

the mans Decree: Kai Ping / Chen Ping

Chapter 5221

After the two left, they did not go far, but lurked outside the Chilian Sect, waiting for the leader of the Chilian Sect to come out.

They knew that perhaps only from the mouth of the leader of the Chilian Sect could they find out more information about the genocide that happened that year.

As time went by, the Chilian Sect's vigilance became increasingly strict, and they were obviously preparing for revenge.

Kai and Hu Mazi lurked patiently, observing the movements of the Chilian Sect.

On this day, a powerful aura suddenly emanated from the Chilian Sect, shaking the entire Shepan Mountain.

"The leader of the Chi Lian Sect has come out of seclusion!" Hu Mazi's eyes flashed with excitement, "Our chance has come!"

Kai nodded, a trace of solemnity flashed in his eyes: "The leader of the Chi Lian Sect has broken through to the late stage of the Spiritual Transformation Stage. His strength is stronger than before. We must be more careful."

The two of them sneaked into the Chilian Sect quietly and headed towards the direction where the breath came from.

The place where the leader of the Chi Lian Sect is in seclusion is on the top of Shepan Mountain, where there is a huge palace. The roof of the palace is red, shaped like a huge chi Lian snake, exuding a strange aura.

The palace is heavily guarded and filled with various prohibitions and poisonous snakes, so it is not easy to get close.

“How do we get in?”

Hu Mazi looked at the guards and restrictions around the palace with a frown on his face.

“Breaking in by force is definitely not an option. We have to think of a way.” Kai said, “I’ll distract the guards while you sneak into the palace and gather information.”

“no!”

Hu Mazi said quickly, “The leader of the Chi Lian Sect is too strong. It’s too dangerous for you to lead the guards away by yourself!”

“This is the only way at this moment.”

Kai said, “Don’t worry, I have a way to get out. Remember, once you get the news, leave immediately and don’t fight.”

Hu Mazi wanted to say something else, but seeing Kai’s determined eyes, he finally nodded: “You must be careful!”

Kai patted Hu Mazi on the shoulder, then took a deep breath, circulated his spiritual power, and rushed towards the guards around the palace.

“There’s an intruder!”

The guards immediately spotted Kai, sounded the alarm, and surrounded him.

Kai held the Dragon-Slaying Sword in his hand and walked forward as if he was in an empty space. The golden sword energy swept out and instantly knocked several guards away.

His goal was clear, which was to attract the attention of all guards and create opportunities for Hu Mazi.

Inside the palace, a woman in a red robe was sitting on the throne, sensing the noise outside, with a sneer on her face: “Someone actually dared to break into my Chi Lian Sect, they really don’t know how to live or die.”

The woman had a beautiful face and fair skin, but her eyes were a little cold. She was the leader of the Chilian Sect, the Chilian Fairy.

She slowly stood up and walked out of the palace, wanting to see who was so bold.

Just as the Red Snake Fairy walked out of the palace, Hu Mazi took the opportunity to sneak into the palace.

Knowing that time was running out, he immediately began searching the palace, hoping to find some records of the genocide that had occurred that year.

The palace was luxuriously decorated with various precious treasures placed everywhere, but Hu Mazi had no intention of paying attention to them. His eyes swept over the ancient books and files on the bookshelf.

Soon, he found a secret room in a hidden corner.

The door of the secret room is made of a special kind of jade, engraved with complex runes, emitting a faint glow.

Hu Mazi knew that there must be an important secret hidden in it. He tried to crack the runes on the door of the secret room according to the method passed down by his ancestors.

However, just when he was about to crack it successfully, a cold voice suddenly sounded behind him: “What are you looking for?”

Hu Mazi was startled and turned around suddenly, only to see that the Red Snake Fairy had appeared behind him at some point, looking at him with a pair of cold eyes.

Chapter 5222

“You...why are you back?”

Hu Mazi was so scared that he stepped back repeatedly, tightly holding the clan leader’s token in his hand.

“You think you can lure me away?” The Red Snake Fairy sneered, “A mere cultivator from the Sanxian realm dares to show off his skills in front of me.”

Her eyes fell on the clan leader token in Hu Mazi’s hand, and a hint of surprise flashed in her eyes: “This token... are you from the Hu clan?”

Hu Mazi’s heart sank. He didn’t expect that Fairy Chi Lian actually knew the clan leader’s token. It seemed that she was also related to the genocide that year.

“So what?”

Hu Mazi pretended to be calm and said, “I am here today to avenge my Hu family!”

“Revenge? Just you?”

Fairy Chi Lian sneered, “I was also involved in the destruction of your Hu family. How do you want revenge?”

Upon hearing this, Hu Mazi was furious and rushed towards the Red Snake Fairy: “I will kill you!”

However, his strength was far inferior to that of the Red Snake Fairy. As soon as he rushed in front of the Red Snake Fairy, he was blown away by a powerful force, spitting blood from his mouth and fell to the ground.

Now the Red Snake Fairy has broken through the third level of the Earthly Immortal Realm and reached the fourth level of the Earthly Immortal Realm. Hu Mazi is no match for her.

The Red Snake Fairy walked towards Hu Mazi step by step, with a cruel look in her eyes: “Since you came to me on your own, don’t blame me for being cruel and ruthless.”

At this critical moment, a violent explosion suddenly sounded outside the palace, followed by a familiar voice: “Master Hu, go!”

Hu Mazi knew that it was Kai who came to save him, so he forced himself to stand up and fled out of the palace.

The Red Snake Fairy looked at Hu Mazi’s fleeing back, a trace of anger flashed in her eyes. She wanted to chase after him, but was entangled by the explosions and shouts outside and could not escape.

Hu Mazi escaped from the palace and saw Kai being besieged by a group of masters from the Chilian Sect. He had several wounds on his body and it was obvious that the battle was extremely difficult.

“Kai!”

Hu Mazi shouted and wanted to go forward to help.

“Don’t come over here! Go away!”

Kai shouted at Hu Mazi, and at the same time, he burst out with a powerful force, forcing back the surrounding enemies, “I’ll be there soon!”

Hu Mazi knew that he would be of no help if he stayed, and would instead be a burden to Kai. He gritted his teeth, turned around and fled out of Shepan Mountain.

The Red Snake Fairy got rid of the entanglement outside. Seeing Hu Mazi running away, a trace of anger flashed in her eyes. She shouted to the masters of the Red Snake Sect: “Stop him! Don’t let him run away!”

The masters of the Chilian Sect immediately chased after Hu Mazi.

Kai looked at Hu Mazi’s fleeing back and breathed a sigh of relief, knowing that he had achieved his goal.

He no longer wanted to fight, turned around and fled in another direction, leading away some of the masters of the Chilian Sect.

A new chase is staged again in Shepan Mountain.

Hu Mazi tried his best to escape in the dense forest, and the masters of the Chilian Sect were chasing him closely.

These snake monsters were extremely fast, moving freely through the woods and getting closer and closer.

There was very little spiritual power left in his body. The internal organs that were injured by the Red Snake Fairy just now were in great pain, and every breath was filled with the smell of blood. But he did not dare to stop, because he knew that if he was caught up, the consequences would be disastrous.

“Bang!”

Hu Mazi suddenly tripped and stumbled to the ground. The clan leader token in his hand flew out and landed in the grass not far away.

Seeing this, the masters of the Chilian Sect behind him smiled excitedly and quickly surrounded them.

“Run! Just run!”

The leading snake demon sneered and pointed the long sword in his hand at Hu Mazi’s throat. “I didn’t expect that the remnants of the Hu family are still alive. It’s really God’s will.”

Hu Mazi struggled to stand up, but the snake demon stepped on his chest and he could not move.

Chapter 5223

He looked at the ferocious snake demons around him and a trace of despair flashed in his eyes. Is he going to die here today?

At this moment, there was a sudden movement in the bushes, and the clan leader’s token emitted a dazzling white light, enveloping the surrounding snake monsters.

When the snake demons came into contact with the white light, they screamed and bursts of black smoke came out of their bodies, obviously in great pain. The snake demon that stepped on Hu Mazi’s chest was no exception, and it screamed and took a few steps back.

Hu Mazi took the opportunity to struggle to stand up, picked up the clan leader’s token, and looked at it in surprise.

He didn’t expect that the clan leader’s token had such power that it could restrain the snake demon.

“What the hell is this?”

The leading snake demon looked at the clan leader’s token, a trace of fear flashed in his eyes, “Come on together, I don’t believe we can’t beat him!”

The snake demons endured the pain brought by the white light and surrounded Hu Mazi again.

Hu Mazi tightly grasped the clan leader's token and injected the remaining spiritual power in his body into it. The white light became brighter and formed a solid barrier that kept the snake monsters out.

But his spiritual power was too little, the brightness of the white light was gradually weakening, and cracks began to appear in the barrier.

“Hahaha...he can't hold on any longer!”

Seeing this, the snake demons became even more excited and their attacks became more and more fierce.

Just when the barrier was about to break, a golden sword energy came like a fairy from the sky, instantly knocking several snake monsters away.

“Kai!” Hu Mazi shouted in surprise.

