

THE MAN'S DECREE

[A Man Like None Other Chapter 3951]—“Master Judge, my junior brother has just arrived, so he doesn’t know much about the sect’s rules. Please be lenient this time.”

“I asked him to reveal all his realm auras and accept our inspection!”

After Wei Qing finished speaking, he quickly looked at Chen Ping and said, “Junior brother, quickly release all your realms and stop hiding them. If you want to join the Purple Flame Sect, you must do it without reservation.”

“Brother, I haven’t hidden my realm. I am currently at the fourth level of the Tribulation Realm.”

Chen Ping said blankly!

He only hid his identity, but did not hide his realm at all. As for the strength he displayed, Chen Ping had no way to deal with it. This was his strength of the fourth level of the Tribulation Realm.

“Junior brother, don’t be so stubborn. Admit your mistake quickly. Maybe there is still a chance.”

Qian Xiu also persuaded Chen Ping!

“Sister, I am really at the fourth level of the Tribulation Realm. If you don’t believe me, I can accept the examination!”

Chen Ping said calmly!

Seeing that Chen Ping refused to admit it, the referee elder snorted coldly and said, “Okay, we will conduct a full body check on you right now. Don’t even think about hiding from our inspection.”

After saying that, several referees surrounded Chen Ping at the same time, and several of them emitted their spiritual sense at the same time, covering Chen Ping!

Chen Ping did not resist either. He relaxed his mind and all the aura of his realm was released!

After a full quarter of an hour, several referees had cold sweat on their foreheads.

But after much investigation, it was found that Chen Ping was indeed only at the fourth level of the Tribulation Realm!

Chen Ping did not lie nor hide anything!

“This is really strange, he is really only at the fourth level of the Tribulation Realm, and has no hidden realm!”

The referee elder said with a puzzled look on his face!

When Wei Qing and the others heard this, they all looked at Chen Ping in surprise, their faces full of disbelief!

Liu Shitong shook his head and said, “Impossible. He is at the fourth level of the Tribulation Realm. How could he possibly defeat me, who is at the eighth level of the Tribulation Realm?”

“This is impossible, this is absolutely impossible. This guy must have some hidden skills to hide his realm aura so that others can’t detect it!”

Liu Shitong didn’t believe that he would be defeated by a cultivator of the fourth level in the Tribulation Realm!

“Liu Shitong, although you are now the master’s disciple, you don’t have to doubt our strength. We can still find out whether there is a hidden realm or not. Otherwise, we old guys would not have to act as referees.”

The referee looked slightly angry and said to Liu Shitong!

“Calm down, Elder Judge. That’s not what I meant...”

Liu Shitong quickly apologized!

However, Chen Ping had indeed reached the fourth level of the Tribulation Realm, which was beyond all of their expectations. They all thought that Chen Ping was hiding his realm!

“You are not as skilled as others, so you find other excuses. Do you have any shame?”

“I am even wondering how you reached the eighth level of the Tribulation Realm. Did you use some evil skills to get there?”

“People like you don’t practice martial arts down to earth, but want to reach the sky in one step. Even if you are now at the eighth level of the Tribulation Realm, your strength is not that strong!”

Chen Ping mocked Liu Shitong!

“You’re talking nonsense!” Liu Shitong’s face flushed: “Guess you’re practicing evil skills!”

“Am I talking nonsense? Why would you, an eighth-level Tribulation Realm cultivator, lose to me, a fourth-level Tribulation Realm cultivator?”

“Explain to me, it’s not that you are incompetent, or what?”

Chen Ping said again!

Liu Shitong was so angry that he was about to die. He was the sect master’s favorite disciple and also a deacon, but now he was humiliated by Chen Ping, a guy who was not even an outer disciple, in front of so many people. It was such a great shame!

“I didn’t lose. Who said I lost? Do you think I would be defeated by you so easily?”

Liu Shitong roared, and his aura burst out again!

A Man Like None Other Chapter 3952—“Since you won’t cry until you see the coffin, then I will grant your wish!”

Chen Ping smiled faintly!

Seeing this, the referee waved his hand and said, “Everyone, step back, and the competition continues.”

As the formation slowly opened again, Chen Ping and Liu Shitong started fighting again on the arena!

Liu Shitong just gently raised his hands, and the sky instantly changed color!

Two clouds, one red and one purple, appeared above Liu Shitong’s head!

Immediately afterwards, two rays of fire fell from the two clouds and landed directly on Liu Shitong’s palm!

One of the supreme fires was exactly the supreme fire of the Zi Yan Sect, but Chen Ping couldn’t tell what kind of supreme fire that was the pale purple one!

Everyone looked at Liu Shitong in shock, all with a look of confusion!

“What kind of ultimate fire is this that Liu Shitong uses? How come there are two kinds?”

“This is so strange. How can he have another kind of ultimate fire besides the ultimate fire of the Purple Flame Sect?”

