Chapter 5461

What was even more shocking was that the soul threads on the magic sword began to dissipate rapidly, as if it had met its nemesis.

“This…what kind of power is this?”

Soul Devourer was completely desperate.

He finally realized that the gap between himself and the white-haired old man in front of him was simply a world of difference!

“Now do you understand the difference?”

The Fire Spirit Star Lord said calmly, “In front of me, you are nothing but a clown.”

After saying this, the Fire Spirit Star Lord gently clenched his right hand.

“Bang!”

With a loud bang, the Soul Devouring Demon Sword of the Soul Devouring Lord shattered in an instant, turning into countless black demonic auras and dissipating into the air.

Soul Devourer himself was also knocked back repeatedly by the huge recoil force, and a large mouthful of blood spurted out of his mouth.

“puff!”

Soul Devourer staggered back a few steps, his face as pale as paper, his eyes filled with fear and disbelief.

He never imagined that he would be defeated so completely and miserably!

“No… Impossible! I’m the Soul Devourer! How could I possibly lose!”

Soul Devourer yelled madly.

He was unwilling to accept this fact and unwilling to believe that he was so vulnerable.

“Alas, you are stubborn and stubborn.”

The Fire Spirit Star Lord sighed softly.

He waved his right hand again, and a golden flame flew out from his hand, instantly catching up with the Soul Devourer.

“ah!”

The Soul Devourer let out a scream, and his body was surrounded by golden flames.

Under the burning of the golden flames, the evil energy on Soul Devourer’s body began to dissipate rapidly, and his body gradually shrank in the flames.

“No! I won’t accept it! I won’t accept it!”

Soul Eater yelled madly, but was powerless to do anything.

Finally, under the burning of the golden flame, the Soul Devourer turned into a black ball of light and was casually collected into a jade bottle by the Fire Spirit Star Lord.

Seeing this scene, Chen Ping and others were completely dumbfounded.

They never expected that such a powerful Soul Devourer would be so vulnerable in front of this white-haired old man. It was just like an adult bullying a child!

“This…this is too amazing!”

Zi Yuan said in shock, her voice trembling.

Wu Hao also nodded, his face full of disbelief: “Yes, I have never seen such a powerful existence! Soul Devourer is like an ant in front of him!”

Ling Yue looked at Huo Ling Xingjun, her eyes filled with awe: “Who on earth is this senior? His strength is so terrifying!”

Hu Mazi also shook his head, his face full of shock: “I don’t know, but judging from his strength, he is definitely a legendary existence!”

Everyone was deeply shocked by the scene before them and could not recover for a long time.

They never imagined that there would be such a powerful existence in the world!

Chen Ping was also extremely shocked when he looked at the Fire Spirit Star Lord.

Although he knew that the Fire Spirit Star Lord was very powerful, he didn’t expect him to be so powerful!

“It seems that I still underestimated this senior.” Chen Ping thought to himself.

The Fire Spirit Star Lord put away the jade bottle and turned to look at everyone.

“How’s your Firebending practice going?”

The Fire Spirit Star Lord walked up to Chen Ping and asked!

“I…” Chen Ping was a little embarrassed. He had not practiced the Fire Control Step to perfection and could not reach the level of a hundred miles in one step.

Seeing Chen Ping’s expression, Fire Spirit Star Lord knew that Chen Ping had not practiced much, but he was not angry.

“Okay, the matter has been resolved, and it’s time for me to leave…”

The Fire Spirit Star Lord said lightly!

“Farewell, Star Lord…”

Lingxi was the first to salute the Fire Spirit Star Lord.

Seeing this, the others knelt on the ground and thanked the Fire Spirit Star Lord for saving their lives.

If it weren’t for the Fire Spirit Star Lord, they would have already become the dead souls of the Soul Devourer’s subordinates.

Chen Ping also bowed to the Fire Spirit Star Lord and said, “Thank you very much for saving me, Star Lord. I cannot express my gratitude enough…”

Chapter 5462

Just as the Fire Spirit Star Lord was about to turn and leave, the clear sky suddenly changed color.

Boom

——!!!

A deafening roar came from the sky, as if the heaven and earth were about to collapse.

The dark clouds that were originally dispersed by the Fire Spirit Star Lord not only gathered again, but also became thicker. The entire sky was instantly shrouded in a strange dark red color.

“Um?”

The Fire Spirit Star Lord stopped and for the first time a solemn look appeared on his originally calm face.

He slowly turned around, looked up at the sky, and a hint of imperceptible surprise flashed in his eyes.

Kai and the others also looked up and saw that the dark red clouds in the sky were spinning rapidly, forming a huge vortex.

In the vortex, countless dark red lightnings danced wildly, emitting bursts of heart-pounding thunder.

What is even more shocking is that in the center of the dark red vortex, a huge black hole appeared!

Inside the black hole, there is a suffocating and terrifying atmosphere, as if even light is about to be swallowed up.

“this

What is going on?

Zi Yuan said in shock, her voice trembling.

Wu Hao also looked pale: “Okay

What a terrifying aura! Even scarier than the Soul Devourer! ”

Ling Yue tightly gripped the staff in her hand, her eyes filled with alarm: “Is there another powerful monster about to appear?”

Hu Mazi shook his head, his face full of solemnity: “I don’t know, but judging from this aura, it is definitely an extremely terrifying existence!”

Everyone felt an inexplicable fear. Even those who had just experienced a life-or-death battle felt unprecedented pressure in the face of this sudden and bizarre phenomenon.

call out

——!!!

At this moment, a dark red beam of light shot out from the black hole and instantly arrived above the valley.

In the beam of light, a figure can be vaguely seen slowly emerging.

As the beam of light gradually dissipated, a middle-aged man in a crimson robe appeared in front of everyone.

The middle-aged man looked to be about forty years old, with a handsome face but a hint of evil charm. His eyes were like two burning flames, emitting a strange red light.

His hair was as black as ink, but with a hint of dark red flame at the ends.

He was surrounded by a faint dark red flame, and his entire body exuded an indescribable terrifying pressure, as if even the air was about to be ignited by him.

The most shocking thing is that there is a strange fire totem on his forehead!

The totem was wriggling slowly like a living thing, emitting a heart-pounding evil aura.

“this

This is”

Ling Xi said in shock. She could feel that the strength of the middle-aged man in front of her was definitely not inferior to that of the Fire Spirit Star Lord!

Kai and others were stunned. They had never seen such a terrifying existence.

The aura emanating from this middle-aged man is even more terrifying than that of the Soul Devourer just now!

However, what shocked them most was the reaction of the Fire Spirit Lord.

The originally calm face of the Fire Spirit Star Lord was now filled with solemnity. He clenched his fists tightly, and a hint of disbelief flashed in his eyes.

“Leave

Lihuo Demon Lord?”

The voice of the Fire Spirit Star Lord trembled a little, and it was obvious that he recognized the person in front of him.

The Fire Demon Lord?

Everyone was confused, as they had never heard of this name.

But judging from the reaction of the Fire Spirit Star Lord, this Fire Demon Lord is obviously an extremely terrifying existence.

The Fire Demon Lord slowly opened his eyes, and his gaze swept across the entire venue like two flames, finally stopping on the Fire Spirit Star Lord.

“Hehe

Fire Spirit Star Lord, long time no see.”

The corner of Lihuo Demon Lord's mouth curled up into an evil smile, and his voice was a little hoarse but full of magnetism.

Chapter 5463

Fire Spirit Star Lord took a deep breath and forced himself to calm down: "Fire Demon Lord, you

Weren't you sealed in the Nine Heavens' Flame Prison a long time ago? How did you appear here?

The Fire Demon Lord laughed heartily: "Seal? You think those old guys can seal me? How naive!"

He paused, a cold look flashing in his eyes. "Not only have I escaped, but I'm even stronger than before! I came here today to settle accounts with you!"

"Settlement of accounts?"

Fire Spirit Star Lord frowned, "I have no grudges against you in the past or in the present, what are you looking for to settle with me?"

"No grudges or hatred?"

The Fire Demon Lord sneered, "If you hadn't teamed up with those old guys to attack me, how could I have been sealed in the Flame Prison for so many years? We must settle this account today!"

Everyone understood what was going on.

It turns out that these two are both ancient powerful men from the Ninth Heaven, and they also have unknown grudges!

The Fire Spirit Star Lord's expression changed. "You were the one who started it all back then! You killed countless lives in order to cultivate your evil skills. We were simply enforcing justice!"

“Doing justice for the heavens?”

The Fire Demon Lord laughed wildly, “How ridiculous! The strong prey on the weak, the fittest survive, this is the law of the universe! Those rubbish die, so what does it have to do with me?”

A trace of cruelty flashed in his eyes: “Today, I will not only seek revenge on you, but also make the entire Sixth Heaven pay for the suffering I endured back then!”

After saying this, Lihuo Mojun’s gaze fell on the jade bottle in Huoling Xingjun’s hand.

“Lord Fire Spirit, give me the jade bottle in your hand!”

Lihuo Demon Lord said coldly.

Fire Spirit Star Lord subconsciously tightened the jade bottle in his hand: “What do you want to do?”

“What?”

