[The Man Decree] A Man Like None Other Chapter 4051

[The Man Decree] A Man Like None Other Chapter 4051—"Well, regardless of whether Huo Yuanting causes us trouble or not, now that he has obtained the Divine Fire Seal, he is the most troublesome."

Zhu Ling frowned!

Huo Yuanting got the Divine Fire Seal and has recognized its master!

If the inauguration ceremony begins, he will become the real leader of Zi Yan Sect!

Even if Zhu Ling's father showed up, he wouldn't be able to stop it. After all, this is the rule of Zi Yan Sect!

"How about we find a way to steal the Divine Fire Seal?"

An elder suggested!

"Impossible, Huo Yuanting would definitely carry it with him personally and send someone to guard it."

"And Gu Tianchao from the Liangyi Sect is here too. He can set up a magic circle to protect the Divine Fire Seal. Who among us can break the magic circle?"

Elder Yu said!

After hearing this, everyone fell silent. After all, no one had that ability!

"It would be great if Junior Brother was here. He would be able to break the magic circle."

"I don't know how he is doing now. If he blocks so many people from the Ghost Face Sect by himself, he will definitely be in danger."

Zhu Ling thought of Chen Ping!

Speaking of Chen Ping, Elder Yu was also a little worried!

In any case, Chen Ping faced the Ghost Face Sect alone in order to help them escape.

"Let's take it one step at a time. Everyone should be careful these two days and try not to provoke the disciples of Huo Yuanting's lineage."

Zhu Ling gave everyone some instructions and then the group dispersed!

Two days later, three loud noises were heard in the sky above Zi Yan Gate!

All the disciples of Zi Yan Sect were gathered at the square in front of the main hall, and even the outer disciples made an exception and gathered here!

Following the announcement of Elder Na Tian, Huo Yuanting, dressed in his best attire, flew to the center of the square, holding the Divine Fire Seal in his hand, and excitedly glanced around and punched!

At this moment, Huo Yuanting was so full of vigor and vitality!

After displaying the Divine Fire Seal, Huo Yuanting flew up and sat on the throne in the hall!

From here, you can overlook the entire Zi Yanmen Square!

All the disciples of Zi Yan Sect knelt down, including Elder Yu and his companions!

Elder Tian followed the procedure and flattered Huo Yuanting, telling him about his contributions to Zi Yan Sect!

Elder Yu and the others listened with gritted teeth, but there was nothing they could do!

“It is in accordance with the will of heaven and the will of the people that Master Huo ascends to the throne of Master today, which is in line with the rules of our Ziyan Sect.”

“From today on, Sect Master Huo is the true Sect Master of Zi Yan Sect. All disciples must obey Sect Master Huo’s orders!”

“The ceremony has begun. Disciples, please start congratulating us!”

Elder Tian announced loudly!

Just when Huo Yuanting was happily waiting for the congratulations from many disciples, suddenly a cold and solemn voice was heard!

“Wait a minute, who recognized Huo Yuanting as the leader of the sect?”

At this time, a figure slowly appeared and walked towards the center of the square!

“Father.....”

“Old Sect Master...”

When they saw the person coming, Zhu Ling and Elder Yu were all shocked!

It turned out that the old sect master had come. Many of them didn't know that the old sect master had recovered!

When the disciples of the old master's lineage saw the old master appear, they got up from the ground one by one and cheered continuously!

When Huo Yuanting saw the old sect leader, his expression instantly turned extremely ugly!

How could the old sect leader escape when he was controlled by the evil spirit?

And it seems that the old master is not affected at all, as if he has recovered!

"Master Zhu, why are you here?"

Huo Yuanting quickly stood up and asked politely to Sect Master Hu Zhu!

"Why am I here? If I hadn't come, wouldn't the Purple Flame Sect have let you become the Sect Master?"

The old sect leader looked at Huo Yuanting with a cold expression!

"Old Sect Master, what do you mean by this? I only officially became the Sect Master after I got the Divine Fire Seal and recognized him as my master."

"You came out a little late. I am the leader of Zi Yan Sect now!"

Huo Yuanting frowned and said coldly!

[The Man Decree] A Man Like None Other Chapter 4052 – After Huo Yuanting finished speaking, the Divine Fire Seal in his hand emitted bursts of flames, and a terrifying heat wave swept towards everyone!

Feeling the heat waves radiating from the Divine Fire Seal, everyone in the old sect master's lineage had a solemn look on their faces!

The old sect master also frowned slightly, and the aura from his body slowly emanated from him!

