

THE MAN'S DECREE

[The Man Decree] A Man Like None Other Chapter 3992

A Man Like None Other Chapter 3992—“Old Sect Master, now that I’m telling you the truth, you won’t plot against me, right?”

Chen Ping looked at the old sect leader who was laughing and asked nervously!

“How could that be? How could I possibly have any intentions towards my own son-in-law?”

The old sect master laughed!

“My dear son-in-law?” Chen Ping was stunned, then waved his hands hurriedly and said, “Old Sect Master, please don’t misunderstand me. There is really nothing wrong with me following my senior sister. Nothing happened.”

“Okay, stop explaining. I can see that my daughter doesn’t mind you. Besides, you saw her body. Shouldn’t you be responsible?”

The old master said!

When Chen Ping heard this, he was dumbfounded. He didn’t understand how the old master knew that he had seen Zhu Ling naked!

Besides, the old sect master is locked up here and sometimes acts crazy, so how can he know what’s going on outside?

“Old Sect Master, this is slander and rumor. I have never seen Senior Sister Zhu Ling’s body.”

Chen Ping could only grit his teeth and refuse to admit it. After all, this was not a glorious thing!

“It’s useless for you to deny it. Don’t think that I know nothing about the Zi Yan Sect just because I’m locked up here.”

“Although my consciousness is sometimes controlled and I become crazy, I am not stupid.”

The old master said!

Seeing this, Chen Ping quickly changed the subject and said, “Old Sect Master, what is the reason for your madness? If possible, I might be able to help you heal.”

“But I have a prerequisite. If I can cure the old sect master, I hope he can teach me the method of fusion of the supreme fire!”

Chen Ping wanted to use this condition to exchange with the old master!

After all, as for the method of fusion of the ultimate fire, if there is no conflict of interest, and the other party does not teach him, Chen Ping cannot force him!

“You can’t cure me. I’m possessed by a demonic spirit. I don’t know how Huo Yuanting got in touch with the demon cultivators and put a demonic spirit in my body.”

“Fortunately, my consciousness is strong enough. This evil spirit can only disturb my consciousness during the day. At night, when there is moonlight, the fire energy in my body will control the evil spirit and I will be able to regain clarity for a short period of time.”

“This demon soul is very powerful, even I can’t completely control it. You are only at the fourth level of the Tribulation Realm. How can you control the demon soul or even destroy it?”

The old sect leader smiled helplessly!

After hearing this, Chen Ping smiled confidently and said, “It’s just a demon spirit. I can easily capture it. I can beat him so hard that he calls me daddy...”

Chen Ping already had a plan in mind. In fact, as soon as he entered the door, he saw the black air around the old master and the purple air resistance, and he had already guessed the general idea!

It is very likely that Huo Yuanting wants to rely on the evil spirit to control the old sect master in order to completely control the Zi Yan Sect!

However, the old sect master’s consciousness was too strong, causing the evil spirit to entangle in the old sect master’s sea of consciousness, becoming crazy and insane. But sometimes the old sect master’s consciousness would prevail, and he would become sober!

Seeing that he couldn’t control the old sect master, Huo Yuanting locked him up tightly!

“You may not be very old, but you are quite good at bragging. The demon soul in my body is not some small demon cultivator, but a great demon.”

“If it was just a small demon cultivator’s soul, I would have buried him in the sea of fire long ago.”

The old sect leader did not take Chen Ping’s words seriously and thought that Chen Ping was just bragging!

Chen Ping said, “Old Sect Master, just tell me whether you agree or not. If I destroy the demon soul and set you free, can you teach me how to fuse with the ultimate fire?”

Chen Ping was confident. No matter how powerful the demon soul in the old sect master’s sea of consciousness was, was it as powerful as the Red Cloud Demon Lord in his own sea of consciousness?

As long as Chen Ping could lead that demon soul into his sea of consciousness, Demon Lord Chiyun would destroy him in minutes!

The Red Cloud Demon Lord is the great devil of the ninth heaven. Even the so-called devils in the celestial world are not even his grandsons in front of him!