The Fire Lord smirked, “Of course I’ll release the Soul Devourer! He’s the son of a dear friend of mine from many years ago. How could I just watch him being sealed away by you?”

“you”

Fire Spirit Star Lord’s expression changed, “Do you want Soul Devourer to continue wreaking havoc on the world?”

“A disaster for the world?”

The Fire Demon Lord said disdainfully, “This world is a world where the strong prey on the weak, and the strong reign supreme! Soul Devourer has the power to rule this world, that’s his ability! You so-called righteous people are just jealous of his strength!”

He paused, a cold look flashing in his eyes. “Fire Spirit Star Lord, I’m asking you one last time, will you hand over the jade bottle or not?”

The Fire Spirit Star Lord tightly grasped the jade bottle, his face filled with determination. “I will never give it to you! The Soul Devourer has murdered living beings, his crimes are heinous. I will never let you release him!”

“Great! What a righteous Fire Spirit Star Lord!”

The Fire Demon Lord laughed wildly, “Since you won’t accept my toast, don’t blame me for being rude!”

After he finished speaking, the dark red flames around the Lihuo Demon Lord suddenly surged, and the aura he exuded became even more terrifying.

boom

——!!!

With a loud bang, a terrifying aura burst out from the body of the Lihuo Demon Lord, and the entire valley was shaking violently.

The surrounding air seemed to be ignited, and the temperature instantly soared to a terrifying level.

Kai and others felt suffocated. They could feel that the strength of the Lihuo Demon Lord was definitely not inferior to that of the Huoling Star Lord!

“Lord Fire Spirit, let us settle the score today!”

The Fire Demon Lord roared, his figure flashed, and he rushed towards the Fire Spirit Star Lord in an instant.

boom!!!

The speed of Lihuo Demon Lord was astonishingly fast, and he arrived in front of Huoling Star Lord almost instantly.

His right hand formed into a claw, carrying a terrifying dark red flame, and grabbed towards the chest of the Fire Spirit Star Lord.

The claw wind whistled, and the air was torn apart wherever it passed, making bursts of sharp sounds of breaking through the air.

Chapter 5464

The Fire Spirit Star Lord's face changed. He didn't expect that the Fire Demon Lord's speed would be so fast!

He quickly dodged sideways and swung his right hand. A golden flame flew out of his hand and blasted towards the Fire Demon Lord.

Bang!!!

The golden flames and the dark red flames collided with each other, making a loud noise that shook the earth.

The terrifying energy fluctuations spread in all directions with the two of them as the center.

Crack! Crack!

The surrounding mountains began to collapse under this terrifying energy fluctuation, and the earth cracked into bottomless chasms.

The clouds in the sky were shaken apart, revealing a hideous dark red vortex.

Kai and the others felt their world spinning, and they quickly mobilized their spiritual energy to resist the terrifying shockwave. [Seeking help, ~追′嶂, Xin~Zhang-結.]

However, what shocked them even more was the fate of the demon cultivators and demon spirits around them.

ah

——!!!

A shrill scream rang out, and the demon cultivators and demon souls that had originally surrounded the valley were instantly vaporized by this terrifying energy fluctuation! Not even a trace was left!

“not good!”

Kai’s face changed. He realized that if he allowed these two ancient warriors to continue fighting, not only would they be affected, but the entire Sixth Heaven might be destroyed!

“Everyone, quickly hide in the Dragon Pattern Bell!”

Kai shouted and took out the dragon-patterned bell from his storage ring.

Buzz

——!!!

A clear chime rang out, and the dragon-patterned bell instantly grew larger, emitting a golden light that enveloped Kai and the others. [The following appears unrelated and likely a separate topic:] ...

Under the protection of the dragon-patterned bell, Kai and others felt that the pressure on them was suddenly relieved a lot.

But they could feel that the battle outside was becoming more intense.

Boom! Boom! Boom!!!

Loud noises continued to be heard, and the entire valley was shaking violently.

The scene outside became even more terrifying. The mountains collapsed, the earth cracked, and the dark red vortex in the sky became even more hideous.

Kai and others looked out through the gap in the dragon-patterned bell and saw the Fire Spirit Star Lord and the Fire Demon Lord fighting fiercely in mid-air.

Golden flames and dark red flames intertwined in the air, forming gorgeous and dangerous bands of light.

Every collision produced a deafening roar and generated terrifying energy fluctuations.

The Fire Spirit Star Lord holds a golden flaming sword in his hand, and his sword skills are elegant and sharp.

Each of his swords carried the power to destroy the world. The golden flames seemed to have life in his hands, sometimes turning into a dragon, sometimes into a phoenix, attacking the Lihuo Demon Lord.

The Fire Demon Lord was unarmed, but each of his moves contained terrifying power.

His hands were wrapped in dark red flames, sometimes turning into sharp claws, sometimes into fists, and engaged in a fierce collision with the flaming sword of the Fire Spirit Star Lord.

Ding! Ding! Ding!!!

The sound of metal colliding continued to ring out, and sparks flew everywhere.

The golden flames and the dark red flames continued to intertwine and collide in the air, generating countless terrifying energy shock waves.

The surrounding space began to distort, as if it would collapse at any time.

The distant mountains were easily destroyed like tofu under this terrifying energy fluctuation.

ah

——!!!

Another scream was heard, and a mountain not far away was instantly razed to the ground by the terrifying energy shock wave!

All living creatures on the mountain, whether they were demon cultivators or ordinary beasts, were vaporized in an instant!

Kai and the others were stunned. They had never seen such a horrific battle scene! This was no longer a battle between humans, but a war between gods and demons!

“too

It’s so scary!”

Zi Yuan said in shock, her voice trembling.

Wu Hao also turned pale: “This

Is this the strength of an ancient warrior? It’s simply too terrifying! ”

Chapter 5465

Ling Yue tightly grasped the staff in her hand, her eyes filled with fear: “If

If we didn’t have the protection of the Dragon Pattern Bell, we would have been vaporized by this terrifying energy fluctuation! ”

Hu Mazi shook his head, his face full of solemnity: “These two are too powerful. I’m afraid the entire Sixth Heaven can’t withstand it!”

Ling Xi watched the fierce battle outside, her eyes filled with worry: “This can’t go on. Their fight will destroy the entire Sixth Heaven!”

Everyone was silent. They knew Lingxi was right, but facing such a powerful being, they were powerless.

boom

——!!!

Another loud bang was heard, and the attacks of the Fire Spirit Star Lord and the Fire Demon Lord collided again.

This collision was even more terrifying than the previous one. The golden flames and the dark red flames formed a huge energy ball in the air.

Crack! Crack!

Cracks began to appear in the surrounding space, as if it would collapse at any time.

The dark red vortex in the sky became more ferocious, and the black hole became larger.

ah

——!!!

Countless screams rang out at the same time, and all living creatures within a radius of dozens of miles, whether they were demon cultivators, demon souls, or ordinary animals and plants, were instantly vaporized by this terrifying energy shock wave!

The entire valley instantly turned into a dead ruin!

Kai and others looked out through the cracks in the dragon-patterned bell, only to see that the scene outside had become like hell.

The earth cracked into bottomless chasms, mountains collapsed, rivers dried up, and the air was filled with a burning smell.

This is the power of the battle between ancient strong men!

The aftermath alone is enough to destroy everything!

Boom! Boom! Boom!!!

The fierce battle continued. The figures of Fire Spirit Star Lord and Fire Demon Lord kept flashing in the air. The golden flames and dark red flames intertwined together, forming a series of gorgeous and dangerous light bands.

The Fire Spirit Star Lord's swordsmanship became more and more fierce, and the golden flames in his hands transformed into various forms.

Sometimes it turns into a roaring dragon, sometimes it turns into a flying phoenix, and sometimes it turns into a tiger descending the mountain. Every move and every style contains terrifying power.

"Flame Dragon Roar!"

The Fire Spirit Star Lord roared angrily and swung the flaming sword in his hand violently. A huge golden fire dragon flew out from the sword, roaring towards the Fire Demon Lord with the power to destroy the world.

Wherever the fire dragon passed, the air was ignited, making bursts of sharp sounds of breaking through the air.

Lihuo Demon Lord's expression changed. He could sense the terrifying power of this attack. But he didn't flinch. Instead, a hint of excitement flashed in his eyes.

“Just in time!”

The Fire Demon Lord laughed wildly and said, “Let me show you what I have accomplished over the years!”

After saying this, the Lihuo Demon Lord formed seals with his hands, and the dark red flames around him suddenly exploded, transforming into a huge flaming phoenix.

“Fire Phoenix!”

The Fire Demon Lord roared, and the huge fire phoenix let out a shrill cry and rushed towards the golden fire dragon.

boom

——!!!

The golden fire dragon and the flaming phoenix collided with a resounding roar that shook the earth. Terrifying energy waves, centered around the two, spread out in all directions.

ah

——!!!

Countless screams rang out at the same time, and in the distance, dozens of mountains were instantly razed to the ground by this terrifying energy shock wave!

Kai and others were watching with fear and trepidation. They could feel that the strength of these two ancient warriors was still increasing!

“this

How is this possible?

Wu Hao said in shock, “Their strength is still improving?”

Ling Yue's face turned pale: "Could it be

Haven't they given their all yet?"

