

## [The Man's Decree]

**A Man Like None Other Chapter 3861**-Chen Ping used fire-bending steps and started to dodge, suddenly disappearing and reappearing!

Mu Naiyi's attacks were all dodged by Chen Ping!

Chen Ping used the Fire Control Step to the extreme. Many figures of Chen Ping appeared in the air. These were all shadows left behind because Chen Ping was too fast!

Mu Naiyi frowned slightly. She understood that Chen Ping did not fight back, but just dodged desperately in order to consume herself!

As a result, when the time for Mu Naiyi's aura to explode comes, he will definitely be defeated!

"You want to consume me, your thoughts are so beautiful..."

Mu Naiyi saw through Chen Ping, then pinched his fingers, and the colorful cold air began to spread!

At the same time, a ray of light began to flicker between Mu Naiyi's eyebrows, and then the light flew up and flew directly into the cold air!

When Chen Ping saw this, he couldn't help but frown. He could feel that Mu Naiyi seemed to be giving life to the cold air in front of him.

As a result, Mu Naiyi will not only become a useless person if he suffers the backlash, but may also die directly!

"Does this guy want to die with me?"

Chen Ping gritted his teeth and activated his indestructible golden body!

The power of the dragon in the chest is moving, and all the power is gathered at this moment!

Facing Mu Naiyi, who was in the Mahayana realm, Chen Ping didn't dare to be careless in the slightest!

"Resurrect..."

Mu Nayi roared, and the light merged with the colorful cold air!

Then streaks of cold air exploded, and then the cold air of each color solidified again!

However, this time the cold air solidified into ferocious beasts!

Each one has a different shape, as if there are no such monsters in the world of heaven and humans!

As the monster beast solidified, everyone was shocked!

After all, this kind of monster that has never been seen before is the biggest impact on people!

Chen Ping was also confused. He had never seen these strange monsters before!

There were five monsters in total, exuding violent auras!

“Five element beasts in the heaven, I didn’t expect that this ancestor of the Mu family is actually a person in the heaven!”

At this time, Demon Lord Chiyun spoke!

As a demon king in the heaven, he still knows these five monsters!

“Five element beasts?” Chen Ping looked confused!

And if the ancestor of the Mu family was from the heavenly realm, how could he come to the heavenly and human realm to thrive?

And it seems that the techniques used by the Mu family are not immortal techniques. They don’t even recognize the immortal energy and can’t absorb it!

From this point of view, how could the ancestors of the Mu family be from heaven!

Demon Lord Chiyun saw Chen Ping’s confusion, so he explained: “This is a good explanation. In the war between gods and demons, not everyone died.”

“There must be immortals and demon cultivators from the heaven alive. These people must have been injured and could not return to the heaven, so they stayed here.”

“However, there is only spiritual energy in this human world, not immortal energy. If you want to thrive, you must change your techniques and let future generations practice with spiritual energy.”

“After thousands of years, it is normal for future generations to only know spiritual energy and not immortal energy.”

“Furthermore, this person’s strength suddenly increased dramatically. The aura that burst out at that time contained the immortal energy. Now he has transformed into a five-element beast. It can be confirmed that this ancestor of the Mu family must be a person from the heaven.”

After listening to Demon Lord Chiyun’s explanation, Chen Ping finally understood something!

But how to deal with these five element beasts?

“Senior, how do you deal with these five element beasts?”

Chen Ping asked!

“These five element beasts can be divided and combined. Each one has its own power of the five elements. When they are combined, it is the most terrifying.”

“You have to reinforce each other and defeat each other one by one.”

Demon Lord Chiyun said!

“Destroy them one by one?” Chen Ping’s head was so big!

How do you defeat them one by one?

“Senior, I wonder who is better than this sky-swallowing beast or the Five Elements Beast?”

Chen Ping thought of the sky-swallowing beast!

It would be easier if the sky-swallowing beast came out and directly swallowed the five-element beast!

**A Man Like None Other Chapter 3862**-"Who are you scolding?" Demon Lord Chiyun was angry: "How dare you compare my Sky Swallowing Beast with the Five Elements Beast. The Five Elements Beast is just an ordinary monster in the heaven."

"With just one sneeze from my sky-swallowing beast, the five-element beast will be wiped out. Although this ancestor of the Mu family is from the heaven, he should not be very strong in the heaven. He is just the lowest level of loose immortal."

"But even the most rubbish monster in the world is not something you can deal with now."

"Fortunately, this Five Elements Beast is just an illusion, not the original Five Elements Beast. It shouldn't be difficult to deal with!"

After listening to Demon Lord Chiyun's words, Chen Ping's head was buzzing!

It seems that even if this is a dimensionality reduction attack, an ordinary monster in the heaven will become a top existence in the heaven and human world!

Even if the lowest level immortal in the heaven is injured, he can spread his branches and become a huge family in the world of heaven and humans!

I just don't know if this ancestor of the Mu family is dead or has returned to heaven!

If he was still alive and living in the Mu family, then Chen Ping might as well commit suicide!

