

[The Man Decree] A Man Like None Other

A Man Like None Other Chapter 3901-Later, hundreds of monks fought hard against the big devil and finally killed the big devil.

Time flies, and everyone has long forgotten about the big devil!

But now, Mu Qing has actually used the big devil's technique!

"This boy's magic skills are very much like those inherited from ancient times."

Demon Lord Chiyun said to Chen Ping!

"Ancient inheritance?" Chen Ping was a little confused!

He didn't expect that Mu Qing was so powerful!

"You don't need to be too afraid. This guy's magic power has not yet reached the point where it perfectly matches the mind and magic. It just has a bit of ancient inheritance. Maybe I guessed wrong."

Demon Lord Chiyun might be afraid that Chen Ping would be timid, so he said!

"Understood!"

Chen Ping nodded and looked at the huge pythons in the sky, which kept enlarging in front of his eyes!

Chen Ping raised his hand and grabbed the void!

In the void, a fire cloud unexpectedly appeared, and in the fire cloud, three kinds of ultimate fires were burning!

Whoosh whoosh!

Immediately afterwards, the ultimate fire in the fire cloud fell like a meteorite!

Groups of fireballs kept hitting those giant pythons!

Seeing Chen Ping's methods, everyone exclaimed!

The methods used by those at the fourth level of the Tribulation Realm shocked even the monks who were at the seventh or eighth level of the Tribulation Realm!

Butler Liu frowned slightly after seeing the methods used by Chen Ping!

Although he knew that both Mu Kui and Mu Nayi were killed by Chen Ping, he had never seen the real methods used by Chen Ping!

Now that he saw Chen Ping, a fourth-level Tribulation Realm master, using a casual technique, this made Butler Liu, who was originally confident, a little worried!

At this moment, two colors appeared in the sky, the black python followed by the red flames!

A stream of flames hit the giant python, making a rumbling sound!

Giant pythons were hit one after another, and then turned into pieces of black mist!

Zhihuo followed the giant python, fighting in mid-air!

They are all consuming each other's energy!

Then amidst deafening sounds, the black fog slowly dissipated, and the fire cloud also subsided!

Calm has returned to the sky!

At this moment, only Chen Ping and Mu Qing were floating in the air, looking at each other!

Neither side took advantage of this move at all!

However, Mu Qing was not too surprised. He just felt a little regretful and said, "You do have some strength. I'm really afraid of killing you with one move. That wouldn't be fun!"

In Mu Qing's eyes, he did not regard Chen Ping as an opponent, but as prey!

He just wants to play with Chen Ping now!

In that move just now, Mu Qing did not use his full strength!

"If that's all you have, I advise you to apologize and go back to the Mu family."

"What you are capable of, let alone your aunt, you are not even as good as your eldest brother."

"At least I used a few moves when I killed them."

“Especially your aunt, who was beaten until all her clothes were lost, and she hit me naked.”

“Hey...it’s hard to explain in words!”

Chen Ping had a bit of a sneer on his face, deliberately irritating Mu Qing!

Because only if Mu Qing is angered will he reveal his full strength inadvertently, so Chen Ping can take precautions early!

After listening to Chen Ping’s words, Mu Qing’s eyes showed a bit of anger!

But the anger was only fleeting.

“You don’t have to deliberately provoke me. In our Mu family, women cooperate with men in dual cultivation. It doesn’t matter if they take off their clothes.”

Mu Qing suppressed the anger in his heart!

He knew that Chen Ping said this on purpose, in order to anger him and make him reveal his true strength!

“What’s the difference between your Mu family and animals like this?”

Chen Ping sneered and said!

Mu Qing had a cold face, murderous intent in his eyes, and suddenly raised his hand!

Above Mu Qing’s head, a black mist rose into the sky, and then the black mist spread into a huge black net!

A Man Like None Other Chapter 3902-In the black mist, countless flying swords also appeared!

Following Mu Qing’s finger, black mist enveloped countless flying swords and headed towards Chen Ping!

This time the giant net dropped from the sky was even more powerful than the previous move!

On the countless flying swords, light flashes!

The entire black network enveloped Chen Ping, leaving Chen Ping with no place to hide!

Chen Ping has no way to escape except to escape!

In just the blink of an eye, Chen Ping was wrapped up in the black net!

At the moment when the black net was wrapped, Chen Ping's indestructible golden body was activated, the sky was filled with golden light flashing, and golden scales covered Chen Ping's whole body!

Ding ding, ding, ding, ding...

A black net enveloped Chen Ping, followed by bursts of metal collision sounds!

But no one can clearly see what's happening on the dark web!

"Mr. Chen..."

"Owner....."

Seeing this scene, the Palace Master of Guanghan Palace, Huo Feng and others were all ready to rescue Chen Ping!

When Manager Liu saw this, he and everyone in the Mu family were ready at any time!

As long as the Palace Master of Guanghan Palace and the others dare to take action, they will do so without hesitation!