Chapter 5466

Hu Mazi shook his head, his face full of solemnity: "No, they have already given their all! It's just that their strength is too strong. The longer the battle lasts, the more potential they will unleash!"

Kai also frowned, wondering if there was any way to stop this terrifying battle.

boom

——!!!

Another loud bang echoed, and Fire Spirit Star Lord and Fire Demon Lord were simultaneously blown away. They both retreated dozens of steps in the air before they managed to stabilize themselves.

Fire Spirit Star Lord's face was pale, and a trace of blood flowed from the corner of his mouth. Obviously, the collision just now had caused him considerable damage.

The situation of the Lihuo Demon Lord was similar. His face was a little pale, and the dark red flames on his body also became dimmer.

"Hahaha

Fire Spirit Star Lord, I didn't expect your strength to be so strong!"

The Fire Demon Lord laughed wildly. Although his face was pale, his eyes gleamed with excitement.

Fire Spirit Star Lord wiped the blood from the corner of his mouth and said coldly: “Fire Demon Lord, you are not bad! After not seeing you for so many years, your strength has improved a lot!”

“Same here!”

The Fire Demon Lord laughed evilly and said, “However, this battle has just begun! I will let you know who is the true Lord of Fire!”

After saying this, the dark red flames around the Lihuo Demon Lord surged again, and the aura he exuded became even more terrifying.

The Fire Spirit Star Lord was not to be outdone. He took a deep breath, and the golden flames around him became even more dazzling.

boom!!!

The two rushed towards each other again, and the golden flames and the dark red flames collided again in mid-air.

Ding! Ding! Ding!!!

The sound of metal colliding continued to ring out, and sparks flew everywhere.

The golden flames and the dark red flames continued to intertwine and collide in the air, generating countless terrifying energy shock waves.

The surrounding space began to distort, as if it would collapse at any moment. The dark red vortex in the sky became more ferocious, and the black hole became even larger.

ah

——!!!

Another scream was heard, and in the distance, another huge mountain was instantly razed to the ground by this terrifying energy shock wave!

The entire sixth heaven was shaking violently, as if it would collapse at any time.

Even more shocking was the dark red vortex in the sky that began to devour everything around it! Clouds and light were all swallowed up by the giant black hole.

“this

Is this going to destroy the entire Sixth Heaven?”

Zi Yuan said in shock, her voice trembling.

Wu Hao also looked pale: “Too

This is terrifying! This is no longer a battle between humans, this is a war between gods and demons!

Ling Yue tightly grasped the staff in her hand, her eyes filled with fear: “If

If they continue to fight, the entire Sixth Heaven will be destroyed by them!”

Hu Mazi shook his head, his face full of solemnity: “We must find a way to stop them! Otherwise, the entire Sixth Heaven will be destroyed!”

Lingxi looked at the fierce battle outside, her eyes full of worry: “But

But we are no match for them! How can we possibly stop them? ”

Everyone was silent. They knew Lingxi was right. Facing such a powerful being, they were completely powerless.

boom

——!!!

Another loud bang echoed, and Fire Spirit Star Lord and Fire Demon Lord were once again sent flying. They both retreated dozens of steps in the air before they managed to stabilize themselves.

This time, both were more seriously injured. Fire Spirit Star Lord's face paled even more, and more blood flowed from the corner of his mouth. Fire Demon Lord's condition was similar, his face also paled even more, and the dark red flames on his body became dimmer.

Chapter 5467

"Hahaha

Fire Spirit Star Lord, you are no longer able to do this!"

The Fire Demon Lord laughed wildly. Although seriously injured, his eyes gleamed with excitement.

Fire Spirit Star Lord wiped the blood from the corner of his mouth and said coldly: "Lihuo Demon Lord, you are not much stronger! Our strength is similar, neither of us can do anything to the other!"

"Yeah?"

The Fire Demon Lord laughed evilly and said, "That's not necessarily true! I still have a secret weapon that I haven't used yet!"

After saying that, Lord Lihuo suddenly took out a strange black token from his storage ring.

There was a ferocious skull engraved on the token, with dark red flames burning in the skull's eyes.

"this

What's this?"

The Fire Spirit Star Lord's face changed. He could feel the terrifying power contained in this black token.

The Fire Demon Lord laughed wildly and said, "This is the treasure I got in the Flame Prison! With it, I can instantly increase my strength several times!"

After saying this, the Lihuo Demon Lord raised the Soul-Devouring Order above his head and muttered something.

Buzz

——!!!

A strange buzzing sound was heard, and the Soul-Devouring Order instantly burst out with a terrifying dark red light.

In the light, countless shrill screams were heard, as if countless wronged souls were struggling within.

What was even more shocking was that the dark red vortex and black hole in the sky actually began to converge towards the Soul-Devouring Order!

Countless black demonic energies gushed out from the vortex and black hole and poured into the Soul-Devouring Order.

The dark red flames around the Lihuo Demon Lord suddenly exploded, and the aura he exuded became even more terrifying.

His strength actually increased in an instant!

"What?"

The Fire Spirit Star Lord's face changed drastically. He could feel that the Fire Demon Lord's strength had surpassed his in an instant!

"Hahaha

Fire Spirit Star Lord, now you know how powerful I am!”

The Fire Demon Lord laughed wildly and said, “Prepare to die!”

After saying this, the Fire Demon Lord flashed and instantly rushed towards the Fire Spirit Star Lord. His speed was several times faster than before, and he arrived in front of the Fire Spirit Star Lord almost instantly.

The Fire Spirit Star Lord’s face changed drastically. He wanted to dodge, but it was too late.

Bang!!!

The Fire Demon Lord Li punched the Fire Spirit Star Lord in the chest, and the Fire Spirit Star Lord was knocked away instantly.

puff

——!!!

The Fire Spirit Star Lord spat out a large mouthful of blood in the air, and his body flew backwards like a kite with a broken string, and fell heavily to the ground.

“Fire Spirit Star Lord!”

Kai and others exclaimed in surprise. They didn’t expect that the Fire Spirit Star Lord would be defeated so miserably.

The Fire Demon Lord slowly landed on the ground and looked at the fallen Fire Spirit Star Lord with a devilish smile on his face. “Fire Spirit Star Lord, is it time for you to hand over the jade bottle now?”

The Fire Spirit Star Lord struggled to stand up, but the injuries in his body were too severe and he couldn’t move at all.

“you

Don’t even think about it! ”

The Fire Spirit Star Lord said this through gritted teeth.

Lihuo Demon Lord sneered and said, “Since you refuse to hand it over, I will have no choice but to do it myself!”

After saying this, Lihuo Demon Lord flashed and instantly appeared in front of Huoling Star Lord.

He stretched out his right hand and grabbed the jade bottle in the hand of the Fire Spirit Star Lord.

The Fire Spirit Star Lord wanted to resist, but his body was unable to move at all.

call out

——!!!

With a slight sound, the jade bottle was snatched away by the Lihuo Demon Lord.

“Hahaha

Finally got it! ”

The Fire Demon Lord laughed wildly, holding the jade bottle, his eyes flashing with excitement.

Fire Spirit Star Lord was lying on the ground, his eyes full of resentment and anger: “Fire Demon Lord, you

You will regret it!

“regret?”

The Fire Demon Lord said disdainfully, “I’ve never known what regret is!”

After saying this, the Demon Lord Lihuo opened the lid of the jade bottle.

Buzz

——!!!

A strange buzzing sound was heard, and a terrifying black light instantly burst out from the jade bottle.

Chapter 5468

Countless shrill screams echoed within the light, and the Soul Devourer’s figure slowly emerged from the jade bottle. [The following appears to be unrelated text fragments and should likely be omitted.] [The following appears to be unrelated text fragments and should likely be omitted.]

However, at this moment, the Soul Devourer was no longer in the solid physical state he had before, but had turned into a black demonic soul again. “Hahaha… I’m finally out!” Soul Devourer’s voice was filled with excitement and madness. The Fire Demon Lord looked at the Soul Devourer with a devilish smile on his face: “Long time no see.” Soul Devourer looked at Lihuo Demon Lord, a hint of surprise flashing in his eyes: “Li… Lihuo Demon Lord? Why are you here? ” The Fire Demon Lord laughed wildly and said, “Of course I came to save you! If I hadn’t been sealed in the Flame Prison back then, you wouldn’t have ended up like this!” Soul Devourer said with emotion, “Thank you, Demon Lord, for saving me! I cannot express my gratitude enough for your kindness. I am willing to go through fire and water for you in the future!” The Fire Demon Lord nodded with satisfaction: “Alright! Your words are enough. Then we will rule the Nine Heavens together!” Soul Devourer said excitedly, “Alright! Let’s join forces and make the entire Nine Heavens tremble under our feet!” The two men smiled at each other, their eyes gleaming with greed and cruelty. boom ——!!! At this moment, a loud noise was heard, and the Fire Spirit Star Lord suddenly stood up from

