Chapter 5301

chapter

Kai was caught in the fierce attack and suffered more and more wounds on his body.

The golden holy light was like a maggot on the tarsal bone, which would burn his flesh and blood once it touched his body. If the evil spirit had not been able to suppress it, he would have fallen down long ago.

But the light in his eyes became more and more determined. Although Wang Shengguang's attack was fierce, it also gave him a deeper understanding of the operation of the sacred power, and the counterattack of the Dragon Slaying Sword became more and more accurate.

"laugh!"

Kai seized a flaw in Wang Shengguang's attack, and the Dragon-Slaying Sword, like a poisonous snake emerging from a hole, cut through the gap in the golden armor, and a wisp of evil spirit penetrated into Wang Shengguang's body through the wound.

Wang Shengguang groaned, his breath became disordered in an instant, and the golden light on his body dimmed a little.

"court death!"

Wang Shengguang was shocked and angry. He didn't expect that his holy body would be eroded by evil spirit.

He suddenly slapped Kai's chest, knocking Kai away. At the same time, he used his spiritual power to force out the evil spirit in his body, but his face became even gloomier.

The two of them distanced themselves again, both gasping for breath.

Kai's left arm was twisted unnaturally, obviously broken. His clothes on his chest were stained with blood, and blood was constantly flowing from the corners of his mouth.

Wang Shengguang's condition was slightly better, but there were several more sword marks on his armor, and the light wings behind him were also damaged, and his aura was obviously not as stable as before.

Outside the Holy Light Hall, all the disciples of the Holy Light Sect were stunned.

The sect leader who was like a god in their hearts was actually beaten into this state by a cultivator from the immortal realm?

Hu Mazi was so anxious that he wanted to rush in, but Mo Chen held him back: "Don't be impulsive! If you go in now, you will only hinder Kai's progress!"

"But if this goes on, Kai will be exhausted to death!" Hu Mazi said anxiously.

Mo Chen didn't say anything, but just stared at the figure in the hall, with a hint of determination in his eyes. If Kai really couldn't hold on, he would fight for a chance of survival for Kai even at the cost of his own life.

Inside the hall, Wang Shengguang felt the chaotic spiritual power in his body and the evil spirit that was constantly corroding his meridians. For the first time, a trace of fear appeared in his eyes.

He looked at Kai and suddenly grinned, “Good! Very good! It’s been a long time since I’ve met an opponent who could satisfy me so much! To reward you, I’ll let you see my true strength!”

As soon as he finished speaking, Wang Shengguang’s aura began to surge wildly.

The originally dim golden light lit up again, and it was even brighter than before. The runes on the six pairs of light wings seemed to come alive and began to spin wildly.

The space around him rippled, and a pressure far more terrifying than before spread out. The spiritual energy of the entire Holy Light Plain was converging here.

“He…he is about to break through?!” Mo Chen’s face changed drastically, his eyes full of disbelief.

Wang Shengguang, who had stayed at the peak of the eighth level of the Earthly Immortal Realm for decades, actually touched the threshold of the ninth level of the Earthly Immortal Realm during a fierce battle with Kai!

Kai’s pupils also shrank suddenly. He could clearly feel that the power in Wang Shengguang’s body was increasing exponentially. The sacred power became purer and more terrifying.

He gritted his teeth, endured the injuries, and poured all the remaining spiritual power and evil spirit in his body into the Dragon Slaying Sword, preparing to face the coming storm.

“Buzz—”

The golden light on Wang Shengguang’s body reached its peak, and the six pairs of light wings behind him fully unfolded, covering most of the Holy Light Hall.

He slowly opened his eyes, and there was no longer any human emotion in them, only cold majesty.

“Ninth level of Earthly Immortal Realm…Finally!”

Wang Shengguang felt the surging power within him and let out a long, joyful roar, “Kai, you can rest in peace for having witnessed my breakthrough!”

He took a step forward and his figure instantly disappeared from the spot.

Kai’s heart was filled with warning signs, and he subconsciously held the Dragon Slaying Sword across his back.

Chapter 5302

“puff!”

