

[The Man's Decree]

[The Man Decree] A Man Like None Other Chapter 4061

[The Man Decree] A Man Like None Other Chapter 4061-Huo Dong looked at the several Chen Ping figures fighting against him around him, and there was horror in his eyes!

He also didn't expect that Chen Ping, a guy at the fourth level of the Tribulation Realm, had such means!

"Hmph, don't think that you are the only one who can split yourself..."

Huo Dong snorted coldly, and the black aura on his body dissipated instantly, and the ghost face he was wearing began to emit light!

Huo Dong took out a token as black as ink from his arms and crushed it in an instant!

In an instant, the void twisted, and a series of phantoms were reflected in the void. Each phantom was wearing a black robe and had a ghost face on his face.

These shadows gradually solidified and then slowly fell beside Huo Dong!

Seeing this, Chen Ping stopped talking and shook the Dragon-Slaying Sword in his hand lightly!

In an instant, invisible sword energy began to condense between heaven and earth, and the Dragon-Slaying Sword emitted a dazzling light!

The light became brighter and brighter, and the surrounding void was shaking!

"Chen Ping, all of your clones are using the power of your original body, but my clones will not consume even a bit of my power."

Huo Dong laughed grimly, waved his hand and said: "Kill him..."

Those men in long robes with ghost faces waved their swords and rushed directly towards Chen Ping!

For a moment, Chen Ping's clones fought together with these men in ghost-faced robes!

Chen Ping only took a glance and found that these were not Huo Dong's clones, but some demonic souls or the like!

The token that Huo Dong just crushed should be used to summon these!

If these people were real disciples of the Ghost Face Sect, it would be impossible for them to be teleported here so quickly!

Formation masters are rare in the celestial world, and it is estimated that not many people can set up a teleportation formation that can move so many people instantly!

What's more, the teleportation formation needs to be arranged in both directions. There is no teleportation formation here in Zi Yan Sect, so even if the Gui Lian Sect has a teleportation formation, it is impossible to teleport so many people here in an instant!

The only explanation is that these people in robes with ghost faces are spirits such as demon souls, and Huo Dong crushed the token and released these demon souls!

Thinking about it, Elder Tu also released a lot of demon souls at that time. It seems that the Ghost Face Sect is good at fostering demon souls!

Thinking of this, Chen Ping retracted his clone, and his spiritual consciousness instantly dissipated!

At this moment, Chen Ping's entire sea of consciousness was open!

Huo Dong was stunned. He didn't understand what Chen Ping was going to do. He suddenly called back his clone and spread out his spiritual sense.

"Could this guy use his spiritual sense to detect these ghost-faced robes I summoned?"

Thinking of this, Huo Dong's mouth corners suddenly raised!

Then, those ghost-faced robes swarmed towards Chen Ping. Since Chen Ping had released his spiritual sense and opened his sea of consciousness, these evil spirits could invade Chen Ping's body and directly occupy his sea of consciousness!

By then, even if Chen Ping is not dead, he will become a body without consciousness, which will make it much easier to deal with him!

And this was exactly the result Chen Ping wanted. He used this method to fool Elder Tu once, and now he fooled Huo Dong again!

The demonic soul that can control Chen Ping's sea of consciousness does not exist in the entire heaven and human world!

Even the devil soul of Demon Lord Chiyun couldn't control Chen Ping's sea of consciousness. This is the Demon Lord from heaven!

These ru**ish demon souls from the heavenly world want to control Chen Ping's sea of consciousness. What are they thinking!

Several evil spirits entered Chen Ping's sea of consciousness, and Chen Ping's body stopped moving in an instant!

However, after these demon souls entered Chen Ping's sea of consciousness, they slapped Demon Lord Chiyun to pieces with one slap, leaving him without any ability to resist!

Seeing Chen Ping suddenly stop moving and his eyes dull, Huo Dong smiled!

"Hahaha, you i-d-i-o-t, this is not my clone, these are the evil spirits I summoned, and you dare to use your spiritual sense to detect them."

"Now that your sea of consciousness is open, my evil spirit will invade it and you will immediately become a fool!"

Seeing Chen Ping like that, Huo Dong laughed wildly!

[The Man Decree] A Man Like None Other Chapter 4062

[The Man Decree] A Man Like None Other Chapter 4062-He felt that Chen Ping was too stupid!

When the old sect leader and the others saw this scene, they looked worried!

You have to know that the old sect master himself was tortured to death by an evil spirit. He was crazy all day long and could only wake up late at night!

But now Chen Ping's sea of consciousness has been invaded by several evil spirits. Can he still wake up?

When Huo Yuanting saw that Chen Ping was controlled by the evil spirit, he felt a little relieved!

"Son, don't hesitate. Cut off Chen Ping's head and go to the Demon Sealing Alliance to claim the reward..."

Huo Yuanting said to Huo Dong!

Huo Dong nodded, holding a black sword, approached Chen Ping, and slashed at Chen Ping with the sword!

However, just when Huo Dong's sword was about to fall on Chen Ping's neck, Chen Ping's figure suddenly disappeared!