His strength is difficult for even the Mahayana realm to deal with, let alone the immortals in the heaven!

At this moment, the Five Elements Beast has launched an attack!

On the ground, pillars of earth rose high, causing Chen Ping's figure to be in mid-air in an instant!

Then walls of water appeared all around, completely surrounding Chen Ping!

At the same time, countless vine branches in mid-air, like hundreds or thousands of tentacles, were entangled towards Chen Ping!

There were more blazing flames mixed with the sound of golden roar, wrapping up Chen Ping!

“Mr. Chen.....”

When Binglu saw this scene, she couldn't help shouting!

The faces of all the saints were solemn, and they could also feel that the monsters transformed by Mu Nayi were all very powerful!

“Hey, the monsters that have never been seen before probably do not belong to the world of heaven and humans. Now, Fellow Daoist Chen is in trouble.”

“Isn't this a celestial monster? Each one has its own five elements. If they could be combined, it would be terrifying.”

“With the strength of the Mahayana realm, I can transform into monsters in the heavens. There is no doubt about it this time.”

When Ouyang Zhenhua and others saw this scene, they knew that Chen Ping was finished!

Mu Nayi looked at the scene in front of her, her eyes full of anger and unwillingness!

In order to let Chen Ping die, Mu Nayi paid everything!

She also knew that after Chen Ping died, she would probably die soon. She had already used all her cards and even sacrificed her own life, so that the Five Elements Beast was transformed!

But as long as Chen Ping can be killed, everything is enough. Chen Ping's humiliation to her makes her alive a burden!

As the eldest daughter of the Mu family, she has no shame in being alive after being looked down upon by everyone!

Otherwise, he wouldn't have died with Chen Ping!

The Five Elemental Beasts are constantly attacking Chen Ping, but Chen Ping is trapped in them with no way to escape!

But just when everyone thought Chen Ping was bound to die!

Suddenly, a black shadow appeared in mid-air, and then the black shadow got bigger and bigger!

Only then did everyone realize that it turned out to be a big bell!

There is actually a dragon circling around the big clock!

Everyone was stunned, wondering why a big bell suddenly appeared here!

What is this big clock for?

Just like that, under the gaze of everyone, the big bell fell from the sky and directly trapped Chen Ping inside!

This time, all the attacks from the Five Elements Beasts hit the big clock, but they could not cause any harm to Chen Ping!

“What’s happening here?”

“Could it be that Fellow Daoist Chen used the big bell to lock himself up?”

“This bell is really special!”

Everyone kept exclaiming!

Chen Ping is hiding in the dragon pattern clock, leisurely and contented!

Since he knew that Mu Naiyi could not hold on for long, Chen Ping used the dragon pattern bell to lock himself up. When Mu Naiyi’s aura faded and she was half dead, he would come out to deal with her!

**A Man Like None Other Chapter 3863-**The Five Elemental Beasts are attacking desperately, but Chen Ping is hiding in the Dragon Pattern Bell and is leisurely and contented. Nothing is wrong at all!

Gradually, the Five Elements Beast's attacks are getting weaker and weaker, and the Five Elements Beast's figure is gradually disappearing!

This five-element beast is just an illusion, not an entity. It will dissipate after all its energy is consumed!

"No, damn you, come out if you can!"

Looking at the huge dragon-patterned clock in front of him, Mu Naiyi roared and slapped the dragon-patterned clock with his palm!

"I won't go out, I'll make you mad!"

Chen Ping said leisurely and contentedly inside the dragon pattern clock!

"ah....."

Mu Nayi roared!

"Miss, this guy is a tortoise, so let's kill all the saints of Guanghai Palace to see if he can get out!"

Mu Yao reminded Mu Nayi!

They still have Binglu and others in their hands, and they can blackmail Chen Ping!

When Mu Naiyi heard this, he immediately laughed and shouted at Chen Ping: "Did you hear that? If you don't come out, I will kill all these saints."

"Mr. Chen, don't come out, we are not afraid of death!"

Binglu shouted loudly!

"Let you shout..."

Mu Yao stepped forward and slapped Binglu hard on the face!

"Kill me if you can. Even if we commit suicide, we will never let you succeed."

"Sisters, we must not drag Mr. Chen down, let alone let the Mu family beasts use us to blackmail Mr. Chen."

“I’m leaving first, you all follow...”

After saying that, Binglu’s aura began to swell, and he was about to self-destruct!

Upon seeing this, several other saints also chose to self-destruct, and they would never drag Chen Ping down!

This time, the people of the Mu family were frightened!

Mu Nayi also didn’t expect that these saints were so unafraid of death!

“You don’t have the ability to self-destruct in front of me!”

Mu Naiyi waved his hand, and a vigorous aura was instantly suppressed towards Binglu and the others, causing Binglu and the others’ bulging auras to be suppressed directly and unable to rise again!

In the face of absolute strength, suicide is a luxury!

“Is your Mu family so shameless that you rely on dirty tricks to defeat your opponents?”

At this time, the Dragon Pattern Bell suddenly disappeared, and Chen Ping slowly appeared!

