

the mans Decree: Kai Ping / Chen Ping

Chapter 5305

As the two were talking, Hu Mazi came stumbling over with his head bandaged like a dumpling, his face brimming with excitement. “Kai! I’m fine! That old guy’s Holy Light Bullet only looks scary, not half as powerful as your Dragon Slaying Sword!”

“Be careful with your wounds.”

Kai shook his head helplessly. This guy always forgets the pain after the wound has healed.

Hu Mazi waved his hand nonchalantly and pulled out a dark clay pot from his bosom. “Look what I brought you! This is an ointment made with the inner elixir of the purple crystal toad from the Ten Thousand Poison Valley. It’s specially made to treat all kinds of injuries. Apply it and I guarantee you’ll be able to pick up a sword and chop people tomorrow!”

Looking at the green paste bubbling in the pottery jar, Kai’s eyes twitched: “Are you sure this isn’t poison?”

“Hey, you don’t trust me?”

Hu Mazi was anxious. He grabbed a piece of gravel and smeared the ointment on it. The stone suddenly emitted green smoke. “Look, even stone can be corroded. It’s perfect for cleaning wounds!”

Kai: “...”

At this moment, Li Chunfeng’s voice rang out from outside the courtyard: “Mr. Chen, there is no rush to heal your wounds.”

He walked in slowly, holding a jade box in his hand. “This is the ‘Concentrated Jade Marrow’ from Sword Saint City. It’s very beneficial for repairing meridians.”

The moment the jade box was opened, a refreshing fragrance filled the air. The semi-fluid milky white liquid in the box was slowly rotating, and faint traces of spiritual energy could be seen condensing into mist.

Kai’s pupils shrank slightly. This kind of treasure might not even be found in three boxes in the entire Fifth Heaven.

“I dare not accept such a valuable gift.” Kai stood up and declined.

Li Chunfeng pressed the jade box into his hands and said, “Mr. Chen has given me a new life. Why should I bother with such mundane things?”

He paused, his tone becoming serious. “Excalibur Villa seems to be making a move. Mr. Chen, it would be best if you could recover your strength as quickly as possible. If there’s any unusual movement, just shout my name in the direction of the City Lord’s Mansion.”

After saying this, he transformed into a white rainbow and disappeared into the night, leaving only a few faint words echoing in the courtyard: “Rest assured and recuperate, Sword Saint City is fine for now.”

Looking at the chalcedony slowly flowing in the jade box, Kai felt mixed emotions.

For the next three days, the Sword Sect’s headquarters was unusually peaceful.

Kai immersed himself in healing every day. The Concentrated Jadeite was indeed worthy of its reputation. The damaged meridians healed at a speed visible to the naked eye. Under the harmony of the sword energy left by Li Chunfeng, the dragon essence and the evil spirit gradually formed a delicate balance.

Mo Chen and Hu Mazi recovered a little slower. The former's internal organs burned by the holy light needed to be slowly nurtured, while the latter suffered a backlash from forcibly activating the talisman. At this moment, he was holding a medicine jar and sighing every day.

Ling Xue and other disciples of the Sword Sect took on the responsibility of vigilance. These days, there were always groups of cultivators wandering outside the base with unfriendly looks.

“Brother Chen, there are a few unfamiliar faces sneaking around the door again today.”

Ling Xue walked into the room carrying a bowl of medicine, a look of worry on her beautiful face. “I heard from my disciples that there are rumors out there that our Sword Sect has offended the Divine Sword Villa and will be expelled from Sword Saint City sooner or later.”

Kai took the medicine and drank it all in one gulp. The bitter taste spread on the tip of his tongue. “Their mouths are on their bodies. Let them say whatever they want.”

He put down the bowl and looked at the bruise on Ling Xue's wrist that had not yet faded. He couldn't help but ask curiously, “How did it happen?”

Ling Xue covered her wrist and shook her head, saying, “Recently, there have been people challenging the Sword Sect. Master and Senior Brother Chen are injured, so I have no choice but to step in!”

“I'm sorry for putting you through this.” Kai reached out and gently stroked her wound. As his spiritual energy flowed, the bruise faded at a speed visible to the naked eye.

Ling Xue's cheeks flushed slightly, and she shook her head gently: “I don't feel wronged to be by your side.”

The life and death they had shared during these days had already made her fall deeply in love with this seemingly ordinary boy in front of her.

Just as the two were looking at each other and smiling, a quarrel suddenly came from outside the yard.

Chapter 5306

“Get out of the way! I’m Qin Feng, the young master of the Divine Sword Villa, and I want to see Kai from your Sword Sect!”

An arrogant voice rang out, accompanied by the disciples’ angry shouts and the sound of weapons clashing.

Kai’s eyes flashed, and he stood up at the same time as Ling Xue.

At the gate of the courtyard, a young man in a brocade robe was kicking two Sword Sect disciples away. This man was Qin Feng, the young master of the Divine Sword Villa.

Behind him were more than ten black-clad guards, all of whom had a condensed aura and were obviously masters of the Earthly Immortal Realm.

Qin Feng heard that Kai and Mo Chen were both seriously injured, so he dared to bring people to the Sword Sect’s headquarters and act arrogantly.

“Where’s Kai? Is he a coward?”

Qin Feng looked around and his eyes fell on Kai who had hurried over. A hint of sarcasm appeared on the corner of his mouth. “I thought you were dead. I heard that you were hit hard this time?”

“You broke into my Sword Sect’s headquarters. What’s the matter?” Kai stood in front of Ling Xue, and the spiritual power in his body circulated quietly.

He could feel that although Qin Feng seemed to have only the fourth-level cultivation in the Earthly Immortal Realm, the sword intent in his

body was extremely sharp, and he obviously had unique skills in swordsmanship.

Qin Feng's gaze passed Kai and fell on Ling Xue, with a cold flash in his eyes: "Ling Xue, you and I have always fought to see who wins and who loses. I wonder if you dare to compete with me today?"

"He won't compete with you!" Kai said!

Qin Feng looked Kai up and down as if he were looking at an ant. "You were seriously injured and almost died. Do you still have the right to speak here? You killed Zhao Jingfeng from our Shenjian Villa, and I haven't settled the score with you yet."

"I was the one who killed Zhao Jingfeng. If you want to settle the score, come to me anytime." Kai said in a cold tone, "As for whether you can kill me to avenge yourself, that depends on your ability."

"What a sharp-tongued man!"

Qin Feng laughed in anger, "I won't argue with you today."

"No one from the Sword Sect can escape today. But if you want me to stop you, Ling Xue can take off all her clothes and dance for me, and I will let you go today."

As soon as these words were spoken, all the disciples of the Sword Sect glared at him, and Mo Chen and Hu Mazi also hurried over with their crutches.

"Qin Feng! Don't be so presumptuous!" Mo Chen was so angry that he was shaking all over. "Although my Sword Sect is weak, we will not tolerate your humiliation like this!"

"humiliation?"

Qin Feng sneered, "If you know what's good for you, let Ling Xue strip naked and dance, or I'll flatten this shabby yard of yours today!"

The guards behind him released their aura at the same time, and the pressure of the Earthly Immortal Realm enveloped them like a dark cloud. The Sword Sect disciples with weaker cultivation bases suddenly turned pale.

Kai took a step forward, and the evil spirit and dragon power in his body burst out at the same time, forcibly tearing a hole in the pressure. “Do you want to die?”

“Just you?”

Qin Feng’s eyes were filled with murderous intent. “Zhao Jingfeng was careless for a moment and you got away with it. Do you really think you are invincible?”

He slowly drew the long sword from his waist, a pale blue glow flowing through the blade. “Today, I will show you the true sword technique of the Excalibur Villa!”

Before the sword was unsheathed, Qin Feng was still restrained, but the moment the sword left the sheath, a sharp sword energy rushed straight to Kai’s door.

The sword energy contained a trace of icy power, and wherever it passed, the air condensed into tiny ice crystals.

“Ice Sword Technique?”

Mo Chen’s expression changed slightly. “This is one of the unique skills of the Divine Sword Villa. It is said that if it is cultivated to the extreme, it can freeze the spiritual energy of the cultivator!”

Kai remained unmoved, the Dragon Slaying Sword trembling slightly in his hand, as if it couldn’t wait to drink blood.

He could feel that although the opponent’s swordsmanship was exquisite, it lacked the indomitable spirit. It was not even as good as Li Hanjiang, let alone Zhao Jingfeng.

