

[The Man's Decree]

A Man Like None Other Chapter 3881-Another demonic cultivator suddenly slapped his hands on the ground, and chains of black mist quickly moved towards the flame puppet, trying to use the chains to restrain the flame puppet and weaken the flame puppet's ability to move.

However, the black mist chain was burned away by the high temperature the moment it came into contact with the flame puppet, without even the slightest effect.

"Damn, this guy is so awesome..."

Chen Ping was a little stunned when he saw the scene in front of him. He didn't even expect that this puppet was so awesome!

"I didn't expect that Fire Spirit Star Lord's Ultimate Fire Essence is so powerful. When put on this puppet, it would be so powerful."

Demon Lord Chiyun also didn't expect that the puppet driven by Zhihuo Essence was so powerful!

The young man in black robe was stunned at this moment. He had never seen such an awesome puppet before.

Refined puppets like this usually only rely on spiritual stones to drive, and they are just pure power attacks, and there is no way they can achieve any extreme fire!

But this puppet actually has ultimate fire on its body, and it seems that the ultimate fire is still changing, and it is not just one ultimate fire!

Although every attack of the puppet is still a punch, but combined with the extreme fire on the body, this is very uncomfortable!

He didn't understand where Chen Ping got the puppet that would be extremely hot.

Several magic cultivators were timid, but the flame puppet continued to charge forward. It didn't know what fear was at all!

Every attack from the puppet hit the hearts of the demon cultivators like a heavy hammer. They began to panic and their formation gradually became disorganized.

At this moment, these demonic cultivators could only parry and had no ability to fight back. In this chaos, the flame puppet struck out with its fist again, and the blazing flames rushed towards a demonic cultivator like a giant dragon.

The demonic cultivator screamed in horror and tried to escape, but the flames followed him like a shadow and swallowed him whole.

At this time, there were only two demon cultivators left on the battlefield. They looked at each other with horror and despair in their eyes. They knew that they had no chance of winning.

The two demon cultivators looked at the young man in black robe and saw that the young man in black robe had no intention of taking action and did not let them retreat, so the two could only fight desperately. They decided to join forces and use the most powerful forbidden technique to try to fight the flames. The puppets died together.

They muttered words, formed seals with their hands, and a powerful aura began to gather around them.

However, before their forbidden technique was completed, the flame puppet rushed in front of them, and then punched out, and the flames surged towards the two demon cultivators like a torrent.

They had no time to react before they were swallowed up by the flames. Under the light of the fire, their expressions were full of horror and despair, and they eventually turned into two fireballs and disappeared without a trace.

“Brother, you are awesome...”

Chen Ping jumped up excitedly, even happier than he had killed the five demon cultivators himself!

But judging from this battle, the strength of this puppet is enough to reach the eighth level of the Tribulation Realm. Whether it is still higher still needs other battles to see!

But even if he is at the eighth level of the Tribulation Realm, Chen Ping is very happy. This is equivalent to having an eighth-level bodyguard at his side!

Zhe Yan, Jiang Yulian and others were not only shocked but also ashamed at this moment. They were not even as good as a puppet!

The young man in black robe frowned slightly, but he did not feel any sadness because of the dead men!

The reason why he didn't take action was because he wanted to see what level Chen Ping's puppet had reached!

"Now I finally know why the alliance chief used a hundred years of sacrifice to hunt you down."

"It turns out it's not that you are awesome, but that you have an awesome puppet."

"But puppets are dead things after all. Even if you are protected by puppets, I will kill you today!"

After the young man in black robe finished speaking, the aura on his body exploded again!

A Man Like None Other Chapter 3882-"To deal with you, I don't need this precious puppet of mine. This is my little brother. What if you get hurt?"

After Chen Ping finished speaking, he actually put the puppet away!

The young man in black robe seemed a little surprised when he saw that Chen Ping had put away the puppet. After all, Chen Ping was only a fourth-level monk in the Tribulation Realm. Without the help of the puppet, how could he be his opponent!

But now, Chen Ping has indeed put away the puppet and wants to face himself!

"You are too arrogant, but I will let you try to pay the price for your arrogance!"

After the young man in black robe finished speaking, black mist filled his body. The black mist covered the sky and the sun, and seemed to cover the entire Soul Demon Sect!

A ninth-grade monk in the Tribulation Realm is truly extraordinary!

This made both Zhe Yan and Jiang Yulian very worried!

Chen Ping had a sneer on his face, as if he was facing the black fog without any trace of panic!

Seeing that Chen Ping was so calm, the young man in black robe was slightly surprised and said: "Chen Ping, you are brave enough. For your courage, I will tell you my identity so that you know who killed you!"

"No, I don't like to know the names of dead people. Anyway, you will die soon. It doesn't matter whether you know the name or not."

