

[The Man's Decree]

A Man Like None Other Chapter 3851-"Does this mean the inheritance is incomplete?" Chen Ping asked!

"Of course, if I die, you will get a complete inheritance. Now that I have not died, and you are not a disciple of the Wuji Holy Sect, how can you get a complete inheritance."

The leader of the Wuji Holy Sect explained!

"Then what's the use of this Wuji Order? Your Wuji Holy Sect has been wiped out, and you are the only commander left. Where can I find you to do three things?"

Chen Ping was speechless!

This Wuji Order is of no use at all!

It's not as affordable as the Immortal Qi Spiritual Liquid!

"Be brave. Now that I have recovered, the Wuji Holy Sect will definitely regain its glory. This Wuji Order is what many people want. How dare you say it is useless?"

The leader of the Wuji Holy Sect said angrily.

When Chen Ping saw this, he quickly apologized: "I'm sorry, I was superficial..."

Chen Ping didn't understand why these people from the fairy world had such explosive tempers.

Lord Huo Lingxing also left after a disagreement!

Chen Ping was afraid that the leader of the Wuji Holy Sect would also leave in anger, and he would get nothing!

"Senior, since you said that I can do three things with your Wuji Holy Sect, can you do one thing now?"

Chen Ping asked!

“What to do?” The leader of the Wuji Holy Sect was stunned!

“I am being hunted. You first kill the person who is chasing me, that is, the Demon Sealing Alliance, and all the people in the Demon Sealing Alliance.”

“Anyway, this world of heaven and earth was created by your Wuji Holy Sect. You can be considered the master of the world of heaven and earth. You can do this with just a wave of your hand!”

Chen Ping said to the leader of the Wuji Holy Sect.

Chen Ping was upset by the Demon-Sealing Alliance. He just had this opportunity to directly destroy the Demon-Sealing Alliance, and he would be clean from now on!

The leader of the Wuji Holy Sect rolled his eyes at Chen Ping and said as if he was a fool: “Although this world of heaven and humanity is a world created by my Wuji Holy Sect, I cannot interfere in the affairs of the world of heaven and humanity.”

“This is the way of heaven. It is not a world created by me. I can change this world at will, or even make it disappear.”

“It’s okay if it’s a secret space. This is a world, and I can’t disobey heaven.”

“Although you are as weak as ants in front of me, I can’t change the fate of you ants.”

When Chen Ping listened to the words of the leader of the Wuji Holy Sect, he seemed to understand somewhat!

Looking at Chen Ping’s expression, the leader of the Wuji Holy Sect continued: “The master who controls the universe and the galaxies can collapse countless planes and worlds with just one sneeze, let alone this small world of heaven and humans.”

“But he can’t do that. Everything must abide by the reincarnation of heaven and earth. It is precisely because this world of heaven and humans was opened up by our Wuji Holy Sect that we cannot interfere in the affairs of the world of heaven and humans.”

After the leader of the Wuji Holy Sect finished speaking, his figure suddenly disappeared!

The entire hall was empty, even the cushions had disappeared!

“Why do you just leave? I haven’t finished asking yet!”

Chen Ping was speechless for a while.

“Did your boy get kicked in the head by a donkey?”

Only now does Demon Lord Chiyun dare to speak!

“What’s wrong?” Chen Ping didn’t understand why this guy started swearing!

“The leader of the Wuji Holy Sect gave you the Wuji Order and promised to help you with three things, but you actually asked him to destroy that demon-sealing alliance?”

“Are you stupid?”

“This is like a billionaire who promised to do three things for you, but you actually asked him to buy breakfast for you first?”

“You have a head on your butt?”

Demon Lord Chiyun will be pissed to death by Chen Ping!

“Then what should I do? I can’t deal with the Demon-Sealing Alliance now.”

Chen Ping said!

“You help me collect all the bones. When I regain my physical body, I will stomp my feet and help you destroy them.”

“You are really using an anti-aircraft cannon to kill mosquitoes. What kind of demon-sealing alliance does it need the leader of the Wuji Holy Sect to take action?”

“Where do you want the old face of the leader of the Wuji Holy Sect to go?”

Demon Lord Chiyun was speechless for a while!

A Man Like None Other Chapter 3852

“this.....”

Chen Ping was also speechless. The world of heaven and those three things were still too far away for him now.

It's a pity that none of these heavenly beings understand the sufferings of the human world.

Although the Wuji Order given by the leader of the Wuji Holy Sect is a priceless treasure to many immortals!

But for Chen Ping, it is somewhat useless and fake!

“You should take a look at the inheritance of Wuji Holy Sect. Even if it is incomplete, it must be very impressive.”

“I don't know how long the formation outside the mansion will last. Taking advantage of this opportunity, if you can get the inheritance of Wuji Holy Sect, you don't have to be afraid of those guys outside.”

Demon Lord Chiyun said to Chen Ping!

