

the mans Decree: Kai Ping / Chen Ping

Chapter 5061

Boom...

Cracks began to form at the edges of the floating island, and massive boulders plummeted like meteorites, sending clouds of dust billowing into the air.

“Run! The floating island is about to crash!”

Countless cultivators scattered in all directions as panic swept through the area.

Just when it seemed like the end of the world was upon them, two figures suddenly shot out from the center of the floating island!

“It’s Mr. Chen! And Qingyun!”

Lan Lianhua’s beautiful eyes narrowed in focus, and she immediately led her people forward to greet them.

“Mr. Chen, what happened?” she asked anxiously.

Kai steadied himself and said in a serious tone, “The floating island isn’t a real island—it’s the entrance to an ancient ruin. Now that the ruin has collapsed, the island can no longer hold together.”

“What?” Everyone was stunned.

“This isn’t the place to talk. Let’s return first and discuss everything there.”

Kai said firmly.

Lan Lianhua nodded and promptly escorted Kai and Mo Qingyun back to her palace.

There, Kai recounted everything that had happened in detail.

After listening, Lan Lianhua couldn't help but feel a wave of regret.

“This floating island has existed in the Cangxuan Continent for so many years, and yet we never realized it was actually an entrance to a ruin.”

Lan Lianhua spoke with deep remorse.

After a pause, she noticed a significant shift in Kai's aura and asked with curiosity, “Kai... what realm have you reached now?”

Kai smiled faintly. “The third level of the Scattered Immortal Realm.”

“What?!”

Lan Lianhua was stunned.

Before entering the ruins, Kai had only reached the first level of the Scattered Immortal Realm. Yet in just two days, he had advanced by two levels?

Such cultivation speed was simply unheard of!

Kai only smiled and remained silent. If he explained too much, it would only deepen Lan Lianhua's regret.

This opportunity had originally belonged to the Cangxuan Continent. Yet no one had realized the floating island concealed an entrance to the ruins—thus the chance had been wasted.

“Xuan Nu, how is Huo Jingjing?” Kai asked Lan Lianhua. After being with Huo Jingjing, Kai left. He had no idea what had happened to her since.

Given the pride of the God Clan, he assumed Huo Jingjing might have taken her own life—unable to accept being defiled by someone they considered an inferior race.

“She’s fine now. She doesn’t cause trouble and eats on time every day.”

“But she’s mentioned several times that she wants to see you. I told her you weren’t around,” Lan Lianhua said.

Kai was taken aback, a bit puzzled. Could it be that Huo Jingjing had been forced into what happened and didn’t hate him as much as he thought?

With that, Kai got up and decided to visit her.

In the dungeon, he found Huo Jingjing sitting quietly.

When she saw him, she stood up—not with rage as he had expected, but with calm.

“Kai...”

Huo Jingjing looked at him with a complicated expression.

Gone was the arrogance from before; now, there was even a trace of softness in her eyes.

“What’s with that look?” Kai raised his brows, sounding annoyed.

When dealing with a woman like her, he knew he had to assert dominance.

Huo Jingjing bit her lip and asked softly, “Where have you been these past two days?”

“What does that have to do with you? Do I need to report to you?”

Kai responded coldly.

“No, no—I’m not trying to control you. It’s just that... I’ve been so confused these past two days.”

She waved her hands as she spoke.

“Why?” Kai stared at her. “Is it because I took you... and now you’re conflicted?”

“Yes,” Huo Jingjing nodded.

“I’m sorry. I acted on impulse,” Kai said.

“You didn’t do anything to be sorry for,” she replied, shaking her head. “Will you come in and sit with me for a bit?”

Kai hesitated, then nodded and opened the cell door.

As soon as he stepped inside and closed it, Huo Jingjing suddenly turned and threw herself into his arms.

“Kai... I think I’ve started to like you,” she said, gazing up at him.

Chapter 5062

Kai was momentarily stunned, then sneered. “Miss Huo, you’re from the God Clan. How could someone like you fall for an ‘ant’ like me?”

“Don’t joke with me. I know your God Clan forbids marrying outside your race.”

Huo Jingjing looked up, her eyes filled with shame. “Why do you still bring up the God Clan? I... I was ignorant—brainwashed.”

“We’re all human. That night with you... it showed me what heaven truly feels like.”

Her voice trailed off, cheeks burning with embarrassment.

At first, after being “forced” into intimacy with Kai, Huo Jingjing was enraged. But as time passed, she realized she couldn’t stop thinking about him.

Kai hadn’t expected this proud woman of the God Clan to fall for him so quickly.

Apparently, even the proudest women fear the might of the strong.

Looking at her bashful expression, Kai felt his heart stir. He gently lifted her chin.

“If you really like me, then I won’t leave tonight. I’ll let you experience heaven again.”

“You... um—”

Before she could finish, Kai sealed her lips with a kiss, and she melted into his embrace...

...

The next morning, just as Kai opened his eyes, he felt a sudden wave of jealousy in the air.

When he stepped out of the dungeon, he discovered Mo Qingyun waiting silently at the entrance—no one knew how long she had been there.

Mo Qingyun looked at him with a mix of helplessness, frustration, and envy.

But she knew she had no right to question him. She had no title, no status beside him, and had only met him recently. She couldn’t dictate who he chose to be with.

“Miss Mo, why are you here?” Kai asked, puzzled.

“I heard you didn’t come out of the dungeon all night. I was worried that woman might hurt you, so I came to check,” Mo Qingyun replied.

“It’s fine. I’ve educated her properly,” Kai said casually. Then, turning toward the dungeon, he called, “Jingjing, come out...”

Huo Jingjing emerged, her face flushed and her steps unsteady.

Kai had unsealed all her blocked meridians and no longer restricted her strength.

When she saw Mo Qingyun standing nearby, Huo Jingjing blushed even deeper and lowered her head in silence. “It’s good that you’re safe,” Mo Qingyun said before turning and walking away.

“This Miss Mo seems jealous,” Huo Jingjing remarked.

“No way. Why would she be jealous? There’s nothing between us,” Kai replied, genuinely puzzled.

“She definitely likes you. Women’s intuition is rarely wrong. If you’re interested, take her too,” Huo Jingjing added thoughtfully.

“I never force anyone...” Kai responded calmly.

Upon hearing that, Huo Jingjing could only roll her eyes.

If Kai hadn’t forced her in the first place, she might not have fallen in love with him at all.

Just then, a terrifying aura swept over the Cangxuan Continent, sending a wave of fear across the land.

The cultivators, already on edge from past disasters, were instantly alarmed—like startled birds.

As the ominous aura rolled in, a thunderous roar echoed in the sky:

“Kai! Come out and die!”

“Return my daughter to me...!”

The furious voice shook the heavens and the earth.

Huo Jingjing’s expression changed instantly, her face turning pale. “It’s my father! He’s here with reinforcements!”

Kai sneered. “Perfect timing. It’s time to make things clear with him.”

“We’re all family now—no need for bloodshed.”

With that, Kai led Huo Jingjing outside.

At the same moment, Lan Lianhua stood with a grim expression, staring up at the sky.

The sky had darkened, and hundreds of cultivators floated in midair, led by Huo Zhao.

Beside Huo Zhao stood a masked man radiating an unfathomable aura.

Kai recognized him immediately—he was the Temple Patrol Envoy whose body they had previously destroyed.

Chapter 5063

“The Temple’s Patrol Envoy?” Huo Jingjing exclaimed. “Why is he here too?”

The Patrol Envoy cast a cold glance below, his eyes finally locking onto Kai.

“Boy, I’m here for revenge,” he said icily.

Kai sneered. “I didn’t expect you to recover your body so quickly. But it doesn’t matter—even if you’ve returned, I can kill you in minutes.”

Now that Kai had reached the third-grade Scattered Immortal Realm, he was confident he could handle the Patrol Envoy.

“I didn’t think you’d advance to the third grade of the Scattered Immortal Realm in just a few days,” the Patrol Envoy admitted. “But it’s meaningless. I came prepared this time!”

As he spoke, the temple cultivators behind him unleashed terrifying auras one by one.

These were not disciples of the Eight Palaces but elite warriors brought personally by the Patrol Envoy.

“No matter how many you bring, I’ll kill them all. I’m not afraid of being outnumbered,” Kai said boldly.

But Mo Qingyun, Hu Mazi, and the others looked tense.

“Kai, enough with the bravado. They clearly came for a fight,” Hu Mazi warned.

He knew Kai enjoyed posturing, but sometimes false confidence could be deadly.

“Master Hu, don’t worry. I’m not bluffing this time,” Kai replied with a calm smile.

He had reason to be confident—within his body were still the two warrior statues, immensely powerful.

Even a fifth-level Transformation Realm expert had fallen to them, suggesting their strength could rival the sixth or even seventh level of the Scattered Immortal Realm.

And if the two statues joined forces, their power would be even greater.

Most importantly, the statues had no life and no fear of death—a critical advantage.

At that moment, the Patrol Envoy turned his gaze to Huo Jingjing and scowled.

“You filthy ant! How dare you defile a daughter of the God Clan! You deserve to die!” he roared. He realized that Huo Jingjing had been defiled.

When Huo Zhao heard this, his eyes widened in shock. He turned to Huo Jingjing and asked, “Jingjing, did someone sleep with you?”

Huo Jingjing nodded.

Huo Zhao flew into a rage, and the Huo clan’s young master shouted, “Who? Who dared to sleep with my sister? Come out now!”

“It was me,” Kai replied with a faint smile.

“Kai, you’re courting death!” Huo Zhao roared, as if ready to tear Kai apart.

Huo Jingjing rushed forward and dropped to her knees, pleading, “Father, Lord Patrol Envoy, please let Kai go! I... I was willing!”

