

[The Man's Decree]

A Man Like None Other Chapter 4041

[The Man Decree] A Man Like None Other Chapter 4041-“If you can't kill him, then try another method. Don't you just need the energy of blazing fire to practice?”

“You were still on the cliff absorbing the blazing energy inside. Now there is so much blazing energy ready. What are you waiting for?”

Demon Lord Chiyun said to Chen Ping!

Chen Ping's eyes lit up. It turned out that these red fireflies fed on the energy of flames. That meant that these red fireflies must have a lot of energy of flames in their bodies.

And when these red fireflies gather together, their power is even more powerful than ordinary fire!

Moreover, he had the ultimate fire essence in his hands and had cultivated the true fire body, so he was not afraid of any ultimate fire attack at all!

So these red fireflies can't cause any harm to Chen Ping!

But Chen Ping was able to absorb the fiery energy from the bodies of these red fireflies!

Thinking of this, Chen Ping suddenly understood the intention of Demon Lord Chiyun!

It turned out that I had wronged others. Demon Lord Chiyun knew that there were red fireflies in the cave, but he didn't tell Chen Ping just to lure the red fireflies here and let Chen Ping absorb them!

“Senior, I'm so sorry, I misunderstood you...”

Chen Ping said very embarrassedly!

“Get out now, don't waste time in the formation anymore. This formation is to protect me.”

Demon Lord Chiyun kicked Chen Ping and took Chen Ping out of the protection of the formation!

Seeing this, the red fireflies swarmed over, wrapped up Chen Ping, and attacked him desperately!

But these red fireflies can't hurt Chen Ping at all!

Chen Ping, on the other hand, was operating the Origin Stars, madly absorbing the fiery energy from the red firefly's body!

I saw flames rising into the sky, and these red fireflies followed one after another!

Soon, around Chen Ping, some of the red fireflies that had absorbed the fiery energy had turned black and were no longer making any sound!

In a short while, it was covered with a dense layer!

Chen Ping felt very happy and absorbed it desperately!

However, those red fireflies had no intelligence at all. They just swarmed over one after another, releasing flames desperately to burn Chen Ping to death!

This was in line with Chen Ping's wish. The red fireflies released the fiery energy, and Chen Ping tried his best to absorb it.

I don't know how long it took, but the ground was covered with the corpses of red fireflies!

In the end, one of the red fireflies finally came to its senses, turned around and ran away quickly, no longer attacking Chen Ping!

Chen Ping did not chase after him. After all, it was very easy to get lost in this cave!

When the red fireflies dispersed, Chen Ping's original star began to shine!

A strange aura of fire slowly formed in Chen Ping's body!

When these auras of ultimate fire condensed into a wisp of ultimate fire essence, Chen Ping suddenly discovered that this was actually another kind of ultimate fire!

Chen Ping already possessed four kinds of ultimate fire in his body. He originally thought that these red fireflies sucked the aura of flames, and were actually absorbing the aura of the earth's core fire!

Therefore, absorbing the fiery energy of these red fireflies only increases the power of one's own earth core fire!

Unexpectedly, the fiery energy of these red fireflies actually formed a unique kind of fire!

This kind of supreme fire seems to have some spirituality than other supreme fires!

Chen Ping directly offered up a ball of fire, then dripped a drop of blood into it, muttering something!

In an instant, the ball of fire turned into a dozen red-haired mice!

However, this time the red-haired rat was obviously much smarter and even possessed some spiritual intelligence!

You must know that these are all transformed from the ultimate fire. They are not real monsters, but they already possess intelligence!

It was entirely because the ultimate fire formed by the fiery energy that Chen Ping absorbed from the red firefly possessed a certain spirituality!

The red fireflies had no intelligence and just followed like fools, but they never expected that the ultimate fire they formed had spirituality!

A dozen red-haired mice surrounded Chen Ping, squeaking continuously!

“Go find the exit. You must find the exit. Do you understand?”

Chen Ping gave orders to a dozen red-haired mice!

A dozen red-haired mice all nodded, then began to divide the work and ran towards different holes!

While those red-haired rats were looking for a way out, Chen Ping continued to beat Elder Tu out of boredom!

Since it was boring in the cave anyway, Chen Ping made fun of Elder Tu!

[The Man Decree] A Man Like None Other Chapter 4042-Soon, Chen Ping discovered that a red-haired rat had returned, and then kept squeaking at Chen Ping and biting Chen Ping's trouser legs!

Chen Ping knew that the red-haired rat must have made a discovery and therefore did this, but how long had it been since the red-haired rat found a way out?

Chen Ping followed the red-haired rat towards a fork in the road, and did not forget to let the magic whip drag Elder Tu!

There was actually another very important reason why Chen Ping did not kill Elder Tu, and that was that he wanted to let Huo Yuanting see that even if they colluded with the Ghost Face Sect, their fate would be the same!

Chen Ping followed the red-haired rat for only a short distance when he found himself blocked by a stone wall!