Chen Ping shook his head and said!

Arrogant!

Incomparably arrogant and arrogant!

This is Chen Ping.

These words made the black-robed young man's eyes widen in anger, and the black mist that filled the air became even thicker!

"snort!"

Chen Ping snorted coldly, and a burst of breath suddenly burst out from his body!

The aura exuded by Chen Ping directly shattered the black fog, and the fierce sunlight poured down!

"You are already a dog of the Demon-Sealing Alliance, so there is no need to be arrogant. Even if you are arrogant, haven't you been accepted as a guard dog by the Demon-Sealing Alliance?"

Chen Ping said with a cold smile!

“Ah...I’m going to kill you. Within three moves, I will make sure you die without a burial place.”

The young man in black robe shouted angrily!

“Three moves?” Chen Ping smiled disdainfully: “Even if you take three hundred moves, you still can’t kill me.”

“Huh, let’s give it a try!”

The young man in black robe snorted coldly and started to attack!

Chen Ping waved his hand, and an invisible barrier seemed to form outside the two of them, isolating everything around them. Chen Ping was afraid that the aftermath would affect Zhe Yan and Jiang Yulian.

As soon as the young man in black robe moved, a thick black mist surged around him, spreading quickly like a tide.

The black mist covered the sky and the sun, shrouding the entire area in a deep darkness that even the sun’s rays could not penetrate.

In this darkness, the black mist turned into monsters, roaring continuously, and the roars came one after another, like the roars of evil spirits coming from the depths of hell, which made people shudder.

Faced with the black fog and the siege of countless monsters and illusions, Chen Ping seemed to be aloof and did not show the slightest panic.

Chen Ping took a deep breath, closed his eyes tightly, and then opened them suddenly, with a hot light flashing in his eyes.

The ultimate fire in his body ignited instantly, and the flame was as hot as the sun, illuminating his figure as majestic as the God of War.

The fire shines in the darkness, as if it has become the only source of light in this chaos.

“boom.....”

Chen Ping waved his fists, until the fire burned brightly, turning into two fire dragons writhing in the air.

The fire dragon and the monster beasts collided fiercely, and each impact made a deafening sound, as if even the heaven and earth were shaking.

The firelight and black mist intertwined to form a thrilling picture that was dizzying for everyone.

The firelight illuminated the faces of those around him, their eyes filled with shock and awe.

“This...isn’t this the Demon Clan’s Ultimate Fire? Why is it so powerful!”

Zhe Yan looked at Chen Ping’s ultimate fire, his eyes full of shock, because Chen Ping’s outbreak was not just the demon’s ultimate fire!

A Man Like None Other Chapter 3883-Although this flame contains the aura of the Demon Clan’s Ultimate Fire, it is not entirely the Demon Clan’s Ultimate Fire.

This should be formed by the fusion of several kinds of ultimate fire.

Jiang Yulian also stared in shock: “Mr. Chen is really amazing! He can still survive such an attack with ease!”

“You know, that guy is a ninth-grade great monk in the Tribulation Realm...”

Everyone in the Soul Demon Sect also looked at it in surprise. They wanted to see how a fourth-level monk in the Tribulation Realm could fight against a ninth-level monk in the Tribulation Realm.

At this moment, Chen Ping was shuttled through the black mist, his body burning with fire, and he kept attacking the demonic beasts transformed by the black mist. Each attack was precise and powerful, defeating those demonic beasts one by one.

His movements were as fast as lightning, dizzying, as if even the air was on fire because of his speed.

The young man in black robe seemed to be struggling more and more, his black mist began to become thinner, and the illusion of the monster gradually dissipated.

His face was pale and his eyes were full of shock. He obviously did not expect that Chen Ping would be so powerful and be able to easily take this move from him.

You know, Chen Ping is just a fourth-level monk in the Tribulation Realm, and there is no way he can compare with him!

Finally, after a violent impact, the black mist of the black-robed young man completely dissipated.

Chen Ping stood in the firelight, his figure as tall as a pine tree, with a calm smile on his face.

“This move of yours is not very good either.”

Chen Ping said calmly. Although his voice was not loud, it was full of confidence and domineering.

As soon as he finished speaking, there were exclamations and admirations all around.

“Mr. Chen, you are awesome.”

“Mr. Chen is so awesome, he blocked this first move easily.”

“Mr. Chen hasn’t used his full strength yet, it’s like a child playing house!”

Zhe Yan and the people from the Soul Demon Sect all applauded Chen Ping, just to stimulate the young man in black robe!

“You really have a problem, I underestimated you...”

The eyes of the young man in black robes were full of surprise. He did not expect that Chen Ping, a fourth-level monk in the Tribulation Realm, would show strength far beyond his level!

