

THE MAN'S DECREE

[The Man Decree] A Man Like None Other Chapter 3944

A Man Like None Other Chapter 3944-As soon as Wei Qing walked out, Qian Xiu and others came to meet him!

“Brother, what’s going on? What did Elder Cui say?”

Qian Xiu asked!

“Elder Cui banned Lu San from taking inner sect examinations for 30 years, and Liu Shitong was fined three years’ salary.”

Wei Qing said!

“What about the assessment? We should have passed it, right?”

Someone asked!

I finally made it to the last level, and I don’t have this kind of luck every time I take the inner door assessment!

“The assessment is invalid. Elder Cui will repair the assessment formation. Wait for notification then!”

Wei Qing shook his head helplessly and said!

“Ah... the assessment is invalid?”

“What a waste of this time.”

“We were very lucky this time. We didn’t expect something like this to happen.”

Upon hearing that the assessment was invalidated, many disciples began to complain!

Chen Ping also frowned. If he could not be promoted to an inner sect disciple, he would not be able to move around in the inner sect area, let alone meet the old sect master!

The assessment is now invalid. If we have to re-assess, I don’t know when it will take!

“Brother, I remember you said there is another way to become an inner disciple, that is, recommendation by the elders. It can be done with three elders recommending, right?”

Chen Ping asked Wei Qing!

Wei Qing nodded, and then said with embarrassment: "Junior brother, it is not so easy to get the recommendation from the elders. What's more, you have just entered Zi Yan Sect and have not even been an outer sect disciple. If you want to use the method of recommendation from the elders, I am afraid it will not work at all!"

When Chen Ping heard this, he was immediately discouraged!

"Little Junior Brother, don't be discouraged. Although you cannot be recommended by the elders, there is still a way to be promoted to an inner disciple."

Qian Xiu said!

"What method?" Chen Ping's eyes lit up!

"Junior Sister Qian, do you want to talk about the ring challenge?"

Wei Qing asked!

"Yes, if you succeed in the challenge, you can be promoted to an inner disciple."

Qian Xiu nodded!

"Forget it. The sect hasn't seen a successful challenge in hundreds of years. If you let Junior Brother challenge, you're courting death."

Wei Qing shook his head and said!

"Brother, how do I challenge you? Who do you want to challenge?"

"Could it be that if we succeed in challenging that inner disciple, we can be promoted?"

Chen Ping asked doubtfully!

"It's not that easy. If I challenged an inner sect disciple, it would be much easier. Then Lu San wouldn't have to wait for so many years."

"You need to challenge the sect's deacon disciples. Only after you defeat the deacon disciples can you become an inner sect disciple."

"Think about it, how could an outer disciple challenge a deacon disciple successfully?"

"Every time we challenge someone, the deacon disciples will go all out. Otherwise, if they succeed in the challenge, they will be too ashamed to stay in Ziyan Sect."

“The Purple Flame Sect has existed for hundreds of years. Although there are challengers almost every year, no one has ever succeeded. On the contrary, many people have been beaten into cripples.”

“This challenge is too dangerous, so I didn’t tell you.”

Wei Qing followed Chen Ping and told the story!

“Brother, I want to challenge you, but how can I sign up for this challenge?”

Chen Ping became interested when he heard it!

He will definitely succeed in the challenge. Although Chen Ping does not want to expose his strength too early, in order to enter the inner gate, Chen Ping must challenge!

“Junior brother, you are only at the fourth level of the Tribulation Realm. If you challenge me, you will definitely lose.”

“You should know that the lowest level of a deacon disciple is the sixth level of the Tribulation Realm!”

“That Liu Shitong has already reached the eighth level of the Tribulation Realm. It will take him a while to reach the ninth level of the Tribulation Realm.”

“Do you think you can defeat them?”

Wei Qing persuaded Chen Ping!

“Brother, how can we know if we don’t try? Even if it’s Liu Shitong, I feel I can beat him!”