“Dead end?”

Chen Ping frowned: "What did you bring me here for?"

Chen Ping was a little annoyed. No wonder the red-haired rat returned so quickly. It turned out that it ran into this dead end!

But why is it a dead end, and why did the red-haired rat bring me here!

"You, even if you have some intelligence, your IQ is still too low!"

Chen Ping sighed, turned around and was about to walk back!

But the red-haired rat stopped Chen Ping, squeaking desperately and biting Chen Ping's trouser legs from time to time!

This time, Chen Ping was a little annoyed!

"Could it be that behind that rock wall is the way out?"

At this time, Demon Lord Chiyun spoke!

When Chen Ping heard this, he was stunned for a moment, then he walked over and gently pressed his hand on the rock wall!

At this moment, Chen Ping's eyes widened and he noticed something unusual!

As Chen Ping's spiritual sense probed into the rock wall, he actually discovered that behind the rock wall, there were wisps of flame aura surging, and this aura was extremely pure and rich, and it was somewhat similar to the fiery aura in the red firefly's body!

If this is a dead end, then there would be no way such a strong smell of fire would appear behind this rock wall!

In the current situation, there must be a road behind this rock wall, which may be the way out!

"I'm sorry, I misunderstood you..."

Chen Ping looked at the red-haired mouse and said slightly embarrassedly!

The red-haired mouse seemed to understand what Chen Ping said and started squeaking!

Chen Ping swung his palm and hit the rock wall in front of him hard!

boom!

Accompanied by a loud bang, the rock wall in front of him did not move at all!

This surprised Chen Ping very much!

You know, it's so easy for him to split mountains and rocks with this palm!

But the rock wall in front of him was not damaged at all!

“What kind of stone is so hard?”

As Chen Ping spoke, he summoned the Dragon-Slaying Sword and swung it down with all his might!

After swinging the sword more than ten times, the rock wall still showed no signs of damage.

Chen Ping had cold sweat on his forehead and was breathing heavily!

Chen Ping was a little dumbfounded. Even if he knew there was a way out behind the rock wall, it would be futile if he didn't look at the rock wall in front of him!

“Wasn't this rock wall opened by force?”

Chen Ping began to observe carefully!

If there is a formation mechanism here, we need to break the formation. It cannot be opened by force!

But after Chen Ping checked for a long time, he found that it was not a formation mechanism at all, and he did not find any formation pattern fluctuations!

Chen Ping frowned and fell into deep thought!

“Damn, this is really weird, why can't it be opened?”

Chen Ping was speechless!

Upon seeing this, Demon Lord Chiyun slowly disappeared and returned to Chen Ping's sea of consciousness!

After Chen Ping returned to his sea of consciousness, he said, “Open your Tianming Eye and take a look. Maybe you can find out the reason!”

Chen Ping himself is unable to use the Heavenly Eye, only with the help of Demon Lord Chiyun!

Chen Ping nodded, and as one of his eyes slowly opened, he was surprised to find that the rock wall in front of him had disappeared!

Instead, there was a door emitting white light!

“Teleportation array? Could it be teleported out?”

When Chen Ping saw the light gate, he was immediately overjoyed!

[The Man Decree] A Man Like None Other Chapter 4043-After taking a few deep breaths, Chen Ping slowly walked towards the light gate!

Because he didn't know what was behind the light gate, Chen Ping was extremely cautious!

The whole person is in a state of combat readiness, and if he encounters danger, he can react immediately!

But when Chen Ping slowly passed through the light gate, there was no so-called way out, but instead a bottomless cave!

“Depend on.....”

Chen Ping cursed. He thought he could get out, but he was still in the cave!

This is a fucking cave, why do we need a light gate?

It's disguised as a rock wall. Isn't this crazy?

But when Chen Ping was about to retreat, he found that the light gate had disappeared, and behind him was the real rock wall!

This means that even if Chen Ping wants to go back, he can't!

This made Chen Ping a little confused. His hair stood on end and he looked extremely nervous!

It is obvious that this light gate or the rock wall is definitely man-made and not formed naturally!

Are you luring yourself in and then closing the door and beating the dog?

Chen Ping was a little scared. After all, what was inside the cave was still unknown!

I don't know if I can get out!

However, the retreat route has been blocked, and Chen Ping can only bite the bullet and move forward!

“Hahaha, this is a dead end, definitely a dead end. There might be ferocious beasts waiting for you here.”

“You tortured me so cruelly, and you will never survive!”

Elder Tu burst into laughter!

The more nervous Chen Ping’s expression was, the happier he was!

Chen Ping glanced at Elder Tu coldly and said with a disdainful smile: “If I encounter a ferocious beast, I will throw you out as food first.”

After saying that, Chen Ping gave Elder Tu two more whips, and then continued to walk forward along the cave!

This time, there was no fork in the road, so Chen Ping just had to walk deeper into the cave!

I don’t know how long I walked, but a light curtain appeared in front of me. However, this light curtain was obviously a formation set up by someone to block the people in the cave!