“If you want to fight, then fight. Why are you talking so much nonsense!” Kai shouted softly, and the Dragon Slaying Sword turned into a golden light and pierced Qin Feng’s chest.

Qin Feng obviously did not expect that Kai would dare to take the initiative to attack, and he hastily blocked it with his sword.

Chapter 5307

“clang!”

When the two swords collided, the sound of metal clashing was deafening.

Qin Feng only felt a surge of huge force, his arm instantly became numb, and the sword almost flew out of his hand.

He stepped back three steps and looked at Kai in horror: “You...how did your cultivation recover so quickly?”

The guy who was seriously injured by Wang Shengguang three days ago could actually burst out with such terrifying power at this moment. This was simply beyond his cognition.

Qin Feng knew that Kai was seriously injured, so he dared to come here and act so presumptuously.

Kai did not answer and pursued the victory.

The Dragon Slaying Sword drew a perfect arc in the air, and the golden sword light was as dazzling as the scorching sun. It was the starting posture of the “Dragon Slaying Style”.

Qin Feng did not dare to be negligent. The spiritual power in his body was running wildly, and he used his ice sword technique with all his strength.

The light blue sword energy surged out like a tide, and a thick layer of ice instantly condensed on the ground, trying to trap Kai's footsteps.

"A trifle."

Kai snorted coldly, and his Fire Control Step burst out. His figure shuttled across the ice like a ghost. Every step he took stirred up a circle of golden ripples, dispelling the cold air.

"Ice Sword Technique freezes thousands of miles!"

Qin Feng roared and plunged his sword into the ground.

In an instant, countless ice spikes emerged from the ground, like bamboo shoots breaking through the soil, instantly forming a huge ice prison, trapping Kai in the center.

The walls of the ice prison were covered with sharp ice spikes, flashing with a cold blue light.

"Hahaha! Kai, let's see how you escape this time!"

Qin Feng laughed triumphantly, "This ice prison is made of my own spiritual power. The more you struggle, the tighter you'll be frozen. If you know what's good for you, just surrender!"

Mo Chen and Hu Mazi exclaimed at the same time and wanted to go forward to rescue, but were stopped by Qin Feng's guards.

"Let us go!"

Ling Xue was extremely anxious. The long sword in her hand burst out with brilliant light, forcing the two guards to retreat and rushing towards the ice prison.

"Catch her!"

A hint of cunning flashed in Qin Feng's eyes, and he winked at the guard.

The two fifth-grade Earth Immortal Realm guards immediately abandoned their opponents and pounced on Ling Xue like hungry wolves.

Their actions were cunning and brutal, and it was obvious that they were aiming to capture him alive.

Although Ling Xue has reached the fourth level of the Earth Immortal Realm, how can she be a match for two fifth-level cultivators of the Earth Immortal Realm?

However, he fell into disadvantage after three moves and was slapped on the back by one of the guards. He immediately spat out blood and staggered backward.

“Ling Xue!”

Kai roared in the ice prison, his spiritual power running wildly, and the golden sword light kept bombarding the ice wall, but could only leave faint white marks on it.

“Tsk tsk, the beauty’s injured look is so pitiful.”

Qin Feng slowly walked towards the fallen Ling Xue, with an obscene smile on his face, “Kai, if you kneel down and beg me now, maybe I can spare her life.”

“You’re looking for death!”

Kai’s eyes were bloodshot, the fire element in his body was completely boiling, and an unprecedented light burst out from the Dragon Slaying Sword.

“boom!”

With a loud bang, the ice prison was instantly melted by the flames released by Kai.

Qin Feng's face changed slightly. He didn't expect Kai's explosive power to be so amazing.

He no longer hesitated, and pulled out a small jade bottle from his bosom, throwing it towards Ling Xue: "Since you won't accept my toast, then I will enjoy your beauty first!"

The jade bottle shattered in the air, and colorless and odorless powder instantly enveloped Ling Xue.

As soon as she inhaled a little, she felt hot all over. Her originally clear eyes gradually became blurred, and her cheeks flushed abnormally.

"This is... called Chun San!" Hu Mazi cried out in shock, shaking with anger. "Qin Feng! You are the young master of Shenjian Villa, and yet you resort to such despicable tactics!"

Qin Feng licked his lips, his eyes filled with desire: "Why bother talking about morality when dealing with you evil demons?"

He looked at Ling Xue who was gradually losing consciousness and stepped forward. "Ling Xue, since we can't decide the winner in swordsmanship, let's do it on the bed..."

Chapter 5308

"Get out of here!"

Ling Xue used up her last bit of strength to push Qin Feng away, but was grabbed by the other party by the wrist.

The scorching touch made her body tremble involuntarily.

"Hahaha, it looks like the medicine is taking effect."

Qin Feng smiled even more proudly, "Don't worry, I will take good care of you..."

Just when he was about to hug Ling Xue, a golden sword light came like thunder from the sky!

“Puff!”

Blood splattered everywhere, and one of Qin Feng’s arms was cut off!

“ah.....!”

A shrill scream resounded through the sky. Qin Feng looked at his empty shoulder in disbelief, and blood gushed out like a fountain.

Kai stood behind him, his clothes stained with blood, his eyes like a Shura from the Nine Nether Hell.

He had almost exhausted all his strength in that sword strike just now, but the murderous intent in his eyes was more intense than ever.

“I said, whoever touches her will die.”

Qin Feng was shaking with pain. Looking at his arm that had fallen to the ground, his eyes were filled with fear and resentment. “Kai! I’m going to kill you!”

He endured the severe pain and grasped the long sword with his other hand. The icy sword energy burst out wildly, and the entire yard was shrouded in ice.

But at this moment, Kai had already put life and death aside.

He ignored the incoming cold air and walked towards Qin Feng step by step. Every step he took left a charred footprint on the ground, which was a sign that the fire in Kai’s body was out of control.

“Do you think I’m still the same person I was three days ago?”

Qin Feng acted like a madman, unleashing his Ice Sword Technique to its full potential. Countless ice arrows rained down upon Kai. “My father

taught me the ‘Frozen Jade Technique’ a long time ago. Today, I will tear you into pieces!”

Kai did not dodge or evade, and the Dragon Slaying Sword drew a red and blue barrier in front of him.

The barrier formed by the fusion of various extreme fires is extremely powerful.

The ice arrow hit the barrier and instantly melted into water vapor.

“impossible!”

Qin Feng screamed. His Cold Jade Skill was a unique skill that could freeze the spiritual power of cultivators in the Earthly Immortal Realm. How could it be ineffective against Kai?

The answer is actually very simple. The fire origin in Kai’s body contains the most yang and strong power. When the power of ice encounters them, it is like ice and snow encountering the scorching sun, and naturally it is vulnerable.

“die!”

Kai gave a low shout, and his figure instantly appeared in front of Qin Feng, raising the Dragon Slaying Sword from bottom to top.

“Puff!”

There was another crisp sound, and Qin Feng’s other arm was also cut off.

“No.....!”

Desperate screams resounded throughout the Sword Sect’s headquarters. Qin Feng looked at his bare shoulders and finally felt the fear that penetrated deep into his bones.

He wanted to escape, but found that his legs had already become weak with fear, and he could only watch Kai's sword approaching his throat little by little.

“Kai, spare his life!”

At this moment, Mo Chen's voice suddenly rang out, “Killing him will only bring about Qin Lie's even more frantic revenge.”

Kai's eyes were icy: “Master, he insulted my Sword Sect, this hatred is irreconcilable!”

“I know you're angry, but now is not the time.” Mo Chen whispered, “Qin Lie has united with more than a dozen sects and is waiting for an excuse to attack my Sword Sect. Killing Qin Feng would be like giving him an advantage.”

As the leader of the Sword Sect, Mo Chen must be responsible for the many disciples of the Sword Sect. If he brings about the destruction of the Sword Sect for the sake of momentary pleasure, it will be a loss!

Kai gripped the Dragon Slaying Sword tightly, his knuckles turning white from the force.

He looked at Ling Xue, who was lying unconscious on the ground and feeling hot all over, then looked at Qin Feng's face full of resentment. The murderous intent in his heart grew like weeds.

“Leave it to me.” Mo Chen sighed softly, waved his hand and sent out a sword energy, knocking Qin Feng unconscious. “I will destroy his cultivation and make him live a life worse than death.”

After saying this, he signaled his disciples to carry Qin Feng away. He then walked over to Ling Xue and said with a frown, “This is called Spring Powder. It's extremely powerful. If the poison isn't detoxified in time, it might damage your foundation.”

