

the mans Decree: Kai Ping / Chen Ping

Chapter 5141

Hu Mazi was about to step forward to argue, but Kai raised his hand to stop him.

Kai raised his eyes to look at the towering mountain gate, and a cold arc appeared on the corner of his mouth: “Tell the manager of your Tianyan Sect to come out, I will take his head.”

As soon as the words fell, the air around them suddenly froze.

The two disciples were stunned at first, then burst into laughter.

“Hahaha! Where did this lunatic come from? How dare you speak nonsense in front of Tianyan Sect!”

“Your cultivation is only at the fifth level of the Scattered Immortal Realm. I’m afraid you’ve been kicked in the head by a donkey? How dare you come and cause trouble?”

One of the disciples waved his hand impatiently and brought out a small green sword, with the tip of the sword pointed directly at Kai’s forehead: “Get out of here quickly, or don’t blame me for being ruthless. I’ll let you taste the power of Tianyan Sect’s swordsmanship!”

Kai didn’t even bother to raise his eyes, but his aura moved slightly.

“Buzz...”

An invisible pressure poured down like the Milky Way in the sky, instantly covering the entire Wendaoping.

The two sixth-rank disciples of the Sanxian realm felt a force like a mountain pressing down on them.

He fell to his knees with two thuds, his bones crackling under the weight, blood gushing out of his mouth, and the small green sword fell to the ground with a clang, breaking into powder.

“You... who are you?” one of the disciples asked in horror.

Kai did not answer, but just gave a look, and the disciple’s body exploded instantly, and blood splattered all over the other disciple!

Another disciple was so frightened that he knocked his forehead heavily on the stone slab and said, “Senior, please spare my life! Senior, please spare my life!”

Kai walked past the disciple indifferently without even pausing: “Shut up.”

When Kai and his party stepped into the mountain gate, the disciples who were patrolling along the way exclaimed in surprise upon seeing what was happening, and someone immediately rang the golden bell to sound the alarm.

“Ding...ding...ding...ding...”

The resounding bell sounded on Tianyan Peak, startling the elders who were in retreat.

Soon, five streams of light shot out from various places of Tianyan Peak and landed in front of Kai.

The leader was an old man with white hair and a youthful face, wearing an apricot yellow Taoist robe and a jade pendant engraved with the words “Elder Tianyan” hanging around his waist. He was none other than Elder Zhao, who was in charge of punishment in the Tianyan Sect and had the cultivation level of an eighth-grade immortal realm.

Elder Zhao's eyes were like lightning, sweeping over Kai and his group, and finally fell on Kai, frowning slightly: "Who are you? Why did you trespass into my sect and hurt my disciples?"

He could feel the unfathomable aura from Kai, which was not the fifth level of the Loose Immortal Realm as he appeared to be.

However, Elder Zhao did not care too much about it. As a large sect, Tianyan Sect had countless sixth and seventh-grade cultivators in the realm of scattered immortals. Even if Kai concealed his strength, he might not be able to get any good results in Tianyan Sect.

"I'm here to wipe out the family."

Kai spoke briefly and to the point, and his tone was so calm that it seemed as if he was talking about an insignificant matter.

"Destroy the whole clan?" A middle-aged elder behind Elder Zhao couldn't help but sneered, "Boy, do you know what you are talking about? My Tianyan Sect has been established for thousands of years, and has produced three Earthly Immortal ancestors, all of whom ascended to the Fourth Heaven. How can we allow a little kid like you to act so presumptuous here!"

"My Tianyan Sect has no grudge against you. I don't know why you want to wipe out my entire Tianyan Sect?"

Elder Zhao looked at Kai in confusion and asked!

Another elder said coldly, "Senior Brother Zhao, why are you wasting time talking to this kid? Capture him first!"

After saying this, the man waved his sleeves and eighteen small red flags shot up into the sky. In an instant, a huge formation was set up. The sky was filled with red mist, and countless shrill screams came from it, piercing people's souls.

"Humph, just a trifle."

Kai snorted coldly, without even using the Dragon-Slaying Sword, he just snapped his fingers.

A golden finger beam shot out from the air, piercing through the red mist like a hot knife cutting through butter, and hit the eighteen small flags with a bang.

In an instant, the small flags shattered into pieces, and the formation collapsed. The elder who set up the formation felt a shock in his heart, his blood boiling, and he stepped back several steps with blood flowing from the corners of his mouth.

Chapter 5142

This casual move to break the formation instantly changed Elder Zhao's expression.

He could see that Kai did not use much spiritual power in this move. He relied purely on his unparalleled physical strength and the pressure of his soul.

"The body has become holy? Are you from the ancient barbaric tribe?"

There was a hint of doubt in Elder Zhao's voice.

He could see that Kai's physical strength came entirely from the barbaric body refining techniques of the ancient barbaric tribe.

The ancient barbaric tribe had no grudges against their Tianyan Sect, and they even had a lot of interactions!

He didn't know why Kai, a member of an ancient barbaric tribe, came to Tianyan Sect to cause trouble!

"Ancient Savage Tribe?"

Kai raised his lips in mockery, “There will no longer be any barbaric ancient tribes in this third heaven.”

“What do you mean?” Elder Zhao asked in confusion!

“It doesn’t mean anything, just the literal meaning.”

Kai smiled faintly!

“Did you destroy the ancient barbaric tribe?” Elder Zhao frowned slightly!

“That’s right!” Kai nodded!

“Elder Zhao, don’t listen to his bragging. How can he destroy the ancient Savage Clan with his strength? Even if our Tianyan Sect takes action, it will take some time to destroy the ancient Savage Clan.”

The elder who set up the formation snorted coldly and said!

Although Kai broke his formation, it does not mean that Kai’s strength can destroy the ancient barbaric tribe!

“You don’t believe it?” Kai looked at the elder and asked!

“Of course I don’t believe it. With your character, you still want to destroy the ancient barbaric tribe. I...”

Before the elder could finish his words, he saw a flash of golden light before his eyes!

Before everyone could react, they saw Kai holding the Dragon Slaying Sword in his hand, and had already slashed out a ray of sword energy.

The elder’s eyes were wide open as he watched his body being split in two, and then he fell heavily to the ground.

“How dare you kill our Tianyan Sect elders...”

Seeing this, everyone else wanted to attack Kai!

But Elder Zhao quickly intervened: “Everyone, don’t move!”

Kai was able to easily kill one of their elders in front of them, which showed that Kai’s strength was definitely not something they could deal with!

Elder Zhao was smart enough to stop everyone, otherwise all of them would have died.

“Why do you keep killing my Tianyan Sect disciples? It seems like we have no grudges against each other, right?”

Elder Zhao wanted to understand why Kai always wanted to cause trouble for Tianyan Sect!

“Because he...”

Kai threw the head of Xuanjizi of Tianyan Sect out casually!

“Master...” Seeing Xuanjizi’s head, all the disciples of Tianyan Sect were shocked!

You know, their sect leader has the ninth-grade cultivation in the realm of scattered immortals. How could he be killed so easily?

“Your clan leader teamed up with the Savage Ancient Clan and the Blood Shadow Palace to attack me, trying to steal the ancient relics treasures from me, but the three of them were not as skilled as me and I killed them all!”

“Since they can come and steal my things, can I also come and destroy their sect?”

Kai said calmly!

Elder Zhao's face was extremely ugly at this moment. The Savage Ancient Clan, the Blood Shadow Palace, and their Tianyan Sect, three ninth-grade scattered immortals, were no match for Kai. One could imagine how terrifying Kai was.

He knew that with their strength, there was no way to stop Kai!

“Please invite the old sect master to come out...”

Elder Zhao suddenly released a breath of air, which instantly sank into Tianyan Peak!

“Boom...”

Accompanied by a sudden earthquake, the entire mountain slowly cracked apart!

Soon, a terrifying aura erupted from Tianyan Peak, and a golden rainbow light streaked across the sky and instantly landed in front of Kai.

The visitor was an old man wearing a purple robe with nine dragons and a purple gold crown on his head. It was none other than Ling Yunxiao, the old leader of the Tianyan Sect, who had reached the peak of the ninth level of the Scattered Immortal Realm.

Chapter 5143

The old sect leader has been in seclusion, hoping to ascend to the fourth heaven and reach the earthly immortal realm.

Ling Yunxiao's eyes swept across the mess at the scene, and then looked at the pale-faced Elder Zhao: “Why did you call me? Don't you know I'm in seclusion?”

Ling Yunxiao's voice was so cold that all the Tianyan Sect disciples, including Elder Zhao, were trembling all over.

“Old Sect Master, I have no other choice. The current Sect Master has been killed, and our enemies are here. We can’t stop them!”

Elder Zhao said helplessly!

“Is it him?” Ling Yunxiao kept asking Kai!

Elder Zhao nodded.

Ling Yunxiao’s eyes fell on Kai, his eyes full of displeasure: “Who are you? Why did you attack my Tianyan Sect?”

He was confident of his cultivation at the peak of the ninth level of the Loose Immortal Realm, and even though Kai had some tricks, he did not really take them to heart.

Kai raised his eyes, looked directly into Ling Yunxiao’s eyes, and said word by word: “I said, I am here to destroy the family.”

“presumptuous!”

Ling Yunxiao was enraged. As the old leader of the Tianyan Sect, how could he have ever been provoked like this?

He waved his right hand, and a long sword with glittering light appeared in his hand. It was the Tianyan Divine Sword, the treasure of the Tianyan Sect.

“Today I will let you know that the majesty of the peak of the Sanxian Realm is inviolable!”

After saying that, Ling Yunxiao swung his sword, the sky and the earth changed color, and countless sword qi condensed into a huge golden dragon, roaring and pouncing towards Kai.

This sword contained Ling Yunxiao’s lifelong cultivation, and its power was enough to split mountains and seas. An ordinary sixth or seventh-

grade cultivator in the realm of immortals would not even be able to get close to it.

Hu Mazi and others changed color when they saw this and wanted to step forward to help, but were stopped by Kai with a look.

Kai knew that even if Hu Mazi and the others went forward, they would not be able to help much and would only distract him.

He was just a peak ninth-grade immortal, but Kai didn't take it seriously!

