Chapter 5521

“What…what kind of power is this?” a guard shouted in horror.

The princess also widened her eyes, an expression of disbelief on her face.

He had not expected Kai to be so powerful. Just a pressure from him made his carefully trained guards lose their fighting power.

Kai walked towards the princess step by step. With every step he took, the ground seemed to tremble.

The princess looked at Kai in horror, and her body stepped back involuntarily.

“You…don’t come over! I…I have the support of the Temple. If you dare to touch me, the Temple will not let you go!” The princess stammered.

Kai sneered and said, “Temple? I’m going to settle accounts with the Temple! You colluded with the Sixth Palace and committed many evil things. Today is the day you die!”

“Who…who are you?” The princess asked in horror.

No one in the Seventh Heaven had ever seen someone who dared to openly say that he was against the Temple.

The princess didn’t understand how Kai dared to say so.

“Who I am doesn’t matter,” Kai said coldly. “What matters is whether you’re willing to tell us the Sixth Prince’s location.”

The princess hesitated, then said, “I… I don’t know where the Sixth Prince is. I’m just following his instructions.”

“I don’t know?” Kai’s eyes flashed with murderous intent. “It seems you’re refusing to accept my offer.”

With that, he walked towards the princess.

Seeing this, the princess hurriedly said, “Wait! I’ll tell you! I’ll tell you!”

He knew that if he didn’t tell her, his life would be in danger.

Kai stopped and looked at him coldly.

The princess took a deep breath, then said, “The Sixth Prince’s location is… on a mountain deep in the wasteland. I’m not sure of the exact location, I just know the general direction.”

“General direction?”

A hint of displeasure flashed in Kai’s eyes. “You’d better think it over before you answer, or you’ll face the consequences.”

The princess quickly said, “I really don’t know the exact location. I just know that the Sixth Prince is in the northwest of the wasteland, on a huge mountain, and deep within it.”

Kai thought for a moment, then said, “Okay, I’ll trust you this time.”

After saying that, he turned and walked out of the hall.

Lin Yuner was stunned when she saw this. She didn’t understand why Kai didn’t kill the princess.

But since Kai didn’t take action, she could only follow him. With her strength, she couldn’t kill the princess.

Just when they were about to walk out of the hall, the princess suddenly shot a ray of light at them.

The light was like a poisonous snake, rushing straight towards Kai's back.

"Be careful!" Lin Yuner reminded loudly.

Kai didn't care. He just waved his hand and dissolved the princess's attack.

"You dare to sneak attack me?" Kai said coldly.

After saying that, he turned and walked towards the princess.

The princess's face suddenly turned pale. She knew that she had completely angered Kai.

"Mercy! Please forgive me!" The princess quickly knelt down and begged for mercy.

But Kai remained unmoved. He walked up to the princess and said, "A scum like you who colluded with the temple and harmed your own people does not deserve to live in this world."

After that, he slapped the princess's head with one palm.

The princess fell to the ground without even having time to scream, and her life was completely cut off.

Seeing that the princess was dead, Lin Yuner couldn't help but frown.

Because of her father's soul, she hadn't asked the princess whether it could be found again.

"It seems that only the Sixth Palace can know whether your father's soul can be found. Your princess is just a puppet."

Seeing Lin Yuner's expression, Kai explained.

Lin Yuner nodded, and then said, "Are you going to the Sixth Palace or not? I will go with you..."

"We are not going to the Sixth Palace yet. We have to stay in Dongxiang County for two days to take care of our physiological needs."

Hu Mazi said hurriedly.

Chapter 5522

"What kind of power is this?" a guard shouted in horror.

The princess also widened her eyes, an expression of disbelief on her face.

He didn't expect Kai to be so powerful. Just a single pressure from him made his carefully trained guards lose their combat effectiveness.

Kai walked towards the princess step by step, and the ground seemed to tremble with every step he took.

The princess looked at Kai in horror and stepped back involuntarily.

"Don't come over here! I have the support of the temple. If you dare to touch me, the temple will not let you go!" The princess stuttered.

Kai sneered and said, "The Temple? I'm just about to settle accounts with the Temple! You colluded with the Sixth Palace and committed countless evil deeds. Today is the day you die!"

"Who the hell are you?"

The princess asked in horror.

The entire Seventh Heaven has never seen anyone who dares to openly declare that they are against the Temple.

The princess didn't understand how Kai dared to say that.

"It doesn't matter who I am,"

Kai said coldly, "What matters is whether you are willing to tell us the location of the Sixth Palace."

The princess hesitated for a moment, then said, "I don't know the Sixth Prince's position. I am just doing what he asked."

"have no idea?"

A hint of murderous intent flashed in Kai's eyes, "It seems that you are not willing to accept my toast and will have to drink the penalty wine."

After saying that, he walked towards the princess.

Seeing this, the princess quickly said, "Wait! I'll tell you! I'll tell you!"

He knew that if he didn't speak up, his life might be in danger.

Kai stopped and looked at him coldly.

The princess took a deep breath and said, "The Sixth Palace is located on a mountain deep in the wilderness. I don't know the exact location, I just know the general direction."

"About the direction?"

A hint of displeasure flashed in Kai's eyes. "You'd better think carefully before answering, otherwise you will bear the consequences."

The princess quickly said, "I really don't know the exact location. I just know that the Sixth Palace is in the northwest of the wasteland. There is a huge mountain there, and the Sixth Palace is deep in the mountain."

Kai thought about it, then said, “Okay, I’ll believe you this time.”

After saying that, he turned and walked out of the hall.

Lin Yuner was stunned when she saw this. She didn’t understand why Kai didn’t kill the princess.

However, since Kai didn’t take action, she could only follow him. With her strength, she couldn’t kill the princess.

Just as they were about to walk out of the hall, the princess suddenly shot a ray of light towards them.

The light was like a poisonous snake, rushing straight towards Kai’s back.

“careful!”

Lin Yuna reminded loudly.

Kai didn’t care. He just waved his hand and dissolved the princess’s attack.

“How dare you sneak attack me?”

Kai said coldly.

After saying that, he turned and walked towards the princess.

The princess’s face suddenly turned pale. She knew that she had completely angered Kai.

“Mercy! Please, spare me!”

The princess immediately knelt down and begged for mercy.

But Kai remained unmoved. He walked up to the princess and said, “A scum like you who colluded with the temple and harmed your own people does not deserve to live in this world.”

After saying that, he slapped the princess on the head.

The princess fell to the ground without even having time to scream, and her life was completely gone.

Seeing that the princess was dead, Lin Yuna couldn’t help but frown.

Because her father’s soul has not yet asked the princess whether it can be found.

“It seems that only the Sixth Prince can know whether your father’s soul can be recovered. Your princess is just a puppet.”

Seeing Lin Yuna’s expression, Kai explained.

Lin Yuner nodded, and then said: “Do you want to go to the Sixth Palace? I will go with you.”

“We won’t go to the Sixth Palace yet. We need to stay in Dongxiang County for two days to take care of our physical needs.”

Hu Mazi said hurriedly.

Chapter 5523

When Lin Yuner heard Hu Mazi mention physiological needs, her face instantly turned red. She remembered the time when she was naked and was seen by Hu Mazi and Kai.

“Since you two need to solve the problem of men, I can help you.”

Lin Yuna said in a very low voice.

When Hu Mazi heard this, his eyes lit up and he said, “Really? That’s great!”

“Kai, who of us goes first? Or let’s play rock-paper-scissors. Whoever wins goes first, and the rest of us will wash the pot in the back.”

“I don’t want to play, you play!” Kai shook his head.

Although Lin Yuna is good-looking, Kai would not do such a thing as forcing her to play with him against her will.

Kai has played with women in the past, not just a regiment, but also a battalion, but those women were the ones who took the initiative.

Even in order to practice, he was forced to practice dual cultivation with Kai, and Kai was passive.

“Since you don’t want to play, then I won’t be polite.”

Hu Mazi wiped his saliva, then looked at Lin Yuner with a lustful look and said, “Miss Lin, where are we going to play? Pick a comfortable place.”

Lin Yuner was stunned for a moment, then blushed and said, “What are you thinking? I said I would help you, and I would find you two maids from my Lin family. But don’t worry, the maids I find are also very beautiful, and they are all grown-up girls.”

“ah”

Hu Mazi was stunned. It turned out that it was not Lin Yuna who offered her body for them to play with, but she was looking for two maids.

But then he thought, maids are also women, as long as there are women, Hu Mazi nodded and said: “Okay, since Kai doesn’t want to play, give me both maids.”

Lin Yuna nodded: “Then follow me.”

Lin Yuner brought Kai and Hu Mazi back to the Lin family, and then asked the housekeeper to find two maids for Hu Mazi's entertainment.

Soon, a woman's screams were heard in Hu Mazi's room, which showed that Hu Mazi was really unable to hold it in.

Kai stayed in the room prepared for him, planning to take a rest. After Hu Mazi had vented his anger, he would go to find Liu Dian.

At this time, Lin Yuner pushed the door open and walked in. Seeing Kai sitting on the bed, she asked, "Fellow Daoist Chen, is it because you don't like the maid I prepared that you don't want her?"

"No, I'm just not that interested."

Kai shook his head.

