

## [The Man's Decree]

**A Man Like None Other Chapter 3981**-Not long after Chen Ping walked out of Zhu Ling's yard, he saw Elder Yu and Wei Qing were actually waiting for him and had not left!

"Junior brother, why did Senior Sister Zhu Ling ask you to stay? Did she really want to perform a striptease for you?"

Wei Qing joked with Chen Ping!

"Shut up!" Elder Yu glared at Wei Qing, then said to Chen Ping: "The eldest lady is also a miserable person, I hope you won't make things difficult for her."

Elder Yu didn't want Chen Ping to embarrass Zhu Ling. If he really asked Zhu Ling to strip naked and dance, that would be a bit too much!

"I understand!" Chen Ping nodded!

At this moment, a disciple of Zi Yan Sect came hurriedly: "Elder Yu, Sect Master Huo is waiting in the meeting room, and all the elders are required to go to the meeting room immediately!"

"What is Huo Yuanting going to do now?" Wei Qing frowned when he heard it!

Elder Yu's expression also changed slightly: "We suddenly have to hold a meeting at this time. Is it because of Huo Dong's matter?"

"Elder Yu, I don't know what happened either. The Sect Master just asked you to go right away!"

The disciple said!

"Okay, I'll be there right away!" Elder Yu nodded!

Then he told Wei Qing and Chen Ping, "Go back to the mansion and don't run around. Huo Dong is back and he will definitely establish his authority in Zi Yan Sect, so as to avoid trouble!"

"Got it, Master!"

Wei Qing nodded!

Elder Yu walked back, and Wei Qing followed Chen Ping back home!

But as soon as I reached the gate of the mansion, I saw that there were quite a few people gathered at the door!

The leader among them was Huo Dong, and next to Huo Dong was Liu Shitong, who was walking on crutches.

Liu Shitong has not recovered yet and has to rely on crutches to move around.

Qian Xiu, with a dozen disciples, stood guard at the door and confronted Huo Dong!

“Qian Xiu, you have become more and more beautiful in the years since I left. Now Elder Hu has been locked up, and you have lost your master. You are helpless. Do you want to follow me? I promise to make you drunk and dreamy every night.”

Huo Dong looked at Qian Xiu with lustful eyes and asked!

“Bah, Huo Dong, you lecherous thief, you will be castrated sooner or later and become a useless person.”

Qian Xiu spat fiercely!

“Qian Xiu, you are so brave. Senior Brother Huo Dong is now the Young Master of the Purple Flame Sect. How dare you talk to him like this?”

Liu Shitong yelled at Qian Xiu!

“He was expelled from Zi Yan Sect a long time ago. He is not even a disciple of Zi Yan Sect. He is a worthless young sect master.”

Qian Xiu said coldly!

“No matter if I am the young master or not, I want to play with you, who dares to stop me?”

Huo Dong raised the corner of his mouth and stretched out his hand to grab Qian Xiu!

Qian Xiu wanted to dodge, but found herself enveloped by Huo Dong's aura and unable to move at all. Qian Xiu panicked!

But just when Huo Dong was about to catch Qian Xiu, a figure suddenly stood in front of Qian Xiu!

Accompanied by a surge of breath, Huo Dong's breath was instantly defeated, and Qian Xiu regained his freedom!

Huo Dong was stunned and looked at the person in front of him!

“Brother Huo Dong, this guy is Elder Yu’s new disciple Cheng Ping.”

When Liu Shitong saw Chen Ping, his eyes were filled with anger!

Huo Dong looked at Chen Ping, raised his lips and said, “So you are the guy who defeated Liu Shitong and became an inner disciple. You look pretty normal.”

“Do you dare to compete with me? Today I will beat all of you who refuse to obey me...”

“Are you worthy enough to compete with me?” Chen Ping’s eyes were full of disdain!

Huo Dong didn’t expect Chen Ping to be so rampant. His brows frowned slightly, and the aura on his body burst out again!

“Master, calm down. The Sect Master has told you not to cause any trouble in the next two days. The Sect Master has something important to do today, so don’t let it ruin the day!”

At this time, a disciple behind Huo Dong hurriedly reminded him!

When Huo Dong heard this, he suppressed his anger.

He knew that a general meeting of elders would be held today in order to open the Divine Mountain Fire!

If a conflict arises at this time, it might affect the meeting to open the Divine Fire Mountain!

**A Man Like None Other Chapter 3982**—“Boy, sooner or later I will let you know how powerful I am!”

“And Qian Xiu, it won’t be long before I make you climb onto my bed and scream...”

Huo Dong sneered, then waved his hand and left!

Qian Xiuqi’s face flushed red, but she looked helpless!

Elder Hu was locked up, and she had no one to rely on. If Huo Dong forced his way in, she wouldn’t know what to do!

“Sister, don’t worry. As long as I am in Ziyan Sect, I will never let Huo Dong touch you.”