By that time, a big war and a fierce battle will be inevitable!

In the black network, there is a deafening sound!

In front of the gate of Guanghan Palace, there was even more chaos, and the scattered aftermath caused the rocks to shatter into pieces!

Mu Qing sneered and looked at everything in front of him with disdain in his eyes: "It's your fate to die under my divine net!"

In his opinion, Chen Ping should definitely die!

"Do it..."

The master of Guanghan Palace saw that Chen Ping could not escape from the black net, so he ordered everyone to rescue him!

"It's just a broken net, but you still want to hurt me!"

Just when everyone was about to take action, Chen Ping's voice suddenly came from the black network!

Then a golden light broke through the black fog, and the golden light shot straight into the sky!

Chen Ping's figure slowly emerged from the black net.

Chen Ping's whole body was exuding golden light, and around Chen Ping, it seemed that he could vaguely see a bell hanging on Chen Ping!

"this....."

Mu Qing frowned, looking very surprised!

When the Palace Master of Guanghai Palace and others saw this, they were all ecstatic.

"I don't believe it!"

Mu Qing shot out both palms, and the flying sword in the black net flew towards Chen Ping like a meteor!

Dang Dang Dang.....

The flying swords hit all around Chen Ping, but they were all blocked by the flashing golden bell!

Mu Qing's attack did not hurt Chen Ping at all!

But Chen Ping's palm suddenly pressed down!

"Thunder Palm..."

A huge palm appeared, and in the palm, there was lightning and thunder!

The thunder palm and the source of thunder and lightning are extremely powerful!

Seeing this, Mu Qing waved his hands and used the black net to rush forward, trying to block Chen Ping's palm!

But the Thunder Palm fell from the sky and instantly shattered the black net!

"Awesome, Mr. Chen is awesome!"

"What kind of palm technique is this? Is it the palm of Tathagata?"

“That’s awesome. Under this palm, Mu Qing is worse than an ant!”

Everyone cheered. Although they had all been favored by Chen Ping, not many of them had actually seen him take action with all his strength!

Many people have never seen Chen Ping use such terrifying methods!

Mu Qing’s expression became solemn for the first time. Facing the Thunder Palm, he felt pressure and threat!

Black mist filled Mu Qing’s body again, and he suddenly waved his hand. The endless black mist solidified into a huge fist and blasted towards Chen Ping’s Thunder Palm!

This time, it’s a collision of two people’s powers!

boom!

The fists and palm prints collided fiercely!

After the huge sound, turbulence flew everywhere, and a dark crack briefly appeared in the void!

Everyone around them ducked backwards to avoid being hurt by the terrifying aftermath!

When the aftermath cleared, Chen Ping and Mu Qing looked at each other again!

This move is equally matched again!

A Man Like None Other Chapter 3903-Seeing such a scene, everyone began to worry. If Mu Qing lowers his level and can follow Chen Ping on an equal footing, then Chen Ping will definitely lose!

Now everyone just hopes that Chen Ping will not fail, especially women like Huo Feng, Bai Qian and Sheng Jiahui, their hearts are in their throats!

If something happens to Chen Ping, they may not even have the courage to live!

“This Mu Qing is really awesome. He deliberately lowered his level and is still on par with Mr. Chen!”

“The dignified young master of the Mu family actually learns magic skills. It seems that the Mu family’s own skills are not that good either!”

Everyone was talking quietly!

Chen Ping's performance was very strong, but Mu Qing's performance was also good!

Compared with his eldest brother Mu Kui, he is much stronger!

Moreover, Mu Qing is also capable of ancient magic skills. If he stops suppressing the state for a while, how can Chen Ping cope with it?

Mu Qing looked at Chen Ping and said calmly: "You are indeed proud to have such strength, but it's a pity that your background is not good, you are obviously just a casual cultivator!"

Mu Qing admires Chen Ping's strength, but in his eyes Chen Ping is just a casual cultivator and there is no way he can compare with him!

Little does this guy know that Chen Ping's background is a thousand, ten thousand, or even hundreds of thousands times more noble than his!

When it comes to strength, the strength of the first-level Mahayana realm is indeed a bit difficult for Chen Ping to deal with!

But when it comes to family background, I'm afraid there are few who can compare to Chen Ping!

It's just that Chen Ping doesn't want to compete with him!

"No matter in terms of strength or background, you are not worthy to compare with me. You are nothing."

Chen Ping snorted coldly, and all the auras in his body began to circulate crazily!

The sky suddenly changed color, and the billowing breath made a sound like a dragon's roar!

Everyone looked at Chen Ping and knew that Chen Ping was about to explode!

Today's battle is probably a life and death battle!

"Hmph, arrogant guy!"

Mu Qing snorted coldly, and his body instantly roared!

Then he raised his arms, and his realm instantly rose from the seventh level of the Tribulation Realm to the eighth level!

