[The Man Decree] A Man Like None Other Chapter 4081

[The Man Decree] A Man Like None Other Chapter 4081—"Now that the Divine Fire Seal is in the hands of Junior Brother, and he has recognized the master, does that mean Junior Brother is the master of the sect?"

Zhu Ling said!

"Then Chen Ping is not a disciple of my Ziyang Sect at all, and the Divine Fire Seal cannot be in his hands."

"As disciples of the Ziyang Sect, we have the obligation to protect the Divine Fire Seal from being taken away by outsiders."

Huo Yuanting began to incite many disciples of the Ziyang Sect!

You know, the Divine Fire Seal is extremely important in the hearts of these disciples, otherwise the sect master would not have to have the Divine Fire Seal recognize the master.

Now that Chen Ping's identity has been exposed, he is not a disciple of the Ziyang Sect, so it is not appropriate for him to take the Divine Fire Seal. Even if he recognizes the master, he cannot let Chen Ping take the Divine Fire Seal away!

Huo Yuanting recognized this point, so he would fight to the death and resist. If he could get the Divine Fire Seal in his hands, that would be it!

"Who said Chen Ping is not a disciple of my Ziyang Sect?"

The old sect master asked back!

"Of course not. We all know what kind of person Elder Yu is. He must have received money from Chen Ping and brought him in."

"And with Elder Yu's two tricks, it is impossible for him to be Chen Ping's master."

Huo Yuanting said!

"Yes, Elder Yu can't be Chen Ping's master, but I can be Chen Ping's father-in-law."

"Chen Ping has already had a physical relationship with my daughter and has become my son-in-law."

“His status is more important than that of the disciples of Zi Yanmen. Why can't he get the Divine Fire Seal?”

The old master snorted coldly!

Chen Ping was a little stupid when he heard it. When did he have a physical relationship with Zhu Ling?

It's just watching a bath!

The world of heaven and man is so open. Just watching a bath, can they be together?

Chen Ping himself didn't know that he had become the son-in-law of the old master!

Zhu Ling blushed when she heard her father say this in public, but she could see that she was very happy!

The other disciples of Zi Yanmen were envious and jealous of Chen Ping!

You know, Zhu Ling is the goddess in the hearts of many men!

The kind that makes you tremble all over after just one look!

This kind of goddess was actually slept with by Chen Ping!

I feel jealous just thinking about it!

“Junior brother, when did you sleep with Senior Sister Zhu Ling?”

Wei Qing was very puzzled. He had been with Chen Ping all this time, and he didn't see Chen Ping having any chance!

Chen Ping smiled helplessly and didn't answer Wei Qing!

At this time, Huo Yuanting was also stunned when he heard the words of the old sect master. He didn't expect Chen Ping to be with Zhu Ling!

Think about it, his son was kicked out of the Ziyan Sect just because he teased Zhu Ling a little!

But now Chen Ping has slept with Zhu Ling, but nothing happened!

“Humph, this is just your one-sided statement. No matter what, this Divine Fire Seal must not be in Chen Ping's hands.”

After Huo Yuanting finished speaking, he actually snatched the Divine Fire Seal from Chen Ping's hand!

This guy wanted to snatch the Divine Fire Seal back to his own hands!

"Overestimate your own abilities..."

Facing Huo Yuanting, Chen Ping actually showed disdain!

I saw a flame burst out from the Divine Fire Seal, and the monstrous flames smashed down towards Huo Yuanting like a mountain!

Kakaka...

Huo Yuanting's body shook, and he felt his body was pressed and creaked, and he instantly fell to the ground!

This breath made it impossible for Huo Yuanting to get up!

Huo Yuanting, who was in the Mahayana realm, was lying like a dog at this moment!

Huo Yuanting struggled desperately, but the more he struggled, the more difficult it was to breathe!

In the end, Huo Yuanting stopped struggling. Although there was reluctance in his eyes, he was powerless!

The old sect master looked at Huo Yuanting like that, sighed and said: "Huo Yuanting, thinking of you being in Ziyamen for many years, and your son is dead, I won't kill you today, but you will be expelled from Ziyamen, and you will never step into Ziyamen again!" As

the old sect master finished speaking, Chen Ping put away the flame!

[The Man Decree] A Man Like None Other Chapter 4082-Huo Yuanting looked pale, helplessly looking at Chen Ping. The power of the Divine Fire Seal was too great, and Huo Yuanting simply couldn't bear it!

But fortunately, he still retained his cultivation, and just left the Purple Flame Sect!

"Elder Tian, are you willing to leave the Purple Flame Sect with me? I won't treat you unfairly."

"You have followed me for these years and offended Elder Yu and others. If I leave, will you still have a good harvest?"

Huo Yuanting wanted to take his men away!

At this time, Elder Tian and others were a little scared. Although they didn't want to leave the Purple Flame Sect, after all, after leaving the Purple Flame Sect, they would have no place to live, and even resources would be difficult to get!

But if they didn't leave, Elder Yu and others would retaliate at that time, and that would be troublesome!