Originally, the Divine Fire Seal recognized its master in his hands. It was because the old sect leader discovered that Huo Yuanting intended to rebel that he placed the Divine Fire Seal in the Divine Mountain!

The reason is that even if Huo Yuanting becomes the sect leader, it is only temporary. After all, without the Divine Fire Seal, he cannot be the real sect leader!

But now, he found that the Divine Fire Seal no longer had any connection with him. It seemed that Huo Yuanting had really made the Divine Fire Seal recognize its master!

Huo Yuanting felt the old master's aura and immediately laughed!

"Hahaha, old master, although you are not crazy now, it is obvious that your consciousness has been severely damaged and has not yet fully recovered."

"Do you think you are suitable to be the sect leader with your current strength?"

Huo Yuanting held the Divine Fire Seal and questioned the old sect leader!

The old sect leader remained silent and withdrew his breath!

He has indeed not fully recovered yet. If they really have a conflict with Huo Yuanting, they will not gain any advantage at all.

"Huo Yuanting, since you have already recognized the Divine Fire Seal as your master, then you will be the leader of the Purple Flame Sect!"

The old master compromised!

Hearing the old sect master say this, Huo Yuanting sneered, glanced at Elder Yu and others and said: "Did you hear that? Now I am the real sect master, why don't you kneel down..."

Elder Yu and the others had no choice but to kneel down!

The old sect leader has admitted it, what else can they do!

Seeing Elder Yu and the others kneeling in front of him, Huo Yuanting burst into laughter!

"Today I officially become the leader of Zi Yan Sect, so I have to set new rules and rectify the style of Zi Yan Sect!"

"Elder Yu and others colluded with the Ghost Face Sect and intended to overthrow our Purple Flame Sect. They also accepted money and property from others and sought positions for outsiders in the Purple Flame Sect."

"I now declare that Elder Yu and the others are all expelled from Zi Yan Sect, and all their identities are revoked. They are no longer disciples of Zi Yan Sect from now on."

“Zhu Ling was deceived, so she will be put in solitary confinement for ten years as a punishment!”

As soon as Huo Yuanting said this, there was an uproar at the scene!

Even the old sect leader didn't expect that Huo Yuanting would start taking action against his own people just after he took office!

This is too fast. Are you so impatient?

It's obvious that this is aimed at him!

Especially Elder Yu and others, they actually directly accused him of colluding with the Ghost Face Sect. It was obvious that Huo Yuanting was colluding with the Ghost Face Sect!

If Elder Yu is accused of accepting money and property and bringing people into Zi Yan Sect, he can admit it and accept the punishment!

He is said to be colluding with the devil, and he will never admit it even if he is beaten!

“Huo Yuanting, you are slandering us. It is obviously you who colluded with the Ghost Face Sect, and you actually framed us!”

Elder Yu retorted angrily!

“Elder Yu, is this how you talk to the Sect Master? You are disrespectful and your crime is even more serious!”

Elder Tian immediately scolded Elder Yu!

Elder Yu gritted his teeth and his face turned red!

If he was the only one falsely accused, it would be fine if he was expelled from Zi Yan Sect alone, but now all the disciples of the old sect master's lineage are to be expelled from Zi Yan Sect!

Except for the old master and Zhu Ling, everyone else will be driven away!

Although after Huo Yuanting became the acting sect leader, the resources allocated to the disciples of their old sect leader's lineage were much less, but after all, they relied on the Zi Yan Sect, so there were still resources to be allocated!

Whether it is elixirs, magical herbs, or even the Divine Fire Mountain to assist in cultivation, these are all helpful to them!

But if we drive them out of Zi Yan Sect, where can so many people go?

[The Man Decree] A Man Like None Other Chapter 4053 – The entire world of heaven and man is profit-oriented. No one will take them in. Where can they get resources?

Without resources, cultivation cannot proceed and strength will stagnate!

In this way, you will slowly be eliminated!

“Huo Yuanting, I have already acknowledged you as the leader of the sect, do you still want to kill me?”

The old sect master asked with his eyes wide open.

“Old Sect Master, you have wronged me. Didn’t I leave you and your daughter behind?”

“As for the others, they are colluding with the devil cultivators. Our Zi Yan Sect cannot tolerate them. Moreover, this rule was set when Zi Yan Sect was first established.”

“Our Purple Flame Sect’s ancestor is the most ruthless demon cultivator, so there’s nothing wrong with me doing this!”

Huo Yuanting said lightly!

At this point, the old sect leader was speechless. After all, he didn’t know what was going on!