Kai appeared in front of him, holding the Dragon-Slaying Sword, and stood in front of him.

“I'm late.”

“Why are you back?” Hu Mazi asked in surprise. He thought Kai had escaped.

“I said, we came out together, and we will go back together.” Kai smiled slightly, “Leave these minions to me, you recover first.”

As soon as he finished speaking, he rushed towards the snake monsters with the Dragon-Slaying Sword in his hand.

The golden sword energy fell like a violent storm. The snake monsters were no match at all and fell down screaming.

The leading snake demon was so frightened upon seeing this that he turned around and tried to run away.

How could Kai give him a chance? He flashed and caught up with him in an instant, then swung the Dragon-Slaying Sword and killed him.

After dealing with all the snake monsters, Kai walked over to Hu Mazi and handed him a healing pill: “How is it? Can you still walk?”

Hu Mazi swallowed the pill and nodded: “Not bad.”

“We have to leave Shepan Mountain as soon as possible, the Red Snake Fairy will catch up with us soon.” Kai said.

The two men supported each other and fled out of Shepan Mountain.

Just as Kai expected, the Red Snake Fairy soon learned the news of her men being killed. She was furious and personally led a large number of experts to chase after them.

“Search! Even if you have to dig three feet deep, you must find them!”

The voice of the Red Snake Fairy echoed in Shepan Mountain, filled with anger.

Kai and Hu Mazi were running hard in the dense forest. The pursuers behind them were getting closer and closer, and the breath of the Red Snake Fairy was chasing them like a maggot on the tarsal bone.

“This is not a solution. We will be caught up sooner or later.”

Hu Mazi panted and said, “The strength of the Red Snake Fairy is too strong. We are no match for her at all.”

Kai frowned. He knew Hu Mazi was right, but he couldn’t think of a better way for the moment.

At this moment, a swamp suddenly appeared in front of them. Black bubbles were coming out of the swamp, emitting a pungent stench, and it looked extremely dangerous.

“This is... the Rotten Bone Swamp!” Hu Mazi recognized the swamp. “Ancient books record that the Rotten Bone Swamp is full of poisons and traps. Once you fall into it, you will be corroded into a pile of bones. Even the monks in the Earthly Immortal Realm dare not approach it easily.”

Kai looked at the pursuers getting closer and closer behind him, and a trace of determination flashed in his eyes: “Let’s go this way!”

Chapter 5224

“Can we walk like this?” Hu Mazi looked shocked.

“We will die if we don’t leave, so let’s give it a try...” Kai said, and walked towards the swamp with Hu Mazi!

The black mud of the Rotten Bone Swamp gurgled underfoot, and the sticky mud was like countless cold hands, trying to drag any creature that stepped into it into the abyss.

Kai grabbed Hu Mazi’s arm with one hand and wielded the Dragon-Slaying Sword with the other to chop at the poisonous swamp vines that were rushing towards him. The golden sword energy left a series of afterimages in the sky above the dark swamp.

“Watch your step!”

Kai suddenly let out a low roar and pulled Hu Mazi to the left.

The place where the two men had just stood collapsed instantly, and several rows of sharp white bones surged out of the black mud. If they had been half a second slower, their chests would have been pierced by now.

Hu Mazi was gasping for breath in shock. The wound on his chest opened again due to the intense movement. Blood dripped into the mud, instantly attracting a group of black insects the size of fingernails.

The insects were gnawing at the bloodstains at a speed visible to the naked eye, and small pits were left in the surrounding mud.

“This damn place is so weird!”

Hu Mazi wiped the mud off his face and cried, “Fairy Chi Lian and the others won’t chase us in, right?”

Before he finished speaking, the cold voice of the Red Snake Fairy came from behind him: “A bunch of rubbish! Can’t even stop two seriously injured people? Chase them! They can’t get far!”

Kai looked back and saw dozens of shadowy figures standing at the edge of the swamp. The red robe of the Red Snake Fairy was particularly eye-catching in the dim light.

His heart sank. He didn’t expect that the other party would actually dare to set foot in the Rotten Bone Swamp.

“Looks like we have to go deeper.”

Kai gritted his teeth, took out the only two remaining anti-poison pills from the storage bag, and stuffed one into Hu Mazi’s pocket. “Put it in your mouth, it can resist some of the poison gas.”

Kai is immune to all poisons, so he doesn’t need any anti-poison pills.

The two men trudged through the swamp, one step deep and one step shallow. The deeper they went, the stronger the foul poisonous gas became, and even the anti-poison pills could not completely resist it.

Kai felt a sharp pain in his sea of consciousness, and the Concentration Heart Technique in his body began to stagnate. His cultivation level of the sixth level in the Loose Immortal Realm could only exert 80% of its power in such a harsh environment.

Suddenly, large amounts of lavender bubbles emerged from the mud ahead, and a more refined toxin spread.

Hu Mazi took a breath and his face turned purple immediately. He fell to his knees in the mud, coughing.

“Master Hu!”

Kai quickly turned around and helped him up, but found that Hu Mazi’s lips had begun to fester.

He was anxious and was about to use his spiritual power to rescue the man, but out of the corner of his eye he caught a glimpse of something flickering in the mud.

It was a snow-white lotus, growing on a black rock with exposed mud.

A faint white light lingered around the lotus, isolating the surrounding poisonous gas. Even the black insects that gnawed at the flesh and blood did not dare to approach.

“That is

Pure World Blue Lotus? ”

Records in ancient books flashed through Kai’s mind. It was said that this strange flower could purify all poisons in the world and had a miraculous effect on helping practitioners break through their realms.

He didn’t have time to think about it. He picked up sesame seeds and waded through the mud, carefully picking the green lotus.

The green lotus felt warm to the touch, and the moment it touched, the surrounding poisonous gas quickly dissipated as if it had met its nemesis.

Kai tore off half of the green lotus petals and stuffed them into Hu Mazi’s mouth, and chewed the other half and swallowed it himself.

A stream of cool air slid down the throat into the dantian, and the originally stagnant spiritual power instantly became active.

Kai felt that the tingling sensation in his sea of consciousness disappeared, and every pore in his body was greedily absorbing the pure energy emitted by the green lotus.

What surprised him even more was that the bottleneck of the sixth level of the Sanxian Realm that had troubled him for a long time actually began to loosen at this moment!

“Boom...”

Chapter 5225

A rumbling sound like muffled thunder sounded inside Kai's body, and the barrier of the sixth level of the Scattered Immortal Realm was like a dam hit by a flood, with cracks appearing one after another.

He quickly sat down cross-legged, guiding this sudden energy to impact his realm.

Hu Mazi also recovered from his shock under the influence of Qinglian. He looked at the golden halo surrounding Kai with shock in his eyes: “This is

Is this a breakthrough?”

At this time, the Red Snake Fairy arrived with her pursuers. Seeing that Kai was breaking through the realm, she showed a ferocious smile on her face: “God is really helping me! Today, I will let the two of you die in this rotten bone swamp!”

Several red whip shadows lashed towards Kai like poisonous snakes. Hu Mazi pounced forward without thinking and used his body to block Kai.

At the moment when the whip shadow was about to hit him, Kai suddenly opened his eyes, and the aura of the seventh level of the Scattered Immortal Realm burst out like a tsunami!

“roll!”

Kai roared angrily, and the golden sword energy formed a circular barrier, shattering all the whip shadows of the Red Snake Fairy.

He flashed and appeared in front of the Red Snake Fairy, and the Dragon Slaying Sword pierced her heart with the power to break through the void.

Fairy Chi Lian was horrified. She didn't expect that Kai could break through the realm in such an environment, and his strength increased so quickly.

In a hurry, she could only use her life-saving magic weapon, the Red Snake Shield to resist, but she was shocked by the sword energy and retreated repeatedly, with blood flowing from the corners of her mouth.

“you

How is it possible that your realm can be improved so quickly? ”

The Red Snake Fairy was both shocked and angry.

Who can break through the realm at such a speed?

Even if it is to break through a small realm, it takes time and enough safe space.

It was incredible that Kai made a breakthrough in the blink of an eye under such circumstances.

Kai did not answer, but just looked at her coldly.

The strength of the seventh level of the Scattered Immortal Realm gave him more confidence. The spiritual power in his body circulated freely, and the energy of the Pure World Green Lotus continued to nourish his meridians.

He could feel that his current strength was enough to compete with a fourth-grade cultivator in the Earthly Immortal Realm.

“This is a tricky idea, retreat!”

Fairy Chi Lian knew that the situation was hopeless, so she immediately ordered a retreat.

She looked at Kai unwillingly, turned around and disappeared into the depths of the swamp with her men.

Watching the pursuers leave, Kai finally breathed a sigh of relief and sat down on the black rock.

Hu Mazi quickly stepped forward to support him: “Are you okay?”

“fine.”

Kai smiled and shook his head, feeling the surging power in his body, “Thanks to this Pure World Green Lotus, it not only detoxified me, but also helped me break through the realm.”

He stood up and looked deeper into the swamp. “We should not stay here for long. We should cross the Rotten Bone Swamp as soon as possible.”

After resting for a while, the two continued on their way. With the energy of the Purifying Green Lotus, they moved much faster in the swamp.