A Man Like None Other Chapter 3993—

“Okay, I promise you, but let me be frank. If you are invaded by the evil spirit and become demented, it has nothing to do with me.”

The old master said!

“Don’t worry, I won’t ask you to pay me later.”

After Chen Ping finished speaking, he stretched out his hand and released a breath of air!

When this breath touched the black air surrounding the old sect master, the black air instantly became ferocious!

At this moment, the old sect leader’s eyes suddenly became lifeless, and his entire mind was controlled by the evil spirit!

Chen Ping gently placed his hand on the old master’s head, wanting to let the black air enter his body!

However, the black gas seemed to know something and did not enter Chen Ping’s body to attack Chen Ping’s sea of consciousness. Instead, it emitted a corrupt gas and began to corrode Chen Ping’s body!

This is to corrode Chen Ping's body and make Chen Ping lose his physical body!

However, Chen Ping's body has been tempered many times, and even tempered with the ultimate fire!

This turbid air couldn't shake Chen Ping's body at all!

Upon seeing this, Chen Ping started to practice the Heart Concentration Technique and began to emit a huge suction force, absorbing the evil soul in the old sect leader's body!

Feeling the huge suction force, the demon soul struggled desperately.

"Boy, do you want to die? I don't enter your body, not because I'm afraid of you, but because it's my mission to control this old guy."

"If you don't want to die, get out of here right now and don't make me angry!"

The evil spirit threatened Chen Ping coldly through the mouth of the old sect leader!

"Bah, you are just afraid of me. Are you afraid that after you enter my sea of consciousness, I will imprison you and beat you until you call me daddy?"

Chen Ping sneered, constantly provoking the evil spirit to enter his sea of consciousness!

"You're talking nonsense. You're only at the fourth level of the Tribulation Realm. How could I be afraid of you?"

The demon soul was a little angry, and his voice was a little exasperated!

"Since you are not afraid of me, then invade my sea of consciousness and let's compete."

"I don't think you dare to do that. You only know how to bully old men, all kinds of guys!"

Chen Ping is still stimulating the evil spirit!

"Ah, you little bastard, I'll kill you first, and then continue to control this old guy!"

The demon soul was angry, and then a wisp of demonic energy rushed into Chen Ping's body like a sharp blade!

As soon as it entered the body, it went straight to Chen Ping's sea of consciousness!

As long as they control Chen Ping's sea of consciousness, Chen Ping will become a living dead. Chen Ping will die in any way they want!

However, as soon as the evil spirit entered Chen Ping's sea of consciousness, he regretted it instantly!

Demon Lord Chiyun was seen sitting in Chen Ping's sea of consciousness with his legs crossed, waiting for the demon soul to enter with a sneer on his face!

At the same time, above Chen Ping's sea of consciousness, a golden book of Daluo was shining, which made the demon soul shudder!

He discovered that although Chen Ping was only at the fourth level of the Tribulation Realm, his sea of consciousness was extremely vast, and there were actually souls surviving in his sea of consciousness!

The moment the evil spirit left the old master's body, he woke up instantly, and then quickly closed his sea of consciousness to prevent the evil spirit from invading again!

At the same time, the old sect leader looked at Chen Ping, his eyes full of surprise and asked: "Did you really bring that demon soul into your sea of consciousness?"

"Yes, the demon soul is now in my sea of consciousness."

Chen Ping nodded!

"Then why aren't you controlled?" The old sect leader was very puzzled. How could Chen Ping not be controlled?

With Chen Ping's strength, the evil soul will be controlled immediately after entering the sea of consciousness!

"I've already said it, a mere demon soul can't control me at all. Now that it has entered my sea of consciousness, I tell him to call me daddy, and he has to do it."

Chen Ping said with a smile!

The old sect leader looked confused, but still didn't believe what Chen Ping said!

Seeing this, Chen Ping could only say: "Call me daddy, and if you are happy, I might be able to spare you, and you will have a chance to rebuild your body and be resurrected."

At this moment, the demon soul was in Chen Ping's sea of consciousness, being grabbed by the collar by the Red Cloud Demon Lord, like a little chick, and was about to cry!

