

[The Man's Decree] A Man Like None Other

A Man Like None Other Chapter 3931-"What happened? Why did the pressure suddenly disappear?"

"It's not hot anymore, I feel so relaxed!"

"Is the assessment level invalid?"

Everyone suddenly felt that the pressure was gone, and they all became surprised!

Even Qian Xiu was stunned, and asked incredulously: "How could this happen? Could it be that the test level we set up is broken?"

"Senior Sister, no matter what, let's leave now while there is no pressure, otherwise we will be left too far behind."

Chen Ping hurriedly urged!

"Yes, let's speed up!"

Qian Xiu nodded!

Without the pressure, everyone's speed increased extremely quickly, and in a short while, they caught up with Lu San and the others!

"Brother Lu, look, how come those guys are catching up with us?"

Someone discovered Chen Ping and the others and quickly reminded them!

Lu San turned around and saw Chen Ping and the others approaching quickly!

And the speed was very fast, it seemed that they were about to overtake them!

"Fuck, what's going on?"

Lu San was also a little confused!

At this time, Chen Ping and his men had already caught up. Qian Xiu sneered at Lu San and said, "Why are you so slow? You're following like a turtle. Weren't you very proud just now?"

"Hahaha, like a turtle..."

“Too slow, you’re still bragging!”

Other monks also mocked Lu San and others!

“Qian Xiu, you guys are cheating, why does the pressure here seem to have no effect on you?”

Lu San discovered that Chen Ping and his group were very fast and relaxed, and it was obvious that they were not under any pressure at all!

“You’re talking nonsense. This is clearly the test level...”

Qian Xiu hadn’t finished her words when Chen Ping reminded her: “Sister, the barrier is not invalid. Look at Lu San and his men. Although their speed is not slow, they have obviously consumed a lot of spiritual energy!”

Qian Xiu looked carefully and found that Lu San and others also had red faces and sweat on their foreheads!

Although the speed is fast, that should be because of the strong strength and ability to resist pressure, not that the level has failed and the pressure is gone!

Qian Xiu was surprised, luckily she didn’t say it out loud!

“Lu San, you can’t beat us, so you say we cheated. Do you have any shame?”

“You guys just surpassed us, so can I say you cheated?”

Qian Xiu refuted Lu San and sent a message to everyone, asking them to quickly show that they were in pain!

Otherwise, if you walk too easily, it will be easy to arouse suspicion!

If they really start an investigation, I’m afraid I’ll lose my qualification for the assessment!

After hearing Qian Xiu’s message, everyone grimaced, their foreheads covered with sweat, and they looked very happy!

But his feet are not slow!

Looking at the expressions of the crowd, Chen Ping wanted to laugh. These guys really have good acting skills!

Everyone seemed to be struggling, but they soon surpassed Lu San and others, which made Lu San very angry!

“Brother Lu, what’s going on? When did these guys become so powerful?”

“That’s right. The pressure is getting stronger and stronger, but they can still move so fast.”

“It’s really a ghost...”

Everyone on Lu San’s side looked puzzled!

They are obviously stronger, but the opponent is faster than them!

“Maybe the stronger the strength, the greater the pressure. Let’s chase after him!”

Lu San didn’t know what was going on and could only make random guesses!

At this moment, Chen Ping and his group had long disappeared, and Lu San and his group could not catch up with them!

“Hahaha, it was really fun watching Lu San and the others looking so embarrassed just now.”

“Since the level isn’t broken, why don’t we have any pressure?”

“It’s really strange, is it God helping us?”

At this time, everyone remembered that there was no problem with the level, so why didn’t they feel the pressure?

Some even speculated that God helped!

A Man Like None Other Chapter 3932-Chen Ping smiled without saying anything. If it was God who helped, then he was God!

At this time, Liu Shitong, who was outside the assessment checkpoint, was also watching the assessment situation!

Wei Qing is also there, after all, a lot of spirit coins are at stake!

When Wei Qing saw Chen Ping and the others being surpassed by Lu San, his hands were covered in sweat!

However, when Wei Qing saw that Chen Ping and his men suddenly sped up and surpassed Lu San and others, a smile appeared on his face!

Liu Shitong frowned, looking gloomy!

“What’s going on? Is there something wrong with the assessment level?”

“Someone, check it out right away.”

Liu Shitong roared!

Soon someone went to check the assessment level. After all, if there was a problem with the assessment level, then the assessment would be meaningless!

“Liu Shitong, our people are ahead of you, there must be something wrong with the checkpoint. You should know that your people were ahead just now, why didn’t you go to check?”

