[The Man Decree] A Man Like None Other Chapter 4071

[The Man Decree] A Man Like None Other Chapter 4071-The two thunder clouds were equally matched, but Chen Ping's thunder cloud used flashing lightning, and it looked even more violent!

Just when everyone was a little surprised as to how Chen Ping, a breakthrough to the fourth level of the Tribulation Realm, could attract such a powerful thunder cloud, the thunder suddenly struck down!

Boom boom...

Chen Ping's thunder tribulation and Huo Dong's thunder tribulation came almost at the same time!

Be it Chen Ping or Huo Dong, they no longer had any other thoughts at this moment and were focused on resisting the thunder tribulation!

However, Huo Dong has the Divine Fire Seal in his hand, which can help him resist some of the power of the thunder tribulation!

After all, Huo Dong's opportunity for breakthrough was because of the Divine Fire Seal!

At this moment, thick golden thunders kept bombarding Chen Ping!

Lightning kept flashing on Chen Ping's body, but Chen Ping didn't seem to use any aura to resist the thunder!

Let the thunder strike you and then slowly disappear!

"Little Junior Brother, what are you doing? Why aren't you resisting the thunder tribulation? Are you going to use your physical body to withstand the thunder tribulation?"

"It might just turn into ashes!"

Seeing this, Wei Qing said in surprise!

But they didn't know that Chen Ping had already mastered the origin of thunder and lightning, and his physical body had also reached an extremely strong level!

These thunder tribulations bombarding Chen Ping will only increase the tempering of Chen Ping's body!

Another part will be absorbed by Chen Ping into his own origin star!

This is why Chen Ping is not afraid of thunder at all!

Huo Dong's whole body was filled with flames, and at the same time, the fire in the Divine Fire Seal continued to spread, dispersing the thunder. Huo Dong was resisting the thunder tribulation, he was completely different from Chen Ping!

At this time, Huo Dong's clothes fluttered without wind, his whole body was emitting the aura of fire, and he looked like a fire man!

Huo Dong's body was suspended in the air, constantly welcoming the thunder tribulation, and he looked like a god of war!

On the other hand, Chen Ping sat cross-legged on the ground, constantly bombarded by thunder. His clothes were shattered by the thunder, and looked tattered and in a very miserable state!

With this comparison, Chen Ping has no way of competing with Huo Dong!

But no one knew that Huo Dong was resisting the thunder tribulation, while Chen Ping was taking advantage of it!

The two people are not on the same level at all!

The one who is really incomparable is Huo Dong!

It just looks like Chen Ping is in a mess!

Huo Dong looked down at Chen Ping, and when he saw Chen Ping's miserable appearance, he was so happy in his heart!

Along with Huo Dong's instigation, thunder tribulations continued to move towards Chen Ping!

Huo Dong used his own thunder to attack Chen Ping again!

Chen Ping would definitely not be able to withstand the thunder tribulation of the Mahayana realm!

When Chen Ping saw Huo Dong summoning thunder to attack him, he was already very happy!

It was just right that he could absorb the thunder tribulation of the Mahayana realm. The power of thunder and lightning in each thunder tribulation was inexhaustible!

Boom boom...

Thunder kept flashing above Chen Ping's head, but Chen Ping closed his eyes slightly and did not move.

No one knows whether Chen Ping is dead or alive, but under a thunder tribulation of this intensity, the possibility of him being alive is not very high!

After an unknown amount of time, the thunderclouds above Huo Dong's head slowly dissipated!

A divine light shone down from the sky, and Huo Dong was completely bathed in that divine light!

"Breakthrough, my son has broken through..."

"Hahaha....."

"Awesome..."

When Huo Yuanting saw the divine light, he knew that Huo Dong had survived the thunder tribulation!

This is the scene of ascending to the Mahayana realm!

A golden heart of Tao as big as a palm kept flashing in front of Huo Dong's chest!

This is the most obvious sign of breaking through to the Mahayana realm!

Huo Dong has a heart of Tao, which makes him different from other ordinary cultivators.

Above the Tribulation Realm, it can be said to be the ladder to ascend to heaven.

After the Mahayana realm comes the stage of immortality. At this time, the cultivator is already considered an immortal and just needs to wait to ascend to heaven!

The Tribulation Realm is a hurdle. Many cultivators are stuck in the Tribulation Realm and it is difficult for them to break through to the Mahayana Realm!

[The Man Decree] A Man Like None Other Chapter 4072-Especially those cultivators who rely on their own practice, comprehension, and then suddenly realize and break through to the Mahayana stage are extremely rare!

Nowadays, many people rely on some kind of magic weapon or treasure as an opportunity to trigger the thunder tribulation and break through the last bit of Platycodon!

However, the Mahayana cultivators who broke through with the help of magic weapons, treasures and external forces are slightly inferior to the Mahayana cultivators who broke through with their own sudden enlightenment, whether in terms of comprehension of techniques or cultivation!

Seeing Huo Dong break through to the Mahayana realm, the people from the old sect master's lineage all looked extremely ugly!

Now that Huo Dong has made a breakthrough, the gap in strength between the two sides has become even greater!

