Chapter 5121

This sword contained the supreme magic power of the Red Cloud Demon Lord and carried the will to destroy everything. The air was forcibly ignited in front of the blade, forming a burning black trajectory.

The leader of Tianyuan Pavilion let out a shrill roar and used all his strength to activate the blood-colored coffin. At the same time, the power of the blood corpse ran rampant in his body, and his entire body turned into a huge blood-colored ball of light, heading towards Kai's Dragon-Slaying Sword.

"Puff..."

The sword blade split the blood-red light ball and slashed on the blood-red coffin.

This time, there was no earth-shattering explosion, only a dull tearing sound.

The scarlet cloud demonic flames madly corroded the blood-colored coffin, and the cracks on the coffin lid expanded rapidly. With a "crack", the entire coffin was completely shattered and turned into countless blood-colored fragments that dissipated in the air.

The master of Tianyuan Pavilion let out a terrified scream. Without the protection of the blood-red coffin, he was directly exposed to Kai's sword.

The demonic flames of the Dragon Slaying Sword instantly enveloped his body and began to madly burn the blood corpse energy in his body.

"No...! Lord Blood Corpse, save me!"

The leader of Tianyuan Pavilion roared in despair, trying to summon the power of the blood corpse, but the red cloud devil flame was like a maggot on the tarsal bone, suppressing the corpse energy in his body.

There was no mercy in Kai's eyes. He thought of Sang Tianyang's sacrifice and the tragic situation in Shura Palace. He turned his wrist and the Dragon Slaying Sword, with a blazing demonic flame, chopped down from the top of the Pavilion Master's head.

"ah……!"

A shrill scream resounded throughout the world, and the body of the Tianyuan Pavilion Master was burned inch by inch in the red cloud devil flames and turned into ashes.

In the end, even the remaining soul of the blood corpse in his body was completely burned to ashes by the devilish flame, leaving only a faint smell of blood and burnt smell in the air.

The wind gradually stopped.

Kai retracted the Dragon Slaying Sword, and the Red Cloud Demonic Flame on his body slowly receded. He was breathing heavily, his face as pale as paper. It was obvious that the price of borrowing the power of the Demon Lord was extremely high.

He looked at the ruins before him and the corpses scattered all over the ground, his eyes filled with fatigue and sadness.

Huo Jingjing and others rushed forward and supported the staggering Kai.

"Kai, are you okay?" Huo Jingjing asked worriedly.

Kai shook his head, looked towards the direction of Shura Palace, and said in a hoarse voice: "I'm fine...it's just that, Shura Palace..."

Mo Qingyun sighed and said softly, “Let’s see if there are any survivors first.”

The group searched through the ruins and finally found only a few seriously injured and unconscious disciples of the Shura Palace, all of whom were dying.

Kai looked at the sad Sang Lan, then looked at the traces left by Sang Tianyang’s self-explosion in the distance, feeling mixed emotions.

Although the head of Tianyuan Pavilion was killed, Shura Palace had been destroyed and Sang Tianyang left forever.

Sang Lan slowly stood up and then bowed deeply to Kai!

“Mr. Chen, thank you, thank you for serving Shura Palace and avenging my father!”

Although Sang Lan was very sad, she was still very grateful to Kai!

“Miss Sang, if I had come earlier, maybe Sang Dianzhu wouldn’t have died!”

Kai felt a little guilty!

“It’s all fate, it has nothing to do with you!” Sang Lan shook her head!

“What are you going to do next?” Kai asked worriedly!

Sang Lan forgot to take a look at the Shura Palace which had long since become ruins, as well as the mountains of corpses, and fell into confusion for a moment!

“I want to revive Shura Palace…” Sang Lan said after a moment!

“Just you?” Kai frowned slightly!

With Sang Lan's strength, it would be harder than ascending to heaven to revive Shura Palace!

"And I..."

At this time, a figure slowly came from the sky!

When the figure approached, Kai was stunned, and Sang Lan was also a little surprised.

"Great Elder?" Sang Lan shouted in surprise!

"Miss, Shura Palace has been destroyed. We have the responsibility to revive it."

"From now on, I will swear to help the young lady revive Shura Palace!"

After saying that, the Great Elder glanced at the mountains of corpses and seas of blood, his eyes filled with tears!

Sang Lan nodded vigorously. With the assistance of the Great Elder, the revival of Shura Palace would be just around the corner!

Chapter 5122

Kai, Mo Qingyun and the others have left, and Kai can't help in reorganizing Shura Palace!

The successive possessions have caused severe trauma to Kai's body, so Kai still needs to continue recuperating in the Demon-Suppressing Tower!

Fortunately, there is the Demon-Suppressing Tower. Even if Kai recuperates for a year, it is only a few days in the outside world!

After returning to the Eighth Palace, Kai went straight into the Demon-Suppressing Tower to begin his recuperation!

But while Kai was recuperating, the situation in the Second Heaven fell into complete chaos after the destruction of Shura Palace and the death of the master of Tianyuan Pavilion.

The two giants that maintained the balance in the past collapsed, and all forces showed their fangs like sharks that smelled blood.

The Mohist School and the Eight Palaces had no choice but to be dragged into the dispute. If they wanted to survive in the Second Heaven, they had to fight.

The Second Heaven was in complete chaos, and some long-dormant alliances of independent cultivators also attempted to get a piece of the pie in this dispute.

The competition for resources became increasingly fierce. The once prosperous city became a battlefield, and wailing could be heard in every corner of the Second Heaven.

Outside the Demon-Suppressing Tower, Mo Qingyun and Huo Jingjing stood guard in front of the tower every day, their hearts filled with worry.

Now that the Second Heaven is in such chaos, the two of them don't know what the fate of their respective families will be, nor do they know when Kai will be able to recover!

Hu Mazi took advantage of the chaos in the Second Heaven and went outside from time to time to rescue a few female cultivators, calling it a hero saving a beauty, but in fact he was just having fun!

Those female nuns were rescued and were grateful to Hu Mazi, so it was natural for them to offer their bodies.

Three days later, the Demon-Suppressing Tower began to shake violently, and brilliant rays of light burst out from the tower.

A dazzling light burst out from the top of the tower, turning into a beam of light that shot straight into the sky.

Mo Qingyun and the others quickly stepped aside, only to see a figure slowly walking out with a powerful pressure.

Kai was dressed in plain clothes, his hair fluttering in the wind, and a faint immortal aura lingered around him.

His eyes became deeper, and his every move exuded a heart-pounding aura.

At this time, his realm had reached the fifth level of the Scattered Immortal Realm, and his strength far exceeded that of the peak powerhouses in the Scattered Immortal Realm.

He waved his hand lightly, and the Demon-Suppressing Tower turned into a stream of light and sank into his storage ring.

Kai has actually improved his realm again, his speed is comparable to riding a rocket!

“Kai!”

Huo Jingjing was the first to react and ran towards Kai.

Although Mo Qingyun was also very happy, she still maintained her usual elegance and followed quickly behind.

“I’m fine.”

Kai looked at the two of them with a smile, his voice gentle but powerful.

He turned his head and looked at the smoke-filled sky in the distance, his eyes instantly turned cold: “What happened to the Second Heaven?”

Mo Qingyun told Kai the story, and only then did Kai realize that the entire Second Heaven was in chaos!

The simultaneous collapse of Tianyuan Pavilion and Shura Palace caused some forces that had long been unable to contain themselves to become restless!

“It’s time for the Second Heaven to calm down.”

Kai said calmly!

At this time, Huo Zhao and the people from the Eighth Palace had been fighting a bloody battle around the Eighth Palace for two consecutive days!

Many forces want to seize the resources of the Eight Palaces and occupy the territory of the Eight Palaces!

“Huo Zhao, I already knew that you betrayed the Temple. Now the Temple doesn’t care about you anymore!”

“I think you should just give up your territory, take out your resources and get out!”

An old man in black who was at the sixth level of the Sanxian realm said to Huo Zhao with a proud look on his face!

Behind this old man in black are tens of thousands of monks, each holding a weapon and looking very imposing!

On the other hand, Huo Zhao only has dozens of disciples from the Eighth Hall behind him, and the difference in strength is huge!

However, Huo Zhao knew that Kai was still recuperating in the tower. If he were disturbed by these people at this time, Kai might go insane!

“Unless all the people in the Eight Palaces are killed, we will never admit defeat!”

Huo Zhao said with a determined look on his face!

Chapter 5123

“In that case, don’t blame me!” The old man in black snorted coldly and was about to take action!

But before he could do anything, suddenly a terrifying and violent aura emanated from the Eighth Palace!

Then Kai came out with Mo Qingyun and Huo Jingjing!

“You, are you planning to take over the Eighth Palace?”

Kai looked at the old man in black with disdain.

“Who are you? You are only a fifth-grade Loose Immortal Realm, and you dare to talk to me like this!”

The old man in black relied on his sixth level of the Sanxian realm and looked down on Kai!

Kai just smiled and ignored him. Instead, he looked at Huo Zhao and said, “Father-in-law, leave these people to me!”

Huo Zhao nodded. Kai’s realm had been raised again. The old man in black in front of him was no match for him at all!

“Brother-in-law, kill these guys before they dare to set their sights on my Eighth Palace!”

When Huo Feng saw Kai coming, he also became bolder!

“Watch carefully and study hard…”

Kai said to Huo Feng!

“Hmph, arrogant boy, if I don’t let you see how powerful I am, you won’t know how high the sky is and how deep the earth is!”

The old man in black became furious when he saw Kai ignoring him.

The old man in black was seen muttering something, and suddenly the sky and earth split open, followed by countless purple lightning bolts falling from the sky!

