

[The Man's Decree]

A Man Like None Other Chapter 4111 -4115

[The Man Decree] A Man Like None Other Chapter 4111-Listening to the words of the formation demon, Chen Ping was very puzzled and said, "Isn't this spiritual wine a good thing for the two seniors?"

After hearing this, the formation demon looked at the ancestor of the divine pattern, and then laughed and said, "Of course this spiritual wine is useless to us. What we need for cultivation is fairy energy, not spiritual energy."

"Although the spiritual energy in this heavenly world is abundant, the fairy energy is very scarce, otherwise the two of us would not have been trapped in the heavenly world for so many years."

After hearing this, Chen Ping was sure that the two people were from the heavenly world!

However, although there is not much fairy energy in this heavenly world, Chen Ping has encountered a lot of it, especially at the ruins of the Wuji Holy Sect, there is also fairy spirit liquid!

That is a pool of fairy spirit liquid. If it is given to two people, wouldn't they be crazy with joy!

It's a pity that in the end Chen Ping didn't get the fairy spirit liquid, and they were all absorbed by the leader of the Wuji Holy Sect!

"Boy, your talent is the best I have ever seen. If you practice hard, you will definitely become a great master of formation in the future."

"But on the road of practice, remember not to be impatient, you need to progress slowly."

"Although you don't worship me as your master, I will also teach you all the divine patterns I have learned."

"If you don't understand anything, you can ask at will."

The ancestor of the divine pattern said to Chen Ping.

"I can't teach you the magic pattern for the time being. Wait until you have mastered the divine pattern completely, and then come to learn the magic pattern from me. Anyway, we will not leave this place!"

The formation demon also spoke to Chen Ping!

“Thank you, two seniors, I just have one thing I don’t understand. I don’t know why the two seniors are trapped in the world of heaven and man?”

Chen Ping was very curious. How could two people from the heaven be trapped?

Like the Red Cloud Demon Lord, his physical body was destroyed, and the remaining remnant soul hid in the world of heaven and man, and there was no way to return to the heaven!

There are also the Blood Demon, the Wind Demon, and others, who are also suppressed by the remaining remnant soul!

But looking at the array demon and the ancestor of the divine pattern, the two did not look like the bodies seized by the residual soul. If it was the real body, how could they be trapped?

The ancestor of the divine pattern knew what Chen Ping meant, so he smiled bitterly and said, “There are more than just the two of us trapped in the world of heaven and man. There should be many people in the heaven.”

“The war between gods and demons back then was extremely cruel. Many immortals and demons fell, and many great beastmen also died tragically in the world of heaven and man.”

“I don’t know how many people died in this world of heaven and man. You can imagine how many people in the entire universe have fallen for this.”

“We were also seriously injured in the war that year, and someone set up a great formation of heaven and earth in the world of heaven and man, making it impossible for everyone in the heaven to return to heaven.”

The ancestor of the divine pattern explained!

“Senior, what is the matter with the war between gods and demons? And who set up this great formation of heaven and earth?”

“You should know that these trapped people are both immortals and demons. If it was a powerful demon who set up the great formation of heaven and earth, he couldn’t have trapped even his own demons, right?”

“But if it was done by a certain immortal, why did he seal these immortals?”

Chen Ping was very curious, who did it!

Could it be that the person who set up the great formation of heaven and earth does not belong to either immortal or demon?

Or maybe this person is the one who provoked the war between gods and demons and created turmoil. He does not belong to any party, but just uses this to reshuffle the heavens!

“How can I know who it is? As for what the war between gods and demons is about, I can’t explain it clearly, but now that I think about it, the war between gods and demons is more like a conspiracy.”

“It’s a pity that so many years have passed. Even if it is a conspiracy, what can we do? Now we can’t even go back to heaven.”

“Only by breaking this great formation of heaven and earth can we have a chance to return to heaven.”

The ancestor of the divine pattern said.

“Then who can break this great formation of heaven and earth?”

Chen Ping asked!

