Chapter 5561

Chapter 5562: No Birth and No Death

Upon hearing this, the man's brows furrowed slightly, his eyes icy cold. This startled Kai, who thought he'd said something wrong.

"You bastard! How dare someone use the forbidden technique of the gods without permission? This is going to destroy the entire temple!"

The man's anger began to rise, and the surrounding void began to distort and deform in this anger.

Kai didn't know what the forbidden techniques of the gods were, but it seemed that he was being targeted, so this happened.

"Senior, this is none of my business, right?" Kai asked cautiously!

"It has nothing to do with you, but since you can survive this forbidden technique, it proves that it is destiny. I can send you away from here. Normally, no one can escape alive from this forbidden technique. Lola (§?Novel/|§Update>Fullest#)"

The man said slowly.

"Thank you, senior..." Kai was extremely happy.

"You should temporarily restore your physical body. Your physical body is already destroyed. If you leave like this, you will only be a wisp of soul."

After the man finished speaking, he gently grasped with his palm, and countless points of light began to gather towards Kai.

The body that had been burned to ashes by the flames was actually slowly recovering.

At this moment, there was a sudden tremor at the end of the distant starry sky, followed by countless fire meteors coming down like a flood. The scene was so scary that Kai's face changed.

The man just took a cold look and threw a punch!

boom!

Under this punch, countless fire meteors instantly turned into powder, falling like blooming fireworks. [The text then abruptly shifts topics.] [The text then abruptly shifts topics.] [The text then abruptly shifts topics.] [The text then abruptly shifts topics.]

Kai was shocked and choked up. He swallowed his saliva and asked, "Senior, what happened just now?"

"Don't worry about that. Just recover your body first."

The man told Kai not to meddle in his affairs.

Kai shut his mouth. He knew that there were some things that he should not know, nor that he could control.

He began to sit cross-legged, and then slowly restored his physical body.

The man looked at Kai. After seeing his body slowly recover, he couldn't help but say, "The sword spirit in you is very pure. Are you a sword cultivator?"

"Not really. I just use the sword more often, but that doesn't mean I'm the only one."

Kai shook his head.

“Then you should be majoring in swordsmanship, and your sword skills are very diverse. They were not taught to you by one person.”

The man said.

Seeing that this man also knew swordsmanship, Kai said, “Senior, I hope you can give me some advice…”

“Haha, I just said it casually. I don’t know much about swords…”

The man laughed.

Seeing the other party say this, Kai stopped arguing and said, “Senior, my body has recovered. Can you take me away from here?”

“Of course you can, but your body is still very weak. You need to strengthen it, otherwise it won’t be able to withstand it and will eventually disappear into thin air.”

The man nodded.

Kai frowned slightly: “Senior, please give me some advice, how can I strengthen my body?”

After all, in this void, Kai didn’t know where he was, and there were no resources. There was not even a trace of immortal energy around him, so Kai had no way to strengthen his body.

The man casually pointed to the depths of the starry sky and said, “Do you know where that is?”

Kai looked into the depths of the starry sky. It was pitch black there, even scary dark, as if it was an endless abyss that even his spiritual consciousness could not penetrate.

“I don’t know, my spiritual sense can’t penetrate that place!”

Kai shook his head.

“That is the land of immortality, where there is no birth and no death…”

The man said slowly!

“No birth, no death?” Kai frowned slightly, not quite understanding what he meant, but still asked, “Senior, have you ever been to that place?”

The man shook his head: “I haven’t been there. I’m not strong enough to get there…”

“Senior, if you can’t go, then I can’t go either. How can I strengthen my body?”

A place that even the person in front of him cannot go, let alone Kai with his strength, so whatever the man said was nonsense.

“If you want to strengthen your body, you need to fight endlessly. Only by allowing your body to constantly suffer blows and then constantly repair itself can it become stronger.”

As the man finished speaking, countless fireballs appeared from the end of the endless starry sky, and these fireballs fell as densely as raindrops.

This time, the man’s figure suddenly became illusory, and meteors of fire streaked across his body, without any reaction.

“By destroying these fire meteors, your body will be strengthened…”

The man said to Kai!

Kai nodded, and the next moment he took out the Dragon Slaying Sword, which turned into a sword light and soared into the sky.

Kai held the Dragon Slaying Sword in his hand and flashed towards the sky full of fiery meteors.

These meteors burning with blazing flames fell like a meteor shower, each of them containing terrifying high temperature and impact force.

“boom!”

The first fireball hit Kai directly in the chest. The huge impact force made him fly backwards like a kite with a broken string, and blood spurted out of his mouth.

The clothes on his chest instantly turned to ash, his skin was burned red, and it emitted a burning smell. +&First.? First `Read-?Book,>?Net, D1￥Free@&Read??~Read-

“Ahem…”

Kai struggled to get up, feeling as if his internal organs were about to shift.

“Don’t dodge, use your body to resist!”

A man’s voice came from the distance, “Only by allowing the power of the fire meteor to penetrate every inch of your skin can you truly strengthen your body!”

Kai gritted his teeth and rushed towards the fireball group again.

This time he did not use his sword to resist, but put away the Dragon Slaying Sword, clenched his fists, and endured the impact of the fire meteors.

“Bang, bang, bang!”

Continuous collision sounds were heard, and Kai was completely engulfed by the fire meteors.

His body was repeatedly knocked back and forth, and he kept getting up, covered in wounds and blood. His skin was burnt black, and in many places, even bones were visible.

“ah!”

Kai let out a painful roar, but his eyes became more and more determined.

The man nodded with satisfaction and continued to instruct, “Circulate your internal energy, guide the energy of the fire meteor into your meridians, and temper your bones and muscles!”

Upon hearing this, Kai immediately began to practice his skills according to the man’s instructions.

He mobilized the true energy in his body, forming cyclones that flowed rapidly through his meridians.

When the fireball hit again, he no longer resisted, but guided the violent energy into his body.

The scorching energy flowed through his meridians like magma, causing excruciating pain wherever it passed, as if the meridians were about to be burned through.

But Kai gritted his teeth and persevered, guiding the energy to all parts of his body according to the route of the exercises.

As time passed, Kai’s body became stronger and stronger under the constant impact of fireballs.

Injuries that initially took a long time to recover can now be healed in just a few breaths.

The skin gradually returned to normal color from being charred, and became more tough and shiny.

“Very good, your body has begun to adapt.”

The man’s voice was filled with praise. “Now try to actively absorb the energy of the fireball, don’t just passively endure it!”

When Kai heard this, a gleam of light flashed in his eyes.

He took a deep breath, opened his arms, and took the initiative to face the fireballs.

This time, he was no longer passively taking a beating, but took the initiative to attack.

“Swallow!”

Kai let out a low cry and started practicing the technique of swallowing the sky and devouring the earth.

His body seemed to have turned into a huge black hole and began to actively absorb the energy of the fireball.

“Boom! Boom! Boom!”

Kai’s body made muffled sounds, his muscles became stronger under the nourishment of energy, and his bones also made crisp sounds, as if he was undergoing a complete transformation.

He had grown a few inches taller without noticing, and his body had become more well-proportioned and strong.

“It’s not enough!”

The man’s voice came again, “Let more fireballs come!”

As the man finished speaking, countless fireballs appeared again in the distant starry sky, more than ten times the number before.

These fireballs are larger, brighter, and contain even more terrifying energy. |5?43^Read D book| ¨|?Has! ¢ Published the latest chapter and section<×

But Kai was no longer afraid. He looked up to the sky and let out a long roar, his voice resounding through the clouds.

A faint golden light appeared on the surface of the body, which was a sign that the physical strength had reached a certain level.

“Just in time!”

Kai leaped up and rushed directly into the area where the fireballs were most concentrated.

He swung his fists like meteor hammers, and each punch could shatter several meteors.

At the same time, his body was madly absorbing this energy, and his physical strength was increasing at a speed visible to the naked eye.

“Crack! Crack!”

The bones made crisp sounds, which was the sound of increasing bone density.

Muscle fibers also become tougher and stronger under the tempering of energy, and every inch of skin exudes a healthy glow.

The man stood in the distance and nodded with satisfaction: “Indeed, your body has reached the realm of iron and steel. But this is not enough, continue!”

Kai did not stop. He felt that his body was like a bottomless pit that could never be filled.

The energy of the fireball continued to flow into his body, transforming into the strength of his physical body.

After an unknown amount of time, when the last fireball was swallowed by Kai, he slowly opened his eyes.

At this moment, his whole body was emitting a faint golden light, his skin was as crystal clear as glass, and his muscles were smooth and full of explosive power.

“Senior, I feel like my body has reached an unprecedented level!”

Kai said excitedly.

He could feel that he could now shatter mountains with one punch and flatten rivers and seas with one kick.