the ground. A terrifying golden flame erupted from his body, and the aura he exuded became even more terrifying. “Fire Spirit Star Lord?” Lihuo Demon Lord’s face changed. He didn’t expect that Huoling Star Lord could still stand up. Fire Spirit Star Lord’s eyes burned with flames of anger. He stared intently at Fire Demon Lord and Soul Devourer: “Fire Demon Lord, you actually dared to release Soul Devourer? You are courting death!” Lihuo Demon Lord laughed wildly and said, “Are you courting death? Huoling Star Lord, you are no longer my opponent! If you know what’s good for you, get out of here right now, or don’t blame me for being rude!” Fire Spirit Star Lord said coldly: “You want me to leave? Only if I die!” After saying that, the Fire Spirit Star Lord took a deep breath, formed seals with his hands, and muttered something. Buzz ——!!! A solemn humming sounded, and the golden flames around the Fire Spirit Star Lord suddenly surged, and his overall aura continued to increase. What was even more shocking was that countless golden rays of light appeared in the sky! These rays of light, like sunlight, shot down from the sky and injected into the body of the Fire Spirit Star Lord. “this… This is…” The face of the Lihuo Demon Lord changed. He could feel the sacred and powerful power contained in these golden lights. The Fire Spirit Star Lord’s voice became solemn and sacred: “Demon Lord Lihuo, today I will let you witness the true power of fire!” After saying this, even more terrifying golden flames erupted from the body of the Fire Spirit Star Lord. These flames were no longer the warm golden color as before, but turned into a sacred and majestic golden color! His strength actually reached a new level in an instant! “What?” Lihuo Demon Lord’s expression changed drastically. He could feel that Huoling Star Lord’s strength had surpassed his in an instant! “That’s impossible!” The Fire Lord yelled frantically, “How could you possibly still have such a strong power?” The Fire Spirit Star Lord said coldly, “This is the true meaning of fire that I realized many years ago! This fire contains the purest power in the world and is the nemesis of you evil demons!” After saying that, the Fire Spirit Star Lord flashed and instantly rushed towards the Fire Demon Lord. boom ——!!! With a loud bang, the Fire Spirit Star Lord punched the Fire Demon Lord in the chest. The Fire Demon Lord was instantly knocked away, spurting out a mouthful of blood. puff ——!!! The Fire Demon Lord fell heavily to the ground, his face as pale as paper. He didn’t expect that the Fire Spirit Star Lord actually had such a powerful trump card!

Chapter 5469

Soul Devourer's expression changed drastically when he saw this: "Demon Lord!"

The Fire Demon Lord slowly stood up, his eyes filled with anger. "You've completely pissed me off..." The four cores of Lihuo Demon Lord's body started to burn with raging black flames. Upon seeing this, the Fire Spirit Star Lord also exploded with all the strength in his body without showing any weakness. For a moment, the void began to distort and the entire space fell into turbulence. Now both of them started to unleash their strongest attack. After this attack, I am afraid that the entire Sixth Heaven will no longer exist. Kai and others were also very nervous. If the Sixth Heaven was destroyed, even though they were protected by the Dragon Patterned Bell, they would probably not survive. boom !!! At this critical moment, a dazzling golden flame suddenly shot down from the sky! This flame was unlike any other known flame. It contained a supreme majesty, as if the ancestor of flame had descended upon the world! Golden flames instantly erupted in mid-air, transforming into a gigantic fire phoenix, which let out a cry that shook the heavens and earth! Buzz ——!!!!? The moment the phoenix's cry rang out, the black flames on the Fire Demon Lord and the sacred golden flames on the Fire Spirit Star Lord were suppressed simultaneously! The raging flames, like subjects meeting a sovereign before the golden phoenix, instantly became docile and then extinguished! "What?"? Lihuo Mojun and Huoling Xingjun were both horrified, their faces filled with disbelief. `1.51′x_s.w.,c,o~m?a:5D4. Read ¥ book%?D -{? FollowD the latest 1_ chapter a° section§:? They could feel that the power contained in this golden flame far exceeded their cognition! This is no longer a simple power of fire, but a supreme power that controls the essence of fire! "this... This is impossible! " The Fire Demon Lord cried out, his eyes filled with shock and fear. He had practiced fire for many years and believed that his understanding of fire had reached perfection, but the golden flame before him made him feel an unprecedented sense of powerlessness. The Fire Spirit Star Lord's expression also changed drastically. The true meaning of fire that he had just comprehended seemed so insignificant in front of this golden flame! "Who is it?" The Fire Spirit Star Lord shouted in a deep voice, his eyes scanning the

surroundings vigilantly. At this moment, an old and majestic voice came from the sky: “hehe... Two little bastards playing with fire, dare you call yourself the Lord of Fire in front of me?” Although the voice was old, it contained an unquestionable majesty, as if the heavens and the earth were trembling at his words. “Who are you?!” The Fire Demon Lord shouted sternly, and although he was terrified, he still pretended to be calm. The voice sounded again, with a hint of disdain and ridicule: “You little bastards don’t deserve to know my name! With your meager skills, you dare to claim to control fire? This is laughable!” “When I was playing with fire, you didn’t even know where to drink milk!” “Playing with fire? With your limited strength, are you worthy of it?” Every word was like a heavy hammer, hammering down hard on the hearts of Lihuo Demon Lord and Huoling Xingjun. They could sense that the owner of this voice was definitely an old monster who had lived for countless years! Moreover, the opponent’s control over fire has reached a superb level! “you... What on earth do you want to do? Fire Spirit Star Lord asked in a deep voice. He could sense that the other party had no hostility, but the absolute disparity in strength made him feel extremely oppressed. The voice chuckled and said: “Nothing, I was just passing by and heard someone boasting about how their flames were invincible, so I couldn’t help but come out and teach you ignorant little brats a lesson.”

Chapter 5470

“Remember, there are always people better than you! Don’t think you’re invincible just because you’ve mastered a little bit of the basics!”

“The true way of fire is far more profound than you can imagine!” After saying this, the golden fire phoenix let out a cry, transformed into a stream of light, and disappeared into the sky. Only Lihuo Demon Lord and Huoling Star Lord were left staring at each other, faces filled with shock and shame. “this... Who is this?” Lihuo Demon Lord muttered to himself, his eyes filled with fear. He could sense that if the owner of that voice just now wanted to kill him, it would be as easy as pie! Fire Spirit Star Lord also had a serious expression. He took a deep breath and said in a deep voice: “I don’t know, but what is certain is that this senior is definitely an old monster who has lived for countless years! His control over fire has reached a level that we can’t even imagine!” A flash of fear

flashed across Lihuo Demon Lord's eyes. He glanced at Soul Devourer beside him, then at Fire Spirit Star Lord in the distance, and suddenly made a decision. "Soul Devourer, let's go!" Lihuo Demon Lord said in a deep voice. Soul Devourer was stunned: "Demon Lord, are we leaving just like this?" Lihuo Demon Lord said coldly, "Why are you staying here if you don't want to leave? Didn't you hear what that senior said just now? In front of him, we are just two little pieces of trash!" "If we stay here, what if that senior changes his mind and wants to deal with us? We won't even have a chance to resist!" After saying this, Lihuo Devil Lord no longer hesitated and turned to leave with Soul Devourer. They transformed into two streaks of light and instantly disappeared into the sky. Fire Spirit Star Lord looked in the direction that Lihuo Demon Lord and Soul Devourer fled, but did not pursue them. He knew that with his current strength, it was impossible to keep them. Moreover, the appearance of that mysterious and powerful man just now made him realize how insignificant he was. He needed time to digest his recent insights and re-examine his understanding of the Way of Fire. Fire Spirit Star Lord took a deep breath, his eyes filled with fatigue. At this moment, Kai frowned. He felt a sense of déjà vu when he saw the flame just now. Suddenly, Kai's body shook, and he remembered that it was the ultimate fire of the Flame Demon. Thinking of the Flame Demon, Kai instantly put away the Dragon-Patterned Bell and jumped up. He wanted to chase after him and see who this mysterious man was. However, there was no trace of anything in the sky. However, there are still three remaining auras. Feeling the three auras, Kai's body shook even more violently. Because he discovered that among these three auras, there was the aura of Su Yuqi and Ning Zhi. "Yuqi, Yuqi..." Kai roared loudly, his voice full of helplessness. Everyone didn't know what happened to Kai, so they all gathered around him. Only Hu Mazi heard Kai calling Su Yuqi's name. He was slightly startled and asked, "Kai, have you seen Yuqi?" Kai shook his head: "I can feel her breath..." "Do you know the owner of that flame?" Fire Spirit Star Lord asked Kai in shock. Kai nodded: "If my guess is correct, that flame should be the ultimate fire of the Flame Demon." "Flame Demon?" The Fire Spirit Star Lord frowned, feeling that the name was somewhat familiar. "I once told you that the ultimate demon fire in me comes from this Flame Demon." Kai explained. When the Fire Spirit Star Lord heard this, his body trembled slightly. He remembered that he had once mocked the Flame Demon, saying that the ultimate fire was rubbish and that only the ultimate fire of the Demon

Lord Lihuo was powerful. Now it seems that the fire of this fire demon is much stronger than theirs. Thinking of this, the Fire Spirit Star Lord swallowed his saliva. Fortunately, the Flame Demon was not there when he was bragging, otherwise he would have died long ago.

Chapter 5471

“Fire Spirit Star Lord, are you okay?”