“What?!” Huo Zhao’s fury intensified. “Jingjing, are you out of your mind? Who is he to be worthy of you?”

The Patrol Envoy’s eyes flashed with cold light. “Women of the God Clan must never marry outsiders! Huo Jingjing, you’ve broken divine law and must be punished severely!”

He raised his hand, and the bone whip in his grasp lashed out instantly at Huo Jingjing.

Huo Zhao looked distressed but didn’t dare intervene.

“Watch out!”

Kai moved in a flash, stepping in front of Huo Jingjing. With a single punch, he deflected the bone whip.

“Old fool! She’s my woman—you don’t have the right to punish her!”

The Patrol Envoy’s pupils contracted. “How dare you attack me? Then I’ll kill you first, and clean up the rest afterward!”

At his command, dozens of temple cultivators launched their attacks at once, unleashing a barrage of magical powers upon Kai.

“Kai!” Huo Jingjing cried out in tears.

She hadn’t expected Kai to protect her so fiercely.

She once believed he only desired her physically and had no real feelings.

But now, she realized she hadn’t fallen for the wrong man.

Kai sneered, muttered an incantation, and two streaks of black light suddenly shot from his body—they were the two ancient warrior statues!

Their sudden appearance left everyone stunned.

“Kill!” Kai roared.

The two warriors launched their attack in a flash, moving like lightning.

Chapter 5064

With a single slash, blood-red lightning streaked across the sky, instantly reducing a temple master to charred remains!

The second warrior swung a white longsword, releasing a dark blue flame that transformed into a massive dragon, devouring another temple master.

“What kind of monsters are these?!” Huo Zhao exclaimed in horror.

The cultivators brought by the Patrol Envoy were known for their strength—far more powerful than the Eight Palaces’ forces—yet they were being slaughtered by Kai’s mysterious warriors without a chance to fight back.

The Patrol Envoy’s expression changed drastically. “Ancient war puppets? Impossible! How can you control them?”

Kai didn’t answer. In a flash, his figure shot toward the Patrol Envoy like a streak of lightning!

“Courting death!” the Patrol Envoy roared. His bone whip arced like a rainbow, lashing out toward Kai.

Kai’s eyes turned icy. Instead of dodging, he surged forward to meet the whip head-on.

“Fool!” the Patrol Envoy sneered. The bone whip expanded several times in mid-air, transforming into a fierce bone dragon that opened its bloody maw to devour Kai!

“Kai, be careful!” Huo Jingjing screamed, her face drained of color.

Just as the bone dragon was about to strike, a radiant golden light burst from Kai’s body!

A mighty dragon’s roar echoed through the skies as golden dragon scales covered Kai from head to toe. His right hand morphed into a dragon claw, which he thrust forward to seize the bone dragon.

Since awakening the power of the golden dragon, Kai had gained the ability to transform his body.

Crack!

With a sickening crunch, the seemingly indestructible bone dragon was crushed in Kai's clawed hand!

"What?!" the Patrol Envoy's pupils contracted in shock. Before he could react, Kai appeared before him like a phantom.

"Old bastard—my turn!" Kai snarled.

His right fist, blazing with golden thunder, smashed directly into the Patrol Envoy's face!

Boom!

A thunderous explosion echoed through the air as the Patrol Envoy was sent flying. His mask shattered, revealing a grotesque, scar-covered face.

"Ah! My face!" he howled. The Patrol Envoy let out a miserable scream as blood spurted from his seven orifices.

At the same time, the two warrior statues began their massacre!

The black warrior swept its massive sword, unleashing a web of blood-colored lightning across the sky. In an instant, it engulfed more than a dozen temple masters.

"Ahhh..."

Screams echoed as the temple masters convulsed violently within the electric net, turning to charred remains in mere moments.

The white warrior was even more terrifying. Each swing of its longsword unleashed a sea of blue flames. Wherever it passed, even space itself burned and distorted!

"What kind of monster is this?!"

A temple master tried to retreat in panic but was instantly sliced in half by the white warrior. His body turned to ashes in mid-air before even touching the ground.

“Form a formation! Hurry, form a formation!” one of the temple masters shouted desperately.

But before they could complete the formation, the black warrior let out a thunderous roar and slammed its giant sword into the ground!

Boom! Boom! Boom!

The ground shook violently as blood-red lightning erupted from the earth, blasting dozens of temple masters into pieces!

“They’re too strong!”

Hu Mazi stood frozen, forgetting to activate the talisman in his hand.

Huo Jingjing’s eyes sparkled with awe as she murmured, “Kai can actually control such powerful war puppets...”

Lan Lianhua looked solemn. “These two warriors likely have an extraordinary origin...”

Only Mo Qingyun knew their true background. She wasn’t surprised. Tens of thousands of years ago, the sect that had the power to open realms across the heavens had left behind two guardian warriors—naturally, they possessed terrifying strength.

At the center of the battlefield, the clash between Kai and the Patrol Envoy had reached a fever pitch.

Huo Zhao stood stunned, completely dumbfounded.

“Father, should we help him?” Huo Shizi asked in a low voice.

“Help your mother!” Huo Zhao snapped. “Can’t you see the Patrol Envoy tried to kill your sister?”

“Maybe Kai will kill him. That way, your sister might survive.”

Huo Zhao glared at Huo Shizi as he spoke.

Chapter 5065

“Father, do you think my sister really let Kai do it?” Master Huo asked.

Huo Zhao remained silent for a moment, then nodded. “It seems to be true.”

“So, Kai is my brother-in-law?” Master Huo’s train of thought was astonishing.

“Shut up...” Huo Zhao snapped, glaring at his son to stop talking.

He didn’t know how to feel—was Kai really his brother-in-law now?

If Kai had forced himself on his daughter, Huo Zhao would seek revenge, even at the cost of his life. But if his daughter had willingly agreed, and the two were consenting, then the situation became much more complicated for Huo Zhao.

As he struggled with his thoughts, the battle raged on.

“Little beast, I’ll kill you!”

The patrol envoy had gone mad. He bit his tongue, spat out a mouthful of blood, and his bone whip instantly transformed into a hundred-foot-long blood dragon!

“Blood Dragon Devours the Sky!”

The blood dragon roared and charged toward Kai. Wherever it passed, even the air hissed and corroded!

“A cheap trick.”

Kai sneered as spiritual power surged within him, and the Dragon-Slaying Sword appeared in his hand.

“Clang! Clang! Clang!”

The sound of countless swords echoed across the heavens as tens of thousands of golden sword shadows formed behind Kai, shooting toward the blood dragon like a torrential downpour!

“Boom! Boom! Boom!”

In the midst of the deafening explosions, the blood dragon was pierced through the heart by thousands of swords. With a miserable wail, it finally burst into a cloud of blood mist!

“No... way.”

The patrol envoy's face turned ashen. He turned to Huo Zhao and shouted, “What are you still standing there for? Help me now!”

His words made Huo Zhao's body tremble slightly.

“Sir Patrol Envoy, even you can't defeat Kai. If I step in, won't I just be cannon fodder?”

Huo Zhao replied.

“How dare you speak to me like that? I command you to stop Kai immediately!” After the patrol envoy finished speaking, he turned to flee.

“Trying to escape?”

Kai's eyes burned with murderous intent. In a flash, he appeared behind the patrol envoy, swung the Dragon-Slaying Sword with his right hand, and drove it straight through his chest!

“Splurt!”

Blood sprayed out as the patrol envoy looked down at the sword piercing his body, his eyes full of disbelief.

“You... you dare kill someone from the Temple...”

“You talk too much!”

Kai snorted coldly and slashed the Dragon-Slaying Sword.

“Swish!”

The patrol envoy's body was split clean in half, body and soul completely destroyed!

At the same time, the two ancient warriors finished off the last remaining Temple masters, and the battlefield instantly fell silent.

“Gulp...”

Huo Zhao swallowed hard, his legs trembling uncontrollably.

Master Huo, standing behind him, was even more terrified—his crotch soaked. When Kai's eyes swept over him, he dropped to his knees and pleaded, “Brother-in-law, please spare me! I... I won't dare do it again!”

Seeing this, Huo Jingjing quickly rushed over, grabbed Kai's arm, and begged, “Kai, for my sake, please spare my father and brother...”

Kai looked at Huo Jingjing, then turned to Huo Zhao, who stood pale and shaken, and said calmly, “Father-in-law, can we talk properly now?”

Huo Zhao trembled all over and quickly forced out a laugh, though his expression was stiff. “Dear son-in-law, we’re family—of course we can talk...”

The corners of Kai’s mouth lifted slightly. The two ancient warriors turned into streams of black light and re-entered his body. Holding Huo Jingjing’s slender waist, he stepped toward Huo Zhao and said, “From now on, the Eighth Palace is under my command. Father-in-law, any objections?”

Huo Zhao didn’t dare voice a single objection. He nodded repeatedly. “No objections! None at all! Our capable son-in-law is the perfect leader for the Eighth Palace!”

Seeing this, Hu Mazi and the others couldn’t help but laugh.

Who would’ve imagined that Huo Zhao, who moments ago was hell-bent on killing Kai, now trembled like a frightened quail?

What happened to the gods’ arrogance? To their claim that they’d rather die than surrender?

In the end, these so-called gods were merely self-proclaimed. They were still human—subject to emotions, desires, and weaknesses.

Even they feared death and clung to life.

Chapter 5066

Now, the Eighth Palace had gone from being an enemy to becoming family—an outcome Kai hadn’t anticipated.

Still, it was the best result. Kai had some understanding of the Temple and the God Clan. Now that the Eighth Palace Master was his father-in-law, he had a better opportunity to learn more about them.

