

[The Man's Decree]

A Man Like None Other Chapter 3926

A Man Like None Other Chapter 3926-Seeing Liu Shitong's agreement, Chen Ping raised a smile on his lips.

However, Wei Qing and Qian Xiu were very nervous. Although the money did not belong to them, it was heartbreaking to give it to Liu Shitong for free!

"Why....."

Wei Qing sighed, all the money was thrown away, it would be great if he could give it to himself!

"Brother, don't sigh. What if we win?"

Chen Ping said with a smile!

"Hahaha, you new guy, are you stupid and blind?"

"Don't you see how many disciples there are in our lineage? What is the level of the disciples in our lineage?"

Liu Shitong laughed and said!

"Junior brother, no matter how rich you are, you can't waste your money. We are very grateful to you for helping us pay the assessment fee, but you..."

Qian Xiu was also speechless!

The other disciples were also silent. Compared with the disciples of the new sect leader's lineage, they were no match at all!

What's more, he is the chief judge of the assessment, so there is no hope!

Seeing that everyone had no fighting spirit at all, Chen Ping said nonchalantly: "As long as everyone works hard, even if they lose, this little money is just a drop in the bucket to me."

"I can find a bitch out there with more money than this. If I lose to them, just treat it like I found a bitch!"

Chen Ping's words immediately caused everyone to burst into laughter!

And Liu Shitong's face became very ugly, which clearly compared him to a girl!

But Chen Ping himself knew that there was no way he could lose. Not to mention the inner disciples of Ziyan Sect, even if the elders came, Chen Ping was not afraid at all!

You should know that although Chen Ping seems to be at the fourth level of the Tribulation Realm, he can burst out a strength that is not inferior to the ninth level of the Tribulation Realm!

Chen Ping saw that everyone's mood had eased a lot, so he said: "Don't worry, everyone, we will definitely win. I never do anything I'm not sure of."

"Junior brother, it's good to have this kind of confidence, but it's really unrealistic for us to win."

"Whether in terms of strength or numbers, we don't have the slightest advantage. How could we possibly win?"

"But don't worry, Junior Brother. No matter what your inner sect assessment is like, you can become a formal disciple of Zi Yan Sect."

"I can ask Master to take you to the meeting hall for recommendation. As long as there are three elders recommending you, you can become an inner disciple without any assessment."

Wei Qing saw that Chen Ping had spent so much money. It would be too embarrassing if he failed the examination and could not become an inner disciple!

Moreover, Chen Ping is so rich, Wei Qing doesn't want to lose such a rich junior brother, so he will guarantee Chen Ping!

Liu Shitong has already registered the matter and also made the bet into a written document. Both parties have to leave their own fingerprints!

The reason why he did this was because he was afraid that Wei Qing would cheat in the end!

After all, it was obvious that Wei Qing had no chance of winning this bet!

After doing everything, Liu Shitong waved to a young man!

"Elder brother..."

The young man stepped forward and leaned down!

"Lu San, do I need to explain anything else? You will know what to do soon, right?"

Liu Shitong asked the young man!

“Senior Brother, don’t worry, none of these guys can pass the examination.”

Then Lu San nodded and said!

“Although we are strong, we cannot be careless. After all, the bet is hundreds of purple gold spirit coins, so we must not be careless.”

After Liu Shitong finished speaking, he took out an object wrapped in red cloth from his arms and handed it to Lu San: “When the last resort comes, you can open it and use it!”

Lu San took it carefully and said excitedly, “Big Brother, just wait and see!”

Soon, everyone was ready for the test!

Qian Xiu also stood with everyone!

“Senior sister, you are already an inner disciple, do you still want to take the assessment?”

Chen Ping asked in confusion!

A Man Like None Other Chapter 3927—“The first part of the assessment is the same. I am taking the deacon assessment, so the later part will be different.”

Qian Xiu followed Chen Ping to explain!

“Oh, so that’s what’s going on!” Chen Ping nodded!

“Junior brother, during the assessment, don’t run around, just follow me.”

“Also, how is Junior Brother’s Ultimate Fire training? Our Ziyang Sect specializes in fire-based skills, so most of the assessments are in the fire-based skills.”

Qian Xiu asked!

“I.....”

Chen Ping didn’t know how to answer!

He now has three levels of ultimate fire, and he has also understood the origin of the fire system. However, it is hard for Chen Ping to say how far he has developed his ultimate fire!

Seeing Chen Ping hesitating, Qian Xiu was slightly surprised and said, “Junior brother, you don’t even have the Ultimate Fire, do you? If you don’t cultivate the Ultimate Fire, you won’t be able to pass the inner sect assessment.”