Seeing the light curtain suddenly appear in front of him, Chen Ping knew that there might be someone here!

If this cave is really the inside of the sacred volcano, then who would be in this cave?

Chen Ping walked forward and observed carefully, and found that the patterns on the formation were very old. It was obvious that the formation had been set up here for many years, probably hundreds of years!

Who has stayed here for hundreds of years?

You have to know that the only thing that can be used in this cave is the extremely tiny flame filaments that seep in, there is no spiritual energy at all!

There is no spiritual energy in this place, how can we practice?

I would never choose this place for seclusion!

Chen Ping tried to release his spiritual sense, wanting to see who was behind the light curtain, but his spiritual sense could not penetrate the light curtain at all!

Now Chen Ping didn't know whether there was someone behind the light, or whether it was the same as the light gate just now, and after passing through it, he would still be in this cave.

"Senior, I had no intention of entering this place, and I don't know how I got out. Please forgive me if I disturbed you."

Chen Ping shouted loudly towards the light curtain!

If there was someone behind the light curtain, he would definitely have heard Chen Ping's shout!

After shouting, after waiting for a while, Chen Ping began to carefully investigate the formation!

This formation is not difficult. For Chen Ping, it can be considered a simple defensive formation!

After just two glances, Chen Ping found the center of the formation!

Chen Ping just snapped his fingers, and several rays of light flew out and hit the center of the formation!

boom!

The light curtain began to shake violently, and then disappeared in an instant. When the light curtain disappeared, rays of light directly illuminated the entire cave!

In the dark cave, the colorful light is very dazzling.

[The Man Decree] A Man Like None Other Chapter 4044-Chen Ping quickly covered his eyes, then slowly looked over and found that this was the end of the cave!

And at the end there is a clearly visible stone door, on which are painted various paintings that even Chen Ping cannot see!

"There are people who really live here..."

Seeing the stone gate, Chen Ping could be sure that someone lived here!

Walking over carefully, Chen Ping placed his hand on the stone door, and then injected a stream of spiritual power into it!

Chen Ping wanted to try whether there was any mechanism inside the stone door. He didn't dare to push the stone door open rashly!

After realizing that the stone door had no mechanism, Chen Ping pushed the stone door open with force!

Behind the stone door, there was actually a small stone chamber filled with all kinds of treasures. These treasures were vivid and radiant!

Moreover, all these treasures carry an extremely strong aura of fire!

Chen Ping was stunned when he saw these treasures. He didn't know whether these treasures had acquired the aura of fire because they had been here for so many years, or whether they had been there from the beginning!

And in the middle of these treasures, on a bluestone platform one meter square, there was actually an old man sitting upright!

This person was dressed in green, his body was extremely thin, his gray hair hung down to his shoulders, and he exuded a weak breath!

However, Chen Ping could tell at a glance that the old man in front of him with a faint breath was not a living person, but a remnant soul!

Just under the light of these treasures, it looks like a living person is sitting there!

“Who are you?”

Chen Ping asked the old man!

The old man raised his head slowly. Although his breath was weak and his body was thin, his eyes were sharp!

“I should be the one asking you this. Who are you? Why are you here?”

The old man asked Chen Ping!

“I am Chen Ping, a disciple of Zi Yan Sect!”

Chen Ping said!

After all, the old man didn't know Chen Ping, so there was no need for Chen Ping to hide his identity!

The reason why he said that he was a disciple of Zi Yan Sect was because he felt that the old man in front of him must have some connection with Zi Yan Sect!

Sure enough, after Chen Ping said that he was a disciple of Zi Yan Sect, the old man's sharp eyes became much softer!

“Who is the current leader of Ziyang Sect?”

The old man asked!

“Huo Yuanting’s acting leader!” Chen Ping said!

“Huo Yuanting?” The old man frowned slightly, then slowly shook his head: “I don’t remember, it’s been too long, I’ve been here for too long...”

After saying that, the old man turned his gaze to Elder Tu behind Chen Ping!

At this time, only the torso of Elder Tu was left, and he looked horrible!

“People from the Ghost Face Sect, why are people from the Ghost Face Sect appearing here?”

The old man was obviously angry when he saw Elder Tu!

“Huo Yuanting colluded with the Ghost Face Sect’s people in order to obtain the Divine Fire Seal and secure his position as the sect leader.”

Chen Ping explained!

“Bastard...” The old man shouted when he heard it!

This sound almost shattered the old man’s frail body!

It was originally just a remnant soul pretending to be a living person. When it got angry, the remnant soul almost scattered. If it scattered, it would be completely over!

Seeing the old man so angry, Chen Ping hurriedly asked: “Senior, who are you? Why are you here?”

“I?”

The old man was startled, then laughed bitterly: “I founded the Purple Flame Sect. I am Hong San, the first sect master of the Purple Flame Sect.”

“The first sect leader?” Chen Ping was shocked!

He didn’t expect that he would meet the first leader of Zi Yan Sect here!