At this time, Chen Ping was still being bombarded by thunder. He didn't know how many thunder tribulations he had suffered. Chen Ping didn't move, and his body even smelled burnt!

Huo Dong looked down at Chen Ping and snorted disdainfully: "I wanted to kill you myself, but it seems that I won't have to..."

Huo Yuanting also looked at Chen Ping with a sneer, not to mention how proud he was!

His son broke through to the Mahayana realm, he became the leader of the Zi Yan Sect, and the Divine Fire Seal was still in his hands!

The most important thing is that Chen Ping is also dead, and the Demon Sealing Alliance will soon get the hundred-year offering!

Everyone was laughing at Chen Ping, but no one thought that Chen Ping had only broken through to the fifth level of the Tribulation Realm, but this thunder tribulation was much stronger than Huo Dong's Mahayana realm thunder tribulation!

Huo Dong's thunder tribulation ended early, but Chen Ping's thunder tribulation was still bombarding. You don't need to think about what this means!

"Seventy-eight..."

"seventy-nine....."

The old sect leader remained silent the whole time, counting silently in his heart!

"Father, what are you counting?" Zhu Ling asked!

"Thunder tribulation, Chen Ping has suffered eighty-one thunder tribulations, which are more and more severe than the thunder tribulations of the Mahayana realm!"

The old sect master said lightly!

After eighty-one thunder tribulations, the thunder tribulation cloud above Chen Ping's head also dissipated!

A golden light appeared in the sky, directly covering an area of 100 feet in radius!

“this.....”

Feeling the shining golden light, Huo Dong was suddenly a little dazed!

You know, this golden light is much more powerful than the divine light he had when he just broke through!

The others felt the dazzling golden light and were also shocked!

Chen Ping, who was originally sitting cross-legged, has now stood up, his body suspended in the air, bathed in golden light!

The skin that was a little charred just now was now emitting golden light!

But the torn clothes made Chen Ping look a little embarrassed!

Especially in front of Zhu Ling and Qian Xiu, after all, they are girls, and they felt a little embarrassed when they saw Chen Ping like that!

“Brother, can you lend me a piece of clothing to cover myself?”

Chen Ping looked at Wei Qing and asked!

“Of course you can, but this formation is blocking it. How can I give it to you?”

Wei Qing took off his long gown and asked Chen Ping!

Chen Ping looked at the blood-colored chain that went straight to the clouds, his eyes full of disdain. He stretched out his hand and grabbed the blood-colored chain directly. With a slight force, the entire blood-refining cage formation began to shake!

In just a moment, the formation was broken, and those blood-colored chains shattered and disappeared!

You should know that Chen Ping did not break the formation by breaking the eye of the formation, but broke it by brute force!

This method of breaking the formation is many times more difficult!

But in Chen Ping's eyes, it was so easy!

No one understood. Chen Ping had only reached a small level, but why did it look like his strength had increased a lot!

Especially the aura on his body, which is so captivating. It is even more amazing than Huo Dongrong's ascension to the Mahayana realm!

Gu Tianchao looked at the formation he had worked so hard to set up, which was broken by Chen Ping's casual shaking. He was so scared that his legs went weak and his pants were wet!

"Junior brother is awesome, I'll give you clothes..."

Wei Qing shouted excitedly and threw his clothes to Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4073-Chen Ping wrapped his clothes around himself and looked at Huo Dong coldly!

The old sect master said excitedly, "Hahaha, this kid is really gifted. He is already at the fifth level of the Tribulation Realm, but his aura seems to be no worse than Huo Dong's. No wonder he refused to run away!"

"Now that the formation has been easily broken, if he wants to leave, who can stop him?"

"It's really amazing..." Zhu Ling looked at Chen Ping with tenderness in her eyes!

"Daughter, such a good man is hard to find in the entire world of heaven and man, you have to grasp it!"

The old sect leader said to Zhu Ling!

"Father, I have actually been his for a long time..."

Zhu Ling blushed!

"What?" The old sect leader was stunned and looked at Zhu Ling: "Did you sleep with Chen Ping?"

"Not yet, but he has seen me naked a long time ago, and I can't look for another man."

When Zhu Ling recalls the moment when Chen Ping saw her naked, she actually feels very excited!

"Haha, it seems like this is God's matchmaking. I'm relieved that you can find such a good man!"

The old sect leader laughed!

At this time, Chen Ping had no idea that the old master and his daughter had already decided his lifelong affairs while talking!

“Do you have any other tricks? If not, then I won’t play with you anymore!”

Chen Ping sneered at Huo Dong!

Huo Dong’s face looked uglier than if he had eaten shit!

Originally, he thought that he had broken through the tribulation and reached the Mahayana realm, and dealing with Chen Ping would be a piece of cake!

But now, Chen Ping has only been promoted to the fifth level of the Tribulation Realm. No matter whether it is the thunder tribulation or the divine light emanating from the back, they are much stronger than him!

Huo Dong no longer has the confidence he just had!

But he would not admit defeat easily. After all, there was such a huge gap in their realms. If Huo Dong admitted defeat, he would not be able to stay in the celestial realm anymore!

