

THE MAN'S DECREE

[The Man Decree] A Man Like None Other

A Man Like None Other Chapter 4001-Huo Yuanting was silent because he didn't know what to say to Gu Tianchao!

After all, Gu Tianchao is not a disciple of Zi Yan Sect, and these are the secrets of Zi Yan Sect, and Huo Yuanting does not want outsiders to know!

If someone takes advantage of the internal strife within Zi Yan Sect and suddenly launches an attack, then Zi Yan Sect will be in danger!

Huo Yuanting doesn't want to see Zi Yan Sect fall!

Seeing Huo Yuanting remained silent, Gu Tianchao smiled and said, "Master Huo, no matter what the reason is, I don't want to know, but I will help you open the God Mountain Fire, and the fee must not be less!"

"Don't worry, Elder Gu. Whether it's spirit coins or resources, you can ask for anything and I will definitely satisfy you."

Huo Yuanting promised!

"Well, take me to see..."

Gu Tianchao nodded!

Huo Yuanting took Gu Tianchao and walked towards the depths of the sect!

Huo Yuanting came all the way to the deepest part of the sect, a huge disc, and then he stopped!

Various array patterns flashed on the disc, and there were five statues of monsters standing around the disc!

"Elder Gu, this is the array plate that opens the Divine Fire Mountain, but only our Elder Cui can open the array plate and open the Divine Fire Mountain."

"Now please, Elder Gu, take a look and see if you can help open it?"

Huo Yuanting asked Gu Tianchao respectfully!

Gu Tianchao glanced at the huge array plate, then waved his hand, and all the runes on the array plate were projected into the air!

Looking at the messy and disorganized formation, people like Huo Yuanting who didn't understand formations were completely confused!

"It's not difficult to open the array, it just takes two or three days."

After Gu Tianchao read it carefully, he said confidently!

"Okay, Elder Gu, if you need anything, just tell me!"

When Huo Yuanting heard that Gu Tianchao could open it, he became very excited!

"During the days when I am cracking the code, no one is allowed to disturb me. Otherwise, not only will all my efforts be wasted, but I will also suffer backlash."

Gu Tianchao warned!

"Don't worry, Elder Gu, no one will disturb us!" Huo Yuanting promised!

Then he looked at Huo Dong and said, "Son, you take your men to guard here. Anyone who dares to approach will be killed without mercy..."

"I understand!" Huo Dong nodded!

Gu Tianchao began to crack the formation, while Huo Dong and several elders were guarding outside!

At the same time, Wei Qing came hurriedly to Elder Yu's residence!

"Master, the Huo family father and son actually invited a formation master from Liangyi Sect, and they wanted to forcibly break the formation and open the Divine Fire Mountain."

Wei Qing said anxiously.

"What? Huo Yuanting actually dared to violate the sect rules and secretly open the God Fire Mountain? Is the news accurate?"

When Elder Yu heard this, he was immediately shocked!

"That's right. I saw it with my own eyes. Huo Yuanting led the people from Liangyi Sect to the formation plate. Only Huo Yuanting left, and Huo Dong personally led people to guard it."

Wei Qing said!

“It’s bad. It seems that Huo Yuanting is determined to get the Divine Fire Seal. We must not let him open the Divine Fire Mountain. Otherwise, if he gets the Divine Fire Seal, even if the old master recovers and comes out, it will be useless.”

Elder Yu frowned slightly, then continued, “Go contact the other elders and disciples immediately, and call everyone from our lineage here.”

“Master, should we call her Senior Sister Zhu Ling?” Wei Qing asked!

“Call her. The young lady must know about this. If Huo Yuanting gets the Divine Fire Seal, the young lady and everyone in our lineage will probably not have a good ending.”

Elder Yu made a decision. Even at the risk of his life, he could not let Huo Yuanting open the Divine Fire Mountain and get the Divine Fire Seal!

After Wei Qing left, Elder Yu looked towards the direction of the Cliff of Repentance!

“I wonder what’s happened to Cheng Ping...”

At this moment, Elder Yu really hopes that Chen Ping can finish reflecting on his mistakes and come out to help him.

