

## [The Man's Decree]

**[The Man Decree] A Man Like None Other Chapter 4016**-Elder Tu is leading his men to chase after Elder Yu and the others!

But just as Chen Ping followed the man and walked a few steps, the corners of his mouth suddenly raised, and his eyes, which had originally been expressionless, now revealed a hint of coldness!

Swish!

The Dragon-Slaying Sword suddenly appeared in Chen Ping's hand, and then he slashed!

This slash directly cut off the head of the man walking in front!

The man didn't have time to react at all!

He had always thought that Chen Ping was under control at the moment, so he relaxed his vigilance. Who could have thought that Chen Ping was actually pretending!

"You idiots, you've been fooled. You're just a few demon souls, and you want to control me. It's a joke..."

Chen Ping yelled at Elder Tu, then kicked the man's head in front of Elder Tu!

Elder Tu originally led his men to chase Elder Yu and the others, but suddenly he heard Chen Ping's voice. When he turned around, a black shadow attacked him!

Elder Tu stretched out his hand and grabbed it, only to find that it was the head of one of his men!

After Chen Ping gave Elder Tu a disdainful sneer, his figure disappeared in an instant!

Elder Tu is so angry that he is going to die!

The few demon souls that he had cultivated with great difficulty did not cause any harm to Chen Ping at all.

Instead, he was deceived by Chen Ping and killed his men with one sword!

"Boy, I will definitely kill you, definitely..."

Elder Tu roared and chased after Chen Ping!

Seeing this, the disciples of the Ghost Face Sect also chased after them!

Chen Ping used the Fire Control Step and quickly chased after Elder Yu and the others!

If it were only Elder Yu and his people, they would not be able to stop Huo Yuanting and his people!

You know, the people from the Liangyi Sect are also there, but they are the masters of formations. If they set up a formation, Elder Yu and the others won't be able to break it!

Chen Ping quickly chased in the direction of Elder Yu and the others!

But when Chen Ping caught up with Elder Yu and the others, he found that Elder Yu and the others were all blocked by the lava river in front of them!

Looking at the flowing magma in front of him, Chen Ping was actually filled with excitement. You know, this magma is full of the fire of the earth's core!

Chen Ping can absorb the flames in the magma to enhance his own core fire!

However, right now Chen Ping doesn't have time to absorb it slowly!

"Junior brother, are you okay?"

Seeing Chen Ping catching up, Zhu Ling asked with concern!

"Senior sister, I'm fine!" Chen Ping shook his head and then asked, "Can't we fly over this lava river?"

"It's impossible to get through. Just now, a disciple tried and was swallowed by the flames. The flames in this lava river are too strong."

Elder Yu said to Chen Ping!

Chen Ping looked at the lava river carefully. If he had time, he could absorb all the flames in the lava, but he didn't have time now!

The people from the Ghost Face Sect are chasing after us, they should be able to catch up soon!

Chen Ping approached the lava river tentatively. When Chen Ping's body got close to the lava river, a large amount of flames suddenly erupted from the lava river!

"Junior brother, be careful..."

Seeing this, Zhu Ling reminded Chen Ping loudly!

However, this flame will not cause any harm to Chen Ping. After all, Chen Ping has already refined the fire of the earth's core. Even if he enters the magma at this moment, he will not be harmed!

Chen Ping can pass through the lava river without any problems, but how can others get through?

Just when Chen Ping was at a loss, he suddenly thought of something, and then a ball of white flame began to jump in his palm!

Immediately afterwards, Chen Ping slowly injected the white flame into the lava river!

In an instant, the magma in the lava river stopped flowing, and even the rising flames stopped jumping!

When everyone saw this scene, they all looked at Chen Ping in shock. They didn't understand how Chen Ping did it!

"Hurry up and pass through, I can't hold on for much longer!"

Seeing this, Chen Ping hurriedly spoke!

**[The Man Decree] A Man Like None Other Chapter 4017**-Upon hearing this, Elder Yu and others hurriedly began to fly over the lava river!

Because the lava river was controlled by Chen Ping, it was not attacked by fire!

When everyone passed through the lava river, Chen Ping gasped for breath and put away the extremely cold ice flame!

Chen Ping's forehead was covered with cold sweat!

At this time, not far away, Elder Tu and the people from the Ghost Face Sect were chasing after them!

"Junior brother, come here quickly, come here quickly..."

Seeing that the people from the Ghost Face Sect were chasing after them, Zhu Ling hurriedly shouted at Chen Ping!

Chen Ping glanced at the people from the Ghost Face Sect and knew that if he left at this moment, the people from the Ghost Face Sect would definitely catch up with him soon!

“Senior Sister, you go ahead and stop Huo Yuanting immediately. I will catch up with him soon!”

Chen Ping shouted at Zhu Ling!

“Miss, let’s go first. It’s even more dangerous for him to cross the lava river at this time. The people from the Ghost Face Sect will be here soon.”

“Our top priority is to stop Huo Yuanting from getting the Divine Fire Seal. We must stop him!”

Elder Yu pulled Zhu Ling and said!

Zhu Ling also knew that what they had to do now was to stop Huo Yuanting from getting the Divine Fire Seal!

Helpless Zhu Ling looked at Chen Ping deeply, then turned and headed towards Shenhuoshan Mountain with tears in her eyes!

This time, she didn’t know if Chen Ping could still escape!

After all, there is a lava river blocking the way in front and the Ghost Face Sect chasing him from behind. Where can Chen Ping escape to?

Chen Ping looked at Elder Tu who came over angrily, and knew that it would not be so easy to escape this time!

“I don’t know if I can fight with this puppet!”

Chen Ping frowned slightly!

Just now, Chen Ping used the extremely cold ice flame to directly freeze the lava river, allowing Elder Yu and others to pass through. This took a lot of energy!

Before they even had time to catch their breath, Elder Tu and his men caught up with them!

“You have no ability to fight in your current state.”

The Red Cloud Demon Lord spoke!

“If I die, you won’t be able to live either, so stop making sarcastic remarks...”

“Think of a solution quickly. You, the demon king of heaven, are useless.”

Chen Ping said unhappily!

“It’s not that I don’t have a solution, I’m just afraid you won’t agree.”

The Scarlet Cloud Demon Lord said.

“Tell me quickly, what’s the solution?” Chen Ping asked!

“That means letting me possess you and control your body.”

“But don’t worry, I will definitely control my aura and won’t damage your body. I won’t take over your body and then not return it to you.”

“We’ve been together for so long, don’t you believe me?”

The Red Cloud Demon Lord said!

“No problem. I can give up my body and let you control it.”

Chen Ping agreed without hesitation!

Seeing Chen Ping agree so readily, the Red Cloud Demon Lord was a little surprised: “Boy, are you really going to agree? Aren’t you afraid that I won’t return my body to you? Or aren’t you afraid that I will take over your body and play with your woman?”

“You know, those women of yours are all stunning beauties. I have never seen such beautiful women in heaven!”

“Stop talking nonsense. If you dare to have this idea, I have my own way to deal with you. But I believe in the character of the senior. You will not do this.”

Chen Ping said!