“Chen Ping, you are a coward. Now you kneel on the ground and die. I can let these saints go.”

“Otherwise, I will let you watch with your own eyes as this saint is humiliated to death one by one.”

Mu Nayi stared at Chen Ping and said coldly!

She knows that her strength will not last long, so she doesn’t want to fight with Chen Ping!

When Mu Yao and others heard this, their eyes suddenly turned lustful and they licked their lips!

When Chen Ping heard this, he immediately frowned!

“Mr. Chen, leave us alone, go away...”

Binglu shouted!

“You Mu family are really beasts.”

Chen Ping said sharply!

“Beast? I’ll show you what a beast is!”

With a sneer on his face, Mu Yao suddenly ripped off a saint’s clothes with a stabbing sound!

“ah.....”

The saint’s snow-white skin was exposed, and her eyes were full of anger!

“Beasts...” Binglu and others roared!

Mu Yao had a ferocious smile on his face: “Chen Ping, are you going to kneel down and die?”

After saying that, Mu Yao tore off Binglu’s clothes!

As long as Chen Ping disagrees, it seems that Mu Yao will tear off the clothes of all the saints one by one!

Chen Ping’s eyes burst out with anger, and his body was trembling with anger!

Just when Chen Ping was in a dilemma, Ouyang Zhenhua suddenly burst out!

“Damn it, you Mu family are a bunch of beasts!”

Ouyang Zhenhua and the other monks suddenly rose up and rushed towards Mu Yao and others!

Mu Yao and the others never thought that Ouyang Zhenhua would suddenly launch an attack with many monks. They were caught off guard and suffered heavy casualties!

Binglu and others were also rescued by Ouyang Zhenhua and others!

“Fellow Daoist Chen, you can fight with peace of mind. You must not let these beasts like the Mu family go!”

Ouyang Zhenhua shouted to Chen Ping!

**A Man Like None Other Chapter 3864**—“Ah... You are all targeting my Mu family. I want you all to die, all of you...”

Mu Naiyi did not expect that Ouyang Zhenhua would dare to bring people to follow their Mu family to oppose them!

You know, the Mu family is also a big family in this northern region!

The Ouyang family is just a small family that makes puppets. As the patriarch, Ouyang Zhenhua is only at the ninth level of the Tribulation Realm.

Such a small family actually dares to follow the Mu family and do the right thing!

This really doesn't take the Mu family seriously!

I saw Mu Nayi roaring, and the white skin of his body began to ooze blood. He looked like a bloody man, very scary!

As the blood oozed out, a blood mist appeared around Mu Nayi!

The blood-colored mist, with a thick smell of blood and cold breath, is spreading!

The surrounding space became distorted under this blood mist!

Waves of biting icy cold air emanated from Na Mu Nayi's body, the air around him suddenly dropped, and hundreds of meters in radius began to freeze!

This cold air made everyone tremble and retreat again!

Everyone was stunned when they saw Mu Nayi turning into a monster!

Even Mu Yao was dumbfounded. He didn't know what kind of technique Mu Naiyi used to become like this!

“Go back quickly, go back quickly...”

Mu Yao greeted the two remaining Mu family members to step back!

Because he could feel that they could not resist this cold air, and Mu Naiyi seemed to have lost his mind, and he was afraid that he could even kill them!

The bloody cold mist around Mu Naiyi became thicker and thicker, while Chen Ping frowned, with murderous intent in his eyes!

The dragon crystal on Chen Ping's chest flickered, and the golden dragon behind him slowly appeared, letting out a deafening roar!

A dragon roar resounded throughout the Wuji Holy Sect!

The golden dragon's whole body is burning with flames, and Chen Ping has been promoted to the fourth level of the Tribulation Realm. This golden dragon's strength is also obviously much stronger!

I saw the golden dragon roaring and rushing towards Mu Naiyi, its body shuttled through the void, and it was in front of Mu Naiyi in an instant!

Then the sharp dragon claws shot directly towards Mu Naiyi!

But when the golden dragon approached Mu Naiyi, the bloody cold mist around Mu Naiyi began to move, forming a huge whirlpool!

Endless cold air erupted from the whirlpool, and the claws of the golden dragon were instantly frozen, then shattered and dissipated!

“Roar.....”

The golden dragon let out a low roar. Fortunately, this golden dragon was also an illusory object, not an entity!

If it were a real giant dragon, it would be disabled now!

The giant golden dragon lost its claws and suddenly opened its mouth, spitting out endless flames!

The flames collided with the cold mist and made an explosion!

The entire Wuji Holy Sect and even the entire Land of Chaos seemed to be crumbling in the violent explosion!

The blood on Mu Nayi's body is still oozing out, and his face is ferocious. He seems to be suffering from great pain, and he should be on the verge of collapse!

"ah....."

Mu Nayi roared out, and the aura that had been sealed in his body was completely liberated at this moment!

Just when this aura erupted, Mu Nayi's body also emitted a dazzling red light!

Weird marks appeared on Mu Nayi's skin!

Now Mu Nayi is probably no longer alone!