These lightning bolts were as thick as buckets, covering the entire sky and earth, and countless people felt extremely oppressive!

Huo Zhao led the people from the Eight Palaces and continued to retreat!

Kai just smiled faintly, looking at the purple lightning, but did not make any movement, his eyes full of contempt!

When the purple lightning reached Kai, it suddenly disappeared!

It's as if it had never existed!

Seeing this scene, everyone was stunned!

The old man in black also frowned: "Good boy, you really have some skills!"

After saying this, the old man in black shouted: "The Way of All Laws..."

Along with the black-robed old man's loud shout, tens of thousands of monks behind him swung their weapons towards the void in unison!

In the void, these weapons continued to merge and finally turned into an extremely huge divine sword!

This divine sword contains the magical power of tens of thousands of cultivators!

At this moment, the Dragon-Slaying Sword in Kai's hand burst out with golden light, and then he slashed with it!

In an instant, the heads of tens of thousands of monks shot up into the sky!

The scene was extremely spectacular!

And the divine sword that was condensed instantly turned into a ray of light and disappeared at the same time as tens of thousands of monks were killed!

Seeing this scene, Huo Zhao and others were stunned!

“Brother-in-law is awesome!” Huo Feng shouted excitedly!

Kai waved his hand, and tens of thousands of storage bags appeared out of thin air, and then all fell into Kai’s hands!

“Father-in-law, please accept these resources. The Eighth Prince will need them in the future!”

Kai did not take the tens of thousands of storage bags for himself, but gave them all to Huo Zhao!

Huo Zhao was full of excitement. He took the storage bag worth tens of thousands of yuan and praised repeatedly: “What a good son-in-law, what a good son-in-law…”

After saying that, Huo Zhao looked at Huo Jingjing and said, “Daughter, at night, you must serve Kai well and change a few more positions!”

“Dad…” Huo Jingjing blushed!

At this moment, the old man in black stood there like a puppet, staring at Kai blankly, he was dumbfounded!

Kill ten thousand people with one sword…

Is this something a fifth-grade cultivator in the realm of scattered immortals can do?

“What skills do you have? Just use them!”

Kai looked at the old man in black and said!

“No, no more... I surrender!”

The old man in black said tremblingly!

He was already in despair. When the heads of tens of thousands of monks flew off at the same time, he was in despair!

Kai is not someone he can contend with at all!

“I don’t need you to surrender!” Kai shook his head: “Do you know why I didn’t kill you along with the tens of thousands of monks just now?

Chapter 5124

The old man in black shook his head: “I don’t know!”

“Because I want to eradicate the roots. Tell me, where is your home?”

Kai said!

After hearing this, Huo Zhao was speechless!

Huo Feng laughed and said, “My brother-in-law is awesome, this is how it should be!”

The old man in black was stunned!

If you want to kill someone, just kill them. Why ask the family?

There is no deep hatred, so is it necessary to eradicate it completely?

“I... I have no home!” said the old man in black!

But as soon as he finished speaking, the body of the old man in black exploded instantly, and his soul was destroyed!

At this moment, Mo Qingyun's face suddenly changed: "Oh no, my father and the others are in danger!"

The jade pendant on Mo Qingyun's body was flashing red light at this moment!

"Walk!"

After Kai finished speaking, he pulled Mo Qingyun and disappeared into the sky!

Kai is already invincible in the second heaven, so there is no need to worry at all!

His current strength is enough to show off!

When Kai and Mo Qingyun arrived at the Mo family, the Mo family was already surrounded by densely packed monks!

Mo Wuji's face looked very ugly. He brought the Mo family disciples and said his final farewell to Mo Qingyun!

"Disciples of the Mohist School, listen up. This is our last battle. You must remember that you would rather die than surrender!"

Mo Wuji is making the final mobilization!

All the Mohist disciples nodded, and just when they were ready to fight to the death, suddenly a terrifying aura came quickly from the sky!

boom.....

There was a loud bang, and all the monks who were besieging the Mohist School had their bodies exploded and their souls disappeared!

Mo Wuji and everyone in the Mo family stared blankly at everything in front of them, having no idea what was happening!

I don't even know where that terrifying aura just now came from!

"Master, this could be a blessing from the gods, a manifestation of our Mo family's ancestors, right?"

A Mohist disciple said in shock!

"What Mohist ancestor? It's Kai..."

At this time, Mo Qingyun's voice was heard, and then Kai and Mo Qingyun appeared!

"Qingyun!" Mo Wuji was very happy to see Mo Qingyun!

"Father, are you okay?" Mo Qingyun hurried forward and asked with concern!

"I'm fine. You just said it was Mr. Chen. Was that terrifying aura emitted by Mr. Chen?"

Mo Wuji couldn't believe it!

"Of course, it was Kai who saved you!" Mo Qingyun nodded!

Mo Wuji looked at Kai. Although his realm was improving rapidly and he had already reached the fifth level of the Scattered Immortal Realm, the terrifying aura that had just erupted from him was probably something that he couldn't even reach at the peak of the Scattered Immortal Realm, right?

In shock, Mo Wuji was also very excited. With Kai here, their Mo family can dominate the Second Heaven!

In the following days, Kai, with his sword, swept through all forces in the Second Heaven. Under Kai's pressure, the Second Heaven finally returned to peace.

Because the Mohist School and the Eight Palaces had Kai as their backer, they directly became the two largest forces in the Second Heaven!

The two families directly divided the Second Heaven, and the relationship between the two families was very close!

After all, Mo Qingyun and Huo Jingjing are both Kai's women, so the two families are naturally close!

After dealing with the affairs of the second heaven, Kai decided to go to the third heaven.

When Mo Qingyun and Huo Jingjing heard the news, they looked embarrassed.

They knew that with their current strength, they could not go to the third heaven.

The immortal energy of the third heaven is more intense, and the power of the laws is more violent. Without sufficient strength, entering the third heaven is like a sheep entering a tiger's mouth.

"Don't worry."

Kai looked at the worried expressions of the two people and smiled slightly.

The dragon-slaying sword in his hand shone brightly, and the golden light on the sword kept flickering.

Kai took a deep breath, mobilized all the strength in his body, and slashed towards the void.

Chapter 5125

A huge crack appeared in the void, and a strong suction force came from the crack, and the surrounding space began to distort and deform.

Kai shouted loudly and swung his sword again. The crack continued to expand, forming a passage leading to the third heaven.

There was a flickering light in the passage, and the magnificent scenery of the three heavens could be seen faintly.

“This…how is this possible?”

Mo Qingyun and Huo Jingjing widened their eyes, their faces filled with disbelief.

They had never seen anyone who could so easily cut through the void and open up a passage.

“Let’s go.” Kai said with a smile, turning to look at Hu Mazi, “Master Hu, let’s go to the Third Heaven together?”

Hu Mazi grinned: “Wherever you go, I will accompany you. When I am with you, there is no shortage of women!”

The four of them walked into the passage, which slowly closed behind them.

The moment they stepped out of the passage, a divine aura so strong that it almost turned into substance hit them in the face.

The sky of the triple heaven was a strange purple color, with huge islands floating on it, and each island exuded a powerful aura.

“The aura of this third heaven is indeed different!”

Kai looked at this strange and challenging world with his eyes full of fighting spirit.

Kai will visit the Tianyan Sect, the Ancient Savage Clan, the Blood Shadow Palace and the Seventh Palace one by one.

With Kai's current strength, he is completely invincible in the third realm!

Not long after Kai and others entered the third heaven, various forces learned the news.

Some ancient families began to pay close attention to Kai and his group. A person who could open up a channel into the void was definitely not an ordinary cultivator.

The major families sent spies to find out Kai's background.

In a mysterious place in the Third Heaven, an old man in a black robe slowly opened his eyes. A cold light flashed in his eyes: "The little fellow from the Second Heaven can actually open up a void passage. Interesting, really interesting..."

Kai took Mo Qingyun, Huo Jingjing and Hu Mazi to a random island in the Third Heaven to settle down.

After becoming familiar with the situation, Kai went to seek advice from those forces.

However, Kai did not know that the island they came to was called Qingyun Island. The island was full of fairy energy, but it was relatively remote and suitable for temporary settlement.

However, as soon as they gained a foothold on the island, they ran into trouble.

Qingyun Island was originally the territory of a small force called Qingyun Sect. Although this force was not considered powerful in the Three Heavens, it should not be underestimated.

When the disciples of Qingyun Sect discovered that outsiders had occupied their island, they immediately reported it to the sect.

After hearing the news, Yun Wuya, the leader of Qingyun Sect, came in person with a group of strong men.

“Who are you, young brat, to dare occupy my Qingyun Island!” Yun Wuya stood in the sky, looking down at Kai and others, his eyes full of arrogance.

Kai looked up at Yun Wuya and said calmly, “We are only staying here temporarily. We have no intention of offending you. When we find a suitable place, we will leave naturally.”

Kai was very polite because he didn’t want to conflict with the people from Qingyun Sect!

It’s not that Kai is kind-hearted, but the people of Qingyun Sect are no different from ants in Kai’s eyes!

No one would be interested in fighting with an ant!

Yun Wuya looked at Kai and the others and found that the highest level of these people was only at the fifth level of the Loose Immortal Realm!

How does one reach this state of mind and reach the third heaven?

“You are cultivators from the Second Heaven, right? Were you sucked here by the turbulent void?”

Yun Wuya asked curiously!

Kai didn’t want to say anything more, so he nodded!

Seeing that Kai and the others were all in the second realm and were accidentally sucked in by the turbulent flow of the void, Yun Wuya’s expression became even more arrogant!