“Okay, but even if you give up your body, you have to find a way to suppress this heavenly book. This thing is hanging over my head all day long. I’m afraid that if it takes over your body, I will beat it to ashes.”

Demon Lord Chiyun reminded!

The Daluo Golden Classic in Chen Ping’s sea of consciousness has been protecting Chen Ping all the time. No soul can control Chen Ping’s body through his sea of consciousness!

“Don’t worry, hurry up...”

Chen Ping urged!

Afterwards, Chen Ping's consciousness spread, and a figure appeared in his sea of consciousness. Chen Ping took the initiative to give up his physical body and let his soul enter into the sea of consciousness!

**[The Man Decree] A Man Like None Other Chapter 4018**-Upon seeing this, Demon Lord Chiyun directly took control of Chen Ping's body!

"Hahaha....."

The moment he controlled Chen Ping's body, Demon Lord Chiyun laughed wildly!

He couldn't remember how many years it had been since he appeared in this world in his real physical form!

As he laughed, the sky and the earth suddenly became extremely dark!

All the clothes on Chen Ping's body disappeared in an instant, his skin began to turn dark, and red lines appeared on Chen Ping's skin!

Endless black demonic energy surged in Chen Ping's body with terrifying power!

And between Chen Ping's eyebrows, the eyes that had been flashing with a sinister light suddenly appeared!

This sudden change caused Elder Tu, who was originally leading his men in pursuit, to stop instantly!

"This...what is going on? Why is there such a terrifying demonic energy on this guy?"

Elder Tu looked at Chen Ping with surprise in his eyes!

Especially when seeing the eye between Chen Ping's eyebrows, the whole person felt a chill!

"Senior, that's enough. You've shattered all my clothes. How am I going to face people later?"

"Just be sure you can beat these guys. Don't release too much energy. I'm afraid my body can't handle it."

Chen Ping hurriedly reminded Demon Lord Chiyun in his sea of consciousness!

This guy should not be so happy that he forgets everything and completely lets himself go. Chen Ping's body cannot bear it!

Fortunately, Chen Ping's body has been tempered many times and can still withstand it now!

Otherwise, the outburst of demonic energy just now would have caused his body to explode!

"You're such a bummer, kid. I finally got the chance to show my skills, but you stopped me!"

Demon Lord Chiyun said very unhappily!

"Senior, stop messing around. My body is ruined. It's too difficult to rebuild it. If I can't rebuild it, where can I find such a handsome body?"

"By then, all the women around me will run away..."

Chen Ping hurriedly said in a pleading tone!

"Hahaha, don't worry, I know my limits!"

After the Red Cloud Demon Lord finished speaking, he rushed towards the Ghost Face Sect disciples holding the Dragon Slaying Sword!

"You little bastards, give me your lives..."

Chen Ping roared and rushed forward!

Elder Tu was stunned. Shouldn't Chen Ping run away? How dare he attack and rush towards him?

When Chen Ping rushed over fearlessly, Elder Tu frowned and said, "Damn it, this kid is actually possessed by a demonic spirit, but this terrifying demonic energy is not the demonic spirits I released."

"No wonder my demon souls couldn't hurt him at all. It turns out there is an even more powerful demon soul in his body!"

Elder Tu's face changed slightly. He finally understood why Chen Ping suddenly became full of demonic energy and seemed like a completely different person!

"Stop him, stop him..."

Elder Tu roared!

Without knowing Chen Ping's current situation, Elder Tu could only ask his Ghost Face Sect disciples to test him!

Looking at the Ghost Face Sect disciples rushing over, Chen Ping was not afraid at all. Instead, he was extremely excited!

I don't know what he was shouting in his mouth!

And those disciples of the Ghost Face Sect mobilized their demonic energy and used various means to come towards Chen Ping!

In Chen Ping's eyes, black demonic energy surged, and the Dragon-Slaying Sword in his hand also made a buzzing sound!

Then Chen Ping raised the Dragon-Slaying Sword, and sharp sword energy gushed out and soared into the sky!

Chen Ping was full of fighting spirit, and the sword light was empowered by the demonic energy, becoming extremely powerful!

When this sword was slashed down, the sky and the earth changed color, and the earth shook!

More than a dozen disciples of the Ghost Face Sect were reduced to ashes in an instant, and not even a trace of them could be seen!

"Hahaha, so enjoyable..." Demon Lord Chiyun shouted in excitement!

Chen Ping said bitterly, "Senior, please at least put on some clothes. It's too indecent to be naked and swaying around..."

**[The Man Decree] A Man Like None Other Chapter 4019** – Demon Lord Scarlet Cloud looked down and couldn't help but chuckle. It really didn't look very elegant!

As soon as the Red Cloud Demon Lord stretched out his hand, a disciple of the Ghost Face Sect was grabbed and his clothes were torn off with a casual pull!

Seeing this scene, many disciples of the Ghost Face Sect and Elder Tu were all shocked!

They didn't know what Chen Ping was going to do, so why did he take off his clothes?

Everyone involuntarily tightened their legs!

Chen Ping put on his clothes, slapped his hands, and sent the disciple of the Ghost Face Sect to meet the King of Hell!

“That’s enough. I’m going to have fun...”

After putting on his clothes, Chen Ping raised the Dragon-Slaying Sword again and swung it down!

Boom...

With Chen Ping as the center, a huge crack suddenly appeared in the sky, and in the huge crack, dark whirlpools appeared!

This sword actually tore through the void, revealing another world!

Gray aura emerged from the dark vortex!

All of these gray auras were absorbed by the Dragon Slaying Sword, causing the Dragon Slaying Sword to glow brightly!

At the same time, the entire area around the Divine Volcano seemed to be in the end of the world, and even the lava river on the side began to boil!

Faced with the terrifying sword, all the disciples of the Ghost Face Sect were stunned, and even Elder Tu’s face changed drastically!

It was hard for him to imagine that this sword could be swung by a young cultivator of the fourth level of the Tribulation Realm.

Especially the torn void, there was actually a breath coming out from another world!

Moreover, this aura was also absorbed by the Dragon-Slaying Sword. One must know that in the myriad worlds, not all auras are suitable for cultivation by cultivators in the celestial world!

If you inhale the breath that is not suitable for cultivation, it will not only be of no benefit, but will cause irreversible damage to your body!

Now Chen Ping didn’t seem to be worried at all. He used the Dragon Slaying Sword desperately to absorb the gray aura!

Soon, after the Dragon-Slaying Sword absorbed the breath, the sword light fell with a bang!

The sword light that erupted this time was something no one had ever seen before. It was like a lifeless dead air, the kind of aura that had never existed in the world of heaven and man!

Facing Chen Ping's sword, many disciples of the Ghost Face Sect began to resist. They cast spells one after another, and endless black air formed a shield in front of everyone!

And some people chose to run away and escape!

However, the sword light fell like the scythe of the god of death!

Under this sword, the black shield was as fragile as glass and shattered in an instant!

The disciples of the Ghost Face Sect screamed in agony, their bodies torn into pieces, emitting a strong smell of blood!

Some of the Ghost Face Sect disciples had their bodies split in half, while others turned into a puddle of mud!

