

THE MAN'S DECREE

A Man Like None Other Chapter 3971-If Zhu Ling doesn't know how to fuse the ultimate fire, she must go see the old master!

Elder Yu has received the money, so he must do things for him!

"In fact, if I find a way, I can also let you see the old master, but the old master is seriously ill and often crazy, so if you go to see him, it will be useless if you can't catch up with the old master to wake up."

Elder Yu glanced at Chen Ping and told Chen Ping the truth!

"What? The old master is crazy?" Chen Ping's face was full of shock!

Isn't this just digging your own grave?

If he had told us earlier that the old sect leader was crazy, Chen Ping might not have come!

So many resources and money were spent!

"You don't have to worry. The old master wasn't crazy all the time. He just became crazy sometimes. I don't know why he suddenly became like this. It was for this reason that the old master was forced to retire and let Huo Yuanting become the acting master."

Seeing Chen Ping's expression, Elder Yu hurriedly explained!

Wei Qing on the side was very puzzled. Why did the master follow his disciple in explaining?

Could it be???

Wei Qing glanced at Elder Yu and Chen Ping, and roughly guessed something!

Judging from Chen Ping's generosity, he probably spent a lot of money on Elder Yu and let Elder Yu bring people into Zi Yan Sect!

"Acting leader? Isn't Huo Yuanting the real leader?"

Chen Ping asked curiously!

“Of course not. A true sect leader needs the Divine Fire Seal to recognize him as their master. Huo Yuanting doesn’t have the Divine Fire Seal yet.”

“Before the old sect master went crazy, there seemed to be signs, so he placed the Divine Fire Seal in the Divine Fire Mountain in advance. Now that the Divine Fire Mountain is not opened, Huo Yuanting will not be able to get the Divine Fire Seal.”

“We have always suspected that the old master’s illness is related to Huo Yuanting, but we have no evidence and it is difficult to say anything!”

Elder Yu explained in detail!

“Divine Fire Seal? Divine Fire Mountain? What are these?”

“Besides, this is just a desert, and there are no mountains to be seen.”

Chen Ping said very puzzled!

Elder Yu smiled and said, “You will know when the God Mountain Fire opens.”

“However, after the old sect leader went crazy, only Elder Cui could use the array to open the Divine Fire Mountain. Elder Cui is a selfless and upright person, and he will not open it easily.”

“Otherwise, Huo Yuanting would have asked Elder Cui to open the Divine Fire Mountain and seize the Divine Fire Seal.”

Chen Ping didn’t expect that Zi Yan Sect actually had so many secrets!

“Does it mean that anyone can become the leader of the Purple Flame Sect as long as he gets the Divine Fire Seal?”

Chen Ping asked!

“Of course not. You have to let the Divine Fire Seal recognize you as the master. If you want to become the leader of the Purple Flame Sect, in addition to obtaining the Divine Fire Seal, you must also possess the two kinds of Purple Flame Sect’s ultimate fire. This condition alone makes many people unqualified. You know, many elders don’t even have the top-secret ultimate fire.”

“After possessing the two supreme fires, you also need to make the Divine Fire Seal recognize the master. As for the method of recognition, it is even more confidential. I don’t even know it. Think about it, what use will the Divine Fire Seal have for others?”

Elder Yu said.

Wei Qing was extremely surprised when listening to the conversation between Chen Ping and Elder Yu, because there were many things that even he, the deacon disciple, didn't know!

It was the secret of Zi Yan Sect, but now Elder Yu told Chen Ping everything!

From this we can see that Chen Ping has given Elder Yu enough benefits!

"So, only Huo Yuanting can become the sect leader if he gets the Divine Fire Seal?"

After all, Huo Yuanting is now the sect leader, and he also knows the top-secret fire. As for making the Divine Fire Seal recognize its master, I believe he also knows it!

"That's not necessarily true. The old sect master's daughter, your Senior Sister Zhu Ling, is also qualified. However, Zhu Ling is not strong enough now, so she has been practicing all the time and doesn't meet people easily."