It can be seen that Mu Qing also knows that suppressing the seventh-level cultivation of the Tribulation Realm will not be able to do anything to Chen Ping!

Not even if he has ancient magic powers!

That's why I raised my level and wanted to defeat Chen Ping instantly!

The seventh level of the Tribulation Realm can make Chen Ping tired of dealing with it. In his opinion, the cultivation of the eighth level of the Tribulation Realm is enough to make Chen Ping lose!

Looking at Mu Qing who had improved his level, Chen Ping's eyes narrowed slightly!

He knows that this guy's cultivation level is definitely more than that, it must be higher!

But Chen Ping is not in a hurry, he will force out Mu Qing's full strength little by little!

Then Mu Qing suppressed his realm and did not use all his strength. Who can know whether Chen Ping used all his strength?

Now both Chen Ping and Mu Qing are testing each other's true strength!

"The eighth level of the Tribulation Realm is just mediocre in my eyes!"

Chen Ping snorted coldly, and the aura in his body seemed to have reached its peak!

The whole body was shining with golden light, and the dragon crystal on the chest also began to shine with intense brilliance!

And in Chen Ping's body, the immortal energy is flowing!

In the origin space, all the origin stars are shining with light, and all kinds of origin powers are constantly gathering!

Chen Ping suddenly raised his hand, and there was an indescribable sense of rhyme, as Chen Ping's arm slowly raised!

The flow of time between heaven and earth seems to have slowed down a lot!

Countless spiritual energy gathered towards Chen Ping. At this moment, Chen Ping himself was like a huge whirlpool!

All kinds of power were absorbed by Chen Ping, this huge vortex!

Chen Ping wrapped his arms around the spiritual light, and then punched Mu Qing!

“Holy Light Fist...”

Chen Ping used the Holy Light Fist!

No matter what kind of strength Mu Qing is, Chen Ping knows that he cannot defeat him!

If he fails, the consequences will not only be his own death, but also the entire Guanghai Palace in danger!

A Man Like None Other Chapter 3904-There are also the sects and aristocratic families that he summoned. If he loses and dies, these sects and aristocratic families will inevitably be liquidated by the Mu family!

Therefore, Chen Ping cannot be defeated!

No matter what kind of strength Mu Qing is, he cannot be defeated!

The Holy Light Fist comes out!

All kinds of sources in Chen Ping’s body are running crazily, especially the source of time, which is brought into full play by Chen Ping!

Between heaven and earth, countless original auras filled Chen Ping’s body crazily!

The power of the divine dragon, the power of the origin, and even the power of the three clans emitted thousands of rays of light around Chen Ping, making Chen Ping feel like a god descending to earth!

The Holy Light Fist was swung out, seemingly plain and simple!

But it contains all kinds of power in Chen Ping’s body, and even has the charm of the great road of heaven and earth!

And a void formed around Chen Ping!

“Magic power?”

Mu Qing’s eyes were filled with disbelief. He didn’t expect Chen Ping to know magic skills?

You know, he has never felt a trace of demonic energy in Chen Ping. How did Chen Ping know the demonic power?

Just when Mu Qing was in disbelief, the Holy Light Fist was already in front of him!

The huge fist mark continued to enlarge in Mu Qing's pupils!

The speed was so fast that Mu Qing had no room to fight back!

There was an uproar in Mu Qing's heart. He never thought that Chen Ping was hiding it and didn't use all his strength just now!

In his eyes, Chen Ping should be an ant!

They are just ants at the fourth level of the Tribulation Realm!

But now, the ants in his eyes have actually used magic skills, and their power seems to be no less than his!

This kind of magic power is extremely difficult to master. Only the big devil has this kind of magic power!

But Chen Ping, who is in the fourth level of the Tribulation Realm and is also a casual cultivator, actually possesses magic skills!

So what does the ancient magic skill that he practiced through hardships and away from home for many years count now?

“ah.....”

Mu Qing roared unwillingly.

Chen Ping's Holy Light Fist is enough to threaten Mu Qing!

Along with Mu Qing's huge roar, the black energy in his body filled the air. In the black mist, a terrifying human face appeared, standing in front of Mu Qing with its teeth and claws spread out!

boom!

The Holy Light Fist bombarded the terrifying face, and the breath penetrated the black mist and continuously bombarded Mu Qing's body!

Seeing the face condensed with black energy, there is no way to block the Holy Light Fist!

Mu Qing gritted his teeth, even the breath that penetrated made Mu Qing feel waves of fear!

If this punch hits him, he knows he will die!

The power of Chen Ping's Holy Light Fist has exceeded his imagination!

"Huh, I'm more than that!"

Mu Qing roared, and the aura on his body exploded again, breaking through in an instant!

The aura of the first-level Mahayana realm erupted, surging like a raging sea tide!

After Mu Qing felt the power of Chen Ping's punch, he decided not to show off anymore!

All his strength exploded in an instant!