Just when Elder Tian and others were hesitant, the old sect master said, "Let bygones be bygones, but if anyone wants to leave, I won't stop them!"

"Don't listen, if you stay now, you will definitely be retaliated in the future!"

Huo Yuanting said loudly!

"If you trust me, you can stay. If you don't trust me, then go!"

The old sect master waved his hand and let Elder Yu and others make way!

Seeing this situation, Elder Tian and others looked at each other, and then knelt on the ground: "We trust the old sect master and are willing to die for Zi Yanmen..."

Huo Yuanting saw this scene and knew that he was doomed and no one was willing to follow him!

As the saying goes, when the tree falls, the monkeys scatter. Now he is nothing, so how can anyone follow him!

"Good, good, good..."

Huo Yuanting said three good words in a row, and finally jumped away from Zi Yanmen!

He was afraid that if he stayed, the old sect master would change his mind and clean him up, which would be troublesome!

After Huo Yuanting left, Chen Ping looked at the old sect master and said, "Old sect master, this divine fire seal is the treasure of your Zi Yanmen. I will use this divine fire seal to refine the ultimate fire fusion technique and return it to you!"

This divine fire seal was originally the thing of Zi Yanmen. If Chen Ping took it away, the future development of Zi Yanmen would be hindered!

Chen Ping only came to learn the fusion of the ultimate fire. Although the Divine Fire Seal is a very powerful treasure, Chen Ping cannot be greedy!

He has already learned the two ultimate fires of the Purple Flame Sect, and also learned the True Fire Dharma Body. More importantly, he has also inherited the skills of Hong San, the first master of the Purple Flame Sect!

If he takes the Divine Fire Seal away, it would be a bit too embarrassing!

In that case, how can the Purple Flame Sect develop in the future!

“Since the Divine Fire Seal has recognized its master, then you are the master of our Purple Flame Sect. How can the master hand over the Divine Fire Seal?”

The old master smiled faintly!

“No, no, no, I can’t be the master of the Purple Flame Sect, not to mention that I am now being hunted by the Demon Sealing League, which will bring trouble to the Purple Flame Sect.”

“And I have no fixed place to live, I won’t stay in one place for a long time, it’s not suitable at all!”

Chen Ping shook his head repeatedly!

But the old sect master smiled slightly, and then bowed directly to Chen Ping and said: “Greetings to the new sect master...”

Seeing this, Elder Yu and others also knelt on the ground: “Greetings to the new sect master...”

Wei Qing, Qian Xiu and others all looked at Chen Ping excitedly!

Their junior brother has now become the new sect master, and they are all happy for Chen Ping!

Chen Ping looked at the disciples of Zi Yan Sect who were kneeling down, and smiled bitterly helplessly!

He seemed to know the intention of the old sect master, so he said: “Okay, since you all nominated me, then I will do it reluctantly, all get up!”

“Sect Master, what should we do with this guy?” Wei Qing pointed at Gu Tianchao who was so scared that he couldn’t walk and asked!

Chen Ping took a look at Gu Tianchao, and frightened Gu Tianchao so much that he kowtowed repeatedly!

“Lock him up first, this guy is good at formation techniques, keep him for the time being!”

Chen Ping wanted to use Gu Tianchao to explore the details of Liangyi Sect, but not now. Now Chen Ping has to hurry up and practice the art of fire fusion!

After briefly explaining a few things to the old sect master, Chen Ping said, “I am going to the Divine Fire Mountain now to practice the technique of ultimate fire fusion. All matters within the sect should be managed by the old sect master!”

After Chen Ping finished speaking, he jumped and headed straight for the Divine Fire Mountain!

[The Man Decree] A Man Like None Other Chapter 4083-Huhuang City!

Bai Qian, the Fox Princess, was sitting on the throne of her palace at this moment, with an extremely solemn expression!

Huo Feng and Ji Yun stood beside Bai Qian, and everyone looked unhappy!

“Fox Princess, the spirit boat is ready. Let’s leave quickly. Once the city is broken, we can’t leave.”

“Don’t worry, as long as Mr. Chen comes back, I believe he will definitely help you take back Huhuang City!”

Ji Yun persuaded Bai Qian!

“Bai Qian, don’t be stubborn anymore. If the master comes back and finds that you died in the battle, he will definitely be sad.”

“Don’t you find that the master likes you very much? When he is with the two of us, he always sleeps with you for a long time!”

Huo Feng also persuaded Bai Qian!

But Bai Qian had tears in her eyes, biting her lips tightly, and her face was full of fear!

This is the kingdom she has worked so hard to build, but now it is going to be taken away by others!

Just when Bai Qian was hesitating, Granny Zhen rushed in with scars all over her body!

“Empress, the people of the Feng family are about to rush in, let’s go quickly!”

“As long as there is green mountains, there is no fear of running out of firewood. You go with me to hide first, we will come back one day!”

Granny Zhen persuaded Bai Qian!

Bai Qian looked at Granny Zhen, who was covered with scars, and finally nodded!