Especially after Kai practiced the Savage Body Refining Technique, his body became several times stronger and his strength also increased a lot.

Kai stood in place, golden light shining brightly around him. His Indestructible Golden Body was operating at its peak. Combined with the strength of his physical body, Kai's body was comparable to a divine weapon at this moment.

Kai did not use any weapons. He just stretched out his right hand, spread out his five fingers, and grabbed the golden dragon.

Are you trying to show off? Of course you can't use weapons!

Otherwise, the effect of showing off will be greatly reduced!

"Swish..."

An incredible scene happened.

Kai's palm pierced through the golden dragon's body easily as if cutting into tofu, and his five fingers directly grasped the sword body of the Tianyan Sword.

"How is that possible?"

Ling Yunxiao was stunned, his face full of shock.

The Tianyan Divine Sword is an innate spiritual sword that is indestructible. How could it have ever been held by someone with bare hands?

Moreover, the opponent's palm was completely intact, without even a scratch!

What frightened him even more was that the moment Kai grasped the sword, an overwhelming force came along the sword, causing his arm to go numb and his blood to boil.

puff!

Ling Yunxiao spat out a mouthful of blood.

The Tianyan Sword vibrated violently in Kai's hand, making an unwilling humming sound, and it even showed a tendency to break free from Ling Yunxiao's control.

"What kind of power is this?"

Ling Yunxiao's face was as pale as paper, and he looked at Kai with eyes full of fear.

He finally realized that the seemingly young monk in front of him was far more terrifying than he had imagined.

Kai was too lazy to say more to him and shook his wrist violently.

Snap!

A tiny crack actually appeared on the Tianyan Divine Sword.

"No! My Tianyan Sword!"

Ling Yunxiao let out a shrill scream. This is the foundation of the Tianyan Sect!

At this moment, Kai no longer hid his strength, the dragon power in his body burst out, and a golden dragon figure slowly appeared behind him!

As soon as the golden dragon appeared, the entire Tianyan Peak shook violently.

“Let me show you my golden dragon.”

Kai smiled faintly!

Chapter 5144

Ling Yunxiao's golden dragon was just an illusion created by sword energy, but the golden dragon that appeared behind Kai was lifelike, with mighty power, and looked very real!

“Open the formation, open the mountain protection formation...”

Ling Yunxiao finally realized how powerful Kai was, and hurriedly shouted to activate the mountain protection formation!

Crunch...

As rays of light from the palms of Elder Zhao and others shone into Tianyan Peak, the entire Tianyan Sect began to glow, and the sect protection formation was activated!

“Humph, rubbish...”

Kai snorted coldly, and the golden dragon behind him roared suddenly!

The Tianyan Sect's protective formation actually made a cracking sound under the pressure of the golden dragon. The light at the center of the formation dimmed and it collapsed in an instant.

“This...isn't this golden dragon an illusion?”

Ling Yunxiao felt the might of the golden dragon. His pupils suddenly shrank and the color on his face faded. It was as if all his strength had been drained away. He staggered back a few steps, “You... who are you? Are you from the Golden Dragon clan?”

The legend about the Golden Dragon clan has long been spread in the heavens.

The Golden Dragon clan, that is the noblest bloodline among the noble dragon clan. In this third heaven, can we see members of the Golden Dragon clan?

Ling Yunxiao couldn't believe it, but the golden dragon behind Kai was right in front of him!

As Kai's strength increases, his blood becomes richer and the golden dragon becomes more real!

“Isn't it a little late for you to know now?”

Kai smiled faintly!

“Have mercy! Senior, have mercy!”

Seeing Kai admit it, Ling Yunxiao no longer cared about the dignity of the old sect leader. He fell to his knees with a plop and kowtowed to Kai repeatedly, “It is me who is blind, it is my Tianyan Sect that is blind! I beg you to show mercy and spare my Tianyan Sect!”

Upon seeing this, Elder Zhao and other high-ranking members of the Tianyan Sect also knelt on the ground and kowtowed repeatedly.

If they knew that Kai was a member of the Golden Dragon Clan, even if they were given ten thousand guts, they would not dare to attack Kai!

The Golden Dragon Clan is a high and mighty existence in the heavens. If they just sneeze, not to mention the Tianyan Sect, even the Three Heavens might be destroyed!

“Senior, please spare us! We are blind and do not recognize a great man!”

“Please show some mercy, Senior. We are willing to offer all our resources, just to leave a way for us to survive!”

“It’s all Xuanjizi’s fault. He stole the treasure without permission and offended you. Please let us go!”

The people of the Tianyan Sect, who had been so arrogant before, had now lost all their immortal demeanor, and were left with only fear and cries for mercy.

Kai looked coldly at the group of people who were kowtowing like crazy under his feet, without any mercy in his eyes.

In this society where the strong prey on the weak, being a saint is being irresponsible to yourself.

At this time, if Kai’s strength was not low, the other party would never let him go.

“It’s too late to beg for mercy now.”

Kai uttered two words, his voice was not loud, but it sounded like a death sentence.

He waved his right hand, and the golden dragon pressed down suddenly.

“No!!!”

“Help...”

The screams echoed throughout Tianyan Peak, but were quickly swallowed up by the terrifying pressure of the golden dragon.

The resistance of everyone in Tianyan Sect was like paper in front of Kai and shattered in an instant.

Whether it was Ling Yunxiao who was begging for mercy, or the arrogant Elder Zhao, or those ordinary disciples, in front of Kai's power, they were all easily wiped out like ants.

With flesh and blood all over the place and no bones left, the once glorious Tianyan Sect turned into a bloody ruin in just a few breaths.

The air was filled with a strong smell of blood and the breath of spiritual power explosion. Kai took back the golden dragon, with no expression on his face, as if he had just stepped on a few ants.

"Search." Kai said indifferently to Yun Wuya.

Yun Wuya was already in shock at this moment. He only reacted after hearing Kai's words. Fortunately, all the disciples of their Qingyun Sect had arrived, so Yun Wuya immediately led his disciples to start looting!

Chapter 5145

Hu Mazi and the others don't have to do anything, just wait!

"Kai, you are becoming more and more natural at pretending. Can you let me pretend to be the next Blood Shadow Palace?"

Hu Mazi said to Kai!

Kai looked at Hu Mazi and smiled: "Master Hu, did you know that the Blood Shadow Palace is full of female cultivators?"

"I don't know, I just want to pretend to be cool!" Hu Mazi quickly shook his head!

"I can give it to you, but they are all female cultivators, and I'm afraid you won't be able to do it!" Kai said!

"Don't worry, what woman can't I kill? I can do it first and then kill her. Otherwise, it would be a pity to kill her without using her at all!"

Hu Mazi chuckled and said!

As a great sect with thousands of years of history, Tianyan Sect has a very profound foundation.

Everyone soon found the Tianyan Sect's treasure house in the belly of the mountain.

The door to the treasury was made of ten thousand year old black iron and had many restrictions, but with a casual wave of Kai's hand, the restrictions shattered like glass.

Pushing open the heavy door, everyone was stunned by the scene before them.

The treasure house was filled with mountains of fairy stones, including countless high-grade and top-grade fairy stones, emitting dazzling light.

The walls are hung with all kinds of magical weapons, including flying swords, armor, formation plates, talismans, and everything else.

There were also jade boxes neatly arranged, filled with various rare magical herbs, elixirs, and even a few thousand-year-old elixirs that were about to take shape.

"My God...how many resources does this require!"

Hu Mazi swallowed his saliva and stared straight ahead.

Huo Jingjing and Mo Qingyun were also shocked. Although they came from extraordinary families, they had never seen such a vast amount of resources.

Kai walked into the treasury and glanced at the treasures, but he was not too excited.

For him, although these resources are precious, what is more important is to improve his strength.

He waved his hand casually, and the Demon-Suppressing Tower opened, starting to take the resources from the treasury into it continuously.

Immortal stones, elixirs, magical herbs...everything that could be seen was packed up and taken away by Kai.

In just a moment, the treasury that was originally filled with treasures became empty, leaving only smooth stone walls.

However, Kai did not keep all of them himself, but gave some magic weapons and treasures to Qingyun Sect.

These things are of little use to Kai, nor can they improve Kai's strength. The treasures on Kai are much stronger than these.

Giving Qingyun Sect some small favors can also make Qingyun Sect wholeheartedly help with the work.

After plundering all the resources of the Tianyan Sect, Kai and his party left this immortal sect that had just been destroyed.

Behind him, the ruins of Tianyan Peak looked particularly desolate in the setting sun, as if telling the tragic ending of a great clan.

Just as Kai and his companions left, several dark shadows appeared!

"It's that brat again. He actually slaughtered two sects in succession!"

A black shadow frowned and said!

This black shadow is the member of the mysterious organization who was beaten by Kai and escaped!

He went back to call for help, and then tracked Kai all the way, but Kai himself didn't know!

He was heading towards the Blood Shadow Palace at this time!

“Kai, you promised me that you would let me take over the Blood Shadow Palace. Don’t take action. If you do, and kill a few people, I will be heartbroken.”

On the way, Hu Mazi gave Kai some instructions.

“Don’t worry, I think you’ll die if I don’t take action. I’ll kill you when you’ve had enough fun!”

Kai was speechless!

“Master Hu, the Blood Shadow Palace has tens of thousands of gang members. Can you...can you handle it alone?”

Yun Wuya asked Hu Mazi in a low voice!

“How many?” Hu Mazi was surprised: “Tens of thousands of female cultivators?”

At this point, Hu Mazi was a little confused. There were tens of thousands of female cultivators, and he couldn’t deal with them all even if he died of exhaustion!

“It’s a bit too much.” Hu Mazi frowned and said, “Why don’t we kill the ugly ones first? The ugly ones deserve to die...”

“Leave the pretty ones for now, that’s about right!”

Chapter 5146

After Hu Mazi finished speaking, he suddenly froze for a moment, his expression frozen.

“Kai, do you feel it?”

Hu Mazi suddenly approached Kai and said in a low voice, “It seems like someone is following us.”

Kai raised his lips slightly, and a golden light flashed in his eyes: “Five of them, their cultivation bases are all around the ninth level of the Loose Immortal Realm, they should be members of that mysterious organization.”

