

the mans Decree: Kai Ping / Chen Ping

Chapter 5081

Tianci and Elder Tong looked at each other and realized that they had underestimated Kai, so they turned around and wanted to escape!

Just as Tianci turned around to escape, he saw Kai already appeared in front of him.

Kai clamped his throat with two fingers. The force was not strong but made him unable to move. “Why, you didn’t learn your lesson today after I beat you up two days ago?”

“You... you dare to touch me?” Tianci’s voice trembled, but he was still holding on. “I am the pride of Tianyuan Pavilion. If you hurt me...”

“What if I hurt you?”

Kai applied a little force with his fingertips, and Tianci’s face suddenly turned red, and his eyeballs almost popped out. “Go back and tell your Pavilion Master that if you dare to have ideas about Qingyun again, I will demolish his Tianyuan Pavilion.”

“Kai!”

Elder Tong roared fiercely, “If you dare to hurt Tianci, Tianyuan Pavilion will definitely come out in full force and you will never have peace!”

Kai turned his head to look at Elder Tong, his eyes as cold as a knife: “Who have I ever been afraid of? Go back and tell your Pavilion Master, come and try if you have the guts.”

After that, he threw Tianci to Elder Tong casually, and Elder Tong hurriedly caught it, but was taken back more than ten steps by the huge impact.

Everyone in the Mo family was already stunned.

Mo Qingchen's face turned pale, he didn't expect things to turn out like this!

This Kai was not even afraid of Elder Tong and Tianci!

At this moment, there were suddenly more than a dozen terrifying auras approaching from afar above the Mo family!

When these dozen auras approached, everyone saw more than a dozen men in black hanging in the void!

“People from Shura Palace?”

Seeing the people coming, everyone in the Mo family was shocked.

You know, in this second heaven, Tianyuan Pavilion and Shura Palace are among the best forces.

Now that the two major forces have come to the Mo family, everyone in the Mo family is terrified. I don't know why the people from Shura Palace suddenly visited!

The leader of Shura Palace was the third elder, staring at the people below.

When Elder Tong of Tianyuan Pavilion saw the people from Shura Palace coming, he was immediately happy!

Because he knew that Kai killed Sang Kun of Shura Palace.

The people from Shura Palace suddenly came at this time, and they must be seeking revenge on Kai.

Since they failed to kill Kai, they would try to get the Shura Palace to do it, so as to kill someone with a borrowed knife.

Even if there was any terrorist force behind Kai's departure, they would not be able to find their Tianyuan Pavilion at that time.

"It turned out to be the third elder of the Shura Palace. Nice to meet you..."

Elder Tong stepped forward and greeted him with a smile on his face!

But the third elder did not even look at Elder Tong, but stared at Kai with his eyes.

Seeing this, Kai became alert!

He knew that the people from the Shura Palace were likely to come to kill him, after all, he had just killed Sang Kun from the Shura

Palace. Mo Qingyun was also nervous when she saw the people

from the Shura Palace coming. "Daughter, what's going on? Why did the people from the Shura Palace come suddenly?" Mo Wuji

asked!

"Father, Kai killed Sang Kun from the Shura Palace..." Mo Qingyun said!

"What?" Mo Wuji felt his eyes go black and he almost fainted.

The two major forces in the Second Heaven were both offended by Kai.

No matter how capable Kai is, he can't deal with the two major forces of Shura Palace and Tianyuan Pavilion by himself.

Mo Qingchen, who was standing aside, laughed when he heard it. This time Kai couldn't escape.

As long as Kai died, the position of the head of the Mo family would be his, and no one would be able to stop Elder Tong and others from helping him.

Elder Tong was a little angry when he saw that the third elder of Shura Palace ignored him, but at this time, he could only bear it.

“Third elder, are you here to seek revenge on Kai? This guy killed your young master Sang Kun.”

Elder Tong provoked!

Chapter 5082

However, the third elder still did not speak. He then slowly descended and walked towards Kai step by step!

Elder Tong laughed when he saw this. Tianci also raised his lips slightly, waiting to see how the people from Shura Palace would kill Kai.

But when the Third Elder came to Kai's side, he actually bowed deeply, and then said very politely: “Mr. Chen, I'm really sorry. Our young master Sang Kun has offended Mr. Chen, and he deserves to die.”

“But he was also instigated by someone, and I hope Mr. Chen will not blame us at Shura Palace. Our eldest lady specially ordered me to apologize to Mr. Chen.”

The third elder's attitude was very sincere, which surprised Kai a little!

When the others saw this, they were all stunned!

Elder Tong, in particular, looked at the Third Elder in disbelief, and then asked loudly, “Third Elder, are you from Shura Palace so cowardly? Your own young master was killed, and you're still apologizing?”

“Shut up, if you hadn’t instigated and wanted to kill someone with a borrowed knife, how could our young master have died?”

As soon as the words fell, the third elder took action instantly.

Suddenly, a ray of blood appeared in front of Elder Tong.

Elder Tong’s face changed drastically. He clasped his hands together and a protective shield instantly rose in front of him.

Bang!

With a loud bang, Elder Tong was blown away, and as soon as he landed on the ground, the third elder jumped up and another bloody light came towards him.

This time, the blood light was even faster and instantly pierced into Elder Tong’s body!

Elder Tong just stood there, motionless.

“How dare you touch anyone from Tianyuan Pavilion?”

Seeing this, Tianci hurried over and wanted to save Elder Tong, but Elder Tong stood there motionless, his eyes full of fear!

His formation skills are superb, but his real strength is not as good as the third elder of Shura Palace, so he is in such an embarrassing situation.

“Tianci, call the Pavilion Master...”

Elder Tong did not move, but squeezed out a few words through gritted teeth!

He knew that if no one came to rescue him at this time, he and Tianci would surely die!

Tianci nodded, grabbed the jade pendant from Elder Tong's waist, and crushed it.

In an instant, a mysterious force enveloped Elder Tong and Tianci.

A shadow slowly appeared in front of the two of them!

"Master, save me..." Elder Tong shouted hurriedly upon seeing this.

The master of Tianyuan Pavilion has arrived, but he is just a shadow!

Upon seeing this, the third elder of Shura Palace's expression changed slightly.

He didn't have the courage to kill the elders of Tianyuan Pavilion in front of the Pavilion Master.

"Can the elders of my Tianyuan Pavilion be slaughtered at will by you, the Shura Palace?"

The head of Tianyuan Pavilion said in a cold voice!

"Master Tian, you must know what your people have done, right?" said the third elder!

The head of Tianyuan Pavilion slowly turned his head and looked at Elder Tong, which made Elder Tong turn pale.

"Your people instigated our Young Master Sang Kun to deal with Mr. Chen, and told him that Mr. Chen had a relic treasure, which led to our Young Master Sang Kun being killed. Do you think we, the Shura Palace, should ask you for an explanation?"

The third elder questioned!

The leader of Tianyuan Pavilion certainly knew about this, as it was his idea. However, he certainly could not admit it at this time.

“The young master of your Shura Palace was killed by Kai, so why bother looking for revenge on Kai? Why look for us in Tianyuan Pavilion?”

“Are you bullying us because there is no one in Tianyuan Pavilion?”

The head of Tianyuan Pavilion said coldly!

“I didn’t instigate it. It was your Master Sangkun who was too stupid. He became greedy on his own. What does it have to do with me?”

“I told many people about the relic treasures on Kai’s body, so why didn’t the others die?”

Seeing that he had the support of his Pavilion Master, Elder Tong also became more assertive.

Chapter 5083

“You.....” The third elder didn’t know what to say after being confronted.

“I will not bother with you about the matter of you from Shura Palace injuring my elder. Take your people and get out of here immediately.”

“When your Palace Master comes out of seclusion, I will personally visit him and ask for an explanation.”

The leader of Tianyuan Pavilion waved his hand and said!

The third elder had an ugly look on his face, but he didn’t dare to take any more action. After all, he didn’t have the courage to do it in front of the Pavilion Master of Tianyuan Pavilion.

Even if the opponent is just a phantom, the Third Elder does not want to cause a war between Shura Palace and Tianyuan Pavilion!

“Since you’re the one spreading news about me everywhere, I can’t keep you here!”

Kai walked forward slowly.

The head of Tianyuan Pavilion looked at Kai and smiled faintly, “He is indeed young and promising. I heard that he can even fight against opponents of higher rank.”

“I wonder if you are interested in joining our Tianyuan Pavilion. I can make you a Tianjiao, and then you will have endless resources!”

The leader of Tianyuan Pavilion actually planned to accept Kai as his subordinate.

“You don’t deserve it...”

Kai said calmly!

“What did you say?” The head of Tianyuan Pavilion was furious, and his aura began to rise.

The others were also shocked. None of them had expected that Kai would dare to speak to the Tianyuan Pavilion Master in this way.

“I said you don’t deserve it, are you deaf?”

Kai said!

“Kai, you are so bold that you dare to speak to our Pavilion Master like this?”

The elder Tong roared!

This guy can’t even move, yet he’s still so arrogant.

“Tranquility...”

Kai snorted coldly and waved his hand!

A ray of golden light burst out and instantly penetrated Elder Tong's body. At the same time, Elder Tong's head was thrown high into the air, then rolled to the ground and rolled far away!

boom!

In an instant, a terrifying aura locked onto Kai.

The others were very nervous and stepped back, fearing that they would be affected.

Seeing that Kai dared to kill Elder Tong of Tianyuan Pavilion in front of the Pavilion Master of Tianyuan Pavilion, the third elder of Shura Hall couldn't help but give a thumbs up: "Awesome..."

"Awesome..."

A dozen men in black from Shura Palace also shouted in unison!

At this moment, the head of Tianyuan Pavilion looked extremely ugly. This was a slap in his face in public.

"boom....." "boom....."

The shadow of the Tianyuan Pavilion Master suddenly expanded, and his black robe fluttered, creating a real spiritual power storm.

The bluestone slabs within a ten-foot radius cracked inch by inch, and the Mohist disciples were blown away by the air wave, crashing into the wall and spurting blood.