Chen Ping thought that this old man might be a former leader of the Zi Yan Sect, who was accidentally sucked into this void crack and then entered here!

I didn’t expect that he would be the first sect leader!

It's just that the name of the first sect leader is a bit too casual!

[The Man Decree] A Man Like None Other Chapter 4045—“Senior, since you founded the Purple Flame Sect, did you have a deep hatred with the Ghost Face Sect at that time?”

Chen Ping didn't understand. So many years ago, did the Ghost Face Sect have a grudge against the Purple Flame Sect?

Otherwise, Hong San wouldn't get so furious when the Ghost Face Sect was mentioned!

“After we discovered this sacred volcano, I and the ancestor of the Ghost Face Sect all fought for this place.”

“In the end, I won, and Shenhuoshan became my territory. I founded the Ziyang Sect here and spent a huge amount of money to invite dozens of formation masters to hide Shenhuoshan with formations.”

“Later, when I was out, I was ambushed by the Ghost Face Sect. My body was completely destroyed, leaving only a remnant soul, which escaped into the interior of this sacred volcano.”

“For so many years, I have been staying here, quietly waiting for someone to find me.”

Hong San said slowly!

“Is this really the interior of the sacred volcano? It seems to be correct!”

When Chen Ping heard Hong San say this, he suddenly became excited!

Since this is the inside of the Divine Fire Mountain, he can definitely get out. Demon Lord Chiyun did not lie to him!

“It's not difficult for you to leave here, but I have waited here for so many years, and finally I have waited for the disciple of Zi Yan Sect.”

“This remnant of my soul won't exist for much longer, so I want to pass on to you everything I've learned in my life before I completely dissipate.”

“You are also a disciple of Zi Yan Sect. After you have learned everything I have learned, you can kill Huo Yuanting and become the leader of Zi Yan Sect.”

Hong San said to Chen Ping!

“You want to teach me all your skills, that’s great…” Chen Ping couldn’t stop laughing when he heard it!

“I only have a remnant soul left now, so I need you to open your sea of consciousness and let me enter your sea of consciousness. I will pass on to you the most essential things in my life, not only the techniques, but also some experience!”

Hong San said slowly!

“No problem, I will release my sea of consciousness immediately, senior, you can enter at will!”

After Chen Ping finished speaking, his sea of consciousness opened instantly!

Hong San’s soul instantly entered Chen Ping’s sea of consciousness!

“You are just a fourth-rank cultivator in the Tribulation Realm. I didn’t expect your sea of consciousness to be quite vast. But you are also stupid and too trusting.”

“If you say you are a disciple of Ziyan Sect, will I believe you?”

“You have demonic energy on you. You are not a disciple of our Zi Yan Sect at all. Who are you? Tell me the truth!”

Hong San looked stern and spoke directly while controlling Chen Ping’s sea of consciousness!

“You have become a remnant soul, but you can still sense the demonic energy in me. You are really amazing.”

“Although I am not a disciple of Zi Yan Sect, I did not lie to you about other things. I have been helping Zi Yan Sect now.”

Chen Ping said!

“Humph, nonsense. Do you think I’m a three-year-old child? If you don’t tell the truth, I will occupy your body or destroy your sea of consciousness, turning you into a fool and a mindless walking corpse.”

Hong San snorted coldly and didn’t believe what Chen Ping said at all!

“Boy, what I said was right, wasn’t it? I said that this old guy saw that you were lying. Why did you insist on saying that you were a disciple of Zi Yan Sect?”

At this time, the voice of Demon Lord Chiyun came from Chen Ping’s sea of consciousness!

Hong San was stunned, and quickly looked around: “Who is it, who is it? Is there another residual soul in this sea of consciousness?”

Along with a flash of golden light in Chen Ping’s sea of consciousness, the Daluo Golden Classic appeared!

The figure of Demon Lord Chiyun also appeared at the same time, and Chen Ping’s sea of consciousness suddenly expanded more than ten times!

What Hong San saw just now was the vastness of Chen Ping’s sea of consciousness, but it was only a small part of it. Chen Ping did not release all of his sea of consciousness!

It was also the Demon Lord Chiyun who reminded Chen Ping to do this. The Demon Lord Chiyun had long seen that when Hong San entered Chen Ping, he must have had other intentions!

[The Man Decree] A Man Like None Other Chapter 4046-Hong San looked at the Daluo Jindian and saw the Chiyun Demon Lord in front of him, and he was completely stunned!

He had never imagined that the sea of consciousness of a fourth-grade cultivator in the Tribulation Realm would be so vast, and that he also possessed such a strange book!

More importantly, Hong San felt the breath of the Red Cloud Demon Lord in front of him, and his legs were trembling!

You know, he is the creator of Zi Yan Sect, and his strength is almost reaching the realm of immortality!

Even though only a remnant soul is left now, he has seen all kinds of people and experienced all kinds of things!