Many people started talking in low voices!

Even the referee elder frowned!

“This Liu Shitong is just a deacon disciple, but he has mastered the top-secret fire of Zi Yan Sect. It seems that Sect Master Huo really loves him.”

The referee gritted his teeth, with a look of obvious displeasure in his eyes!

You know, the lavender supreme fire is the Zi Yan Sect’s top secret supreme fire, and it is also the secret of the Zi Yan Sect!

All the disciples practiced the red supreme fire and could not come into contact with this lavender supreme fire at all!

Even they don’t know about it. Only those who have reached the elder level can access it!

But even among the elders, not all of them can practice Zi Yan Sect’s top-secret fire!

It also depends on the situation. Judge elders like them have limited power in Zi Yan Men!

Although they knew the top-secret fire of Zi Yan Sect, they had no access to it and could not practice it!

But now Liu Shitong, who is just a deacon disciple, has actually mastered the top-secret fire of Zi Yan Sect. How could this not make the referee elder angry!

Moreover, the origin of the name Zi Yan Men also comes from this pale purple fire!

But now Liu Shitong actually displayed the Zi Yan Sect’s top-secret fire in front of so many disciples, which is not allowed!

Liu Shitong also knew that he should not show this lavender fire in front of everyone!

But in order to defeat Chen Ping, he couldn’t care less!

Chen Ping looked at the lavender supreme fire in Liu Shitong’s hand, his heart filled with excitement. This was another kind of supreme fire. If he could absorb it, he would possess five kinds of supreme fire!

But how could Chen Ping absorb the ultimate fire quietly in front of so many people?

You can't just blatantly snatch that ultimate fire and absorb it!

Just when Chen Ping was thinking about how to absorb Liu Shitong's ultimate fire, Liu Shitong suddenly clasped his palms together!

The two extreme fires collided with each other in an instant, and then endless flames erupted, engulfing Liu Shitong!

"ah....."

Liu Shitong let out a shrill scream, but did not struggle at all, allowing the two kinds of fire to burn in his body!

"Is Senior Brother Liu crazy? Why would he self-immolate?"

"It's incredible, what is this going to do?"

When everyone saw Liu Shitong like this, they were all shocked!

Even Chen Ping was a little confused. He didn't understand what Liu Shitong was going to do!

Liu Shitong actually let the two kinds of fire collide with each other without merging them. Isn't this courting death?

At this moment, half of Liu Shitong's body was wrapped in red flames, and the other half was wrapped in lavender flames!

The two extreme fires were incompatible with each other and devoured Liu Shitong's body!

Liu Shitong screamed, and a strange aura slowly emanated from his chest!

As this strange aura spread, the two originally incompatible fires actually began to slowly merge together in Liu Shitong's chest!

A Man Like None Other Chapter 3953-"This guy actually knows how to fuse the power of fire?"

When Chen Ping saw this, he was quite shocked!

He thought that only the old sect master had the method to merge into fire, but he didn't expect that Liu Shitong could also merge into fire!

You know, not everyone can refine the ultimate fire, and it is even more difficult to fuse the ultimate fire!

After the two kinds of fire merged, their power was obviously much greater!

The flames on Liu Shitong's body turned dark brown, and his expression became ferocious, looking like a devil!

And on Liu Shitong's chest, strange lines appeared, and a black lotus bloomed!

It seems that Liu Shitong is very weird at this moment!

"Why is there suddenly a demonic aura on this guy?"

Chen Ping's eyes were full of surprise!

At the beginning, Liu Shitong did not have any demonic energy at all, and he could not be seen as a demon cultivator at all. But now, this guy actually has demonic energy. Although the demonic energy is not heavy, only a trace, but Chen Ping still noticed it!

"What's going on? Liu Shitong is not practicing the technique of our Ziyan Sect?"

The referee frowned, he seemed to have noticed something strange about Liu Shitong!

Others were also talking about it. They had never seen this kind of martial arts before, but many people did not notice that Liu Shitong was beginning to have demonic energy!

"Black Demonic Lotus, this guy is actually using this method to fuse into fire!"

At this time, Demon Lord Chiyun spoke!

"Black Demonic Lotus?"

Chen Ping was stunned!

"The black lotus on this guy's chest is the Black Magic Lotus. This kind of Black Magic Lotus needs to be nurtured in the body. Once the Black Magic Lotus appears, it can fuse everything."

"This guy just used the Black Magic Lotus to fuse the Ultimate Fire. He doesn't have the skills to fuse the Ultimate Fire himself."

"However, after the Black Magic Lotus is unleashed, the cultivator will be severely injured and will need to cultivate his body and mind. Otherwise, he might even be swallowed by the Black Magic Lotus."

“I didn’t expect this guy to have a Black Demon Lotus in his body, and he’s using it at this time. It’s obvious that he wants to kill you!”

