[The Man Decree] A Man Like None Other Chapter 4151

[The Man Decree] A Man Like None Other Chapter 4151-You know, the larger the area under jurisdiction, the more resources you can get!

With the profit-seeking character of the people in the Tianren Realm, if there is no absolute strength to protect such a large area, it will definitely be eaten away!

"I don't know about this, but many years ago, Xiao Yuanshan broke through to the Mahayana realm in just a hundred years and became the youngest genius in the Tianren Realm."

"I heard that his son's talent is higher than Xiao Yuanshan, but he didn't want to get this disease."

Chen Wenliang said!

Chen Ping thought, this Xiao Huangchao who suddenly appeared seemed to be very powerful. If he really couldn't cure it, it would be difficult to run away!

"Look, what is that..."

Suddenly, someone shouted!

Everyone looked towards the horizon, only to see a strange light coming rapidly!

Soon, as the light kept approaching, everyone discovered that three flying tiger monsters like mountains were pulling a huge chariot and were coming rapidly! The

one driving the three flying tiger monsters was Xiao Yuanshan who had just left!

On top of this chariot, there is an iron cage made of hard black iron, each of which is one meter thick!

And there are dozens of iron chains around the iron chains, and the ends of the iron chains are all tied to a man!

The man's eyes are scarlet and his teeth are sharp, like a devil!

The entire chariot is shrouded in formations, and colorful lights are flashing around!

"Is the person in this cage Prince Xiao? I heard that Prince Xiao used to be a romantic and suave man, how come he has become like this now?"

“Too scary, like a devil...”

“No wonder Xiao Yuanshan took out treasures like immortal bones as a reward and wanted to save his son. What has he become?”

Seeing this scene in front of them, everyone couldn't help but whispered!

“Ouyang Wufeng of Medicine God Island, pays homage to Emperor Xiao...”

Seeing Xiao Yuanshan's real body coming, Ouyang Wufeng hurried forward to salute!

Xiao Yuanshan just hummed casually, put his eyes on Chen Ping, and then said: “Little pharmacist, I brought my son here, you can treat him.”

“As long as you cure my son, not only can I give you the immortal bone, but you can also become a guest of honor in my Xiao Dynasty.”

Chen Ping glanced at Xiao Feng in the iron cage, and then said: “I need to go forward and check it myself to find the root cause.” “

No problem, but my son has an unstable temperament, you need to pay more attention.”

“I will open the iron cage and guard it aside, you must not irritate him.”

After Xiao Yuanshan finished speaking, he was about to remove the formation around the iron cage!

“No need to remove the formation. If your son becomes manic, without the control of the iron cage and the formation, many pharmacists here will suffer.”

Chen Ping stopped Xiao Yuanshan and said!

“If you don't remove the formation, how can you go up to check it?”

Xiao Yuanshan was stunned!

“I have my own way...” Chen Ping walked in front of the iron cage, took a look at the formation, and gently pressed his palm on it!

The formation was accompanied by a tremor, and it slowly disappeared!

After Chen Ping got on the carriage, the formation miraculously reappeared!

Seeing this scene, everyone's eyes widened, their faces full of disbelief!

You know, they are all pharmacists here, how can anyone know the art of formation!

Chen Ping is also a pharmacist, but he didn't expect to know the formation, and he could open and close the formation so easily!

Seeing this, Xiao Yuanshan frowned and his face became a little ugly!

It is true that every profession has its own specialties. Now Chen Ping has shown a strong ability in formation, which means that his medical skills must not be very good!

But there are very few people who have mastered both the art of formation and medical skills!

The more powerful the formation art Chen Ping shows now, the more disappointed Xiao Yuanshan is!

What he wants is a pharmacist who can treat his son, not a formation master!

[The Man Decree] A Man Like None Other Chapter 4152-At this moment, Chen Ping looked at Xiao Feng inside the iron cage!

Xiao Feng raised his head slightly to look at Chen Ping, and then lowered his head again!

At this time, Xiao Feng was conscious and had no symptoms of mania and bloodthirstiness!

His expression looked very haggard. After all, no one would feel too good if they were locked up like this!

"Daoyou, can you release the breath in your body and don't suppress it deliberately, so that I can better check the cause."

Chen Ping said calmly to Xiao Feng in the iron cage!

Xiao Feng raised his head again, and said with a bit of pity in his eyes: "Boy, don't waste your energy. While I don't want to kill anyone now, you may still have a chance to survive."

"I advise you to leave. My illness is not something you can treat."

"Since I have unveiled the list, I must treat you, otherwise my cultivation will be wasted."
Chen Ping

shook his head!

“You can still live if your cultivation is wasted, but if you treat me, you will die...”

Xiao Feng said!

“No need to say more, I believe that you are also very painful to suppress, just treat it as an indulgence, kill me, I will not blame you!”

Chen Ping can see that Xiao Feng is very painful to suppress the mania in his body!