“I have many means...”

Huo Dong was emitting a black aura, which was obviously much stronger than the aura of breakthrough!

With a breakthrough to a higher realm, strength increases exponentially!

The black aura condensed into a sharp long sword, and then chopped down towards Chen Ping!

Huo Dong burst out with all his strength!

“go to hell.....”

Huo Dong roared angrily, looking extremely ferocious!

He was already a Mahayana cultivator, yet he was bullied by a fifth-grade Tribulation Realm cultivator, in front of so many people. It was too humiliating!

The black long sword cut through the void, and Huo Dong’s Mahayana cultivation burst out at this moment!

Because there was no formation to block it, this terrifying blow directly filled the sky above the entire Zi Yan Sect with a powerful aura!

Many weak disciples of Zi Yan Sect could not bear it and fled to the distance.

The old sect leader and Huo Yuanting attacked at the same time, forming a shield to resist the terrifying pressure!

“Father, Junior Brother...”

Zhu Ling felt Huo Dong’s knife and became a little worried!

“Don’t worry, Chen Ping will be fine.” The old sect leader was already confident at this time!

When the terrifying knife reached Chen Ping, Chen Ping let out a cold laugh!

There was only a flash of white light, and no one saw how Chen Ping made his move!

But the long sword condensed from the black mist dissipated in an instant!

“You.....” Huo Dong was shocked when he saw that Chen Ping broke his attack so easily!

At this moment, Huo Dong’s face changed drastically, and a sense of crisis surged in his heart!

This was his most powerful attack, but Chen Ping broke it so easily!

“Son, retreat, retreat quickly...”

Huo Yuanting also noticed the problem at the same time and quickly spoke out loudly!

Huo Dong’s body retreated rapidly. Without the obstruction of the formation, Huo Dong’s body fled into the distance like a meteor!

puff!

But Chen Ping took action, and the Dragon-Slaying Sword in his hand came out, and the sword light was extremely fast!

[The Man Decree] A Man Like None Other Chapter 4074-It directly penetrated Huo Dong’s body and cut off one of Huo Dong’s arms!

Huo Dong staggered and fell from mid-air!

At the moment Huo Dong fell, Chen Ping took advantage of the situation and chopped him off again. A white light flashed again, and one of Huo Dong's legs was cut off directly!

Huo Dong's body fell to the ground. He was unable to stand up and sat directly on the ground!

Looking at Huo Dong's embarrassed appearance, Chen Ping walked towards Huo Dong step by step!

“son.....”

Huo Yuanting roared and wanted to attack, but the old sect leader blocked Huo Yuanting first.

The others were just staring blankly. It was already this time and everyone was just waiting and watching!

“Chen Ping, don't think I've lost. I still have the Divine Fire Seal. I'm going to kill you...”

Huo Dong roared, and the ultimate fiery energy in his body was continuously input into the Divine Fire Seal!

The Divine Fire Seal burst out with a terrifying aura of fire, and the entire Zi Yan Sect was enveloped by this aura of fire!

Even the old sect leader and people like Huo Yuanting couldn't bear it!

The sky and the earth were engulfed in flames. The flames were even more powerful than the ones on the Divine Mountain!

“Son, what are you doing? What are you doing? Stop it now!”

Huo Yuanting shouted in horror!

He was not worried about Huo Dong, but about the Divine Fire Seal in Huo Dong's hand!

Huo Dong was going to explode the Divine Fire Seal directly and let everyone die with him!

The old sect leader was also shocked at this moment. He didn't expect Huo Dong to be so crazy that he wanted the entire Zi Yan Sect to be buried with him!

“Retreat, everyone retreat quickly...”

The old sect leader took the lead and flew into the sky, roaring loudly!

Everyone fled into the distance to avoid the horrifying aura of fire!

Zhu Ling looked at Chen Ping and was unwilling to leave. She shouted to Chen Ping, "Little Junior Brother, hurry up, hurry up, Huo Dong wants to detonate the Divine Fire Seal and die together..."

But Chen Ping seemed not to hear it and did not move!

"Senior Sister, let's go quickly, it's too late..."

Wei Qing pulled Zhu Ling and ran away desperately!

Everyone fled from Zi Yan Sect and stood in the distance watching quietly. The entire Zi Yan Sect was enveloped in the aura of fire!

Chen Ping stared at the crazy Huo Dong, his face was terrifyingly calm!

"Aren't you afraid of death?"

Seeing that Chen Ping neither ran away nor was afraid, Huo Dong asked curiously!

"Why should I be afraid? I can't die, what am I afraid of..."

Chen Ping smiled faintly!

"I know you have the True Fire Dharmakaya, so you are not afraid of the Ultimate Fire. But if this Divine Fire Seal is detonated, it will be useless even if you have any Dharmakaya."

"By then, the entire Zi Yan Sect will no longer exist, and we will all become dust."

Huo Dong said grimly!

"No, the Divine Fire Seal cannot explode at all!" Chen Ping said!

"Why?" Huo Dong was stunned!