A Man Like None Other Chapter 3994-He could feel the aura of Demon Lord Chiyun, which was the aura that only Demon Lords had!

The Demon Lord of Heaven was something he had never thought of!

He had never thought that he would be able to meet the Demon Lord from the Heaven, and even more so he had never expected that in the sea of consciousness of a fourth-grade little cultivator in the Tribulation Realm in the Heavenly Realm, there actually lived the soul of a Demon Lord from the Heaven!

“Did you hear me? I asked you to call me daddy!”

Demon Lord Chiyun looked at the demon soul and said!

“Dad, Dad, Dad...”

The demon soul shouted desperately.

At this moment, not to mention asking him to call dad, he would even be willing to call him ancestor or grandpa!

The old sect leader listened to the sound coming from Chen Ping’s body. The tone and breath were indeed coming from the mouth of the evil spirit!

The old sect master had been dealing with the demon soul in his sea of consciousness for such a long time, so he could hear it and feel it!

The old sect leader was surprised and looked at Chen Ping in disbelief!

He really couldn’t imagine how Chen Ping did it!

The old sect leader could never have imagined that there would be a demon lord in Chen Ping’s sea of consciousness!

“Okay, you can die now!”

Chen Ping said calmly.

As soon as Chen Ping finished speaking, he heard a scream!

With a wave of his hand, Demon Lord Chiyun turned the demon soul into ashes and became a resource for Chen Ping’s cultivation!

“Old Sect Master, isn’t it time for you to fulfill your promise and teach me the method of Ultimate Fire Fusion?”

Chen Ping asked the old sect leader!

“I can teach you, but I don’t know how to do it...”

The old sect leader said with a wry smile!

“Fuck, you old bastard, are you trying to trick me?”

When Chen Ping heard this, he immediately became anxious!

I worked hard to come to Zi Yan Sect just to learn the method of ultimate fire fusion, and also to help the old sect leader eliminate the evil soul!

Now tell yourself no?

What did you do so far?

“My dear son-in-law, don’t be impatient, don’t be impatient, why are you still swearing!”

Seeing this, the old sect master hurriedly comforted Chen Ping: “I can’t fuse the fire, but that doesn’t mean others can’t!”

“Then who can do it?” Chen Ping asked angrily!

“In fact, the method to fuse the two ultimate fires is in the Divine Fire Seal of our Zi Yan Sect. I also got the Divine Fire Seal and realized a little mental method from it, which enabled me to fuse the two ultimate fires.”

“This kind of perception cannot be taught. If you also want to merge with the fire, you must obtain the Divine Fire Seal and comprehend the mental method from it.”

“I wonder how many kinds of fire you want to fuse?”

The old sect leader asked Chen Ping!

When Chen Ping heard this, he realized that this was the reason. The old master did not lie to him, so his expression eased and he said, “I want to fuse at least five kinds of supreme fire...”

Chen Ping has now mastered five kinds of fire, and perhaps he will be able to master more in the future!

So Chen Ping now has to fuse at least five kinds of fire!

“Five?”

The old sect master's eyes widened, and he asked in surprise, "How come you have five kinds of ultimate fire? Can you show me the ultimate fire?"

When Chen Ping heard this, he felt a little embarrassed!

Two of his ultimate fires were stolen from Zi Yan Sect. How would he explain this to the old sect leader if he revealed them?

Seeing Chen Ping's shy look, the old sect master said coldly: "Since you don't want me to see it, then I won't see it. As for how to use the Divine Fire Seal to comprehend the mental method, I have nothing to say!"

"Old Sect Master, it's not that I don't want you to see it, I'm just afraid that it will scare you. Since you insist on seeing it, I'll let you see it for yourself!"

After Chen Ping finished speaking, balls of fire began to burn around his body!

Black demonic fire, red earth core fire, white extreme cold ice flame, brown, purple...

Five different colors of fire were jumping around Chen Ping's body!

"Fuck, this is the ultimate fire of our Zi Yan Sect. How the hell did you get it?"

When the old sect leader saw this, he immediately became anxious!

