Chapter 5601

Chapter 5601 Valid

Kai gave his opponent no chance to breathe or use his methods again.

The moment the shadow materialized, he used a mysterious footwork technique, his figure disappearing from the spot as if by teleportation, and the next instant he appeared directly in front of the shadow.

The Dragon Slayer Sword, with its unstoppable momentum, slashed straight down!

This sword strike, seemingly simple, embodied all the power Kai could muster at that moment. Wherever the sword passed, a thin but long-lasting black line was ripped through the space.

Faced with this earth-shattering sword strike, the dark figure seemed to sense the threat.

Instead of taking the hit head-on, it emitted a low, hoarse, inhuman whistle and shoved forward violently.

In an instant, the space in front of it rippled violently like water, forming a constantly rotating shield made of pure dark energy.

Boom!!!

The Dragon Slayer Sword slammed into the dark shield, unleashing a deafening roar.

The terrifying energy shockwave spread out in a ring, pushing the already shattered fragments of spacetime even further away, clearing out a relatively “clean” but extremely unstable battle zone.

The dark shield trembled violently, and spiderweb-like cracks appeared on its surface, but it did not shatter immediately and barely withstood Kai’s full-force sword strike.

Kai’s pupils contracted slightly; the shadowy figure’s defensive capabilities exceeded his expectations.

But his combat experience was so rich that if one attack failed, he would immediately change his tactics.

Using the recoil, he drifted back half a step, flipped his wrist, and turned the Dragon Slayer Sword from slashing to thrusting. The tip of the sword vibrated wildly at an extremely high frequency, instantly unleashing hundreds and thousands of sword strikes, which landed on the same spot like a storm—the center of that dark shield on the verge of collapse.

“Puff puff puff puff…!”

The dense piercing sounds blended together, and the dark shield finally could not withstand such concentrated and violent attacks, exploding into countless black specks of light.

The sword energy pierced through the shield, its momentum undiminished, and shot straight towards the shadowy figure.

The shadowy figure seemed to have not expected Kai’s attacks to be so continuous and penetrating. In its haste, its twisted body contorted rapidly backward in a way that defied the laws of physics, trying to avoid the direct hit of the sword energy.

At the same time, the dark aura around it surged violently, like boiling ink, and quickly laid out layer after layer of shadow barriers in front of it.

“Sizzle! Sizzle! Sizzle!”

The sharp sword energy pierced through several layers of shadow barriers in succession. Although its power was weakened with each layer, the last few swords still successfully struck the body of the shadowy figure.

There was no splatter of blood, nor the sound of something being pierced. The part of the shadow that was struck by the sword energy simply rippled like smoke and became slightly thinner.

It quickly condensed again, but the two points of scarlet light were noticeably dimmer and flickering, revealing that they were not completely unharmed.

“efficient!”

Kai felt reassured; this dark figure was not invincible. He pressed his advantage, leaping forward once more, his Dragon-Slaying Sword swirling like a roaring golden dragon, unleashing the finest sword techniques he had ever learned.

At times, his swordplay was powerful and sweeping, capable of splitting Mount Hua in two;

Sometimes the sword moves with lightness and agility, unpredictable and cunning;

At other times, it transforms into a sky full of sword shadows, making it impossible for people to distinguish between reality and illusion.

The dark figure appeared somewhat overwhelmed by Kai’s relentless and storm-like attacks.

It seems to be extremely adept at concealing itself and manipulating time and space to trap and ambush enemies, but it cannot gain much advantage in such a head-on, intense battle.

It constantly flickers and shifts in space and time, sometimes blending into the shadows, sometimes launching a surprise attack from another

angle, wielding dark blades capable of cutting through space, or condensing shadow spears that can corrode immortal essence, in an attempt to reverse its disadvantage.

Chapter 5602

Chapter 5602 He Ran Away

However, Kai's divine sense had already spread out, and although it was significantly suppressed in this chaotic spacetime, it still firmly locked onto the unique energy fluctuations of the black shadow.

No matter how the shadowy figure shifted its position, Kai's Dragon-Slaying Sword always appeared in its path of attack or defense in time.

Sword light and dark energy collided and annihilated each other, bursting out brilliant yet dangerous energy fireworks that adorned this desolate starry battlefield with bizarre and dazzling light.

The battle reached a stalemate, but Kai could sense that the opponent's aura was slowly but steadily weakening.

Although he himself had expended a great deal of spiritual energy, his foundation as a Human Immortal supported him, and his fighting spirit grew even stronger.

He let out a long roar that shook the starry sky. The light on the Dragon Slayer Sword surged once more, and a huge golden sword aura spanning hundreds of feet condensed, carrying the supreme will to annihilate stars and break through all laws. It slashed fiercely down towards the area where the shadow was hiding!

This sword strike nearly drained Kai of almost 30% of his spiritual power, making it arguably the most powerful work he had ever done since advancing to the second rank of Human Immortal!

Before the sword energy even arrived, the terrifying sword pressure had already completely frozen the spacetime in that area, leaving the black shadow nowhere to hide!

The shadowy figure sensed a deadly threat, and its two crimson lights flickered violently, emitting a sharp, piercing screech.

It no longer tried to defend or dodge, but instead frantically compressed all the dark energy around it, condensing it into a dark sphere the size of a fist in front of it, which emitted a terrifying destructive aura, and then slammed it into the huge golden sword energy!

This is a decisive, all-out collision!

“boom–!!!!!”

An indescribable roar erupted. Golden and black energies intertwined, eroded, and exploded wildly, forming an ever-expanding sphere of energy that completely engulfed Kai and the shadowy figure.

The intense light eclipsed the surrounding stars, and the violent energy turbulence vaporized some small meteorite belts nearby.

After unleashing that sword strike, Kai immediately channeled his remaining spiritual energy to protect his entire body, while simultaneously projecting the phantom of the Demon Suppression Tower behind him to resist the terrifying energy impact.

He was thrown backwards for thousands of meters by the shockwave before he could barely regain his balance. His blood surged, his face turned slightly pale, and he stared intently at the center of the explosion.

It is unknown how much time passed before the destructive energy light gradually dissipated.

The spot where the shadowy figure once stood was now empty, leaving only a more fragmented and unstable spacetime, and some slowly dissipating and eventually disappearing black energy embers.

The dark figure was ultimately forced back by his all-out sword strike, or rather, the core that contained most of its power was completely shattered and annihilated by this sword strike.

Kai hovered in the starry sky, breathing slightly, and the light on the Dragon Slayer Sword also dimmed considerably.

His brows were furrowed, and he felt little relief.

The shadowy figure appeared strangely and left abruptly, never revealing its true form or uttering a single word. Its purpose and origin remain shrouded in mystery.

“Who could have sent them? The Evil Path Hall? Or some other force I’ve unknowingly offended?”

Kai pondered to himself, feeling that the road ahead seemed to be filled with more unknowns and dangers.

He dared not linger there, for no one knew whether the shadowy figure had accomplices or whether it would return.

After calming his turbulent blood and qi, Kai raised the Dragon-Slaying Sword again, chose a direction, and without hesitation tore through the relatively stable spacetime barrier in front of him. With a flash, he disappeared into the bizarre passage and continued his arduous journey towards the Eighth Heaven.

Only the lingering energy ripples behind them and the shattered star battlefield ravaged by the battle remained, silently recounting the brief yet incredibly dangerous encounter they had just witnessed.

Chapter 5603

Tearing through layers of space and time, Kai finally reached the Eighth Heaven.

Although it was slow and very strenuous, Kai also used it to train himself. Upon arriving at the God King's Palace, Lingxi saw Kai and immediately went to greet him. "Fourth Palace Master, what happened that requires you to come to the Fifth Heaven to find me?" Kai asked Ling Xi. "Mr. Chen, something may have happened to the God King." Lingxi said. "What? The God-King is in trouble? How did you know?" Kai frowned. "The God King took the First Palace Master and the Second Palace Master to the Ninth Heaven, but every three months, the God King would contact me using a communication jade slip." "But now, half a year has passed, and I still can't contact the God King." "Not only the God King, but also the First Palace Master and the Second Palace Master have disappeared without a trace." Lingxi said anxiously. Listening to Lingxi's words, Kai knew that the God King must have encountered something. "Don't worry, I'm going to the Ninth Heaven anyway, I can go and see what's going on with the God King." "I've gone to the Ninth Heaven, how do I contact the God King?" Kai asked. "I only communicate with the God King through a jade slip. I don't know where the God King and the others are in the Nine Heavens. They didn't tell me." Lingxi said. Upon hearing this, Kai was immediately in a dilemma. If he didn't know where the God King was, how could he find him? Moreover, the Nine Heavens Realm is vast; finding someone there would be harder than finding a needle in a haystack. "By the way, I have a Spirit-Seeking Token left by the God-King. With this token, as long as you get within a thousand miles of the God-King, the Spirit-Seeking Token will react." As Lingxi spoke, she took out a token that was slightly larger than her thumb. Kai took the Search Token and said, "I'll go to the Ninth Heaven now. Keep an eye on the Divine King Palace." Regardless of whether he can find the God King, Kai has to go to the Nine Heavens. Now that the God Temple is under his control, Kai can't just ignore it. At the same time, having followed the Crimson Cloud Demon Lord for so long, and having gone to the Nine Heavens, it would be best if I could help the Crimson Cloud Demon Lord restore his physical body. "Mr. Chen, the Nine Heavens are fraught with danger, please take care." Lingxi looked at Kai with concern. Sensing Lingxi's worried expression, Kai suddenly remembered what Lingxue had told him. "Fourth Palace Master, are you interested in me?" Kai asked very bluntly. Lingxi was taken aback, and then her face turned slightly red. Kai, whom she used to disregard, has now stirred her heart. "Mr. Chen, if you can bring the God King back to the Eighth Heaven, I am willing to cultivate with you and let