Even if there is no trace of hair, Mu Nayi seems to have no scruples!

Now she is crazy!

There is only one thought, and that is to kill Chen Ping!

The terrifying blood-red cold mist, like spiritual snakes, carried Mu Nayi's blood and headed straight for Chen Ping!

Chen Ping hurriedly shot out walls of fire to block him!

But these Cold Mist Spirit Snakes were not afraid, they penetrated the wall of fire and came towards Chen Ping!

Chen Ping holds the dragon-slaying sword in his hand, and thousands of sword lights fall from the sky!

**A Man Like None Other Chapter 3865**-These cold mist spirit snakes were cut off, but there was no way to stop them. They would condense and fuse again!

It can't be burned to death, it can't be cut down!

Chen Ping has a headache!

“Don’t worry about these cold fogs. As long as the person who casts them dies, these cold fogs will disappear.”

Demon Lord Chiyun reminded him!

Chen Ping’s eyes lit up, and then he used the Fire Control Step, and his figure disappeared instantly!

When Chen Ping’s figure appeared again, he was already in front of Mu Nayi!

“go to hell.....”

Chen Ping waved his sword and headed towards Mu Nayi!

Mu Naiyi did not dodge, but said with a ferocious laugh: “Hahaha, you want to kill me, you are so delusional...”

After saying that, Mu Nayi’s body swelled rapidly, as if he was about to self-destruct!

boom!

With a loud noise, Mu Naiyi’s body exploded instantly, and blood-red cold air filled Chen Ping’s body!

At this moment, everyone was stunned!

I don’t understand how this Mu Nayi could self-destruct?

But Chen Ping knew that this guy didn’t self-destruct at all, but integrated himself into the blood mist!

Chen Ping exerted his spiritual consciousness to the extreme, but he couldn’t capture Mu Nayi’s aura at all!

When Chen Ping saw this, he could only retreat desperately, trying to get out of the cold fog!

But the cold air followed him like a shadow, as if it had life, directly wrapping Chen Ping’s body!

Chen Ping only felt that his movements began to slow down and his body became a little stiff!

“The strength of the Mahayana realm is indeed great, it is too difficult to deal with...”

Chen Ping’s movements became slower and slower, and frost began to appear on his body!

These frosts are actually blood red!

Soon, Chen Ping turned into a bloody man, but the blood was not his own!

Seeing this scene, Binglu and others were very worried!

Ouyang Zhenhua and many monks also looked desperate!

If Chen Ping loses, can they still escape?

Seeing Chen Ping being frozen, the blood mist began to gather in the sky, and Mu Nayi’s figure appeared in mid-air again!

“It’s your turn...”

Mu Naiyi looked at Ouyang Zhenhua and others coldly!

This time, these people were frightened!

How could they escape the cold mist of Mu Nayi’s blood!

Their faces were filled with fear. They wanted to run away, but their bodies seemed to be out of control, and their legs were extremely stiff!

Ouyang Zhenhua and others could only watch helplessly as the cold fog continued to sweep towards them!

And they can only sit back and wait for death, with no way to do anything, not even the ability to resist!

Seeing that everyone was about to be covered by the cold mist, suddenly thousands of rays of light emanated from Chen Ping’s body, and the entire Wuji Holy Sect was filled with warmth!

Immediately afterwards, a golden light flew out, and the frozen frost on Chen Ping’s body was shattered in an instant!

Everyone's eyes widened, looking at the golden light!

Even Chen Ping was surprised and looked at it in disbelief!

Mu Nayi's face was solemn and her expression became complicated!

No one knows what that golden light is, not even Chen Ping himself!

The golden light slowly converged, and everyone saw clearly that what was in the mid-air was a jade slip!

After the golden light converged, the jade slip suddenly fell and fell directly into Chen Ping's hands!

Chen Ping, holding the jade slip in his hand, was also confused!

This is the Wuji Order given by the Wuji Holy Sect Grandmaster, which contains the Wuji Holy Sect's inheritance!

This is just a recording thing, how can it fly out on its own?

Just when Chen Ping couldn't figure it out, the words "Wuji Ling" actually shone with light!

The light traveled on the Wuji Order, and then a strong aura storm was generated!

I could only hear the howling wind, and all the breath between heaven and earth was shaken by the storm!

A huge vortex began to form, and the huge suction force seemed to suck the entire Wuji Holy Sect into it!

The spiritual energy of heaven and earth, the immortal energy, the cold energy...

All the breath was sucked into this Wuji Order, and even the void was sucked into distortion!

**A Man Like None Other Chapter 3866**-In just an instant, the pervasive cold mist of blood disappeared without a trace!

All were sucked into the Wuji Order!

And in the mid-air, only bright red blood was left floating down!

These are Mu Nayi's blood!

Everyone was covered in blood!

At this moment, everyone was stunned!

Everyone looked at the scene in front of them at a loss!

They wanted to know what kind of treasure Chen Ping had in his hand that could absorb all auras!

In fact, Chen Ping himself is in a state of confusion at the moment!