Chen Ping was right. Instead of complaining, it would be better to get the inheritance of Wuji Holy Sect as soon as possible!

Chen Ping took the Wuji Order, and then a burst of spiritual power penetrated it!

Buzz!

The next moment, Chen Ping's mind roared, and then his sea of consciousness trembled.

A majestic information continues to pour into Chen Ping's sea of consciousness. This inheritance is very large and complex!

When Chen Ping was receiving the inheritance, a beam of light seemed to fall from the sky and hit Chen Ping!

This moment made Chen Ping feel extremely comfortable!

Chen Ping didn't feel that the Wuji Holy Sect's inheritance was of much use, but the beam of light attracted by the inheritance was filled with majestic energy.

Chen Pingyuan turned to the Heart Condensation Technique and began to absorb it without hesitation!

The immortal spirit liquid has been absorbed by the leader of the Wuji Holy Sect. Chen Ping will not let go of the aura brought by this beam of light now!

Chen Ping absorbed it crazily!

At this moment, Mu Yao and several members of the Mu family were squatting outside the mansion!

Mu Yao was very anxious at this time!

"Miss, I don't know if you have received the message. Why haven't you come yet?"

Mu Yao said anxiously!

"Uncle Mu, look quickly..."

At this time, someone discovered that a beam of light seemed to fall from the sky and shine into the mansion!

Mu Yao looked at the light, his expression became more and more solemn!

"I wonder what kind of adventure this kid will have inside. The aura in this beam of light is very powerful. Maybe he is absorbing the inheritance of immortal magic."

"We can't wait any longer. I'm going to find the eldest lady. You two should keep watch. As soon as Chen Ping comes out, don't force yourself and let me know."

Mu Yao can't wait any longer!

But he can't break the mansion formation now, so he can only wait for Mu Nayi to come!

Now that Mu Naiyi has not shown up, Mu Yao is getting anxious!

“Understood!” Several members of the Mu family nodded!

Only then did Mu Yao go to Mu Nayi with peace of mind. If he waited for Chen Ping to absorb the immortal magic inheritance, it would be too late!

When Mu Yao was looking for Mu Naiyi, Mu Naiyi had already returned to the sect’s main hall.

Here, Mu Nayi met Binglu and others, who were waiting for Chen Ping here!

Because Mu Nai Yi personally killed several saints before, Bing Lu and others now hate Mu Nai Yi to the core!

Lan Yingying also glared at Mu Nayi. As an elder of Guanghan Palace, she actually attacked the Saint of Guanghan Palace so cruelly. Damn it!

“You guys, come with me now.”

Mu Nayi glanced at Binglu and the others and said!

No one from Binglu and the others spoke, they all glared at Mu Nayi!

“Didn’t you hear? I order you as an elder.”

Mu Nayi said coldly!

“Bah, you killed so many of our sisters and you still want to order us. You are no longer the elder of Guanghan Palace.”

Binglu spat hard at Mu Nayi!

Mu Naiyi was not angry, and said coldly: “You come with me, and I will spare your life. If you let me do it, you know the consequences.”

Mu Naiyi is at the peak of the Tribulation Realm, and Binglu and the others are no match at all!

But Binglu and others are not afraid at all!

“Hmph, if you can, kill us. Even if you die, we won’t follow you.”

After Binglu finished speaking, she held the Frost Sword in her hand and put on a desperate stance!

A Man Like None Other Chapter 3853-Everyone else also showed off their frost swords!

Seeing this scene, Mu Naiyi raised the corners of her mouth: “Those who overestimate their own capabilities...”

After saying that, a horrifying aura erupted from his body. This aura was like a storm, directly suffocating Binglu and the others!

Let alone taking action, they might not even be able to move a step now!

After all, the difference in strength was too great, and the aura that Mu Naiyi burst out was beyond their ability to bear!

They are not Chen Ping, who can leapfrog and fight.

Just when Binglu and others were out of breath and their bodies fell to their knees, a breath suddenly came from behind, making Binglu and others relax instantly!

“Why is Miss Mu so angry?”

Ouyang Zhenhua came slowly with the monks!

It was Ouyang Zhenhua who rescued Binglu and others just now!

When Mu Naiyi saw Ouyang Zhenhua, she couldn’t help but frown and said, “Who are you?”

“I am the head of the Ouyang family, Ouyang Zhenhua.”

Ouyang Zhenhua said politely!

Upon hearing this, Mu Nayi snorted coldly: “Does the Ouyang family dare to interfere with our Mu family’s affairs?”

“What’s more, you are only at the ninth level of the Tribulation Realm, and you want to fight with me?”

“I don’t dare. It’s just that these girls have saved our lives, so I still ask Miss Mu to show her kindness.”

Ouyang Zhenhua knew that he was no match for Mu Naiyi, and he didn’t want to fight with Mu Naiyi!

“What if I insist on taking them away?”

Mu Nayi said with disdain in her eyes!