Just as the aura of the first-level Mahayana realm erupted, the power of the Holy Light Fist was instantly defeated and dissipated!

The thick black mist formed a defense, and the Holy Light Fist bombarded it, causing the aura to shatter and dissipate without a trace!

The world has returned to normal!

Chen Ping's punch, which he concentrated all his strength on, just dissipated!

Everyone looked at Mu Qing in horror. The aura erupting from the Mahayana realm was no longer comparable to that of the Tribulation Realm!

The crossing of this big realm is like crossing a chasm!

The improvement in strength also increases exponentially!

At this moment, the eyes of everyone looking at Mu Qing were full of complexity and fear!

When Chen Ping saw Mu Qing's burst of strength at the first level of the Mahayana realm, he actually laughed!

Manager Liu frowned, shook his head slightly and said, "Second Young Master is too impatient. Why did he reveal his true strength so quickly?"

A Man Like None Other Chapter 3905-Manager Liu saw that Chen Ping wanted this effect, to bring out Mu Qing's true strength!

The punch just now seemed terrifying, but in fact it didn't have much power. More importantly, it was just a shock in the heart!

As a bystander, Mr. Liu can see it!

But Mu Qing was on the scene and was plotted by Chen Ping!

The Holy Light Fist contained the source of illusion. Mu Qing was unknowingly fascinated by Chen Ping!

If you simply use illusions, Mu Qing will definitely see through it!

So Chen Ping used the source of illusion to confuse Mu Qing's mind, and the Holy Light Fist was indeed powerful!

This made Mu Qing believe it was true and directly exposed all his strength!

"First-level Mahayana realm, this is all your strength, right? With this strength, you are still bragging to me."

Chen Ping had a sneer on his face and his eyes were filled with contempt!

Knowing that Mu Qing was at the first level of the Mahayana Realm, Chen Ping felt much more relaxed and there was not much pressure anymore!

Otherwise, you will always be under pressure and it will be easy for you to reveal your flaws during a fight!

"Hmph, a first-level Mahayana realm is not something you, a young monk of the fourth level of the Tribulation Realm, can compete with."

At this moment, Mu Qing also knew that he had been fooled, and said with anger in his eyes!

"How do you know that I am at the fourth level of the Tribulation Realm? I only used half of my strength."

"Your aunt, who is at the peak of the Tribulation Realm, used the Mu family's secret method to forcibly rise to the first level of the Mahayana Realm. Isn't she trampled under my feet like a dead dog?"

"You, a first-level Mahayana realm, will also suffer the same fate, but if you take the initiative to admit defeat now and get under my crotch, I may be able to spare you from death, as long as you stay as my slave for five hundred years."

Chen Ping directly responded with what Mu Qing just said!

Now that Mu Qing's strength has been fully exposed, Mu Qing still doesn't know what Chen Ping's strength is!

Especially what Chen Ping said just now, making it so easy to kill Mu Naiyi, made Mu Qing a little unsure!

When everyone saw Mu Qing like that, they all laughed!

Mu Qing was so awesome just now, but now he was slapped in the face!

The laughter of the crowd also put pressure on Mu Qing. This was considered psychological warfare!

It has to be said that the Palace Master of Guanghan Palace and Master Luo Valley both know how to fight psychologically!

Mu Qing's anger was ignited!

"Boy, stop pretending, your strength is nothing more than this, I will definitely kill you!"

Mu Qing roared.

Everyone laughed, Chen Ping mocked, this was a slap in the face in public!

In front of hundreds of people from the Mu family, he was slapped in the face like crazy!

This is the single fight he requested. If Chen Ping cannot be defeated and killed!

Then his face will be completely disgraced!

Mu Qing clenched his fists tightly with both hands, and fire could spurt out of his eyes!

"Besides being able to brag, if you have any real skills, just use them."

Chen Ping was still sarcastic towards Mu Qing!

"I'll let you know if I'm bragging!"

"You succeeded in irritating me, and I will make you pay, including these laughing people!"

Veins bulged on Mu Qing's face. Now he not only wanted to kill Chen Ping, he even wanted to kill these people who were laughing!

He will kill anyone who mocks him!

Proves that this guy Mu Qing has really lost his mind!

The black energy in Mu Qing's body surged, and the black light flickered, and then his body rushed towards Chen Ping like a shooting star!

This time, Mu Qing unleashed all his strength!

He has been humiliated to this point, what else can he hide?

He only has one thought now, and that is to kill Chen Ping!

Kill them all!

When Chen Ping saw this, he also put away his contempt. The indestructible golden body shone with light, and the three ultimate fires continued to flow around the body!

A golden dragon roared out from behind, constantly surrounding Chen Ping's back!

Chen Ping will verbally despise Mu Qing, but he will not really underestimate this guy!

A Man Like None Other Chapter 3906-Mu Qing's body slowly submerged in the black mist, and the whole world became dark!

The black aura overwhelmed Chen Ping from all directions!