The man smiled faintly: “This is just the beginning. Although your body is already very strong, it has not yet reached its true limit.”

“Then I’ll continue…”

Kai took the initiative to head towards the fire meteor again.

The man looked at Kai in the sky full of fire meteors, wondering what he was thinking…

…

Eighth Heaven, Three Palaces!

The Third Hall Master was currently standing outside the main hall with a group of disciples from the Third Hall.

On the side of the Third Palace Lord was the Fifth Palace Lord who had recovered, as well as the four top divine guards of the Third Palace, and a group of powerful men from the Third Palace.

The Third Palace Master kept looking around, as if waiting for someone.

At this moment, the Third Palace Master suddenly turned his head and saw a middle-aged man slowly approaching from a distance.

This person is the prince of the Evil Dao Palace, one level higher than Elder Xue Wuying.

No wonder the Third Palace Master brought people to the door to greet us personally.

Seeing the man approach, the Third Palace Master hurried forward and said with a smile, “Prince Wu’s personal presence truly brings honor to my humble palace…”

Prince Wu had a calm expression on his face, and seemed unfazed by the Third Palace Master’s flattery.

“You want to deal with the four palace masters and occupy the Divine King Palace?”

Prince Wu asked the Third Palace Master.

“Yes, I have been working with your Evil Dao Hall for such a long time, so I would like to ask for your help!”

The Third Palace Master nodded.

“I’ll help you deal with it!” Prince Wu nodded!

However, the Third Hall Master looked at the Wu Prince and asked with a hint of doubt, “Wu Prince, are you here alone? If you were alone, I’m afraid you wouldn’t be able to get close to the Divine King Palace.”

After hearing this, Prince Wu smiled coldly and said, “Don’t worry, everything is under control…”

Chapter 5564

Chapter 5565: The Rabble

Hearing Prince Wu’s words, the Third Hall Master frowned.

Although Prince Wu has a high status in the Evil Dao Palace, it does not mean that he is very powerful.

Who can blame her for having a good father?

If he were in the Evil Dao Palace, Prince Wu could walk around as he pleased and no one would dare to stop him.

But if he goes to the Palace of the God King, the Fourth Palace Master will not tolerate him.

Just when the Third Palace Master was about to persuade Prince Wu not to show off when he was out, suddenly the void above his head began to boil, and then a dark road slowly fell down.

On the avenue, an old man in a black robe walked down slowly with a skull cane in his hand.

The old man’s face was covered in creepy scars, and his robe was emblazoned with blood-red runes, which exuded a strange power.

Seeing this scene, the Third Palace Master felt a tightness in his heart, and the others also felt like they were facing a formidable enemy.

Because they could feel that this person was very powerful.

“Third Palace Master, don’t be nervous…”

Seeing the Third Hall Master’s nervous expression, Prince Wu couldn’t help but smile. He then walked over to the old man and said, “Grand Elder…”

When the Third Palace Master heard this, he breathed a sigh of relief. It turned out that the old man was actually the Grand Elder of the Evil Path Palace.

And he looks very powerful. Even Prince Wu is so respectful to him, which shows that the great elder has a very high status in the Evil Dao Palace.

The Great Elder came before the Third Hall Master, looked him up and down, and said in a cold voice, “Are you the Third Hall Master of the Temple?”

“That’s right!” said the Third Palace Master.

“That’s all…”

The Great Elder said coldly.

This contemptuous look made the Third Palace Master stunned and very unhappy, but he did not dare to get angry. After all, he still needed the Evil Dao Palace to help him seize the Palace of the God King and deal with the Fourth Palace Master.

“The presence of the Great Elder will surely help me seize the Palace of the Divine King. As long as I become the Divine King of the Temple, I will definitely help your Evil Path Palace collect a large number of souls.”

The Third Palace Master assured.

The Great Elder sneered, “Let’s not even mention that you have the Divine King above you. Just look at the Second Palace Master and the First Palace Master. Which one of them can you handle?”

When the Third Palace Master heard this, he immediately laughed.

“Great Elder, you may not know that the First and Second Palace Masters follow the Divine King in the Ninth Heaven. As long as I seize the Divine King’s Palace here, they will immediately take action against the Divine King.”

“I’m just making contact with your Evil Path Hall. Without the support of the First and Second Hall Masters, even if your Evil Path Hall mobilizes all its forces to support me, I wouldn’t dare to attack the Divine King Palace.”

The Third Palace Master explained.

This statement made the Great Elder very unhappy, but he also knew that the Third Palace Master was telling the truth.

If the temple had no internal conflicts, the Evil Temple alone would not dare to attack the temple directly.

Even if the Evil Temple can destroy the Temple of God, the entire God Clan is behind the Temple of God.

That is the existence that they, the Evil Dao Palace, fear.

No force dares to fight against the gods alone.

The fact that they were able to re-establish a clan outside of the three clans also proved that the gods had absolute strength and uniqueness.

“Since we have the support of the First and Second Palace Masters, it will be easy!”

The Great Elder nodded.

“Great Elder, let me first introduce you to the situation of the Divine King Palace!”

The Third Palace Master said.

“No need. It’s just a small palace of the God King. Without the God King here, the people in the palace are just a mob. I can wipe them out with a wave of my hand.”

The Great Elder said arrogantly.

The Third Palace Master: “…”

mob?

The Third Palace Master didn’t say anything. Since the other party thought that the people in the Palace of the God King were a mob, there was no need for him to introduce them.

Although the Evil Path Palace still needs help to seize the Palace of the God King, the attitude of the Evil Path Palace’s Grand Elder makes the Third Palace Master a little unhappy.

Perhaps if we make the Evil Dao Palace suffer a little, they will take this cooperation seriously.

“Third Palace Master, I will take the Great Elder to rest for a while. You go to the Divine King Palace to act as an insider. Once we have rested enough, we will go directly to help you seize the Divine King Palace.”

Prince Wu said.

Chapter 5566: Really Good at Boasting

"Prince Wu, I think we should not underestimate the Palace of the Divine King. Although the Fourth Palace Master is not a concern, the Palace of the Divine King is not simple!"

The Third Palace Master said!

"Why isn't it simple?" asked Wu Shizi.

"Although the Divine King Palace is guarded by the Four Palace Masters, the truly formidable ones are the Four Guardians of the Divine King Palace. The strength of these four guardians is something that even we Palace Masters have never witnessed."

“In fact, we haven’t even seen the faces of these four guardians. We only heard the Divine King mention them. It is said that these four guardians were the guards of the first Divine King.”

“With the transition of divine power, the four guards of the first Divine King also became the guardians of the Divine King’s Palace. No one has ever seen them since then.”

“But if the Divine King Palace is in trouble, these four guardians will definitely appear.”

The Third Palace Master followed Prince Wu and said.

“So, none of you have ever seen the four guardians?”

Prince Wu smiled.

“That’s right!” The Third Palace Master nodded.

“Hahaha…” Prince Wu suddenly laughed: “How can you be so sure that the Divine King Palace must have four great guardians?”

“Couldn’t it be that he was just bragging and lying to you, and that he made up the four guardians just to prevent you from rebelling?”

The Third Palace Master was stunned: “…”

At this moment, the Third Palace Master only wanted to curse.

Although the gods are arrogant and look down on everyone, they don’t have the habit of lying.

Who made up the four guardians to protect the safety of the Palace of the God King?

“Third Palace Master, you are too cautious and too inexperienced…”

The Great Elder slowly glanced into the void and said, “Forget about the Four Great Guardians. Even if the First Divine King of your temple were here, I could kill him with a single slap…”

“Boasting…” The Third Hall Master opened his mouth but didn’t say anything, cursing from the bottom of his heart.

…

“A-choo…”

In the boundless void, the man suddenly sneezed.

After taking a look at Kai, the man frowned slightly: “After so many years, is there still someone talking about me?”

At this time, Kai was holding the Dragon Slaying Sword and fighting against the countless fire meteors.

Now Kai can fight his way out of the sky full of fire meteors.

After an unknown amount of time, countless fire meteors disappeared, and Kai stood in the void, with flames burning all around him.

Those were the energies of the fireballs. Kai closed his eyes slightly and let the flames burn his body, but it didn’t take long before the flames gradually disappeared.

Not only did these flames fail to burn Kai’s body, but Kai absorbed their energy instead!

During this period, Kai has been fighting against the fire meteor and absorbing its energy. His physical body has reached a new height.

Not only his physical body, but also Kai’s strength increased too rapidly.

Although there are no resources or spiritual energy here, these meteors have become resources for Kai’s cultivation.

Suddenly, the fireball that had disappeared appeared again from the end of the void, and this time it came from the unfathomable place of indestructibility.

Looking at the countless fiery meteors in front of him, Kai's eyes became hot. He was no longer afraid or terrified, but full of endless yearning.

These fireballs are no longer something terrible, but rather a good resource.