However, Xiao Feng’s suppression makes it difficult for Chen Ping to analyze the real cause of the disease!

“Hey...”

Xiao Feng sighed, and the breath in his body began to slowly emanate!

At this time, Chen Ping felt that Xiao Feng’s breath was very majestic, worthy of being a genius!

Even in this situation, the slightly emitted breath makes people’s scalps numb!

Even if separated by iron cages and formations, those pharmacists feel this breath, like there are mountains, constantly exerting pressure on the body!

“You check, but I still advise you to hurry up, and another point is not to touch me, but before you check, I want to ask you for something!”

Xiao Feng said softly to Chen Ping!

“What is it?” Chen Ping was a little surprised. He didn’t understand what Xiao Feng would ask him for!

“After the examination, give me a poison pill and let me die. I don’t want to live like this anymore.”

Xiao Feng’s voice was like a mosquito, and only Chen Ping could hear it!

Chen Ping was stunned, then smiled slightly and said, “How can you be sure that I can’t cure you?”

“Can’t cure it!” Xiao Feng shook his head: “I have been treated by more than a dozen pharmacists, and all of them died without exception.”

“I don’t want to kill people casually anymore, and I don’t want to live in this cage forever. I beg you, give me a poison pill and let me die decently.”

Although Xiao Feng's eyes were scarlet, he was very sincere and didn't say it casually!

"Okay, I promise you, if I can't cure you, I will give you a poison pill."

Chen Ping nodded!

Xiao Feng laughed, with a smile on his pale face: "Thank you..."

Chen Ping condensed his spiritual energy, and then formed a white spiritual mist, which directly drilled into Xiao Feng's body!

It only took a few breaths for Chen Ping to jump off the frame!

Xiao Feng was stunned, and his brows frowned slightly!

Xiao Yuanshan's face was grim. Seeing that Chen Ping had finished the inspection in just a few moments, his trust in Chen Ping weakened even more!

Especially the conversation with Xiao Feng just now. Although the two people spoke in low voices, Xiao Yuanshan heard them all.

The reason why Xiao Yuanshan didn't say anything was that he was waiting. He wanted to see what Chen Ping would do!

If Chen Ping really dared to poison his son, he would kill Chen Ping without hesitation!

Chen Wenliang and others were also a little curious when they saw that Chen Ping just checked it and was not careful at all!

"Where did this guy, a pharmacist, come from? It's fine if he just took the list, but he didn't even check it carefully. Is he kidding with his own life?"

"Young man, you are too pretentious. It won't be long before he cries."

"Every year, people die because of pretentiousness, but this guy is probably the first one who dares to pretend in front of Emperor Xiao."

Everyone talked about Chen Ping, and they were all sarcastic!

[The Man Decree] A Man Like None Other Chapter 4153-Even Ouyang Wufeng shook his head slightly, thinking that Chen Ping was too perfunctory!

Zhong Qing sighed lightly: "Very good seedling, but it's a pity that he doesn't know how to be low-key."

Zhong Qing can see that Chen Ping is very talented, but it's a pity that he is too pretentious. Such a good talent is wasted!

Liu Ruyan and Nie Heng were nervous. Seeing Chen Ping jumped off the frame, they all went to meet him!

If someone attacked Chen Ping, they would protect Chen Ping at all costs!

"Chen Daoyou, don't you need to check it in detail?"

Chen Wenliang came over and said to Chen Ping!

"I checked it and already know the cause of his illness. There is no need to check it more."

Chen Ping smiled slightly!

"In such a short time, you found out the cause of the disease?"

Chen Wenliang felt very incredible!

It took only a few breaths for Chen Ping to know the cause of the disease!

"President Chen, as a pharmacist, you should understand that seeing through the cause of the disease is not about the length of time."

"The more you see through the cause of the disease at a glance, the more you are absolutely sure of the treatment!"

Chen Ping said!

"That's right!" Chen Wenliang nodded: "Fellow Daoist Chen, do you need my help? This time I came to participate in the Pharmacist Conference, I brought a lot of immortal herbs and elixirs. If you need them for alchemy, I can give them to you!"

"Thank you, President Chen, I have some on me, enough, just find me a secluded place for me to make alchemy."

Chen Ping said!

"That's easy!" After Chen Wenliang finished speaking, he looked at Su Tianshuo and said: "President Su, I hope you can let your Pharmacist Association's alchemy room go and let Fellow Daoist Chen use it!"

"No problem..." Su Tianshuo nodded!

Seeing that Chen Ping was so confident, Xiao Yuanshan asked: "Little brother, what is the cause of my son's illness? More than a dozen pharmacists have come to see him, but no one can explain it clearly."

"Xiao Huang, I'm sorry I can't tell you now. I will tell you naturally after your son is cured."

Chen Ping kept it a secret and didn't tell Xiao Yuanshan!

Xiao Yuanshan was slightly stunned, and then nodded and said, "Okay, then I'll wait..."