Mr. Chen enjoy happiness.” Lingxi’s voice was as soft as a mosquito’s buzz, but Kai heard every single word. “Then you’d better be prepared!” After Kai finished speaking, he swung his Dragon-Slaying Sword, instantly tearing the void apart. Seeing that Kai was not going to the Ninth Heaven through the void passage, but instead forcibly tore through space and time to go there, Lingxi immediately became worried. “Kai, are you out of your mind? Going to the Ninth Heaven and you actually dare to forcibly tear apart space and time?” The Crimson Cloud Demon Lord was shocked to see that Kai was not going to the Ninth Heaven through the void passage. “Senior, although this is a bit slow, consider it as cultivation.” Kai grinned. “Sigh, you’re a real prodigy.” The Crimson Cloud Demon Lord sighed, then continued, “Since you’re going to the Nine Heavens and coming to my territory, I should give you a little something to show my appreciation.” “A greeting gift? What greeting gift?” Kai was taken aback. He didn’t know what kind of greeting gift the Crimson Cloud Demon Lord, who had long since become a wisp of a soul, could possibly give him. The Crimson Cloud Demon Lord did not speak, but sat quietly in Kai’s sea of consciousness. Soon Kai noticed that a point of light was slowly appearing in the space-time in front of him. As the light spot grew larger, a scroll of golden runes was revealed inside.

Chapter 5604

“I will now tell you the incantation. You only need to recite the incantation, and someone will come to see you and take you to the Ninth Heaven.”

“That’s what the Crimson Cloud Demon Lord said.” “Who is it?” Kai asked curiously. “Of course, he’s my former underling. Given my current situation, I can’t activate this scroll of runes anymore, so you’re the only one who can operate it.” After finishing speaking, the Crimson Cloud Demon Lord told Kai the incantation. Kai tried reciting the incantation, and the golden runes in the light spot seemed to ignite, emitting a wisp of green smoke. As the blue smoke dissipated, a huge vortex appeared in the place where the smoke had dissipated. Within that vortex, a figure slowly emerged. The figure was startled when he saw Kai. “Who are you? How do you have a gold certificate from our Yama Heavenly Sect?” The figure looked puzzled. “My name is Kai. I need your help now. You won’t

break your oath, will you?" Kai asked the figure. "Of course not. My Yama Heavenly Sect is the most trustworthy. Since you have our golden scroll, I will immediately send someone to pick you up and take you to the Ninth Heaven." "But with your strength, what would you do going to the Ninth Heaven?" The figure was puzzled as to why Kai, a mere second-grade Immortal Realm cultivator, would go to the Ninth Heaven. You should know that even the worst cultivators in the Ninth Heaven are at least at the eighth rank of the Human Immortal Realm. "I have some grudges against the Evil Path Hall, so I went to the Nine Heavens to cause them trouble." Kai told the truth. "The Hall of Evil?" The figure's voice had clearly changed. Upon hearing the other party's voice, Kai frowned: "What? Is your Yama Heavenly Sect afraid of the Evil Path Hall?" "If you're afraid, then don't worry about me. I'll go to the Ninth Heaven myself." Kai was deliberately using reverse psychology. "My Yama Heavenly Sect has never been afraid of anyone. Wait here for a moment, and I will send someone over immediately." After the figure finished speaking, it slowly disappeared, along with the vortex. After the figure disappeared, Kai asked the Crimson Cloud Demon Lord, "Senior, are all the members of the Yama Heavenly Sect your underlings? I think the experts in the Yama Heavenly Sect are no less powerful than you, right?" "Hehe..." Crimson Cloud Demon Lord chuckled, "I only helped the Yama Heavenly Sect once, and they gave me a gold scroll. They're not my underlings. I was just bragging..." "You're about to be finished, and you still have the mood to brag." Kai was speechless for a moment. Just as Kai was waiting for the people from the Yanluo Heavenly Sect, the dark figure he had injured and driven away had already arrived in another dimension. Before him stood five people, the leader of whom was a middle-aged man with a long sword on his back. Behind the middle-aged man were four men dressed in black, all of whom had their faces covered with black cloths, making it impossible to see their features. "Your subordinate pays respects to His Holiness the Dharma King..." The dark figure instantly knelt down on the ground. "How's the matter going? The Grand Elder and a Celestial Venerable have both perished in the Eighth Heaven, and the Witch Prince is also dead. Do you know who's behind Kai?" "I asked in a cold voice," said the Dharma King. "I don't know, but when I saw Kai, he was all alone, without any helpers." "That's what the shadowy figure said." "How could he have killed the Grand Elder and the Heavenly Venerable without any help?" King Mu narrowed his eyes: "Did you fight him?" "They made their move, but I

was no match for them and was injured by Kai.” “The sword in Kai’s hand is no ordinary sword; I was injured by it,” the shadowy figure said. “waste!” King Mu snorted coldly and said, “It seems I will have to go and meet Kai myself.” “Lord Mu, even the Celestial Venerable perished at Kai’s hands. If Lord Mu were to…” “Shut up! Just because a Celestial Venerable can’t beat someone doesn’t mean I can’t either. If I hadn’t made a mistake, I would be a Celestial Venerable by now!” King Mu shouted, then disappeared instantly with his subordinates. As King Mufa left, the dark figure slowly revealed his face, a cold smile on his lips.

Chapter 5605

He had fought Kai before and was certain that Kai’s strength was insufficient to kill a Heavenly Venerable, let alone the Grand Elder.

This indicates that Kai must have a powerful backer. However, the identity and strength of the powerful figure behind Kai remain a mystery. However, one thing is certain: if King Mufa encounters the powerful figure behind Kai, he will only face certain death. What they need now is an investigation—an investigation into the people behind Kai. Instead of directly following Kai into conflict. But King Mu wouldn’t listen and insisted on causing trouble for Kai, so there was nothing he could do about it. After all, his position wasn’t as high as the Dharma King’s; he was just a gofer. … At this moment, Kai stood quietly in that somewhat desolate space-time, surrounded by deathly silence, with only the occasional breeze causing a slight ripple in the hem of his clothes. [￥D天~￠禧^]小°D说¯?|网]￥ ???Free (¨?)Reading^·° He gripped the Dragon-Slaying Sword tightly in his hand, his eyes scanning his surroundings warily, waiting for the people from the Yama Heavenly Sect to come and meet him. However, fate always seems to love to play tricks on us unexpectedly. Just as he was patiently waiting, a powerful aura swept over him like a whirlwind. Kai frowned, instantly becoming alert as he sensed intense hostility within the aura. The only ones who could be so hostile towards me are definitely from the Evil Path Hall. Soon, King Mufa, accompanied by four subordinates, appeared in his sight like ghosts. King Mufa stood tall and straight, the long sword behind him emitting a cold, eerie light, as if telling of its sharpness and

danger. The four men in black behind him were completely shrouded in black cloaks, with only their cold and sharp eyes showing, like hunters in the dark, ready to deliver a fatal blow to their enemies at any moment. “You’re Kai?” King Mufa spoke coldly, his voice like it came from an ice cellar, carrying a chilling aura. Kai’s heart tightened. He knew the newcomers meant no harm, but he showed no fear on his face. He stood tall and said, “That’s right. You people from the Evil Path Hall have caused me trouble time and time again. What do you want today?” King Mufa’s lips curled up slightly, revealing a mocking smile: “What do you want? Naturally, I’ll take your life to avenge the Grand Elder and the Heavenly Venerable!” With that, he swung his longsword, and a sharp sword aura shot towards Kai like lightning. Kai reacted extremely quickly. He swiftly dodged to the side, and the sword energy grazed his clothes, leaving a deep mark in the void behind him. Kai was secretly alarmed. This King Mu’s strength was indeed not to be underestimated. With just this one sword strike, he felt tremendous pressure. “Hmph, is that all you’ve got?” Kai snorted coldly, flicked his Dragon-Slaying Sword, and a golden sword light shot into the sky, launching a counterattack towards King Mu. Upon seeing this, King Mufa’s eyes flashed with disdain. He lightly blocked with his longsword, neutralizing Kai’s sword light. Immediately afterwards, he flashed and appeared in front of Kai like a ghost, his long sword carrying the force of thunder, stabbing towards Kai’s chest. Kai was startled. He hadn’t expected the Dharma King to be so fast; he had no time to dodge. At the critical moment, he hurriedly turned to the side, avoiding a fatal wound, but the longsword still cut a deep gash on his shoulder, and blood instantly stained his clothes. Blood trickled from the corner of Kai’s mouth, his brows furrowed, and a surge of anger welled up within him. He knew that there was a significant gap in strength between himself and King Mufa, but at this moment he had no way out and could only fight to the death. Just as King Mufa was about to attack Kai again, a black light streaked across the sky like a shooting star. Immediately afterwards, a woman dressed in black appeared before everyone with ten men in white. The woman had a graceful figure and a cold, beautiful face. Her long, black hair fluttered in the wind, making her look like an elf in the night sky. She held a long black whip in her hand, the whip gleaming with a cold light, as if it contained endless power.