Chen Ping said with confidence!

A Man Like None Other Chapter 3945—“You are so arrogant! If you are so confident, I can let you challenge me. As long as you can defeat me, I will let you become my inner disciple.”

At this time, Liu Shitong and Lu San also came out!

Liu Shitong happened to hear what Chen Ping said, so he said with a look of disdain!

He simply didn’t believe that Chen Ping, a guy at the fourth level of the Tribulation Realm, could defeat him!

He can defeat Chen Ping with one hand!

Liu Shitong's words attracted many people to gather around. Seeing that Chen Ping wanted to challenge Liu Shitong to join the inner disciples, everyone was quite surprised!

You must know that Chen Ping is only at the fourth level of the Tribulation Realm, while Liu Shitong is at the eighth level of the Tribulation Realm!

The difference is too great!

"Junior brother, don't listen to him. We are trying to find a solution. Wait for Master to come out of the meeting room and then we will discuss it with him."

"If you compete with Liu Shitong, you will definitely die. It's hard to hold back against this guy."

"Besides, even if it's a competition in the ring, you don't have to find Liu Shitong. You can choose anyone from the deacons and disciples. This is your right."

Wei Qing hurriedly followed Chen Ping and said!

He was afraid that Chen Ping didn't know the rules and would be fooled by Liu Shitong!

"Wei Qing, what rights or no rights? He has no choice but to compete with me. If he chooses someone else, I will not pass. Don't forget that I am the chief judge of the assessment."

Liu Shitong said with a grim look!

Liu Shitong was feeling upset because he had caused such a big mess in the assessment this time. Now he could vent his anger on Chen Ping!

"You are so mean..."

Seeing this, Qian Xiu glared at Liu Shitong!

"mean?"

Liu Shitong smiled: "This is the sect's rule. Do you think the people who make the sect's rules are despicable?"

"Hahaha, if you want to become an inner sect disciple, you have to pass Senior Brother Liu."

"Otherwise, none of you will be able to become an inner disciple."

Lu San laughed triumphantly!

“Boy, you have a lot of experience. If you switch to our lineage now, I can easily make you an inner disciple.”

Liu Shitong said to Chen Ping.

“Are you worthy?”

Chen Ping smiled coldly!

“Boy, if you want to become an inner disciple, you have to beat me!”

Liu Shitong’s eyes narrowed slightly!

Wei Qing was so angry that he was about to die!

They are both deacon disciples, but he has no power at all now. Who made Liu Shitong’s master the new leader?

He is now worried that if Chen Ping competes with Liu Shitong, he will definitely get hurt!

If you are not careful, you will be directly destroyed!

“Beating you is much easier than pooping and farting!”

Chen Ping looked at Liu Shitong with disdain!

Chen Ping’s words immediately made everyone look at him, all with a look of surprise!

A fourth-grade cultivator in the Tribulation Realm actually dares to say that defeating an eighth-grade cultivator in the Tribulation Realm is easier than shitting or farting?

This is too much boasting!

“Brother, stop talking and shut up!”

Wei Qing frowned, he was afraid that Chen Ping was provoking Liu Shitong, which would end up in a bad way!

Qian Xiu and others also persuaded Chen Ping not to speak anymore!

“Brother, what I said is the truth, why can’t I speak it out?”

“With his strength, I can crush him to death with just one hand!”

Chen Ping sneered!

Since he can no longer hide his strength, Chen Ping might as well show off!

What Chen Ping said was indeed true. With Liu Shitong's strength, Chen Ping could indeed defeat him with one hand!

Hearing Chen Ping's words, Liu Shitong's face flushed with anger and he said, "Boy, you are too arrogant. Let me tell you, even if I cripple you in the ring, you deserve it. There will be no punishment."

"Then in the ring, if I destroy you, will there be any punishment?"

Chen Ping asked!

Wei Qing was speechless after listening to Chen Ping's words.

There has to be a limit to showing off, and Chen Ping is going a bit too far!