"Especially after the old sect master went crazy, Zhu Ling became even more diligent and soaked in the spirit pool all day. If it weren't for my identity, you wouldn't even think of seeing her."

Elder Yu said!

A Man Like None Other Chapter 3972-"Spiritual Pond?"

Chen Ping frowned. Why did he suddenly have a bad feeling?

"What's wrong?" Elder Yu saw that Chen Ping's expression was not right, so he asked!

"Oh, it's okay!" Chen Ping quickly shook his head!

However, looking at the familiar buildings and the increasingly strong spiritual energy, Chen Ping began to feel a little uneasy!

"It can't really be such a coincidence, right?"

Chen Ping prayed in his heart, I hope it is not such a coincidence, this Zhu Ling is the girl who I saw naked last night!

Soon, Elder Yu brought Chen Ping and others to Zhu Ling's courtyard. Looking at the yard in front of him, Chen Ping was speechless!

"Master, is this Senior Sister Zhu Ling's courtyard?"

Chen Ping asked!

“Yes, in the entire Ziyang Sect, only your Senior Sister Zhu Ling’s courtyard has a spirit pond!”

Elder Yu nodded and said!

“This……” Chen Ping was stunned and didn’t know what to do for a moment!

How should he explain it when he meets Senior Sister Zhu Ling?

He ran into someone else’s yard in the middle of the night, took off all his clothes to take a bath, and saw everyone naked!

The main question is why is there no one guarding it?

And the door was still open!

Just when Chen Ping didn’t know what to do, the door of the courtyard opened and two female cultivators who looked exactly the same walked out!

“You two, I have an appointment with the eldest lady and I am here to meet her today.”

Elder Yu was very polite to the guards in Zhu Ling’s courtyard!

“Elder Yu, please come in. Senior Sister Zhu Ling has been waiting for a while.”

The two men readily led Elder Yu and the others in!

Looking at the furnishings in the courtyard and the spiritual pool emitting spiritual energy, Chen Ping was overwhelmed!

“Junior brother, you must be mentally prepared. Senior Sister Zhu Ling is very beautiful. Many male cultivators had nosebleeds when they saw her for the first time!”

Wei Qing reminded Chen Ping!

“Not really, I’m even having a nosebleed!”

Chen Ping felt it was a bit too exaggerated!

He saw Zhu Ling naked last night. Although he was very excited and a little bit unable to control himself, he didn’t have a nosebleed!

“Don’t disbelieve me. After you see it, you will know what a fairy is.”

Wei Qing was very excited and was ready to go!

Chen Ping smiled faintly. If he told others that he had seen Zhu Ling naked, he wondered what Wei Qing's expression would be!

With his head down, he followed Elder Yu from behind!

After entering a room, two guards very considerately closed the door!

Zhu Ling was seen sitting on a chair in a white dress, her skin was white and smooth, just like a boiled egg that had just been peeled!

"Zhu Ling meets Elder Yu..."

Seeing Elder Yu, Zhu Ling quickly stood up and saluted!

"Miss, you must not do this. You are embarrassing me."

Seeing this, Elder Yu said hurriedly!

"Elder Yu, my father has retired and is no longer the sect leader, so you don't have to call me Miss anymore. Just call me Zhu Ling."

Zhu Ling said!

"I will always be the old sect master's subordinate and will always be loyal to him. It will be the same regardless of the old sect master not serving as the sect master of Ziyan Sect."

Elder Yu said with a serious face!

Zhu Ling was very touched. She was able to meet Elder Yu because of his loyalty!

"Elder Yu, the next two are..."

Zhu Ling looked at Chen Ping and Wei Qing!

It's just that Chen Ping lowered his head, so no one saw Chen Ping's face!

"This is my eldest disciple Wei Qing, who is now a deacon disciple."

Elder Yu pointed at Wei Qing and said!

"Wei Qing greets Senior Sister Zhu Ling!"

Wei Qing hurried forward and looking at Zhu Ling's stunning beauty, he seemed very flustered and didn't know where to look!

While speaking, blood suddenly spurted out of Wei Qing's nose!