"You are so arrogant youngster!"

The shadow of the Pavilion Master slashed through the void with one finger, and the dark blue ice cone shot out like a poisonous snake, whistling sharply and heading straight for Kai's brow.

Wherever the ice cone passed, the air froze into frost and the ground cracked into three-foot-long gullies!

“Kai, be careful!” Mo Qingyun exclaimed.

Mo Wuji was also worried about Kai!

Although the leader of Tianyuan Pavilion is just a shadow, his strength should not be underestimated.

Mo Qingchen had a sneer on his face. He was laughing at Kai for overestimating his own abilities and daring to offend even the leader of Tianyuan Pavilion.

Isn't this just seeking death?

However, Kai remained motionless in the face of the attack from the master of Tianyuan Pavilion.

Just when the ice cone was three inches away from his forehead...

“clang!”

The sound of a sword resounded through the sky!

Kai flicked his finger, and golden light suddenly appeared on his fingertips, turning into a three-meter-long giant blade that slashed across the air.

Wherever the golden blade passed, the void twisted and actually split the Pavilion Master's ice cone into two!

“Bang!!!”

The shock wave caused by the collision of the two forces swept across the entire venue.

The dome of the Mohist meeting hall exploded, and countless pieces of rubble poured down like a rainstorm.

Everyone ran away in panic, and those with weaker cultivation were directly knocked unconscious.

When the smoke and dust cleared, everyone was shocked to make a discovery.

Kai stood with his hands behind his back, not even the corner of his clothes was ruffled.

And that huge golden blade actually turned the Pavilion Master's ice cone into light spots all over the sky!

"Is that all you can do?" Kai sneered.

The shadow of the Tianyuan Pavilion Master showed a surprised expression for the first time: "You"

Chapter 5084

Before he finished speaking, Kai suddenly raised his hand and grabbed!

"Crack!"

The golden light penetrated the phantom's chest like a living thing and instantly turned into nine chains that wrapped around its limbs.

The Pavilion Master's phantom struggled frantically, but saw fire gushing out of Kai's palm...To deal with this kind of phantom, fire is the best weapon.

"Destroy."

A word of understatement.

“BOOM——!!”

The shadow of the dignified Tianyuan Pavilion Master was actually crushed into a rain of light all over the sky!

Seeing this scene, everyone was stunned!

“A mere shadow dares to threaten me. You really don’t know how to live or die!” Kai snorted coldly!

“Plop!”

Tianci wanted to escape, but his legs went weak and he fell to the ground, with a large wet spot on his crotch. This genius of Tianyuan Pavilion was so frightened that he became incontinent!

Seeing Tianci’s expression, Mo Qingyun laughed, and laughed happily.

Who made this guy act so arrogant all the time? Now he has behaved himself!

“You want to run?”

Kai’s feet crushed the bluestone, and every step felt like stepping on Tianci’s heart.

Tianci’s tears were streaming down his face as he crawled back, “Senior Chen, please spare my life! I was just following orders! It’s none of my business, and I won’t bother Mo Qingyun anymore.”

Tianci begged for mercy desperately, just wanting to keep his life.

“The prodigy of Tianyuan Pavilion?” Kai stepped on his chest, “Nothing more than that.”

Golden light spread from the soles of his feet, and Tianci made a strange “crackling” sound from his throat, and in the blink of an eye he turned into a charred corpse.

“Boom! Boom!”

Suddenly, two loud noises were heard from a distance. The two warriors returned, and more than ten masters of Tianyuan Pavilion were slaughtered!

The two warriors returned and turned directly into black mist and entered Kai’s body!

Seeing this scene, the three elders of Shura Palace were filled with shock. These two warriors were also relics. They were indeed treasures to everyone!

However, knowing that it was a treasure, the third elder of Shura Palace no longer dared to show any greed in his eyes.

“Mr. Chen, now that everything has been explained clearly, I will take my leave. I have to go back and report to the young lady.”

The third elder clasped his fists towards Kai and said!

“Please convey my apologies to Shura Palace.” Kai bowed.

Since Shura Palace was so sensible, Kai also felt that he had gone too far in killing Sang Kun.

“Of course. If you have time, please invite Mr. Chen to visit my Shura Palace.”

The third elder said!

The third elder said!

“Okay!” Kai nodded!

It was necessary for him to go to Shura Palace. After all, he had killed someone else’s young master, and Shura Palace not only did not take revenge, but also apologized to him!

Kai felt that going there in person and explaining things would be a sign of respect to Shura Palace!

After all, more friends are better than more enemies!

The third elder took his men away!

Only the Mohists were left standing in the ruins!

At this time, everyone's eyes fell on Mo Qingchen!

“Master, I was bewitched by Mo Qingchen and did something wrong. I followed him to force the master to abdicate. I beg the master to punish me!”

“Yes, we were bewitched, and we beg the head of the family to punish us!”

All the Mo family leaders suddenly knelt down in front of Mo Wuji!

They knew that if they chose to join Team Mo Qingchen at this time, they might even lose their lives!

Mo Qingchen's face looked ugly as if he had eaten shit, and he knelt down with trembling body!

“Uncle!” Mo Qingchen kowtowed madly, his forehead bloodied and bloody, “It was Elder Tong from Tianyuan Pavilion who forced me to do this!”

Mo Wuji looked at Mo Qingchen who was kneeling on the ground, his face as cold as iron, and he had no family affection at all!

“Rebellious son!”

“I raised you and you took advantage of my misfortune. Damn it!”

The sword flashed and the head fell to the ground.

The whole place was dead silent.

Mo Wuji turned around and bowed deeply to Kai: “Everyone in the Mo family thanks you for your kindness, sir!”

Kai hurried forward to help Mo Wuji up and said, “Master Mo, there is no need to be polite. Since Qingyun has become my woman, we are a family. I should help you.”

“Yes, we are a family!” Mo Wuji nodded happily!

Then he looked at the Mo family and said loudly: “From today on, everyone will see Kai as if they were seeing the head of the family.”

“If anyone dares to disrespect Mr. Chen, he will be punished according to the family rules...”

“Meet Mr. Chen...”

All the Mohist disciples knelt on one knee in unison and looked at Kai standing with his hands behind his back, their eyes full of awe.

Chapter 5085

Shura Palace!

A woman in white robe was sitting cross-legged in the room. In front of her was a furnace that was constantly emitting white mist, making the room full of smoke!

At this time, the door opened and the third elder walked in slowly!

“Third Elder, did you teach Elder Tong of Tianyuan Pavilion a lesson?”

The woman in white robe asked!

“Miss, I did teach you a lesson, but...”

“But what?” asked the woman in white robe!

“But Elder Tong is dead. He was killed by Kai.” The Third Elder paused and continued, “The phantoms of the Pavilion Master of Tianyuan Pavilion were all summoned, but Kai shattered the phantom of the Pavilion Master of Tianyuan Pavilion and killed Elder Tong and Tianci.”

“Oh?” The white-robed woman was a little surprised: “I didn’t expect that Kai is so powerful that he doesn’t even take the Pavilion Master of Tianyuan Pavilion seriously.”

“It seems that I still underestimated him. It seems that I was right not to let the people of Shura Palace take revenge.”

“This time, let’s just sit back and watch how Tianyuan Pavilion handles this matter!”

“Yes, let’s see if Tianyuan Pavilion has the ability to deal with Kai!” The third elder also nodded!

Just as he finished speaking, the door was suddenly blown open by a powerful force, and wood chips flew everywhere like snowflakes.

A figure in black armor strode in, stepping on the messy ground.

The black iron combat boots slammed heavily on the ground, making a dull sound and leaving several deep footprints on the hard floor tiles.

This person was none other than Sang Qi, the eldest son of Shura Palace. At this moment, his handsome face was covered with frost.

His eyes were as red as blood, as if filled with endless rage; the Shura Sword hanging around his waist trembled slightly, as if sensing his master’s anger.

“Sang Lan!”

Sang Qi shouted angrily, his voice like thunder, shaking the furnace in the room and making the white mist surge violently, “My brother Sang Kun died tragically, and you just sat here and watched?”

He suddenly pulled out the Shura Sword, and the blade cut through the air, bringing up a cold light and pointing directly at Sang Lan.

The woman in white robe slowly opened her eyes, and a hint of coldness flashed in her eyes.

She stood up gracefully, the aura around her suddenly surged, her white robe fluttered without wind, and an invisible pressure spread out in all directions like a tide.

“Brother, it’s not that I don’t care, but the one who killed Sang Kun, Kai, is extremely powerful, and there is a mysterious force behind him to support him.”

“Sang Kun was the one who provoked me first and was used as a gun. If I were to take revenge hastily, it would only cause Shura Palace to fall into an irreparable situation!”

Sang Lan’s voice was as cold as ice, every word was clear, yet it revealed unquestionable majesty.

“Bullshit!”

Sang Qi roared, veins popping out on his forehead, “When did my Shura Palace become so cowardly?”

“I don’t care what kind of power is behind him. If he dares to kill someone from my Shura Palace, I will tear him into pieces!”

After saying this, he turned around and was about to leave, preparing to summon the masters of Shura Palace to take revenge.

“stop!”

Sang Lan flashed and appeared at the door in an instant, blocking Sang Qi's way.

The aura around Sang Lan became more fierce, and there was a faint flash of lightning in the air: "Father is in seclusion. Now I am in charge of Shura Palace. No one is allowed to act rashly without my order!"

Sang Qi laughed in anger, his laughter full of ridicule and disdain: "Just you? A woman wants to be in charge of Shura Palace? No one can stop me today!"

He swung his sword fiercely towards Sang Lan. The sword was so powerful that it made a sound like breaking through the wind, as if it was going to split everything in front of him in half.

Sang Lan's eyes flashed, and she formed seals with her hands. A black shield instantly condensed in front of her.

The Shura Sword slashed heavily on the shield, causing a dazzling light and a huge roar. The powerful air wave overturned all the tables and chairs in the room, and the furnace was also shaken and flew backwards. White mist filled the entire room.