They encountered several dangerous traps and poisonous creatures on the way, but they were all overcome with Kai’s overwhelming strength.

After several hours, Kai and Hu Mazi finally saw the exit of the Rotten Bone Swamp.

It was a dense forest. Unlike the gloomy and terrifying swamp, it was sunny and full of vitality.

“We’re out!” Hu Mazi shouted excitedly and ran towards the forest.

Kai also breathed a sigh of relief and was about to catch up, but he noticed that something seemed to be glittering in the mud at the edge of the Rotten Bone Swamp.

He walked over curiously and found that it was a palm-sized black token with a strange skull pattern engraved on it.

“This is

The token of the Evil Temple?”

Kai frowned. He had seen similar tokens when he was in the Third Heaven. Could it be that people from the Evil Palace had also been here?

He put the token away, feeling a little uneasy.

It is unknown whether the demise of the Hu family is related to the Evil Dao Palace, and this matter seems to be more complicated than he imagined.

Chapter 5226

“Kai, hurry up!”

Hu Mazi urged in the forest.

“Here it comes!”

Kai responded, turned and walked into the forest. He knew that the road ahead would be even more difficult.

Kai and Hu Mazi rested in the forest for several days, using the remaining energy of the Pure World Green Lotus to recuperate their bodies.

Kai's seventh level of the Sanxian realm was completely stabilized, and Hu Mazi's injuries were basically healed.

On this day, the two were preparing to leave the forest and go deep into Jiupan Mountain to gather information, but they were stopped by a group of uninvited guests.

The leader was a one-eyed monk with a hideous scar on his face, exuding the aura of a third-level Earthly Immortal.

Behind him followed a dozen cultivators, all of whom had a powerful aura and were obviously the elite from some large sect.

"You are Kai and Hu Mazi?"

The one-eyed monk asked coldly, with greed flashing in his eyes.

Kai frowned slightly: "We are strangers to you, why are you blocking my way?"

"We're strangers?"

The one-eyed monk sneered, "Everyone in Jiupan Mountain knows that if we catch you two, we can get the double reward from the Black Demon Palace and the Red Snake Sect. Especially you, Kai, I heard that you have a lot of treasures, and today is just the right time for me to accept them."

Kai's heart sank. He didn't expect their news to spread so quickly.

It seems that the Red Snake Fairy and the Black Demon Palace have jointly issued a hunting order to put them to death.

"Just you guys?" Kai curled his lips into a sneer, and the Dragon-Slaying Sword in his hand trembled slightly, as if it couldn't wait to drink blood.

"Arrogant!"

The one-eyed monk shouted angrily, “Go at me! No matter if I live or die!”

More than a dozen monks rushed up immediately, and various magic weapons flashed with light, blocking out the sunlight.

Kai protected Hu Mazi behind him, unsheathed the Dragon-Slaying Sword, and the golden sword energy was so powerful that it instantly cut the two monks in the front into two halves.

“Seventh level of scattered immortal realm? How is that possible!”

The one-eyed monk cried out in shock, his face full of disbelief.

The information he received was that Kai only had the cultivation level of the sixth rank in the realm of scattered immortals, which was why he dared to bring people to ambush him. He did not expect that in just a few days, the opponent’s strength had actually increased, and he could even fight against opponents of higher levels.

Hu Mazi also took out a few talismans and started fighting with several monks with lower cultivation levels.

Although he was only at the first level of the Earthly Immortal Realm, he was able to hold his own against the odds thanks to his rich combat experience.

Moreover, Hu Mazi’s strength is slowly recovering and improving. When he is fully awakened, these people will be killed with one slap.

Kai’s opponents are the one-eyed monk and three other third-grade monks in the Earthly Immortal Realm.

He wielded the Dragon Slaying Sword to perfection, and the golden sword energy poured down like a violent storm, forcing the four men to retreat again and again.

“The idea is too tough, retreat!”

The one-eyed monk realized that something was wrong and decisively ordered a retreat.

He knew that the four third-grade Earthly Immortals were no match for him and there was no way they could stop Kai.

Maybe they will all be buried here soon.

When Kai saw that several people were trying to escape, how could he let them go?

He flashed and caught up with the one-eyed monk like a ghost, slashing out with the Dragon-Slaying Sword.

The one-eyed monk screamed as one of his arms was cut off and blood spurted out.

The other monks were so frightened upon seeing this that they dared not stay and fled in all directions.

Kai did not kill them all, as he knew it was not advisable to make too many enemies now.

“It’s a pity that they got away.”

Hu Mazi said with some regret.

“The monk may escape, but the temple cannot.”

Kai’s eyes were cold. “They will definitely go back to report the news. Our situation will become even more difficult.”

The fact was just as Kai expected. Within just half a day, they were intercepted and killed by three waves of monks.

These monks came from different forces, and they were obviously here for the bounty.

Kai and Hu Mazi fought and retreated. Although they were able to escape danger every time thanks to Kai's increased strength, they also consumed a lot of spiritual energy and were exhausted.

Chapter 5227

"This is not a solution,"

Hu Mazi panted and said, "There are too many forces in Jiupan Mountain. If we continue like this, we will be exhausted sooner or later."

Kai was also thinking about countermeasures.

He knew that he had to find a place to hide temporarily, otherwise he would not be able to continue investigating the truth behind the demise of the Hu family.

Just then, a huge valley appeared ahead.

The entrance to the valley was shrouded in mist, and some ancient architectural ruins could be vaguely seen.

"That is

Fallen Immortal Valley? "

Hu Mazi's eyes flashed with surprise. "It is said that it is the battlefield of ancient monks. It is full of restrictions and traps. The major forces in Jiupan Mountain dare not set foot there easily."

Kai's eyes lit up: "This is exactly the place we need!"

The two looked at each other and rushed into Luoxian Valley without hesitation.

When the pursuers behind them saw them entering Luoxian Valley, they all stopped and no one dared to chase in.

After entering Luoxian Valley, the air around us suddenly became heavy.

The remains of ancient buildings were looming in the mist, rusty weapons and bones were scattered on the ground, and an eerie atmosphere was everywhere.

“This place is really not simple.”

Kai carefully explored the surrounding environment, “We must be careful and never violate the restrictions here.”

Hu Mazi nodded and tightly gripped the long knife in his hand.

He could feel that there was a terrifying power hidden in this valley, as if it could awaken at any time.

The two of them struggled forward in Luoxian Valley, avoiding the obvious traps and restrictions.

On the way, they discovered some skeletons of ancient monks. Judging from the shape of the skeletons, a shocking battle must have taken place here in the past.

“Kai, what do you think that is?”

Hu Mazi suddenly pointed to a broken stone tablet in front of him and said.

Kai walked over and saw some blurry words engraved on the stone tablet.

He carefully identified for a long time before he could barely recognize a few words: “Fifth Heaven”

aisle

Open

“The passage to the fifth heaven?”

Kai’s heart was filled with shock. Could it be that this Luoxian Valley actually contained a passage leading to the Fifth Heaven?

At this moment, a violent energy fluctuation was heard from afar, and it was obvious that someone had broken into Luoxian Valley.

Kai’s face changed and he pulled Hu Mazi to hide behind a huge rock.

I saw a group of monks walking over cautiously, led by the Youyue Witch and Chilian Fairy from the Black Evil Palace.

Behind them were dozens of earthly immortal realm cultivators, and it was obvious that the two major forces had joined forces.

“How dare they come in?”

Hu Mazi asked in a low voice in surprise.

Kai frowned: “It seems that they have spared no expense to kill us.”

He noticed that the Moon Witch and the Red Snake Fairy were both holding a jade pendant in their hands. Those jade pendants emitted a faint light, which seemed to be able to resist the restrictions in Luoxian Valley.

“Sister Youyue, are you sure they have entered Luoxian Valley?”

The Red Snake Fairy asked somewhat uneasily, obviously afraid of the environment here.

The Phantom Moon Witch sneered, “My tracking talisman can’t be wrong. As long as I kill that little bastard Kai and the remnants of the Hu family, I will get a reward from the master of the Fifth Heaven. What does this little risk matter?”

A trace of greed flashed in the eyes of the Red Snake Fairy: “I hope what you said is true.”

The troops of the two major forces continued to move deeper into Luoxian Valley and soon disappeared in the clouds.

Kai and Hu Mazi walked out from behind the rocks with solemn expressions on their faces.

“It looks like we are in big trouble.” Kai said in a deep voice, “They actually know about the Fifth Heaven, and seem to have the support of a big shot in the Fifth Heaven.”

Hu Mazi’s expression also turned extremely ugly: “So, the demise of my Hu family is likely related to the power of the Fifth Heaven?”

Chapter 5228

Kai nodded: “It’s becoming more and more likely. We must find out the truth as soon as possible, otherwise not only us, but the entire Fourth Heaven will be in crisis.”

The two did not dare to delay and continued to walk towards the depths of Luoxian Valley. They knew that the road ahead would be more difficult, but for the grievances of the Hu family and for the truth that had been covered up, they had to go on.

Deep in the Luoxian Valley, the fog became thicker and thicker, and even spiritual consciousness was greatly restricted.