Chapter 5606

Who are you?

Upon seeing the suddenly appearing woman in black and her entourage, King Mufa frowned and coldly asked... The woman in black glanced coldly at Mu Fawang and the others, and said coldly, “We are from the Yama Heavenly Sect. This man holds a golden voucher of our Yama Heavenly Sect and is under our sect’s protection. You must not harm him!” Upon hearing this, King Mufa revealed a mocking smile: “Yanluo Heavenly Sect? Hmph, I advise you to get lost and not disturb our Evil Path Hall’s work, otherwise, don’t blame us for being impolite!” The woman in black’s face darkened, a flash of anger appearing in her eyes: “So what if it’s the Evil Path Palace? My Yama Heavenly Sect is not to be trifled with!” “If you wish to harm this person today, you will first have to step over the corpses of our Yama Heavenly Sect!” Upon hearing this, King Mufa’s face turned extremely ugly. He hadn’t expected that the people of the Yama Heavenly Sect would be so ungrateful, daring to oppose his Evil Path Hall. “Since you’re courting death, don’t blame us!” With a loud shout, King Mufa swung his long sword, and the four men in black behind him instantly rushed towards the disciples of the Yama Heavenly Sect. A fierce battle ensued instantly. Although the disciples of the Yama Heavenly Sect were few in number, they were all elites. They were fearless and brandished their weapons, engaging in a fierce battle with the black-clad men of the Evil Path Hall. The woman in black was not to be outdone. With a flick of her long whip, she charged towards King Mufa like a black dragon. King Mufa sneered, lightly deflecting the whip with his longsword. “Is that all you’ve got?” “I am scoffing,” said the Dharma King, then his figure flashed, rushing towards the woman in black like lightning. The woman in black was startled; she hadn’t expected King Mu to be so fast. She quickly dodged to the side, and at the same time swung her long whip, aiming to wrap it around the Dharma King’s legs. King Mufa reacted extremely quickly. He lightly touched the ground with his toes and rose into the air, avoiding the attack of the long whip. Immediately afterwards, he swung his long sword, and a sharp sword aura shot towards the woman in black. The woman in black hurriedly swung her long whip, neutralizing the sword energy. But at this moment, four men in black from the Evil Path Hall rushed in front of the

disciples of the Yama Heavenly Sect and engaged them in close combat. In an instant, swords clashed and shouts of battle filled the air. Kai watched the fierce battle unfold before him, feeling extremely anxious. He knew that the people from the Yama Heavenly Sect were fighting the people from the Evil Path Hall to protect him, and he couldn't just stand by and watch them get into danger. "No, I can't just sit here and wait to die!" Kai gritted his teeth, enduring the pain in his shoulder, and brandished the Dragon Slayer Sword to join the battle. His arrival greatly boosted the morale of the disciples of the Yanluo Heavenly Sect. Together with Kai, they fought valiantly against the attacks of the Evil Path Temple. However, the people of the Evil Path Hall were indeed powerful, and as time went on, the disciples of the Yama Heavenly Sect gradually began to falter. "ah!" A disciple of the Yama Heavenly Sect was stabbed in the chest by a black-clad man from the Evil Path Hall. He screamed and fell to the ground. "No!" The woman in black was deeply saddened to see her comrade injured. She roared and swung her whip even more fiercely, attacking the black-clad men of the Evil Path Hall. But at this moment, King Mufa had already seen through the woman in black's weakness. He flashed forward, appearing behind the woman in black like a ghost, his long sword gleaming with a fierce aura as he thrust it toward her back. "careful!" Upon seeing this, Kai was greatly alarmed. He hurriedly brandished the Dragon-Slaying Sword and attacked Mu Fawang in an attempt to stop his attack. However, King Mufa was too fast, and Kai had no time to stop him. Just as the longsword was about to pierce the woman in black's back, she suddenly dodged, avoiding a fatal blow, but the sword still managed to leave a deep wound on her forearm. "Senior Sister!" A disciple of the Yama Heavenly Sect was very anxious when he saw the woman in black injured.

Chapter 5607

He brandished his weapon and attacked King Mufa, but King Mufa easily deflected his attack.

At this time, several disciples of the Yama Heavenly Sect had died one after another, and the remaining disciples were all seriously injured, making the situation extremely critical. "No, we'll all die if this continues!" The woman in black thought to herself, knowing she had to

come up with a way to turn the situation around. Just then, she suddenly thought of something. She hurriedly took out a black jade bottle from her bosom, opened the cap, and a pungent smell wafted out. “Everyone be careful, this is poisonous fog!” King Mufa was startled when he saw the jade bottle in the black-clad woman’s hand and hurriedly warned his subordinates. However, it was too late. The woman in black sprinkled the poisonous mist from the jade bottle towards the people of the Evil Path Hall. The mist instantly spread, enveloping them. “Cough cough…” The people of the Evil Path Temple coughed incessantly from the poisonous fog, and their vision became blurred. “Now’s the time, everyone attack!” The woman in black shouted and brandished her long whip, attacking the people from the Evil Path Hall. Upon hearing the black-clad woman’s shout, the disciples of the Yama Heavenly Sect and Kai hurriedly brandished their weapons and charged towards the people of the Evil Path Hall. Under the cover of the poisonous fog, they temporarily gained the upper hand. But King Mufa was powerful after all, and he quickly regained his footing. He swung his longsword, and a sharp sword aura dispelled the poisonous mist. Then, he flashed forward and attacked the woman in black. The woman in black was sent flying by King Mufa’s sword. Her face was extremely pale, and she wiped the blood from the corner of her mouth. They’ve used all their skills, but they’re no match for the Dharma King before them. Kai looked at the injured woman in black and was speechless. What exactly is going on with this Yama Heavenly Sect? They seem pretty powerful, but the people they sent to pick them up aren’t very capable. They outnumbered the enemy and still lost. “I’m sorry I couldn’t protect you.” The woman in black looked at Kai and said with some shame. “You guys go. These guys are after me. I’ll deal with them myself.” Kai told the people from the Yama Heavenly Sect to leave. After all, the people from the Evil Path Hall are targeting themselves and will not stop the people from the Yama Heavenly Sect. “We won’t leave unless we die. Our mission is to take you to the Ninth Heaven.” The woman in black shook her head. “Sigh!” Kai sighed, “Then let’s just wait to die together…” Seeing that Kai and the others had stopped struggling, King Mu coldly laughed and said, “Kai, if you call out the name of the powerful person behind you now, you might still live.” “I have no one backing me!” Kai shook his head. “Bullshit! You have no one backing you. How could you possibly kill our Evil Path Hall’s Grand Elder and Guardian Heavenly Venerable?” King Mufa simply did not believe that Kai had no one backing him. “Since you don’t believe me,

there's nothing I can do. You can kill me now." Kai even offered his neck out willingly. Seeing Kai's proactive approach, King Mu actually panicked a little. I involuntarily took two steps back. He had never seen anyone actively seek death. Could it be that this guy really has a powerful backer who isn't afraid of me killing him at all? The woman in black was also full of doubt and confusion when she saw Kai like this. Who would stick their neck out and let someone chop it off? Is this guy out of his mind? "Are you going to kill me or not? If not, I'm leaving," Kai asked. King Mufa gripped his sword tightly, yet dared not strike. "You coward, you don't dare kill me, so don't bother me anymore!" Kai mocked Mu Fawang with disdain! Kai dared to do this because he had come to terms with it. Since he was no match for that King Mu anyway, he might as well take a gamble rather than be beaten to death. He bet that Mr. Shi would step in when his life was in danger and would never let anything happen to him. If Mr. Shi hadn't shown up, I would have just killed him with a single sword strike. It would have been a quick and painless endeavor, much better than slowly beating him to death. "You guys go. These guys are after me. I'll deal with them myself." You have no one backing you. How could you possibly kill our Evil Path Hall’s Grand Elder and Guardian Heavenly Venerable?” King Mufa simply did not believe that Kai had no one backing him. “Since you don’t believe me, there’s nothing I can do. You can kill me now.” Kai even offered his neck out willingly. Seeing Kai’s proactive approach, King Mu actually panicked a little. I involuntarily took two steps back. He had never seen anyone actively seek death. Could it be that this guy really has a powerful backer who isn’t afraid of me killing him at all? The woman in black was also full of doubt and confusion when she saw Kai like this. Who would stick their neck out and let someone chop it off? Is this guy out of his mind? “Are you going to kill me or not? If not, I’m leaving,” Kai asked. King Mufa gripped the sword tightly in his hand, but dared not strike. “You coward, you don’t dare kill me, so don’t bother me anymore!” Kai mocked Mu Fawang with disdain! Kai dared to do this because he had come to terms with it. Since he was no match for that King Mu anyway, he might as well take a gamble rather than be beaten to death. He bet that Mr. Shi would step in when his life was in danger and would never let anything happen to him. If Mr. Shi hadn’t shown up, I would have just killed him with a single sword strike. It would have been a quick and painless endeavor, much better than slowly beating him to death. “You guys go. These guys are after me. I’ll deal with them myself.” Kai told the people from the Yama Heavenly Sect to leave. After all, the people from the Evil Path Hall are targeting themselves and will not stop the people from the Yama Heavenly Sect. “We won’t leave unless we die. Our mission is to take you to the Ninth Heaven.” The woman in black shook her head. “Sigh!” Kai sighed, “Then let’s just wait to die together…” Seeing that Kai and the others had stopped struggling, King Mu coldly laughed and said, “Kai, if you call out the name of the powerful person behind you now, you might still live.” “I have no one backing me!” Kai shook his head. “Bullshit! You have no one backing you. How could you possibly kill our Evil Path Hall’s Grand Elder and Guardian Heavenly Venerable?” King Mufa simply did not believe that Kai had no one