“If Miss Mu is stubborn, I will have no choice but to offend you. Although I am not Miss Mu’s opponent, with so many of us, I think we can still deal with you alone.”

Ouyang Zhenhua also said with a cold face!

Mu Nayi was stunned, with anger in his eyes!

But Ouyang Zhenhua was right, if these people came together, Mu Nayi wouldn’t be able to handle it!

But she couldn’t let Binglu and the others go. If she let them go, it would be difficult to find them!

Mu Nayi was in a difficult situation and didn’t know what to do for a while!

Just when Mu Nayi was in trouble, Mu Yao flew over quickly!

“Miss...”

After Mu Yao saw Mu Nayi, he shouted quickly!

When she saw that it was Mu Yao who was here, Mu Nai Yi felt happy!

“Why are you here? What about Chen Ping?”

Mu Nayi asked!

“Miss, Chen Ping is hiding in a mansion and hasn’t come out for a long time. I suspect that he is absorbing the inheritance from the statue.”

“So I came here to discuss the countermeasures with the eldest lady!”

Mu Yao said!

Upon hearing this, Mu Nayi turned his attention directly to Binglu and others: “Just in time, capture these saints and use them to force Chen Ping to show up.”

“I want to see if Chen Ping doesn’t care about these women.”

At this time, Binglu and others saw Mu Yao appear, and their hearts suddenly despaired. Even Mu Naiyi couldn’t deal with it, and with Mu Yao in the mix, there was no hope!

When Ouyang Zenhua saw this, he also looked embarrassed. If it were Mu Nayi, he could still handle it with everyone!

But now that there is Mu Yao, who is in the ninth level of the Tribulation Realm, they may not be rivals anymore!

“I’m going to take these women away. If the others don’t want to die, just get away from me.”

Mu Nayi glanced at Ouyang Zenhua and others!

This sentence instantly caused many monks to step back.

Ouyang Zenhua hesitated for a moment, and finally backed away helplessly. Even if they tried, they couldn’t stop him!

At this moment, the hearts of Binglu and the others were filled with despair!

Under the pressure of Mu Nayi and Mu Yao, Binglu and others were unable to even take action!

I can only let myself be manipulated and leave with him!

Ouyang Zenhua looked at the backs of Binglu and others being taken away, gritted his teeth and said, “Let’s go, let’s follow and have a look...”

A Man Like None Other Chapter 3854-Inside the mansion!

Chen Ping's eyes were closed tightly, his clothes were bulging, and a monstrous aura was constantly erupting!

Immediately afterwards, Chen Ping suddenly opened his eyes, and golden light suddenly appeared on his body, rising into the sky like an erupting volcano!

Wherever the golden light passed, everything turned into rubble, and even the mansion formation disappeared instantly under this violent aura!

Everyone in the Mu family who was guarding outside the mansion was so frightened that they couldn't bear the violent aura and fled into the distance!

"How is this going?"

"Has Chen Ping finished absorbing the inheritance of immortal magic?"

"Why isn't Uncle Mu coming back yet?"

Everyone in the Mu family had panic in their eyes, and they kept retreating!

At this moment, Chen Ping's whole body was wrapped in golden light, and his eyes were filled with blazing flames!

The mansion had long been reduced to rubble, and Chen Ping's body was slowly suspended!

Those Mu family members looked at Chen Ping, their eyes widened with disbelief on their faces. At this time, Chen Ping was like a god!

Rumble.....

Suddenly, countless thunder clouds gathered in the sky, followed by a muffled thunder!

The turbulent flow of time and space in the land of chaos also disappeared under this thunder cloud!

Accompanied by a thunderstorm, it hit Chen Ping hard, and Chen Ping's whole body burned with flames crazily!

"Thunder Tribulation? He...he is making a breakthrough?"

“It’s broken, please inform Uncle Mu and the eldest lady quickly.”

“How can this guy break through here? Moreover, this thunder disaster is too terrifying.”

Everyone in the Mu family panicked and hurriedly informed Mu Yao and Mu Naiyi!

Chen Ping’s body was suspended in mid-air, motionless, undergoing the baptism of thunder!

Every thunder tribulation makes the entire Wuji Holy Sect tremble!

Mu Naiyi and Mu Yao, who were originally rushing here, stopped and stared blankly at the thunder clouds in the sky!

“Thunder Tribulation Cloud? How could someone break through here?”

Mu Yao’s face was full of doubts!

“Could it be that boy Chen Ping? He is only at the third level of the Tribulation Realm. Even if he breaks through to the fourth level of the Tribulation Realm, how can such a small improvement in level trigger a thunder catastrophe on such a scale?”

Mu Naiyi also had a puzzled face, not understanding what was going on!

But at this moment, a voice came from Mu Yao’s jade slip!

“Uncle Mu, Chen Ping has suffered a thunderstorm and his mansion has been reduced to ruins. This kid’s aura at this time is too terrifying.”

A member of the Mu family sent a message to Mu Yao!

“Sure enough, this is Chen Ping’s breakthrough, let’s go quickly!”