"Chen Ping, are you sure?"

Liu Ruyan asked worriedly!

"Don't worry, you wait for me here, I never do anything I'm not sure of!"

Chen Ping gently stroked Liu Ruyan's head!

Under the leadership of Chen Wenliang, Chen Ping entered the alchemy room of the Western Region Pharmacist Association!

Then the heavy iron door was closed, so that outsiders could not spy on Chen Ping's alchemy!

After all, alchemy is also the secret of every pharmacist, and they don't want to be seen!

Sitting in the alchemy room, Chen Ping sacrificed the Shennong Ding and began to prepare the elixir!

"Boy, let me tell you, this guy is not possessed by a demon soul. His manic and bloodthirsty disease is not caused by a demon soul."

The Red Cloud Demon Lord said to Chen Ping!

The Red Cloud Demon Lord can't see a doctor, nor does he know any medical skills, but he can detect whether there is a demon soul in Xiao Feng's body!

Many people who are possessed by demon souls will suddenly become manic and bloodthirsty, and the whole person has changed!

"Of course I know. If it was just a demonic possession, it wouldn't take so many years for no one to see through it!"

Chen Ping smiled slightly!

“Then tell me, what disease does this guy have?” The Red Cloud Demon Lord was also very curious!

What kind of disease can make a person suddenly sober and suddenly become manic and bloodthirsty?

“Heart disease...”

Chen Ping smiled slightly!

“Heart disease?” The Red Cloud Demon Lord was stunned: “What do you mean?”

“It doesn’t mean anything, it’s just a heart disease. This Xiao Feng is not physically ill, but has a heart disease.”

“He is disturbed by the demon in his heart, which causes mental disorder, so that sometimes he is sober, and sometimes he is manic and bloodthirsty.”

“This disease is also called intermittent psychosis...”

Chen Ping said!

[The Man Decree] A Man Like None Other Chapter 4154-“Mental illness?” The Red Cloud Demon Lord was stunned. He didn’t know what mental illness was at all!

After all, as a person in the heaven, both his consciousness and his sea of consciousness were very huge, so it was impossible for him to have any mental illness!

Even ordinary cultivators could not have mental illness, after all, every cultivator would cultivate his own consciousness.

Mental illness only occurs in ordinary people, and only in the secular world!

Many mental illnesses are caused by a direct collapse under mental pressure!

That’s because ordinary people have never cultivated their consciousness and can’t resist the pressure!

It’s impossible for a cultivator

to have mental illness! But now Chen Ping actually diagnosed a Mahayana cultivator like Xiao Feng with mental illness!

If other pharmacists were here, they would definitely scold Chen Ping to pieces!

Chen Ping began to refine pills, and soon two pills slowly rose from the Shennong Ding!

One white and one black, they were pills of different colors!

“Two kinds of pills, does that mental illness you are talking about need to be treated with two different pills?”

The Red Cloud Demon Lord asked curiously!

“Of course not, only one is needed, but both are effective, it depends on his choice!”

Chen Ping smiled slightly!

Put away the Shennong Ding, and slowly open the door of the alchemy room!

Everyone’s eyes are focused on Chen Ping!

“Fellow Daoist Chen, how is it?”

Chen Wenliang asked!

“I have already refined the elixir, and now I can give it to Prince Xiao to take!”

“My elixir, the medicine will cure the disease...”

Chen Ping said confidently!

“Okay, then go and let Prince Xiao take it.” Seeing Chen Ping so confident, Chen Wenliang asked Chen Ping to quickly give the medicine to Xiao Feng!

But when Chen Ping walked towards Xiao Feng, he was stopped by Xiao Yuanshan!

“Wait, I want to check the elixir you refined before you give it to my son.”

Xiao Yuanshan was afraid that Chen Ping would really refine a poison pill for his son!

“No problem!” Chen Ping took out the two pills he refined!

Xiao Yuanshan was not a pharmacist, so of course he could not check it. So he looked at Su Tianshuo and Ouyang Wufeng on the side and said, “President Su, Mr. Ouyang, please identify the ingredients of this pill.”

The two were flattered by Xiao Yuanshan’s invitation and immediately came up!

The reason why Xiao Yuanshan did not let Chen Wenliang identify it was that he saw that Chen Wenliang was familiar with Chen Ping and was afraid that Chen Wenliang would not tell the truth!

Su Tianshuo and Ouyang Wufeng looked at the two pills, one white and one black!

Then they sniffed hard, and explored with their spiritual sense for a long time!

In the end, the two people's faces became full of doubts, and they looked at each other!

"You two, what are the ingredients of these two pills, can they cure my son's illness?"

Xiao Yuanshan asked!

Ouyang Wufeng licked his lips, looking like he wanted to say something but stopped!

Su Tianshuo on the side said, "Emperor Xiao, these two pills are not for treating manic bloodthirstiness."