Huo Dong was stunned, and suddenly felt a sense of danger behind him.

When Huo Dong turned around, he saw Chen Ping's huge palm coming towards him!

Snapped!

Huo Dong had no time to dodge and was hit and flew away, with his entire face deformed!

Huo Dong fell heavily to the ground and struggled to get up, but his teeth fell to the ground!

"You...you are not controlled by the evil spirit?"

Huo Dong looked at Chen Ping in shock!

"Control your mother, with just those few demon souls of yours, you still want to control me. Did you forget to warn you that there are more powerful demon souls in my sea of consciousness?"

Chen Ping smiled faintly!

Huo Dong's face turned very ugly. Elder Tu did say that at that time, and Chen Ping's body was also controlled by the evil spirit, which caused Elder Tu and others to suffer!

Huo Dong actually forgot about it. When he thought that so many of his demon souls were gone, he felt very sad!

"Chen Ping, don't be complacent, I can definitely kill you..."

Huo Dong roared, and black gas emanated from his body again. As soon as the black gas appeared, it surged and boiled like boiling water!

It seemed as if there were countless ferocious beasts in the black fog, and then pythons with red eyes and red tongues appeared!

These pythons are all extremely black, blending into the black fog. If it weren't for their eyes and red tongues, it would be hard to distinguish them!

One of the pythons was dozens of feet long, and its head was bigger than the main hall of Zi Yan Sect. Its body kept circling in the air!

Upon seeing this, Chen Ping raised the Dragon Slaying Sword, and thousands of sword beams shot up into the sky!

The sword light pierced through the black fog, and screams were heard instantly, and one python after another died!

The huge python opened its bloody mouth and swallowed the sword beams into its stomach in an instant!

Chen Ping was slightly stunned and found that the python did not seem to be afraid of the sword light, so he put away the Dragon Slaying Sword and jumped up!

There was golden light flashing on Chen Ping's body!

At this moment, the sky was suddenly covered with dark clouds, and lightning flashed across the sky!

"Thunder Palm..."

Chen Ping slapped the python with his palm!

In the Thunder Palm, lightning and fire continued to burst out!

Bolts of lightning struck the python, causing it to lose its attack instantly!

Then, under the thunder palm, it collapsed and dissipated!

Even the black fog dissipated in an instant!

This palm strike shocked everyone instantly!

It was incredible that one palm could trigger the power of thunder!

"The origin of thunder and lightning. A mere fourth-grade Crossing Tribulation Realm cultivator has actually mastered the origin of thunder and lightning. This is incredible!"

The old sect leader saw that the thunder and lightning used by Chen Ping were all the power of origin!

Huo Dong looked at Chen Ping with a gloomy expression, and the muscles on his face kept twitching!

Elder Yu and the others were also shocked. The skills and strength displayed by Chen Ping were definitely not something that a fourth-level Tribulation Realm cultivator could display!

"Son, use the ultimate fire..."

Huo Yuanting reminded Huo Dong!

Huo Dong now possesses three kinds of supreme fire, two kinds of supreme fire from the Zi Yan Sect, and the supreme fire from the demon clan!

[The Man Decree] A Man Like None Other Chapter 4063-The power of the three kinds of fire is definitely not something Chen Ping can withstand!

In this respect, Huo Dong is stronger than the other people in the Ghost Face Sect. After all, the other people in the Ghost Face Sect do not have the two kinds of supreme fire of the Purple Flame Sect!

Huo Dong nodded, and three kinds of extreme fire instantly appeared around him, then continued to surround Huo Dong!

The heat waves generated by the three kinds of fire were so strong that many people could not bear it, even with the protection of the light curtain, and they retreated one after another!

“This Huo Dong actually mastered three kinds of fire. This is troublesome...”

Seeing this, Wei Qing began to worry about Chen Ping.

Zhu Ling also clenched her fists, her eyes full of worry!

The old sect leader just smiled and watched quietly. The amount of ultimate fire of Chen Ping was more than that of Huo Dong!

“Would you like to compete with me in the ultimate fire?”

Chen Ping raised the corner of his mouth, and whoosh, whoosh, six supreme fires all ignited around Chen Ping!

Six flames formed a circle, flowing with different colors, like divine light, surrounding Chen Ping in the middle!

“Six Paths of Fire?”

When Huo Dong saw this, his eyes widened immediately, his face full of disbelief!

Huo Yuanting was also shocked. He never expected that Chen Ping actually possessed the Six Paths of Supreme Fire!

Wei Qing and the others were also shocked!

The look in Zhu Ling’s eyes when she looked at Chen Ping showed that she had already fallen in love with him. She loved Chen Ping so much!

“You...you...how come you have so many supreme flames? You even have the demon clan’s supreme flame!”

Huo Dong asked, swallowing his saliva!

“Why can’t I have the ultimate fire of the demon race?” Chen Ping smiled faintly: “You like to play with fire, today I will let you taste the taste of the ultimate fire.”

Chen Ping slowly raised his arm, and a door of light seemed to open in the void in front of him. Six flames rushed towards Huo Dong like arrows!