When Mu Naiyi heard that Chen Ping was really making a breakthrough, she had a bad feeling in her heart!

Mu Naiyi and Mu Yao escorted Binglu and others and sped up!

They hope to arrive before Chen Ping succeeds in crossing the tribulation!

In this way, there may be a chance to prevent Chen Ping from improving his realm, or even make him fail to overcome the tribulation and die in the thunder tribulation!

At this time, thunder tribulations struck Chen Ping one after another, but Chen Ping had no expression on his face!

“The eighth thunder tribulation has occurred. The small level improvement has actually triggered eight thunder tribulations.”

“It’s so scary. No wonder he dares to go against the eldest lady.”

“The Demon-Sealing Alliance has offered a hundred-year offering. It seems to be really foresight. This guy is really difficult to deal with.”

The Mu family members were shocked to see Chen Ping standing still amid the thunder and disaster!

“Boy, I won’t let you succeed in overcoming the tribulation...”

At this moment, a figure suddenly appeared, and Mu Yao shot out a fire dragon, heading straight for Chen Ping!

The moment the fire dragon arrived in front of Chen Ping!

Another thunderstorm crashed down!

Boom!

This thunder catastrophe caused the fire dragon shot by Mu Yao to disappear in an instant, and Chen Ping was also successfully promoted to the fourth level of the Tribulation-Transcending Realm under this thunder tribulation!

At this moment, Chen Ping’s body was surrounded by golden light, and he looked at Mu Yao coldly like an ant!

The thunder clouds dissipated, and space-time turbulence appeared again in the sky!

A Man Like None Other Chapter 3855-Chen Ping looked down at Mu Yao, his eyes full of disdain and ridicule!

Looking at Chen Ping's eyes, Mu Yao's heart trembled!

As a ninth-level monk in the Tribulation Realm, Mu Yao couldn't help but tremble when facing Chen Ping, who had just been promoted to the fourth level of the Tribulation Realm!

The aura that erupted from Chen Ping was intimidating.

Mu Yao had never felt this kind of feeling even when he met the head of the Mu family!

"Ignorant rat..."

Chen Ping waved his palm, and a breath came instantly!

Mu Yao's expression suddenly changed!

Bang!

This palm directly knocked Mu Yao away.

Mu Yao spurted out a mouthful of blood in mid-air. After flying more than ten feet, Mu Naiyi, who was rushing towards him, swung out a burst of spiritual power to catch it!

Mu Yao's eyes were full of fear, and he stood next to Mu Nayi with a face of shame!

"Mr. Chen....."

When Binglu and others saw Chen Ping, they were all excited!

Even Ouyang Zhenhua and others who came from behind were surprised when they saw Chen Ping who looked like a god in mid-air!

A small improvement in realm brought a big change to Chen Ping, as if Chen Ping had been promoted to a big realm!

"Are you, the Mu family, all robbers? Do you think you can't defeat me, so you brought these saints here to threaten me?"

Chen Ping saw that Binglu and others were already in Mu Nayi's hands, so he said coldly!

“Hmph, what are you bragging about? If you didn’t run away like a mouse and ended up hiding in a mansion without coming out, would I be able to blackmail you?”

“Don’t run away if you can. Let’s see if I can kill you.”

Mu Nayi snorted coldly!

Although Chen Ping was promoted to the fourth level of Tribulation Realm, she still didn’t take Chen Ping seriously!

The fourth level of the Tribulation Realm is the same as the peak level of the Tribulation Realm, but there is an essential difference!

Mu Nayi only needs an opportunity to reach the Mahayana realm!

As for Chen Ping, he doesn’t know what year or month he wants to reach the Mahayana realm!

“It’s not yet certain who will destroy whom. You don’t need to make any big claims now.”

Chen Ping smiled coldly!

After reaching the fourth level of the Tribulation Realm, Chen Ping will be able to fight with Mu Nayi!

It won’t be like Guanghai Palace, under the hands of Mu Naiyi, there will be no power to fight back!

What’s more, Chen Ping still has a trump card in his hand, and the extremely cold ice flame is Chen Ping’s trump card!

This Mu Naiyi practices ice-based skills and uses various methods in an endless stream!

But the ice system skills are powerful, but there is still a certain gap between them and the extreme cold ice flames!

This extremely cold ice flame is the extremely cold thing in the heaven, nothing can compare with it!

“Arrogant...”

Mu Nayi smiled disdainfully!

At this moment, the entire Wuji Holy Sect began to be shrouded in darkness, and a chilling aura spread, making people's hearts tighten!

Chen Ping was suspended in the air and looked at each other with Mu Nayi, the auras of the two of them continued to condense!

Everyone can feel that there should be a fierce battle next.

The rising auras on the two people made everyone feel breathless and kept retreating!

Only Ouyang Zhenhua remained motionless, staring at Chen Ping and Mu Nayi!