Chapter 5608

Chapter 5608 Beating Out of Shit

“Damn it, you dare to curse me?”

King Mufa was furious; his longsword was already drawn, but he dared not strike.

The more Kai acted this way, the less the Dharma King dared to make a move.

He really couldn't understand what Kai was up to.

Seeing that King Mufa was not making a move, Kai was also anxious. This stalemate was going to be very disadvantageous for him.

Suddenly, Kai seemed to remember something, and a smile appeared on his face.

Seeing Kai suddenly start grinning like an idiot, King Mu felt a chill run down his spine.

"Didn't you want to see the person behind me? I can make him come out now."

Kai said with a smile.

"Okay, let him come out..."

King Mufa gripped his longsword tightly, ready for battle.

He could underestimate Kai, but he dared not underestimate the person behind Kai. The person who could kill the Dharma Protector was definitely not weak.

"If I call him, he probably won't come out, but if you call him, he'll definitely come out."

Kai said.

"My name?" King Mufa was taken aback: "How should I be called?"

"Just shout, 'Mr. Shi, come out here!' or I'll beat the shit out of you!"

"Upon hearing this, the mastermind behind me will appear," Kai said.

Kai recalled that the Ninth Palace Master of the Temple lost his life because of this very sentence.

Now is the perfect time to let Dharma King Mufa test whether it works or not.

“Is the master behind you Mr. Shi?” King Mu asked!

“Good, you can call out now…” Kai nodded!

King Mu hesitated. He truly couldn’t understand Kai at this moment, wondering what this guy was up to.

One minute they’re telling me to kill him, the next they’re telling me to curse Mr. Shi…

“You don’t even dare to swear in the street, do you? Or are you just not good at it?” Kai deliberately looked at King Mu with a disdainful gaze.

“Of course I’ll swear.”

After finishing speaking, King Mu took a deep breath and then shouted, “Mr. Shi, come out here! I’m going to beat the shit out of you…”

The sound waves echoed throughout space and time, then pierced through layers of space and time, traveling into the distance!

Achoo…

In a distant time and space, Mr. Shi sneezed.

“What’s going on? Why is someone trying to beat me so badly I shit myself again?”

Mr. Shi frowned slightly, and his expression turned somewhat unpleasant.

With a gentle wave of his hand, Mr. Shi sent a beam of white light piercing through space and time, following the sound wave.

After shouting, King Mufa found that no one appeared, and there was not even a sound. He couldn't help but sneer, "Where is the master behind you?"

Kai looked around and found that there was indeed no movement at all.

"Could it be that Mr. Shi didn't hear it?" Kai said, frowning.

"You're talking nonsense. My voice traveled through at least several dimensions. If the expert behind you is nearby, how could you not hear it?"

"I think you're just..."

puff.....

Before the Dharma King could finish speaking, his mouth was still open, but his head had already flown into the air.

Blood gushed out, and the Dharma King's head fell off, his eyes still wide open, blinking incessantly.

The four subordinates brought by King Mufa were shocked to see this scene.

They didn't even see anyone or sense any presence, yet the head of the Dharma King was severed.

The four henchmen turned and ran without hesitation. Since their leader was dead, there was no need for them to fight anymore.

"Don't let them get away..."

The woman in black shouted and charged forward.

Immediately afterward, the white-robed cultivators he brought all attacked the four people from the Evil Path Hall.

Unsurprisingly, the four demoralized cultivators from the Evil Path Hall all met a tragic end at the hands of the Yama Heavenly Sect.

Kai waved his hand, and the storage bag of the Dharma King appeared in his hand.

The woman in black also collected the storage bags belonging to the Dharma King's subordinates.

The woman in black walked up to Kai, looked at the already dead King Mu, and asked with a face full of doubt, "Who killed him? Was it really that Mr. Shi?"

Chapter 5609

Chapter 5609 Ancient Clan

"have no idea……"

Kai shook his head.

In fact, Kai wasn't sure whether Mr. Shi had actually taken action.

Seeing that Kai was unwilling to speak, the woman said, "Come with me to the Ninth Heaven…"

The woman in black, along with the white-clad guards and Kai, headed towards the Ninth Heaven.

Just after Kai and the others left, the void trembled, and then a dark shadow appeared.

This dark figure was the one who had intercepted Kai the first time.

Upon seeing the tragically deceased King Mufa, the dark figure trembled slightly.

Fortunately, he didn't go with them, otherwise he wouldn't even know how he died.

"Report this..."

The dark figure uttered two words, then slowly vanished.

All he can do now is report it. As for who the higher-ups will send to deal with Kai, that's none of his business.

Anyway, he's no match for Kai now.

At this moment, Kai was following the woman in black to the Ninth Heaven.

"Young lady, how is your injury?" Kai asked kindly.

The woman in black glanced at Kai but didn't answer him. Instead, she asked, "How exactly did that Dharma King Mu die?"

"I really don't know..." Kai was speechless for a moment.

"Fine, don't tell me then!" The woman in black rolled her eyes.

"Don't believe me then!" Kai rolled his eyes.

Seeing Kai's expression, the woman in black burst out laughing: "You're really funny. Is the person behind you the Crimson Cloud Demon Lord?"

Kai was taken aback, and asked with a puzzled look, "Why would you ask that?"

"Because your golden scroll was given to the Crimson Cloud Demon Lord by our Yama Heavenly Sect back then, and our golden scrolls are all recorded."

“You don’t think we send out so many gold certificates without even knowing who they’re for, do you?”

The woman in black explained.

Upon hearing this, Kai laughed, but neither denied nor confirmed it.

Now that the Crimson Cloud Demon Lord is only a wisp of remnant soul, let alone dealing with the Dharma King Mu, he is no match for even the ordinary cultivators here.

“What’s your name?” Kai asked.

“My name is Guan Jun,” the woman in black said.

“Champion?” Kai was taken aback: “Your parents seem to have high expectations for you…”

The woman was taken aback for a moment, then laughed, “You’re so funny…”

Looking at Guan Jun’s smiling face, Kai couldn’t help but smile as well, and the atmosphere became much more relaxed.

He realized that this might be a good opportunity to learn about the Yama Heavenly Sect and even the entire Nine Heavens, so he put away his joking expression and asked seriously, “Miss Guan, could you tell me in detail about the history and current situation of the Yama Heavenly Sect?”

Seeing Kai’s serious attitude, Guan Jun also became serious and began to slowly recount: “Yanluo Heavenly Sect is one of the oldest sects in the Nine Heavens. Its roots can be traced back to ancient times. When heaven and earth were first created and all living things first appeared, the ancestors of Yanluo Heavenly Sect had already explored the path of cultivation in this vast and boundless world.”

Our sect takes it upon itself to control the cycle of life and death and maintain the balance of heaven and earth. Over countless years, we have gradually formed a unique cultivation system and a profound cultural heritage.

As Kai listened to Guan Jun's words, only one thought popped into his mind: this person was bragging.

What ancient times, what the beginning of heaven and earth, what maintaining the balance of heaven and earth...

This is so fake!

"Kid, the Yama Heavenly Sect is definitely one of the oldest sects in the Nine Heavens. What this girl said is true. It's just that the sect has declined and is not as powerful as it used to be."

"Otherwise, why would I introduce the Yama Heavenly Sect to you? After all, given our relationship, I would definitely help you."

The voice of the Crimson Cloud Demon Lord echoed in Kai's mind.

Upon hearing this, Kai thought to himself, "This Yanluo Heavenly Sect is so powerful, it seems I should make friends with them."

Even if the sect has declined now, it can still possess ancient treasures or cultivation techniques.

Chapter 5610

Chapter 5610 Praise

"Miss Guan, how come your Yama Heavenly Sect is so powerful? You must be the most powerful sect in the Nine Heavens, right?"

Kai showered Guan Jun with praise.