Seeing this, Huo Dong waved his palms vigorously and three flames came out, but he knew that this could not stop Chen Ping’s attack at all!

“Son, catch the Divine Fire Seal...”

Upon seeing this, Huo Yuanting hurriedly threw the Divine Fire Seal in his hand towards Huo Dong!

Huo Dong caught the Divine Fire Seal, and a drop of essence and blood instantly entered the Divine Fire Seal!

Originally, Huo Dong and Huo Yuanting had the same blood, so it was easy for the Divine Fire Seal to recognize its master!

Huo Dong raised the Divine Fire Seal in his hand high up, and immediately an invisible vortex formed in the Divine Fire Seal. Chen Ping’s Six Paths of Supreme Fire actually began to be absorbed by the Divine Fire Seal. The flame aura on the Supreme Fire was peeled off bit by bit and was sucked into the Divine Fire Seal!

Seeing this scene, Chen Ping was not surprised at all!

Huo Dong’s face was full of excitement, and his body was shaking as he looked at the Divine Fire Seal in his hand!

“Hahaha, I have the Divine Fire Seal in my hand. Even if you have sixty supreme fires, it will be of no use at all!”

Huo Dong laughed wildly: “Don’t you have the Six Paths of Ultimate Fire? Then I’ll let you taste the Ultimate Fire!”

Huo Dong raised the Divine Fire Seal in his hand, and then a ball of fire instantly burst out from the Divine Fire Seal!

This ball of fire is not a certain kind of supreme fire, but more like a fusion of multiple supreme fires!

When Chen Ping saw the flame, his eyes suddenly lit up: “This Divine Fire Seal can actually allow the ultimate fire to fuse...”

Chen Ping smiled. The fire that was absorbed by the Divine Fire Seal was actually directly integrated into the Divine Fire Seal and was now coming towards Chen Ping!

"I am not afraid of fire at all. I am not afraid of any flame."

After Chen Ping finished speaking, suddenly balls of red flames appeared around his body!

The True Fire Dharma Body was activated, and the flames at this time could not hurt Chen Ping at all!

"True Fire Dharmakaya..."

When the old sect leader saw this scene, his eyes widened, his mouth opened, and his expression was filled with surprise!

"Father, what is the True Fire Dharmakaya?" Zhu Ling asked in confusion!

"This is a long-lost method of our Zi Yan Sect. I wonder how Chen Ping could have practiced it?"

The old sect leader was very puzzled. After all, Chen Ping had only been in Zi Yan Sect for a short time!

[The Man Decree] A Man Like None Other Chapter 4064-Huo Yuanting was also surprised when he looked at Chen Ping's true fire body!

"Dad, what kind of martial arts does this kid have? He is not afraid of fire!"

Huo Dong was stunned when he saw that Chen Ping's body was like a fairy and he was not afraid of the fire at all!

You know, he is not afraid of the ultimate fire because he has the Divine Fire Seal. But Chen Ping has no treasures at all, and he is not afraid of the ultimate fire just by using his skills. That's too awesome!

Moreover, it seems that the martial arts skills displayed by Chen Ping are very unique and mysterious!

"True Fire Dharmakāya, the True Fire Dharmakāya that our Zi Yan Sect has already lost. How could this guy have it? How could he have the True Fire Dharmakāya?"

"Strange, so strange, why is it?"

Huo Yuanting just couldn't understand how Chen Ping, a guy who had just been in Zi Yan Sect for a few days, could have a True Fire Dharma Body?

“What is the True Fire Dharmakaya?”

Huo Dong asked!

“The True Fire Dharmakaya is the unique skill of the first master of the Purple Flame Sect. However, the first master suddenly disappeared and the True Fire Dharmakaya has been lost for a long time. Fortunately, there are records of it in our Sutra Library, but it is incomplete and no one has been able to practice it.”

“I don’t know where this kid learned the True Fire Dharmakaya from. Could it be that the first leader of our Purple Flame Sect is still alive?”

Huo Yuanting frowned, puzzled!

When Huo Dong heard that Chen Ping was using the Zi Yan Sect’s unique skills, he was also stunned!

How could Chen Ping possibly know the Zi Yan Sect’s unique skills?

However, seeing that the fire could not cause any harm to Chen Ping, Huo Dong held the Divine Fire Seal in his hand, with murderous intent on his face, and black air began to spread all over his body!

Huo Dong used the Divine Fire Seal to resist Chen Ping’s fire attack, while using his own methods to target Chen Ping!

Since Chen Ping is not afraid of fire, he will use other means!

As long as he has the Divine Fire Seal in his hand, Chen Ping will not pose much threat or harm to him!

Waves of ghost cries rang out around Huo Dong, and the entire Zi Yan Sect seemed to have become a purgatory on earth. These ghost cries were like those coming from hell, crying out for injustice!

The sound is extremely harsh and penetrating, and every sound makes people’s eardrums feel like they are pierced!

Many people covered their ears, and goose bumps covered their bodies!

In this hot Zi Yan Gate, listening to the ghost’s cry, everyone trembled all over, as if they had fallen into an ice cave!