"Fellow Daoist Chen, you saved my life, I should repay you. If you are not interested in a maid, I can help you solve your problem!"

As Lin Yuna spoke, she began to take off her clothes actively.

However, Yoona was crying while taking off her clothes.

Although Kai is handsome and young, Lin Yuner is not disgusted by him, but she still feels a little resistant to giving her body in such an unclear way.

But after all, Kai saved her life, and she had no way to repay him, so she could only use her own body.

"Miss Lin, you misunderstood, that's not what I meant."

Kai quickly got up and put on Lin Yuna's clothes.

People are already crying, Kai can't force them.

What's more, Kai is not short of women. If he really wants to, the worst that can happen is that he goes back to the Sixth Heaven, but there are hundreds of women waiting for him.

When he was in the sixth level, Kai was completely drained by Ling Yue and hundreds of female disciples from the Medicine King Sect, and he wouldn't think about it for a while.

"Fellow Daoist Chen, do you think I'm ugly?"

Lin Yuna asked.

Lin Yuna doesn't believe that if she takes off her clothes on her own initiative, no man can resist.

"No, no, I can't."

Kai had no choice but to lie and say that he couldn't do it.

When Lin Yuner heard this, she was immediately shocked and looked at Kai in disbelief. After a while, she said, "Fellow Daoist Chen, don't be too pessimistic. It may be that the martial arts you practiced made you lose your ability to be a man. Try changing your martial arts, maybe it will be better."

Chapter 5524

"I'll try."

Kai nodded!

Since Kai was not able to do it, Lin Yuner did not bother about it anymore and left Kai's room.

Seeing Lin Yuna leave, Kai let out a long sigh.

But just as he sat on the bed, Kai felt the Dragon Slaying Sword on his body shake, followed by a flash of white light.

A woman appeared in front of Kai.

“Zhongli?”

Seeing this woman, Kai suddenly became overjoyed and stepped forward to hold her hand tightly.

It turned out to be Zhongli, the spirit of the Dragon Slaying Sword. Ever since Zhongli was injured, he’d been recuperating within the Dragon Slaying Sword and hadn’t come out since. (By Biqi Chinese website. /Free~Reading^)

Now he suddenly came out, it seems that his injury has healed.

“Master” Zhongli smiled at Kai.

“Are your injuries healed?” Kai asked.

Zhongli nodded. “It’s all right. I’ve missed Master so much during this time. I’ve been stuck inside the Dragon Slaying Sword, unable to come out. Watching Master favor other women, I’ve been envious to death.”

Looking at Zhongli’s pitiful eyes full of expectation, Kai certainly knew what Zhongli wanted.

“I originally wanted to take a break, but since Zhongli needs it, I have no choice but to give it to him!”

After Kai finished speaking, he hugged Zhongli and threw himself on the bed.

The ceremonial hall of the Sixth Palace.

Xue Wuying sat on a chair with a gloomy expression, and across from him was the Sixth Palace Master, Jin Fu.

“Jinfu, the soul urn has been destroyed. Can you still hand over your soul? We in the Evil Path Palace are sincere and have given you a large amount of refined immortal stones.”

Xue Wuying questioned the Sixth Palace Master Jin Fu.

“Don’t worry, Elder Xue. I have already informed the Third Palace Master of the matter. He has already sent the Fifth Palace Master to help me deal with Kai.”

“As long as you kill Kai, I will directly hand over his soul to you. This boy’s soul is much stronger than that of other cultivators.”

The Sixth Palace Master Jin Fu quickly assured.

“Well, you’d better take care of this matter. Kai is no pushover. Back in the Sixth Heaven, I saw him lead his men to resist the Soul Devourer. In the end, he was even aided by masters from the Ninth Heaven. If I hadn’t seen the situation and escaped quickly, I would have been buried in the Sixth Heaven.”

Xue Wuying said.

“A master from the Ninth Heaven wants to help?” The Sixth Palace Lord Jin Fu was stunned. He didn’t know what happened in the Sixth Heaven.

“What happened to the Soul Devourer? Was even his soul destroyed?”

Xue Wuying shook his head and said, “No, he was rescued by someone.”

“Who rescued him?” The Sixth Palace Lord Jin Fu became interested.

“Don’t ask questions you shouldn’t ask. They are all big shots in the Ninth Heaven. Even if I tell you, you may not understand. Just don’t forget about the soul.”

“As long as we cooperate happily, our Evil Path Hall will definitely help the Third Hall Master to finally control the entire temple.”

Xue Wuying said.

“Don’t worry, I have ordered people to start collecting souls again.” The Sixth Palace Lord assured.

Xue Wuying nodded, then stood up and left. The Sixth Palace Lord Jin Fu let out a sigh of relief, hoping that the Fifth Palace Lord would come soon.

He has no confidence at all in dealing with Kai on his own.

At this time, in the Lin family in Dongxiang County, Hu Mazi played for three days in a row and almost killed the two maids.

When leaving the Lin family, Lin Yuner also wanted to go with them to find Liudian to see if she could find her father’s soul.

However, Kai did not agree. After all, Lin Yuna’s strength was too weak, and he would have to protect her at that time, which would be a burden.

But Kai promised that if Lin Yuner’s father’s soul was still there, he would bring it back.

But Kai himself knew that Lin Yuner’s father’s soul was long gone and was absorbed by Kai as a resource.

Lin Yuna nodded, and then let Kai and Hu Mazi leave.

After leaving Dongxiang County, Kai and Hu Mazi followed the direction given by the princess.

Chapter 5525

The wind and sand howled like angry beasts, and the wasteland was vast and boundless, as if there was no end.

After Kai and Hu Mazi left Dongxiang County, they marched unwaveringly towards the northwest direction mentioned by the princess.

“Kai, do you think what the princess said is true? Is the Sixth Palace really in the mountains northwest of the wasteland?”

Hu Mazi was a little unsure, frowned slightly, and asked with some doubt.

Kai nodded slightly, his expression calm and determined, and said, “It should be true. He was already trapped in a jar at that time and didn’t dare to lie.

And judging by his panicked and deliberately concealed reaction, he is indeed just a puppet being manipulated, and the real secrets lie with the Sixth Prince.”

When Hu Mazi heard this, his eyes lit up instantly. He chuckled and rubbed his hands, “That’s great! When we find the Sixth Palace, we must teach those guys a lesson.”

They actually dared to collect the souls of monks for cultivation. They are simply insane and inhumane. I will never be able to relieve my hatred unless I tear them into pieces!”

Kai glanced at him indifferently, his eyes seemed to see through everything, and seemed to carry an innate arrogance.

Then he slowly said, “Don’t worry, their good days are over. In front of me, Kai, any evil demon is nothing but a chicken and a dog, vulnerable to a single blow.”

The two headed westward, and the further northwest they went, the more desolate the surrounding environment became.

At first, you could still see some sparse vegetation and small animals struggling to survive in the wilderness, but later, even these signs of life

disappeared completely, leaving only a sky full of yellow sand rolling like a surging tide, and the howling wind was like a sharp blade, cutting people's faces painfully.

"Is there really anyone living in this damn place? It doesn't even feel like a place where people can survive."

Hu Mazi couldn't help complaining, shielding his eyes from the wind and sand with his hands.

At this moment, Kai suddenly stopped. Standing tall like a pine tree, his gaze sharp as a torch, he pointed ahead and said, "Look, there's a mountain over there!"

Hu Mazi looked in the direction of Kai's finger, and saw a huge mountain rising from the ground and reaching into the sky on the distant horizon.

The mountain was pitch black, like a sleeping giant beast, emitting a gloomy and terrifying aura that made people shudder, as if as long as they got close, they would be swallowed by the evil power.

"Is that the mountain where the Sixth Palace is located? It looks so strange. I feel like it contains countless unspeakable secrets and dangers."

Hu Mazi swallowed and a trace of fear rose in his heart.

Kai nodded, his expression stern, like an unshakable iceberg, and said, "It should be there. Look at the aura around the mountain, it is full of evil energy, obviously because it has collected a large number of souls.

This kind of evil place will inevitably breed extremely vicious people, but in front of me, they are destined to pay a heavy price."

The two quickened their pace and headed towards the mountain.

The closer you get to the mountain, the thicker the evil aura around you becomes, as if it has materialized. Even the air becomes icy cold, making it difficult to breathe.

“This place is truly eerie. I feel like my cultivation has been suppressed, as if being restrained by an invisible giant hand. I feel weak all over.”

Hu Mazi frowned, a look of pain on his face.

Kai smiled calmly, that smile carrying a kind of contempt for all evil, and said: “This is normal. The Sixth Palace has collected so many souls and created a soul gathering array here.

An ordinary person coming here would probably not even be able to stand steadily and would be directly swallowed by this sinister aura. However, in front of me, any formation, any evil force is nothing but child’s play.”

As they were talking, they had already arrived at the foot of the mountain.

Chapter 5526

At the foot of the mountain, there was a huge cave entrance, and the area around the cave entrance was covered with strange runes. Those runes flashed with a dark green light, as if countless pairs of evil eyes were spying on them.

Two guards stood in front of the cave entrance. They were wearing black robes, with expressionless faces and empty eyes. They looked like two soulless bodies. They were obviously monks whose souls had been collected.

“Stop! Who are you?”