But looking at the Red Cloud Demon Lord in front of him, Hong San was terrified from the bottom of his heart, and there was no way to conceal that fear!

“Kid, this old guy is going to piss himself. If you have something to say, tell him. I’m going to hide. He’ll be scared to death in a moment!”

Seeing Hong San’s legs trembling, Demon Lord Chiyun said to Chen Ping!

Chen Ping could also feel Hong San’s fear. After all, who wouldn’t be afraid of a demon from the heaven like the Red Cloud Demon Lord?

“Senior, don’t be afraid, I won’t hurt you.”

“I lied to you, but even though I’m not a disciple of Zi Yan Sect, I’m sincerely helping Zi Yan Sect.”

“I was helping Elder Yu of the Purple Flame Sect and others stop Huo Yuanting from getting the Divine Fire Seal, and that’s when I was chased by the Ghost Face Sect. I had no choice but to enter the lava river, fell into a void crack, and came here.”

Chen Ping said to Hong San very sincerely!

“Then why is there evil spirit on you?” Hong San asked!

Hong San hated the demon clan so much that the Zi Yan Sect had been irreconcilable with the demon clan for so many years!

“I not only have demonic energy, but also the aura of beastmen!”

After Chen Ping finished speaking, the power of the three tribes on his body slowly dissipated, allowing Hong San to directly sense it!

When Hong San saw that Chen Ping actually possessed the aura of three tribes, his eyes widened and his expression was full of surprise!

One person possesses the aura of three races. This is something he has never heard of or seen before!

“What a strange man, what a strange man...”

Hong San said in shock!

“Senior, since you are now just a remnant of soul, then stay in my sea of consciousness. I will take you out and perhaps find a chance to revive you!”

Chen Ping said to Hong San!

Hong San smiled bitterly and said, “I can’t be resurrected. Even this remnant soul is now supported by the flame aura of the surrounding treasures.”

“I know I will disappear soon, so before I disappear, I will pass on to you everything I have learned in my life, hoping that you can carry forward the Purple Flame Sect!”

“Senior, what are you doing...” Chen Ping was stunned. How could he promote the Purple Flame Sect? He was not even a disciple of the Purple Flame Sect!

But before Chen Ping could say anything, Hong San condensed a divine thought in his palm, and then instantly merged into Chen Ping’s sea of consciousness!

A complex and detailed information began to pass through Chen Ping's sea of consciousness!

Before Chen Ping could react, Hong San turned pale and was shaking violently, but he had a smile on his face, as if he had accomplished something big!

"Senior, are you okay?"

Chen Ping didn't have time to digest the information in his sea of consciousness, and hurriedly asked Hong San!

"I'm fine. Even if I die now, I can rest in peace. Because of the accident that happened to me, not much of my true teachings were left in Zi Yan Sect. That's why Zi Yan Sect is getting weaker and weaker now!"

"As for the secret of the Divine Fire Seal, I didn't have the time to tell my disciples. I guess over the years, they only recognized the Divine Fire Seal as their master and then used it to practice."

Hong San said with a look of helplessness and shame!

"Senior, isn't the Divine Fire Seal used for cultivation? I heard that after the Divine Fire Seal recognizes its master, it can allow the Supreme Fire to merge."

Chen Ping asked Hong San in surprise!

Hong San shook his head and said, "The Divine Fire Seal can indeed help with cultivation, but the current Divine Fire Seal is just an empty shell."

[The Man Decree] A Man Like None Other Chapter 4047-After saying that, Hong Sanqiang struggled to leave Chen Ping's sea of consciousness and returned to the bluestone platform!

Feeling the flame aura of the surrounding treasures, Hong San's face looked much better!

However, as Hong San stretched out his hand and clapped his hands, the colorful treasures around him slowly dissipated and finally turned into an illusory seal!

"Divine Fire Seal, is this the Divine Fire Seal?"

Chen Ping looked at what was in front of him and was immediately surprised!

He didn't expect that the Divine Fire Seal would be here!

However, this Divine Fire Seal looks very unreal, like a projection, and not a real object!

“This is the Divine Fire Seal, but it’s not the Divine Fire Seal…”

Hong San said slowly!

When Chen Ping heard this, he was immediately confused and had no idea what Hong San was talking about!

If it is, it is. If it is not, it is not. How can it be neither? What a puzzle!

If Hong San hadn’t just passed on his lifelong skills to Chen Ping, Chen Ping would probably have cursed!

“This is the seal soul of the Divine Fire Seal, so it is called the Divine Fire Seal, but it is not the Divine Fire Seal anymore.”

Hong San saw that Chen Ping wanted to curse, so he hurriedly explained!

When Chen Ping heard this, he instantly understood that some things that cultivators wear all year round will produce spirits over time!

It’s just like your own Dragon-Slaying Sword, with a sword spirit inside!

This divine fire seal was left behind by the Fire Spirit Star Lord. With the Fire Spirit Star Lord’s strength, it is normal for the seal on his body to have a seal soul and awaken spiritual intelligence!