Seeing Qian Xiu’s helpless look, Chen Ping comforted her!

“Thank you, little junior brother!” Qian Xiu said gratefully!

Chen Ping and his men entered the mansion and then closed the door to prevent Huo Dong from causing trouble!

At this time, in the meeting hall of Zi Yan Sect, all the elders were present!

Even the referee elder and Elder Cui were not left out!

When Elder Yu saw that all the elders were called together, he had already guessed the reason!

Huo Yuanting glanced at everyone, then slowly said: “Everyone, you are all elders of Ziyan Sect, and you are the backbone of Ziyan Sect.”

“Now the old master’s condition is getting worse and worse. He is crazy and often hurts people for no reason. There is no possibility of recovery at all.”

“I have been acting as the sect leader for some time. Now the old sect leader is insane and cannot open the Divine Fire Mountain, so I would like all the elders to vote by raising their hands. We need to open the Divine Fire Mountain and get the Divine Fire Seal.”

“Only by obtaining the Divine Fire Seal can we better promote the development and unity of our Purple Flame Sect!”

Huo Yuanting spoke eloquently about some profound principles, and the elders from his lineage all expressed their agreement. However, the elders from the old sect master’s lineage remained silent and looked at Elder Yu!

“I don’t agree. The Divine Fire Mountain cannot be opened, and the Divine Fire Seal cannot be taken out now. Although the old sect master is crazy, he is still alive after all.”

“If we open the Divine Fire Mountain now and take out the Divine Fire Seal, it would be disrespectful to the old sect master. If we want to open the Divine Fire Mountain, we must get the old sect master’s approval.”

Elder Yu refused outright. He would never let Huo Yuanting get the Divine Fire Seal!

If Huo Yuanting got the Divine Fire Seal, they would no longer have the strength to compete with Huo Yuanting, and Huo Yuanting would become the true leader of the sect!

By then, their old master’s lineage will definitely be purged, and countless disciples of the Zi Yan Sect will be killed or injured!

Seeing Elder Yu's refusal, Huo Yuanting was not angry. After all, he had known this would be the result!

"Elder Yu, I understand your feelings, but you also have to consider the development of Zi Yan Sect."

"And Elder Hu, if you open the Divine Fire Mountain and get the Divine Fire Seal, then the Purple Flame Sect will celebrate together and Elder Hu can be pardoned and won't have to stay in prison for another 30 years."

"I know you have a good relationship with Elder Hu. Do you really want to see them imprisoned for thirty years?"

Huo Yuanting asked!

Elder Yu was stunned for a moment, then frowned and asked, "Master Huo, are you threatening us?"

"No, no, no, I'm not threatening you, I'm just reminding you. You all know that Elder Hu is in poor health. If he dies without being locked up for thirty years, how can you bear it?"

Huo Yuanting continued to threaten with Elder Hu!

Upon hearing this, Elder Yu became a little hesitant. The other elders from the old sect master's lineage all remained silent!

This is indeed an opportunity to save Elder Hu. If we give up, Elder Hu will really be imprisoned for thirty years!

But if he agreed to Huo Yuanting and opened the Divine Fire Mountain, then Huo Yuanting would have a good chance of obtaining the Divine Fire Seal. Once the Divine Fire Seal recognized its master, Huo Yuanting's position as the sect leader would be secured!

Just when the elders and others were hesitating, a gust of wind suddenly blew up, followed by a chilly and cold air!

**A Man Like None Other Chapter 3983**-Everyone looked outside in surprise, wondering where the strong wind came from!

"Elder Yu, don't agree to him. Don't agree to him..."

At this time, Elder Hu's voice floated over!

“Elder Hu?” Elder Yu and others were all shocked. They didn’t know when Elder Hu was released!

Huo Yuanting was also stunned, and suddenly stood up and said: “Elder Hu, you left the place of detention without permission, this is a capital crime!”

“Hahaha, Huo Yuanting, you don’t have to go to such great lengths to kill me. You want to get the Divine Fire Seal, and you even want to use me to threaten Elder Yu and the others.”

“Even if I die, I will never let you succeed...”

As Elder Hu spoke, he actually floated into the conference room!

Seeing this, Elder Yu’s eyes widened: “Old Hu, what’s going on? Why did your soul leave your body?”

It turned out that this was Elder Hu’s soul, not that Elder Hu had left the place of imprisonment!

“Elder Yu, I knew Huo Yuanting wanted to use me to threaten you, so I committed suicide and left this wisp of soul to tell you, never compromise.”

“Until he gets the Divine Fire Seal, he won’t be able to completely control the Purple Flame Sect. There is still hope for our Purple Flame Sect!”

As Elder Hu spoke, his spirit began to fade away and was slowly dissipating!

“Lao Hu, Lao Hu, why are you so stupid...”

Elder Yu wanted to step forward and hold Elder Hu’s soul, but he was powerless!

In the end, Elder Hu’s spirit and soul disappeared into thin air. This was his true death and there was no hope of resurrection!