"This white pill contains the ingredient of forgetfulness grass, which can cause amnesia and make people forget everything."

"And this black pill is a poison pill, and it is a high-level poison pill. After taking it, thousands of ants will bite your heart and you will die in pain!"

As soon as Su Tianshuo finished speaking, a violent aura burst out from Xiao Yuanshan's body. Chen Ping was caught off guard and was directly knocked out by this terrifying force!

The others were also confused and didn't understand what Chen Ping was doing. Even if there was no way to cure it, you couldn't give people poison pills?

And this is the prince of the Xiao Dynasty. Giving him poison pills, isn't this pure death?

"Poison pill? How is it possible?"

Chen Wenliang didn't believe that Chen Ping could refine poison pills, so he also came over to check!

Even Zhong Qing jumped forward and looked at the two pills carefully. After all, who would believe that someone would dare to give poison pills to the prince of the Xiao Dynasty at this time!

[The Man Decree] A Man Like None Other Chapter 4155-After the inspection, Zhong Qing also looked at Chen Ping in disbelief!

Chen Wenliang frowned and said in disbelief: "Friend Chen, did you make this pill wrong? How did you make a poison pill?"

“This pill is extremely poisonous. I’m afraid there is no medicine to cure it. You actually used a poison pill for Prince Xiao. What is your intention? Do you want to put many of our pharmacists into an unkind and unjust place and let the people of the Xiao Dynasty hate us forever?”

Su Tianshuo glared at Chen Ping and asked loudly!

Wow!

When they heard that it was really a poison pill, all the pharmacists were shocked. They didn’t understand what Chen Ping was doing?

If you can’t cure the disease and don’t see through the cause of the disease, then just make some insignificant pills to take. If you can’t cure it, you can’t kill people!

What is the purpose of refining a highly poisonous pill?

Is Chen Ping having a grudge with the people of the Xiao Dynasty?

Xiao Yuanshan’s face was extremely ugly, with a strong murderous intent in his expression!

Although he overheard the conversation between his son and Chen Ping, he never expected that Chen Ping would dare to refine poison pills for his son!

“Boy, what is your intention?”

Xiao Yuanshan asked Chen Ping coldly!

“Intention?” Chen Ping smiled slightly: “Of course I want to cure your son’s illness, this is my intention.”

“Humph, you refine poison pills for my son, and you dare to say it’s for treatment?”

“I think you just want to harm my son. Although I, Xiao Yuanshan, never kill innocent people, you must die today!”

Xiao Yuanshan’s face was full of anger, and the terrifying murderous aura on his body was permeated!

The faces of the people around all changed drastically, and they all fled to the distance!

“Emperor Xiao, I think Chen Daoyou must have made a mistake. He has no reason to harm Prince Xiao.”

“There should be some misunderstanding here, right?”

Seeing this, Chen Wenliang hurriedly persuaded Xiao Yuanshan!

With Xiao Yuanshan's strength, I'm afraid that Chen Ping will be wiped out with a slight wave of his hand!

"Father, this is my idea. It has nothing to do with other people, let alone this little pharmacist. Don't kill him."

At this time, Xiao Feng in the iron cage spoke!

The poison pill he asked Chen Ping to refine was now discovered by his father. He wanted to kill Chen Ping, so he couldn't just sit back and watch. He had to tell the truth!

When everyone heard what Xiao Feng said, they were all stunned, and then they understood what was going on!

No one thought that this was actually Xiao Feng's own request!

It seems that Xiao Feng was also tortured and wanted to die!

After all, being locked in an iron cage and chained, what's the point of living like this for a lifetime!

It's better to die!

It is estimated that Chen Ping couldn't cure Xiao Feng at all, and Xiao Feng had this request, so Chen Ping agreed!

"Son, why are you so stupid? I've said that I will definitely heal you no matter where you are."

"You just lost your freedom temporarily, why are you looking for death?"

"Even if you asked for it, this kid actually dared to refine a poison pill for you, I can't let him go!"

Xiao Yuanshan certainly knew that it was his son's request. After all, he heard the conversation between Chen Ping and Xiao Feng clearly!

"Father, if you really feel sorry for me, let me die. I'm really in so much pain, so much pain..."

Xiao Feng said with a painful expression!

Then, Xiao Feng's eyes suddenly turned blood red, and he suddenly opened his mouth wide, and the breath on his body burst out instantly!

A shrill roar came out of his mouth!

The whole person fell into madness and kept shaking the iron cage!

“Let me out, let me out...”

Xiao Feng roared, the whole person was like a monster!

Seeing this scene, everyone was shocked. They didn't expect Xiao Feng to be so terrible when he was sick!

[The Man Decree] A Man Like None Other Chapter 4156-Xiao Yuanshan was also distressed when he saw his son like this, but he had no choice but to step forward and pull the chain hard!

He couldn't let Xiao Feng break free, otherwise all the pharmacists here would be in trouble!