Chapter 5309

“Is there any way to detoxify?” Kai asked hurriedly.

Mo Chen looked at Kai, then at the unconscious Ling Xue. After a moment’s hesitation, he said, “This poison needs to be neutralized with the power of the ultimate yang. Ordinary elixirs are ineffective... The best way is for a man and a woman to have sexual intercourse, using their own spiritual energy to guide it...”

As soon as these words came out, Kai was stunned.

Hu Mazi’s eyes were shining with gold. He wanted to recommend himself, saying that he was a man and could help.

“I’ll go take care of things outside first. Kai... take care of yourself.”

After saying that, Mo Chen hurriedly pulled Hu Mazi away, as if staying for another second would be awkward.

Hu Mazi didn’t want to leave, but he was being held by Mo Chen, so there was nothing he could do!

In an instant, there were only two people left in the yard.

Kai looked at Ling Xue lying on the ground. Her breathing became more and more rapid, her cheeks were red as if bleeding, and she unconsciously tore at her clothes, revealing her snow-white neck.

A feeling of heat rose from his dantian. Kai swallowed and forced himself to suppress the throbbing in his heart.

He knew that now was not the time to think about these things, but Li Chunfeng’s words kept echoing in his mind.

“We must save her.” Kai gritted his teeth, picked up Ling Xue and walked into the room.

After gently placing her on the bed, Kai turned around and wanted to find Hu Mazi to think of other solutions, but his wrist was held tightly.

“Kai...” Ling Xue opened her eyes dazedly, her eyes blurry, and she murmured, “Don’t go...”

Her hands were hot and soft, and the touch made Kai stiffen all over.

“Lingxue, hold on, I’ll find you an antidote...”

“it’s useless.....”

Ling Xue shook her head gently, hooked her other hand around his neck, and exhaled sweetly, “I know... only you can save me...”

The warm breath sprayed on his ears, carrying the unique fragrance of a young girl, which made Kai’s reason collapse instantly.

He looked at Ling Xue’s big watery eyes, in which his own figure was clearly reflected.

“Are you...willing?” Kai’s voice was a little hoarse.

Ling Xue didn’t answer, but just stood on tiptoe and gently kissed his lips.

Just like a spark igniting dry wood, the long-suppressed emotions burst out instantly.

The flickering candlelight in the room illuminated the intertwined figures. The moonlight outside the window had grown hazy, as if casting a gentle veil over the lovers who had endured so much hardship.

This night is destined to be sleepless.

The next morning, the first ray of sunlight shone into the room through the window lattice.

Kai slowly opened his eyes and looked at Ling Xue who was sleeping soundly in his arms. Her face was still flushed and her long eyelashes trembled slightly, like a butterfly taking a nap.

Last night's madness seemed like a dream. When he woke up, all that was left was the beauty of the room and a faint sense of guilt. He gently tucked in the quilt for Ling Xue, then stood up and walked to the window.

The yard had returned to peace. All traces of last night's fight had been cleaned up. Only the faint smell of blood lingering in the air reminded him of what had happened.

"Senior Brother Kai." Ling Xue's voice came from behind, with a hint of laziness and shyness.

Kai turned around and saw that she had put on her clothes, but her cheeks were still red and she didn't dare to look him in the eye.

"How do you feel?" Kai walked forward and reached out to feel her pulse.

The moment the spiritual energy surged in, Kai breathed a sigh of relief. The toxins in Ling Xue's body had been completely eliminated, and because of the absorption of his blood, her cultivation level was even showing signs of breaking through to the fourth level of the Earthly Immortal Realm.

"Much better, thank you." Ling Xue lowered her head, her voice as soft as a mosquito's hum.

Just then, Hu Mazi rushed in, shouting, "Kai! It's bad! Qin Lie and his men are coming to kill us!"

Kai's face darkened: "You've come just in time."

He and Ling Xue looked at each other and walked out of the room at the same time.

The Sword Sect's headquarters had already been surrounded by densely packed cultivators.

The leader was Qin Lie. His eyes were red and a terrifying aura emanated from his body. It was obvious that he knew what had happened to Qin Feng.

Behind him stood a dozen old men in different clothes, all of them had a powerful aura and were obviously the leaders of their respective sects.

Chapter 5310

Zhang, the person in charge of Sword Saint City, was also among them. He stood beside Qin Lie with a barely perceptible smugness on his face.

“Kai! Get out here!”

Qin Lie roared angrily, his voice booming like thunder. “If anything happens to my son, I will kill everyone in your Sword Sect!”

Kai walked out of the gate slowly, followed by Mo Chen, Hu Mazi, Ling Xue, and all the disciples of the Sword Sect.

Although their numbers were far less than the enemy's, everyone's face showed a determination to die.

“Where is Qin Feng?”

Qin Lie stared at Kai intently, the murderous intent in his eyes almost solidified into substance.

“His cultivation was wasted and he was thrown outside the city.”

Kai spoke in a flat tone, as if he was talking about a trivial matter.

“You're looking for death!”

Qin Lie was so angry that his entire body was shaking. The pressure of the eighth level of the Earthly Immortal Realm erupted like a tsunami.

“My son’s arms were cut off, and his cultivation was completely destroyed. How dare you still be so arrogant!”

“He brought this upon himself.”

Kai met his gaze without fear, “If Master hadn’t spoken, he would have been a corpse long ago.”

“And remember, this is Sword Saint City, Li Chunfeng’s territory, not your Divine Sword Villa’s territory!”

Kai knew that he had Li Chunfeng behind him, so he was not afraid of Qin Lie. Even if Qin Lie summoned so many sects, Kai was not afraid.

Qin Lie’s expression changed slightly when Li Chunfeng was mentioned, but was immediately replaced by anger. “Don’t think you can scare me by mentioning City Lord Li! Even if the City Lord comes, he can’t save you from what happened today!”

He turned sideways and looked at Zhang, the person in charge. “Brother Zhang, this Kai used violence and injured people in Jiansheng City, taking human lives lightly. Shouldn’t he be dealt with according to the rules?”

Zhang, the person in charge, cleared his throat and stepped forward, saying, “Kai, you have repeatedly caused conflicts within Sword Saint City and severely injured the young master of Divine Sword Villa. This has violated the city regulations.”

“Considering that this is your first offense, if you are willing to abandon your cultivation and hand over the Sword Sect’s headquarters, I may be able to plead for your life.”

These words seem fair, but in fact they are biased.

Kai looked at the person in charge in confusion. He didn’t expect that this person would change so quickly!

During the competition, Zhang, the person in charge, used his status and position to force Qin Lie not to use force.

But now, he actually stood on Qin Lie's side!

Needless to say, this guy must have received benefits from Qin Lie, and these benefits were something he could not refuse.

“Hahaha!”

Hu Mazi couldn't help but laugh. “Mr. Zhang, you must have accepted some favors from the Qin family, right? Qin Feng brought his men to provoke us, and used aphrodisiacs to frame Miss Ling Xue. How come you're saying it's Kai's fault?”

Zhang's face darkened. “Don't talk nonsense! I've always been fair in my actions!”

“just?”

Kai sneered, “I think it was the Divine Sword Villa that gave you the treasure?”

His eyes swept over Zhang, the person in charge, as if he wanted to see through him.

Manager Zhang's face changed slightly, and he looked a little embarrassed. He had indeed received a sword from the Divine Sword Villa, and it was also the villa's treasure.

Otherwise, as the person in charge of Sword Saint City, he would not stand on Qin Lie's side so openly.

The leaders of these sects also benefited from the Divine Sword Villa, so they followed Qin Lie to attack Kai and the Sword Sect.

After all, in this society where the strong prey on the weak, there is no such thing as no gain without hard work.

They had no relationship with Kai, so since the Divine Sword Villa was willing to offer benefits, they were very happy to accept it!

“That’s nonsense!” Zhang shouted, “Catch this arrogant fellow!”

Following his command, the surrounding monks immediately surrounded him, and all kinds of magic weapons flashed with spiritual light and were filled with murderous intent.

Mo Chen protected Kai behind him and drew his sword: “If you want to touch my disciple, you must step over my corpse first!”

Chapter 5311

“You don’t know whether to live or die!” Qin Lie snorted coldly and took action himself.

The palm wind from the eighth level of the Earthly Immortal Realm came straight at Mo Chen’s face with the momentum of destroying the world.

“Master, be careful!” Kai was shocked and wanted to step forward to stop them, but was entangled by several Earth Immortal Realm cultivators.