He never thought that this Wuji Order could be so useful!

He thought that the Wuji Order was just a record of the Wuji Holy Sect's inheritance!

"Isn't what Fellow Daoist Chen is holding an immortal weapon? An immortal weapon found here?"

"It's very possible that this is the Immortal Sect. It's very reasonable to have a few immortal weapons."

"Immortal weapon, I have never seen an immortal weapon in my life."

Everyone looked at Chen Ping with envy!

"It's over....."

Looking at all this, Mu Nayi was stunned!

She thought she could kill Chen Ping by sacrificing everything!

However, things were different from what she thought!

Originally, Chen Ping was about to die, but she had already suppressed him and beat him violently. Why did an immortal weapon appear again in the end?

“No, it’s not fair, it’s not fair...”

Mu Nayi roared!

Then he rushed towards Chen Ping like he was crazy!

However, at this moment, Mu Nayi no longer has the strength to be in the Mahayana realm, and is not even as strong as the Tribulation Realm!

All the breath and blood essence have been consumed!

At this moment, Mu Naiyi could only rely on instinct to attack Chen Ping!

Chen Ping looked at Mu Nayi who was rushing towards him and couldn’t help but shook his head!

“Why bother.....”

After saying that, wave the Wuji Order in your hand!

Bang!

After a loud noise, Mu Naiyi was instantly knocked away. His whole body was like a ball, and Chen Ping flew away at once!

Mu Naiyi’s body fell heavily in front of Mu Yao and others!

At this moment, Mu Nayi has returned to her original appearance!

“Miss...”

Mu Yao hurriedly bent down and helped Mu Nayi!

But at this time, Mu Naiyi was naked, and Mu Yao was really enjoying it!

Mu Nayi’s whole body has turned pale, as if she was frozen in frost!

“I lost.....”

Mu Naiyi’s face was expressionless, and after a mouthful of blood spurted out, his body shattered like ice!

Mu Nayi’s soul slowly floated up.

At this moment, she only has a remnant soul left. Even if she rebuilds her physical body, she is still a useless person, and it is impossible to practice!

This is the price, and Mu Naiyi must bear this price for the path he chooses!

Mu Yao fired a burst of spiritual power to protect Mu Nai Yi's remaining soul, then looked at Chen Ping and said with a panicked look on his face: "Chen Ping, we are defeated. From now on, we will never cause trouble for you."

After saying that, Mu Yao was about to leave with Mu Naiyi's remnant soul!

"Did I let you go?" Chen Ping's voice was cold, and he was in front of Mu Yao in an instant!

"Chen Ping, do you really want to kill everyone? If you do this, it will only make our Mu family fight with you."

Mu Yao asked!

"Kill them all?" Chen Ping raised the corner of his mouth: "When you were chasing the Saint of Guanghan Palace, did you ever think of killing them all?"

"When you were humiliating the corpses of these saints and taking off their clothes, did you ever think that today would happen?"

"No one from your Mu family can leave today..."

Listening to Chen Ping's words, Mu Yao's face turned pale, but he couldn't wait to die!

"Master Ouyang, and fellow Taoists, do you know that this Chen Ping is the person that the Demon Sealing Alliance spent a hundred years of sacrifice to hunt down."

"Whoever can kill him will get a hundred years of worship from the Demon Sealing Alliance. Don't you want it?"

Mu Yao revealed Chen Ping's true identity, hoping that these people would take action against Chen Ping as they watched the Demon Sealing Alliance worship for hundreds of years!

**A Man Like None Other Chapter 3867**-After hearing Mu Yao's words, everyone fell silent.

They all saw Chen Ping's strength just now with their own eyes. Even if they join forces, they may not be able to match Chen Ping!

A hundred years of worship from the Demon-Sealing Alliance is good, but there is no point in killing one's life!

After a moment, Ouyang Zhenhua said: "You don't need to sow discord here. We were all saved by Fellow Daoist Chen. If it weren't for him, we might all have died in the beast wave, so you want us to take action against Fellow Daoist Chen, wishful thinking."

"Yes, we are not evil. We will not take action against Fellow Daoist Chen."

"You Mu family pigs and dogs are no better than dogs. You should have died long ago."

"Do you still want to confuse us and treat us as fools?"

Many monks accused Mu Yao, which made Mu Yao extremely embarrassed!

Now, without anyone to help, Mu Yao and others will definitely die!

"Is there any other way you can save your life?"

Chen Ping looked at Mu Yao coldly and asked!

Mu Yao's face turned red and white, his eyes full of despair!

"Mu Yao, go away and leave me alone..."

Mu Nayi, who only had a remnant soul left, said!

She knew that even if she regained her physical body, her life would be over and she would no longer be able to practice!

As a monk, if you can't practice, what's the point of living!

"Miss, don't be discouraged. I brought the family master's talisman. Maybe the family master can save us."

With that said, Mu Yao took out a rune!

“No, big brother is in retreat. If you use his natal talisman now, it will disturb his cultivation. What’s more, we are in the land of chaos now. Even with eldest brother’s natal talisman, he may not be able to find us.”