In this way, the Seal Soul has always been here, and the Divine Fire Seal that Huo Yuanting and others are looking for is just an empty shell!

It’s just an empty shell, but it can also help with cultivation and allow the ultimate fire to be fused. It must be something left behind by the Fire Spirit Star Lord, and they are all treasures!

Thinking that the Red Cloud Demon Lord and the Fire Spirit Star Lord were people of the same status and realm, Chen Ping excitedly said to the Red Cloud Demon Lord: “Demon Lord, the Fire Spirit Star Lord left behind so many treasures in the Heavenly Human Realm, and each one is more powerful than the other. Don’t you have left behind any treasures?”

“Tell me now, I’ll go look for it and see if your treasure is stronger than the Fire Spirit Star Lord’s!”

Hearing Chen Ping following him to ask for treasures, the Red Cloud Demon Lord couldn’t help but roll his eyes and said, “I’ve left my life in the Heavenly Realm, isn’t that enough? And I left behind a shitty treasure.”

“Could it be that my soul is no match for the crappy treasure of the Fire Spirit Star Lord?”

“If that’s the case, then I’ll just leave you. Anyway, I can move around freely here without any suppression. I’ll also wait quietly for the right person here!”

As he said that, the Scarlet Cloud Demon Lord actually acted like a child and wanted to leave Chen Ping’s sea of consciousness!

Seeing this, Chen Ping quickly apologized: “Senior, I just asked casually, why are you so anxious? You can stay in my sea of consciousness, and I won’t charge you any fees.”

“And I will definitely help you collect the complete remains and revive you. I can definitely do it!”

Chen Ping would never let Demon Lord Chiyun leave him. Having this guy in his sea of consciousness would be like having an extra encyclopedia!

The things about the heaven and some treasures that I don’t understand, Demon Lord Chiyun knows all of them!

What’s more, with the presence of Demon Lord Chiyun, Chen Ping can use the Sky Eye anytime and anywhere, how cool!

“You are greedy, kid. Be careful not to bite off more than you can chew. I give you so many treasures, can you handle them?”

After saying this, Demon Lord Chiyun turned around and ignored Chen Ping!

Chen Ping was speechless. This devil was thousands of years old, but he was still acting like a child, throwing tantrums...

Chen Ping didn’t notice that while he was talking to Demon Lord Chiyun, Hong San smiled and slowly closed his eyes!

That remnant soul is slowly dissipating!

Without the support of the flame energy, and Hong San having passed on all his life’s skills to Chen Ping, his residual soul could no longer exist!

[The Man Decree] A Man Like None Other Chapter 4048-“Senior, senior...”

Upon seeing this, Chen Ping hurried forward and injected wisps of flame into Hong San’s body!

No matter what, now that Chen Ping has accepted Hong San's lifelong skills, he is considered a disciple of the Zi Yan Sect!

Chen Pingcheng doesn't admit it, but this is the result!

"Don't waste time. Even if a great immortal descends to the mortal world, he can't revive me. At the last moment, I am already very satisfied to be able to pass on what I have learned throughout my life!"

Hong San smiled and didn't show any fear at all!

Once this remnant soul dissipates, Hong San will disappear from this world forever!

Chen Ping tried desperately to keep Hong San alive for a while longer, but it was useless. In the end, Hong San's remaining soul completely dissipated!

Looking at Hong San who was gradually disappearing, Chen Ping felt a surge of regret in his heart!

After all, he was a master of his generation, and he founded the Zi Yan Sect, but in the end, he died quietly!

"Oh..." After Chen Ping sighed lightly, he turned his gaze to the sealed soul!

"This thing is harder to recognize than the Divine Fire Seal. I hope I can subdue it!"

After Chen Ping finished speaking, he waved his hand instantly, and several flames enveloped the sealed soul!

Yin Hun struggled desperately and resisted, emitting a fierce aura of fire to resist!

The temperature in the entire room instantly rose to thousands of degrees!

However, Chen Ping possesses the True Fire Dharma Body and the Ultimate Fire Spirit, so he is not afraid!

Then he sat upright in the room and began to subdue the sealed soul!

While Chen Ping was subduing Yin Hun, flames shot up into the sky from the Divine Mountain Fire above his head!

The Divine Fire Seal gradually became suspended, making the flames of the entire Divine Mountain Fire even more intense!

"Hahaha, the Divine Fire Seal appeared. I finally found the Divine Fire Seal. It must be God's help that I found it so quickly!"

Huo Yuanting looked at the floating Divine Fire Seal and laughed wildly!

After searching for two days and one night, I finally found the Divine Fire Seal.

Everyone looked at the Divine Fire Seal with excitement on their faces. Huo Dong even licked his lips with greed in his eyes!

The Divine Fire Seal, with this thing, Huo Yuanting can become the true leader of the sect!

More importantly, with the Divine Fire Seal, Huo Dong can use it to break through the peak of the Tribulation Realm and reach the Mahayana Realm!