“You’re not bad. I think highly of you. You are a ninth-level monk in the Tribulation Realm. I feel like you can fight for a while.”

“I didn’t expect you to be such rubbish...”

Chen Ping said mockingly to the young man in black robe!

“Ah...” the young man in black robe roared angrily: “Don’t be complacent, that was just the first move. I was too careless. I didn’t use my full strength, and it was just a warm-up.”

“Next, I will let you see the real magic power, and I will let you die in fear!”

“I hope this time, instead of just talking nonsense and bragging, you can actually show some skills.” Chen Ping said with a faint smile!

The murderous intent rose in the eyes of the young man in black robes, and an unprecedented fierceness flashed in his eyes, as if he was going to pour all his power into this move.

He clenched his hands into fists, and all the strength in his body burst out at this moment, and the black mist that had dissipated crazily condensed again.

The black mist was like an enraged beast, roaring and galloping, turning into billowing black waves, carrying the power of destroying the world and surging towards Chen Ping.

The black wave was as violent as a tsunami, completely submerging Chen Ping in an instant.

The surrounding air seemed to be sucked away by this wave, forming a dead vacuum.

Black waves began to surge unbridled. If it weren’t for the barrier set by Chen Ping, Zhe Yan and the others would have suffered.

In the black wave, there were constant collision sounds, like the roar of mountains colliding!

Rumble...

Rumble...

A huge whirlpool formed in the black mist, seeming to tear everything inside into pieces!

When Zhe Yan, Jiang Yulian and the others saw this scene, they immediately panicked!

A Man Like None Other Chapter 3884-Now Chen Ping is wrapped in a black wave and can't see at all, and he doesn't know whether he is alive or dead. This makes them very anxious!

"Mr. Chen, you must resist!"

Zhe Yan prayed!

However, at this moment, a ray of light emerged stubbornly from the darkness.

At first, the brilliance was like the faint starlight in the night sky, but as Chen Ping's internal energy continued to surge, it became brighter and more dazzling. Finally, it was like the first ray of sunlight before dawn, penetrating the thick darkness. , lighting up the entire sky.

Then Chen Ping's figure appeared. At this time, three different colors of fire surrounded Chen Ping. They were blazing red, mysterious blue and pure white.

Under the control of Chen Ping, these three ultimate fires roared like three giant dragons and rushed towards the black wave of the black-robed young man.

The three-headed fire dragons writhed and bitten in the black wave. Every attack was like thunder, shattering the black wave into pieces.

Under the fierce attack of the fire dragon, the black wave gradually lost its original power and began to disintegrate into pieces of broken black mist.

The black-robed young man's face changed drastically when he saw this. He obviously didn't expect that Chen Ping could break his second move so easily.

"It's rude to come and not reciprocate..."

Chen Ping waved his hand, and the three fire dragons instantly headed towards the young man in black robes!

The black-robed young man's expression became solemn. He took a deep breath and gathered all the remaining black mist in front of him, forming a strong barrier to resist the fire dragon's attack.

However, the power of the fire dragon was too powerful. Even if the young man in black robe tried his best, he could not withstand this fierce attack.

I saw the fire dragon hitting the black mist barrier again and again. Each impact made the barrier tremble violently, as if it might collapse at any time.

The young man in black robe gritted his teeth and tried his best to maintain the stability of the barrier.

But as time went by, he gradually felt powerless. The power of the fire dragon seemed endless, and each attack was more violent than the previous one.

Finally, with a deafening roar, the black mist barrier finally couldn't withstand the fire dragon's attack and shattered.

The fire dragon took the opportunity to break through the barrier and charged straight at the black-robed young man.

The young man in black robe was shocked when he saw this. He hurriedly retreated, but it was too late. The fire dragon opened its huge mouth and spewed out blazing flames, covering the young man in black robe in a sea of fire.

“ah.....”

The young man in black robe screamed, and a white mist suddenly appeared around his body!

This white mist covered the flames and directly extinguished the flames on the body!

Seeing the white mist that suddenly erupted from the body of the young man in black robe, Chen Ping seemed a little surprised!

He didn't expect that this young demon cultivator also knew the art of ice, which surprised Chen Ping!

The flames were extinguished, but the clothes of the young man in black robe were already in tatters, and his body was burning and radiating pain!

The young man in black robe stared at Chen Ping. This time, he could feel that Chen Ping's strength was not weaker than that of him, a ninth-level monk in the Tribulation Realm!

Now he finally understood why the Demon Sealing Alliance used a hundred years of sacrifice to hunt down Chen Ping!

This is simply a pervert. He is only at the fourth level of the Tribulation Realm, but he can explode with strength that is not weaker than the ninth level of the Tribulation Realm!

This kind of perverted monk is probably the only one in the entire heaven and human world!