“Hmph! My Qingyun Sect is not a temporary residence. Either get out now or die, you make your own choice.” Yun Wuya snorted coldly.

Chapter 5126

“What if I choose to let you die?” Kai frowned slightly!

Yun Wuya was stunned for a moment, and then a green sword appeared in his hand: “Boy, you dare to say that to me? If I don’t spare your lives today, how can the Qingyun Sect maintain its reputation!”

As soon as he finished speaking, Yun Wuya took the first step.

He swung the sword in his hand, and green sword energy shot towards Kai and others.

The sword energy of the seventh level of the scattered fairyland is terrifying and terrible!

Kai’s eyes were full of contempt. He gently swung the Dragon-Slaying Sword in his hand, and rays of sword light shot out. The moment the sword energy came into contact with the sword light, it turned into nothingness.

Yun Wuya was shocked when he saw that his attack was easily resolved.

He didn’t expect that the young man in front of him was so powerful, but as the leader of Qingyun Sect, how could he admit defeat easily?

He shouted loudly, mobilizing all his strength and performing the Qingyun Sect’s unique skill, the Qingyun Sword Technique.

I saw countless green sword lights appearing in the sky, like a sea of swords, covering Kai and others.

Faced with Yun Wuya’s ultimate move, Kai and the others all looked calm!

Whether it was Hu Mazi, Huo Jingjing or Mo Qingyun, they all knew that Kai's treatment of the person in front of him was no different from crushing an ant!

"It's just a trifle."

Kai snorted coldly, and his body was instantly covered with golden scales, and the Indestructible Golden Body was activated.

The green sword lights fell on Kai, making a sound of metal collision, but did not hurt Kai at all.

Immediately afterwards, Kai's figure flashed and appeared in front of Yun Wuya.

His speed was so fast that Yun Wuya had no time to react.

Kai punched Yun Wuya in the chest, and the powerful force knocked Yun Wuya away and he fell heavily to the ground.

When the people of Qingyun Sect saw their leader being defeated, they all showed expressions of horror.

They wanted to help, but were afraid of Kai's strength.

"I'll say it again, we are just staying here temporarily and don't want to be your enemy." Kai glanced coldly at everyone in the Qingyun Sect, "If you still don't know what's good for you, don't blame me for being rude. Killing you is no different from crushing an ant."

Kai said in a very pretentious manner!

Hu Mazi looked at Kai and couldn't help but give him a thumbs up: "Force the King..."

"Kai looks so handsome when he's pretending to be cool..."

Huo Jingjing and Mo Qingyun were both infatuated with her.

Yun Wuya struggled to get up from the ground, feeling unwilling, but not daring to act rashly again.

“Let me ask you, which one of your Qingyun Sect is closer to, the Tianyan Sect, the Savage Ancient Clan, or the Blood Shadow Palace?”

Kai asked Yun Wuya!

Yun Wuya looked at Kai, not understanding what he meant, so he asked, “Why…why are you looking for these three forces?”

“There are some minor conflicts. I want to destroy them, so let’s see which one to destroy first.”

Kai said calmly!

Yun Wuya couldn’t help but swallow his saliva when he heard this. These three forces are all among the top forces in the Three Heavens.

None of them are powerful enough for his Qingyun Sect to provoke.

Now Kai is actually going to destroy these three top forces?

“We are in the most remote place of the Three Heavens. We are very far away from these three forces, but relatively speaking, we are closer to the ancient barbaric tribe.”

Yun Wuya said truthfully!

“Then in your Three Heavens, the most powerful force is the Seven Palaces of the Temple?”

Kai continued to ask!

The Seventh Palace Master’s strength at the peak of the Immortal Realm should, in theory, be the highest combat power in the Three Heavens!

Moreover, there is a temple behind the Seventh Palace, so it is reasonable that the Seventh Palace Master is the most powerful in the Three Heavens!

Yun Wuya nodded, then shook his head.

Seeing Yun Wuya's expression, Kai was a little surprised and asked, "What do you mean?"

"I mean, yes and no..."

Yun Wuya said!

Chapter 5127

"F*ck, speak properly..."

When Kai heard this, he immediately became angry!

Yun Wuya was startled and said quickly: "In the Third Heaven, the most powerful force on the surface is the Seventh Palace, but in the Third Heaven, there is also a mysterious place, and the forces in that place are the most powerful."

"Mysterious place?" Kai frowned. "What is the strength of that force? What is its name?"

Yun Wuya shook his head: "I don't know, I don't even know where this mysterious place is!"

"Damn, you're playing tricks on me..." Kai was angry and was about to take action!

"No, I'm not kidding you. I really don't know where this mysterious place is, nor do I know the name of this force."

“I only know that they are extremely mysterious. Every time there is a large-scale fight and death in the Three Heavens, this mysterious organization will appear.”

“They never help any party, but only collect souls blindly. Therefore, many people suspect that these people are demons, an organization that specializes in refining souls.”

Yun Wuya said quickly!

After hearing this, Kai instantly became interested in this organization. An organization that specializes in collecting souls must be the demon clan without a doubt!

However, Kai currently has no time to inquire about this organization. What he has to do now is to destroy the Tianyan Sect, the Ancient Savage Tribe, and the Blood Shadow Palace!

The last one is the Seventh Palace. After destroying the Seventh Palace, Kai will be the boss in the Three Heavens!

He can act cool as he pleases, and no one can beat him!

“You are close to the ancient tribe of the wilderness, take me to the ancient tribe of the wilderness!” Kai said!

“I advise you not to go. The Mountain-Splitting Barbarian King of the Ancient Barbarian Clan is a ninth-grade Scattered Immortal Realm. He has few rivals in the Third Heaven.”

“If you…”

Before Yun Wuya could finish his words, Kai threw the Mountain-Splitting Barbarian King’s head to the ground!

“Are you talking about him?” Kai said with a faint smile!

When Yun Wuya saw the head of the Mountain-Splitting Barbarian King, he was stunned!

A ninth-grade immortal in the realm of scattered immortals was killed just like that, and his head was chopped off?

This is too outrageous.

In Yun Wuya's eyes, the ancient barbaric tribe is an unattainable existence. Compared with their Qingyun Sect, their Qingyun Sect is just an ant!

"Just lead the way for me, don't worry about anything else!"

Kai said to Yun Wuya!

Yun Wuya could only nod at this moment and take Kai and the others straight to the ancient barbaric tribe!

Yun Wuya led Kai and his party through the mountains of the Three Heavens. The place was filled with fairy air, ancient trees were towering, and the air was filled with a faint smell of blood.

Hu Mazi was yawning, while Huo Jingjing and Mo Qingyun were looking curiously at the strange-shaped vegetation around them. Only Kai walked with his hands behind his back, his golden dragon eyes scanning the sky indifferently, as if the danger around him was nothing more than the scenery in the backyard.

"Yun Wuya, how far is it?"

Kai's voice was calm, but it made the Qingyun Sect's leader, who was walking in front, shudder.

He was about to speak when suddenly a sinister sneer came from the depths of the dense forest ahead.

“Hey, isn’t this the old dog from Qingyun Sect? Why did you bring a bunch of bastards to my Black Evil Ridge to run wild?”

Before he finished speaking, dozens of black shadows leaped down from the treetops. The leader was a man with a green ghost mask with fangs, holding a pitch-black long axe, and exuding the aura of a fifth-level scattered immortal realm. The people behind him were also at the scattered immortal realm level. They were obviously an elite team.

Yun Wuya’s face suddenly changed, and he whispered to Kai: “Chen… Senior Chen, this is someone from the Black Evil Sect. They had a feud with my Qingyun Sect that destroyed their peak…”

“Revenge for the extermination of the peak?”

The ghost-faced man laughed wildly upon hearing this, and chopped the ground heavily with his axe, splashing gravel. “Yun Wuya, you hid in the sect and dared not show your head back then, but today you dare to bring outsiders to die? Who are these little kids? Your new backers?”

His eyes swept over Kai, and seeing that he was only of the fifth rank of the Loose Immortal Realm, he immediately sneered: “Oh, you found a fifth rank of the Loose Immortal Realm trash as your backer? The Qingyun Sect is indeed in decline, and even clinging to someone so ignorant is so shortsighted!”

Chapter 5128

Huo Jingjing’s eyebrows suddenly raised, and just as she was about to speak, Kai raised his hand to stop her.

Kai took a step forward, his eyes looking at the dust on the ground: “Get out of the way.”

“Get out of the way?”

The ghost-faced man seemed to have heard a huge joke, “Boy, do you know who I am? I am the young leader of the Black Evil Sect, Hei Wuchang! Kneel down and kowtow three times, and leave the two beauties beside you. Maybe I can even keep your body intact!”

The Black Evil Sect disciples around him burst into laughter, using obscene words in their speech.

Yun Wuya was so frightened that his face turned pale. He pulled the corner of Kai’s clothes and said, “Mr. Chen, how about we take a detour to the Black Evil Sect…”

“Take a detour?” Kai interrupted him, with a cold smile on his face. “I never give way to others when I walk.”

Before he finished speaking, he didn’t even draw his sword, he just snapped his fingers.

“Zheng——”

A clear sword sound seemed to fall from the sky, and the invisible sword intent turned into a streak of light, extremely fast!

Before the hideous smile on Hei Wuchang’s face faded, he felt a chill on his neck, and then the whole world began to spin.

He looked down and saw that his body was still in the laughing posture, but there was a blood line as thin as a hair on his neck.

“you……”

His head rolled to the ground, his eyes filled with disbelief and fear. Even until his life was completely gone, his head still had its eyes wide open, as if he died with his eyes open.

The whole place was dead silent.