Although he believed that Elder Yu and the others could not possibly collude with the Ghost Face Sect, they had no way of proving their innocence since Huo Yuanting had thrown dirty water on them!

“Huo Yuanting, the truth is clear, and the heaven and earth can bear witness to it. Who is colluding with the Ghost Face Sect? Do you dare to swear?”

An elder from the old sect master’s lineage shouted angrily!

Huo Yuanting’s face turned cold, and the Divine Fire Seal in his hand suddenly burst out with a breath of fire!

“What a disrespectful person...”

After saying this, the flaming aura went straight towards the elder.

In just a moment, the elder was knocked flying, spitting blood and his body was covered with burn marks!

“Huo Yuanting.....”

The old sect leader’s eyes were filled with anger and murderous intent. He clenched his fists but did not attack, trying to restrain himself.

“Huo Yuanting, you are the leader of the sect now, you can give orders, but you have to have reasons and evidence. You said that Elder Yu and his men colluded with the Ghost Face Sect, what evidence do you have?”

The old sect leader questioned loudly!

“evidence?”

Huo Yuanting smiled coldly: “The Divine Fire Seal in my hand is the evidence. I said they colluded with the Ghost Face Sect, and they colluded with the Ghost Face Sect!”

Seeing Huo Yuanting holding the Divine Fire Seal and his arrogant look, the old sect leader knew that they would definitely be kicked out of the Zi Yan Sect today!

It’s a pity that his spiritual consciousness has not yet fully recovered, otherwise it would not be impossible for him to give it a try!

However, he knew that if the two sides fought, the Zi Yan Sect would be completely destroyed!

By then, both sides will suffer losses, and other sects will definitely take advantage of the situation and replace the Zi Yan Sect!

“Old Sect Master, Huo Yuanting is too much of a bully. Let’s fight him...”

Elder Yu’s eyes were red and he roared loudly!

Huo Yuanting was obviously bullying them, and they couldn’t swallow this!

“Hahaha, do you think you are worthy enough to fight me...”

Huo Yuanting burst into laughter, then waved his hand, and Huo Dong, Elder Tian and others surrounded the old sect leader and his men!

And as Gu Tianchao used his power, formations kept lighting up on both sides!

Looking at the formation that kept lighting up, everyone in the old master’s lineage felt hopeless!

If a real fight breaks out, they will probably be trapped in this area and won’t be able to escape!

“There is no need for you, the people from Liangyi Sect, to interfere in the internal affairs of my Ziyang Sect!”

Elder Cui, who had been maintaining neutrality, suddenly rose from the ground, pinched his fingers to form a spell, and white light flashed. The formation coefficient set up by Gu Tianchao was broken!

Seeing that Elder Cui was actually helping the old sect master's lineage, Huo Yuanting frowned and said, “Elder Cui, you are only responsible for the Ziyang Sect assessment and the sect protection formation, and never ask about other things. Are you targeting me today?”

Although Huo Yuanting got the Divine Fire Seal, he didn't want to offend Elder Cui!

After all, Elder Cui is the only formation master in Zi Yan Sect, and we still have to rely on him for many things!

[The Man Decree] A Man Like None Other Chapter 4054 – Although he could invite a formation master from the Liangyi Sect, he was only an invitee after all. Huo Yuanting could not hand over some of the sect's confidential matters to Gu Tianchao!

The formations used in the sect assessment are maintained and operated by Elder Cui, and we can't let outsiders do it!

“Master Huo, since you have obtained the Divine Fire Seal and acknowledged the master, then you are the master of the Purple Flame Sect. Of course I can't go against you!”

“It's just that I don't want Zi Yan Sect to suffer losses, and I don't want outsiders to interfere in our internal affairs.”

Elder Cui said with a righteous look on his face!

Huo Yuanting frowned slightly and looked at Gu Tianchao. After all, he was able to get the Divine Fire Seal thanks to Gu Tianchao!

Moreover, we have to cooperate with Liangyi Sect in the future, so it is not appropriate to drive Gu Tianchao away now!

If a fight really breaks out, Gu Tianchao's formation can play a big role!

Seeing Huo Yuanting in a dilemma, Gu Tianchao smiled coldly and said, “Master Huo, I've heard that Elder Cui of your Zi Yan Sect is very good at formations. I'd like to learn from him...”

After Gu Tianchao finished speaking, he formed seals with his palms, and strange array patterns appeared in the air. These array patterns emitted a blood-red light and carried a strong smell of blood!

The formation pattern descended from the sky and enveloped Elder Cui. At the same time, from the formation pattern, a group of extremely ferocious ghosts appeared as if from hell, and surrounded Elder Cui with shrill roars!