Chapter 5086

"Brother, if you insist on doing this, don't blame me for being rude!"

Sang Lan shouted softly and waved her hands repeatedly. Black runes flew out from her fingertips and formed a huge formation in the air.

The light of the formation became brighter, and a terrifying suction force emanated from the formation, trapping Sang Qi tightly.

Sang Qi struggled hard, waving the Shura Sword wildly, trying to break through the constraints of the formation.

"Sang Lan, how dare you! When father comes out, I will make you pay!"

His roar was filled with resentment and anger.

At this moment, a black shadow suddenly swept in from the window and landed between the two of them.

“stop!”

The shadow shouted, his voice deep and majestic.

Sang Qi and Sang Lan looked closely and found that it was the grand elder of Shura Palace.

The great elder glanced at the two men with a sharp gaze and said in a deep voice, “With a powerful enemy at hand, you are still fighting among yourselves? If this gets out, other forces will laugh at you!”

The status of the Great Elder in Shura Palace is no worse than that of the Palace Master. You should know that the Great Elder is the elder of Shura Palace.

Sang Qi snorted coldly and stopped struggling, but his eyes were still full of resentment: “Great Elder, my brother died unclearly, I can’t just let it go like this!”

The elder sighed and said earnestly, “Young Master, I understand your feelings, but the situation is complicated now.”

“That Kai was able to shatter even the shadow of the Tianyuan Pavilion Master and was not afraid of the Tianyuan Pavilion at all, so the power behind him is far beyond our imagination.”

“If we rashly seek revenge, not only will we not be able to get revenge, but it will also put Shura Palace in danger. It is better to be patient for a while and wait until we find out the forces behind Kai before making any plans.”

Sang Lan also put away the formation and said slowly: “The elder is right, brother, the most important thing for us now is to stabilize the

situation and protect the Shura Palace. When father comes out of retreat, everything will be settled.”

Sang Qi was silent for a moment, then suddenly laughed out loud towards the sky, his laughter filled with sadness and helplessness.

“Okay! Okay! Okay! You are all afraid, but I am not! Even if I die, I will avenge my brother!”

He struggled violently, broke through the remaining power of the formation, and rushed out of the room like an arrow, leaving only a black afterimage.

Sang Lan looked at Sang Qi’s departing back, a hint of worry flashing in her eyes.

She knew that a greater crisis was about to befall Shura Palace.

At this time, in Tianyuan Pavilion, the aftermath of the Pavilion Master’s phantom disappearing had not yet subsided. The Pavilion Master was sitting in the main seat, looking down with cold eyes: “Kai, Shura Palace, we will slowly settle this account...”

.....

In the Glazed City of the Second Heaven, even the air is filled with flowing light and brilliance.

Mo Qingyun held Kai’s hand, her skirt swept across the bluestone road, bringing up tiny starlight.

She pointed at the lights hanging in the air on the street, her eyes brighter than the halo: “Look, this is the ‘retrospective light’ unique to the Second Heaven, it can reflect the street scene a hundred years ago. This is your first time in the Second Heaven, I will take you to have fun.”

Kai looked down at the dancing lights in her hair, his fingertips unconsciously caressing the warmth of her palms.

He had indeed never set foot in this world. All his past years had been spent in killing and practicing. How could he have ever seen such a magnificent and gentle scenery?

The scent of osmanthus wafted from the teahouse on the corner of the street. The storyteller was telling the legend of how the master of Tianyuan Pavilion conquered demons a hundred years ago. His voice was ups and downs, but it was far less charming than the smile of the woman beside him.

“The Mirror Flower Lake is in front of us.”

Mo Qingyun pulled him around the corner. The lake was like a huge glass mirror, reflecting the floating buildings in the sky. “I heard that making a wish by the lake is particularly effective.”

She squatted down and lightly touched the water with her fingertips. When ripples spread, tiny golden scales appeared at the bottom of the lake. They were koi carps the size of a palm, and their scales changed into rainbow colors with the light and shadow.

Chapter 5087

Kai accompanied her in feeding the fish. Seeing her smiling like a child, the corner of his heart that had been frozen for years melted quietly.

He had never thought that, apart from the flashing of swords and the fighting of sabers, there were scenes in the world that could slow down time.

Until a cold and evil aura suddenly tore through the air, and the light by the lake dimmed.

“Kai!”

The angry roar was like thunder, Sang Qi’s black armor was stained with blood, and the cold light from the Shura Sword pierced Kai’s back.

He had obviously been tracking for a long time. His aura was as violent as a volcano about to erupt. His scarlet eyes were fixed on Kai, as if he wanted to eat him alive: “Give me back my brother’s life!”

“Who are you?” Kai asked Sang Qi.

“Xura Palace, Sang Qi, the Sang Kun you killed is my brother!”

After Sang Qi finished speaking, he swung the Shura Sword in his hand!

Mo Qingyun’s face suddenly changed, and he subconsciously pushed Kai back, but he was swept by the wind from the knife, and his sleeve was instantly torn.

Kai’s eyes turned cold, and he blocked Mo Qingyun with his arm. With his other hand, he held the Dragon-Slaying Sword and slashed towards the Shura Sword.

“clang……!”

The sound of metal clashing caused ripples on the lake surface, and the koi fish dived to the bottom of the lake in fright.

Sang Qi was shocked and took three steps back. His knuckles were cracked and bleeding, but his eyes were filled with madness: “You have some skills! But you must die today!”

His sword changed momentum, transforming into sword shadows all over the sky. Each sword move carried the secret killing move of Shura Palace, and each move was deadly.

Kai moved his feet slightly, and his figure shuttled among the knife shadows like a ghost.

He did not use his full strength, firstly because he was concerned about Mo Qingyun’s presence, and secondly because he wanted to see how capable the eldest son of Shura Palace was.

But Sang Qi's attacks became more and more desperate, and he completely ignored his own flaws, and it was obvious that he wanted to die together with his opponent.

“act recklessly.”

Kai snorted coldly and did not hold back anymore.

The golden light of the Dragon Slaying Sword suddenly increased, and it transformed into a golden dragon, slashing down towards the Shura Sword.

With a “puff”, the energy sword easily cut off the blade of the Shura Sword, and slashed Sang Qi's shoulder with the remaining force. The black armor shattered and blood gushed out.

Sang Qi screamed, knelt on one knee, and looked at the wound on his shoulder in disbelief.

He had practiced hard for many years and thought he was the best among his peers, but he was so easily defeated by Kai.

“Brother!”

Sang Lan's scream was heard in the distance. She rushed over with the Great Elder and others, only to see that Sang Qi was already seriously injured.

The Great Elder's pupils suddenly shrank, and his aura exploded instantly. An invisible pressure enveloped the entire place, and the air in Liuli City seemed to solidify.

He stared at Kai, his voice as cold as ice: “Kai, I respect you as a hero, but if you hurt the eldest son today, even if all the people in the Shura Palace come out, you will be killed without a burial place!”

Mo Qingyun's heart tightened and he subconsciously held Kai's hand.

The power of the Shura Palace's Grand Elder is unfathomable. If a fight really breaks out, they may not be able to escape unscathed.

However, Kai just smiled faintly, with a hint of sarcasm and disdain in that smile.

He looked down at Sang Qi who was kneeling on the ground, and slowly raised the golden sword, with the tip of the sword pointing at his throat.

“No place to bury the dead?”

Kai's voice was very soft, but it was clearly heard by everyone. “When have I, Kai, ever been afraid of threats in my life?”

Fear flashed in Sang Qi's eyes and he wanted to beg for mercy, but the murderous intent in Kai's eyes choked him.

“Your brother Sangkun was the one who provoked me first, so he deserves to die.”

The tip of Kai's sword trembled slightly. “You seek revenge today, but you will also seek your own destruction.”

“No!” Sang Lan screamed and tried to stop it, but was held back by the great elder.

The Great Elder's face turned pale. He didn't expect that Kai would dare to ignore his threats.

“This is not a threat, this is a warning...”

The Great Elder looked at Kai coldly, his eyes full of disdain!

Chapter 5088

He didn't believe that Kai dared to kill Sang Qi in front of the people from Shura Palace!

Even if there is a powerful force behind Kai, he would not dare to do it now.

But the next moment, a golden light flashed, and a sword with murderous intent slashed down.

“puff.....”

Blood spurted into the sky, and Sang Qi’s head rolled to the ground, with fear and unwillingness still lingering in his eyes.

The body swayed and then fell to the ground with a bang.

The whole place was dead silent.

Mo Qingyun’s hand holding Kai’s was trembling slightly, not because of fear, but shock.

She knew that Kai was powerful, but she didn’t know he was so powerful that he dared to kill his enemies decisively even under the threat of the Shura Palace’s Grand Elder.

Kai retracted the Dragon-Slaying Sword, and the golden light on the tip of the sword dissipated, as if the bloody scene just now had never happened.

He didn’t even look at the pale-faced Sang Lan or the angry-eyed Great Elder. He just turned around, gently patted the back of Mo Qingyun’s hand, and his voice returned to his usual gentleness: “Let’s go. The bloody smell here ruins our mood for sightseeing.”

He held her hand and walked past Sang Qi’s body step by step, his back straight and without any hesitation.

The Great Elder looked at the back, his fists clenched so tightly that his nails almost dug into his flesh.

He had lived for hundreds of years and had never been humiliated like this.

But he could feel the unfathomable aura from Kai, which made him dare not act rashly.

When passing by Sang Lan, Kai did not stop, but said calmly: “If you want revenge, just come. I know you are also eyeing the coffin I got from the ruins.”

As soon as he finished speaking, he and Mo Qingyun’s figures disappeared in the depths of light and shadow of Liuli City, leaving behind only the cold anger of the people in Shura Palace behind them.

Sang Lan said nothing as her younger brother and elder brother were killed one after another by Kai. But at this moment, Sang Lan felt nothing but shock in her heart!