Seeing this, Mu Naiyi refused to let Mu Yao use it!

“Miss, if you don’t use it, we will definitely die. It doesn’t matter if we die. If you really die, the head of the family will go crazy.”

“The young master has been killed. If you were to die and the master of the house came out of seclusion, how desperate he would be.”

Mu Yao persuaded Mu Naiyi!

Mu Naiyi stopped talking, and Mu Yao injected a spiritual power into his natal talisman, and the talisman burned instantly!

The burning runes emitted bursts of smoke, and then in the smoke, a figure slowly appeared!

“The head of the family...”

Seeing that figure, Mu Yao shouted excitedly!

Mu Naiyi also said with excitement: “Brother...”

“Little sister, what’s going on? Why do you only have a trace of your soul left? Who harmed you like this?”

When the head of the Mu family saw this, he asked angrily!

Before Mu Naiyi could open her mouth, Mu Yao hurriedly said: “The master of the house, this Chen Ping, destroyed the body of the eldest lady. He not only destroyed the body of the eldest lady, he also killed the young master.”

“The eldest lady became like this because she wanted to avenge the young master...”

“What? Quier is dead?”

A terrifying aura instantly erupted from the head of the Mu family!

Although it is just a shadow, the terrifying aura is real!

When Mu Yao saw this, he raised his lips and said, “Chen Ping, you are dead, you are dead...”

Chen Ping, on the other hand, looked calm and looked at the head of the Mu family quietly!

“Boy, if you kill my son and hurt my little sister, I will kill you.”

The head of the Mu family is furious!

“It’s shameless to say that you are just a shadow. How can you still kill me?”

Chen Ping looked disdainful!

“Boy, you are only at the fourth level of Tribulation Realm. Even if you are just a shadow, I can kill you!”

After the head of the Mu family finished speaking, murderous intent rose in his eyes, and then he raised his palm, and a mysterious aura suddenly surged out!

boom!

At this moment, the world between heaven and earth seems to have stopped for an instant, and everything has come to a standstill!

Whether it’s the turbulent flow of time and space in the chaotic space, or the manic atmosphere around, or even everyone’s breathing has stopped!

The whole world seemed to be frozen!

In this world, only the head of the Mu family can move. At this moment, he seems to have become the master!

When this space stopped, a breath suddenly came towards Chen Ping!

In the blink of an eye, this breath was in front of Chen Ping!

**A Man Like None Other Chapter 3868**—“Hmph, even a fourth-level Tribulation Realm master dares to speak so brazenly to me...”

The head of the Mu family snorted coldly!

“The origin of time, I didn’t expect you to realize the origin of time. It’s a pity that you are just a shadow now. Even if you use the origin of time, you can’t restrain me.”

Chen Ping suddenly laughed!

The head of the Mu family was directly shocked.

Chen Ping blocked the aura of the head of the Mu family with a wave of his hand!

“You...how can you still move?”

The head of the Mu family was full of shock!

“What do you think?” Chen Ping raised the corner of his mouth!

“Could it be? Do you also have the origin of time?”

The head of the Mu family looked at Chen Ping in disbelief!

“Congratulations, you got the answer right, but it’s a pity that there is no prize!”

Chen Ping said playfully!

“Impossible, absolutely impossible...”

“I have been practicing for hundreds of years before I can comprehend the origin of time. But you are just a young monk at the fourth level of the Tribulation Realm. How can you possibly comprehend the origin of time?”

“Fake, this must be fake...”

The head of the Mu family didn’t believe it at all!

“Fake?” Chen Ping snorted coldly and waved his palms!

The time that was originally restricted has resumed flowing again!

“What’s going on? What just happened?”

Ouyang Zhenhua’s face was full of shock!

Everyone looked panicked, because they seemed to have been unconscious for a while just now, as if they were completely blank!

“Mu Yao, take your little sister and leave immediately, immediately...”

The head of the Mu family said to Mu Yao with a solemn expression!

Mu Yao didn’t understand what was happening, but he didn’t dare to disobey the order, so he took Mu Nayi’s remaining soul and prepared to escape!

But as soon as he moved, he was instantly stunned!

No matter how hard he tried, he couldn’t move at all!

“Master, this...”

Mu Yao was shocked!

The head of the Mu family once again used the origin of time, trying to compete with Chen Ping, but no matter how hard he tried, Mu Yao and others still couldn’t move!

I saw Chen Ping slapping Mu Yao and others with his palm!

As a palm print flashing with thunder and lightning fell, Mu Yao and others were all slapped to the ground by the palm print!

A palm!

Everyone in the Mu family is in a state of despair, and they cannot die anymore!

“No.....”

The head of the Mu family roared angrily!

He couldn’t understand how Chen Ping, a fourth-level monk in the Tribulation Realm, understood the origin of time.

“Boy, I will make you pay the price...”

The head of the Mu family roared and slowly disappeared!

Chen Ping spurted out a mouthful of blood, covering his chest and breathing heavily!

Chen Ping has just realized the origin of time, and he has not yet reached the ability to stop everything!