With a dull thud, Kai felt as if his back was hit by a mountain, and he flew out like a kite with a broken string.

It slammed hard into the dome of the Holy Light Temple, knocking a big hole in the hard glazed tiles, and fell awkwardly onto the square outside the temple.

“Kai!”

Hu Mazi and Mo Chen exclaimed at the same time, no longer caring about anything else, and rushed towards Kai together.

Wang Shengguang appeared above the square, looking down at Kai, who was lying on the ground like a dead dog, with a cruel smile on his face: “The Scattered Immortal Realm is still the Scattered Immortal Realm after all. Even if you are a genius, you can’t cross a major realm to challenge me.”

He raised his right hand, and a ball of light as dazzling as the sun condensed in his palm. The power contained in it made the air distort.

“it’s over.”

The ball of light slowly fell towards Kai. Wherever it passed, the ground began to melt and bursts of white smoke rose.

Just then, Hu Mazi and Mo Chen finally arrived beside Kai.

Hu Mazi cast out all his talismans to form a thick talisman wall, while Mo Chen held his sword in front of him. Both of them simultaneously mobilized their spiritual power to try to block the fatal blow.

“You don’t know your own limitations.” Wang Shengguang snorted coldly, and the ball of light in his palm shook slightly.

“boom!”

The talisman wall and sword energy shattered like paper in front of the light ball. Hu Mazi and Mo Chen both vomited blood, flew backwards, and fell heavily to the ground, their life or death unknown.

Kai struggled to raise his head and looked at the two unconscious people, his eyes bloodshot.

He wanted to stand up, but found that his limbs had completely lost sensation, the spiritual power and evil spirit in his body were completely disordered, and it was extremely difficult to even move a finger.

The ball of light was getting closer and closer, and the hot breath was already burning his skin.

He could feel the shadow of death looming, and his heart was filled with resentment. Was he going to die here?

A victorious smile appeared on Wang Shengguang’s face, as if he had already seen the scene of Kai being purified into ashes by the holy light.

But just as the ball of light was about to hit Kai, a cold voice suddenly rang out between heaven and earth:

“Your Excellency, bullying the weak is too shameful, isn’t it?”

Before he finished speaking, a brilliant silver sword energy shot out from the sky like a meteor cutting through the darkness, and accurately slashed the golden ball of light.

“Crack!”

A shocking scene occurred. The golden ball of light that was enough to easily wipe out a cultivator in the Earthly Immortal Realm was actually cut in half by the silver sword energy, and then dissipated into the air like foam.

Wang Shengguang’s expression changed drastically. He suddenly looked up at the sky, his eyes filled with shock and disbelief. “This sword energy… is it you?”

I saw a figure in white walking towards me. His steps were not fast, but he had an aura that looked down on the world.

The man was holding an ancient long sword, with a handsome face and indifferent eyes, as if nothing in the world was worthy of his attention.

Kai looked at the person who came, and his pupils suddenly contracted. He had seen this face before!

On the ladder to heaven, there was the swordsman Li Chunfeng who was rescued by him!

Li Chunfeng landed in front of Kai and gently swung his sword. A soft sword energy swept across Kai, Hu Mazi and Mo Chen. The injuries on the three of them were recovering at a speed visible to the naked eye.

He turned around and his eyes fell on Wang Shengguang. His tone was still calm, but it was filled with unquestionable murderous intent: “If you hurt Mr. Chen, you must die.”

Wang Shengguang looked at Li Chunfeng, and for the first time, a look of fear appeared on his face. His voice trembled a little: “Li… Li Chunfeng? Haven’t you disappeared for hundreds of years? Why are you here?”

“How do you know this Kai?”

Li Chunfeng did not answer Wang Shengguang’s question, but simply said: “Mr. Chen is my master.”

Owner?

These words exploded in everyone’s ears like thunder.

Chapter 5303

Wang Shengguang was confused, and Hu Mazi and Mo Chen, who had just woken up, were also confused.

Li Chunfeng, the lord of Sword Saint City, who is at the peak of the ninth level of Earthly Immortal Realm, actually calls Kai, who is at the ninth level of Loose Immortal Realm, his master?