She didn't want to see Granny Zhen, who had taken care of her all her life, die here!

After Xue Kun's death, the Feng family knew that their hope of cooperating with Hu Huangcheng was shattered, so they gathered a lot of people to attack Hu Huangcheng!
The

Feng family was backed by the Fengmo League, and there were rumors that Chen Ping was in Hu Huangcheng, so many people had their eyes on Hu Huangcheng!

Now Hu Huangcheng is about to be broken, and by that time, Bai Qian couldn't leave even if she wanted to!

Bai Qian followed Huo Feng and others to board the airship, and then quickly flew away from Hu Huangcheng.

Because they didn't expect that there would be an airship in Hu Huangcheng, no one stopped the airship for a while!

Bai Qian looked at the ruins of Hu Huangcheng and the bodies of those people, and her heart was like a knife!

“Where are we going now?”

Ji Yun asked!

After all, Ji Yun was not very familiar with the Central Region. He had only been to the Ji family in the Central Region.

“Go to the Western Region. I was a person from the Western Region before I came to Huhuang City. Let's hide in my house for a while!”

said Grandma Zhen!

“Grandma Zhen, you are from the Western Region. I have never heard you mention it!”

Bai Qian was a little surprised!

“I have been away from home for decades, but I just don't want to mention it!” Grandma Zhen smiled bitterly!

Obviously, there was a reason why Grandma Zhen left, so she didn't mention it for so long!

If it weren't for this situation, Grandma Zhen probably wouldn't say it!

At that time, because Grandma Zhen had super high medical skills, she was left in Huhuang City!

The entire human cultivators and pharmacists are very rare, not to mention the beast race, so Grandma Zhen was taken in by Huhuang City for this reason!

"How do we notify the master? He is still in Ziyanmen now. If he goes to Huhuang City to find us, wouldn't he be walking into a trap?"

Huo Feng asked!

"I can't contact Mr. Chen with the sound transmission jade slip. I guess he is practicing now. I will contact him with the sound transmission jade slip when I find a chance!"

Ji Yun said!

The airship flew towards the Western Region. Fortunately, the people of the Feng family did not chase!

At this time, Chen Ping was sitting on the Shenhua Mountain, with his eyes slightly closed, exhaling turbid air, holding the Shenhua Seal in both hands and hugging it to his chest!

Buzz!

Waves of flames continued to spread, and then in this flame, a magnificent and pure breath was flowing!

The six fires were constantly rotating around Chen Ping!

Boom!

Suddenly, the sky and the earth changed color, and the wind and clouds rolled back!

This sudden change made many people in Ziyanmen look towards the direction of Shenhua Mountain!

"Father, it's been three days. Will Chen Ping be okay?"

Zhu Ling looked at the sudden change in the Shenhua Mountain and asked with concern!

[The Man Decree] A Man Like None Other Chapter 4084-“I don’t know either, but when I merged the Ultimate Fire, there didn’t seem to be such a big noise. It might be because Chen Ping has too much Ultimate Fire!”

“Let’s go and see what’s going on...”

The old sect master led Zhu Ling and the others and headed straight for the Divine Fire Mountain!

When they arrived at the foot of the Divine Fire Mountain, they looked up and were surprised to find that six different colors of auspicious clouds appeared in the sky!

These auspicious clouds condensed above the Divine Fire Mountain.

Then, these auspicious clouds of different colors began to merge!

The Ultimate Fire around Chen Ping’s body was also protecting and merging!

Above Chen Ping’s head, the origin star of fire actually flashed out, constantly flashing light!

Soon, countless lights filled the air, the starlight was bright and gorgeous, like a galaxy!

Thousands of star lights continued to gather, and then poured into Chen Ping’s origin star!

Everyone who saw this scene breathed rapidly and was stunned!

They could feel that this was the breath of the origin of fire!

But how could Chen Ping have so many origins of fire at once?

The six ultimate fires merged, and then turned into the power of origin and poured into the original star!

The breath in

Chen Ping’s body was rising rapidly! The colorful auspicious clouds slowly disappeared, until the last pure and incomparable essence of the ultimate fire slowly fell from the top of Chen Ping’s head into his body!

Boom!

At this moment, Chen Ping’s body instantly made a roar!

Accompanied by a wave of air that could be seen by the naked eye spreading around, the auspicious clouds that had just dispersed above his head actually condensed!

However, this time it was not auspicious clouds, but a dark thunder cloud!

“Damn, is the junior brother going to break through again?”

Wei Qing was going crazy when he saw this scene!

Chen Ping had just broken through, it had only been a few days, and he was going to break through again!

Elder Yu glared at Wei Qing fiercely and said, “Asshole, this is the master, not the junior brother?”

“Yes, yes, the master, the master is so awesome, how could he break through so quickly?”

Wei Qing changed his words again and again!

The old master, Zhu Ling and others were also shocked!

However, this thunder cloud is real. Lightning flashed across, and soon thunders fell from the sky!