"Because your Divine Fire Seal is just an empty shell. The real Divine Fire Seal's soul is here with me!"

After Chen Ping finished speaking, he gently opened his palm, and the seal soul was beating in Chen Ping's palm!

"Soul seal? How come I have never heard of it?"

Huo Dong was dumbfounded!

“There are so many things you haven’t heard of. Do you really need to know them all?”

After Chen Ping finished speaking, the soul seal in his palm jumped directly into the air!

A mysterious suction force directly sucked Huo Dong’s Divine Fire Seal over!

Immediately afterwards, the seal soul began to merge with the divine fire seal!

Seeing this, Huo Dong tried desperately to stop it, but he found that his connection with the Divine Fire Seal was gone!

This time, Huo Dong panicked because he found that what Chen Ping said was actually true!

As the Seal Soul merged with the Divine Fire Seal, the entire Divine Fire Seal was now under Chen Ping’s control!

Chen Ping waved his hand and the Divine Fire Seal returned to Chen Ping’s hand!

At the same time, the terrifying flame aura of the Zi Yan Sect disappeared in an instant, as if nothing had happened!

[The Man Decree] A Man Like None Other Chapter 4075-Seeing the sudden disappearance of the flame, everyone was stunned and didn’t know what had happened!

When everyone got closer, they discovered that the Divine Fire Seal had somehow fallen into Chen Ping’s hands!

You should know that it is not easy for the Divine Fire Seal to recognize its master, and not everyone can make the Divine Fire Seal recognize its master!

Now that the Divine Fire Seal is in Chen Ping’s hands, it proves that the Divine Fire Seal has recognized Chen Ping as its master!

How could the Divine Fire Seal have passed from Huo Dong to Chen Ping in such a short time?

No one knows what exactly happened!

Everyone looked at Chen Ping in disbelief!

Huo Yuanting was even more shocked and asked, “Son, what’s going on? How did the Divine Fire Seal end up in his hands?”

Huo Dong said nothing, he was completely dumbfounded, fear was revealed in his eyes!

Once a person's heart is conquered by fear, he is completely finished!

"Chen Ping, I lost, I lost, please spare my life..."

Huo Dong was actually begging for mercy from Chen Ping!

Huo Dong's sudden plea for mercy left everyone confused, and they didn't understand what Huo Dong had just experienced.

Even Huo Yuanting didn't expect that his son would actually beg for mercy!

"Spare your life?"

There was a playful look on Chen Ping's face, and the Divine Fire Seal in his hand suddenly burst out with a breath of fire!

boom!

Huo Dong's body was suddenly wrapped in flames, and screams came out of his mouth!

In just a moment, Huo Dong was burned to ashes!

Huo Yuanting didn't have time to rescue him!

The scene was silent!

Huo Dong, who was at the Mahayana stage, was begged for mercy by Chen Ping, who was at the fifth level of the Tribulation Crossing stage, and was finally burned to death!

If someone had told them in the past that a cultivator at the fifth level of the Tribulation Realm could defeat a cultivator at the Mahayana Realm, they would definitely not have believed it and would have scolded the person to death!

But now, they all believed it, because they saw it with their own eyes!

Huo Yuanting looked at Huo Dong who had turned into ashes, his expression froze and his body trembled slightly!

Everyone else also opened their mouths wide in shock!

"Son, my son....."

Huo Yuanting roared.

Boom boom...

Red clouds began to condense in the sky!

Accompanied by a terrifying flame of lightning, it suddenly fell and headed straight for Chen Ping!

“Chen Ping, be careful...”

Upon seeing this, the old sect master leaped up!

He had been on guard against Huo Yuanting for a long time. This guy would definitely be furious when he saw his son dead!

The old sect leader was hanging above Chen Ping’s head, with streams of energy bursting out of his body, forming a terrifying defensive shield!

Huo Yuanting is also a master in the Mahayana realm. He is not comparable to Huo Dong who has just been promoted to the Mahayana realm!

If this guy attacks Chen Ping, Chen Ping will definitely not be able to withstand it!

What’s more, Chen Ping had just been through a great battle and had no time to rest!

The old sect leader gritted his teeth and resisted the terrifying fire and thunder!

Although the old sect master’s strength is not weaker than Huo Yuanting, it is a pity that the old sect master’s consciousness is damaged and has not yet fully recovered, so his strength cannot be fully unleashed!

Chen Ping looked up at the old sect leader who was struggling to help him resist, and he felt very anxious!

“Old Sect Master, you don’t have to help me resist. Even if I don’t move, Huo Yuanting can’t do anything to me.”

After Chen Ping finished speaking, the Divine Fire Seal in his hand instantly burst into a sky-high flame!

The flaming thunder was instantly defeated by the fireworks. They were not even on the same level!

The old sect leader and Huo Yuanting both looked at Chen Ping in shock!

You know, they have all used the Divine Fire Seal, and they know very well how powerful the flames of the Divine Fire Seal can be!

But the fire that shot up into the sky just now should not have been produced by the Divine Fire Seal!

[The Man Decree] A Man Like None Other Chapter 4076-“How could this happen? How could the Divine Fire Seal be so powerful in your hands?”