“Bang!”

Mo Chen was no match for Qin Lie at all. He was slapped away and hit the wall hard, with blood spurting out of his mouth.

“Master!”

“Old thing!”

Kai and Hu Mazi roared at the same time and wanted to rescue, but were stopped.

Qin Lie walked towards the fallen Mo Chen step by step, a cruel smile on his face: “Mo Chen, your Sword Sect was so glorious in the past, but now it has ended up like this? Hand over your Sword Sect’s secret manual, and perhaps I can give you a quick death.”

“wishful thinking!”

Mo Chen coughed up a mouthful of blood foam, his eyes full of defiance.

Qin Lie’s eyes were filled with murderous intent, and he raised his foot to step on Mo Chen’s head.

At this critical moment, a cold voice sounded:

“Master Qin, bullying the weak is too ugly, isn’t it?”

Everyone looked in the direction of the voice and saw Ling Xue standing in front of Mo Chen at some point, with the sword in her hand pointing directly at Qin Lie. Although her body was trembling slightly with fear, her eyes were extremely firm.

“A little girl dares to stop me?” Qin Lie’s eyes flashed with disdain, and he slapped Ling Xue without changing his palm.

He didn’t take Ling Xue seriously at all. If he slapped her, she would be seriously injured at best, or even killed at worst.

Kai’s eyes were bloodshot, he wanted to break free but was powerless, he could only watch the palm wind approaching.

“Bang!”

The expected tragedy did not happen. A golden light curtain suddenly appeared in front of Ling Xue, blocking Qin Lie’s palm wind.

“Who?” Qin Lie’s face changed slightly and he looked around suddenly.

Li Chunfeng appeared in the yard at some point, and with a light wave of the whisk in his hand, the golden light curtain slowly dissipated.

“City Lord Li?”

Qin Lie’s pupils shrank slightly. He didn’t expect Li Chunfeng to appear again. “This matter has nothing to do with the City Lord. Please don’t interfere.”

“Private fighting is prohibited in Sword Saint City. Has Master Qin forgotten?” Li Chunfeng’s tone was calm, but with unquestionable majesty.

Qin Lie’s face was gloomy and uncertain. He knew that Li Chunfeng’s strength was unfathomable. If the other party insisted on protecting Kai, he would really get no benefit.

But when he thought of his son’s miserable condition, the anger in his heart burned again: “City Lord, this kid hurt my son and destroyed the reputation of our Divine Sword Villa. This hatred is irreconcilable!”

“Qin Feng provoked first and then used despicable means. Kai was simply fighting back in self-defense.”

Li Chunfeng said calmly, “I have already investigated this matter. Divine Sword Villa is in the wrong first. If Manor Master Qin insists on making trouble, don’t blame me for being rude.”

The pressure from the ninth level of the Earthly Immortal Realm enveloped Qin Lie like a physical entity. He suddenly felt difficulty breathing and his face turned pale.

The sect leaders behind him also retreated, obviously extremely afraid of Li Chunfeng.

“Good! What a great Li Chunfeng!” Qin Lie gritted his teeth, a trace of resentment flashing in his eyes. “I, Divine Sword Villa, will remember this humiliation today! Let’s go!”

After saying that, he glared at Kai fiercely and left in embarrassment with his men.

Seeing this, those sects that had originally followed Qin Lie to join in the fun also retreated wisely, fearing that they would get into trouble.

As Zhang, the person in charge, watched this scene, his face turned pale and blue. He wanted to say something, but was forced back by Li Chunfeng's cold gaze.

The crisis was resolved and everyone breathed a sigh of relief.

"Thank you, City Lord Li, for your help again." Kai walked forward and bowed solemnly.

Li Chunfeng waved his hand: "It's a piece of cake. But Qin Lie is a vindictive man, so you'd better be careful."

He paused, then continued, "I have something important to attend to, so I'll leave first. If you have any difficulties, you can still call me."

After saying this, he turned into a white rainbow and disappeared into the sky.

Chapter 5312

Looking at Li Chunfeng's departing back, Kai felt mixed emotions.

"Senior Brother Kai, are you okay?" Ling Xue walked to his side and looked at him worriedly.

"I'm fine." Kai shook his head and looked at Mo Chen who was being helped up by his disciples. "Master, how do you feel?"

Mo Chen waved his hand, his face still pale. "My old bones can still hold on, but... Qin Lie will never give up. I'm afraid we're in big trouble."

Hu Mazi was also worried. “That old fellow has been operating in the Fifth Heaven for many years and has connections all over the place. If he really unites with the major sects to deal with us, even with City Lord Li’s protection, I’m afraid he won’t be able to resist.”

Kai remained silent. He knew that this was just the calm before the storm. Qin Lie’s revenge would come sooner or later, and it would be even more violent.

At this time, Qin Lie led his men away, his face so gloomy that water could drip out of it.

In the carriage, Qin Feng, whose arms were cut off and whose cultivation was destroyed, lay paralyzed like mud, with only hatred and dead silence in his eyes.

“Dad, I’m going to kill him! I’m going to tear Kai into pieces!”

Qin Feng’s roar was hoarse and unpleasant, and the blood scab at the broken end broke again due to excitement.

Qin Lie slammed the car wall, causing it to cave in instantly. “Don’t worry, I’ll make sure he wishes he were dead!”

A hint of ruthlessness flashed in his eyes. He originally thought that he could win the battle with the help of Zhang and the power of various sects, but he did not expect that Li Chunfeng would protect Kai so much.

The pressure from the ninth level of the Earthly Immortal Realm was like a sword hanging over his head. As long as Li Chunfeng stayed in the Sword Saint City, he would have little chance of winning.

“Kai...” Qin Lie gritted his teeth, “Do you really think you can rest easy hiding in Sword Saint City?”

Qin Lie decided to continue looking for help. Their Shenjian Villa was a famous sword-making villa. As long as they were willing to pay benefits, he didn’t believe that he couldn’t find someone to help.

Moreover, Qin Lie also knew that Kai had conflicts with the Temple, and the Sixth Palace Master of the Temple had even looked for Kai!

So the enemy of my enemy is my friend. Qin Lie decided to go to the Sixth Heaven to find the Sixth Palace Master!

Three days later, an inconspicuous black carriage drove out of Excalibur Villa and sped towards the northwest.

Inside the carriage, Qin Lie looked at the passing scenery outside the window, stroking a black dagger engraved with strange runes in his hand.

This was built by his ancestors in the Divine Sword Villa in his early years. It was made of ten thousand year old black iron and had runes engraved on it.

Qin Lie plans to use this dagger and ask the Sixth Palace Master to help deal with Kai!

Sixth Heaven

Amidst the misty mountains, a palace built entirely of black crystals was suspended in mid-air. The six blood-red orbs on the top of the palace emitted a frightening aura.

Qin Lie stood on the cold jade steps, holding the black dagger high in his hand: "Qin Lie of the Divine Sword Villa, I seek an audience with the Palace Master!"

Qin Lie didn't dare to rush into the Sixth Palace rashly, after all, behind the Sixth Palace was the Temple of God!

But behind the temple is the entire God Clan. No matter how powerful the Divine Sword Villa is, it cannot afford to offend the entire God Clan.

Qin Lie shouted twice, and the hall was dead silent, with only the candlelight swaying in the breeze.

Half an incense stick later, a hoarse voice like the friction of rusted iron rang out: “Master Qin of the Divine Sword Villa, what are you doing in my Sixth Palace?”

Qin Lie shuddered, cold sweat oozing from his forehead. “I am willing to offer the Supreme Sword of the Divine Sword Villa, and only ask the Sixth Palace Master to take action and kill this person!”

“oh?”

The voice was a little playful, “Who is worth your expense?”

“Kai!” Qin Lie said lightly!

When he heard the name Kai, the Sixth Palace Master suddenly stood up. He had wanted to kill Kai for a long time, but unfortunately the Fourth Palace Master sent Yun Xiu to threaten him directly and stop him from killing Kai. The Sixth Palace Master was helpless.

But if he didn’t kill Kai, he wouldn’t be able to report to the Third Palace Master, which made the Sixth Palace Master very difficult.

Now that Qin Lie has come to the door, the Sixth Palace Master can just take advantage of the situation and get the sword!

Chapter 5313

“Come in...”

The Sixth Palace Master spoke and let Qin Lie go in!