"Hehehe..."

Seeing Wei Qing's expression, Zhu Ling covered her mouth and laughed!

A Man Like None Other Chapter 3973-Wei Qing covered his nose in panic, looking very embarrassed!

Elder Yu was also full of shame and said: "You useless thing, hurry up and clean up..."

Wei Qing hurriedly ran out to clean it up!

"This is my new disciple Cheng Ping!"

Elder Yu pointed at Chen Ping and said!

Zhu Ling looked at Chen Ping and found that Chen Ping had lowered his head, so she couldn't see his face at all!

"Why is this junior fellow so shy that he doesn't even dare to raise his head?"

Zhu Ling asked curiously!

"Lift your head up! How can you talk to the young lady like this?"

Elder Yu quickly hit Chen Ping!

Seeing this, Chen Ping could only grit his teeth and raise his head!

"Senior Sister Zhu Ling, hello..."

Chen Ping smiled at Zhu Ling!

After seeing Chen Ping, Zhu Ling was stunned for a moment, and then anger burst out of her body instantly!

"So it's you, you big pervert, I'll beat you to death..."

After saying that, Zhu Ling slapped Chen Ping!

Chen Ping was startled and ran outside quickly. Before Elder Yu could react what was happening, Zhu Ling chased him out!

“Don’t run, I will kill you!”

Zhu Ling roared!

Wei Qing was cleaning up outside and had no idea what was going on. He then saw Chen Ping running out, with Zhu Ling chasing after him!

At this time Elder Yu reacted, hurriedly chased out and stopped Zhu Ling!

“Miss, what is going on? Do you two know each other?”

Elder Yu asked!

“Elder Yu, your new disciple doesn’t have a very good character. Ask him what’s wrong.”

Zhu Ling said angrily!

Elder Yu looked puzzled and looked at Chen Ping and asked, “Tell me, how did you offend Senior Sister Zhu Ling?”

Chen Ping was embarrassed and could only tell the truth: “I accidentally saw Senior Sister Zhu Ling taking a bath last night...”

“What?”

Elder Yu and Wei Qing were both shocked!

Especially Wei Qing, his face was full of shock and envy!

I would be willing to lose a hundred years of my life just to see Senior Sister Zhu Ling taking a bath!

“Tell me the truth, did you only see me taking a shower?”

“It’s obvious that he wants to do something bad to me!”

Zhu Ling glared at Chen Ping!

“It’s definitely a misunderstanding!” Chen Ping said with a face full of grievance: “I was just wandering around last night, and when I got here, I felt that there was a hint of fairy spirit mixed in with the spiritual energy, so I came in for some unknown reason.”

“There was no one guarding the gate, and it wasn’t locked. I saw that the Spiritual Pond was nice and no one was there yet, so I stripped naked and jumped in!”

“Who would have thought that Senior Sister Zhu Ling was also in the spirit pond.”

“But Senior Sister also saw me naked, so we saw each other, so Senior Sister can’t be said to be at a disadvantage.”

After hearing what Chen Ping said, Zhu Ling was so angry that she almost died!

Wei Qing’s eyes widened, his whole body trembling with envy as he said, “Junior brother, you...you actually stripped naked and got in the same spirit pool with Senior Sister Zhu Ling?”

“Oh my God, if it were me, I would be willing to die...”

After Wei Qing finished speaking, he suddenly realized that he had said something wrong, and he quickly shut his mouth in fear!

Elder Yu was also helpless. He was sure that Chen Ping did not mean it. After all, Chen Ping came to learn the art of fire fusion. How could he secretly come to watch Zhu Ling take a bath in the middle of the night!

“Miss, I think there must be a misunderstanding. My disciple would never be that kind of person.”

“Also, if the young lady kills him now, then the news that you were seen naked will definitely get out, which will be bad for the young lady’s reputation!”

“My disciple defeated Liu Shitong in the inner sect competition and made Liu Shitong call him big brother. He also became well-known in Ziyan Sect. Now he is suddenly killed. Someone will definitely investigate the reason.”