He knew the Temple wouldn't give up easily and might even mobilize the entire God Clan. Kai needed to understand his opponents thoroughly.

For now, he allowed Huo Zhao to keep the Eighth Palace stationed on the Cangxuan Continent. Blue Lotus was quite welcoming to their presence.

After all, gaining a powerful ally was far better than gaining another powerful enemy.

Yesterday, they were enemies at war—today, they were friends able to sit down and talk.

Such changes were nothing short of magical.

And all of it stemmed from one night—when Kai forced Huo Jingjing to sleep with him, everything began to change.

“Father-in-law, can you tell me more about the Temple and the God Clan?” Kai asked Huo Zhao.

He was eager to gain deeper insight into the Temple.

Huo Zhao's expression stiffened, and he said in a low voice, “My dear son-in-law, you killed the patrol envoy. The Temple will never let that go.”

“The God Clan considers themselves the chosen race of heaven—noble in blood. They'll never tolerate contamination by other races.”

“And you... not only killed members of the Temple, but also...”

He stopped mid-sentence, glancing at Huo Jingjing, who stood beside Kai.

Huo Jingjing's cheeks flushed slightly as she whispered, “Father, Kai didn't mean to offend the God Clan, and... I agreed to it willingly.”

Huo Zhao smiled bitterly and shook his head. “Silly girl, the Temple won’t care whether you were willing or not.”

“If a woman of the God Clan marries someone from another race, at best her cultivation will be abolished—at worst, she’ll be executed!”

Kai frowned. “That tyrannical?”

Huo Zhao nodded. “The rules of the God Clan have always been that way.”

“However...” He suddenly lowered his voice. “If my son-in-law wants to oppose the Temple, there may still be a chance.”

“Oh?” Kai’s eyes narrowed slightly. “What do you mean, Father-in-law?”

A gleam flashed in Huo Zhao’s eyes. “The God Clan is not a unified whole.”

“Although the Eighth Palace is affiliated with the Temple, we are merely a peripheral force. The true core power lies within the ‘Palace of the Gods.’”

“And within the Palace of the Gods, there are two major factions—the conservatives and the reformists.”

“The conservatives insist on maintaining the purity of the God Clan’s bloodline and absolutely oppose intermarriage with outsiders. The reformists, on the other hand, believe that for the God Clan to continue thriving, it must embrace foreign talent and break free from the constraints of bloodline purity.”

Kai seemed thoughtful. “So, Father-in-law, you belong to... the reformists?”

Huo Zhao laughed. “My son-in-law is indeed sharp!”

“Although the Eighth Palace appears to follow the Temple’s orders, in truth, we’ve long been dissatisfied with the God Clan’s outdated traditions.”

“If I hadn’t been seriously injured during our last battle—when my soul was nearly torn from my body—I would’ve rebelled long ago!”

Kai felt a bit embarrassed hearing that. After all, he had injured Huo Zhao twice.

“Has your injury recovered now, Father-in-law?” Kai asked.

Huo Zhao shook his head and sighed. “The Temple doesn’t pay much attention to peripheral forces like us anymore, so the resources we receive are limited. Without adequate resources, it’s difficult for me to heal.”

“If I hadn’t been forced into it, I wouldn’t have brought my people to this heaven and taken control of Feihu City just to plunder resources.”

“Father-in-law, was your Eighth Palace originally located in the Second Heaven?” Kai asked curiously.

“Yes. I still have a residence there,” Huo Zhao nodded. “But after I was injured, it became difficult for the Eighth Palace to gather enough resources in the Second Heaven, so we were forced to come down to the First Heaven.”

“Since your injury was caused by me, I’ll make it up to you,” Kai said.

Chapter 5067

“No need for that. Just treat Jingjing well and love her dearly—after all, she’s newly married,” Huo Zhao said, looking at Huo Jingjing with affection.

“That’s right, Brother-in-law, you need to be gentle! I saw my sister limping just now—she must be sore!” Huo Shizi added playfully from the side.

Huo Jingjing’s face turned red as she glared at her brother. “Huo Feng, I’ll beat you to death...”

As she spoke, she threw a punch at Huo Feng, who immediately ran away.

The two chased each other around.

Only then did Kai realize that his brother-in-law’s name was actually Huo Feng.

“These two have always been like this,” Huo Zhao said with a warm smile.

“Father-in-law, let me take you somewhere to heal your injuries. With any luck, you’ll be fully recovered in less than a day,” Kai said.

“Where is this place?” Huo Zhao asked, his face filled with curiosity.

“You’ll know once we get there,” Kai replied with a smile.

Then, he took Huo Zhao directly into the Demon Suppression Tower.

As they entered, Huo Zhao was stunned by the accelerated flow of time and the stacks of immortal stones inside.

“My dear son-in-law, what... what is this place?” he asked in astonishment.

“This is the Demon Suppression Tower. Inside, time flows a hundred times faster than outside. One year inside is only one day outside,” Kai explained.

“A hundred times?” Huo Zhao was stunned.

“So if I train in here for a day, only a day will have passed outside?”

Kai nodded. “Exactly.”

Huo Zhao’s breathing quickened. No wonder Kai said he could recover within a day.

“Where did you get this Demon Suppression Tower?” Huo Zhao asked with curiosity.

Kai simply smiled. “Father-in-law, focus on your recovery first. We can talk about everything else later.”

A complex expression flickered in Huo Zhao’s eyes, but then he smiled and said, “It seems my daughter’s choice... really was a good one.”

At this point, Huo Zhao was quite satisfied with Kai. Kai couldn’t help but laugh inwardly.

This old man had clearly been defeated by him, yet he was still trying to save face.

Still, Kai didn’t expose him and instead urged Huo Zhao to focus on healing.

Inside the Demon Suppression Tower, Huo Zhao sat cross-legged, feeling the dense immortal energy pouring into his body. His injuries were healing at a speed visible to the naked eye.

Meanwhile, outside the tower, Kai saw Huo Jingjing chasing Huo Feng around. Huo Feng ran with his hands over his head, trying to escape her blows.

“Brother-in-law, save me! Brother-in-law, help!” Huo Feng shouted as he dashed behind Kai for cover.

Seeing Huo Jingjing rush over, Huo Feng grinned and said, “Brother-in-law, try harder at night—make sure my sister can’t walk. Then she won’t be able to beat me anymore...”

“Huo Feng! You still dare say that? I’ll beat you to death!” Huo Jingjing shouted, her face flushed with embarrassment.

Kai smiled faintly, ignored the siblings’ antics, and headed into Hu Mazi’s room.

Inside, Hu Mazi was fooling around with two women. When he saw Kai open the door, he was startled.

“Damn, ever heard of knocking?” Hu Mazi said, annoyed.

“Master Hu, are you really planning to die on a woman’s belly one of these days?” Kai said helplessly.

“Don’t lecture me. You’re the same! Do you even know how many women you’ve got?” Hu Mazi rolled his eyes.

Kai was left speechless—he honestly had no idea.

“Master Hu, I’ve brought something I’d like you to take a look at,” Kai said.

Hearing that, Hu Mazi waved his hand, signaling the two women to get dressed and leave.

“What do you want me to see?” Hu Mazi asked.

Kai pulled out a coffin from his storage ring. It was blood red, covered in intricate runes.

He was truly curious to find out what was inside.

Chapter 5068

Initially, Kai had considered forcing the coffin open, but he was worried that whatever was inside might be destroyed.

The runes on the coffin were quite unusual. They weren't array runes, but more like sealing symbols.

Since Hu Mazi was highly skilled in this kind of sealing technique, Kai had brought the coffin to him for examination.

"Damn, you're really unlucky. How did you end up with a coffin?" Hu Mazi frowned when he saw it.

"Master Hu, this coffin is a treasure..." Kai explained what had happened at the ruins.

Upon hearing the story, Hu Mazi became intrigued. He leaned in to study the coffin and examined the runes carefully.

"This coffin was sealed by someone—not to keep others from opening it, but to prevent what's inside from getting out."

"These sealing runes are designed to suppress whatever's sealed inside," Hu Mazi said after a closer inspection.

"You mean there's a person in this coffin?" Kai was slightly shocked.

"I'm only guessing. Let's open it and see," Hu Mazi replied. He gently placed his right hand on the coffin and began chanting. In an instant, the runes started to tremble, then began to unravel on their own.

Kai grew tense at the sight.

At the same time, a Dragon-Slaying Sword appeared in his hand.

If anything dangerous emerged, he was ready to strike immediately.

As the runes disintegrated, the coffin began to shake. Kai pulled Hu Mazi back, and the two watched closely.

Soon, the coffin slowly opened a crack, and a pale, delicate hand reached out from within.

Judging by the visible palm, there was clearly a person inside.

Kai gripped the Dragon-Slaying Sword tightly, prepared for any threat.

Hu Mazi quickly drew a spell using his blood and essence, ready to suppress whatever emerged.

Just as both men stared at the coffin, tense and ready to act, two black mists suddenly burst out from Kai's body.

Without warning, two ancient warriors appeared. After the two warriors appeared, the pale hand suddenly froze, then retracted, and the coffin closed again.

Kai was puzzled—why had the two ancient warriors emerged on their own without being summoned?

Could it be because of the coffin?

With no other option, Kai reabsorbed the two warriors into his body, then said toward the coffin, "Come out, it's okay now."

Since it was clear someone was inside, there should be a way to communicate.

But no matter how long Kai spoke, the coffin remained still.

He then stepped forward and tried to open it again, but after several attempts, it became clear that the coffin was locked from the inside and couldn't be opened.

"Damn it, I don't believe this..."