After hearing this, Guan Jun smiled and said, “We wouldn’t call ourselves the best, but we can still be ranked in the top three. If it were before, our Yanluo Heavenly Sect would really be the most awesome in the Nine Heavens.”

“Back then, our disciples from the Yama Heavenly Sect could roam freely in the Nine Heavens. Other sects would avoid us when they saw our disciples.”

Guan Jun looked smug, and the disciples of the Yanluo Heavenly Sect behind her also felt incredibly proud.

“That’s wonderful! With your Yama Heavenly Sect here, I have nothing to fear in the Nine Heavens!”

“What Soul Devourer, what Blazing Fire Demon Lord, what Evil Path Palace, I have nothing to fear anymore…”

Kai said with a smile.

When Guan Jun heard Kai’s words, he was suddenly stunned, and the pride on his face froze.

“What did you say? Soul Devourer? Blazing Fire Demon Lord?” Guan Jun frowned slightly. “Didn’t you only have a grudge against the Evil Path Hall? This Soul Devourer was a senior from the past, but he disappeared ten thousand years ago. And the Blazing Fire Demon Lord is an ancient legendary figure from the Nine Heavens. How do you know them?”

The Soul Devourer and the Blazing Fire Demon Lord are no longer figures in the current Nine Heavens. The Soul Devourer was suppressed for ten thousand years, while the Blazing Fire Demon Lord was a legendary figure in the Nine Heavens tens of thousands of years ago.

“I wouldn’t say I know them, but I have a minor grudge against these two,” Kai said.

“Impossible, you’re bragging. These two figures were big shots in the Nine Heavens before, but they disappeared ten thousand years ago. How could you possibly have a grudge against them?”

“Besides, with your strength, it’s impossible for you to have any grudges against these two people. They probably won’t even bother with you.”

Guan Jun didn’t believe that Kai, a mere second-grade Immortal Realm cultivator, would have any grudges against figures like the Soul Devourer and the Fire Demon Lord.

“Ignoring me?” Kai laughed: “That Soul Devourer almost died at my hands. He was suppressed in the Sixth Heaven for ten thousand years and is just a remnant soul. Although he has recovered his physical body, his strength has not been fully restored. It’s easy for me to destroy him.”

“If it weren’t for the sudden appearance of the Fire Demon Lord and his rescue of the Soul Devourer, the Soul Devourer would have been reduced to ashes long ago.”

Kai started bragging, completely omitting the appearance of Fire Spirit Star Lord.

Guan Jun looked Kai up and down, and she was now certain that Kai was just bragging.

“Have the Soul Devourer and the Fire Demon Lord already returned to the Ninth Heaven?” Guan Jun asked.

“It should be. I guess the Soul Devourer is recovering. I don’t know if the Fire Demon Lord is still in the Ninth Heaven.”

Kai knew that the Soul Devourer’s injuries would not heal in a short time; he had almost been killed by the Fire Spirit Star Lord.

They are definitely recovering their strength now. As for the Fire Demon Lord, these old guys had already left the Nine Heavens long ago.

Whether they will continue to stay in the Nine Heavens now, Kai doesn't know.

Upon hearing Kai's words, Guan Jun's expression turned extremely ugly, and he stopped in his tracks.

"Miss Guan, what's wrong? Why did you stop?"

Kai asked!

"I..." Guan Jun opened his mouth, but didn't know what to say.

"Your Yama Heavenly Sect isn't afraid of that Soul Devourer and the Fire Demon Lord, are you?" Kai pressed.

Guan Jun remained silent, but her expression revealed that she was genuinely afraid.

They can be unafraid of the Evil Path Hall and even challenge them, since the main force of the Evil Path Hall is not in the Nine Heavens.

But Soul Devourer and Fire Demon Lord are both powerful figures native to the Nine Heavens.

"Your Yama Heavenly Sect is the oldest sect, and it holds a significant position in the Nine Heavens," Kai continued.

Chapter 5611

Chapter 5611 Never mind

At this moment, Kai's words were like thorns, piercing Guan Jun's heart.

She did just say that, that the Yama Heavenly Sect is very powerful.

But now...

She never imagined that Kai would actually make enemies with such powerful demons as the Soul Devourer and the Blazing Fire Demon Lord.

Suddenly, Guan Jun frowned, and the disciples behind her also changed their expressions drastically.

Even Kai seemed to sense something, and his expression turned grim.

“Someone is approaching, and there are several experts…”

“That’s what Guan Jun said.”

“Then what do we do?” Kai asked.

“These people are most likely after you. You should find a place to hide first. We’re leaving now. We’ll take you to the Yama Heavenly Sect another time.”

After Guan Jun finished speaking, he and his men disappeared without a trace!

Kai was stunned as he watched Guan Jun and the others disappear.

“Damn it…” Kai cursed, “What do you mean?”

“Senior, what kind of thing did you introduce to me? Why did you suddenly run away and abandon me?” Kai asked the Crimson Cloud Demon Lord!

“I don’t know what happened either. Maybe I was scared by what you said about the Soul Devourer and the Fire Demon Lord.”

“Now you should find a place to hide and strengthen your abilities. With your current strength, you’re unlikely to have a good time in the Ninth Heaven!”

The Crimson Cloud Demon Lord spoke to Kai.

Kai nodded. He knew that with his current strength, he wouldn't be able to survive in the Ninth Heaven.

If he encounters a single cultivator, he can handle it, or even escape.

But if he encounters multiple skilled opponents, he will only be slaughtered.

Just then, a series of terrifying auras quickly locked onto him. Kai's heart tightened, and he instantly disappeared from the spot.

After Kai disappeared, four figures quickly appeared, but after a quick glance, they too vanished.

Kai is currently in the Ninth Heaven, constantly searching for a place to hide.

Kai was completely unfamiliar with the Nine Heavens; he couldn't even distinguish the regions.

Fortunately, the Crimson Cloud Demon Lord was a native of the Nine Heavens and a senior figure who knew the Nine Heavens very well. He directed Kai to evade the pursuit of the four people.

"Three thousand miles ahead, there is a Broken Sky Mountain, where there is a waterfall, and behind the waterfall is a cave. You can go there."

"That place used to be my territory. I've been cultivating there all along. Moreover, that waterfall is formed by the convergence of water from the Tianshan Mountains. It can shield you from divine sense. If you hide inside, no one will be able to find you for the time being."

The Crimson Cloud Demon Lord directed Kai to the place where he had once cultivated.

Following the instructions of the Crimson Cloud Demon Lord, Kai went to the cave behind the waterfall.

There were clear signs that no one had been inside the cave for a long time.

The space inside was very large, and Kai took out the Demon Suppression Tower directly.

Looking at the place where he once cultivated and lived, the Crimson Cloud Demon Lord burst into tears.

“Kai, let me out…”

“That’s what the Crimson Cloud Demon Lord said.”

“Senior, you only have a wisp of your soul left now. If you are suddenly exposed to this space-time, and something unexpected happens, you will be completely destroyed.”

Kai reminded the Crimson Cloud Demon Lord.

“It’s alright. This is a place I used to be, so there shouldn’t be any problems. Besides, I’ll only be here for a short while.”

“That’s what the Crimson Cloud Demon Lord said.”

He desperately wanted to see and touch his former home in person.

Kai nodded, then released the Crimson Cloud Demon Lord from his sea of consciousness. Seeing the Crimson Cloud Demon Lord, who was now only a wisp of remnant soul and almost transparent, Kai was somewhat moved.

The Crimson Cloud Demon Lord has been with me for so long and has helped me a lot, but I promised him that I would help him restore his physical body, but I haven’t been able to do so yet.

Now, even the Crimson Cloud Demon Lord’s remnant soul is reduced to a wisp, making it even more difficult for him to restore his physical body.

Chapter 5612

Chapter 5612 There's a Story

However difficult it may be, Kai will find a way to help the Crimson Cloud Demon Lord restore his physical body. If all else fails, he will try to contact Mr. Shi.

You should know that Mr. Shi can instantly revive people who have been reduced to ashes. With such abilities, restoring the physical body of the Crimson Cloud Demon Lord should not be difficult.

Inside the cave, the Crimson Cloud Demon Lord touched every part of the cave with emotion.

Suddenly, the Crimson Cloud Demon Lord's gaze stopped at a corner of the cave. He stared at the two heart-shaped circles in the corner and was stunned.

"I never imagined that the heart she painted would still be there..."

The Crimson Cloud Demon Lord muttered to himself!

Looking at the Crimson Cloud Demon Lord's expression, Kai knew this guy definitely had a secret.

And the "she" they're talking about must be a woman.

"Who is she?" Kai asked the Crimson Cloud Demon Lord.

The Crimson Cloud Demon Lord glanced at Kai, his eyes filled with complex emotions—reminiscence, longing, and a trace of unspeakable pain.

He spoke slowly, his voice tinged with a sense of vicissitude, as he recounted to Kai that long-buried past.

“Once upon a time, in these Nine Heavens, I, the Crimson Cloud Demon Lord, was a renowned figure, roaming freely with few rivals.”