The disciples of the Black Evil Sect watched as their young leader's head and body were instantly separated. They didn't even see how the other party did it, and a chill ran up from the soles of their feet to the top of their heads.

A seventh-level expert from the Sanxian realm was reduced to ashes in the blink of an eye?

What kind of terrifying power is this?

Kai didn't even look at the body on the ground. He said to Yun Wuya with his hands behind his back, "Lead the way."

Yun Wuya was trembling all over and almost crawled forward, fearing that if he was a step slower he would follow in Hei Wuchang's footsteps.

Hu Mazi whistled and grinned at the remaining Black Evil Sect disciples: "Everyone, do you still want to block the road?"

How could those disciples dare to stay? They screamed and scattered like birds and beasts, not even caring about the young master's body.

Huo Jingjing and Mo Qingyun looked at Kai with admiration. They felt that the way he killed someone with a snap of his fingers just now was even more cool and domineering than the gods and Buddhas in heaven.

"Kai, your ability to pretend is getting better and better!" Hu Mazi gave a thumbs up.

Kai smiled faintly: "It's still a little lacking."

The group continued to move forward. The bloody smell in the air seemed to be a little thicker, but no blind force dared to step forward to stop them.

Three days later, everyone arrived at the territory of the ancient barbaric tribe.

This place is completely different from the outside world. The sky is a strange dark red color. Countless huge black stone tablets stand on the ground, engraved with hideous totems. The air is filled with a wild and violent atmosphere.

From afar, a huge city built against the mountain came into view. The city walls were made of black rocks, covered with marks of sharp claws and weapons, revealing a ferocity like a wild beast.

A huge animal bone plaque was hung above the city gate, with three ancient characters written in blood on it – “Barbaric City”.

However, at this moment, the Savage City seemed a little unusual.

The guards at the city gate all had solemn expressions, the animal leather armor around their waists were stained with fresh blood, and their eyes looking outside the city were full of vigilance and uneasiness.

Their Barbarian King has disappeared for several days and there has been no news at all. The Great Elder has ordered a city-wide curfew!

As soon as Yun Wuya reached the city gate, he was stopped by several barbarian warriors holding huge axes.

The leading warrior was a burly man with green battle patterns painted on his face. He shouted sternly, “You from the Qingyun Sect? What are you doing here in my ancient barbaric clan?”

Yun Wuya was about to speak when suddenly a rapid bell rang from the city. Then, a group of old men in animal skin robes walked out quickly, surrounded by many barbarian warriors.

Chapter 5129

The old man in the lead had white hair and beard, a huge white feather stuck on his head, and his face was full of wrinkles from time. He was

none other than the great elder of the ancient barbaric tribe, a powerful man at the eighth level of the Scattered Immortal Realm!

“Yun Wuya?”

The elder’s eyes were as sharp as a hawk, and they were full of anger when they fell on Yun Wuya, “How dare you! My Savage Ancient Clan has never had any dealings with your Qingyun Sect. You brought outsiders to trespass into my territory. Are you looking for death?”

Yun Wuya was so frightened that his legs went limp and he almost fell to his knees. He stammered, “Grand…Grand Elder, I…I brought this Mr. Chen here…”

“Mr. Chen?”

The great elder sneered and glanced at Kai. Seeing that he was young and plain-looking, he immediately sneered, “You are just such a young boy? You call yourself a sir. Are you from the Qingyun Sect being treated like dogs?”

Yun Wuya was ridiculed, but he didn’t dare to say a word. After all, compared with the ancient barbaric clans, his Qingyun Sect was not good enough!

“Is your Barbarian King missing?”

Kai raised his eyebrows, a playful arc appearing at the corner of his mouth.

The Great Elder frowned slightly when he heard this: “How did you know?”

“Is my guess correct?” Kai said with a smile!

“Guessed? Do you take me for a fool?” The elder became angrier and angrier as he spoke. He then pointed at Yun Wuya’s nose and cursed,

“Yun Wuya, you dare to bring people here to cause trouble? Believe it or not, I will twist your head off right now!”

Yun Wuya was so frightened that his soul flew out of his body. He waved his hands quickly and said, “No… No, Great Elder, this Mr. Chen…”

“That’s enough!”

Kai interrupted impatiently, he was too lazy to listen to any more nonsense.

He just flipped his wrist, picked up a bloody head in his hand, and threw it at the feet of the great elder.

“You… who are you? How dare you act wildly in my ancient barbaric tribe…” The Great Elder was about to get angry, but his eyes suddenly fixed on that head, and his pupils suddenly contracted!

The head with a ferocious face was the leader of the ancient barbaric tribe – the Mountain-Splitting Barbarian King!

“Your Majesty the Barbarian King?”

“This…what’s going on?”

“The head of His Majesty the Barbarian King?”

The surrounding barbarian warriors and elders were all in an uproar. They stared at the head on the ground in amazement, with shock and fear written all over their faces.

The great elder was struck by lightning, staggering back a few steps, pointing at Kai, his voice trembling: “Who… who killed His Majesty the Barbarian King?”

The Great Elder didn’t believe that it was Kai who killed the Barbarian King. After all, Kai was only at the fifth level of the Loose Immortal

Realm, while the Barbarian King was at the ninth level of the Loose Immortal Realm. The difference between the two was huge!

Even if the Barbarian King stood still and let Kai take action, Kai would not be able to kill the Barbarian King!

Kai clapped his hands, as if what he had just thrown was not the head of a ninth-grade Sanxian realm warrior, but an ordinary stone. His tone was calm and calm: “Of course I killed him!”

“Impossible, absolutely impossible…”

The Great Elder didn’t believe it: “How could you, a fifth-grade Loose Immortal Realm, kill our Barbarian King!”

“Great Elder, it’s just what Mr. Chen said. Don’t underestimate him because he is at the fifth level of the Loose Immortal Realm. With his true strength, he can kill you!”

Yun Wuya said!

“court death!!”

The Great Elder gritted his teeth, full of murderous intent!

“Revenge for His Majesty the Barbarian King!!”

“Kill him!!”

After the shock, the people of the ancient barbaric tribe erupted in rage.

Dozens of powerful warriors at the sixth or seventh level of the Sanxian Realm rushed up with roars.

The leading elders even sacrificed the secret treasures of the ancient barbaric tribe, such as the black iron mace, the bloodthirsty bone spear, the earth-shaking beast hide shield, and all kinds of wild and domineering attacks came towards Kai.

“A mere trifle.” Kai snorted coldly. He did not even use the Dragon-Slaying Sword. Instead, golden light shone brightly around him, and his Indestructible Golden Body automatically activated.

Chapter 5130

“Ding ding ding…”

The intensive attacks fell on Kai, making a loud noise like hitting metal and stone, and sparks flew everywhere.

However, Kai stood there motionless, without even a scratch on the golden scales on his body. Those violent attacks were like a drop in the ocean, completely dissolved by his indestructible golden body.

“How is that possible?”

The elder’s pupils suddenly shrank, his face full of disbelief: “So many Loose Immortal Realm rank six or seven cultivators’ full-strength attacks, actually… actually couldn’t hurt him at all?”

The Great Elder now believed that perhaps their Barbarian King was really killed by Kai in front of him!

Kai was too lazy to waste time with these ants. His eyes turned cold and he snapped his fingers.

“Zheng! Zheng! Zheng!”

Several invisible sword intentions shot out like lightning, more fierce than the previous time when they killed Hei Wuchang!

Those barbarian warriors who were rushing in the front didn’t even have time to scream before their heads were separated from their bodies and rolled to the ground with ferocious expressions in their eyes.

“This… is this sword intent?”

The second elder, whose hair and beard were all standing on end, was horrified and said, “Such a terrifying sword intent, I’m afraid… I’m afraid even the peak of the Loose Immortal Realm cannot reach it, right?”

The Great Elder’s face turned pale. He finally realized that the seemingly young man in front of him was a terrifying existence that they could never reach!

He killed the Mountain-Splitting Barbarian King and killed several powerful Loose Immortal Realm warriors in the blink of an eye. This kind of strength has probably surpassed the Loose Immortal Realm and reached the realm of Earthly Immortal!

It’s outrageous that he has reached the level of an Earthly Immortal at such a young age!

“Retreat! Retreat quickly!” the great elder roared, trying to order the tribesmen to retreat.

However, would Kai give them a chance?

His figure flashed and appeared in front of the great elder like a ghost.

The Great Elder’s pupils shrank, and he subconsciously sacrificed the ancient Savage Clan’s treasure, a black shield engraved with ancient totems, exuding a heavy and vicissitudes of life. It was the “Salvage Guardian Shield”, which was said to be able to withstand a full-strength attack from a peak level Immortal Realm expert.

“Bang!”

Kai didn’t even use the Dragon-Slaying Sword, he just punched out casually.

The golden fist mark, with the power to destroy the world, smashed heavily on the Savage Guardian Shield.

With a crisp “crack” sound, the so-called indestructible protective shield was instantly covered with spider-web-like cracks, and then exploded into countless pieces with a “bang”!

The Great Elder was horrified and his protective energy instantly burst out in an attempt to block the punch.

But Kai’s fist was as powerful as a bamboo that broke through his energy easily and hit him hard in the chest.

“puff……”

The Great Elder flew backwards like a kite with a broken string, knocking down half of the city wall. He spat out a large amount of blood from his mouth, his internal organs were shattered, and it was obvious that he was not going to survive.

“Grand Elder!”

“Chief!”

Seeing this, the people of the Savage Ancient Clan fell into complete panic. Even the Great Elder was killed in one move, what ability did they have to resist?

“Run!!”