The Sixth Palace Lord waved his hand, and Qin Lie threw the dagger in his hand over. The Sixth Palace Lord looked at the dagger and couldn’t let it go!

“Okay, I can help you, but Kai has a lot of helpers around him, so you’d better find more people.”

The Sixth Palace Master said!

Qin Lie nodded: “Thank you, Palace Master. I will find someone else!”

“Yes!” The Sixth Palace Lord said “Yes” and then waved his hand!

A moment later, three monks wearing blood-red armor walked out of the hall. The leader had a blank expression on his face, but his aura had reached the early ninth level of the Earthly Immortal Realm, not much inferior to Li Chunfeng.

“These are the three Blood Guards of the God Clan sent by our Third Palace Master. Let them help you, and they will definitely be able to kill Kai.”

The Sixth Palace Lord’s words made Qin Lie very happy!

With three ninth-grade cultivators in the Earthly Immortal Realm appearing all of a sudden, there was no need to be afraid of Li Chunfeng anymore!

“Follow us and do not act rashly.”

The leading blood-armored monk spoke in a cold voice and turned to walk out of the hall.

Qin Lie hurried to catch up, and the stone in his heart finally fell to the ground.

With the Sixth Palace of the Temple taking action, even if Li Chunfeng takes action personally, Kai will definitely die!

However, to be on the safe side, Qin Lie arranged the three Blood Guards of the Gods in the Divine Sword Villa, and then headed to the Black Wind Mountains without stopping!

Kai has been looking for the branch of the Evil Dao Hall, and Qin Lie also found out about this!

After all, Kai was making such a fuss in the Information Building that almost everyone in Sword Saint City knew about it!

As long as we ask the people from the Evil Path Palace to come and help, we will be safe!

Black Wind Mountains...

In a valley filled with miasma, You Wuxie was sitting cross-legged on an altar made of skulls.

A thick black aura surrounded him, and his originally illusory figure had become much more solid. It was obvious that he had recovered most of his strength with the help of the secret method of the Evil Dao Palace, and his physical body had also recovered.

“Elder, Qin Lie from the Divine Sword Villa requests to see you.” A guard with a green face and fangs stepped forward to report.

You Wuxie opened his eyes, a cold light flashing in them: “Let him in.”

Qin Lie couldn’t help but shudder when he stepped into the altar.

The altar was surrounded by the skeletons of monks, and the air was filled with a strong smell of blood. Compared to the hypocrisy of the Holy Light Sect, this place was the real hell on earth.

“Brother You, are you alright?”

Qin Lie suppressed his discomfort, bowed and smiled.

You Wuxie slowly stood up, stretching his new body, his bones crackling as he spoke. “Master Qin, I’m honored to be here. What brings you here?”

“I want to cooperate with the Evil Path Palace to eliminate someone.”

Qin Lie got straight to the point, “This man also has an old grudge against Brother You.”

“Who is it?”

“Kai!”

“Kai?” You Wuxie clenched his fists fiercely, dark energy surging in his palms. “That bastard who destroyed my body!”

Footsteps were heard from behind the altar, and You Wuji and his daughter You Yue walked out slowly.

After they escaped, they found You Wuxie and stayed here temporarily!

Youyue’s face was filled with resentment: “Uncle, this Kai destroyed our sect, and Hu Mazi, who was with him, also took away my innocence!”

Youyue had wanted to kill Kai and Hu Mazi for a long time, but unfortunately You Wuxie’s body had not recovered, so she had been waiting.

You Wuji caressed his daughter’s head distressedly and said to You Wuxie, “Brother, you must kill Kai!”

You Wuxie nodded, looked at Qin Lie and asked, “How would Master Qin like to cooperate?”

“I’ve already mobilized the masters of the six halls of the Divine Temple. With just a little more effort from the Evil Path Hall, Kai will be unable to escape!” Qin Lie said in a deep voice, “After the mission is accomplished, the Evil Path Hall will have priority in selecting any treasures from Kai’s possession!”

Greed flashed in You Wuxie’s eyes: “Are you serious?”

“No falsehood!”

At this moment, a sinister voice rang out from the depths of the altar: “Since we are dealing with the people Li Chunfeng is protecting, how can I be absent?”

Chapter 5314

A monk in a black robe with his face hidden by a hood floated out. The aura he exuded made You Wuxie feel palpitations.

“Palace Master!” You Wuxie and others hurriedly bowed and saluted.

The head of the Evil Path Hall slowly raised his head, revealing a pair of scarlet eyes beneath his hood. “Kai... is quite interesting. Pass on my order, all the monks in the hall shall follow Master Qin to the battle. Whoever takes Kai’s head will be rewarded with a top-grade spiritual weapon!”

Thunderous cheers suddenly erupted from the altar, and countless black shadows emerged from all parts of the valley, as densely packed as an ant colony, spreading towards the direction of Sword Saint City.

The atmosphere in Sword Saint City is becoming increasingly solemn.

Since Qin Lie left, all the major forces in the city have been observing secretly, and unidentified cultivators often wander around outside the Sword Sect’s headquarters.

Kai knew that this was just the calm before the storm, and Qin Lie’s revenge would come sooner or later, and would be even more violent.

“Mr. Chen, this is the latest information.” Li Chunfeng’s figure quietly appeared in the courtyard, holding a jade slip in his hand.

Kai took the jade slip and probed it with his spiritual sense. His expression suddenly changed: “Sixth Hall of the Divine Temple? A branch hall of the Evil Path Hall? Qin Lie actually invited these evil stars!”

The jade slip clearly recorded that Qin Lie had united the six halls of the Sixth Heaven Temple, as well as the branch of the Evil Path Hall in the Black Wind Mountains. Even several hidden sects in the Fifth Heaven were won over. The total force exceeded a thousand people, including no less than fifty cultivators of the seventh rank or above in the Earthly Immortal Realm.

“The Lord of the Sixth Hall of the Divine Temple and I have an old grudge. I’m afraid this time he’s not just targeting you,” Li Chunfeng said solemnly. “Even more troublesome is the Evil Path Hall. The evil magic they practice is bizarre and unpredictable, making it extremely difficult to deal with.”

Hu Mazi rushed in, shouting, “Kai, there’s talk outside that Qin Lie is going to massacre Sword Saint City. Should we run away first?”

“Run? Where to run?” Mo Chen walked out with a cane, his face pale but his eyes determined. “The Sword Sect has been passed down for thousands of years. Even if we have to fight to the last man, we must never retreat!”

Ling Xue gripped the sword tightly in her hand and said softly, “Senior Brother Chen and I will advance and retreat together.”

Kai took a deep breath and handed the jade slip to everyone: “Now is not the time to retreat. City Lord Li, the defense of Sword Saint City...”

Li Chunfeng smiled bitterly and said, “To be honest, Mr. Chen, I’ve been gone for hundreds of years, and the city’s affairs have long been controlled by Zhang. He has secretly cultivated a lot of forces, and now I’m afraid he has colluded with Qin Lie.”

“That old bastard!” Hu Mazi angrily slammed the stone table. “I’ve disliked him for a long time!”

“At this point, we can only rely on ourselves.” Kai’s eyes flashed with determination. “City Lord Li, can you ask the neutral forces in Sword Saint City for help?”

“Disaster.”

Li Chunfeng shook his head. “The Sixth Palace of the Divine Temple and the Palace of Evil Paths are too famous. No one is willing to offend them for us.”

Just when everyone was at a loss, a burst of hearty laughter suddenly came from outside the courtyard: “Who said no one is willing?”

Everyone looked in the direction of the voice and saw Nan Batian striding towards them with his arms around a pretty girl, followed by dozens of powerful cultivators, the leader of whom was actually the owner of the Information Building!

“Nan Batian!” Kai was surprised and delighted, “Why are you here?”

Nan Batian laughed and said, “I heard that Shenjian Villa is going to deal with Mr. Chen. How can I not come to help?”

“Don’t worry, Mr. Chen. All the forces of the Information Building in the fifth level are at your disposal.” Xiao Cui said.

A warm feeling surged in Kai’s heart. Looking at the dozens of Earth Immortal Realm cultivators who suddenly appeared in the courtyard, his originally heavy mood relaxed a lot.

“With these two words, I feel relieved!”

Nan Batian patted Kai’s shoulder and said, “But having said that, the people Qin Lie brought with him this time are indeed difficult to deal with. The cultivators of the six halls of the temple are all extremely arrogant, and the evil cultivators of the Evil Hall are even more difficult to deal with. We must make a careful plan.”

