Chapter 5541

Chapter 5541 Return to Dongxiang County

Kai and Hu Mazi felt their restraints disappear and quickly struggled to their feet.

They looked at the dissipating formations around them, and the dried corpse left by Xue Wuying on the ground, all with a look of surprise.

“Just now...what happened just now?” Hu Mazi asked doubtfully.

Kai also looked confused. He only remembered that his soul was pulled by Xue Wuying, and then he lost consciousness.

As for what happened afterwards, he had no idea. ?

At this moment, the voice of the Red Cloud Demon Lord came from Kai’s sea of consciousness: “Boy, you are lucky this time. If I hadn’t intervened, you would have been sucked away by that guy long ago!”

Kai was startled and asked quickly, “Senior, were you the one who saved me just now? Weren’t you weak and almost dead?”

Kai didn’t understand. After the battle with Soul Devourer, the soul of Demon Lord Chiyun was very weak and almost died. How could he help him?

“f*ck, I’m weak. Inside your sea of consciousness, I could easily destroy that guy’s soul. I’m the Demon Lord of the Ninth Heaven, this guy is nothing. Hong Te Novel Network, updated the fastest.”

The Scarlet Cloud Demon Lord boasted.

“Thank you so much, Senior…”

Kai didn’t know what was happening in his sea of consciousness, so he could only thank Demon Lord Chiyun first.

“Don’t be polite!” Scarlet Cloud Demon Lord said proudly, “However, that fellow’s soul was eventually absorbed by that golden ancient book, which saved me a lot of trouble. @¤Read#-/book; Lord [? £>No mistake: the content£”

Only then did Kai understand that the soul that was in the blood-less shadow just now was absorbed by the Daluo Golden Classic in his sea of consciousness.

Even the soul of the Scarlet Cloud Demon Lord fears the Daluo Golden Canon, so the spirit of Bloodless Shadow is even less of a threat.

Seeing Kai’s expression, the Scarlet Cloud Demon Lord quickly explained, “But I did beat that guy up, don’t think I’m bragging!”

“No, Senior is the most powerful person in the Ninth Heaven, how could he brag?”

Kai said with a faint smile.

This sentence made Demon Lord Chiyun blush, and he simply ignored Kai!

Hu Mazi looked at the bloody corpse on the ground and asked, “Kai, what should we do now?”

Kai came back to his senses and looked at the dried corpse on the ground, a cold light flashed in his eyes.

“Xue Wuying is dead. We must find a way to find clues about the souls of your people from him.”

After saying that, Kai walked up to Xue Wuying's dried corpse and began to search his body.

Soon, he found a black jade pendant in Xue Wuying's arms.

This jade pendant is completely black, engraved with some strange runes, and exudes a cold aura.

"What is this?" Hu Mazi asked curiously.

Kai carefully observed the jade pendant and said, "This should be a token from the Evil Dao Palace. Perhaps we can find some clues from it."

After saying this, Kai put the jade pendant away and said to Hu Mazi, "Master Hu, let's leave here first and find a safe place to study this jade pendant in detail."

Hu Mazi nodded, and the two of them, without further hesitation, turned and left the Evil Dao Hall branch.

When they walked out of the valley, they found that it was already late at night outside.

The moonlight sprinkled on the earth, adding a touch of strange beauty to this gloomy forest.

"Where are we going next?" Hu Mazi asked.

Kai thought for a moment and said, "Let's find a place to rest first, and then we can figure out how to study the jade pendant. By the way, do you know of any safe places nearby?"

Hu Mazi thought for a moment and said, "We can go back to Dongxiang County and rest there. It's safe there too."

Kai glanced at Hu Mazi and knew that Hu Mazi must want to go back to Dongxiang County to play with women.

Chapter 5542

Chapter 5542: Never Forget

After all, Lin Yuner found two women to accompany Hu Mazi.

Now I can go back and continue playing.

But it was hard for the two maids, who were tormented by the sesame seeds and had difficulty walking.

Kai nodded and said, “Okay, then we will go to Dongxiang County.”

The reason why Kai agreed to return to Dongxiang County was that he wanted to try whether the Bloodless Jade Pendant could help Lin Yuner’s father find his soul.

Although they knew that Lin Yuner’s father’s soul had been absorbed by them, the Evil Dao Palace has always been proficient in the way of the soul. Maybe there are other ways to restore Lin Yuner’s father.

The two of them no longer hesitated and headed towards Dongxiang County.

The wind and sand are still raging, like ferocious beasts, roaring and galloping between heaven and earth.

However, Kai and Hu Mazi’s mood was completely different from when they first came.

When they came, they were filled with anxiety about the unknown and eager to find the truth; now, they are more calm and determined.

The two walked in the inky night and arrived at the city gate of Dongxiang County again.

Under the dim light, the city gate looked ancient and solemn, like a silent guard witnessing the rise and fall of the city.

When the soldiers guarding the city saw them, a trace of awe flashed in their eyes, and they hurriedly and respectfully made way, not daring to stop them in the slightest.

After all, the powerful aura released by Kai last time was like a towering mountain, pressing down on them so hard that they couldn't breathe. It was still fresh in their memory.

The majesty and power contained in that breath made them feel fear and awe from the bottom of their hearts.

Hu Mazi looked at the soldiers' respectful expressions, his lips curled up slightly as he said with a smile, "I didn't expect the soldiers from Dongxiang County to be so sensible. Look at how terrified they are, as if we were some kind of monster."

Kai smiled faintly, a smile that revealed a calmness that transcended the mundane world. He said, "Strength determines everything. This is the law of the world of immortal cultivation. In this world where the strong prey on the weak, only by possessing great strength can you make others feel awe."

The two walked into the city. The streets were still brightly lit, just like daytime.

Vendors were hawking all kinds of goods on both sides of the street, including fragrant delicacies, exquisite magic weapons, and all kinds of strange and bizarre gadgets, creating a prosperous scene.

The lively atmosphere seems to be telling of the vitality and vigor of this city.

"Let's go to the Lin family first."

Kai tilted his head slightly and spoke to Hu Mazi.

His eyes were firm and steady, as if he was already prepared to deal with anything.

Hu Mazi nodded, a hint of anticipation flashing in his eyes.

After all, he could never forget the taste of those two maids.

The two maids were gentle and graceful, like flowers in spring, making him feel itchy every time he thought of them.

The two soon arrived at the Lin family mansion. The mansion was magnificent, with a solemn and majestic vermilion gate. The stone lions in front of the gate were majestic, as if guarding the peace of the mansion.

When Lin Yuner heard the servant report that Kai and Hu Mazi had returned, she was overjoyed and hurried out, picking up her skirt.

Her hair fluttered gently as she ran, like black satin. Her face was full of surprise, and her bright eyes were sparkling with joy.

“Fellow Daoist Chen, Master Hu, you’re back!”

Lin Yuna’s clear voice echoed in the air, as if it was the most beautiful note in the world.

Her eyes swept over the two of them, as if looking for something, with a hint of anxiety and expectation in her eyes.

“Miss Lin, we are back.”

Kai nodded slightly, his tone calm and steady.

“Then…then my father’s soul…” Lin Yuna asked nervously, her hands unconsciously clenching the corners of her clothes, and fine beads of sweat appeared on her forehead.

Chapter 5543

Chapter 5543 Call me anytime

She worried about her father's safety day and night, praying every minute and every second for his soul to be safe.

Kai took out the black jade pendant from his arms. The jade pendant exuded a mysterious and cold aura, as if it hid countless secrets.

He said slowly, "We found some clues. This is the jade pendant we got from Xue Wuying, the elder of the Evil Dao Hall. It may be able to help your father recover his soul."

A glimmer of hope flashed in Lin Yuna's eyes, and that hope was like a bright light in the darkness, illuminating her way forward.

"Really? That's great!"

Her voice trembled slightly with excitement, and tears sparkled in her eyes.

"But I can't guarantee success. I need to study this jade pendant first."

Kai looked at Lin Yuner and said seriously.

There was a sense of rigor and responsibility in his eyes, as if telling Yoona that he would do his best to help her father.

"It doesn't matter, as long as there is hope."

Lin Yuna said excitedly, with a happy smile on her face. That smile was like the sunshine in spring, warm and bright.

She hurriedly took Kai and Hu Mazi into the mansion.

The mansion is filled with pavilions and towers, which are arranged in an orderly manner, and the flowers, plants and trees are lush and verdant, making it seem like a paradise on earth.

“Butler Zhang, quickly prepare a room for Fellow Daoist Chen and Master Hu. Has the latest chapter of *ThirdLeaf House been released?”

Lin Yuna said to the old housekeeper in a clear and pleasant voice.

“Yes, miss.”

Butler Zhang responded quickly, his slightly bent back revealing his loyalty and respect for his master.

Soon, the two rooms were ready.

The room is elegantly decorated, with tables, chairs and benches. The bedding on the bed is soft and comfortable, as if inviting people to lie down and rest.

As soon as Hu Mazi saw the room, he couldn’t wait to say, “Miss Lin, those two maids...”

His eyes revealed greed and desire, as if he couldn’t wait to spend the night with the two maids.

Lin Yuner’s face flushed slightly, like the sunset glow in the sky, and she said shyly: “Master Hu, don’t worry, they are already waiting in the room.”