Huo Yuanting’s face was full of disbelief.

The old sect master also looked at Chen Ping with a face full of shock and said, “Chen Ping, what’s going on? Is this the flame that erupted from the Divine Fire Seal?”

“Old sect master, the Divine Fire Seal that you have always regarded as the most precious treasure of the sect is actually just an empty shell. There is a seal soul in the Divine Fire Seal. The Divine Fire Seal lost the seal soul, so its power has weakened a lot.”

“I accidentally got the seal soul in that magma river, so I can make this Divine Fire Seal recognize the master easily, and it can also burst out a more violent flame than before!”

Chen Ping followed the old sect master to explain!

However, Chen Ping did not talk about Hong San!

“Seal soul? I didn’t expect that the Divine Fire Seal also has a seal soul. Even without the seal soul, this Divine Fire Seal can be called a divine weapon. Now with the seal soul, the power is probably terrifying to the extreme!”

The old sect master said in shock!

Huo Yuanting listened to Chen Ping’s words, and his face was also full of horror. The Divine Fire Seal that he had worked so hard to get was just an empty shell!

No wonder when Huo Dong held the Divine Fire Seal, Chen Ping didn’t seem to be afraid at all, and he looked confident!

It turned out that Chen Ping had already obtained the seal soul and knew that the Divine Fire Seal was just an empty shell!

At this time, Huo Yuanting wanted to avenge his son, but facing Chen Ping and the old master, he had no chance of winning!

Huo Yuanting frowned and said nothing. He didn’t know what to do now!

If he fought hard, the final result would be death!

But if he left, there would be no place for him in the Purple Flame Sect, and there would not be many disciples of his lineage who would follow him!

After all, these people in the Heavenly Realm are all about interests. If Huo Yuanting was not the master of the sect, and left the Purple Flame Sect without any benefits, who would follow him?

And just when Huo Yuanting was hesitant and didn't know what to do, there was a sudden roar in the sky!

Boom!

A black light shot up into the sky, instantly attracting everyone's attention!

And in this black light, an old man in a black robe slowly appeared directly from the void!

"Killing our Ghost Face Sect elders, and then killing Huo Dong, is this bullying our Ghost Face Sect that there is no one?"

The person who came was Wei Tianya, the leader of the Ghost Face Sect.

Seeing the sudden appearance of the leader of the Ghost Face Sect, the old leader's face became extremely ugly, and even the other disciples of the Purple Flame Sect were extremely nervous!

But Huo Yuanting had an excited look on his face. If the leader of the Ghost Face Sect came forward and directly killed Chen Ping and the old leader, the Purple Flame Sect would still be his!

"Chen Ping, take the opportunity to take the others away quickly. This guy is the leader of the Ghost Face Sect, named Wei Tianya, a master of the third rank of the Mahayana realm."

"I haven't seen this guy for decades. I heard that he has been in seclusion. I didn't expect him to come out."

The old leader said to Chen Ping with an ugly face!

He wanted Chen Ping to escape with the disciples of the Purple Flame Sect, and he tried to hold Wei Tianya back!

The old leader knew that he was definitely not an opponent, and the final result would be death, but it was worth it to be able to save so many people in the Purple Flame Sect!

“Old Sect Master, it’s just a shadow. There’s nothing to be afraid of.”

“It’s not the real body coming, we don’t need to run!”

Chen Ping glanced at Wei Tianya and said lightly!

The leader of the Ghost Face Sect was just a shadow, and it was impossible for him to exert the strength of his real body!

“Boy, even if I’m just a shadow, it’s more than enough to kill you!”

Wei Tianya heard Chen Ping’s words and raised his hand to slap Chen Ping!

The aura of the Mahayana realm burst out instantly, causing many cultivators to change their faces!

Seeing this, the old sect master wanted to resist, but was pulled back by Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4077—“Leave it to me...” Chen Ping smiled faintly, the spiritual energy in his body burst out instantly, and then he clenched his fists!

The fist was shining with golden light, like the dazzling sun!

“Holy Light Fist...”

A punch was thrown out, and a huge fist shadow went towards Wei Tianya!

Chen Ping’s punch actually shattered Wei Tianya’s palm!

Wei Tianya was slightly stunned. After a real fight, he realized that Chen Ping, a fifth-grade cultivator in the Tribulation Realm, was not as powerful as he seemed!

“Boy, you relied on your strength in the Tribulation Realm to kill Elder Tu and Huo Dong. You really have some real skills.”

“But you killed people from my Ghost Face Sect, so you must give me an explanation...”

After Wei Tianya finished speaking, a buzzing sound was heard in the sky, and then a vortex of void appeared, and soon condensed into a huge ghost face!

This ghost face was as big as a hill and was constantly twisting. Moreover, its eyes seemed to have life, constantly staring at Chen Ping, as if it wanted to see through Chen Ping!

Under the gaze of these eyes, everyone else lowered their heads, as if they had been seen through and had no secrets at all!

An invisible pressure continued to emanate from that ghost face!

Every cultivator felt as if their bodies were being pressed down by mountains and rivers, and breathing became extremely difficult!