“Congratulations, Master Huo. Now, who in the entire Zi Yan Sect dares to disobey you...”

Gu Tianchao stepped forward and flattered Huo Yuanting!

Huo Yuanting enjoyed it very much, with a proud look on his face. Then he moved his body and went directly towards the Divine Fire Seal!

But just as Huo Yuanting approached the Divine Fire Seal and was about to grab it, there was a sudden scream!

Huo Yuanting’s face turned pale, and he fell down instantly, with white smoke coming out of his palms!

“Such a fierce flame! I can’t even bear the flame energy of the Divine Fire Seal...”

Huo Yuanting looked at his palm and frowned!

“Father, this Divine Fire Seal needs to recognize its master. If it doesn’t, it will be difficult to withstand the flame energy in the Divine Fire Seal.”

Huo Dong hurriedly reminded Huo Yuanting!

Huo Yuanting nodded quickly. He was so excited that he even forgot to recognize his master!

Soon, a drop of blood was forced out from between Huo Yuanting’s eyebrows, and then the drop of blood floated towards the Divine Fire Seal!

As long as the Divine Fire Seal absorbs this drop of essence and blood, it will be considered as successfully recognizing its master!

“Huo Yuanting, I will not let you get the Divine Fire Seal...”

Just when that drop of blood was about to be absorbed by the Divine Fire Seal, a cold voice suddenly rang out!

Then several figures appeared, and Huo Yuanting's drop of blood was instantly dispersed by a white light!

It turned out that Elder Yu and his men arrived in time and stopped the Divine Fire Seal from recognizing its master!

[The Man Decree] A Man Like None Other Chapter 4049-Seeing Elder Yu and the others arrive, Huo Yuanting was not panicked at all. Instead, he smiled coldly and said, "You guys think you can stop me from getting the Divine Fire Seal? Don't dream on."

"Huo Dong, take people to stop them. Elder Gu, help me set up the magic circle. Don't let them disturb me from recognizing the Lord's Fire Seal!"

Huo Yuanting ordered loudly!

Huo Dong brought many disciples of their lineage and rushed directly towards Elder Yu and the others!

A melee broke out instantly, and Gu Tianchao pinched his fingers, and array patterns appeared around Huo Yuanting, directly covering Huo Yuanting and the Divine Fire Seal!

"Elder Yu, we must not let Huo Yuanting get the Divine Fire Seal and stop him..."

Zhu Ling waved the sword in her hand and spoke loudly!

Elder Yu nodded, and his entire body turned into a flaming meteor, charging directly towards Huo Yuanting!

It seems that Elder Yu intends to die with Huo Yuanting and not let him get the Divine Fire Seal!

boom!

But accompanied by a loud bang, Elder Yu's body was instantly bounced away by the magic circle!

Elder Yu had no way of breaking the magic circle set up by Gu Tianchao!

Right now, none of them understand the art of formations and can only break the formation by force. However, as Gu Tianchao is the elder of Liangyi Sect, the formation he has set up cannot be broken so easily!

Seeing that Elder Yu tried his best but was unable to break the formation, Huo Yuanting laughed and slowly approached the Divine Fire Seal.

As a drop of essence blood fell on the Divine Fire Seal, the Divine Fire Seal emitted a blood-red light!

Seeing this, Huo Yuanting stretched out his hand and took the Divine Fire Seal!

“Hahaha, this is the Divine Fire Seal, this is the Divine Fire Seal...”

Huo Yuanting laughed wildly!

When they saw Huo Yuanting getting the Divine Fire Seal, whether it was Elder Yu, Zhu Ling, or Wei Qing and the others, their faces changed instantly!

If Huo Yuanting gets the Divine Fire Seal and acknowledges it as its master, then the position of leader of the Zi Yan Sect will completely belong to him!

“With the Divine Fire Seal in hand, you disciples of the Purple Flame Sect, listen to my orders...”

Huo Yuanting held the Divine Fire Seal in his hand and shouted excitedly!

Upon seeing this, Huo Dong hurriedly led all the disciples of his lineage to kneel down!

Elder Yu and the others all stared at it in shock, somewhat at a loss!

“What? You don’t obey orders. Are you going to rebel?”

Huo Yuanting looked at Elder Yu and the others coldly and asked!

“Humph, who knows whether this Divine Fire Seal is real or fake...”

Elder Yu snorted coldly, then raised his hand and sent out a storm of fire across the sky!

Now he can only delay by doubting the authenticity of the Divine Fire Seal!

“How dare you attack the sect master? According to the sect rules, you should be beheaded...”

Upon seeing this, an elder from Huo Yuanting’s lineage shouted and tried to stop Elder Yu!

“Don’t worry about him. I’ll let him see whether this Divine Fire Seal is real or fake...”

Huo Yuanting smiled coldly!

Elder Yu shot out flames all over the sky, and countless flames formed fire tornadoes and headed towards Huo Yuanting!