After all, she and Sang Kun and Sang Qi are not from the same mother, and they do not have any brother-sister relationship.

“Kai, I must kill him. No matter what monstrous force is behind him, I want him dead!”

The Great Elder’s eyes turned bloodshot!

Sang Qi is dead, but the Great Elder doesn’t care much!

What he cared about was that Kai, a small cultivator of the third rank in the realm of the Immortal, actually ignored him and his warnings.

“Great Elder, let’s wait until father comes out of seclusion!” Sang Lan persuaded!

“Miss, this matter has nothing to do with Shura Palace. It’s about the grudge between me and Kai. If anything happens, I will take full responsibility!”

After the Great Elder finished speaking, his figure disappeared instantly!

Sang Lan looked at the Great Elder's disappearing back and could only sigh helplessly!

The twilight of Liuli City was torn apart by a sharp sword force. Just as Kai and Mo Qingyun reached the Nine-Curve Bridge, the air in front of them suddenly froze into ice.

The Great Elder stood at the end of the bridge like a killing god, his dark robe fluttering in the night wind.

The evil spirit emanating from his body turned into tangible dark patterns, spreading wildly along the blue bricks of the bridge. Wherever it passed, even the ripples on the water surface froze into frost.

“Kai, leave your life behind!”

The Great Elder's voice sounded like it was fished out from the Netherworld Ice Cellar, and every word was chilling.

He didn't know when a short black blade appeared in his hand, and a strange blood light flowed on the blade. It was the treasure of Shura Palace, the “Soul-Devouring Blade”.

This sword had drunk the blood of thousands of monks. At this moment, sensing its master's murderous intent, it let out a low whimper, like the cry of an evil ghost.

Mo Qingyun's heart tightened and he subconsciously pulled Kai behind him.

She could feel that the Great Elder's aura at this moment had increased several times compared to just now at the lakeside. It was a forbidden power that could only be activated by burning part of his lifespan.

Kai patted the back of her hand gently, his eyes calm as the abyss: “Stay away, and watch how I break his old bones.”

Before he finished speaking, the Great Elder moved like a ghost.

Chapter 5089

The blue bricks under his feet shattered into pieces, and his body turned into a black light and rushed straight to Kai's door.

The Soul Devouring Blade drew a blade light like a half-moon, and before the blade wind arrived, the lanterns on both sides of the bridge exploded into pieces with a "puff", and sparks splashed onto the lake, even the water waves were shaken back.

"Well done!"

Kai did not retreat but advanced, with the Dragon-Slaying Sword in his palm shining brightly with golden light.

He did not transform into a golden dragon as he did when dealing with Sang Qi. Instead, he snapped his fingers and thousands of sword energies suddenly burst out from the sword, rushing towards the Soul-Devouring Blade like an inverted galaxy.

"clang.....!"

The sound of metal clashing was deafening. The moment the two huge forces collided, the stone railings of the Nine-Turn Bridge exploded.

Countless pieces of gravel were swept into the air by the energy waves and then crushed into powder when they fell back down.

The Great Elder groaned and was shocked to retreat three steps. The blood oozing from his knuckles dripped onto the Soul-Devouring Blade, making the blood on the blade even brighter.

A trace of doubt flashed in his eyes: "A third-grade scattered immortal realm... You can actually withstand 30% of my strength?"

You know, he is already at the seventh level of the Loose Immortal Realm, and now he is burning his life span to forcibly increase his strength. An ordinary Loose Immortal cannot last more than three moves under his hands.

Kai did not answer. His body floated up like willow catkins, and the Dragon-Slaying Sword turned into a golden stream of light, stabbing at the waist and abdomen of the Great Elder from a tricky angle.

The sword was as fast as lightning. Before the sword arrived, the sharp sword intent had already cut several holes in the Great Elder's robe.

The Great Elder's pupils suddenly shrank, the Soul Devouring Blade returned to defense, the blade light and sword energy collided, stirring up energy turbulence in the sky.

The energy created waves several feet high on the lake water. The koi fish jumped wildly in the waves, but were shaken upside down by the invisible energy.

The two men fought back and forth on the bridge, and their moves became more and more brutal.

The Great Elder's swordsmanship was as violent as Shura descending from the heavens. Every strike of his sword carried the power to tear apart space. Wherever the blade passed, the air made a sizzling sound.

Kai's swordsmanship was as smooth as flowing water. In his hand, the Dragon-Slaying Sword sometimes turned into a roaring golden dragon, and sometimes turned into a piercing needle. He was always able to avoid fatal attacks at the critical moment and counterattack with fierce sword intent.

“Boom!”

The Great Elder suddenly leaped up, slashed downward with the Soul-Devouring Blade, and a black blade energy dozens of feet long cut straight through the bridge.

Kai's eyes focused, and he held the Dragon-Slaying Sword across his body, with golden light bursting into a light shield.

The sword energy hit the light shield, causing a deafening roar. The bridge was instantly split in half. Kai and the Great Elder stood at the two ends of the broken bridge, their robes torn to shreds by the energy.

“Old man, is this all you can do with brute force?”

Kai wiped the blood from the corner of his mouth. Although he blocked the attack just now, he also suffered some internal injuries.

The strength of the Great Elder was far beyond expectations. No one expected that this guy would start burning his lifespan before he even took a single move.

It is estimated that after seeing Kai kill Sang Qi easily, the Great Elder was no longer confident, so he burned his lifespan.

Kai knew that if he didn't show his true abilities, he would have a hard time escaping.

The Great Elder roared angrily, and the murderous aura around him suddenly became as thick as ink. He held the Soul-Devouring Blade in both hands, with the tip pointing at Kai. The blood on the blade actually condensed into the phantom of a hideous Shura head.

“Ashura destroys the world!”

As he roared, the Shura phantom opened its huge mouth and spewed out a dark beam of light. Wherever it passed, ripples appeared in the space, as if it was about to be completely swallowed up by this power.

“Interesting.”

A trace of solemnity flashed across Kai's eyes. He knew that this was the Great Elder's killer move.

The Dragon-Slaying Sword spun rapidly in his hand, the gem on the hilt suddenly lit up, and the sword body burst into an unprecedented bright golden light. A real golden dragon shadow flew out of the sword, its eyes wide open, and its mouth opened to greet the black light column.

“roar—!”

The golden dragon roared, shaking heaven and earth;

“Ouch!”

Shura roared, ghosts cried and gods were terrified.

Chapter 5090

The golden light and the black light collided violently in mid-air, forming a huge energy vortex. The air around the vortex was shattered into nothingness, and the lake water was sucked away from the riverbed, revealing dark silt.

The Liuli City’s defense formation trembled violently under this force, and even tiny space cracks appeared in the sky.

Kai fought with the Great Elder, while Sang Lan quickly returned to Shura Palace!

She had to get her father out of seclusion and stop the Great Elder’s behavior!

Now, no matter whether the Great Elder can kill Kai or not, it will be a heavy blow to Shura Palace!

If the Great Elder was killed by Kai, Shura Palace would lose a powerful general.

But if the Great Elder killed Kai, then their Shura Palace would have offended an unknown and terrifying enemy.

No matter what the result is, Shura Palace will not benefit at all!

“Father, father...”

Sang Lan knelt in front of a secret room and shouted loudly!

Soon, the secret room slowly opened, and an old man walked out. The old man was dressed in a gorgeous robe, with white hair and beard, and looked very kind.

“Lan’er, why did you urgently call your father out of seclusion?”

The Lord of Shura Palace asked.

“Father, Shura Palace is in trouble...” Sang Lan told her father everything in detail!

However, when he heard that Sang Kun and Sang Qi were dead, the old man’s expression did not change at all.

“How can a third-grade kid from the Sanxian realm have such strength?”

“And he defeated the phantom of the Pavilion Master of Tianyuan Pavilion. How dare he do that?”

The Lord of Shura Palace narrowed his eyes slightly and said!

“Father, that’s why I suspect that there is a terrifying force behind Kai...”

Sang Lan said!

“How terrifying can it be? It’s only the power of the Third Heaven at most.” The Lord of Shura Palace smiled faintly and said, “If your father wants to go to the Third Heaven, he can go anytime.”

“Father, why don’t you go to the Third Heaven?”

Sang Lan asked doubtfully!

“It is better to be the head of a chicken than the tail of a phoenix. You don’t understand this.”

“In the Second Heaven, our Shura Palace is one of the most powerful forces, but if we reach the Third Heaven, we will not be able to rank.”

The Lord of Shura Palace said!

“So that’s it!” Sang Lan nodded!

“Tell me more about Kai!” said the Lord of Shura Palace!

“Father, although this person is a third-grade Loose Immortal Realm, his strength is probably not inferior to the sixth-grade Loose Immortal Realm, and he may even be a seventh-grade Loose Immortal Realm.”

“This guy has a lot of treasures on him, especially the sword in his hand, which is definitely a treasure...”

“He also knows the art of formation, and his art is quite good. Moreover, he was the only one who got the good stuff in the ruins.”

“There are two coffins and two warrior statues. In the ruins, the two warrior statues only attack others but not him.”

“So I suspect this guy has a special bloodline, and there must be a powerful force behind him, otherwise he wouldn’t dare to disrespect us alone.”

Sang Lan analyzed carefully and felt that Kai was no simple person!

“The third heaven?” The Lord of Shura Palace frowned slightly: “But he is a third-grade cultivator in the Loose Immortal Realm, and he can’t reach the third heaven!”

“I don’t know either, but the sword in his hand is definitely not something we can possess below the Third Heaven.”

“It seems that a special bloodline has been injected into the sword, and it is full of spiritual energy. It is obvious that the sword spirit has an independent consciousness.”

“It’s possible that he came from a higher realm, and for some special reason, he drifted to our third heaven.”

In Sang Lan’s mind, Kai is not an ordinary person, he must have status and background!

As for why only the third level of the Scattered Immortal Realm is displayed, there may be other reasons!

“Perhaps your analysis is correct. Take me to see it...” The Lord of Shura Palace nodded!