Someone shouted, and the remaining barbarian warriors no longer cared about revenge and turned around to escape.

“Want to leave?”

Kai’s eyes were cold and he waved his hand.

“Buzz…”

An invisible field instantly enveloped the entire Savage City.

The fleeing barbarian warriors felt their bodies sink as if they were being pressed down by a huge rock, unable to move.

They were horrified to find that their cultivation had been suppressed to the extreme in this area, and even raising their hands was extremely difficult.

This is exactly the origin of time that Kai comprehended. Although it is not perfect yet, it is more than enough to suppress these ants below the realm of scattered immortals.

In the field created by Kai, everything is controlled by Kai.

“Kai, let us show off for a while!”

Hu Mazi rubbed his hands, his eyes sparkling with excitement.

Huo Jingjing and Mo Qingyun took out their storage bags and prepared to receive the spoils.

Chapter 5131

Following Kai, the two of them slowly began to get used to it!

At this rate and method, they will have no worries about lack of resources. It won’t take long before they can take over the entire Third Heaven.

Kai smiled slightly and said, “It’s useless to keep it, let’s solve it all.”

“Okay!”

Hu Mazi laughed and rushed forward like a tiger into a flock of sheep.

Huo Jingjing and Mo Qingyun also used their magical powers. For a moment, screams were heard one after another in the Savage City, and blood flowed like a river.

“My Savage Blood Clan has no grudges against you, why do you want to kill us all?”

Facing the massacre, the Great Elder really couldn’t understand why Kai wanted to destroy their ancient barbaric tribe!

“No grudges?” Kai smiled coldly: “Your Barbarian King, together with Xuanjizi of Tianyan Sect and Madam Meixin of Xueying Palace, wanted to seize the ancient relics treasures from me. I almost died in their hands.”

“If I wasn’t so strong, I would have let them succeed long ago. Even though they are dead now, I will destroy their sects!”

Kai’s words made the Great Elder look as pale as death.

Tianyan Sect, Xueying Palace, and their ancient barbaric tribe, together they were unable to defeat Kai, so one can imagine how powerful Kai is!

The Great Elder slowly closed his eyes. He knew that the Ancient Savage Clan was finished, and the Tianyan Sect and the Blood Shadow Palace below were also going to be finished!

Kai stood on the city wall with his hands behind his back, overlooking the one-sided massacre. His eyes were calm, as if he was watching an insignificant farce.

For him, destroying a top force in the Third Heaven is as easy as crushing a nest of ants.

This is the feeling of satisfaction brought by strength. It feels good to have high strength!

It’s cool to pretend…

Half an hour later, the bustling Savage City fell completely silent.

Except for Kai and his group, there was no one else alive in the city.

The corpses and blood all over the ground turned this ancient city into a hell.

Yun Wuya, who was standing by, was almost frightened to death. He looked at Kai, who was standing with his hands behind his back, like a follower!

Yun Wuya felt his scalp tingling when he thought about how he wanted to cause trouble for Kai at that time!

“Kai, it’s done!”

Hu Mazi wiped the blood off his face and grinned, “These barbarians are quite rich. We found a lot of good stuff!”

Huo Jingjing and Mo Qingyun also handed tens of thousands of storage bags to Kai like offering treasures: “Kai, look, there are a lot of immortal stones and immortal herbs in here, and there are also many secret manuals of martial arts!”

Kai waved his hand casually, and all the storage bags were put together. He scanned them with his spiritual sense, and a hint of satisfaction flashed in his eyes.

As one of the top forces in the Three Heavens, the Ancient Savage Clan is indeed rich in resources. In their storage bags, there are not only a vast amount of immortal stones, but also many rare treasures, and even several secret manuals on the late stage of the Scattered Immortal Realm.

These skills are intensive and very useful to the Mohist School and the Eight Palaces!

Without the support of the Temple, the Eighth Palace has to rely on itself for everything, so it needs more secret manuals, immortal stones and the like!

“Clean up all the resources here, including their treasure house and fairy mines.”

Kai glanced at the Savage City and said.

These monks have so many good things on them, so there must be a lot of treasures hidden in the entire Savage City!

“No problem, I love treasure hunting!”

Hu Mazi chuckled and began to search the Savage City in an orderly manner with Huo Jingjing and Mo Qingyun.

Seeing this, Yun Wuya took the initiative to join in and help with the search, but he did not dare to keep even one immortal stone for himself!

Kai walked alone towards the core area of the ancient barbarian tribe, the Barbarian King’s Palace.

The decoration inside the hall was crude, with animal bones and furs everywhere, and a faint smell of blood lingering on the throne in the center.

Kai released his spiritual sense, which instantly covered the entire Barbarian King’s Palace, and soon found the location of the real treasure house of the ancient barbarian tribe.

Chapter 5132

Kai’s spiritual consciousness penetrated into the restrictions under the floor tiles of the Barbarian King’s Palace like a spider web, and finally locked onto the dark yellow stone wall behind the throne in the center of the hall.

The stone wall looked ordinary, but it was flowing with the rugged runes unique to the ancient wilderness, and every line was filled with blood and ancient oppression.

He flicked his fingers, and a ray of chaotic sword energy burst out from his fingertips, accurately slashing at the node of the runes on the stone wall.

“Boom—”

The stone wall cracked open, revealing a bottomless passage.

The passage was pitch black, with only a faint golden light flickering at the end, accompanied by an aura that was so rich that it could not be dissolved and… a faint fluctuation of the soul.

Kai’s eyes focused, and he stepped into the passage. As soon as his feet touched the ground, thousands of bone lamps suddenly lit up around him, illuminating a circular treasure house with a dome hundreds of feet high.

The scene inside the treasury was truly stunning: the walls were inlaid with night-shining fairy crystals, making the entire space as bright as day;

On the central jade platform was a mountain of immortal stones, the spiritual energy was so rich that it almost turned into substance;

There were also countless jade boxes and animal skin scrolls placed randomly. Among them, several spiritual herbs emitting a chaotic aura actually caused Kai’s sea of consciousness to tremble slightly.

But what really made his pupils shrink was a golden soul floating in the deepest part of the treasure house.

The spirit was about three meters tall, wearing animal bone armor, with a blurry face but revealing a majesty that looked down on the world. The body was surrounded by the phantom totems unique to the ancient barbaric tribes, and every pattern seemed to contain the laws of the beginning of the world.

“Outsiders who trespass into the wild ancestral land are seeking death!”

The soul opened its mouth, and the sound was like the roar of thousands of beasts, shaking the entire treasure house.

Kai only felt an overwhelming and irresistible pressure coming towards him, which was more than a hundred times stronger than that of the previous great elder, and it was actually touching the threshold of the quasi-saint realm.

He instantly activated the origin of time, and his domain expanded violently, trying to suppress the opponent.

However, the spirit just smiled coldly, waved his robe sleeves, and a golden air wave as solid as iron crashed into Kai's territory.

With a "crack" sound, the time field shattered like glass. Kai felt a tightness in his chest and was shocked by the air wave to take three steps back, with a trace of blood flowing from the corner of his mouth.

"You are just showing off your rudiments of the origin of time, and you dare to show off in front of me?"

The spirit shadow came in mid-air, its five fingers formed into claws, grabbing towards Kai's throat with the might of tearing through space, "Considering that it is not easy for you to cultivate, and you have given up your cultivation, I can leave your body intact."

Kai's eyes were cold, and the chaotic true energy in his body was running wildly. At the same time, he summoned the Immortal-Slaying Flying Knife, which turned into a green light and shot towards the center of Shen Hun's eyebrows.

But the soul just pointed casually and the flying knife was knocked back, and even a tiny crack appeared on it.

"impossible……"

Kai was horrified.

The strength of this soul far exceeded his expectations. Just a wisp of residual soul had such power. What kind of person was the ancestor of the ancient barbaric tribe?

He displayed several magical powers in succession, and even activated the Chaos Pearl in his sea of consciousness, but his soul was like an eternal sacred mountain, unmoved, and every counterattack put him in danger.

Seeing that the attacks from the spirit were getting more and more fierce, Kai's internal energy was about to be exhausted. He gritted his teeth, sank into his sea of consciousness and said, "Senior, it's your turn!"

"Hahaha...are you letting me possess you again?"

The Red Cloud Demon Lord laughed!

"No, this guy is a spirit, you just need to come out directly." Kai said!

The Scarlet Cloud Demon Lord is also a spirit body at this time, so it is just right for him to deal with the guy in front of him!

The seal in the sea of consciousness shattered, and a dark red figure wrapped in monstrous demonic energy rose into the sky. It was the Red Cloud Demon Lord who had been in Kai's sea of consciousness for a long time.

As soon as he appeared, he turned into a stream of light and rushed into the treasure house, heading straight for the golden soul.

"Where did this old immortal come from, daring to touch my people?"

The Scarlet Cloud Demon Lord's body suddenly grew in size, transforming into a thousand-foot-long demonic shadow. He pointed at Shenhun's nose and cursed, "Look at your appearance, neither human nor ghost. Have you been dead for tens of thousands of years and no one has burned paper money for you? Are you so poor that only your bones are left?"

Chapter 5133

Forget it, what he said is not entirely wrong anyway, so just let him be happy.

Seeing that Rong Zhizhi was just stunned for a moment and did not refute what he said, the Prime Minister felt that he had guessed it right. All of a sudden, he couldn't suppress the corners of his mouth and smiled very beautifully, which made Rong Zhizhi a little dazed.

Tsk...

It seems that I should coax him more in the future so that he can smile more for me.

Wait, isn't this kind of thinking treating her husband as her plaything?

Just as she was condemning herself in her heart and wondering if she shouldn't be so ridiculous.