A guard shouted sternly, his voice echoing in the gloomy valley, sounding particularly terrifying.

Hu Mazi was about to step forward when Kai stopped him with his hand. His eyes revealed an unquestionable majesty as he said, “Let me do it.”

He walked forward slowly, each step seeming to tread on the heart of the enemy. He looked at the two guards with cold eyes, and then said word by word: “We are here to take your lives!”

As soon as he finished speaking, Kai released a powerful aura that swept out like a surging tsunami, instantly enveloping the two guards.

The two guards didn’t even have time to react. They were like two ants hit by a huge wave. They were crushed to pieces by the powerful breath. Without even being able to scream, they turned into a pile of bloody debris.

“Come on, let’s go in.”

Kai looked calm, as if he had just done something insignificant. He turned and said to Hu Mazi.

The two walked into the cave and found a long passage inside. There was a faint green oil lamp at intervals on both sides of the passage. The dim light flickered, as if it would go out at any time, adding a bit of eerie atmosphere to the passage.

The end of the channel is the top of the mountain. On the top of the mountain is a huge hall. In the center of the hall is a huge stone platform. The stone platform is engraved with strange runes and emits a gloomy light, which makes people feel creepy.

There were more than a dozen monks lying on the stone platform, their eyes closed, faces as pale as paper, and weak breaths. It was obvious that their souls had been extracted and their lives were in danger.

There were more than a dozen men in black standing around the hall, chanting strange spells. The spells were low and gloomy, like calls from hell, and they seemed to be performing some kind of evil ritual.

“Sure enough, an evil ritual is being performed here! These heartless guys simply don’t take other people’s lives seriously. Today, I will make them pay the price!”

Hu Mazi said angrily, his eyes burning with anger.

A fierce murderous intent flashed in Kai’s eyes, like an ice blade in the cold winter, making people shudder. He said coldly: “Today is the day you die! Under my sword, any evil will be annihilated.”

As soon as he finished speaking, Kai jumped up and rushed towards the men in black like an eagle spreading its wings.

His figure drew a sharp arc in the dim hall, carrying an unstoppable momentum.

Seeing this, the men in black turned around one after another, with red light flashing in their eyes, like a group of beasts possessed by the devil. They had obviously been controlled by evil magic and had lost their self-awareness.

“Kill them!”

A man in black shouted, his voice sharp and piercing.

More than a dozen men in black rushed towards Kai at the same time. Their movements were in unison, like a group of well-trained soldiers, who had obviously undergone special training.

But in front of Kai, these people were as vulnerable as ants.

Kai punched and kicked, and each move contained powerful force, as if it could split mountains and crack rocks.

His movements were smooth and flowing, and were completed in one breath. The men in black were unable to resist at all. They were knocked flying one after another and fell heavily to the ground. The sound of

broken bones could be heard one after another, and they could never get up again.

Chapter 5527

Jin Fu's face turned pale instantly. He looked at Kai in horror, his eyes full of disbelief. He said, "Your cultivation level has actually increased again? This is impossible! How could you possibly have such a high level of cultivation?"

Kai said disdainfully: "Nothing is impossible. People like you who rely on evil magic to improve their cultivation have no idea what a truly strong person is.

The truly strong ones reach the top step by step through their own hard work and talent, not through these crooked ways."

After saying that, Kai rushed towards Jin Fu. His speed was extremely fast, like a flash of lightning across the night sky.

Jin Fu did not dare to neglect and quickly circulated the immortal energy in his body, preparing to fight. However, the difference in strength between the two was too great, and Jin Fu had no power to fight back in front of Kai.

Kai punched Jin Fu in the chest with a powerful punch that seemed to penetrate everything.

Jin Fu suddenly spat out a mouthful of blood, and his body flew backwards like a kite with a broken string, falling heavily to the ground, leaving a big hole in the ground.

"puff!"

Jin Fu spat out a mouthful of blood. He struggled to stand up, but found that he had lost the ability to move. His legs felt as heavy as if they were filled with lead.

“You” Jin Fu asked in horror, his eyes full of despair.

Kai looked at the Sixth Palace Master indifferently and said, “I’ll let you die more peacefully.”

After saying this, Kai prepared to smack Jin Fu to death. [Seeking help, chasing, Xin Zhang – knot.]

At this moment, hurried footsteps suddenly came from outside the hall, and a middle-aged man in a long robe walked in.

His face was stern and his eyes were full of murderous intent, like a sharp sword drawn from its sheath. He was the Lord of the Fifth Palace.

“Jinfu, how are you?”

The Fifth Palace Master asked, a hint of anxiety in his voice.

When Jin Fu saw the Fifth Palace Master, a glimmer of hope appeared on his face, as if he had grasped the last straw. He hurriedly shouted, “Fifth Palace Master, you’re finally here! Kill them quickly! They destroyed my ceremony and hurt me!”

The Fifth Palace Master’s gaze fell on Kai and Hu Mazi. It was like two sharp daggers, as if it could see through them. Then he said, “Are you the one who destroyed the soul urn and killed the monks of my temple?”

Kai took a look at the Fifth Palace Master and said with disdain, “Yes, it’s me. If you don’t want to die, then get out of here!”

The Fifth Palace Master laughed heartily, his laughter filled with arrogance and conceit, and said, “How ridiculous! You think you can kill me?”

The Fifth Palace Master’s laughter echoed in the hall. That laughter was full of arrogance and conceit, as if Kai was just an ant in his eyes.

Kai's face was stern, and a sharp murderous intent flashed in his eyes. He flipped his right hand and the Dragon Slaying Sword appeared.

Mysterious runes flowed on the sword body, and the sound of dragon roars could be heard faintly. After the sword spirit Zhongli recovered from his injuries, the power of the Dragon Slaying Sword also increased a lot.

"Just me, I am enough to kill you here today!"

Kai said coldly, his voice as sharp as the cold wind, echoing in the hall.

The Fifth Palace Master's face darkened. He quickly formed seals with his hands and muttered something. In an instant, a powerful immortal energy surged out of his body, forming a transparent immortal energy shield in front of him.

The shield flashed with colorful light and emitted a powerful aura, as if it could withstand all attacks.

"Hmph, a mere shield, how long can it stop me?"

Kai shouted loudly, tapped the ground with his toes, and rushed towards the Fifth Palace Master like an arrow.

He raised the Dragon Slaying Sword in his hand high, and the sword shone brightly. A sharp sword energy slashed towards the Fifth Palace Master like a streak of silk.

Wherever the sword energy passed, the air was torn apart, making a sharp whistling sound.

Chapter 5528

The Fifth Palace Master's eyes condensed, and he thrust his hands forward suddenly. The immortal shield in front of him instantly expanded and rushed towards the sword energy.

The sword energy collided with the shield, making a deafening sound, and a powerful shock wave spread out from the collision point.

The oil lamp in the hall was swaying due to the shock wave, and the dark green light flickered, as if it would go out at any time.

Kai flashed around the shock wave and rushed towards the Fifth Palace Master again.

The dragon-slaying sword in his hand stabbed out like a snake spitting out its tongue, heading straight for the throat of the Fifth Palace Master.

The Fifth Palace Master reacted extremely quickly. He dodged to the side and clenched his right fist, striking Kai in the chest.

The fist was surrounded by immortal energy, emitting a powerful force that seemed to be able to shatter a mountain.

Kai quickly retracted the Dragon Slaying Sword and held it horizontally in front of him to block.

With a dull “bang”, the Fifth Palace Lord’s fist slammed heavily on the Dragon Slaying Sword. A huge force passed through the sword, causing Kai’s arm to go numb.

But he did not retreat. Instead, he used this force to flip his body backwards and put some distance between himself and the Fifth Palace Master.

“I didn’t expect you to have some abilities, but you still can’t escape death today!”

The Fifth Palace Master said coldly, his eyes full of murderous intent, as if he wanted to eat Kai alive.

Kai raised the corner of his mouth slightly, revealing a disdainful smile: “Just you? It’s far from enough!”

After saying that, he used his skills again and rushed towards the Fifth Palace Master.

This time, he was even faster, his figure elusive and ghostly, making it difficult to grasp.

The Fifth Palace Master frowned and waved his hands quickly, and streams of immortal energy shot towards Kai like sharp arrows.

Those sharp arrows flashed with cold light and had powerful penetrating power, as if they could penetrate anything.

Kai moved freely among the sharp arrows of immortal energy. He kept waving the Dragon-Slaying Sword in his hand, cutting off those sharp arrows of immortal energy one by one.

“Liuyun Sword Technique, First Move – Dragon Breaks the Nine Heavens!”

Kai shouted loudly, raised the Dragon Slaying Sword in his hand high, and a huge sword shadow appeared above his head.

The sword shadow was like a giant dragon, emitting a powerful aura that seemed to be able to tear the sky apart.

Following Kai’s order, the sword shadow slashed towards the Fifth Palace Master like lightning.

At this time, the sword skills that Kai learned from the Sword Sect were extremely profound!

The Fifth Palace Master’s face changed drastically. He quickly mobilized all the spiritual energy in his body to form a thicker spiritual energy shield in front of him.

At the same time, he formed seals with his hands and summoned a huge fairy sword. The fairy sword emitted colorful light and collided with the sword shadow.