Some had half of their heads cut off by the sword. The situation at the scene was like purgatory, so cruel!

This sword killed and beheaded more than twenty Ghost Face Sect disciples!

There were some who had managed to escape, but when they saw the scene before them, they suddenly began to vomit uncontrollably!

Elder Tu was in a state of complete confusion!

What a joke!

Although these Ghost Face Sect disciples are not very strong, they are all masters in the Tribulation Realm!

How come he was killed like an ant by this sword?

Elder Tu now understood that the Demon Sealing Alliance was not stupid. They were willing to offer a hundred years of tribute to kill Chen Ping, which proved that Chen Ping was definitely worth the price!

"That's awesome. I want to try this fire, too..."

Chen Ping put away the Dragon-Slaying Sword, and then five different colors of fire ignited around his body!

Five kinds of fire are jumping in the void!

When Elder Tu saw this scene, he was deeply shocked again!

Chen Ping, a fourth-grade cultivator in the Tribulation Realm, actually possesses five kinds of supreme fire?

Isn't this too outrageous?

"I'm going to play with your God King Bow, don't be stingy!"

Demon Lord Chiyun actually wanted to take out Chen Ping's God King Bow!

**[The Man Decree] A Man Like None Other Chapter 4020** – "Damn it, Senior, please stop making trouble. If the Divine King Bow is exposed, I will become the target of public criticism if this gets out."

Seeing that the Red Cloud Demon Lord wanted to play with his God King Bow, Chen Ping quickly refused!

If I let one of the Ghost Face Sect members escape and spread the news that I have the God King Bow, there will probably be more people who want to kill me!

"Look at your stingy look, don't worry, no one will leave here alive!"

After Demon Lord Chiyun finished speaking, he directly took out the God King Bow from Chen Ping's storage ring!

"grass....."

Chen Ping looked depressed, but there was nothing he could do to stop it!

Now his body is completely controlled by the Red Cloud Demon Lord, and Chen Ping can only shrink his soul in his sea of consciousness and watch!

Elder Tu stared blankly when he saw Chen Ping suddenly take out a longbow, then bend the bow and put an arrow on it. Each of the five kinds of supreme fire condensed into an arrow burning with flames!

whoosh!

Chen Ping pulled the bow to its full extent, and five arrows shot out into the sky and then fell from mid-air!

But when it fell, it turned into a dense rain of arrows!

The remaining disciples of the Ghost Face Sect were all mentally broken at this moment!

I wanted to dodge, but looking at the rain of arrows, I didn't know where to hide!

"Don't be afraid, don't panic..."

Elder Tu finally reacted. He knew that if they continued like this, they would be wiped out!

Elder Tu waved his hand, and black fog instantly filled the air. The endless black fog swallowed up the arrows!

Seeing that all the arrow feathers were swallowed, Elder Tu's mouth corners instantly raised a curve!

But before he could brag, colorful lights suddenly flashed in the black fog!

All the swallowed arrow feathers actually penetrated the black fog and quickly headed towards the ground!

Seeing this, Elder Tu dodged in a hurry, and the Ghost Face Sect disciples, after hearing what Elder Tu said, all stood there in a daze, thinking that Elder Tu could block the attack.

But who would have known that Elder Tu not only failed to stop the attack, but ran away himself!

By the time the Ghost Face Sect disciples reacted, countless arrows had already fallen and shot them into hedgehogs, each of them deader than dead!

"Hahaha, it's fun, so fun..."

The Scarlet Cloud Demon Lord shouted!

He couldn't remember how many years it had been since he had such a happy time!

At this time, only a few of the dozens of disciples of the Ghost Face Sect were still alive, but they were all injured!

Elder Tu's face turned green when he looked at the tragic deaths of the Ghost Face Sect disciples!

"I don't care if you are possessed by a demon or not, I will kill you today!"

Elder Tu's face was gloomy. He waved his hand suddenly, and a terrifying aura swept in like a hurricane!

The sky was filled with black fog, shrouding the entire Shenhua Mountain in darkness!

“You are just an ant, and you want to resist? Then I will send you to hell!”

Chen Ping looked at the furious Elder Tu with disdain on his face!

Hold the bow of the God King and pull it hard!

This time, countless auras between heaven and earth rushed towards the God King Bow!

Even the black mist that Elder Tu had erupted was swept over at this moment!

The God King’s bow burst out with dazzling light, and a golden arrow appeared!

Even the flames from the Divine Volcano and the lava river were absorbed!

Everyone who had already reached the Shenhua Mountain was looking down the mountain in surprise!

“It feels so good...”

Demon Lord Chiyun was having a great time, but he forgot that Chen Ping’s body could not withstand such an explosion!

Chen Ping’s body began to bleed, and his blood vessels became very obvious!

“Senior, stop, stop, my body is going to explode.”

Seeing this, Chen Ping was so frightened that he hurried to stop the Red Cloud Demon Lord!

But the Red Cloud Demon Lord has already been blinded by rage, so he doesn’t care at all!

Chen Ping was frightened, his face full of regret. You know, if the Red Cloud Demon Lord was not obedient, he would not give his body to him!

**[The Man Decree] A Man Like None Other Chapter 4021**-Just when Chen Ping was regretting and at a loss, suddenly the Daluo Golden Classic in his sea of consciousness began to flash!

A white light flashed, and Chen Ping was surprised to find that he had begun to control his body again!

The remaining soul of the Scarlet Cloud Demon Lord returned to his sea of consciousness and looked around in confusion!

Daluo Jindian sensed the danger to Chen Ping, so he forcibly forced back the remaining soul of the Red Cloud Demon Lord, allowing Chen Ping to regain control of his body!

“puff.....”

After Chen Ping regained control of his body, he spat out a mouthful of blood!

The golden arrow feathers on the God King’s bow quickly disappeared, and the red lines on Chen Ping’s body also disappeared!

Even the terrifying demonic energy disappeared without a trace in an instant!

Elder Tu felt the changes in Chen Ping’s body. After seeing Chen Ping spit out a mouthful of blood, his strength was greatly reduced. He understood something instantly!

“Hahaha, you used the devil soul to increase your strength, but you didn’t expect to be attacked by the devil soul. I don’t think you can survive this time!”

Elder Tu’s confidence increased greatly and he laughed out loud!

Then a palm came towards Chen Ping, and Chen Ping frowned and his body retreated backwards in an instant!

“Hmph, I wonder where you can escape...”

Elder Tu snorted coldly, and instantly increased his speed to the fastest, chasing after Chen Ping!

Chen Ping killed so many disciples of their Ghost Face Sect, Elder Tu will never let him go!

Otherwise, he won’t be able to explain after he returns!

Chen Ping only ran two steps before he stopped, because in front of him was a boiling lava river!

Chen Ping took a look at the lava river. The lava river was bottomless and was flowing very fast at the moment. Flames continued to rise into the sky!

Seeing Elder Tu catching up with him, Chen Ping had no choice but to throw the puppet out again!

The puppet, which was driven by the Fire Spirit of the Star Lord, immediately started fighting against Elder Tu as soon as it appeared!

Puppets have no life, so they have no fear!