Wei Qing asked Liu Shitong with some pride!

“Wei Qing, checking the checkpoints is also my responsibility. I can check whenever I want. Is it your business?”

Liu Shitong glared at Chen Ping angrily!

Soon, several disciples went to check the checkpoints, but they came back very quickly!

“Brother Liu, there is no problem with the level. Everything is running normally. Whether it is the formation pattern or the spirit stone reserves, everything is normal.”

After checking, he said to Liu Shitong!

Liu Shitong frowned. He couldn’t understand why people like Chen Ping were so fast. It seemed that the pressure had no effect on them.

He could never have imagined that Chen Ping could eliminate this kind of pressure with just a wave of his hand!

“Go check it for me again. Check it carefully.”

Liu Shitong sent people away again!

At this time, Chen Ping and his companions were about to pass through that place of oppression!

The journey was relaxed and enjoyable, with everyone talking and laughing, without digesting their own spiritual energy at all!

“We are about to kill the Fire Spirit Beast. Fortunately, no one has consumed their own spiritual power along the way, so we don’t have to be afraid of the Fire Spirit Beast.”

Qian Xiu said to everyone!

After listening to Qian Xiu’s words, Chen Ping felt that the inner sect assessment of Zi Yan Sect was really abnormal. It almost exhausted people’s spiritual power along the way, and then tried to kill the Fire Spirit Beast. Wouldn’t they be killed by the Fire Spirit Beast?

Fortunately, along the way, everyone had the help of Chen Ping and did not consume their own spiritual power, so they were not afraid when facing the fire spirit beast!

As the pressure disappeared, thousands of ferocious beasts with flames burning on their bodies appeared in front of Chen Ping and his men!

However, Chen Ping could see at a glance that these fire spirit beasts were just illusions, they were all phantom beasts!

If it is a real fire spirit beast, the examination for the inner disciples of Zi Yan Sect will probably become a mountain of corpses and a sea of blood. I wonder how many disciples will die!

However, these illusory beasts will not really kill the disciples taking the test. After all, they are all illusory beasts and are controlled by the Zi Yan Sect!

Moreover, the strength of these fire spirit beasts is also controlled by the chief judge of the assessment and can be adjusted at will!

Looking at the dark masses of fire beasts in front of them, although everyone had conserved their strength, they were still terrified!

“Don’t be afraid, these fire beasts are not that powerful. As long as you kill a hundred of them, you can pass this level.”

“But no one is allowed to help. You must kill the beast alone. If the Fire Spirit Beast is killed by two or more people, it will not count. When the Fire Spirit Beast dies, there must be only one person’s aura left on it.”

Qian Xiu followed and explained to everyone!

“Senior Sister Qian, please tell us about the characteristics of these fire spirit beasts so we can deal with them!”

Someone asked!

A Man Like None Other Chapter 3933-Qian Xiu shook his head and said, "The Fire Spirit Beast has no characteristics, and its strength is unknown. The strength of the Fire Spirit Beast in each assessment is adjusted by the chief judge, so it is not the same. In addition, the Fire Spirit Beast has no fixed characteristics, in order to prevent people from training it in a targeted manner."

Upon hearing this, everyone was a little disappointed. It seemed that they had to give it their all. It was useless to rely on the old man!

"Senior Sister, let's get started!" Chen Ping said!

"Wait a minute, this fire beast must be killed with fire, no other skills can be used, and even more so, no real weapons can be used."

Qian Xiu reminded again!

"Understood!" Everyone nodded, then stretched out their hands, flames danced in their hands, and then these flames turned into various weapons!

"kill....."

Everyone waved their weapons that were transformed from flames and rushed towards the fire beasts!

"Junior brother, your supreme fire is too weak. The strength of these fire spirit beasts varies. You follow me from behind. If you encounter a weak one, I will let you kill it."

Qian Xiu held Chen Ping's hand, protecting Chen Ping behind her as if she was protecting a child!

"Sister, I want to try it myself!"

After Chen Ping finished speaking, a flaming sword ignited in his hand, and then he jumped up and headed towards those fire spirit beasts!

"Junior brother!" Seeing this, Qian Xiu followed closely!

But before he reached Chen Ping, he saw Chen Ping arrive and slash with his sword, and a fire beast wailed and fell to the ground!

Wherever Chen Ping's sword passed, all the fire spirit beasts were beheaded!

Chen Ping was like a harvester, reaping the lives of the fire spirit beasts!

Everyone was shocked when they saw this scene!

After all, at the beginning, everyone thought that Chen Ping was just a rich second-generation, who was brought to Zi Yan Sect by Elder Yu because of his wealthy connections!