The elders of the old sect master’s lineage were all filled with grief and indignation!

In order to protect them from being threatened, Elder Hu actually chose to end his own life!

Huo Yuanting was also shocked. He didn’t expect Elder Hu to commit suicide!

In this case, how can we threaten the elders and others?

“Master Huo, we will not agree to open the sacred volcano. If you have the ability, kill us all.”

Elder Yu glared at Huo Yuanting fiercely, then turned around and walked out!

All the elders from the old sect master's lineage stood up and left, not giving Huo Yuanting any face at all!

Seeing this, Elder Cui also stood up and left!

Since the elders' meeting cannot pass it, he will not open the Divine Fire Mountain!

Looking at the half-empty seat, Huo Yuanting roared angrily: "Ah...sooner or later I will make them pay!"

"Master, now that the Divine Fire Mountain cannot be opened, what should we do?"

An elder looked at Huo Yuanting and asked!

"How would I know what to do? If all else fails, I can just kill them all, and no one will object."

There was murderous intent in Huo Yuanting's eyes!

"Master, this is absolutely impossible. If this happens, the Purple Flame Sect will surely suffer a great loss of vitality, and we might even be attacked and swallowed up by other sects."

At this time, Elder Tian stood up and said!

"Elder Tian, what do you have to say?"

Huo Yuanting asked!

"Since Elder Yu and others do not agree to open the sacred volcano, then we will secretly open the sacred volcano ourselves."

Elder Tian said!

"In the entire Zi Yan Sect, only Elder Cui can open it. There is no way Elder Cui will listen to us." Huo Yuanting shook his head!

"No need, Elder Cui. The magic fire mountain is opened by the formation. Although Elder Cui is the only one who knows the art of formation in Ziyan Sect, there are more than one person in the whole Central Region who knows the art of formation."

"Liang Yi Sect is a sect that specializes in formations. We can go to Liang Yi Sect to ask for help. As long as we promise a large amount of resources, I think Liang Yi Sect will agree."

Elder Tian said!

After hearing this, Huo Yuanting's expression suddenly brightened and he said, "Elder Tian, if you have this idea, why didn't you tell me earlier?"

"I think if Elder Yu and the others agree, we won't have to look for Liangyi Sect, and we can save some resources."

Elder Tian said!

**A Man Like None Other Chapter 3984**- "Oh, it's already this late and you're still being thrifty. Go to Liang Yi Gate in person and invite the people there no matter how much it costs."

"As long as the people from Liangyi Sect can help us open the God Mountain Fire, tell them that there will be a huge reward."

Huo Yuanting seemed a little excited at this moment!

"Okay, I'll go right away!" Elder Tian nodded!

After Elder Tian left, Huo Yuanting raised his lips slightly and said, "As long as the Divine Fire Mountain is opened, I don't think anyone in the entire Ziyang Sect will dare to disobey!"

.....

In the elders' residence!

Qian Xiu was depressed and kept crying!

Wei Qing and Chen Ping were comforting her!

"Junior sister, although Elder Hu is dead, his spirit lives on. You should live here from now on. I will let Master take care of you."

Wei Qing said comfortingly!

"Senior Sister, don't be too sad. This is Elder Hu's own choice. He did this for the sake of the entire Zi Yan Sect!"

Chen Ping also followed to comfort him.

After Elder Yu came back, he told Chen Ping about Elder Hu, which shocked Chen Ping!

“I want to be alone for a while...”

Qian Xiu said with a lonely look!

Seeing this, Wei Qing and Chen Ping had no choice but to get up and leave, leaving Qian Xiu alone to be alone!

“Alas, Junior Sister is so pitiful. Now that Elder Hu is dead, Huo Dong will become even more unscrupulous. I think it won’t be long before Junior Sister will fall into his hands and be ruined by him.”

“In the past, we also had quite a few female cultivators in Zi Yan Sect. After all, many female cultivators also like to practice fire-related techniques. However, after many senior and junior sisters were abused by Huo Dong, they became disheartened and withdrew.”

“This also makes the Purple Flame Sect’s reputation known. No female cultivator dares to come. It’s hard for us brothers and sisters in the Purple Flame Sect to find a partner for dual cultivation now!”

Wei Qing said with a sigh!

Chen Ping didn’t say a word, he didn’t know how to comfort Wei Qing!

After all, he had no shortage of women around him, so he couldn’t understand Wei Qing’s pain!

Chen Ping returned to his room and waited quietly for the night to come!

As the sky grew darker, Chen Ping began to feel excited!

If he could meet the old master tonight and learn the method of ultimate fire fusion, he could leave Zi Yan Sect!

But when Chen Ping thought of Qian Xiu and Zhu Ling, he felt a little bit reluctant!

If he learned the method of ultimate fire fusion and left, Qian Xiu would definitely fall into Huo Dong’s hands!