Hu Mazi laughed heartily and unrestrainedly, and said, “Great, I’ll go back to my room first.”

After saying this, he hurried towards his room, his anxious steps as if he was afraid that if he was a step late, the two maids would disappear.

Lin Yuner looked at Hu Mazi’s back, shook her head helplessly, and then looked at Kai: “Fellow Daoist Chen, your room is over here.”

Kai nodded and followed Lin Yuna to his room.

The room is simply and elegantly decorated. There is a landscape painting hanging on the wall. The landscape in the painting seems to have a lively aura, making people feel as if they are in nature.

“Fellow Daoist Chen, take a rest first. I’ll go get you some tea.”

Lin Yuna said gently, her voice was like the gurgling water, making people feel extremely comfortable.

“No, I want to study this jade pendant first.”

Kai said, his eyes fixed on the jade pendant in his hand, as if he was seeing deeper secrets through the jade pendant.

Lin Yuner nodded: “Okay, if you need anything, feel free to call me.”

After saying that, she turned and left the room.

The light steps are like a dancing butterfly, giving people a sense of beauty.

Kai closed the door, took out the black jade pendant and examined it carefully.

This jade pendant is pitch black, like the sky at midnight, with some strange runes engraved on it. The runes seem to be mysterious lines, emitting a cold aura.

Kai could feel that this jade pendant contained powerful soul power, and that soul power was like a surging tide, constantly surging in his perception.

Chapter 5544

Chapter 5544: Peak of Life

“It seems this is the magical instrument used by the Evil Path Palace to collect and store souls.”

Kai muttered to himself, his eyes revealing wisdom and contemplation.

He began to study the runes on the jade pendant carefully.

These runes are extremely complex, like mysterious codes containing profound laws of soul power.

While studying, Kai was deducing a solution in his mind.

His brows were sometimes furrowed, sometimes relaxed, as if he was engaged in a fierce battle with those runes.

Time passed minute by minute, and Kai was completely immersed in his research.

He seemed to have forgotten everything, concentrating only on the jade pendant in his hand and the deduction in his mind.

On the other side, bursts of laughter came from Hu Mazi’s room.

The two maids were serving Hu Mazi wholeheartedly. Their faces were filled with gentle smiles, and their eyes revealed a kind of obedience and shyness towards Hu Mazi.

Hu Mazi was lying on the bed, enjoying this unprecedented happiness. His face was full of satisfaction, as if he had reached the peak of his life.

“Miss Lin is sensible and knows what I need.”

Hu Mazi thought secretly in his heart, his eyes revealing a sense of pride and satisfaction.

In the next few days, Kai studied the jade pendant day and night.

He forgot to eat and sleep, spending almost all his time on research.

Lin Yuna would visit him every day and bring him some magic dew and magic fruit.

Seeing Kai working so hard, Lin Yuner's heart was filled with gratitude.

She knew that Kai was studying the jade pendant so hard for her father.

Hu Mazi stayed in his room all day, having fun with his two maids.

He rarely even left his room, completely immersed in the land of gentleness.

It seemed as if the world to him only meant those two maids and that warm bed.

"Master Hu, your body won't be able to bear it if you continue like this."

Lin Yuna said a little worriedly, her eyes revealing concern and worry.

Hu Mazi laughed heartily, with a hint of disdain in his laughter: "Don't worry, Miss Lin, I'm in good health, this little thing is nothing at all.

Back then, I could have sex with ten women all by myself without any problem."

Lin Yuna shook her head helplessly and said nothing more.

This was the first time she had seen a man who was willing to risk his life for a woman.

After several days of hard research, Kai finally gained some understanding of the jade pendant.

This jade pendant is a secret magic weapon of the Evil Temple, specially used to collect and store souls.

Only elders are qualified to wear it. Ordinary monks in the Evil Dao Temple can only use soul storage bags to store their souls.

The runes in the jade pendant contain powerful soul power laws, which can forcibly extract the soul of the cultivator and seal it in the jade pendant.

“I see. No wonder Xue Wuying was able to collect the souls of so many cultivators.”

Kai suddenly realized, and his eyes revealed a sense of relief after the sudden realization.

However, he has not yet found a way to release the soul.

The design of this jade pendant is very clever. It can only allow entry but not exit. Once the soul is sucked into it, it is difficult to release it.

“It seems I need to find a way to crack it.”

Kai said with a frown, his eyes revealing determination and persistence.

He believed that as long as he persisted in research, he would be able to find a solution.

He continued to study the runes on the jade pendant, trying to find the flaws.

His fingers gently stroked the jade pendant, as if feeling every change in the rune.

At this moment, he discovered that the runes on the jade pendant seemed to form a circular formation.

This formation continuously absorbs the surrounding soul power, while sealing the soul firmly in the jade pendant.

“If I can break this cycle, perhaps I can free the soul. Read <Book>/House 3 Latest chapters and sections It will be updated soon.”

Kai’s eyes lit up, and his eyes revealed excitement and anticipation.

He seemed to see the key to open the door to the treasure. As long as he broke the formation, he could save Lin Yuner’s father.

He began to try to use his soul power to attack the runes on the jade pendant.

His soul power flowed towards the runes on the jade pendant like invisible threads.

However, the defensive power of this jade pendant was so strong that his attack had no effect at all.

The rune was like a solid shield, bouncing all his soul power back.

“It seems I need more power. >*3{<8￥Read! Books o network< -¤÷Follow{¨Latest^*New>¤Chapter?×aSection`”

Kai thought, his eyes revealing a determination.

He knew very well that facing such a powerful magic weapon, only with stronger power could he break it.

He began to circulate the spiritual energy in his body, poured it into his fingers, and then pointed at the runes on the jade pendant.

The immortal energy was like a golden dragon, rushing towards the jade pendant with powerful force.

“Buzz!”

With a slight sound, the runes on the jade pendant began to flicker.

Kai could feel that the soul power in the jade pendant was fluctuating violently.

The fluctuation seemed like a sign before a storm, filling his heart with anticipation.

“It works!”

Kai’s heart was filled with joy, his delight like a blossoming flower.

He increased the output of his spiritual energy and continued to attack the runes on the jade pendant.

The immortal energy was like a surging tide, constantly impacting the runes on the jade pendant.

Time passed minute by minute, and beads of sweat covered Kai’s forehead.

The sweat beads rolled down his cheeks like bean-sized pearls.

He had been attacking continuously for nearly an hour, but the runes on the jade pendant were still not broken.

“This is not a solution.”

Kai said with a frown, his eyes revealing anxiety and thought.

He began to think of other methods, trying to find a more effective way to crack it.

At this moment, he remembered the Daluo Golden Classic in his sea of consciousness.

The Daluo Golden Classic contains powerful law power, which may be able to help him crack this jade pendant.

The Daluo Golden Classic seemed like an endless treasure, containing countless mysteries and powers.

Kai concentrated his mind and began to emit his soul. The jade pendant sensed Kai's soul and began to absorb it crazily.

Kai used his soul to attract the jade pendant into his sea of consciousness.

The jade pendant entered his sea of consciousness, and the Scarlet Cloud Demon Lord dodged away in a flash of fear.

This jade pendant is specifically used to collect souls, and only a remnant of the Red Cloud Demon Lord's soul is left, and if things go wrong, it might be sucked in.

"Kai, why did you bring this thing in? Are you trying to kill me?"

The Scarlet Cloud Demon Lord roared loudly!

"Senior, I just want to break this jade pendant!"

After Kai finished speaking, he began to communicate with the Daluo Golden Classic in his sea of consciousness.

His spirit was like an invisible thread, penetrating into the sea of consciousness and establishing a connection with the Daluo Golden Classic.

Soon, a golden light emanated from the Daluo Golden Classic and merged into the jade pendant.

"Buzz!"

The jade pendant made a slight sound, and the runes on it began to flash rapidly.

The shimmering runes seemed like twinkling stars, emitting a mysterious and powerful aura.

Kai could feel that the circulation formation in the jade pendant was being broken.

“Very good!”

Kai was delighted, and the joy surged into his heart like a tide.

He continued to communicate with the Daluo Golden Classic and increased the output of the power of the law.

The power of the law was like golden threads, constantly entwining the runes on the jade pendant, trying to break it completely.

Finally, with the help of Daluo Jindian, the circular formation on the jade pendant was completely broken.

Chapter 5546

Chapter 5546 Success

The moment the formation shattered, it was like a brilliant display of fireworks, emitting a powerful energy wave.

“Now I can release the spirit inside.”

Kai thought, his eyes revealing anticipation and excitement.

He began to try to control the jade pendant and release the soul within it.

Soon, a faint soul light floated out from the jade pendant and condensed into a vague human figure in the air.

The soul light was like a candle flame in the wind, swaying and ready to disappear at any moment.

“This is……”

Kai said with a frown, his eyes revealing a sense of confusion and concern.

He could sense that this soul was extremely weak, as if it would dissipate into thin air at any moment.

“It seems that this soul has been sealed for a long time and a lot of soul power has been lost.” Kai thought, with a look of worry in his eyes.

He knew very well that if such a soul did not recover its strength in time, it would most likely disappear from this world forever.