The other fellow disciples all looked at Chen Ping, their eyes full of ridicule!

A Man Like None Other Chapter 3946-Chen Ping is overestimating his own abilities. If he had said this to Wei Qing, who is as powerful as Liu Shitong, it might have been considered as showing confidence and toughness!

But when Chen Ping said this, it was a joke and he overestimated his own abilities!

How can a fourth-grade cultivator in the Tribulation Realm compete with an eighth-grade cultivator in the Tribulation Realm?

This is a difference of four full small realms!

You must know that the higher the realm, the greater the gap between small realms!

"Junior brother, don't say any more. I will help you find a way to enter the inner gate."

Wei Qing frowned and said to Chen Ping with some anger!

"Brother, just wait and see what happens."

Chen Ping smiled faintly, then looked at Liu Shitong: "The assessment is now invalid, and the initial bet is also invalid. Now let's make a new bet. If you beat me, the spirit coins I bet can still belong to you."

“Okay, if you beat me, I’ll give you my spirit coins, and when I see you, I’ll call you Big Brother.”

Liu Shitong agreed readily!

This is simply giving yourself money for nothing!

“Where is the ring? Let’s fight now. I don’t have much time to waste on you.”

Chen Ping asked!

“Junior brother...”

Wei Qing and Qian Xiu both wanted to persuade Chen Ping, but Chen Ping waved his hand and told them to be quiet!

“Come with me.....”

Liu Shitong leaped up, and Chen Ping followed closely behind him!

At this point, Chen Ping no longer cares whether his strength will be exposed!

It doesn’t matter if you reveal your strength, as long as you don’t reveal your identity!

Seeing Chen Ping following Liu Shitong away, everyone followed him!

This kind of battle with a difference of four small realms has never happened in the entire Zi Yan Sect!

Wei Qing also followed with great concern!

“Why is this Junior Brother so reckless?”

Wei Qing’s face was full of anxiety, and he even asked someone to notify his master!

But I don’t know if they can be notified. After all, not everyone can enter the meeting hall!

“Alas, Junior Brother is too impulsive. It would be a pity if Liu Shitong destroyed him.”

Qian Xiu was also extremely anxious. It would be a pity if such a good person was wasted!

“Brother, sister, you can stop Junior Brother by force and knock him out directly. This kind of fight is just a waste of life!”

“That’s right. Junior brother doesn’t know how sinister Liu Shitong is, but we do.”

Many fellow disciples also said this!

“Yes, we will take the junior brother away by force later.”

Qian Xiu seemed to have made a decision!

Wei Qing nodded vigorously. He couldn’t just watch Chen Ping die. If something really happened, he wouldn’t be able to explain to Elder Yu!

Liu Shitong brought Chen Ping to the arena, which was made of special diamonds, and there were flashing array patterns around it!

It is obvious that these formations should also be set up by Elder Cui. It is estimated that Elder Cui is the only formation master in the entire Zi Yan Sect!

The area around the ring was already filled with people, all coming to watch the fun!

And the four referee elders were also invited out at this time!

“Liu Shitong, I remember today is the day of the assessment, why did you bring people to this competition arena?”

One of the referees asked Liu Shitong!

“Elder Judge, because the assessment formation is damaged today, a disciple wants to challenge in a duel and be promoted to an inner sect disciple.”

Liu Shitong said!

“Oh!” The elder referee nodded. After all, there were challenges almost every year, so there were no surprises!

“Let the outer disciples and deacon disciples who are challenging come on stage!”

After the referee finished speaking, he sat back in his chair!

Chen Ping followed Liu Shitong and stood on the arena!

The referee elder glanced at the two of them, frowned slightly and said, “Liu Shitong, let the deacon disciple come on stage!”

“Master Judge, I am the one challenging you this time!”

Liu Shitong said!

"It's you?" The elder referee was shocked!

A Man Like None Other Chapter 3947-You must know that Liu Shitong is the most powerful among the deacon disciples, and now he is also the favorite disciple of the new master!