“The most important point of the inner sect examination is that you must cultivate the ultimate fire.”

“Sister, I have the ultimate fire.”

After saying that, Chen Ping’s fingertips beat with fire from the center of the earth!

The flame is very weak, like a candle, and can be blown out in just one breath!

Looking at Chen Ping’s weak Zhihuo, Qian Xiu couldn’t laugh or cry!

Everyone else was also silent. Can this kind of supreme fire pass the test?

Wei Qing said, “It’s enough to have the Ultimate Fire. At least it’s the pass for the assessment.”

“No matter how strong you are, if you can’t cultivate the Ultimate Fire, you won’t be able to pass the test. Look at Lu San across from you. He’s at the sixth level of the Tribulation Realm. He’s the strongest among the outer disciples, but he hasn’t cultivated the Ultimate Fire yet, so he can’t become an inner disciple.”

Wei Qing was afraid that Chen Ping would be under pressure, so he said this!

Chen Ping just smiled and did not speak. He was afraid that he would reveal his true power and scare those who came again!

Then everyone gathered around and listened to Qian Xiu talking about the key points of the assessment, as well as the use and tempering of the ultimate fire!

Although there were loopholes in many of what Qian Xiu said, compared to those outer disciples, Qian Xiu obviously knew more!

But it’s really incomparable with Chen Ping. After all, Chen Ping is the person who has realized the origin of fire!

If you don’t understand the ultimate fire to a certain extent, you won’t be able to comprehend it!

It can be seen that these people are very nervous and excited about the assessment!

Chen Ping felt nothing, because he knew that he could pass with his eyes closed. In Chen Ping's eyes, the Ziyan Sect's inner sect assessment was as simple as playing house with a child!

Jingle Bell.....

As a harsh bell rang, everyone closed their mouths instantly, and then looked seriously ahead!

Chen Ping saw that Liu Shitong was holding a token as black as ink in his hand, and he pressed it gently into a round hole!

Only a buzzing sound was heard, followed by light curtains rising in front of everyone!

It was like a light screen showing a movie. In the light screen, Chen Ping saw mountains and green trees!

That scene formed a sharp contrast with the desert surrounding Ziyan Gate!

Everyone looked at this scene, many with yearning in their eyes!

After all, if you live in this desert for too long, you will yearn for different environments and places!

Just like traveling, no matter how beautiful the scenery is, when you live there, you will want to escape and travel to a strange place!

As everyone knows, the place where you travel is also the place where others want to escape!

"Junior brother, don't be nervous. Just go in and relax. Since it has come to this, keep a positive attitude. Even if you don't pass the assessment, you will definitely be an inner sect disciple."

Wei Qing patted Chen Ping on the shoulder and said!

"I know!" Chen Ping nodded!

"Junior sister Qian, I leave it to you, junior brother. You have to take good care of him. In addition, if you fail in the deacon test, don't be brave and just quit. The deacon test will be very dangerous later."

Wei Qing gave instructions to Qian Xiu!

A Man Like None Other Chapter 3928-After all, Wei Qing is a deacon, and he has passed the assessment himself, so he knows the dangers of the assessment place!

“Senior brother, don’t worry. I have a sense of discretion. Besides, my junior brother is the God of Wealth. I will never let anything happen to him.”

Qian Xiu said with a smile!

boom!

At this moment, a thunderous sound sounded in the light of the formation!

Then the scene in the light slowly disappeared, accompanied by the appearance of a light gate!

The light gate flashed with brilliant golden light, shining on everyone’s faces!

Everyone’s breathing began to become rapid, nervous and excited!

You know, many outer disciples have not been able to enter the inner sect for more than ten years!

Especially someone like Lu San, who is very powerful but just can’t cultivate the ultimate fire, and has been hanging around in the outer sect!

You must know that the resources of outer disciples and inner disciples are very different!

Moreover, outer disciples do not have any rights or status!

As long as you become an inner disciple, your status will be greatly improved!

“The assessment begins!”

With Liu Shitong’s shout, everyone swarmed towards the light gate!

When entering the assessment site, the light gate closed automatically, and Chen Ping discovered that the guy named Lu San was always using his spiritual sense to investigate him!

Chen Ping is currently at the fourth level of the Tribulation Realm, so no matter how Lu San investigates, he can’t find anything at all!

“Junior brother, you need to do the first stage of the assessment alone, but don’t be afraid, there is no danger.”

Qian Xiu warned Chen Ping!

“Okay, I understand!” Chen Ping nodded!

As the group went deeper, Chen Ping soon discovered that the people in front of him disappeared one by one!

Then the surrounding area turned into a vast expanse of white, and you couldn’t see anything but yourself!