Seeing this, Zhu Ling knew that Elder Yu was no match for Huo Yuanting, so she also slapped out with her palm!

This palm also caused flames to rise, and a huge bird burning with flames flew into the sky and flew straight towards Huo Yuanting!

The two people joined forces to attack Huo Yuanting!

However, Huo Yuanting raised the corner of his mouth slightly, without a trace of panic at all, but raised the Divine Fire Seal in his hand!

The Divine Fire Seal suddenly emitted thousands of flames. The flames from the attacks of Elder Yu and Zhu Ling all dissipated instantly in front of the Divine Fire Seal, and did not cause any harm to Huo Yuanting at all!

Seeing this scene, Elder Yu and Zhu Ling were both very surprised!

However, the two men attacked again, and beams of fire continued to fly towards Huo Yuanting!

Unfortunately, all these attacks disappeared in the face of the Divine Fire Seal.

Elder Yu and Zhu Ling both had disordered breathing and cold sweat on their foreheads!

[The Man Decree] A Man Like None Other Chapter 4050-Look at Huo Yuanting again, holding the Divine Fire Seal, with a proud look on his face.

“I have the Divine Fire Seal in my hand, and you still dare to act so presumptuously. You are so ignorant...”

Huo Yuanting sneered!

Although Elder Yu and Zhu Ling were very angry, they had no way out!

“The Sect Master has issued an order. If you still don't kneel down, will you be expelled from the Purple Flame Sect?”

At this time, an elder under Huo Yuanting yelled at Zhu Ling and the others!

Elder Yu and Zhu Ling looked at each other helplessly and then knelt down!

After the two men knelt down, the other disciples also knelt down!

Now that Huo Yuanting has obtained the Divine Fire Seal and has recognized his master, it proves that Huo Yuanting is no longer the acting sect leader, but the real sect leader!

If Elder Yu and Zhu Ling did not kneel, Huo Yuanting could completely expel all of them from Zi Yan Sect according to the sect's rules!

Seeing Elder Yu and Zhu Ling kneeling down with their heads down, Huo Yuanting suddenly laughed excitedly!

"Hahaha, let's go back to Zi Yan Sect and prepare for the official inauguration ceremony..."

Huo Yuanting laughed loudly, holding the Divine Fire Seal, and walked slowly past the kneeling crowd!

Elder Yu and others followed him back to Zi Yan Sect!

It's just that everyone from the old sect master's lineage is full of worries. Now that Huo Yuanting has obtained the Divine Fire Seal and become the real sect master, they will have no good days in the future!

However, after returning to Zi Yan Men, Huo Yuanting did not cause trouble for Elder Yu and the others. I wonder if they were busy with the inauguration ceremony and had no time to care about them!

"Oh, we are doomed now. I don't know what happened to our junior brother."

Qian Xiu has been worried about Chen Ping for several days, but there has been no news from Chen Ping!

"I think Junior Brother is in great danger. Your Ghost Face Sect is too powerful. With so many people against Junior Brother alone, Junior Brother will not be able to escape."

Wei Qing had long thought that Chen Ping was dead!

After all, even if Chen Ping is powerful, he can't escape facing so many people from the Ghost Face Sect!

"Brother, how can you curse my junior brother? I believe he will be fine."

When Qian Xiu heard what Wei Qing said, he became unhappy!

Many other disciples were also discussing Chen Ping, wondering if Chen Ping was still alive!

Inside the room, Elder Yu summoned several other elders under the old sect leader, and discussed countermeasures with Zhu Ling!

Now that Huo Yuanting has obtained the Divine Fire Seal and holds great power, the people of their old sect leader's lineage will definitely be retaliated against and suppressed!

"Alas, now that Huo Yuanting is in power and has obtained the Divine Fire Seal, I'm afraid we won't have a good life in the future."

An elder said with a sigh!

"If Huo Yuanting dares to retaliate against us, we will be doomed to fail."

Elder Yu gritted his teeth and said angrily!

He would rather die than surrender to you, Huo Yuanting!

Elder Yu is just greedy for money, but when it comes to major issues, Elder Yu can definitely be relied upon!

"Everyone, don't be too impulsive. Huo Yuanting hasn't made any unusual moves towards us yet. Let's just wait and see what happens!"

Zhu Ling said to everyone!

Now that Huo Yuanting has obtained the Divine Fire Order, his strength has greatly increased. These people are no match for Huo Yuanting's lineage at all!

"I think Huo Yuanting is busy with the inauguration ceremony. I think he will attack us during the ceremony!"

Elder Yu said!

He never expected Huo Yuanting to let them go and pretend that nothing had happened!

"Or maybe Huo Yuanting deliberately forbore for the sake of the overall interests of Ziyang Sect. After all, we have a lot of people."

An elder said!

"Humph, will he consider the overall situation? This guy even dares to cooperate with the Ghost Face Sect, what's the overall situation?"

Elder Yu snorted coldly. He didn't believe that Huo Yuanting would consider the overall situation of Zi Yan Sect!