“Ten thousand ghosts are coming?”

Elder Cui’s face changed drastically, and he tried his best to use magic to resist, but it was obvious that Elder Cui was no match for Gu Tianchao!

All the old sect leaders who saw this scene changed their complexion and became extremely nervous!

Seeing this, Huo Yuanting laughed coldly!

In the entire Zi Yan Sect, no one can stop him, he can do whatever he wants!

“Elder Cui...”

Elder Yu and others saw Elder Cui surrounded by thousands of ghosts, but they were powerless and could only shout desperately!

Even the old sect leader could only watch helplessly, with nothing he could do!

“How dare you, a mere little brat, bring disgrace upon yourself...”

Suddenly, a gust of wind blew past, and then a figure appeared.

As thousands of golden lights filled the sky, those ferocious ghosts instantly turned into black mist and disappeared without a trace under the golden light!

Elder Cui’s face was pale and his forehead was covered with cold sweat. If it had been a little later, he might have died here!

“Junior brother...”

“Junior brother...”

Wei Qing, Zhu Ling and others were extremely excited when they saw that the person coming was Chen Ping!

When the old sect leader saw Chen Ping, he was also slightly stunned. The strength displayed by Chen Ping shocked him!

When Elder Yu saw Chen Ping coming, he felt an inexplicable sense of security in his heart!

Huo Yuanting looked at Chen Ping with disbelief in his eyes!

He didn't understand how this new disciple of Elder Yu could have such a great ability. Even Elder Cui couldn't break the formation, but Chen Ping made all the ghosts disappear without a trace with just a wave of his hand!

Gu Tianchao looked at Chen Ping with his brows tightly furrowed. He could clearly remember Chen Ping's breath!

When he was in Wantong Pavilion, it was Chen Ping who ruined his good deeds!

"Senior sister, are you all right?"

Chen Ping walked up to Zhu Ling and asked with concern!

"It's okay, we are fine. Where have you been, Junior Brother? Where are the people from the Ghost Face Sect?"

Zhu Ling asked curiously!

Chen Ping was alone against so many people from the Ghost Face Sect. In their opinion, Chen Ping was doomed to die!

But now Chen Ping is back, and he seems to be not injured at all!

"Kill them all..." Chen Ping said calmly!

"What?"

Everyone was shocked!

Chen Ping was a cultivator at the fourth level of the Tribulation Realm. Even if he could fight against opponents of higher levels, he could not face dozens of people from the Ghost Face Sect, including Elder Tu, who was at the Mahayana Realm, all by himself!

How could he possibly kill those people from the Ghost Face Sect?

This is obviously impossible!

[The Man Decree] A Man Like None Other Chapter 4055-"Boy, you are not taxed for bragging. You even killed all the people from the Ghost Face Sect. Don't you even look at what kind of person you are?"

“You are only at the fourth level of the Tribulation Realm. Even if you have some talent, with your ability, can you kill dozens of demon cultivators from the Ghost Face Sect?”

“What’s more, Elder Tu from the Ghost Face Sect is a great master in the Mahayana realm. He can kill you with just one slap!”

Huo Dong said to Chen Ping with a look of disdain!

He just couldn’t stand Chen Ping’s boasting!

“Huo Dong, are you already a member of the Ghost Face Sect? You know so much about the Ghost Face Sect, and you just accused us of colluding with the Ghost Face Sect. I think it’s you who are colluding with the Ghost Face Sect.”

“You are full of demonic energy. You have been away from Zi Yan Sect for such a long time. You suddenly returned to Zi Yan Sect and brought people from Ghost Face Sect with you. What else do you have to quibble with?”

Elder Yu said to Huo Dong!

“Which eye of yours saw me join the Ghost Face Sect? What evidence do you have? I said you were colluding, and you were colluding.”

“Don’t forget, my father is now the sect leader, and he has the Divine Fire Seal in his hand!”

Huo Dong said very arrogantly!

Now that Huo Yuanting is the true leader of Zi Yan Sect, Huo Dong can certainly show off!

“You want evidence, I have it here...”

Chen Ping smiled faintly, then jumped out and then came back again!

But this time, Chen Ping was holding a person in his hand!

A body to be exact!

It had no hands or feet, only a torso. If I hadn’t seen its head and eyes moving, I would have thought it was a dead person!

The person Chen Ping was holding in his hand was none other than Elder Tu. Chen Ping had originally kept him to torture him, but he never expected that he would come in handy!

Chen Ping threw Elder Tu's torso toward the feet of Huo Dong and Huo Yuanting, father and son!