Demon Lord Chiyun said with some surprise!

After all, it’s just a martial arts competition, not any deep hatred. This Liu Shitong has unleashed the Black Magic Lotus, probably a fight to the death!

It seems that Liu Shitong is really a ruthless character!

“So, this Liu Shitong is not a demon cultivator? He also doesn’t know how to integrate the fire technique?”

Chen Ping asked!

“Yes, he was able to do this entirely because of the Black Magic Lotus. I just don’t know where this kid got the Black Magic Lotus from.”

The Red Cloud Demon Lord said!

After hearing this, Chen Ping felt relieved. If this guy really knew how to integrate the martial arts into fire, it would be difficult for Chen Ping to deal with him!

Now, relying only on the supreme fire fused from the Black Demon Lotus, Chen Ping is no longer afraid!

As long as the Black Demonic Lotus is destroyed, the two kinds of fire will naturally separate!

Chen Ping can find an opportunity to refine and absorb the lavender fire!

At this time, Wei Qing and others, looking at Liu Shitong’s sudden change, all broke out in a cold sweat for Chen Ping!

But Chen Ping himself looked relaxed. No matter how hard Liu Shitong tried, he was just an ant in front of him!

“go to hell.....”

A terrifying aura was surging around Liu Shitong’s body. Looking at the black magic lotus on his chest, Liu Shitong regained his confidence!

He believed that with the help of the Black Demonic Lotus, he would be able to defeat Chen Ping!

He cannot be defeated by a cultivator at the fourth level of the Tribulation Realm, otherwise he will have no place to stay in the Zi Yan Sect and will be spitted to death!

Liu Shitong waved his arms, and flames shot out from the black magic lotus on his chest!

A Man Like None Other Chapter 3954-The dark brown fireworks transformed into fire dragons and wrapped up Chen Ping!

Chen Ping did not dodge or evade, allowing these fire dragons to surround him!

Chen Ping wanted to try to absorb and refine the pale purple fire from this flame!

Since Liu Shitong's ultimate fire is not truly fused, Chen Ping has the opportunity to absorb and refine it!

If Chen Ping defeated Liu Shitong now and directly absorbed and refined the lavender fire from his body, he would definitely be discovered and suspected!

Now Chen Ping can only take the risk and separate the lavender fire from the fused flames!

Fortunately, Chen Ping had already refined the Purple Flame Sect's Ultimate Fire, so he was able to separate the Purple Flame Sect's Ultimate Fire from this flame, and what was left was the light purple Ultimate Fire!

However, Chen Ping didn't know that this lavender supreme fire also belonged to Zi Yan Sect, but it was Zi Yan Sect's top secret supreme fire. Even the deacons and disciples of Zi Yan Sect didn't know about it, so how could Chen Ping know it!

Chen Ping's indestructible golden body was activated, but because he was surrounded by flames, no one noticed Chen Ping's indestructible golden body, otherwise Chen Ping's identity would most likely be exposed!

After all, in the entire world of heaven and man, Chen Ping is the only one who can display the indestructible golden body and be covered with golden scales!

"Junior brother!"

"Junior brother..."

Seeing Chen Ping not dodging or evading and being enveloped by the fire, Wei Qing and Qian Xiu both shouted in horror!

They didn't understand why Chen Ping didn't dodge. Was it because he couldn't dodge?

In fact, even Liu Shitong himself was a little surprised. He didn't expect that he could control Chen Ping with just one move, and Chen Ping was wrapped in flames!

Although Liu Shitong didn't know why Chen Ping didn't dodge, he simply couldn't dodge!

But now Chen Ping is wrapped in the extreme fire and he is definitely not going to survive!

Liu Shitong had a sneer on his face, and flames were still shooting out from the Black Demon Lotus!

Even though Chen Ping was wrapped in flames, he still looked extremely relaxed!

With the indestructible golden body protecting him and the extremely cold ice flame running, Chen Ping could not feel the slightest bit of heat!

Looking at the flames rising around his body, Chen Ping saw the Purple Flame Sect's Ultimate Fire jumping up and down. Then, using the principle of attraction between the same kind of ultimate fires, Chen Ping slowly separated the Purple Flame Sect's Ultimate Fire from the flames!

Soon, a ball of light purple fire jumped up in front of Chen Ping, and the Zi Yan Sect's fire had been attracted out of it!

Chen Ping opened his mouth and sucked the lavender fire into his body without hesitation!

However, there was too little of the supreme fire and there was no way to refine it, so Chen Ping continued to separate the two supreme fires and absorb them again!

Just as Chen Ping was separating and absorbing the fire, the flames around Chen Ping actually began to weaken!

Upon seeing this, Chen Ping hurriedly put away his indestructible golden body, and then pretended to struggle in pain in the flames!

If Liu Shitong saw that Chen Ping was unharmed, he would probably stop using the fused ultimate fire!

The flame slowly goes out!