Kai couldn’t think of anyone else who had such strength except that mysterious organization.

In these three realms, those at the top of the Scattered Immortal Realm are the most powerful, and those at the ninth level of the Scattered Immortal Realm are all the leaders of a sect.

But only this mysterious organization seems to be very powerful. According to Yun Wuya, the place where this organization is located does not seem to be under the jurisdiction of the Three Heavens.

“Then do you want to...”

Hu Mazi made a gesture of wiping his neck.

Kai shook his head slightly: “Let them follow, just in time to see what they want to do.”

Kai had already noticed these people, but he just didn’t say anything. Since these people want to follow him, let them follow!

Kai can still deal with five ninth-grade scattered immortals.

Hu Mazi didn’t say anything else, then approached Yun Wuya and began to inquire about the Blood Shadow Palace.

After all, Yun Wuya is also in the third realm, so he must be very familiar with the Blood Shadow Palace.

“Master Yun, are you saying that there are really tens of thousands of female cultivators in the Blood Shadow Palace? What do they look like?”

Hu Mazi asked.

Yun Wuya smiled bitterly and said, “Master Hu, the female cultivators in the Blood Shadow Palace are all very beautiful, especially the Blood Shadow Palace Saint, who is known as the most beautiful woman in the Three Heavens, but she is also notoriously cruel and ruthless.”

“The Blood Shadow Technique she practices requires absorbing the essence of men. Over the years, there have been at least 800,000 monks who have died under her skirts.”

“Damn, this means that the Blood Shadow Palace maids all rely on this kind of evil magic to practice? If so, doesn’t that mean they have lost their innocence?”

Hu Mazi frowned, looking a little disappointed!

“Master Hu, young girls are more attractive.”

“I heard that the Saint of the Blood Shadow Palace is very good in bed, and many men are willing to be eaten by her.”

“There’s a saying going around in the Three Heavens that if you can sleep with the Saint of the Blood Shadow Palace, you’re not worthy of being called a True Immortal.”

Yun Wuya whispered to Hu Mazi!

Hu Mazi’s eyes lit up: “So exciting? Then I must meet her!”

Kai shook his head helplessly. It seemed that this Hu Mazi had no way to give up women except death!

The group flew for five days, and soon the outline of the mountains gradually appeared in the distance.

There was cloud and mist everywhere, and a blood-red palace could be vaguely seen standing on the top of the mountain. That was the Blood Shadow Palace.

“arrive.”

Kai stopped and said, “Master Hu, the stage is handed over to you.”

Kai knew that Hu Mazi should have no problem dealing with the people from the Blood Shadow Palace. After all, Hu Mazi was a person from the sixth level of the sky.

Hu Mazi straightened his collar and sprayed some unknown perfume on his body.

“You are...”

Kai’s eyes twitched.

“Preparation for war.”

Hu Mazi said seriously: “When facing female cultivators, image is very important.”

Everyone was speechless.

At this moment, a sharp whistle suddenly came from the direction of the Blood Shadow Palace, followed by hundreds of red figures flying out of the palace and forming a battle formation in the air.

“It seems that they already know we are coming.”

Kai narrowed his eyes, “The news of the destruction of Tianyan Sect spread really fast.”

Hu Mazi was not in a hurry. He took out a folding fan made of a spell from his bosom and unfolded it with a swish: “Watch me.”

He just tapped his toes lightly and floated towards the Blood Shadow Palace like a feather.

The elegance of her posture was completely different from her usual self.

“This old pervert is so pretentious...” Kai was speechless.

“Kai, do you think Master Hu will be eaten by the female cultivator from the Blood Shadow Palace? After all, his body is not as good as yours.”

Huo Jingjing asked Kai!

Chapter 5147

“Even if he is in good health, tens of thousands of female cultivators can’t bear it. Even if Kai goes, he will be sucked dry.”

“Don’t think that he is very fierce against the two of us, but if there are more women, he will be finished!”

Mo Qingyun chuckled.

Kai immediately gave a bitter smile. He was a human being, not an animal. Even if he was an animal, no one could withstand these tens of thousands of female cultivators.

What’s more, the female cultivators of the Blood Shadow Palace all feed on the pure yang essence and blood of men. Let alone ten thousand of them, those who can withstand eight or ten are already amazing people!

At this time, in front of the Blood Shadow Palace, hundreds of female cultivators were on high alert.

They were all wearing red gauze clothes, their skin was faintly visible, but they all held sharp blades and had murderous eyes.

“Who is coming?”

An older female cultivator in the lead shouted sternly.

Hu Mazi did a beautiful somersault in the air and landed steadily on a huge rock in front of the gate of the Blood Shadow Palace.

He snapped his folding fan shut and bowed:

“I am Hu Mazi, and I have come to pay a special visit to your Saint.”

“benne?”

The older female cultivator frowned and said, “I’ve never heard of it. Leave quickly, otherwise...”

“What else?”

Hu Mazi suddenly smiled evilly, opened the folding fan in his hand again, and fanned it gently.

In an instant, a white aura appeared out of nowhere, and the fragrance filled the air.

Before the Blood Shadow Palace disciples could react, they felt dizzy and their hands and feet went weak.

“How dare you do something? What is this?” The older female cultivator was horrified!

“Hehehe, this is the Thousand Illusions Bewitching Incense that I had someone refine. Does it smell good?”

“Thousand Illusions Soul-Bewitching Incense?” The older female cultivator was shocked. “Form a formation! Hold your breath!”

But it was too late. Dozens of disciples had already become dazed and their weapons fell to the ground with clanging.

An abnormal blush appeared on their faces and they began to twist their bodies uncontrollably.

“You...you despicable villain!” the older female cultivator shouted with all her might, but her legs became weak and she had to rely on the sword to support her body.

Hu Mazi chuckled and said, “It’s just a little thing to liven up the atmosphere. Don’t worry, it won’t hurt your life.”

“Besides, don’t you also rely on seducing men and absorbing their pure yang energy to practice?”

“I am exactly the opposite of you. I cultivate by absorbing the pure yin energy of women.”

Hu Mazi’s smile was so creepy in the eyes of these female cultivators!

Normally they play with men at will, but now they are set up by men.

Kai, who was watching the battle from a distance, raised his eyebrows: “This old guy has this trick?”

“I thought he played with women by relying on his charisma...”

Huo Jingjing looked strange: “Did he often do this kind of thing before?”

Kai glanced at Huo Jingjing, then comforted her, “Don’t worry, Master Hu knows his limits. He won’t touch my woman.”

Just as Hu Mazi was about to take further action, a cold snort suddenly came from the Blood Shadow Palace: “Who dares to run wild in my Blood Shadow Palace!”

The sound was not loud, but it pierced the sky like a sharp sword. The female practitioners who were poisoned by the incense were shocked all over and their eyes regained some clarity.

Hu Mazi looked up and saw a red figure floating down from the highest point of the palace.

The person had a graceful figure, and every time she took a step, a blood-red lotus would grow under her feet, carrying her slowly down.

After she landed, everyone could see her appearance clearly – willow-shaped eyebrows, phoenix eyes, skin as white as cream, and lips as red as vermillion.

Wrapped in a red gauze, it makes people more excited than not wearing anything.

“Saint...” Yun Wuya whispered and subconsciously took a half step back.

The Saint’s eyes swept across Hu Mazi, then looked at Kai and his group in the distance, and finally stopped at Hu Mazi:

“You are the one who used such despicable means to deal with our Blood Shadow Palace disciples?”

“Who are you?” Hu Mazi asked!

“I am the Saint of the Blood Shadow Palace!” said the Saint!

Chapter 5148

Hu Mazi’s eyes suddenly lit up, and he looked at the saint, as if he wanted to see through her. His eyes were full of lust and he was almost drooling!

“I’ve heard for a long time that the Saint of Blood Shadow Palace is very good in bed. I just want to learn from her. I’m also known for having ten sex a night. I wonder if I can win the Saint’s favor?”

Hu Mazi teased the saint without any hesitation.

The Saint snorted coldly: “Shameless.”

She raised her jade hand slightly, and a beam of blood rushed straight to Hu Mazi’s face.

Hu Mazi did not dodge or evade, but blocked with his folding fan. With a “bang”, the blood disappeared.

“Why is the Saint angry?”

Hu Mazi smiled and said, “I just admire the Saint’s elegance and came to see her.”

There was a hint of surprise in the saint’s eyes.

Although she didn’t use her full strength in that attack just now, it would be difficult for an ordinary eighth-grade cultivator in the realm of immortals to take it easily.

How could this unremarkable old man in front of me resolve the situation so easily?

“Who are you?” The saint became alert.

Hu Mazi was about to answer when Kai’s voice suddenly came:

“Saintess, the Tianyan Sect has been destroyed, and the next one is the Blood Shadow Palace. If you are sensible, hand over all your resources, and then order all the disciples to take off their clothes so that Master Hu can enjoy them. In this way, I can consider leaving your bodies intact.”

The saint’s pupils shrank: “What the hell are you?”

In her opinion, Kai was just a fifth-rank cultivator in the realm of the Immortal Being, yet he dared to say such arrogant words.

Even though all the Blood Shadow Palace maids had slept with men and practiced the art of replenishing yin with yang, they could never take off their clothes and let an old man humiliate them.

Kai’s eyes were shining brightly: “Things? Very good, just for this word, the Blood Shadow Palace must be destroyed today!”

The Saint suddenly laughed, but her laughter was full of murderous intent: “Just a few of you? You want to destroy my Blood Shadow Palace? What wishful thinking.”

She formed seals with her hands, and the entire Blood Shadow Palace suddenly shook. Blood oozed out of the ground and condensed into countless blood arrows in the air.

“Blood Shadow Formation, activate!”

Blood arrows shot towards Kai and his group like rain.

Just as Kai was about to make a move, Hu Mazi shouted, “You agreed to let me do it!”

He quickly threw out talismans with both hands, and a golden light curtain instantly unfolded, blocking all the blood arrows.

The blood arrow hit the light curtain, making a “hissing” corrosion sound, but it was unable to break through.

“Huh?”