Elder Tu looked at Huo Yuanting and Huo Dong, his eyes suddenly filled with hope: "Master Huo, save me, save me quickly..."

"Elder Tu....."

Huo Dong and Huo Yuanting's faces changed drastically!

You have to know that Elder Tu is a master in the Mahayana realm, but now he has become like this, and he has become like this in the hands of Chen Ping, a little cultivator of the fourth level in the Tribulation Realm!

"Elder Tu, what's going on? How did you become like this?"

Huo Dong asked with a look of shock on his face!

Huo Dong is now a disciple of the Ghost Face Sect, but his status and position is not as high as Elder Tu!

"It's all because of this Chen Ping. He used the ancient demon soul to control my body and used tricks to trick me into thinking I was in a river of magma. That's why I was careless and fell for it."

Elder Tu explained!

He couldn't say that he couldn't beat Chen Ping, so he could only describe Chen Ping as cunning!

As a result, everyone thought that Elder Tu was trapped and that was why he did this, not because he was unable to defeat Chen Ping!

"Chen Ping? This guy's name is Chen Ping?"

Huo Yuanting frowned slightly!

"Elder Tu, could this guy be the one that the Demon Sealing Alliance is trying to kill with a hundred years of sacrifice?"

Huo Dong asked excitedly!

Others also looked at Chen Ping with disbelief in their eyes!

You should know that Chen Ping is also well-known in the world of celestial beings, and is being hunted down by the Demon Sealing Alliance!

Zhu Ling opened her mouth wide and looked at Chen Ping in surprise!

Her idol is Chen Ping. She has always wanted to see Chen Ping's true face, but she never had the chance!

The junior brother in front of me now is actually Chen Ping?

Zhu Ling was so excited that she almost cried!

Elder Yu's face was also filled with surprise. He really didn't expect that the disciple he brought in to make some profit would actually be the one that the Demon Sealing League had been hunting down with a hundred years of sacrifice!

"Yes, he is the one that the Demon Sealing Alliance has been hunting down with a hundred years of sacrifice. As long as we catch him or kill him, we can go to the Demon Sealing Alliance to claim the reward."

Elder Tu replied quickly.

He wanted to kill Chen Ping just to make Huo Yuanting and others interested in Chen Ping!

This way, I can be saved and I can also get revenge!

[The Man Decree] A Man Like None Other Chapter 4056-"You talk too much..."

Chen Ping suddenly waved his hand, and a flame came in an instant!

Before anyone could react, Elder Tu exploded and was burned to death by the fire, accompanied by screams!

Everyone who saw this scene was shocked!

However, it was obvious that there was greed in many people's eyes. The hundred-year offering from the Demon Sealing Alliance was no small amount!

If the entire Zi Yan Sect is obtained, then Zi Yan Sect will not have to worry about resource problems for a hundred years!

"Chen Ping, so you are Chen Ping. No wonder you can defeat Liu Shitong. However, you are hiding your identity. It must be no good for you to come to our Zi Yan Sect."

"Show your true face now, let me see what the person who was killed by the Demon Sealing League with a hundred years of sacrifice looks like!"

Huo Dong walked forward slowly and said coldly!

“Since you want to see it, I’ll let you see it to your heart’s content!”

Chen Ping smiled faintly, his aura was flowing, and his appearance was also changing!

Soon, a handsome, young face appeared!

“It’s him.....”

Gu Tianchao frowned!

“Elder Gu, do you know this boy?”

Huo Yuanting asked!

“Yes, it was this brat who ruined my plans at Wantong Pavilion. I must teach him a lesson today!”

Gu Tianchao said!

When Chen Ping made his move at the beginning, he just felt Chen Ping’s aura was very strong. Now he can be sure that it was Chen Ping who ruined his plans!

When the others saw Chen Ping’s face, they all became agitated and started talking!

Especially the two girls, Zhu Ling and Qian Xiu, their hearts were pounding. When Chen Ping was not exposed, the two of them actually had a good impression of Chen Ping!

Now Chen Ping revealed his true face, handsome, elegant and suave, and when the young girls and wives saw him, their legs went weak and their eyes sparkled!

When the old sect leader saw his daughter’s expression, he smiled.

In fact, the person who was most surprised and unbelievable at this moment was Wei Qing. He had always regarded Chen Ping as his junior fellow apprentice!

Even though Chen Ping showed extraordinary strength, Wei Qing tried his best to protect Chen Ping!

But now, his junior brother turned out to be Chen Ping.