In this way, they would have an extra helper. Although Chen Ping was only at the fourth level of the Tribulation Realm, the strength he displayed was not much worse than his!

A Man Like None Other Chapter 4002-In less than an incense stick of time, all the elders and disciples of the old master’s lineage were gathered together.

Zhu Ling, who has not been seen for a long time, also came to Elder Yu’s residence!

Seeing Zhu Ling, many disciples were very excited!

“Miss, Huo Yuanting has found the formation master of Liangyi Sect and is preparing to forcibly start the Divine Fire Mountain and get the Divine Fire Seal. We must not let him succeed.”

“If he gets the Divine Fire Seal, it will definitely be detrimental to the young lady and the old sect master.”

Elder Yu said to Zhu Ling!

At this time, Zhu Ling’s words were more cohesive than Elder Yu’s.

These people are all from the old master's lineage, so they will listen to Zhu Ling more.

"Then when did Huo Yuanting start to crack the formation and forcibly open the Divine Fire Mountain?"

Zhu Ling asked!

"Senior Sister, this happened today. I saw it with my own eyes."

Wei Qing said hurriedly!

"Today!" Zhu Ling frowned slightly, then looked at the people around her and asked Elder Yu, "Elder Yu, where is Junior Brother Cheng Ping?"

"Miss, he ran around without permission and triggered the formation. Huo Yuanting punished him by sending him to the Cliff of Repentance, where he has to face the wall for three days."

Elder Yu said!

Zhu Ling knew that Chen Ping was taking the blame for her!

"How long will it take for the people from Liangyi Sect to crack the formation?"

Zhu Ling continued to ask!

"This..." Elder Yu hesitated!

He didn't know either. After all, he was not a formation master, so how could he know?

Everyone else was silent, not knowing how to respond to Zhu Ling's questions!

"Senior Sister, I think Elder Cui might know. We can ask him."

Wei Qing spoke at this time.

"Okay, then go and invite Elder Cui over." Zhu Ling said.

Wei Qing nodded and immediately went to invite Elder Cui.

Elder Cui is a neutral party after all, so he was not called just now.

Soon, Elder Cui was called over by Wei Qing.

Elder Cui seemed a little surprised to see that all the people from the old master's lineage were there, and Zhu Ling also showed up.

“Miss, what do you want to talk to me about?”

Elder Cui asked Zhu Ling.

“Elder Cui, if the people from Liangyi Sect want to forcibly break the formation and open the Divine Fire Mountain, how long will it take?”

Zhu Ling asked Elder Cui.

“What? Is someone trying to forcefully open the God Mountain Fire?”

Elder Cui frowned.

“Yes, Huo Yuanting invited the formation master from Liangyi Sect to forcibly open the Divine Fire Mountain.”

Zhu Ling nodded and said!

“This Huo Yuanting is too bold.” Elder Cui was furious, but then he said, “If the elders of Liangyi Sect came, it would take about four to five days to crack the formation and open the God Mountain.”

“But I can add some obstacles to him, which will take longer. If I only invite ordinary disciples from Liangyi Sect, they will never be able to crack this formation.”

“Four to five days...” Zhu Ling fell into deep thought!

“Miss, there is no time to lose. Let’s rush over and stop Huo Yuanting. Once the Divine Mountain Fire opens, we won’t be able to stop him.”

Elder Yu said to Zhu Ling anxiously!

Zhu Ling pondered for a moment and said, “Don’t worry, wait until Junior Brother Cheng Ping finishes his reflection. Didn’t Elder Cui say that even the elders of Liangyi Sect need four or five days to open the Divine Fire Mountain?”

“Besides, Elder Cui will also add obstacles. Maybe they won’t be able to open the Divine Fire Mountain at all.”

The reason why Zhu Ling wanted to wait for Chen Ping and prevent Elder Yu and others from coming into conflict with Huo Yuanting was also to wait for the old sect master to come out!

Zhu Ling knew that her father’s evil spirit had been eliminated, and she only needed to restore his spiritual consciousness before she could come out and take charge of the Zi Yan Sect again!

As long as Huo Yuanting cannot get the Divine Fire Seal during this period, it will be fine!