Some monks with lower strength could no longer bear it and fell to the ground with thuds!

Even Elder Yu and the others had grim expressions on their faces, struggling to hold on!

The appearance of this ghost face cast the entire Zi Yan Sect under pressure!

That powerful, domineering and terrifying aura made everyone dare not move in the slightest!

The old sect leader's expression was also extremely ugly.

Everyone's eyes were filled with fear, and no one dared to look up at the ghost face!

Only Chen Ping looked up, without a trace of fear in his eyes!

"Good boy, you have some guts..."

After Wei Tianya finished speaking, a tremendous pressure rushed towards Chen Ping!

The large houses and land around could not withstand such pressure and collapsed one after another!

Chen Ping's body stood straight, without a single bend, and even his eyes didn't dodge!

At the same time, the Divine Fire Seal in Chen Ping's hand burst out with bursts of flames, resisting this pressure!

Chen Ping has the Divine Fire Seal in his hand, so he is so calm!

In fact, Chen Ping has another person to rely on, and that is the Demon Lord Chiyun!

If it really comes to a matter of life and death, he will risk it all and let Demon Lord Scarlet Cloud take control of his body!

Now that Chen Ping has the Divine Fire Seal, the remaining soul of the Red Cloud Demon Lord can appear in this world under the protection of the Divine Fire Seal!

There is no need to hide it in Chen Ping's sea of consciousness. If it is not enough, it can only appear in the flame aura of the Divine Fire Seal!

Otherwise, the remaining soul of Demon Lord Chiyun would be exposed to this world and would be reduced to ashes!

In a confined space or in the sea of consciousness, the residual soul of the Red Cloud Demon Lord can move!

Seeing Chen Ping holding his head high and chest out without the slightest fear, Wei Tianya controlled the ghost face and continued to exert pressure!

boom!

Chen Ping only felt his breathing become rapid, his whole body became a little stiff, and he felt as if the entire sky was pressing down on him!

This indescribable force made all the bones in Chen Ping's body creak, but Chen Ping still stood!

Chen Ping was seen gritting his teeth, his eyes were red, and the tempering of his body was reflected at this moment!

Various spiritual powers in the body are constantly circulating, and the flame aura in the Divine Fire Seal is also constantly erupting, helping Chen Ping to resist this pressure!

"Boy, the flame aura in this Divine Fire Seal can help you practice, don't waste it here, just let me go out and help you deal with it."

Demon Lord Chiyun followed Chen Ping and said!

Demon Lord Chiyun now really wants to leave Chen Ping's sea of consciousness and go to the real world to have some fun!

[The Man Decree] A Man Like None Other Chapter 4078-"Just show your face, don't even think about running away..."

Chen Ping said!

"Why would I run away? Apart from a pervert like you, who else can accommodate me in the sea of consciousness?"

"Besides, I still have to wait for you to help me find the wreckage. You won't run away!"

The Red Cloud Demon Lord said!

“Well, you can make quick work of it. This guy is just a shadow projection, and you are just a remnant soul, so it’s fair.”

Chen Ping said!

“Fuck, you’re comparing this piece of rubbish to me. Even if I only have a remnant of soul left, this old bitch is no match for me even if I only have a leg hair left!”

Demon Lord Chiyun was somewhat unhappy!

The leader of the Ghost Face Sect is only at the third level of the Mahayana realm, but Chen Ping actually compares him with the Red Cloud Demon Lord!

Of course, Demon Lord Chiyun disagreed!

If Demon Lord Chiyun was in a complete state at this moment, he could turn Wei Tianya into ashes with just one look!

“Senior, I was just making an analogy, why are you so angry?”

Chen Ping was a little amused and helpless. These guys in heaven had really weird personalities!

“Let me out now, stop dithering!”

The Red Cloud Demon Lord said!

“Okay!” Chen Ping nodded, and then the Divine Fire Seal burst out with a red flame visible to the naked eye!

The flames exploded in mid-air, forming a protective shield that enveloped the entire Zi Yan Sect!

Then Wei Tianya was also enveloped in it!

Wei Tianya was stunned, but then sneered: “Boy, are you stupid? If you want to resist my pressure, you have to isolate me.”

“Now you’ve included me in this, doesn’t that make it easier for me to take action?”

Chen Ping looked at Wei Tianya and smiled coldly: “Whether I am stupid or not, you will know in a moment!”

After Chen Ping finished speaking, he immediately struck a very handsome pose!

“Come out.....”

After Chen Ping finished speaking, a black mist emerged from above his head, and then an old man with disheveled hair slowly appeared!

However, the old man seemed to be looming, and was obviously a remnant soul!

Seeing this, Wei Tianya laughed: "Boy, you use the magic soul in front of me, isn't this like showing off your sword in front of Guan Gong?"

"Don't you know that we in the Ghost Face Sect specialize in raising demon souls?"

"That's perfect. I'll raise your demon soul and use him for my own benefit!"

Wei Tianya was about to die of laughter at this moment!

"You can't support me, you idiot, just support your mother."