The Saint was shocked. “How could you block my blood shadow arrow?”

Hu Mazi chuckled and said, “Saint, how about we make a bet?”

“What’s the bet?”

“If I win, the saint will accompany me for one night; if I lose, I will be at the mercy of the saint.” Hu Mazi blinked.

The saint laughed in anger: “You are looking for death!”

Her figure flashed and turned into a bloody shadow and rushed straight towards Hu Mazi.

The nails on his ten fingers suddenly grew larger, like ten bloody sharp blades, pointing straight at Hu Mazi's throat.

Hu Mazi was not in a hurry. He threw out a talisman, and a complete Tai Chi diagram appeared in front of him.

The saint's sharp claws hit the Tai Chi diagram, and it was like being stuck in a quagmire, with most of the force being removed.

"Tai Chi force release?"

The Saint sneered, "See how much you can unload!"

Her body shape changed again, and in an instant, eight blood shadows emerged, attacking Hu Mazi from different angles.

Every blood shadow is so lifelike that it is difficult to tell whether it is real or fake.

In the distance, Yun Wuya frowned and said, "The blood shadow clone of this saint girl has already reached its peak. Master Hu is afraid..."

Kai smiled slightly and said, "Don't underestimate that old pervert. He is hiding something very well."

Sure enough, facing the siege of eight blood shadows, Hu Mazi suddenly put away his playful expression and his whole temperament changed abruptly.

He formed seals with his hands and muttered:

"Borrowing the power of heaven and earth, the five elements rotate!"

In an instant, his body was lit up with five-colored light, and the power of the five elements of gold, wood, water, fire and earth circulated endlessly, forming a perfect protective shield.

The blood shadows hit the shield and disintegrated, leaving only the real body of the saint, which was shocked back and retreated several steps.

Chapter 5149

“Five Elements?” The Saint finally changed color, “Who are you?”

Hu Mazi did not answer, but smiled and said, “Saint, it’s my turn to make a move.”

He clasped his hands together, and when he opened them again, a pink lotus appeared in his palms.

The lotus slowly rotates, emitting an enticing fragrance.

“Love Flower Tribulation, go!”

The lotus floated towards the saint, seemingly slowly, but it arrived in the blink of an eye.

The saint hurriedly waved her sleeves to block it, but the lotus suddenly exploded and turned into countless light spots that sank into her body.

“Ah!” The saint’s body trembled and her face flushed instantly.

She felt as if there were millions of ants crawling inside her body, it was itchy and hot and unbearable.

“You...what did you do to me?” The saint breathed rapidly, her eyes rippling with tears.

Hu Mazi smiled and said, “A little erotic gadget can increase a person’s sexual desire a hundred times.”

“The Saint has practiced the art of seduction for many years, so I guess she has never really experienced the taste of lust, right?”

The saint gritted her teeth: “Despicable!”

She forced herself to practice her skills, trying to suppress the strange feeling in her body, but she found that the more she practiced, the stronger the feeling became.

“It’s useless.” Hu Mazi took a few steps closer. “The Love Flower Tribulation is specifically designed to restrain your evil magic of taking Yang to replenish Yin. The more you resist, the more poisoned you will be.”

The saint’s legs became weak and she could hardly stand.

She looked at Hu Mazi who was getting closer and closer, and a hint of panic flashed in her eyes.

Just when Hu Mazi was about to succeed, the Saint suddenly revealed a strange smile:

“Do you think... you are the only one who can use poison?”

She opened her red lips slightly, and an almost invisible streak of blood shot towards Hu Mazi’s forehead like lightning.

The distance was too close and Hu Mazi had no time to dodge.

“Be careful!” Kai warned, but it was too late.

Blood seeped into Hu Mazi’s brow, his body suddenly stiffened, and the light in his eyes quickly dimmed.

“Hahaha!” The Saint laughed triumphantly, “If you are hit by my ‘Blood Soul Silk’, you will turn into a pool of blood within three breaths!”

Kai’s face changed, and he was about to help, but Hu Mazi suddenly blinked:

“Oh, that’s scary.”

“What?” The Saint’s smile froze, “How can you be okay?”

Hu Mazi patted his chest and said, “I was scared to death. Fortunately, I was prepared.”

He lifted his collar, revealing a small bronze mirror attached to his chest. “The Blood Soul Silk is indeed powerful, but it was rebounded by my ‘Mysterious Light Mirror’.”

The saint then discovered that a red dot had appeared on her chest.

Her face turned pale instantly: “No... this is impossible...”

“Now, who is poisoned?” Hu Mazi asked leisurely.

The Saint felt a chill quickly spreading from her chest to her entire body. She knew how powerful the Blood Soul Silk was, so she gritted her teeth and said, “You are awesome.”

After the saint had finished speaking, she was about to take the antidote from her body, but she found that the antidote had already disappeared!

“Are you looking for this thing?” Hu Mazi suddenly took out a porcelain bottle!

“Antidote...Give me the antidote!” the saint shouted.

Hu Mazi spread his hands: “The antidote is with me, come and get it yourself.”

There was a glimmer of struggle in the saint’s eyes, but she finally staggered towards Hu Mazi.

With every step she took, the red gauze on her body automatically untied a little, and by the time she walked in front of Hu Mazi, she was already half-naked.

“Please... please give me the antidote...” She pleaded pitifully, with tears in her eyes.

Hu Mazi swallowed his saliva and reached out to touch her cheek: “It would have been great if you had done this earlier...”

At the moment when he was distracted, a cold light flashed in the saint’s eyes, and the dagger hidden in her sleeve pierced Hu Mazi’s heart!

“Go to hell!”

The dagger pierced Hu Mazi’s body, but no blood flowed out.

Hu Mazi’s figure dissipated like foam and it turned out to be an illusion!

“Master Hu is getting more and more awesome!” Kai smiled slightly!

Since arriving in heaven, Hu Mazi seemed to have opened Pandora’s box, and his strength level has increased rapidly!

Various methods are emerging one after another!

Chapter 5150

“The Saint has underestimated me by using the same trick twice.” Hu Mazi’s voice came from behind.

The saint turned around suddenly and saw Hu Mazi standing three steps behind her with a porcelain bottle in his hand.

“This is the real antidote,” Hu Mazi shook the porcelain bottle, “Do you want it?”

The saint was no longer able to stand steadily at this moment, and the backlash of the blood soul thread made her suffer terribly.

She finally broke down and fell to her knees: “Please... please give me the antidote... I will agree to anything you ask...”

Hu Mazi sighed: “If I had known this would happen, why did I do it in the first place?”

Hu Mazi’s fingertips stroked the cool texture of the porcelain bottle, and the half-naked body of the saint was glowing with an alluring luster.

The blood-jade hairpin scattered in her hair swayed gently, reflecting the charm in her eyes.

The Blood Shadow Palace Saintess, who was full of murderous intent just now, now curled up on the ground like a red butterfly with broken wings. Her slender fingers trembled as she reached for the corner of Hu Mazi’s clothes: “Master... give me the antidote... I will bring all my disciples to serve you...”

Hu Mazi’s throat rolled, and the old scene of the Sixth Heaven’s romantic scene flashed through his mind. He also caught a glimpse of the lingering blush on the saint’s neck, which was the mark of lust brought about by the love flower calamity.

He knew that this woman was a vicious person, but he couldn’t resist the temptation of instinct.

“Forget it.” He sighed and threw the porcelain bottle over. “If you had known this would happen, why would you play tricks on me?”

The moment the saint took the antidote, a cold light flashed in her eyes.

She did not take it immediately, but suddenly turned the bottle mouth towards Hu Mazi, and several blood lines shot out from her fingertips to seal the acupuncture points all over his body.

“Old pervert, do you really think I will surrender?” She laughed harshly, and blood surged in her palms. “Women from the Blood Shadow Palace will only die standing, not live on their knees!”

When Hu Mazi realized something was wrong, it was too late. A bloody claw pierced his chest.

He looked at the Saint in disbelief, blood gushing out of his mouth: “You...”

“Master Hu!” Kai’s figure shot over like lightning, and his palm, shining with golden light, slapped towards the back of the saint.

The Saint was prepared. Blood shadows all around her swelled up and turned into thousands of blood arrows that shot towards Kai. At the same time, she shouted in a stern voice: “Blood Shadow Palace disciples, activate the ‘Ten Thousand Beauties Bewitching Array’!”

Before he finished speaking, hundreds of female cultivators who had already been poisoned by the Thousand Illusions Soul-Loving Incense suddenly tore off their remaining clothes and pounced naked towards Yun Wuya and the Qingyun Sect disciples.

There was an eerie peach-blossom color in their eyes, they chanted lewd songs, and the fragrance emanating from their bodies was more bewitching than the enchanting scent of sesame seeds.

“Master Yun, please save us...” A female cultivator knelt in front of Yun Wuya and wrapped her arms around his waist. “As long as you are willing to protect us, I will do anything...”

Yun Wuya’s face turned pale, and he used his energy to force the female cultivator who was approaching to retreat, and shouted angrily: “Evil magic is deceiving people! Don’t be so presumptuous!”

Although he was able to keep his mind focused, the Qingyun Sect disciples behind him had already been hit one after another.

The young monks had confused eyes and took the initiative to block the female monks, pointing their swords at Kai: “Don’t hurt them!”

“They are innocent...” A disciple trembled all over, but he tightly protected the female cultivator behind him, “If you want to kill them, kill me first!”

Kai looked at his disciples who were controlled by the magic, and the golden light in his eyes became brighter.

He knew very well that the Blood Shadow Palace’s charm not only affected the senses, but could also distort the mind.

“Stupid!” He growled, and the golden light in his palm turned into a circle and spread out, sweeping across the entire venue like ripples.

“Buzz...”

The invisible sound waves shattered the decadent music in the air, and the peach-colored halos on the female practitioners dimmed instantly.

The Qingyun Sect disciples suddenly woke up, looked at the naked female cultivator they were protecting, and stepped back in shock, their faces filled with shame, anger, and fear.

“court death!”

Kai no longer showed mercy and instantly summoned the Dragon Slaying Sword. The Dragon Slaying Sword condensed a golden sword energy and slashed towards the Blood Shadow Palace maid like a gust of wind sweeping leaves.