Back then, I was carefree and unrestrained, acting entirely on my whims. I made many friends among heroes, but also many enemies. Until one day, I met her…”

The Crimson Cloud Demon Lord’s gaze softened, as if he were lost in beautiful memories.

“Her name is Fairy Lingyue, and she is an outstanding disciple of a secluded sect in the Nine Heavens. Although the sect is not large, it has a profound foundation. The disciples of the sect all cultivate a unique technique that allows them to manipulate the spiritual energy between heaven and earth and unleash incredibly wondrous spells.”

My encounter with her was by sheer chance. At the time, I was being chased by a group of enemies and had fled to a valley, where I was severely wounded and on the verge of death.

Just when I was almost in despair, she appeared.

She was dressed in white, like a fairy descending to earth, radiating a soft glow.

Seeing my injuries, she didn’t hesitate to help me, and never distanced herself from me because I was a demonic cultivator.

She used her unique technique to heal me. The warm and pure spiritual energy flowed into my body, not only healing my injuries but also giving me an unprecedented sense of peace and tranquility.

From that moment on, I knew that my life was destined to be inextricably linked with her.

“In the days that followed, we ventured into the Nine Heavens together, experiencing countless trials and tribulations.”

Her gentle kindness complemented my bold and unrestrained nature; we supported each other, and our feelings for each other deepened. Together, we explored ancient ruins, searched for lost treasures, and faced powerful enemies.

That period was the happiest and most unforgettable time of my life.

However, the Crimson Cloud Demon Lord’s tone suddenly turned somber: “Unfortunately, our good fortune didn’t last long. In the end, our affair was discovered by the elders of her sect.”

They believed I was a member of the demonic path, irreconcilable with Fairy Lingyue, and vehemently opposed our being together. They even set a trap to eliminate me.

“In order to protect me, Fairy Lingyue had a fierce conflict with the elders of the sect.”

She defied the sect rules to fight alongside me. But in the end, we were outnumbered and driven to the brink of defeat.

In that life-or-death moment, Fairy Lingyue used a forbidden spell to save me, sacrificing her own life to open a path to survival.

“I watched helplessly as she vanished before my eyes.”

At that moment, my heart felt as if it had been torn to pieces, and endless pain and hatred filled my heart.

From then on, my personality changed drastically, and I became more insane and violent.

I swear I will avenge her and make those who hurt her pay a terrible price.

Chapter 5613

Chapter 5613 Not Found

“And so, I began my furious revenge.”

I searched far and wide for those connected to her sect and killed them one by one.

My reputation grew increasingly tarnished, and I became a fearsome demon in the Nine Heavens.

But I know that none of this can heal the wound in my heart; I have lost her forever…

The Crimson Cloud Demon Lord’s voice choked with emotion, and tears welled up in his eyes.

Chen listened quietly to the Crimson Cloud Demon Lord’s story, his heart filled with emotion.

He never expected that this seemingly unrestrained and bold Crimson Cloud Demon Lord would have such a deeply unforgettable love story.

Kai stared intently at the two heart-shaped patterns in the corner, his expression growing increasingly focused. He noticed a mysterious aura emanating from these simple designs.

Kai approached and examined the pattern closely, discovering that there seemed to be some faint spiritual energy fluctuations on it.

“Senior, look at these two heart-shaped patterns. They seem a bit unusual,” Kai said, pointing to the patterns.

“Is there anything unusual?” Crimson Cloud Demon Lord was taken aback!

“There are faint fluctuations of spiritual energy in these two heart-shaped patterns, so they don’t seem to be just two simple patterns,” Kai said.

“Spiritual energy fluctuations?” Crimson Cloud Demon Lord was taken aback: “How come I can’t sense them!”

“You’re just a remnant soul now, so of course you can’t sense it. When Fairy Lingyue drew those two patterns back then, there must have been other meanings behind them; you just didn’t notice them.”

Kai said!

The Crimson Cloud Demon Lord fell into deep thought. So many years had passed, and he had no idea what the meaning was.

“Alright, stop thinking about it for now. Go back to my sea of consciousness, otherwise your soul will become weaker and weaker, and it will be even more difficult to restore your physical body.”

Kai sent the Crimson Cloud Demon Lord back into his sea of consciousness.

He then entered the Demon Suppression Tower to begin his cultivation. Fortunately, he had the storage bag of the Dharma King Mu, which contained a lot of supplies, just enough for his cultivation!

.....

Guan Jun led several disciples toward the Yama Heavenly Sect’s headquarters!

At this moment, a disciple of the Yama Heavenly Sect beside her spoke up: “Senior Sister, Master sent us to pick up Kai. If we go back like this without bringing him back, will Master punish us?”

Guan Jun looked at the disciple, his face grim, and said, “Soul Devourer and Blazing Fire Demon Lord, which one of them can we handle?”

The disciple fell silent.

Seeing that the disciple remained silent, Guan Jun continued, “Those auras just now were all at the peak of the ninth rank of the Human Immortal Realm. With that kind of strength, can the few of us handle them?”

The disciple remained silent.

“When we get back, none of you should say anything. I will explain to Master that Kai was being chased and that we were unable to stop the pursuers.”

“In that case, Master can’t say anything more. Moreover, if we really take Kai to our Yanluo Heavenly Sect, our sect will probably face annihilation.”

Mr. Guan continued!

“We will follow Senior Sister’s arrangements!” all the disciples said.

Guan Jun nodded. In fact, when she fought against the Evil Path Hall’s King Mu, she wanted to take Kai to the Yama Heavenly Sect.

On the way, Kai actually said that he had also offended the Soul Devourer and the Fire Demon Lord!

Upon hearing these two names, Guan Jun was truly terrified.

Furthermore, those experts at the peak of the ninth rank of the Immortal Realm were clearly targeting Kai. Kai has so many enemies, and they are all powerful figures that even their Yanluo Heavenly Sect cannot afford to offend. If they take Kai back, it will only plunge their sect into crisis!

Although Kai burned the golden scroll, he should receive the protection of the Yama Heavenly Sect.

But there is a limit to protection. When your strength is insufficient, all those gold coins are useless!

Chapter 5614

Inside the Demon Suppression Tower!

Kai sat upright on the ground, emanating a powerful aura.

Meanwhile, beside Kai, the Dragon-Slaying Sword emitted a series of humming sounds, and the sword spirit Zhongli was also rapidly cultivating by utilizing the time flow within the Demon-Suppressing Tower.

Sword intents swirled around Kai, and the enhancement of the Dragon Slayer Sword would make Kai's strength grow stronger and stronger.

Kai continuously took out various resources from Mu Fawang's storage bag and absorbed them. Fortunately, Mu Fawang's status was not low, so the resources in the storage bag were relatively abundant, allowing Kai to cultivate for a period of time.

Otherwise, given Kai's abnormally high level of cultivation, insufficient resources wouldn't even be enough for one cultivation session. (The last line appears to be a fragment and doesn't translate directly.)

Kai cultivated inside the Demon Suppression Tower for several months, completely absorbing all the resources in King Mu's storage bag.

Kai's strength had reached the peak of the second rank of the Human Immortal Realm, but he was stuck at the final breakthrough stage. Unfortunately, he ran out of resources and was unable to break through.

Although he had been cultivating for several months, only a little over a day had passed in the outside world.

Emerging from the Demon Suppression Tower, Kai turned his gaze back to the two simple heart-shaped patterns.

He really wanted to know what message that Fairy Lingyue was trying to leave behind in those two patterns.

Chen stood calmly before the two simple heart-shaped patterns, her gaze fixed on them as if drawn by a magnet.

These two heart-shaped patterns have smooth lines that exude a rustic charm. They seem ordinary, yet they subtly radiate an indescribable sense of mystery.

The mysterious aura, like a thin veil, gently enveloped the pattern, stirring Kai's deepest curiosity and igniting an irrepressible desire to explore within him. It was as if a voice whispered in his ear, urging him to uncover the secrets hidden behind the pattern.

He slowly approached the pattern, each step filled with caution and anticipation.

When he finally stood close to the pattern and squatted down to examine it closely, he discovered that there were indeed some subtle details hidden in the pattern.

Along the smooth edges of the heart-shaped pattern, there are some tiny, almost imperceptible lines.

These patterns are intricate and interwoven like a maze; without careful observation, they are impossible to detect.

Kai stared intently at the patterns, his fingers unconsciously touching them lightly. His divine sense began to cover the patterns, as if this would allow him to better perceive their direction.

As Kai continued to explore with his divine sense, an astonishing discovery made his heart race: there was an address and a string of complex runes within the pattern.

That address seemed to be pointing him to an unknown place;

The runes were mysterious and unpredictable; each symbol seemed to contain endless power and profound meaning, making them impossible to fathom.

The moment Kai's consciousness returned, the string of runes seemed to come alive and entered Kai's body.

"What does this mean?" Kai pondered to himself, his brows furrowed, his eyes filled with doubt and thought.

He knew that the secret hidden behind the pattern was far from simple, perhaps related to a major event or a precious treasure.

After some thought, he decided to ask the Crimson Cloud Demon Lord, since this was a pattern left by the Crimson Cloud Demon Lord's woman, which might be able to solve the mystery in his heart.