This Chen Ping, who is being hunted by the Demon Sealing League and is famous in the world of heaven and man!

Wei Qing smiled bitterly and said helplessly: “Master, you have found a good disciple for our Zi Yan Sect...”

Elder Yu looked embarrassed. He didn't even know it was Chen Ping. He just brought Chen Ping in for the sake of money and benefits!

"Master Huo, this person and I have some grudges. I will settle the grudge first, and Master Huo can make the decision about this person later!"

Gu Tianchao took a step forward, came to Huo Dong and said!

Huo Dong was stunned, and looked at Gu Tianchao and said, "Elder Gu, what do you mean by this? Are you competing with us from Zi Yan Sect?"

"Elder Gu is also tempted by the Demon Sealing League's Hundred Years of Offering, right?"

Huo Dong thought that Gu Tianchao was going to compete with him. If Gu Tianchao killed Chen Ping, then the Demon Sealing League's century-old offering would belong to the Liangyi Sect!

"Mr. Huo, you have misunderstood. I do have some issues with Chen Ping, but I am not competing with your Zi Yan Sect."

"I will never kill him. I will just trap him and torture him. How could I possibly fight for the Purple Flame Sect's territory?"

Gu Tianchao hurriedly explained!

Huo Dong wanted to say something, but Huo Yuanting said, "Huo Dong, Elder Gu won't compete with us for it. Let him deal with that guy and vent his anger..."

Seeing Huo Yuanting speak, Huo Dong slowly retreated!

Gu Tianchao faced Chen Ping, his eyes narrowed slightly, and asked in a cold voice: "Boy, do you still remember me?"

"I don't remember you being such a scumbag that doesn't even spare children..."

Chen Ping smiled faintly!

[The Man Decree] A Man Like None Other Chapter 4057-When Chen Ping said this, it was obvious that he remembered it, but he was just mad at Gu Tianchao!

"Boy, don't be so arrogant. Today I will make you live a life worse than death..."

After Gu Tianchao finished speaking, a black mist filled his palms!

The black fog transformed into two evil ghosts that soared into the sky, swirling around each other, and making ghostly cries!

This sound made everyone feel a chill.

“Shuang Gui Wen Tian, Mr. Chen, be careful...”

When Elder Cui saw the magic that Gu Tianchao performed, he was immediately shocked and reminded Chen Ping!

Chen Ping just saved one of his people, and Elder Cui was very grateful!

I saw the two evil ghosts rushing into the sky. In a moment, the whole sky changed color, and then a ghost face bigger than the Zi Yan Gate appeared in the air!

The ghost face has a big mouth, looking down at everyone below!

Seeing this huge ghost face, everyone was shocked!

“Boy, accept the baptism of the Ghost King!”

Gu Tianchao looked at Chen Ping with a sneer and said!

“Ghost King?” Chen Ping sneered: “It’s just an illusion. You can fool others, but how can you fool me...”

After Chen Ping finished speaking, a golden light flashed on his body, and accompanied by a dragon roar, a golden dragon appeared and hovered above Chen Ping’s head!

Since his identity has been exposed, Chen Ping has nothing to fear!

I saw the golden dragon flying into the sky, spewing a large amount of flames towards the huge ghost face!

Under the impact of the golden dragon, the ghost face collapsed and disappeared in an instant!

Gu Tianchao was shocked and his brows frowned instantly!

“It is impolite not to reciprocate...”

After Chen Ping finished speaking, the origin of illusion in the origin star began to rise and flicker continuously!

Chen Ping has realized the origin of illusion, but Gu Tianchao still wants to use illusion to confuse Chen Ping. It is simply ridiculous!

As the origin of illusion erupted, Gu Tianchao's face changed in shock and he instinctively wanted to retreat, but before he could, the scene in front of him suddenly turned black!

Then the scene changed, and a white-haired old man appeared, looking at him majestically!

“Father.....”

Gu Tianchao was shocked and started crying: “Father, I actually saw you!”

In the eyes of everyone, they saw Gu Tianchao's face suddenly change, and then he kept calling Chen Ping “father”!

This sudden scene made many people couldn't help laughing!

Everyone clearly knew that Gu Tianchao had fallen into an illusion!

“Mr. Chen, your illusion technique is really amazing!”

Zhu Ling approached Chen Ping and said with a smile!

She just wanted to get closer to Chen Ping and take a good look at Chen Ping!

Zhu Ling originally wanted to continue calling Chen Ping “Junior Brother”, but she found something inappropriate, so she quickly changed her words!

“Senior Sister, just call me Junior Brother. No matter who I am, am I not your Junior Brother?”