Chapter 5151

Although those female cultivators tried to gain sympathy by using their bodies and knelt on the ground crying for mercy, blood splattered wherever Kai’s sword passed, and no one was spared.

Hu Mazi covered his wound and struggled to get up. He saw the female cultivators lying on the ground. All of them had beautiful faces but were

already dead. He gasped in pain: “Kai! Why did you kill them all? Leave a few alive...”

“What a shame! What a shame! I haven’t played any of them...”

Hu Mazi was so anxious that he kept jumping up and down. Although he was injured, he didn’t care at all.

“Keep them and continue to use their sex appeal to harm others?”

Kai put away his sword and stood up, his golden eyes swept over Hu Mazi, “Do you think they will really surrender? If I hadn’t taken action just now, you would have been a pool of blood now.”

“Ah...” Hu Mazi sighed helplessly, “Even if you want to kill them, you should leave their bodies intact so they can still be used!”

When Kai heard this, he rolled his eyes at Hu Mazi speechlessly!

Yun Wuya and the others were speechless. This Hu Mazi was really lustful to the extreme. He even didn’t let go of the female corpse!

“Let’s start searching for resources!” Kai said!

When Hu Mazi heard this, he went towards the female corpses first!

Before the blood on Kai’s sword had dripped, he suddenly felt the wind and clouds in the sky rolling back.

The clouds that were originally torn apart by the Dragon-Slaying Sword Qi suddenly condensed, and five dark purple columns of wind reached down from the void like ghost claws, each of which carried a terrifying pressure that could crush mountains.

Hu Mazi, who was squatting beside a female cultivator’s corpse and groping for a sachet, suddenly trembled, and the warm jade he had just obtained instantly cracked. “Fuck him, immortal! What the hell is going on?”

Yun Wuya was directing his disciples to pry open the black iron door of the Blood Shadow Palace's secret vault. Upon hearing this, he looked up at the sky, his pupils suddenly shrinking: "Ninth rank Loose Immortal! It's from that mysterious organization!"

Before he finished speaking, five figures had penetrated the clouds and hovered over the ruins of the Blood Shadow Palace.

The leader was wearing a black cloak and a bronze ghost mask on his face. A wisp of twisting black flame was wrapped around the fingertips of his right hand. He was the "Ghost Face" who was injured by Kai and escaped.

"Boy, we meet again so soon." Ghost Face's voice was like the friction of rusty iron chains. "I was careless last time and let you get the upper hand. This time I will make you pay with blood!"

The four people behind him also showed their might. The grey-robed old man on the left had twelve Netherworld lamps floating around him, with the wicks emitting pale green soul fire.

As the red-dressed woman on the right swayed her waist, nine long blood-red silks moved in and out like spirit snakes;

Further back was a shirtless muscular man, his body covered with dark golden scales, holding a millstone-sized Xuanhua axe in each hand;

The last person was the most bizarre, with his entire body shrouded in white mist. Only a pair of eyes appeared and disappeared in the mist, revealing a bone-chilling coldness.

"Mr. Chen, what should we do?" Yun Wuya suddenly pushed away a disciple beside him, and thirty-six small green flags flew out of his sleeves and stuck into the ground, instantly forming a large formation.

Five ninth-grade cultivators in the realm of scattered immortals are also top-notch and powerful existences in the Three Heavens.

Hu Mazi hid behind Kai and whispered, “Kai, are you a match for me? Don’t count on me. I have already used up all my energy and I can’t attack anymore!”

When Hu Mazi was fighting with the Blood Shadow Palace, he consumed a lot of energy and was injured. Now he has no ability to fight back!

Kai looked at the five undisguised murderous intentions in front of him, and the Dragon-Slaying Sword in his palm kept humming.

He could feel that each of these five people was comparable to the peak combat power of the Holy Maiden of the Blood Shadow Palace. What was even more terrifying was that the auras of the five people were connected, forming a kind of combined attack momentum.

A crack had just been blown open in the door of the secret vault, and the fairy ores piled up inside were emitting an attractive luster. These resources were enough for Kai to practice for a period of time, so he must not give up!

Chapter 5152

“Master Yun.” Kai suddenly turned around, his golden eyes flashing with determination, “Take everyone in, take away everything that can be taken away, and leave this to me.”

“Mr. Chen, this...!” Yun Wuya exclaimed, “They are five ninth-grade Loose Immortals!”

“Stop talking nonsense!” Kai swung the Dragon Slaying Sword towards the door of the secret vault. The golden sword energy exploded like thunder, smashing the heavy black iron door into pieces. “If you delay any longer, you won’t even be able to drink the soup!”

Hu Mazi immediately perked up when he saw this, and was the first to rush into the vault: “Damn it, it’s too late, all the pants have been snatched away, you guys hurry up and catch up!”

Yun Wuya gritted his teeth, knowing that this was not the time to hesitate, and immediately waved his hand: “Qingyun Sect disciples, follow me in and move all the resources away!”

Hundreds of disciples immediately filed in, some carrying spirit crystals, some collecting magic weapons, and the secret library suddenly became busy.

“Want to move something?”

Ghost Face snorted coldly, and the black flame on his right hand suddenly surged, “Stay here!”

The ball of fire turned into a pitch-black fire snake, shooting towards the entrance of the secret vault with the aura of burning everything.

“Zheng!”

Kai instantly blocked with his sword, and when the Dragon Slaying Sword collided with the black fire, dazzling sparks burst out.

He only felt a huge force surging, his arm was paralyzed instantly, and he took three steps back before he could steady his body. There was actually a tiny burn mark left on the sword.

Kai frowned. This guy was clearly no match for him a few days ago, so how come his strength suddenly seemed to have increased?

Kai looked at the others and guessed that this Ghost Mask must have been able to borrow strength from the other four people, so it felt like his strength had increased!

“Interesting.”

The red-dressed lady beside Guimian laughed tenderly, and nine blood-red silk ribbons rolled towards Kai like a tide, “Little brother, my ‘Wanyan Chansi’ is not like the charms of those little girls in the Blood Shadow Palace...”

Before the blood-colored silk arrived, a fishy and sweet fragrance already hit my face.

Kai suddenly felt dizzy and quickly practiced the Concentration Technique. Golden light spread from his eyebrows and instantly dispelled the incense.

But the long silk threads were already before his eyes, each of them carrying the sharp edge that could tear through space.

Before he could think about it, he made a gesture with his left hand and a golden dragon suddenly appeared behind him.

Facing these five guys, Kai didn't dare to be arrogant and could only try his best!

The golden dragon roared, and the dragon energy collided with the long silk, making an earth-shaking explosion.

The blood-colored silk was actually broken into pieces by the wind from the fist. The woman in red screamed, blood oozing from the corner of her mouth: "Golden Dragon? You are indeed from the dragon clan."

"Golden Dragon lineage?" A trace of greed flashed in Ghost Face's eyes. "No wonder you can fight above your level and destroy several sects. Your physique can benefit us a lot."

The shirtless muscular man behind him could no longer hold back and roared as he swung the Xuanhua Axe at him, "Who cares about his bloodline? Chop him in half first!"

The giant axe fell on the golden dragon's head with tremendous force, and the golden dragon opened its huge mouth and roared loudly.

With a "crack", a crack deep enough to see the bone was cut into the golden dragon's body.

Kai only felt a tightness in his chest and a fishy and sweet taste rising in his throat.

At this moment, the man shrouded in white mist suddenly attacked, and an ice-blue finger wind silently pierced into his back.

“careful!”

Hu Mazi’s voice came from the secret vault, and at the same time a talisman shot out, blocking the icy wind.

But this also exposed Kai’s flaw, and the ghost-faced black fire snake attacked again, heading straight for his face.

At the critical moment, Kai bit his tongue hard and spurted a mouthful of blood onto the Dragon-Slaying Sword.

The sword body instantly burst into golden light, and the golden dragon instantly recovered, soaring into the sky, and the dragon’s roar shook the world.

“Break!” He roared, and the giant dragon opened its huge mouth and faced the black fire snake.

“boom!”

The heaven and earth seemed to be torn apart by this blow, and the remaining buildings of the Blood Shadow Palace were instantly reduced to dust.

Chapter 5153

The golden dragon and the black fire snake were fighting madly in the air, and the energy turbulence that erupted cut the surrounding mountains in half.

Guimian and others were forced to retreat a hundred feet before they could barely stabilize their bodies.

“How many cards does this kid have?”

The grey-robed old man looked at the ferocious golden dragon in the sky, fear flashing in his eyes, “Twelve Netherworld Lamps, lock my soul for me!”

Twelve green lanterns flew out and revolved around Kai. The soul fire of the wicks turned into countless chains, trying to tie up the dragon.

The woman in red took the opportunity to regroup. Nine long silk ribbons transformed into a blood-red phoenix, and together with the strong man’s Xuanhua axe and the man in the fog’s icy wind, they attacked Kai.

The five of them cooperated well and their offensive was as continuous as a violent storm.

Kai only felt the pressure suddenly increase, and the giant dragon was also entangled by the black fire snake and gradually lost its strength.

The clothes on his body had already been torn apart by the aftermath of the energy, and the scales of his indestructible golden body began to fall off.

Fortunately, Kai practiced the Savage Body Refining Technique, so his body was not harmed!

“No, if this continues they won’t be able to move all the resources...”

Kai was anxious. He glanced towards the secret vault and saw that the disciples were continuously moving out storage bags. A hint of ruthlessness flashed in his eyes.

The golden scales all over Kai's body were peeling off, and the defense of his indestructible golden body was beginning to crack under the combined attack of five people.

The crisp sound of spirit stones colliding came from the direction of the secret vault. Hundreds of disciples were rushing out with bulging storage bags on their shoulders. Hu Mazi even put on a black iron armor and stuffed glowing pills into his mouth as he ran.

“Hold on! Move for another ten breaths!”

Yun Wuya's voice was hoarse. The mountain protection formation composed of thirty-six green flags had several gaps burned by the black fire, and the gray-robed old man's Netherworld Lamp chain was wrapped around the center of the formation.

Kai gritted his teeth and slapped the storage ring with his left hand, and the storage ring suddenly burst out with a dazzling red light.