Kai raised the Dragon-Slaying Sword, intending to cut the coffin open.

“Boy, seal the coffin again. If whatever’s inside gets out, you’ll be in trouble,”

At that moment, the Red Cloud Demon Lord’s voice echoed in Kai’s sea of consciousness.

Kai was startled and asked, “Senior, do you know what’s inside?”

“I don’t, but I know that opening it will bring you trouble,”

the Red Cloud Demon Lord replied.

Hearing this, Kai gave up the idea of forcing the coffin open. He asked Hu Mazi to place a sealing talisman on it once more.

After resealing the coffin and storing it back in his storage ring, Kai decided to wait until he was stronger to open the two mysterious coffins.

Now that he knew there were people inside rather than treasures or resources, his interest had lessened.

Just as Kai put the coffin away, someone came looking for him.

“Mr. Chen, the Xuannv has summoned you!”

the person said.

Kai was confused, unsure of what the Blue Lotus wanted with him.

When he arrived at the main hall, both Lan Lianhua and Mo Qingyun were already there.

“Xuannv, may I ask why you called for me?” Kai inquired.

Chapter 5069

“Mr. Chen, it’s not me who’s looking for you—it’s Qingyun,” Lan Lianhua said, glancing at Mo Qingyun.

Mo Qingyun looked at Kai with eyes full of reluctance and a trace of pain in his expression. “Kai, I have to go back. My family has started urging me.”

“Once Tianci returns, Tianyuan Pavilion will pressure the Mo family. I must go back now, or my parents will suffer,” she added.

Hearing this, Kai frowned slightly before saying, “I’ll go back with you. I want to see what makes Tianyuan Pavilion so impressive.”

“No, Tianyuan Pavilion is very powerful. Don’t worry about me—I’m already grateful to have met you,” Mo Qingyun replied, shaking her head.

“I said I’ll go with you, so I will. Leave the rest to me—you don’t need to worry,” Kai responded firmly and with authority.

Mo Qingyun was clearly touched by Kai’s assertive stance.

“I’ll make the arrangements and then we’ll leave,” Kai said as he turned and walked away.

Lan Lianhua looked at Mo Qingyun with envy. “Qingyun, Mr. Chen treats you so well. It’s a blessing to meet a man as confident and decisive as him—like a CEO.”

“Don’t worry about how many women he has. As long as he’s also yours, that’s enough. It’s hard to find a good man these days...”

Lan Lianhua’s envy made Mo Qingyun feel happy, and she nodded in agreement.

After leaving the hall, Kai went to find Huo Zhao, who had just come out of the Demon Suppression Tower and had recovered.

“Xiansheng, with such a treasure in your possession, your future is limitless,” Huo Zhao said in admiration upon seeing him.

While others had trained for a year, Kai had cultivated for a hundred.

“Father-in-law, now that you’ve recovered, what do you plan to do next?” Kai asked.

“I’ll follow your lead. You’re the master of the Eight Palaces now,” Huo Zhao replied.

“I’m planning to head to the Second Heaven,” Kai said.

“Then let’s go. The Eight Palaces’ main mansion is located there anyway. Now that I’ve recovered, it’s time I returned,” Huo Zhao agreed with a nod.

Soon after, Kai, Hu Mazi, Mo Qingyun, and the members of the Eight Palaces left Cangxuan Continent and set off for the Second Heaven.

Before departing, Kai handed a portrait to Lan Lianhua and asked her to search for it in the First Heaven. The portrait was of Su Yuqi. Ever since arriving here, Kai had no idea where Su Yuqi had been taken.

Now, he could only rely on Blue Lotus’s power to locate her.

While Kai and his companions headed toward the Second Heaven, a major uproar erupted within the temple!

Inside the Palace of the God King, within a towering golden hall—

“Bang!”

An elderly man in a golden robe slammed the table in fury and shouted, “The patrol envoy was killed, the Eighth Palace has rebelled, and that old fool Huo Zhao dared to surrender to a foreign race!”

“Third Palace Master, please calm down,” a middle-aged man stepped forward and said solemnly. “This situation may not be so simple.”

“That Kai can control ancient war puppets. His strength might have reached the peak of the scattered immortal realm—or even beyond.”

The old man in the golden robe snorted coldly. “A mere scattered immortal dares to challenge the authority of the temple?”

“Pass down my order—tell the Seventh Palace Master to raze Cangxuan Continent to the ground, kill Kai, and wipe out the entire Eighth Palace!”

“No!”

Suddenly, a cold female voice rang out.

Everyone turned to see a stunning woman in a white dress slowly walking into the hall.

Her expression was icy, her gaze as cold as snow, and a frosty aura radiated from her.

“Fourth Palace Master, what do you mean by this?” the old man in the golden robe asked with a frown.

The Fourth Palace Master replied calmly, “Third Palace Master, the temple is already troubled from within and without—now is not the time for war.”

“Besides, if Kai can control ancient war puppets, there must be more to the story.”

“If we act rashly, we may trigger unforeseen consequences.”

The old man sneered. “Fourth Palace Master, don’t tell me you’re trying to protect that foreign brat.”

“Or have you also fallen to temptation and wish to consort with a man from the outside world?”

Chapter 5070

The Fourth Hall Master’s eyes turned cold. “Third Hall Master, please watch your words.”

“I am the Fourth Hall Master of the temple. Everything I do is for its future!”

“If you insist on going forward with this, don’t blame me... unless you can present the ‘God King Order’!”

“You—!” The golden-robed old man’s expression changed instantly.

The God King Order was the temple’s supreme token—seeing it was equivalent to seeing the God King himself!

The God King was the highest authority in the temple. Even hall masters had to bow in his presence. The entire temple had been founded by him, and his position held immense weight among the God Clan.

If the Fourth Hall Master truly held the God King Order, even if the First Hall Master supported him, the Third Hall Master would still be forced to yield.

It was precisely because of the God King Order that the Fourth Hall Master dared speak to him in such a tone.

“Good! Very good!” the golden-robed old man growled, gritting his teeth. “Fourth Hall Master, I hope you won’t regret this!”

With a sweep of his sleeve, he turned and left.

The Fourth Hall Master watched him leave, a glint of frost flashing in her eyes.

“Kai... I want to see what makes you so special...”

“Palace Master, Kai seems to be below the Third Heaven. We can’t detect him at all,” a maid beside her reported.

“No need to worry. It won’t be long before he reaches the Third Heaven.”

“Notify the Seventh Palace Master to investigate Kai’s background thoroughly—but do not provoke a conflict,” the Fourth Hall Master instructed.

“Yes!” the maid responded with a nod.

.....

In the Second Heaven, Kai stood atop a high peak. A dozen palaces of varying sizes were built across it—this was the residence of the Eighth Palace.

Kai gazed down at the vast mountains and rivers beneath his feet, feeling a bit emotional. He hadn’t expected to arrive at the Second Heaven so quickly.

At that moment, Huo Feng came running over, grinning as he flattered, “Brother-in-law, what are you staring at?”

“I’m already tired of this boring place—there’s really nothing worth seeing!” Kai glanced at him. “I was just thinking... how to throw you off the cliff.”

Huo Feng’s smile froze. He laughed awkwardly. “Brother-in-law, you really have a sense of humor...”

Kai ignored him and carefully examined the Eighth Palace’s defensive formation. With a flicker, his figure vanished into the main hall. “Father-in-law, the Eighth Palace’s defenses need reinforcement.”

Kai knew that once the Eighth Palace chose to follow him, the rest of the temple wouldn't let it slide easily.

Huo Zhao nodded. "I've already ordered preparations, but... there aren't many people skilled in formation arts. I'm afraid it won't be enough..."

Kai replied calmly, "That's fine. I'll handle it."

He raised his palm, and divine patterns instantly materialized in the air, radiating between heaven and earth.

After all, Kai had studied under the Divine Pattern Ancestor and the Array Demon—his mastery of formation arts far surpassed ordinary practitioners.

"This is..." Huo Zhao looked puzzled.

Kai smiled. "These are divine patterns—much more powerful than ordinary formation symbols."

"Once I complete the Nine Heavens Thunder Array, the entire Eighth Palace will be protected."

"When activated, it can summon divine thunder from the heavens. Even a fifth-grade expert in the scattered immortal realm won't survive!"

Huo Zhao gasped. "Dear son-in-law, where did you learn such a divine formation?"

Kai smiled without answering.

Of course, he couldn't reveal that his teachers were the Divine Pattern Ancestor and the Array Demon—both immortals of the upper heavens, names Huo Zhao likely hadn't even heard of.

"Brother-in-law, you're incredible!" Huo Feng's eyes lit up. "Can you teach me?"

Kai gave a faint smile. “Sure—go run a hundred laps down the mountain first.”

Huo Feng: “...”

Just then, Mo Qingyun came rushing over, her expression serious. “Kai, I just received news—my parents are having a dispute with the tribe members!”

“Oh?” Kai raised an eyebrow. “Tell me more.”

Mo Qingyun leaned in and whispered, “Many members of the tribe are buckling under pressure from Tianyuan Pavilion and are now pressuring my parents. There’s growing tension between them.”

“Especially Mo Qingchen—he’s the worst. He’s been trying to sway the tribe and seize my father’s position as head of the family.”

Chapter 5071

“Mo Qingchen?” Kai’s eyes flashed. “Who is he?”

Mo Qingyun sighed. “He’s my cousin. After my uncle and aunt passed away early, my parents raised him.”

“But that guy has no sense of gratitude. Just because I’m a girl, he’s been eyeing my father’s position as head of the family and wants to seize it.”

Kai frowned in thought. People like him—heartless and ungrateful—were simply a waste of life.