“boom!”

With a loud bang, the entire hall shook violently, as if it was about to collapse.

The shock wave generated by the collision between the sword shadow and the immortal sword swept across like a hurricane, blowing away the stone platforms, runes and other items in the hall.

The Fifth Palace Master only felt a huge force coming, and his body involuntarily retreated backwards, with his feet leaving two deep grooves on the ground.

“What a powerful sword technique!”

The Fifth Palace Master was secretly shocked. He didn’t expect that Kai could perform such a powerful sword technique.

But he was not discouraged. Instead, he steadied his body and rushed towards Kai again.

He kept waving the magic sword in his hand, and sharp sword energy shot towards Kai like raindrops.

Kai’s eyes focused, and he swung the Dragon Slaying Sword in his hand quickly, forming a sword curtain to block the sword energy.

At the same time, he seized the opportunity, flashed, and approached the Fifth Palace Master.

When he was only a few steps away from the Fifth Palace Master, the Dragon Slaying Sword in his hand stabbed out like lightning, going straight for the Fifth Palace Master’s heart.

The Fifth Palace Master reacted extremely quickly. He dodged to the side and at the same time, he clenched his left hand and slapped Kai’s chest.

Chapter 5529

Kai quickly retracted the Dragon Slaying Sword and resisted.

With a dull “bang”, the palms of the two men collided with each other, and a powerful force passed through their arms, shaking their bodies slightly.

“Liuyun Sword Technique, second move – Dragon Soaring Across the Seas!” Kai shouted again, and the Dragon-Slaying Sword in his hand turned into a giant dragon, rushing towards the Fifth Palace Master.

The giant dragon exuded a powerful aura, and wherever it passed, the air was ignited and emitted a blazing light.

The Fifth Palace Master had a solemn expression on his face. He quickly formed seals with his hands and summoned a huge fairy mountain. The fairy mountain emitted colorful light and headed towards the dragon.

The giant dragon collided with the fairy mountain, making a deafening noise, and a powerful shock wave swept across again.

The ground in the hall was cracked by the shock wave, and cracks spread out like spider webs.

The Fifth Palace Master only felt a huge force coming, his body retreated again, and he spat out a mouthful of blood.

Kai also suffered a certain impact, his body shook slightly, but he was not seriously injured.

“I didn’t expect you to have such powerful swordsmanship, but you still can’t beat me today!”

The Fifth Palace Master wiped the blood from the corner of his mouth and said coldly.

His eyes were full of madness, as if he was going to use up his last bit of strength to fight Kai to the death.

Kai's face was grim, and the Dragon Slaying Sword in his hand shone brightly, as if it could sense its master's will to fight.

"Let's see who falls first today!"

After that, he used his body skills again and rushed towards the Lord of the Fifth Palace.

This time, he was faster and stronger, as if he wanted to defeat the Fifth Palace Master completely.

The Fifth Palace Master did not retreat. He waved his hands quickly, and powerful magic spells attacked Kai like a storm.

Kai shuttled through the magic, waving the Dragon Slaying Sword in his hand continuously, breaking those magics one after another. When the two approached again, they started a close combat.

Kai's swordsmanship is extremely sharp, and each move contains powerful force, as if it can split mountains and crack rocks.

The Fifth Palace Master's boxing skills are fierce and powerful, and each punch carries a strong spiritual energy, as if it can smash a mountain into pieces.

The two men fought fiercely in the hall, with sword shadows and fist shadows intertwined, making people dizzy.

The entire six palaces began to collapse during the battle between the two men, and even the entire mountain was crumbling.

The Sixth Palace Lord Jin Fu dragged his injured body and was escorted by his subordinates as he fled into the distance.

Hu Mazi also hid far away, fearing that he would be affected.

These two people fought to the death, and the energy they unleashed was really huge.

If he were to be affected, with Hu Mazi's current strength, he would probably be wiped out.

"Liuyun Sword Technique, third move – Dragon Riding the Sky!"

Kai shouted loudly, and the dragon-slaying sword in his hand burst out with dazzling light. A huge sword shadow shot up into the sky, as if it was going to penetrate the sky.

The sword shadow carried great power and slashed towards the Fifth Palace Master.

The Fifth Palace Master's face turned pale as he felt the powerful force of the sword shadow.

But he did not retreat. Instead, he circulated all the spiritual energy in his body and formed a huge spiritual energy vortex in front of him.

The vortex of immortal energy continued to spin, emitting a powerful suction force, as if it wanted to suck all objects in.

The sword shadow collided with the vortex of immortal energy, making a deafening sound.

A powerful shock wave swept across like a gale, blowing everything in the hall to pieces.

The Fifth Palace Master only felt a huge force coming, his body retreated again, and he spat out blood from his mouth again.

Kai also suffered a certain impact. His body shook slightly, but he did not fall down.

He seized the opportunity, flashed, and rushed towards the Fifth Palace Master.

Chapter 5530

When he was only one step away from the Fifth Palace Master, the Dragon Slaying Sword in his hand stabbed out like lightning, aiming straight for the Fifth Palace Master's throat.

The Fifth Palace Master widened his eyes. He didn't expect that Kai could still launch an attack under such a powerful impact.

He quickly dodged to the side, but it was too late.

Kai's dragon-slaying sword pierced his shoulder, and a stream of blood gushed out.

"ah!"

The Fifth Palace Master let out a scream and his body retreated backwards.

Kai took advantage of the situation and pursued him. He kept waving the Dragon Slaying Sword in his hand, and sharp sword energy shot towards the Fifth Palace Master.

The Fifth Palace Master hurriedly channeled his inner immortal energy to resist, but his energy had been nearly depleted, leaving him unable to fully resist the sword energy.

A sword energy pierced his arm, and another sword energy slashed across his cheek, leaving a deep wound.

The Fifth Palace Master's body was shaking, and he knew that he was no match for Kai.

"You've been cruel today, but our temple won't let you go!"

The Fifth Palace Master gnashed his teeth and said this, his eyes filled with resentment. He then turned and fled out of the hall.

Kai watched the Fifth Palace Master's fleeing back and did not chase after him.

He knew that although he had defeated the Fifth Palace Master today, the Third Palace Master of the Temple was very powerful and there would be more trouble in the future.

However, Kai was not afraid. He believed that as long as he continued to improve his strength, he would be able to defeat all enemies.

"Kai, are you okay?"

Hu Mazi hurried over and asked with concern.

Kai shook his head and said, "I'm fine. This little injury is nothing. Let's go after the Sixth Palace Master."

"Okay!" Hu Mazi nodded.

Kai and Hu Mazi rushed in the direction where the Sixth Palace Master Jin Fu fled. Their figures shuttled through the mountains and forests at an extremely fast speed, like two lightning bolts cutting through the night sky.

Soon, they saw the Sixth Palace Lord Jin Fu and his loyal but obviously panicked subordinates fleeing in a panic ahead.

Kai's eyes flashed, and he shouted, "Stop!"

The voice was as loud as a bell, carrying an irresistible majesty.

When the Sixth Palace Lord's men heard this shout, they were so frightened that their whole bodies trembled.

When they turned around and saw Kai's murderous look on his face, the fear in their hearts instantly spread like a tide.

One of them said in a trembling voice, “Palace Master, this man is too powerful. We are no match for him. Let’s run for our lives first!”

After saying this, without waiting for the Sixth Palace Master Jin Fu to respond, he turned and ran towards the dense forest nearby. Seeing this, the other subordinates followed suit, leaving the Sixth Palace Master behind and disappearing into the dense forest.

Sixth Palace Master Jin Fu watched his men abandon him, filled with shock and anger. He shouted at the top of his lungs, “You useless creatures, come back here!”

However, the only responses he received were shouts echoing through the mountains and forests and the receding footsteps of his men.

Kai and Hu Mazi quickly caught up to the Sixth Palace Master Jin Fu and surrounded him.

The Sixth Palace Lord Jin Fu looked at Kai in front of him with murderous eyes. His legs went weak and he almost collapsed to the ground.

He forced himself to hold on, forcing a smile that was uglier than crying, and said, “Chen Chenping, don’t be impulsive. Let’s talk it over.”

Kai looked at him coldly, his eyes filled with disdain and murderous intent, and said, “Sixth Palace Master, you escaped quite quickly just now, why aren’t you running away now?”

The Sixth Palace Master, Jin Fu, quickly waved his hands and said, “Kai, I know I was wrong. I am willing to offer all my immortal stones, and I only ask you to spare my life.”

“These immortal stones were all destined for the Third Palace, and everything I did to you was ordered by the Third Palace Master. I was simply following orders.”

Chapter 5531

At this moment, the Sixth Palace Master Jin Fu directly betrayed the Third Palace Master.

Kai raised the corners of his mouth slightly, revealing a hint of sarcasm, and said: “Oh? All your immortal stones? That’s a bit sincere. But how can I trust you?”

The Sixth Palace Master Jin Fu hurriedly said, “I can take you to the warehouse where all the immortal stones are. After you get the immortal stones, let me go.”

Kai pondered for a moment and said, “Okay, since you are so sincere, I will trust you for now. However, you’d better not play any tricks, otherwise, you will end up in a miserable situation.”

The Sixth Palace Master, Jin Fu, was as if granted amnesty. He nodded quickly and said, “No, no, I will definitely take you there honestly.”