As strange black air continued to rise in the void, the entire formation space was filled with black fog!

If there was no light curtain blocking it, the black fog would engulf the entire Zi Yan Sect!

However, the light curtain could not block the sound. The screams of ghosts were so loud that many disciples of Zi Yan Sect could not bear it. Blood even flowed from their ears!

What's worse, he was a little out of consciousness, as if he was stupid and scared!

"What kind of skill is this? Just this sound can make people lose their minds?"

"This is the Sound of Hell of the Ghost Face Sect. Normally, this kind of technique can only be performed by cultivators at the Mahayana stage. But Huo Dong is only at the peak of the Tribulation Realm. How could he possibly perform it?"

The old sect leader frowned slightly!

He had the most dealings with the Ghost Face Sect and often fought with people from the Ghost Face Sect, so he knew the most about some of the Ghost Face Sect's skills!

"Dad, this technique looks very intimidating, but can you kill people with just sound?"

Zhu Ling asked in great confusion!

"You don't understand. This kind of sound is not a means of killing, but it is used to influence people's minds and disrupt their judgment. Huo Dong will attack in a while, and it will be unexpected."

The old sect master said with some concern!

"What should we do? How could Huo Dong be able to perform Mahayana-level skills? He is not in the Mahayana realm?"

When Zhu Ling heard this, she said nervously!

The old sect master stared at the Divine Fire Seal in Huo Dong's hand, and said thoughtfully: "If my guess is correct, it must be because of the Divine Fire Seal. Huo Dong suddenly returned to Ziyan Sect and was so anxious to find the Divine Fire Seal. He should rely on the opportunity of the Divine Fire Seal to break through to the Mahayana realm."

[The Man Decree] A Man Like None Other Chapter 4065-The old sect master's analysis was correct. Huo Dong was able to perform this kind of martial arts with the help of the Divine Fire Seal, and Huo Dong was now on the verge of a breakthrough!

Listening to the old sect master's words, Zhu Ling looked at Chen Ping nervously, and then shouted loudly: "Little Junior Brother, be careful, Huo Dong is likely to break through the Mahayana realm, you must be careful..."

The light curtain could not block out the sound, so Chen Ping could hear Zhu Ling's voice clearly!

After hearing Zhu Ling's reminder, Chen Ping turned to look at Zhu Ling and said with a smile: "Thank you for the reminder, Senior Sister. Even if he really breaks through to the Mahayana realm, I am not afraid. I will beat him until he calls me daddy..."

"Boy, prepare to die..."

When Huo Dong heard what Chen Ping said, his face turned red with anger!

The black fog continued to spread, wrapping up Chen Ping completely!

Chen Ping grabbed the Dragon-Slaying Sword and looked at the thread-like black mist that was constantly gathering around him. Chen Ping slashed with his sword!

The black fog was actually cut off directly, which made Chen Ping slightly stunned!

But soon, the black fog slowly gathered again from the place where it was cut off!

"This is not fog..."

Chen Ping frowned slightly!

As soon as he swung his sword, he realized that the black fog in front of him looked like fog, but it was not fog at all!

But just as Chen Ping was thinking, suddenly a huge black claw came towards Chen Ping from the black fog, accompanied by a creepy ghost cry!

The slender claws went straight to Chen Ping's heart, and it seemed that it was going to kill Chen Ping with one blow.

When Chen Ping saw this, he swung the Dragon-Slaying Sword in his hand, and the claw was cut off directly and fell to the ground!

But after the claw fell to the ground, it instantly turned into a ball of black mist and disappeared!

But the next moment, more sharp claws came towards Chen Ping. Chen Ping kept waving the Dragon-Slaying Sword in his hand. As long as he cut off these sharp claws, they would turn into black mist again!

Seeing this, Chen Ping shot out two balls of fire. He knew that these things were afraid of fire, so he could just burn them with fire!

But after the two balls of fire were shot out, there was no sound in an instant, and they were all absorbed by Huo Dong's Divine Fire Seal!

"This technique really has something..."

Chen Ping was obscured by countless black fogs. In addition to the shrill ghost cries, he was also attacked from all directions from time to time!

No matter how Chen Ping fought back, he couldn't kill the thing in the black fog!

Zhu Ling watched everything and suddenly became nervous. It seemed that it was just as her father said, Huo Dong's attack would be unexpected!

"Dad, can you give me some advice? What should I do?"

Zhu Ling was anxious!

She finally got to meet Chen Ping, and she was a little fan of Chen Ping. If Chen Ping died like this, she would be very sad!

The old sect master looked at the battle in front of him and smiled slightly, saying, "Don't worry, don't you see that Chen Ping is confident? He is just playing with Huo Dong now!"

"No matter what means Huo Dong uses, Chen Ping doesn't seem to care much. He should have known the situation for a long time."

Chen Ping did have a clue in his mind, he still had a secret weapon that he hadn't used yet, and that was the seal soul of the Divine Fire Seal. Although Huo Dong had the Divine Fire Seal and had even recognized it as his master, it was of no use at all, it was just an empty shell!