Maybe in four or five days, the old master will recover and come out of the mountain, and it will be useless even if the Divine Fire Mountain is opened!

A Man Like None Other Chapter 4003-"Miss, isn't this too risky? What if..."

Elder Yu wanted to say something, but was interrupted by Zhu Ling!

"Okay, let's do it this way. We'll make plans after Junior Brother comes out of the Cliff of Repentance. Just pretend you don't know anything these days, and no one should cause trouble for Huo Yuanting."

"Got it!" Seeing this, Elder Yu had no choice but to obey Zhu Ling!

All the people who were gathered together dispersed!

Elder Cui also left, and Zhu Ling looked at Elder Yu and said, "Elder Yu, you don't know that my father's madness is gone, and he is now recovering his consciousness."

"In order to prevent Huo Yuanting from knowing, I didn't tell anyone. I accidentally touched the formation. It was me who did it. I took Chen Ping with me to see my father."

"It's just that in order to prevent Huo Yuanting from getting suspicious, Junior Brother stayed behind alone and took all the responsibility on himself!"

"So don't provoke Huo Yuanting these few days. If my father recovers and comes out of the mountain, even if Huo Yuanting forcibly opens the God Mountain Fire, it will be useless!"

Zhu Ling followed Elder Yu to explain, she was afraid that Elder Yu would not be able to help but stop Huo Yuanting!

"So the eldest lady went with them. This guy is so tight-lipped that he didn't even tell me."

"I will follow the eldest lady's arrangements in everything..."

After knowing the reason, Elder Yu immediately nodded and said!

From then on, the entire Zi Yan Sect became quiet, and the old sect master's lineage pretended not to know and did not provoke Huo Yuanting and his people!

Huo Yuanting was waiting for Gu Tianchao to crack the formation and open the Divine Fire Mountain!

Don't worry about Elder Yu and the others. As long as these people don't cause trouble, they can do whatever they want!

As long as he gets the Divine Fire Seal, he will become the true leader of the Zi Yan Sect!

When the time comes, whoever he wants to get out of Zi Yan Sect will have to get out!

Three days passed in the blink of an eye!

When Chen Ping walked out of the Cliff of Repentance, he actually exuded an extraordinary aura!

"If I hadn't been busy, I would have loved to stay in this cliff for a few more days!"

Chen Ping was reluctant to leave the Cliff of Repentance!

In addition to being able to cultivate the True Fire Dharma Body, you can also use the flames on the mountain to temper your body!

Such good things don't always happen!

It seems that this Cliff of Repentance was originally the place where the ancestors of Zi Yan Sect taught their skills!

However, the disciples of Zi Yan Sect who came to the Cliff of Repentance were only thinking about leaving as soon as possible. They were still in pain and could not find the martial arts techniques on the Cliff at all!

If it weren't for the reminder from Demon Lord Chiyun, Chen Ping would have found it difficult to discover that there were any martial arts techniques on the Cliff of Repentance!

Speaking of which, this can be considered a coincidence, which turned out to be a blessing in disguise for Chen Ping!

"Junior brother, you finally came out, are you okay?"

Wei Qing knew that it was time for Chen Ping to reflect on his mistakes, so he came to pick him up!

"It's okay, I'm fine. Brother, have you ever been to the Cliff of Repentance?"

Chen Ping asked!

“Of course I have. When we, the deacon disciples, are promoted to deacons, we have to be tempered in the Cliff of Repentance.”

“Otherwise, how would I know how horrible the Cliff of Repentance is? It’s simply not a place for human beings to stay.”

When Wei Qing mentioned the Cliff of Repentance, it was obvious that he was very resistant!

“Brother, don’t you realize that there is something special about the Cliff of Repentance?”

Chen Ping looked at Wei Qing and asked!

“Special? What could be so special? Did you discover something, brother?”

Wei Qing asked curiously!

“No, I’m just asking casually.” Chen Ping smiled, and then continued: “Brother, I’ve thought about it for the past three days. Has Huo Dong caused any trouble?”

“No, they don’t have the energy to cause trouble. Now Huo Yuanting has found a formation master from Liangyi Gate and is forcibly opening the Divine Fire Mountain. Huo Dong will personally lead people to guard the left and right!”