And Zhu Ling might also be abused by Huo Dong!

Chen Ping became furious when he thought of a stunningly beautiful woman like Zhu Ling being held down by that idiot Huo Dong!

“We’ll see how the situation develops. Even if you’ve learned how to fuse the Ultimate Fire, you haven’t seen the Divine Fire Mountain or the Divine Fire Seal yet. You should see these things before leaving the Purple Flame Sect!”

This was an excuse Chen Ping made for himself. In fact, he was just afraid that Zhu Ling and Qian Xiu would be ruined by Huo Dong!

Just when Chen Ping was daydreaming, the door was suddenly pushed open!

Chen Ping was stunned. He didn’t understand who would come to his place so late at night?

When Chen Ping stood up, he saw Qian Xiu walking in wearing a cool pair of pajamas!

“Senior sister?”

Chen Ping’s face was full of doubts: “It’s so late, what’s the matter with you?”

“Junior brother, I can’t sleep, can you talk to me?”

Qian Xiu said with a sad look!

Chen Ping looked at the sky outside, then nodded and said, “Okay, Senior Sister, please sit down quickly!”

Qian Xiu sat on Chen Ping’s bed, and Chen Ping sat next to her!

“Senior sister, you have to accept your grief. The dead cannot be brought back to life.”

Chen Ping comforts Qian Xiu!

If it weren’t for Elder Hu’s suicide today, Chen Ping would not have let Qian Xiu come to his room!

Besides, he has something else to do later and needs to see Zhu Ling!

But now that Qian Xiu is sad, Chen Ping is embarrassed to refuse Qian Xiu!

**A Man Like None Other Chapter 3985**—“Junior brother, I have come to terms with it. My body will be ruined by Huo Dong sooner or later.”

“Instead of giving my innocence to Huo Dong, I’d rather give it to my junior brother.”

After Qian Xiu finished speaking, she actually leaned on Chen Ping's shoulder, and her pajamas began to slip off!

Chen Ping suddenly panicked!

He didn't expect Qian Xiu to have this idea!

"Senior sister, don't worry. As long as I'm here, I won't let Huo Dong succeed. Hurry and put on your clothes."

Chen Ping turned his head away, not daring to look at Qian Xiu!

Seeing Chen Ping's expression, Qian Xiu burst into tears and said aggrievedly: "I know you dislike my ugliness. I am not as pretty as Senior Sister Zhu Ling."

"You've seen Senior Sister Zhu Ling, and you look down on me even more. When Senior Sister Zhu Ling was naked in front of you, you stared at her without blinking."

"But now, you don't even look at me..."

When Chen Ping heard this, he was overwhelmed. He didn't know who had spread the news that he had seen Senior Sister Zhu Ling's body?

It must be Wei Qing, because Elder Yu couldn't possibly say it!

Then it can only be Wei Qing. It should be Wei Qing who told Qian Xiu so that Qian Xiu would give up on Chen Ping. In this way, Wei Qing would have a chance!

"Senior sister, don't listen to other people's nonsense. I have never seen Senior Sister Zhu Ling's body. I even beat Senior Sister Zhu Ling up today."

"In my eyes, all women are the same. There is no such thing as pretty or pretty. Senior sister, please don't misunderstand me!"

Chen Ping turned his head and could only fumble to help Zhu Ling put on her clothes!

"What's the meaning?"

Qian Xiu was stunned, staring at Chen Ping in confusion: "In your eyes, are all women the same? There is no difference between beautiful and not beautiful?"

"Yes!" Chen Ping nodded!

Qian Xiu suddenly realized, and then suddenly stood up from the bed: "Junior brother, could it be that you... could it be that you are...?"

“sorry for disturbance.....”

Qian Xiu didn't finish his words and ran out in a hurry!

Seeing this, Chen Ping realized that Qian Xiu had misunderstood him. He was about to explain, but stopped!

Let it be a misunderstanding, otherwise Qian Xiu would pester him all day long and make Chen Ping annoyed!

After Qian Xiu left, Chen Ping tidied his clothes and went to find Zhu Ling!

Chen Ping held his breath. He couldn't let anyone else find out that he went to Zhu Ling's residence in the middle of the night!

Last night, Chen Ping himself didn't know how he managed to enter Zhu Ling's mansion without being discovered by the guards!

I waited for a long time before going in, but there were layers of guards!

At this moment, Zhu Ling was sitting in the yard, quietly waiting for Chen Ping!

She didn't know why, but ever since Chen Ping beat her during the day, she could never forget Chen Ping!

Chen Ping's figure always appears in my mind!

At this moment, she was actually impatient to meet Chen Ping!

Looking at the sky, Zhu Ling became a little anxious: “Is this guy not coming?”

“Sister Zhu Ling, are you so anxious to see me?”

At this time, Chen Ping's voice rang out!

Zhu Ling quickly stood up and saw Chen Ping coming in. She then said coldly, “Who is anxious to see you? I just don't want to owe you a bet.”