For a while, Elder Tu and the puppet were fighting in a stalemate!

Chen Ping knew that this puppet could not last long, and Chen Ping could not bear to see the puppet being destroyed!

The Fire Essence cannot be lost. If the puppet is destroyed, the Fire Essence may be damaged or lost!

Chen Ping used this time to rack his brains and think of ways to deal with Elder Tu!

But after thinking about it, Chen Ping had no good idea. Chen Ping could now escape the lava river and head straight to the Divine Fire Mountain!

But if he did that, he would be leading Elder Tu to the Shenhua Mountain, and then Elder Yu and the others would be in danger!

Seeing the puppet that was about to collapse, and looking at the lava river in front of him, Chen Ping decided to jump into the lava river to escape!

Just get rid of this Elder Tu!

Thinking of this, Chen Ping waved his hand and called the puppet back!

Elder Tu looked at Chen Ping with a smug look in his eyes and said, "Boy, I wonder where you can escape to this time..."

"If you want to see it, then go ahead and see it!"

Chen Ping smiled coldly, then with a determined look in his eyes, he turned around and jumped into the lava river!

"Depend on....."

Elder Tu hurried forward, but Chen Ping's body had already fallen straight into the lava river!

Chen Ping dived into the lava river, feeling the scorching heat around him. Because of Chen Ping's sudden jump, the heat waves in the lava river began to twist and rushed straight into the sky!

Chen Ping's body was wrapped in magma and was continuously falling into the depths of the magma river!

As Chen Ping went deeper, the burning sensation became stronger and stronger!

Chen Ping could only desperately go deeper to escape the pursuit of Elder Tu!

Chen Ping's body finally fell to the bottom, and then he began to walk at the bottom of the lava river!

He must leave this place as soon as possible!

Because of the heat wave from the magma, it was impossible for Elder Tu to detect his breath!

But if Chen Ping doesn't move here, and the other party jumps down, he will definitely be found, so Chen Ping must change his position!

**[The Man Decree] A Man Like None Other Chapter 4022**-Chen Ping was in the lava river, swimming at the bottom of the river like a fish.

Elder Tu was looking at the lava river with flames rising from it, his brows slightly furrowed. He didn't expect Chen Ping to actually jump into the river!

Looking at the extremely broad lava river that seemed to have no end, Elder Tu released his spiritual sense, trying to find Chen Ping's exact location!

However, the lava river was too big, and Chen Ping had dived to the bottom. Elder Tu's spiritual sense could not penetrate the lava river at all, and could not find Chen Ping's location!

"We must not let this kid escape, otherwise I won't be able to explain myself..."

Elder Tu's goal now is not just to stop Chen Ping!

Chen Ping killed so many disciples of the Ghost Face Sect, and in exchange he obtained a hundred years of offerings from the Demon Sealing League.

Elder Tu really wanted to jump down and chase Chen Ping, but he didn't know Chen Ping's exact location. If he went down rashly and couldn't find Chen Ping, it would be troublesome!

Moreover, if he relied on himself and could not use his spiritual sense to explore, it would be like looking for a needle in a haystack to find Chen Ping in this lava river!

Elder Tu looked at the dead disciples of the Ghost Face Sect not far away, and seemed to have thought of something!

I saw a drop of blood forced out from his brow, which fell to the ground and instantly turned into a ball of blood mist!

The blood mist quickly turned into the shape of a ghost face!

Then rays of light shone out from the blood mist!

As waves of cold air continued to spread, a ghost face transformed from the blood mist slowly rose into the air!

Just after the ghost face formed by the blood mist rose into the air, the ghost faces worn by the dead Ghost Face Sect disciples on the ground all floated up!

These ghost faces actually let out shrill screams, as if something was suppressed inside them!

“go.....”

Elder Tu waved his hand, and dozens of ghost faces seemed to have life and swarmed into the lava river.

These ghost faces were not afraid of fire at all. They dispersed and dived into the lava river. Elder Tu wanted to rely on these ghost faces to find Chen Ping’s trace!

At this time, Chen Ping didn’t know it yet and was swimming desperately in the depths of the lava river.

Fortunately, Chen Ping had already refined the fire from the earth’s core, so he only needed to slightly circulate the fire to resist the heat in the magma river!

However, Chen Ping’s body felt waves of pain from different places!

These are all the aftereffects of being controlled by the Scarlet Cloud Demon Lord!

This guy clearly said to be more restrained, but in the end he went crazy and tried to absorb all the power around him and condense it into arrows!

No matter how strong Chen Ping’s body was, it couldn’t bear it. Fortunately, Daluo Jindian finally realized Chen Ping’s dangerous situation and forcibly separated the residual soul of Chiyun Demon Lord from Chen Ping’s body!

Otherwise, Chen Ping would now be a lonely soul and his body would have exploded long ago!

“Boy, I’m a little too excited, sorry...”

Demon Lord Chiyun also noticed the changes in Chen Ping’s body, so he said embarrassedly!

“It’s no use saying sorry now. I need to find a relatively safe place and practice for a few days to let my body recover.”

Chen Ping said unhappily!

“Just inside this lava river. That guy won’t be able to find you. You can’t be detected by divine sense here.”

The Red Cloud Demon Lord said!

He also knew that he was in the wrong, so when Chen Ping said a few words to him, Demon Lord Chiyun could only listen!

“Run farther away, this guy is really troublesome...”

After Chen Ping swam desperately for a distance, he relaxed a little and stopped!

Chen Ping planned to absorb some of the underground fire here, and then use the true fire body to temper his body!

It is just right that in this lava river, if I use the True Fire Dharma Body to temper my body, I will definitely get twice the result with half the effort!

Chen Ping tried to absorb the earth’s core fire in the magma river, but just as he started, he heard a buzzing sound, and then he saw the surrounding fire energy flowing more turbulently.

**[The Man Decree] A Man Like None Other Chapter 4023**-Flames began to swirl and circle in front of Chen Ping!

Soon a huge whirlpool appeared. It was so large that it kept sucking away the surrounding earth’s core fire in front of Chen Ping!

“What’s going on? Why did a huge vortex suddenly appear?”

Seeing this, Chen Ping’s face was full of surprise!

Seeing this, the Scarlet Cloud Demon Lord said, "It must be because you absorbed the Earth's core fire here, causing the surrounding flame aura to change, which is why such a large vortex was formed."

"Rivers like this one, formed by underground magma, are very violent. A little bit of medium might be able to change their current state."

After Chen Ping heard what the Red Cloud Demon Lord said, the volcano sounded!

A calm volcano will not erupt even if magma is surging!

But if you throw a stone in there, it might directly cause the volcano to erupt!

The same principle applies now. Chen Ping only slightly absorbed the surrounding fire aura, and a huge vortex suddenly appeared in the magma river!

Chen Ping saw that the vortex was getting bigger and bigger, and there seemed to be a void crack in the center of the vortex!

After being sucked into the vortex, these flames all flowed away along the crack in the void, and no one knew where they went!

Looking at the growing vortex, Chen Ping decided to hide for a while. Maybe the vortex will slowly subside after a while!

