[The Man Decree] A Man Like None Other Chapter 4091

[The Man Decree] A Man Like None Other Chapter 4091-Seeing that the old man had blocked all the roads around him, Chen Ping's face instantly became extremely ugly!

Since there was no intention, why did he block the road?

"Fire Control Step..."

Chen Ping used the Fire Control Step to escape from here. Even if the roads around him were blocked, the Fire Control Step had the ability to jump through space!

Although Chen Ping's space jump distance would not be too far now, it would still be no problem to get rid of this blockage!

If the distance of this space blockage was very large, then Chen Ping's Fire Control Step would lose its effect!

Fortunately, the old man only blocked this area on the top of the mountain. He didn't expect that Chen Ping also had the Fire Control Step!

Seeing Chen Ping's body suddenly disappear, the old man was obviously stunned.

"It's interesting, he actually has this method!"

After the old man finished speaking, he grabbed it casually!

Countless divine patterns came out from his palm, and then floated around the world!

The whole mountain was shrouded in divine patterns. When Chen Ping's Fire Control Step suddenly flashed out, it suddenly seemed to be pulled by a force.

When Chen Ping appeared, he found himself standing there, and the old man was looking at him with a smile!

This time, Chen Ping was a little confused!

He had just performed the Fire Control Step, so why didn't he move?

"I won't hurt you, why are you running?"

The old man smiled slightly, and then waved his hand casually, and a large number of divine patterns rushed directly to Chen Ping!

Seeing this, Chen Ping's fire in his body instantly surged out, and the whole person became a fire man!

Because both talismans and runes are afraid of fire!

But when those divine patterns encountered Chen Ping's fire, they did not stop at all, and instantly wrapped Chen Ping!

Chen Ping frowned, and under the eyes of Tianming, these divine patterns were all clearly visible, as dense as moths!

Chen Ping pinched his fingers and quickly broke the divine patterns on his body, while constantly retreating!

These divine patterns did not have too strong attack power, and it was also very simple to break!

But such a large-scale divine pattern, densely packed like locusts, even if it was simple, it would be difficult for ordinary people to resist!

Chen Ping's forehead was already covered with cold sweat. Fortunately, with the help of the Tianming Eye, Chen Ping could clearly see the trajectory of the divine pattern!

Chen Ping's speed of attack became faster and faster. In the end, he stood still and waved his hands to create afterimages!

One after another, the divine patterns were broken in front of Chen Ping! The

old man looked at Chen Ping, and his eyes suddenly lit up: "This kid really has some skills. No wonder Gu Tianchao desperately recommended him to me. It's really interesting." After

the old man finished speaking, the yellow robe on his body suddenly flew up, and the complex patterns on the yellow robe instantly turned into a cage, covering Chen Ping directly!

This time, Chen Ping couldn't break the cage anymore!

"Who are you? Why are you trapping me?"

"If you want to catch me, go to the Demon Sealing League to ask for a reward, then forget it. If I get angry, your broken thing can't trap me."

Chen Ping looked at the old man coldly and asked!

Chen Ping just didn't want to use the Red Cloud Demon Lord. If he gave the control of his body to the Red Cloud Demon Lord, how could this cage trap him!

But in that case, Chen Ping himself would also suffer serious injuries, and his physical body might be destroyed directly!

"Hahaha, what a big tone, but I like it."

The old man laughed, waved his hand, and all the divine patterns and the cage disappeared!

Chen Ping was relieved to see that the old man really had no ill intentions!

"Don't you want the essence of the Liangyi Sect's formation? What I just displayed was the essence of the Liangyi Sect. Have you learned it?"

The old man asked with a smile, his mouth slightly raised!

Chen Ping was stunned, and then immediately reacted and said: "Are you the ancestor of the divine pattern of the Liangyi Sect?"

[The Man Decree] A Man Like None Other Chapter 4092- "Yes, I am the ancestor of the divine pattern of Liangyi Sect. This Gu Tianchao recommended you to me and praised you so much that I thought he was just bragging."

"I didn't expect that you really have some skills. Gu Tianchao didn't lie, but he was right about one thing, that is, the essence of our Liangyi Sect's formation cannot be passed on to outsiders."

"But he is not qualified to ask you to worship Gu Tianchao as your master and let him bring you into Liangyi Sect..."

"I can be your master, you just need to worship me now."

The old man said with a smile on his face!

"Since you are the ancestor of the formation of Liangyi Sect, why do you want to attack your own disciples?"

Chen Ping looked at the unconscious Gu Tianchao and asked puzzledly!

"Of course I don't want him to know that we met and talked!"

"I said it a long time ago that I have no interest in you and don't want to see you."

“I can’t slap myself in the face and let Gu Tianchao, this kid, laugh at me!”

The old man explained!

Chen Ping realized that it was Gu Tianchao who mentioned Chen Ping with the ancestor of the divine pattern, and the ancestor of the divine pattern was not interested!

Gu Tianchao then invited Chen Ping, and then explained the situation, thinking that Chen Ping would join Liangyi Sect, and then slowly learn the array pattern!

But who knew that the God Pattern Ancestor had been interested in Chen Ping for a long time, so he came secretly and kept paying attention to them!

Chen Ping and Gu Tianchao didn’t notice it at all, until the God Pattern Ancestor took action, they knew someone was there!

“If you want me to worship you as a master, you must have real skills. As for your means just now, I just don’t want to fight.”

“If I want to use all my means, your so-called God Pattern can’t stop me at all.”

Chen Ping said coldly!

He won’t worship others as a master casually. You must know that Chen Ping still has many means that he hasn’t used yet!