Soon, the figures of the father and daughter gradually disappeared!

Chapter 5091

On the other side, Kai was still fighting with the Great Elder!

Mo Qingyun stood in the distance, his face as pale as paper.

She could feel that if the fight continued like this, the entire Liuli City would probably be reduced to rubble.

At this moment, an old and majestic roar came from a distance:
“Enough! Stop it!”

A stream of purple-gold light broke through the air and instantly landed in the center of the energy vortex.

He was an old man wearing a dark purple robe with dragon patterns. He had a simple face and eyes as deep as the starry sky. He exuded a terrifying aura that made the heaven and earth submit. It was none other than Sang Tianyang, the master of Shura Palace.

As soon as he made a move, he put his right hand together and pointed like a sword, and with a light tap, the energy vortex that was powerful enough to destroy the world melted away like ice and snow, and the golden dragon and Shura's phantom disappeared in the air at the same time.

When the Great Elder saw the Palace Master, a trace of unwillingness flashed in his eyes, but he still put away his knife angrily and knelt on one knee: "Palace Master!"

Sang Tianyang didn't even look at him, his eyes fell on Kai, his eyes were complicated: "My little friend Chen, although my son Sang Qi deserves to die, the Great Elder is the pillar of our Shura Palace. You hurt him to this extent, it's too much."

His voice was not loud, but it carried an unquestionable majesty, and even the air seemed to freeze.

Kai smiled faintly and wiped the blood off the sword: "Palace Master, you are joking. He just blocked my way to seek revenge. I was just defending myself. If it was me who died under his sword today, would Shura Palace say that it was 'too much'?"

Sang Tianyang frowned, and the pressure from his body continued to envelope Kai!

Kai stood there quietly, feeling the pressure from Sang Tianyang, but his expression did not change at all!

After a moment, Sang Tianyang put away his pressure, smiled and said, "My dear Chen, it's all my fault. For my sake, let's just let it go. When we return to the Shura Palace, I will severely punish the Great Elder!"

Kai was a little surprised. He didn't expect that the master of Shura Palace was so reasonable and easy to talk to!

After all, he had killed two of the man's sons. He had not expected that the palace master would not be angry but would apologize to him.

“Palace Master, you are too polite. If Shura Palace doesn’t bother me with today’s incident, I will never care about it!”

Kai also doesn’t want to be an enemy of Shura Palace!

“Well, if you have time, please invite Mr. Chen to visit my Shura Palace!” Sang Tianyang said with a smile.

“Sure!” Kai nodded!

But just when Kai was about to take Mo Qingyun away, the great elder actually blocked their way!

“Palace Master, we must not let this kid leave. He killed the eldest son. We must avenge him.”

The Great Elder roared!

“Great Elder, I order you to get out of the way.” Sang Tianyang’s face looked very ugly!

“Palace Master, I must avenge the eldest son today.”

The Great Elder actually didn’t listen to the Palace Master!

“Great Elder, you’ve gone too far. You don’t even listen to my father. Although you are the Great Elder, my father is the Palace Master.”

Sang Lan questioned the Great Elder with anger on her face.

“I only know that if we let him go, how can our Shura Palace survive in this Second Heaven?”

“If the Palace Master can’t even protect his own son, how can he protect the rest of us in Shura Palace?”

The Great Elder actually followed Sang Tianyang to go against him!

“you.....”

Sang Tianyang was furious and was about to speak when he heard several sounds of breaking through the air in the distance.

Dozens of streams of light were seen flying from the sky, led by a man wearing a moon-white robe, with a handsome face and holding a jade fan. He was the master of Tianyuan Pavilion.

Behind him were several old men with equally terrifying auras, all of whom were obviously high-ranking officials of Tianyuan Pavilion.

“Palace Master Sang, how are you?”

The head of Tianyuan Pavilion waved a jade fan and smiled beside Sang Tianyang, but his eyes swept over Kai fiercely, “I just passed by and saw the violent energy fluctuations here. I thought some masters were here to exchange ideas.

Chapter 5092

Sang Tianyang frowned even more tightly: “Master Tian, I wonder if you have any advice for me?”

He has always been at odds with the head of Tianyuan Pavilion, and Tianyuan Pavilion and Shura Palace have been fighting openly and secretly for many years. The sudden appearance of the other party at this moment is definitely not a good thing.

Ling Yunxiao did not answer, but looked at the Great Elder, with a barely perceptible gleam in his eyes: “The Great Elder of Shura Palace is indeed worthy of his reputation. The ‘Shura Destroys the World’ move just now was truly earth-shattering and soul-stirring. It’s a pity...”

He changed the subject and looked at Kai, “It’s a pity to meet Kai who has a rare treasure.”

The Great Elder suddenly raised his head and looked at the Pavilion Master of Tianyuan Pavilion, with a hint of doubt in his eyes.

The head of Tianyuan Pavilion continued, “This Kai killed my Tianjiao, destroyed my elders, and shattered my phantom. I’m afraid it won’t be that easy for you to fight him, right?”

“Especially since the Lord of your Shura Palace has already cowed down, you are just an elder, what are you still insisting on?”

The leader of Tianyuan Pavilion is obviously trying to sow discord!

Kai sneered in his heart. This Tianyuan Pavilion Master was really good at sowing discord.

The Great Elder’s face was gloomy, and then he looked at the Pavilion Master of Tianyuan Pavilion and said, “Pavilion Master Tian, this Kai killed my eldest son and insulted my Shura Palace. Today, even if I risk my life, I will tear him into pieces! If Pavilion Master Tian is willing to lend me a helping hand, I am willing to put aside my past grudges with Tianyuan Pavilion!”

When these words were spoken, everyone in the audience was shocked.

Sang Tianyang’s expression changed drastically: “Great Elder! You...”

He didn’t expect that the Great Elder would suddenly propose to cooperate with Tianyuan Pavilion. You know, the two factions have always been mortal enemies.

“Great Elder, you are going too far. Don’t you know that our Shura Palace and Tianyuan Pavilion have always been at odds?”

“And Kai killed a member of our Sang family, my father’s son. Why are you holding him captive?”

Sang Lan was very confused by the Great Elder’s actions!

“Because Sang Qi is his son...” Suddenly, Sang Tianyang spoke slowly!

“What?” Sang Lan was shocked!

Kai and Mo Qingyun also had shocked expressions on their faces. Kai, who had originally planned to leave, decided not to leave. He wanted to listen carefully to what was going on.

“Hahaha, there is such a thing in Shura Palace? It’s really strange!” The master of Tianyuan Pavilion laughed!

The Great Elder’s face was gloomy, but he did not deny Sang Tianyang’s words!

“Father, what is going on?” Sang Lan asked in confusion!

“Sang Qi is the son of your aunt and the great elder. They thought they did it perfectly, but I already knew it.”

“This is also the reason why I went into seclusion and handed the Shura Palace over to you.”

Sang Tianyang explained!

After listening to Sang Tianyang’s explanation, Sang Lan was completely stunned. She didn’t expect that her elder brother was not even her half-brother!

After hearing Sang Tianyang’s words, the Great Elder’s aura suddenly surged, and dark purple fighting spirit surged around him, as if the resentment and anger that had been pent up for decades had finally burst through the dam.

He suddenly pulled off the Shura Token from his waist and threw it hard on the ground. The crisp sound of the token breaking was particularly harsh in the silent Glass City.

“Sang Tianyang! Since you have made it clear today, I am not afraid anymore. Why do you think I have endured for so many years?”

His voice was hoarse, and his eyes were bloodshot. “She and I were childhood sweethearts. We grew up at the foot of Shura Mountain. We agreed to travel the three realms together. What about you?”

He pointed at Sang Tianyang fiercely, his fingertips trembling with anger: “Back then, you just relied on your status as the young master of Shura Palace to force her to marry you. At that time, she already had my child!”

Mo Qingyun subconsciously grasped Kai’s sleeves, while Sang Lan staggered back half a step, her face as pale as paper: “No... Impossible! Father is not that kind of person...”

Chapter 5093

“Why not?”

The Great Elder laughed bitterly, “Do you think your father is a good man? He forcibly separated us and handed over the management of Shura Palace to a woman like you. He has known for a long time that Sang Qi is my son, but he never mentioned it.”

“He just wanted me to see my own son being looked down upon in Shura Palace, and to see my own son calling him father.”

“Now my son is dead, and he’s letting this murderer go without blinking an eye!”

The Great Elder seemed to have gone crazy!

“Great Elder, wasn’t my son also killed by Kai? I also won’t seek revenge on him. Sang Kun is no longer your son!”

Sang Tianyang said to the Great Elder!

But who would have thought that after hearing this, the Great Elder smiled helplessly and said, “You have many, many children, but I only have this one son.”

“And I swore that I would never look for a woman again. All my future will be given to Sang Qi.”

“But now.....”

The Great Elder suddenly turned to Kai, his eyes suddenly became fierce: “But you! Kai! You killed him! Not only did you kill my son, you also ruined my expectations for half my life!”

Kai looked helpless. How would he know these things, let alone have any idea that such a bad thing existed in Shura Palace.

It seems that even if you go to heaven and become an immortal, you cannot avoid some emotional entanglements, and you cannot escape the worldly life!

The head of Tianyuan Pavilion waved his jade fan, with a sly smile on his face: “What an old story.”

“Great Elder, if you join hands with me, why would you have to endure this humiliation? Kill Kai first, and I will help you seize Shura Palace. By then, you will be the master of Shura Palace.”

After he finished speaking, several old men behind him took a step forward at the same time, their aura burst out, and the air instantly burst into crackling sounds.

“Sang Tianyang.” The head of Tianyuan Pavilion looked at Sang Tianyang, whose face was ashen, and said, “Today, Tianyuan Pavilion will not trouble you, Shura Palace, just to seek justice for the deceased Tianjiao and elders.”

“If you insist on protecting Kai, you will be an enemy of Tianyuan Pavilion, and I will kill you too!”