In the face of the violent black energy, the golden light on Chen Ping's body kept flickering, like an erratic candlelight in the apocalypse!

The golden dragon kept roaring, seeming to push back the surrounding darkness!

So everyone watched nervously. At this moment, they could no longer see the figures of Chen Ping and Mu Qing, and they couldn't even feel their auras!

The black mist directly isolated the space where Chen Ping and Mu Qing were, forming a separate space world!

Chen Ping raised his hand, and the Divine King's Bow appeared in his hand. Then he pulled the Divine King's Bow, and an arrow feather appeared on the Divine King's Bow!

Chen Ping used the Divine King Bow, but he didn't dare to be careless. After all, Mu Qing also used all his strength!

"Hmph, it's just a broken bow, what do you want to do to me..."

Mu Qing snorted coldly, his eyes filled with murderous intent, and screams echoed around the black mist!

Chen Ping couldn't help but feel ecstatic when he saw that this Mu Qing didn't even know God King Gong!

Now that he is using the God-King Bow, no one outside can see it, so it will not be revealed that he has the God-King Bow!

And even if Mu Qing knew it, he didn't know about the God King Bow he was holding, so Chen Ping didn't have to worry about it!

While Chen Ping pulled the God King's bow, the Dragon Pattern Bell was spinning above Chen Ping's head, blocking incoming attacks for Chen Ping at any time!

If Zhongli, the sword spirit of the Dragon Sword, had not been injured, the Dragon Sword would have been Chen Ping's most proud weapon!

Now that Chen Ping's Dragon-Slaying Sword does not have the blessing of the sword spirit Zhongli, it can only be regarded as an ordinary magic weapon!

Therefore, when Chen Ping encountered a powerful enemy, he could only use the Divine King Bow. However, the Divine King Bow could not be used in public, which made Chen Ping very depressed!

Chen Ping pulled the God King's bow, and the condensed arrow feathers burned with flames!

Whoosh!

As soon as Chen Ping let go, the arrow feathers came out and turned into thousands of arrow lights in mid-air.

At the same time, Chen Ping followed closely behind and headed towards Mu Qing!

When Mu Qing saw that he had shown his full strength and Chen Ping dared to fight with him instead of running away, he couldn't help but laugh evilly and said: "Chen Ping, is this your full strength?"

After Mu Qing finished speaking, he instantly turned into a black mist and headed towards Chen Ping. Accompanying Mu Qing were countless ghosts transformed from the black mist, all attacking together with their fangs and claws.

It was obvious that Mu Qing was going to fight Chen Ping head-on!

With the strength of a first-level Mahayana realm, it would be too embarrassing to fight with a fourth-level monk in the Tribulation Realm and still need to dodge!

boom!

Thousands of arrows collided with countless ghosts!

One by one, the fierce ghosts roared and were defeated, and the arrows disappeared in the darkness!

The golden dragon above Chen Ping also kept roaring and spitting out streams of flames, engulfing the fierce ghosts!

Chen Ping kept drawing his bow and shooting arrows, and Mu Qing kept waving his hands, condensing a bunch of ghosts to attack!

The two people are getting closer and closer, competing with each other for the strength in their bodies!

“Do you want to fight me with all your breath and then collide with pure physical strength?”

Mu Qing seems to have seen Chen Ping’s plan!

“Don’t you dare fight with me physically?”

Chen Ping said with sarcasm!

In fact, this is Chen Ping’s plan. After all, Mu Qing is at the first level of the Tribulation Realm. Although Chen Ping is not afraid of all the auras in his body, he doesn’t dare to be 100% sure!

But if he didn’t use the breath in his body and relied solely on the pure strength of his body, Chen Ping wouldn’t be afraid of Mu Qing!

Chen Ping’s physical body has been tempered countless times!

“Hmph, I can kill you in many ways, but I won’t be able to choose from them.”

“You want to compete with me in terms of physical strength, but I just won’t compete with you.”

“It’s true that I am the son of a big family, but I am not an idiot and will not be fooled by you!”

Mu Qing actually stopped rushing towards Chen Ping, and instead filled the air with more black mist, transforming into a sky full of ghost attacks!

A Man Like None Other Chapter 3907-Chen Ping gritted his teeth. He didn't expect that Mu Qing, a guy with some brains, didn't have the ability to provoke him!

The God King's bow was continuously pulled by Chen Ping, and various auras condensed on the God King's bow!

Arrow feathers were shot out one after another, the golden dragon roared, and it was also covered in bruises at this moment!

Chen Ping keeps approaching Mu Qing!

Only when he gets close, Chen Ping can use the ancient body refining technique to fight with Mu Qing!

Seeing Chen Ping approaching him, Mu Qing grabbed it and a long sword condensed with black mist appeared, and then slashed towards Chen Ping!

This sword shot out a hundred feet of sword light, approaching Chen Ping!