“Fire Qilin, come out...”

Kai knew that he couldn't defeat these five guys by his own strength!

Although these five guys are all at the ninth level of the Loose Immortal Realm, their strength is very strong, and I am afraid they are not inferior to the ninth level peak of the Loose Immortal Realm at all.

Kai didn't understand what this mysterious organization was!

How can he create a space on his own in the third heaven when his subordinates are so terribly powerful!

With a roar that pierced the clouds and split the rocks, a Qilin with scarlet fire feathers burning all over its body stepped into the air. Wherever its four hooves passed, the air turned into twisted waves of fire.

“Fire Qilin?”

The blood-red silk of the woman in red trembled violently, and the nine silk strips retracted instantly. “This is an ancient mythical beast!”

The Fire Kirin swung its burning long tail, its golden pupils locked onto Ghost Face and others, and it opened its mouth and spewed out a flame as thick as a water tank.

Ghost Face dodged sideways, and the black fire snake collided with the fire wave, sending sparks all over the sky.

The shirtless sturdy man roared and swung the axe to chop at the Qilin’s neck, but the Qilin hit the axe with one claw, and the Xuanhua axe as big as a millstone was hit with spider-web-like cracks.

“Let’s go together!”

Ghost Face shouted fiercely, and the black fire on his right hand condensed into the shape of a ghost claw, “Beast Summoning Formation, start!”

The five of them formed a formation in an instant, and the twelve Netherworld Lanterns of the gray-robed old man floated to the center of the formation.

The long silk of the woman in red turned into blood-colored veins that wrapped around the base of the formation. The sturdy man and the man in the fog stood on both sides, and the aura around them merged into the body of the ghost face.

The sky suddenly darkened, and five dark purple light beams rose from above the five people’s heads, converging into the vague outline of a giant beast in the sky.

“Is that... the ghost beast Taotie?”

Yun Wuya’s face turned pale, and the light of the green flag formation dimmed in an instant.

“Mr. Chen, be careful, they have summoned a ghost beast!” Yun Wuya reminded Kai!

Amid the swirling black fog, a phantom of a gluttonous monster with hundreds of eyeballs poked its head out. When its huge mouth opened, even the air made a sizzling sound as it was swallowed.

The Fire Kylin pawed its hooves restlessly, its flaming mane standing on end, obviously feeling the pressure from its natural enemy.

Chapter 5154

Kai felt sick looking at the Taotie. This guy was too ugly, much uglier than his own Fire Qilin, and even not as good-looking as the Sky-Swallowing Beast!

“roar!”

The Taotie phantom swooped down suddenly, and hundreds of its eyeballs shot out dark green beams of light at the same time, heading straight for the Fire Kirin.

The Fire Kirin soared into the air, with its flames turning into a shield. However, the moment the light beam penetrated the flames, blackened wounds were corroded on the Kirin’s front hooves.

“Kai, this ghost thing can devour souls!”

Hu Mazi hid behind the stone door of the secret vault and shouted, holding the magic weapon he had just snatched, “The Fire Kirin is too small now, I’m afraid it’s no match for us!”

Kai’s heart sank, and he swung his sword at the Taotie phantom, but the golden sword energy disappeared without a trace the moment it touched the black fog.

The ghost-faced man's laughter came from the fog: "It's useless! Taotie devours everything. You and your beasts must die!"

The Fire Kirin roared in pain, and the flames on its body dimmed noticeably. The wounds hit by the Taotie beam were withering at a speed visible to the naked eye.

Seeing this, Kai bit his tongue fiercely and dotted his blood on the Dragon Slaying Sword: "Slash!"

The Dragon-Slaying Sword and the Fire Kirin burst out with strong light at the same time. The golden dragon's phantom and the Fire Kirin's body entangled together, forming a golden pillar of fire that penetrated the sky and the earth.

The devouring power of the Taotie phantom was temporarily suppressed, and hundreds of eyeballs exploded.

"court death!"

A fierce look flashed in the ghost face's eyes, and he formed seals with both hands and punched into the Taotie's body, "Swallow them for me!"

The shadow of Taotie suddenly expanded, and its huge mouth opened like a black hole, covering the Fire Qilin and Kai.

The Fire Kirin's flames were devoured madly, its scales peeled off, and it let out a dying wail.

Kai only felt that all his strength was being pulled by an invisible force, and the Dragon Slaying Sword almost slipped out of his hand.

"No..." He looked at the last group of disciples rushing out from the secret library. Kai hurriedly said to the Scarlet Cloud Demon Lord: "Senior, please possess me quickly. I will lend you your power."

Kai knew that if he didn't use the Red Cloud Demon Lord to possess him, both he and Fire Kirin would probably die!

He really offended an existence that he shouldn't have offended. A temple already gave Kai a headache, so how come another mysterious organization appeared?

“Boy, your strength is getting worse and worse, why do you want to possess me again?”

Demon Lord Chiyun said jokingly!

These words made Kai speechless!

It's not that his strength is rubbish, it's just that the opponents he meets are getting more and more abnormal. He was originally invincible in the third heaven, but who knew that he would offend such a mysterious organization.

“Stop talking nonsense. Just tell me whether you will help me or not. If I die, don't forget that your soul will also be destroyed.”

Kai said with some displeasure!

“Help, how can I not help!” After saying this, Demon Lord Chiyun was about to possess Kai!

But at this moment, a terrifying pressure emerged from Kai's body.

The originally dark sky suddenly cracked, revealing a huge eye.

“What is that?”

The voice of the man in the fog trembled, and the ice-blue wind from his fingers solidified instantly.

Below the giant eye, a dark crack slowly opened up, and a furry, ferocious beast appeared.

“Swallow...Swallow the Sky Beast?”

Ghost Face's voice completely changed, and the black flames suddenly extinguished, "The legendary beast that devoured the heavens! How could it be here?"

When Kai saw the Heaven Devouring Beast, he heaved a sigh of relief and said to the Scarlet Cloud Demon Lord, "Okay, I don't need your help!"

With the Sky-Devouring Beast, these guys are no match for it. After all, this Sky-Devouring Beast can really devour everything!

However, Kai had no way to control the Heaven-Devouring Beast, and he didn't know when this guy would wake up, so he couldn't use it at all when in danger!

The Sky-Swallowing Beast shook its head, and its golden vertical pupils swept across the battlefield, finally landing on the shadow of the Taotie, and it let out a satisfied snoring sound.

"not good!"

The old man in gray robe wanted to take back the Netherworld Lamp, but found that the twelve green lights had been pulled by an invisible force and flew towards the Sky-Devouring Beast.

Chapter 5155

The Sky-Devouring Beast opened its mouth and sucked gently. The Netherworld Lamp, the Blood-colored Long Silk, the Xuanhua Axe, and the Ice Wind Finger instantly disappeared into its mouth, and the four gray-robed old men were also pulled in by a huge force.

"Save me!"

The red-clothed woman's long silk was tightly entangled with the ground, but she was slapped to the ground by a claw of the Sky-

Devouring Beast, and the whole person and the long silk were sucked into its mouth.

The shirtless sturdy man swung the axe at the giant claw, but the axe was like a drop in the ocean and was swallowed up in the next second without leaving any residue.

The Taotie phantom sensed the breath of its natural enemy and let out a terrified roar, trying to escape into the void, but was bitten on the neck by the Sky-Swallowing Beast.

The body made of black mist was chewing deliciously in the giant mouth. The dark green beams emitted by hundreds of eyeballs could not even scratch the scales of the Sky-Devouring Beast.

Huo Qilin returned to Kai, looking a little depressed and embarrassed.

It follows the Sky-Devouring Beast all day long and stays in Kai's storage ring!

But at the critical moment, it still depends on the Sky-Swallowing Beast, it can't help Kai at all!

Kai gently stroked Huo Qilin's head and said soothingly, "You are also great, don't blame yourself."

After saying that, Kai let the Fire Kirin go back and heal his wounds. There were also a lot of resources in the storage ring that could allow the Fire Kirin to grow!

When Kai looked at the Heaven-Devouring Beast, he discovered that the Heaven-Devouring Beast had swallowed the five Ghost-Faced Men and the Taotie phantom into its stomach like snacks, leaving not even a trace of breath.

"this....."

Yun Wuya leaned on the broken green flag, his face full of disbelief, “The ninth rank of the scattered fairyland... is gone just like that?”

Hu Mazi poked his head out from behind the stone door, also with a look of surprise on his face: “Damn, this beast is too awesome!”

“Master Hu, please speak nicely. It can understand you. Be careful and watch out for it eating you!” Kai threatened!

Hu Mazi was so scared that he quickly shrank his head.

The Sky-Swallowing Beast burped and turned into a ball of golden light, returning to Kai’s storage ring!

Silence returned to the world, leaving only the remaining fire burning in the ruins of the Blood Shadow Palace and the noisy sound of disciples moving resources in the distance.

Kai was a little speechless. This Sky-Devouring Beast was awesome, but it didn’t communicate with him. It would be great if it could be obedient!

“Senior, your mount is much more awesome!” Kai said!

“Bullshit, I only have a wisp of soul left. When I regain my body, I can turn these five little bastards into ashes with just a glare!”

The Red Cloud Demon Lord said dissatisfiedly!

“Mr. Chen.”

Yun Wuya walked up to Kai and said in awe, “What was that just now...was that the Sky Devouring Beast?”

“Yes!” Kai nodded!

Yun Wuya looked at Kai in disbelief. He found that Kai was bringing him more and more shock!

Not to mention being able to fight against opponents of higher levels and summon a golden dragon, there are also fire unicorns and sky-devouring beasts?

Yun Wuya couldn't imagine what force was behind Kai!

But he knew one thing: the power behind Kai was definitely not from the Third Heaven, but should be very high above the heaven!

The resources in the secret vault have been emptied. The disciples, carrying bulging storage bags, look at Kai with admiration.

Yun Wuya directed everyone to organize the team, while Hu Mazi searched in the ruins to see if there were any treasures that were missed.

"Mr. Chen," a Qingyun Sect disciple came over holding a blood-stained token, "This fell from Ghost Face, and there is a word 'Ming' on it."