God King Bow, Dragon Pattern Bell, Devouring Beast, God Fire Seal, Fire Spirit...

Nine Shadow Sword Technique, Thunder Palm, Holy Light Fist...

There is also his own time origin, Immortal Finger...

The most important thing is that there is still the big devil, Chiyun Demon Lord, in his sea of consciousness!

Chen Ping did not use these. If it was a real life-or-death moment, Chen Ping would have used all of them!

“You are a kid from the sixth rank of the Tribulation Realm, you are really arrogant.”

“Do you know how many people cried and shouted, kowtowed to me, and worshipped me as their master, but I don’t care. You kid still ask me what real ability I have?”

“Isn’t it the devil soul in your sea of consciousness that you rely on? If I make it impossible for the devil soul to fit with your body, what other means do you have?”

After the old man finished speaking, he lightly tapped his fingers, and a golden spirit rope instantly tied Chen Ping up!

Chen Ping was startled and wanted to break free, but he couldn't break free at all!

"Boy, don't struggle. This old guy has some means. The divine pattern he just used actually has the breath of a master of formations in the heavenly realm."

"No wonder he calls it a divine pattern. Maybe he learned these means from someone in the heavenly realm, or maybe he himself came from the heavenly realm."

The Red Cloud Demon Lord said!

"What? He came from the heavenly realm?" Chen Ping was surprised!

"Maybe his soul fell into the heavenly world and then found a body. This is just a possibility. You don't have to worry too much about it."

"Since this old man has no ill intentions, just follow him!"

Demon Lord Chiyun persuaded Chen Ping!

Chen Ping was speechless. In this situation, he had to leave!

Chen Ping could only follow the old man and leave. Gu Tianchao fainted on the ground, but no one cared!

"Senior, your disciple is still fainted here, don't you care?"

Chen Ping asked!

"He will wake up soon, don't worry..."

The old man didn't even want to care about Gu Tianchao!

[The Man Decree] A Man Like None Other Chapter 4093-Chen Ping could only follow the old man and leave helplessly!

Not knowing where the old man was going to take him, Chen Ping suddenly felt like a fish on a chopping board, and was at the mercy of others!

Soon, they stopped at a shabby thatched hut with three rooms in total, which was even more broken than a doghouse!

The sunlight could shine into the room through the roof!

Walking in, I saw that it was even more shabby inside, and there was no one in it. Is this a place where people can live?

“Senior, you... don’t tell me, you just live here?”

Chen Ping’s face was full of surprise!

After all, this is also the ancestor of the divine pattern of the Liangyi Gate. Not to mention living in that kind of magnificent palace, but at least he has his own mansion!

What does these thatched huts mean?

Is the Liangyi Gate so poor?

“Why? Do you dislike this place being too broken? Let me tell you, the elders and masters of the Liangyi Gate always beg to live here with me.”

“I won’t let them come. I’m so quiet here, and no one disturbs me when I practice.”

“We are all practitioners, don’t care about the external environment!”

said the old man!

It’s okay to not care, but it can’t be so broken?

Chen Ping was speechless!

“Are you going to let me practice with you here?”

Chen Ping said, looking at the simple house!

“No, you practice here by yourself. I have other things to do. How can I accompany you here?”

said the old man!

Chen Ping was anxious when he heard it: “You accepted me as a disciple, but you didn’t teach me. Let me stay here by myself. Are you accepting me as a disciple?”

“Don’t be anxious. Since I accepted you, I will definitely teach you.”

After the old man finished speaking, he took out a little white mouse from his sleeve, stroked it gently and said: “You teach your junior brother well here...”

After speaking, the old man let the little white mouse go!

“Are you kidding me? Let a mouse teach me divine patterns?”

Chen Ping rolled his eyes in anger!

He regretted following the old man!

What is this, letting a mouse teach himself!

“What are you talking about? This is your senior brother. When I was practicing, it was the only one who accompanied me. You can’t compare with the divine patterns it has learned over the years.”

After the old man finished speaking, he said to the little white mouse: “Go and set up the formation around the house. Only when he learns it can he leave here.”

The little white mouse nodded and ran quickly!

Soon, bright divine patterns appeared, and then the whole thatched house was covered by the formation!

Chen Ping was dumbfounded when he saw this!

In this world of heaven and man, you should know that there are very few formation masters, very rare!

But now, a mouse can actually set up a formation!

“You should learn from your senior brother well. Only when you learn and break this formation can you leave this room, otherwise you will be trapped here for the rest of your life!”

After speaking, the old man turned and left!

“Don’t go, I...”

Chen Ping wanted to rush out, but just as he rushed to the door, he was shaken back by a huge force!

Chen Ping looked for the center of the formation and wanted to break the formation and leave!

Let him learn divine patterns from a mouse, isn’t this a joke!

However, Chen Ping tried for a long time but still couldn’t open the formation.

The little white mouse jumped onto the table, squeaking, as if mocking Chen Ping!

“You dare to mock me, I’ll beat you flat...”

Seeing this, Chen Ping slapped the little white mouse with one palm!

But when Chen Ping slapped it, the little white mouse flashed with golden light, and then turned into a middle-aged man in his thirties!

“Junior brother, you dare to attack me, be careful, I will report to the master and make you suffer!”

said the middle-aged man!

Seeing the little white mouse transformed into a human form, Chen Ping quickly stopped. He didn’t expect that the little white mouse could actually transform!

“Senior brother, I’m sorry, I didn’t expect you to be able to transform.”

Chen Ping said embarrassedly!