“Illusion array?”

Chen Ping raised the corner of his mouth. He knew that these people were not really separated individually. They just used the illusion array to make these monks mistakenly think that he was the only one left!

A red light flashed between Chen Ping’s eyebrows, and then penetrated the white fog. He saw Qian Xiu and others not far away from him!

Chen Ping can easily break through this level of phantom formation!

It’s just that Chen Ping didn’t do that. He just came for the assessment. If he destroyed the illusory array, his true strength would be exposed!

After retracting the Tianming Eye, Chen Ping pretended that he knew nothing and moved forward in the illusion array. Soon he saw a high platform appear in front of him!

On the high platform, an old man in white stood motionless, like a sculpture!

Chen Ping used his spiritual sense to investigate and found that he could not even detect the old man’s cultivation level.

The old man’s eyes looked at Chen Ping coldly, with endless majesty and wisdom in his eyes!

It was as if Chen Ping could be seen through with just one glance!

“Young man, if you want to become a disciple of my Zi Yan Sect, you must be sincere, calm, and resolute.”

“You must not hide anything from the sect, do you know?”

The old man spoke slowly, his voice was not loud, but it was full of urgency and urgency!

Chen Ping looked at the old man with a sneer on his lips. It seemed that this first level of assessment was to screen out those monks who had something to hide!

If some disciples commit crimes, or commit many evil deeds and have many enemies, such people will cause trouble for the Ziyan Sect if they become inner disciples!

The purpose of the first level is to eliminate those disciples who are hiding something!

Someone like Chen Ping, who conceals his identity, realm, and even his aura, will definitely not be able to pass this level if he is not strong enough!

But Chen Ping was not afraid at all. This was just an illusion, so that the examiner would not dare to lie because he captivated his mind!

Chen Ping could break the illusion with a wave of his hand, so he was certainly not afraid of the old man's questions.

"I know!" Chen Ping said calmly!

"Well, now tell me why you joined the sect, and your true identity..."

The old man's voice is shocking and can directly touch the soul!

A Man Like None Other Chapter 3929-Chen Ping's eyes were dull, as if he was controlled, and he said slowly: "My name is Cheng Ping. I have admired Zi Yan Sect for a long time and want to become a disciple of Zi Yan Sect. That's why I worship under the elders and want to become an inner disciple of Zi Yan Sect."

Chen Ping praised Zi Yan Sect highly, which made the old man very happy. He then waved his hand and said, "Okay..."

Soon, the mist in front of Chen Ping disappeared, and Qian Xiu and the others appeared in front of Chen Ping again!

Chen Ping saw that everyone else was standing there blankly, as if the assessment had not yet been completed!

"I have secretly watched Senior Sister bathe, and even dreamed of sleeping with her at night."

"I killed people outside and was hunted by others, so I joined the Purple Flame Sect."

""

Chen Ping looked extremely shocked as he listened to the mechanical words of the Zi Yan Sect disciples around him!

It was obvious that these people's consciousness had been controlled and they revealed all their secrets!

Fortunately, Chen Ping had already seen through it. This small illusion could not do anything to him at all. Otherwise, Chen Ping would probably have told all kinds of secrets!

"I have a good impression of the junior brother who just came. He is so rich, and I like rich people."

At this time, Qian Xiu's voice came!

After hearing this, Chen Ping was speechless. Qian Xiu had just met him, but she was already fascinated by his wealthy status.

If not for the fact that his mind was bewitched, Chen Ping would not have been able to hear Qian Xiu's inner voice!

As the assessment came to an end, more and more people began to wake up. Seeing this, Chen Ping quickly pretended to be still under control!

He couldn't let anyone know that he had heard all these people's secrets!

When everyone woke up, Chen Ping pretended to open his eyes!

"Little Junior Brother, are you okay?"

Qian Xiu saw Chen Ping woke up, so he asked!

"I don't know either, it seems there is no problem." Chen Ping said!

"Don't worry, as long as you are not a person with bad intentions or a criminal, the first level is usually easy to pass."

Qian Xiu said!

But just as Qian Xiu finished speaking, a ray of light suddenly hit a monk!

Immediately afterwards, the monk let out a scream and disappeared in an instant!

Chen Ping took a look and found that it was the guy who had peeped at his senior sister taking a bath and dreamed of sleeping with her at night!

Only this one person was eliminated!

“Why was he eliminated in the first round? What did he do?”

“Who knows? Anyway, I see him sneaking around every day, always going to the bathhouse.”

“Did he peek at my junior sister and senior sister taking a bath?”

The other monks said jokingly!

After hearing this, Qian Xiu frowned and said, “Shut up and stop talking nonsense.”