Demon Lord Chiyun was originally very happy to leave Chen Ping's sea of consciousness and move around in the outside world!

But Wei Tianya actually said the words of raising a child!

What a joke, can you just raise the Demon King of Heaven whenever you want?

Wei Tianya was stunned. He didn't expect that this demon soul had such a bad temper and even had its own consciousness!

Many of the demon souls raised by the Ghost Face Sect have no independent consciousness, and those with independent consciousness are not easy to control!

However, once this kind of demonic soul is controlled, its power will definitely be powerful!

The old sect leader and Huo Yuanting were all looking at Demon Lord Chiyun at this moment!

They knew that this should be the evil soul in Chen Ping's sea of consciousness that Elder Tu mentioned before his death!

It was precisely because of this evil spirit that Elder Tu and those disciples of the Ghost Face Sect were slaughtered by Chen Ping!

"You are just a remnant soul left, yet you still dare to be so arrogant? Wait until I subdue you, and you will know how powerful I am."

After Wei Tianya finished speaking, the huge ghost face suddenly opened its mouth and sucked towards the Red Cloud Demon Lord!

It's just a remnant soul, and it can be easily sucked into the ghost face!

"I haven't played like this for thousands of years. Since you want to play, I'll play with you!"

When Demon Lord Chiyun saw that Wei Tianya was trying to subdue him, he immediately laughed!

Originally, Demon Lord Chiyun could make Wei Tianya's shadow disappear with just a breath, but he wanted to play around and didn't want Wei Tianya to disappear so quickly!

If Wei Tianya disappeared, Chen Ping would put away the protective shield held up by the Divine Fire Seal, and the Red Cloud Demon Lord would return to Chen Ping's sea of consciousness!

[The Man Decree] A Man Like None Other Chapter 4079-Even though the ghost face opened its mouth and sucked continuously, the Red Cloud Demon Lord did not move!

Even if there was only a remnant soul left, it was not something that a Mahayana cultivator like Wei Tianya could shake.

"How is it possible? You are just a remnant soul. My ghost face has absorbed countless demon souls and has never failed."

"How could this be?"

Wei Tianya was a little confused when he saw this!

"That's because you didn't touch me. If you had touched me, you would have failed long ago."

"You have such a broken ghost face, and you are still showing off. It's really fucking shameful!"

"Pah..."

The Red Cloud Demon Lord spat directly!

But just after spitting, Wei Tianya's ghost face was struck by lightning and shattered in an instant. The mountain-like ghost face just disappeared like this!

Wei Tianya was stunned!

The others looked at this scene with shock on their faces. They didn't understand what kind of existence this demon soul hidden in Chen Ping's sea of consciousness was!

Only a remnant soul was left, and it was so powerful. This was too outrageous!

“I understand, I understand...”

The old sect master understood at this moment why Chen Ping was not afraid of the demon soul of the Ghost Face Sect and dared to let the demon soul enter his sea of consciousness!

It turned out that there was such a powerful demon soul in Chen Ping’s sea of consciousness. If other demon souls entered, wouldn’t that be courting death?

“You... who are you? With such strength, how could there be only a trace of residual soul left? And it’s in this kid’s sea of consciousness?”

Wei Tianya asked in shock!

With only a trace of residual soul left, the strength can be so terrifying. It can be imagined how terrifying the strength of the Red Cloud Demon Lord was at its peak!

But even with such terrifying strength, he was killed by someone, and his physical body was destroyed, leaving only a trace of residual soul!

“I am your ancestor. When you see me, you should bow three times and kowtow nine times, and call me ancestor!”

The Red Cloud Demon Lord said with a smile!

To be precise, the Red Cloud Demon Lord was not wrong. As a member of the demon clan, there must be a connection!

So it is correct for the Red Cloud Demon Lord to say that he is Wei Tianya’s ancestor!

Wei Tianya’s eyes narrowed slightly. He thought that the Red Cloud Demon Lord was scolding him and deliberately humiliating him!

“Humph, since you are so arrogant, don’t blame me for being rude...”

After saying that, Wei Tianya’s shadow solidified a little more, and the black mist around his body began to spread!

“Fuck, I said it was your ancestors who were flattering you, but you kid still didn’t know how to flatter me.”

“Then I will teach you a lesson, this unfilial descendant...”

After the Red Cloud Demon Lord finished speaking, he slapped him!

The black mist that Wei Tianya had finally spread dissipated in an instant, and the whole person was slapped hard!

In front of the Red Cloud Demon Lord, Wei Tianya found that he didn't even have the slightest room to resist!

And he could feel that the Red Cloud Demon Lord was just playing with him and didn't use his full strength, otherwise the shadow he projected would have collapsed long ago with the slap just now!

The Red Cloud Demon Lord came in front of Wei Tianya, and then grabbed Wei Tianya and slapped him again!

Everyone stared blankly!

Wei Tianya is a third-grade cultivator in the Mahayana realm. Although it is just a projected shadow, not a real entity!

But his strength should not be underestimated. Now he was slapped in the face by a demon soul!

And it seems that Wei Tianya has no power to fight back!