Kai, holding the Dragon Slaying Sword, instantly pounced towards the fiery meteors.

The sword lights tore countless fire meteors into pieces.

The man looked at Kai quietly, without saying a word or taking any action.

He found that Kai had a high level of comprehension. He only gave him a few pointers, and Kai was able to figure out a lot of his own things.

Especially Kai's sword intent, which began to become more and more pure with each swing of the sword.

"The fire meteor of the land of indestructibility, let's see how long you can hold out!"

The man looked at Kai who was becoming more and more excited, and muttered to himself!

Chapter 5567: Slander

Eighth Heaven!

Inside the Divine King Palace, the Fourth Palace Master, Lingxi, was still searching for a way to rescue Kai.

The maid Yunxiu walked in quickly and said to Lingxi, “Fourth Palace Master, the Third Palace Master has brought people here and has reached the palace gate. Should we let him in?”

“What is he doing here?”

Lingxi frowned.

The Third Palace Master has his own palace and does not need to come to the Palace of the God King at all. Moreover, after the God King took the First Palace Master and the Second Palace Master to the Ninth Heaven, he handed the Palace of the God King over to Ling Xi for care. Other people in the temple are not allowed to enter the Palace of the God King at will unless they have something important to do.

Now that the Third Palace Master had suddenly arrived with his men, Lingxi knew this fellow was up to no good.

“The Third Palace Master said that he came to discuss important matters with the Fourth Palace Master.”

Yunxiu said.

“Come on, follow me and take a look…”

After Lingxi finished speaking, she took Yunxiu and several divine guards and walked towards the palace gate!

Lingxi brought Yunxiu and several divine guards to the gate of the Divine King Palace, only to see the Third Hall Master standing there with dozens of Third Hall disciples and divine guards, looking menacing.

The Third Palace Master had a gloomy expression, his eyes revealing greed and calculation. The disciples and divine guards behind him also had arrogant expressions, as if they had already secured victory.

“Third Palace Master, why did you bring so many people to the Divine King Palace? What’s the important matter?”

Ling Xi asked coldly, her posture erect, her eyes revealing determination and unyielding spirit. Despite facing the numerical advantage of the Third Hall Master’s side, she showed no sign of retreating.

The Third Palace Master stepped forward, staring at Lingxi with a piercing gaze, as if he could see through her. “Fourth Palace Master, I heard that you secretly took the Divine Guards to the Sixth Heaven some time ago, and that many of them were injured. Is this true?”

There was a questioning tone in his voice, as if he had already determined that Lingxi had a secret that she could not reveal.

Ling Xi frowned and thought to herself that the Third Palace Master had obviously come prepared and was deliberately provoking trouble.

But she didn’t panic. Instead, she responded calmly, “This matter has nothing to do with you. I led the Divine Guards on their mission, and I naturally have my reasons.”

“reason?”

The Third Palace Master sneered, his laughter filled with mockery, “As the Fourth Palace Master, you don’t stay in the Eighth Heaven, but secretly dispatch the Divine Guards to the Sixth Heaven, and for a man, too. This has violated the rules of the Temple!

More importantly, you caused the divine guards to be injured in vain. How are you going to settle this account?”

He deliberately exaggerated the problem, trying to stir up dissatisfaction among other divine guards in order to achieve his own ulterior motives.

Ling Xi’s face darkened, and she was furious, but she suppressed her anger and said, “Third Palace Master, are you questioning me? Don’t

forget, the Divine King Palace is under my care now, and I have the right to mobilize the Divine Guards to carry out missions."

She knew that the Third Palace Master had always coveted the power of the Palace of the God King, and this time he was deliberately looking for trouble in order to seize control of the Palace of the God King while the God King was away.

"Guard?"

A trace of greed flashed in the Third Palace Master's eyes, as if he wanted to take everything in the Divine King Palace for himself. "I think you want to take advantage of this opportunity to occupy the Divine King Palace! Are you so lawless now that the Divine King is away?"

"For the sake of Kai, the Divine Guards were dispatched and even injured. You must know that these Divine Guards are protecting the Divine King's Palace."

"You care so much about Kai, are you having an affair with him? Don't forget, female cultivators of the God Clan cannot have union with men of other clans."

"If you have been played by Kai now, then your body will be dirty. You are not worthy of being a woman of the God Clan, nor of being the master of the temple."

He deliberately brought up the topic of God's rules, trying to stir up other people's emotions.

"What nonsense are you talking about!"

Ling Xi shouted angrily. She didn't expect the Third Palace Master to be so shameless as to openly slander her.

Now the Third Palace Master is slandering and deliberately throwing dirty water on others.

The divine guards behind Lingxi also showed angry expressions, clenched their weapons, and were ready to protect Lingxi at any time.

Yunxiu was even more furious, with murderous eyes. If she could beat the Third Palace Master, she would have killed this guy long ago.

The Third Hall Master waved his hand backwards, and the disciples of the Third Hall behind him immediately stepped forward and assumed a fighting stance.

They were all rubbing their hands in anticipation, their eyes revealing ferocity and defiance, as if they couldn't wait to start. (Please help me with the book, please! =)) Latest chapter 1) Newest chapter 3 will be updated soon!

"Today I will bring people into the Palace of the God King to check the situation inside and see if you really regard the Palace of the God King as your own territory!"

The Third Palace Master said this, his voice full of threats, trying to force Lingxi to submit in this way.

"presumptuous!"

Ling Xi shouted sternly, her voice as resounding as a bell, making the ears of those around her buzz. "How can you enter the Divine King's Palace just because you want to? No one is allowed to enter without the Divine King's order!"

She knew that the Palace of the God King was the core of the temple, where many secrets and treasures were hidden, and she must not allow someone with ill intentions like the Third Palace Master to enter.

“Humph, the God King is far away in the Ninth Heaven now, I have the final say here!”

After the Third Palace Master finished speaking, he was about to lead his men to force his way in.

The disciples and divine guards behind him also rushed forward, trying to break through the defense line of Lingxi and others.

Lingxi and the divine guards behind her immediately drew their weapons and blocked the way of the Third Palace Master and others.

Their eyes revealed determination and resoluteness, as if telling the Third Palace Master that if he wanted to enter the Palace of the God King, he would have to step over their corpses.

“Third Palace Master, you brought people to force your way into the Divine King Palace. Are you planning a rebellion?”

Lingxi asked coldly, with a hint of murderous intent in her eyes.

She knew that the Third Palace Master’s behavior had seriously violated the rules of the temple, and if he was allowed to continue, the consequences would be disastrous.

The Third Palace Master’s expression changed, but he quickly regained his composure. “Rebellion? I’m upholding the rules of the Temple! You dispatched the Divine Guards without permission and refused to let us into the Divine King’s Palace to investigate. Who knows what you’re up to in there?”

He tried to find excuses for his behavior, but they seemed so weak.

Just when the two sides were on the verge of a war, a black shadow suddenly appeared in the sky.

The black shadow grew bigger and bigger, and gradually two figures appeared.

Everyone looked up and saw Prince Wu and the Great Elder slowly descending from the sky.

They exuded a powerful aura, as if carrying an invisible pressure, which made everyone present feel a palpitation.

“Haha, it seems we’ve arrived at the right time.”

Prince Wu said with a smile, his smile revealed a sense of pride and cunning, as if he had already anticipated the current situation.

Ling Xi looked at Prince Wu and the Great Elder coldly: “People from the Evil Dao Palace, what are you doing here?”

Lingxi’s face looked very ugly. She didn’t understand why the people from the Evil Palace came to the Palace of the God King.

For a long time, there has been no festivals or exchanges between the Temple of God and the Temple of Evil.

But as soon as she finished speaking, Lingxi immediately looked at the Third Palace Master, frowning, as if she understood something.

“Third Palace Master, you were the one who brought the people from the Evil Path Palace here, weren’t you? You actually colluded with them, aren’t you afraid of being punished?”

Lingxi questioned the Third Palace Master.

The Third Palace Master did not expect that Prince Wu and the Great Elder would come so soon. They had already agreed that after he entered

the Palace of the God King, the two of them would appear and then attack the Palace of the God King.

Things haven't been accomplished yet, and the Third Palace Master doesn't want to expose his collusion with the Evil Palace too early.

Chapter 5569

Chapter 5569: Single Challenge

"Fourth Palace Master, stop talking nonsense! I think you're the one who brought this upon us!"

The Third Palace Master directly denied it and refused to admit it at all.

But who would have thought that the Wu Prince smiled faintly and said, "Fourth Palace Master, I advise you to be sensible and get out of the Divine King Palace. Let the Third Palace Master go in and investigate..."

Prince Wu's words directly revealed his attitude, making the Third Palace Master feel extremely embarrassed.

"Prince Wu, how dare you, the Evil Dao Hall, interfere in the internal affairs of our Divine Hall? Are you trying to provoke a war between the two halls?"