Kai took the token, which was cold to the touch, and the word "Ming" engraved on it actually gave off a faint black aura.

"This should be the token of the mysterious organization. With this token, can we enter the mysterious organization's headquarters?"

Yun Wuya asked!

"Maybe!" Kai put the token away.

"Kai, where are we going next?" Hu Mazi asked!

Kai stared into the distance, there was still one Seventh Palace that he needed to deal with!

As long as the Seventh Palace is dealt with, Kai can focus on investigating this mysterious organization without any distractions!

Chapter 5156

“Boy, there’s something strange about that token, didn’t you notice?”

At this time, the voice of Demon Lord Chiyun sounded!

“Strange, what’s strange?”

Kai’s face was full of confusion, and then he took out the token he had put away!

The token felt cold to the touch and had the word “Ming” on it, but Kai didn’t find anything strange about it!

The Scarlet Cloud Demon Lord snorted coldly, his spirit surging in Kai’s sea of consciousness, “Your spiritual awareness is still too shallow, this token is just a trick! If it is really an ordinary token, how could it make my spirit palpitate faintly?”

Kai looked solemn when he heard this. He turned the token over and looked at it again and again, but still could not see any clues.

“Open the Eye of Heaven!”

The Scarlet Cloud Demon Lord suddenly shouted, “You better be more careful next time!”

Kai was shocked, knowing that Demon Lord Chiyun must have discovered something different about the token, so he opened it. However, an eye appeared on Kai’s forehead, and the world in front of Kai turned gray.

Under the gaze of Tianming Eye, the black gas on the surface of the token began to twist like a living thing.

The originally flat character “Ming” suddenly became concave, revealing two tiny seal characters “Tian Lin” below!

These two words exuded a warm and precious light, which was completely different from the cold and gloomy aura of the rest of the token.

Kai took a deep breath and looked at the Red Cloud Demon Lord in his sea of consciousness: “Senior, this...”

“It is indeed so!”

The soul of the Scarlet Cloud Demon Lord was shaken violently. “Tianlin Cave Mansion is one of the most mysterious existences in ancient times!” “It is said that they can travel through the heavens and myriad worlds and specially select monks with great luck.”

“Back then, several Dao ancestors from the heavens were all received by the Tianlin Cave! But this organization suddenly disappeared ten thousand years ago, along with the large sects behind it, as if they had never existed!”

Kai frowned, wondering what the connection was between this mysterious organization and the Tianlin Cave Mansion. How could something related to the Tianlin Cave Mansion appear in the token? Besides, the Tianlin Cave Mansion had disappeared long ago.

“Master Yun, have you heard of the Tianlin Cave Mansion?” Kai asked Yun Wuya.

Yun Wuya, who was standing by, heard the words “Tianlin Dongfu” and the weapon in his hand fell to the ground with a clang.

His face turned pale, and his voice was trembling: “Mr. Chen, Tianlin Cave Mansion... that is a place that only exists in legends.”

“It is said that their criteria for selecting disciples is to break the rules of heaven!”

“There was once a casual cultivator who was only at the first level of the casual immortal realm. However, because he possessed a rare spiritual

root of heaven and earth, he was taken away by the Tianlin Cave Mansion as an exception.”

“Three days later, when this person returned, he actually broke through to the Earthly Immortal Realm. After killing all the enemies in the Three Heavens, he disappeared again!”

“This legend has been circulating for a very long time...”

“To advance to a higher level in three days?” Kai was speechless!

This fucking cultivation speed is even more outrageous than his!

“Could it be that there are time rules in the Tianlin Cave? Three days in the eyes of others may be three years in the Tianlin Cave?” Kai was suddenly shocked!

This is the only possible way to achieve such an abnormal cultivation speed.

If there were sufficient resources, Kai would be able to reach a higher level within three years!

Practicing in the Demon-Suppressing Tower for three days is equivalent to a year!

Hu Mazi came over at some point, his eyes wide open, “My goodness, this is too outrageous! If we can enter this Tianlin Cave, won’t we all be able to ascend to heaven in one step?”

“Master Hu, haven’t you heard of this Tianlin Cave Mansion?” Kai asked!

“I haven’t heard of it. I have been reincarnated so many times, how could I hear such things?” Hu Mazi said with an awkward smile!

Kai frowned and thought, then put away the token: “Let’s not worry about the connection between Tianlin Cave Mansion and the mysterious organization. The most urgent task is to deal with the Seventh Palace.”

Chapter 5157

“As for the other tokens, we can only take it one step at a time.”

He secretly calculated in his heart that if he could collect all the tokens, he might be able to uncover the secret of the Tianlin Cave, or even find an opportunity to improve his strength.

“Let’s go to the Seventh Palace...” Kai said!

The strength of the Seventh Palace is stronger than that of the ancient barbaric clan, Tianyan Sect and Blood Shadow Palace!

After all, the Seventh Palace Master is at the peak of the ninth level of the Loose Immortal Realm!

What’s more, behind the Seventh Palace is the temple of the gods. With this backing, the strength of the temple must be strong!

So this time when he went to the Seventh Palace, Kai did not dare to be too careless!

Everyone headed towards the Seventh Palace.

Along the way, Kai was always uneasy.

The legend of Tianlin Cave Mansion is too shocking, and the mysterious organization is obviously inextricably linked to it.

Is the token on Ghost Face the credentials to enter the mysterious organization, or the key to unlock the ruins of Tianlin Cave Mansion?

Just as Kai and his companions were heading towards the Seventh Palace, they came to a mysterious place in the Third Heaven!

There was white light all around, and nothing could be seen except white light!

But when you step into the white light, towering mountains appear instantly, with grand palaces on the mountains!

Inside the palace, an old man sat with his eyes closed, as if he was meditating, or perhaps practicing martial arts!

In the middle of the hall, a dozen children were looking around in horror, tears in their eyes!

“Mom, I want to find mom...”

“Let us go...”

“I’m afraid...”

The children were crying, but the old man seemed not to hear them and remained indifferent!

All around the hall, wisps of collected souls and spirits seemed to be controlled by something, and then rushed into the bodies of those children!

All these souls struggled, but to no avail!

As the spirits and ghosts of the dead continued to enter the bodies of those children, those children stopped crying and their faces became hideous!

In just a few moments, more than a dozen children died with blood gushing out of all their orifices and black bruises on their faces!

At this time, the old man slowly opened his eyes and sighed softly:
“Rubbish...”

Then with a wave of his hand, the bodies of a dozen children instantly turned into ashes and were blown away by the wind!

“Great Elder, something bad has happened...”

“Great Elder, something bad has happened...”

At this moment, a monk ran in in panic!

“What’s the matter? Why are you so panicked?” The old man frowned!

“Ghost...Ghost Face was killed...”

The monk whispered!

“What?” The old man stood up and said, “Say it again?”

“Ghost Face and the other five ghosts were killed.”

The monk said again!

“Bullshit, the five of them are invincible in the entire Triple Heaven. Who can kill them?”

“Besides, the five of them can also summon the ghost beast Taotie. It is impossible for anyone to kill them.”

The old man roared, he didn’t believe it at all!

It’s just a small triple heaven, no one has the ability to kill his five ghosts.

The combined strength of these five people is so great that even those at the peak of the Scattered Immortal Realm are no match for them!

It is impossible for a master at the level of Earthly Immortal to appear in these three heavens.

“It’s true. The soul lamps of the five of them have been extinguished. They were extinguished not long ago.”

The monk also said with a helpless look!

“Where’s the token? Where’s the token on Ghost Face? Have you found it?”

The old man looked pale and asked anxiously!

The monk shook his head: “No, I’m afraid it has been lost!”

Plop...

The old man sat down on the ground with cold sweat pouring down his forehead!

If the token is lost and can’t be found, his life might be in danger!

“Go and find the two Netherworld Elders quickly...”

The old man roared!

The monk ran out anxiously, and soon the two elders of the Netherworld arrived accompanied by two terrifying auras.

The white light in the hall suddenly dimmed, and two figures wrapped in cold and spooky aura emerged like ghosts.

Chapter 5158

The old man on the left had a hunched body, with bony fingers visible under his black robe, his nails were bluish black, and a string of soul beads spun around his waist;

The old man on the right had a swollen face, his eyes rolled back, saliva hanging from the corners of his mouth, and in his hand he held a chain sickle wrapped in netherworld flames.

It was the two elders of the underworld whom the Great Elder had urgently summoned—Ghost Claw Lady and Drowned Soul Lord.

“Great Elder, why are you so flustered?”

The ghost claw woman’s voice was as sharp and piercing as fingernails scraping across stone slabs.

She glanced at the ashes of the child on the ground, a trace of impatience flashing in her eyes, “If you hadn’t called me urgently, the two of us would have used the ‘Hundred Ghosts Refining Souls’ technique to refine a new container.”

The great elder stood up suddenly, his robe sleeves trembling, and pointed to the soul lamp stand in the center of the hall: “Ghost Face... the soul lamps of the five ghosts are all extinguished!”

The Drowned Soul Lord’s eyes trembled suddenly, and the chain sickle fell to the ground with a clang: “Impossible! The five ghosts joined forces, plus the gluttonous ghost beast, even the peak of the scattered immortals can’t be their opponent, who in the Three Heavens has such ability?”

“The soul lamp will not lie!”

The Great Elder clenched his fists, his fingertips turning white from exerting too much force. “More importantly, the token on Ghost Face’s body is lost! If it falls into the hands of outsiders, the organization’s secrets... and the ‘shackles’ on our heads, will no longer be hidden!”

The two elders from the Netherworld looked at each other and saw horror in each other’s eyes.

Ghost Claw Po calculated something with her skinny fingers, her brows furrowed more and more tightly. “Before the soul lamp went out, the energy fluctuations showed that they collided with an extremely strange force near the Blood Shadow Palace, and then disappeared completely.”

“Blood Shadow Palace?” The Great Elder’s pupils shrank. “I know the strength of the Blood Shadow Palace, but how could they have the power to kill the Five Ghosts?”

The Drowned Soul Lord licked his cracked lips and said in a hoarse voice: “No matter who it is, the token must be recovered! Great Elder, do you know the other party’s background?”