The reason why Mu Yao was unable to act just now was because Chen Ping took advantage of the time origin of the head of the Mu family.

“Mr. Chen, are you okay...”

Binglu and others ran over quickly!

“I’m fine, I’m just a little exhausted!” Chen Ping smiled slightly!

Ouyang Zhenhua and others on the side looked at the dead Mu family members with mixed emotions and an indescribable feeling!

Obviously Chen Ping is only a fourth-level monk in the Tribulation Realm, but killing a ninth-level monk in the Tribulation Realm is as easy as chopping melons and vegetables!

Isn’t this too outrageous?

And Mu Nayi has obviously reached the Mahayana realm of strength, but Chen Ping is still capable of fighting!

Regardless of whether Chen Ping used the treasure in his hand or his own abilities, the final result was that Mu Nayi died!

Not even a trace of the remnant soul was left!

These people don’t know how many secrets and treasures Chen Ping has!

Rumble.....

Suddenly, the ground shook, and cracks began to appear in the huge barrier on the Wuji Holy Sect!

“Hurry up, this Wuji Holy Sect is about to collapse.”

When Chen Ping saw this, he yelled!

Without this barrier, the various time and space turbulences in the Land of Chaos would submerge this place, and none of them would be able to survive!

When everyone saw this, they fled one after another, and finally escaped before the Wuji Holy Sect collapsed!

**A Man Like None Other Chapter 3869**-Along with the collapse of Wuji Holy Sect, the entire mountain peak began to collapse little by little!

Soon, large areas of pole stones appeared!

The entire mountain is actually made of extremely large rocks!

It's just that the pole stone was covered and no one found it.

“It turns out this is the so-called pole stone mine. There are too many...”

Binglu and others said in shock!

Chen Ping's face was also full of shock. He didn't expect that this mountain peak turned out to be the Jishi Mine!

“Fellow Daoist Chen, this is the farewell. We will remember your life-saving grace.”

Ouyang Zhenhua looked at the piles of pole stones and saw that they were of no use to them, so he planned to leave!

Another point is that he is also afraid that the head of the Mu family will bring someone to find him!

When the time comes, it will be troublesome if they are also involved!

How could a small family like theirs be the opponent of the Mu family!

“Master Ouyang, take care!”

Chen Ping raised his hand!

Ouyang Zhenhua left with many monks. Their trip was not in vain. Although they did not get any treasures in the Wuji Holy Sect, they still gained something!

Especially Ouyang Zhenhua, after getting the things from Luban Pavilion, he can study them carefully when he goes back!

Chen Ping and the others faced the Jishi Mine and started pretending like crazy!

All kinds of storage bags are filled!

However, Chen Ping didn't dare to put the storage ring in, and even if he put it in, it was eaten by the sky-swallowing beast!

Although Guanghan Palace also suffered a lot of losses during this trip to the polar regions. All the outer disciples were injured and killed, and only Lan Yingying was left alive!

There are only five saints left among more than a dozen saints. This kind of casualties is huge for Guanghan Palace!

But with the Extreme Stone and the Extreme Stone Mine, Guanghan Palace will be able to recover and grow stronger soon!

Chen Ping and the others returned to Guanghan Palace!

The Palace Master of Guanghan Palace seemed to have expected it, and led people to greet Chen Ping at the gate of Guanghan Palace!

Seeing the Palace Master of Guanghan Palace and many disciples, Binglu, Lan Yingying and others couldn't bear it any longer, so they threw themselves over and cried!

So many sisters have gone out, but now only a few of them are back!

"Mr. Chen, are you okay?"

The master of Guanghan Palace did not care about how many disciples he had died, but asked about Chen Ping with concern!

“I’m fine. I just consumed too much. I’ll be fine after a day of rest.”

Chen Ping smiled slightly and said!

“Okay, I’ll arrange it right away...”

The Palace Master of Guanghan Palace nodded!

The Palace Master of Guanghan Palace arranged for Chen Ping and Binglu to rest!

While Chen Ping was resting, the Palace Master of Guanghan Palace walked into the room!

“Mr. Chen, thanks to you this time, you can keep these things under your control. We have so many pole stones in Guanghan Palace, and it won’t be a problem to develop for hundreds of years.”

The Palace Master of Guanghan Palace handed Chen Ping a storage bag!

Opening the storage bag, I found a lot of fairy grass inside, including a magic stone!

When Chen Ping came to Guanghan Palace, he came for the Heavenly Demon Stone!

“Palace Master, I only need the Heavenly Demon Stone. You can keep these immortal herbs. After all, Guanghan Palace has just started.”

Chen Ping doesn’t want too many things, after all, Guanghan Palace is also difficult!

“Mr. Chen, if you help us find so many pole stones, our Guanghan Palace will not have any difficulties in the future.”

“You’d better accept it. Besides, the head of the Mu family is in seclusion, so Mr. Chen still takes this opportunity to leave. If he waits for the head of the Mu family to come out of seclusion, Mr. Chen may be in danger.”