She knew that the appearance of Prince Wu and the Great Elder this time definitely had ulterior motives.

The Great Elder took a step forward, releasing a powerful aura that instantly suffocated Lingxi and the divine guards behind her.

The momentum was like an invisible mountain, pressing people to the point of almost suffocating them.

"Little girl, don't be shameless!"

The Great Elder said coldly, “Today we must enter the Divine King Palace. If you know what’s good for you, get out of the way. Otherwise, don’t blame us for being rude!”

His voice was cold and ruthless, as if announcing the fate of Lingxi and others.

Ling Xi gritted her teeth, trying to hold back the pressure released by the Great Elder. Her body trembled slightly, but her eyes remained firm: “If you want to enter the Palace of the God King, you have to step over my dead body!”

She knew that this was a battle concerning the dignity of the God King’s Palace and the future of the temple, and she must not retreat.

“Haha, since you are so ungrateful, then we have no choice but to take action!”

After the Great Elder finished speaking, a hint of murderous intent flashed in his eyes.

“Wait.” Prince Wu stopped the Great Elder and said, “Great Elder, leave this Fourth Palace Master to me. I want to challenge her in a one-on-one duel. Once I defeat her, I’m going to use her to vent my anger…”

After saying this, Prince Wu looked at the Third Palace Master and said, “Third Palace Master, you don’t mind, do you? I haven’t played with a woman from the God Clan yet.”

The Third Palace Master’s face twitched twice, and he shook his head: “If Prince Wu likes it, go ahead and play…”

Although the Third Palace Master did not want to expose his collusion with the Evil Dao Palace, it was obvious that Prince Wu wanted to drag him into the water, and the Third Palace Master could not say anything.

It seems that today, he can only succeed and not fail!

“Third Palace Master, you are despicable and shameless. You actually colluded with the people of the Evil Path Palace.”

The Fourth Palace Master Ling Xi cursed.

“Fourth Palace Master, please stop scolding me. Save some strength to withstand my lustful fire later!”

Prince Wu sneered.

“Defeat me first, then we’ll talk…”

The Fourth Palace Master, the immortal Lingxi, trembled and soared into the sky!

Prince Wu turned to look at the Great Elder and said, “Great Elder, please be patient. Once I have eliminated these four Palace Masters, the Divine King Palace will be within easy reach.”

“Prince, be careful…”

The Great Elder reminded.

Prince Wu nodded, transformed into a sharp beam of light and soared into the sky, instantly meeting the Fourth Palace Master Lingxi high in the sky.

Powerful spiritual energy fluctuations surrounded the two of them, as if distorting the surrounding space.

Ling Xi held a long sword in her hand, the sword blade flashing with a cold light. Her eyes were as sharp as an eagle, fixed tightly on Prince Wu.

Prince Wu clenched his fists, which were surrounded by black demonic energy and exuded a gloomy aura.

“Fourth Palace Master, today is the day you will be defeated!”

Prince Wu shouted loudly and launched the first attack. He rushed towards Lingxi like a black meteor, and his fist smashed into Lingxi with a whistling sound.

Ling Xi snorted coldly, and dodged the attack easily with a flash of her body. At the same time, she swung the sword in her hand, and a sharp sword energy slashed towards Prince Wu.

The sword energy was like frost, and wherever it passed, tiny cracks were cut into the space.

Prince Wu was startled and quickly dodged to the side. The sword energy brushed past the corner of his clothes and cut a hole in his clothes.

He thought to himself that this was not good. He had not expected that the Fourth Palace Master would be so difficult to deal with.

Chapter 5570: Unable to Beat

The crowd watching the battle below, on the side of the temple, Yunxiu clenched her fists tightly, her eyes full of worry, but more of it was trust in Lingxi, she kept muttering: “Fourth Palace Master, you must win!”

The divine guards behind her also had tense expressions, their eyes closely following the battle in the sky.

The Third Palace Master had a gloomy expression on his face. He didn’t expect that Prince Wu would be at a disadvantage from the very beginning.

The disciples of the Three Halls beside him were whispering to each other, with worried expressions on their faces. Someone whispered, “Can this Wu Prince do anything? Don’t let him get us into trouble later.”

The Third Palace Master glared at the man, who was so frightened that he quickly shut up.

The Great Elder of the Evil Path Hall stood aside, his brows furrowed slightly. He hadn't expected Fourth Hall Master Lingxi to be so powerful. He was somewhat dissatisfied with Prince Wu's performance, but he didn't say anything, simply watching quietly.

When Prince Wu saw that his attack missed and was counterattacked by Lingxi instead, he felt a little anxious.

He launched another attack, kicking his feet in the air and shooting towards Lingxi like a cannonball. At the same time, he quickly formed seals with his hands and muttered something. Black demonic energy surged out of his body and transformed into ferocious demon dragons, pouncing towards Lingxi.

Ling Xi's expression remained unchanged. She danced the sword in her hand quickly, and sword energy intertwined into a huge sword net, chopping the evil dragons into pieces one after another.

The dragon shattered and turned into black smoke, but soon re-condensed and rushed towards Lingxi again.

"Huh, is that all you can do?"

Ling Xi said coldly, and she flashed and instantly appeared behind Master Wu, piercing Master Wu's back with her sword.

Prince Wu felt a chill on his back and rushed forward, barely avoiding the sword, but the sword still left a bloody mark on his back.

"Damn it!"

Prince Wu roared angrily. He felt that he was passive in front of Lingxi and was completely suppressed by her.

He was extremely anxious. If he couldn't turn the situation around as soon as possible, he would probably be defeated today.

He took a deep breath, forced himself to calm down, then took out a black pill from his arms and swallowed it without hesitation.

The pill melted in his mouth, and a powerful force exploded in his body. His body swelled instantly, his muscles bulged high, his eyes turned red, and he exuded a crazy aura.

"Fourth Palace Master, prepare to die!"

Prince Wu shouted loudly and rushed towards Lingxi again. His speed was more than twice as fast as before, and the power of his fists was also much stronger.

When Lingxi saw the changes in Prince Wu, her heart trembled slightly, but she did not retreat.

She shook the long sword in her hand, and brilliant sword light burst out from the sword like a blooming lotus.

She rushed towards Prince Wu, and her sword and fist collided again, making a deafening sound.

This time, although Prince Wu's power has increased a lot, Lingxi still has the upper hand with her superb swordsmanship and flexible body movements.

Her sword was like a nimble snake, constantly leaving wounds on Prince Wu's body.

The wounds on Prince Wu's body were increasing, and blood kept flowing, dyeing his clothes red.

"Impossible! How could I not be able to beat her!"

Prince Wu was screaming madly in his heart, his eyes filled with unwillingness and anger.

He launched another crazy attack, but they were all resolved by Lingxi one by one.

The Third Palace Master below saw this scene and his face turned very ugly. He knew that if Prince Wu lost, his collusion with the Evil Palace would be exposed, and he would then face severe punishment from the temple.

He clenched his fists so tightly that his nails dug into his palms, but he was unaware of it.

The people on the temple side cheered. Seeing the Fourth Palace Master being so brave, their hearts were filled with pride and joy.

Chapter 5571

Chapter 5571: Guarding Awakening

Yunxiu jumped up excitedly and shouted, “The Fourth Palace Master is so powerful! Defeat this villain!”

Just as Prince Wu was losing strength and about to give up, the Great Elder finally couldn’t help himself.

He flashed and instantly appeared in the sky, ready to help. But at this moment, a majestic voice came from a distance: “People from the Evil Temple, how dare you be so presumptuous in my temple!”

At this critical moment, a powerful aura suddenly came from the depths of the Palace of the God King.

The aura was like a surging tide, carrying an irresistible force that shocked everyone present.

Everyone was shocked and looked towards the depths of the Palace of the God King, their eyes filled with confusion and fear.

“This... these can’t be the four guardians of the Divine King Palace, right?”

The Third Palace Master’s expression changed, and a sense of foreboding welled up in his heart.

He didn’t expect that there was such a powerful existence in the Palace of the God King, which made his original plan begin to waver.

After all, the four guardians have only been heard of, but no one has ever seen them!

The Great Elder also frowned: “I didn’t expect that there would be such a powerful existence in the Palace of the God King.”

There was a hint of fear in his eyes, and he was obviously aware of the complexity of the matter.

Lingxi’s heart moved, she knew that it must be the four guardians of the Palace of the God King who had awakened.

Because only the four great guardians can unleash such a terrifying aura.

The Four Guardians are the patron saints of the Divine King Palace. Their strength is unfathomable, and they have always protected the safety of the Divine King Palace.

The disturbance caused by the Third Palace Master and others finally alarmed them.

Sure enough, a moment later, a figure slowly walked out from the depths of the God King Palace.