“Really? Why does my senior sister's face turn red?”

Chen Ping laughed!

“Don't talk nonsense, who is blushing? Let's go quickly, we must be back before dawn!”

Zhu Ling rolled her eyes at Chen Ping and then walked out of the yard!

Chen Ping followed behind Zhu Ling. He was not familiar with this place and did not dare to move around casually!

“The place in front is where my father is imprisoned. If I want to see him, I have to avoid the guards and secretly break through several formations.”

“Don’t run around. If you touch the formation, all our efforts will fail!”

Zhu Ling reminded Chen Ping!

“Senior sister, I didn’t expect you to know formations. You are so beautiful and talented!”

Chen Ping praised Zhu Ling behind her!

Zhu Ling rolled her eyes at Chen Ping, but said happily in her heart: “How could I know the formation? But I have a formation plate, which was given to me by Elder Cui a long time ago.”

**A Man Like None Other Chapter 3986**-Chen Ping watched Zhu Ling fiddling with the formation plate. Although her technique was still immature, her operation was flawless!

Moreover, this formation disk is really powerful. When the formation disk is turned on, it is as if a light curtain falls from the sky, and then the light spreads out, revealing the formation hidden around it. Then the formation is invaded by the light curtain, forming a crack!

There is a lot of spiritual energy flowing around the crack, and this spiritual energy will be used to make the formation overlap later!

“Okay, we can sneak in quietly!”

Zhu Ling put away the formation plate and walked into the crack!

Seeing this, Chen Ping also walked into the crack. After a while, the crack slowly closed up, and then it was as if nothing had happened!

Looking at the overlapping formation, Chen Ping showed a smile!

This formation plate was given to Zhu Ling by Elder Cui, but the formation here was also set up by the debt collector!

Coincidentally, the array plate can easily break the array without causing any damage to the array!

Even a fool can see that Elder Cui did it on purpose!

It seems that Elder Cui also sides with the old master's lineage, but he just can't take sides openly!

"How is it? This formation disk is very powerful, right? I also discovered by accident that the formation disk can break these formations."

"There are still many formations behind us. Don't run around. Follow me closely!"

Zhu Ling said to Chen Ping!

"Okay, senior sister!" After Chen Ping said that, he moved directly behind Zhu Ling, almost sticking his body against Zhu Ling's back!

They were almost hugging each other!

"what are you doing?"

Zhu Ling was stunned and turned around to glare at Chen Ping!

"Sister, didn't you ask me to follow you closely? I'm afraid I'll be too far away from you and accidentally trigger the formation, which will be troublesome."

Chen Ping hurriedly explained!

"You don't have to get right up to me, you're already pressing against me, just stay one step away from me!"

Zhu Ling gave Chen Ping a cold look!

Chen Ping nodded quickly, pretending to be an ignorant white man, and let Zhu Ling give him orders!

If we go by the control and understanding of the formation, Elder Cui is not as good as Chen Ping!

Chen Ping could see through these formations at a glance!

However, Chen Ping had no way to enter the formation silently and could only rely on breaking the formation!

Seeing Chen Ping being so obedient, Zhu Ling turned around with satisfaction and continued to move forward quietly!

When Chen Ping and his companions arrived at an archway, they saw from afar four guards standing upright!

Seeing these guards, Chen Ping whispered: "Senior sister, there are people watching here, how can we get in?"

"Don't worry, I have a way!"

As Zhu Ling spoke, she took out two palm-sized copper plates, on which were engraved hidden formations!

"I have two cloaking arrays here. I'll tell you how to use them later, and then you can hide yourself and go in."

"Don't panic. If you reveal your presence, you will be discovered by the other party. If you are caught, it will be troublesome. I can't come here secretly anymore."

Zhu Ling gave instructions to Chen Ping!

"Is this also given to you by Elder Cui?"

Chen Ping asked curiously!

"Yeah!" Zhu Ling nodded. "I often go out to play with the help of the Concealment Plate. Many people have never seen me and think that I stay in the mansion all the time. I would be suffocated to death!"

Chen Ping took over the concealment array plate and became even more certain that this Elder Cui was from the old sect master's lineage, or at least was inclined towards the old sect master's lineage!

Otherwise, why give Zhu Ling so many formation plates?

Although these formation plates are not very advanced, in a place like the Heaven and Human Realm, each formation plate is extremely expensive!

Even something as simple as a sound transmission jade slip is priceless, let alone the formation plate!

Zhu Ling taught Chen Ping how to use the formation plate step by step!

**A Man Like None Other Chapter 3987-It's really hands-on!**

Zhu Ling held Chen Ping's hand and explained bit by bit, including how to inject her own aura into the formation.

Zhu Ling taught very carefully and Chen Ping also learned very seriously!

"How about it?"

Zhu Ling asked after teaching for a while.

"Yeah, very soft and smooth..."

Chen Ping couldn't help but exclaim in admiration!