“Let’s go. I’ll return to the Mo family with you. If Tianyuan Pavilion dares to pressure me, I’ll wipe them out!”

Kai made up his mind to accompany Mo Qingyun back to her family.

He asked Hu Mazi to remain in the Eighth Palace for now. With Hu Mazi there, even if the palace was attacked, the defensive array could still hold for a while.

After making all the necessary arrangements for the Eighth Palace, Kai set off with Mo Qingyun toward the Mo family.

The Second Heaven was over ten times larger than the First Heaven, and the Mo family's territory lay tens of thousands of miles from the Eighth Palace.

Fortunately, there were numerous teleportation arrays across the Second Heaven. A few teleportations would be enough to reach their destination. If they traveled on foot, it would easily take ten days to half a month!

Tianyuan Pavilion

In a spacious hall, Elder Tong stood silently. In front of him sat an old man with a white beard, wearing a long flowing robe. A star map was spread out before him.

The old man studied each glowing point on the map. His expression alternated between stern and contemplative.

Elder Tong stood respectfully to the side, not daring to utter a word.

Suddenly, the old man raised his hand and waved over a glowing star— instantly, the light vanished.

But the moment that star disappeared, new stars began to light up elsewhere.

The old man's brows furrowed deeper at the sight.

Elder Tong remained motionless, barely breathing, his posture bent in deference.

"Kai..." the old man finally spoke, saying the name with weight.

“Yes,” Elder Tong responded with a nod.

“Gan Tianzong?” the old man asked again.

“Yes,” Elder Tong repeated, nodding once more.

“Tell me everything...” the old man said.

Elder Tong then recounted the entire incident in detail, describing each part as vividly as if it were playing out again.

After listening, the old man remained calm. “So, not only did Kai injure you, but he also obtained two coffins?”

“Yes!” Elder Tong nodded.

“Do you know anything about the two warrior statues?”

“No,” Elder Tong replied, shaking his head.

“Then tell me—should we seek revenge on Kai?” the old man finally looked up and asked.

“I’ll follow whatever the Pavilion Master decides,” Elder Tong replied cautiously.

The old man smiled slightly. “Elder Tong, as an elder of Tianyuan Pavilion, you have your own authority. You don’t have to follow my every word.”

“Although you became an elder thanks to your expertise in arrays, the title holds real power—it’s not just ceremonial.”

“Don’t belittle yourself. You should carry the demeanor and decisiveness of a true elder!”

Hearing this, Elder Tong quickly responded, “Thank you for the Pavilion Master’s guidance. I believe Kai should be taught a lesson. Also, the Mo

family can't be let off easily. That girl from the Mo family publicly betrayed Tianci—this is a major humiliation for Tianyuan Pavilion.”

The old man nodded. “And have you spoken to the Mo family?”

“Yes. I warned them to hand over the person, or I wouldn't be polite,” Elder Tong replied.

“Good. The Mo family should indeed give us an explanation,” the old man said with a nod. Then he added, “As for Kai, I think we should let others handle him. Once news spreads that he possesses a treasure, someone will surely make a move.”

“Didn't you say people from the Shura Palace were present too? They might take action.”

“Let's wait and see. If Kai can fight those at higher levels, perhaps he's even stronger than Tianci. That means he's no ordinary man—he might be from a powerful family or background.”

“I understand,” Elder Tong nodded.

He now realized that the Pavilion Master was planning to kill with a borrowed knife.

Chapter 5072

“Tell Tianci to take good care of his injuries and not think about revenge.”

The Pavilion Master said lightly!

“But... with Tianci's personality, I'm afraid...”

Elder Tong was in a bit of a dilemma!

Tianci has a very arrogant personality. Now that he has suffered such a blow, how could he not take revenge?

“Humph, if he doesn’t listen, then his title of genius will be revoked. He is not the only genius in our Tianyuan Pavilion.”

The Pavilion Master snorted coldly!

“I understand.” Elder Tong nodded repeatedly!

.....

Shura Palace!

The woman in white robe sat upright in a void, and around her, a terrifying aura was constantly spreading!

The surrounding void, under the shock of these auras, actually began to become illusory!

After an unknown amount of time, the woman in white robe slowly opened her eyes.

boom!

The void around them exploded instantly, and the body of the woman in white robe fell directly to the ground!

“Congratulations, Miss. You have reached the eighth level of the Sanxian realm and have replenished the vitality you consumed.”

An old man stepped forward and congratulated the woman in white robe!

The woman in white robe took a deep breath, her eyes flashing with excitement!

She has been stuck in the seventh level of the Scattered Immortal Realm for many years. With her strength, she could have easily made it to the third level.

However, in order to break through to the seventh level of the Loose Immortal Realm, she had been staying in the Shura Palace.

But after so many years, there has been no breakthrough!

However, during this trip to the ruins, the mysterious old man directly caused her realm to soar, which made her very happy!

But after finding out that the mysterious old man was a liar, the woman in white became a little panicked.

If there is no vitality, what is the use of having a high realm?

So after coming back, the woman in white could only rely on the resources in the Shura Palace to replenish her vitality, while her skyrocketing cultivation level was dropping rapidly.

It was obvious that the mysterious old man used some kind of ancient magic to only temporarily increase their cultivation.

After hard work, the woman in white robe regained her vitality, and finally reached the eighth level of the Sanxian realm!

This time, after seeing the awesome Tianci, she no longer had to be afraid.

“Third Elder, I remember you just said that Kai has also come to the Second Heaven?”

The woman in white robe asked the old man!

“Yes, Kai is following Mo Qingyun and is heading to the Mo family.”

“It should be that Tianyuan Pavilion put pressure on the Mo family. The Mo family had no choice but to recall Mo Qingyun, but Kai went with him.”

“Should we stop Kai? After all, he has two coffins from the ruins on him, and we don’t know what treasures are inside the coffins!”

The old man said!

The woman in white robe didn’t say anything, her eyes were slightly fixed!

There must be treasures in the coffins in these ruins, and the woman in white is also very tempted.

But when she thought of Kai’s strength and the two warrior sculptures, the woman in white robe became a little scared!

The third elder also saw that the woman in white robe was in a dilemma, so he said, “Miss, how about sending someone to investigate Kai’s background first?”

“No need, let’s just wait and see!” The woman in white robe shook her head!

The third elder frowned and said, “Miss, if Kai goes to the Mo family, he will definitely be discovered by the people of Tianyuan Pavilion, and Tianyuan Pavilion will not let him go.”

“If that’s the case, it’s very likely that these two coffins have fallen into the hands of Tianyuan Pavilion.”

The woman in white robe was silent, as if analyzing the pros and cons.

“Miss, stop thinking about it. We must not let Tianyuan Pavilion get this treasure.”

The third elder tried hard to persuade!

The white-robed woman suddenly asked, “Third Elder, have you ever thought about why Kai dared to go to the Mohist School?”

“Doesn’t he know the relationship between the Mohist School and the Tianyuan Pavilion?”

“The reason why he dared to go to the Mo family was because he didn’t take Tianyuan Pavilion seriously at all.”

“Why doesn’t he take Tianyuan Pavilion seriously?”

The series of questions from the white-robed woman stunned the third elder!

Chapter 5073

He certainly hadn’t thought about that!

Now after hearing what the white-robed woman said, the third elder seemed to understand something!

“Miss, what you mean is that Kai has someone backing him up, so he’s not afraid of Tianyuan Pavilion?”

The third elder asked!

“A first-rank cultivator in the Sanxian realm was able to enter the Second Heaven Ruins and even injured Tianci.”

“Even that mysterious old man was discovered to be a liar by Kai.”

“With all these actions, don’t you think Kai is not simple?”

“If we rashly provoke him and offend someone we shouldn’t offend, our Shura Palace will be on the verge of destruction.”

The woman in white robe said worriedly!

After hearing this, the Third Elder frowned and said, “In this Second Heaven, apart from our Shura Palace, who is not afraid of the Tianyuan Pavilion?”

“Even the eight halls of the temple dare not provoke Tianyuan Pavilion...”

“Who will support this Kai?”

“There are always people better than you. Let alone the entire heaven, even this second heaven is vast enough. There may be some forces that we are not aware of!” said the woman in white robe!

The third elder was silent, not knowing what to say for a moment!

“Third Elder, inform everyone that if Tianyuan Pavilion deals with Kai, we in Shura Palace can help Kai, and perhaps even make friends with him.”

“Don’t provoke him, and don’t spy on the two coffins. Wait and see...”

The woman in white robe said!

“Well, I understand!” The third elder nodded!

.....

In the void of the second heaven!

Accompanied by the trembling of the void, the figures of Kai and Mo Qingyun slowly appeared!

“We should be not far from Mohist School!”

Mo Qingyun looked at the void in front of him and said!

“Okay, let’s go...”

Kai nodded and flew forward with Mo Qingyun!

Since the distance is not far, there is no need for a teleportation array!

You have to know that using the teleportation array consumes a lot of resources and it cannot be used casually!

Chapter 5074

You have to know that using the teleportation array consumes a lot of resources and it cannot be used casually!

But as soon as the two of them started flying, Kai's brows instantly frowned!

"What's wrong?" Mo Qingyun asked!

Kai did not say anything, but slowly stretched out his hand and gently waved it towards the void in front of him!

As Kai waved his hand, the void in front of him began to surge like water ripples!

"Someone is trying to mess with us. This void is fake!"

Kai said with a serious face!

"Fake?" Mo Qingyun was shocked!

She didn't expect that someone would create a fake void to deceive them!

It seems that this place is not very close to Mohism. Now I don't even know where I am!

"Come out, what are you trying to do by sneaking around and creating a fake void?"

Kai said coldly to the void!

“Not bad, I can tell at a glance!”