The Palace Master of Guanghan Palace seems to know what is happening in the polar regions!

“Palace Master, the Mu family won’t cause trouble to your Guanghan Palace, right?”

Chen Ping asked worriedly!

“No, although the Mu family is powerful, I am not a vegetarian. If we really die, the foundation of the Mu family will be destroyed.”

“Don’t worry, Mr. Chen. If you have the chance, I hope you will come to Guanghan Palace.”

The Palace Master of Guanghan Palace said!

“Definitely!” Chen Ping nodded!

“I will personally escort Mr. Chen down the mountain...” Although the Palace Master of Guanghan Palace does not want to leave Chen Ping, for the sake of his safety, it is better to leave as soon as possible!

“Wait a minute, I also have something to give to the palace master!” Chen Ping suddenly remembered something!

“What is it?” The palace owner was full of curiosity!

**A Man Like None Other Chapter 3870**-Chen Ping waved, and a bunch of white fireworks danced on his fingertips!

Seeing the white fireworks, the Palace Master of Guanghan Palace was filled with surprise, but when she got closer, she discovered that the fireworks were emitting an extremely cold aura!

Even she, a person who specializes in practicing ice skills, can’t bear this kind of cold air!

“This...what the hell is this?”

The Palace Master of Guanghan Palace said with a shocked face!

“This is called the Extremely Cold Ice Flame, which is considered a kind of ultimate fire, but it exudes an icy air.”

“As the saying goes, things must reverse themselves at the extreme. The palace master must know that people who freeze to death will feel that their whole body is very hot, and they will not think that they have frozen to death until they die.”

“Actually, this is the situation. Although the extremely cold ice flame is considered a flame, what it emits in the end is an unbearable cold air.”

“This kind of cold air is even more intense than the cold air emitted by the ice-based techniques you practice!”

Chen Ping explained.

“Are you going to give me this extremely cold ice flame?”

The Palace Master of Guanghan Palace was a little excited!

“Not bad!” Chen Ping nodded, and then slowly raised the bunch of extremely cold ice flames into the air, commanding the Palace Master of Guanghan Palace: “Palace Master, this extremely cold ice flame is extremely difficult to absorb and refine. Please try it and see if it can be refined.”

The Palace Master of Guanghan Palace nodded, and then began to emit a breath to wrap around the extremely cold ice flame for refining!

However, after refining for a full hour, the extremely cold ice flame did not change at all. The master of Guanghan Palace had no way to refine the extremely cold ice flame for his own use!

This is still the extremely cold ice flame that Chen Ping has already refined and controlled. If it is the extremely cold ice flame that has not been refined by others, and the master of Guanghan Palace refines it like this, I am afraid that if it is not refined in the end, the body will suffer backlash!

“No, it seems I have no way to refine this extremely cold ice flame!”

The Palace Master of Guanghan Palace wiped the sweat from his forehead and said!

Her eyes were filled with disappointment. She couldn't refine such a good thing!

“If the two of us could fuse, I would just send this extremely cold ice flame directly into your body.”

Chen Ping also frowned slightly and blurted out involuntarily!

The Palace Master of Guanghan Palace blushed and said helplessly: “I am still shouldering the important task of strengthening Guanghan Palace. I cannot cultivate with Mr. Chen. It seems that this extremely cold ice flame is destined not to belong to me.”

Chen Ping pondered for a moment, then asked: “Palace Master, your Guanghan Palace only stipulates that you cannot have double cultivation with male cultivators, but are other intimate contacts allowed?”

The Palace Master of Guanghan Palace was stunned and didn’t understand what Chen Ping meant, but he still shook his head and said: “I didn’t mention any other contact, it’s just that you can’t do double cultivation to break your Zhiyin body.”

“That’s okay, I have a solution!”

Chen Ping said!

“What can I do?” the Palace Master of Guanghan Palace asked curiously!

But as soon as he finished speaking, Chen Ping rushed forward and kissed him!

The extremely cold ice flame was slowly sent into the body of the Palace Master of Guanghan Palace by Chen Ping!

I don’t know how long it took, but the body of the palace master of Guanghan Palace finally had the extremely cold ice flames. Although it was very small, it was slowly growing up. I believe there will be more and more of the extremely cold ice flames in the body of the palace master of Guanghan Palace!

When the two people separated, the palace master of Guanghan Palace did not recover for a long time.

This was her first time to be in such close contact with a man!

“Chen...Mr. Chen, in this case, I...am I considered your woman?”

The Palace Master of Guanghan Palace asked with a blushing face!

Chen Ping was stunned and said with some embarrassment: "Palace Master, don't get me wrong. I just want to let you have the extremely cold ice flame in your body. I really have no other intention."

Chen Ping was speechless, he couldn't kiss her, she was his own woman!

"Oh!" The Palace Master of Guanghan Palace took a deep breath: "Mr. Chen, you should leave as soon as possible. When the head of the Mu family comes out of seclusion, you may be in danger."

"Palace Master, please take care of yourself. I will come to see you when I have the opportunity."

Chen Ping nodded and walked out of the room!