This is a middle-aged man wearing golden armor, with a dignified face and an inviolable sacredness in his eyes.

He held a long sword in his hand, the sword blade flashing with cold light, as if containing infinite power.

A powerful aura emanated from his whole body, and that aura was as real as substance, making people dare not look directly at him.

Seeing this, Ling Xi immediately forced Prince Wu to retreat and walked up to the man!

“Greetings, Lord Guardian!”

Lingxi and the divine guards behind her immediately spoke respectfully, their eyes filled with awe and gratitude.

They knew that the appearance of this guardian would change the current situation.

The man in golden armor nodded, acknowledging his identity.

Then he glanced at the Third Hall Master, Prince Wu, the Great Elder, and the others, and said coldly, “You bold lunatics, how dare you act wildly in front of the Divine King’s Palace? Are you tired of living?”

His voice was as loud as a bell, making the ears of the people around him buzz.

The Third Hall Master’s expression changed, but he quickly regained composure and said, “Who are you? How dare you interfere in the affairs of our temple?”

He tried to use this method to cover up his inner fear, but his voice was trembling, and he was obviously feeling guilty.

The man in golden armor sneered, “I am one of the four guardians of the Divine King Palace, and I am ordered to protect the Divine King Palace.

You have broken into the Divine King Palace without permission and even tried to attack the Lord of the Four Palaces. You are simply courting death!”

His voice was filled with anger and majesty, as if he was announcing the crimes of the Third Palace Master and others.

The Great Elder took a step forward, a hint of fear flashing in his eyes. “I didn’t expect that the legendary Four Guardians of the Divine King Palace really existed. However, even if all four of you came together, you couldn’t stop us!”

He tried to give himself courage in this way, but his tone was obviously not as tough as before.

The man in golden armor sneered, “Really? Then let me see what you’re capable of!”

After saying this, the aura of the man in golden armor increased again, and a powerful pressure instantly enveloped the entire gate of the God King Palace.

The pressure was like a substance, making the Third Palace Master, Prince Wu, the Great Elder and others feel suffocated.

The Third Palace Master’s face changed. He didn’t expect that the Palace of the God King really had guards, and that the guards were so powerful.

They originally thought that they could easily enter the Palace of the God King with the advantage of numbers and the support of the Evil Path Palace, but now it seems that things are far from as simple as they imagined.

Chapter 5572

Chapter 5572 Don’t blame me for being rude

The golden-armored man's gaze was as sharp as a torch, coldly scanning the Third Hall Master and the others. That look seemed to penetrate one's soul, sending shivers down one's spine.

The long sword in his hand trembled slightly, and the cold light on the sword flickered, as if warning these lunatics who dared to offend the Palace of the God King.

Fine beads of sweat appeared on the Third Palace Master's forehead, and his eyes revealed panic and unwillingness.

I originally thought that everything was under my control, but I didn't expect that the four guardians of the Palace of the God King actually existed and their strength was so terrifying.

He stole a glance at Prince Wu and the Great Elder beside him and noticed they both had serious expressions, clearly feeling the daunting situation. [Microblog Fun Novel] >> Updates Fastest!

Prince Wu gritted his teeth, the black demonic energy on his body kept rolling, and his heart was filled with anger and humiliation.

As the prince of the Evil Palace, when had he ever suffered such humiliation?

But facing the guards of the Palace of the God King, he did not dare to act rashly. He could only suppress the anger in his heart and stare at the man in golden armor.

The Great Elder narrowed his eyes and thought about how to deal with the situation.

He knew that if today's matter could not be properly resolved, the conflict between the Evil Temple and the Temple of God would be completely intensified, which might lead to a huge disaster.

He tried to find a flaw in the expression of the man in golden armor, but found nothing.

Lingxi stood behind the man in golden armor, feeling a sense of security.

She knew that with this guardian around, the Third Palace Master and others would never dare to act rashly again.

She looked at the Third Palace Master coldly, her eyes filled with mockery and disdain, as if telling him: “Your conspiracy will not succeed.”

Yunxiu and the divine guards also held their weapons tightly, their eyes revealing determination and vigilance.

They knew that the standoff could turn into a fierce battle at any time and they had to be prepared at all times.

As time passed, the atmosphere on the scene became more and more depressing.

Everyone felt that breathing became difficult, as if an invisible mountain was pressing down on their hearts.

The Third Palace Lord’s subordinates began to whisper to each other, with worried looks on their faces. They didn’t know how this confrontation would end.

Finally, the Third Palace Master couldn’t help but speak, his voice trembling. “Master Guardian, we were reckless today. But we were also acting in the interests of the Temple. The Fourth Palace Master privately dispatched the Divine Guards to the Sixth Heaven and injured them, which is a violation of the Temple’s rules.

We just want to enter the Palace of the God King to check the situation, we have no other intentions.”

The man in golden armor sneered, “Humph, for the benefit of the Temple? You colluded with the people of the Evil Path Temple and attempted to seize control of the Palace of the Divine King while the

Divine King was away. Can you also say that this is for the benefit of the Temple?

Your actions have seriously violated the temple's rules. If you don't give an explanation today, no one will be able to leave here."

The Third Palace Master's face changed. He didn't expect the man in golden armor to be so tough.

He opened his mouth, but didn't know how to refute.

Prince Wu shouted angrily, "Don't go too far! We in the Evil Dao Palace are not to be trifled with."

The man in golden armor's eyes turned cold, and he raised the sword in his hand slightly. A powerful sword energy burst out instantly and swept towards Prince Wu.

Prince Wu was startled and quickly dodged to the side, but the sword energy was like a leech on his tarsal bone, chasing him closely.

He had to mobilize all his magic power to barely withstand the attack.

"If you dare to be so presumptuous again, don't blame me for being rude." The man in golden armor said coldly.

Seeing this, the Great Elder knew that today's matter could not be resolved peacefully.

He stepped forward and said, "Master Guardian, we do not wish to be enemies with the Temple. However, we were indeed at fault for what happened today, and we are willing to pay the price for it. I wonder how Master Guardian wishes to resolve this matter?"

As for you two from the Evil Path Palace, leave the Divine King Palace immediately and never set foot in the Divine King Palace again. Otherwise, don’t blame us at the Divine King Palace for being rude.”

Upon hearing this, the Third Palace Master’s face turned extremely pale.

Abandoning one’s own cultivation?

This is worse than killing him.

He clenched his fists so tightly that his nails dug into his palms, but he was unaware of it.

Prince Wu and the Great Elder looked at each other with hesitation in their eyes.

They knew that if they didn’t agree to the golden-armored man’s terms, they would have a hard time escaping unscathed.

The scene fell into silence again, and everyone was waiting for the decision of the Third Palace Master and others.

The oppressive atmosphere in the void became increasingly heavy, as if a storm was about to come.

.....

In the void channel!

Kai, holding the Dragon Slaying Sword, had long forgotten about time and space!

In his eyes, there were only countless fire meteors. Every time he swung his sword, thousands of fire meteors would turn into dazzling fireworks.

The man looked at the meteors shooting out from the Land of Eternity, which turned into fireworks under Kai's sword, and couldn't help feeling shocked.

I don't know how long it took, but the fireball ended.

Kai returned to the man's side. His aura was undergoing a dramatic change, his entire body radiating a golden glow.

"Senior, can I leave here now?"

Kai asked the man.

"Of course..." The man looked at Kai and smiled slightly.

"Thank you, senior..."

Kai happily clasped his hands together to express his gratitude.

But when he clasped his fists, the man suddenly frowned, and then stared at Kai's hand with his eyes!

Seeing this scene, Kai was a little confused and didn't understand what the other party was looking at!

"What's that in your hand?"

The man became a little excited and grabbed Kai's hand and asked.

"Nothing?" Kai spread out his hands. There was nothing in his hands.

"I said, is that the Tianlong Ring on your hand?"

The man stared at the ring on Kai's hand and asked.

“Yes, this is what my father left me…” Kai nodded, then suddenly remembered something and asked excitedly, “Senior, do you recognize this ring?”

Since Kai arrived in heaven, he has never encountered a branch of the Tianlong Palace.

So for such a long time, Kai thought that there was no Tianlong Palace in the heaven. Perhaps the remaining halls were in other worlds, or in other places, and he had not discovered them.

But now, the person in front of him suddenly recognized the Tianlong Ring in his hand, so he might be someone from the Tianlong Palace.

“My subordinate Wan Jianxing pays homage to the Palace Master…”

The man suddenly knelt down in front of Kai, his face full of excitement.

“Are you a member of the Tianlong Palace?” Kai asked, suppressing his excitement.

“Yes, I am a member of the Tianlong Palace.”

Wan Jianxing nodded.

“Great, please get up…”

Kai helped Wan Jianxing up and said, “So, the entire temple is my subordinate?”