"Very soft and smooth?" Zhu Ling was stunned: "What are you talking about?"

"Oh, I got it, great!"

Chen Ping reacted!

In fact, Chen Ping didn't learn at all, but just kept feeling the feeling brought by Zhu Ling's tender and smooth little hands!

"It's OK once you've learned it. I'm here, don't be nervous."

Zhu Ling's attitude towards Chen Ping has improved a lot!

At least tonight, Chen Ping was very obedient and even praised what Zhu Ling liked to hear, which made Zhu Ling's liking for Chen Ping obviously increase!

"Well, it is my honor to be protected by Senior Sister Zhu Ling. Even if I die, I will be satisfied if I can die in Senior Sister Zhu Ling's arms."

Chen Ping nodded and said!

"Smooth talk!" Zhu Ling smiled, then activated the formation and hid herself!

Chen Ping also quickly disappeared while shaking his body. He didn't need any formation plate at all!

The formation plate given by Elder Cui is actually not as good as Chen Ping's own formation!

Zhu Ling carefully led Chen Ping through the archway, and then continued to move forward. After passing through two formations, Zhu Ling's speed slowed down!

Chen Ping also sighed that the place where the old sect master was imprisoned was too heavily guarded, even tighter than a prison!

“Senior Sister, are we here yet?”

Chen Ping asked in a low voice!

“No, I can see my father through here, but the formation here is too strict, with several formations superimposed on each other.”

“Moreover, there are two formations in it. They are the formations that Huo Yuanting bought at a high price. They were not set up by Elder Cui.”

Zhu Ling said with a frown!

When Chen Ping heard this, it seemed that Huo Yuanting did not completely trust Elder Cui. He was also wary of Elder Cui’s tendency to lean towards the old sect master’s lineage!

“What should we do? If we can’t open the formation, how can we get in?”

Chen Ping asked!

Chen Ping took a quick look and indeed found that there were several formations stacked in front of him, two of which were killing formations, not defensive formations!

It seems that Huo Yuanting wants to kill anyone who sneaks up on the old master.

Those who were able to sneak close to here must be the descendants of the old sect master, so even if these people were killed, Huo Yuanting would not suffer any loss, on the contrary, it would be of great help!

It is estimated that these two killing formations are the formations that Huo Yuanting bought at a high price. After all, it is impossible for Elder Cui to set up such a killing formation!

“I’ll contact my father. He can help open the magic circle from the inside. Then we can meet.”

“This formation is to prevent someone from sneaking in, but it won’t prevent the person inside from opening it.”

“Once my father opens it, he will tell me how to get in. We always meet like this.”

Zhu Ling said!

“Isn’t the old master crazy?”

Chen Ping was surprised!

“My father only goes crazy occasionally, not all day long. And my father said that his illness is most likely caused by poisoning, but he himself can’t find out the reason and has no evidence.”

Zhu Ling explained!

“Then how do you keep in touch with the old master? This formation blocks us, so I’m afraid that we can’t send any sound, and even our aura can hardly penetrate it.”

Chen Ping didn’t understand how Zhu Ling got in touch with the old master!

Zhu Ling took out a sachet and shook it in front of Chen Ping: “This sachet contains the ashes of my father’s burnt hair. As long as I use this sachet, I can communicate with my father spiritually.”

“Besides, this thing is only for me to use. Even if others get it, it will be useless. After all, my father and I are related by blood!”

**A Man Like None Other Chapter 3988**-After saying that, Zhu Ling closed her eyes and began to send her spiritual consciousness into the sachet, wanting to communicate with the old master telepathically!

But after waiting for a long time, Zhu Ling still had no reaction, and a lot of cold sweat appeared on her forehead!

When Chen Ping saw this scene, he slapped Zhu Ling on the shoulder, and a stream of spiritual power entered Zhu Ling’s body!

Zhu Ling then let out a long sigh and opened her eyes with a pale face!

“What are you doing? You are sending out your entire spiritual consciousness. Isn’t this seeking death?”

Chen Ping yelled at Zhu Ling!

Zhu Ling actually released all her spiritual consciousness. Fortunately, Chen Ping discovered it in time and helped Zhu Ling to retrieve her spiritual consciousness!

If her consciousness doesn’t come back, Zhu Ling will probably become demented or even die!

“Why can’t I sense my father at all? I can’t sense him...”

Zhu Ling frowned and said nervously!

“Could it be that the old master is having an attack and therefore can’t communicate with you telepathically?”

Chen Ping said!

“Impossible. Even if my father was ill, I could sense his presence. He just couldn’t respond to me.”

“But this time, I didn’t feel my father’s breath.”

Zhu Ling looked nervous, with worry in her eyes.

“Is it possible that the old sect master has been transferred and is no longer in this place?”

Chen Ping said again!

“That’s impossible. This is the most secure place in the entire Ziyang Sect. Huo Yuanting will not move my father away.”