The fourth level of the Tribulation Realm, fighting against the peak of the Tribulation Realm!

If someone told him this, Ouyang Zhenhua would not believe it even to death!

How to fight this kind of battle that is not of the same magnitude at all?

I'm afraid the battle will be settled with just one slap!

But at this moment, he saw with his own eyes that the rising aura of Chen Ping, a fourth-level monk in the Tribulation Realm, was no better than that of a monk at the peak of the Tribulation Realm!

"Mr. Chen, you must be careful, this Mu Nayi is very insidious..."

Binglu reminded Chen Ping loudly!

This Mu Naiyi is very insidious. At first, relying on his identity as the elder of Guanghan Palace, Binglu and the others relaxed their vigilance!

Then he took action and killed many saints.

"Don't worry, either she dies today or she dies..."

Chen Ping's figure slowly fell!

Binglu was stunned for a moment, thinking that Chen Ping had made a mistake. Shouldn't it be that she died or I died?

A Man Like None Other Chapter 3856-But Mu Nayi heard it, raised the corner of his mouth, and said with disdain in his eyes: "Boy, are you sure that I am the one who died?"

It turns out that what Chen Ping said was not wrong, but he was certain that Mu Nayi would die today!

"I am not only sure that you will die, but also that you will die miserably."

Chen Ping said with confidence!

"Arrogant..." After Mu Nayi said this, a cloud of white mist suddenly erupted from his body!

The surrounding air instantly dropped to freezing point, and the surrounding space seemed to freeze, making it impossible to breathe!

Seeing this, everyone hurriedly retreated again, leaving a large enough distance!

After all, this is a duel at the peak of the Tribulation Realm. If one of them is affected, it will be fatal.

Mu Yao took the Mu family and backed away while suppressing Binglu and others!

"bring it on....."

Chen Ping hooked his hand towards Mu Nayi!

Mu Nayi was already very angry at this moment!

In front of so many people, she, a cultivator at the peak of the Tribulation Realm, was so provoked by a fourth-level Tribulation Realm cultivator!

"Boy, you are really looking for death!"

“I will let you know that in the face of absolute strength, no matter how many skills you have, it is useless.”

As Mu Nayi spoke, the aura in his body continued to increase!

Binglu and others watched nervously, they were afraid that Chen Ping was no match for Mu Nayi!

Even Mu Yao was feeling anxious at the moment. He didn't know why, but he was always worried!

Ordinarily, Munayi's strength at the peak of the Tribulation Realm cannot be lost to Chen Ping!

But he is worried!

Whoosh!

Suddenly, Mu Naiyi moved. She couldn't bear it anymore. She immediately exploded a stream of spiritual energy, then jumped up and waved her hand, causing a surging cold wave!

When Chen Ping saw this, flames burned around his body, and the intense flames swept across him!

Chen Ping did not use the extremely cold ice flame, because this was his trump card, and he wanted to use it when he was surprised at the end!

Chen Ping uses fire to fight against Mu Naiyi's cold air!

In just an instant, the two of them had already fought more than ten times!

If this were in Guanghai Palace, Mu Naiyi would have frozen Chen Ping with one palm. But now that they have fought for more than ten times, Chen Ping has not been affected by the cold wave!

“Everything is frozen...”

Mu Naiyi was a little anxious at this moment. As a cultivator at the peak of the Tribulation Realm, she had fought against each other more than ten times without taking any advantage. This was unacceptable to her!

A ray of cold mist condensed into a huge white bear. The white bear breathed out cold mist and froze everything around it.

“Thunder Palm...”

Chen Ping struck out with a palm, and lightning and thunder instantly broke out in the sky. Thunder and lightning struck down one after another, which was comparable to a thunder disaster!

And this thunder and lightning is actually mixed with flames!

This palm slapped on the white bear instantly made the white bear disappear!

Mu Naiyi gritted his teeth, and a white light suddenly surged behind him!

As Mu Naiyi shouted loudly, the white cold mist turned into a sea of mist that covered the sky, and Chen Ping was instantly submerged in it!

This cold wave spread to the surroundings, making everyone around them feel the coldness, and had no choice but to use their spiritual power to block it!

“What a terrifying power. It seems that the Mu family is really powerful.”

“The Mu family men’s flames and the women’s frost appear to be of extraordinary strength.”

“No wonder the Mu family is developing so fast in this area!”

Ouyang Zhenhua felt the power of Mu Naiyi’s cold wave and couldn’t help but sigh!

There really aren’t many families like the Mu family that practice dual cultivation. Many families only practice one kind of technique!

Ouyang Zhenhua knew that he couldn’t resist this cold wave, but he didn’t know if Chen Ping could resist it!

After all, Chen Ping has just been promoted to the fourth level of the Tribulation Realm. Can he really withstand the terrifying attack at the peak of the Tribulation Realm?

At this time, Mu Naiyi was floating above the large cold wave with an expressionless face, looking coldly at her feet!

