gate, I have to think about it myself.” There’s a way.”

“I have no business entering the outer gate, let alone meeting the Palace Master of Guanghan Palace. That’s all my bragging!”

Shen Jizi told it truthfully. He knew how powerful Chen Ping was, so how could he dare to hide it from Chen Ping!

“It doesn’t matter, you just need to take me to Guanghan Palace!”

Chen Ping said calmly!

As long as you find Guanghan Palace, find a way to meet the palace owner, and get the Heavenly Demon Stone, you'll be fine!

Chen Ping didn't want to stay in Guanghan Palace for a long time, nor did he want to cause trouble to Na Mukui. After all, his status was not suitable for staying in one place for a long time!

If the identity is exposed, the follow-up will be very troublesome!

The Demon Sealing Alliance's killing order indeed brought a lot of inconvenience to Chen Ping!

"One day, I will definitely destroy the Demon Sealing Alliance!"

Chen Ping thought to himself!

However, with his current strength, it is simply impossible to destroy the Demon Sealing Alliance!

A Man Like None Other Chapter 3720-Shenjizi nodded, and then continued walking south with Chen Ping!

After walking a short distance, Shenjizi stopped and observed the surrounding situation. Then he waved his hand and a strong wind swept across, blowing away all the snow on the ground.

After the snow was blown away, a cave was revealed, but the cave was very small and required bending down to enter!

"Enter this cave and you can go directly to the outer hall of Guanghan Palace. It is very hidden here. No one knows about it, and it is very safe."

"I have been making money from this cave during this period of time..."

Shen Jizi pointed at the cave and said!

Chen Ping glanced at the cave, and then sneered: "You rely on this cave to kill people and buy goods, right?"

Chen Ping could clearly feel the bursts of anger coming from the cave!

Shen Jizi was stunned for a moment, and then quickly explained: "Fellow Taoist, please don't misunderstand me. Although I have killed people in this cave, I never dare to have any evil thoughts towards my fellow Taoist."

"Even if you move, it's meaningless!"

Chen Ping smiled lightly and then got into the cave!

Shenjizi was stunned for a moment, and then followed in!

It was very dark in the cave, and Chen Ping didn't know how long he had been walking before a light appeared in front of him!

When he emerged from the cave, Chen Ping saw a mist in front of him. In the mist, there was a palace!

"Ahead is the outer palace of Guanghan Palace. I can only take you here. If you want to enter Guanghan Palace, you still need to find a way on your own."

Shen Jizi said cautiously!

"Okay, that's all. You don't have to worry about other things!"

Chen Ping nodded, and then walked towards the outer gate of Guanghan Palace!

Chen Ping looked from a distance and saw several female nuns guarding the outer palace. These female nuns were all so graceful and graceful that one look at them would make people feel excited!

Outside the outer gate of Guanghan Palace, there were several male cultivators who seemed to be saying something following the female cultivators!

These male cultivators were blocked from entering and could not enter!

Looking at the ragged clothes of these male cultivators, they must have found their own way to Guanghan Palace. It seems that they suffered a lot on the way!

However, such monks who come up to the mountain privately are not allowed to enter Guanghan Palace!

Only those who sign up at the reception desk and are brought in by someone from Guanghan Palace can enter.

Soon, another group of people walked towards the outer gate of Guanghan Palace.

But this time, it was Lan Yingying who led the team, followed by more than a dozen male cultivators!

Mukui is among them!

“Sister Lan, you are here...”

When a female cultivator from Guanghan Palace saw Lan Yingying, she quickly opened the door and welcomed her out!

Lan Yingying nodded, then looked at the ragged monks in front of the door, frowned slightly and said: “Why are there so many people coming to Guanghan Palace privately today? They are really stubborn!”

After saying that, Lan Yingying asked all the monks she brought to enter the outer palace, and he said to the ragged monks: “It is impossible for you to come to Guanghan Palace privately. Let’s go back.....”

“Fellow Taoist, we have gone through a lot of hardships to find this place. Many people died on the road. Just let us in.”

“Yes, if we go back like this, we will definitely die on the way. Just let us go in.”

“We just want to find a Taoist companion, and we are willing to contribute to Guanghan Palace!”

Several monks were begging Lan Yingying, and some even knelt down!

Lan Yingying looked at these monks, sighed, and then said: “Our Guanghan Palace has the rules of Guanghan Palace. If we let you in, wouldn’t it be bad? Anyone who wants to enter Guanghan Palace can do it.”

“If you really want to enter Guanghai Palace, then enter from the side of the main hall. There is an illusion array there. As long as you can pass through, you can enter Guanghai Palace.”