As long as Chen Ping sacrifices the soul of the Divine Fire Seal, the Divine Fire Seal will immediately be in his hands, and will actively recognize its master!

After all, Chen Ping subdued the Seal Soul, and this Seal Soul is the foundation of the Divine Fire Seal!

The reason why Chen Ping hasn't taken out the seal soul yet is that he just wants to play with Huo Dong!

At the same time, he also wanted to see what was so powerful about the Ghost Face Sect!

The two balls of fire that Chen Ping had just created fell silent, and then exploded all over his body again, emitting a large amount of fire!

At this moment, Chen Ping was like a man on fire!

After the black fog around him encountered the fire, it actually retreated away from Chen Ping's body!

[The Man Decree] A Man Like None Other Chapter 4066-Huo Dong sneered, and the Divine Fire Seal instantly generated a huge suction force, and all the fire around Chen Ping was instantly absorbed by the Divine Fire Seal!

However, Chen Ping was not panicked at all, because this Divine Fire Seal would be his sooner or later. Even if it was absorbed by the Divine Fire Seal, Chen Ping would not suffer any loss!

At the same time when the fire on Chen Ping's body disappeared, two more sharp claws attacked him. Fortunately, Chen Ping reacted quickly and instantly cut off the claws with the Dragon-Slaying Sword!

"Hahaha, let me tell you, this technique of mine can wear you out to death. I want to see how long you can hold on."

Huo Dong held the Divine Fire Seal and said with a proud look on his face!

Seeing this, Huo Yuanting breathed a sigh of relief. Even if Chen Ping was not beaten to death, he would be exhausted to death!

Chen Ping looked at Huo Dong's smug look and said with a cold smile: "You really think I can do nothing with this crappy technique of yours? I'm just teasing you for fun."

"There is a centaur hidden in this black fog. These claws were used by the centaur to attack us."

"It's just that the centipede has merged with the black fog and cannot be seen at all. This means that the black fog is not mist, but part of the centipede."

Hearing Chen Ping say this, Huo Dong frowned slightly and asked in disbelief: "You...how did you know?"

"What? Was I right?"

Seeing Huo Dong's expression, Chen Ping smiled playfully and said, "I was just guessing, but I didn't expect you to be fooled..."

Seeing this, Huo Dong said coldly: "Chen Ping, even if you guessed it right, you will never be able to kill the monster because you can't find it at all."

"Whether it can be discovered or not is not up to you..."

Chen Ping smiled slightly, and then a red light flashed on his forehead!

Then a strange eye suddenly grew rapidly on Chen Ping's forehead!

"this....."

Seeing this strange scene of Chen Ping, everyone was stunned!

Huo Dong and Huo Yuanting also looked at him in disbelief. They didn't understand how Chen Ping suddenly grew an eye.

As Chen Ping's Tianming Eye opened, the whole world turned gray!

No matter what it is, it is exposed to the Eye of Heaven!

This is the ultimate weapon of Demon Lord Scarlet Cloud. In a small place like the Heavenly Realm, nothing can escape the detection of the Eye of Heaven!

Under the eyes of Tianming, the multi-legged monster appeared clearly in front of Chen Ping!

Chen Ping held the Dragon-Slaying Sword and instantly stabbed at the vital parts of the centaur!

Just now, Chen Ping could only defend passively, so he could only cut off the sharp claws of the centaur, and could not cause any damage to the centaur at all!

But now it's different. With the help of the Tianming Eye, Chen Ping can clearly see the outline of the multi-legged monster.

puff.....

With a thrust of the sword, the Dragon-Slaying Sword instantly pierced through the body of the multi-legged monster!

Immediately afterwards, flames rose from the Dragon Slaying Sword and a fierce flame broke out!

The centaur let out a ghostly cry and was directly engulfed by flames.

Seeing this, Huo Dong hurriedly used the Divine Fire Seal to absorb the flames, but the centaur had already disappeared!

The black fog in the sky also disappeared!

Looking at the disappearing black fog, Huo Dong felt a little confused!

He didn't understand, how much Chen Ping, a cultivator at the fourth level of the Tribulation Realm, knew?

Zi Yanmen's determination will prevail!

And those three eyes just now are obviously a very powerful skill!

Moreover, Chen Ping also possesses six kinds of ultimate fire!

Who on earth is this person? Why would a person at the fourth level of the Tribulation Realm have these things?

Huo Dong became a little autistic after being beaten by Chen Ping. He used the Divine Fire Seal to perform all the skills that could only be performed by the Mahayana realm of the Ghost Face Sect, but he didn't expect that it would be easily broken by Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4067-"Oh my god, what kind of skills did Junior Brother use? How did he suddenly grow an eye?"

"Is this the opening of the third eye? Could it be that Junior Brother is the chosen one?"

"Opening the Heavenly Eye, it is definitely opening the Heavenly Eye. Look at the light radiating from that divine eye, it carries a sense of immortality!"

Seeing Chen Ping's third eye suddenly appear, many people began to talk about it!

When the old sect leader saw the third eye that appeared on Chen Ping's body, he was instantly extremely surprised!