At this moment, Lingxi noticed that Fire Spirit Star Lord’s expression was off, so she asked with concern. Fire Spirit Star Lord shook his head, his face solemn. “I’m fine, just a little exhausted.” He paused, then continued, “However, the Fire Demon Lord has escaped with the Soul Devourer and must have returned to the Ninth Heaven. I’m afraid the Ninth Heaven will never be at peace again.” After hearing this, everyone’s expressions became even more solemn. They couldn’t imagine that if these two people controlled the Nine Heavens, they would definitely seek revenge. “That… So what do we do now?” Ziyuan asked worriedly. Fire Spirit Star Lord took a deep breath and said, “The most important thing now is to recover my strength as soon as possible. I also need to contact those old guys from before to see if they can help!” “Don’t go to the Ninth Heaven without absolute strength…” Everyone nodded. With their current strength, no one except Lingxi could reach the Ninth Heaven. [The following appears to be unrelated text fragments and should likely be omitted.] Baima Academy has released the latest chapter (section). “Alright, I have to go back as soon as possible. I’m afraid it will take me ten or eight years to recover from this battle…” After the Fire Spirit Star Lord finished speaking, he instantly turned into a flame and disappeared! “Let’s go too…” Lingxi said! Everyone nodded and followed Lingxi into the distance. As soon as they walked out of the valley, they were stunned by the scene before them. I saw that the area within a thousand miles around had turned into a dead and silent ruin. The earth cracked into bottomless chasms, mountains collapsed, rivers dried up, and the air was filled with a burning smell. What was even more shocking was that there was still a faint dark red and golden light remaining in the sky! These lights are like colorful ribbons, slowly floating in the sky. “this… Is this the power of the ancient warriors fighting? ” Wu Hao said in shock, his voice trembling. Ling Yue also

turned pale: “Too... It’s so terrifying! The aftermath alone is enough to destroy everything!” Hu Mazi shook his head, his face full of solemnity: “If... If we hadn’t been protected by the Dragon Pattern Bell, we would have been vaporized by this terrifying energy fluctuation!” Zi Yuan looked at the ruins in front of her, her eyes filled with fear: “This place... This place is hell!” Ling Xi looked at the scene in front of her, her eyes full of worry: “If... If more demon kings really descend upon the Sixth Heaven, the entire Sixth Heaven will probably become like this!” Everyone returned to the capital. Although it had been devastated by the war, it was still much better than other places. This time, most of the monks in the Kingdom of God died and need to rest and recuperate. “I am also going back to the Eighth Heaven. The changes in the Ninth Heaven will definitely affect the Divine King Palace.” After returning to the capital, Lingxi said! “Fourth Palace Master, thank you so much for saving me. My Divine Kingdom will never forget it!” Wu Hao said to Ling Xi! Ling Xi didn’t say anything, but looked at Kai and said solemnly: “You must be careful in the future. The Third Palace Master is determined to deal with you. Also, don’t show the treasures on you to others casually in the future, otherwise it will easily lead to a fatal disaster.” “Thank you, Fourth Palace Master, for the reminder...” Kai nodded! “And the Evil Path Palace, they...” Ling Xi had just opened her mouth when Kai was suddenly startled. He then asked, “Has anyone seen the Evil Dao Hall elder Xue Wuying?” Everyone shook their heads. It was all chaos just now and no one paid attention. Kai frowned, knowing that if Xue Wuying escaped, he would be in even greater danger. After all, this guy knew that he had a lot of treasures on him. “In the future, avoid provoking demonic organizations like the Evil Path Temple. They have influence everywhere, and now they’ve even extended their tentacles to our temple.” “Even the God King is worried about this. With your current strength, you are no match for the Evil Path Palace.” Lingxi instructed Kai.

Chapter 5472

Kai didn’t say anything. After all, the Evil Dao Palace was related to Hu Mazi’s people. If he didn’t provoke them, what would happen to the souls of Hu Mazi’s people?

Seeing that Kai didn't say anything, Ling Xi stopped trying to persuade him. Instead, she waved her hand to open the void passage and walked in with the golden armored guards. Soon, the void channel was closed and Lingxi and the others left. Kai stayed in the Sixth Heaven to help Wu Hao rebuild the Divine Capital and practice in the Demon-Suppressing Tower. After all, he now feels that the enemy is becoming stronger and stronger, and his strength is really not enough. During the period of the Sixth Heaven, Ling Yue still brought the disciples of the Medicine King Sect to look for Kai from time to time to fuse their bloodlines. Ziyuan also dedicated herself to Kai and truly became Kai's woman. Taoist Wuji had no choice but to watch Kai playing with women all day long, after all, this was also for the sake of cultivation. Time flies, the years pass by like a shuttle. Three full months have passed since that earth-shattering battle. Kai stood in the Demon-Suppressing Tower with his eyes closed, surrounded by rich spiritual energy of heaven and earth. After three months of hard training, his strength has made a qualitative leap. "boom!" A slight muffled sound came from Kai's body, and his aura suddenly surged. The surrounding spiritual energy seemed to be attracted invisibly and rushed into his body madly. "The fifth level of the Earthly Immortal Realm!" Kai slowly opened his eyes, and a gleam of light flashed in his eyes. For the past three months, he has been practicing in the Demon Suppression Tower almost every day. [Reader ~] The latest 2a chapters have been published. You have to know that three months in the Demon-Suppressing Tower is equivalent to decades of time. If the resources in the Demon-Suppressing Tower had not been exhausted, Kai would have practiced for a while longer. After all, his current strength is not enough to reach the Ninth Heaven. It's difficult to survive in the eighth heaven. "The fusion of the Ultimate Fire is becoming more and more pure!" Kai stretched out his right hand, and a ball of black and white flame slowly burned in his palm. This flame may seem gentle, but it actually contains the power to destroy the world. At this moment, a familiar voice suddenly sounded in Kai's mind. "Boy, you finally broke through to the fifth level of the Earthly Immortal Realm. Not bad, not bad." "Senior? Are you awake?" Kai said in surprise. For the past three months, Demon Lord Chiyun has been in a deep sleep, and Kai thought something had happened to him. "Well, after resting for so long, it's time to wake up." There was a hint of fatigue in the Scarlet Cloud Demon Lord's voice. "However, you better be careful, kid. Although your strength has improved a lot, it is still far from enough to

deal with those truly powerful ones." "I know." Kai nodded. "The Fire Demon Lord and the Soul Devourer have escaped, and the Evil Dao Hall's Blood Shadow is also missing. These people are my biggest concerns." "It's not just them." The Scarlet Cloud Demon Lord's voice grew graver. "Your Demon Suppression Tower is already the envy of many powerful warriors. Now that it's been exposed, your future journey will be difficult." "I know." A hint of determination flashed in Kai's eyes. "But I won't give up. One day, I will surpass all the strong ones and become the true master!" After Kai finished speaking, he walked out of the Demon-Suppressing Tower. At the same time, the reconstruction of Shendu is proceeding in an orderly manner. Wu Hao stood on the city wall of Shendu, looking at the busy scene in front of him, feeling a lot of emotions in his heart. In the great battle three months ago, the capital of God was almost razed to the ground. Countless buildings collapsed and countless people were displaced. However, thanks to the efforts of Wu Hao and other cultivators, the Divine Capital is gradually recovering its former glory. "Lord, the eastern city wall has been repaired." A monk said respectfully. "very good." Wu Hao nodded and said, "Tell everyone that quality must be guaranteed. There can be no room for sloppiness." "yes!" Wu Hao's gaze swept across the entire Divine Capital, his eyes full of relief.

Chapter 5473

After three months of hard work, the capital of the gods has recovered to about 70% of its original state.

The streets became prosperous again and people gradually returned to their normal lives. However, Wu Hao also had a hint of worry in his heart. The Fire Demon Lord and the Soul Devourer have escaped, but these two will never let it go. Once they regain their strength, they will surely make a comeback. By then, the capital of God will probably face another catastrophe. "My Lord, what are you thinking about?" A familiar voice sounded. Wu Hao looked back and saw Ling Yue standing behind him with a report in her hand. "nothing." Wu Hao smiled and said, "I was just thinking about something. By the way, how is the situation of Yaowang Sect?" "Everything is fine. /x^g_g~ks~.~c ¢ o′m?" Ling Yue