Chen Ping just smiled and said nothing!

Because he knew that this guy was eliminated because he peeked at his senior sister taking a bath.

Soon, another light gate appeared, and the second test was for everyone to pass through the light gate!

“Junior brother, be careful later!”

Qian Xiu said to Chen Ping!

“I understand, Senior Sister Qian!” Chen Ping nodded!

“Follow me, I’ll hold you. This level tests your ability to withstand pressure. There will be a terrifying pressure here, and you must reach the end before you collapse.”

“Remember, the faster the better, so you can bear less pressure!”

Qian Xiu said this and directly pulled Chen Ping’s hand up.

It is obvious that he wants to follow Chen Ping and narrow the distance between them!

“Senior Sister, if the pressure here is very strong, then the faster we move, the greater the pressure we will feel.”

“My own speed, coupled with that pressure, will only make things more difficult.”

Chen Ping didn’t quite agree with Qian Xiu’s statement, so he refuted!

A Man Like None Other Chapter 3930—“What’s wrong with you, newbie? How dare you question Senior Sister Qian?”

“You know, Senior Sister Qian is the assessment officer. She was among the top three during the assessment for the inner disciples.”

“You must be ignorant. Even if you are rich, you can’t question your senior sister at this time!”

When the others saw that Chen Ping actually disagreed with Qian Xiu’s opinion, they immediately started to blame Chen Ping!

After all, in their eyes, Qian Xiu is the most powerful and the one with the most say among them!

Chen Ping was speechless upon seeing this and stopped talking!

But Qian Xiu said, “Okay, what Junior Brother said makes sense. Let’s wait and see what happens!”

Everyone was surprised to see that Qian Xiu was not angry at all and was speaking up for Chen Ping!

You have to know that Qian Xiu is not such an easy person to talk to. If her fellow disciples questioned her, Qian Xiu would have gotten angry a long time ago!

But today he’s like a different person!

Qian Xiu pulled Chen Ping and walked into the light gate!

As soon as I walked in, the light gate behind me disappeared instantly, followed by waves of heat, as if I was in the Flaming Mountain!

Fortunately, everyone has practiced fire-based skills, so they can resist this kind of heat!

Then everyone stared at the heat wave and continued to move forward!

It was fine at the beginning, but as we went deeper, the heat waves became more and more intense, and the pressure became heavier!

Everyone began to feel exhausted, sweat appeared on their foreheads, and their walking speed became slower and slower.

Qian Xiu didn’t react much to this kind of pressure!

Seeing this, Chen Ping could only pretend to be struggling so as not to let anyone see that he was special!

Chen Ping is at the fourth level of the Tribulation Realm. If he acts too relaxed now, people will suspect him!

Soon, several figures rushed past them.

Chen Ping looked at those people, as if this pressure was of no pressure at all to them!

“Those few people are also taking the deacon assessment, so the inner gate checkpoint ahead is not stressful for them.”

“In fact, I can also leave as fast as they do.”

“But I promised to take care of my junior brother, so I have to come with you!”

Qian Xiu saw Chen Ping’s suspicious look and explained!

“Thank you, senior sister!” Chen Ping hurriedly thanked her!

Just as Chen Ping was talking to Qian Xiu, Lu San and his men also came over!

“What? You can’t walk anymore?”

Lu San looked at Chen Ping and the others struggling and said with a mocking look on his face!

Chen Ping saw that these disciples of the new sect leader’s lineage seemed to have no problem with the pressure and they walked very easily!

“Lu San, you are a guy who has just cultivated the Ultimate Fire, and you still have the nerve to laugh at others. When the Ultimate Fire Test comes later, it will be your turn to embarrass yourself.”

Qian Xiu gave Lu San a blank look and said!

“Hahaha, you guys won’t be able to see my embarrassment later on, because you can’t get through the levels ahead!”

Lu San laughed triumphantly, and then left quickly under the gaze of Chen Ping and the others!

These people were much faster than Chen Ping and his team, and everyone felt very discouraged!

“Senior Sister, these guys are obviously not hindered by the pressure. I think they are cheating.”

“That is, did they use some means to reduce or eliminate the pressure?”

“If the other party cheats, won’t we definitely lose?”

When everyone saw Lu San and his group leave easily, they all became suspicious!

Qian Xiu had a cold face. She didn’t know whether the other party cheated or not, but even if he did, there was nothing they could do!

After all, the chief examiner is one of their own!

Upon seeing this, Chen Ping burst out with a breath, instantly forming a shield around everyone, blocking all the pressure and heat waves!

These were merely tests for the inner disciples. To Chen Ping, they were just like a child playing house. It was a piece of cake for him to block this little bit of pressure!