As the void slowly dissipated, the true appearance of heaven and earth was finally revealed.

I saw a young man wearing a cloud robe and showing up with a sneer on his face!

Behind the young man were four men in black. Except for their eyes, their entire bodies were wrapped in black cloth.

But there was no color or emotion in the eyes of these four people, as if they were dead!

“Miss Mo, do you know this person?”

Kai asked Mo Qingyun!

Mo Qingyun shook his head and said, “I don’t know him. The Second Realm is vast and I don’t know many people.”

Seeing that Mo Qingyun did not recognize the young man in front of him, Kai asked, “Who are you? Why did you create a fake void to deceive us?”

“I am Sang Kun from Shura Palace.” The young man said coldly!

“Sangkun?” Kai laughed out loud: “Your name was given to you because you have a grudge against your parents, right?”

Kai was almost dying of laughter. There was actually someone with this name!

“Shut up, my name is Sang Kun, not Sang Kun...” Sang Kun said angrily!

Chapter 5075

“I don’t care who you are, what’s the matter with you stopping us?”

Kai asked Sang Kun.

“You are Kai, right?” Sang Kun said with a cold smile!

“Do you know me?” Kai was surprised: “I don’t think I’ve seen you before!”

“It doesn’t matter if you haven’t seen me. You just need to hand over the two coffins you found in the ruins.”

Sang Kun said!

When Kai heard this, it turned out that this guy was coming for the coffin!

“Who do you think you are? Do you think I should give it to you?” Kai sneered!

“You don’t give me face? Ask around, who doesn’t know me, Sang Kun from the Shura Palace?”

“If you don’t give it to me, I won’t be polite.”

Sang Kun’s eyes narrowed slightly, and he said with murderous intent in his body!

“If I kill this guy, will Shura Palace cause trouble for you Mo Clan?”

Kai looked at Mo Qingyun and asked!

Mo Qingyun was stunned, then shook his head and said, “I don’t know...”

“Since you don’t know, then just stay away. When this guy dies, it will have nothing to do with your Mo family!”

Kai said!

“Hahaha...” Sang Kun laughed, “Boy, you want to kill me? Don’t you see what kind of character you have? You are just a third-grade immortal, and you dare to kill me?”

“Old man, just stand still. Even if I stretch my neck out for you to kill, can you kill me?”

Sang Kun’s face was full of disdain, and he actually stretched his neck towards Kai!

“I’ve never seen such a request in my life. If that’s the case, I’ll grant your wish!”

After Kai finished speaking, a dragon-slaying sword suddenly appeared in his hand, and he swung it!

The sword light flashed instantly!

Sang Kun’s head was chopped off by Kai in an instant without any hesitation!

“Young Master...” The four men in black were all shocked!

They never expected that Kai would actually dare to take action and kill Sang Kun directly.

“You all heard it. It was your young master who asked me to kill him. I am doing him a favor.”

“As for the cost of my help, I won’t ask you for it.”

After Kai finished speaking, he pulled Mo Qingyun and was about to leave, but was stopped by four men in black!

One of the leading men in black said, “You killed our young master, and you still want to leave?”

“Why? You guys want to go and accompany him too?”

Kai smiled faintly, and waves of terrifying aura burst out from his body.

This aura made the four men in black tremble in their hearts.

Feeling the aura of Kai, the four men in black didn’t dare to take any action.

Because they are not sure they can be Kai’s opponent!

Seeing that the four guys didn’t move, Kai simply pulled Mo Qingyun away!

“Brother, the young master was killed. Are we just going to let him go?”

“Yes, if we go back, how are we going to explain to the Palace Master?”

The other men in black said with some dissatisfaction!

“Shut up, what do you know?” The leading black-clad man frowned and said, “This guy named Kai is definitely not a simple person. The four of us may not be his match.”

“The four of us brothers don’t get many resources in Shura Palace in a year, so why bother risking our lives?”

“Let’s go back and just report to the young lady. This matter has nothing to do with us anymore.”

“Remember this from now on. If there is anything wrong, report it. Once it is reported, it has nothing to do with us.”

After saying that, the leading man in black slowly disappeared!

At this time, Kai brought Mo Qingyun and rushed towards the Mo family.

Mo Qingyun asked in confusion: “Kai, why did you dare to kill the people from Shura Palace just now?”

“Why don’t you dare to kill him?” Kai smiled calmly: “I don’t take the Shura Palace seriously at all. He actually wants to rob my things, so of course I have to kill him, and it was his own request.”

“If I don’t satisfy this kind of request, I would be really ignorant!”

Chapter 5076

“Hey, you have offended Tianyuan Pavilion, and now you have offended Shura Palace. I’m afraid you can’t stay in the Second Heaven anymore!”

Mo Qingyun sighed!

“I don’t plan to stay in the Second Heaven for long. With my strength, I can easily go to the Third Heaven.”

“I want to break through the third heaven. Then, no one in the heaven will dare to provoke me easily!”

Kai said!

Kai has no friends under the Third Heaven, and even Mr. Shi doesn’t care about him!

You can only rely on yourself for everything!

But once he breaks through the three heavens, he will have many friends in heaven!

Wind demon, blood demon, Yin demon...

The ancestor of divine patterns, the array demon...

Taoist Wuji and Taoist Wuwei, they are both immortals from the Fourth Heaven Leiyin Temple!

There are also Nan Batian, Li Chunfeng, Shen Zhiyan, and Musha who were subdued in the Deden Ladder. They are all immortals above the third level of the fairy world, and they have agreed to serve him for three hundred years!

By the time Kai reaches the third level, he won't have to be so cautious and be targeted everywhere!

"Boasting..." Mo Qingyun rolled his eyes at Kai!

She didn't quite believe that Kai had that kind of ability to know people above the third level of heaven!

Kai just smiled and said nothing else. It was normal for Mo Qingyun to think that he was bragging!

.....

Shura Palace!

The woman in white robe was sitting in the hall, and four men in black were kneeling on the ground in front of her, trembling with fear!

"You said Sang Kun was killed by Kai?"

The woman in white robe asked indifferently!

"Yes, we saw it with our own eyes, there is no mistake!" said the leader of the men in black!

"Why? Why would Sang Kun go to find Kai? It seems like they don't know each other?"

“And I’ve also asked the Third Elder to notify everyone that no one is allowed to cause trouble for Kai!”

The woman in white robe began to exude murderous intent, causing the man in black to tremble even more violently!

“Yes...it was the news that Master Sang Kun got from Tianyuan Pavilion, saying that Kai had treasures obtained from the ruins, so...that’s why he took action against Kai.”

The leader of the men in black said cautiously!

“Idiot...” The woman in white robe slammed the table in front of her angrily, and it shattered instantly.

“Miss, calm down!”

“Then Master Sangkun is your brother after all!”

The third elder stepped forward to persuade!

“Humph, I don’t have such a stupid brother!” The white-robed woman narrowed her eyes slightly: “It is obvious that Tianyuan Pavilion is trying to kill someone with a borrowed knife. I didn’t expect this idiot to fall for it.”

“Is it someone from Tianyuan Pavilion who instigated Sang Kun?”

“It was Elder Tong from Tianyuan Pavilion who did it. He was the one who told Master Sang Kun about the treasures that would be in Kai’s possession in the future.”

The leader of the men in black quickly replied!

“It seems that the Tianyuan Pavilion wants us from the Shura Palace to test the strength of Kai.”

“Third Elder, find a way to teach Elder Tong of Tianyuan Pavilion a lesson and let them know that we in Shura Palace are not fools and are not so easy to use!”

The woman in white robe said in a cold voice!

“Miss, now that Master Sangkun is dead, if the Palace Master comes out of seclusion, how are we going to explain it?”

The third elder frowned slightly!

“What the hell, he died of his own stupidity, no one else’s fault. Besides, my father had more than one son, so it didn’t matter if a few died.”

The woman in white robe said very casually!

Although Sangkun is her younger brother, they are not born from the same mother. Instead, he is the child of the Lord of Shura Palace and another woman!

The Lord of Shura Palace has more than a dozen women with whom he practices dual cultivation, so many children are born!

Because the woman in white robe is the oldest, strongest, and most intelligent, after the Palace Master went into seclusion, the affairs of Shura Palace were handed over to the woman in white robe!

“Miss, what should we do with these people?” The third elder asked, pointing at the four men in black!

“If they can’t even protect the master, what’s the use of them!”

“kill.....”

The woman in white robe waved her hand, and the four men in black didn’t even have time to scream before they turned into ashes!

Chapter 5077

It was almost dusk when Kai and Mo Qingyun stepped into the Mo family mansion.

Under the gate with carved beams and painted buildings, dozens of figures had been waiting for a long time.

The leader was wearing a dark brocade robe, but his sword-like brows and bright eyes could not hide the sinisterness in his eyes. He was Mo Qingyun's cousin Mo Qingchen.

"Mo Qingyun, you still remember to come back? Do you know that because you left without permission, Tianyuan Pavilion has put pressure on our Mo family!"

Mo Qingchen stepped forward, glanced at Kai, and sneered, "You brought a wild man back. You have brought shame to the Mo family!"

Mo Qingyun's face turned pale. Just as he was about to speak, Kai took a half step forward and said calmly, "Mo Qingchen, right? You'd better be more careful when speaking."

"Who do you think you are?"

Mo Qingchen shouted angrily: "This is my Mo family's business, you, an outsider, better get out of here."

After Mo Qingchen finished speaking, he stared at Mo Qingyun fiercely and continued, "Tianyuan Pavilion put pressure on the Mo family because of you, and now the entire family is implicated! If it weren't for you, how could Master Tianci be angry?"

"shut up!"