“Nothing!”

The Great Elder punched the stone table, and cracks spread to the corners of the table. “Ghost Face didn’t even send out a telepathic message to ask for help, which shows how sudden his death was.”

“Now we can only rely on you two elders. Lead the ‘Shadow Guards of the Underworld’ to thoroughly investigate the Three Heavens. Even if you dig deep underground, you must find the token back!”

Ghost Claw Lady laughed sinisterly, and the soul bead on her fingertips suddenly flashed red: “Don’t worry, anything that has been tainted by the aura of the Ghost Mask cannot escape the tracking of my ‘Ten Thousand Soul Lock’, but...” She paused, her eyes swept over the Great Elder, “If the token is hidden and has no aura, even we...”

“Stop talking nonsense!”

The Great Elder interrupted in a stern voice, “If we can’t find the token, all three of us will die! Remember, we must find the person alive or the body dead, and the token must be brought back intact!”

The two elders of the Netherworld led a hundred shadow guards of the underworld and poured into the Blood Shadow like a black tide.

The place was already in a mess, with corpses everywhere. Some naked female corpses were exposed, making the Drowned Soul Prince lick his lips when he saw them.

The Ghost Claw Lady glared at the Drowned Soul Man coldly, and the Drowned Soul Man was so scared that he withdrew his gaze!

Standing in front of a piece of charred land, Ghost Claw Po pointed with her withered fingers at the claw marks three feet deep on the ground:

“Look at the length of the claws, it’s the ‘Netherworld Claw’ of the Taotie ghost beast, but the power of the counterattack...”

She leaned over and grabbed a handful of scorched earth. The soul orb in her palm suddenly spun wildly, making a crackling sound.

“What’s wrong?”

The Drowned Soul Man came forward and thrust his chain sickle into the ground. Immediately, countless souls emerged from the ground, howling and pointing in all directions.

“The aura... has been erased!”

The Ghost Claw Lady crushed the soul bead fiercely, her face livid, “It’s not just the ordinary destruction of the soul and spirit, but even the remnants of the spiritual consciousness and energy fluctuations have been completely devoured! It’s like... being swallowed alive by something, not even a bone residue is left!”

“What on earth is so powerful? Could it be that the five ghosts were swallowed by my own gluttonous ghost beast?”

The Drowned Soul Man frowned and asked in confusion!

Chapter 5159

Because this gluttonous monster can swallow everything.

“Stop talking nonsense...” Ghost Claw Lady glared at him and said, “In this world, the gluttonous ghost beast is not the only one that can devour everything.”

“In this third heaven, is there any other spiritual beast that can devour everything?” asked the Drowned Soul Lord.

“Strange...” Ghost Claw Grandma ignored him and found a piece of debris on the ground. She put it to her nose and sniffed it. Suddenly, her whole body was shocked. “This smell... is the Sky Devouring Beast!”

“The Sky-Swallowing Beast?” Lord Drowned Soul cried out in shock, “The ancient beast that is said to be able to devour everything? How could it appear in the Third Heaven? That’s the mount of the Ninth Heaven’s Red Cloud Demon Lord.”

“What’s more, the Scarlet Cloud Demon Lord has disappeared for thousands of years. How could he possibly appear in the Third Heaven?”

Lord Drowned Soul was a little skeptical. After all, the Scarlet Cloud Demon Lord had disappeared thousands of years ago and no one knew where he had gone!

In fact, he was killed in the heavenly world, and his mount, the Sky-Devouring Beast, also died.

A wisp of Scarlet Cloud Demon Lord’s soul hid in the cave, and the Sky-Devouring Beast laid an egg before dying.

“It can’t be the Scarlet Cloud Demon Lord.”

Ghost Claw Grandma shook her head, and a wisp of Yin Qi condensed from her fingertips and entangled the fragments. “This is the soul-devouring saliva of the Sky-Devouring Beast cub, which is specially used to digest the soul. It seems that Ghost Face and the others were swallowed by the Sky-Devouring Beast, and even their souls didn’t have time to escape!”

“Could it be the Red Cloud Demon Lord’s son? His Sky Devouring Beast gave birth to a cub, and gave him a son?”

The Drowned Soul Man swallowed his saliva and asked nervously!

If this was done by the son of Demon Lord Chiyun, they really wouldn’t dare to investigate!

The shadow guards of the underworld gasped when they heard this.

If it was done by the Red Cloud Demon Lord's son, there would be no point in investigating...

"Stop talking bullshit!" Ghost Claw Granny waited for a second look at Drowned Soul Prince and said, "The magic power that Demon Lord Scarlet Cloud has cultivated has long been unable to be practiced in pairs. He cannot have children, so how can he have a son?"

"How do you know?" The Drowned Soul Man looked at the Ghost Claw Woman warily!

"I'm just guessing, okay? Stop farting in the future." The ghost claw woman cursed.

The Drowned Soul Lord looked at the sky in the distance and said, "A Sky Devouring Beast cub must recognize its master to survive. Who else could the person who dares to raise such a ferocious beast be if not the son of the Scarlet Cloud Demon Lord?"

"In the Three Heavens, the peak of the Scattered Immortal Realm is already the ceiling. Could it be..." He looked at Ghost Claw Po fiercely, "Could it be the godson of the Scarlet Cloud Demon Lord?"

"Fuck you..." The Ghost Claw Lady wanted to kick the Drowned Soul Man!

If Kai knew that he would soon become the godson of Demon Lord Chiyun from his son, he would probably be in tears and amused.

"Don't make random guesses. Although I haven't detected the aura of Ghost Face yet, I already know a thing or two about how to deal with it. Follow me to chase him!"

After saying that, Ghost Claw Lady led her men to chase after Kai and the others!

At the same time, Kai and his group were heading towards the Seventh Palace. Huo Jingjing suddenly pointed to a mountain and said, “That mountain is so special!”

Mo Qingyun also looked over and said in surprise: “This mountain looks like a sword stuck in the ground, it’s really beautiful...”

Seeing this, Kai also looked in the direction the two men were looking, and sure enough, he discovered that hundreds of miles away from them, there was a thousand-foot-high mountain standing, like a giant sword inserted into the ground, with the tip of the sword directly inserted into the ground!

And at the very top is the hilt of the sword. Although hundreds of miles away, Kai can still feel the oppression and sharpness brought by the giant sword!

“Master Yun, what is this place? How can there be such a unique mountain?”

Kai asked Yun Wuya!

After all, Yun Wuya is the only cultivator in the third realm here!

Yun Wuya took a look and then showed an awkward expression: “Mr. Chen, although I am also practicing in the Third Heaven, the Third Heaven is vast, and our Qingyun Sect has always lived on the edge of the Third Heaven.”

“I have never been to a core place like this, nor have I seen a mountain like this, let alone where this place is!

Chapter 5160

Seeing that Yun Wuya didn’t know either, Kai decided to go over and take a look!

“Master Hu, you guys wait here, I’ll follow Sect Master Yun to take a look!”

Kai said to Hu Mazi!

“Kai, you have to be careful. I think that mountain is weird, and it seems to have sword intent surging!”

Hu Mazi reminded Kai!

Kai nodded, then flew over with Yun Wuya!

The distance was hundreds of miles, but the two of them arrived in less than an incense stick of time!

When he got closer to the mountain, Kai discovered that there were two big words engraved on the mountain: Sword Sect!

Just now, because the distance was too far, I could only see the mountain but did not notice the words on it!

Now when he saw these two words, Kai was stunned!

Yun Wuya also frowned and said in a low voice: “Sword Sect, why haven’t I heard of it?”

“There are thousands, if not tens of thousands, of sects in the Third Heaven. Not all of your sects know about them.”

After Kai finished speaking, he looked up at the mountain. From a close distance, it gave people a strong sense of oppression!

Especially that feeling, that momentum, like the surging waves, one after another, as if to destroy everything!

Kai followed Yun Wuya to the ground, walked to the foot of the mountain, looked up, but could not see the top at all!

Standing on the ground, the feeling of oppression became even stronger, and it seemed difficult for both of them to breathe!

And the mountain in front of me always feels like it is about to fall down.

“Mr. Chen, this... the oppression here is so strong!”

In addition to having difficulty breathing, Yun Wuya’s legs were even shaking!

Now there was not even a trace of the Sword Sect in sight, and Yun Wuya was so frightened by the aura of the mountain that he was shaking all over!

It seems that the strength of the Sword Sect must be many times stronger than that of the Qingyun Sect!

Being able to practice here and face the pressure of the mountains every day is really a great exercise for the mind.

“This is a bit complicated!” Kai said!

“Mr. Chen, why don’t we leave? There doesn’t seem to be any breath of life here. Maybe it’s the site of a sect that was destroyed long ago.”

Yun Wuya said!

“Now that we are here, we should make the best of it. Don’t be afraid. We are just walking around!”

After Kai finished speaking, he jumped up!

Yun Wuya had no choice but to grit his teeth and follow.

When the two men came to the back of the mountain, they found a dilapidated hall halfway up the mountain. The hall was huge, as big as hundreds of football fields!

However, many parts of the hall have collapsed, as if they had collapsed naturally due to years of disrepair.

“Such a strong sword intent, is there someone else in this hall?”

Kai stared at the hall and couldn't help but frowned!

“Mr. Chen, stop joking. How come I can't feel any breath of life at all?”

Yun Wuya had already released his spiritual sense a long time ago, but he did not detect any human presence!

“I didn't feel that either...”

In fact, Kai didn't feel any human breath.

“Let's go and take a look...” Kai went towards the dilapidated hall!

Yun Wuya followed reluctantly, but he kept looking around, being extremely alert.

He always felt that this place was very strange and there might be some danger.

Kai followed Yun Wuya to the front of the hall. The two of them looked very small in front of the hall, but as soon as they landed, several sword beams shot out from the dilapidated hall!

Yun Wuya was horrified. He didn't expect someone to attack him suddenly. He was about to resist but was grabbed by Kai!

“Do not move.....”

Kai pulled Yun Wuya and stood there motionless, without activating any defense on his body!

When these sword beams reached Kai and the others, they stopped as if someone was controlling them, and then they all shattered.