“You, your future you, you can’t break it now, but you will definitely be able to break it in the future...”

The Divine Pattern Ancestor pointed at Chen Ping and said!

[The Man Decree] A Man Like None Other Chapter 4112-Chen Ping was speechless for a moment when he listened to the words of the God Pattern Ancestor. He didn’t expect that the God Pattern Ancestor’s evaluation and expectations of him were so high!

Chen Ping himself didn’t have such great confidence, but even if Chen Ping didn’t break the great formation of heaven and earth, as long as he cultivated to the realm of immortality, he could ascend to heaven!

It’s just that these people trapped in the world of heaven and man, they can’t return to heaven, and they can’t use cultivation to improve their realm and then ascend!

So Chen Ping didn’t have to break the great formation of heaven and earth!

It’s just that he accepted the divine pattern of the God Pattern Ancestor, and he also condensed the magic pattern of the array demon. Now if he says that he can’t do it and can’t break the great formation of heaven and earth, Chen Ping feels a little sorry!

“If I have this ability in the future, I will break this great formation of heaven and earth and let the two predecessors return to heaven.”

Chen Ping had to agree temporarily!

“You can, if you are willing to wait.”

“But this matter of breaking the great formation of heaven and earth, you have to be willing to do it. We will not force you. After all, this involves the affairs of the entire heaven and human world.”

“And it may also affect your cultivation and ascension, but there is one thing, if you really break the great formation of heaven and earth, after you ascend to heaven, I think many people will be grateful to you.”

The ancestor of the divine pattern said!

“Senior, don’t worry, I am willing. When my strength is improved, I will come to the senior of the formation demon to learn the magic pattern. At that time, I will find a way to break the great formation of heaven and earth and give you freedom.”

Chen Ping said solemnly!

“Hahaha, okay, the old man is waiting for you...”

The formation demon laughed!

“Senior, I still have things to deal with, so I can’t stay here with you, and I can’t learn all the divine patterns and leave.”

“I also hope that the senior can show me mercy and let me leave!”

Chen Ping prayed to the ancestor of the divine pattern!

If I really practice all the divine patterns, I don’t know when I will be able to do it!

“Of course you can. I’ll let Bai Ju take you out. Also, let Bai Ju do what you promised Gu Tianchao.”

“It’s just that Gu Tianchao has bad behavior and is not suitable to be the leader of Liangyi Sect. Let him be the deputy leader, and you will be the leader.”

“When you are not here, Gu Tianchao will manage Liangyi Sect, so that we can have some control over him.”

The ancestor of Shenwen said to Chen Ping!

Chen Ping knew that the ancestor of Shenwen knew everything, so he didn't know what to say. He let him be the leader, and he would be the leader. Anyway, he didn't have to stay here to manage!

The management was still handed over to Gu Tianchao. There was no difference between Gu Tianchao, the deputy leader, and the leader!

"Everything is up to the senior, but Senior Brother Bai has never left this place. Can he take me out?"

Chen Ping was puzzled. You know, Bai Ju said that he had never left here!

"He just doesn't want to go out. He has been hiding in this small world to practice. I don't control him."

"Whenever he wants to go out, he can go out at any time. He has also been to Liangyi Gate many times. People from Liangyi Gate who want to see me are all brought in by him."

The God Pattern Ancestor said!

Chen Ping was speechless when he heard it!

It feels like Bai Ju has been talking for a long time. He doesn't want to leave here at all. At that time, Chen Ping felt sorry for this guy. Now think about it, he really worried about nothing!

"Thank you, senior..."

Chen Ping stood up and prepared to leave here!

But just when Chen Ping turned around, the God Pattern Ancestor spoke again: "Don't take all the blood jade. The remaining two, we two brothers will recover."

"We won't fight anymore in the future. We will just wait quietly for you to break the heaven and earth formation and return to the heaven."

Chen Ping blushed when he heard it. He promised Gu Tianchao just for the blood jade of Liangyi Gate!