So, the Sixth Palace Master, Jin Fu, led Kai and Hu Mazi toward the Sixth Palace’s warehouse. [New?! Completed&+Shenzhen Station%? Latest chapter-section°% Updates/?$% Updates soon?]

At this time, the Sixth Palace had become a ruin, with broken walls and ruins everywhere, and the air was filled with a pungent burnt smell.

The Sixth Palace Master Jin Fu turned left and right in the ruins and finally arrived in front of the warehouse.

With trembling hands, he opened the door of the warehouse.

Suddenly, a dazzling light emanated from the warehouse, and it was filled with various fairy stones, white, blue, and purple, emitting colorful light.

Sixth Palace Master Jin Fu looked at the immortal stones with a hint of reluctance, but he forced himself to say, “Kai, these are all the immortal stones I have. Take them. I hope you can keep your promise and let me go.” Kakaka Novel Network ~ Updates/Fastest+

Kai looked at the immortal stones, his heart agitated. However, he did not immediately reach for them. Instead, he smiled coldly and said, “Sixth Palace Master, do you think I would let you go so easily? All is fair in war. You should understand this principle.”

When the Sixth Palace Master Jin Fu heard this, his face turned pale instantly. He widened his eyes and said in disbelief, “You… you actually don’t keep your word! You… you… you will die miserably!”

Kai snorted coldly and said, “Sixth Palace Master, you have committed countless evil deeds and deserve death. Today, I will enforce justice on behalf of Heaven and send you on your way.”

After saying that, he swung the Dragon Slaying Sword in his hand, and a sharp sword energy shot towards the Sixth Palace Master Jin Fu.

The Sixth Palace Master Jin Fu widened his eyes in horror. He wanted to dodge, but it was too late.

The sword energy instantly penetrated his body. He let out a scream and slowly fell down. Blood gushed out from his wounds, staining the ground beneath him red.

Hu Mazi looked at the corpse of the Sixth Palace Master, Jin Fu, and said hesitantly, “Kai, isn’t this a bit too harsh?”

Kai looked at Hu Mazi and said seriously, “Master Hu, being kind to your enemies is being cruel to yourself. The Sixth Palace Master has committed many evil deeds and deserves death.

Moreover, if we take his immortal stone, he will definitely not let it go. If we let him go, he will definitely seek revenge on us in the future. Therefore, only by killing him can we feel at ease.

After hearing what Kai said, Hu Mazi nodded and said, “You’re right, I was thinking too simply. So what should we do with these immortal stones?”

Kai looked at the immortal stones in the warehouse and said, “These immortal stones are very important to us. We can use them to improve our strength.

However, this place is no longer safe, we have to leave here quickly.”

Kai and Hu Mazi collected all the immortal stones in the warehouse, and then quickly left the ruins of the Sixth Palace.

The two found a relatively safe place, and Kai took out the Demon-Suppressing Tower. The Demon-Suppressing Tower emitted a mysterious light, as if it contained endless power.

Then he put all the immortal stones into the Demon-Suppressing Tower.

“Master Hu, let’s go into the Demon Suppression Tower to practice. The flow of time here is different from the outside world, and we can quickly improve our cultivation inside.

Chapter 5532

In the Demon Suppression Tower, time is no longer a constraint for us; we can make full use of every minute and every second to improve ourselves. “00 Xiao Tax King first release,” Kai said.

Hu Mazi pondered for a moment and said, “Why don’t you go into the Demon Suppression Tower and practice by yourself? Although it seems safe here, it won’t work without someone to protect you. If you run into bad guys, it will be troublesome.”

Hu Mazi certainly knew that the speed of time flow in the Demon-Suppressing Tower was that one year in the outside world was equivalent to a hundred years in the tower.

It will definitely be twice as effective with half the effort and very fast when practicing, but if both of them enter the Demon-Suppressing

Tower and there is no one to protect them, it will be troublesome if they encounter danger.

“Don’t worry, I’ll let the Fire Qilin protect us.” After Kai said this, he directly summoned the Fire Qilin out of the storage ring.

The Fire Qilin has grown a little, but it is still very small, looking about the same size as a newborn calf.

“Little Qilin, you have to protect us well and don’t let the bad guys get close to here, understand?”

Kai looked at the Fire Kirin in front of him, gently stroking it and saying.

The little fire unicorn nodded vigorously. Divine beasts like this one are born with intelligence, so they can understand human speech and have their own thoughts.

“Kai, although this little Fire Qilin is powerful, this is the Seventh Heaven after all. If someone really does something bad, this little Fire Qilin is probably no match for it, right?”

Hu Mazi said worriedly.

Although the Fire Qilin is powerful, this little Fire Qilin is still too small now, and its strength may not be a match for this seventh-level cultivator.

“I released the little Fire Qilin just as a warning. If any bad guys approach and the little Fire Qilin makes a sound, we’ll quickly get out of the Demon Suppression Tower.”

Kai said!

“Okay then!” Hu Mazi nodded when he heard it!

At this moment, Kai’s storage ring trembled, and then the little Sky-Swallowing Beast came out, yawning.

This storage ring has no restrictions on the little Sky-Swallowing Beast. It can come out whenever it wants and go back whenever it wants. Kai has no control over it.

As soon as the little Sky-Swallowing Beast came out, it immediately started playing with the little Fire Qilin, and the two guys chased and fought each other.

Seeing that the little Sky-Swallowing Beast had also come out, Kai was completely relieved. If any blind guy approached, he would be in trouble.

“Master Hu, let’s go.”

Kai called Hu Mazi and entered the Demon-Suppressing Tower.

After the two entered the Demon-Suppressing Tower, Kai sat cross-legged on the ground with an upright posture and a focused expression as he began to absorb the immortal energy from the immortal stones.

The immortal energy in those immortal stones was very rich and of high purity, much better than the immortal stones Kai had absorbed before.

The immortal energy flowed into Kai’s body like a gurgling stream, nourishing his meridians and dantian.

With the help of the fairy stone, Kai’s cultivation began to improve rapidly.

The immortal aura around him became increasingly dense, like a faint halo enveloping him.

His realm was constantly breaking through, as if layer after layer of shackles were being broken.

Hu Mazi also tried his best to absorb the spiritual energy and improve his realm and strength.

But just when Kai and Hu Mazi were concentrating on practicing in the Demon-Suppressing Tower, six or seven people appeared not far away.

One of the monks was a one-eyed man. When they saw the Demon-Suppressing Tower appear out of nowhere, they were all very curious.

“Brother, we often pass by here. I don’t think there was a tower here before?”

A monk asked the one-eyed dragon.

“Let’s go and take a look.”

The one-eyed dragon waved his hand, and several people walked towards the Demon-Suppressing Tower.

But before he could get close, a roar suddenly sounded.

roar

The little fire unicorn jumped out and looked at the monks with a fierce look.

A few guys were startled, but when they saw the little fire unicorn clearly, they were all stunned, and then they became surprised.

“Brother, is this a Qilin beast?”

A monk asked.

Chapter 5533

“It’s still a Fire Qilin, a very rare Fire Qilin.”

Another monk said excitedly.

The one-eyed dragon's eyes were also shining at this moment. He licked his lips and said, "This is a rare divine beast. I didn't expect that we would see it in the seventh heaven."

"It's still a cub. If we catch it, we'll be rich!"

Greed gleamed in the eyes of several cultivators. One of them rubbed his hands together and approached the little Fire Qilin with a sinister grin, "Little fellow, come with us. You'll have food and drink in the future. It's much better than being out here in the wilderness."

When the little fire unicorn sensed danger, all the hair on its body exploded and the flames on its body rose up like a burning little sun.

It roared angrily at the monk and spewed out a column of blazing flames from its mouth, shooting straight at the monk.

The monk didn't expect the little fire unicorn to react so violently. He was forced to retreat repeatedly by the column of fire, his face full of panic.

However, he quickly stabilized his body, quickly formed seals with his hands, and a water curtain formed in front of him, trying to resist the fire attack.

"Humph, little thing, I can't catch you with this little ability."

The one-eyed dragon snorted coldly and waved his hand, "Let's go together, don't let it get away!"

The other cultivators received the order and cast spells to attack the little fire unicorn.

Some cultivators summoned flying swords, which flashed with cold light and streaked through the air like meteors, piercing the little fire qilin. Other cultivators cast wind spells, sending howling gusts of wind in an attempt to extinguish the flames on the little fire qilin.

The little fire unicorn dodged left and right under numerous attacks. Although the flames on its body could block some of the attacks, it gradually became powerless facing the siege of so many monks.

The flames on its body became dim, and its movements were not as agile as before.

Just as a cultivator seized the opportunity and reached out to grab the little fire unicorn's tail, suddenly a black shadow rushed out from the side like lightning.

It was the little Sky-Swallowing Beast. It opened its mouth wide and a huge suction force was instantly generated.

The surrounding air, the flying dirt, and even the cultivator's hand that was about to touch the little fire qilin were all pulled by this powerful suction force.

The monk's eyes widened in horror, trying desperately to break free from the suction, but his body flew uncontrollably into the mouth of the little Sky-Swallowing Beast.

"Ah! What kind of monster is this!"