“Son, calm down, calm down...”

Xiao Yuanshan comforted Xiao Feng!

“Father, let me die, die, I really feel so uncomfortable...”

Xiao Feng tried his best to suppress his mania and begged Xiao Yuanshan!

But as soon as he finished speaking, he immediately changed his face and began to struggle desperately!

After an incense stick of time, Xiao Feng slowly calmed down, and the whole person had already shown signs of collapse!

Xiao Yuanshan looked at his son, feeling both distressed and helpless!

But he had no way out!

“Father... please... please... let me die, I'm really in pain!”

Xiao Feng begged Xiao Yuanshan!

It's too difficult to live at this time, and death is a relief!

Xiao Yuanshan looked at his son, and tears slowly flowed out. Although he was the Xiao Emperor of the Xiao Dynasty, he was above all others, but he couldn't even save his own son!

This helplessness made Xiao Yuanshan look much older in an instant!

Xiao Yuanshan glanced at Xiao Feng, and slowly walked towards Chen Ping. Although there was still some anger in his eyes, he no longer had the intention to kill!

“Go ahead, I just hope that my son will not feel any pain when he leaves!”

Xiao Yuanshan accepted it helplessly!

Xiao Feng’s living like this is a torture for Xiao Yuanshan, for Xiao Feng himself, and even for the entire Xiao Dynasty!

“Xiao Emperor, you don’t have to be sad. Maybe after this poison pill, your son will be fine.”

“Only after death can you be reborn. Maybe only after dying once can you be full of hope for the next life!”

After Chen Ping said two words to Xiao Yuanshan, he walked towards Xiao Feng!

Xiao Yuanshan looked at Chen Ping blankly. He didn’t understand what Chen Ping meant, but in Xiao Yuanshan’s eyes, there was a glimmer of hope!

His son is like this, maybe the poison pill in Chen Ping’s hand can really bring a glimmer of hope!

Everyone looked at Chen Ping. They didn’t know what Chen Ping was thinking at the moment, let alone what Xiao Yuanshan was thinking!

After all, watching his son swallow the poison pill with his own eyes, no one could do it!

“Prince Xiao, I have two pills here, one is the Forget Love Pill, and the other is the Poison Pill. If you choose to take the Forget Love Pill, you will forget the past, lose all your memories, and start all over again!” “

And if you choose the Poison Pill, you will die of the poison, but you can keep a trace of residual soul, have the previous memories, and slowly wander in this world of heaven and man!”

Chen Ping stretched out his hand and handed over two pills and said!

Xiao Feng looked at the black and white pills and suddenly laughed!

He looked at Chen Ping in disbelief and said, “For so many years, only you have really seen through the cause of my illness, only you have seen through me...”

“Ask what love is in the world, it only makes people live and die together.”

“I believe that girl is very beautiful, and you love her very much...”

Chen Ping said to Xiao Feng!

Xiao Feng was slightly stunned, and murmured to himself what Chen Ping said: “What is love in this world? It only makes people promise to be together through life and death?”

“What a good sentence. We did promise to be together through life and death. Now that she is gone, what is the meaning of my living.”

Xiao Feng said, and actually took out something like a crystal ball from his arms!

The crystal ball was shining, and a girl in white was running inside with a smile on her face!

Xiao Feng was chasing after her, and the two looked so happy and happy!

“This is the last time I saw her. I recorded the scene with the crystal ball. Whenever I am awake, I will take it out and look at it!

[The Man Decree] A Man Like None Other Chapter 4157-“She is a very good girl. Although she doesn’t have much talent, strength, or background, she is kind. She doesn’t have the utilitarian heart of those cultivators in the heavenly world who pursue the ascension to become immortals.”

“There are countless girls around me. Only when I am with her can I feel real happiness and warmth!”

“

Xiao Feng’s eyes became more gentle as he spoke, and his face was full of smiles!

At this moment, Xiao Feng could no longer see a trace of violent and manic look!

After speaking, Xiao Feng took the poison pill without hesitation and threw it directly into his mouth!

Without a trace of hesitation!

“I can die, but I can’t forget her. I’m going to find her.”

“Thank you, thank you for helping me get rid of it. If there is an afterlife, I will repay you!”

Xiao Feng looked at Chen Ping gratefully!

“You don’t have to wait for the next life, you have a chance to repay me!”

Chen Ping said, turned around and walked down the frame, and Xiao Feng was confused, not knowing what Chen Ping meant!

But soon, he felt his whole body burning like a flame, and the whole person seemed to be about to explode!

He knew that this was the outbreak of the poison pill!

Xiao Feng did not yell or scream, but sat cross-legged in the iron cage, quietly waiting for death!

Soon, Xiao Feng felt that his consciousness was getting more and more blurred, and he seemed to see his beloved girl!

Xiao Yuanshan looked at his son, and his heart was in great pain!