Shen Yanshu suddenly spoke up and ordered Chengfeng: "The Crown Prince of Min is so kind, how can I not repay him? Go to the inner prison to find Yuwen Zhan and tell him..."

Wait until Shen Yanshu finishes his instructions.

Even Rong Zhizhi's face couldn't help but twitch a few times: "Husband, has anyone ever said that you are cunning and scheming, and have a lot of bad intentions?"

Shen Yanshu was able to face himself calmly: "Everyone has probably thought about it, but except for my wife, no one dares to mention it to her face."

Rong Zhizhi: "..."

“What? Doesn’t my wife like me being like this?” This made him feel a little uneasy. After all, before they got married, she always described him as a bright and upright gentleman.

Rong Zhizhi blinked: “No, I like it very much.”

He is full of evil intentions, and she is born with a wicked nature, but they both insist on justice in their hearts. How can they not be a perfect match?

……

Post station.

Yu Manhua was in a really good mood today and she couldn’t help but humming Zhaoguo’s little tune.

The maidservant who called her couldn’t help but remind her, “Concubine, you’d better not hum the Zhaoguo song. If someone hears it, I’m afraid they will criticize His Highness and you again.”

Although the State of Qi did not make public the fact that they had released Yu Manhua, many people in Qi even thought that Yu Manhua was dead.

But the people of Min Kingdom were not fools. It was impossible for them to allow a person of unknown origin to be the prince’s concubine, not to mention that an envoy had met Yu Manhua before.

Therefore, the fact that His Highness let Yu Manhua be his concubine has already caused a lot of controversy. His Majesty even doubted whether His Highness could still stay in the East Palace as the Crown Prince.

The concubine is actually like this!

Yu Manhua was interrupted, her face darkened and her smile froze.

Jiang Wenye just walked in.

The maid saluted: “Your Highness!”

Jiang Wenye walked up to the maid and stood still. He raised his hand and slapped the maid in the face: “Asshole, who allowed you to be disrespectful to the concubine?”

The maidservant’s mouth was bleeding from being beaten, but she didn’t dare to cry.

Her face turned pale, and she immediately knelt down to plead for mercy: “Your Highness, I know I was wrong. I was just worried about Your Highness and the concubine. I have no other intentions!”

Jiang Wenye: “If you do this again, I will pull out your tongue!”

Maid: “Yes.”

Jiang Wenye: “Get out!”

The maid stood up tremblingly and retreated tremblingly.

Seeing this, Yu Manhua felt a little better. She looked at Jiang Wenye and said, “Actually, what this maid said is not wrong. I am indeed not too careful…”

Jiang Wenye said indifferently: “So what? You are my concubine and will be my queen in the future. You can do whatever you want. Why do you care what others do?”

Chapter 5134

“If we plant this thing in the Demon Suppression Tower, won’t there always be fairy energy in the tower?”

Kai thought about it, and then brought the Chaos Spirit Root and the Chaos Stone into the Demon-Suppressing Tower!

Soon, the Chaos Spirit Root was growing in front of Kai at a speed visible to the naked eye!

The flow of time inside the tower is a hundred times faster than outside, so the growth rate is also much faster!

Kai laughed and put some immortal stones into the Demon-Suppressing Tower. From now on, if he practices again, he will practice in the Demon-Suppressing Tower, and the speed will be much faster!

However, as Kai's realm improves, the consumption of resources is also huge!

It would be great if there were more plants like the Chaos Spirit Root that could continuously produce spiritual energy!

After leaving the treasury, Hu Mazi and the others also came over!

Everyone had a great harvest. Yun Wuya took out everything he had looted and did not dare to keep any of it for himself.

"I'm so tired. If this goes on, you won't get tired of killing people, but we will be exhausted from looting things!"

Hu Mazi wiped the sweat from his forehead and said!

Kai glanced at Mo Qingyun and Huo Jingjing. The two girls' faces were slightly red at this moment. After all, this Savage City was huge, and it would be too tiring for just a few of them to search it!

"Yun Wuya, send out a signal and ask all the disciples of your Qingyun Sect to come over. We will have to do this kind of search in the future. It is really too tiring for just a few of you!"

After Kai finished speaking, he threw thousands of storage bags to Yun Wuya and said, “These resources are for you. If you behave yourself, your Qingyun Sect will have a place in the Third Heaven in the future!”

“Thank you, Mr. Chen. Thank you, Mr. Chen. I am willing to be your dog!” Yun Wuya was very excited.

Yun Wuya quickly sent a message to inform his Qingyun Sect disciples to come quickly!

“Let’s go too…” Kai knew that it was time to go to the next destination!

But just as Kai and his men were about to leave, the heaven and earth suddenly shook violently, the blood-red setting sun was swallowed by dark clouds, and gray-black mist rose between the broken walls of the Barbarian King’s Palace.

Kai felt a chilling breath penetrating the clouds. The breath was not as wild as that of the ancient barbaric tribes, but it carried a sense of murderous precision as mechanical, as if countless dead souls were wailing in the fog.

“careful!”

Hu Mazi protected Huo Jingjing and Mo Qingyun behind him, and the compass needle on his waist spun wildly, “This is not a spiritual energy fluctuation… It’s a soul demon!”

I saw three black shadows condensing from the fog, shaped like ink-stained human figures, with fine white light chains wrapped around their bodies, and a dim soul fire at the end of each light chain.

They didn’t even look at Kai and the others, but walked straight to the pile of corpses of the ancient barbaric monks and grabbed in the air with their skinny fingers.

Those souls that had not yet dissipated were like being pulled by invisible threads, transforming into points of green light and merging into the black gourds hanging in their sleeves.

Yun Wuya's pupils suddenly shrank, and he pulled Kai's sleeve and whispered, "Mr. Chen, these three people should be the members of the mysterious organization I told you about."

The men in black moved extremely quickly, and in the blink of an eye they had collected the souls of hundreds of corpses in the square.

One of them suddenly stopped and pointed his withered finger at the treasure house deep inside the Barbarian King's Palace: "The remnant soul's aura is here."

The three of them broke into the treasury like shadows, ignoring the immortal stones and magical herbs scattered on the ground, and went straight to the stone tablet engraved with totems.

The leading black-clad man took out a rusty bronze bell and shook it gently. The "ding-ling" sound was not loud, but it made the Red Cloud Demon Lord in Kai's sea of consciousness suddenly curse: "Damn it! It's the 'Soul Locking Bell', an evil weapon specifically designed to deal with the soul!"

The golden lines on the stone tablet flickered violently, and the soul of the Savage Ancestor was pulled out from the cracks in the stone by an invisible force, turning into a ball of light and struggling at the mouth of the bell.

Chapter 5135

The man in black had a blank expression on his face. As soon as the bell was retracted, the ball of light completely disappeared into the runes on the bell.

At this moment, three pupils as dark as night turned towards Kai at the same time.

The leader's voice was like two pieces of broken ice rubbing against each other: "There is a powerful spirit in your sea of consciousness. Hand it over."

Kai's heart sank, and he subconsciously used the Mind Concentration Technique to protect his sea of consciousness.

"No." Kai said in a cold tone.

"If you don't accept my toast, you will be punished." The men in black stopped talking nonsense. The three of them formed seals at the same time, and three black light ropes flew out from their sleeves. The tens of thousands of soul fires strung on the light ropes suddenly surged and turned into a huge soul net that covered Kai.

The shrill cries coming from the net caused ripples in Kai's sea of consciousness.

Three huge soul nets covered like spider webs, and the cries of thousands of dead souls in the nets turned into physical sound waves, which made Kai's eardrums hurt.

He subconsciously activated his indestructible golden body, and his entire body was covered with golden scales.

Hu Mazi also instantly cast several talismans to form protective shields around them.

"Swish…"

The moment the soul-killing net touched the light shield, the bone-chilling soul fires turned into green smoke with a sizzling sound, just like snow meeting the scorching sun.

At the same time, Kai was practicing the Heart Concentration Technique, madly devouring the evil power that he came into contact with.

“This evil spirit is so F*cking pure…” Kai was very shocked. He did not expect that the evil spirit of these three men in black was so pure as before!

This kind of pure evil energy is very useful for Kai’s cultivation!

The black-clothed leader saw this and for the first time showed a look of shock on his haggard face: “Impossible! The power of the soul-killing demon can kill gods and demons. How can your mortal body resist it?”

Kai did not answer, but a hint of amusement lit up his eyes.

Suddenly, flames began to jump in Kai’s palm, and the color of the flames kept changing.

“Burn it for me!”

The golden flames were like a mad dragon rising from the sea, instantly burning the three soul-killing nets into ashes.

The flames continued to move forward towards the three men in black.

The man in black on the right hurriedly offered a black banner engraved with skulls. When the banner was unfolded, thousands of ghost shadows emerged, but they could not even last half a breath under the glass flames and turned into charred powder.

“Supreme Fire! And it’s a fused Supreme Fire. How could he have such a power?”

The black-clothed man in the middle exclaimed, and twelve bronze nails flew out from his sleeves. The nails were engraved with distorted soul texts, forming a miniature magic circle to block in front of him.

However, the moment the flames touched the magic circle, the soul text on the bronze nails shattered into pieces, and hot sparks splashed on his black robe, burning holes that emitted black smoke.

“withdraw!”

The leading man in black acted decisively. The gourd on his waist exploded suddenly, releasing hundreds of spikes condensed from evil spirits to cover the three men’s retreat.

Kai’s eyes turned cold and a fireball condensed in an instant. The fireball seemed inconspicuous, but it caused ripples in the space.

“Want to leave?”