Chen Ping himself did not expect that using this divine fire seal to fuse the ultimate fire would instantly improve his realm!

This is only six ultimate fires. If he has dozens of ultimate fires, wouldn't he be able to rush to the peak of the cross-tribulation realm in an instant?

Thunders came down one after another, hitting Chen Ping continuously!

Chen Ping was excited at this moment, and he didn't feel the pain of the thunder at all!

After the thunder, Chen Ping's body jumped into the air!

The aura of the sixth level of the cross-tribulation realm permeated the entire Shenhuo Mountain!

Looking at the divine fire seal in his hand, Chen Ping was very happy!

He didn't expect that such a large amount of energy was gathered in this divine fire seal, which allowed him to reach a higher realm in an instant!

However, after Chen Ping's realm was improved, the aura on the divine fire seal was obviously much weaker!

As his consciousness sank into his body, Chen Ping saw that in his origin space, the stars of the origin of fire were emitting dazzling light at this moment. This star of the origin of fire was much brighter than other stars of origin!

Chen Ping slowly fell down, and his restrained breath still couldn't cover up the pressure on him! A mere

sixth-grade Crossing Tribulation Realm actually had a naturally radiated pressure!

It was chilling!

"Chen Ping, you are really great. I didn't expect that you continued to merge the ultimate fire and even improved your realm!"

Zhu Ling ran over happily and said!

"Chen Ping, congratulations, in just three days, you have improved your realm again. This is unheard of!"

The old master congratulated!

"Thanks to the old master's guidance and this divine fire seal, otherwise I would not have been able to improve so quickly."

Chen Ping said with a smile!

In fact, Chen Ping knew that the reason why he could improve so quickly was inseparable from following Hong San!

Hong San passed on his lifelong skills to him, and with the blessing of the Divine Fire Seal, it was normal for Chen Ping's strength to increase rapidly!

[The Man Decree] A Man Like None Other Chapter 4085—"You are too modest. This is all because of your own extraordinary talent."

"Now that you are the leader of Ziyamen, how Ziyamen will develop in the future depends on you!"

The old leader laughed!

"No, no, no, my position as leader is only temporary. I will leave after I finish dealing with things. At that time, I will pass the position of leader to Senior Sister Zhu Ling."

Chen Ping said hurriedly!

He thought that the old leader asked him to be the leader in order to pass the position to Zhu Ling!

If the old leader passed the position to Zhu Ling himself, he was probably afraid that some elders would not accept it!

After all, the position of leader of Ziyamen is not hereditary. It is somewhat inappropriate for the old leader to pass it to his daughter!

Now that Chen Ping passes it to Zhu Ling, it can shut up others!

Chen Ping understood it this way, but he misunderstood. The old leader did not mean that. He really wanted Chen Ping to be the leader!

“Zhu Ling is a woman. She will get married sooner or later. She is not suitable to be the leader of the sect.”

“Unless you marry Zhu Ling, she can share the heavy responsibility for you at that time!”
said the old leader!

“That’s not allowed...” Chen Ping waved his hand!

He can’t marry Zhu Ling.

Chen Ping said that the first wedding must be given to Su Yuqi. Although Su Yuqi’s whereabouts are unknown now, Chen Ping firmly believes that Su Yuqi is waiting for him!

Although Chen Ping has many women, and many of them have had physical intimacy, he will not give the first wedding to any other woman!

“Why, do you think I’m not worthy of you?”

Zhu Ling asked a little aggrieved when she saw this!

“No, Senior Sister has a good figure, good skin, and she is stunningly beautiful. Any man will like her when he sees her.”

“It’s just that I already have a girlfriend, and I have many confidantes. I have already had physical intimacy, so...so I’m not worthy of Senior Sister.”

Chen Ping explained hurriedly!

When Zhu Ling heard this, she laughed immediately. She thought Chen Ping looked down on her!

The old sect master laughed: "What does it matter? Since you can't marry, let Zhu Ling be your confidante."

"In this world of heaven and man, it is normal for a man to have three wives and four concubines, and it is normal to cultivate together if they have feelings for each other. After all, this helps to improve strength."

"Yes, you don't have to marry me, and you don't have to give me any status. The world of heaven and man doesn't care about these. As long as you have me in your heart, it's fine."

Zhu Ling approached Chen Ping and took Chen Ping's hand!

This made Wei Qing and others drool!

The woman they dared not dream of actually took the initiative to approach Chen Ping at this moment, and even took the initiative to devote herself!

This is the gap, the gap between people!

Seeing this, Chen Ping didn't say anything anymore. People have taken the initiative to this extent. If he didn't agree, it would be a bit shameless!

What's more, Zhu Ling is really tempting. When he thought of that night, when he accidentally saw Zhu Ling's body, Chen Ping was still rushing to each other! When

everyone returned to Ziyamen, Chen Ping immediately went to find the imprisoned Gu Tianchao!

Gu Tianchao was imprisoned in the dungeon of Ziyamen, and there were magic arrays set up by Elder Cui around him!