Chen Ping walked directly to Xiao Yuanshan, and then whispered: “Emperor Xiao, I said, put it to death and then live, although it is a poison pill, it is also a pill to untie his knot.”

“In fact, Prince Xiao has no disease, but because of lovesickness, it caused the sea of consciousness to mutate and the spirit to split.”

“To be precise, it is a split personality, which is a kind of mental illness!”

“Mental illness?” Xiao Yuanshan frowned slightly: “Lovesickness?”

“Does your son have a girl he likes very much?” Chen Ping asked!

“Yes, he likes a girl, but the girl is just a child from an ordinary family, without power, and the realm of strength is not good, and it is of no help to Feng’er, so I don’t agree with them being together.”

“In order to make Feng’er give up, I said that the girl is dead, don’t let him think about each other.”

Xiao Yuanshan nodded and said!

“So, the girl is not dead?” Chen Ping asked!

“Yes, she is not dead, she has been living in the Western Regions.”

Xiao Yuanshan said!

"That's great. My poison pill can only temporarily prevent him from having a mental split. If the girl is not dead, the person who tied the bell must be the one who can untie it. If you want your son to recover, only the girl can do it!"

Chen Ping said!

"It turns out that my son's illness is all because of that girl. I didn't expect him to be so affectionate to the girl."

"Hey, it's all because of my old confusion. Why did I stop it and almost killed my own son."

"Now that Feng'er has eaten the poison pill, won't he die?"

Xiao Yuanshan has some trust in Chen Ping at this moment!

"Of course not, although the poison pill can indeed take a person's life, all things are mutually reinforcing and mutually restraining. My poison pill is to restrain mental splitting."

"With the strength of Prince Xiao, although the poison pill will cause some damage to his body, it will never be fatal."

Chen Ping assured!

As Chen Ping's voice fell, Xiao Feng suddenly spurted out a mouthful of blood, followed by a splitting headache and his eyes became extremely scarlet!

Everyone looked at Chen Ping in shock. Xiao Feng was like this now. It should be the poison pill that took effect. He probably wouldn't survive!

But after Xiao Feng spit out a few mouthfuls of blood, he suddenly fell down!

Xiao Yuanshan hurried forward to open the iron cage and carried Xiao Feng out!

After about an incense stick of time, Xiao Feng woke up slowly!

Although his aura was obviously much weaker, the violent and manic aura was gone!

[The Man Decree] A Man Like None Other Chapter 4158-Seeing that Xiao Feng was not dead but woke up, everyone was surprised!

They couldn't believe that Xiao Feng didn't die after taking the poison pill!

Looking at the situation just now, Xiao Feng was definitely dead!

Could it be that the poison pill can really cure diseases?

All the pharmacists present knew that the poison pill could not cure diseases, but Chen Ping gave Xiao Feng the poison pill, but Xiao Feng did not die, but the manic aura on his body disappeared!

You should know that this poison pill has been checked by everyone, and it is indeed a poison pill!

“How is it possible?”

Su Tianshuo couldn't believe it, and he flashed forward directly, and then shot a stream of spiritual energy into Xiao Feng's body!

After a moment, Su Tianshuo retreated in a daze!

“Really...really cured?”

Su Tianshuo's expression was a little dazed!

Chen Wenliang, Zhong Qing, Ouyang Wufeng... ..

Many pharmacists surrounded him and began to check Xiao Feng's body!

They really want to know if Xiao Feng has been cured!

If he is really cured, they can learn some experience from it!

After all, the pharmacist conference is also for many pharmacists to learn from each other!

Xiao Yuanshan was watching from the side, watching his son, like a monkey, being studied by everyone!

“Strange, it's really strange, the poison pill can also cure diseases?”

Zhong Qing looked at Chen Ping in disbelief, and said very respectfully: “Daoyou, I wonder if you can tell me how you did it?”

“Of course, every pharmacist has his own unique skills, and it doesn't matter if you don't want to say it...”

Zhong Qing knew that every pharmacist would have his own unique skills that would not be passed on to others. Even at the pharmacist conference, everyone was just

exchanging and learning from each other, but no one would take out their own unique skills!

“Senior Zhong, in fact, this is not a unique skill of mine, but I have seen this kind of disease before, and you have never seen it!”

Chen Ping smiled slightly!

In the secular world, there are so many mental illnesses, all kinds of them! There are also

many people with split personalities like this!

There are also people who are men and women at one time,

which is not uncommon at all. But this kind of disease is rare in the world of heaven and man, so many pharmacists have never seen it, and don't know how to treat it!

“Zhong Yaozun, is my son really well?”

Xiao Yuanshan asked Zhong Qing in disbelief!

After all, Xiao Yuanshan trusted Zhong Qing's reputation!

“Emperor Xiao, Prince Xiao is indeed well after my investigation. He no longer has the bloodthirsty aura. Although the aura in his body is a little weaker, these are not big problems!”

Zhong Qing said!