Chen Ping resisted the suction of the whirlpool and continued to swim towards the other side, but Chen Ping was walking with great difficulty!

Chen Ping's movements were already hindered in this lava river, and now he was firmly controlled by the suction of the whirlpool. He could only grit his teeth and keep dodging!

But at this moment, a faint breath was getting closer, and soon Chen Ping felt that it was the breath of the Ghost Face Sect!

"That guy actually found this place?"

Chen Ping's expression tensed!

Chen Ping didn't expect that Elder Tu would find him so quickly!

But just when Chen Ping was preparing to fight the enemy, he found that what came was a ghost face!

The ghost face seemed to have life and kept approaching Chen Ping!

Seeing this ghost face, Chen Ping frowned. He knew that this ghost face would never appear here for no reason!

It must have been thrown into the lava river by Elder Tu, and this ghost face must be looking for him!

Chen Ping looked calmly at the ghost face that suddenly appeared. He wanted to know whether this ghost face was thrown into the lava river by Elder Tu or fell in by itself!

The ghost face kept getting closer to Chen Ping, but when it was some distance away from Chen Ping, it was suddenly sucked into the huge whirlpool and disappeared in an instant!

After seeing the ghost face being sucked into the whirlpool, Chen Ping finally breathed a sigh of relief. It seemed that this ghost face was not thrown into the lava river by Elder Tu!

Chen Ping distanced himself from the vortex and did not dare to absorb and refine the fire from the earth's core at will. He could only rely on these flames and use the True Fire Body to temper his body!

At this time, Elder Tu was waiting on the bank of the lava river!

Soon a breath was heard, and Elder Tu looked into the distance!

"This guy actually sneaked so far..."

Elder Tu raised the corner of his mouth slightly, he already knew Chen Ping's location!

Just now, the ghost face approached Chen Ping and directly exposed Chen Ping's position!

At this time, Chen Ping had no idea that his position had been exposed. He was still immersed in the True Fire Dharma Body, tempering his body!

Elder Tu jumped up, and after reaching where Chen Ping was, he dived into the lava river!

Several ghost faces surrounded Elder Tu's body, helping him protect against the flames of the lava river!

This ghost face is not afraid of the fire at the earth's core. Huo Yuanting and others were sent through the lava river by the ghost face!

**[The Man Decree] A Man Like None Other Chapter 4024**-As Elder Tu continued to go deeper, his spiritual awareness also radiated to the extreme!

Now he can only know Chen Ping's approximate location. If he wants to capture Chen Ping's exact location, he needs to use his spiritual sense to explore!

Although the range of the spiritual consciousness in this lava river would not be too far, but Chen Ping's approximate location was already known, so this distance was enough.

Just when Elder Tu released his spiritual sense, it was instantly captured by Chen Ping!

"Fuck, this guy caught up with me so quickly?"

Chen Ping was startled and quickly put away his True Fire Body. He frowned tightly and then quickly went to a deeper place!

"This guy is so fucking annoying. You are just lending me your body. I'm going to kill this guy!"

Demon Lord Chiyun said to Chen Ping!

"Come on, my body can't stand your torture. I don't know when I can fully recover."

Chen Ping gave Demon Lord Chiyun a cold look!

There was no way he could hand over the control of his body to Demon Lord Scarlet Cloud!

Demon Lord Chiyun is also addicted and always wants to control Chen Ping's body!

If Daluo Jindian had not been sitting in Chen Ping's sea of consciousness, Demon Lord Chiyun would have probably competed with Chen Ping for control of the body long ago!

At this time, Elder Tu also sensed Chen Ping's aura and laughed, "Boy, you are only at the fourth level of the Tribulation Realm, and you still want to fight me. You can't escape, just surrender!"

Chen Ping listened to Elder Tu's words without saying a word, his face full of solemnity, and he swam quickly!

Elder Tu was chasing him from behind. Chen Ping was in this lava river and had no way of using his Fire Control Step, so Elder Tu was approaching Chen Ping quickly!

Chen Ping had already used all his strength at this time, and the pain and discomfort brought by his body made Chen Ping frown from time to time!

He will never let Demon Lord Scarlet Cloud control his body again. The consequences would be too serious!

Sensing Elder Tu approaching, Chen Ping gritted his teeth, his expression very grim!

In this lava river, Chen Ping didn't know how long he could fight with Elder Tu!

Especially now that my body is damaged!

But just as Chen Ping was swimming forward anxiously, his body suddenly sank, and he fell straight down like a huge rock!

At some point, a cliff-like deep pit appeared in front of him. Chen Ping was not paying attention and his body fell rapidly!

Chen Ping was horrified and tried desperately to swim upwards, but it was completely useless!

Chen Ping could only transfer all the spiritual power in his body to resist the surrounding flames!

The water got deeper and deeper, and the flames became more and more intense. In the end, Chen Ping discovered that the flames had turned black and red!

"Humph, you're still thinking of evading pursuit by diving deep into the water. That's just wishful thinking!"

Elder Tu thought that Chen Ping was trying to avoid him, so he dived into the depths without any hesitation!

Little did he know that Chen Ping was also completely defenseless, and his body fell straight down!

Elder Tu also dived down without hesitation. No one knew how deep it was here!

Chen Ping was falling down passively, while Elder Tu was actively chasing him downwards!

Two people, one in front and one behind, kept falling!

As the color of the flames became darker and darker, the flames became more and more fierce. Even though Chen Ping had refined the fire from the earth's core and comprehended the origin of fire, he still felt the heat and a feeling of suffocation!

Chen Ping could only try his best to emit extremely cold ice flames to resist this unbearable feeling of heat!

Elder Tu was not feeling well at this time either. As he continued to dive, the ghost faces around him rotated faster and faster, and waves of heat began to constantly harass Elder Tu's body!

Elder Tu frowned slightly, looking at Chen Ping who was still diving, and couldn't help cursing: "Damn it, is this guy seeking his own death?"

**[The Man Decree] A Man Like None Other Chapter 4025**-Chen Ping gritted his teeth, his body falling rapidly. The flames around him became more and more fierce, and were constantly accompanied by flame whirlpools!

When Chen Ping felt that the speed of his falling body slowed down, he discovered that he seemed to have reached the bottom. Huge whirlpools of fire, like the god of death's scythe, kept passing by Chen Ping!

Chen Ping tried his best to control his breath. It was already difficult enough for him to fight the flames at the bottom of the lava river. If he was sucked into the whirlpool, he would be doomed!

"Boy, I wonder where you can escape to this time..."

Elder Tu's voice came!

Chen Ping saw that Elder Tu was like a dog-skin plaster, constantly following behind him, and now he was right in front of him!

"There's no way I'll let you catch me, so just give up."

After Chen Ping finished speaking, he took a look at the vortex of fire and headed towards it resolutely!

Elder Tu was shocked. He didn't understand why Chen Ping would rather die in the vortex of fire than let himself kill him!

As soon as Chen Ping's body approached the vortex of fire, he was immediately sucked in by a huge suction force!

Elder Tu watched helplessly but did not dare to move forward. He knew that if he was sucked into the vortex of fire, he would surely die!