But now it seems that Chen Ping is also very strong!

“Senior sister, isn’t this junior brother a rich second-generation? How come he is so powerful?”

“Could it be that this junior brother encountered the weakest fire spirit beast?”

Everyone asked Qian Xiu!

“Don’t talk nonsense. Who says that rich second-generations can’t be powerful? Junior brother is the one who is both rich and powerful.”

Qian Xiu looked at the outstanding strength displayed by Chen Ping and his eyes were filled with admiration!

Rich, handsome, and capable!

If we could practice together, wouldn’t that be wonderful...

Qian Xiu was so fascinated by Chen Ping’s figure that her drool was about to flow out!

The other brothers looked at Qian Xiu and all started laughing!

“What are you laughing at? Hurry up and kill the weaker fire beasts. When Lu San and the others come, you won’t be able to get them.”

Qian Xiu glared at everyone and said!

Everyone finally reacted and started to take action!

At this time, Lu San and his men also arrived late. When he saw that Chen Ping and his men were already killing the Fire Spirit Beasts and there were many Fire Spirit Beast corpses on the ground, Lu San’s face was filled with anger!

“These guys are so fast, and they killed the Fire Spirit Beast so fiercely. They must not be affected by the pressure.”

Lu San said angrily!

“Brother Lu, these guys are really weird. They are so fierce, especially the new guy. He has killed so many fire spirit beasts.”

Someone pointed at Chen Ping and said to Lu San!

Lu San glanced at Chen Ping and found that Chen Ping had killed dozens of fire spirit beasts and was about to pass the test!

“Let’s do it too. Let’s not get involved with them. Let’s go somewhere else.”

Lu San leaped away from the place where Chen Ping and his men killed the Fire Spirit Beast, and went to the other side to take action!

Seeing Lu San and others moving away from him to kill the Fire Spirit Beast, Chen Ping thought that these guys were not taking action here because the weaker Fire Spirit Beasts here had been almost slaughtered!

A Man Like None Other Chapter 3934-Qian Xiu and the others thought the same, so they didn’t take it too seriously!

“Brother Lu, why do we have to hide from these guys? We can also rush forward to kill the Fire Spirit Beast and trip them up.”

Someone asked Lu San in confusion!

“Idiot, the strength of this fire spirit beast is controlled by Senior Brother Liu. After we separate, Senior Brother Liu can weaken the fire spirit beast on our side and make the fire spirit beast on their side stronger.”

“If you can’t even understand this, I think you should just go back!”

Lu San glared and said!

When the others heard this, they all laughed. It turned out that they could take the back door!

“Senior Sister Qian, when Lu San and the others saw us, they were so scared that they rolled away.”

“That’s right, they must feel they can’t beat us and are afraid of losing face!”

“Hahaha, I didn’t expect that they would have this day.”

Seeing Lu San and the others go to one side, all the cultivators from the old master's lineage started to make fun of them!

But Qian Xiu frowned slightly, as if he had a bad premonition!

"Stop talking, kill the Fire Spirit Beast quickly and pass this level quickly!"

Qian Xiu reminded!

"OK....."

The monks replied!

However, when these people followed the Fire Spirit Beast to attack, they discovered that the Fire Spirit Beast, which was obviously easy to kill just now, had become much more powerful at this moment!

"What's going on? Why did the Fire Spirit Beast suddenly become so powerful?"

"Yeah, it was easy just now."

Everyone said in confusion!

Chen Ping could also feel that the fire spirit beast suddenly increased its strength!

However, this improvement in strength is of no significance to Chen Ping, but it is not easy for other cultivators!

After a long time, the group failed to kill a Fire Spirit Beast, and instead were made into a very embarrassing situation by the Fire Spirit Beast!

Lu San and his men were easily killing the Fire Spirit Beast. Seeing Qian Xiu and his men being made into a miserable state by the Fire Spirit Beast, Lu San and his men all laughed!

"Senior sister, this fire spirit beast is considered to be more difficult to control. Now we will take people to mix with Lu San and the others."

"Wherever they go, we will go there. The fire beasts over there must be simpler."

Chen Ping discovered the problem immediately!

Lu San led his men to the other side, not because he was afraid of them, but because he separated them on purpose, just to trip them up!

Qian Xiu glanced at Lu San and the others, only to see that these people were murderous and shouldn't be too relaxed!

"Damn it, it must be Liu Shitong's doing. As the chief examiner of the assessment, he actually cheated for personal gain."

Qian Xiu cursed, then led his men to rush towards Lu San and others!