Because the moment Chen Ping's third eye appeared, he felt a shock to his soul!

Huo Yuanting's face was filled with shock. His relaxed mood was brought up again and he looked at Huo Dong nervously.

"What skills do you have? Just use them..."

Chen Ping looked at Huo Dong and said with a slight smile!

Huo Dong's eyes narrowed slightly. Although he was holding the Divine Fire Seal in his hand, he began to feel fear in his heart!

"Chen Ping, don't be complacent. You are the one who pushed me to this point. I will let you know that the real realm gap cannot be overcome."

"You are only at the fourth level of the Tribulation Realm. Even if you know more techniques, it will be in vain..."

Boom boom...

Just after Huo Dong finished speaking, brilliant flames from the Divine Fire Seal continued to flow into Huo Dong's body!

At the same time, the clear sky suddenly became gloomy, and dark clouds from all directions rushed towards Chen Ping and the others frantically!

Strong winds blew up, and the sky and earth suddenly became dim!

It's like the end of the world!

"Jiāyān? Could it be that Huo Dong is going to ascend to the Mahāyāna realm?"

Seeing the sudden black cloud coming, the old sect leader was immediately surprised and said!

"It seems like this Huo Dong is actually using the Divine Fire Seal to survive the tribulation. Is he crazy? How dare he survive the thunder tribulation during a duel?"

Elder Yu also said in surprise!

After all, going through the tribulation is very dangerous. If your opponent interferes while you are doing it during a fight, not only will you fail to go through the tribulation, you may even lose your life!

Zhu Ling and the others were also shocked, so they shouted to Chen Ping, "Junior brother, hurry up and make sure his thunder cloud doesn't take shape."

Huo Dong is at his weakest at this moment. If Chen Ping takes action to stop Huo Dong from transcending the tribulation, there is still a great chance of success!

But Huo Dong laughed and said, "Don't think about attacking me when I'm going through the tribulation. I've expected this. I've been stuck at the peak of the tribulation realm for a long time, just to use the Divine Fire Seal to help me reach the Mahayana realm."

“When I truly reach the Mahayana realm, you will be nothing but an ant in my eyes. The gap in realm cannot be made up by a few of your techniques.”

“Just wait for your death. I will let you know how powerful a Mahayana cultivator is!”

Huo Dong originally didn't want to reach the Mahayana realm when fighting with Chen Ping, but now there is no way. If he doesn't truly become a Mahayana cultivator, he really won't be able to deal with Chen Ping!

“Have you forgotten that your Elder Tu seems to be a Mahayana cultivator, but he was beaten like a grandson by me?”

Chen Ping smiled faintly!

Chen Ping didn't seem to be afraid at all that Huo Dong would improve his cultivation to the Mahayana realm, nor did he have any intention of stopping him!

“Humph, Elder Tu has already said that you rely on the demon soul to possess your body to forcibly improve your strength, but this demon soul possession will backfire, and your body will soon suffer the backlash.”

“When I reach the Mahayana stage, I'll see if you still have the demon soul to help you!”

Huo Dong snorted coldly!

“Okay, I'll wait for you...”

Chen Ping watched Huo Dong improve his cultivation quietly!

He actually lit a cigarette and took a deep puff. He looked so enjoying it!

Pitch-black thunderclouds covered the sky, and streaks of lightning flashed through them!

[The Man Decree] A Man Like None Other Chapter 4068—“Chen Ping, you have to be careful. This guy is not just trying to survive the tribulation. He wants to use the tribulation thunder to kill you...”

The old sect leader seemed to see through Huo Dong's intention!

“Junior brother, don't be so careless. This is not a joke. The thunder cloud will attack you. Hurry up and stop Huo Dong.”

Zhu Ling also reminded nervously!

“Sister, don't worry. He can attract thunder to improve his cultivation, so why can't I?”

Chen Ping smiled faintly!

“Don’t be silly. Even if you attract the thunder tribulation to improve your cultivation now, you are only improving from the fourth level of the Tribulation Realm to the fifth level of the Tribulation Realm.”

“Not to mention whether this small realm advancement can attract a thunder tribulation, how can the thunder tribulation cloud of your cultivation level be better than that of Huo Dong?”

“He has been promoted to the Mahayana realm, which is a great realm promotion. The thunder tribulation cloud must be very powerful.”

Zhu Ling said anxiously!

The higher the level of cultivation, the more severe the thunder tribulation will be when the cultivation level is improved. This is common sense that every cultivator knows!

Chen Ping is only at the fourth level of the Tribulation Realm. How could the thunder and lightning clouds he attracted be stronger than those of Huo Dong?

What’s more, Chen Ping didn’t look like he was going to undergo a tribulation, and there wasn’t any aura of improvement on his body!

“His advancement to a large realm may not be as good as my advancement to a small realm...”

Chen Ping smiled faintly!

Seeing that Chen Ping was still chatting and laughing and not afraid at all, Huo Dong’s face became extremely ugly!

“Boy, you will know the power of thunder tribulation in a while. Now I will let you show off...”

Huo Dong said coldly.