A Man Like None Other Chapter 3857-At this moment, under the cold wave, a spot of light continued to grow larger, and then broke out of the cold wave!

Chen Ping's body erupted with fierce fire, and the surrounding temperature continued to rise under the fire!

"Holy Light Fist..."

Chen Ping punched out fiercely, and the wind of his fist roared towards Mu Nayi with fierce flames!

Boom!

Unexpectedly, the fist light was filled with flames, like a meteor shower, and it hit Mu Nayi!

Mu Naiyi snorted coldly, raised his hands, and the cold wave under his feet instantly rose to the sky, forming a huge shield in front of Mu Naiyi!

And on top of this huge shield, there are whirlpools that seem to be swallowing everything!

Chen Ping's fist light was actually sucked in by these whirlpools!

Immediately afterwards, the fist light was mixed with fierce flames, and was frozen one after another in the cold wave, and huge pieces of ice fell from the cold wave!

But just when these huge pieces of ice fell, they suddenly changed direction and smashed towards Chen Ping from the bottom up!

When Chen Ping saw this, he hurriedly waved his fists and punched the ice!

The ice cubes shattered, but the fragments were still coming towards Chen Ping like cannonballs!

Chen Ping once again fired a series of extreme fires, causing the ice cubes to pass through the flames and evaporate instantly!

But just when Chen Ping relaxed a little, he felt a dangerous breath coming from above his head!

Chen Ping felt alert and stepped back suddenly!

Mu Nayi looked at Chen Ping with a sneer and said, "It's too late..."

The next moment, a huge ice block suddenly appeared above Chen Ping's head, as if it suddenly fell from the void!

Chen Ping had no time to escape and was directly hit by the huge ice block!

The body fell directly to the ground!

The ice cubes also crashed down, creating a huge deep pit!

Chen Ping's body was directly embedded in the ice!

Mu Nayi pressed his hands against the huge ice block, and streams of cold mist were still pouring into the ice!

"Mr. Chen....."

Seeing this scene, Binglu and others were all shocked!

Mu Yao finally smiled and breathed a sigh of relief!

When Ouyang Zhenhua and others saw this scene, they kept shaking their heads!

"After all, the disparity in strength is too great. How can the fourth level of the Tribulation Realm be compared with the peak level of the Tribulation Realm?"

"Hey, if given more time, I believe he will definitely become a famous genius in the world of heaven and humans. It's a pity, it's a pity..."

Ouyang Zhenhua's face was full of regret!

Chen Ping is talented and very smart. He only needs time to become the leader of the world of heaven and humans!

It's a pity that it has been exterminated now!

Chen Ping was frozen in a huge block of ice, as if he had lost his life and was motionless!

Mu Nayi was not careless, but still exuded bursts of cold mist from his hands!

This guy Chen Ping makes Mu Naiyi dare not relax!

Just when Mu Naiyi was freezing Chen Ping, no one noticed that there was also an inaudible aura spreading out from Chen Ping's body!

This breath came from the inside out, turning the huge ice cube into milky white!

Mu Nayi looked at the ice cubes that were gradually changing in front of her. Although she was confused, she did not let go!

She had to kill him with one blow, and she couldn't let Chen Ping have any hope of living!

Mu Nayi is still bursting out cold mist!

But soon, she suddenly felt some discomfort in her hands!

She originally practiced ice-based skills, and it was impossible for her to be cold!

But now, Mu Nayi always feels as if her hands are freezing!

"Could it be that my power exploded too quickly?"

Mu Nayi looked confused!

Because she has never been in this situation before, this is the first time!

Just when Munayi was confused, she discovered that her hands began to form frost, and the frost spread very quickly, and her entire arm was about to be frozen!

A Man Like None Other Chapter 3858-Munaiyi was shocked and quickly raised his arms, but the frost on his arms did not disappear!

Mu Naiyi panicked. She was practicing ice-based skills. She was immune to this kind of cold air. How could she be frozen?

Just when Mu Nayi was at a loss, the huge ice block began to crack, and finally completely shattered!

Chen Ping's figure also soared into the sky!

"Holy Light Fist....."

Chen Ping's whole body was glowing with golden light, and he looked like a great golden immortal. His huge fist shadow came straight towards Mu Nayi!

Munayi was shocked and instinctively wanted to stop him, but his arms were frozen and he couldn't use the technique at all!

boom!

This punch knocked Mu Nayi to the ground!

"I'll make you awesome, I'll make you awesome..."

Chen Ping was suspended in mid-air, with a golden fist seal, and punched Mu Nayi's body!

The entire sect trembled, and Mu Nayi roared angrily!

"Mr. Chen, you are so awesome..."

Seeing this scene, Binglu and others shouted happily!

Ouyang Zhenhua and others had shocked faces and said in disbelief: "That's so awesome. He's at the fourth level of the Tribulation Realm. He's riding on the peak of the Tribulation Realm to beat him violently?"

"What kind of boxing technique is this? It looks very classy!"