Chapter 5315

Li Chunfeng said in a deep voice, “We have little chance of winning a direct confrontation. We can only hold our ground and wait for reinforcements. I have already sent a message to several old friends in Sword Saint City, hoping they will consider our old friendship and help us.”

Kai shook his head: “We can’t wait. Since Qin Lie dared to come, he must have made sufficient preparations. Delaying it will only be disadvantageous to us.”

He looked at everyone, a glint of determination flashing in his eyes: “If they come tomorrow, I will go meet Qin Lie!”

“No!” Mo Chen hurriedly stopped him, “Qin Lie is an eighth-grade Earthly Immortal. You are no match for him!”

“Master, don’t worry, I have my own way.” Kai smiled slightly and took out something from the storage ring.

It was a completely black longbow with intricate golden patterns carved on it, emitting a faint dragon aura.

“This is...” Li Chunfeng’s pupils suddenly shrank, “God King Bow? You actually have such a divine weapon!”

Kai nodded: “This bow can increase my strength, perhaps I can fight Qin Lie.”

Nan Batian’s eyes lit up: “Good boy, you hid it well enough! With this treasure, maybe you can really turn the tables!”

“But it shouldn’t be used unless absolutely necessary,” Li Chunfeng said seriously. “The Divine King Bow is an ancient artifact. If it were to appear in the world, it would probably cause even greater trouble.”

Kai remained silent, as he knew that Li Chunfeng was telling the truth.

In this world where the strong prey on the weak, he understands better than anyone the principle that possessing a treasure is a crime.

As the night deepened, the Sword Sect's headquarters was still brightly lit.

Everyone was making final preparations; the sounds of chanting and the humming of talismans intertwined together, composing a tragic war song.

Kai stood alone on the roof, looking at the waning moon in the sky.

He gently stroked the God-King Bow, feeling the power dormant within it.

“Red Cloud Demon Lord, what on earth are you doing?”

Kai muttered to himself, ever since the Red Cloud Demon Lord reminded Kai in the Black Wind Mountains, he has been silent again, and no matter how Kai called out, he did not respond.

At this moment, the storage ring suddenly became slightly hot.

Kai's mind moved, and after his spiritual sense probed into the Fire Kirin, he discovered that the Fire Kirin's body had grown a lot larger, and a faint red light emanated from its body.

“Is it about to break through?”

Kai was delighted. If the Fire Kirin could break through at this moment, it would undoubtedly be a great help.

Kai carefully placed some resources into the storage ring for the Fire Qilin to eat.

Not far from the Fire Kirin, the little Sky-Swallowing Beast was sleeping soundly, and its size had not changed at all.

All he does all day is eat and sleep. If the little Sky-Swallowing Beast could obey orders, Kai would not have to be afraid of Qin Lie and others at all.

“Tomorrow, perhaps we will have to fight side by side.”

Kai looked at the Fire Kirin and said softly!

When it comes to fighting with Qin Lie, Kai has no confidence if he only uses swordsmanship, so he plans to use his lifelong skills.

What is the God King Bow, the power of origin, the power of the dragon, the power of the three tribes, the Fire Kirin...

He planned to expose himself completely. This was the only way to survive!

As the sky in the east began to turn pale, the alarm bells of Sword Saint City suddenly rang, and the sharp sound cut through the tranquility of dawn.

Kai gripped the Dragon Slaying Sword tightly, a fierce look flashing in his eyes: “Here it comes!”

At the east gate of Sword Saint City, a massive crowd of people surged in like a tide, surrounding the entire Sword Sect’s headquarters.

Qin Lie rode a one-horned rhino, wore purple-gold armor, held a sword in his hand, and looked down at the courtyard wall in front of him.

Behind him, the blood-armored monks from the Sixth Hall of the Temple, the black-robed evil cultivators from the Evil Path Hall, and masters from various sects were densely packed and filled with murderous intent.

“Kai! Come out and die!”

Qin Lie’s voice exploded like thunder, making the courtyard walls buzz.

Li Chunfeng stepped out into the air, his white clothes as white as snow, and pointed his sword directly at Qin Lie: “Qin Lie, you dare to act wildly in Sword Saint City? Do you really think I don’t exist?”

Chapter 5316

The Blood-Armored Monk stepped forward, runes flickering on his blood-red armor. “Li Chunfeng, it’s been years since we last met, and you’re still as irritable as ever. Today’s incident has nothing to do with you. Get out of here!”

“You, the lackey of the temple, dare to tell me what to do?” Li Chunfeng snorted coldly, and the sword energy shot out.

The Blood Armored Monk didn’t dodge or evade, letting the sword energy slash at his armor, leaving only a faint white mark. “Your sword is still so soft.”

Li Chunfeng’s face changed slightly. The opponent’s defense was so amazing.

You Wuxie floated to the front of the formation, surrounded by black air. “City Lord Li, he who knows the current situation is a hero. Kai and my Evil Dao Palace are sworn enemies, and he must die today!”

“And me!” Youyue screamed, “I’m going to dig out his eyes with my own hands!”

Nan Batian walked out with Xiao Cui in his arms, laughing loudly, “You bunch of idiots, you dare to yell at me? Do you believe that I, the Information Building, will expose all your secrets?”

Xiao Cui stepped forward, holding a scroll of jade slips in her hand: “The six halls of the Divine Temple are secretly colluding with the Demonic Path, the branch halls of the Evil Path Hall are taking away the souls of innocent cultivators, and Master Qin...tsk tsk, I have a lot of stories about your son bullying men and women.”

Qin Lie's face darkened: "Stop talking nonsense!"

"Whether it's nonsense or not, we'll know once it's made public," Xiao Cui said calmly, "As long as you withdraw your troops, today's events will be written off."

The Blood-Armored Monk sneered, "The Information Center? They're just a bunch of gossipmongers. If you dare to say anything more, I'll kill you without mercy!"

"Then give it a try!"

The cultivators behind Nan Batian released their aura at the same time. Although there were not many of them, each of them had a condensed aura and was obviously an elite.

The two sides are on the verge of a war.

At this moment, Kai's voice came from the courtyard: "No need to talk nonsense."

He walked out slowly, followed by Mo Chen, Hu Mazi, Ling Xue, and all the disciples of the Sword Sect.

Although there were only a few dozen people, they all held their heads high and showed no fear.

"Qin Lie, don't you just want to kill me?"

Kai looked directly at the other person and said, "I want to fight you. It's your own decision to decide your life or death. Do you dare?"

Qin Lie was stunned for a moment, then burst into laughter: "What did you say? You, a Loose Immortal Realm, dare to challenge me, an Eighth-Rank Earth Immortal Realm?"

"Why not?"

Kai gripped the Dragon Slaying Sword tightly. “If I lose, I’ll do whatever you want. If you lose, take your men and get out of Sword Saint City. Never offend again!”

“Kai! No!” Mo Chen said anxiously.

“Mr. Chen, please think twice!” Li Chunfeng also hurriedly stopped him.

Kai waved his hand, his eyes firm: “This is the grudge between him and me, it’s time to put an end to it.”

Qin Lie’s eyes flashed with a sinister gleam. He wished Kai would die on his own initiative. “Okay! I promise you! But if anyone dares to interfere, don’t blame me for being rude!”

Qin Lie walked slowly towards Kai, his spiritual power surging around him, and deep pits were trampled out on the ground.

“Boy, it’s your honor to die under my sword.” Qin Lie swung the long sword in his hand, and the sword energy was so strong that it cut a deep trench on the ground between the two of them.

Kai took a deep breath, and the power of the three tribes in his body circulated at the same time, and the three-colored air currents rushed through his meridians.

He knew that this battle not only concerned his own life and death, but also the survival of the entire Sword Sect.

“Stop talking nonsense and take action!”

Qin Lie’s eyes were filled with murderous intent. Without hesitation, he swung his sword forward with the force of splitting mountains and splitting rocks. Before the sword wind arrived, layers of air waves had already been stirred up on the ground.

“Come on!” Kai shouted softly, and the Dragon Slaying Sword turned into a golden light and rushed forward.

“clang!”

The sound of metal clashing was deafening, and the ground beneath the two men’s feet exploded at the same time, and gravel flew everywhere.

Kai only felt a huge force coming, his arm became numb instantly, and he took three steps back before he could steady his body, with a trace of blood flowing from the corner of his mouth.

“Sure enough, he’s vulnerable!” Qin Lie sneered and took advantage of the victory to pursue him. His long sword fell like a violent storm, and the sword energy crisscrossed, blocking all of Kai’s retreat routes.