Which blind outer disciple would choose Liu Shitong as a challenge?

Isn't it obvious that this is a sure loss?

The referee elder glanced at Chen Ping and said, "Could it be that this disciple proposed the challenge?"

Chen Ping is only at the fourth level of the Tribulation Realm. No matter how you look at it, there is no way he can challenge Liu Shitong!

The gap in cultivation level is too big. I'm afraid he won't be able to defeat Liu Shitong in a single move!

"Yes, it's him!"

Liu Shitong nodded!

"Then what's the point of competing? This competition is meaningless. With such a huge gap in realm, I'm afraid you can kill him with just one hand."

The referee elder said boringly!

There is nothing to watch in a competition like this with such a huge gap in realm!

It was over in the blink of an eye, making even the referee elders feel it was meaningless!

"Master referee, even if I can kill him with one finger, I still have to go through the formalities and procedures, otherwise someone will not be convinced."

Liu Shitong looked at Chen Ping with a sneer!

But Chen Ping's eyes were full of calmness, and there was a hint of sarcasm in the corners of his mouth!

"Okay, let's get started!"

After the referee elder finished speaking, he gently pressed down on a palm-sized stone with one hand!

Soon, rays of light suddenly lit up, and several formations enveloped the arena!

Now that the formation is activated, Chen Ping and his team can begin. No matter what happens inside, it will not affect the outside!

Similarly, people outside have no way to influence those on the arena!

Seeing the formation activated, Wei Qing and Qian Xiu became nervous. They still wanted to stop Chen Ping, but now that the formation was activated, they had no way to stop it!

Looking at the formations activated all around, Liu Shitong smiled coldly and said, "Boy, I didn't expect you to be so fearless. But today I'm going to use you to establish my authority. You deserve this bad luck, so don't blame me after you die."

The aura of the eighth level of the Tribulation Realm surged from Liu Shitong's body, and the entire arena was filled with Liu Shitong's aura!

"You want to kill me?"

Chen Ping sneered!

"Nonsense, you are a newcomer and you dare to offend me. How can I convince the public if I don't kill you?"

"But you don't have to die. As long as you kneel down and beg me now, and join our lineage, I can spare your life."

Liu Shitong said!

He could also let Chen Ping live. After all, Chen Ping was a rich second-generation. If he joined their lineage, he could take the opportunity to make some money!

"Bah, who do you think you are? Just don't kneel down and beg me not to kill you later."

Chen Ping spat fiercely!

That arrogant look made Liu Shitong so angry that he almost died!

"Senior Brother Liu, slap him to death. This guy is too arrogant."

Lu Sanda roared!

Wei Qing, Qian Xiu and the others all looked nervous.

“This little junior brother, why is he so stubborn? He can’t win the fight, so why can’t he just be honest?”

Qian Xiu was very confused!

“This little junior brother must be from a wealthy family. He has been spoiled since he was a child and doesn’t know what fear is.”

Wei Qing looked at Chen Ping’s appearance and his generosity, and guessed that Chen Ping must be the son of a big family!

He has been living a life of luxury since childhood and has never suffered any setbacks, so he is so arrogant!

But this is the Zi Yan Sect, and if Chen Ping continues to be so arrogant, he will suffer!

“Prepare to die, boy!”

Liu Shitong was enraged and disappeared from the spot in an instant!

Immediately afterwards, a figure was seen running straight towards Chen Ping and slapping him with a palm!

The fierce aura surged towards Chen Ping like a tsunami!

Liu Shitong put his other hand behind his back, and it seemed that he was planning to kill Chen Ping with one hand!

Looking at Liu Shitong who was coming with a ferocious face, Chen Ping raised a sneer!

A Man Like None Other Chapter 3948-With a slight wave of his hand, Liu Shitong only felt a flash of white light in front of his eyes, and then he found Chen Ping in front of him!

“die.....”