At this time, thunder clouds had covered the entire sky, and there were formations and light curtains blocking the surroundings, so it was impossible for Chen Ping to escape!

“I don’t know whether the thunder tribulation is strong or not, but I know that your thunder tribulation is definitely not strong. After all, your strength is not that good...”

Chen Ping mocked Huo Dong.

Huo Dong’s face flushed red and the speed of the thunder tribulation increased!

The old sect leader looked at the increasingly thick thunder clouds, his brows knitted tightly together!

Although Chen Ping acted very relaxed, he knew that the thunder clouds of the Mahayana realm were extremely powerful!

The old sect master has personally experienced the thunder clouds of the Mahayana realm!

Moreover, in the world of heaven and man, half of the cultivators will die under the thunder and lightning clouds of the Mahayana realm because they will not be able to withstand it!

Therefore, many cultivators now, when they reach the peak of the Tribulation Realm, will choose to use various magical weapons as opportunities to break through to the Mahayana Realm!

In this way, at least there is something that can help block the thunder tribulation. If one directly improves the cultivation level and breaks through to the Mahayana realm, it will be difficult to withstand the thunder tribulation!

“Elder Cui, close the formation, release Chen Ping, and stop following Huo Dongbi.”

The old sect leader said to Elder Cui with a very ugly expression!

The old sect leader knew that Chen Ping would not be able to withstand the thunder tribulation of the Mahayana realm no matter what, and would definitely die under this thunder tribulation!

That’s why he asked Elder Cui to close the formation and told Chen Ping to stop competing!

As long as Chen Ping escapes from the range of the thunder cloud, he will not be attacked by thunder!

After all, the main target of this thunder tribulation was Huo Dong.

However, if someone appears within the range of the thunder cloud, he will also be attacked by thunder!

Elder Cui nodded and was about to close the formation to let Chen Ping out!

But when Huo Yuanting saw this, he immediately tried to stop Elder Cui and said coldly: “No one is allowed to move now. If Chen Ping escapes, everyone will die.”

“You have to think carefully, do you want Chen Ping to die, or do you want everyone to die with him.”

Huo Yuanting’s eyes were full of murderous intent. After all, the strength of the old sect leader’s side was not enough to compete with his side, so he dared to be so presumptuous!

Upon seeing this, Elder Cui looked at the old sect leader!

[The Man Decree] A Man Like None Other Chapter 4069-The old sect leader’s eyes narrowed slightly, staring at Huo Yuanting!

“Elder Cui, close the formation and let Junior Brother out. If they really want to fight, then we’ll have to fight to the death.”

“By then, the Purple Flame Sect will be completely destroyed, and no one will be able to become the Sect Master of the Purple Flame Sect...”

Zhu Ling only wants to save Chen Ping, even if it means destroying the Zi Yan Sect!

“That’s right. Even if it means destroying the Ziyan Sect, we will not compromise.”

Wei Qing also spoke loudly!

All the disciples on the old master’s side raised their arms and shouted. None of them were afraid of death. They all followed Huo Yuanting in a fight to the death!

Even if I die, I must release Chen Ping first. At worst, both of us will die!

Huo Yuanting didn’t expect that the disciples of the old master’s lineage were so strong-willed. He was very angry for a moment, but there was nothing he could do!

If the fight really gets to the bitter end, the Zi Yan Sect might just disappear in the long river of history!

Elder Cui was also moved, so he wanted to close the formation!

But Chen Ping said, “If I want to escape, this formation can’t stop me. Even if the formation is closed, I won’t escape, and it will affect other brothers.”

“Don’t worry, Huo Dong is just a little guy. If I want him to die, he will definitely not survive. Even if the father and son attack together, I will not take it seriously.”

Chen Ping stopped Elder Cui from closing the formation!

This formation could not stop Chen Ping, but without this formation, it would be difficult to block the horrific aftermath relying solely on the light curtain shield. If it endangered other disciples of Zi Yan Sect, it would be troublesome!

Elder Cui didn't know what to do for a moment and could only look at the old sect leader!

The old sect leader looked at Chen Ping and saw that there was indeed no panic in Chen Ping's eyes, and even a bit of amusement, so he waved his hand and asked Elder Cui to retreat!

He chose to believe Chen Ping. Perhaps there really was some secret about Chen Ping that they didn't know about!

After all, Chen Ping gave him too many surprises!

Seeing that Chen Ping was still showing off, Huo Yuanting showed a hint of disdain!

As long as Huo Dong reaches the Mahayana realm, and with the Divine Fire Seal in his hand, no matter how powerful Chen Ping is, he will not be able to escape the fate of death in the end!

Just as Huo Yuanting was quietly waiting for Huo Dong's thunder tribulation to come, an extremely angry voice was heard!

"You little bastard, you dare to tease me and make me look bad. I will make you live a life worse than death..."

Along with the roar, the formations set up around Chen Ping and Huo Dong suddenly flashed with light!

So people looked in the direction of the voice and found that it was Gu Tianchao!

This guy fell into Chen Ping's illusion. When he saw his father and his wife cheating on him, he was so angry that he went crazy!