The other cultivators cried out in alarm upon seeing this. They temporarily stopped attacking the Little Fire Qilin and turned to deal with the Little Sky-Swallowing Beast.

A cultivator clenched his fists, with a bright light on his body, and rushed towards the little Sky-Devouring Beast, wanting to knock it away with one punch.

The little Sky-Swallowing Beast was not afraid at all. It maintained its suction force while dodging the attacks flexibly.

The monk's fist brushed past the body of the little Sky-Devouring Beast but failed to cause any harm to it.

When the little fire qilin saw the little sky-swallowing beast coming to help, he became more spirited and the flames on his body became stronger again.

It seized the opportunity, rushed towards a monk who was closer, and rammed into him.

The monk was knocked back and spat out blood from his mouth.

The little Sky-Swallowing Beast and the little Fire Qilin cooperated more and more tacitly.

The little Sky-Swallowing Beast continued to exert its suction power, pulling the surrounding monks to the point where they could no longer stand steadily.

The little fire unicorn took the opportunity to launch an attack, using flames and its body to hit the enemy.

Seeing the situation was not good, the one-eyed dragon roared, “Everyone, use all your strength! Don’t let these two little guys get away!”

He quickly formed seals with his hands and muttered something. A huge black palm formed above his head and slapped the little Sky-Swallowing Beast and the little Fire Qilin hard.

The little Sky-Swallowing Beast felt tremendous pressure, but it did not retreat. Instead, it increased the suction force.

At the same time, the flames on the little fire unicorn turned into a fire dragon and rushed towards the black palm.

Chapter 5534

“Boom!” The black palm collided with the fire dragon, making a deafening sound.

A powerful shock wave spread out from the collision point, uprooting the surrounding trees and creating a huge crater on the ground.

Under the influence of the shock wave, several monks were blown away and fell to the ground.

They all had injuries of varying degrees and looked miserable.

Although the little Sky-Swallowing Beast and the little Fire Qilin were also affected by the shock wave, they quickly stabilized their bodies with their flexible movements and tenacious will.

The little Sky-Swallowing Beast spotted a cultivator who had fallen to the ground and had not yet had time to get up, rushed over, and swallowed him into its stomach in one gulp.

The other cultivators' eyes widened in horror upon seeing this. They wanted to flee, but the little Sky-Swallowing Beast and the little Fire Qilin wouldn't give them the chance.

The little Sky-Swallowing Beast continued to use its suction power, trapping several monks in place;

The little fire unicorn attacked again, burning them one by one with flames and causing serious injuries.

Finally, the little Sky-Swallowing Beast swallowed all the remaining cultivators into its stomach.

It burped contentedly, and the light on its body seemed to become brighter.

The little Fire Qilin happily circled around the little Sky-Swallowing Beast a few times, and the two little guys looked very happy.

After dealing with these monks, the little Sky-Swallowing Beast and the little Fire Qilin returned to the vicinity of the Demon-Suppressing Tower

and continued to play, as if the previous battle was just an interesting game.

Inside the Demon Suppression Tower, Kai and Hu Mazi were still concentrating on their cultivation, completely unaware of what was happening outside.

The two people are still practicing with full concentration.

In the Demon-Suppressing Tower, time seems to have lost its meaning.

One year in the outside world is a hundred years inside the tower.

Kai and Hu Mazi were so immersed in their cultivation that they completely forgot the passage of time.

Kai sat cross-legged, surrounded by a rich fairy aura.

The immortal stones obtained from the Sixth Palace Master's warehouse were now emitting brilliant light, continuously supplying him with pure energy.

As his cultivation deepened, Kai's aura grew stronger and stronger. The already condensed immortal energy within his dantian now surged violently like boiling water.

"boom!"

With a slight sound, Kai's body trembled slightly, and he successfully broke through to the first level of the Earth Immortal Realm!

However, he did not stop practicing, but continued to absorb the energy from the fairy stone.

Under the time acceleration effect of the Demon-Suppressing Tower, his cultivation level was improving at a speed visible to the naked eye.

Every upgrade is accompanied by a powerful energy fluctuation.

Kai's body was also tempered through these breakthroughs and became more resilient.

Meanwhile, Hu Mazi was also cultivating desperately. Although his talent wasn't as good as Kai's, with the help of such a pure immortal stone and the Demon Suppression Tower, his cultivation was steadily improving.

"call"

Hu Mazi let out a long breath, he successfully broke through to the first level of human immortal realm!

Hu Mazi was extremely excited as he felt the unprecedented powerful force in his body.

But he was not satisfied, and continued to absorb the energy from the fairy stone.

Time passed by unknowingly. A hundred years in the Demon-Suppressing Tower was only one year in the outside world.

During this period, Kai and Hu Mazi's cultivation both made a qualitative leap.

Kai's realm soared all the way, and finally broke through the fifth level of the Earthly Immortal Realm and reached the sixth level of the Earthly Immortal Realm!

His aura was already incredibly powerful, and the spiritual energy around him was as solid as substance.

Hu Mazi also successfully broke through to the third level of the human immortal realm. Although there is still a big gap between him and Kai, it is a world of difference compared to before.

"Finally a breakthrough!"

Kai slowly opened his eyes, a gleam of light flashing in them. He felt an unprecedented powerful force within him, and his heart was filled with confidence.

Chapter 5535

At this moment, he noticed that the immortal stones around him had become dim, evidently completely drained of their energy. My Book City ~ Updates are fastest.

“It seems that the energy of these immortal stones has been consumed by us.”

Hu Mazi also opened his eyes and said with some regret.

Kai nodded and said, “Yes, but it’s already great to have such a harvest. Our current strength is far different from before.”

Hu Mazi said with deep feeling, “That’s true. If it weren’t for these immortal stones and the Demon Suppression Tower, I don’t know how much time and energy it would have taken us to reach our current level.”

Kai stood up and stretched his body, making a series of crackling sounds.

He felt the surging power in his body, and the corners of his mouth rose slightly.

“Okay, we should go out now. The latest chapter of the Jingwu novel has been published on the Jingwu novel website.”

Kai said, “I don’t know what the situation is outside now.”

Hu Mazi also stood up and said, “Yes, we have been in there for a few days, and we don’t know what happened to the little Fire Qilin and the little Sky-Swallowing Beast.”

The two of them no longer hesitated and turned to walk out of the Demon-Suppressing Tower.

When they walked out of the Demon-Suppressing Tower, they found the little Fire Qilin and the little Sky-Swallowing Beast sleeping together.

Seeing this scene, Kai and Hu Mazi couldn't help laughing.

"It seems that things outside are quite peaceful these days," said Hu Mazi.

Kai didn't say anything, but looked around with a frown.

He could sense the presence of battle all around him.

"What's wrong?" Hu Mazi asked.

"Someone must have come here while we were practicing."

Kai said!

At this time, the little fire unicorn and the little sky-swallowing beast woke up. After seeing Kai, they ran directly to Kai.

Accompanied by the roar of the little fire unicorn, Kai knew that someone had been here before, but was defeated and eaten by the little swallowing beast.

Kai opened the storage ring and let the little fire unicorn and the little sky-swallowing beast go back.

"Master Hu, we should go find that Evil Dao Hall elder, Xue Wuying. Perhaps he can tell us whether the souls of your people are still alive!"

After Kai put away the little fire unicorn and the little sky-swallowing beast, he said to Hu Mazi.

"Okay," Hu Mazi nodded!

Eighth Heaven!

In the palace of the Third Palace Master, the Fifth Palace Master was kneeling on the ground with wounds all over his body. His heart was filled with humiliation and unwillingness. He, the dignified Fifth Palace Master of the temple, had suffered such a great loss at the hands of a young boy.

“Third Palace Master, your subordinates are incompetent and were defeated by Kai!”

The Fifth Palace Master’s voice was trembling, with a hint of tears in his voice, as he recounted the details of the battle with Kai.

The Third Palace Master was originally sitting upright on a gorgeous chair with a calm expression, but as the Fifth Palace Master spoke, his brows gradually furrowed and a hint of shock flashed in his eyes.

“I didn’t expect Kai to be so powerful. Even you are no match for him.”

The Third Palace Master slowly stood up, put his hands behind his back, and paced around the palace, thinking about how to deal with the situation.

“Third Palace Master, Kai’s strength is increasing very quickly. If he is not eliminated soon, he will become a serious threat in the future!”

“Moreover, the Fourth Palace Master Ling Xi has a close relationship with Kai. Some time ago, the Fourth Palace Master personally led the Divine Guards to the Sixth Heaven to help Kai.”

“Once Kai reaches the Eighth Heaven and stands with the Fourth Palace Master, I’m afraid there will be no place for the Third Palace Master in the entire temple.”

Seeing that the Third Palace Master was silent, the Fifth Palace Master spoke hurriedly and anxiously.

The Third Palace Master stopped and a fierce look flashed in his eyes.

“If that’s the case, then we can’t let him reach the Eighth Heaven smoothly.”

The Third Palace Master narrowed his eyes slightly and said.

“How can we stop it?” The Fifth Palace Master was stunned!

The Third Palace Master sneered, “When Kai comes to the Eighth Heaven, he will surely tear the void apart and come through the void channel. Then I will attack him in that void channel, trapping him in the void turbulence and causing him to disappear forever in the vast universe!”