Gu Tianchao was disheveled at this time, and he had lost his high spirits at the beginning!

After hearing the voice, Gu Tianchao slowly said: "You are finally here..."

"Have you been waiting for me?"

Chen Ping was a little surprised!

"Of course, otherwise do you think the magic arrays around can trap me?"

Gu Tianchao raised his head and smiled!

Chen Ping glanced and laughed. These arrays really couldn't trap Gu Tianchao!

This guy's array technique is really superb!

But Chen Ping didn't understand why this guy didn't run away, but waited for him?

"What are you waiting for me for? Do you want to beg me?"

Chen Ping asked!

[The Man Decree] A Man Like None Other Chapter 4086—"Of course I'm not begging you, I just want to do business with you..."

Gu Tianchao said!

"Do business? What business?" Chen Ping immediately became interested!

Although Gu Tianchao was disheveled and scared to the point of peeing, Chen Ping was alert to Gu Tianchao at this time!

Because the expression this guy showed at this moment was not that of a coward!

He became a prisoner and still wanted to do business, which proved that this guy was not simple-minded!

Maybe some of what they had seen before were just appearances!

"I hope you can help me become the leader of Liangyi Sect."

Gu Tianchao said bluntly!

Chen Ping was stunned. This guy was the elder of Liangyi Sect, and now he wanted to be the leader!

But why did he come to him?

"How do you know I can help you? And how do you know I have that ability?"

Chen Ping asked curiously!

"Your array technique is the most awesome I have ever seen, and you will definitely help me because I have this in my hand."

After speaking, Gu Tianchao waved his hand and took out a dark red crystal from the storage space!

When Chen Ping saw the crystal, he was stunned for a moment, because he didn't recognize this kind of crystal!

The aura emitted by this crystal is many times stronger than that of the spirit stone!

"Blood jade? How can this guy have blood jade that is only available in the heaven?"

After seeing the dark red crystal, the Red Cloud Demon Lord was also surprised!

"Senior, what is blood jade? Is it only available in the heaven?"

Chen Ping was immediately excited when he heard about the things in the heaven!

"This is a kind of fairy jade in the heaven. For array masters, this kind of thing is a major resource for comprehending arrays and improving the strength of arrays."

The Red Cloud Demon Lord explained!

There are not many array masters in the heavenly world, and it is impossible to have resources like blood jade, which is only available in the heaven!

Hearing the explanation of the Red Cloud Demon Lord, Chen Ping's face became more and more excited!

"This kind of thing is the treasure of the formation master, and you also know that after breaking through the Tribulation Realm, the cultivator who reaches the Mahayana Realm is already a semi-immortal body, and slowly the spiritual energy in the body will be transformed into immortal energy."

"But when it comes to Ascension, the immortal energy in the body will be very scarce, but with this thing, the formation master can replenish a lot of immortal energy."

"Of course, this kind of thing also requires a high-level formation master to use it. If the level is too low, only the fusion realm, it is completely useless."

Gu Tianchao explained with Chen Ping, but from beginning to end he never told Chen Ping what this thing was called, and where it came from!

"Blood jade, a kind of immortal jade in heaven, the most basic resource for formation masters, it is really good!"

Chen Ping pretended to be calm and said!

Gu Tianchao was stunned, his eyes widened, his face full of disbelief!

“You...how do you know this? This is impossible!”

Gu Tianchao couldn't figure out how Chen Ping knew it!

You know, this kind of thing is only available in their Liangyi Sect. The reason why their Liangyi Sect's formation technique is so powerful is also because of this blood jade!

“I know much more than you can imagine. Although this blood jade is not considered a top-grade fairy jade in the heavenly realm, it is also a treasure in the heavenly realm.”

“Just a blood jade, you want me to help you become the leader of Liangyi Sect, are you thinking too much!”

Chen Ping smiled coldly!

In fact, Chen Ping has already agreed in his heart. With the blood jade, Chen Ping will definitely make rapid progress in formation!

However, Chen Ping cannot show too much excitement. Now it has reached the point of bargaining!

Chen Ping must keep calm at this moment!

Gu Tianchao frowned slightly. Originally, he wanted to brag about this blood jade, let Chen Ping treat it as a treasure, and then use this blood jade to get Chen Ping's help!

[The Man Decree] A Man Like None Other Chapter 4087-But now Chen Ping actually knows this blood jade, and it seems that one blood jade can't satisfy Chen Ping at all!

But Gu Tianchao, as an elder of Liangyi Sect, only has one blood jade!

“Of course not, my blood jade is just a deposit. When you help me become the leader of Liangyi Sect, I can give you ten blood jades, how about that?”

Gu Tianchao asked tentatively!

Chen Ping shook his head: “I feel it's still a bit risky.”

“What do you want? We only have a dozen blood jades in Liangyi Sect. Isn't it enough to give you ten?”

Gu Tianchao was a little anxious!

Seeing Gu Tianchao's look, Chen Ping knew that Gu Tianchao would not lie. It seemed that Liangyi Sect really only had a dozen blood jades!