Chen Ping looked a little embarrassed, and he was half-kneeling on the ground due to exhaustion!

His body was still shaking: "What a powerful Supreme Fire, I didn't expect you could actually fuse the Supreme Fire."

"If it keeps burning, I'll turn into ashes!"

Liu Shitong was stunned when he saw Chen Ping was still alive. But after hearing Chen Ping's words, Liu Shitong smiled and said, "Boy, now you know how powerful I am, but it's too late..."

Having said that, Liu Shitong was about to use Fire again!

"Stop, admit defeat, we admit defeat..."

"Master referee, we admit defeat. This is just a test competition, not a life-and-death fight. We cannot let Liu Shitong kill us!"

Seeing this, Wei Qing and Qian Xiu hurriedly shouted!

They admitted defeat and stopped Chen Ping from fighting any further. In this situation, if they continued to fight, they would be completely wiped out!

"Humph, this isn't a fight between you two, there's no point in you admitting defeat!"

Liu Shitong snorted coldly!

A Man Like None Other Chapter 3955-The referee looked at Chen Ping and asked, "Do you admit defeat?"

"If you admit defeat now, you will not be allowed to participate in assessment competitions for three years!"

"I won't admit defeat, I won't admit defeat even if I die. Burn me to death if you can, burn me to ashes!"

Chen Ping stood up and said arrogantly!

He was going to provoke Liu Shitong into a rage and make him explode without reservation until the fire burned himself!

Chen Ping is not afraid of Liu Shitong's rage!

“Little Junior Brother, stop talking and admit defeat quickly, or you will really be burned to death.”

Qian Xiu shouted!

“Junior brother, stop being so stubborn!”

Wei Qing had a worried look on his face. He didn’t understand why his junior fellow apprentice brother was so stubborn!

Just admit defeat, no one will die!

“I don’t have any other skills, except that I’m stubborn and I won’t admit defeat even if I die!”

Chen Ping raised his head and said arrogantly!

“Okay, then I’ll burn your mouth and see how long you can hold on.”

Liu Shitong’s face was full of anger. He jumped up and crossed his hands in front of his chest.

Soon a large net of flames appeared!

The Black Demonic Lotus was trembling slightly, and the ultimate fire after fusion burst out with a scorching temperature!

If it weren’t for the isolation formation, all the other people would have been burned!

“Referee elder, as a referee, are you just going to watch the disciples in the sect kill each other?”

“If my fellow apprentice dies, this matter will definitely not end, and you will also be blamed.”

Seeing this, Wei Qing could only threaten the referee elder to come to the rescue!

Otherwise, Chen Ping would really die on the arena!

The referee elder frowned slightly, looking very unhappy. After all, he was an elder, yet he was threatened by Wei Qing!

Moreover, the elder referee also knows that with his limited strength, if he were to try to stop it, he might not be able to stop it!

After all, Liu Shitong is a cultivator with the strength of the eighth level in the Tribulation Realm, and he has also refined the top-secret fire of the Purple Flame Sect!

These extreme fires are something that ordinary elders like them have never seen before!

However, after thinking it over again and again, the elder referee still pressed the switch, and the formation was instantly shut down!

“stop.....”

Immediately afterwards, the elder referee and several other referees took action at the same time and finally blocked Liu Shitong's attack!

“Liu Shitong, the winner has already been decided, there is no need to kill him!”

The referee elder said!

Seeing this, Chen Ping immediately looked helpless. If he could curse someone, he really wanted to scold the referee for meddling in other people's business!

Liu Shitong also frowned. In order to kill Chen Ping, he did not hesitate to use the top-secret fire and even cast the Black Magic Lotus!

After this battle, Liu Shitong will probably need to recuperate for a year or so!

He doesn't agree to pay such a huge price just to make Chen Ping lose!

What's more, Chen Ping has not admitted defeat yet.

“Master referee, the other party has not admitted defeat yet. Do you want to intervene?”

Liu Shitong asked with eyes full of anger!

“Although he didn't admit defeat, everyone can see the result. We are all from the same sect, so there is no need to kill him!”

The referee elder said slowly!

“What if I don't stop?”

Liu Shitong's eyes narrowed slightly!

“If you don't stop, then we old guys will have to practice with you, and this matter will also be reported to the sect leader.”

“Although you are the new sect master’s favored disciple, you have broken the rules of Zi Yan Sect. Let’s see if the new sect master will forgive you!”

The referee threatened Liu Shitong!

At this moment, Liu Shitong felt a little dispirited. If he took action again, things would probably get out of hand!

But just when Liu Shitong was about to let Chen Ping go, Chen Ping became anxious!

“Who told you to meddle in other people’s business? I’m still waiting to beat Liu Shitong down.”

“Don’t meddle in other people’s business. I will die in the arena, and I will never admit defeat.”

“.....”

Chen Ping started to verbally attack the chief referee!