The Fifth Palace Master shuddered slightly, his face filled with disbelief as he asked, “Third Palace Master, are you planning to mobilize the Gods?”

“good”

Before the Fifth Palace Master could finish his words, the Third Palace Master nodded!

Chapter 5536

Elsewhere, Kai and Hu Mazi raced along, relying on the clues they had gathered and Hu Mazi’s knowledge of the Evil Dao Hall. They finally found the Evil Dao Hall branch.

It was a gloomy building hidden in the mountains, filled with a strange atmosphere, as if countless wronged souls were watching in secret.

The surrounding trees were twisted and deformed, as if they were eroded by some evil force, exuding an indescribable weirdness.

“This is it.” Kai’s eyes were cold, he tightly grasped the Dragon Slaying Sword in his hand and said coldly.

Hu Mazi nodded, his eyes filled with both anticipation and nervousness, and said, “I hope we can successfully find the whereabouts of our tribe’s souls this time.”

The two men strode towards the branch hall of the Evil Way Hall. As soon as they reached the door, they were stopped by two guards.

“Stop! Who are you? How dare you trespass into the Evil Path Palace branch?”

One of the guards, holding a spear, shouted fiercely.

Kai didn’t waste any words and directly activated his spiritual power, and a powerful aura rushed towards him.

The two guards felt a huge pressure coming at them, and their bodies involuntarily retreated with expressions of fear on their faces.

“Call Xue Wuying out!” Kai shouted loudly, his voice as loud as a bell, echoing in the valley.

After a while, the door slowly opened and Xue Wuying walked out slowly with a group of his men.

When he saw Kai, a hint of surprise flashed in his eyes, and then he sneered.

“Hehe, I didn’t expect you to come here so soon?” Xue Wuying said sarcastically.

“You knew I was coming to see you?” Kai was stunned.

“Of course I know, and I also know that you have been tracking the whereabouts of the Hu family’s souls.”

Xue Wuying said with a faint smile.

“As expected of an elder of the Evil Path Hall, you know a lot. Since you know everything, then tell me.”

Kai looked at Xue Wuying coldly and said, “If you tell me now the whereabouts of the souls of the Hu family members, I might show mercy and spare your life.”

“Hahaha” Xue Wuying laughed crazily: “Since I dare to wait for you here, do you think I am afraid of you?”

Hu Mazi’s face was filled with anger at this moment. He pointed at Xue Wuying and said, “Xue Wuying, you, the Evil Dao Hall, have committed many evil deeds and taken away the souls of my Hu family members. Hand over their souls now!”

Xue Wuying glanced at Hu Mazi with disdain and said, “Just you? A remnant of the Hu family dares to shout in front of me. I think you are tired of living!”

Kai’s eyes flashed, and he said, “Xue Wuying, you’d better tell the truth, otherwise, today will be the day you die!”

Xue Wuying sneered, “Just you? Kai, do you think you can act arrogant in front of me just because you have some ability?

Don’t think that you can act arrogantly in front of me just because you killed the Sixth Palace Master of the Temple. The Temple can’t be compared with our Evil Path Palace.

Today I will let you know that in my Evil Dao Palace’s territory, you are nothing!”

After saying that, Xue Wuying quickly formed seals with his hands, and rays of blood-red light emanated from his body.

His aura became stronger and stronger, and the air around him seemed to be dyed blood red.

“Blood Frenzy!”

Xue Wuying shouted loudly, and a huge blood-red wave swept towards Kai and Hu Mazi.

The blood-colored wave exuded an evil aura and carried a powerful force, as if it was going to devour everything.

Kai was not afraid at all. He circulated the spiritual energy in his body and raised the Dragon Slaying Sword high.

“cut!”

Kai shouted loudly, and the dragon-slaying sword in his hand burst out with dazzling light.

A huge dragon-shaped sword shadow flew out from the Dragon Slaying Sword and rushed towards the blood-red wave.

“boom!”

With a loud bang, the dragon-shaped sword shadow collided with the blood-red wave.

The two powerful forces counteracted each other with a deafening roar. The surrounding ground was cracked, and cracks spread out like spider webs.

Chapter 5537

Xue Wuying’s face changed. He hadn’t expected Kai to be able to withstand his attack so easily.

But he did not retreat, but continued to cast spells, and blood-red arrows shot out from his hands and shot towards Kai.

Kai, holding the Dragon Slaying Sword, weaved freely among the blood-red arrows. His swordsmanship was extremely sharp, and each move contained a powerful force, severing those blood-red arrows one after another.

“Xue Wuying, your attacks are useless to me!”

Kai said coldly, then his figure flashed and rushed towards Xue Wuying.

The dragon-slaying sword in his hand stabbed out like lightning, straight for Xue Wuying’s throat.

Xue Wuying reacted extremely quickly. He dodged to the side and at the same time clenched his right fist and punched towards Kai’s chest.

The fist was surrounded by immortal energy, emitting a powerful force that seemed to be able to smash a mountain.

Kai quickly retracted the Dragon Slaying Sword and held it horizontally in front of him to block.

With a dull “bang”, Xue Wuying’s fist slammed heavily on the Dragon Slaying Sword. A huge force came along the sword body, causing Kai’s arm to go numb.

But he did not retreat. Instead, he used this force to flip his body backwards and create some distance between himself and Xue Wuying.

“I didn’t expect you to have some skills, but this is not enough!”

Xue Wuying said coldly, he waved his hands quickly, and blood runes flew out from his hands, forming a huge blood formation in the air.

In an instant, the space around Kai and Hu Mazi was instantly annihilated. At the same time, countless blood-red chains appeared around the two.

This sudden change startled Kai and Hu Mazi, and Kai frowned.

“Kai, I can’t seem to sense the space around me anymore. My consciousness can’t even spread out.”

Hu Mazi said with a grim expression.

Kai also kept looking around, and said solemnly: “It’s the same for me. It seems that we have suddenly fallen into an endless void.”

The space around Kai and Hu Mazi became more and more illusory, and the two of them actually had a feeling that they were not still alive.

Especially the red chains around it, which look like the approval from the eighteen levels of hell.

Hu Mazi was so depressed that he could hardly breathe, so he waved his hand and a talisman flew out instantly, then exploded with a loud bang.

boom!

In an instant, the surrounding space was stirred.

But after the excitement, it became calm again. Hu Mazi’s talisman was like a stone sinking into the sea, and the red iron chains around it did not move at all.

These red chains were like a cage, surrounding Kai and Hu Mazi.

“Hahaha, if I didn’t have a way to subdue you, why would I just sit there and wait for you to take the bait?”

Xue Wuying’s voice came from all directions.

“Kai, what should we do?”

Hu Mazi asked in a panic.

Kai didn’t say anything, but looked around desperately.

He knew that this must be a formation and it would definitely not reach another void. However, the formation was very easy for Kai to crack, but now Kai had no clue at all and could not even see where the center of the formation was.

Just as Kai was desperately observing, the blood-red chains suddenly began to shuttle, and huge forces surged towards Kai and Hu Mazi.

Hu Mazi’s face changed drastically and he quickly hid behind Kai.

“Kai, what should we do?”

Hu Mazi is very helpless at this moment!

“Don’t be afraid”

Kai took out the Dragon-Slaying Sword and slashed at the red chains.

boom!

A red iron chain in front of Kai was cut off in an instant. Seeing this, Hu Mazi’s expression relaxed a little.

But before Hu Mazi could completely relax, the severed red chain was automatically reconnected. At the same time, the red chain kept vibrating, causing the entire space to tremble.

Chapter 5538

The red iron chain vibrated continuously, and the entire space trembled with it, emitting waves of teeth-grinding metallic friction sounds. - Ka?Ka_Novel·Net* *Free Reading_

Those broken chains seemed to have life. Every time Kai cut them, they would reconnect in an instant, becoming thicker and tougher.

“No, this is not a solution!”

Kai was breathing heavily, with beads of sweat on his forehead.

He had attacked nearly a hundred times in a row, but these strange chains seemed endless. No matter how hard he tried, he could not completely destroy them.

Hu Mazi hid behind Kai, his face as pale as paper, his lips trembling as he said, “Kai, this formation is too weird, our attacks have no effect at all!”

Kai gritted his teeth, and the Dragon Slaying Sword in his hand burst out with dazzling light again.

He knew that now was not the time to retreat. If he were to be entangled by these chains, the consequences would be disastrous.

“Try again!”

Kai shouted loudly and poured all the remaining spiritual energy in his body into the Dragon Slaying Sword.

The sword emitted a humming sound like a dragon’s roar, and an even larger dragon-shaped sword shadow flew out from the sword, sweeping towards the iron chain in front.

“boom!”?

With a loud bang, the dragon-shaped sword shadow collided with the iron chain, bursting out with dazzling light.

This time, Kai's attack did have some effect. The chains in front were completely shattered, turning into blood-red spots all over the sky.

But before Kai and Hu Mazi could rejoice, the scattered blood-red dots of light regrouped in the air, forming more and thinner chains, like a giant blood-red fishing net, enveloping the two of them.

"not good!"

Kai's expression changed, and he quickly held the Dragon Slaying Sword across his body, trying to block the attack of the chains.