Kai and Hu Mazi moved forward cautiously, always alert to the movements around them.

Suddenly, footsteps were heard in the fog ahead.

Kai immediately signaled Hu Mazi to stop, and the two of them held their breath and hid behind an ancient tree.

I saw a group of cultivators walking over, led by a burly man who exuded the aura of a fourth-level Earthly Immortal.

The monks following behind him all had powerful auras and were obviously members of some powerful force.

“Boss, we’ve been searching for so long and haven’t seen a single person. Could it be that the intelligence is wrong?”

A tall and thin monk asked.

The sturdy man snorted coldly, “Impossible! The Black Demon Palace and the Red Snake Sect have confirmed that Kai is in the Falling Immortal Valley. As long as we catch him, we will be able to gain the favor of the lord of the Fifth Heaven, and then the entire Jiupan Mountain will be ours!”

The other monks immediately showed excited expressions and searched even harder.

Kai and Hu Mazi hid behind an ancient tree, not daring to breathe.

They didn’t expect that there were so many forces hunting them down, and it seemed that the goals of these forces were not just the bounty, but also the favor of the Fifth Heaven.

“what to do?”

Hu Mazi asked nervously in a low voice.

Kai frowned. He knew that with their current strength, it was impossible for them to fight against so many powerful people at the same time.

At this moment, the sturdy man seemed to have noticed something and walked towards the direction where they were hiding: “Who’s there? Come out!”

Kai and Hu Mazi's hearts tightened, knowing that they had been exposed. Kai's eyes became fierce, and he was about to fight to the death, when suddenly, the ground shook violently.

I saw a huge mountain in the distance collapsing, and a terrifying breath gushed out from the ground.

The entire Luoxian Valley was shaking, the ancient restrictions were activated, and dazzling rays of light shot up into the sky.

“Not good! We have triggered the core restriction of Luoxian Valley!”

The strong man's face changed drastically, “Retreat quickly!”

The group of monks turned around and ran in panic, but several of them were swallowed by the sudden space cracks.

The troops of the Phantom Moon Witch and the Red Snake Fairy were also affected, and many of them died.

Kai and Hu Mazi were also stunned by this sudden change.

They didn't expect that the restrictions of Luoxian Valley would be so terrifying.

“Go!”

Kai reacted and pulled Hu Mazi towards the depths of Luoxian Valley.

He knew this was their only chance.

The two struggled forward in the chaos. Space cracks continued to appear around them and ancient building ruins collapsed one after another.

They were nearly sucked into the crack several times, but fortunately Kai reacted quickly and managed to escape.

I don't know how long I ran before the vibrations around me finally subsided.

Kai and Hu Mazi collapsed on the ground, gasping for breath.

“us

Did we survive?”

Hu Mazi said in disbelief.

Kai nodded, looked around, and found that they had come to a strange place.

There are no clouds or ancient architectural ruins here, only a huge altar with mysterious runes engraved around it.

“This is

Where?

Hu Mazi looked at the altar curiously.

Kai walked to the altar and observed the runes carefully.

Suddenly, his eyes were attracted by a stone tablet in the center of the altar. What was engraved on the stone tablet was actually the method to the fifth heaven!

Chapter 5229

“I see.....”

Kai suddenly realized, “There is indeed a passage leading to the fifth heaven in Luoxian Valley, but the way to open the passage is to activate the core restriction here.

No wonder those forces dared to venture into Luoxian Valley. Their target is not us at all, but the passage to the fifth heaven!”

Hu Mazi also understood, and his expression turned extremely ugly: “So, we have been used as bait from the beginning?”

Kai nodded: “It’s very likely. The Phantom Moon Witch and the Scarlet Snake Fairy must have known how to open the passage a long time ago. They deliberately issued a hunting order to attract all the major forces into the Falling Immortal Valley and use our blood to activate the core restriction.”

At this moment, the runes around the altar suddenly lit up, and a huge space crack slowly opened above the altar, emitting the unique aura of the fifth heaven.

“aisle

The passage is open!” Hu Mazi said excitedly.

Kai frowned, he felt that several powerful auras were approaching quickly.

Apparently, the Moon Witch and the Red Snake Fairy had also arrived.

“Let’s go!”

Kai made a prompt decision and pulled Hu Mazi into the space crack.

He knew that only by going to the fifth heaven could he get rid of these pursuers and find out the truth about the demise of the Hu family.

The moment they entered the space crack, the Moon Witch and the Red Snake Fairy arrived.

Seeing that the passage was open, both of them showed expressions of ecstasy on their faces and jumped in without hesitation.

The space crack slowly closed, and Luoxian Valley returned to peace again, as if nothing had happened.

Only the scattered bones and broken ruins tell of what had happened here.

In the fifth heaven, above a mountain called Black Wind Ridge, the space twisted and the figures of Kai and Hu Mazi fell out in a mess.

“Ahem...”

The two men fell heavily to the ground and couldn’t help coughing.

The spiritual energy of heaven and earth in the fifth heaven is several times denser than that in the fourth heaven, making it a little difficult for them to adapt for a while.

“Is this the fifth heaven?”

Hu Mazi looked around curiously.

The mountains of Black Wind Ridge are more majestic than those of the Fourth Heaven. The sky is a light purple and the air is filled with rich spiritual energy.

Kai nodded, feeling the spiritual power in his body recovering quickly under the nourishment of the Fifth Heaven’s spiritual energy: “Yes, this is the Fifth Heaven. But we have to leave here as soon as possible, who knows if the Phantom Moon Witch and the others will catch up with us.”

As the two stood up, they suddenly felt a powerful aura locking onto them.

Kai’s face changed, and he pulled Hu Mazi to escape, but was blocked by a golden light.

A tall middle-aged monk appeared in front of them. He was two meters tall, with a broad back and a scar on his face. He exuded the terrifying aura of a fifth-level Earthly Immortal.

“You are from the Fourth Heaven?”

The middle-aged monk asked coldly, with an unfriendly light flashing in his eyes.

Kai’s heart sank. He didn’t expect to encounter a strong man just after reaching the fifth level.

He clenched the Dragon Slaying Sword in his hand and looked at the other party warily: “Who are you? Why are you blocking my way?”

The middle-aged monk sneered: “In this Black Wind Ridge, no one dares to talk to me like this.

I am the Lord of Black Wind Ridge, Taoist Black Bear. You two look unfamiliar. I guess you are the youngsters who just came from the Fourth Heaven? It just so happens that I am in need of two servants recently, so I chose you two. ”

“And you, a cultivator from the Sanxian realm, have reached the fifth level, so you must have something extraordinary. Be my servant, and no one will dare to bully you.”

Taoist Black Bear said this in a boastful manner.

Hu Mazi shouted angrily: “You are dreaming! We are not soft persimmons that can be manipulated by others!”

Chapter 5230

“Be your servant?” Kai snorted coldly: “If you become my servant, I will despise you for not being strong enough. You are only a fifth-grade earthly immortal, which is nothing!”

Kai is not bragging. On that ladder to heaven, Kai rescued Nan Batian, Li Chunfeng, Shen Zhiyan, Musha and others, none of them is not stronger than this Taoist Black Bear!

These people all promised Kai to serve him as his servants for hundreds of years.

“Oh? You’re quite good at bragging?”

Taoist Black Bear showed a ferocious smile on his face, “Then don’t blame me for being rude!”

His figure flashed, and his huge fist smashed towards Kai with a whistling sound that tore through the air.

The aura of the fifth level of the Earthly Immortal Realm was like a mountain pressing down on his head, making Kai feel short of breath.

Kai did not dare to be careless. He held the Dragon-Slaying Sword across his chest and resisted with all his might.

“clang!”

The fist and sword collided, making a deafening sound.

Kai only felt a huge force coming, his arms went numb, and he was shocked back repeatedly, with blood oozing from the corners of his mouth.

“Seventh level of the Sanxian realm? You can take my punch and not die, you are quite capable.”

Taoist Black Bear was a little surprised, but then he showed a disdainful expression, “But in front of me, you are still too weak.”

He approached again, punching Kai like a storm.

Kai could only hold out with difficulty, but soon fell into a disadvantage, with new wounds constantly appearing on his body.

Hu Mazi wanted to go forward to help, but he was locked in by the Black Bear Taoist's aura and couldn't get close at all.

He was extremely anxious, but there was nothing he could do.

Just when Kai was about to collapse, a loud voice suddenly sounded: "Black bear cub, have you asked me about the benefactor who bullied Nan Batian?"

Before he finished speaking, a burly figure descended from the sky like a meteor and blocked Kai's way. The man was nearly three meters tall, with muscular body and a rebellious smile on his face. It was Nan Batian!

"Nan Batian?"

When Taoist Black Bear saw the person coming, his expression instantly turned extremely ugly, "Why are you here?"

Nan Batian sneered: "This fifth heaven is so big, I can go wherever I want, do I have to report to you?"

He turned to look at Kai with a gentle smile on his face: "Mr. Chen, long time no see, how are you?"

Kai looked at Nan Batian in front of him, his heart filled with shock and gratitude: "Nan Batian? You

How come you are here? And your strength..."