Wei Qing said helplessly!

[The Man Decree] A Man Like None Other Chapter 4004-“Liang Yi Gate?”

When Chen Ping heard the name, he immediately remembered the guy who cheated Elder Xia’s daughter at Wantong Pavilion!

He is from Liangyi Sect, his name is Gu Tianchao!

Chen Ping didn’t expect to hear the name of Liangyi Sect in Zi Yan Sect!

“Why, Junior Brother also knows about this Liangyi Sect?”

Wei Qing saw Chen Ping’s reaction and asked!

“Yeah, I’ve heard of it.” Chen Ping nodded!

“The Liangyi Sect is a sect that specializes in the study of formations. It has many formation masters and is indeed very famous in the Central Region.”

“This time, Huo Yuanting invited people from Liangyi Gate to come over. It seems that he is determined to win and must start the Divine Fire Mountain.”

Wei Qing said!

“Then why don’t you stop it?”

Chen Ping was very puzzled. Since Huo Yuanting forcibly opened the Divine Fire Mountain, Elder Yu and the others should have stopped him!

“Senior Sister Zhu Ling won’t let me. She said she wants to wait until you finish reflecting on your mistakes before discussing what to do.”

“I think Senior Sister Zhu Ling is relying on you now, so please don’t let her down!”

Wei Qing chuckled and said!

“Let’s go and discuss this with Master...”

Chen Ping did not answer Wei Qing, but went straight to Elder Yu’s residence!

There is no way Chen Ping would let Huo Yuanting get the Divine Fire Seal. Now that he knows that the Divine Fire Seal is required for the Ultimate Fire Fusion, Chen Ping must get the Divine Fire Seal!

What’s more, the old sect master has also promised him, so Chen Ping must not let Huo Yuanting get the Divine Fire Seal before the old sect master recovers!

But just when Chen Ping and Wei Qing arrived at Elder Yu’s residence, a heat wave suddenly swept through the entire Zi Yan Sect!

Accompanied by waves of earth-shaking, a dazzling white light shone out from the depths of the Zi Yan Sect!

“It’s bad, the God Mountain Volcano has opened...”

Elder Yu rushed out of the mansion and looked at the dazzling white light with surprise in his eyes!

Along with the earth-shaking and mountain-shaking, Zhu Ling and many elders and disciples of the old master’s lineage all came!

Even Elder Cui came here sweating profusely!

“Elder Cui, didn’t you say that the array disk would not be cracked in a short period of time?”

Zhu Ling looked at Elder Cui and questioned!

Elder Cui looked embarrassed: “This time, the people Huo Yuanting brought were very powerful in formation. Although I tried my best to create obstacles, I still couldn’t stop them.”

Seeing this, Zhu Ling could only sigh softly and looked at the dazzling white light with a helpless look on her face!

“Is this the opening of the sacred volcano?”

Chen Ping looked at the white light rising into the sky, wondering where this sacred volcano mountain was!

“You’ll see you soon...”

Elder Yu frowned slightly!

Chen Ping stopped talking and just looked at the white light!

I saw a white light rushing into the sky, followed by lightning and thunder in the air!

Then, the white light turned into a rain of light and fell from the sky!

Under this rain of light, Chen Ping saw a blurry mountain shadow appear not far away!

As the light rain continued to fall, the mountain shadows became clearer and clearer!

In the end, a towering mountain appeared in front of everyone, but this mountain was fiery red in color!

And on the top of the mountain, you can see flames rising!

“This...isn’t this the mountain we saw in the Cliff of Repentance?”

Chen Ping’s face was full of surprise!

When he was at the Cliff of Repentance, the mountain that appeared before him was also burning with flames!

“Yes, this is the sacred volcano that we are facing at the Cliff of Repentance.”

Elder Yu nodded!

“Could it be that this mountain is also an illusion?” Chen Ping asked curiously!

After all, inside the Cliff of Regret, the sea of consciousness was under control and everything was imagined out of thin air!

“This is not an illusion. This is a real mountain. It is just hidden by the formation and cannot be seen at ordinary times.”

“Only when the formation is activated and the formation slowly dissipates, will this mountain appear before everyone’s eyes.”