Elder Yu can only consider Zhu Ling’s reputation!

After all, I just took a look and didn’t do anything!

“What? He defeated that Liu Shitong?”

Zhu Ling was stunned, her face full of disbelief!

After all, Chen Ping is only at the fourth level of the Tribulation Realm, how could he possibly defeat Liu Shitong?

A Man Like None Other Chapter 3974—“Yes, he defeated Liu Shitong in yesterday’s inner sect competition. Now he is an inner sect disciple.”

Elder Yu nodded and said!

“I don’t believe it. He is just a fourth-grade cultivator in the Tribulation Realm. How could he possibly defeat Liu Shitong?”

“Isn’t Elder Yu deliberately making up excuses to excuse his disciple?”

“He is a big pervert and doesn’t deserve to be in our Zi Yan Sect.”

Zhu Ling didn’t believe what Elder Yu said at all!

“Miss, there is no need for me to lie to you, and I believe there must be a misunderstanding here.”

Elder Yu continued to explain, but Zhu Ling didn’t believe it at all!

“If you want me to believe you, let him compete with me. If this guy can beat Liu Shitong, he should be on par with me.”

Zhu Ling wants to compete with Chen Ping!

Elder Yu knew that Zhu Ling definitely wanted to teach Chen Ping a lesson by means of a duel!

After all, you were just taking a nice bath, and someone saw you naked. You would definitely be angry!

What’s more, Zhu Ling is a recognized beauty. It is usually difficult for others to even see her once, but Chen Ping actually saw her completely!

“this.....”

“The young lady is now at the ninth level of the Tribulation Realm and will soon reach the peak. Asking her to compete with you is a bit too much of a bully.”

Elder Yu didn’t know whether Chen Ping could beat Zhu Ling, but he didn’t want the two to fight!

No matter who hurts whom, it’s not good for him!

“If he doesn’t compete, I will blind him today and expel him from Ziyan Sect.”

Zhu Ling said aggressively!

Elder Yu looked helpless and could only look at Chen Ping!

He could only help up to this point. It was Chen Ping's fault for staying up late at night to watch others take a bath!

Things had come to this point, which was beyond Elder Yu's expectations!

"You can fight, but I don't have any stakes. I never fight with anyone. Even Liu Shitong added stakes."

Chen Ping smiled faintly!

"Not only are you a pervert, you're also a gambler. People like you don't deserve to be in our Zi Yan Sect."

"Today I will clean up the mess for Elder Yu. If you can beat me, you can set any conditions you want!"

"If you lose, I'll gouge out your eyes and get you out of Ziyang Sect!"

Zhu Ling's aura was surging and her eyes were full of anger!

Without waiting for Chen Ping to agree, Zhu Ling took action. He was afraid that Chen Ping would not agree, and he was also afraid that Elder Yu would stop him!

Zhu Ling stretched out her hand and a flaming sword appeared in her hand, followed by more than a dozen sword beams heading straight for Chen Ping!

Seeing this, Chen Ping sneered, broke off a branch, and poured spiritual energy into it!

The ordinary branches were actually flashing white light at this moment!

Seeing that Chen Ping was actually going to use a tree branch to deal with her, Zhu Ling became even more angry!

Brush, brush, brush.....

Zhu Ling waved again, and more than a dozen sword beams came out!

Wave after wave of sword beams, like waves, swept towards Chen Ping, leaving him no chance to breathe.

Chen Ping waved the branch in his hand, and every sword beam was accurately shattered by Chen Ping!

At this moment, Chen Ping didn't look like he was fighting at all, but more like he was exercising with a branch!

The sword beams from different directions cannot escape Chen Ping's attack!

Chen Ping's body never left his standing position!

Just this one move stunned Wei Qing and Elder Yu!

Although Zhu Ling's sword was not meant to kill Chen Ping, it was impossible for him to deal with it so easily!

When the last sword beam was shattered, Chen Ping pointed casually with the branch in his hand!

A beam of white light shot out rapidly. Zhu Ling was shocked and stepped back quickly, but the corner of her clothes was still penetrated by the white light!