Chen Ping used the fire control step, and his body disappeared instantly, and then appeared in front of Mu Qing!

The God-King Bow in Chen Ping's hand has been replaced by the Dragon-Slaying Sword. In close combat, the Dragon-Slaying Sword is still more useful!

The dragon-slaying sword burst out with endless sword light, stabbing straight towards Mu Qing!

The long sword in Mu Qing's hand blocked the situation!

When Chen Ping saw this, a sneer flashed in his eyes, and he took out the Dragon-Slaying Sword directly!

Chen Ping took the Dragon Slaying Sword away, leaving Mu Qing a little confused!

He didn't understand what Chen Ping was going to do!

"Holy Light Fist..."

This time, Chen Ping's Holy Light Fist did not use any breath in his body, just pure physical power!

Although it was just pure physical strength, this punch actually made Mu Qing feel terrified!

But with Chen Ping's punch, there was obviously no breath coming out!

Mu Qing really couldn't understand what the purpose of Chen Ping's punch was!

But just when Chen Ping's Holy Light Fist was about to hit Mu Qing, a phantom appeared behind Mu Qing!

The endless black mist turned into a huge shadow!

The phantom holds a vajra in his hand, and his eyes are extremely empty!

With the appearance of the phantom, Mu Qing's body actually merged with the phantom!

Chen Ping's punch hit the shadow and penetrated directly without causing any damage to Mu Qing!

"Chen Ping, even in a physical competition, you are no match for me. In my eyes, you are just an ant!"

Mu Qing laughed, but the sound emanated from the shadow!

At this moment, everyone finally saw the situation clearly!

Mu Qing merged into a huge shadow, looking down at Chen Ping's ant-like existence!

Lifting your feet gently, a breath of air hits your face!

Chen Ping's body was like a lone boat, and he was instantly knocked out!

"Poru Dharmakaya?"

Demon Lord Chiyun said with some surprise in Chen Ping's sea of consciousness!

Chen Ping flew dozens of feet upside down, and finally managed to stabilize his body. Listening to Demon Lord Chiyun's words, he asked with confusion on his face: "What is this Poru Dharmakaya?"

"I'm telling you, you don't understand either. Fortunately, this guy's Poru body is only divided into parts, and what's solidified is just a phantom."

"If you condense your true body and take it just now, not to mention you, everyone here will probably die!"

Demon Lord Chiyun said!

“Holy shit...”

Chen Ping looked shocked. He didn't expect how this Mu Qing knew so many magic arts!

And each one is more powerful than the other, no wonder they talk so madly!

“What should I do? Is there any way I can defeat him?”

Chen Ping asked!

“It's probably impossible to defeat him. You'd better think about how to survive!”

“It seems that as long as the Sky-Swallowing Beast comes forward and sucks away the demonic energy from that guy, the Poro Body will be broken.”

Demon Lord Chiyun said!

When Chen Ping heard this, he was speechless!

This little sky-swallowing beast is just like the big man, who knows if it will help!

Chen Ping prayed in his heart that the little swallowing beast would come out to help quickly while thinking of countermeasures!

“Hahaha...Chen Ping, don't you want to fight with me up close? I'll give you a chance, come on!”

Mu Qing laughed and looked down at Chen Ping.

“The second young master is so awesome. It seems that the head of the family is really wise and allowed the second young master to go out and practice for many years.”

Manager Liu looked at Mu Qing with admiration in his eyes!

A Man Like None Other Chapter 3908-As young as Mu Qing, with such a level of cultivation, his future prospects are immeasurable!

Chen Ping looked at Mu Qing and said loudly: “If you can, change back to yourself and fight me. Do you dare?”

“I'm not an idiot. That's it. I won't take action and let you take three moves.”

In order to humiliate Chen Ping in public, Mu Qing chose not to take action and let Chen Ping do three moves!

“Okay, it’s a deal, if I can’t defeat you with three moves, I will kneel down and kowtow to you!”

Chen Ping said loudly!

Just when he was looking for an opportunity to delay, Mu Qing showed up!

“Hahaha, it’s a deal. With so many people as witnesses, just wait and kowtow to me!”

Mu Qing laughed, and the shadow that was dozens of feet tall trembled all over!

“Get ready, my first move is coming.”

Chen Ping starts to get lucky!

“Second Young Master, no, it’s too dangerous.”

Manager Liu saw that Mu Qing wanted Chen Ping to do three moves, so he shouted!

“Don’t worry, he won’t hurt me at all!”

Mu Qing’s face was full of confidence!

Chen Ping, on the other hand, moved his body, and the aura around him continued to condense!

But at this moment, Chen Ping kept shouting at the little sky-swallowing beast in his heart!

“Little ancestor, wake up and help me. You have taken so much of my resources and can’t sleep all day!”

“Wake up quickly, if you don’t wake up, I’ll die and you won’t have anywhere to eat or sleep!”

Chen Ping shouted in his heart, but the little swallowing beast showed no response!