Before he finished speaking, the elders from Tianyuan Pavilion had already spread out in a fan shape, waving their jade fans and condensing into several sharp wind blades, pointing directly at Kai and Sang Tianyang.

The Great Elder roared, stood beside the Tianyuan Pavilion Master with his sword in hand, a blood-red Shura shadow rising from the blade, and it was obvious that he was ready for a fight to the death.

“presumptuous!”

Sang Tianyang took a sudden step forward, and the purple-gold energy around him exploded like a tsunami, causing the glazed bricks on the ground to crack inch by inch.

He waved his sleeves and a dragon-shaped energy rushed towards Ling Yunxiao, but was easily blocked by the opponent with a jade fan.

“Is Tianyuan Pavilion bullying me because there is no one in Shura Palace?”

“Father, don’t hold on!” Sang Lan shouted anxiously, “There are too many of them!”

She knew that there was no way she and her father could possibly be a match for so many people in Tianyuan Pavilion!

What’s more, the great elder has now rebelled and sided with Tianyuan Pavilion.

The head of Tianyuan Pavilion sneered: “Sang Tianyang, you have been in seclusion for many years. Shura Palace is no longer the Shura Palace of the past.”

“Today, I will show you who is the overlord of the Second Heaven!”

The old men behind him attacked at the same time, and energy beams of various colors intertwined into a net, covering Sang Tianyang and Kai.

The elder's knife flashed straight towards Kai's heart, his eyes were filled with undisguised murderous intent: "Kai, accept your death!"

Seeing that the big net was about to fall, Sang Tianyang suddenly roared to the sky, his voice shaking the sky.

The Shura jade pendant on his chest suddenly burst out with a dazzling golden light, and his whole body's aura soared at a terrifying speed. Countless Shura ghost shadows faintly emerged in the purple-gold aura.

"The Shura secret technique – Shura magic!"

He put his palms together, and a huge shadow of Shura Palace appeared behind him. The door of the palace slowly opened, revealing an eerie and biting chill.

Chapter 5094

"Shura Guards, listen to my orders!"

As he roared, a dull roar suddenly came from the underground of Liuli City, and dozens of black shadows rushed into the sky from the cracks in the ground.

They were dressed in black iron armor, had ghost masks on their faces, held broken weapons in their hands, and were surrounded by black mist. Each figure exuded a terrifying pressure comparable to that of a great elder.

"This is... the ultimate guard of Shura Palace?" The Tianyuan Pavilion Master's face showed doubt for the first time. "It is said that only the blood of the Palace Master can awaken the death warrior?"

The Great Elder's expression also changed drastically, and he said in horror: "You...are you crazy? You actually woke up the Shura Guard just for Kai?"

Looking at the Shura Guard in front of him, Kai was also a little shocked!

I didn't expect that there is such a force behind Shura Palace!

These Shura Guards are the Shura Palace's killer move. These Shura Palace guards have been sleeping for years and can only be awakened when the Shura Palace is facing life and death!

But this time, Sang Tianyang actually awakened the Shura Guards directly for Kai!

No one expected this, not even Sang Lan!

In his father's eyes, Kai is so important!

Soon, the surrounding void began to fluctuate, and the powerful Shura Guard stood behind Sang Tianyang!

The aura of these Shura Guards is so powerful that their appearance makes the entire world become illusory!

It's so horrible!

The head of Tianyuan Pavilion looked at these Shura Guards with an expression uglier than if he had eaten shit!

Each of these Shura Guards exudes the aura of a seventh-level scattered immortal realm, and each of them is filled with bloody murderous intent!

With so many Shura Guards together, what a terrifying existence they would be!

It seems that Shura Palace is not just a name, its strength has been there all these years!

Dozens of Shura Guards saluted Sang Tianyang in unison. After all, only the hall masters of successive generations were qualified to summon Shura Guards.

“My dear Chen, I will protect you. No one in this second heaven will dare to hurt you!”

Sang Tianyang said to Kai indifferently!

“Thank you, Lord Shura!” Kai expressed his gratitude!

Sang Tianyang smiled faintly at Kai, then his eyes were as cold as frost, pointing at the Great Elder and the people of Tianyuan Pavilion: “Shura Guards, kill them without mercy!”

A black figure rushed out like a ghost and instantly engaged in a battle with the elders from Tianyuan Pavilion.

The loud noise of weapons clashing and the roar of energy collision made the Glass City shake to the point of collapse.

“They are the last trump card of Shura Palace,” Sang Tianyang said with a slightly disordered breath, “With my blood essence as a guide, they can only last for an incense stick of time. Chen Xiaoyou, you take the others away first, leave this to me!”

“How can I escape at this time? This is not my character at all!”

Kai held the Dragon Slaying Sword in his hand, looked at Mo Qingyun and said, “Qingyun, stay away from me. I will play with you after I kill these bastards!”

Kai also has killing moves in his hands, two warrior statues, a fire unicorn, the bow of the God King, and the soul of the Red Cloud Demon Lord!

There are plenty of ways to do it. Since these guys want to play, Kai will play with them!

The Great Elder’s swordsmanship became more and more crazy at this moment: “Sang Tianyang! Even if you activate the Shura Guard, what

does it matter? Today I will make sure that you and Kai are buried together!”

He exchanged glances with the master of Tianyuan Pavilion, and they both pounced on Sang Tianyang at the same time, obviously wanting to end the battle before the Shura Guards were exhausted.

In the sky above Liuli City, the purple-golden shadow of Shura collided violently with the moon-white wind blade, and the grudges and hatreds that had been buried for decades all erupted at this moment!

The air in Liuli City was filled with the crackling sound of energy tearing apart.

The Shura Guards behind Sang Tianyang surged out like a black tide, and dozens of seventh-grade pressures from the Scattered Immortal Realm intertwined into a net, instantly forcing back the offensive of the Tianyuan Pavilion elders by half.

The Great Elder’s eyes were bloodshot, and the blade light with a bloody Shura phantom went straight to Kai’s heart, while the Pavilion Master of Tianyuan Pavilion raised his jade fan, and several wind blades cut towards Sang Tianyang’s throat in a fan shape.

Chapter 5095

“Father, I’m here to help you!”

Sang Lan shouted and drew the sword from her waist.

Although she was only at the fifth level of casual cultivator, she had learned the Shura Sword Technique from Sang Tianyang himself. When the sword light appeared, the purple-gold energy transformed into a translucent dragon-shaped shadow, which slammed into the lower back of an elder from Tianyuan Pavilion.

The old man was fighting with the Shura Guards, but something happened behind him. He turned around hastily to block, but Sang Lan's sword split open his shield, and spider-web-like cracks appeared on his shoulder armor.

“How dare you, a mere junior, interfere?”

Another old man in a gray robe roared, and a ball of dark blue flame condensed in his palm, rushing straight towards Sang Lan's face.

Seeing the flames approaching, Sang Lan turned sideways and spun the sword. The blade drew an arc and chopped the flames into stars. At the same time, she pointed her toes and used the force to retreat to Sang Tianyang's side.

She gasped and looked towards the battlefield, but her gaze suddenly froze. Mo Qingyun was being blown away by an invisible force and crashed into the glazed wall.

“Qingyun!”

Kai shouted in surprise, and before he could draw the Dragon-Slaying Sword in his hand, he saw Mo Qingyun had stabilized his body at the base of the wall.

Mo Qingyun waved his hands with a pale face: “Kai, I'm fine... It's just that my realm is too low, I can't get close to you.”

Her realm was as weak as a candle in the aftermath of energy of this level. She could only use her energy to protect her heart meridians. She retreated behind a stone pillar at the edge of the battlefield, her fingertips tightly grasping the corner of her clothes.

Seeing that Mo Qingyun was fine, Kai felt relieved and could now show his skills!

The Great Elder's sword moves became more and more crazy, and every strike was filled with hatred to destroy the world.

He calculated that Sang Tianyang needed to maintain the blood and energy of the Shura Guards and could not split himself for the time being, so he poured all his killing moves on Kai.

The blood-red blade light turned into a ten-foot-long giant blade, slashing down with a sharp roar that tore through space.

A wave of air suddenly exploded under Kai's feet, and his figure moved sideways three feet like a ghost. The blade slashed on the ground, and the glazed bricks turned into powder in an instant. Cracks deep enough to see the bones spread to ten feet away.

"Kai! Give up your life to commemorate my son!"

The Great Elder roared, and the Shura totem on the hilt suddenly burst into blood. His aura soared to the ninth level of a Loose Immortal, and the sword's power even showed signs of breaking through the shackles. This was a life-and-death killing move that burned the original power!

This great elder is probably going to die along with Kai. Now that his son is dead, there is no point in living!

"Well done!"

A cold light flashed in Kai's eyes, and he no longer held back.

He waved his hand violently, and two black shadows emerged from Kai's body. They were the two warrior statues holding giant axes!

As soon as the statue appeared, it let out a deafening war cry, and golden runes burst out from the axe blade, instantly forming a triple defensive light shield.

When the head of Tianyuan Pavilion saw that Kai had summoned two more warriors, his pupils suddenly shrank and the movement of waving his jade fan slowed down by half a second.

Sang Tianyang was somewhat shocked and said: “The ancient war puppet is really amazing!”

He had heard from Sang Lan that Kai had obtained two warrior statues from the ruins, but he had not expected them to be so powerful!

The Great Elder was so overwhelmed by hatred at this moment that he grinned and said, “You are just a dead thing, yet you dare to stop me!”

His sword momentum remained unchanged, and the huge blood-red blade slashed fiercely on the light shield. With a loud “bang”, the first layer of light shield shattered into pieces, but the huge axe in the bronze warrior’s hand had already chopped towards his face with a tremendous force.

At the same time, another warrior followed closely, with his giant axe pointing directly at the flaw on the Great Elder’s waist.

Kai approached with the Dragon-Slaying Sword in hand, and the sword force and the attacks of the two warriors formed a triangular pincer attack.