Chapter 5317

Kai used the Fire Control Step to its full potential, his figure moving through the sword shadows like a ghost, while the Dragon Slaying Sword tightly protected his vital points. Every collision made his blood boil.

“Is Kai looking for death?” Hu Mazi stamped his feet anxiously.

“He is testing Qin Lie’s strength.”

Li Chunfeng said in a deep voice, “Qin Lie’s swordsmanship is fierce and domineering, with very few flaws. It will be difficult for Kai to find an opportunity.”

On the field, Kai’s situation became increasingly dangerous.

Qin Lie’s sword speed became faster and faster, and the sword energy condensed into the shadow of a tiger, opening its bloody mouth and pouncing towards Kai.

“roar!”

Wherever the tiger’s shadow passed, the air was torn apart, making a shrill scream.

A trace of determination flashed in Kai's eyes, and the evil spirit in his body suddenly burst out, and a layer of black mist covered the Dragon Slashing Sword: "Dragon Slash!"

A black dragon formed by evil spirit roared and rushed out, colliding fiercely with the phantom of the tiger.

"boom!"

The air waves swept in all directions, and the onlookers retreated one after another.

After the smoke cleared, Kai's face was pale and there was a collapsed part in his chest. It was obvious that he had suffered serious injuries.

Qin Lie also took a step back, with a hint of surprise on his face.

"Interesting." Qin Lie licked his lips, "Unfortunately, it's not enough!"

He gripped the hilt of the sword with both hands, and spiritual energy surged into it crazily, and a blazing fire ignited on the sword: "Burning Heaven Sword Technique!"

The sword shadows were numerous, and each sword carried a high temperature that could burn mountains and boil seas. The air was distorted by the burning.

Kai's pupils suddenly shrank. He could feel that the power of this sword technique was several times stronger than before. If he was hit head-on, he would definitely die.

"That's the only way!"

Kai gritted his teeth, and the power of the dragon in his body circulated wildly, and golden scales emerged from under his skin.

Soon the indestructible golden body was activated, and Kai was covered with golden scales.

“Is this... dragon scales?” Ling Xue exclaimed in surprise.

Mo Chen was also shocked: “Could this kid be a descendant of the dragon clan?”

Qin Lie saw the dragon scales, and a trace of greed flashed in his eyes: “So you are a bastard of the dragon clan! No wonder you are so difficult to deal with!”

His attacks became more fierce, and every sword move was aimed at Kai’s vital points.

Kai no longer held back. The power of the dragon poured into his legs, and his body suddenly accelerated. He narrowly avoided the sword edge, and at the same time, the Dragon Slaying Sword swept out, pointing directly at Qin Lie’s throat.

“A mere trifle!” Qin Lie turned his wrist and blocked the attack with his sword.

At this moment, Kai quietly condensed a ball of golden light in his left hand, and took advantage of the moment when Qin Lie blocked it to slam it towards his chest!

“The dragon is angry!”

The golden ball of light exploded, and the dragon’s might spread. Qin Lie felt a tightness in his chest, his blood surging, and he was actually pushed back five steps.

“You’re looking for death!”

Qin Lie was shocked and angry. He didn’t expect that Kai had hidden such a powerful killing move.

Killing intent surged in his eyes, and he raised his sword high above his head. His spiritual power condensed into a giant fireball: “Burn the heavens and destroy the earth!”

The fireball rose like a small sun, and the high temperature it emitted caused the surrounding monks to release their spiritual power to protect their bodies.

Kai looked at the fireball that was enough to burn him to ashes, and a hint of determination flashed in his eyes.

“It seems that I have to use it.”

Kai slowly raised his left hand and clenched the air.

“Buzz...”

A slight buzzing sound was heard, and the pitch-black God King Bow appeared out of thin air in his hand. The golden patterns on the bow seemed to come alive, emitting a faint golden light.

“That’s... a divine weapon!”

“It’s actually the God King Bow! The legendary artifact that can shoot down gods!”

The monks watching were in an uproar, their eyes filled with shock and greed.

Qin Lie also looked incredulous: “How did the God King Bow end up in your hands?”

Kai did not answer. He placed his right hand on the bowstring, and the Taoist evil energy in his body instantly condensed into a dazzling arrow feather.

“Go to hell!”

Kai let out a low shout and released his right hand.

The arrow shot out like a meteor, carrying the momentum to tear the sky and the earth apart. It instantly crossed a distance of dozens of feet and shot towards the huge fireball.

Chapter 5318

“boom!”

The moment the arrow feather collided with the fireball, time seemed to stand still.

Then, a devastating energy burst out, the golden light swallowed up everything, and even the space was shaking slightly.

Everyone was shocked by this power and subconsciously closed their eyes.

When the light faded, the scene on the field made everyone gasp.

Qin Lie was half-kneeling on the ground, with a hideous bloody hole appearing on his chest, blood gushing out, and the purple-gold armor was broken into several pieces.

He looked at the wound on his chest in disbelief, his eyes filled with fear.

Kai was not in a much better condition. The backlash from the God King's bow caused his meridians to be broken, blood kept flowing from the corners of his mouth, and his body was shaking.

“I...I actually lost?”

Qin Lie muttered to himself, and then a hint of madness flashed in his eyes, “No! I didn't lose!”

He suddenly raised his head and looked at the people behind him: “What are you still standing there for? Go! Kill him! Take the artifact!”

Greed flashed in the Blood Armored Monk's eyes, and he rushed out first: "The God King's Bow is mine!"

Not willing to be outdone, You Wuxie rushed towards Kai with a swirling black aura: "Kai, your body belongs to me!"

Youyue and You Wuji followed closely behind, and masters from various sects also took action. Everyone was attracted by the God King Bow and Kai's dragon bloodline, and had long forgotten the previous agreement.

"Despicable!"

Li Chunfeng roared angrily, drew his sword, and rushed towards the blood-armored monk.

"Protect Mr. Chen!"

Nan Batian and Xiao Cui attacked at the same time, and the monks in the Information Building formed a human wall to block the rushing enemies.

Mo Chen and Hu Mazi helped Kai retreat, while Ling Xue stood in front with a long sword in her hand, looking at Youyue who was rushing towards her with cold eyes.

"Die, little bitch!"

A bone whip appeared in Youyue's hand, and it whipped towards Lingxue with a sound of breaking through the air.

"Get out of here!" Ling Xue shouted angrily, and the long sword stabbed out like a startled wild goose, forcing Youyue back.

A melee broke out instantly!

Li Chunfeng fought with the Blood-Armored Monk. Both of them were at the ninth level of the Earthly Immortal Realm. The sword energy collided

with the blood-colored light shield, and every fight changed the color of the sky and the earth.

Nan Batian, holding the Axe of Creation, was extremely brave and blocked the siege of several earthly immortal monks.

Xiao Cui was agile and the silver needles in her hand were aimed at the enemy's vital points, and the cooperation between them complemented each other perfectly.

Although the disciples of the Sword Sect were relatively weak, they were all fearless and fought together with the evil cultivators of the Evil Dao Hall. The sounds of screams and weapons clashing were endless.

Kai leaned against the wall, watching the melee in front of him, feeling extremely anxious.

He wanted to help, but he didn't even have the strength to raise his hand. The backlash of the God King's Bow was more serious than he had imagined.

This time, using the God King Bow almost exhausted the Dao pattern evil energy in Kai's body.

"Kai, how are you?" Hu Mazi asked anxiously while using talismans to resist the attack.

"I'm fine..."

Kai coughed up a mouthful of blood, and a trace of despair flashed in his eyes. Is he really going to die here today?

"Let me help you escape. I'm afraid these people won't be able to hold out for much longer."

Hu Mazi wants to take Kai away!

Kai shook his head. These people were fighting to the death with Qin Lie and others just to save him.

How could Kai just leave?

“Fire Qilin...”

Kai shouted loudly.

A red light burst out from the storage ring and fell to the ground.

The Fire Kirin, covered with red scales, opened its mouth and let out a childish roar.

Although the Fire Qilin has grown a lot, it is still a cub.

“Is this... the Fire Qilin?” Mo Chen exclaimed in surprise.

The little fire unicorn seemed to sense Kai’s crisis. A fierce light flashed in his eyes and he took a deep breath.

“roar!”

A deafening roar sounded, and the little Qilin’s body grew larger at a speed visible to the naked eye. In the blink of an eye, it grew into a giant beast several meters tall, with raging flames burning all over its body, emitting the pressure of a divine beast.