“Senior, please help me. If I die, you are finished. We are just grasshoppers on a rope!”

Chen Ping said to Demon Lord Chiyun!

“What can I do? It doesn’t listen to me.”

Demon Lord Chiyun said!

Chen Ping felt very helpless at this moment!

“What are you doing? Do you want to do anything?”

Seeing that Chen Ping was still reluctant to take action, Mu Qing said impatiently!

“coming.....”

After Chen Ping finished speaking, his body instantly rose into the air!

Then a huge fist was thrown out by Chen Ping!

Chen Ping’s body followed closely, hitting the shadow heavily!

However, Chen Ping’s body penetrated the shadow and was unable to cause any harm to Mu Qing!

“Hahaha, I told you, you can’t hurt me at all.”

Mu Qing laughed!

Chen Ping frowned. If this continues, let alone three moves, thirty moves will be useless!

The Palace Master of Guanghan Palace and Luo Shouhai looked nervous when they saw this!

“Everyone is ready. As long as Mr. Chen loses, we will take action together.”

“We must not let Mr. Chen fall into the hands of the Mu family, let alone kneel down and be humiliated!”

The Palace Master of Guanghan Palace whispered!

“good!”

Everyone nodded in unison!

Manager Liu also noticed the action here, so he whispered: “Everyone is ready and ready to attack at any time!”

At this moment, both sides are ready to attack!

Chen Ping is also planning a second attack.

While preparing to attack, Chen Ping shouted in his heart about the little sky-swallowing beast!

But there was still no movement.

Chen Ping's second attack penetrated the shadow again and caused no damage!

"There is one more move. Just wait until you kneel down and be stepped on by me!"

Mu Qing said proudly!

The Palace Master of Guanghan Palace and others have already grasped their weapons and are ready to take action at any time!

When Chen Ping saw this, he seemed to accept his fate. He only had one last move to make!

Chen Ping was seen floating in mid-air, with bursts of light flashing on his right fist!

All the strength in his body was concentrated in Chen Ping's right fist!

"Holy Light Fist....."

Chen Ping's punch burst out with endless brilliance, as dazzling as the sun!

The aura that destroyed the heaven and earth was heading towards Mu Qing!

"Hmph, it's this move again..."

Mu Qing snorted disapprovingly!

But just as Mu Qing snorted, a ray of light suddenly flashed out from Chen Ping's body, followed by a huge suction force, causing Mu Qing's condensed shadow to begin to be swallowed up!

A Man Like None Other Chapter 3909-In just an instant, the huge shadow was sucked into the belly of the little sky-swallowing beast!

Mu Qing's figure appeared!

Mu Qing was shocked, but Chen Ping's Holy Light Fist was already in front of him, and he had no time to dodge!

boom!

Mu Qing was hit hard by Chen Ping's move!

Mu Qing's body flew backwards instantly, vomiting blood!

He never expected that this would happen!

When Manager Liu saw this, he panicked, jumped up, and slapped Chen Ping with his palm!

The palm prints are condensed and overwhelming!

When the Palace Master of Guanghan Palace saw this, his body rose into the air in an instant. The temperature of the world suddenly dropped, and with a palm shot, it directly froze and shattered Manager Liu's palm print!

This way Chen Ping was not harmed, otherwise Chen Ping would definitely not be dead or injured if General Manager Liu took action!

"Kill....."

As Manager Liu fought with the master of Guanghan Palace, Luo Shouhai shouted loudly!

In an instant, everyone rose into the sky!

They had already made preparations, and now they are firing out spiritual power one after another!

Everyone in the Mu family also took action at the same time!

Just when the melee was about to break out, the void shook, and then a figure appeared in the air!

"Father....."

Seeing the person coming, Mu Qing suddenly became excited!

It turned out to be a phantom of the head of the Mu family. He must have known that Mu Qing and others came to Guanghan Palace to take revenge, so he came worried!

"Qing'er, you are too careless. Now you are the only son left as a father. What if something happens to you?"

"Now do what you have to do and I'll hold off the others!"

The head of the Mu family said to Mu Qing!

After hearing his father's words, Mu Qing nodded excitedly!

But the Palace Master of Guanghan Palace has a terrifyingly gloomy face at this moment, and his eyes are full of coldness!

She can still handle Manager Liu!

But here comes another Mu family leader. Although he is just a shadow, his strength is probably not lower than the ninth level of the Tribulation Realm!

"I'll stop this old guy!"

I saw Devil Mountain Ghost Lao roaring angrily, and then a gray aura surged through his body, directly forming a giant claw and heading towards the head of the Mu family!

The master of Guanghan Palace also waved his hand, and the monstrous cold air surged out, turning into two icicles and attacking Manager Liu!

The melee started instantly, with countless auras flying around and various spells intertwined!

The heaven and earth were trembling in the melee. The entire Southern Territory seemed to be affected, and space-time cracks continued to flash in the void!