This made the referee elder very angry!

A Man Like None Other Chapter 3956—“Junior brother, please don’t be rude. Why are you talking to the referee elder?”

Upon seeing this, Wei Qing quickly scolded Chen Ping!

The referee elder was so angry that his face turned green!

“You ungrateful fellow, since you want to compete, then go ahead!”

The referee elder stepped down directly and restarted the formation!

At this moment, Wei Qing and Qian Xiu were both panicked!

Liu Shitong sneered: “Boy, you are really courting death. Since you want to die so much, I will grant your wish!”

Liu Shitong kept waving his hands, and rays of scorching flames engulfed the entire arena!

Chen Ping was delighted and stood still, allowing the flames to burn him!

The more of this supreme fire there is, the more lavender supreme fire there is!

In this way, Chen Ping can take advantage of this opportunity to see if he can refine this pale purple fire!

Chen Ping screamed in pain, but his face was full of smiles as he continued to absorb the lavender flame from the ultimate fire!

The screams stopped in Liu Shitong's ears, making him very excited!

"Go ahead and scream. The louder you scream, the more excited I will be..."

Liu Shitong's face was full of pride, and he kept increasing the intensity of the fire!

Wei Qing and Qian Xiu were both very anxious when they heard Chen Ping's screams!

"Hey, this little junior brother is really courting his own death. He is a rich second generation, but why is his brain so sick?"

Qian Xiu sighed!

Qian Xiu was attracted by such a rich young man, but unfortunately she was not smart and was stubborn. She was a complete fool!

Wei Qing also sighed and thought about how to explain it to his master!

An inner sect disciple's assessment turned into a life-and-death battle!

Everyone stared blankly at Chen Ping being burned by the fire!

And Chen Ping's screams were extremely creepy!

A stick of incense!

Two sticks of incense!

Three sticks of incense...

Cold sweat appeared on Liu Shitong's forehead, and the flames erupting from the Black Demon Lotus began to weaken!

But Chen Ping's voice was still heard, and he was still screaming!

It's been such a long time, but it just won't die and is still screaming!

Although the screams were very miserable, there was no sign of weakness, and the voice was still so loud!

“Ah... I’m burning to death, it’s too hot...”

“Stop burning it! I’m dying!”

“If you burn for a little longer, I’ll be reduced to ash!”

The difference between Chen Ping and the others was that his fire was actually getting weaker, so he screamed even harder!

He hoped that Liu Shitong could hold on a little longer and not put out the fire so quickly!

Liu Shitong gritted his teeth and was about to go crazy!

But at this time, he didn’t want to give up. Chen Ping was obviously about to die. If he gave up at this time, all his previous efforts would be wasted!

Liu Shitong could only grit his teeth and hold on, but the ultimate fire in his body could not last long!

Especially the top-secret fire, it didn’t take Liu Shitong very long to refine and master it!

Now the lavender fire is almost exhausted, and the black magic lotus can no longer hold on!

You must know that releasing this Black Demon Lotus will also have a huge backlash on Liu Shitong’s body!

It has been such a long time now, Liu Shitong’s body must have suffered serious damage!

After this battle, Liu Shitong will probably need to recuperate for a long time!

“Damn it, this guy is already half burned to death. Even if I can’t burn him to death, I can beat him to death!”

Thinking of this, Liu Shitong took back all the fire!

Chen Ping was still screaming and didn’t notice that Liu Shitong had taken back the fire.

Everyone saw that Chen Ping was unharmed, but he was twisting his body and screaming miserably!

“It’s burning me to death! This fire is so powerful!”

“My arms are about to burn off.”

Chen Ping is still shouting!

When Liu Shitong saw this scene, he was stunned!

What is going on?

He suffered backlash and even exposed the top-secret fire of Zi Yan Sect, so how come Chen Ping seemed to be unharmed in the end?

And looking at Chen Ping's expression, it is obvious that he is just pretending!

A Man Like None Other Chapter 3957-Everyone else was also dumbfounded and didn't understand what was going on!

Even if Chen Ping was not burned to death, he should have been burned beyond recognition and his body should be covered with scars!

But looking at Chen Ping now, he doesn't have any scars at all, even his clothes are intact!

There is no trace of burning at all!

"Hey, why is the fire gone?"

Chen Ping reacted belatedly and saw that the surrounding fire had died down, so he waved at Liu Shitong and said, "Don't stop, I'm almost burned to death, keep burning!"

"Come on, come on, burn me..."

Chen Ping looked like he deserved a beating and provoked Liu Shitong!

"Hahaha, Junior Brother is awesome!"

Qian Xiu looked at Chen Ping and couldn't help but burst out laughing!

The others couldn't help laughing as well, and all their eyes were on Liu Shitong. They wanted to know what else Liu Shitong could do!

"This boy is not afraid of fire. No wonder he was so stubborn just now. Could he be a genius who practices fire-related skills?"