Anyway, we just need to kill a hundred fire beasts!

It doesn't matter where they were killed!

When Lu San saw Qian Xiu bringing people over, he wanted to keep some distance from Qian Xiu and the others!

But wherever they go, Qian Xiu will take people there!

"Qian Xiu, do you have any shame? Why do you take people wherever we go?"

Lu San became anxious and scolded Qian Xiu loudly!

"Lu San, you are the shameless ones, as well as Liu Shitong. Don't think we won't be able to detect your favoritism and fraud."

"Anyway, for this level of assessment, all I have to do is kill a hundred fire spirit beasts. It's none of your business where I kill them."

Qian Xiu finished speaking, and then shouted: "Brothers, quickly kill the fire spirit beast and pass this level!"

Everyone began to kill indiscriminately!

Lu San could only be angry and there was nothing he could do.

Chen Ping watched quietly from the side, because he had already killed a hundred fire spirit beasts!

As the time for this level was over, Chen Ping and his companions all completed the assessment and killed one hundred fire spirit beasts. However, some of the people led by Lu San failed to complete the assessment!

A Man Like None Other Chapter 3935- "Ah, I have killed ninety-nine of them, only one is missing, only one is missing....."

A cultivator roared unwillingly, but was finally teleported out of the examination field by a ray of light!

Seeing that Chen Ping and the others had all been approved by him, Lu San's face turned very ugly!

"Now that you have passed this level, you must be especially careful in the next level, which is also the most challenging part."

Qian Xiu said to everyone!

She also said this to Chen Ping. Chen Ping's Fire was too weak, so the next level was very important!

As a large area of light shone down, Chen Ping and the others were slowly enveloped by the light, and then everything went dark in front of everyone's eyes!

When Chen Ping opened his eyes again, he found that everything around him was white. He could not see anything, and his spiritual sense could not penetrate it!

At this moment, Chen Ping felt like he was in a confined space!

Chen Ping tried to penetrate the white area, but found that he couldn't get out at all!

"Little Junior Brother, don't be afraid. You just need to use the fire in your body to endure the test for a while."

"Don't worry, your life won't be in danger. If you really can't hold on, you can call it quits."

At this time, Qian Xiu's voice came!

"Got it, Senior Sister Qian!"

Chen Ping nodded, then sat down quietly, waiting for the test to come!

Soon, waves of heat rolled in, and Chen Ping seemed to be surrounded by flames!

Chen Ping could feel the burning flames around him. Although he couldn't see it, he could feel it!

So people use the fire in their bodies to resist this heat wave.

The burning fire in the body will prevent the heat waves around from invading the body!

Chen Ping sat quietly. Even if he didn't use the ultimate fire to resist, the heat wave of this power could not do anything to him!

Chen Ping sat for a while and felt a little bored. He actually began to actively absorb the heat wave. He wanted to see what the flame produced by the heat wave looked like!

As Chen Ping absorbed the heat waves, he was surprised to find that these heat waves were actually emitted by the Zi Yan Sect's ultimate fire!

Feeling this breath, Chen Ping suddenly felt happy!

This is the ultimate fire of Zi Yan Sect, which Chen Ping has never seen before. If he can absorb and refine the ultimate fire of Zi Yan Sect and make it his own, wouldn't that mean he would have another kind of ultimate fire?

Thinking of this, Chen Ping actually began to actively absorb the heat wave, and his spiritual consciousness continued to extend outward along with the heat wave!

Chen Ping must find the location of the ultimate fire before he can try to refine and absorb it!

The surroundings were covered in white, which blocked his spiritual sense, but Chen Ping used the heat wave to extend his spiritual sense outward!

As Chen Ping's spiritual sense extended, he discovered that at this moment they were all in a huge space. The distance between each person was not far, but they were all covered by the formation!

And among these people, a ball of supreme fire was constantly jumping, and it was obvious that the rolling heat waves were emitted by this ball of supreme fire!

Just when Chen Ping was about to observe the fire carefully, suddenly a figure was sneaking towards the fire!

Chen Ping saw that the figure was actually Lu San.

Chen Ping was stunned. He didn't understand how anyone could leave his place during the assessment!

You must know that no matter where Chen Ping walked, he could not leave his area!

But how can Lu San leave his area?

Chen Ping used his spiritual sense to investigate this guy. He wanted to see what Lu San was up to!

Lu San was seen holding something wrapped in red cloth. When he opened it, it turned out to be a bronze mirror with array patterns engraved on it!

And Lu San used this bronze mirror to travel freely in this area!