He began to circulate the immortal energy in his body and inject it into the soul, trying to help it recover its strength.

The fairy energy was like warm sunshine, shining on the weak soul and making it feel a hint of life.

With Kai’s help, the light of the soul gradually became brighter. The light was like the bright moon in the night sky, becoming brighter and clearer.

Soon, the blurry figure became clear.

“Lin… Patriarch Lin?” Kai was filled with surprise, his eyes revealing an expression of disbelief.

He recognized the figure as Lin Yuna’s father, the head of the Lin family.

Kai didn’t understand. Wasn’t the soul of the head of the Lin family absorbed by him?

How could it appear from this jade pendant?

Suddenly, Kai seemed to have thought of something and looked at the Daluo Golden Classic.

He should have absorbed the soul of the head of the Lin family, but hesitated to use the power of the Daluo Golden Classic to open the jade pendant, so the soul of the head of the Lin family reappeared.

Thinking of this, Kai was very excited. After all, Lin Yuner was good to them. This would allow the soul of the head of the Lin family to return to its place, and Kai would feel more at ease.

The head of the Lin family slowly opened his eyes and looked at Kai, his eyes full of confusion.

That puzzled look seemed to be asking: “Who are you? Why am I here?”

“Who are you… who are you?” asked the head of the Lin family. His voice was weak and hoarse, as if it came from far away.

“I’m Kai, your daughter’s friend.”

Kai said, his voice gentle and kind, trying to make the head of the Lin family feel his kindness.

“Yoona? My daughter?” A trace of confusion flashed in the eyes of the head of the Lin family, and that confused look seemed to be recalling something.

“Yes, Miss Lin has been worried about you.”

Kai said, his eyes revealing sincerity and concern.

A trace of pain flashed in the eyes of the Lin family leader: “I…what happened to me? I remember attending the opening lecture of the Sixth Palace, and then…”

His brows were furrowed, as if he was trying hard to recall that vague memory.

“Master Lin, don’t even think about it. Your soul has been collected by the people from the Sixth Palace and sealed in this jade pendant.”

Kai said,

Kai was afraid that the head of the Lin family would remember it. If he remembered the scene when he was giving the lecture and knew that he had absorbed his soul, it would be embarrassing.

Patriarch Lin suddenly realized: “So that’s how it is. No wonder I felt like I was having a nightmare.”

His eyes revealed a sense of relief and relief.

“Now that you are free, you can return to your body.”

Kai said, his voice revealing encouragement and expectation.

Patriarch Lin nodded and said, “Thank you, young man.”

Kai released the soul of the head of the Lin family from his sea of consciousness.

As soon as it was released, the soul of the head of the Lin family turned into a stream of light and flew towards the room.

The flowing light was like a meteor in the night sky, drawing a beautiful arc.

Chapter 5547

Chapter 5547 Restored

After the Lin family head’s soul returned to his body, a commotion immediately broke out in the Lin residence.

The commotion was like a sudden storm, breaking the tranquility of the Lin Mansion.

When Lin Yuner heard the servant report that her father had recovered, she hurried over, picking up her skirt.

Her heart was filled with joy and excitement, like a happy little bird, unable to wait to see her father.

“Father!”

Lin Yuna shouted excitedly, with a hint of tears in her voice, as if the long-suppressed emotions burst out at this moment.

When the head of the Lin family saw Lin Yuna, a smile appeared on his face.

That smile was like the spring sunshine, warm and kind. [The following appears to be unrelated text fragments and should likely be omitted.] [The following fragments and should likely be omitted.]

“Yoona, I…I’m back.”

His voice was weak and gentle, as if he was comforting his daughter.

“Father, your soul has finally returned!”

Lin Yuna threw herself into her father’s arms and burst into tears.

That cry contained so many emotions: the longing for her father, the joy that her father’s soul had returned, and the pressure and grievances she had endured over the past few days.

Patriarch Lin patted his daughter’s back gently, his eyes full of guilt: “I’m sorry, Yuner, I made you worry.”

His voice revealed a sense of self-blame and heartache. He knew he had caused his daughter so much pain these days.

“It’s okay, father, as long as you recover.”

“When the princess sent you to the Sixth Palace to listen to the Dharma, it was actually to absorb your souls.”

Lin Yuna said, her voice became a little hoarse from crying.

“I know, I know everything. I shouldn’t have disobeyed you!”

The father and daughter hugged each other and cried, the scene was very touching.

When the servants around saw this scene, they all shed tears.

They were moved by the deep father-daughter love and their hearts were filled with warmth.

Kai and Hu Mazi heard the noise and rushed over.

“Master Lin, congratulations on regaining your sanity.”

Kai said, his voice gentle and respectful.

Patriarch Lin looked at Kai, his eyes full of gratitude: “Young man, thank you for saving me.”

He knew that without Kai, he might never wake up.

“You’re welcome. This is what I should do.”

Kai said.

Patriarch Lin nodded, then looked at Hu Mazi: “This is…”

There was a look of confusion and curiosity in his eyes.

“This is Master Hu Ma, and he’s also my friend.”

Kai said.

Hu Mazi cupped his hands and said, “Master Lin, I have long admired you.”

Patriarch Lin smiled slightly and said, “You are too polite, Fellow Daoist Hu.”

At this moment, Patriarch Lin suddenly remembered something, and his expression grew serious. “By the way, how are the people from the Sixth Palace doing? Are they still collecting the souls of the cultivators?”

“I have killed the Sixth Palace Master Jin Fu, and Xue Wuying of the Evil Dao Palace is also dead.”

Kai said calmly, as if killing these two people was a piece of cake for him.

“What? Jinfu and Xue Wuying are both dead?” The head of the Lin family said in surprise, with an expression of disbelief in his eyes.

He didn’t expect that Kai had such powerful strength that he could kill two important figures from the Temple of God and the Temple of Evil.

“Yes, they have committed many evil things and have received the punishment they deserve.” Kai nodded.

“That princess…” The head of the Lin family did not know at this moment that the princess of Dongxiang County had also been killed.

“Father, the princess was also killed by Fellow Daoist Chen. Dongxiang County is now leaderless…”

Lin Yuna hurriedly said!

Upon hearing this, Patriarch Lin heaved a sigh of relief: “Great! This way, the cultivators in Dongxiang County will be safe.”

He knew that without the threat of the Six Palaces, the monks in Dongxiang County could live a relatively stable life.

Kai said to the head of the Lin family!

Patriarch Lin was silent for a moment and said nothing. Instead, he slowly said, “Now that my soul has just recovered, I want to rest more!”

“Father, let me help you rest…”

Lin Yuner supported the head of the Lin family, then looked at Kai and Hu Mazi: “Fellow Daoist Chen, Master Hu, I’ll be leaving for the time being…”

“Miss Lin, please go ahead…” Kai nodded!

But Lin Yuner had just helped her father take two steps when she turned back to look at Hu Mazi and said, “Master Hu, those two maids can’t hold on any longer. I’ve replaced them with two new ones for you. I hope Master Hu can be more gentle this time!”

Hu Mazi blushed and nodded quickly, “Okay, okay, okay…”

Lin Yuner helped her father into the room. Kai and Hu Mazi also went back to their own places.

“Yun’er, what do you think of Kai?”

After entering the room, Patriarch Lin asked his daughter with a serious expression.

Lin Yuner was stunned for a moment, then said, “I think he’s pretty good. He’s kind and handsome, and most importantly, he’s very powerful. He was able to kill the Sixth Palace Master and the people from the Evil Palace. In his hands, the princess wouldn’t be able to hold out for even a single meeting.”

Seeing his daughter’s evaluation of Kai, Patriarch Lin looked her over and asked, “How did you two meet? Did you sleep with Kai?”

“Father, what are you talking about? How could your daughter be such a wanton woman?” Lin Yuner blushed, then continued, “I was held hostage by two people from the Sixth Palace, and they wanted to defile me. Fortunately, Fellow Daoist Chen and Master Hu passed by and rescued my daughter.”

“But…but…”

“Just what?” asked the head of the Lin family.

“However, my daughter’s clothes were all stripped off at that time. Fellow Daoist Chen must have seen her body completely…”

Lin Yuna said with a blush.

“That’s nothing!” Upon hearing this, the Lin family head shook his head slightly, then looked out the window with a deep gaze and said, “This Kai is actually not as good as you think. This guy was able to kill the Sixth Palace Master and Xue Wuying with his Earthly Immortal Realm cultivation. He is definitely not a simple person.”

“Also, although my soul was absorbed by the Sixth Palace, it was eventually absorbed and refined by Kai.”

“Huh?” Lin Yuner was stunned and asked with a puzzled look on her face: “Father, what’s going on?”

The head of the Lin family could only recount everything that happened at the opening ceremony.

Now that his soul has returned, the head of the Lin family has actually remembered everything. The reason why he did not show it in front of Kai just now was because he knew Kai's ability and was afraid that Kai would have murderous intentions, which would mean the end of the entire Lin family.

Even the Princess of Dongxiang County and the Sixth Palace Master, Xue Wuying, are no match for Kai, so what is their Lin family?

"How could this happen?" Lin Yuner was completely stunned, looking at her father in disbelief. After a while, she recovered and said, "I'm going to ask Chen Daoyou why he lied to me."