Three completely different forces intertwined together. The axe wind was as fierce as thunder, the knife shadow was as cunning as a poisonous snake, and the sword force was sharp enough to break through everything. In an instant, they suppressed the Great Elder’s knife light and made him retreat step by step.

“Impossible! How could you have such means!”

The Great Elder was filled with shock and anger. The brief boost in strength he gained from burning his essence did not provide any advantage under the siege of three against one.

Chapter 5096

Every attack of the bronze warrior carried the power of ancient prohibitions, which made his arms numb, and the blood-colored energy in the sword was constantly crushed by the axe blade.

Kai spotted the flaw and the Dragon-Slaying Sword turned into a streak of light, cutting through his sleeve with a “puff” sound, leaving a bloody mark on his shoulder armor that was deep enough to see the bone.

With three against one, Kai seemed much more relaxed. Otherwise, it would be difficult for Kai to deal with the great elder, unless he let the Red Cloud Demon Lord possess him!

However, Kai didn’t want too many people to know about the existence of the Red Cloud Demon Lord. After all, this was his killer move!

The last one to show off!

At this moment, on the other side of the battlefield, the killing of the Shura Guards had reached a fever pitch.

These warriors awakened by their essence and blood felt no pain, and every time they swung their swords, they did so with the ruthlessness of dying together.

An elder from Tianyuan Pavilion tried to condense a Dharma image to protect his body, but was hit by three Shura Guards at the same time. The fairy light protecting his body shattered like glass, and before he could even scream, he was cut into several pieces by the black blade.

Blood flowers bloomed in the sky above Liuli City, and the elders of Tianyuan Pavilion turned from their initial arrogance to fear.

In just a few moments, more than half of the twelve accompanying elders were dead or injured, and the few remaining ones were fighting hard with injuries, surrounded by the dark shadows of the Shura Guards.

“withdraw!”

The Pavilion Master of Tianyuan Pavilion saw that the situation was not good, and slapped his palm with Yushan fiercely. Several moon-white wind blades exploded, forcing back the Shura Guards in front of him.

He looked at the bloodstained Great Elder, with a flash of resentment in his eyes: “Great Elder, if you and I fail today, we will make Shura Palace pay in blood someday!”

After saying this, he no longer wanted to fight, and with a wave of his sleeves, several gusts of wind swept up the remaining people from Tianyuan Pavilion, and they turned into streams of light and were about to escape.

When the Great Elder saw that the Pavilion Master of Tianyuan Pavilion had escaped, he was so angry that he wanted to curse!

“Want to leave?”

Sang Tianyang snorted coldly, and the Shura jade pendant on his chest burst out with golden light again. Dozens of Shura ghost shadows flew out of the jade pendant and instantly formed a large net in the void.

The master of Tianyuan Pavilion hit the net as if he had hit a real rock wall. He groaned and spat out a mouthful of blood.

But he was the head of Tianyuan Pavilion after all. He burned his immortal power to break the corner of the net, and fled with the remaining troops. Before leaving, he left a harsh message: “Sang Tianyang, Kai! I, Tianyuan Pavilion, will remember today’s account!”

Everyone in Tianyuan Pavilion retreated, and now only Kai, Sang Tianyang and his daughter, and the great elder who was cornered by two warrior statues were left on the battlefield.

The Great Elder’s knife had broken into two pieces, with half of the blade stuck in his chest. His robes were soaked with blood, but he still held his neck straight, without a trace of fear in his eyes.

“Kill me!”

He stared at Kai, “Although I lost today, I have no regrets! If there is an afterlife, I will make you pay back Sang Qi a thousand times!”

Kai put away the Dragon-Slaying Sword and walked up to him with a complicated look in his eyes.

He could understand the Great Elder’s grief over the loss of his son, but he could not forgive his crazy killing.

“Your fate should not be decided by me.” He turned to Sang Tianyang, “Palace Master, this person is a traitor to Shura Palace, so you should deal with him...”

Sang Tianyang looked at the haggard-faced elder and remained silent for a long time.

The former brothers became enemies, and today’s bloody battle even left him with a few strands of white hair on his temples.

He waved away the Shura guards, and the dark shadows turned into spots of light and merged into the ground, but the bloody smell in the air lingered for a long time.

“Great Elder.” Sang Tianyang’s voice was full of fatigue. “You and I are from the same sect. I will not kill you, but from today on, you are no longer a member of Shura Palace. Shura Palace will never welcome you again.”

The Great Elder was stunned at first, then laughed bitterly: “Expelled? Haha... What a good expulsion! I lost my son, I lost everything, the status of Shura Palace is nothing to me!”

He suddenly pulled out the sharp blade from his chest, letting the blood gush out, but he straightened his back and walked out of the Glass City step by step. His back looked particularly lonely in the setting sun.

Chapter 5097

Father...” Sang Lan wanted to say something, but was interrupted by Sang Tianyang raising his hand!

He knew what Sang Lan was going to say. People like this who betrayed him should be killed to prevent future troubles!

If you let the tiger go back into the mountains, it will definitely cause trouble in the future!

However, Sang Tianyang did not take action. After all, he was wrong to have taken someone else’s love away before!

When the dust settled, Liuli City was reduced to ruins.

Sang Lan also understood what her father meant, and gently supported Sang Tianyang’s shaky body: “Father, you have lost too much blood and energy, go back and heal your wounds.”

Sang Tianyang nodded and looked at Kai: “Mr. Chen, thank you for today... If it weren’t for you, Shura Palace might...”

“Palace Master, you are too kind.” Kai said with a folded hand, “If you hadn’t summoned the Shura Guards, I would have been killed by the sword right now.”

He paused and looked at Mo Qingyun who was hiding behind the stone pillar, “Qingyun, we should go.”

Mo Qingyun walked over quickly, still with a look of shock on his face, but he bowed to Sang Tianyang and his daughter and said, “Thank you, Palace Master, and Miss Sang Lan for saving you.”

Sang Tianyang took a deep look at Kai and took out a token engraved with the Shura totem from his arms: “This is the guest token of the Shura

Palace. If you encounter trouble in the Second Heaven in the future, you can bring this token to find me.”

Kai took the token and put it into his storage bag: “Thank you for your kindness, Palace Master. See you later.”

In the setting sun, the figures of Kai and Mo Qingyun gradually disappeared outside the ruins of Liuli City.

Thunderclouds were rolling in the distant sky. Sang Tianyang looked at the direction where the Great Elder left. He felt a chill from the jade pendant held tightly in his hand. He didn’t know whether what he was doing was right or wrong.

However, there are some grudges that are difficult to resolve even with the conflict of swords; and there are some encounters, even if they are chance encounters, that can lead to life and death protection.

“Lan’er, let’s go back too!” Sang Tianyang turned and left, but he looked obviously much older!

.....

Kai and Mo Qingyun left and wandered in the void!

“Kai, you don’t look very well. Why don’t you go home and have a good rest?”

Mo Qingyun said!

“No, I’ll find a place to recuperate in the tower!”

Kai found a hidden place and then took Mo Qingyun into the tower!

After entering the tower, Kai slowly closed his eyes. Powerful auras from his body continued to spread outward, causing the void inside the tower to tremble!

In the last battle, although Kai won, he was also injured, but he gained a lot!

If one only practices in seclusion without actual combat, even if one's realm is improved, one's true strength will be greatly reduced!

The battle with the Great Elder gave Kai a lot of insights!

Slowly, the aura around Kai became stronger and stronger, and the void around him gradually distorted!

Not far away, Mo Qingyun looked at Kai worriedly. She didn't dare to practice!

I don't know how long it took, but Kai suddenly opened his eyes, and two rays of light flashed in his eyes!

boom!

A terrifying aura suddenly burst out from Kai's body, and Mo Qingyun even felt a suffocating pressure!

"The fourth level of the scattered fairyland..."

Kai took a deep breath and a smile appeared on his face.

He didn't expect that a battle with the Great Elder would give him insights and allow him to directly break through to the fourth level of the Loose Immortal Realm!

"If anyone dares to fight that great elder again, I will beat the piss out of him!"

Kai's confidence increased greatly at this moment!

You must know that with every improvement in Kai's realm, his strength increases exponentially!

Every life-and-death battle can bring Kai new gains. Life-and-death battles can best stimulate potential!

Kai really wants to find a master to fight with now!

This time, the great elder burned his essence and directly reached the ninth level of the Loose Immortal Realm, which made Kai realize that his own combat power was not enough to defeat the ninth level of the Loose Immortal Realm, so he asked two warriors to take action!

But now, if Kai encounters a ninth-grade cultivator in the realm of scattered immortals, he will not be afraid, as he is capable of fighting!

Of course, Kai was still no match for the ninth-grade cultivator from the Sanxian Realm who could fight above his level!

Chapter 5098

But now Kai should be almost invincible under the Three Heavens!

As long as he improves one level, he will be able to sweep across the three heavens!

The cultivators who broke through the realm of scattered immortals all broke through the third heaven and went to the fourth heaven!

After all, only the cultivators of the fourth level can be called true immortals!

“Senior, I wonder if you can show up in this tower so that we can have a fight?”

“I feel full of power right now, I want to find someone to try it out with!”

Kai followed the Red Cloud Demon Lord and said!

“What? You still want to fight with me?” The Scarlet Cloud Demon Lord sneered!

“I just want to try it. You are just a soul now, so you should be able to give it a try!” Kai said!

“Hey, you are so arrogant just because you are a fourth-grade immortal. You still want to try it with me!”

“If I say I can defeat you with one hand, you may think I have no sympathy, but I can tell you that I can turn you into ashes with just a breath from me.”

“In my eyes, even if you have reached the fourth level of the Loose Immortal Realm, you are still the same as an ant. I can drown you with just a pee!”

“I advise you to keep a low profile. This is the heaven. It’s okay if you are below the third heaven, but once you break through the third heaven, you don’t know when you will encounter a master.”

“If you act so pretentiously like this, you might even get spit on by someone and die...”

Kai: “.....”

Originally, he just wanted to exchange a few moves with the Scarlet Cloud Demon Lord in this tower to test his own strength!