However, after the fight between Chen Ping and Huo Dong, no one paid attention to Gu Tianchao, and Gu Tianchao slowly woke up from the illusion!

When he realized that he was being fooled and so many people were watching, he was so angry that his lungs were about to explode!

Gu Tianchao waved his palms, and the magic circle set up by Elder Cui began to flash, and then the array patterns on it kept changing!

The exquisite array patterns had all turned blood red at this moment, and red chains locked the array tightly!

From now on, no one can escape from this formation.

In the void, the red chain continued to rise, covering the large area of thunder clouds!

“Elder Cui, stop him...”

Upon seeing this, the old sect leader shouted loudly!

It was dangerous enough for Chen Ping to deal with Huo Dong alone, and now Gu Tianchao has shown up. Chen Ping is definitely no match for the two of them!

However, Gu Tianchao used a formation, and the others knew very little about the art of formations, so they could only ask Elder Cui to stop Gu Tianchao!

When Elder Cui looked at the formation cast by Gu Tianchao, his eyes suddenly widened and he was stunned on the spot!

[The Man Decree] A Man Like None Other Chapter 4070-“Blood Refining Cage...”

Elder Cui was so shocked that he didn’t dare to move. He shook his head at the old sect master and said, “This... I can’t stop this formation at all!”

When the old sect leader heard this, he became extremely anxious!

Zhu Ling and the others were also very anxious, but there was no point in being anxious as they could not help at all!

Soon, Chen Ping and Huo Dong were both in the cage, with blood-red chains directly connecting heaven and earth!

This time, even if Chen Ping wanted to escape, he couldn’t!

Seeing this, Huo Dong burst into laughter!

“Hahaha, let me see where you can escape to. Just wait for my judgment of thunder tribulation!”

Huo Dong looked at Chen Ping, his eyes full of pride!

Chen Ping just looked at Gu Tianchao’s formation and said with disdain: “It’s just a child’s play formation. Trying to trap me is simply a joke!”

“If I really want to leave, no one can stop me...”

After Chen Ping finished speaking, he sat cross-legged, with no intention of escaping at all!

Seeing that Chen Ping actually sat down, everyone was stunned!

“Little Junior Brother, what are you doing? Why are you sitting down?”

Zhu Ling asked in confusion!

“This is too insignificant. There are two people against him...”

Wei Qing was also confused and didn't know what Chen Ping was going to do!

The old sect leader frowned slightly and stared at Chen Ping!

At this time, the thunder clouds between heaven and earth have already taken shape, and thunder may strike down at any time!

But Chen Ping sat cross-legged on the ground, with no intention of resisting the thunder and lightning that was coming down!

Huo Dong had already prepared for the coming thunder tribulation!

However, around Chen Ping's body, a breath of energy was constantly rising!

“Is he going to break through too?”

Seeing Chen Ping's rising aura, Elder Yu said!

The old sect leader also thought of what Chen Ping had just said, and he also wanted to create a thunder tribulation for himself!

However, Huo Dong is at the peak of the Tribulation Realm. This is the thunder tribulation of the Mahayana Realm. As long as he can pass this thunder tribulation, Huo Dong will ascend to the Mahayana Realm!

However, Chen Ping was only at the fourth level of the Tribulation Realm. Even if he really attracted a thunder tribulation, he would only be at the fifth level of the Tribulation Realm!

The difference between these two thunder tribulations is still very obvious. If Chen Ping wants to rely on a breakthrough to resolve the danger at this time, it is simply too naive!

Huo Dong couldn't help but laugh when he saw that Chen Ping was about to break through!

It is still very difficult for Chen Ping to resist his own thunder tribulation. If he chooses to break through at this time and endure two kinds of thunder tribulation, wouldn't he be dead for sure!

Does Chen Ping want to die with me?

However, the fifth level of thunder tribulation in the Tribulation Realm seemed to cause no harm to Huo Dong at all!

What Chen Ping did at this time was simply crazy. In fact, Chen Ping could completely escape from the range of the thunder tribulation!

Huo Dong is currently going through a thunder tribulation, so it is impossible for him to run around and chase after someone!

Chen Ping has time to escape!

But Chen Ping did not run away, he even wanted to break through at this time!

"Don't the ones who disappear know that when they break through, they are at their most vulnerable?"

"He is going to endure two kinds of thunder tribulations. He is risking his life..."

Zhu Ling was very worried!

"Daughter, don't worry too much. Since Chen Ping made this choice himself, it proves that he knows what's going on."

"Perhaps he still has hidden strengths that we haven't seen yet. Don't worry..."

The old sect leader consoled Zhu Ling!

Zhu Ling nodded. Now she could only wait!

Gu Tianchao directly sealed Chen Ping in a large formation. No one could get in, and Chen Ping couldn't get out!

Soon, the sky that was originally covered with Huo Donglei's calamity clouds began to shrink slowly!

Another thunder cloud appeared in the air without anyone noticing!

Golden lightning flashed continuously in the thunder clouds!

Although Chen Ping had only broken through to the fourth level of the Tribulation Realm, the thunder cloud he attracted was not weaker than that of Huo Dong!