“Of course, I founded the temple, so of course I am also the temple master’s subordinate.”

Wan Jianxing nodded!

Kai almost fainted when he heard this and couldn’t help but sigh: “Ah…”

“Palace Master, I wonder why you are sighing?” Wan Jianxing asked!

He didn't know that Kai had a conflict with the temple, and several temple masters had been killed by Kai.

Now it seems that Kai killed all his own men.

"Don't call me Palace Master, just call me Kai. I'm just sighing that things are unpredictable. I didn't expect that the Temple would become my power."

Kai said helplessly.

Wan Jianxing said excitedly.

Kai knew that Wan Jianxing must have received help from his father and became a member of the Tianlong Palace.

"Please take me away from here first. I need to get to the Eighth Heaven as soon as possible. The temple may be in danger now."

Kai urged Wan Jianxing to send him away!

"Mr. Chen, with your current strength, it is very dangerous to go to the Eighth Heaven. I can give you the inheritance to help you quickly improve your strength."

Wan Jianxing said!

When Kai heard about this good news, he nodded and said, “Then don’t wait, just pass it on to me!”

The Third Hall Master’s eyes flickered as he quickly calculated in his mind. He suddenly lowered his voice and said anxiously to Prince Wu and the Great Elder, “You two, if we retreat today, I will surely die, but you may not get any good results either.

I promise you that if you can help me survive this catastrophe, my temple will provide whatever resources the Evil Path Temple needs in the future. I will also provide you with the many secret treasures in the God King Palace for you to choose from!”

Prince Wu and the Great Elder exchanged a glance, both showing excitement.

The Great Elder narrowed his eyes and after weighing the pros and cons, he felt that the benefits were really tempting. If he retreated at this point, not only would he not get any benefits, he might also be punished by the Palace Master. What’s more, now that the Evil Palace has become an enemy of the Temple of God, there is no need to be afraid.

“Master Guardian, please quickly take action to destroy the Third Palace Master, lest he tarnish the reputation of our temple.”

Lingxi was so angry when she saw that the Third Palace Master actually said words of betraying the temple in public.

How could the secret treasures of the temple be picked casually by the Evil Temple?

“Shut up!” The man in golden armor glared at Ling Xi, then looked at Prince Wu and the Great Elder and said, “If you leave now, I will pretend nothing happened. As for how to punish the Third Palace Master, that is an internal matter of our temple. You, the Evil Dao Palace, don’t need to interfere.”

“What if we must protect the Third Palace Master?” the Great Elder said.

“Then die…”

The aura of the man in golden armor burst out again, and the terrifying pressure swept over everyone.

“Hmph, don’t go too far!” The Great Elder suddenly shouted, and his body was as fast as lightning, rushing towards the man in golden armor. He waved the magic wand in his hand, and a black magic light shot towards the man in golden armor like lightning.

The man in golden armor looked stern, and he held the sword in his hand horizontally to block the devilish light, but the powerful impact caused his body to shake slightly.

He didn’t expect the Great Elder to suddenly take action, and he thought to himself that something was wrong.

The Great Elder took advantage of the situation and continued to attack with a flash of his body. The black magic light from his wand fell like raindrops.

The man in golden armor fought hard to resist, swinging his long sword and creating waves of sword shadows that collided with the magic light, making bursts of roars.

However, as the battle continued, the man in golden armor gradually became overwhelmed.

His movements began to become slower, and the sword shadows were no longer as dense.

The Great Elder seized the opportunity and exerted his strength suddenly, sending a huge black devil's palm towards the man in golden armor.

The man in golden armor was unable to dodge and was hit by the devil's palm. His body flew backwards like a kite with a broken string and fell heavily to the ground.

He struggled to stand up, but found that he was seriously injured.

Everyone then realized that the guards of the God King Palace were weak inside.

Seeing this, the Great Elder felt relieved and a smug smile appeared on his face.

"Hahaha, I was wondering why you were always so arrogant but didn't dare to take action. Turns out you're a loser who can only scare people!"

The Great Elder laughed heartily.

Seeing this, Fourth Hall Master Lingxi became extremely anxious and quickly shouted to the man in golden armor, "Master Guardian, quickly call the other three guards over. With the four of us working together, this Great Elder of the Evil Hall will definitely be no match for him!"

But the man in golden armor remained silent. His expression was solemn as he slowly stood up and whispered, “Of the four guardians, only I am awake now.”

When these words were spoken, everyone was shocked.

A hint of ecstasy flashed in the eyes of the Third Palace Master, while Prince Wu and the Great Elder became even more unscrupulous.

The Great Elder sneered, “So you’re just a paper tiger. Today, I’ll make your Divine King Palace pay the price!”

With that, he charged at the golden-armored man again, ready to defeat him in one fell swoop. [Read more:]

“stop……”

Accompanied by the sound of a sword, a figure flashed out from the void.

When the figure approached, everyone realized that it was Kai.

“Kai?”

When Lingxi saw Kai, she was immediately surprised. She knew that Kai was trapped in the void passage by the Third Hall Lord using the forbidden technique of the gods.

If you are trapped inside, there is a high probability that you will not be able to get out alive.

But now, Kai actually appeared alive.

When the Third Palace Master saw Kai, his face was filled with disbelief.

“How…how did you leave the void passage?”

The Third Palace Master asked in surprise.

“Third Palace Master, who is this person?” asked Prince Wu.

“He is Kai, the one who ruined our plans and killed your Elder Xue Wuying.”

The Third Palace Master said.

“Oh, is this the boy?” Prince Wu’s eyes narrowed, his gaze full of murderous intent!

However, Kai ignored them and looked at Ling Xi and asked, “Fourth Palace Master, are you okay?”

“I’m fine?” Ling Xi shook her head and asked in surprise, “How did you get out of the void passage?”

Kai did not answer, but smiled slightly: “I will explain to you after I deal with the current situation!”

After saying this, Kai looked at the Third Palace Master, his eyes cold and cold as he said, “As the Third Palace Master of the Divine Temple, you colluded with the Evil Dao Palace and tarnished the reputation of the Divine Temple. Do you know your crime?”

The Third Hall Master was stunned for a moment, then sneered, “Kai, who do you think you are? Do you think you have the right to question our temple’s affairs? Do you want to die?”

“Since you refuse to repent, I can only sentence you to death according to the temple’s rules.”

Kai said calmly.

“Hahaha, did you get scared silly in the void passage? How dare you talk to me like that?”

The Third Palace Master burst into laughter.

Even the Fourth Palace Lord Ling Xi is no match for him, and Kai, a guy who hasn't even reached the human fairyland, dares to say that he can kill him.

Prince Wu narrowed his eyes and said, "Damn it! I actually ran into someone who's even more boastful than me..."

In his opinion, Kai has just reached the peak of the Earthly Immortal Realm and has not even reached the Human Immortal Realm.

He dares to say such arrogant words, which is really an exaggeration.

However, at this moment, only the Fourth Palace Master Lingxi knew that Kai's strength was growing at a speed she had never heard of.

In a short period of time, Kai raised his strength to the peak of the Earth Immortal Realm, which was faster than a rocket.

Ling Xi knew that she might not even be Kai's match now.

"Stop talking nonsense, or are you two going to come together?"

Kai just glanced at Prince Wu and said.

That Prince Wu couldn't even beat Ling Xi, so he was not even worthy of Kai's attention.

"Fuck, what are you so awesome about..."

Prince Wu was enraged by Kai's contemptuous attitude and was about to take action, but was stopped by the Third Palace Master.

"Prince Wu, leave this pretentious guy to me!"

After the Third Palace Master finished speaking, he looked at Kai relentlessly and said, "Come on..."

Chapter 5576

Chapter 5576 You are too crazy

Although he didn't know how Kai got out of the void passage alive, with Kai's strength at the Earthly Immortal Realm, he could still kill him even with one hand behind his back.

Kai smiled faintly, spread out his palms gently, and a sword of intent slowly condensed in his hands. The next moment, Kai's figure disappeared.

To deal with the Third Palace Master, Kai didn't even use the Dragon Slaying Sword, but instead condensed a sword with the sword intent in his body.

Seeing this scene, the Third Palace Master frowned, a hint of shock flashed in his eyes, and the disdain on his face disappeared in an instant, becoming solemn.

Being able to condense a sword with sword intent in an instant, is this kind of strength something that can be achieved by the Earthly Immortal Realm?

The Third Hall Master took a step forward, raised his right hand, and then pressed it hard. A powerful aura surged from his palm.

Swish!

A sword light appeared and headed straight for the Third Palace Master.

However, soon, the sword light was suppressed by the domineering aura of the Third Palace Master and stopped instantly.

Kai shook it lightly, and the sword in his hand instantly burst out with a terrifying sword intent.

boom!