However, this time the number of chains was too great and densely packed, like a swarm of locusts, making it impossible to completely stop them.

Several chains broke through Kai's defense and wrapped around his arms.

"ah!"

Kai let out a painful groan.

Those chains seemed to have life. Once they were wrapped around him, they began to madly absorb the spiritual energy and vitality in his body.

Seeing this, Hu Mazi no longer cared about being afraid. He quickly formed seals with his hands, and a yellow talisman instantly flew out, flying towards the iron chain wrapped around Kai's arm.

"break!"

Hu Mazi shouted loudly, and the talisman burst into a dazzling light in the air.

However, the spell had little effect; the chains only paused slightly before continuing to absorb Kai's power crazily.

“It’s useless! Your attacks are nothing compared to my Blood God Soul-Trapping Formation!”

Xue Wuying’s voice came again from all directions, with a hint of pride and cruelty.

Kai and Hu Mazi’s expressions became increasingly ugly.

They could feel that the strength in their bodies was being lost at an alarming rate and their physical strength was being depleted rapidly.

If this continues, they will collapse from exhaustion without Xue Wuying’s intervention.

“Kai, we

What should we do?

There was a hint of despair in Hu Mazi’s voice.

Kai gritted his teeth, enduring the pain of losing strength, and said, “Don’t give up, we must find a way out!”

However, despite saying this, Kai began to feel a little desperate.

He could feel that the power of this formation far exceeded his imagination, and it seemed to be constantly growing stronger.

Time passed by minute by minute, and Kai and Hu Mazi’s physical strength and spiritual energy were rapidly consumed.

Their movements became slower and slower, and their breathing became heavier. ?

Finally, after persisting for nearly an hour, Kai and Hu Mazi were exhausted.

Chapter 5539

They collapsed to the ground, gasping for breath, unable to even lift a hand. “Look, Book Master, the article has been published.”

Seeing that the two men had lost their ability to resist, the blood-red chains stopped attacking and instead tightly wrapped around them, forming two giant blood-red cocoons.

“Hahaha, is it finally over?”

Xue Wuying’s voice sounded again, with a hint of pride and cruelty.

Immediately afterwards, a blood-red figure slowly appeared in the formation.

It’s none other than Bloodless Shadow! ?

He looked at Kai and Hu Mazi who were wrapped in blood-red cocoons, and a cruel smile appeared at the corner of his mouth.

“Kai, weren’t you very powerful? Why are you not as good as you used to be now?” Xue Wuying’s face was full of joking.

Kai struggled to stand up, but his strength had been completely depleted, leaving him unable to move.

Xue Wuying slowly walked in front of Kai, stretched out his right hand, and pressed it on the blood-colored cocoon that wrapped Kai.

“You do have great talent, but unfortunately, you’ve offended someone you shouldn’t have.”

“But don’t worry, I won’t let you die easily. I will absorb your soul bit by bit and make you experience unprecedented pain!”

After saying that, Xue Wuying closed his eyes and began to form seals quickly with his hands.

Blood-colored runes flew out from his hands and merged into the blood-colored cocoon that enveloped Kai.

“Blood God Soul Devouring Technique!”

Xue Wuying shouted loudly.

Instantly, the blood-red cocoon enveloping Kai began to shrink, emitting a strange red light.

Kai could feel his soul being pulled by a powerful force, as if it was about to be torn out of his body.

“ah!”

Kai let out a painful scream. This feeling of his soul being pulled was a thousand times more painful than any physical pain.

Kai

Seeing this, Hu Mazi tried to struggle to help Kai, but he was also wrapped in the blood-colored cocoon and could not move at all.

Xue Wuying opened his eyes and looked at Kai who was struggling in pain, with a satisfied smile on his lips.

“How is it? Doesn’t this feel wonderful?”

“Don’t worry, this is just the beginning, there will be more exciting things to come!”

After saying this, Xue Wuying closed his eyes again and increased the power of his spell.

Kai could feel that his consciousness was gradually becoming blurred, and the force pulling his soul was getting stronger and stronger.

Just as his soul was about to be completely separated from his body, a golden light suddenly burst out from his sea of consciousness.

“Um?”

Xue Wuying frowned, as if he sensed something.

Immediately afterwards, a powerful suction force came from Kai’s sea of consciousness, sucking Xue Wuying’s consciousness in as well.

“What?”

Xue Wuying’s face changed drastically. He tried to withdraw his consciousness, but it was too late. His mind seemed to have fallen into a bottomless abyss, and was instantly sucked into Kai’s sea of consciousness.

When Xue Wuying regained consciousness, he found himself in an unfamiliar space.

This place is in chaos, with golden light all around and the air filled with powerful and pure energy.

“here it is

Sea of consciousness?”

Xue Wuying said in surprise.

He had never expected that he would be sucked into Kai’s sea of consciousness.

At this moment, a majestic voice came from the chaos.

“How dare you, you daring lunatic, trespass into my territory!”

Xue Wuying looked in the direction of the sound and saw a figure in a crimson robe slowly walking out of the chaos.

This figure was tall, with a dignified face and a powerful aura emanating from him. It was none other than the Scarlet Cloud Demon Lord in Kai's sea of consciousness!

Xue Wuying's face changed. He could feel that the figure in the crimson robe in front of him was very powerful, far surpassing himself.

"Who are you?" Xue Wuying asked in shock.

Chapter 5540

The Scarlet Cloud Demon Lord sneered and said, "I am the Scarlet Cloud Demon Lord! How dare you trespass into my territory and even attempt to absorb Kai's soul? You are simply courting death!"

Xue Wuying was shocked. He did not expect that such a powerful existence was sealed in Kai's sea of consciousness.

"Demon Lord Chiyun?" Xue Wuying was stunned. He had heard of this name when he was in the sixth level. At that time, Kai was fighting against Soul Devourer, and Soul Devourer called him by this name.

"So you are the Scarlet Cloud Demon Lord. Why are you in Kai's sea of consciousness?" Xue Wuying asked.

"That's none of your business!"

The Scarlet Cloud Demon Lord snorted coldly, "You dare to harm my host? Today, I will let you taste my power!"

After saying this, the Scarlet Cloud Demon Lord flashed and instantly appeared before Xue Wuying, punching him.

Xue Wuying's face changed drastically and he quickly cast a defensive spell.

However, his defense was like paper in front of the Scarlet Cloud Demon Lord's attack and was instantly shattered.

"Bang!"?

Xue Wuying was struck by a punch from the Scarlet Cloud Demon Lord, and flew backward like a kite with its string cut, falling heavily to the ground.

"puff!"

Xue Wuying spat out a mouthful of blood and his face became even paler.

He hadn't expected the Scarlet Cloud Demon Lord to be so powerful that he couldn't even withstand a single blow from him. White Horse Academy chasing Xin Zhangjie?

The Scarlet Cloud Demon Lord slowly walked up to Xue Wuying, looked down at him, and said, "With this little strength, you dare to act so arrogantly in front of me?"

Xue Wuying struggled to stand up, but the punch from the Scarlet Cloud Demon Lord was too heavy, and he couldn't move at all.

Don't be so complacent, I'm an elder of the Evil Dao Hall. We in the Evil Dao Hall specialize in collecting souls. You are also a soul now. If you dare to touch me, you will be in big trouble!"

The Scarlet Cloud Demon Lord laughed heartily and said, "The Evil Dao Hall? In front of me, they are nothing but a bunch of clowns!"

After saying that, Demon Lord Chiyun attacked again, punching and kicking Xue Wuying again.

Xue Wuying screamed in agony, but was unable to resist.

Just when Xue Wuying was beaten to death, a golden light suddenly shone down from the chaos.

When the Red Cloud Demon Lord saw the golden light, his body trembled slightly and he hid himself instantly, seeming to be very frightened.

This golden light directly enveloped Xue Wuying.

Xue Wuying looked up and saw a golden ancient book floating in the air, emitting dazzling light.

This book is the Daluo Golden Classic! ?

The golden light emanating from the Daluo Golden Scripture grew increasingly intense, and Xue Wuying could feel his soul being pulled by a powerful force, as if it were about to be sucked into the Daluo Golden Scripture.

“No! Don’t!”

Xue Wuying let out a desperate scream, but was unable to resist the suction of the Daluo Golden Classic.

?Xue Wuying absorbed the souls of other people all his life, but he never expected that he would become a lamb to be slaughtered in someone else’s sea of consciousness.

In the end, Xue Wuying’s soul was completely absorbed by the Daluo Golden Classic, and his body transformed into blood-red light spots all over the sky, dissipating in Kai’s sea of consciousness.

As the golden light slowly dissipated, the figure of the Red Cloud Demon Lord appeared. Looking at the disappeared Xue Wuying, the Red Cloud Demon Lord smiled coldly and said, “Idiot, you dare to absorb Kai’s soul, you are really looking for death.”

The Red Cloud Demon Lord had to behave himself in Kai's sea of consciousness. After all, the Daluo Golden Classic in Kai's sea of consciousness was too powerful, especially for souls, it was simply a crushing blow.

At the same time, the blood-colored formation outside began to collapse.

The blood-red iron chains that were wrapped around Kai and Hu Mazi seemed to have lost their strength and broke one after another, turning into blood-red light spots all over the sky and dissipating in the air.