The entire Heavenly Demon Mountain shook, and countless people stared in the direction of Guanghan Palace!

Thousands of monks were fighting in mid-air!

The air was filled with thick fluctuations of spiritual energy, and every time the monk swung his fist or drew his sword, it was accompanied by a huge roar of spiritual power, as if it was about to tear the world apart.

Their figures shuttled quickly across the battlefield, as elusive as ghosts, and every confrontation was accompanied by a dazzling aura bursting out, illuminating the entire battlefield.

The monks' magic weapons and spiritual weapons were flying in the air, some piercing the sky like meteors, some weighing down like giant mountains, and some as misty as phantoms.

Every time the magic weapon collided, there was a deafening sound that made the ground tremble.

The light of the magic weapons intertwined to form a brilliant sea of light, enveloping the entire battlefield.

The shouts, roars, and curses of the monks came and went, forming a passionate battle symphony.

Their faces were filled with determination and madness, and each pair of eyes shone with blazing light, as if they were about to pour out all their power.

On the battlefield, dust was flying and smoke was filling the air. Every time the monk fell to the ground, a blood flower bloomed, dyeing the land bright red.

A Man Like None Other Chapter 3910-However, these monks seemed to be tireless. They stood up again and again and charged again and again until they were exhausted.

I saw a monk holding a long sword, the sword flashing with cold light. His body was like the wind, and he shuttled lightly among the enemy groups.

His sword skills are like flowing clouds and flowing water, sometimes as fast as lightning, sometimes as soft as willow catkins. Every time he swings his sword, he can bring up a fierce sword wind, forcing the enemies around him to retreat several steps.

At the same time, another monk was wielding a huge battle ax. His power was amazing, and every time he swung the ax, he seemed to be able to shake the earth.

The battle ax drew sharp trajectories in the air, and the air flow it brought up rolled up the surrounding dust, forming a chaotic battlefield.

The two monks passed each other in the air, and the collision of swords and axes made a deafening sound, as if even the sky was shaking.

The shock wave generated by the collision spread in all directions, forcing the surrounding monks to retreat.

Around here, other monks were fighting equally fiercely.

Someone casts a powerful spell, activating the power of heaven and earth to form a sea of fire, ice or thunder, submerging the enemy in it.

Some rely on their superb body skills to move freely among the enemy, looking for flaws and delivering a fatal blow.

On the battlefield, the light of various spells intertwined to form a colorful light curtain.

In this light curtain, the figures of the monks were looming, and every confrontation was full of thrills and excitement.

Monks continue to die, losing their lives forever!

More monks saved their souls, and then Jiang Yulian led the people of the Soul Demon Sect to urgently begin to rebuild their bodies!

Chen Ping's eyes turned red when he looked at the fallen monks!

In today's battle, Chen Ping can only be worthy of the dead monks if he kills Mu Qing!

Mu Qing's eyes were also scarlet red. At this moment, both sides were already red-eyed!

“die.....”

Chen Ping and Mu Qing all turned into a stream of light and collided fiercely together!

Now for them, either you will die or I will die!

There is no room for retreat!

Just when Chen Ping and Na Mu Qing were about to collide, everything around them suddenly seemed to stop!

Then a voice from outside the world came slowly: “I have been in seclusion for hundreds of years, and I am about to ascend to immortality, but I am disturbed by you ignorant children.”

“It's damn good. Do you think you don't take me seriously since I haven't shown up for hundreds of years?”

With an old man in gray robe standing in the void with his hands behind his back, everyone felt their breath tightening and fell from the mid-air!

Even the Palace Master of Guanghan Palace fell to the ground, having difficulty breathing due to the pressure, and had no choice but to kneel down on one knee!

“Region...Region Lord, Lord of the Southern Domain?”

A shadowy figure of the head of the Mu family looked at the gray-robed old man in front of him in horror!

“You don't practice honestly and sacrifice your soul to join in the fun. Go back!”

The old man in gray robe waved his hand gently!

A powerful burst of purple energy was waved out from his hand, and then the shadow of the head of the Mu family disappeared in an instant!

But at this moment, the head of the Mu family, who was in retreat at the Mu family, was vomiting blood and his face was extremely pale!

“Why did you provoke the Lord of the Territory? Damn it...”

The head of the Mu family wiped the blood from the corner of his mouth. It seemed that such a long period of seclusion was in vain!

And in Guanghan Palace, everyone felt the shaking pressure of heaven and earth, the void was trembling slightly, and the wind was howling!

Many monks with low cultivation levels have been knocked unconscious by this coercion!

More monks lowered their heads and trembled!

Even Mahayana masters such as General Manager Liu and Palace Master Guanghan Palace were pale, their eyes were full of fear, and they did not dare to look directly at the Southern Territory Lord.

Chen Ping raised his head hard and looked at the Southern Territory Lord. He wanted to see what the person in charge of a region was like!