"Senior, I've discovered that there's actually quite a bit of information hidden within this pattern."

Kai quickly told the Crimson Cloud Demon Lord about the details of the pattern, including the hidden address and the complex runes.

The Crimson Cloud Demon Lord remained silent for a moment in Kai's sea of consciousness. That moment of silence seemed to freeze time itself, making Kai's heart leap into his throat.

Chapter 5615

Finally, the Crimson Cloud Demon Lord slowly said, "This address is where her former sect was located. As for that string of runes, I've never seen them before, but since she left them, there must be a reason."

However, her sect was destroyed by me back then, and it's probably in ruins by now. But no matter how hard I searched, I never saw her even once.

After speaking, the Crimson Cloud Demon Lord sadly shed tears.

It's clear that the Crimson Cloud Demon Lord has truly fallen for the Fairy Spirit Moon.

It's certainly not easy for people to accept that a powerful demon would fall in love with a fairy.

After all, in many people's eyes, demonic cultivators are not proper cultivators.

Upon hearing this, Kai frowned slightly. He guessed that Fairy Lingyue had left this address and runes to convey some kind of message or guide him to a certain place.

The reason they didn't tell Crimson Cloud Demon Lord at the time was probably because they thought he might discover the secret of the pattern later.

But who knew that the Crimson Cloud Demon Lord would eventually become bloodthirsty and be defeated in the Celestial Realm, his soul scattered and his remnant soul remaining there, never to return.

Therefore, the secret within this pattern has remained hidden!

If Kai hadn't brought the Crimson Cloud Demon Lord to the Nine Heavens, and if the Crimson Cloud Demon Lord hadn't sent Kai to hide in this place, the secret in this pattern probably would never have been discovered.

"I've decided to go to this address and investigate to see if I can find any clues," Kai said.

He knew that Fairy Lingyue wouldn't leave such a thing behind for no reason.

If this address and runes could open up some kind of ruin, wouldn't I be rich?

Even if he didn't find anything, Kai would just consider it a stroll around, since he had no resources and no way to cultivate right now.

The Crimson Cloud Demon Lord did not object, but reminded Kai to be careful, since that place was the former sect of Fairy Lingyue, and no one knew what its current situation was.

Perhaps the place is abandoned and full of danger; or perhaps there are still remnants of power guarding it, not allowing outsiders to invade.

Kai nodded. He knew that this trip was full of unknowns and dangers, but his curiosity and desire to explore made him go without hesitation.

Once he left the cave, Kai vanished instantly!

Following the address on the diagram, Kai found the location of Fairy Lingyue's former sect.

However, what lay before them was a desolate scene, as if forgotten by time.

The once magnificent sect buildings are now nothing but ruins overgrown with weeds.

A gentle breeze blew by, raising clouds of dust and making a rustling sound, as if telling a story of past glory and present desolation.

"Is this the sect of Fairy Lingyue? You were really ruthless back then, you wiped out the entire sect," Kai thought with deep emotion.

For the sake of Fairy Lingyue, the Crimson Cloud Demon Lord ultimately destroyed the entire sect.

As the saying goes, what is love that makes people willing to die for each other?

Kai looked around, scrutinizing every detail, trying to find some useful clues in this desolate scene.

Standing in this desolate sect ruin, Kai was filled with mixed emotions.

What was once a sacred place of immortals is now nothing but ruins, a sight that evokes deep sorrow.

He carefully observed his surroundings, trying to find some useful clues.

Just then, Kai suddenly felt the runes in his body begin to heat up slightly, as if they were resonating with some kind of power around him.

A thought struck him, and he quickly focused his attention to sense the source of the sensation, discovering that it came from a direction deep within the ruins.

“Could these runes be connected to that place in some way?”

Kai pondered to himself, and then decided to walk in the direction he sensed.

Chapter 5616

After traversing layers of ruins, Kai arrived at the relatively intact remains of a grand hall.

Although the hall is dilapidated, its former grandeur can still be faintly discerned.

In the very center of the main hall, there is a huge stone tablet covered with ancient runes.

As Kai approached the stone tablet, the runes on his body suddenly emitted a dazzling light, resonating strongly with the runes on the stone tablet.

The runes on the stone tablet lit up one by one, forming a complex pattern.

“Just as I thought!”

Kai was overjoyed and quickly mapped the runes on his body onto the pattern according to the order of the runes.

As the last rune was placed in its place, the entire hall suddenly began to shake.

The ground slowly cracked open, revealing a bottomless passage. A faint ethereal aura emanated from the passage, inspiring longing in all who beheld it.

Kai walked in without hesitation.

The passage wasn’t long, and soon he arrived at a spacious basement.

The basement was filled with all sorts of precious cultivation resources, including gleaming immortal stones, enticing immortal herbs, and immortal crystals made from various materials.

“I’m rich now!”

Kai was overjoyed; these resources were enough for him to break through to the third rank of the Human Immortal Realm.

But he wasn’t blinded by the wealth before him; instead, he continued his exploration. (First published on 3Leaf House)

Deep inside the basement, Kai saw a huge crystal coffin.

The crystal coffin was crystal clear, and inside lay an exceptionally beautiful woman.

She was wearing a white dress, her face serene, as if she were simply asleep.

“Is this Fairy Lingyue?”

Kai was shocked; Fairy Lingyue’s beauty far exceeded his imagination.

Just then, a violent fluctuation suddenly came from Kai’s sea of consciousness.

The Crimson Cloud Demon Lord’s voice trembled with unprecedented excitement: “Moon! It’s Moon!”

Before Kai could react, the remnant soul of the Crimson Cloud Demon Lord forcibly broke through the restraints of Kai’s sea of consciousness and appeared in front of the crystal coffin as a black shadow.

“Moon! It really is you!”

As the Crimson Cloud Demon Lord looked at the woman in the crystal coffin, his voice choked with sobs, and two lines of bloody tears streamed down his face.

He reached out, wanting to touch the crystal coffin, but was afraid of disturbing the sleeping Fairy Lingyue.

This deep affection moved even Kai, who was standing nearby.

“Lingyue, it was me, it was me who ruined you,” the Crimson Cloud Demon Lord’s voice trembled, and tears welled up in his eyes.

The Crimson Cloud Demon Lord raised his head and looked earnestly at Kai: “Kai, I know that Mr. Shi behind you is very powerful. He can revive Lingyue. Please, you must find a way to revive Fairy Lingyue.”

“I’m willing to pay any price to bring her back to life, even if it means my soul is scattered. You don’t need to waste your time trying to restore my physical body!”

Seeing the Crimson Cloud Demon Lord’s heartbroken appearance, Kai couldn’t help but feel moved.

After a moment of contemplation, he said, “Senior, I understand your feelings, but reviving a person is no easy task. Besides, I can’t contact Mr. Shi right now. If I could, I would definitely help you.”

Upon hearing this, a glimmer of hope flashed in the eyes of the Crimson Cloud Demon Lord: “Alright, I believe you.”

“Senior, forcibly leaving my sea of consciousness like this will cause too much damage to your soul. You should go back quickly, as I also need to use these resources to cultivate.”

“When I see Mr. Shi, I will definitely have him revive Fairy Lingyue. Don’t worry.”

Kai tried to persuade the Crimson Cloud Demon Lord.

The Crimson Cloud Demon Lord’s remnant soul is already very weak. If it is exposed to the void for a long time, it may eventually be completely destroyed.

Crimson Cloud Demon Lord nodded, glanced at Fairy Lingyue again with a meaningful look, and then returned to Kai’s sea of consciousness.

Chapter 5617

Kai then began to cultivate rapidly using the resources within the forbidden area!

Kai didn’t know how long he had been cultivating, but he had completely exhausted all the resources of the forbidden area.

Such vast resources also propelled Kai's strength to the peak of the third rank of the Human Immortal Realm!

The entire clan's resources only allowed Kai to advance one minor level.

Kai felt his strength improve and didn't know whether to cry or laugh.

How many resources will he need for his cultivation in the future?

"Senior, how long have I been cultivating?" Kai asked the Crimson Cloud Demon Lord.

It's been more than three years.

"That's what the Crimson Cloud Demon Lord replied."

Kai frowned. Three years is just over a thousand days, which means more than ten days have passed in the outside world. (EZ晓税王追嶼辛 chapter)

Emerging from the Demon Suppression Tower, Kai gazed at the crystal coffin. With a wave of his hands, a barrier appeared, enveloping the crystal coffin.

"Senior, I have already set up a barrier, so ordinary people cannot find this place."

"Contact Mr. Shi with me, and I will definitely have him help you revive Fairy Lingyue."

"We should leave now. If we attract the people from the Evil Path Hall, even this crystal coffin might not be safe."

Kai followed up with the words of the Crimson Cloud Demon Lord.

"Good," the Crimson Cloud Demon Lord said, only uttering the word "good."

However, Kai knew how much the Crimson Cloud Demon Lord longed to revive Fairy Lingyue, but he also knew that he had no way to revive her or protect her remains.

Kai emerged from the forbidden area and then set up an illusion array around it, making it even more difficult for others to find the sect's ruins—essentially a double insurance policy.