Zhu Ling followed Chen Ping to explain!

[The Man Decree] A Man Like None Other Chapter 4005-Chen Ping was very surprised. He couldn’t imagine how powerful the ancestor of Zi Yan Sect was to be able to set up such a large formation and hide a mountain!

As if seeing Chen Ping’s surprise, Elder Yu explained: “This sacred volcano mountain was not hidden by our Purple Flame Sect’s ancestors. Originally, this mountain had no flames, and this is not a desert.”

“Legend has it that during the great war between gods and demons, the Fire Spirit Star Lord of the Heaven dropped an object that turned the entire mountain into a volcano, and the surrounding area for hundreds of miles became a desert.”

“And the thing that fell is the Divine Fire Seal. Our Purple Flame Sect is just a sect that was later established under this Divine Fire Mountain.”

“Fire Spirit Star Lord?”

When Chen Ping heard this, he was completely incredulous!

Chen Ping could never have imagined that the Zi Yan Sect was actually based on an item left behind by the Fire Spirit Star Lord!

An item dropped by an immortal can create a huge sect!

When Chen Ping accepted the inheritance from the Lord of Fire, he was picky and finally angered the Lord of Fire, so he ran away!

When Chen Ping thinks about it now, he still feels regretful!

Fortunately, he has almost mastered the Fire Control Step, and he also has the Fire Spirit of the Fire Spirit Star Lord in his hands!

If that is the case, the current Chen Ping's status and position is probably higher than that of the ancestor of Zi Yan Sect!

Chen Ping personally received the inheritance from the Lord of Fire!

The ancestor of Zi Yan Sect only established the sect by relying on the items dropped by Fire Spirit Star Lord. Fire Spirit Star Lord may not even know of the existence of Zi Yan Sect!

"Junior brother, the Fire Spirit Star Lord is a celestial being. Besides, these are just legends and may not be true. You don't need to take it too seriously."

When Zhu Ling saw Chen Ping was stunned after hearing about the Fire Spirit Star Lord, she thought Chen Ping was shocked!

"I understand!" Chen Ping nodded: "Right now, we have to stop Huo Yuanting as soon as possible and not let him enter the Shenhua Mountain."

"Yes, we must stop Huo Yuanting now!" Zhu Ling agreed!

Soon, Elder Yu and others headed towards the depths of Zi Yan Sect in a mighty manner!

At the same time, Huo Yuanting was so happy looking at the opened Divine Fire Mountain!

"Elder Gu, thank you so much. Don't worry, I will definitely not give you less than what I promised you."

Huo Yuanting grabbed Gu Tianchao's hand and said excitedly!

"Master Huo, you are too polite. I will help you to the end. Since the sacred mountain fire has been opened, I will go with you, Master Huo."

Gu Tianchao smiled faintly!

"That's great. With Elder Gu's help, this trip to the Divine Fire Mountain will definitely be perfect."

Huo Yuanting's face was full of excitement. He then looked at Elder Tian and said, "Elder Tian, you take people to guard here. I believe that when the Divine Fire Mountain is opened, Elder Yu and his men will definitely come to cause trouble. Stop them."

"I understand!" Elder Tian nodded!

Huo Yuanting took Huo Dong and several elders and headed straight for the Shenhua Mountain!

When the sacred volcano opens, the rolling heat waves are not something that ordinary people can endure. Especially the closer you are to the sacred volcano, the more intense the heat waves become!

Huo Yuanting and his men could only circulate their spiritual energy to resist!

Just when Huo Yuanting and his companions were heading towards Shenhua Mountain, Zhu Ling and Elder Yu and their companions also hurriedly arrived!

“Elder Yu, you brought so many people to trespass into the Ziyang Forbidden Land. What do you want to do?”

“This is where the formation plate is located. No one is allowed to approach unless ordered by the sect master.”

Elder Tian led his men to stop Elder Yu and others!

“Tian Jing, stop pretending. Huo Yuanting has violated the sect’s rules by opening the Divine Fire Mountain without permission. We are here to stop him from entering the Divine Fire Mountain.”

Elder Yu spoke sternly to Elder Tian!