Looking at Chen Ping in front of him, the young man in black robe began to retreat!

The arrogance and disdain at the beginning have long disappeared now!

He knew that if the fight continued, Chen Ping would not be killed, and he might end up hanging here!

“Chen Ping, I admit that you are very strong, but I underestimated you. There is no need to use the third move.”

“As for today’s matter, just pretend that I have never been here and have never seen you.”

After saying that, the young man in black robe turned and left!

A Man Like None Other Chapter 3885-“Did I let you go?”

The moment the young man in black robe turned around, Chen Ping spoke calmly!

There was an undeniable air of majesty in his tone!

The young man in black robe turned around and looked at Chen Ping: “What? Do you want to kill me?”

“Of course, why can you kill me but I can’t kill you?”

Chen Ping asked rhetorically!

“Hahaha.....”

The young man in black robe laughed: “Chen Ping, don’t think that you can kill me just because you can take two of my moves.”

“There are many people in the world of gods who can kill me, but you are not among them!”

“Yeah?”

Chen Ping’s eyes narrowed slightly, and he suddenly flew up, and his breath began to circulate crazily in his body!

The sky began to change color, and the rolling spiritual energy and fairy energy intertwined to form a violent whirlpool.

Everyone was amazed, they had never seen such a powerful aura.

Chen Ping, who was only in the fourth level of the Tribulation Realm, showed such terrifying strength at this moment.

The young man in black robe was also shocked. He felt the powerful aura emanating from Chen Ping.

He knew that Chen Ping had murderous intentions, but he didn’t expect that Chen Ping had such terrifying power in his body.

“Arrogant!” The young man in black robe roared angrily, and the aura on his body suddenly surged.

He no longer dared to look down upon Chen Ping in the slightest, but regarded him as a real opponent.

However, Chen Ping was not afraid. He took a deep breath and the spiritual energy in his body began to work crazily.

His aura is getting stronger and stronger, as if it is going to swallow up the entire world.

The black hair moved without wind, and the golden stars between his eyebrows shone with intense brilliance. He seemed to be integrated with the heaven and earth, becoming the master of this world.

Chen Ping slowly raised his hand, and his fingers drew a beautiful arc in the air. At this moment, it seemed as if the whole world had stopped, and only his fingers were moving slowly.

“Fairy Finger!”

Chen Ping gave a low shout and pointed his fingertips towards the young man in black robe.

A bright light burst out from Chen Ping’s fingertips and shot straight into the sky.

That light contains endless power and mysterious charm, and seems to be able to destroy all obstacles in front of it.

The face of the young man in black robe changed drastically, and he felt the terrifying power contained in the light.

He tried his best to resist the blow, but found that his strength was so small in front of this light.

“Immortal magic! How is this possible!” The young man in black robe exclaimed, his eyes filled with disbelief.

He never thought that a monk from the world of heaven and earth could master such a powerful magic.

How is this possible?

How could this be?

The young man in black robe simply couldn’t figure out how a mere fourth-level monk in the Tribulation Realm could be capable of immortality!

Moreover, this magic also contains the origin of time, which is outrageous!

With this finger of Chen Ping’s, he was able to control both space and time.

Chen Ping is like the master of this world at this moment!

How could a fourth-level monk in the Tribulation Realm understand the origin of time? How could there be such a terrifying magic?

The young man in black robe thought hard and couldn't figure it out.

The young man in black robe roared, and various auras circulated on his body. The aura in the young man in black robe continued to spurt out, and black energy filled the entire sky.

The young man in black robe worked hard to form a protective barrier in front of himself before the Immortal Finger arrived!

Among these breath barriers, Chen Ping discovered a white cold air, which was the breath that the young man in black robe used to extinguish his own fire just now!

"The original power of ice?"

Chen Ping did not expect that this black-robed young man, a demon cultivator, would actually realize the original power of ice.

You must know that many saints in Guanghai Palace have not understood the origin of ice.

The immortal's fingers landed on the barrier and made a clicking sound!

The barrier formed by the young men in black robes began to slowly break apart!

A Man Like None Other Chapter 3886-Seeing the barrier that was about to be completely broken, the young man in black robe was dumbfounded, his eyes full of fear and helplessness!

Bang!

A loud noise echoed between heaven and earth, and the barrier condensed by the black-robed young man collapsed instantly!

A ray of light directly penetrated into the forehead of the young man in black robe, and the figure of the young man in black robe dissipated in the light.

In the end, he was unable to withstand Chen Ping's blow and was completely eliminated. The young man in black robe still had unwillingness in his eyes until he died!

“Cough cough cough.....”

After the young man in black robe was eliminated, Chen Ping coughed violently.

“Mr. Chen, are you okay?”

Zhe Yan hurried over with Jiang Yulian!