"Humph, even if it's a corpse, I will bring it back and claim the reward from the Demon Sealing Alliance!"

Elder Tu snorted coldly and waited quietly for Chen Ping!

The moment Chen Ping was drawn into the vortex of fire, he took a deep breath, the spiritual power in his body suddenly started to circulate, and his eyes flashed with fiery light!

The fire-type origin star in Chen Ping's body is flashing brightly!

Even though Chen Ping's fire elemental power resisted frantically, he still felt like he was about to be torn to pieces by this vortex of fire!

Elder Tu was watching quietly outside with a sneer on his face!

When Chen Ping felt that he could no longer bear it, he suddenly released the puppet!

He casually took off the fire essence from the puppet!

Without the ultimate fire spirit, the puppet was instantly shattered by the vortex of flames!

With the Ultimate Fire Essence in his hand, Chen Ping suddenly felt a lot more relaxed, and a large amount of fiery energy was absorbed by the Ultimate Fire Essence!

Although the puppet was destroyed, Chen Ping was still safe at this moment!

Chen Ping also took a gamble and placed his hopes on this fire spirit!

Otherwise, how could he take the initiative to enter the vortex of fire!

Chen Ping took advantage of this moment and quickly displayed his True Fire Dharma Body. A figure appeared in Chen Ping's sea of consciousness!

Chen Ping's body also began to absorb the flames, using the flames to temper his body. At the same time, the figure of his True Fire Dharma Body became more and more solid!

Chen Ping greedily absorbed the fiery energy, and Elder Tu looked at Chen Ping, actually sitting cross-legged, and was not crushed by the vortex of fire. He was stunned for a moment!

He didn't understand what method Chen Ping used to survive in this fierce vortex of fire!

And it seems that the vortex of fire did not cause any harm to Chen Ping!

As Chen Ping continued to absorb the flames, the True Fire Dharma Body created a vacuum around his body!

An extremely huge vortex of fire was actually slowly weakening, and it looked like the vortex was about to disappear!

“Damn, this is really weird...”

Elder Tu was completely confused. He really couldn't understand what kind of ability Chen Ping, a fourth-level cultivator in the Tribulation Realm, had. He was not even afraid of this vortex of fire, and it seemed that the vortex of fire was about to disappear!

However, Elder Tu was already prepared at this moment. As soon as the vortex of fire disappeared, he would immediately attack Chen Ping!

Chen Ping also noticed that the vortex of fire was slowly disappearing!

So the body kept moving, and the vortex of fire also moved with Chen Ping.

**[The Man Decree] A Man Like None Other Chapter 4026**-Soon, Chen Ping was merged into a huge vortex of fire again!

Elder Tu was so angry when he saw this. These whirlpools of fire could have stopped Chen Ping and prevented him from escaping!

But now, it has become Chen Ping's amulet!

Chen Ping looked at the flames swirling around him. At this moment, he actually liked it so much. This flame vortex was simply perfect!

Using this vortex of fire, Chen Ping began to practice while escaping!

Elder Tu could only watch but did not dare to get close, because the huge suction force of the fire vortex would suck him in!

Now he has to endure the flames attacking his body and avoid the flame whirlpools that appear from time to time!

The ghost faces around Elder Tu's body had already spun to the limit at this moment!

“ah.....”

Elder Tu roared!

He could still watch Chen Ping getting farther and farther away!

As a master of the Mahayana realm, he was fooled by Chen Ping, a young cultivator of the fourth level of the Tribulation Realm. Elder Tu was so angry that he almost vomited blood!

Soon, Chen Ping's figure completely disappeared in the vortex of fire, and Elder Tu could no longer sense Chen Ping's breath!

Elder Tu was going crazy, but he endured the discomfort in his body and continued searching in the deepest part!

But after searching for a long time, there was no sign of Chen Ping at all, and the ghost face beside him had begun to shatter!

Without the protection of the ghost face, Elder Tu's body could not withstand the attack of the flames!

Elder Tu was helpless and could only swim upstream desperately!

Floating above the lava river, Elder Tu was extremely depressed!

All the disciples he brought with him were slaughtered, and he chased them for a long time but didn't hurt Chen Ping at all!

If I tell this to others, who would believe it?

I, who am in the Mahayana realm, cannot deal with a mere cultivator at the fourth level of the Tribulation Realm!

No one would believe this no matter how hard you try!

But this is the fact, Elder Tu even regrets coming to the Zi Yan Sect!

It would be better to let other elders come. He originally wanted to get some credit. Once the Ghost Face Sect swallows up the Purple Flame Sect, his status and position will definitely rise!

But now, everything is messed up. If he can't kill Chen Ping, he doesn't know how to explain himself when he goes back!

Looking at the rolling river of lava, Elder Tu's expression became more and more ugly!

"It seems that without making sacrifices, there is no way to complete the mission..."

After a moment's silence, Elder Tu's eyes suddenly flashed with determination!

Immediately afterwards, Elder Tu waved his hand, and dozens of ghost faces came towards Elder Tu, and at the same time, bursts of shrill screams came from these ghost faces!

Dozens of ghost faces began to attach to Elder Tu's body, and Elder Tu's body continued to expand!

These ghost faces were of different shapes and had hideous looks. They were all attached to Elder Tu, making it look like Elder Tu had dozens of faces!

And at this moment, Elder Tu's grimacing face slowly cracked apart from his brows, and a trickle of blood flowed down his brows!

Wherever the blood passed, every ghost face sucked it greedily, while emitting a strong demonic aura!

Strange black flames kept spinning around Elder Tu.

Looking at the lava river below him, Elder Tu rushed down instantly!

This time, Elder Tu's speed was extremely fast and he was not affected by the flames at all!

At this moment, Chen Ping is still at the bottom of the lava river, with his body in the middle of the vortex of fire. This is the safest place!

But Chen Ping doesn't know now whether Elder Tu has left!

However, even if Elder Tu has the strength of the Mahayana realm, he cannot stay at the bottom of this lava river for too long!

Chen Ping was caught in the vortex of fire and continued to move forward. As for where it would lead, Chen Ping had no idea!

Now he just wants to get rid of Elder Tu's pursuit!

**[The Man Decree] A Man Like None Other Chapter 4027**-But when Chen Ping moved forward, he found that there was no road and there was a rock wall in front of him!

The place where Chen Ping fell was an abyss, and at this moment Chen Ping actually reached the end of the abyss!

This time, Chen Ping had no choice but to swim upwards!

When Chen Ping swam upwards, he saw that the rock wall had been burned into very special crystal stones by the flames!

They are all sparkling with red light, looking crystal clear and very attractive!

Chen Ping stretched out his hand and touched the rock wall, and streams of thick fiery energy surged into Chen Ping's body!

Chen Ping's eyes lit up. He didn't expect that there was pure flame energy stored in it!

If you use these crystals to temper your True Fire Dharma Body and enhance your ultimate fire, you will definitely get twice the result with half the effort!

Thinking of this, Chen Ping hurriedly took out the Dragon-Slaying Sword and slashed at the rock wall, trying to chop off the crystal on it!

But after Chen Ping struck with his sword several times, the rock wall did not move at all!