Liu Shitong slapped Chen Ping!

This palm directly penetrated Chen Ping’s body, but Chen Ping seemed to be unharmed!

Liu Shitong was shocked and attacked Chen Ping again!

But Chen Ping didn't fight back at all, allowing Liu Shitong to continue attacking him!

"What's wrong with Senior Brother Liu? Is he stupid? Why is he making random moves on the fighting stage?"

Someone asked Lu San!

Lu San was also confused at this moment. He saw Liu Shitong waving his hands in front of Chen Ping!

But Chen Ping was not far in front of Liu Shitong and didn't move at all!

He looked at Liu Shitong as if he was watching a monkey show.

Wei Qing, Qian Xiu and others were all surprised and couldn't understand what Liu Shitong was doing!

"Brother Wei Qing, is Liu Shitong ill?"

Qian Xiu asked!

"This... I haven't heard that Liu Shitong is sick? Could it be..."

Wei Qing seemed to have thought of something and his eyes suddenly widened!

"What's going on?" Qian Xiu asked curiously!

"Could it be that Liu Shitong was under an illusion, and his entire body was in an illusion, so he became like this."

Wei Qing analyzed!

"Illusion? How could he be under an illusion?"

Qian Xiu's face was still full of confusion!

"Junior sister, you are too stupid. Of course it was Junior Brother who cast an illusion that directly tricked Liu Shitong."

"It turns out that Junior Brother has already had a plan in mind. No wonder he is not afraid of Liu Shitong at all."

Wei Qing said with admiration.

"Could it be that Junior Brother is also a formation master? It's impossible. He is too young. How could he be a formation master?"

Qian Xiu frowned slightly, looking at Chen Ping on the arena with a puzzled look on his face!

“Junior sister, Junior Brother might have the magic spell jade slip on him. As long as we activate the jade slip, the magic spell will be activated as well.”

“Don’t forget that Junior Brother is very rich, so it is very likely that he spent a lot of money to buy some formation jade slips.”

Wei Qing explained!

“Yes, yes, that should be it...”

Qian Xiu finally understood now!

At this time, Liu Shitong was on the stage, jumping up and down like a monkey, as if he was fighting with someone, but in fact, he was the only one taking action.

Chen Ping stood not far away, with his hands folded across his chest, his face full of sneer!

Soon, Liu Shitong was sweating profusely, and it was obvious that he was almost exhausted. His face was ferocious and he kept yelling!

In Liu Shitong’s eyes, he found that no matter how he hit Chen Ping, he couldn’t knock Chen Ping down!

This almost made Liu Shitong collapse!

Just as Liu Shitong was yelling, Chen Ping finally moved!

Chen Ping jumped up and kicked Liu Shitong hard on the back!

Liu Shitong fell directly on the arena like a dog that had eaten shit.

Chen Ping stepped on Liu Shitong with one foot and waved to the audience with the attitude of a winner!

At this moment, everyone in the audience was surprised and looked at him in disbelief!

Even the referees were confused as they watched the scene on the arena and forgot to announce the results!

“Awesome, Junior Brother is awesome!”

“Great, Junior Brother is the best, I love you...”

“Hahahaha, what a joke! An eighth-grade Tribulation Realm cultivator can’t beat a fourth-grade Tribulation Realm cultivator.

Wei Qing and the others cheered excitedly!

After being shocked, Wei Qing hurriedly shouted to the referee elder: “Elder, the victory or defeat is determined by points, isn’t it time to announce the result?”

“this.....”

The referee was embarrassed and didn’t know how to announce it!

Liu Shitong, who was being stepped on, also woke up from the illusion at this moment. Seeing his current embarrassing situation, he shouted angrily: “Boy, you dare to trick me, I will kill you...”

A Man Like None Other Chapter 3949-As Liu Shitong roared, flames suddenly burned on his body!

Chen Ping quickly retreated, and Liu Shitong took the opportunity to stand up, and the flame turned into a long sword, swung towards Chen Ping!