Now that the God Pattern Ancestor said it directly, he was a little embarrassed!

[The Man Decree] A Man Like None Other Chapter 4113—"I understand!"

Chen Ping nodded!

After Chen Ping walked out of the thatched hut, Bai Ju grinned at Chen Ping and said, "Junior brother, come with me..."

Bai Ju took Chen Ping to Liangyi Gate!

The God Pattern Ancestor and the Array Demon continued to drink!

"Senior brother, how long do you think it will take for this kid to break the great array of heaven and earth and let us return to heaven?"

The Array Demon asked the God Pattern Ancestor!

The God Pattern Ancestor slowly stretched out a finger and did not speak!

"One hundred years?" The Array Demon seemed surprised: "This is impossible. This guy probably won't be able to get through the Tribulation Realm in a hundred years. How can he break this great array of heaven and earth?"

"Not a hundred years..." said the God Pattern Ancestor!

"That's a thousand years?"

The Formation Demon calmed down: "A thousand years is possible, but even if we two brothers continue to waste time here, when we return to the heaven, the entire heaven will probably have changed." "

Those old guys who are with us have been practicing for thousands of years, so their strength is probably much higher than ours. We will inevitably be ridiculed by then."

"Hahaha, junior brother, why are you so pessimistic? Can't it be just one year?"

The ancestor of the Divine Pattern laughed!

"One year?" After hearing this, the formation demon hurriedly shook his head and said, "Stop it. How can this kid break the great formation of heaven and earth in one year? It's absolutely impossible."

"Junior brother, don't you realize that this kid's identity is very unusual?"

"Don't you think about it? A sixth-grade cultivator in the Tribulation Realm can kill a cultivator in the Mahayana Realm, and he has the aura of three clans in his body."

"He is such a small cultivator, but he has a vast origin space and has mastered several kinds of fire. In just a few days, he condensed his life-defining divine pattern, and learned several kinds of divine pattern in a few hours."

“Your magic pattern is also condensed in a moment, and it can also make the divine pattern and the magic pattern have a connection with each other.”

“Don’t you think about why there are so many strange performances?”

The ancestor of the divine pattern said!

“Why?” The formation demon asked curiously!

“You guys, you don’t use your brain at all. Now he has condensed his life-defining magic pattern. You can find out by yourself if you check it out.”

The ancestor of the divine pattern smiled!

“Don’t tell me, I really haven’t checked this guy.”

After the formation demon finished speaking, he lightly pointed his finger at the void, and a magic pattern flashed!

In just a moment, the formation demon’s eyes widened, and the wine glass in his hand fell to the ground with a bang!

“Master... Senior Brother, he... He turned out to be the real body of the golden dragon, the son of the dragon...”

“Is he the child of that person?”

The formation demon said in horror.

“That’s right, so I said that in one year, this great formation of heaven and earth may be broken.”

The ancestor of the divine pattern nodded and said!

After a long pause, the Array Demon said excitedly, “Hahaha, maybe in less than a year, half a year, we can return to the Heaven.”

“We two still want to accept him as a disciple, this is really embarrassing, if the bastards in the Heaven know this, I’m afraid they will laugh at us for the rest of our lives!”

“If he hadn’t condensed his own divine pattern, I wouldn’t have used it to investigate, who would have thought of his identity?”

“Now his identity is hidden very deeply, I don’t think many people can see it, so we must keep this secret.”

The God Pattern Ancestor said!

“Brother, don’t worry, we stay here all day, and it’s impossible to tell others.”

“With an identity like his, the stronger the strength, the deeper the identity is hidden. I’m afraid he will only be exposed at the end.”

“A small place like the Heaven Realm actually hides the Son of Dragon.”

The Array Demon sighed!

“Maybe he doesn’t know his true identity himself, so the two of us will wait slowly.”

The God Pattern Ancestor smiled faintly!

The Array Demon and the God Pattern Ancestor clinked their glasses and drank more happily!