A Man Like None Other Chapter 3995-Seeing this, Chen Ping quickly put away the fire, and then said with an embarrassed look on his face: "Old Master, don't be anxious, why are you still swearing..."

"You just kept calling me your son-in-law. If I were your son-in-law, it would be normal for me to possess the Supreme Fire of your Purple Flame Sect."

"That's right!" The old sect leader thought about it and felt that what Chen Ping said made sense!

If Chen Ping really became his son-in-law, it would be normal for him to have the ultimate fire of their Zi Yan Sect!

After all, his daughter possesses both of the two ultimate fires of the Zi Yan Sect.

"You kid, you still dare to say that you have nothing to do with my daughter. She gave you the top-secret fire of our Zi Yan Sect."

“In such a short time, you have mastered the two kinds of fire of our Purple Flame Sect. Are you and my daughter practicing dual cultivation?”

“Because only in this way can you master these two kinds of fire in the shortest possible time.”

The old sect leader reacted and asked Chen Ping!

When Chen Ping heard that the old sect leader had misunderstood, he did not dare to say it out loud. He couldn't say that he had stolen the Purple Flame Sect's ultimate fire!

“Old Sect Master, nothing can be hidden from your eyes!”

Chen Ping sighed and said with some embarrassment: “Senior Sister Zhu Ling is shy, so she doesn't want anyone to know about our dual cultivation.”

“My daughter has a hard life, and now that she has found someone to rely on, I can feel more at ease.”

The old sect master was very pleased, and then he looked at Chen Ping and said, “Since you have practiced dual cultivation with my daughter, why do you still need to call me old sect master? Just call me father-in-law.”

“No, no, no, this is so embarrassing!”

Chen Ping waved his hands repeatedly.

“There's nothing to be embarrassed about. You've already done what you want.”

“But besides the Ultimate Fire of our Purple Flame Sect, the other three Ultimate Fires seem to be more powerful. What are those Ultimate Fires?”

The old sect leader asked Chen Ping curiously!

“The ultimate fire of the demon race, the fire of the earth's core, and the extremely cold ice flame...”

Chen Ping followed the old sect master in talking about various kinds of fire, and the old sect master was fascinated by what he heard!

“It is true that heroes emerge from youth, and each generation is stronger than the previous one. It is a blessing for my daughter to be able to follow you.”

The old sect master looked at Chen Ping with admiration: “Since you have practiced dual cultivation with my daughter, I believe it will be easier to make the Divine Fire Seal recognize its master.”

“After all, my daughter’s bloodline is the same as mine, and the Divine Fire Seal will not conflict with my bloodline.”

“Old...father-in-law, is it only your bloodline that can make the Divine Fire Seal recognize its master?” Chen Ping asked in surprise!

“That’s not the case. It’s just that the Divine Fire Seal has already recognized me as its master. So, having my bloodline aura will make it easier for the Divine Fire Seal to resist.”

“If it is a completely new bloodline aura, the Divine Fire Seal will resist violently. It is not so easy to make the Divine Fire Seal recognize its master.”

“It took me half a month to get the Divine Fire Seal to recognize its master. I almost died!”

The old sect master said slowly!

After hearing this, Chen Ping nodded slowly. He had never practiced dual cultivation with Zhu Ling before. He just lied to the old master!

Now it seems that in order to learn how to fuse the ultimate fire, one must first let the Divine Fire Seal recognize its master, and secondly, use the Divine Fire Seal to comprehend the method of fusion of the ultimate fire!

In this case, I really have to practice dual cultivation with Zhu Ling, so that it would be easier for the Divine Fire Seal to recognize its master!

Chen Ping did want to, but he didn’t know whether Zhu Ling agreed or not!

“Daughter, come in...”

The old sect leader called out Zhu Ling!

Zhu Ling pushed open the door of the hall and walked in. When she saw that the black air surrounding the old master’s body had disappeared and he was obviously much more energetic, Zhu Ling’s face was full of disbelief!

“Father, are you...are you okay?”

Zhu Ling asked excitedly!

“It’s okay. The demon soul in my sea of consciousness has been destroyed. I have to say that the man you chose is really good.”

The old sect leader nodded and said!