The elder referee was surprised to see that Chen Ping had been burned for a long time but was not injured at all!

Liu Shitong looked at Chen Ping's provocative look and was so angry that he spat out blood!

He really didn't understand why he couldn't hurt Chen Ping at all even after using the top-secret fire and the black magic lotus!

"Since you are not afraid of the fire, I will kill you with the most primitive means!"

After saying that, Liu Shitong jumped up and rushed towards Chen Ping like a sharp sword!

Since Chen Ping is not afraid of the Ultimate Fire, he doesn't need the Ultimate Fire. Liu Shitong will use the purest physical strength to deal with Chen Ping!

He just didn't believe that Chen Ping's body could withstand his overwhelming force!

You must know that the higher the realm, the stronger the body will be, otherwise it will not be possible to withstand such a high level of cultivation!

Liu Shitong is at the eighth level of the Tribulation Realm, so his physical strength must be stronger than Chen Ping, who is at the fourth level of the Tribulation Realm!

Chen Ping's strength can be compensated by various skills, but the strength of his physical body cannot be compensated by any skills!

"You want to fight me in close combat?"

Chen Ping raised his lips and said, "Since you don't need the fire anymore, there's no need for you to stand there!"

Chen Ping let Liu Shitong stand on the stage in order to absorb the lavender fire!

Now that Liu Shitong no longer needs to be so angry, there is no need for him to show off!

If Chen Ping wants to defeat Liu Shitong, it is just a matter of a move!

Facing the rapidly approaching Liu Shitong, Chen Ping stood still until Liu Shitong was in front of him, then he suddenly punched him!

Chen Ping's fist was wrapped in golden light and it collided fiercely with Liu Shitong's fist!

boom!

A terrifying air wave rushed in all directions. Fortunately, there was a formation to block it, otherwise the people around would be in trouble!

After this punch, Liu Shitong's body flew backwards like a leaf, and his entire arm hung down weakly!

Liu Shitong's body fell heavily to the ground, and large amounts of blood spurted out of his mouth!

Everyone was stunned on the spot, some of them couldn't believe it!

At the beginning, Liu Shitong was stepped on by Chen Ping, who said that Chen Ping used illusion and was just taking advantage of the situation!

Later, Liu Shitong used the top-secret fire, but still failed to hurt Chen Ping. He believed that Chen Ping's body was not afraid of fire!

But now, even using the most primitive strength of his body, Liu Shitong was still knocked away by Chen Ping's punch!

What excuse can you find this time?

Crushing over and over again can only prove one thing, that is, Chen Ping's strength is far superior to Liu Shitong!

Although Chen Ping only appears to be at the fourth level of the Tribulation Realm, his true strength is terrifying!

Chen Ping walked up to Liu Shitong and picked him up!

It's like carrying a chick!

Liu Shitong looked at Chen Ping in horror and his body began to tremble!

A Man Like None Other Chapter 3958-No matter what he did, he couldn't defeat Chen Ping. Now he finally realized that he was no match for Chen Ping at all, and Chen Ping had never taken him seriously from beginning to end!

As for screaming in the fire, it was just to tease him!

Liu Shitong has not yet realized that Chen Ping has already absorbed the Zi Yan Sect's top-secret fire!

"Do you think I can become an inner disciple with my strength?"

Chen Ping asked Liu Shitong!

“Yes, of course I can. I lose, and you are now an inner disciple!”

Liu Shitong nodded desperately!

At this moment, Liu Shitong’s eyes were full of fear!

“Since I won, shouldn’t we fulfill our bet?”

Chen Ping asked!

“Bet...bet, what bet?”

Liu Shitong pretended to be dumb!

He didn’t want to call Chen Ping “Brother” in front of so many people. That would be too embarrassing for him!

How will future disciples of this lineage view him?

Chen Ping frowned and did not say anything. Instead, he grabbed Liu Shitong’s neck and applied a little force with his hands. Liu Shitong suddenly felt like he was going to die!

“I know, I know...”

Liu Shitong begged for mercy: “Don’t kill me, don’t kill me...”

He was really afraid that Chen Ping, being a fool, would kill him!

Chen Ping let go of Liu Shitong and said with a faint smile: “Shout...”

“Brother...”

Liu Shitong shouted softly!

“I can’t hear it, the sound is too soft...”

Chen Ping shook his head!

“Brother...”

Liu Shitong raised the volume, but only Chen Ping could hear it!

Chen Ping frowned again, his eyes filled with sharpness!

Liu Shitong trembled all over and immediately shouted: “Brother, brother, brother...”

Liu Shitong’s voice was so loud that everyone in the Zi Yan Sect could hear it!

Wei Qing and the others heard Liu Shitong calling Chen Ping “Big Brother” and they couldn’t stop laughing, feeling as if they had let out a sigh of relief!