“Could it be that something happened to my father? Did they do something to him?”

Zhu Ling became agitated and wanted to break through the formation by force!

“Senior sister, don’t be impulsive. If you force your way through the formation, not only will you not be able to see the old sect master, you may even be discovered and captured.”

Chen Ping stopped Zhu Ling and said!

“Don’t worry, I know my limits.” After Zhu Ling said that, she actually opened the satchet and swallowed all the ashes inside!

Chen Ping was stunned: “Senior Sister, what are you going to do?”

“But please don’t let it get to your head.....”

“Who is so depressed?” Zhu Ling glared at Chen Ping. “My father said that the ashes in this satchet can not only communicate with him, but also be swallowed when in danger. At that time, I will gain my father’s strength.”

“As long as I can get my father’s strength, it will be easy to break this formation. What’s more, I have Elder Cui’s formation plate in my hand!”

“Is it possible?” Chen Ping’s face was full of confusion!

However, after Zhu Ling swallowed the ashes, her aura did change significantly!

“Don’t follow me. I’m afraid I won’t be able to come back this time. You’d better go back obediently.”

“If I meet my father, I will ask for you. If we have a chance to meet again, I can tell you!”

Zhu Ling asked Chen Ping to leave. After all, it was very risky and she didn’t want Chen Ping to take risks with her!

“Senior sister, what are you talking about? How could I leave you alone?”

“Since we are already here, we are all on the same side. If I have to die, I want to die with my senior sister.”

“Besides, I will die without regrets if I can die with my senior sister...”

Chen Ping said with a righteous look on his face!

Zhu Ling looked at Chen Ping and was deeply moved by him!

Zhu Ling has never felt such care before!

Although many men pursue her and say they like her!

But no man is willing to die for her!

“Junior brother, thank you. I won’t let you die.”

Zhu Ling grabbed Chen Ping’s hand, then pulled Chen Ping slowly into the formation!

Chen Ping held Zhu Ling’s hand, he felt so happy!

However, Chen Ping wanted to follow Zhu Ling to break the formation, not because he really wanted to pursue Zhu Ling. He was just afraid that something really happened to the old master. Then who would he go to learn the method of ultimate fire fusion from?

**A Man Like None Other Chapter 3989**-Zhu Ling held Chen Ping's hand and walked very carefully. As the formation plate was opened, a gap was slowly opened in the superimposed formation in front of Chen Ping and the others!

Zhu Ling was extremely cautious at this moment. She broke through the formation pattern bit by bit and went towards the depths of the formation!

At this moment, Zhu Ling's forehead was already covered with sweat, and her clothes were also soaked with sweat!

But even so, Zhu Ling still held Chen Ping, for she was afraid that Chen Ping would accidentally touch the formation and something unexpected would happen!

Chen Ping looked at Zhu Ling in front of him. Sweat beads kept dripping from her fair cheeks. Her clothes were soaked, so her exquisite curves were faintly visible!

Just when Chen Ping was inadvertently admiring Zhu Ling's body, Zhu Ling suddenly stopped!

And Chen Ping also sensed the dangerous aura at this moment!

Chen Ping regained his composure and looked ahead, only to find that there were the two killing formations in front of him!

These two killing formations were obviously not set up by Elder Cui, so Elder Cui's formation plate had no way of breaking these two killing formations!

Now Zhu Ling can only rely on herself to break the formation!

"Junior brother, don't move. I'm going to break those two killing arrays. If anything happens to me, run back immediately and don't worry about me!"

After Zhu Ling finished speaking, she actually handed the formation plate in her hand to Chen Ping. It seems that she trusts Chen Ping quite a lot!

Chen Ping held the formation plate and said with some emotion: "Senior Sister, I believe in you, you can definitely do it!"

Zhu Ling nodded. In fact, she herself was not sure. Although she temporarily possessed the strength of the old master, she had no experience in breaking formations!

Seeing Zhu Ling's nervous look, Chen Ping stepped forward and hugged Zhu Ling tightly!

"Sister, don't be nervous, you have to believe in yourself!"

Chen Ping did not intentionally take advantage of Zhu Ling, but the moment he hugged Zhu Ling, Chen Ping snapped his fingers!

A ray of white light instantly disappeared into the killing array!

Although this killing formation is very dangerous, to Chen Ping, it is just a child playing house!

Chen Ping did not choose to break the killing formation directly, but weakened the power of the killing formation and then let Zhu Ling break the formation!

In this way, Zhu Ling will not doubt anything, but will think that she is very powerful and can break the killing formation!

Zhu Ling was hugged by Chen Ping. Although she didn't like men hugging her, she didn't feel the slightest bit of disgust when Chen Ping hugged her. On the contrary, she hoped that he could hug her for a while longer!

“Senior Sister, go and break the formation. Whether you succeed or not, I will not run away. I want to be with you forever!”

Chen Ping said with a firm face!