These crystals are really too strong!

To be able to stay here and be burned by the flames for who knows how long, the crystal must be extremely solid!

Seeing that there was no way to take the crystal away, Chen Ping could only quietly press his hands on the rock wall and absorb the fiery energy in the crystal!

"This place is really magical. I feel like I've seen it somewhere before..."

The Red Cloud Demon Lord spoke!

"You have seen it? Where?"

Chen Ping asked hurriedly!

"I can't remember. You know I have amnesia and can't remember. But if you let me control your body, maybe I can remember something."

Demon Lord Chiyun did not hide his true thoughts at all!

"Impossible, you should just put away your little thoughts!"

Chen Ping glared at Demon Lord Chiyun!

"Boy, let me have my fun now. When I recover my body and return to heaven, I will definitely help you."

Demon Lord Chiyun almost begged Chen Ping!

“Bullshit, whether you can restore your physical body depends on whether I can find the remains you left behind. Don’t even think about taking my physical body...”

Chen Ping shook his head and would never agree to it no matter what. This time, Chen Ping’s physical body almost died!

Chen Ping no longer paid attention to Demon Lord Chiyun, but quietly absorbed the fiery energy in the crystal!

At the same time, the True Fire Dharma Body is also constantly strengthening.

With the Supreme Fire Essence in his hand, Chen Ping no longer needs to be afraid of any powerful Supreme Fire flame!

But Chen Ping still felt a little regretful that the puppet was wasted!

At this time, Elder Tu had already rushed into the lava river, groping in the flaming abyss. He had to find Chen Ping’s location!

At this moment, he was no longer afraid of the flames, and the ghost faces all over his body had helped him offset all the flames!

As Elder Tu continued to explore, he soon reached the end of the abyss. The red crystals on the rock wall also attracted Elder Tu!

Just when Elder Tu was about to take a look at those red crystals, he suddenly discovered that above his head, it was Chen Ping who was absorbing the fiery energy in the crystals!

At this time, the vortex of fire around Chen Ping had slowly disappeared, and Chen Ping had not yet noticed the existence of Elder Tu!

Chen Ping could never have imagined that Elder Tu would be right under his feet!

After all, Elder Tu doesn’t have the ultimate fire spirit, so it’s impossible for him to stay in the deepest part for a long time!

After discovering Chen Ping, Elder Tu’s breathing began to become rapid!

On Elder Tu’s palm, a wisp of black flame was swirling and condensing into a sharp black arrow.

whoosh!

The long arrow shot out and instantly penetrated the magma, passed through layers of flames, and went towards Chen Ping like a meteor!

With a loud explosion, the entire lava river began to boil!

When the explosion dissipated, Elder Tu was surprised to find that Chen Ping was still above his head and seemed to have not been attacked at all!

**[The Man Decree] A Man Like None Other Chapter 4028**-At this moment, Chen Ping's face changed, and he quickly moved his hands away from the rock wall and looked at Elder Tu below!

Chen Ping had cold sweat on his forehead. Elder Tu was already below him, but he had no idea at all!

Fortunately, Chen Ping had just practiced the True Fire Dharma Body, so his body was wrapped in flames and he was not injured by Elder Tu!

But this has already scared Chen Ping!

Chen Ping rushed upwards quickly, holding his breath and concentrating, suppressing his breath to the lowest level. If he couldn't use his spiritual sense to investigate, he wouldn't be able to see how far the distance was in this lava river if he only looked with his eyes!

Seeing that his attack missed and Chen Ping was about to escape, Elder Tu sped up and chased after him!

In order to prevent Chen Ping from escaping far, Elder Tu used his palms to stir the lava river desperately!

Lines of black flames surged, turning the entire lava river upside down!

In this way, Chen Ping's escape speed in this lava river will be slowed down a lot!

Elder Tu was completely wrapped in the ghost face and could not be stopped at all.

Chen Ping felt the boiling lava river being stirred up and couldn't help but frown!

He felt that Elder Tu was crazy!

If he does this, it probably won't take long before Elder Tu's spiritual power will be completely exhausted!

In this situation, Elder Tu will also be affected and his speed will slow down!

In this case, it's still the same!

But just when Chen Ping was wondering whether Elder Tu had gone crazy, suddenly a figure rushed in front of Chen Ping!

Directly blocked Chen Ping's way!

Chen Ping looked carefully and found that it was Elder Tu!

However, Elder Tu looked extremely ferocious at this time. His entire body was covered in ghost faces, and the ghost faces on his face were also split in the middle, with blood constantly oozing out of his forehead!

And the blood that gushed out was instantly swallowed up by the ghost faces on their bodies!

Seeing this horrifying scene, Chen Ping was a little stunned!

He couldn't figure out what kind of martial arts Elder Tu was using!

"Boy, I must kill you today. Because of you, I even used the secret method of our Ghost Face Sect."

"I'm afraid I'll have to stay in seclusion for a hundred years before I can recover. If I don't kill you, I won't be satisfied..."

Elder Tu glared at Chen Ping, wishing he could swallow Chen Ping up immediately!

Chen Ping did not expect that Elder Tu was staring at him and even used some secret method to kill him!

I saw black light condensing on Elder Tu's palm again, and then the black light suddenly exploded, bursting with countless rays of light!

In an instant, the area of dozens of miles where Chen Ping was located was covered!

It seems that Elder Tu was afraid that Chen Ping would escape, so he controlled Chen Ping first!

Chen Ping felt the light around him, and he knew that he really couldn't escape this time!

It is obvious that Elder Tu is determined to win and will not give Chen Ping any chance!

Chen Ping felt the light bursting out continuously and could only dodge in a panic!

However, as the light continued to shrink, the space Chen Ping could move in became smaller and smaller!

“Damn, this guy is really relentless...”

Chen Ping cursed!

“Boy, give me control of your body now, and I will help you kill him.”

The Scarlet Cloud Demon Lord spoke at this time!

Chen Ping ignored the Red Cloud Demon Lord. If he really let him control his body, although it would be possible to kill Elder Tu, Chen Ping knew that his physical body would be destroyed!

Seeing that Chen Ping remained silent, the Scarlet Cloud Demon Lord continued, “It’s okay if you don’t let me control you. You can’t dodge like this. Try using the flame vortex again...”

Hearing what Demon Lord Chiyun said, Chen Ping hurriedly looked over, but the vortex of fire was no longer there.

At first Chen Ping was afraid of the fire vortex, but now he is looking forward to its appearance!

“There’s no flame vortex here either...”

Chen Ping said anxiously!

**[The Man Decree] A Man Like None Other Chapter 4029**—“You are so stupid. If you don’t have a vortex of fire, you can’t create one yourself...”

Demon Lord Chiyun said speechlessly!

“Make it yourself?”

Chen Ping was stunned, and suddenly his eyes lit up, as if he understood something!

Immediately afterwards, a ray of earth’s core fire appeared in Chen Ping’s palm, and the earth’s core fire continued to rotate in Chen Ping’s palm!

Chen Ping mixed the earth’s core fire with the surrounding magma without hesitation!

The flames in the magma are also the fire of the earth's core, so there is no repulsion between the two flames!