“It’s okay!” Chen Ping waved his hand!

He just used the Immortal Finger a little too much. Although Chen Ping understood the origin of time, the magic of the Immortal Finger still consumes too much energy!

In order to show off, Chen Ping used it once. Even without using Immortal Finger, Chen Ping could still kill the young man in black robe!

“From now on, just kill people. Stop pretending. The time source and immortal energy you have have been used by you.”

Demon Lord Chiyun advised Chen Ping!

Chen Ping was also speechless for a while. When he was in the Wuji Holy Sect, if all the immortal energy and spiritual fluid had been absorbed by him, he would not be like this now!

I almost collapsed after just using my fairy fingers to show off!

“Mr. Chen, what you just used was magic, right? It was so awesome and shocking.”

“I really didn’t expect that you have broken through to the fourth level of the Tribulation Realm in a short period of time, and also understood the origin of time. The most important thing is that you can kill the ninth level monk of the Tribulation Realm now, just like killing a pig or a dog.”

Zhe Yan said to Chen Ping with excitement!

“It’s not as simple as you said. If you want to kill me if you don’t reach the ninth level of the Tribulation Realm, it won’t be that easy.”

Chen Ping said with a faint smile!

Jiang Yulian looked shocked. Although she knew Chen Ping was very powerful, she didn't expect him to be so powerful!

"Mr. Chen, didn't you look for Guanghai Palace? Did you find it?"

Zhe Yan asked!

"I found it and got the Heavenly Demon Stone. If you are going back to Blood Spirit Valley, come and take a look."

"Where is Sect Master Jiang?"

Chen Ping asked!

"Oh, Master, he has gone into seclusion. Now I am responsible for the affairs of the Soul Demon Sect."

Jiang Yulian said!

"Yes, Yu Lian is now the deputy sect leader and manages the entire Soul Demon Sect."

Zhe Yan said!

When Chen Ping heard this, he looked at Zhe Yan and said, "You are a good boy. Now you have become the sect master's dual cultivation partner, and you can have a soft life in the future."

"Hehe..." Zhe Yan chuckled!

Jiang Yulian blushed!

"I wonder what Mr. Chen has to do with my master?" Jiang Yulian asked!

"I have something that I would like your Soul Demon Sect to do for you."

Chen Ping said!

"Please tell me, Mr. Chen, as long as our Soul Demon Sect can do it, we are absolutely bound to do it."

When Jiang Yulian heard that Chen Ping wanted to help, she quickly promised!

Chen Ping told the story of the Mu family's attack on Guanghan Palace, and then said: "I want your Soul Demon Sect to help. Even if you can't resist the Mu family, you can still be in the rear and help some monks who died tragically to reshape themselves. physical body."

Chen Ping knows that the overall strength of the Soul Demon Sect is relatively weak, and they mainly focus on spiritual attacks. Their main thing is to be able to reshape the body of the soul!

As long as there is a battle, casualties cannot be avoided, but if the body is destroyed, as long as the soul escapes, the body can be rebuilt and come back to life!

Therefore, many monks will abandon their physical body at the last moment and let a trace of their soul escape!

It is also very important for the Soul Demon Sect to reshape the bodies of the escaped souls from behind!

"No problem, I will personally take the disciples of the Soul Demon Sect there, and I will also bring a large number of soul flowers. As long as we can help Mr. Chen, our Soul Demon Sect is willing to do our best."

Jiang Yulian nodded and said!

A Man Like None Other Chapter 3887-"Mr. Chen, where exactly is Guanghan Palace? How can we find it?"

Zhe Yan asked!

"You go to Wantong Pavilion and take the airship to Nanjing City. You just need to wait in Nanjing City."

Chen Ping said!

"Nanjing City!" Zhe Yan nodded: "Okay, then we will wait for Mr. Chen in Nanjing City."

Chen Ping did not stay in the Soul Demon Sect for long. Just when he was about to leave, he suddenly remembered something and asked Jiang Yulian:

“I wonder if Sect Master Chen of the five major sects has come here to rebuild his body?”

“I’ve been here, I’ve reshaped my body and left!”

Jiang Yulian said!

Chen Ping nodded and then left!

Chen Ping went directly to the five major sects, and now only Sect Master Luo and Sect Master Chen are left among the five major sects!

Chen Ping arrived at the five major sects and received warm hospitality from Sect Master Chen and Sect Master Luo!

If it weren’t for Chen Ping’s help in the polar regions, the five major sects would have already belonged to Hai Dafu and others!

Especially Sect Master Chen, who has passed away long ago!

“Mr. Chen, it seems that you had an adventure in the polar regions, and your level has been directly upgraded to the fourth level of the Tribulation Realm. I just don’t know what happened to Mr. Chen’s sudden visit to my five major sects?”