Xiao Yuanshan looked at Chen Ping excitedly and said gratefully: “Little brother, thank you. I, Xiao Yuanshan, will always remember your kindness!”

After Xiao Yuanshan finished speaking, he hurriedly helped Xiao Feng, who was still confused, up!

After Xiao Feng opened his eyes, he saw that everyone surrounded him in a while, and then all kinds of auras kept wandering in his body, checking his body!

Until now, Xiao Feng is still confused and doesn't know whether he is dead or alive!

“Father, am I... am I still alive?”

Xiao Feng asked, looking at Xiao Yuanshan blankly!

“Son, you are alive, you are still alive, you are fine, it's okay.”

"It's all father's fault. I shouldn't have separated you and Ah Zhu. I lied to you. Miss Ah Zhu is not dead. She has been living in the Western Regions."

Xiao Yuanshan remembered Chen Ping's instructions and hurriedly followed Xiao Feng to say!

When Xiao Feng heard it, he was stunned. After a long time, tears burst out: "Father, don't lie to me, is Ah Zhu really not dead?"

"No, really not dead. After I go back, I will promise you to marry Miss Ah Zhu. After so many years, I have also understood that what is a good match, what a famous family, is bullshit."

"As long as you are fine, nothing is a problem. I will never interfere with your feelings again."

Xiao Yuanshan's face was full of regret. If Chen Ping hadn't cured his son, Xiao Yuanshan would probably hate himself to death!

[The Man Decree] A Man Like None Other Chapter 4159 – Just for the sake of his own career, he has to sacrifice his son's feelings!

This is selfish!

Xiao Feng was extremely excited, then he looked at Chen Ping and suddenly knelt down!

You know, Xiao Feng is a prince, and his status is extremely noble. How could he kneel down easily!

But at this time, Xiao Feng knelt down to Chen Ping!

He knelt down to Chen Ping not because Chen Ping saved his life, because Xiao Feng didn't care about his own life!

The reason why he knelt down to Chen Ping was because Chen Ping fulfilled him and allowed him to be with his beloved woman!

"Prince Xiao, you must not..."

Seeing this, Chen Ping hurried forward to support Xiao Feng!

Everyone around was extremely envious. Even Prince Xiao knelt down to Chen Ping. If Chen Ping made a small request at this time, I believe Xiao Yuanshan would agree without hesitation!

In the future, he will definitely become a guest of honor of the Xiao Dynasty and a distinguished guest of the Xiao Dynasty!

“Little brother, you saved my son and deserve his respect.”

“From today on, you are the supreme guest of my Xiao Dynasty. Whenever you go to Xiao Dynasty, you can enter and leave the palace at will.”

Xiao Yuanshan said, and took out a golden token and handed it to Chen Ping! When everyone saw this token, they were so envious that their saliva was about to flow out. With this token, Chen Ping could enter and leave Xiao Dynasty freely, and he also had great power!

But Chen Ping did not take the token at the first time, because what Chen Ping wanted was not the token, but the fairy bone!

What if he asked for the token and the other party did not give the fairy bone?

Xiao Yuanshan saw Chen Ping's concerns, so he smiled and said, “Little brother, take this token, and the reward on the doctor-seeking list will be given to you, but I don't have the fairy bone with me, so I need to get it for you!”

Chen Ping heard Xiao Yuanshan say this, and took the token with an awkward smile!

“I still believe in the character of Emperor Xiao!”

Chen Ping smiled!

“Little brother, I don't know your identity yet, I wonder if you can tell me?”

Xiao Yuanshan asked!

“I am Chen Ping...”

Chen Ping said his name!

“Chen Ping?”

Xiao Yuanshan was stunned!

Many pharmacists were also stunned, because many people were familiar with this name!

After all, many people know the person who was killed by the Hundred Years of Offering of

the Demon Sealing League! “You are the Chen Ping who was hunted down by the Hundred Years of Offering of the Demon Sealing League?”

Xiao Yuanshan asked!

“Emperor Xiao also knows about this?”

Chen Ping asked back, but this was tantamount to admitting his identity!

Seeing Chen Ping admit it, many people had hungry wolf-like eyes, and they couldn't wait to rush up and catch Chen Ping now!

The Hundred Years of Offering of the Demon Sealing League is an unimaginable resource!

Chen Ping could also feel the hungry wolf-like eyes in the crowd!

But Chen Ping was not afraid. Since he dared to expose his identity and admit it, he would not be afraid!

“I think this matter has almost reached the point where everyone in the Heavenly Human Realm knows it. How could I not know it?”

“But you actually dared to admit your identity in public, you are really brave. Aren't you afraid?”

Xiao Yuanshan was very curious, why did Chen Ping dare to say his identity!

There are so many people, but many of them are yearning for the Hundred Years of Offering of the Demon Sealing League!

“There is nothing to be afraid of, just fight back when the enemy comes and cover up when the water comes.” Chen Ping acted very calmly!