As the Earth's Core Fire thrown out by Chen Ping continued to rotate, the surrounding flame aura was slowly absorbed, and a small flame vortex began to form!

In just a moment, the flame vortex became bigger and bigger, and the suction around it became stronger and stronger!

Seeing that he had succeeded, Chen Ping was immediately overjoyed and leaped towards the vortex of fire!

There is a huge suction force all around the flame vortex, so when the light emitted by Elder Tu touches the flame vortex, it will be instantly absorbed and disappear!

Chen Ping entered the vortex of fire without hesitation. With the fire spirit in him, he didn't have to worry about being sucked into the void crack by the vortex of fire!

Seeing that Chen Ping actually rushed into the vortex of fire again and tried to use it to get rid of him, Elder Tu snorted coldly!

"Humph, this time, it will be useless even if you escape into the vortex of fire."

Elder Tu snorted coldly, and his body moved instantly, actually following Chen Ping!

Elder Tu had the Ghost Face protecting him this time, so he was not afraid of the vortex of fire and followed Chen Ping directly into the vortex of fire!

Seeing this, Chen Ping was shocked and rushed towards the center of the vortex of fire!

That's where the suction is the strongest, but moving in this vortex of fire is as difficult as falling into a swamp!

Every step you take requires a huge amount of physical energy!

Elder Tu was already furious, so no matter what, he had to kill Chen Ping!

Although Elder Tu had difficulty moving, he continued to attack Chen Ping with his palms!

At this moment, Chen Ping had to avoid being caught by Elder Tu and also dodge his attacks!

However, at this difficult time, avoiding Elder Tu's attack is almost as difficult as ascending to heaven!

Rays of extreme fire hit Chen Ping. Although Chen Ping had the ultimate fire spirit, he was not afraid of the fierce flames in the vortex of fire!

However, the ultimate fire released by Elder Tu could not be blocked by the ultimate fire spirit!

One after another, the flames hit Chen Ping hard, making him extremely embarrassed!

“Hahaha, kid, you’re dead today. I’m going to watch you slowly get tortured to death by me...”

Seeing that Chen Ping was trapped in the vortex of fire and had no way to avoid his attack, Elder Tu laughed wildly!

“It’s still unclear who will live and who will die...”

After Chen Ping finished speaking, a holy light suddenly burst out from his body, and then a shadow slowly appeared from above Chen Ping’s head!

Immediately afterwards, this phantom overlapped with Chen Ping’s body, and Chen Ping’s body was constantly changing!

The True Fire Dharma Body was actually activated at this moment!

As Chen Ping’s thoughts moved, the figure of the Dharma body in the sea of consciousness has become much more solid. Even the Red Cloud Demon Lord was envious when looking at Chen Ping’s Dharma body!

With this Dharma body, Chen Ping can constantly sublimate and temper his body. The most important thing is that even if the physical body is destroyed and there is no way to reshape it, Chen Ping can still continue to survive as a Dharma body!

And this Dharma body is exactly the same as Chen Ping, which is equivalent to Chen Ping’s second body!

I just don’t know how many True Fire Dharma Bodies can be condensed in the end. What if I can condense hundreds of Dharma Bodies!

Wouldn’t that mean you can be immortal and be reborn as long as a trace of soul is left behind!

If Demon Lord Chiyun himself had a Dharma body, he wouldn’t have to look everywhere for the remains of his physical body in order to be reborn!

Chen Ping felt the fusion with the Dharma body, and an indescribable power was flowing through his body!

**[The Man Decree] A Man Like None Other Chapter 4030**-Especially the fiery aura around him, what Chen Ping felt was no longer the heat, but a very comfortable feeling!

Chen Ping's body was emitting light at this time, and he was surrounded by red flames. He looked like an immortal who had descended to earth!

And Chen Ping also truly understood the true meaning of the True Fire Dharmakaya!

The True Fire Dharmakaya, to put it simply, is a Dharmakaya that grows using the ultimate fire. This Dharmakaya is absolutely immune to any kind of fire!

So when the Dharma body merged with Chen Ping, Elder Tu's fire attack was like a tickle to Chen Ping!

"I don't know if this True Fire Dharmakaya has any weaknesses. Moreover, it is not yet fully developed, so I don't know what level of fire it can withstand."

"But since the Purple Flame Sect has the True Fire Dharmakāya, do other martial arts sects also have Dharmakāyas for other martial arts?"

Chen Ping was extremely shocked and made random guesses!

He still knows too little about the True Fire Dharmakaya!

"This...what kind of technique is this?"

When Elder Tu saw Chen Ping's expression, he was no longer afraid of even his own fire attack!

At this moment, Elder Tu was completely confused, with his head full of question marks.

He really couldn't understand how Chen Ping, who was at the fourth level of the Tribulation Realm, could come up with some tricks from time to time!

He had never even seen these methods, let alone understand them!

I originally thought that Chen Ping was trapped in a jar and was doomed to die, but what unexpected thing happened?

Especially the red flames around Chen Ping, which seemed to be much stronger than his own fire!

"I am a cultivator in the Mahayana realm. How could I be afraid of a mere fourth-grade cultivator like you who is in the Tribulation Realm?"

“No matter what extraordinary means you have, it’s all in vain in front of the realm gap. I don’t believe you can defeat me.”

Elder Tu didn’t believe at all that Chen Ping had any chance of defeating him!

Although Chen Ping’s performance was surprising, his realm was there!

How could such a huge leap in realm be made up by just one or two skills?

Elder Tu roared, his two palms joined together, and dozens of ghost faces on his body opened their mouths at the same time. Black spiritual light continued to pour out and headed towards Chen Ping!

But Chen Ping looked at Elder Tu at this moment, but he was no longer as panicked as before!

At this moment, after integrating the True Fire Dharma Body, he felt like a fish in water in this vortex of fire!

This body seems to be born for flames. Only in this kind of place can it feel comfortable and exert its greatest strength!

Chen Ping felt like he was the master of this lava river!

Just when the attack was about to reach Chen Ping, Chen Ping, who was originally moving slowly, suddenly disappeared!

Elder Tu was shocked and looked around quickly!

“I’m here...”

Chen Ping’s voice actually came from behind Elder Tu!

Elder Tu’s body trembled, and when he saw Chen Ping appear behind him, he was completely in disbelief!

You have to know that it is difficult to move normally in this vortex of fire, let alone move as quickly as Chen Ping!

This opportunity is impossible, the vortex of flames has already distorted the void, and it has a huge suction force that hinders movement!

But how could Chen Ping ignore all this?

“How...how on earth did you do that?”

Elder Tu's pupils shrank and he asked in disbelief!

"My strength is far greater than what you see. Do you think the Hundred Years Offering from the Demon Sealing League is so easy to obtain?"

"Many cultivators in the Celestial Realm have been eyeing me covetously, but none of them have succeeded. You don't think it's just my luck, right?"

"Everyone who wanted to kill me has now been reduced to ashes, and you are no exception!"

Chen Ping looked at Elder Tu coldly, slowly raised his hand, and a ball of red flame was dancing on Chen Ping's palm!