"Yoona, don't go..." The head of the Lin family stopped Lin Yuna.

"Father, since Fellow Daoist Chen has absorbed your soul, why can he still release it?"

Lin Yuna thought of something and asked her father.

"I don't know what method he used, but I have recovered now."

"Besides, he had warned us about the situation at that time, but we were all deceived and ended up having our souls absorbed. It was what we deserved. No wonder Kai is blamed."

The head of the Lin family was afraid that Lin Yuner would go to Kai to question him again, so he said.

Chapter 5549

Chapter 5549: Thank You with Your Life

"Father, what should we do next?" Lin Yuner asked.

"Now that Dongxiang County is leaderless, we can use Kai's strength to help us control the entire Dongxiang County!"

The head of the Lin family said!

“Father, will Kai help us? Now that you have regained your consciousness, I’m afraid they will leave too.” Lin Yuner said.

“There is a way, he will definitely help us…”

Patriarch Lin said mysteriously.

“What method?” Lin Yuna’s face was full of curiosity.

The head of the Lin family leaned close to Lin Yuner’s ear and whispered a few words. Lin Yuner’s face turned red like a red apple.

Kai stayed in the room, listening to the noises of Hu Mazi and the two maids next door, and felt a burning desire in his heart.

The two newly replaced maids screamed even louder, and Kai could hear them clearly.

Just when Kai couldn’t bear it anymore and was about to call Zhongli out to vent his anger, the door was suddenly pushed open!

Lin Yuner came to Kai’s room, her steps light and graceful, like a dancing fairy. She felt a little shy and a little expectant.

“Fellow Daoist Chen, are you there?”

Lin Yuna said softly, her voice was like the song of a nightingale, clear and pleasant.

Kai opened the door and was surprised to see Lin Yuner: “Miss Lin, what’s the matter so late?”

“I came to thank you. /x^g_g~ks~.~c ¢ o′m?”

Lin Yuna said as she walked into the room.

“What are you thanking me for?” Kai asked.

“Of course, thank you for saving my father.” Lin Yuner said, her eyes full of gratitude, “If it weren’t for you, my father might never have recovered, and our Lin family would have been in trouble.”

“You’re welcome. This is what I should do.” Kai smiled slightly, his smile revealing humility and kindness.

Lin Yuner shook her head: “No, you saved my father, and you saved our Lin family. I will never forget this kindness.”

Her voice revealed a firmness and persistence; she knew the weight of this favor.

She looked at Kai, a complicated look flashing in her eyes: “Fellow Daoist Chen, I know you are a good person and a very powerful cultivator.”

“Miss Lin, you are too kind.” Kai said modestly.

Lin Yuner took a deep breath, as if she had made a great decision: “Fellow Daoist Chen, I…I want to thank you with my body.”

Her voice was weak and shy, and a slight blush appeared on her cheeks.

Kai was stunned and looked at Lin Yuner in surprise: “Miss Lin, you…what did you say?”

There was a look of confusion and surprise in his eyes. He didn’t expect Lin Yuna to say such a thing.

Lin Yuner’s face flushed slightly, but her eyes were very firm: “I said, I want to thank you with my body to repay your kindness to our Lin family.”

After saying that, she began to slowly take off her clothes.

The movements were light and graceful, like a dancer performing on stage.

Kai quickly said, “Miss Lin, you…don’t be like this. I didn’t save your father for this.”

There was anxiety and sincerity in his voice. He didn’t want Yoona to make such a decision out of gratitude.

Although Kai had played with many women, he never forced any of them. What he needed was a woman who was willing to let him play with her, not for the sake of repaying a favor.

“I know, but I really don’t know how to repay you.”

Lin Yuner said, “My father once said that a drop of kindness should be repaid with a spring, let alone you saved his life.”

She had taken off her outer clothes, revealing her bellyband underneath.

The bellyband is like a blooming flower, highlighting her graceful figure.

“Miss Lin, you…you should put on your clothes.”

Kai said this somewhat embarrassedly, his cheeks slightly flushed. He did not expect to encounter such a situation.

Chapter 5550 Howling

Kai was already burning with desire, and with Lin Yuner doing this, Kai couldn’t stand it any longer.

“No, I’ve made up my mind.”

Lin Yuner said, “Friend Chen, I know you may not think highly of me, but I really want to repay you.”

After saying that, she threw herself into Kai’s arms.

Kai could smell the faint fragrance on Lin Yuna’s body. The fragrance was like the scent of spring flowers, intoxicating.

He felt her soft body, which was like warm sunshine, which made his heart waver.

But he still said: “Miss Lin, you…don’t be like this, we are still friends.”

“I know, but I want to be your woman.x~x`sc~m ¢ s/.?c·o¨m?” Lin Yuna said, her eyes full of anticipation.

Her eyes revealed a sincerity and desire; she hoped to be someone close to Kai.

Feeling Lin Yuna’s body and listening to the screams of the maid next door, Kai’s passion reached its peak.

Lin Yuna began to kiss Kai’s lips actively.

The kiss was like a blazing flame, igniting the passion in both of their hearts.

Kai couldn’t bear it anymore, he hugged Lin Yuna and responded to her kiss.

The two of them fell onto the bed, hugging each other. What happened next was a natural progression.

Although it was Lin Yuner’s first time, she was very proactive. She used everything she had learned and worked hard to serve Kai.

Kai was also infected by Lin Yuner’s enthusiasm, and the two spent a wonderful night.

That night was like a bright starry sky, full of romance and passion.

The next morning, when sunlight poured into the room through the window, Kai slowly opened his eyes.

He saw Lin Yuner nestled in his arms, sleeping soundly. Her face was filled with a happy smile, and that smile was as beautiful and moving as a flower in spring.

Kai gently stroked Lin Yuner's hair, his heart full of tenderness.

He felt very lucky to have met such a kind and beautiful woman.

Lin Yuner slowly opened her eyes and saw Kai looking at her. A blush appeared on her face: "Fellow Daoist Chen, you are awake."

Her voice was weak and shy, like a frightened deer.

"Well, you're awake too." Kai said, his voice gentle and kind.

"Last night...last night I..."

Lin Yuna said a little embarrassedly, her cheeks as red as ripe apples.

"Miss Lin, don't worry, I will be responsible for you." Kai promised.

Lin Yuner's eyes flashed with surprise: "Really?"

There was anticipation and joy in her voice.

She didn't expect Kai to say this. You know, in the heavenly realm, many cultivators are free. As their realm improves, they may go to other worlds. How could they be responsible for a woman?

It's all over, and then it disappears without a trace...

Lin Yuner didn't expect that Kai was actually a responsible man.

“Of course it’s true.” Kai said, “Although I, Kai, am not a good person, I will never abandon my lover.”

Kai reveals a sense of sincerity and responsibility.

At this moment, Kai thought of the women he had met. Although he could not remember the names of some of them, he would never abandon them.

When I sit on the throne of the Supreme God, find my father, and uncover the conspiracy of the war between gods and demons, I can gather all the women around me and be responsible for them.

Lin Yuner hugged Kai excitedly: “Fellow Daoist Chen, thank you.”

Lin Yuna’s face revealed a kind of happiness and satisfaction.

“You are welcome.”

After Kai finished speaking, he pressed forward again.

The two fought one more time before getting up and getting dressed.

When they walked out of the room, they met Hu Mazi.

Hu Mazi saw the two of them and smiled vaguely: “Hey, Kai, Miss Lin, did you...did you sleep well last night?”

“I didn’t sleep well. I listened to Miss Lin screaming all night...”

Chapter 5551

Chapter 5552: Not Buying It

At this moment, the head of the Lin family was deeply shocked and at the same time felt fortunate that the Lin family had made friends with Kai.

“Father, Kai is gone. What did you say to him?”

When Lin Yuner saw Kai leaving, she walked into the room and asked.

“Don’t ask any more questions. Just serve Kai these few days. Give him whatever he wants. Do you understand?”

The head of the Lin family gave instructions to Lin Yuner.

“I understand, it’s just that he was too fierce. I feel a little pain and want to rest…” said Lin Yuna.

“Don’t worry, you have to persevere even if it hurts. Our Lin family will depend on him in the future.”

The head of the Lin family scolded.

Lin Yuner could only nod. She knew that whether the Lin family could control Dongxiang County depended entirely on Kai.

After Lin Yuner left, the head of the Lin family immediately sent people to summon all the major forces in Dongxiang County to discuss the future development of Dongxiang County.

Now that the princess is dead, we can’t always be leaderless.

The news that Patriarch Lin had summoned all the major forces in Dongxiang County spread like wildfire throughout the county, and each force attended the meeting with different intentions.

On the day of the conference, the hall of the Lin Mansion was crowded with people, representatives of various forces were either sitting or standing, and the atmosphere seemed a bit tense.

The head of the Lin family sat in the main seat. Although his spirit had only recently returned to its place and his face was slightly pale, his eyes revealed unquestionable majesty. [Read e-books and novels at the e-book house website; e)§Update-?.Latest~&Fast,§

“The reason why we have called you all here today is that Dongxiang County cannot be without a leader for a single day. Now that the princess has passed away, we should re-elect a virtuous person to lead Dongxiang County to prosperity.” The head of the Lin family’s voice was loud and echoed in the hall.