It's impossible to give him all of them. Ten is already the limit!

So Chen Ping said, "It's not that I want more of this blood jade, I also want to get the essence of your Liangyi Sect's formation."

"Don't tell me that your Liangyi Sect is such a big formation sect, there won't be no essence, right?"

Gu Tianchao heard it and eased a little and said, "So you want our Liangyi Sect's divine runes, you should have said it earlier."

"Yes, I want your Liangyi Sect's divine runes!"

Chen Ping nodded!

In fact, Chen Ping didn't know what the Liangyi Sect's divine runes were. He was just testing it just now. I didn't expect that Gu Tianchao said it himself!

"Okay, I will find a way to introduce you to the ancestor of the divine runes, but whether you can get the divine runes and whether you can condense the divine runes is your own business."

"But I tell you, the divine runes are not so easy to condense, and you may go astray."

Gu Tianchao said!

"Then you don't have to worry about it, you just need to agree to me!"

At this moment, Chen Ping was completely talking nonsense with Gu Tianchao. He looked like he had it all planned out, but in fact Chen Ping didn't know anything now.

"I have a sound transmission jade slip here. When I return to Liangyi Gate, I will notify you when the time is right."

"As long as you help me become the leader of Liangyi Gate, then our Liangyi Gate and your Ziyan Gate will definitely be friends forever and cooperate for mutual benefit!"

Gu Tianchao said excitedly!

"Looking at you, you don't look like a coward. Why were you so scared at that time?"

Chen Ping asked curiously!

Gu Tianchao smiled: "If I show that I am not afraid and am very tough, will you still lock me up?"

"Of course not, I will kill you on the spot. How can I spare someone who threatens me!"

Chen Ping said!

"Hahaha, isn't that right? If I didn't do that, how could we have today's cooperation?"

"I originally came to help Huo Yuanting, and I came here privately, and I also cooperated with Huo Yuanting secretly. He would help me take the position of the leader of Liangyi Gate."

"But who knew that this guy was not competitive and was defeated by you, so I can only come to you to talk."

Gu Tianchao said!

"Aren't you afraid that I won't agree and then kill you?"

Chen Ping was a little curious. This guy could escape but didn't, and waited for him. Isn't he afraid that he would kill him!

"There is no hatred that cannot be resolved by interests. As long as I give you enough benefits, I believe you won't kill me."

"This is how the world of heaven and man is. Benefits are the greatest."

"Now haven't you agreed to me and won't kill me?"

Gu Tianchao said with some pride!

"You are right, you can go now..."

Chen Ping had to admit that this Gu Tianchao did have some brains.

The main reason was that the benefits were too great, especially the blood jade, which was too precious!

After Gu Tianchao handed the blood jade to Chen Ping, he walked out of the dungeon!

Seeing that Gu Tianchao was released by Chen Ping, many people were surprised, but no one dared to say anything!

After all, Chen Ping is now the leader of the Ziyan Sect!

What's more, Chen Ping's strength is obvious to all, and they are all shocked by Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4088-When Chen Ping left the dungeon, the old sect master did not ask about Chen Ping letting Gu Tianchao go. After all, Chen Ping is now the sect master of Ziyamen, and Chen Ping has the final say on everything! Chen

Ping originally planned to return to Huhuang City after learning the art of fire fusion, but now with Gu Tianchao's matter, it seems that he will have to delay for a few days!

However, it is worth staying for a few days to get the blood jade of Liangyimen!

There is another thing, that is, Chen Ping is obsessed with Zhu Ling. If he leaves before sleeping, Chen Ping will be unwilling!

Next, Chen Ping accepted the promotion ceremony, so Chen Ping can't help but be the sect master! Moreover,

Chen Ping also rectified Ziyamen to prevent things like Huo Yuanting from happening again!

And the mess left by Huo Yuanting must also be cleaned up!

Although these people expressed their submission and stayed in Ziyamen, there are also many people with ill intentions among them!

Especially the deacon disciples like Liu Shitong are simply incompetent and shameful of Ziyamen!

So such people must be punished and demoted.

After all, Huo Yuanting has been managing Ziyamen for a while, and many villains who curry favor with the powerful cannot be reused!

Chen Ping followed the old master and asked for advice while making rectifications, which made Ziyamen have a lot of changes in just a few days!

All of this was seen by the old master, and he was happy in his heart!

And Zhu Ling was with Chen Ping every day, strongly supporting Chen Ping!

If someone else was the master, Zhu Ling would resist and oppose it in her heart!

But when Chen Ping was the master, Zhu Ling was very happy. In fact, in Zhu Ling's heart, she had already regarded Chen Ping as her man!

It's just that Chen Ping didn't take the initiative, and Zhu Ling was embarrassed to take the last step!

"Girl, it's been several days, haven't you and Chen Ping cooked rice yet?"

The old master was a little anxious and asked Zhu Ling!

"Father, this... Chen Ping didn't take the initiative, and I, a girl, can't take the initiative!"