Sect Master Luo knew that there must be something going on when Chen Ping came here suddenly!

“I came here first to see how Sect Master Chen is doing and to see if he has recovered.”

Chen Ping didn’t offer to help from the beginning!

“Mr. Chen, thank you for still thinking about me. I have fully recovered. If it weren’t for you, I wouldn’t have been able to get help from the Soul Demon Sect.”

Sect Leader Chen said very gratefully!

“Mr. Chen, besides visiting Sect Master Chen, do you have other things to do? If you need anything from our five major sects, just ask.”

“I promise that our five major sects will go all out, even if we have to go through fire and water.”

“Our lives are all given by Mr. Chen. We still know how to repay the kindness, otherwise we wouldn’t call him an upright person.”

Sect Master Luo knew that Chen Ping was definitely not just here to visit Sect Master Chen!

“Sect Master Luo, I do have one more thing to ask for.”

Chen Ping calmly told the story of the Mu family’s dealings with Guanghai Palace!

The Mu family is huge and not weak in strength. If they really attack Guanghai Palace, it will be difficult for Guanghai Palace to withstand it!

After all, Guanghai Palace has just started, and all the disciples are still weak and cannot withstand the attack of the Mu family!

“No problem. With just one word from Mr. Chen, our five major sects will fight tooth and nail.”

“I will take my disciples to set off now and wait for Mr. Chen’s dispatch in Nanjing City.”

Sect Master Luo agreed without any hesitation!

“Thank you very much, Sect Master Luo.”

Chen Ping was very moved. After all, no one likes to do something like this that could lead to death at any time!

“Mr. Chen, you’re welcome. This is what I should do.”

Sect Leader Luo said!

Chen Ping only stayed in the five major sects for a while and then left!

He still wants to contact more people. This time, Chen Ping has worked hard for Guanghai Palace!

He has never gathered so many people!

Chen Ping left the five major sects and went directly to the Sheng family.

The Sheng family's magic talismans are also very famous in the entire Southern Territory. These things may not be of much use in a solo fight!

But if it's a large-scale battle, this magic talisman can be of great use!

When Sheng Bushi saw Chen Ping, he was very surprised and excited!

Especially Sheng Jiahui, she thought she would never see Chen Ping again after that night!

Chen Ping wanted to talk to Sheng Bushi about the situation, but he didn't want Sheng Bushi to directly pull Chen Ping up and said: "Mr. Chen, you came just in time. After that night, my little girl's stomach didn't move at all, so you should help her! "

After saying that, Sheng Bushi left, leaving only Sheng Jiahui and Chen Ping in the room!

Chen Ping was also speechless. They just met and...

Why.....

Whoever wants to ask for help from others, do it!

A Man Like None Other Chapter 3888-More than an hour later, Chen Ping opened the door sweating profusely!

Only to find Sheng Bushi waiting at the door with a smile!

"Mr. Chen, I'm tired. If you need anything, just ask me!"

After Sheng Bushi finished speaking, he did not forget to look into the room!

I found Sheng Jiahui lying on the bed, seemingly unable to get up!

He felt even happier!

"Master Sheng, I really have something to ask of you!"

Chen Ping told Sheng Bushi about the Guanghan Palace!

After listening to Chen Ping's words, Sheng Bushi said without hesitation: "No problem, I will take the children of the Sheng family to Nanju City right away. Although our Sheng family's overall strength is weak, we can draw more formation talismans, and It can help."

"Thank you very much, Master Sheng!"

Chen Ping said very gratefully!

"Mr. Chen, I should be the one thanking you." Sheng Bushi said with a smile!

Chen Ping knew what Sheng Bushi meant, so he could only smile awkwardly!

"Father, I'm going too..."

At this time, Sheng Jiahui, who was lying on the bed, said!

"If you don't go, just stay at home and raise the baby."

Sheng Bushi immediately retorted.

Chen Ping was speechless for a while after hearing this. When did it come to this and why did he have a baby?

"Father, how do you know that you will definitely get pregnant this time?"

Sheng Jiahui asked separately!

At this time, Sheng Bushi was stunned. He didn't know whether he would succeed this time!

Seeing that Sheng Bushi remained silent, Sheng Jiahui took advantage of the victory and pursued her: "I will go with you this time, and I can stay with Chen Ping for a few more days, so the chances will be higher."

"That makes sense, then just go with it!"

Sheng Bushi nodded and said!

Chen Ping was completely confused as he listened to the conversation between father and daughter, and could only leave in a hurry!

He was afraid that he would be left alone and treat himself like a stallion!

After leaving the Sheng family, Chen Ping returned directly to the Blood Spirit Valley!

Seeing Chen Ping returning, whether it was Devil Shan Gui Lao, Luo Shouhai or others, they were all very excited!