Lu San and the others had ugly expressions on their faces, as if they were feeling worse than having eaten shit!

Chen Ping smiled and looked at the referee seat calmly: “Master referee, can you make the ruling?”

The elder referee finally reacted, closed the formation, and jumped onto the arena!

“The competition is over. Outer disciple Cheng Ping has won and is qualified to be an inner disciple!”

The elder referee announced!

“Okay, Junior Brother is awesome!”

“Junior brother, you are awesome. I love you so much.”

“Junior brother YYDS...”

All the disciples of the old master’s lineage cheered, rushed to the arena, lifted Chen Ping up, and threw him high into the air!

Lu San and his men helped Liu Shitong down from the arena!

Liu Shitong’s face looked grim and his breath was unstable. It seemed that he would need to recuperate for a long time!

Just when Chen Ping and Liu Shitong finished their duel, almost all the elders in charge were present in the meeting hall of Zi Yan Sect, and sitting on the main seat was the newly appointed sect leader Huo Yuanting.

The meeting in the conference hall this time was also about Qian Xiu’s master, Elder Hu. Elder Hu had always been at odds with Huo Yuanting!

After Huo Yuanting became the sect leader, Elder Hu refused to accept it, so he was punished by Huo Yuanting according to the sect rules!

In order to prevent any acts of insubordination or disobedience, Huo Yuanting summoned these elders to discuss the matter!

More importantly, Huo Yuanting wants to reform the recruitment conditions for Zi Yan Sect disciples!

In fact, when it comes down to it, Huo Yuanting wants all the disciples who will enter the inner sect in the future to become his, Huo Yuanting's, lineage!

Slowly weaken the strength of the old sect master's lineage, and when the time is ripe, Huo Yuanting will be the only one in power in the entire Zi Yan Sect!

"Master Huo, Elder Hu committed an insubordination, but he didn't do anything too outrageous. You could have just punished him for a few years. But now you've put him in solitary confinement for thirty years. Isn't that too harsh a punishment?"

An elder with a white beard stood up, looked at Huo Yuanting and said!

"Yes, Lao Hu was sentenced to 30 years in prison. I also think that's too harsh!"

Elder Yu stood up and also spoke up for Elder Hu!

A Man Like None Other Chapter 3959-Huo Yuanting looked coldly at the person who spoke for Elder Hu, and said indifferently: "Elder Hu's punishment has been determined and cannot be modified."

"In addition, all the disciples who passed the inner sect disciple assessment today must go to Jingsi Cliff to practice hard for a month."

"This is also the sect's rule, just tell your disciples!"

Huo Yuanting's tone was unquestionable. As the sect leader, even though he had just been promoted, he did not want his elders to object!

The elders looked at each other and no one spoke!

They all knew that the one-month hard training at Jingsi Cliff was fake, and the real purpose was to brainwash those disciples who passed the assessment!

Although they all knew it, there was nothing they could do since Huo Yuanting was the sect leader now!

Seeing that no one spoke, Huo Yuanting smiled with satisfaction!

Then he took a look outside and asked, "It's already this late, isn't the assessment over yet?"

At this time, a disciple hurried in from outside and said, "Master, the test has already ended, but because a disciple cheated, the test caused a fire explosion and the test formation was damaged."

"Elder Cui is currently repairing the assessment formation, so it will take a few more days to complete the repair."

"What? Someone cheated and made such a fuss? How audacious! Who is it?" Huo Yuanting said with eyes wide open!

When Elder Yu heard this, his heart suddenly tightened!

If Chen Ping did this, then he's doomed. When the investigation begins, the fact that he took money and brought people into the sect will surely be exposed!

But just when the elder was getting nervous, the disciple said, "It was the outer disciple Lu San. He used the fire in the bronze mirror to increase its power, but he failed to control it, causing the fire to explode!"

When he heard it was Lu San, Elder Yu breathed a sigh of relief.

Huo Yuanting frowned, this Lu San was a disciple of his lineage. Although he was only an outer disciple, he had already reached the sixth level of the Tribulation Realm, which was stronger than some of the inner disciples!

As for using the bronze mirror to cheat, it must have been Liu Shitong's idea. After all, only Liu Shitong had that bronze mirror!

"Master, cheating in this assessment has caused the assessment formation to be damaged. This is a serious crime and must be punished!"

Elder Yu said to Huo Yuanting!

At this time, he wanted to embarrass Huo Yuanting. Since he had imprisoned Elder Hu for thirty years, he would see how he would punish his own disciples if they made mistakes!

"He must be punished!" Huo Yuanting nodded, but in his heart he was thinking of how to exonerate Lu San!

"Elder Yu, Sect Master, Elder Cui has already punished Lu San."

The disciple said!

Upon hearing this, Huo Yuanting breathed a sigh of relief: "Since Elder Cui has punished us, then we should follow Elder Cui's wishes. After all, Elder Cui is famous for his selflessness!"