Zhu Ling said with a blushing face!

"Girl, what's wrong with you taking the initiative? Happiness depends on your own efforts."

"Today you should take the initiative to go to Chen Ping's room. I will feel relieved only if you two have done it."

The old master urged Zhu Ling!

Zhu Ling nodded. It seemed that she had to take the initiative!

At night, when Chen Ping was lying on the bed and was about to fall asleep, he heard the door being gently pushed open!

Chen Ping knew who it was without looking, so he had been pretending to sleep!

But at this time, Chen Ping's heart was pounding!

No one was with him during this period, and Chen Ping felt a little empty!

Zhu Ling walked to Chen Ping's bed and saw that Chen Ping had fallen asleep, and she seemed disappointed!

After hesitating again and again, Zhu Ling took off her clothes and lay down slowly!

But just as she lay on the bed, Chen Ping suddenly turned over!

Zhu Ling was startled: "You didn't sleep..."

"Senior sister, how can I sleep without you..."

After Chen Ping finished speaking, he kissed Zhu Ling!

Suddenly, as if a spring breeze came overnight, thousands of pear trees bloomed!

That night, Chen Ping was very happy!

But I don't know how many men had sleepless nights!

The goddess in my heart is no longer there!

Zhu Ling was even more charming under Chen Ping's care!

But the next day after Chen Ping slept with Zhu Ling, Chen Ping received Ji Yun's sound transmission jade slip! Only

then did Chen Ping know that Hu Huangcheng was actually broken by the Feng family, but fortunately Huo Feng and the others were fine and fled to the Western Regions!

Otherwise, Chen Ping would immediately start to return to Hu Huangcheng!

But even so, Chen Ping did not intend to let the Feng family go. This Feng family was still the dog and pawn of the Demon Sealing League. Chen Ping also took the opportunity to destroy the Feng family and knock the Demon Sealing League!

Now Chen Ping has reached the sixth level of the Tribulation Realm. Even if he encounters a first-level cultivator in the Mahayana Realm, he is not afraid at all!

However, the most urgent task is for Chen Ping to find resources and improve his strength as soon as possible!

Only when the strength is strong enough, you don't have to be chased by the Demon Sealing League. At that time, you can step on the Demon Sealing League and treat them as ants!

[The Man Decree] A Man Like None Other Chapter 4089-Now Chen Ping has completely controlled Zi Yan Men. If he pushes Gu Tianchao to the position of the leader of Liang Yi Men, Chen Ping believes that Liang Yi Men will also be used for his own benefit!

In addition, there is a Ji family in the Central Region who can help. Chen Ping should have no problem dealing with a Feng family by uniting these people!

Chen Ping can't just run away. When necessary, he also needs to show his strength!

At night, Chen Ping received a notice from Gu Tianchao, telling Chen Ping an address!

Let Chen Ping wait for him at that address!

Chen Ping went there without any hesitation. He was not afraid that Gu Tianchao would deceive him and set an ambush!

Because Gu Tianchao is not stupid, and he is very smart!

So smart people will never do this!

Chen Ping followed the place given by Gu Tianchao and came to a small hill a thousand miles away from Zi Yan Men!

The environment on the mountain is very good, and it is much better than the hot desert land of Zi Yan Men!

When Chen Ping arrived, Gu Tianchao was already waiting for him!

“I have already tried the God Pattern Ancestor, he is unwilling to see outsiders.”

“Now you want to see the God Pattern Ancestor, there is only one way, that is to pretend to join our Liangyi Gate.”

“I can be your guide, with your array technique, it is more than enough to join our Liangyi Gate.”

“You can continue to use the method in Ziyan Gate to help me take the position of the leader of Liangyi Gate!”

Gu Tianchao said!

“Let me join your Liangyi Gate? Won't it be discovered?”

Chen Ping asked curiously!

You know, the people in Liangyi Gate are all array masters. It is very difficult to change their breath and appearance and deceive these people!

“Don't worry, no one dares to be bad with the people I bring, I still have the right to say one thing in Liangyi Gate.”

Gu Tianchao is very confident!

“Then why do you still have to be the leader of this gate?” Chen Ping asked curiously!

“Of course it's for resources. Only when I am the leader of the gate at that time, I have the right to condense the God Pattern and distribute the blood jade.”

“Although I can mobilize anyone in Liangyi Gate now, I can't make the decision on the allocation of resources!”

Gu Tianchao explained!

Chen Ping knew that everything was caused by resources. In the world of heaven and man, resources are the most important!

Even if you can command thousands of troops, it is better to own a large land of resources!

“Okay, I promise you!”

Chen Ping nodded!

Seeing Chen Ping agreed, Gu Tianchao was a little curious and said, “You promised me so quickly. Aren’t you afraid that I will deceive you to go to Liangyi Gate and then arrest you and send you to Fengmo League?”

Now that Gu Tianchao already knew Chen Ping’s identity, Chen Ping still dared to agree, which made Gu Tianchao a little strange!