“If you want to become an inner disciple of Ziyan Sect, you must defeat me with the ultimate fire. It is shameful to use illusion to cheat!”

While attacking Chen Ping, Liu Shitong roared!

His purpose was to tell everyone that he had fallen into Chen Ping’s illusion, not because he was inferior to others in skills!

“It turns out that this guy used an illusion on Senior Brother Liu. How shameful.”

“No wonder Senior Brother Liu was like an idiot just now.”

“In the competition at Ziyan Sect, he actually used illusion. This is not a real skill.”

Lu San and others immediately accused Chen Ping!

It is obvious that Liu Shitong is making excuses for himself, and he must let Chen Ping defeat him with the ultimate fire. This is really difficult!

But now even the elder referee said nothing, what else could Wei Qing and the others do?

Liu Shitong slashed at Chen Ping with a sword. The sword instantly caused the space to vibrate, and the entire arena was covered in flames!

Chen Ping paused his feet lightly, and his whole body disappeared instantly. Then flames were seen rising above Chen Ping's feet!

Chen Ping used the Fire Control Step to dodge Liu Shitong's attack!

Liu Shitong missed his sword and his face was full of anger!

Chen Ping didn't dare to reveal his full strength yet. The reason why he used illusion just now was to make everyone think that he won by taking advantage of the situation!

But who would have thought that the referee did not make any ruling at all and did not sentence Liu Shitong to lose!

Now Liu Shitong doesn't allow the use of illusions and only allows the use of fire. This is simply too shameless!

Chen Ping is not able to use the Zi Yan Sect's ultimate fire. If he uses it, he will probably be investigated!

No matter whether it is the fire from the earth's core, the fire from the demons, or the extremely cold ice flame, Chen Ping cannot be too exposed!

The Zi Yan Sect originally practiced fire-based techniques. If Chen Ping revealed too much fire, he would definitely be suspected and might even be arrested for research!

At this time, Chen Ping could only use the Fire Control Step to dodge temporarily. Fortunately, the Fire Control Step was also a kind of fire-related skill, so Liu Shitong couldn't say anything!

"Junior brother, your method of making fire with your feet is really amazing, and the speed is so fast!"

Qian Xiu couldn't help but sigh when he saw Chen Ping's Fire Controlling Step.

"What kind of skill is this? Why have I never seen Master use it? I want Master to teach me, too. It's too fast."

Wei Qing looked at Chen Ping's performance of the Fire Control Step with envy on his face!

He thought that this was taught by Elder Yu, but he didn't know that this was the real immortal method. Not to mention Elder Yu, even their sect leader didn't know it!

What's more, Chen Ping did not use his full strength in the Fire Controlling Step, nor did he learn it all.

If you really learn the Fire Control Step, you can travel a thousand miles in one step and move instantly!

At this moment on the martial arts arena, Liu Shitong was very angry with Chen Ping!

He didn't know what kind of fire-based skills Chen Ping was using. His speed was so fast that he couldn't hit or catch him at all. He was just like a loach!

"Feathers flying all over the sky..."

Liu Shitong shouted loudly, and flames burst out from the sword in his hand. The flames shot up into the sky, and then fell from the sky, turning into flames all over the sky, like a downpour!

Upon seeing this, Chen Ping instantly used fire to transform into a sword, and then swung the sword upwards!

From underground, countless flames shot up into the sky and collided directly with Liu Shitong's flames!

The roar continued, and the flames waved by Chen Ping followed the flames of Liu Shitong, colliding and disappearing in mid-air!

It was like a firework, bursting with a flash of light and then dissipating!

Liu Shitong looked at this scene and his whole body became ferocious!

This move of his couldn't hurt Chen Ping at all!

When the others saw this scene, they all fell silent!

Even Wei Qing and the others were silent, as they all thought that Chen Ping had used magic to trick Liu Shitong!

But now, the two sides are in a real clash of strength!

Chen Ping didn't even fall behind!