"There was an accident during this assessment. Did no one pass the assessment?"

"One person passed the test by challenging himself." said the disciple!

"Challenge passed? Who is it? Who is being challenged?"

"It's a disciple named Cheng Ping, who challenges Senior Brother Liu Shitong!" the disciple replied!

"What?"

Huo Yuanting stood up suddenly, his face full of disbelief!

Liu Shitong was his most proud disciple, how could he be defeated by an outer disciple?

When Elder Yu heard the name Cheng Ping, he was shocked. He didn't expect that it was the person he brought with him.

He didn't expect that Chen Ping had such ability!

"Tell the referee elder to send over the jade slips recording the competition!"

Huo Yuanting calmed down, slowly sat back and said!

"Yes!" The disciple turned around and left to find the referee elder!

The other elders were talking among themselves!

A Man Like None Other Chapter 3960-"Whose disciple is this? How could he defeat Liu Shitong?"

"He is really a hidden talent, but this Cheng Ping's name is very unfamiliar!"

"Isn't Lu San the most powerful disciple outside our Zi Yan Sect? How come Cheng Ping suddenly appeared?"

Several elders were discussing, but Elder Yu remained silent!

Now Chen Ping has become famous. He just needs to make sure that he doesn't expose himself for accepting money!

“Elder Yu, do you know this Cheng Ping? Whose disciple is he?”

An elder asked!

Elder Yu hesitated for a moment, then said awkwardly, “It’s a disciple I just accepted!”

“What? The disciple that Elder Yu just accepted?”

At this moment, several elders were all furious!

The disciple I just accepted defeated Liu Shitong. This is so awesome!

At this moment, the elder referee hurriedly brought the recording jade slip!

As a spiritual force penetrated into the jade slip, a ball of white mist slowly appeared in the void!

Then, the scene of Chen Ping and Liu Shitong fighting appeared in the white fog, and even the sound was clear!

This is also for the sake of fairness. If the judging elder is unfair, there are recording jade slips for other elders to judge!

Everyone was shocked when seeing the scene of Chen Ping fighting with Liu Shitong!

Especially when Chen Ping was burned by the ultimate fire, the power of this ultimate fire was so strong that even the elders like them might not be able to withstand it!

However, the footage of Liu Shitong using the top-secret fire and the black magic lotus were also exposed!

Seeing this, Huo Yuanting’s face looked uglier than if he had eaten shit!

After all, even ordinary elders are not qualified to learn this top-secret fire. But Liu Shitong, a deacon disciple, actually knows the top-secret fire. Needless to say, it is known that Huo Yuanting must have taught him secretly!

There is also the Black Demonic Lotus. Although Liu Shitong did not learn any magic skills, the Black Demonic Lotus is also a thing used by demon cultivators. It is shameful for a cultivator from a human sect to secretly breed something of the demon clan!

Looking at the fighting scene, everyone’s expression became complicated!

Until the end, when Liu Shitong was knocked away by a punch and then begged for mercy and called “big brother” appeared, Huo Yuanting could no longer sit still!

With a wave of his hand, he destroyed the recording jade slip and the picture disappeared instantly.

“Waste, just waste...”

Huo Yuanting was angry!

His proud disciple was beaten in public and begged for mercy, yet he kept calling him “big brother”!

The other elders were shocked and secretly laughed!

Elder Yu put away his shock and said to Huo Yuanting, “Master Huo, your favorite disciple is really amazing. He even comprehended the top-secret fire of our Zi Yan Sect.”

“I remember the rules of the Purple Flame Sect. The top-secret supreme fire cannot be cultivated by disciples below the level of elders. Now your disciple is only a deacon. How can he refine the top-secret supreme fire?”

Elder Yu took the initiative. He wanted to make Huo Yuanting so busy explaining that he would forget to ask about Chen Ping!

Otherwise, it would be very difficult for him to investigate!

“Yes, then how could Liu Shitong be so secretive?”

“And there are demonic things in his body, so Liu Shitong won’t be secretly following the demon cultivators, right?”

Another elder stood up and asked!

Huo Yuanting had cold sweat on his forehead. Although he was the sect leader, he could not break the rules of Zi Yan Sect!

“It’s possible that Liu Shitong secretly learned it from me while I was practicing. I will investigate this matter thoroughly.”

“If you don’t have anything else to do, just go away!”

Huo Yuanting waved his hand, then stood up and left in a hurry!

Seeing Huo Yuanting leave, Elder Yu also breathed a sigh of relief. It seemed that Huo Yuanting would not ask about Chen Ping for the time being!

“Elder Yu, where did you find this awesome disciple?”

“This is too awesome. He beat Liu Shitong so hard that he called him big brother.”

“If there were more disciples like this, the old sect master wouldn’t be squeezed out by Huo Yuanting!”

Several elders surrounded Elder Yu and asked in a chattering voice!