But who would have thought that being scolded would be a direct blow to Kai!

However, Demon Lord Chiyun was right. With Kai’s current strength, he could still survive in the Third Heaven. But once he went to the Fourth Heaven and faced the entire heaven, he would not be able to do well.

“Qingyun, let’s go...”

Kai ignored Demon Lord Chiyun and looked at Mo Qingyun and said!

Mo Qingyun nodded and followed Kai out of the Demon-Suppressing Tower.

Although only a few hours had passed outside, more than ten days had already passed inside the tower, otherwise Kai would not have been able to break through so quickly!

“Where are you going?” Mo Qingyun asked!

“Let me go home first...” Kai decided to go back to the Mo family first.

Let Mo Qingyun stay with Mo Wuji for a while, and then take Mo Qingyun to the Eighth Palace!

But just as Kai and Mo Qingyun arrived at the Mo family, they discovered an old man in black above the Mo family!

Mo Wuji and his family members confronted the old man in black!

It's just that the old man in black is at the eighth level of the Scattered Immortal Realm, and the Mohist School is no match for him, so they have been trying to fight him!

And the old man did not take action against the Mohist School, he just stayed quietly in the void!

“Father, who is this?”

Mo Qingyun walked up to Mo Wuji and asked!

Mo Wuji shook his head: “I don't know him, but he wants to find Kai...”

“Looking for me?” Kai frowned and looked at the old man in black: “Who are you? What do you want from me?”

“Are you Kai?” the old man asked!

“Yes, it’s me!” Kai nodded!

“Do you have any treasures obtained from ancient ruins?” asked the old man in black!

Upon hearing this, Kai looked at the old man in black and said, “What the hell does it have to do with you?”

It can be seen that the old man in black has bad intentions.

“How dare you!” The old man in black frowned, and his body instantly became illusory. At the same time, countless chains appeared around Kai. In just a moment, Kai was trapped by the chains!

At the same time, black lightning passed through the chains and bombarded Kai!

“Kai...”

Mo Qingyun and Mo Wuji were both very shocked!

I didn’t expect that the old man in black would start fighting over a disagreement!

But just when the lightning struck Kai, there was a loud bang suddenly!

Immediately afterwards, a golden sword light broke through the black lightning and went towards the old man in black!

The old man in black narrowed his eyes. He didn’t expect that Kai still had the strength to resist. He waved his hand in an instant, and a black light came forward!

boom!

With a loud bang, the two men retreated at the same time!

Chapter 5099

Kai quickly stopped and a smile appeared on his lips. Finally, someone tried to challenge him!

In this way, he will be able to clearly know what level of strength he can achieve as a fourth-level scattered immortal!

The Dragon-Slaying Sword in Kai's hand trembled slightly, and then soared into the air!

The next moment, a thousand-foot-long sword light slashed fiercely towards the old man in black.

The entire void was torn open by the sword light!

The old man in black looked solemn. He didn't expect that Kai, who looked like he was only at the fourth level of the Loose Immortal Realm, could actually burst out with such terrifying strength!

He originally thought that he could easily control Kai, but he didn't expect to underestimate Kai's strength.

The old man in black, who did not dare to be careless at all, took a step forward suddenly, then clenched his right fist and blasted out countless black lightning in an instant.

The two people collided again!

boom!

The sword light exploded along with the black lightning, and shock waves instantly shattered the surroundings, even many courtyards of the Mo family were crushed to pieces.

Mo Wuji felt distressed and quickly led everyone in the Mo family to cast a shield to protect the Mo family's house!

“You old fellow, you are quite interesting!”

“continue.....”

Kai swung his sword towards the old man in black again!

The sword was so fast and at such a tricky angle that the old man in black changed his expression greatly. Then he waved his hands and a black shield appeared in front of him!

boom!

The moment the sword light touched the shield, the shield shattered and the sword light disappeared!

But Kai did not stop, and he was still waving the Dragon-Slaying Sword in his hand!

In just a moment, sword beams appeared in front of the old man in black again. Just as the old man in black was horrified and prepared to swing the shield again, he suddenly found that not only in front of him, but also around his body, there were dense sword beams!

His entire body was wrapped in sword light, and he was about to become a hedgehog in a moment!

The old man in black shouted loudly, and bolts of lightning burst out from his body. For a moment, the entire void was rolling with lightning, like the end of the world!

Boom boom...

The lightning collided with the sword light, and then made a loud noise and shattered!

The old man in black fought and retreated until a few breaths later, when he stopped. The thunder and lightning around him gradually disappeared!

The old man in black was in a very miserable state, with countless blood gushing out of his body!

Kai was holding the Dragon Slaying Sword with a playful look on his face, looking extremely relaxed!

“Are you at the fourth level of the Scattered Immortal Realm?” asked the old man in black!

“Yes!” Kai nodded!

“Then why...” The old man in black wanted to ask something, but Kai didn’t want to pay attention to him and was about to swing the Dragon Slaying Sword again!

“Wait a minute, wait a minute...”

The old man in black quickly shrank his head, looking scared!

“Are you scared?” Kai asked!

“I’m scared!” The old man in black nodded repeatedly: “If I knew you were so powerful, I would never come here even if you kill me!”

“How do you know that I have treasures from ancient ruins?” Kai asked!

He was very curious, and the only ones who knew about this were Shura Palace and Tianyuan Pavilion!

Shura Palace wouldn’t spread the news casually, so it must be Tianyuan Pavilion!

“Someone has spread the news. Now the entire Three Heavens probably knows that you have the ancient relic treasure.”

The old man in black replied!

“Who spread it?” Kai asked!

“Then I don’t know, they are all anonymous.” The old man in black said, and then said apologetically: “I am really sorry for believing in other people’s words, I offended you...”

After the old man in black finished speaking, he turned around and left!

“Wait...” Kai shouted coldly!

The old man in black was stunned for a moment, then said with horror: “I have already given in, what else do you want? Don’t you know the rules? You can’t kill someone if he gives in?”

Kai was speechless for a while, and could only say calmly: “I also have rules. If you hand over your resources, I won’t kill you!”

“this.....”

The old man in black seemed to be in a difficult situation!

But Kai gently shook the Dragon-Slaying Sword in his hand, and the old man in black hurriedly took out his storage bag and threw it to Kai!

Then he left without looking back, as fast as lightning!

Chapter 5100

The old man in black ran for a long time before he dared to stop. Seeing that Kai did not chase him, he let out a long sigh!

“Damn it, what a monster, he is only a fourth-level scattered immortal, but he made me, an eighth-level scattered immortal, so embarrassed!”

The old man in black cursed!

In fact, he didn’t know that Kai was just practicing with him. If Kai had hit him with all his strength, his head would have fallen to the ground long ago, and there would have been no chance of escape!

“The person who spread the news is such a piece of shit. It seems like he is clearly trying to harm others!”

The old man in black has been fooled!

Seeing that Kai was only a fourth-level immortal, he didn't take him seriously at all!

But now that he thought about it, he finally understood that a treasure from an ancient relic was obtained by Kai, which proved that Kai's strength or background was definitely extraordinary, otherwise a fourth-grade immortal in the realm of immortals would not be able to obtain the treasure in the ruins!

The old man in black, knowing that he had been fooled, left in frustration!

Although he felt very unwilling in his heart, he knew that this was already a conspiracy. If he wanted to avoid falling into it, he had to stay away from it!

.....

Kai took the storage bag of the old man in black and did not put it away. Instead, he handed it directly to Mo Wuji!

“Master Mo, the resources in this storage bag can be used as capital to rebuild the Mo family!”

Kai said!

Many buildings of the Mohist school were destroyed in this war!

“Kai, why are you being so polite to me? We are all family!” Mo Wuji did not extend his hand!

Kai directly stuffed it into Mo Wuji's hand and said, "Now, almost everyone in the Three Heavens knows that I have treasures from ancient ruins. There will definitely be many people targeting me!"

"So I can't stay in the Mo family anymore, otherwise it will bring disaster to the Mo family!"

"I plan to take Qingyun away temporarily. After this matter is settled, I will let Qingyun come back to see you!"

"Okay, you guys be careful. Given the current situation of the Mo family, it is indeed not appropriate for them to stay here!" Mo Wuji nodded!

"Father....."

Mo Qingyun looked at Mo Wuji, his eyes full of reluctance!

"After a while, I will rebuild the Mohist School, and you can come back to see me."

Mo Wuji patted Mo Qingyun's shoulder gently!

Mo Qingyun nodded vigorously!

Kai took Mo Qingyun away, and soon their figures disappeared into the sky.

But soon, as Kai and Mo Qingyun were traveling through the void, the void they were in began to tremble violently, and a ray of light directly enveloped them!

Kai instinctively protected Mo Qingyun behind him. At the same time, figures appeared around him and looked towards Kai and the others!

"Is this Kai who possesses the ancient relics and treasures?"

Someone raised a question!

When Kai heard this, he frowned immediately. Why was it that people recognized him wherever he went?

Obviously being targeted!

“Sorry, I’m not Kai!” Kai shook his head!

“Stop talking bullshit, we’ve seen all your projections!”

Someone waved his hand casually, and a projection appeared in the void. It was Kai on it!

Now, it’s no use for Kai to deny it!

The other party even set up a projection. It seems that they are bound to make sure that Kai has no place to stand in the Three Heavens!

“This guy is only at the fourth level of the Sanxian realm. How can he get the ancient ruins treasure?”

Someone raised questions!

Several people came directly towards Kai. Everyone wanted to know what the treasure from the ancient ruins was!

Seeing several people surrounding him, Kai said coldly: “I don’t care who you are, you’d better not mess with me, because messing with me will not end well!”

“Fuck, are you so arrogant?” A man in green sneered, “You are just a fourth-grade Sanxian Realm cultivator, and you dare to talk to us like this?”

“I am...”

puff.....

Without waiting for the man in green to finish his words, Kai took action, and the Dragon-Slaying Sword instantly chopped off the man's head!