Chapter 5319

“Divine beast! It’s actually a Fire Qilin!”

“It’s great! If I can catch it, I can refine the elixir and break through the realm!”

More people were attracted by the Fire Kirin and changed direction and rushed towards this side.

The Fire Qilin roared angrily and spewed out a fire dragon, instantly burning the several cultivators in the front to ashes.

It rubbed its head against Kai, its eyes full of affection.

“Fire Qilin, stop them!” Kai said weakly.

The Fire Qilin seemed to understand his words. It turned around to face the oncoming enemy, opened its mouth wide, and shot out countless fireballs like a meteor shower.

“Boom! Boom! Boom!”

Explosions rang out one after another, and the monks who rushed over were blown to the ground by fireballs, temporarily alleviating the crisis.

But this is only temporary. The main forces of the Sixth Palace of the Temple and the Palace of Evil have not yet been deployed. Once they attack with all their strength, even with the help of the Fire Kirin, it will be difficult to resist.

The Blood Armored Monk was in the middle of a fierce battle with Li Chunfeng. When he saw the Fire Kirin, a hint of greed flashed in his eyes: “Li Chunfeng, I’ll let you go today!”

He feigned a move, turned around and rushed towards the Fire Qilin: “The divine beast is mine!”

Li Chunfeng hurriedly chased after him, but was stopped by several temple monks. He could only watch the blood-armored monk pounce on Kai.

“Kai, die!”

The blood-armored monk slapped Kai with his palm, and the blood-colored light shield carried destructive power.

A trace of despair flashed in Kai's eyes. He no longer had the strength to resist.

At this moment, two old voices sounded at the same time:

“Wulian Tianzun, benefactor, stop!”

“To bully the few with the many is really too ugly!”

Two golden lights shot out like meteors and landed precisely on the palm print of the Blood-Armored Monk.

“boom!”

The blood-armored monk was knocked back three steps and looked at the newcomer in surprise and suspicion.

Two old Taoist priests appeared in the scene. One of them held a whisk and had white hair and a youthful face. The other one wore a Taoist robe and looked solemn.

Behind them, there were dozens of Taoist priests, each with a powerful aura.

“Master Wuji? Master Wuwei?” Kai was surprised and delighted. “Why are you here?”

Kai didn't expect to meet these two people here.

After the seal of the heavenly world was lifted, Taoist Wuji took Taoist Wuwei's soul back to the heavenly world, and Kai never saw the two again.

Unexpectedly, these two people appeared at this time.

Taoist Wuji stroked his beard and smiled, “Kai, your reputation is well-known to us in the Fifth Heaven. It's impossible for us not to know you.”

“I heard today that there’s an evil spirit causing trouble here, so I came here to get rid of it.”

Taoist Wuwei also smiled slightly: “Kai, the Temple is colluding with the devil and killing lives. How can my Leiyin Temple sit idly by and watch?”

The Blood-Armored Monk’s face was gloomy: “You want to intervene?”

“No.” Taoist Wuji looked at Kai, “We are here to lend a helping hand to Kai.”

“Kai is my disciple’s man, and I don’t want my disciple to be a widow.”

After hearing what Taoist Wuji said, Ling Xue looked at Kai with a puzzled look on her face.

She had never heard Kai say that he had a wife or a girlfriend.

Now a daughter-in-law suddenly appears?

Kai glanced at Ling Xue and said, “I’ll explain to you later. Actually, I have many women...”

“As a monk, it’s normal to have three wives and four concubines. There’s no need to make a fuss.”

Mo Chen said from the side!

Kai was a little embarrassed and didn’t say anything else. He didn’t have only three wives and four concubines. He probably had thirty wives and forty concubines. Kai himself couldn’t even remember how many women he had!

Some of them were for transactions and only had the chance to sleep with each other once, like the two sisters of the Ji family, Ji Meiyang and Ji Meiling. At that time, Kai was forced by the ancestor of the Ji family and had no choice but to sleep with the two sisters!

In order to let the two sisters have his blood, there was actually no affection between them. Kai was completely a stud at that time.

Chapter 5320

At this moment, a trace of fear flashed in the eyes of the Blood-Armored Monk. Leiyin Temple is a large sect with a history of ten thousand years, and its strength should not be underestimated.

But as he looked at the God King Bow and Fire Qilin so close at hand, greed finally overwhelmed his reason: “Then don’t blame me for being rude! Temple disciples, follow my command, kill!”

“kill!”

Hundreds of temple monks attacked at the same time, and the blood-colored light shields connected into one and surged like a tide.

“Disciples of Leiyin Temple, form a formation!” Taoist Wuwei shouted.

Dozens of Taoists chanted Taoist scriptures at the same time, and the golden divine light condensed into a huge palm print, slapping towards the blood-colored light shield.

“Disciples of the Sword Sect, set up the formation!” Mo Chen hurriedly shouted upon seeing this.

The disciples of the Sword Sect stepped on the Seven Stars, and their spiritual power condensed into a huge immortal sword, slashing towards the oncoming enemies.

Li Chunfeng, Nan Batian and others also took the opportunity to counterattack, and the situation on the field was reversed in an instant.

Kai looked at the melee in front of him with mixed feelings.

He didn't expect that at the most desperate moment, so many people would stand up for him.

But he knew this was just the beginning.

The God King's bow, dragon bloodline, fire unicorn... the exposure of these secrets is bound to drag him into a bigger vortex.

The Taoist formation of Leiyin Temple and the Seven Star Sword Formation of the Sword Sect complement each other. The golden divine light and the sharp sword energy intertwined into a net, tearing the blood-colored light shield of the temple monks into pieces.

The Fire Kirin was like a ghost in an empty space. Wherever the flames passed, the black-robed evil cultivators of the Evil Dao Hall were turned into charcoal, and screams rang out one after another.

"Retreat! Retreat quickly!"

An elder from a small sect, seeing that the situation was not good, took the lead in retreating with his disciples.

They were originally lured here by Qin Lie's benefits. Now that they see that both the Temple of God and the Temple of Evil are at a disadvantage, how can they dare to fight?

With the first one, there will be the second one.

The monks from various sects dispersed like the receding tide, and most of them were gone in the blink of an eye.

You Wuxie looked at his disciples falling down in groups, and a trace of fear flashed in his eyes.

The Taoist skills of Leiyin Temple are the nemesis of these evil practitioners. If they continue to fight, their entire army will be wiped out.

“Walk!”

You Wuxie made a prompt decision and took Youyue and You Wuji with him, transforming into a black cloud and escaping without even bothering to take the altar with him.

The Blood-Armored Monk’s face turned pale as he looked at the disastrous situation.

He originally wanted to snatch the God King Bow and the Fire Kirin, but he didn’t expect the great god Leiyin Temple to show up halfway.

If I don’t leave now, I’m afraid I’ll die here.

“Let’s go!”

The Blood-Armored Monk didn’t even glance at Qin Lie, and left with the temple disciples as a stream of light.

They had originally come here only to follow the orders of the Sixth Palace Lord. Now that the mission had failed, they naturally would not be buried with an unrelated Qin Lie.

In the blink of an eye, only Qin Lie and his son and a few assassins from the Excalibur Villa were left in the originally dense crowd.

Qin Lie looked at the empty surroundings, then looked at Kai and his men approaching step by step. His face lost all color and his eyes were filled with despair.

“No... Impossible!”

Qin Lie muttered to himself, the long sword in his hand clanging to the ground, “How could my Divine Sword Villa, with its thousands of years of history, be defeated by a little brat like you!”

Kai walked slowly up to him, the blood on the Dragon Slaying Sword still stained. “Qin Lie, you colluded with the demons and murdered your fellow practitioners. Today is the day you die.”

“Dad! Save me! I don’t want to die!”

Qin Feng, lying on the ground, cried miserably, and the blood from the broken wound dyed the ground red.

Qin Lie suddenly looked at Kai, a hint of madness flashing in his eyes: “Kai! If my son dies, I will not let you go even if I become a ghost!”

He suddenly jumped up and rushed towards Kai, wanting to die together with him.

“Stubborn!”

Kai’s eyes turned cold, and the Dragon-Slaying Sword flashed a cold light.

“Puff!”

Blood splattered as Qin Lie’s head rolled to the ground, his eyes wide open, as if he died with his eyes open.

Qin Feng looked at his father’s body, his body limp with fear, his urine and feces flowing out: “Mercy... Please spare me...”