Especially Bai Qian and Huo Feng, they jumped directly into Chen Ping's arms, completely ignoring the people beside them!

It can be seen that they really miss Chen Ping!

"Mr. Chen, it seems that you have gained a lot from your search for the Heavenly Demon Stone this time. You have reached the fourth level of the Tribulation Realm, and your aura is much stronger."

Luo Shouhai looked at Chen Ping and said in shock!

"There is still some gain, but not much!"

Chen Ping felt heartbroken when he heard the immortal energy and spiritual liquid in Wuji Holy Sect!

"Mr. Chen, didn't you find the magic stone?"

Demon Mountain Ghost asked!

These are used to reshape Feng Mo's body. Without the Heavenly Demon Stone, it would be difficult for Feng Mo to reshape his body!

"Found it. I've notified Senior Feng Mo on the way. I think he will arrive in a day or two."

Chen Ping said!

"It's great. When the Wind Demon Ancestor reshapes his body, the situation in the entire world of heaven and humans will also change."

Devil Mountain Ghost is very excited!

“Don’t be too happy too early. It’s still unknown when Senior Feng Mo will be able to successfully reshape his physical body after receiving the Heavenly Demon Stone.”

“Right now I need you all to be ready to follow me to Nanjing City at any time.”

Chen Ping said!

Chen Ping doesn’t have to be polite to the Devil Mountain Ghost and the others, after all, they are already very familiar with them!

“Nanjin City?” Luo Shouhai was stunned: “Mr. Chen, that is the southernmost point of the entire Southern Territory. I wonder what Mr. Chen is doing in Nanjin City?”

Chen Ping recounted his experience in Guanghan Palace, and also told about the Mu family’s plan to attack Guanghan Palace!

When they heard that they were going to fight with Chen Ping, everyone was very excited!

“Mr. Chen, when are you going to set out? Just say a word and I will gather the disciples right away.”

Luo Shouhai said!

“Okay, what about Palace Master Song of the Soulless Palace?”

Chen Ping asked!

A Man Like None Other Chapter 3889-“Then Song Changhai took the Soulless Palace to the Blood Spirit Peak. The Blood Spirit Peak is now empty, which is just suitable for the development of the Soulless Palace.”

“I will send someone to notify Song Changhai immediately.”

Luo Shouhai said!

“Yes!” Chen Ping nodded!

“Okay, I’ve said all that needs to be said. We haven’t talked for many days. Come with me to talk.”

Bai Qian seemed to be unable to wait any longer and stepped forward to pull Chen Ping into the room!

“Yes, I haven’t seen the master for a long time. If the master can make us happy, I can also call the Lion King of the Beast Tribe.”

Huofeng also stepped forward, took Chen Ping’s other arm and said!

When Chen Ping saw this, he could only smile helplessly.

“Well, you fire phoenix, you have learned to bargain with the master, then I will let you be honest for a while.”

Chen Ping followed Huo Feng and Bai Qian into the room!

This is a day and a night!

Ji Yun was so anxious outside, for fear that Chen Ping would become a human and do it!

It wasn’t until Feng Mo came that Chen Ping was called out from the room!

Chen Ping was in high spirits and seemed not tired at all!

However, Huo Feng and Bai Qian looked like they hadn’t had a good rest!

He handed the Heavenly Demon Stone to Feng Mo, and Feng Mo left without staying too long!

I guess I need to find a place to retreat and recover my body!

Song Tianhai also came, and brought many disciples from the Soulless Palace with him!

Chen Ping asked Huofeng to contact Lion King and others immediately!

When Huofeng came forward, the Three Sovereigns and Four Kings of the Beast Clan came running over without any delay!

Chen Ping saw that everyone was here, so he asked Ji Yun to take out the airship. With so many people, it would be more appropriate to make an airship!

Although the target of the airship is too big, there are so many of them, so there won't be any problems!

The most important thing is that Chen Ping needs to hurry up. If the Mu family launches an attack on Guanghai Palace before he rushes back, there will be trouble!

Everyone boarded the airship one after another, except for the necessary left-behind personnel, everyone boarded the airship!

Although these people all know that there will be dangers here, no one is afraid!

The airship slowly took off and headed towards Nanju City!

Many people were riding an airship for the first time, and they were all very excited. They looked at the scenery outside through the portholes and chatted happily!

Humans, beasts, and demons are enjoying themselves in this airship right now!

In fact, this is also the result Chen Ping wants!

Don't differentiate between races, it's best to live in peace!

You can also communicate and learn from each other!

Just when the airship was flying over Tianmo Mountain, there was a sudden meal!

Buzz!

A buzzing sound sounded without warning, and then a white light shield turned the entire airship upside down, preventing the airship from moving forward!

The airship began to continuously lower its height and slowly fell, and the light shield also continued to shrink!