Chen Ping smiled faintly at Zhu Ling!

Zhu Ling was already in love at this moment, and quickly nodded and said, “Yes, you will always be my junior brother!”

While Chen Ping was dealing with Gu Tianchao, he actually had time to flirt with him. Seeing this, Huo Yuanting and his son were so angry that they almost died!

But at this moment, in Gu Tianchao's eyes, his wife also appeared and flirted with his father!

This really pissed him off!

“Father, you actually had an affair with your own daughter-in-law. You cheated on me. I missed you for so many years. I want to kill you...”

Gu Tianchao shouted that he wanted to fight to the death with Chen Ping!

Chen Ping waved his hand, and a formation instantly enveloped Gu Tianchao. Gu Tianchao himself was inside the formation, jumping up and down and yelling like a monkey!

Everyone couldn't help but burst out laughing. It turned out that Chen Ping used magic to make Gu Tianchao wear a green hat, and it was his own father who cuckolded him!

This kind of stimulation and blow is probably difficult for Gu Tianchao to bear. Even if the illusion array is dispelled and Gu Tianchao regains consciousness, he will probably still be greatly stimulated!

[The Man Decree] A Man Like None Other Chapter 4059

[The Man Decree] A Man Like None Other Chapter 4059—"Elder Cui..."

The old sect leader shouted, and Elder Cui immediately understood what he meant. He clasped his hands together, and a huge formation slowly took shape, surrounding Chen Ping and Huo Dong!

At the same time, the old sect leader and Huo Yuanting attacked at the same time. Rays of light shot up into the sky, isolating everyone directly outside!

Whether it is the old sect leader or Huo Yuanting, although they have different political views, no one wants the Zi Yan Sect to be destroyed!

By isolating them in this way, the aftermath of the fight between the two people can be prevented from harming the many disciples of Zi Yan Sect!

"Chen Ping, I don't know where you got the courage to say such awesome things, but I will let you have a taste of my power!"

After Huo Dong finished speaking, bursts of black gas emerged from his body and instantly turned into a long sword, which was held in Huo Dong's hand.

At the same time, Huo Dong's face began to become distorted, and a vague ghost face appeared on Huo Dong's face!

At this point, there is no need to say anything more, even a fool knows who is colluding with the Ghost Face Sect!

The dirty water that Huo Yuanting had thrown on the elders and the others was now refuted!

“Huo Yuanting, your son is actually from the Ghost Face Sect. How dare you slander others? You are so shameless...”

The old sect leader was so angry that his face turned red, and he cursed at Huo Yuanting!

Huo Yuanting said nothing and looked at the battlefield with a serious expression!

If Huo Dong showed signs of being defeated, he would throw the Divine Fire Seal to Huo Dong without hesitation.

The Divine Fire Seal has recognized its master, and Huo Dong and Huo Yuanting share the same blood, so there is absolutely no problem for Huo Dong to use the Divine Fire Seal!

“Look at you, you’re neither human nor ghost. I feel sick just fighting with you!”

Chen Ping curled his lips and took out the Dragon Slaying Sword!

“I wonder how long you can keep being stubborn...”

Huo Dong roared angrily, and the black energy in his body exploded instantly, and the sky and the earth were directly shrouded in thick black fog!

Huo Dong transformed into a giant black beast, holding a long sword, and came towards Chen Ping!

The body, which was dozens of feet tall, was like a small mountain in front of Chen Ping!

It seemed as if the entire black fog was filled with Huo Dong’s figure!

The swung sword was more than ten feet long, instantly tearing through the void and emitting a hellish howl!

Facing Huo Dong’s attack, Chen Ping’s eyes narrowed slightly!

He despises the enemy in momentum and takes the enemy seriously in tactics. Chen Ping will never underestimate any enemy!

The Dragon Slaying Sword was radiating with light, and streams of mysterious Taoist aura were emanating from the Dragon Slaying Sword!

“Nine Shadow Sword Technique...”

A gleam of light flashed in Chen Ping’s eyes, and he swung the Dragon-Slaying Sword!

Buzz!

On both sides of Chen Ping, white light flashed instantly, and identical Chen Pings appeared one after another!

There are six Chen Pings, all holding the Dragon-Slaying Sword!

These six Chen Pings have the same aura and appearance!

Six swords were pointed at the black monster that Huo Dong had transformed into!

Everyone was stunned when they saw six identical Chen Pings suddenly appear!

“This...what’s going on? Why are there six junior brothers?”

Zhu Ling was stunned!