However, as soon as he finished speaking, a discordant laugh was heard.

Representatives from the Zhao, Qian and Sun families stood up with disdain on their faces.

Zhao Hu, the head of the Zhao family, was a burly man with a face full of flesh. He shouted loudly, “Master Lin, what qualifications do you have for your family to lead the selection of the Princess? Are you trying to seize control of Dongxiang County and monopolize power?”

Qian Wanguan, the head of the Qian family, was thin but had a sinister look in his eyes. He echoed sharply, “That’s right. Your Lin family is just relying on that little power to claim supremacy. Don’t you even consider your own strength?”

Sun Ba, the head of the Sun family, had an arrogant look on his face. He crossed his arms and sneered, “Head of the Lin family, you’ve just recovered your soul, how much strength do you have left? Don’t show off here. The position of the princess is not something your Lin family has the right to get involved in!”

Upon hearing this, the head of the Lin family’s expression changed slightly, but he suppressed his anger and said, “My Lin family has devoted all his efforts to Dongxiang County for many years. Now that the princess is gone, it is only natural for my Lin family to take charge of the overall situation.

If you have a better candidate, please feel free to bring it forward. As long as it is for the good of Dongxiang County, my Lin family will definitely support it.”

Zhao Hu, however, refused to buy it. He slammed his hand on the table and shouted, “Support? What can you support me with? As for the position of Princess, none of our three families will accept your Lin family’s decision! If it were up to me, I’d choose one from among our Zhao, Qian, and Sun families!”

Qian Wanguan and Sun Ba also nodded. For a moment, quarrels broke out in the hall. Representatives of various forces split into several factions, accusing and scolding each other. The situation was out of control for a while.

Seeing this, Patriarch Lin was anxious and angry. He was about to speak to stop them when Zhao Hu suddenly moved and rushed towards him, shouting, “Patriarch Lin, if you don’t agree, let me test your skills!”

The head of the Lin family did not expect Zhao Hu to attack suddenly. He had just recovered his soul and his strength had not yet fully recovered. He had no time to dodge.

Just as Zhao Hu’s fist was about to hit the head of the Lin family, a figure flashed by like a ghost and instantly appeared in front of the head of the Lin family. He raised his hand and grabbed Zhao Hu’s fist.

Everyone looked closely and found that it was Kai.

Kai’s face was calm, but there was a chill in his eyes. He shook Zhao Hu lightly, and he staggered back several steps.

Chapter 5553: Will Not Survive Tonight

“You… who are you?”

Zhao Hu steadied himself, staring at Kai with wide eyes, his face filled with astonishment.

Kai smiled slightly and said, “My name is Kai, the good son-in-law of the Lin family.”

At this time, Qian Wanguan and Sun Ba also surrounded him. They looked Kai up and down, and when they saw that Kai was only at the sixth level of the Earthly Immortal Realm, they immediately burst into laughter.

“Hahaha, you, a sixth-rank Earth Immortal, dare to show off your power here? You really don’t know how to live or die!”

Qian Wanguan laughed so hard that he fell backwards.

Sun Ba also followed suit and taunted, “Kid, if you know what’s good for you, get out of here right now. Don’t embarrass yourself here, or you won’t even know how you died!”

“Master Lin, you wouldn’t sacrifice your own daughter just to get this sixth-rank Earthly Immortal to help your Lin family, right?”

Zhao Hu laughed heartily. My bookstore is updated the fastest.

Kai didn’t care. He glanced at the three of them calmly and said, “The Zhao, Qian, and Sun families will not survive this night.”

As soon as these words were spoken, there was silence in the hall at first, and then a burst of laughter broke out.

“Hahaha, is this kid crazy? With his strength of the sixth level of the Earthly Immortal Realm, he still wants our three families to survive tonight? This is a huge joke!”

Zhao Hu laughed so hard that tears came out.

“That’s right, don’t you know who you are? You dare to speak nonsense here. Wait and see how we deal with you!” Qian Wanguan said viciously.

Sun Ba, with a look of disdain on his face, waved his hand and said, “Alright, stop wasting time with this brat. Patriarch Lin, if you don’t give our three families a satisfactory explanation for what happened today, don’t even think about holding this meeting properly!”

The head of the Lin family was secretly anxious when he saw things develop to this point. He knew Kai’s strength very well, but he was also worried that Kai would act impulsively because of the ridicule of these three families.

He was about to speak to persuade Kai, but saw Kai nodded at him, indicating that he should not worry.

“Since you don’t believe me, just wait and see. However, I advise you to leave now and go back to make good arrangements for your funeral, otherwise you won’t have another chance later.”

Kai said coldly.

After hearing this, the heads of the Zhao, Qian and Sun families became even more angry and they all shouted that they wanted to teach Kai a lesson.

At this moment, the head of the Lin family stood up and said loudly, “Everyone, today’s matter ends here. We will discuss the nomination of the princess position another day. Please go back first.”

Zhao Hu refused to give up. He pointed at Patriarch Lin’s nose and cursed, “Patriarch Lin, you must give our three families an explanation today, otherwise we will never give up!”

Kai frowned and was about to attack again when he was stopped by the head of the Lin family.

The head of the Lin family winked at him, then said to Zhao Hu, “Brother Zhao, today’s matter was due to our family’s inconsiderateness. We will come to your house to apologize someday. How about we discuss the nomination of the princess later?”

Zhao Hu saw that the head of the Lin family had surrendered, and saw Kai watching him covetously. Although he was unwilling in his heart, he also knew that it would be of no benefit for him to continue making trouble.

He snorted coldly and said, “Okay, I’ll give your Lin family a few days. If you still can’t come up with a satisfactory plan, your Lin family will have no say in Dongxiang County!”

After saying that, Zhao Hu, along with Qian Wanguan, Sun Ba, and people from the Zhao, Qian, and Sun families, left the Lin Mansion hall angrily.

After everyone left, Patriarch Lin heaved a sigh of relief. He looked at Kai and said gratefully, “Fellow Daoist Chen, I’m so grateful for your help today. Otherwise, I really don’t know how this would end.”

Kai smiled slightly and said, “Master Lin, you don’t have to be polite. Since I have had physical contact with your daughter, the affairs of the Lin family are my business.

However, the Zhao, Qian, and Sun families probably won’t let the Lin family control Dongxiang County.”

Chapter 5553

Chapter 5554: Alert

Patriarch Lin nodded and said, “Fellow Daoist Chen is absolutely right. Those three families have always been arrogant and conceited. They lost face at the conference today and will definitely bear a grudge.”

However, these three families have considerable influence in Dongxiang County. The Zhao family excels in hidden weapons and poison techniques, and acts in a secretive manner; the Qian family is wealthy and powerful, and has recruited many independent cultivators to work

for them; and the Sun family has colluded with some evil cultivators, and their methods are sinister and ruthless.

After hearing this, Kai's lips curled up slightly, revealing a confident smile: "They are just some jumping clowns. I will destroy them tonight. I want to see what waves they can make."

Upon hearing this, the head of the Lin family was overjoyed and bowed deeply to Kai. "Fellow Daoist Chen, your generosity is truly noble. Our Lin family will definitely remember this. I will immediately arrange for someone to go with you. 1@MidnightD×±Read±Book!? ÷Free Reading°"

"No, I can do it myself, you just need to let Miss Lin clean up and wait for me!"

After saying that, Kai disappeared in the hall in a flash.

The head of the Lin family looked at the direction where Kai disappeared, feeling both expectant and worried.

He didn't know what method Kai would use to deal with the three families, but he knew that since Kai dared to say such words, he must be confident.

At this time, the heads of the Zhao, Qian and Sun families left the Lin Mansion and returned to their own mansions.

Although there were some minor frictions between the three families on a daily basis, they reached a consensus on how to deal with the Lin family.

After Zhao Hu returned to the Zhao Mansion, he summoned the Zhao family's core members to discuss how to deal with the Lin family.

"At the meeting at the Lin Mansion today, the Lin family actually teamed up with a sixth-grade Earth Immortal Realm kid to humiliate our three families. I, Zhao Hu, swear I will not be a human being if I don't avenge this!" Zhao Hu said gritting his teeth.

“Master, although that brat is arrogant, he is only at the sixth level of the Earthly Immortal Realm. Our Zhao family can easily deal with him by sending any expert.” An elder of the Zhao family said.

“That’s right, but the Lin family cannot be underestimated. They have been operating in Dongxiang County for many years and are quite powerful. If we act rashly, I’m afraid both sides will suffer losses.” Another elder said worriedly.

Zhao Hu nodded and said, “Second Elder is absolutely right. We cannot act rashly.

However, since that guy dared to say that our three families would not survive tonight, we will wait and see how he ends up.

If he doesn’t make any move tonight, tomorrow we will unite with the Qian and Sun families to take down the Lin family and let the head of the Lin family know who has the final say in Dongxiang County!”

Everyone nodded, thinking that Zhao Hu’s plan was feasible.

So Zhao Hu sent someone to notify the Qian and Sun families, asking them to strengthen their precautions tonight and wait for any movement from the Lin family.