Mo Qingyun's father Mo Wuji walked out of the room and raised his hand to stop Mo Qingchen.

He looked at his daughter with a complicated look, one that contained both blame and heartache: “Qingyun, do you know that Tianyuan Pavilion has sent a message? They demand... demand that you marry Young Master Tianci in three days.”

“Father!”

Mo Qingyun exclaimed: “I don’t have any feelings for Tianci at all. This is just a deal! You clearly promised me...”

“That’s enough!”

Mo Qingchen interrupted, “The family has protected you from all odds for so many years, and now they are just letting you marry into Tianyuan Pavilion in exchange for peace, but you are bringing a wild man back to slap the family in the face? Besides, this guy...”

Mo Qingchen suddenly turned to Kai, his eyes sinister: “How can a third-rank cultivator from the Sanxian Realm compare to Master Tianci?”

Someone from the Mo family’s upper echelons echoed, “Master, I don’t know how this boy hooked up with Miss Qingyun, and now his family is being targeted by Tianyuan Pavilion. He must be severely punished!”

“That’s right. First destroy his cultivation and then hand him over to Tianyuan Pavilion to apologize!”

All these high-ranking members of the Mohist School are actually targeting Kai!

Mo Wuji’s face turned pale, and he clenched and unclenched his hands, obviously weighing the pros and cons.

Seeing this, Kai suddenly chuckled: “The Mo family is known as a prestigious family in the Second Heaven, but they want to sacrifice their daughter’s happiness in exchange for peace? A group of cowards, how can they talk about integrity?”

“presumptuous!”

A senior Mohist official slammed the table and stood up, “Who do you think you are? How dare you act so wildly in my Mohist school?”

Mo Qingchen’s face turned pale, and he pointed at Kai fiercely: “Come here, teach this ignorant brat a lesson!”

Four Mohist guards rushed out instantly, all of them were at the third level of the Sanxian realm, and pounced on Kai with great momentum!

Four third-grade scattered immortals are definitely more than enough to deal with Kai, who is alone in the third-grade scattered immortal realm!

“Kai, don’t kill anyone!”

Mo Qingyun was not worried about Kai, but just reminded Kai not to kill anyone.

After all, these people are all from her Mohist school!

After hearing Mo Qingyun’s words, the other members of the Mo family all looked at her with dissatisfaction.

It was obvious that Mo Qingyun meant that the four third-grade immortals of the Mo family could not defeat Kai alone!

Kai nodded towards Mo Qingyun, then without even raising his eyelids, he just waved his hand gently.

boom!

The four guards seemed to have hit an invisible wall. They flew backwards and hit the pillars of the hall heavily, spitting blood!

“What?”

Mo Qingchen’s pupils suddenly shrank.

He clearly sensed that Kai was only at the third level of the Loose Immortal Realm, how could it be possible...

The other members of the Mohist School were also extremely shocked. Kai was only a third-level Loose Immortal Realm cultivator. How could he defeat four third-level Loose Immortal Realm cultivators with just a simple wave of his hand?

Could this guy also fight against opponents of higher rank?

Chapter 5078

“With just this little ability, you dare to shout?”

Kai sneered, “If the Mohist School only has this kind of stuff, it’s better to close down as soon as possible.”

“Asshole!”

Mo Qingchen couldn’t bear it any longer and took action himself!

He is at the fifth level of the Scattered Immortal Realm and can be considered a genius among the younger generation!

“You’re looking for death!”

Mo Qingchen was furious. Three white lights flew out from his sleeves and turned into sharp blades that flew straight towards Kai’s door.

A third-grade Loose Immortal Realm cultivator is nothing but an ant in front of him, a fifth-grade Loose Immortal Realm cultivator. With this strike, he wants to cripple Kai on the spot!

However, before the cold light arrived, Kai flicked his fingertips, and a golden sword energy broke through the air, instantly shredding the white light into pieces.

Mo Qingchen's pupils shrank suddenly, and before he could react, Kai had already approached him, and put his index and middle fingers together like a knife, and pointed at his throat: "I'll give you three breaths to apologize to Qingyun."

"You...you dare to touch me?"

Mo Qingchen's voice trembled, but he still held on, "I am a direct descendant of the Mo family. If you hurt me, the entire Mo family will not let you go!"

"oh?"

Kai raised his eyebrows and applied a little force with his fingertips. Mo Qingchen suddenly felt his throat tighten and his breathing became difficult.

His face flushed red, and he looked around in horror, only to see that the Mohist leaders were either fearful or turning away, and no one dared to come forward to help.

"Three..." Kai began counting.

"two....."

"I-I apologize!"

Mo Qingchen couldn't hold on any longer and screamed, "Qingyun, I'm sorry! I shouldn't have scolded you... Please ask him to stop!"

Kai let go of his hand, and Mo Qingchen staggered back, covering his neck and coughing, his eyes full of resentment.

The whole place was in dead silence!

No one expected that Mo Qingchen, a fifth-level scattered immortal, would be completely powerless in front of Kai, a third-level scattered immortal!

Mo Wuji looked at Kai with complicated eyes: “This young friend has extraordinary strength. I wonder where his master came from?”

If there is a master behind Kai, then the Mohist School can climb up the big tree of Kai and no longer have to look at the face of Tianyuan Pavilion!

Kai said calmly: “No sect or school, just a casual cultivator.”

Mo Wuji was startled. How could a casual cultivator have such strength? This boy must be extraordinary!

“uncle!”

Mo Qingchen looked at Kai coldly and said, “He dared to take action in the Mo family, he must not be let off easily! And Qingyun and him...”

“That’s enough!”

Mo Wuji shouted, “Isn’t this embarrassing enough?”

“I am still the head of the family now, it is not your turn to tell me what to do!”

Then Mo Wuji turned to Kai and said in a gentle tone: “My friend, this matter is due to my poor discipline by the Mo family. Please forgive me.”

Kai smiled and waved his hands: “It’s okay, I just can’t stand some people who put the blame on women when they have no ability themselves.”

Mo Qingchen’s face turned pale, his fists were clenched so tightly that they made a clattering sound, but he didn’t dare to make another sound.

“Since you are Qingyun’s friend and it’s getting late, then stay here and let Qingyun make arrangements for you!”

Mo Wuji said!

“Thank you, Master Mo!” Kai bowed to express his gratitude.

Kai followed Mo Qingyun and left, and Mo Qingchen looked at the two of them leaving with viciousness in his eyes.

Mo Qingchen turned around and secretly went to a secret room and crushed a jade communication talisman.

After a moment, an illusory figure emerged. It was Elder Tong from Tianyuan Pavilion!

“Mr. Mo, how is it going?”

Elder Tong asked with a sinister smile.

Mo Qingchen gritted his teeth and said, “Mo Qingyun is back, but he’s followed by a guy named Kai. This guy’s strength is a bit abnormal.”

“I know, you shouldn’t underestimate Kai.” Elder Tong said!

“Elder Tong, will this guy’s sudden appearance affect my becoming the head of the Mo family?” Mo Qingchen asked anxiously!

“Probably not. Kai can’t stay in the Mo family forever.”

“Besides, I will come to your house in person tomorrow with Master Tianci. All you have to do is...”

The conspiratorial voices gradually faded. At the same time, in Mo Qingyun’s boudoir, she began to prepare a sleeping place for Kai.

“Kai, you’d better leave as soon as possible tomorrow.” Mo Qingyun said worriedly, “My cousin is narrow-minded, he will definitely take revenge on you.”

Kai smiled and said, “No hurry, I want to see what tricks he can come up with.”

“But.....”

“Don’t worry.” Kai interrupted her, “After tomorrow, no one in the Mo family will force you to marry.”

Mo Qingyun was stunned. For some reason, she saw a hint of heart-pounding chill in Kai’s eyes.

“Even if I get married, I will not give my complete body to the one given by God, do you understand?”

Mo Qingyun looked at Kai lovingly!

Kai nodded and said, “I understand. Don’t worry, I won’t let you down!”

After saying that, Kai pressed Mo Qingyun under him!

Mo Qingyun did not struggle. She had been waiting for Kai, waiting for Kai’s love...

This night passed quickly and slowly!

Neither Kai nor Mo Qingyun noticed that Mo Wuji was standing quietly outside the door!

The expression on his face was sometimes sad and sometimes happy.

Early the next morning!

Mo Wuji summoned all the Mo family leaders to gather in the meeting hall.

He had already decided to let Mo Qingyun follow Kai. After all, the two of them had practiced dual cultivation last night!

If Mo Qingyun were sent to Tianyuan Pavilion, Tianyuan Pavilion probably wouldn’t appreciate it.

When Tianci finds out that Mo Qingyun is no longer a grown-up girl, he will definitely vent his anger on the Mo family!

Kai and Mo Qingyun also came, and the two stood on one side of the hall!

“Everyone, I summoned you here this morning to tell you that my daughter Qingyun will be with this Master Chen!”

“I won’t send her to Tianyuan Pavilion, nor will I force her to marry Tianci, that androgynous guy!”

Mo Wuji said to everyone!

When everyone heard this, they were all shocked.

Mo Qingyun and Kai were both stunned, especially Mo Qingyun. She didn’t expect her father to make such a decision.

Mo Qingchen stood up and said, “Uncle, do you know that your decision will harm the entire Mo family?”

“Tianyuan Pavilion will not allow such a thing to happen. If that happens, I’m afraid our Mo family will completely disappear from the Second Heaven.”

Along with Mo Qingyun’s alarmist remarks, other senior members of the Mo family also spoke up!

“Master, this cannot happen.”

“You have to consider the entire Mohist school!”

“What’s wrong with the young lady going to Tianyuan Pavilion? It’s better than this stranger!”