He could feel that Nan Batian's current strength had reached the peak of the seventh level of the Earthly Immortal Realm, much stronger than when he was climbing the ladder to heaven in the Heavenly Realm.

After all, when Nan Batian was climbing the ladder to heaven, his strength was suppressed and he had no resources to practice.

Nan Batian laughed and said, “It’s a long story. After I left the Heaven Realm, I came to the Fifth Heaven and have been practicing ever since. I didn’t expect to meet Mr. Chen so soon.”

“Mr. Chen’s strength is increasing very fast. He is still fighting against opponents of higher levels as always. He is so awesome that he has reached the fifth level of the Sanxian Realm.”

“I’m so ashamed, so ashamed. I was almost beaten to death just now!” Kai said ashamedly.

Nan Batian turned to look at the Black Bear Taoist, his face instantly turned cold: “Black Bear cub, what did you want to do to Mr. Chen just now?”

Taoist Black Bear looked at Nan Batian, then at Kai, and was stunned.

Nan Batian is a seventh-grade earthly immortal. When he saw Kai, he actually called him Mr. Chen, and the two seemed to be old acquaintances.

Now when Taoist Black Bear thought about what Kai had just said, he no longer felt that he was bragging.

“Nan Batian, don’t mess around! I am the master of Black Wind Ridge, and I have someone behind me...” The Taoist Black Bear kept backing away, his eyes full of fear.

“It won’t work even if your mother is behind you!”

Nan Batian interrupted him, and with a flash of his body, he appeared in front of the Black Bear Taoist and knocked him out with a punch.

Chapter 5232

At this moment, in the main hall of the Black Demon Palace, the Phantom Moon Witch was anxiously waiting for news.

She has sent many people to search for Kai's whereabouts, but to no avail.

"Waste! All of you waste!"

The Phantom Moon Witch slammed the table, shattering the teacup on it. "With so many people, and we can't even find two people, what's the point of me keeping you?"

After Youyue and the others entered the Fifth Heaven, they found that they could not survive there with their strength, especially Youyue who was almost killed by someone, so they hurried back to the Fourth Heaven!

They estimated that with Kai and Hu Mazi's strength, it was impossible for them to survive in the fifth heaven, and they would definitely use the space cracks to return to the fourth heaven!

So they sent people to look for Kai and Hu Mazi everywhere, but there was no news.

The monks below were trembling with fear and no one dared to speak.

At this moment, a guard ran in in a panic: "Report to the witch, Kai and Hu Mazi are here with someone to kill us!"

"What?" The Phantom Moon Witch was stunned. "I was looking for them, but I didn't expect them to show up at my doorstep?"

"They are already outside the palace gate!"

The guard said.

The Phantom Moon Witch smiled coldly: "Pass my order, all disciples gather immediately and follow me out to fight!"

Soon, the disciples of the Black Demon Palace gathered outside the palace gate.

At this moment, three figures fell from the sky and landed in front of the disciples of the Black Evil Palace.

It was Kai, Nan Batian, and Hu Mazi.

“Moon Witch, are you all right?”

Kai looked at the Moon Witch coldly, with murderous intent flashing in his eyes.

The Phantom Moon Witch sneered at Kai and said, “Kai, you are so brave! You even dared to come to us on your own initiative. Do you think that you can deal with our Black Demon Palace by finding a tall man as a helper?”

Hu Mazi sneered, “Youyue Witch, stop talking nonsense here. We are here today to seek justice. If you know what’s good for you, just surrender and let me fuck you for a few nights. If you serve me well, I can even spare your life!”

“court death!”

The Phantom Moon Witch shouted angrily, “Go! Kill them and you will be rewarded handsomely!”

The disciples of the Black Demon Palace rushed towards Kai and others like a tide.

Nan Batian laughed loudly, took the initiative to greet him, and his aura burst out instantly!

The overwhelming pressure instantly pressed all the disciples of the Black Evil Palace to the ground, and none of them could move!

Even Youyue shrunk down as if she was being pressed down by a mountain, unable to even stand up straight!

Youyue looked at Nan Batian in shock. She couldn't tell what realm and strength Nan Batian was at.

“Nan Batian, leave Youyue to me, you don't have to worry about it!”

After Kai finished speaking, he drew out the Dragon Slaying Sword and rushed towards the Phantom Moon Witch. He unleashed the seventh-grade strength of the Scattered Immortal Realm with all his might, and the golden sword energy moved in all directions, defeating anyone who stood in his way.

Hu Mazi watched leisurely, ready to stop Kai at any time!

He couldn't let Kai kill Youyue, he had to kill Youyue himself.

The Moon Witch looked at the disciples of the Black Evil Palace who were lying on the ground, and she became more and more anxious. She knew that they might die here today.

But facing Kai's attack, Youyue gritted her teeth and faced him!

“Kai, let me learn from your skills today!” The Phantom Moon Witch shouted, and the long whip in her hand lashed towards Kai like a spirit snake.

Kai snorted coldly and swung the Dragon-Slaying Sword to cut towards the long whip.

The golden and red lights collided with each other, making a harsh sound.

The two men fought back and forth, and the fight was difficult to separate.

The Moon Witch is indeed very powerful. She has already reached the fourth level of the Earthly Immortal Realm, which is an improvement over her previous level.

But with the help of the Pure World Green Lotus, Kai not only broke through to the seventh level of the Scattered Immortal Realm, but also gained more combat experience.

For a moment, the two of them fought evenly.

Chapter 5233

“Let you, female devil, taste the power of my magic whip!” After Kai said this, he put away the Dragon Slaying Sword and took out the magic whip directly!

The magic whip cracked in the air, and Youyue felt as if her consciousness was being forcibly stripped away!

The Moon Witch was filled with fear; the whipping of the devil was too shocking to her.

She knew that the Black Demon Palace would probably be destroyed today.

So he gritted his teeth and suddenly ran towards the depths of the Black Demon Palace: “Father, help me!”

Kai frowned and immediately chased after him.

“It’s no use calling me ancestors today!”

Nan Batian also chased after him.

Hu Mazi followed closely behind.

Deep inside the Black Demon Palace, in a gloomy palace, an old man in a black robe slowly opened his eyes.

He is the father of Youyue Witch, the Palace Master of the Black Evil Palace, You Wuji, whose strength has reached the fifth level of the Earthly Immortal Realm.

In these four heavens, a fifth-grade Earthly Immortal Realm cultivator is already an expert among experts, and he can definitely go to the fifth heaven to mix things up!

However, You Wuji was worried that if the Black Evil Palace was handed over to his daughter, he would not be able to manage it at all, and the elders would not be convinced, so he stayed in the Black Evil Palace to practice.

“Who dares to act so presumptuously in my Black Demon Palace?”

You Wuji’s voice rang out like a huge bell, carrying with it a powerful pressure.

The Witch of Youyue ran to You Wuji and cried, “Father, you have to make a decision for me! Kai and his men have come in and our disciples have suffered heavy casualties!”

You Wuji’s face suddenly turned gloomy: “Kai? You are so bold that you dare to cause trouble in my Black Demon Palace. Who are you? Do you have a master behind you?”

In You Wuji’s opinion, if Kai dared to cause trouble in their Black Evil Palace, he must have a master or a force backing him up, otherwise he wouldn’t dare!

Just then, Kai, Nan Batian and Hu Mazi rushed in.

Seeing You Wuji, Kai immediately sneered.

This guy is only at the fifth level of the Earthly Immortal Realm. There is still a big gap between him and Nan Batian who is at the peak of the seventh level of the Earthly Immortal Realm. There is no need to be afraid of him at all!

Kai looked at the black-robed old man in front of him, with a hint of sarcasm on his lips. The magic whip in his hand was still trembling slightly, carrying the evil spirit that had not yet dissipated.

“Fifth level of Earthly Immortal Realm?”

He sneered, his eyes filled with undisguised contempt, “I thought the Black Demon Palace was hiding some earth-shattering figure, but it turns out to be just an old bastard hiding behind his daughter.

Why didn’t you come out when your daughter was shouting for help? Could it be that you are too old to even move?”

You Wuji’s face turned pale in an instant, and his fingers clenched tightly under his black robe.

He had lived for thousands of years and was well-known in the Fourth Heaven. When had he ever suffered such humiliation?

Especially since the other party was just a junior of the seventh rank in the realm of scattered immortals, this was simply a huge shame and humiliation!

“Don’t try to be so quick with your words, you little brat!”

You Wuji roared angrily, and a thick black mist instantly filled his surroundings. “Today, I will let you know that there is an insurmountable chasm between Earthly Immortals and Loose Immortals!”

“A natural chasm?”

Kai raised his eyebrows and deliberately puffed out his chest. “You can’t even protect your own daughter. You hide in your nest like a turtle. How dare you talk about the natural barrier? I think your fifth-grade Earthly Immortal Realm is probably built up by pills, right?”

“court death!”

You Wuji was completely enraged. His black robe suddenly swelled up, expanding several times like an inflated ball. Five inky black claw shadows tore through the air and grabbed towards Kai's front door with an evil aura that corroded everything.