Everyone present was shocked and unbelievable. They didn't understand how Chen Ping, a fourth-level Tribulation Realm master, had such terrifying strength!

Mu Yao and the Mu family were all dumbfounded when they saw Mu Nayi being punched to the ground!

Just now, I was secretly happy that Chen Ping was no match for Mu Nayi, but in the blink of an eye, the situation had reversed!

They really couldn't believe that Chen Ping was still alive in the big ice of the cold wave.

At this moment, Mu Naiyi's body had already been smashed into the ground, but Chen Ping did not relax at all, and punches continued to hit him!

Mu Naiyi's clothes were already in tatters!

As the eldest daughter of the Mu family, she was beaten now and her clothes were all in tatters, which Mu Naiyi simply couldn't bear!

"ah....."

Mu Naiyi's face turned red and he roared like a beast!

Immediately afterwards, waves of white cold mist erupted from Mu Naiyi's body, wrapping her body!

She couldn't let anyone just expose her!

This kind of humiliation is worse than killing her!

"I want you to die, I definitely want you to die..."

Mu Naiyi roared angrily, she wished she could eat Chen Ping alive!

"Damn it, you still dare to scream..."

Chen Ping's face was grim, and his palms immediately unleashed an endless storm!

The storm surged violently, directly blowing away the white cold mist that covered Mu Naiyi's body!

This time, Mu Naiyi was exposed to everyone!

"Close your eyes, close your eyes..."

When Mu Yao saw this, he quickly asked everyone in the Mu family to close their eyes.

However, he secretly opened his eyes to take a peek from time to time. After all, the eldest daughter of the Mu family was very noble, and Mu Yao did not have the opportunity to take a second look at her!

Binglu and the others burst out laughing, their faces full of jokes!

This Munaiyi killed so many of their sisters, and he deserves to be treated like this!

The other monks didn't care. They all opened their eyes wide and began to discuss it critically!

"As expected of the eldest lady of the Mu family, her skin is so good."

"Look how white it is. Maybe it's because of practicing ice-type skills. The whole skin is crystal clear."

"This time is really not in vain. Even if I don't get any treasures, I can appreciate the figure of the eldest daughter of the Mu family, and I will die with no regrets."

Mu Nayi's body trembled, and all the people's comments reached her ears!

Chen Ping looked at Mu Nayi with a sneer, without even blinking!

Here in Chen Ping, there is no pity, only a strong murderous intention!

Mu Nayi killed so many saints, Chen Ping wants to avenge them!

A Man Like None Other Chapter 3859-What's more, those saints have all suffered humiliation, and Chen Ping wants to let Mu Naiyi taste the humiliation!

"ah....."

Mu Nayi was going crazy, roaring loudly, and suddenly slapped her forehead with one hand!

"It's broken. The eldest lady is about to open the seal of the Mu family."

Mu Yao was secretly admiring Mu Nayi's figure when he suddenly noticed Mu Nayi's crazy behavior and was shocked!

I saw blood marks starting to appear on Mu Nai Yi's jade-white skin!

Those blood marks actually formed an extremely complex pattern on Mu Naiyi's body. Even Mu Naiyi's skin turned red at this moment!

Along with the complex lines that penetrated the whole body, a shocking aura climbed up in Mu Nayi's body!

The surrounding void is constantly trembling, and the violent aura is rushing in all directions like a tide!

Mu Nayi's whole body was shrouded in a red light, and his aura continued to surge!

"What's going on? Is this Munayi going to break through the Tribulation Realm and ascend to the Mahayana Realm?"

"What a terrifying aura. Is it so easy to break through this Mahayana realm?"

"I have never seen a Mahayana monk before!"

Everyone looked at Mu Nayi in stunned silence. They were all shocked by the aura on her body. No one was admiring her body!

Binglu and others also looked worried, worried about Chen Ping!

Chen Ping himself also frowned. He didn't expect that Mu Nayi actually had such evil skills that could instantly increase his strength!

You know, this Mu Nayi is at the peak of the Tribulation Realm. If it improves, it will be the Mahayana Realm!

Mu Yao and others were not happy about Mu Nayi's improved strength at this moment. On the contrary, they all looked worried!

They know that crossing the Tribulation Realm to the Mahayana Realm is a huge leap, and the gap between them is not so easy to cross!

Mu Naiyi has not reached the peak of the Tribulation Realm for many years!

I have been unable to find the right opportunity!

But now, Mu Naiyi has opened the seal of the Mu family and forcibly increased his strength.

You must know that every direct member of the Mu family has a special seal of the Mu family, which contains the power of the ancestors of the Mu family!

However, this sealing power cannot be used casually, because once it is turned on, while the strength increases, the body will also suffer backlash!

At worst, if the strength is stagnant, the person will never become an immortal; at worst, if the Dantian is damaged, he will directly become a useless person.

No one will open the seal unless absolutely necessary!