nodded. “After three months of blood fusion, the strength of all the disciples of the Medicine King Sect has greatly increased. Moreover, we have also trained a group of new disciples, waiting for Mr. Chen to fuse them. I believe that in no time, the strength of these new disciples will also increase greatly.” After hearing Ling Yue’s words, Wu Hao didn’t know what to say. At this time, he completely regarded Kai as a stud. If Kai was not strong in this aspect, the more than 300 female disciples of the Medicine King Sect would have sucked Kai dry long ago. Especially Ling Yue and Zi Yuan, the two of them secretly competed with each other. As the time for Kai’s blood fusion increased, they gritted their teeth and persisted, trying to surpass each other. However, this made Kai suffer a lot, and he was busy dealing with it all day long. At this time, Kai came out of the Demon Tower. Seeing Kai, Ling Yue was overjoyed and hurried over to him: “Mr. Chen, I have recruited some new disciples. They are all beautiful and all are young ladies. I hope…” “Let me rest for a while, I can’t bear it anymore…” Kai waved his hands repeatedly and refused without waiting for Ling Yue to finish speaking. Ling Yue wanted to say something, but Wu Hao said, “Sect Master Ling, you should let Kai rest. He looks thinner.” “That’s right, Kai is alone, and you have hundreds of people ordering him around. How can he not become skinny…” Zi Yuan walked over quickly and looked at Kai with heartache. “Ziyuan Staff, you’ve been pestering Mr. Chen for three days and three nights without letting go. Aren’t you afraid he can’t stand it?” Ling Yue said coldly! “What about you? Didn’t you also pester him for three days and three nights?” Zi Yuan asked! Soon, Ling Yue and Zi Yuan started arguing about Kai. Kai was speechless for a while, winked at Wu Hao, and then left quickly. Kai planned to find Hu Mazi to sit down and discuss the matter of finding the Evil Dao Temple. But when Kai followed Wu Hao to Hu Mazi’s residence, he found that Hu Mazi was missing. There was only a letter left in Hu Mazi’s room. The letter reads: “Kai, when you read this letter, I have already left the Sixth Heaven and am going to the Seventh Heaven to search for clues about the souls of my people. I know the Evil Dao Palace is not easy to deal with, so I don’t want you to take risks with me. Your current strength is not strong enough, you need to continue training. When you have enough strength, we will go together to settle the score with the Evil Dao Palace. Remember, you must protect yourself well and don’t trust anyone easily. ” After reading the letter, Kai felt mixed emotions. He knew Hu Mazi was doing this for his own good, but he was also worried about Hu Mazi’s

safety. “Master Hu, you…!” Kai couldn’t help but want to curse. “Do you think I’ll be grateful if you do this? Do you know how worried I am about you?” Although he said this, Kai’s heart was filled with emotion. Hu Mazi is one of his few friends in this world. From the secular world to the secret realm, to the celestial realm, and now to the heavenly realm, Hu Mazi has helped Kai a lot. He absolutely couldn’t let anything happen to Hu Mazi. After some thought, Kai made a decision: to go to the seventh heaven to look for Hu Mazi.

Chapter 5474

He knew that the danger level of the Seventh Heaven was far greater than that of the Sixth Heaven, but he had no choice.

Hu Mazi is his friend, and he can’t just sit there and watch Hu Mazi take risks. “Senior, do you think I should go to the Seventh Heaven?” Kai asked the Demon Lord Chiyun. “You decide for yourself.” The voice of the Scarlet Cloud Demon Lord came, “However, you have to think clearly, the danger level of the Seventh Heaven is not comparable to that of the Sixth Heaven. But with your current strength, you should be able to make it in the Seventh Heaven.” “I see.” Kai nodded. He’s currently at the fifth level of the Earthly Immortal Realm. Although he hasn’t yet engaged in actual combat, he should have no problem dealing with a third level of the Human Immortal Realm. The highest strength of a cultivator in the seventh heaven is estimated to be no more than the fifth level of the human immortal realm. As long as they don’t encounter that kind of abnormality, there shouldn’t be any big problems. If he reaches the eighth heaven, with Lingxi’s help, Kai will be able to get by, so there is no need to be afraid! “Kai, are you going to the seventh heaven?” Wu Hao asked. “Yes, I can’t just watch Master Hu take risks on his own.” Kai nodded. “Since you have made up your mind, I won’t stop you.” Wu Hao said solemnly, “However, you must be careful. The water in the Seventh Heaven is very deep, so you must not be careless.” “I will.” Kai nodded. As Kai’s palm flashed with golden light, a void passage leading to the Seventh Heaven was opened. With Kai’s current strength, he can easily tear apart the void passage leading to the seventh heaven. After Wu Hao waved his hand, Kai entered the void passage. He did not say goodbye to Ling Yue and Zi Yuan because he knew that these two women would not

let him go easily. Maybe before leaving, she will exploit him again. He was almost sucked dry. In the void passage, Kai was calm and composed. With his current strength, there was no danger at all in this void passage to the seventh heaven. The moment Kai stepped into the void passage, the surrounding space began to distort and deform. With his current strength of the fifth level of the Earthly Immortal Realm, he thought he could easily cross to the seventh level, but he underestimated the danger of the void passage. Right in the middle of the passage, a terrifying energy turbulence suddenly erupted without warning! “not good!” Kai’s face changed drastically, and he quickly mobilized all his magic power to resist. The turbulence in the void was like a violent tsunami, containing a terrifying force that could tear everything apart. Even though Kai has reached the fifth level of the Earthly Immortal Realm, he still seems so insignificant in front of such great power of heaven and earth. “puff ——” A mouthful of blood spurted out of Kai’s mouth, and he felt as if his internal organs were about to shift. The dragon-patterned bell flew out automatically, releasing brilliant golden light to protect its owner, but in the face of the turbulence in the void, even the Demon-Suppressing Tower began to tremble violently, as if it would be torn apart at any time. “Hold on tight, kid! This is a rare void storm!” The voice of Demon Lord Chiyun sounded in Kai’s mind, with an unprecedented solemnity in his tone. Kai gritted his teeth and tried his best to maintain consciousness. He felt like a small boat in a storm, completely out of control, and being swept towards an unknown direction by the turbulent currents of the void. Time and space lost their meaning at this moment. Kai didn’t know how long he had been swept away, nor did he know where he was being swept towards. After an unknown amount of time, when Kai regained consciousness, he found himself lying on a desolate land. “here it is… where?” Kai looked around in confusion. He immediately used his spiritual sense to explore the surrounding environment, and discovered a fact that shocked him. There is not a trace of fairy spirit in this world, only spiritual energy! “How is that possible?” Kai’s heart was filled with shock and fear. “Isn’t this the heaven?” “Have I returned to the Celestial Realm?”

Chapter 5475

But he quickly rejected the idea.

The scene before him was completely different from the heavenly realm in his memory. He stood up and found himself in a huge canyon. The cliffs on both sides of the canyon are covered with densely packed mines. And at the bottom of the canyon, countless figures are busy. When Kai saw those figures clearly, his pupils suddenly contracted! There were countless human and beast monks wearing tattered clothes, their bodies covered with crisscrossing scars, and some monks even without complete limbs. They were holding simple chisels and hammers, working hard to mine the hard rock. The sun was scorching, and the temperature was astonishingly high, but these monks had no time to rest. Their faces were filled with exhaustion and despair. Sweat mixed with blood flowed down their faces, dripping onto the hot rocks and evaporating instantly. “Hurry up! Hurry up!” A demon monk wearing black armor held a whip and whipped an elderly human monk hard. The old man let out a shrill scream and fell to the ground involuntarily. But he didn’t dare to stop for a moment, and quickly struggled to get up and continue mining spirit stones. “You old thing, you still dare to be lazy!” The demon cultivator snorted coldly and whipped again. A deep bloodstain instantly appeared on the old man’s back, soaking his tattered clothes with blood. But he didn’t dare to resist at all and could only endure it all silently. Not far away, a young beastman monk slowed down his mining speed due to exhaustion. Seeing this, a demon monk immediately rushed up and kicked him to the ground. “Useless! If you can’t even mine this little bit of ore, what’s the point of keeping you!” The demon monk said viciously, raising the mace in his hand and was about to smash it down. “No! Please don’t kill him!” A human woman threw herself on the beastman monk and protected him with her body. “Humph, since you want to protect him so much, then you two can die together!” The demon cultivator said with a sinister smile. Seeing this scene, Kai felt a surge of anger in his heart. He didn’t expect that there would be such barbaric and cruel slavery in this world! These demon monks are simply insane! “These beasts!” A cold murderous intent flashed in Kai’s eyes. Just then, he noticed a row of huge buildings at the end of the canyon. These buildings were hundreds of feet tall and resembled alchemy furnaces, but they were much larger than any alchemy furnace he had ever seen. What shocked him even more was that these huge furnaces were in operation, emitting a scorching breath. Countless spirit stones were continuously transported to the alchemy furnace, and after being refined, they turned into immortal stones of extremely high purity! “What?” Kai was shocked.

“They are actually refining spirit stones into immortal stones?” He finally understood! Although this world only has spiritual energy but no immortal energy, the demon cultivators here have mastered the technology to refine spiritual stones into immortal stones! “What on earth is this place?” Kai was filled with doubts, “How could the chaotic flow of the void bring me to such a strange world?” At this moment, the demon monk holding the mace walked towards the human woman and the beast monk. “Die!” The demon monk said with a sinister grin, raising his mace and about to strike down. “stop!” A cold shout suddenly rang out, echoing in the canyon like thunder. Everyone stopped what they were doing and looked towards the source of the sound. A young man in a white robe appeared in the canyon at some point, looking coldly at the demon monks.

Chapter 5476

“Who are you?”