The fireball flew out of his hand and split into three streams of light in the air, accurately hitting the backs of the three men in black.

The man in black on the left screamed, and his whole body was engulfed by flames. Even his soul could not escape and turned into ashes.

The man in black in the middle had his waist grazed by the fireball, and half of his body was carbonized instantly. He staggered, smashed the stone wall, and disappeared into the fog.

The leading man in black reacted the fastest, using a pitch-black shield to withstand the fireball, but was shocked and vomited black blood. Most of the souls in the gourd also dispersed due to the violent impact.

“Boy, just wait!”

The hoarse voice disappeared into the depths of the thick fog with resentment, and the cold and gloomy aura between heaven and earth receded, leaving only the charred ground and the diffuse smell of sulfur.

“Kai, are you okay?”

Hu Mazi asked hurriedly!

Yun Wuya stared at the direction where the black-clothed man disappeared vigilantly, with cold sweat on his forehead, “Those three guys are from a mysterious organization. I’m afraid we’re going to be in trouble now!”

“Let’s leave here first.” Kai put away the fire and frowned slightly!

Chapter 5136

Hu Mazi nodded, and then everyone followed Kai and left!

If there were more people coming from that mysterious organization, Kai didn’t know if he could deal with them, so he decided to leave first!

“Mr. Chen, where are we going next?”

Yun Wuya asked!

“Go to Tianyan Sect. This place should be only ten thousand miles away from Tianyan Sect, right?”

Kai said!

“Yes, this ancient barbaric tribe is only ten thousand miles away from Tianyan Sect. We can arrive there in a few days.”

Yun Wuya nodded!

Kai led everyone towards Tianyan Sect, but after just one day, Kai’s expression changed slightly!

“The aura ahead is not right…”

Kai looked ahead vigilantly!

I saw blood-red lightning in front of me, constantly bombarding a certain place!

Yun Wuya only took a glance and said quickly: “Mr. Chen, that is a blood-colored thunder tribulation. Someone is about to break through the third heaven and go to the fourth heaven.”

“This also indicates that I will be transformed from a scattered immortal into a terrestrial immortal and become a legitimate immortal!”

“This thunder tribulation looks a bit terrifying!” Kai looked carefully at the bloody thunder tribulation in front of him. His current strength should be enough to reach the fourth level!

But Kai didn’t know about this thunder tribulation yet, so he said, “Let’s go and take a look…”

“Mr. Chen, this thunder tribulation is extremely terrifying. Not everyone who goes to the Fourth Heaven can succeed. If we fail, the thunder tribulation will wreak havoc. We are afraid that we will be in danger!”

Yun Wuya reminded Kai!

“It’s okay. I can conquer any thunder tribulation that is more powerful than this…”

After Kai finished speaking, he headed straight for the bloody thunder tribulation!

Seeing this, Hu Mazi and the others had no choice but to follow. Yun Wuya gritted his teeth and followed too!

When they were a hundred miles away from the thunder tribulation, they could feel the terrifying power of the blood-colored thunder tribulation, which made it difficult for Kai and the others to move forward!

“Boom…”

A bloody thunderbolt descended from the sky!

But at the same time, a stream of energy suddenly rushed up into the sky and directly blocked the bloody thunder tribulation!

Kai couldn't help but be shocked. He didn't expect that there would be such a powerful person in the Third Heaven?

Looking closely, Kai saw that under the thunder, there was a middle-aged man wearing a light blue robe, holding a brush in his hand, looking very elegant. He was staring at the thunder in the sky, and his eyes were full of fighting spirit!

Behind the middle-aged man, countless top monks were sitting cross-legged. Streams of aura emanated from these people's bodies and continuously flowed into the body of the middle-aged man!

Kai saw that the middle-aged man was at the peak of the realm of scattered immortals, and the aura he exuded was extremely powerful, even stronger than that of the Seventh Palace Master!

The most important thing is the top cultivators behind him, many of whom are at the seventh or eighth level in the Loose Immortal Realm, and among them there are five cultivators at the ninth level in the Loose Immortal Realm!

These people all looked ready to die, and they risked their lives to transfer the energy in their bodies to the middle-aged man!

"What are they doing?" Hu Mazi said in confusion when he saw this!

"We need to use the strength of our entire clan to escort this middle-aged man to ascend to the fourth heaven." Yun Wuya said!

"The strength of the entire clan? Could it be that this middle-aged man alone cannot withstand the blood-colored thunder tribulation?"

Kai said curiously!

Logically speaking, the man has reached the peak of the realm of scattered immortals. If he were to improve his realm, he would become an earthly immortal!

But to reach the level of an earthly immortal, one must reach the fourth heaven. After all, the third heaven and the fourth heaven are not in the same plane of existence!

There are thirty-six heavens, and every three heavens are a plane of the world.

“This blood-colored thunder tribulation not only depends on the realm, but also on the strength of the physical body, and even more on the strength.”

“There are only a handful of cultivators who can ascend to the fourth heaven.”

“So some families, in order to have an earthly immortal appear in their family, have to mobilize the whole family.”

“But this is also dangerous. If we fail, the whole clan will suffer.”

Yun Wuya said!

After hearing this, Kai couldn’t help but sigh. This was a gamble on the fate of the entire clan!

Chapter 5137

Boom boom...

Another blood-colored lightning struck down, and the pen in the middle-aged man’s hand suddenly burst into golden light, and then he swung it vigorously!

A golden aura formed in the air, but when it touched the blood-colored thunder, it shattered directly, and the thunder came crashing down!

The monks behind the middle-aged man all had fear and despair in their eyes!

They knew that if they failed, everyone would be doomed!

Looking at the rolling thunder, the middle-aged man took a deep breath, and his body instantly turned into a stream of light!

This guy actually wants to use his body to withstand this bloody thunder tribulation!

For the sake of his family and his people, he can only succeed, not fail.

boom!

The streak of light instantly tore the thunder apart, and hope rekindled in everyone's eyes.

However, just as hope was ignited, countless bloody thunder tribulations came again!

The middle-aged man roared desperately, and the pen in his hand kept emitting golden light, isolating the tribesmen below!

He knew that his failure was not a terrible thing, what was terrible was that the entire clan would suffer!

There were more and more blood-colored thunder tribulations, and the middle-aged man's breath began to weaken!

The tribesmen below were trying their best to supply the man with the energy in his body!

Some tribesmen vomited blood and fell to the ground, dying of exhaustion!

Just like that, after more than a dozen blood-colored thunder tribulations, the middle-aged man's aura was already declining!

"Fate, this may be the fate of my Wuyou clan!"

"Patriarch, forget it... forget it..."

Some people have already exhausted their entire life's cultivation, and after they finished speaking, they just fell to the ground and died!

The middle-aged man looked at his tribesmen dying one by one, sighed softly, and his eyes were full of dejection.

If they lose, all of their people will disappear!

In order to gamble for a fairyland, the lives of the entire clan are now at stake!

Is it worth it?

The middle-aged man is confused at this moment!

However, the middle-aged man's eyes suddenly caught sight of Kai. He discovered that when Kai faced the bloody thunder tribulation in front of him, he was surprisingly calm and showed no fear at all!

"Sir, can you help me break through this bloody thunder tribulation?"

The middle-aged man asked Kai!

Kai shook his head. He didn't even know if he could withstand the bloody thunder tribulation, so how could he help the man?

After hearing this, the middle-aged man frowned slightly. Although Kai was only at the fifth level of the Loose Immortal Realm, he always felt that Kai's strength was definitely extraordinary!

Otherwise, facing the bloody thunder tribulation, even if one is at the peak of the Loose Immortal Realm, his appearance will change instantly!

“All tribesmen, listen up and take out your storage bags!”

The middle-aged man said loudly!

Tens of thousands of tribesmen didn’t know why they did this, but they all did as they were told and took out their storage bags!

The middle-aged man waved his hand, and the tens of thousands of storage bags flew directly in front of Kai!

“These resources are for you to help me break through the bloody thunder tribulation!”

The middle-aged man said anxiously!

If no one helps him, he will never be able to break through. Then the entire Wuyou clan will be finished and cease to exist!

Kai took a look at the storage bags, didn’t say anything, and shook his head!

It’s not worth taking the risk for these things!

The middle-aged man frowned, and then spoke again: “My lord, I can not break through this blood-colored thunder tribulation, but please save a few of my clansmen, so that my Wuyou clan will not be destroyed.”

After saying that, the middle-aged man waved his hand, and dozens of young men and women flew up and came directly in front of Kai!

Kai glanced at the terrified young men and women in front of him, then asked curiously, “How do you know that I can block this bloody thunder and save your people?”

“Feeling!” the middle-aged man said, “But if you can’t stop the bloody thunder tribulation, and all my people are destroyed, I won’t blame you. These storage bags are still yours!”

Chapter 5138

Kai smiled, looked at the middle-aged man and said, “All your clansmen have been destroyed. Whether I help you or not, these storage bags are still mine. Do you think you can stop me if you are dead?”

When the middle-aged man heard this, he was stunned and had nothing to say!

If all of them died, everything on them would still belong to Kai, so there would be no need for them to help at all.

“If you want to help, then help. If you don’t want to help, forget it. We are not afraid of death!”

A young man in a white gown glared at Kai with displeasure!

This young man was also among those dozens of cultivators, and his cultivation level was at the eighth level of the Loose Immortal Realm. To have such a level of cultivation at such a young age, he was indeed very talented!

Kai took a glance and found that among these dozens of cultivators, all of them were from the younger generation with extraordinary talents!

It seems that this is to preserve the fire for their Wuyou tribe.

“Don’t be rude…” At this time, a girl stood up, her face slightly pale, but her eyes were full of calmness.