Wang Shengguang came back to his senses, a trace of ferocity on his face: “Li Chunfeng, don’t think I’m afraid of you! This is the Holy Light Sect, not a place for you to run wild! Even if you are the Lord of Sword Saint City, don’t even think about…”

Before he could finish his words, Li Chunfeng moved.

No one saw how he drew his sword, they only saw a flash of silver light.

The next second, Wang Shengguang remained frozen in place with a ferocious expression.

A thin line of blood appeared on his neck, and then his entire body, along with the golden armor, turned into spots of light in the sky and completely dissipated into the air.

The leader of the Holy Light Sect, who was at the ninth level of the Earthly Immortal Realm, was just… killed instantly?

The square was dead silent. All the disciples of the Holy Light Sect were terrified and pale. Many of them collapsed to the ground, not even having the courage to escape.

Li Chunfeng retracted his sword, walked up to Kai, bowed slightly, and said respectfully, “Mr. Chen, I’m sorry to have frightened you.”

Kai finally recovered from his shock. He looked at Li Chunfeng in front of him, opened his mouth, and finally squeezed out a sentence: “You…you are the mayor of Sword Saint City?”

Li Chunfeng smiled slightly and nodded: “Yes, I am the mayor of Sword Saint City.”

“Who is the person in charge of Sword Saint City?” Kai’s face was full of curiosity.

“He was a servant of mine. Ever since I disappeared, he has been in charge of Sword Saint City. So, he is only the person in charge, but he never dares to call himself the city lord.”

“Mr. Chen, ever since you rescued me from the Heavenly Ladder and I returned to the Fifth Heaven, I have been devoted to cultivation. I have never left Sword Saint City and have never shown up.”

“It wasn’t until I accidentally heard your name this time that I knew you had reached the Fifth Heaven. I didn’t expect your strength to grow so quickly in such a short time.”

“It’s my responsibility to put Mr. Chen in danger. I failed to protect him…”

Li Chunfeng felt very guilty. After all, he had promised Kai that he would serve him for three hundred years.

“I’m fine, so you don’t have to blame yourself.” Kai smiled faintly: “Nan Batian is also in the fifth heaven…”

“I know, he’s with his childhood sweetheart now!”

Li Chunfeng said!

Hu Mazi and Mo Chen were listening to the conversation between Li Chunfeng and Kai, and both were shocked!

Especially Mo Chen, as the former leader of the Sword Sect, he also accepted Kai as his disciple!

But now the lord of Sword Saint City is actually Kai’s younger brother.

This scene made Mo Chen a little stunned and he couldn’t understand it at all!

“Senior Li…”

Mo Chen stepped forward and bowed to Li Chunfeng!

After all, Mo Chen’s Sword Sect makes a living in the Sword Saint City.

Moreover, in the fifth level, Li Chunfeng’s swordsmanship has reached the pinnacle and no one can defeat him. Otherwise, how could he be the lord of Sword Saint City?

“Who are you?” Li Chunfeng didn’t know Mo Chen!

“This is my master, the Sword Sect’s leader Mo Chen!” Kai introduced.

Upon hearing this, Li Chunfeng quickly returned the greeting, “So it’s Fellow Daoist Mo…”

“Kai, please don’t call me Master anymore. I really can’t bear it.”

“With Senior Li here, what am I? If Senior Li teaches you swordsmanship, it will be much better than mine!”

Mo Chen said with an embarrassed look on his face!

“Mr. Chen wants to learn, so I will teach him without reservation…” Li Chunfeng said!

“Let’s talk about it later. Let’s deal with the problem at hand first!” Kai said!

Li Chunfeng nodded, glanced at the trembling disciples of the Holy Light Sect around him, and a cold light flashed in his eyes: “These people will only bring trouble if they stay.”

Kai said nothing, but his calm eyes showed his attitude.

Chapter 5304

Kai is not a saint. In this society, there is no good or bad, only enemies and friends!

Enemy, then you can only die!

Li Chunfeng understood what Kai meant. Without any further ado, he waved his hand and released several sword energies.

Those disciples of the Holy Light Sect screamed in agony and were all killed instantly.