With a loud bang, the Third Palace Master was shocked and retreated repeatedly. He retreated a hundred feet before he could stabilize his body.

Wow!

Seeing this scene, everyone was shocked, even Lingxi's eyes flashed with horror. She didn't expect that Kai's strength growth was faster than she imagined.

Prince Wu's face was also extremely grim at this moment. His previous contempt for Kai was like a slap in the face, making him blush.

He knew that he had no ability to force the Third Palace Master to retreat with one move.

The Third Palace Master stopped and looked at Kai. His expression was extremely ugly, as if he had eaten shit. After all, it was too embarrassing to be forced back by Kai in front of so many people.

However, he was more shocked in his heart, because he knew Kai. Although Kai could fight against opponents of higher levels, it was not so easy for him to defeat the Fifth Palace Master at that time.

How long has it been since then, and it has become so terrifying?

It's simply too evil.

At this moment, the Fifth Palace Master, who was in the crowd, trembled slightly after seeing this scene. Without any hesitation, he turned around and left, disappearing directly into the void.

Although the Fifth Palace Master came with the Third Palace Master, he never stepped forward among the crowd.

The reason for this is that he made preparations for both scenarios.

If the Third Palace Master wins, he can call the shots in the temple.

The Third Palace Master was defeated, but as long as he didn't show up and openly support the Third Palace Master, he could still stay in the temple.

Now seeing Kai forcing the Third Palace Master to retreat with one move, the Fifth Palace Master fled without any hesitation.

The Fifth Palace Master left very secretly, and the disciples of the Third Palace, including the Third Palace Master, did not notice him.

However, the Great Elder saw him. Looking at the fleeing Fifth Palace Master, the Great Elder raised the corner of his mouth slightly with a sneer on his face: "You were scared away by a mere Kai. Have you forgotten my existence?"

Although Kai forced the Third Palace Master to retreat with one move, the Great Elder was not worried.

No matter how strong Kai is, he is just a small cultivator in the Earthly Immortal Realm and is not a cause for concern.

At this moment, Kai, after forcing the Third Palace Master to retreat with one move, did not show much joy. Instead, his eyes narrowed slightly: "I actually couldn't kill you with one sword. It seems I still need to practice..."

During this period, Kai fought with the Fire Meteor in the void channel, and finally inherited the legacy of the Ten Thousand Swords Star, which allowed his realm to improve rapidly.

In Kai's opinion, with his strength, he could kill the Third Palace Master with one sword, but he was only repelled, which made Kai a little unhappy.

"Fuck, you're too crazy..."

The Third Palace Master was almost driven mad by Kai's words.

A cultivator in the Earthly Immortal Realm wanted to kill him with a sword, which was simply an insult to him.

However, before the Third Palace Master could make any move, a sword suddenly appeared out of thin air and flew towards him.

The sword appeared out of thin air without any sign.

Now, wherever Kai's sword intent goes, it can instantly condense into a sharp sword.

Chapter 5577 You're Dismissed

Upon seeing this, the Third Palace Master was startled and instinctively pushed his arms forward, assuming a defensive stance.

boom!

As the sword slashed down, the Third Palace Master was once again forced to retreat.

This time, the Third Palace Master retreated several hundred feet before stopping. Although he was not injured, his arms ached slightly and trembled constantly.

"With such limited skills, you dare to be the Third Temple Master? Today, I will remove you from your position as the Third Temple Master."

Kai sneered.

"Who do you think you are, trying to remove me from my position as the Third Palace Master?"

The Third Palace Master roared, his aura surging around him.

Kai smiled coldly, his body vanished instantly, and then a series of sword cries echoed in the void. Countless powerful sword intents caused the void to twist and tear.

The Third Palace Master gritted his teeth, a fierce glint flashing in his eyes. He then leaped up and disappeared from his spot, followed by a punch aimed at Kai.

No matter what, he cannot afford to lose to Kai today.

Keep in mind that Prince Wu and the Grand Elder are watching. If I lose, the Evil Path Hall might have to reconsider the cooperation.

If they can't even handle a minor cultivator at the Earth Immortal Realm, then the Third Palace Master will likely have no say in front of his subordinates in the future.

boom!

The sword intent and the fist wind collided fiercely, shattering the entire void. Terrifying forces surged outwards like waves.

Everyone hurriedly circulated their spiritual power to defend themselves, while Kai and the Third Palace Master were already engaged in a fierce battle.

The two fought fiercely, and the entire void began to burn.

The disciples of the Three Halls grew increasingly grim. If even the Three Hall Master couldn't handle Kai, then there was even less chance for them.

It seems that Kai is only at the Earth Immortal Realm, so how could he have such strength?

Everyone was filled with questions!

When the Fourth Palace Master Lingxi saw this scene, a smile appeared on her face, and her gaze towards Kai softened considerably.

Kai's strength has increased too quickly, so quickly that it's baffling!

boom!

At that moment, a loud bang was heard, and Kai and the Third Palace Master separated, but immediately collided again.

Kai continuously unleashed dazzling sword light with the sword in his hand.

The Third Palace Master dodged repeatedly, not daring to take Kai's sword head-on.

Kai became more and more excited as the fight progressed, feeling his sword intent becoming increasingly pure and sharp in the intense exchange.

Every clash with the Third Palace Master was like sculpting a peerless work of art, and his sword intent was the most exquisite carving knife.

The sword in his hand gleamed with a cold, eerie light. The sword intent flowing across its blade seemed to have a life of its own, drawing dazzling yet deadly trajectories in the void with each swing.

Kai's figure was like a ghost, constantly flashing and changing in the void, sometimes appearing to the left of the Third Palace Master, and unleashing a sharp horizontal slash.

At other times, it would appear on the right side, thrusting out a tricky straight stab.

The Third Palace Master grew increasingly alarmed as the fight progressed. He had initially thought that Kai was merely a minor cultivator at the Earth Immortal Realm, and even if he possessed some skills, he could not possibly contend with him.

However, reality slapped him hard in the face. Kai's sword intent seemed inexhaustible, each strike containing immense power, and the angles were extremely tricky, making it impossible for him to defend against.

"How could this kid possibly have such strength?"

The Third Palace Master was secretly horrified. His forehead was covered in sweat, which slid down his cheeks and soaked his clothes.

His breathing became rapid, and he felt somewhat powerless with each punch.

Looking at Kai's relaxed expression, he felt a sense of powerlessness welling up inside him.

Those present were also shocked by the fierce battle.

Chapter 5578

Chapter 5578 Nothing special

Lingxi's eyes widened, filled with surprise and admiration. She had originally thought that although Kai's strength had increased rapidly, he was still somewhat inferior to a master like the Third Palace Master.

However, it now seems that Kai has the ability to fight the Third Palace Master, and even shows a tendency to suppress him.

"Kai, you're amazing!"

Lingxi couldn't help but call out softly, her hands clenched tightly, her nails turning white from the force.

She was thrilled by Kai's outstanding performance, and her feelings for him grew stronger.

The Crown Prince and the First Elder had grim expressions. They had originally thought that the Third Palace Master could easily deal with Kai and then join them in fighting the guardians of the Divine King's Palace.

However, the fact that the three palace masters are now being defeated by Kai is quite unexpected and unsettling to them.

"What opportunity did Kai receive that allowed his strength to improve so rapidly?"

The elder squinted, pondering to himself.

Looking at Kai's powerful sword intent, a surge of greed welled up in his heart. If he could obtain such an opportunity as Kai, his strength would surely reach a new level.

Prince Wu gritted his teeth, his eyes filled with anger and resentment.

As the heir of the Evil Path Palace, he had always been high and mighty, and had never seen such a humiliating scene before.

He looked at Kai, secretly vowing that he would kill Kai with his own hands when the opportunity arose, to vent his hatred.

The Third Palace Master's subordinates were even more terrified.

They originally thought that following the Third Palace Master to the Divine King's Palace was a sure-win deal, and that they would reap many benefits.

However, seeing the Third Palace Master being beaten so badly by Kai, they began to worry about their own fate.

"Kai is too powerful. Will we suffer the same fate?" one of the Third Palace's subordinates whispered, his voice filled with fear.

"Yeah, I knew I shouldn't have come with the Third Palace Master. Now we can't even leave if we want to," another subordinate chimed in.

The battle continued, and Kai's offensive grew increasingly fierce.

He suddenly accelerated and rushed in front of the Third Palace Master, raising his sword high and then slashing down fiercely.

A massive sword shadow flew out from the sword of intent, slashing towards the Third Palace Master with a world-destroying aura.

The Third Palace Master was startled. He quickly retreated while simultaneously forming hand seals, creating a protective shield in front of him.

However, Kai's sword strike was too powerful. The sword shadow collided with the protective shield, producing a loud bang. The protective shield shattered instantly, and the sword shadow continued to slash towards the Third Palace Master.