“My fellow Taoist, I am truly sorry. We were rude. It is your right to help or not.”

After the girl finished speaking, she looked at the dozens of monks and said, “This may be the fate of our Wuyou tribe. Accept it and fight with the tribe leader!”

“Let’s fight…”

Dozens of cultivators planned to follow the clan leader to fight against the bloody thunder tribulation again.

The middle-aged man sighed softly, with a look of helplessness on his face. He originally wanted to leave a spark for the tribe so that the Wuyou tribe could grow stronger in the future!

But now, I am afraid that there will no longer be any Wuyou tribe in the future, and the entire Wuyou tribe has disappeared in the long river of history.

“Wait a moment……”

Kai suddenly spoke!

Hope flashed across the middle-aged man’s eyes, and Hu Mazi pulled Kai and said, “Kai, think carefully. This bloody thunder tribulation is very terrifying. Can you help these people block it?”

“It’s impossible to help everyone block the thunder tribulation, but we can still give it a try for these dozens of cultivators!”

Kai said!

“Sir, are you willing to help us?” the middle-aged man asked expectantly!

“I’m not helping, I’m doing business.” After Kai finished speaking, he took a step forward and entered the thunder tribulation area!

Kai raised his palm upwards, a golden light shot up into the sky, and then a golden shield formed around him!

This golden shield covered all those dozens of monks!

Upon seeing this, the middle-aged man smiled, and there was no more hesitation in his eyes!

Thunderbolts roared down one after another, and the aura burst out by the middle-aged man began to become illusory. All the other members of the tribe had also reached their final moment!

They no longer had any ability and could only watch as the thunderbolt struck down and took away the lives of people one by one!

Originally, they thought that the power of the entire clan could withstand the bloody thunder tribulation and send their clan leader to the fourth heaven to reach the realm of earthly immortal.

But now, they think too simply!

At this moment, countless energies were erupting from Kai's body, supporting the golden shield!

Bolts of lightning struck the shield but failed to penetrate it!

Dozens of monks watched helplessly as their fellow monks screamed in agony and were killed by the thunder!

"What are you doing? Hurry up and save them..."

Seeing this, the young man in white yelled at Kai!

He believed that only by expanding the shield could Kai save more people!

Kai ignored him and began to resist the thunder with all his heart and soul.

The girl glared at the young man in white and said, "Shut up."

The middle-aged man looked at his people being swallowed by the thunder and finally gave up!

“ah……”

With a roar, the middle-aged man’s entire body was burning.

“Chief…”

Dozens of monks under Kai’s golden shield burst into tears after seeing this scene!

Chapter 5139

The middle-aged man was reduced to ashes, and all the tribesmen were swallowed up by the thunder!

I don’t know how long it took, but the thunder disappeared and the scene fell into deathly silence!

The ground was filled with corpses and the smell of blood!

Kai removed his golden shield, his face turned pale and he looked very weak!

To save these dozens of people, Kai almost used up all his strength. If he wanted to save others, Kai simply didn’t have that much ability!

“Why, why don’t you save our clan leader? You obviously can do it!”

The young man in white glared at Kai and began to accuse Kai!

Hu Mazi and the others rushed over, and then Hu Mazi slapped the young man in white.

“Remember, he can save you, but he can also kill you!”

Hu Mazi finished speaking, then supported Kai and said, “Are you okay?”

“It’s okay!” Kai shook his head, but suddenly frowned and looked into the distance vigilantly!

“Here they come…”

Kai said with a serious expression!

“Let’s go…” Hu Mazi also felt it, and immediately took Kai and the others away!

Upon seeing this, dozens of cultivators from the Wuyou clan followed immediately!

Just as these people left, three figures wrapped in black robes appeared. Looking at the corpses on the ground, the three of them smiled with satisfaction.

The three of them then divided the work and began to collect the souls from these corpses!

Kai and his men fled for thousands of miles before they stopped!

At this moment, Kai was breathing heavily. He had consumed too much energy just now and had no time to replenish his energy. How could he run such a long distance?

“It seems that my body still needs training, otherwise I won’t be able to see the blood-colored thunder tribulation and reach the fourth level.”

Kai felt the fatigue and pain in his body and said with deep emotion!

Kai decided to find an opportunity to obtain the Savage Body Refining Technique in order to make his body stronger!

His strength has increased too fast during this period, and Kai’s physical training obviously cannot keep up!

In addition, the Red Cloud Demon Lord possessed him time and time again, causing his body to be full of injuries. Kai must improve his physical body as soon as possible!

“Fellow Daoist, thank you for saving my life!”

The girl came over and thanked Kai!

“Why thank him? He did this because he took all our resources. This is a deal. There’s no need to thank him.”

“Besides, he could have saved the clan leader, but he just stood by and watched. Such a person has no compassion at all.”

The man in white glared at Kai as if he was an enemy!

“Shut your mouth…”

The girl was furious and yelled at the young man in white!

Kai looked coldly at the young man in white, then waved his hand lightly, and countless storage bags appeared in front of everyone!

“Which one of these is your storage bag?”

Kai asked the young man in white.

“I…” The young man in white opened his mouth but didn’t say anything!

“My friend, this guy is a bit rude. I hope you won’t be angry!” Seeing this, the girl hurriedly followed Kai to apologize.

Kai ignored the girl and continued to ask the young man in white:
“Which one is your storage bag? Take it away immediately…”

Seeing this, the young man in white waved his hand lightly, and a storage bag instantly flew into his hand!

“This storage bag is mine!”

The young man in white said!

“Now that the storage bag has been taken back, I don’t owe you anything. I saved your life, so I should take it back!”

Kai said coldly!

The young man in white was stunned for a moment, then he shouted, “What do you want to do?”

“Fellow Daoist, he knows he was wrong. I hope you…”

The girl also wanted to apologize to Kai!

But Kai suddenly waved his hand, and the Dragon-Slaying Sword appeared in his hand, and a sword light came out!

The young man in white had no time to react and his head was chopped off instantly.

Chapter 5140

Seeing the young man in white’s head fall off, dozens of monks were all shocked, and then glared at Kai!

These people wanted to attack Kai, but were desperately stopped by the girl!

“No one is allowed to move. This is his own fault. This Taoist friend did nothing wrong.”

The girl shouted to stop these people!

Kai just glanced at them coldly: “I saved your lives, I can take them back at any time. If you don’t want to live anymore, then take back your storage bags!”

Kai’s words made these dozens of monks lower their heads and remain silent. No one dared to move!

They have seen Kai’s abilities, so how could they dare to do that again!

“Fellow Daoist, you saved our lives, we are very grateful to you. Someone actually doesn’t know how to repay a favor and even wants to blackmail you morally. He deserves to die!”

The girl tried her best to please Kai: “I don’t know what your last name is, can we follow you?”

The girl knew that it would be very difficult to rebuild the Wuyou tribe relying solely on these people. They might even be killed slowly!

So you must find a backer. With a backer, everything will go smoothly!

Now, she wants to find Kai as her backer.

Kai had already seen through the girl’s thoughts, and snorted coldly, “You two should take care of yourselves. From now on, we owe each other nothing!”

After saying that, Kai turned around and left with Hu Mazi and the others!

Looking at Kai’s disappearing back, the girl sighed helplessly and could only lead the remaining tribesmen away. As for whether they could revive the Wuyou tribe in the future, no one had any idea!

After Kai and Hu Mazi and the others traveled another thousand miles, they found a secluded place. Kai asked Hu Mazi and the others to protect him while he went into the Demon-Suppressing Tower to recover!

If the current situation continues, I'm afraid there is no way to destroy the Tianyan Sect.

Kai is constantly recovering in the Demon-Suppressing Tower. Now Kai doesn't need to worry about the resources he needs!

The resources he obtained from the ancient barbaric tribe and the Worry-Free Tribe were enough for him to consume for a while.

While recovering, Kai also began to practice the Savage Body Refining Technique!

In this way, Kai stayed in the Demon-Suppressing Tower, and he didn't know how long it had been. When he opened his eyes, he found that there was a faint halo surrounding his body!

Taking a deep breath, Kai discovered that his body was now many times stronger than it was at the beginning!

I have to say that this Savage Body Refining Technique is really a good thing, it is very helpful for tempering the body!

As his physical body becomes stronger, Kai's strength is also increasing invisibly!

Coming out of the Demon Suppression Tower, Kai looked up at the sky and asked, "Master Hu, how much time has passed?"

"Only three short days have passed!" said Hu Mazi!

When Kai heard this, he realized that he had been recovering in the Demon-Suppressing Tower for a whole year!

"Kai, how are you? Are you fully recovered?"

Huo Jingjing and Mo Qingyun asked with concern!

“It’s okay, we can continue our journey to Tianyanzong!” Kai said with a smile!

Yun Wuya led the way, and everyone headed straight for Tianyan Sect!

Tianyan Sect is located on Tianyan Peak and is shrouded in fairy mist all year round.

The archway at the mountain gate is carved from ten-thousand-year-old black ice, with eight ancient seal characters “天衍道通, 万载长青” inscribed on it, exuding an unquestionable majesty.

When Kai and his companions appeared at the Daodaoping at the foot of the mountain, they were immediately stopped by two gatekeeper disciples in moon-white Taoist robes.

“Which cultivator has trespassed into the Tianyan Sect’s territory?”

The leading disciple glanced at Kai and swept his eyes over him.

Seeing that Kai’s aura was restrained and he did not show any frightening fluctuations in his cultivation, his tone suddenly became a little contemptuous, “My Tianyan Sect is a large sect, and we do not accept some random people. Do not enter without permission, and leave immediately.”