“You have guts, since you saved my son today, I will give you a gift!”

After Xiao Yuanshan finished speaking, he jumped up and floated in the air, then looked down and said: “Everyone is here today, I want to announce in public that my Xiao Dynasty will protect little brother Chen Ping.”

“From now on, Chen Ping will be a distinguished guest of my Xiao Dynasty. I don't care if they are from the Demon Sealing League or other people. If you dare to attack Chen Ping, don't blame me, Xiao Yuanshan, for turning your face and not recognizing you!”

“I advise you not to lose your life for the illusory Hundred Years of Offering. If people are dead, no matter how many resources you have, it will be useless!”

After speaking, Xiao Yuanshan slowly fell!

[The Man Decree] A Man Like None Other Chapter 4160 – Xiao Yuanshan's words shocked many pharmacists. You know, Xiao Yuanshan's words are worth a thousand gold!

The Demon Sealing League killed Chen Ping, and now the Xiao Dynasty actually protects Chen Ping!

The strength of the Xiao Dynasty is not inferior to that of the Demon Sealing League!

It's just that the spheres of influence of the two sides are different!

The Xiao Dynasty is in the Western Regions, occupying a large area of land and controlling dozens of cities!

The Demon Sealing League has developed its power to the entire Tianren Realm, and the Demon Sealing League has its power everywhere!

According to the area of influence, the area of the Demon Sealing League's power extension is much larger!

But the Xiao Dynasty is a dictatorship, and Xiao Yuanshan has absolute control and voice!

The Demon Sealing League is just an alliance, an alliance of forces from all over the place!

In terms of loyalty and cohesion, the Demon Sealing League is no match for the Xiao Dynasty!

Both have their own advantages and disadvantages, so the forces are evenly matched!

Now the two sides who originally had no conflict have directly started to target each other because of Chen Ping!

The Demon Sealing League killed Chen Ping, and the Xiao Dynasty protected Chen Ping!

Now, those who want to kill Chen Ping and get the Hundred Years of Offerings of the Demon Sealing League should think about it carefully!

Among the many pharmacists at the scene, there are also many people who have this idea, and many of them have suppressed the idea!

Because they know that they can't afford to offend the Xiao Dynasty!

Don't let the Hundred Years of Offerings of the Demon Sealing League earn their lives, but not spend their lives!

Xiao Yuanshan also knew that many people at the scene wanted to take advantage of Chen Ping, so he said such words!

It was to shock everyone at the scene!

Chen Wenliang was relieved when he heard Xiao Yuanshan's words !

He knew Chen Ping's identity, but he would not do anything to Chen Ping for the Hundred Years of Offerings of the Demon Sealing League!

But there were so many people at the scene, he couldn't guarantee that others would not be tempted by the Hundred Years of Offerings of the Demon Sealing League!

But now, with a word from Xiao Yuanshan, I believe many people will give up the idea!

Seeing that his goal was achieved, Xiao Yuanshan left with Xiao Feng after leaving his address to Chen Ping!

He told Chen Ping that he could get the immortal bone according to the address when he had time!

"Emperor Xiao is really generous. Now, Chen Ping and others have the support of the entire Xiao Dynasty."

"I wonder who would dare to take advantage of Chen Ping now..."

"At such a young age, he has been appreciated by Emperor Xiao and cured the illness of Prince Xiao. It's really a blessing from heaven!"

"This is a skill. Prince Xiao has been looking for a doctor for so many years, but no one has been able to cure him."

Everyone talked about Chen Ping, and they were envious!

"Brother Chen, I didn't expect that you would be the one who was killed by the Demon Sealing League with a hundred years of offerings."

"The one who can make the Demon Sealing League make such a decision must be an extraordinary person, and it seems to be true."

"I want to ask you, what is the cause of Prince Xiao's illness? I have also studied the cause of Prince Xiao's illness, but I have no clue."

Zhong Qing asked Chen Ping!

Since Chen Ping is unwilling to say how to treat it, it is always okay to talk about the cause of Xiao Feng's illness!

"Senior Zhong, actually Prince Xiao is not sick. The cause of his illness is all due to lovesickness."

"He loves a girl deeply, but they can't be together, and he also learns that the girl is dead."

"So this kind of longing has accumulated for a long time, causing Xiao Feng's consciousness to become confused!"

"He is a kind person and never kills indiscriminately, but he has no way to vent the lovesickness in his heart."

"So over time, two personalities have been formed. One is normal, and the other is manic and bloodthirsty, relying on killing to vent."

"It means that in Xiao Feng's sea of consciousness, there is already another completely different self. He becomes manic and bloodthirsty because of himself, not other evil spirits."

"And my poison pill is going to kill the other self in Xiao Feng's sea of consciousness. It is because of the killing of Xiao Feng's other self that the breath in his body has weakened."

Chen Ping explained in detail to Zhong Qing!