A Man Like None Other Chapter 3950-Liu Shitong's face was grim. He simply couldn't believe that Chen Ping, a cultivator at the fourth level of the Tribulation Realm, could actually fight him, a cultivator at the eighth level of the Tribulation Realm, to a draw!

Along with Liu Shitong's roar, a large number of flaming sword beams were shot out again!

Chen Ping looked at Liu Shitong's almost crazy look and couldn't help but raise the corner of his mouth. He knew that Liu Shitong was almost collapsed by his anger!

boom!

Chen Ping instantly slashed out with a sword beam, which directly shattered Liu Shitong's flaming sword beams. At the same time, it went straight to Liu Shitong and blasted him out!

Immediately afterwards, Liu Shitong fell to the ground with a bang, stirring up clouds of dust!

At this moment, everyone's face was filled with shock!

It would be shocking enough if Chen Ping could fight Liu Shitong to a draw!

But now, Liu Shitong was knocked away by a single sword!

This contrast was really hard for everyone to accept for a while!

A fourth-grade Tribulation Realm cultivator blasted away an eighth-grade Tribulation Realm cultivator with one sword. Is this a joke?

Even if there is a genius who can fight above his level, it is impossible for him to cross so many realms!

This is beyond everyone's understanding!

Wei Qing opened his mouth wide, unable to believe it, "This... Junior Brother actually defeated Liu Shitong with his own strength?"

At first, I thought Liu Shitong was under an illusion, so he was ambushed by Chen Ping!

But what about now?

This is a pure competition of strength, there is no possibility of any shortcuts!

It was a pure contest of strength, but Liu Shitong was actually knocked away!

"Junior brother must have hidden his skills. No wonder he dared to accept Liu Shitong's challenge so easily!"

Qian Xiu looked at Chen Ping with admiration, she thought Chen Ping must be hiding his strength!

It is normal for some masters to hide their strength for various reasons!

And many people do the same!

Just like Chen Ping now, his realm is suppressed to the fourth level of Tribulation Realm, but his real strength is very high!

In this way, Liu Shitong would believe that he would definitely win!

But in real comparison, he was beaten by others. This is a typical case of playing the pig and eating the tiger!

In this way, Chen Ping's reputation will be greatly enhanced, and Liu Shitong will be humiliated!

"It's very possible, maybe this junior brother's realm is higher than mine!"

Wei Qing also believed that Chen Ping was hiding his strength!

They could never imagine that Chen Ping was only at the fourth level of the Tribulation Realm and had no hidden realm at all!

However, Chen Ping's identity is simply not comparable to that of ordinary cultivators like them, so this result occurred!

"Despicable, shameless, hiding one's realm, and taking people by surprise. Such a despicable person cannot join our Ziyan Sect."

When Lu San saw this scene, he quickly started yelling!

He believed that Chen Ping was hiding his realm and deliberately showing weakness to make Liu Shitong careless!

This kind of opportunistic method is not a real fight at all!

The referee elder also had a stern look on his face at this moment!

If Chen Ping really concealed his realm deliberately at the beginning in order to lull Liu Shitong into complacency, then this fight would really not count!

After all, this is the Zi Yan Sect's inner sect assessment competition, not a life-and-death fight!

There is no need to use this method!

Such a scheming person is not suitable to be an inner disciple of Zi Yan Sect!

“Boy, you tricked me. You actually relied on your hidden realm to fool me!”

Liu Shitong climbed up and wiped the blood from the corner of his mouth!

The referee elder had already opened the formation of the arena and jumped onto the arena. He said in a cold and angry voice, “You deliberately concealed your realm and caused the opponent to misjudge you. This way of winning is not fair and does not meet the requirements of our Zi Yan Sect.”

“You can’t become an inner disciple of our Zi Yan Sect, go back to where you came from!”

Upon seeing this, Wei Qing, Qian Xiu and others also rushed to the arena, wanting to plead for Chen Ping!