“What’s happening here?”

Ji Yun was a little at a loss. He had never encountered such a thing before while driving an airship!

Everyone else was also nervous and ready to fight!

The airship was forced to fall to the ground!

Swish swish swish.....

Suddenly, four figures appeared and surrounded the airship from all four directions!

I saw these four people, wearing different clothes and shapes, three men and one woman!

“I opened this road and planted this tree. If you want to cross here, leave money to buy the road!”

The woman among them spoke!

I saw that the woman’s fingers were very long, and her eyes were fiery red!

Listening to the woman’s voice, Chen Ping was speechless for a while!

Even everyone in the airship was confused. They didn’t understand why the Demonic Mountain came out to rob Dao?

“Hahaha, no one has passed through our territory in the past few years. I didn’t expect to catch a blind one today.”

An old man with gray hair, holding a cane in his hand, said excitedly!

“No, there are still people who don’t know the territory of our four famous hunters and dare to pass through here!”

“I really hope that there are some girls in this airship who can eat some meat for us. I’m tired of facing the flame girl all day long.”

A burly man licked his lips and said!

A Man Like None Other Chapter 3890-"Bah, you bad guy, I don't want to see you."

The flame girl spat at the big man!

At this moment, the young man standing in the way held a folding fan in his hand and slowly shook it: "Okay, stop arguing, the prey will laugh at our four famous hunters later."

Chen Ping and the others found it interesting listening to the noise of several people outside the airship.

"How did we get past these four guys..."

Song Tianhai spoke at this moment!

"Palace Master Song, do you know these four people?"

Chen Ping asked!

"These four guys are all demon cultivators, and they are also insane. They are the kings of the Tianmo Mountain and have always been called the Four Famous Catchers."

"It means there is no one that the four of them cannot deal with, and there is no one that the four of them cannot catch."

"To avoid unnecessary trouble, many people will not pass through the territory of these four guys."

Song Tianhai said with a look of disgust!

"Neuropathy?"

Chen Ping couldn't help but smile.

It was obvious that Song Tianhai was deliberately mocking these four people. Just relying on the formation just now to force the airship to a stop proved that the four guys were quite capable!

"I'll go down and meet these four lunatics!"

Chen Ping said, and was about to get off the airship!

“Mr. Chen, we will go with you!”

Luo Shouhai and Devil Mountain Ghost Elder said!

“No, the four of them can’t do anything to me. If I’m really no match for the four of them, you can go out in time!”

After Chen Ping finished speaking, he opened the door and walked out!

When they saw that it was just a fourth-level monk in the Tribulation Realm stepping out of the airship, the four of them became even more arrogant!

“Boy, are you the only one in the airship?”

Seeing Chen Ping walking down, the rough man asked!

“You’re a rude fellow, scaring the little brother.”

Yan Nu glared at the rough man, then approached Chen Ping with a smile on her face and said, “Don’t be afraid, little brother, my sister will protect you. Tell your sister, who else is in the airship?”

“I’m the only one in the airship...”

Chen Ping said!

“You fart, how can such a big airship be possible, just you?”

The old man also yelled!

“I believe that it doesn’t matter even if the little brother is alone.”

The flame girl twisted her body and kept ogling Chen Ping: “After a while, you have a good time with my sister, and then my sister will let you go.”

Seeing the look of the flame girl, Bai Qian and Huo Feng on the airship were pissed to death!

“Bitch, so fucking bitch!”

Huo Feng cursed angrily!

“I’m going to go down and kill her. It’s so fucking embarrassing to see her posing.”

Bai Qian also cursed.

“How can my sister protect me?”

Chen Ping looked at the flame girl and asked!

“Of course this is it!”

I saw a flame shooting out of the flame girl’s eyes instantly, and the flames danced on the fingertips of the flame girl, like an elf!

“Playing with fire? I wish I could!”

Chen Ping snapped his fingers, and a ball of orchid flames rose up!

Soon, the flames turned into red eyes, and then white again!

It changed several colors in a row, which shocked the flame girl!

“You...how do you know the ultimate fire?”

Yan Nu looked at Chen Ping in disbelief and asked!

“I don’t know how I understand.”

Chen Ping smiled naively!

“Yan Nu, what are you talking to him about? Let him take out all the valuables and then open the airship for us to inspect.”

The rough man said impatiently!

Yan Nu stared at Chen Ping, and suddenly a flame swung towards Chen Ping!

The flame dragged a long stream of light and went straight to Chen Pingping’s door!

Yan Nu knew that Chen Ping's transformation into fire just now was completely obvious. Chen Ping was not as harmless as he seemed on the surface!

It is extraordinary that a fourth-level monk in the Tribulation Realm possesses several kinds of ultimate fire!