After Qian Wanguan returned to the Qian Mansion, he also summoned the Qian family’s masters to discuss countermeasures.

“The Lin family was so arrogant at the meeting today, and our Qian family cannot sit idly by.

However, that kid said that our three families will not survive tonight, and I don’t know what methods he has.

We must be on high alert tonight to prevent that guy from launching a sneak attack at night,” Qian Wanguan said.

“Don’t worry, Patriarch. The masters of our Qian family are already prepared. If that brat dares to come, he will never return!”

A master from the Qian family said, patting his chest.

Qian Wanguan nodded and said, “Okay, pass on my order. Everyone in the Qian family is on alert tonight. No one is allowed to leave their post without permission. If there is any disturbance, report to me immediately!”

At the same time, Sun Ba did the same thing after returning to the Sun Mansion.

He summoned the elite of the Sun family and strengthened the defense of the Sun Mansion.

“The Lin family has embarrassed our three families today, and we must vent our anger.

However, that kid said that our three families will not survive tonight, so we can’t take it lightly.

“Everyone, be alert tonight! If that brat dares to come, let him know how powerful our Sun family is!” Sun Ba said loudly.

Everyone in the Sun family responded in unison, and then went to prepare.

Chapter 5554

Chapter 5555: Too lazy to use the sword

…

The night was as dark as ink, shrouding Dongxiang County deeply.

The entire county town fell into silence in the night. However, beneath this seemingly calm surface, undercurrents were surging, and a bloody storm was quietly brewing.

Kai's figure was as fast as lightning, moving through the darkness. His eyes were cold and firm, and he exuded a chilling aura.

Tonight, he will go alone to crush the Zhao, Qian and Sun families, and let the entire Dongxiang County know that his majesty cannot be violated.

First, Kai came to Zhao's house.

The gate of the Zhao Mansion was closed, and faint lights flickered on the surrounding walls, exuding a tense atmosphere.

Kai's lips curled up slightly, revealing a disdainful smile. With a light leap, he leaped over the high wall and landed in the courtyard of the Zhao Mansion.

As soon as he landed, dozens of Zhao family guards surrounded him, holding sharp blades and their eyes were full of vigilance.

"Who are you? How dare you trespass into the Zhao Mansion!" the leading guard shouted loudly.

Kai's expression was calm, as if the guards before him were but ants. He slowly said, "I am Kai. Today at the meeting at the Lin Mansion, your Zhao family was rude to me. Today is your retribution."

"Kai? You're the arrogant guy who said our three families wouldn't survive tonight? How dare you, alone, come to my Zhao Mansion and act wildly!"

The guard leader sneered and waved his hand, and the guards rushed towards Kai like a tide.

Kai stood there, motionless. When the guards rushed to him, he suddenly moved, and a huge aura spread out in all directions.

The guards were blown away by the aura and fell to the ground and died before they could even scream.

But in an instant, all the guards in the courtyard fell down, and the ground was stained red with blood.

Kai didn't even look at the corpses and walked straight into the hall of Zhao's mansion.

At this time, Zhao Hu was discussing countermeasures with the core members of the Zhao family in the hall. When they heard the noise outside, they rushed out one after another.

When Zhao Hu saw the corpses all over the ground and Kai standing in the middle, his face turned pale instantly.

"You...you actually dare to come to my Zhao Mansion and commit murder!" Zhao Hu said gritting his teeth.

Kai looked at him coldly and said, "I've said before that your three families will not survive this night. Now is the time for your Zhao family to be destroyed."

"Arrogant! You alone want to destroy my Zhao family?"

Zhao Hu roared angrily, took out a hidden weapon from his arms and shot it towards Kai.

The hidden weapon flashed with a cold light and was obviously coated with a deadly poison.

Kai did not dodge or evade. He waved his hands and a powerful airflow blocked all the hidden weapons.

Hidden weapons were shot at Zhao Hu and others. Several of them were unable to dodge and were hit by the hidden weapons, falling to the ground with screams.

“You…what kind of magic is this!” Zhao Hu widened his eyes in horror.

Kai sneered and said, “This is not a magic trick, but my strength. Today is the end of your Zhao family.”

After saying that, he flashed and appeared in front of Zhao Hu in an instant, punching Zhao Hu in the chest.

Zhao Hu wanted to dodge, but found that he could not move at all, as if he was restrained by an invisible force.

Kai’s fist hit Zhao Hu’s chest heavily. Zhao Hu felt a huge force surging into his body, and his internal organs were shattered instantly. He widened his eyes, spurted out a mouthful of blood, and fell straight down.

To deal with this unknown young man, Kai was too lazy to even use the Dragon Slaying Sword.

“Master!”

When everyone in the Zhao family saw Zhao Hu fall, they all cried out in surprise.

Kai ignored them and continued to kill people in Zhao’s mansion.

His figure was like a flash of lightning, shuttling through the Zhao Mansion. Wherever he passed, people from the Zhao family fell to the ground and died.

Chapter 5555

Chapter 5556: Not Playing by the Rules

In just half an hour, the Zhao Mansion was completely slaughtered by Kai. The entire Zhao Mansion fell into a dead silence. Only the smell of blood in the air told of the tragic scene that had just occurred.

Kai walked out of the Zhao Mansion, his body unstained with blood. He looked up at the night sky and muttered to himself, “Next, it’s the Qian family’s turn.”

After saying that, he flashed and rushed towards the Qian Mansion.

When Kai arrived at Qian’s house, it was already on high alert.

The Qian Mansion was surrounded by traps and hidden weapons, and the Qian family’s masters were on high alert, holding weapons, their eyes full of tension and vigilance.

Kai stood in front of the gate of the Qian Mansion, looking at the tightly closed door, a mocking smile on his face.

He waved his hands, and a powerful force rushed towards the gate of Qian’s mansion.

There was a loud “bang” and the gate of Qian’s mansion was instantly shattered, with wood chips flying everywhere.

“Who dares to be so rude in my Qian Mansion!” Qian Wanguan rushed out of the Qian Mansion, followed by a group of masters of the Qian family.

Kai looked at Qian Wanguan and said, “It’s me. Today will be the day your Qian family will be destroyed.”

“Kai? How dare you come to my Qian Mansion and die alone!”

Qian Wanguan sneered and waved his hand, and the masters of the Qian family rushed towards Kai.

Kai stood there, his eyes revealing a look of disdain.

He quickly formed seals with his hands, and instantly, powerful flames were released from his hands.

Those flames shot towards the masters of the Qian family like bright meteors.

The masters of the Qian family dodged one after another, but the flames seemed to have eyes and chased them closely.

Many masters of the Qian family were hit by the flames and turned into ashes in an instant.

When Qian Wanguan saw this, his face changed drastically. He took out a magic weapon from his arms. The magic weapon was flashing with colorful light and emitting a powerful aura.

Qian Wanguan muttered something and threw the magic weapon towards Kai.

Kai looked at the flying magic weapon without any fear. He waved his hands and a powerful force blocked the magic weapon back.

The magic weapon flew back and hit Qian Wanguan heavily. Qian Wanguan felt a huge force surging into his body. He screamed and fell to the ground, only breathing his last breath.

“Master!”

When the Qian family saw Qian Wanguan fall, they all cried out in surprise.

Kai ignored them and continued to use fire in the Qian Mansion, killing all the members of the Qian family one by one.

The Qian Mansion was in chaos and the Qian family members fled in all directions. However, they could not escape Kai’s pursuit.

Kai was like the god of death, shuttling around the Qian Mansion. Wherever he passed, people from the Qian family fell to the ground and died.

Half an hour later, the Qian Mansion was also completely massacred by Kai.

The entire Qian Mansion fell into ruins. Only the smell of blood and the burning flames in the air told of the tragic scene that had just occurred.

Qian Wanguan was so frightened by this scene that he urinated unconsciously.

Kai glanced at Qian Wanguan who had fallen to the ground and slowly walked towards him.

“You…as long as you don’t kill me, I am willing to give you all the treasures of my Qian family.”

Qian Wanguan began to beg for mercy from Kai, intending to use his family’s treasures in exchange for his own life.

Kai looked at the huge sum of money and couldn’t help laughing.

“Stupid! If I kill you, won’t your family’s treasures also belong to me?”

Kai said!

Qian Wanguan was stunned and somewhat unable to react. He felt that before the villains died, they would beg for mercy and then use gold and silver to buy their lives.

Why doesn’t Kai play by the rules?

Before Qian Wanguan could react, a beam of fire hit him and turned him into ashes.

Kai took the storage bag and put all the treasures and resources of the Qian family into his pocket.

Chapter 5556

Chapter 5557 I am your uncle

“The Qian family is really rich…”

Looking at the bulging storage bag, Kai smiled.

Kai walked out of the Qian Mansion, his eyes still cold and determined. He looked up at the night sky and muttered to himself, “There’s one last family, the Sun family.”

After saying that, he flashed and rushed towards the direction of Sun Mansion.

When Kai arrived at Sun’s mansion, it was already heavily guarded.

The Sun Mansion was surrounded by evil runes and formations. The elite members of the Sun family also held evil weapons in their hands, and their eyes revealed a kind of madness and ferocity.