This slap directly made Wei Tianya stunned, and his eyes were full of fear!

Because he sensed a breath that did not belong to the heavenly world from the extremely weak breath of the Red Cloud Demon Lord!

"You... Are you a demon soul from the heaven?"

Wei Tianya asked with a trembling body!

"You kid still have some vision. I am the Demon Lord of the Heavenly Realm, and my residual soul accidentally came to the Heavenly Realm."

"Even if I only have a wisp of residual soul left, you ants can't say anything."

The Red Cloud Demon Lord said coldly!

"Heavenly Realm? Demon Lord?"

Wei Tianya's eyes widened, and he was scared to death!

What a joke?

He followed the demon king of heaven to fight?

Not to mention that the other party had only a remnant soul left, even if there was only one consciousness left here, it was not something that he, a Mahayana realm, could handle!

Now Wei Tianya finally understood why Chen Ping, a little cultivator of the fifth rank of the Tribulation Realm, was so arrogant!

Moreover, his elder Tu and Mahayana realm cultivators such as Huo Dong all died in Chen Ping's hands!

It turns out that there is such a demon king living in the sea of consciousness, so what is there to be afraid of!

However, Wei Tianya didn't know that Chen Ping didn't rely entirely on the Demon King Chiyun!

In addition to his own bloodline strength, Chen Ping also has a lot of things to use!

The Fire Spirit, the Dragon Pattern Bell, the God King Bow, and the little Sky Devouring Beast that only knows how to eat but doesn't work much!

If this little guy wakes up,

he can also kill people everywhere! At the same time, the origin space in Chen Ping's body is the stars in the universe, and countless origin stars are waiting for Chen Ping to light up!

These are also what Chen Ping relies on. Chen Ping relies on more than just the residual soul of the Red Cloud Demon Lord!

Wei Tianya didn't know this. He only knew that the residual soul of the Heavenly Demon Lord, the Red Cloud Demon Lord, scared him to death!

"Senior, ancestor, I was wrong. I didn't know it was the soul of the ancestor. I was rude and offended the ancestor..."

Wei Tianya cried and begged for mercy!

A great cultivator of the third rank of the Mahayana realm, the leader of the Ghost Face Sect!

Wei Tianya, who was once in the limelight and arrogant, cried at this time!

Seeing Wei Tianya's cowardly look, the Red Cloud Demon Lord instantly lost interest!

When he met Chen Ping at that time, Chen Ping knew his identity and didn't seem to be scared to tears!

This fucking coward, still the leader!

“Coward, it's really a shame for our demon clan, get out...”

The Red Cloud Demon Lord lost interest in playing, and waved his hand directly, and Wei Tianya's shadow instantly dissipated!

At the same time, Wei Tianya in the Ghost Face Sect's main hall opened his eyes, and his forehead was full of cold sweat!

When he looked down, he found it was already wet!

Even if he had the courage, he would not dare to seek revenge on Chen Ping!

And Huo Yuanting, watching Wei Tianya crying and begging for mercy like a dog, and finally dissipated, was completely confused!

He didn't understand what the identity of the demon soul in Chen Ping's body was, and he actually scared Wei Tianya to tears!

Just now, the Red Cloud Demon Lord introduced himself, and only Wei Tianya heard it, and no one else could hear it at all!

But no matter what, the Red Cloud Demon Lord just spat and made Wei Tianya's ghost face shattered instantly. This was seen with his own eyes!

This kind of strength, no one present had!

Huo Yuanting knew that he was afraid that he would be in danger today!

However, looking at the Divine Fire Seal in Chen Ping's hand, Huo Yuanting was also jealous!

This should have been his. He had worked hard for the Divine Fire Seal, but now it fell into Chen Ping's hands!

After Wei Tianya left, the entire Ziyang Sect returned to peace!

The Red Cloud Demon Lord returned to Chen Ping's sea of consciousness!

“Junior brother, you are so great...”

Zhu Ling said, looking at Chen Ping with eyes full of admiration!

Elder Yu, Wei Qing and others also gathered around, and everyone praised Chen Ping!

“Huo Yuanting, your son is dead now, and it was clearly you who colluded with the Ghost Face Sect, but you framed Elder Yu and others.”

“Now I want to take back my order and dismiss you from your position as the acting sect leader!”

The old sect leader looked at Huo Yuanting coldly and said!

“Dismiss me? Why do you dismiss me?”

“You are no longer the sect leader, and I am not the acting sect leader. I am now the real sect leader of Ziyan Sect, and I have the Divine Fire Seal to recognize the master.”

Huo Yuanting snorted coldly!

“The Divine Fire Seal has recognized its master?” The old sect leader smiled: “Now that the Divine Fire Seal is no longer in your hands, why are you still the sect leader?”

“You don’t have the Divine Fire Seal anymore, so you are not the sect leader either. What rights do you have to depose me?”

“According to the rules, I am the last sect leader of the Zi Yan Sect. Before the new sect leader is born, even if I don’t have the Divine Fire Seal, I am still the sect leader.”

Huo Yuanting began to use the loopholes in the Zi Yan Sect’s rules to refute!