Looking at the torn clothes, Zhu Ling's eyes narrowed slightly, and the aura on her body continued to burst out!

A Man Like None Other Chapter 3975—"You are really good at this. It seems that Liu Shitong deserved to lose. But it's not that easy for you to beat me!"

Zhu Ling snorted coldly, and all her energy burst out!

The flaming sword in Zhu Ling's hand turned into two colors at this moment. The purple flame was obviously the top-secret fire of the Zi Yan Sect!

Zhu Ling's top-secret fire is much more powerful than Liu Shitong's, and the purple color is brighter and more obvious!

As Zhu Ling swung the sword, sword beams flew towards Chen Ping again.

But at this moment, the sword light was burning with flames. Sword lights of different colors, such as brown and purple, surrounded and rushed towards Chen Ping.

Wei Qing looked at the terrifying sword light and his face turned very ugly!

If he were to be under this attack, he would surely be defeated.

Elder Yu also frowned slightly, ready to take action to stop it at any time. It seemed that Zhu Ling had murderous intentions and wanted to kill Chen Ping.

“Miss, please show mercy and don’t hurt anyone.”

Elder Yu reminded Zhu Ling loudly!

Zhu Ling snorted coldly and said, “Once my unparalleled spirit sword is in use, there is no possibility of stopping. This guy is too pretentious. He actually used a branch to fight me. This guy is looking down on me. Then I will let him see how powerful I am!”

Elder Yu had a helpless look on his face. Facing a ninth-grade great cultivator in the Tribulation Realm, Chen Ping did not respond properly and actually broke off tree branches to use as weapons!

Isn’t this treating this fight as a joke?

“Junior brother, you have to be careful. Don’t be careless. You have to take it seriously.”

“If you don’t have a weapon, you can use my sword temporarily.”

As Wei Qing said this, he was about to throw his sword to Chen Ping!

But Chen Ping shook his head and said, “Brother, I appreciate your kindness. I feel that the tree branch is more convenient to use!”

Chen Ping actually rejected Wei Qing and still used branches to resist Zhu Ling’s attack!

“Go to hell...”

Zhu Ling’s eyes widened with anger, and countless sword beams burning with flames were spinning towards Chen Ping!

The two sword beams of different colors swirled together and turned into spirit snakes with bloody mouths!

Endless flames made the air in the entire courtyard glow!

Looking at the sword techniques performed by Zhu Ling and the ultimate fire, Chen Ping actually raised the corners of his mouth!

Whether it is sword skills or ultimate fire, there is still a big gap between Zhu Ling and Chen Ping!

Chen Ping’s Nine Shadow Sword Technique is an ancient sword technique, but Chen Ping has not yet mastered nine clones!

As for the ultimate fire, Zhu Ling is far behind. Chen Ping possesses the origin of fire and five kinds of ultimate fire!

Zhu Ling only knows two kinds of fire!

Chen Ping held a branch in his hand, and a ray of extremely cold icy flame shot into it. The temperature around the branch instantly became extremely cold!

Then Chen Ping used the branch in his hand to knock at the sword beams that turned into spirit snakes and rushed towards him!

When these spirit snakes touched the branches in Chen Ping's hands, they would instantly freeze the surrounding flames, then shatter and disappear without a trace!

Wei Qing, Elder Yu and Zhu Ling were all stunned when they saw this scene!

They couldn't understand what method Chen Ping used to block Zhu Ling's sharp attack with just a branch!

What they didn't understand even more was why the air around Chen Ping suddenly became so cold!

Chen Ping obviously has mastered the ultimate fire. Only those who understand fire-related skills can enter the Zi Yan Sect!

Otherwise, Chen Ping would not have gone to the old master to seek a method to merge into fire!

However, the person who understood the ultimate fire could actually use methods to make the air around him extremely cold. This was beyond their comprehension!

Shouldn't it be that only cultivators who practice ice-based techniques can emit that kind of freezing air?

They don't understand the Arctic Ice Flame at all, and they don't know its existence!