This moved Zhu Ling extremely. In the entire Zi Yan Sect, apart from her father, no one had ever treated her like this!

Zhu Ling nodded, then took a deep breath and went to break the killing formation!

Chen Ping was watching leisurely from behind, especially when he saw Zhu Ling shaking with nervousness, Chen Ping wanted to laugh!

“You kid, you don't forget to pick up girls while learning martial arts.”

Demon Lord Chiyun said jokingly!

“I didn't, I just wanted to gain your trust so that I could learn the method of Fire Fusion!”

Chen Ping quickly denied it!

“Bah! You just hugged me and I got a reaction. How dare you say no?”

The Scarlet Cloud Demon Lord said with contempt!

Chen Ping was stunned, then laughed awkwardly!

After all, Zhu Ling is really beautiful, and her figure and skin are first-class!

Especially when seeing Zhu Ling's smooth skin, Chen Ping couldn't help but think of Ji Ruxue!

They have been separated for several months and don't know how Ji Ruxue and the others are doing.

Just when Chen Ping was daydreaming, Zhu Ling suddenly screamed and brought Chen Ping back to reality!

"Senior sister, what's wrong with you?"

Chen Ping rushed over and nervously pulled Zhu Ling and asked!

**A Man Like None Other Chapter 3990**- "I'm fine. I broke the killing array. I'm so powerful..."

It turns out Zhu Ling is happy!

"Senior sister is so awesome. I told you that if Senior sister came to help, there would be no problem."

Chen Ping praised Zhu Ling.

Zhu Ling hugged Chen Ping excitedly. She felt that Chen Ping was her confidant!

Chen Ping was holding Zhu Ling, and for a moment he felt like he had nowhere to put his hands, so he started groping around randomly!

Zhu Ling also noticed it, but she did not stop Chen Ping!

"How dare you touch my daughter?"

Just when Chen Ping was enjoying the touching, there was a sudden angry shout, which frightened Chen Ping so much that he pushed Zhu Ling away!

"Father?"

When Zhu Ling heard this voice, she immediately became happy!

Hearing the old master's voice proves that nothing unexpected happened to him!

Zhu Ling led Chen Ping through the formation and then came to a magnificent building. After pushing open the door, Chen Ping found that under a curtain of light, an old man in a purple robe was sitting quietly on a jade platform.

This is the old leader of Zi Yan Sect. He looks very kind and amiable, and there is no sign of madness at all.

“Father.....”

Zhu Ling shouted excitedly!

“Old Master!” Chen Ping also shouted hurriedly!

However, when Chen Ping looked at the old sect master’s body, he saw faint black air surrounding him, as if the black air was about to invade the old sect master’s body!

However, there is a layer of light purple around the old master’s body, blocking the invasion of black air!

Chen Ping glanced out the window. It was the time when the full moon was hanging high in the sky. Under the moonlight, the purple aura around the old master’s body became thicker and thicker!

Seeing this, Chen Ping seemed to have guessed something.

The reason why the old sect leader went crazy must be because evil spirits entered his body and controlled his consciousness!

The reason why he is sometimes crazy and sometimes sober is because under the moonlight in the dark night, the breath in the old master’s body will temporarily force the evil spirit out of the body, and he will be sober at this time!

However, every time Elder Yu and the others came to see the old sect master, they would definitely enter during the day, so every time they saw the old sect master, he was in a crazy state!

“Father, I couldn’t get in touch with you just now. I was really scared. Why didn’t you pay attention to me?”

Zhu Ling looked at the old master with some resentment and said!

The old sect master glanced at Chen Ping, then said to Zhu Ling, “My girl, our meeting is a top secret. Even Elder Yu won’t let you tell him. How could you suddenly bring a stranger here?”

It turned out that the old sect leader had noticed Chen Ping’s existence, so he did not contact Zhu Ling!

“Father, this is Elder Yu’s new disciple. He is my junior fellow apprentice. He should not be a stranger.”

Zhu Ling hurriedly introduced Chen Ping's identity!

"Silly girl, I think you are obsessed with love. Did you bring him here because you like this guy?"

The old sect leader sighed softly!

"No, absolutely not. I just made a bet with him and I lost, so I brought him here."

"How could I possibly be attracted to him? Absolutely not!"

Zhu Ling denied it hurriedly.

Seeing Zhu Ling's panic, the old sect master became more convinced, so he smiled faintly and said, "Okay, don't quibble. That kid touched you for a long time just now, and you didn't resist."

"You know, if other men look at you for even a second, you'll hit them."

"I..." Zhu Ling opened her mouth, not knowing how to argue for a moment!

Just now, Chen Ping was indeed hugging her and touching her randomly with his hands!

She really didn't resist, nor did she feel disgusted, and even felt a little relieved!

"Okay, get out now. I'll have a good chat with this guy. He dares to flirt with my daughter. I want to see how capable he is!"

The old sect leader waved his hand and asked Zhu Ling to go out!