“Hahaha, you are a smart man, I believe you won’t do this.”

“What’s more, I am absolutely sure that when you try to catch me, I will kill you all.”

Chen Ping laughed loudly, his eyes full of confidence!

Gu Tianchao looked at Chen Ping’s confident look and could only smile bitterly!

He saw Chen Ping defeat Huo Dong with his own eyes, and used the demon soul in his body to defeat Wei Tianya, the leader of the Ghost Face Sect! He

also stepped on Huo Yuanting directly, so that Huo Yuanting dared not make a rash move!

This kind of strength, if you really fight to the death!

They, Liangyi Sect, may not be able to capture Chen Ping, especially when Chen Ping’s formation technique is so powerful!

Thinking back to when his blood-refined cage was forcibly broken by Chen Ping, Gu Tianchao was really scared!

“What I need is the position of Sect Master. As for the hundred-year offering of the Sealed Demon League, I am not interested.” “

You and I are both smart people. We know what we can and cannot ask for.”

“If you insist on asking for something beyond your ability, the result will be like Huo Yuanting and his son, who will end up with nothing.”

Gu Tianchao said with a smile!

[The Man Decree] A Man Like None Other Chapter 4090-Listening to Gu Tianchao's words, Chen Ping was somewhat impressed!

This guy is not only smart, but also contented and knows what he can get!

He can strive for the position of the leader of Liangyi Gate, but Gu Tianchao does not want the hundred-year worship of Fengmo League, and he does not have the strength to ask for it!

"Let's go..."

Chen Ping planned to follow Gu Tianchao to Liangyi Gate!

But as soon as Chen Ping finished speaking, a strange breath suddenly enveloped his head!

Chen Ping was shocked. He was still confident that Gu Tianchao would not dare to deceive him, but he did not expect it to come so soon.

"You dare to lie to me..."

Chen Ping's eyes widened, making Gu Tianchao look confused!

"No, I don't, this is..."

Gu Tianchao's eyes were also shocked. Before he finished speaking, several rays of light quickly hit Gu Tianchao!

Gu Tianchao rolled his eyes and fainted directly!

Chen Ping was also dumbfounded when he saw this scene. He originally thought that it was a formation set up by Gu Tianchao to target him!

However, this formation actually went straight to Gu Tianchao, which made Chen Ping a little confused!

"Who is it? If you have the guts, come out..."

Chen Ping was actually very panicked at the moment. The other party quietly laid a formation above their heads, and they were unaware of it!

What's more terrifying is that Chen Ping couldn't even see the other party's figure!

While speaking, an eye began to appear on Chen Ping's forehead, and the Tianming Eye enveloped the surroundings!

Chen Ping wanted to see what method the other party used to make them invisible!

It shouldn't be a simple invisibility technique. If it is an invisibility technique, there is no way to hide the body's breath! It

can also be detected through the breath. The invisibility technique can only deceive the vision, but it can't hide from the perception of the divine sense!

As he didn't open it, Chen Ping actually found that above his head, a rune with a strange shape was floating. Chen Ping grabbed it with all his strength, and then a fire rose up, turning the rune into ashes!

But when Chen Ping felt strange, after the rune became ashes, the ashes slowly fell and turned into a rune again!

It seems that Chen Ping's ultimate fire just now was wasted, and the rune was not burned at all!

Chen Ping frowned, and his heart became more and more uneasy!

At the same time, a fire rose from his palm and was instantly shot out, and the area within a few feet in front of him was filled with fire.

After the fusion of the ultimate fire, Chen Ping's ultimate fire was much more powerful!

But now it can't even burn a rune, which is too strange!

While shooting the ultimate fire, Chen Ping also became more vigilant!

"You little kid, do you want to burn me to death..."

With the sound of an old voice, all the surrounding ultimate fires were extinguished!

An old man with a hunchback appeared. The old man was wrapped in an orange-yellow clothes, and the clothes were full of runes of various shapes.

"Who are you?"

Chen Ping saw the old man and asked vigilantly!

Chen Ping unconsciously offered the Dragon Slaying Sword in his hand, his eyes narrowed slightly, as if facing a great enemy!

“Don’t be so nervous. If I wanted to kill you, wouldn’t those rays of divine light just now have hit you?”

“I just came to talk to you!”

The old man said with a smile!

Chen Ping still didn’t dare to relax. Seeing Gu Tianchao who had fainted, he asked, “Do you have a grudge against Liangyi Sect?”

Chen Ping thought that the old man was an enemy of Liangyi Sect, so he attacked Gu Tianchao.

“How is it possible? I never make enemies with people.”

The old man said!

Chen Ping retreated as he spoke. The strength of the old man in front of him was indeed unfathomable, and he was a little confused!

Especially the art of formation, Chen Ping knew that he couldn’t draw the rune just now!

No matter who this old man is now, Chen Ping ran away first!

The old man seemed to see Chen Ping’s intention. He waved his hand casually, and the whole mountain was instantly covered by the formation, completely blocking Chen Ping’s escape!