[The Man Decree] A Man Like None Other Chapter 4115-Gu Tianchao is not stupid, on the contrary, he is very smart and flexible, otherwise he would not have coveted the position of the sect master!

Now that Chen Ping is missing and no one is helping him, Gu Tianchao knows that he will never be the sect master, so he can only flatter Peng Wu!

As the saying goes, a real man can bend and stretch, at most he can look for an opportunity in the next twenty years!

Seeing that Gu Tianchao is so sensible, Peng Wu will not pursue anything!

If Gu Tianchao dares to behave a little bit wrong today, Peng Wu will take action!

“Okay, go back and prepare well, and remember not to let down the chain when you recommend it.”

Peng Wu waved his hand, intending to let Gu Tianchao go back!

But at this moment, a disciple of the Liangyi Sect hurriedly walked into the hall and said, “Master, Master Bai is here...”

“What? Master Bai is here? Does the God Pattern Ancestor have any instructions?”

Seeing this, Peng Wu hurriedly got up to greet him, and others did not dare to neglect it!

You must know that Bai Ju is the disciple of the God Pattern Ancestor, and the Liangyi Sect was originally founded by the God Pattern Ancestor!

If all of them want to see the ancestor of the divine pattern, they must go through Bai Ju, so these people dare not offend Bai Ju!

Gu Tianchao also followed Peng Wu to welcome Bai Ju!

But just when he arrived at the gate of the Liangyi Sect, Gu Tianchao was stunned, because he saw that Chen Ping was actually with Bai Ju!

Peng Wu and others didn't know Chen Ping. When they saw Bai Ju coming with a young man, they hurried forward and said, "Master Bai, how come you have time to come here?"

"Is this person arranged by the ancestor? I'll find a place for him right away."

"Master Peng, this person was indeed arranged by my master, so he asked me to bring him here."

Bai Ju said!

"I'll arrange it right away." After Peng Wu finished speaking, he looked at Chen Ping and said very politely: "Brother, I'm Peng Wu, the master of the Liangyi Sect."

"My name is Chen Ping..."

Chen Ping also introduced himself!

"Chen Ping?" Peng Wu was slightly stunned. He felt that the name was a little familiar, but he couldn't think of it for a while!

But since it was someone introduced by the ancestor, he must pay attention to it!

"Brother Chen Ping, since the ancestor arranged you here, you must have some skills. You should be an elder in Liangyi Sect first."

Peng Wu felt that it was good to arrange an elder for Chen Ping, after all, Chen Ping was so young!

Chen Ping just smiled and didn't say anything, but Bai Ju spoke up!

"Master Peng, the ancestor asked him to be the master, not an elder."

Bai Ju said!

"Master?" Peng Wu was stunned and said in disbelief: "Master Bai, I am still the master of Liangyi Sect. How could the ancestor suddenly arrange a master?"

“It has never been like this for so many years. After a few days, everyone will start to recommend. Isn’t it whoever has the highest recommendation who will be the master?”

“The ancestor has never appointed a master. This is not the ancestor’s style.”

Peng Wu was very suspicious. After all, Chen Ping was so young, and for so many years, the ancestor of Shenwen had not intervened in the selection of the master of Liangyi Sect!

So why did he suddenly send a master this time?

“What? Do you mean to say that I am lying?”

Bai Ju said coldly!

“I dare not!” Peng Wu shook his head and said, “It’s just that the ancestor has never done this before, so I need to ask the sect master in person.”

“No need to ask, I am conveying my master’s meaning. He is qualified to say who will be the sect master of Liangyi Sect.”

“You have been the sect master of Liangyi Sect for many years. You have privately cultivated forces, formed cliques and factions, and directly undermined the sect master recommendation system. Don’t think that the master doesn’t know.”

“Back then, the master established this system in order to select geniuses in formation and train them. However, you occupied the position of the sect master of Liangyi Sect and relied on various means to undermine the recommendation system. Now I ask you to step down. Are you dissatisfied?”

Bai Ju looked at Peng Wu with a grim face and asked!