The demon cultivator holding the mace frowned and asked, “This is the territory of our Demon Stone Sect. No outsiders are allowed to enter!” Kai didn’t answer, but instead turned his gaze to the beastman who had been knocked to the ground and the human woman who was protecting him. “Are you all right?” There was a hint of concern in Kai’s voice. The woman raised her head and a hint of surprise flashed in her eyes when she saw Kai. She didn’t expect that someone would dare to resist them on the Demon Stone Sect’s territory! “I... We are fine, thank you for your concern, sir.” The woman said quickly, “But sir, you’d better leave here quickly! These people from the Demon Stone Sect are very cruel, they won’t let you go!” “Hehe, let me go?” Kai sneered, “They are not qualified yet!” As he spoke, Kai turned his gaze to those demon monks. “How dare you, you bastards, mistreat monks of other races like this? Today I will make you pay the price!” “Boy, you’re looking for death!” The demon cultivator holding the mace was furious. “How dare you insult our Demon Stone Sect! Today I will let you know how powerful our Demon Stone Sect is!” As he spoke, the demon cultivator rushed towards Kai, and smashed the mace in his hand towards Kai with a whistling sound. Other demon cultivators also gathered around Kai, wanting to show their strength in front of the guardian. A disdainful smile appeared on Kai’s

lips. The strength of these demon cultivators is mostly at the Immortal Transformation Realm. In this world dominated by spiritual power, the Immortal Transformation Realm is considered a master. But facing Kai, who is in the Earthly Immortal Realm, they are not even ants. Kai stood there motionless, allowing the mace to hit him. He didn't even dodge or use any means of defense. Relying solely on his physical body, he was able to withstand the attack of the demon cultivator. Not only did he withstand it, the mace in the demon cultivator's hand hit Kai and shattered into pieces in an instant. The demon cultivator looked at the shattered mace in his hand and asked in shock, "You... who are you?" "You don't deserve to know..." Kai smiled coldly, then opened his mouth and spat at the demon cultivator: "Pooh..." With just a light spit, the demon cultivator instantly felt a terrifying pressure coming at him. Before he could react, his entire body was vaporized and disappeared without a trace. This scene stunned everyone! "Who are you? What kind of magic did you use to dare to kill people from our Demon Stone Sect?" "Everyone, let's go together and kill him..." A demon cultivator roared and commanded more than a dozen demon cultivators to attack Kai! More than a dozen demon cultivators surrounded Kai, and all of them burst out with all their strength and attacked Kai! "Tranquility..." Kai snorted coldly and waved his hand casually. A strong wind suddenly arose, and more than a dozen demon cultivators were blown away. While their bodies were still in the air, they turned into a wisp of black smoke and disappeared. He is dead beyond deadness, without even a trace of soul left behind. "this... How is this possible? "How can he be so strong?" The enslaved monks were stunned upon seeing this. He is dead beyond deadness, without even a trace of soul left behind. "this... How is this possible? "How can he be so strong?" The enslaved monks were stunned upon seeing this. They didn't expect that Kai, who suddenly appeared, was so powerful! The demon cultivator who called on everyone to join in the attack was also stunned. He didn't expect that more than a dozen people would be knocked to the ground without even touching the corner of Kai's clothes. "you... Who are you? The demon cultivator asked tremblingly. Kai did not answer, but walked towards him step by step. "Tell me, why do you want to enslave these monks? Why do you want to refine spirit stones into immortal stones?" Kai asked coldly. The demon cultivator looked at the shattered mace in his hand and asked in shock, "You... who are you?" "You don't deserve to know..." Kai smiled coldly, then opened his mouth and spat at the demon cultivator: "Pooh..." With just a light spit, the demon cultivator instantly felt a terrifying pressure coming at him. Before he could react, his entire body was vaporized and disappeared without a trace. This scene stunned everyone! "Who are you? What kind of magic did you use to dare to kill people from our Demon Stone Sect?" "Everyone, let's go together and kill him..." A

demon cultivator roared and commanded more than a dozen demon cultivators to attack Kai! More than a dozen demon cultivators surrounded Kai, and all of them burst out with all their strength and attacked Kai! “Tranquility…” Kai snorted coldly and waved his hand casually. A strong wind suddenly arose, and more than a dozen demon cultivators were blown away. While their bodies were still in the air, they turned into a wisp of black smoke and disappeared. Chapter 5477

“I… I don’t know. I was just watching over these people.”

The demon cultivator trembled with fear and shook his head.

“My benefactor, he won’t know what you’re asking about. Only the higher-ups of the Demon Stone Sect would know. He’s just a small-time henchman.”

A middle-aged cultivator in a gray cloth shirt approached and said.

“Oh!” Kai said,

and with a wave of his hand, the demon cultivator vanished without a trace, transforming into a puff of black smoke.

“My benefactor, thank you for your help.”

The middle-aged cultivator bowed deeply to Kai, his face thick with gratitude.

Kai waved his hand, his gaze sweeping over the surrounding cultivators, who still wore expressions of fear. He said in a deep voice, “Fellow Daoist, I have a few questions for you.”

“My benefactor, I will tell you everything I know,” the middle-aged cultivator said quickly.

“What kind of world is this? Why are so many human and beast cultivators enslaved by the demons to mine spirit stones?” Kai asked.

The middle-aged cultivator sighed, a look of pain on his face. “This is the Yuande Realm, a world focused on spiritual cultivation.

Originally, our Yuande Realm consisted of three races: humans, beastmen, and demons. Although we occasionally fought for resources, there was a certain give and take, maintaining a relative balance.”

“Then why did it become like this?” Kai demanded.

“It all started a hundred years ago.”

A trace of fear flashed in the middle-aged cultivator’s eyes. “A hundred years ago, a celestial immortal suddenly descended upon our Yuande Realm. That immortal was incredibly powerful, capable of destroying the world with a single wave of his hand. He chose to help the demons and suppressed the resistance of our human and beastmen with thundering means.”

“Since then, the demons have enslaved us to mine spiritual stones, and then used the methods taught by that immortal to refine the spiritual stones into immortal stones.” The middle-aged cultivator said bitterly, “That immortal seemed desperate for immortal stones, so he ordered the demons to establish countless such mining sites throughout the Yuande Realm.”

“Why didn’t you resist?” Kai asked doubtfully. “Is there no one in the entire Yuande Realm powerful enough to stand against the demons?”

The middle-aged cultivator gave a wry laugh. “Resist? Of course we didn’t. But that celestial immortal was too powerful. Even the strongest ancestors of our Yuande Realm were no match for him; they were all slain by him. Since then, we’ve lost the power to resist.”

“Furthermore, the demons have placed a restriction on us. If we even think of resisting, we’ll suffer the pain of a thousand ants gnawing at our hearts.”

The middle-aged cultivator said, lifting his sleeve to reveal a black rune on his arm. “Look, this is the slave mark planted by the demons.”

Kai looked at the black rune, his eyes flashing with a cold light.

He could sense the evil aura emanating from it; it was a vicious restriction capable of controlling a person’s mind.

“So you’re just going to let them enslave you?” Kai said gravely.

“What can we do?”

the middle-aged cultivator said helplessly. “Resistance means death. Not resisting at least allows us to linger. Furthermore, the demons are threatening us, threatening to exterminate our people if we don’t obey.”

“What realm is that celestial immortal at?” Kai asked.

“I don’t know,” the middle-aged cultivator shook his head. “In the entire Yuande Realm, no one can withstand a single blow from him.”

Kai pondered for a moment, then continued, “So, where is that immortal now?”

Kai wanted to meet this celestial immortal, especially to learn more about his technique for refining spirit stones into immortal stones.

“That immortal only occasionally appears at the Demon Stone Sect’s main altar, and whenever he does, he takes away a large amount of

immortal stones. Normally, the Demon Stone Sect's leader is in charge of managing our mining operations."

"I don't know where that immortal is now," the middle-aged cultivator said.

Chapter 5478

"How strong is the Demon Stone Sect's leader?" Kai asked.

"Very strong," the middle-aged cultivator said solemnly. "It's said that the Demon Stone Sect's leader has reached the peak of the Transformation Realm, and is only one step away from reaching the Celestial Realm. Furthermore, he possesses some immortal arts imparted by that immortal, making his power unfathomable."

Kai felt like laughing when he heard about the peak of the Transformation Realm. In his eyes, this realm was even weaker than a dog in the Sixth Heaven Layer.

"Fellow Daoist, find a safe place to hide. Once I destroy the Demon Stone Sect, you will be free,"

Kai said to the middle-aged cultivator.

But the middle-aged cultivator shook his head and said, "We can't leave this place. As soon as we leave this area, the restrictions on us will activate, making our lives worse than death."

Kai smiled faintly and said, "That's hard to say. I can help you remove the restrictions."

"My benefactor, this restriction was imparted to the Demon Stone Sect by the Celestial Immortal. It's not something that can be easily removed,"

the middle-aged cultivator said.

Kai said nothing, merely smiled faintly, and casually brushed the middle-aged cultivator's arm. The restrictive runes on his arm instantly vanished.

While the middle-aged cultivator was stunned, Kai muttered something, and runes appeared out of thin air, then entered the bodies of all the cultivators.

The restrictions on these cultivators were completely extinguished.

Witnessing Kai's prowess, everyone fell to their knees, kowtowed fiercely.

Kai simply lifted his palm, and the cultivators felt an irresistible force, rising to their feet.

They stared at Kai excitedly, their eyes filled with excitement and envy.

"Is this the power of an immortal?"

Everyone's eyes gleamed.

……

Deep within the Demon Stone Sect's main altar, in a luxurious hall,

the Demon Stone Sect's leader, Mo Tianxiong, was sitting cross-legged on a massive black magic crystal, cultivating. Suddenly, his eyes snapped open, a look of astonishment and uncertainty flashing across them.