Now Mu Naiyi is not at the end of his rope, and they still have Bing Lu and others as bargaining chips, so there is no need to open the seal at all!

Maybe Mu Naiyi was too stimulated and couldn't control it!

After all, a woman who values her body the most, how could she not get angry when being watched by everyone!

The aura in Mu Naiyi's body has been rising continuously. At this moment, Mu Naiyi's strength has already surpassed the peak of the Tribulation Realm!

However, there was no thunder catastrophe bombarding me!

That is to say, Mu Naiyi's body is still at the peak of the Tribulation Realm, but his strength has already exceeded the peak of the Tribulation Realm!

"Master, what's going on? Why didn't the thunder disaster happen?"

An Ouyang family member asked Ouyang Zhenhua very puzzledly!

"Because this aura does not belong to Miss Mu. It should be that she originally had such an aura of power in her body."

"So even though it seems now that his strength exceeds the peak of the Tribulation Realm, there is no reason to trigger the Thunder Tribulation."

“If my guess is correct, her power will not last long, and it will definitely have side effects.”

“Things like this that suddenly increase one’s physical strength and violate the laws of nature will suffer backlash.”

“This is the law that everything in the world follows. We must abide by it. This is what I teach you. You must practice steadily and gradually.”

A Man Like None Other Chapter 3860–“Don’t be impatient, opportunistic, and use various evil skills and techniques to improve your strength in a short period of time. This will eventually harm yourself!”

Ouyang Zhenhua educates the people he brings!

However, his analysis is indeed correct. The strength Mu Naiyi possesses at the moment is not permanent and will slowly disappear before long!

“Go to hell...”

Mu Nayi roared, and his body flashed away in an instant!

Chen Ping frowned and his pupils shrank suddenly: “What a fast speed, the Mahayana realm is really powerful!”

Chen Ping can now fight against the peak of the Tribulation Realm, but if he directly fights against the Mahayana Realm, he will be more than capable but not strong enough!

You know, as one reaches a greater realm, one’s strength increases exponentially!

Especially a gap-like crossing from the Tribulation Realm to the Mahayana Realm!

You must know that the higher the realm, the more difficult it is to break through. Some people can only be trapped in the realm of transcending tribulation throughout their lives, and there is no way to break through the Tao Mahayana realm.

After breaking through the Tribulation Realm, one becomes a semi-immortal body, and is not far away from a true immortal. Often after reaching the Mahayana Realm, both the state of mind and the thinking are also changing!

Monks after the Mahayana realm will pay more attention to cultivation. After all, they are only one step away from immortals.

The temptation and desire of the immortal will be even more intense!

This is why in the world of gods and humans it is rare to see Mahayana monks wandering around, most of them are practicing in seclusion!

If there is nothing special, a Mahayana monk will not run around!

The Palace Master of Guanghai Palace is an exception. After all, she shoulders the important task of rebuilding Guanghai Palace, and there is no condition for her to practice in seclusion!

Chen Ping retreated sharply, not daring to follow Mu Naiyi head-on!

If the opponent has reached the Mahayana realm, Chen Ping would still be self-aware!

Seeing that Chen Ping did not dare to take action and kept retreating, Mu Naiyi said coldly: "Let's see where else you can escape!"

Accompanied by a loud noise!

Countless strands of white cold air instantly rushed out from around Mu Naiyi's body, heading directly towards Chen Ping!

Chen Ping's face was solemn, and he waved out a stream of extreme fire, forming a wall of fire in front of him!

The best way to deal with this cold air is fire!

The white cold air kept hitting the wall of fire, making bursts of roaring sounds!

Chen Ping gritted his teeth and kept retreating!

Seeing this, Mu Naiyi shouted loudly, and the cold mist in his body spurted out again!

However, this time, the cold mist sprayed out of Mu Naiyi's body turned out to be colorful, not just white!

Everyone was shocked when they saw this scene!

I don't understand how this extremely cold mist can have other colors!

Especially Binglu and others, they have never seen the colorful cold mist!

The cold mist condensed into a colorful long sword in Mu Naiyi's hands, and then rushed towards Chen Ping!

Rumble.....

After a loud noise, the wall of fire that Chen Ping raised with all his strength collapsed in an instant under the cold mist!

Chen Ping's body was also directly knocked away and fell heavily to the ground!

Chen Ping frowned slightly. He could feel how powerful Mu Naiyi's aura was at this moment!

"Don't confront him head-on. This guy uses external force to forcibly improve his strength. It shouldn't take long. Use your advantage and try to delay as much time as possible."

At this time, Demon Lord Chiyun said in Chen Ping's mind!

He was also afraid that Chen Ping would die. In that case, he would be doomed!

Now the two of us are like grasshoppers on a rope, and no one can escape!

When Chen Ping heard this, the moment he landed on the ground, he activated the fire control step, and his body disappeared directly, and then appeared hundreds of meters away!

Seeing this, Mu Naiyi once again controlled the colorful cold mist and rushed towards Chen Ping!