This "Netherworld Ghost Claw" is his famous skill, and even ordinary third-grade immortals find it difficult to resist it.

Nan Batian was about to step forward upon seeing this, but Kai raised his hand to stop him.

"Don't worry about it!" Kai's eyes lit up, his fighting spirit burning. "This guy is just right for me to practice with. I've been improving too fast recently, and there's no one to practice with."

Chapter 5234

Nan Batian was stunned for a moment, then he understood and laughed loudly, "Okay! Since Mr. Chen is interested in this, I will watch from the side! But if this old man dares to cheat, I will crush his head immediately!"

When You Wuji heard this, he was so angry that he trembled all over.

A young man from the realm of scattered immortals actually used himself as a target for training?

What a humiliation! He shouted angrily, and the claw shadow increased its speed by another three points, attacking Kai with a sharp sound of breaking through the air.

Kai was not in a hurry. He took mysterious steps and his figure shuttled between the claw shadows like a ghost.

He did not rush to attack, but kept dodging, while carefully observing You Wuji's way of exerting force and the flow of his breath.

“The aura of the fifth level of the Earthly Immortal Realm is indeed strong, but there are many loopholes in its operation...”

Kai thought to himself, and suddenly his body shook, narrowly avoiding a claw shadow. At the same time, he turned his wrist and swung the magic whip like a spirit snake out of a cave, with crackling golden arcs of electricity whipping towards You Wuji’s wrist.

“Bang!”

The magic whip hit the target accurately, and You Wuji felt a pure and righteous energy flowing into his body along his arm, instantly defeating the black evil spirit that had condensed in him, and a burning pain came from his wrist.

At the same time, his consciousness also stagnated. Although it was not obvious, he still felt it!

“This whip...”

You Wuji was shocked and angry. He didn’t expect that the other party actually had such a magical weapon that could restrain the demonic cultivators.

“It tastes good, old thing, doesn’t it?”

Kai sneered and quickened his pace, sometimes like a gentle breeze blowing through willows, sometimes like a sudden thunderclap, which was the Fire Control Step.

With the long-range attack of the Magic Whip, he was like a nimble hunter, constantly harassing You Wuji.

You Wuji had the cultivation level of the fifth level of the Earthly Immortal Realm, but he was never able to actually hit Kai. Instead, he was hit by the Demon Whip several times. His black robe was torn into several pieces, revealing the dry skin underneath.

“Little bastard, don’t hide if you have the guts. If I don’t kill you today, I, You Wuji, will be laughed at by everyone.”

You Wuji roared, forming seals with his hands. The black mist around him condensed into a huge black spear, “Taste the power of my Black Demon Spear!”

The black spear, carrying a destructive aura, stabbed straight towards Kai.

This attack condensed 70% of his strength, and it was so fast that Kai had no time to dodge.

“Well done!”

A fierce look flashed in Kai’s eyes. Instead of retreating, he rushed forward towards the spear.

The dragon power in his body was running wildly, and the golden light formed a layer of golden scale shield on his body surface.

“Indestructible Golden Body!”

“boom!”

The black spear collided with the golden shield, making a deafening sound.

The golden shield vibrated violently and countless cracks appeared, but it finally blocked the attack.

Kai was shocked by the huge impact and retreated repeatedly. Blood flowed from the corner of his mouth again, but his eyes became sharper.

“You actually took my Black Demon Spear?” You Wuji was completely shocked.

He really couldn't understand how a seventh-level cultivator in the realm of scattered immortals could possibly withstand his full-strength attack?

“Warm-up is over, old man!”

Kai wiped the blood from the corner of his mouth, a crazy smile on his face, “Next, let me show you my combo!”

Before he finished speaking, he suddenly disappeared from the spot.

“Nine Shadow Sword Technique!”

Several figures exactly like Kai appeared in the hall, holding dragon-slaying swords and slashing towards You Wuji.

You Wuji's pupils shrank, and he subconsciously waved the black evil energy to defend himself.

But it was difficult to distinguish the real and fake clones of these clones. Some were dispersed by the evil spirit, while others actually hit him.

“Puff!”

A clone of the Dragon-Slaying Sword cut through You Wuji's arm, leaving a trail of black blood.

“A mere trifle!” You Wuji roared, and suddenly burst out with his aura, shattering all his clones.

Chapter 5235

But at this moment, the real Kai appeared behind him, and the magic whip was wrapped around his neck!

“Get down!” Kai shouted and pulled down hard.

You Wuji was caught off guard and was pulled so hard that he staggered. He felt a sharp pain and numbness in his neck.

He hurriedly used his internal strength to try to shake off the devil whip, but found that the righteous energy on the whip was like a maggot on his tarsal bone, constantly corroding his meridians.

“Now!”

Kai’s eyes flashed, he clenched his left fist, gathered all his strength at the tip of his fist, and punched You Wuji’s back hard!

“Bang!”

The punch hit You Wuji hard, and he let out a muffled groan. His body trembled violently and he spat out a mouthful of black blood.

“Good boy, that’s interesting!”

Nan Batian watched from the side and nodded repeatedly with an approving smile on his face.

He could see that Kai’s fighting skills and use of strength were far beyond those of cultivators of the same level, and were even more sophisticated than some cultivators in the early stage of the Earthly Immortal Realm.

You Wuji was hit continuously and fell into complete rage.

He gave up on defending himself, and the dark evil energy around him surged wildly. His entire body was shrouded in a thick black fog, with only a pair of scarlet eyes showing.

“Little bastard, I’m going to destroy your soul!”

Countless black ghost claws stretched out from the black fog and grabbed towards Kai like a tide.

This is You Wuji's trump card – Ten Thousand Ghosts Devouring Souls. Once caught by these ghost claws, not only will the body be torn to pieces, but even the soul will be devoured.

Kai's face changed. He could feel the terrifying power contained in these ghost claws and knew that he could not take them.

“Get started!”

Kai made a prompt decision and stopped fighting. He quickly retreated and shouted at the same time.

He knew that he was just fighting, and if he was really injured by You Wuji, it would be a waste of time!

After all, with Nan Batian here, Kai just needs to warm up!

“I've been waiting for you to say this!”

Nan Batian laughed loudly and appeared in front of Kai like a ghost.

He didn't even use any magic weapon, he just casually raised his right hand and slapped the black fog.

It seemed like an ordinary palm strike, but it carried an irresistible pressure.

As the palm wind passed by, the black ghost claws melted away like ice and snow in the sun, and the thick black fog was blown away.

“puff!”

You Wuji's figure was exposed. He looked at the palm that Nan Batian slapped out with fear and despair in his eyes. He wanted to dodge but found that he was locked by an invisible force and could not move at all.

“Bang!”

Nan Batian's palm slammed firmly on You Wuji's chest.

There was no earth-shattering noise, only a dull crash.

You Wuji's body flew backwards like a kite with a broken string, hit the pillar of the hall heavily, and slid to the ground.

A clear palm print appeared on his chest, the bones under his black robe were broken inch by inch, black blood kept flowing out of his mouth, and his eyes quickly became unfocused.

You Wuji, who was at the fifth level of the Earthly Immortal Realm, couldn't even withstand a single blow from Nan Batian!

Nan Batian clapped his hands and said disdainfully, "Fifth level of Earthly Immortal Realm? You dare to act so presumptuous in front of me? You really don't know how to live or die."

A trace of despair flashed in You Wuji's eyes. He knew that he had already lost.

The opponent's strength is obviously much higher than his, he has no chance of winning!

At this moment, Kai stepped forward and looked at You Wuji and Youyue Witch coldly: "Now, it's our turn to settle the score."

"You Wuji, let me ask you, was it your Black Evil Palace that caused the annihilation of the Hu family?" Kai asked coldly.

You Wuji was silent for a moment, then smiled bitterly and said, "At this point, there's no need for me to hide anything. Yes, our Black Demon Palace was indeed involved in the annihilation of the Hu family."

When Hu Mazi heard this, he immediately became excited: "Why? We, the Hu family, have no grudges against you, why are you doing this?"

Chapter 5236

You Wuji sighed: “All this is because of those big shots in the fifth heaven.

They set their eyes on a treasure of the Hu family and wanted to take it for themselves.

The Hu family was unwilling to hand over their treasure, so they united with us, the forces of the Fourth Heaven, and launched a war of genocide against the Hu family.”

“Treasure? What treasure?” Kai asked.

You Wuji shook his head: “I don’t know what the specific treasure is. We are just following orders. The real leaders are those forces in the fifth heaven.”

“Which forces in the fifth heaven?” Kai continued to ask.

You Wuji hesitated for a moment and said, “The most important one is the Evil Dao Palace. The war of annihilation that year was orchestrated by Ouyang Tian, the master of the Evil Dao Palace’s branch in the fifth heaven.”

“The Hall of Evil?” A hint of coldness flashed in Kai’s eyes!

He remembered that when he was in the Third Heaven, You Wuxie of the Evil Palace was defeated by him and his soul escaped.

I didn’t expect that the Evil Path Hall has a branch in the Fifth Heaven, and it is the culprit for the demise of the Hu family.

“Besides the Evil Dao Palace, are there any other forces involved?” Kai asked.