"Hmm? What's going on?"

Mo Tianxiong frowned. He felt as if all the restrictions he'd placed on the slaves at the quarry had vanished!

How could this be possible?

Those restrictions had been personally imparted to him by the Celestial Immortal. Even if he'd tried to remove them himself, it would have required immense effort, and he'd have had to do them one by one.

Now, all of them had vanished simultaneously?

"Could it be that the Immortal was angry?" Mo Tianxiong's heart tightened.

He frantically tried to contact the person in charge of the quarry, but was unable to reach them.

"Not good!"

Mo Tianxiong's face darkened. "Something must be wrong at the quarry!"

He immediately stood up and shouted outside the hall, "Someone!"

An old man in a black robe hurried into the hall and said respectfully, "Master, what are your instructions?"

This old man was the Great Elder of the Moshi Sect, Mo Xuanzi. His power was second only to that of the Master, Mo Tianxiong, having reached the ninth level of the Transformation Realm.

"Xuan Zi, take your men to Quarry No. 7 to check the situation immediately."

Mo Tianxiong said in a deep voice, "All the restrictions there suddenly disappeared, and I can't contact the person in charge there."

"What?"

Mo Xuanzi's face changed, "All the restrictions disappeared? How is this possible? Did the slaves rebel?"

“Unlikely.” Mo Tianxiong shook his head, “The restrictions on those slaves are extremely vicious. Unless there are masters to help, they will never be able to remove them by themselves. And even if they remove the restrictions, they can’t be our opponents.”

“Who could have done it?” Mo Xuanzi asked doubtfully.

A trace of solemnity flashed in Mo Tianxiong’s eyes: “I suspect that someone may have broken into our Yuande Realm, and he is quite powerful. Take the elites of the law enforcement team to take a look, and make sure to find out what happened. If you encounter a strong enemy, don’t fight hard, come back and report immediately.”

Chapter 5479

“Yes!” Mo Xuanzi replied respectfully.

“Wait,” Mo Tianxiong stopped him. “Take this.”

Mo Tianxiong pulled a black token from his storage ring and handed it to Mo Xuanzi. “This is a communication token. If you encounter any unsolvable problems, crush it immediately and I’ll rush over.”

“Thank you, Sect Master.” Mo Xuanzi took the token and carefully put it away.

Mo Xuanzi then immediately summoned the twenty elite disciples from the law enforcement team. These disciples were all at the mid-stage Immortal Realm and above, and they were the backbone of the Moshi Sect.

“Everyone, listen up! There’s something unusual happening at Quarry No. 7. We’re going to investigate immediately!”

Mo Xuanzi said in a deep voice. “Remember, anyone suspicious will be killed without mercy!”

“Yes!” the disciples from the law enforcement team responded in unison.

A mighty group of them flew towards Quarry No. 7, flying at an incredible speed, disappearing into the sky in the blink of an eye.

Meanwhile, inside Quarry No. 7,

Kai stood in the center of the canyon, observing the cultivators who had just regained their freedom.

“Benefactor, thank you so much!”

The middle-aged monk said excitedly, “If it weren’t for your help, we would have suffered here forever.”

The other monks also thanked Kai, their eyes full of gratitude.

“No need to be so polite.” Kai waved his hand, “I just can’t stand what those demon monks are doing.”

“Benefactor, we will never forget your kindness!” the middle-aged monk said solemnly.

Kai smiled slightly and then asked, “By the way, I don’t know your name yet.”

“My surname is Li, and my name is Qingshan. I used to be an elder of the Human Alliance,” said the middle-aged monk.

“Li Qingshan?” Kai nodded. “What a good name. By the way, do you know where the Demon Stone Sect’s headquarters is?”

“I know.” Li Qingshan hurriedly said, “The Demon Stone Sect’s headquarters is a thousand miles away, atop Demon Cloud Peak. However, it’s heavily guarded, and there are restrictions placed there by that celestial immortal, making it impossible for ordinary people to enter.”

“Restrictions?”

Kai’s eyes flashed with disdain. “In my eyes, any restrictions are just for show.”

Just then, a sudden sound of breaking air echoed from the sky.

“Oh no! The Demon Stone Sect is coming!” Li Qingshan’s face darkened, and he spoke nervously.

The other cultivators also looked up, seeing a group of black dots in the distant sky, rapidly approaching.

“It seems the noise I made lifting the restrictions was too loud, and it alerted them,”

Kai smiled faintly. “That’s great, it saves me from having to go look for them.”

“My benefactor, they’ve arrived in large numbers, and the one leading them is the Demon Stone Sect’s Great Elder, Mo Xuanzi, who is extremely powerful!” Li Qingshan said worriedly.

“Mo Xuanzi?” Kai sneered. “With a ninth-grade cultivation level in the Immortal Transformation Realm, you’re certainly considered a master in this world. But it’s not enough for me.”

Mo Xuanzi and his law enforcement team quickly flew over the quarry.

When they saw the situation inside, they were all stunned.

The cultivators who were supposed to be enslaved were standing there, while the demon cultivators in charge of guarding the quarry were nowhere to be seen.

“What…what’s going on?” Mo Xuanzi frowned, a flicker of surprise and uncertainty in his eyes.

His gaze quickly fell on Kai, the only person he didn't recognize.

"Who are you? Why are you here?"

Mo Xuanzi asked coldly, releasing a powerful aura, trying to intimidate Kai.

However, faced with the overwhelming pressure of Mo Xuanzi's aura, Kai remained motionless, as if he felt nothing.

Chapter 5480

"Who I am doesn't matter,"

Kai said calmly. "What matters is that, from today on, the cultivators here are free."

"How dare you!"

Mo Xuanzi roared. "Do you even know where we are? This is the territory of our Moshi Sect! How dare you act so presumptuously here? You're courting death!"

"Seeking death?"

Kai sneered. "With a bunch of you worthless people?"

"You... you're so arrogant!"

Mo Xuanzi chuckled in anger. "It seems you won't know your place unless I teach you a lesson!"

With that, Mo Xuanzi was about to strike.

"Wait!"

Kai suddenly said. "Before I do, I have a few questions for you."

“What qualifications do you have to ask me?” Mo Xuanzi said disdainfully.

“I can kill all of you here,” Kai said calmly, his tone brimming with confidence.

Mo Xuanzi’s face darkened, sensing a dangerous aura from Kai.

“Who are you?” Mo Xuanzi asked again, his tone growing more serious.

“My name is Kai,”

Kai said. “I want to ask you, who is that immortal from heaven? Why did he ask you to refine spirit stones into immortal stones?”

Hearing Kai’s words, Mo Xuanzi’s face changed drastically: “How…how did you know about the existence of that immortal?”

“It seems I was right.” Kai smiled slightly. “Can you answer my question now?”

A hint of hesitation flashed in Mo Xuanzi’s eyes. He didn’t know whether he should tell Kai these secrets.

“Why? You don’t dare to say it?”

Kai sneered. “Or are you afraid that the immortal will kill you if you tell him?” Mo Xuanzi’s expression darkened even further. He was truly terrified of the immortal.

“I advise you to answer my questions honestly, or you’ll face the consequences,” Kai’s tone grew icy.

At this moment, a disciple from the law enforcement team couldn’t help but speak: “Great Elder, why waste time talking to him? Just kill him!”

With that, the disciple charged towards Kai, his demonic blade slashing down with a whistling sound.

“You’re asking for your own death!” Kai snorted coldly, wielding his hand casually.

The disciple felt a surge of powerful force, and before he could react, he was sent flying, slamming to the ground, his life or death uncertain.

This scene stunned everyone; they hadn’t expected Kai to be so powerful!

“You…what realm are you in?”

Mo Xuanzi asked tremblingly, sensing a palpable aura from Kai.

“My realm isn’t important. What’s important is that you have two choices: answer my questions or die,”

Kai said calmly.

Mo Xuanzi’s face darkened, knowing he had faced a formidable foe he had never faced before.

“Okay, I’ll answer your question,”

Mo Xuanzi gritted his teeth and said, “That immortal claims to be the Yunmiao Immortal Venerable of the Celestial Realm. As for why he wants us to refine spirit stones into immortal stones, I have no idea. He simply ordered us to do so and then came to collect the immortal stones regularly.”

“Yunmiao Immortal Venerable?” Kai frowned. He had never heard of that name before.

Furthermore, Kai had noticed that when cultivators from the Celestial Realm arrived in the lower realms, they liked to be called things like Immortal Venerable and Demon Lord. It sounded impressive, but their true strength was only so-so. Just as

Kai was thinking this, the voice of the Red Cloud Demon Lord echoed in his mind.

“Boy, who are you messing with?”

the Red Cloud Demon Lord said, somewhat displeased.

Kai was startled, then remembered that the Red Cloud Demon Lord seemed to be one of those boastful types. He quickly apologized, “Senior, I was just thinking randomly, I didn’t mean anything else.”

“I know you think it’s all just bragging, but you have to understand that when you’re out in the world, your identity is self-given. Especially in such a low-level world, giving yourself a prestigious title is very important,” the Red Cloud Demon Lord said.