Everyone in the Mohist School tried to stop them!

Mo Wuji's face looked very ugly. He could feel that most of the Mo family high-level officials had been bribed by Mo Qingchen and were following his nephew!

“Okay, let's not discuss this now. I'll tell you the truth. Even if Qingyun is sent to Tianyuan Pavilion, Tianyuan Pavilion will not accept her.”

“Last night, Qingyun had already started practicing dual cultivation with Master Chen. Now she belongs to Master Chen!”

Mo Wuji waved his hand and said!

When Mo Qingyun heard this, her face immediately turned red. Kai was also very embarrassed. He slept with someone else's daughter, and her father knew about it outside!

All the Mohist people were shocked, with looks of panic on their faces!

If they angered the Tianyuan Pavilion, the Mohist School would not be able to withstand the wrath of the Tianyuan Pavilion!

Just when the Mohists were arguing in the meeting hall!

In a room of Tianyuan Pavilion, Tianci was still injured and had not fully recovered.

Elder Tong took out a porcelain bottle and threw it over!

“Take these pills, they will be good for your injuries.” Elder Tong said!

“Elder Tong, now that Kai is with Mo Qingyun, they are both in the Mo family, what should we do?”

Tianci asked as he opened the porcelain bottle and poured the pill into his mouth!

Chapter 5079

“What else can we do? Of course we go to the Mohist School to ask for an explanation!” Elder Tong said!

“But didn’t the Pavilion Master say that we can’t deal with Kai anymore? Otherwise, I will lose my title as a genius!”

Although Tianci is moody and has killed many people, he still obeys the orders of the Pavilion Master!

He didn’t dare to disobey the Pavilion Master’s wishes!

“We are just going to the Mo family to seek justice. We won’t bother with Kai. If Kai takes the initiative to stand up, it won’t be our fault.”

Elder Tong’s eyes were filled with murderous intent: “Let’s take more people with us. It’s fine if Kai behaves well, but if he dares to meddle in the affairs of the Mo family, then we’ll settle all new and old grudges together!”

“Okay!” Tianci nodded!

.....

Mohist meeting hall!

Mo Wuji had a cold face and wanted to forcibly dismiss everyone. There was no need to continue this meeting.

But just as Mo Wuji was about to speak, the sky outside the Mo family’s meeting hall suddenly darkened, and more than a dozen grey-robed figures came over like dark clouds.

The leading Elder Tong stood with his hands behind his back, his sinister eyes sweeping over everyone in the hall, finally landing on Mo Wuji’s face.

Mo Wuji's pupils suddenly shrank, his Adam's apple rolled as he took two steps forward, the soles of his shoes making a harsh sound as they rubbed against the bluestone slabs.

He raised his hand and bowed with an effort of composure, but his voice was trembling unnoticeably: "Elder Tong and Young Master Tianci are honored to have you here. Mo's humble home is honored..."

"May my humble home be honored?" Elder Tong sneered, and a gust of wind blew up as his sleeves fluttered, abruptly interrupting Mo Wuji's words.

He came in the air, and every step seemed to be stepping on Mo Wuji's heart, "Mo Wuji, you Mo family are so brave!"

Tianci followed closely behind, his face as dark as a poisoned blade, staring at Mo Qingyun with eyes that almost cut her through.

The wound he suffered from Kai was still aching, and his eyes were bloodshot from his anger: "Mo Qingyun, you are awesome!"

Mo Wuji was sweating profusely. He caught a glimpse of his daughter hiding behind Kai and gritted his teeth, "Elder Tong, this matter... there is a misunderstanding..."

"Misunderstand?"

Elder Tong suddenly raised his hand, and a stream of spiritual power turned into a long whip and lashed at the pillar of the temple, causing gravel to fly and everyone retreated in shock.

He pointed at the tip of Mo Wuji's nose and said, "Can the engagement at Tianyuan Pavilion be misunderstood? Let me ask you, did Mo Qingyun practice dual cultivation with this wild man?"

The last three words hit the hall like a heavy hammer, and the Mohist leaders were instantly furious. They didn't expect that Tianyuan Pavilion also knew about this.

Mo Qingchen's eyes flickered, and he took the opportunity to take half a step forward, a sinister smile appearing at the corner of his lips.

Mo Wuji's face was as pale as paper. He staggered back half a step, clenching his fists tightly under his sleeves to prevent himself from falling.

He didn't dare look at Mo Qingyun, but had to speak: "Indeed, it is true... But Elder Tong, this is my daughter's own will, and the Mo family cannot stop her..."

"Can't stop it?"

Tianci was furious, and a ball of blue flame condensed at his fingertips. "My Tianci's woman has been slept with by someone else, and you tell me that I can't stop it?"

The flames hit the ground with a "bang", instantly burning a charred hole: "Today I will make the Mo family disappear!"

Tianci's words made everyone in the Mohist School tremble with fear!

They knew that Tianyuan Pavilion was really angry, otherwise so many masters would not have come!

"Master Tianci, calm down!" Mo Qingchen stood up and said, "This matter was entirely done by Mo Wuji alone. It has nothing to do with the rest of our Mo family!"

"But he is the head of the Mo family. If he asks you to attack my Tianyuan Pavilion, will you not listen?"

Elder Tong asked Mo Qingchen!

The two people are obviously directing and acting in their own drama. They know each other's background, but they pretend to know nothing!

Mo Qingchen turned and stared at Mo Wuji, his eyes full of ruthlessness: “Uncle, you have no way of managing the family, and you have allowed your daughter to ruin the reputation of the Mo family, and you have even disregarded the safety of the family, so I can only kill my relatives for the sake of justice. Now I will be the head of the Mo family!”

Chapter 5080

As soon as this statement was made, half of the Mohist leaders echoed it.

Mo Qingchen had secretly bribed these people a long time ago, and now that the time was ripe, they immediately attacked in groups.

“This move by the Patriarch is indeed inappropriate!”

“The Mohist School cannot be destroyed by him alone!”

“Please ask Master Tianci to make the decision for the Mohist School!”

Mo Wuji widened his eyes, looking at those faces that used to be submissive to him but were now full of betrayal, and felt dizzy.

He staggered and held onto the temple pillar, his nails almost digging into his palms: “You...you actually...”

“Father!” Mo Qingyun exclaimed and wanted to step forward but was gently pulled back by Kai.

She turned to look at Kai, but saw that he looked calm, with even a hint of sneer at the corner of his lips.

Kai had long discovered that Mo Qingchen was definitely in secret contact with Elder Tong and others, with the goal of seizing the position of patriarch!

“You’re done?”

Kai finally spoke, his eyes filled with disdain, “A bunch of clowns, dare you to play tricks in front of me?”

“You have already discussed this, right? Why are you pretending to be so hypocritical?”

“And you two defeated generals, why don’t you learn your lesson?”

Kai’s words stunned everyone in the Mohist School!

Especially Mo Qingchen, he had no idea that Kai had followed Elder Tong to fight with Tianci!

It seems that Kai has defeated both of them!

Elder Tong’s pupils suddenly shrank and he subconsciously took a half step back.

The loss he suffered at the hands of Kai was still fresh in his mind. Seeing the aura surging around him, he actually felt a sense of oppression as if he were facing a mountain.

But thinking that the dozen or so masters he brought today were all fifth-grade masters of the Sanxian Realm, he gritted his teeth and sneered, “Kai, do you really think you can fight against my Tianyuan Pavilion on your own?”

Although they knew that Kai was capable of fighting against opponents of higher levels, with so many of them, Kai was definitely no match for them!

Even a tiger can’t stand up to numbers!

“confrontation?”

Kai raised his eyebrows and flicked his fingertips. A golden light passed by Elder Tong’s ear and cut off a strand of his white hair. “Just relying on you rubbish?”

Tianci was furious: “Kill him for me!”

Before he finished speaking, more than ten figures attacked at the same time! All kinds of terrifying auras hit Kai like a rainstorm, and the entire meeting hall was instantly reduced to ashes.

Mo Qingyun’s face turned pale, and he subconsciously wanted to rush forward, but was held back by Mo Wuji.

He knew that if Mo Qingyun rushed forward, he would be dying in vain.

Now it depends on Kai’s own strength.

I saw a golden light appearing around Kai at some point, and then golden scales covered Kai’s entire body!

The indestructible golden body has been activated!

At the same time, two streams of black mist surged out of Kai’s body and directly transformed into two warriors!

The two warriors held big swords and directly chopped off the violent aura.

The missed breath hit Kai, but Kai did not dodge or evade, and remained as steady as a rock.

“This...how is this possible?”

Mo Qingchen was stunned and stepped back subconsciously, but was met with Tianci’s cold eyes.

Elder Tong frowned and felt even more frightened.

A dozen or so fifth-grade immortals couldn’t shake Kai at all?

Especially these two warrior statues, they are too outrageous!

Seeing this, Mo Wuji's body trembled slightly with joy. He had long seen that Kai was extraordinary, but he didn't expect him to be so awesome. It seems that he made the right bet!

“Is that all you can do?”

Kai sneered and raised his hand and waved lightly.

A breath suddenly spread out and surged to the surroundings like a tide.

Those besieging masters of Tianyuan Pavilion were pushed away by an invisible giant hand and flew backwards one after another.

As those Tianyuan Pavilion masters flew backwards, two warriors also jumped up!

More than a dozen masters from Tianyuan Pavilion followed the two warriors to fight together!

However, as soon as the battle started, more than a dozen masters from Tianyuan Pavilion felt the pressure!

After all, these two warriors are not alive, have no thoughts, and are not afraid of death.

Accompanied by screams, masters of Tianyuan Pavilion began to fall one after another!