The Third Palace Master couldn't dodge in time and was grazed on the shoulder by the sword's shadow. A deep wound appeared on his shoulder, and blood gushed out. The Third Palace Master cried out in pain and swayed.

"Hmph, nothing special."

Kai sneered. He didn't give the Third Palace Master a chance to catch his breath. He flashed and reappeared behind the Third Palace Master, thrusting his sword toward the Third Palace Master's back.

Sensing the danger behind him, the Third Palace Master quickly lunged forward, dodging the stab.

However, Kai's sword intent clung to him like a leech.

Kai flicked his wrist, and his sword swept out horizontally, aiming for the Third Palace Master's legs.

The Third Palace Master pushed off with both legs and leaped upwards, dodging the sweeping attack.

However, Kai's sword intent left a shallow wound on his calf.

"hateful!"

The Third Palace Master roared, knowing he could no longer remain passive.

He took a deep breath, and his spiritual energy began to circulate wildly within him, causing a faint golden light to appear around his body.

"Kai, don't think you can beat me!"

The Third Palace Master roared and charged towards Kai, his fist flashing with golden light as he smashed it down with tremendous force.

Chapter 5579

Chapter 5579 The Big Bowl

Kai showed no fear. He flicked his sword, and streams of sword intent flew forth, forming a vortex that rushed towards the Third Palace Master.

The force of the fist collided with the vortex of sword intent, producing a violent explosion.

A powerful force shot out in all directions, sending stones flying and distorting the air in the void.

Both Kai and the Third Palace Master were forced to retreat by this powerful force.

However, Kai only took a few steps back before regaining his balance, while the Third Palace Master retreated dozens of steps, his face becoming even paler, and his wounds bleeding profusely from the exertion.

"The Third Palace Master is injured!" someone in the arena exclaimed.

“This Kai is simply too powerful; even the Third Palace Master is no match for him,” another person said.

Hearing the whispers around him, the Third Palace Master felt both ashamed and furious. Looking at Kai, completely unharmed, his jealousy and anger reached their peak.

“Kai, I will kill you today!” the Third Palace Master roared, charging at Kai once again. However, his movements had become noticeably slower, and his strength was not as great as before.

As he rushed toward Kai, the Third Palace Master suddenly reached into his robes and pulled out a large black bowl.

This bowl looked ordinary, but when it escaped from the Third Palace Master’s arms, a terrifying aura suddenly erupted from it.

It was an evil aura, and in an instant, Kai was blasted back hundreds of feet by it.

Upon seeing that the Third Palace Master possessed other magical treasures, the Fourth Palace Master, Lingxi, immediately frowned.

Prince Wu’s eyes narrowed slightly as he said, “Why did this guy take out the Soul-Snatching Bowl we gave him?”

“If he doesn’t hand it over, he’ll lose…” the elder said slowly.

Kai stopped and stared at the large bowl in the Third Palace Master’s hand, his brows furrowing slightly as he asked, “As the Third Palace Master of the Temple, how come you possess such an evil object?”

The Third Palace Master snorted coldly: “None of your business. You just wait to die.”

After saying that, the Third Palace Master threw it out, and it grew infinitely larger, enveloping Kai!

The terrifying aura enveloped Kai, leaving him no room to move.

Seeing this, everyone thought Kai was doomed.

Even Lingxi was worried for Kai.

Kai smiled slightly at the large bowl, “A beggar’s broken bowl, you think you can kill me?”

After saying that, the sword in Kai’s hand disappeared, and was replaced by the Dragon Slayer Sword.

Just now, Kai was only using his sword intent to fight against the Third Palace Master, and the Third Palace Master was already struggling to keep up.

Now that he had brought out his magic weapon, Kai immediately summoned the Dragon-Slaying Sword in response.

Whoosh!

The Dragon-Slaying Sword slashed down with a single strike.

Splash…

The enormous bowl was instantly shattered by Kai’s sword.

From within the shattered bowl, mournful cries rang out, and countless souls began to scatter and flee.

“Don’t let these souls escape…”

Upon seeing this, Prince Wu shouted loudly!

The elder waved his hand, and a cloth bag suddenly appeared. The huge suction force sucked all the souls that had escaped from the bowl into the bag.

Kai watched without stopping them. He didn't know whose spirits these were, so there was no need for him to risk his life to save someone else's spirit.

After all, the First Elder's strength seemed to be much greater than that of the Third Palace Master.

When the Third Palace Master saw that his large bowl had been destroyed, he was immediately enraged. This was a magical artifact given to him by the Evil Path Palace in cooperation with him.

Moreover, this magic weapon can also collect souls, and the Third Palace Master can use these souls to exchange for immortal stones with the Evil Path Palace.

"Stop fucking watching, all of you attack together and kill him..."

The Third Palace Master knew that he was no match for Kai in a one-on-one fight, so he commanded the people of the Third Palace to fight Kai together.

Chapter 5580

Chapter 5580 Not Enough Manpower

Upon hearing this, the disciples of the Three Halls had no choice but to steel themselves and soar into the sky. (The rest of the text appears to be a fragmented collection of characters and phrases, possibly from different sources. A direct translation isn't meaningful without further context.)

"Divine Guards of the Divine King's Palace, heed my command! Charge!"

Upon seeing this, the Fourth Palace Master Lingxi immediately led the Divine Guards of the Divine King Palace into the sky and arrived at Kai's side.

She couldn't possibly watch the people from the Three Palaces gang up on Kai.

Neither Prince Wu nor the Grand Elder moved. At this moment, the Grand Elder was staring intently at the Dragon-Slaying Sword in Kai's hand.

He knew this must be a precious sword; it was unbelievable that it could so easily shatter the Soul-Snatching Bowl of the Evil Path Hall!

In that instant, the Grand Elder had the idea of taking the Dragon-Slaying Sword for himself.

It's important to know that the Soul-Snatching Bowl is a renowned magical artifact even within the Evil Path Hall. They wouldn't have given him something so valuable if it weren't for trying to secure cooperation with the Third Hall Master.

However, the famous magic weapon of the Evil Path Hall was shattered by Kai like glass, which shows how terrifying Kai's Dragon Slayer Sword was.

"Third Palace Master, you don't have enough men to fight against the Divine King Palace..."

Lingxi took a step forward with the divine guards of the Divine King Palace, and a terrifying aura swept over them!

The people under the Third Palace Master are certainly not as powerful as the Divine Guards of the Divine King Palace, which is why he sought help from the Evil Path Palace.

boom!

Lingxi and her guards unleashed their combined auras, a terrifying force that sent the Third Palace Master's subordinates retreating over a hundred feet.

Before a single move has even been made, the difference in skill is already obvious!

“Prince Wu, Grand Elder…”

Seeing this, the Third Palace Master called out to the Crown Prince and the First Elder.

With a light leap, the elder instantly soared into the air. With a mere wave of his hand, Kai was sent flying. Kai had no chance against the elder.

Although he could defeat the three palace masters, Kai was still somewhat lacking in strength against the Great Elder of the Evil Path Palace!

“Kai, are you alright?” Ling Xi asked with concern upon seeing his condition.

“I’m fine, let’s protect the Divine King’s Palace first!”

Kai said!

Lingxi nodded, then took out a token in her hand, crushed it, and a dazzling golden light exploded in the void!

As golden light exploded, thousands of cultivators poured out of the God King’s Palace, including divine guards and some ordinary temple cultivators.

At the same time, streams of energy also surged in from other places around the Divine King Palace.

Clearly, this was the reinforcements Lingxi had brought.

Seeing this, the Third Palace Master’s face turned extremely ugly. He did not expect that Ling Xi would directly crush the summons, causing all

the temple cultivators in the Eighth Heaven to come and protect the Divine King Palace.

The Third Palace Master was somewhat bewildered, as were the cultivators of the Third Palace.

They were originally from the same lineage, but now they are going to kill each other.

But the other side had far too many people, many times their number.

Upon seeing these people who had suddenly appeared, the Grand Elder frowned slightly, but quickly sneered. It was good that the people from the God King Palace had come; it would be perfect to wipe them all out.

“Elder, what should we do?”

The Third Palace Master was completely at a loss and could only rely on the Evil Path Palace.

In terms of strength, he couldn’t beat Kai; in terms of numbers, he couldn’t defeat the Divine King Palace either.

“If they can call for help, why can’t we?”

After the Grand Elder finished speaking, he glanced at Prince Wu.

Prince Wu nodded knowingly, then drew a circle in the air.

The circle slowly solidified, and in the center was a spirit crystal that shimmered with light!

Kai knew that this was a teleportation array, and the other party had started calling for reinforcements.

Soon, terrifying auras emanated from the circle.

“Elder, do you also have a branch hall in the Eighth Heaven?”

The Third Palace Master thought that Prince Wu had started gathering people from the branch palace of the Evil Path Palace.