She likes Chen Ping, but there are so many Chen Pings appearing at once, which one does she like?

Which one is true?

If all these things about Chen Ping are true, I can’t bear it...

As Zhu Ling thought about it, her face turned red!

Looking at Zhu Ling’s blushing face, the old sect master seemed to have thought of something and hurriedly said, “Silly daughter, these Chen Pings are just illusions, all of them are phantoms. There is only one real Chen Ping!”

After a slight pause, Huo Yuanting sneered!

It’s totally futile to use this kind of illusion to scare people!

In the face of absolute strength, all illusions are futile!

Just when Huo Yuanting smiled coldly, all six Chen Pings moved!

Swish, swish, swish!

Six sword energies shot out in all directions, and for a moment the sword energy flashed with golden light, and then continuously collided and exploded with the domineering black sword!

[The Man Decree] A Man Like None Other Chapter 4060-Storms arose between heaven and earth, constantly bombarding the surrounding light curtain shields. If it

weren't for this light curtain shield, who knows how many lives of Zi Yan Sect disciples would be in danger!

Just when the fight was in full swing, a figure slowly emerged from the black fog and came to the edge of the light curtain.

When everyone looked, it turned out to be Chen Ping!

Chen Ping came to the edge of the light curtain and was actually smiling at Zhu Ling!

At this moment, everyone was stunned. The old sect leader also rubbed his eyes, his face full of disbelief!

Six identical Chen Pings, holding dragon-slaying swords, were fighting fiercely with the black giant beast transformed by Huo Dong!

But here again Chen Ping appeared, looking relaxed, and smiling at Zhu Ling from time to time!

what is happening?

Zhu Ling was also confused and looked at the old master: "Dad, didn't you say it was an illusion? Didn't you say those were just phantoms? Could it be that phantoms also have combat power?"

"This....." The old sect leader was speechless when asked.

"Senior Sister Zhu Ling, maybe what we are seeing now is just an illusion. How could there be so many Chen Pings in the world? Even if they are twins, it is impossible."

"It's fake. The Chen Ping who was smiling at you must be fake too. The illusion we see is created by magic!"

Wei Qing stepped forward to explain and help the old master out of the predicament!

When Zhu Ling heard this, she felt that it made some sense and nodded!

"Big Brother, what are you talking about? Who is fake? I am standing here with flesh and blood, and you say I am fake? I will just cut off your eyes."

Chen Ping said to Wei Qing speechlessly!

Although there is a light curtain shield, it cannot block out the sound. Chen Ping heard Wei Qing's words clearly, so he spoke!

"Fuck, Junior Brother, is this all true?"

Wei Qing was shocked!

Zhu Ling was also startled, and hurried over to look closely at Chen Ping, then asked, “Junior brother, you are chatting with us here, who are the six people fighting with Huo Dong in the black fog?”

“Senior Sister, of course it’s me, those are my clones!”

Chen Ping said!

“Avatar?” Zhu Ling was stunned, feeling a little unbelievable and asked: “Junior brother, have you ever used your avatar to look for me?”

“For example, if you were with Junior Sister Qian, and then used your clone to look for me...”

“Senior Sister, what are you thinking? I will only use this clone when I am in battle, and it cannot be too far away from my main body.”

“All the spiritual energy consumed by the clone is also provided by my original body. Do you really think my clone can act independently?”

“If I can act independently, then there will be several of me, and I can be with many women at the same time...”

Chen Ping didn’t continue talking, but Zhu Ling understood. She rolled her eyes at Chen Ping and ran away blushing!

“Chen Ping, your clone is so powerful. While dealing with Huo Dong, you actually have the leisure to chat!”

The old sect leader stepped forward in surprise and said!

“That Huo Dong is just a weak man with a strong appearance. He has no real ability. That’s why I feel so relaxed!”

Chen Ping smiled faintly!

This Huo Dong is far inferior to Mu Qing of the Mu family. Even compared to Mu Naiyi, he is still inferior!

Chen Ping killed Munaiyi, so Huo Dong is even easier to deal with!

Huo Yuanting looked at Chen Ping who was talking and laughing, and then looked at the six identical Chen Pings who were fighting with Huo Dong in the black fog. At this moment, he was greatly shocked and shocked!

He suddenly had a bad feeling that his son, who was at the peak of the Tribulation Realm, might not be able to defeat Chen Ping!

A mere 4th level Tribulation Realm cultivator was able to be killed by the Demon Sealing League using a hundred-year-old technique. That meant he must have some real skills, otherwise how could he be worthy of the Demon Sealing League's hundred-year worship!