Kai stood in front of the gate of the Sun Mansion, looking at the Sun Mansion full of evil spirit, with a disdainful smile on his lips.

He waved his hands, and a powerful righteous energy blasted towards the gate of the Sun Mansion.

The positive energy collided with the evil energy on the gate of Sun Mansion, making a “sizzling” sound. In an instant, the gate of Sun Mansion was blown to pieces.

“Who dares to break into my Sun Mansion?”

Sun Ba rushed out of the Sun Mansion, followed by a group of evil cultivators.

Kai looked at Sun Ba and said, “It’s me, your uncle.”

“I’m still your uncle, and you, a mere sixth-grade Earthly Immortal, dare to be so presumptuous.”

Sun Ba sneered and waved his hand, and those evil cultivators began to use their evil magic to attack Kai.

Kai stood there, his eyes revealing a sacred light.

He quickly formed seals with his hands and muttered something. In an instant, golden rays of light were released from his hands.

The golden light shot towards the evil cultivators like sharp swords.

The evil magic of the evil cultivators collided with Kai’s golden light, making a loud “boom” sound.

Many evil cultivators were hit by the golden light and turned into ashes in an instant.

Upon seeing this, Sun Ba’s face changed drastically. He took out a cult book from his arms and muttered something. In an instant, a powerful evil spirit was released from the cult book.

The evil energy turned into a huge black hand and grabbed towards Kai.

Kai looked at the flying black palm without any fear. He waved his hands and a powerful righteous energy blocked the black palm back.

The black palm flew back and hit Sun Ba heavily. Sun Ba felt a huge evil energy rushing into his body. He screamed and fell to the ground.

“Master!”

When everyone in the Sun family saw Sun Ba fall, they all cried out in surprise.

Kai ignored them and continued to display his righteous energy in the Sun Mansion, killing the people of the Sun family and the evil cultivators one by one.

The Sun Mansion was suddenly in chaos, and the people of the Sun family and the evil cultivators fled everywhere. However, they could not escape Kai's pursuit.

Kai shuttled through the Sun Mansion like a messenger of justice. Wherever he passed, people from the Sun family and evil cultivators fell to the ground and died.

Half an hour later, the Sun Mansion was also completely massacred by Kai.

The entire Sun Mansion fell into a dead silence, with no one alive. Kai took away all the resources that the Sun family could take away.

When Kai walked out of Sun's house, the sky was gradually getting brighter.

He stood in front of the Sun Mansion's gate, gazing at the rising sun in the east. He took a deep breath and muttered to himself, "From now on, Dongxiang County will no longer be troubled by these three families."

The next morning, when the first ray of sunlight shone on the land of Dongxiang County, the entire county town was in an uproar.

All the monks received a shocking news: the Zhao, Qian and Sun families were wiped out overnight!

People were discussing the news, their faces filled with fear and awe. They couldn't imagine what kind of person could completely wipe out three powerful families in one night.

At this time, in the Lin family mansion, the head of the Lin family was anxiously waiting for news.

When he heard the news that the Zhao, Qian and Sun families were destroyed, he was stunned at first, and then an expression of ecstasy appeared on his face.

Chapter 5557

Chapter 5558: Heading to the Eighth Heaven Alone

“Fellow Daoist Chen truly possesses immense powers. He actually wiped out those three families overnight!” Patriarch Lin exclaimed excitedly.

Lin Yuna stood aside and her eyes sparkled with admiration when she heard the news.

She knew that all this was because of Kai. It was Kai who saved the Lin family and consolidated the Lin family’s position in Dongxiang County.

At this moment, Kai returned to the Lin family mansion.

He walked into the hall, looked at Patriarch Lin and Lin Yuner, smiled slightly, and said: “Patriarch Lin, those three families have been destroyed by me. From now on, Dongxiang County will no longer have any troubles.”

The head of the Lin family hurried forward, bowed deeply to Kai, and said, “Fellow Daoist Chen, your generosity is so great. Our Lin family will always remember your kindness and will never forget you!”

Kai waved his hand slightly and said, “Master Lin, you don’t have to be polite. I want to know if Miss Lin has cleared her name.”

The head of the Lin family said repeatedly, “Don’t worry, Fellow Daoist Chen, I’ve cleared my name. (The latest updates are the fastest.)”

Lin Yuna walked forward with a blushing face and snuggled into Kai's arms.

"You've been tired all night, let me help you relax..."

Lin Yuna pulled Kai into the room!

At this time, Kai's name spread in Dongxiang County. He became a legendary figure in Dongxiang County, and his reputation made all the cultivators in awe.

People began to recommend the head of the Lin family to be the princess of Dongxiang County, and soon the Lin family took control of the entire Dongxiang County!

Kai and Hu Mazi spent a few more days in Dongxiang County. Then Kai decided to go to the Eighth Heaven, to the Divine King Palace, to find the Fourth Palace Master. He wanted to tell her about the Third Palace Master's collusion with the Evil Path Palace and ask her to be wary of the Third Palace Master.

"Kai, with my current strength, it's really a stretch for me to reach the Eighth Heaven. Following behind you would only be a burden to you."

"Why don't you go to the Eighth Heaven first and find out about the Evil Dao Palace. When I improve my strength, I will go to the Eighth Heaven to find you."

Hu Mazi said to Kai!

Kai knew that although Hu Mazi had reached the third level of the human immortal realm, with this strength, he would not be able to defeat even a dog in the eighth heaven.

Following me is indeed a bit of a burden.

Moreover, Hu Mazi has tasted the sweetness of the Lin family and has not had enough fun yet, so he wants to play for a while longer.

After all, the Lin family prepared dozens of maids for Hu Mazi, who took turns serving him, and no one was willing to leave.

“Okay, Master Hu, you stay at the Lin family for the time being. I’ll help you find out some information in the Eighth Heaven and then come back to find you!”

Kai nodded and said.

“Fellow Daoist Chen, do you really have to go to the Eighth Heaven?”

At this time, the head of the Lin family asked.

“I still have a lot of things to deal with in the Eighth Heaven.” Kai nodded.

“Then you must be careful. The cultivators of the Eighth Heaven are much more powerful than those of the Seventh Heaven. Moreover, the Divine King Palace of the Temple is in the Eighth Heaven. Now that you have killed the Sixth Palace Master of the Temple, you must be on guard against the Temple dealing with you.”

Patriarch Lin warned.

“I know, it’s just a temple, I don’t take it seriously.” Kai smiled faintly.

Seeing Kai say this, the head of the Lin family could conclude that there must be a very powerful force behind Kai, otherwise Kai would not be so arrogant and even ignore the temple.

“Kai, when you go to the Eighth Heaven, don’t forget me. I’ll be waiting for you at home. You said you would be responsible for me.”

Lin Yuner walked up and took Kai’s hand and said.

“Of course I won’t forget you. Take good care of yourself at home. I’ll be back once the swelling goes down!”

Kai said with a playful smile.

When Lin Yuner heard this, her face immediately turned red with shame. She knew what Kai was talking about.

“Fellow Daoist Chen, I have contacted a hundred cultivators to help you open the void passage and send you to the Eighth Heaven.”

“If you open the void channel by yourself, the energy consumption will be too great, and there is a risk that the channel will collapse halfway, and you will be in danger.”

The head of the Lin family said!

“Okay!” Kai nodded. He also knew that he had to open the passage, and maybe he could, but the cost would be huge.

Chapter 5559 Trapped

With the help of a hundred monks, Kai opened the void passage to the Eighth Heaven.

After looking at everyone, Kai resolutely walked into the void passage.

boom!

With a loud bang, the void channel closed. Kai only felt that his vision was becoming more and more blurred. Everything around him was moving rapidly, and his body seemed to be passing through countless spatial worlds.

Suddenly, Kai felt something strange in his body. The sword intent in his body began to condense, and a burning sensation came from his body. Then he saw his body began to burn.

Kai was horrified. He didn't use any fire, so why did his body suddenly burn?

The piercing pain made sweat instantly flow down Kai's forehead. |ﻩ Micro-;Fun??;Novel=}?Net][÷Latest? ¢ Chapter??!Section!§Update>Quicklyﻩ2

Soon, Kai's head became dizzy and his movements became faster. There was only a sea of fire in front of him and he could not see anything else.

Kai gritted his teeth to prevent himself from fainting, trying to stay clear-headed. At the same time, he activated his indestructible golden body, wanting to protect his physical body.

He had passed through the void passage more than once, but it had never been like this. Even when he encountered void turbulence, it was not so dangerous.

The indestructible golden body collapsed instantly under the flames, and Kai fell into a complete coma!

At this moment, Kai was like a fireball, moving rapidly in the endless darkness.

...

Eighth Heaven, inside the third hall.

The Third Palace Master raised his lips slightly, his eyes filled with cruelty and coldness.

"Now, Kai will never appear again."

The Third Palace Master said coldly!

"Third Palace Master, you used the forbidden technique of the God Clan without permission. If the God King knew about this, he would be unhappy."

The Fifth Palace Master said with some concern.

“No, the God King is in seclusion now, and the First and Second Palace Masters are in the Ninth Heaven. No one will know. As for the Fourth Palace Master, I will kill her sooner or later.”

The Third Palace Master gritted his teeth, lustful light flashing in his eyes.