After finishing the matter with the Holy Light Sect, Li Chunfeng looked at Kai and said, “Mr. Chen, we can’t stay here for long. Let’s go back to Sword Saint City first.”

Kai nodded. He now had too many questions to ask Li Chunfeng.

Li Chunfeng waved his hand gently, and a gentle force lifted up Kai, Hu Mazi and Mo Chen, and then turned into a stream of light and flew towards the direction of Sword Saint City.

Behind him, the once glorious Holy Light Sect gradually lost its former glory in the afterglow of the setting sun, leaving only broken walls and ruins, telling of everything that had happened here.

Kai looked back, feeling a surge of emotion in his heart.

The journey from the Valley of Ten Thousand Poisons to the Holy Light Sect was full of dangers. If it weren't for the help of Mo Chen and Hu Mazi, and if Li Chunfeng hadn't appeared in time, he would probably have died long ago.

"Damn Scarlet Cloud Demon Lord, why is there no movement at all?"

Kai cursed the Demon Lord Chiyun in his heart!

If the Red Cloud Demon Lord had possessed me in time, I wouldn't have almost died!

The outline of Sword Saint City gradually became clear in the twilight, and the stream of light transformed by Li Chunfeng slowly descended over the Sword Sect's headquarters.

Although this courtyard in the east of the city is not luxurious, it exudes a sense of tranquility in the sunset, which is in sharp contrast to the bloody storm it had experienced before.

"Mr. Chen, Fellow Daoist Mo, Master Hu, please rest here for a while." Li Chunfeng waved his hand to remove the shield, and the gentle spiritual power lifted the three of them to the ground smoothly. "I have asked my servants to prepare healing pills. If you need anything, just send a message."

Kai struggled to stand up straight, feeling a sharp pain in his left arm, but the chaotic spiritual power in his body had been sorted out by Li Chunfeng's sword energy.

"Thank you City Lord Li for your help." Hu Mazi and Mo Chen both expressed their gratitude.

"You're welcome." Li Chunfeng nodded slightly. "You guys should recuperate first. If you need anything, Mr. Chen can call me anytime!"

After saying that, Li Chunfeng disappeared instantly!

After settling Hu Mazi and Mo Chen, Kai sat alone on the stone bench in the courtyard.

The moonlight cast mottled shadows through the sycamore leaves. He slowly practiced the Heart Concentration Technique, and the golden spiritual power struggled to travel through his meridians. Every time he repaired an inch of damaged veins, it was like countless fine needles piercing them.

"hiss……"

Kai took a deep breath, and the wound on his chest began to bleed again due to the surge of spiritual power.

He unbuttoned his clothes, and on the charred mark left by Wang Shengguang's palm wind, there were traces of evil spirit and dragon essence tearing each other, as if fighting for control of the body.

"This holy light power is stubborn."

Kai frowned slightly and took out a vermilion pill from the storage ring.

As soon as the pill entered the mouth, it turned into a cool liquid that flowed through the limbs and bones, and the burning sensation was immediately relieved a lot.

Mo Chen coughed in the distance. Kai looked in the direction of the sound and saw the old sect leader standing in the corridor, supported by his disciples. His pale face showed the relief of having survived the disaster. “Kai, are you okay?”

“Thank you for your concern, Master. I won’t die.”

Kai grinned, revealing his white teeth. “You and Master Hu, on the other hand, need to rest well.”

Mo Chen waved his hand, walked closer and whispered, “City Lord Li…does he really recognize you as his master?”

Thinking of the shocking scene in the Holy Light Sect, he still finds it incredible.

The Sword Saint City Lord, who is at the peak of the ninth level of the Earthly Immortal Realm, actually showed such great courtesy to a disciple from the Scattered Immortal Realm. If this were to be spread, it would probably shock all the cultivators in the fifth level of the sky.

Kai smiled bitterly and said, “We met once while climbing the Heavenly Ladder. We couldn’t be considered master and servant. Perhaps he just has an odd personality.”

Kai was reluctant to talk too much about his relationship with Li Chunfeng. Some secrets should be known by as few people as possible.