You Wuji nodded. “There are also several major sects of the fifth level, such as the Ten Thousand Poison Valley and the Holy Light Sect. They all participated in the genocide war that year.”

Kai's face became increasingly gloomy. He had not expected that there would be so many forces participating in the war of genocide.

It seems that there is still a long way to go if we want to avenge the Hu family.

“That’s not right. If a sect of the fifth heaven wants to destroy the Hu family of the fourth heaven, wouldn’t it be easy? Why would they need so many sects to unite?”

Kai suddenly thought that the Hu family was at the fourth level of the sky, so their strength should not be too strong. How could they allow so many sects to unite to deal with them?

“Back then, many of the Hu family’s cultivators greatly increased their strength and reached the fifth and sixth heavens. If they were to exterminate the Hu family, they would definitely recall these disciples, so that’s why we united.”

“Among the entire Fourth Heaven, the Hu family’s disciples are advancing the fastest. This might be the reason. I suspect the Hu family has a treasure that can quickly improve their cultivation, which led to their fatal disaster.”

You Wuji analyzed!

He did this just to save his life. If he didn’t tell some useful information, he might be doomed!

Upon hearing this, Kai looked at Hu Mazi and asked, “Master Hu, did you use any treasure to improve your cultivation?”

“No, I have been practicing on my own. How can I have any treasure? Maybe I got it later?”

“I’ve been reincarnated so many times, I don’t know what changes have happened to the clan!”

Hu Mazi shook his head and said!

“I have another question.” Kai looked at You Wuji and asked word by word, “Why didn’t the Hu family leave even a soul behind? Didn’t anyone escape?”

But just after asking, Kai suddenly remembered that the Evil Dao Hall was specialized in collecting things like souls, so they must have been taken away!

“Did the Hu family’s remains be taken away by the Evil Path Hall? I also encountered the Evil Path Hall in the Three Heavens. They specialize in collecting things like dead souls and spirits.”

“The head of the Evil Dao Hall at that time was a guy named You Wuxie. I killed him, but his spirit escaped!”

Kai asked You Wuji!

You Wuxie? You Wuji?

Kai suddenly seemed to have discovered something and asked again, “Who is You Wuxie to you?”

You Wuji said with a somewhat grim expression, “That’s my younger brother. He joined the Evil Dao Palace, but I haven’t seen him for a long time!”

“No wonder your two names are so similar!” Kai suddenly realized.

A complicated look flashed across You Wuji’s eyes. “Mr. Chen, although the Evil Dao Palace has taken away the Hu family’s spirit souls, they may not have refined all of them. They may have been imprisoned.”

Chapter 5237

“What?” Hu Mazi was immediately excited when he heard this. “What did you say? Does this mean that the spirits of my people are still there?”

You Wuji nodded: “It should be. The cultivation method of the Evil Dao Palace is quite special, and it can refine the souls of others for one’s own use.”

“He took away so many souls from the Hu family. I’m afraid he can’t refine them all at once. It’s possible that some of their souls are still being held captive.”

Hu Mazi’s eyes were filled with tears of excitement: “That’s great... That’s great... As long as the spirit is still there, my people still have hope of resurrection!”

Kai also breathed a sigh of relief. He patted Hu Mazi on the shoulder and said, “Master Hu, don’t worry. We will definitely rescue the souls of our people and let them rest in peace.”

“I can also help. I can find a chance to ask my brother about the whereabouts of the Hu family’s soul.”

“As you know, the Evil Path Temple has branches everywhere, collecting things like the dead souls and spirits. If you don’t have someone to help you find them, it will be difficult for you to find them.”

You Wuji said hurriedly!

He said this just to save his own life. Only if he is useful can he save his life!

Kai glanced at You Wuji, who looked like a lost dog, and said coldly: “I will spare your life for now, but if you dare to play tricks, I promise to destroy your soul and never reincarnate.”

You Wuji kowtowed hurriedly: “I dare not, I dare not! Mr. Chen, rest assured, I will do my best to find out the news, and I dare not tell lies!”

He had already been frightened out of his wits by Nan Batian, and felt lucky to be able to keep his life at this moment. How could he dare to have any other thoughts? He let out a long sigh, and his back was soaked with cold sweat.

Hu Mazi was so angry as he listened to this that his teeth were itching. The blood feud of his tribe members surged into his heart. He looked at the trembling Youyue Witch and a hint of ruthlessness flashed in his eyes.

He walked towards Youyue step by step. The latter was so frightened that her face turned pale and she shrank and hid behind You Wuji.

“Father, save me!” Youyue cried, her voice full of fear.

You Wuji’s eyelids were twitching wildly, but he kept his head lowered, not daring to look at Hu Mazi.

Even his own life was in the hands of others, so how could he dare to care about his daughter’s life or death? He could only pretend not to hear and dig his nails deeply into his palms to hide his inner humiliation.

Hu Mazi pulled Youyue out from behind You Wuji and dragged her into the side hall next to him like a dead dog.

Youyue’s cries soon turned into suppressed sobs, and then into moans of pleasure.

Outside the side hall, You Wuji’s body trembled slightly, but he never dared to say a word.

Kai watched coldly but did not stop it. Some debts must be repaid by someone.

But he really admired Hu Mazi, who was very good in bed!

Half an hour later, Hu Mazi walked out of the side hall with a satisfied look on his face. Youyue followed him. The look she gave Hu Mazi did not contain any anger or hatred, but rather a bit of satisfaction.

This obviously means that you are enjoying the fun and have tasted the sweetness.

“Kai, let’s go.” Hu Mazi said.

Kai nodded and looked at You Wuji: “I’ll give you three days. I want to know the specific whereabouts of the Hu family’s soul. After three days, I will come to find you again.”

“Yes, yes!” You Wuji responded quickly.

The three of them left the Black Demon Palace, and Nan Batian said in a deep voice: “Most of the forces in Jiupan Mountain are in collusion with the Black Demon Palace. Even when the Hu family was destroyed, many forces were involved. Why not take this opportunity to wipe them out at once!”

Kai’s eyes flashed coldly: “That’s exactly what I meant! Since we are going to take action, we might as well cut the weeds and root them out to avoid trouble in the future.”

Hu Mazi was even more eager to fight: “It’s time to deal with them!”

The three of them immediately began to deal with the forces in Jiupan Mountain. With Nan Batian around, some small forces were destroyed with just a wave of their hands.

In less than a day, dozens of forces, big and small, in Jiupan Mountain were mostly wiped out, blood flowed like a river, and wailing was everywhere.

Those forces that once relied on the Black Evil Palace to bully others did not even have the chance to beg for mercy and were completely destroyed.

Chapter 5238

In the main hall of the Black Demon Palace, the bloody smell has not yet dissipated.

You Wuji looked at the corpses lying all over the ground, then glanced towards the side hall. The submissiveness in his eyes had long been replaced by sinisterness.

He slowly stood up straight, his fingers under the black robe turned white from exertion, and the servile look he had shown to Kai just now disappeared.

“Dad...” Youyue walked over timidly, with stains still on her skirt.

She lowered her head, not daring to look into You Wuji’s eyes.

You Wuji turned his head suddenly, and his scarlet eyes made You Yue tremble all over.

He took a few steps forward and grabbed his daughter’s wrist, his voice full of suppressed anger: “Humiliation! This is the greatest humiliation that my Black Demon Palace has ever seen in a hundred years! I am an incompetent father, and I let you be treated by such a filthy old ghost...”

“Dad, please don’t be like this.”

Youyue calmed down instead. She raised her head with a strange blush on her face. “Although Hu Mazi is old, he is much better than your disciples. Besides... he really gave me a taste I have never had before.”

“you!”

You Wuji was so angry that he was shaking all over, but he was choked by the wanton light in his daughter’s eyes and was speechless.

He shook off Youyue's hand, turned his back, looked at the dark clouds rolling outside the hall, and squeezed out a few words from between his teeth: "Kai... Hu Mazi... This feud is irreconcilable!"

Youyue straightened her messy clothes and walked to her father's side. Her voice became cold and gloomy: "Dad, this is not the time for us to argue. Kai has the support of Nan Batian. There is no place for us in the Fourth Heaven."

"I know."

You Wuji took a deep breath, a fierce light flashed in his eyes, "Kai thought that he could control everything by sparing my life? He underestimated me, You Wuji! Since he has a grudge against the Evil Dao Palace, then we will go to the Evil Dao Palace!"

"You mean to go find your second uncle?" Youyue's eyes lit up.

"good."

You Wuji nodded, "Your uncle You Wuxie has a high status in the Evil Dao Palace. Although Kai said that he only has a wisp of soul left, with the strength of the Evil Dao Palace, your uncle can easily rebuild his body. As long as we combine the power of the Evil Dao Palace, we will definitely make sure that Kai is dead without a burial place!"

He walked to the corner, reached out and fumbled under a loose floor tile for a while, and took out a black storage bag: "This is the treasure accumulated by our Black Demon Palace over the generations, enough for us to open up the joints in the fifth heaven. Pack up, we are leaving now!"

Youyue responded and turned around to pack her belongings.