“But what if the Fourth Palace Master knew about this and went to rescue Kai?”

The Fifth Palace Master asked.

“Even if the Fourth Palace Master took action, it would be impossible to rescue Kai from the void passage. As long as Kai didn’t die, he would remain trapped in the passage forever.”

The Third Palace Master smiled complacently.

At this time, in the Palace of the God King, the Fourth Palace Master Ling Xi was meditating with his eyes closed.

Ever since returning from the Sixth Heaven, Lingxi has been slowly recovering her strength. The battle with Soul Devourer also caused her considerable damage.

“Fourth Palace Master, the Third Palace Master used the forbidden technique of the gods to directly trap Kai in the void passage. I’m afraid Kai is in danger now.”

The maid Yunxiu said to Lingxi in panic.

Ling Xi frowned and stood up suddenly: “This Third Hall Master is so bold as to use the forbidden technique of the Gods. Isn’t he afraid of the punishment of the God King or the reward and punishment messenger of the Gods?”

Lingxi's breathing became rapid at this moment, and her expression was very anxious.

You must know that the forbidden techniques of the gods cannot be used casually. Even the God King dares not to use them. If the patriarch of the gods finds out and sends messengers of reward and punishment, then their entire temple will suffer.

The temple is just a force among the gods. How dare it violate the gods' prohibitions? The entire gods are a huge tribe. Lingxi vaguely remembers that many powerful people in the gods have already become Daluo Jinxian.

"No, I'm going to ask the Third Palace Master for an explanation. If he acts this way, it will bring trouble to our entire temple."

Lingxi couldn't sit still any longer, so she quickly stood up and went to find the Third Palace Master to ask for an explanation.

The forbidden techniques of the gods are strictly prohibited. No cultivator of the gods can use them casually.

The Third Palace Master actually used the forbidden technique of the gods to trap Kai in the void passage.

Chapter 5559

Chapter 5560 Do You Know Your Crime?

Ling Xi rushed to the Third Hall in anger and barged straight into the meeting room where the Third Hall Master was.

At this time, the Third Palace Master was sitting leisurely in the main seat. When he saw Ling Xi rushing in, a trace of barely perceptible panic flashed across his face, but he quickly returned to his arrogant and domineering look.

“Third Palace Master, do you admit your guilt?”

Lingxi raised her eyebrows, opened her beautiful eyes wide, and shouted sternly.

The Third Palace Master, however, appeared nonchalant, crossing his legs and saying slowly, “Hey, Fourth Palace Master, what are you so angry about? What crime have I committed?”

“You used the forbidden technique of the gods without permission and trapped Kai in the void passage. Isn’t this a crime?”

Ling Xi gritted her teeth and said.

The Third Palace Master laughed heartily. “Fourth Palace Master, please stop spitting bloody words at me. When did I ever use the forbidden techniques of the Gods? Do you have any evidence?”

“Evidence? Yunxiu saw it with her own eyes, and you’re still denying it?”

Lingxi was so angry that she was shaking all over.

The Third Palace Master, however, had a scoundrel look on his face: “Yunxiu? How can you trust the words of a maid like her? Maybe she saw it wrongly, or maybe you taught her to say that.”

“you……”

Ling Xi was so angry that she couldn’t speak. She didn’t expect the Third Palace Master to be so unreasonable.

Seeing Lingxi was so angry that she was speechless, the Third Palace Master became even more complacent and started to swear: “Fourth Palace Master, I think you have a crush on that kid Kai, that’s why you are so eager to stand up for him.

But don’t waste your time, that guy is probably turned into ashes by now.

Instead of worrying about him, you should think about yourself and obey me. Maybe I can make your life in the temple more comfortable."

When Lingxi heard the Third Palace Master humiliating her in such a way, she became so angry that her face turned pale. She clenched her hands into fists, and her nails dug into her flesh.

But she knew that she was no match for the Third Palace Master, and that forcing herself to attack would only bring humiliation upon herself.

"Third Palace Master, you will pay for what you have done!"

Lingxi suppressed her anger and said coldly.

The Third Palace Master was unconcerned and continued to sneer, "Pay the price? Just you? Fourth Palace Master, you'd better save your energy.

If you have the ability, go and rescue Kai from the void tunnel, but I don't think you have it in you."

Lingxi took a deep breath and tried to calm herself down. She knew that now was not the time to act impulsively. The most urgent thing was to find a way to save Kai.

"Third Palace Master, you will regret this!"

After Lingxi finished speaking, she turned and left the Third Hall.

After returning to her residence, Lingxi began to rack her brains to think of a way to save Kai.

She knew that the void passage was extremely dangerous, especially the void passage that had been affected by the forbidden techniques of the gods, which was full of unknown dangers.

But she couldn't just watch Kai fall into despair without saving him.

Ling Xi first thought of some ancient books of the gods, perhaps there would be methods to break the influence of the gods' forbidden techniques in the void channel.

She immediately went to the library of the Palace of the God King and began to look for clues among the vast sea of ancient books.

In the library, Lingxi flipped through the ancient books page by page, not daring to blink for fear of missing any useful information.

Time passed minute by minute, and Lingxi's forehead was covered with sweat, but she still did not give up.

No matter what, she couldn't let Kai be trapped in that void passage.

Although she and Kai had no relationship, Lingxi would think of Kai's appearance from time to time since returning from the Sixth Heaven.

Sometimes I dream of Kai, and his appearance is unforgettable.

Lingxi has been practicing since she was a child and has never had any feelings for her children.

But now her heart was in a mess, especially when she heard that Kai was in danger. She was so confused that she couldn't practice well. She didn't know if this could be considered emotion.

However, even if she risked her life, she would never let Kai be trapped to death in that void passage.

Chapter 5560

Chapter 5561: How did you get here?

At this moment, Kai was in the void. When he slowly opened his eyes, he found himself in an unknown starry sky. Countless meteors streaked across this sky, and these meteors were burning with flames.

Kai's own body was also burning, but he could no longer feel any pain, as if this body was no longer his own.

boom!

Suddenly, there was a deafening roar, and then as Kai saw it, countless meteors shattered in an instant, exploding like fireworks, so dazzling.

Kai's face was full of confusion. He didn't understand what kind of power could shatter so many meteors.

"Under this blazing void flame, you're actually able to wake up..."

At this moment, a cold voice rang out. ·5!?~4a@eRead [Book 3 :DLatest (@new) chapter: section??Updated °Dfast|?)

Kai hurriedly looked in the direction of the sound and found a man standing a hundred feet away from him.

The man was wearing a long robe, with a stern face and his hands behind his back. He had an aura of majesty without even being angry.

When he saw the man, Kai felt his heart stagnate. He felt an inexplicable sense of oppression, which made him feel a little scared.

"Senior, what is this place?"

Kai hurriedly asked politely.

When you don't know the other person's identity and strength, being polite is the most important thing, otherwise you will easily get yourself killed by pretending to be cool.

The man looked at Kai, smiled slightly and said: "This is not anywhere..."

The man's words left Kai completely bewildered and unable to understand. However, he didn't dare to question him further, fearing he would anger him.

“Senior, I don’t know who you are, can you tell me?”

Since he didn’t know where this place was, Kai decided to find out the man’s identity.

If it was someone from a hostile force, Kai would have to find a way to escape and not stay here and wait to die.

The man seemed to understand Kai’s intention and smiled, “Don’t be afraid, I won’t hurt you. I am from the temple.”

When Kai heard that it was someone from the temple, his heart tightened. After all, he had a grudge against the temple, but he had a good relationship with the fourth master of the temple.

So Kai asked tentatively: “Senior, I have a good relationship with the Fourth Palace Master of your temple. Her name is Lingxi…”

“Lingxi?” The man seemed to think for a moment, then shook his head and said, “I don’t know her…”

“That’s impossible? Don’t you know the four masters of your temple?” Kai looked surprised: “Are you a low-level monk in the temple?”

Kai looked at the other party and it was obvious that the other party’s aura did not seem like that of a low-level cultivator.

But if he is a high-level official, how could he not know the Fourth Palace Master?

“Hahaha, do you think I’m a low-level monk in the temple?” the man laughed.

“Not like it!” Kai shook his head. “Could it be that you are the ancestor of the temple and therefore don’t know the current temple personnel?”

This was the only answer Kai could come up with. Since the other party was from the Temple, not at the lower level, and didn't know the Fourth Palace Master.

Then it might be the old people from the temple. As time goes by, the temple personnel have changed, so it is normal that the old people don't recognize the new people.

"You are very smart." A hint of surprise flashed in the man's eyes. He didn't expect that Kai could guess it.

"However, I am not the ancestor of the temple, because I was the one who founded this temple."

As soon as the man finished speaking, Kai was shocked. He did not expect that the man in front of him who looked a little cold was actually the ancestor of the temple and the entire temple was founded by him.

"Then aren't you the first God-King of the temple?"

Kai asked with rapid breathing.

"You could say that..." The man nodded, then asked, "How did you get here?"

"I don't know either. I just opened a void passage from the Seventh Heaven to the Eighth Heaven. As soon as I entered the passage, my whole body was burning with flames. When I opened my eyes, I was here."

Kai explained!