You Wuji looked at the empty hall, a sinister smile curling his lips. "Kai, do you think I will help you find out about the Hu family's spirit? Just wait, it won't be long before I let you watch your own spirit being refined by the Evil Dao Hall!"

The father and daughter took advantage of the night to avoid the patrolling monks and quietly left the Black Demon Palace. Before leaving, You Wuji deliberately erased all traces, as if no one had ever stayed here.

At the same time, Kai, Nan Batian and Hu Mazi were standing outside the mountain gate of Chilian Sect.

The Chilian Gate is built against the mountain. Huge snake totems are carved on both sides of the gate, exuding a gloomy atmosphere.

At this moment, the guards in front of the mountain gate had noticed the unusual movement. They drew their weapons and looked at the three people in front of them vigilantly.

“Who are you? How dare you break into my Chilian Gate!” the leading guard shouted sternly.

Hu Mazi took a step forward with a ferocious smile on his face: “Tell your master that Grandpa Hu is here to seek revenge on her! Let that Red Snake Fairy come out and die!”

The guards’ faces changed, they naturally recognized Hu Mazi.

During this period, the names of Kai and Hu Mazi were well-known in Jiupan Mountain.

“So it’s you, the remnant!”

A guard sneered, “You three alone want to challenge our Chi Lian Sect? You are simply overestimating your own abilities!”

Chapter 5239

“Stop talking nonsense!” Kai’s eyes flashed with a fierce look, “If you don’t want to die, get out of the way!”

“Arrogant! Come on!” The leading guard shouted angrily and rushed forward first.

Nan Batian laughed loudly and took the initiative to greet him.

He flashed and shuttled among the guards like a ghost, his fists falling like meteors.

“Bang, bang, bang!”

Screams rang out one after another. The guards were completely vulnerable and were beaten to death one after another by Nan Batian.

“It’s vulnerable!” Nan Batian curled his lips in disdain and kicked open the gate of Chilian Sect. “Mr. Chen, Master Hu, let’s go in!”

The three of them walked into the Chilian Sect side by side. The disciples they met along the way stepped forward to stop them, but they were all killed by Kai’s Dragon Slaying Sword.

Although the disciples of the Chilian Sect are good at using poison and controlling snakes, these methods are not worth mentioning in the face of absolute strength.

Soon, the three of them arrived at the main hall of the Chilian Sect.

The Red Snake Fairy was sitting on the throne in the center of the hall, looking at them with a gloomy face.

Beside her stood dozens of masters from the Earthly Immortal Realm, and they were obviously well prepared.

“Kai, Hu Mazi, how dare you break into my Chi Lian Sect!”

Fairy Chi Lian said coldly, “It seems that I was too careless when I let you escape at Shepan Mountain last time.”

“Fairy Chi Lian, stop talking nonsense.”

Hu Mazi's eyes flickered with the flame of revenge, "Back then you participated in the extermination of my Hu family, today I will make you pay with blood!"

"Just you guys?"

Fairy Chi Lian sneered, "Don't forget, I am now a fourth-grade Earthly Immortal, and I have so many subordinates. None of you will leave alive today!"

"Yeah?"

Nan Batian took a step forward, and his aura suddenly burst out, "Then I want to see how powerful you, the fourth level of the Earthly Immortal Realm, are!"

The aura of the peak seventh level of the Earthly Immortal Realm loomed over them like a mountain, and the Red Snake Fairy and the masters around her suddenly changed their complexion and had difficulty breathing.

"Earth...Earth Immortal Realm Seventh Level?"

The Red Snake Fairy's eyes were filled with fear. She had never imagined that Kai and Hu Mazi would find such a powerful helper.

"Get started!" Nan Batian gave the order and rushed forward first.

He was extremely fast and instantly arrived in front of a third-level Earthly Immortal Realm expert and knocked him away with one punch.

Seeing this, other masters rushed forward to attack, but were easily repelled by Nan Batian.

Kai faced the Red Snake Fairy. The Red Snake Fairy knew she was no match for him and wanted to escape, but was blocked by Kai's Dragon Slaying Sword.

“Where are you running to!” Kai snorted coldly, and the Dragon Slaying Sword, with golden sword energy, slashed towards the Red Snake Fairy.

The Red Snake Fairy could only barely resist and soon fell into a disadvantage.

Wounds continued to appear on her body, and blood stained her red robe.

Hu Mazi was on the side, cleaning up the remaining disciples. His talisman was like the Grim Reaper’s scythe, taking a life with every swing. He wanted to make those who had participated in the war of genocide pay a heavy price.

The battle was over quickly.

Nan Batian single-handedly killed all the Earthly Immortal Realm masters of the Chilian Sect.

The Red Snake Fairy was severely injured by Kai and collapsed to the ground, dying.

Hu Mazi walked up to the Red Snake Fairy with a cruel smile on his face: “Red Snake Fairy, I didn’t expect that you would end up like this, did you? When you exterminated my Hu family, did you ever think that there would be retribution?”

The Red Snake Fairy raised her head with difficulty, her eyes filled with unwillingness and fear: “Hu Mazi, you...you can’t kill me! I am an outer sect disciple of the Fifth Heaven Ten Thousand Poison Valley. If you kill me, the Ten Thousand Poison Valley will not let you go!”

“Valley of Ten Thousand Poisons?”

Hu Mazi sneered, “Once I have taken revenge, I will naturally go and settle the score with them! You should worry about yourself first!”

Chapter 5240

You Wuji said that when dealing with the Hu family, there was also the Ten Thousand Poison Valley of the fifth level. Unexpectedly, this Red Snake Fairy was actually a disciple of the Ten Thousand Poison Valley.

He grabbed the Red Snake Fairy and dragged her into the side hall like a dead dog.

In the next few hours, the screams and pleas for mercy of the Red Snake Fairy continued to be heard from the side hall. The sound became weaker and weaker, and finally disappeared completely.

When Hu Mazi walked out of the side hall, he had a satisfied smile on his face and his body was covered in blood.

“nailed it.”

Hu Mazi said, “This female devil has finally paid for the lives of my people.”

Kai nodded: “Okay, we have destroyed the Chilian Sect. Next, we will wait for news from You Wuji.”

The three of them left the Chilian Sect, found a secluded valley, and then went into the Demon-Suppressing Tower to rest.

The battles over the past few days have consumed a lot of their spiritual energy, and they need to recover.

When Hu Mazi thought about his great revenge, he was so excited that he couldn't sleep and pulled Nan Batian to drink.

Kai was meditating on the side, consolidating his cultivation.

He knew that after reaching the fifth level, he would face greater challenges and he had to improve his strength as quickly as possible.

The three days passed quickly.

Kai, Hu Mazi and Nan Batian came to the Black Demon Palace again.

However, when they arrived at the palace gate, they found it unusually quiet and there was not a single guard.

“Something’s wrong.” Kai frowned, “Why is it so quiet?”

Hu Mazi also sensed something was wrong. He stepped forward and kicked open the palace gate, shouting, “You Wuji! Get out! Your Grandpa Hu is here!”

The hall was empty, without a single person in sight.

The bloodstains on the ground had dried, and the corners were covered with cobwebs, as if no one had lived there for a long time.

“Where’s the person?” Hu Mazi asked doubtfully, “Did he run away?”

Kai walked into the hall and carefully observed the surrounding environment.

He discovered that all the treasures and files in the hall were gone, apparently taken away deliberately by someone.

“We’ve been fooled!”

Kai’s expression turned extremely ugly. “You Wuji didn’t help us get the information at all. He ran away a long time ago!”

“What?”

Hu Mazi was immediately furious. “This old bastard! How dare he play tricks on us! I must find him and skin him alive!”

He was yelling and cursing in the hall, shaking with anger.

Nan Batian’s expression also turned gloomy: “I didn’t expect that You Wuji was so cunning that he dared to play tricks on us.”

Kai took a deep breath and forced himself to calm down: “Don’t be angry, it’s useless to be angry now. You Wuji ran away. We can only go to the fifth heaven to find out the news ourselves.”

“That’s right!”

Hu Mazi gnashed his teeth and said, “We will go to the Fifth Heaven now, find the branch hall of the Evil Path Hall, and rescue the souls of my people!”

Nan Batian nodded: “Alright, the fifth heaven is more prosperous than the fourth heaven, and the cultivation resources are more abundant. It’s a good opportunity to improve my strength.”

The three of them immediately decided to go to the fifth heaven.

They tore through the void with Nan Batian and flew towards the fifth heaven.

Passing through the space crack, the three arrived at the fifth heaven.

The spiritual energy of heaven and earth in the fifth heaven is several times richer than that in the fourth heaven, making them feel instantly refreshed.

The mountains here are even more majestic, the sky is a light purple, and the air is filled with rich spiritual energy.

Kai nodded: “Let’s find a place to stay first, and then find out the news about the branch of the Evil Dao Hall.”

Just as Kai and his companions were looking for a place to stay in the Fifth Heaven, deep in the Palace of the God King, in an elegant palace, the Fourth Palace Master was standing by the window.

She was wearing a plain white dress, her long black hair flowed like a waterfall, her face was pretty, but there was a calmness between her brows that was inconsistent with her age.