But shortly after Kai left, several terrifying auras suddenly locked onto him.

"Damn, that fast?"

Kai hadn't expected that these people would find him so quickly.

Kai's eyes narrowed slightly, then he transformed into a beam of light and vanished instantly.

Behind Kai, four black lights chased after him.

Soon, Kai was caught up, and four dark figures blocked his way.

Kai held the Dragon-Slaying Sword, staring intently at the four dark figures before him.

Four terrifying pressures simultaneously pressed down on Kai, a test of his strength.

It was clear that the four figures were very cautious and did not underestimate Kai because of his apparent level of cultivation.

Seeing the four overwhelming pressures coming at him, Kai did not dodge or retreat. Instead, he swung his Dragon Slayer Sword, and a sword beam shattered the four pressures.

The four figures in black were slightly taken aback, their eyes clearly showing a hint of shock.

The leading figure in black suddenly moved, like a shooting star, and headed towards Kai.

Looking at the dark figure rushing towards him, Kai felt no fear, but rather a sense of excitement.

He transformed into a streak of sword light and charged toward the dark figure!

In a one-on-one situation, Kai wasn't intimidated.

Whoosh!

Both sides drew their swords simultaneously.

However, the opponent's sword was formed from the demonic energy surrounding him!

Kai didn't use the Dragon Slayer Sword, but instead used the sword intent within his body to directly transform into a sword.

This kind of one-on-one fight, without using physical swords, can be considered fair.

boom!

With a deafening roar, the world changed color instantly, and in just a moment, the void within a radius of a thousand miles was shattered!

Then, under the laws of heaven and earth, the void began to recover rapidly!

Kai staggered backward, while the dark figure also swayed and took a few steps back!

"Big Brother"

Upon seeing this, the remaining three dark figures immediately rushed forward.

They didn't expect that Kai would not be at a disadvantage in such a fair one-on-one situation.

It should be noted that Kai is currently only at the third rank of the Human Immortal Realm, while they are all at the peak of the ninth rank of the Human Immortal Realm!

Chapter 5618

All they need is a trigger, and they can ascend to the realm of celestial beings.

Although they already valued Kai highly, his performance still shocked them!

"You don't need to worry about him, I'll handle this kid myself!"

The leader of the dark figures spoke.

As soon as he finished speaking, the black shadow disappeared again. In an instant, tens of thousands of sword beams appeared out of thin air in the void around Kai and shot towards him.

Upon seeing this scene, Kai's eyes narrowed, and he unleashed the sword intent within his body. This sword intent transformed into countless sword beams, shooting out in all directions like a torrential rain.

Instantly, a dense rumble resounded throughout the void, and the void, which had just recovered, began to tremble and distort once again.

Golden and black sword beams clashed repeatedly in mid-air!

It's like a cruise missile and an interceptor missile colliding in mid-air.
@|:齐=3盛?小@D说1网? t更+??新§最¤快?/

Cruise missiles continuously aim at the target, while interceptor missiles are constantly launched to intercept them!

In just a few breaths, Kai's sword intent had solidified into hundreds of thousands of sword beams, like a dense array, completely enveloping him!

Even with such a dense barrage of sword beams, some still managed to slip through the net, and streaks of black sword beams struck Kai's face!

Kai relied on his powerful physique to withstand the attack of the black sword light.

A trickle of blood was slowly flowing from the corner of his mouth.

However, Kai's eyes remained filled with fighting spirit. He didn't know if the dark figure had used its full strength, but Kai knew for sure that it had held back.

He didn't use the Dragon Slayer Sword, the God King Bow, or even his own dragon bloodline.

He was already quite satisfied that he could fight a peak ninth-grade Human Immortal to this extent using only his sword intent.

Although Kai is currently at a slight disadvantage, it doesn't matter. As long as Kai uses some methods, he is fully confident that he can defeat his opponent.

"Again"

Kai was filled with excitement and rushed towards the dark figure. This time, he was going to take the initiative.

The dark figure was clearly taken aback, not expecting Kai to dare to take the initiative in front of the four of them.

"Kid, you've surprised me a bit."

The leading figure in black snorted coldly and then charged forward!

The two collided instantly, and countless sword beams crisscrossed the void.

Yama Heavenly Sect!

Guan Jun led the remaining disciples back to the Yanluo Heavenly Sect. What should have been a one-day journey took Guan Jun and his men several days.

The reason for this was to mislead the sect leader of the Yama Heavenly Sect into believing that they had done their best.

In the main hall of the Yama Heavenly Sect, Sect Master Yan Nantian sat upright!

Upon seeing Guan Jun and the others return, Yan Nantian frowned slightly: “Where are they?”

“Sect Master, Kai was being hunted down by the Evil Path Hall. We were no match for them and lost several disciples, so we had to return first!”

“That’s what Guan Jun said.”

Yan Nantian was taken aback, then looked at Guan Jun with a cold expression: “You mean, you abandoned Kai?”

“We had no choice. The people sent by the Evil Path Hall were too strong. There were four of them at the peak of the ninth rank of the Human Immortal Realm. We were no match for them at all.”

“If we forcefully bring Kai to the Yama Heavenly Sect, I’m afraid none of us will be able to return.”

Guan Jun quickly explained.

“I ask you, do you know what the Golden Scroll represents in our Yama Heavenly Sect?” Yan Nantian’s voice was filled with intense anger.

Guan Jun was taken aback, because she could already sense Yan Nantian’s anger.

“This disciple understands, but we…”

“Shut up! You can die, but you can’t abandon him, understand?” Yan Nantian’s eyes began to fill with killing intent.

“Sect Master, that golden scroll belongs to the Crimson Cloud Demon Lord, not Kai. Perhaps he found it.”

Chapter 5619

boom!

Before Guan Jun could finish speaking, a terrifying aura pressed down on her, the powerful pressure causing her to kneel on the ground.

This left Guan Jun somewhat bewildered.

Yan Nantian stared intently at Guan Jun, his voice icy as he said, “Our Yama Heavenly Sect only recognizes the golden scrolls, not people.”

“Our sect has existed for 100,000 years, and we have only issued three Golden Scrolls. We can destroy our sect, but we cannot break our promises.”

“This is our foundation, and today, you secretly left Kai behind and escaped back yourself?”

Do you know what you’re doing?

Yan Nantian’s words made Guan Jun tremble, and his face turned ugly.

“Sect Master, Kai has not only offended the Evil Path Hall, but also has grudges against the Soul Devourer and the Blazing Fire Demon Lord.”

Guan Jun hurriedly revealed the identities of Soul Devourer and Fire Demon Lord, hoping to exonerate himself.

Upon hearing these two names, Yan Nantian was visibly taken aback, and his brows furrowed tightly.

Seeing this, Guan Jun finally breathed a long sigh of relief.

“These two people have been missing for ten thousand years. How could they have a grudge against Kai?” Yan Nantian was somewhat skeptical.

“Sect Master, it’s absolutely true. Kai told me this himself,” Guan Jun said.

Yan Nantian hesitated for a moment, then said firmly, “Even so, that’s no reason for you to escape. You will all die.”

thud

Upon hearing this, the disciples behind Guan Jun were so frightened that they immediately knelt down.

“Sect Master, it was Senior Sister Guan Jun who told us to abandon Kai. She said that bringing Kai here would bring danger of destruction to our Yanluo Heaven Sect.”

One of the disciples quickly shifted the blame, placing all the responsibility on Lord Guan!

“Sect Master, it was indeed my idea. Kai offended Soul Devourer and Fire Demon Lord. Soul Devourer already had immense power in the Nine Heavens ten thousand years ago. Even our Yama Heaven Sect had to give way to him and dared not fight him.”

“Not to mention the Fire Demon Lord who has already disappeared after becoming famous. Our Yama Heavenly Sect has no way to help Kai deal with these two people.”

“And then there’s the Evil Path Hall. Although the Evil Path Hall doesn’t have much influence in the Ninth Heaven, its influence extends to multiple worlds. I’ve heard that the Evil Path Hall even has disciples in the Twelfth Heaven. How are we supposed to protect Kai?”

Guan Jun knelt on the ground and said with a helpless expression.

She was also thinking of the sect’s future. If she really helped Kai and offended these people, then their Yanluo Heavenly Sect would truly be finished.

Yan Nantian’s face remained cold and unmoved by Guan Jun’s words.

“Remember this: if anything happens to Kai, you will all die!”

After Yan Nantian finished speaking, his figure instantly disappeared from the hall.

“Why”

Watching Yan Nantian disappear, Guan Jun couldn’t help but sigh: “If only the old sect leader were still here. It’s been thousands of years since the old sect leader disappeared.”

In the void somewhere within the Nine Heavens!

Kai was still fighting the dark figure. The two had been fighting for an unknown amount of time, but Kai still did not use the Dragon Slayer Sword and continued to rely on his own sword intent.

Kai already had wounds on his body, but he didn’t care, because he could feel that his strength was actually increasing with each battle.

Moreover, the sword intent within his body was constantly increasing and was not consumed by the battle.

This discovery delighted Kai.

You should know that the spiritual power, the power of the dragon, and even the supreme fire within one's body are all greatly depleted after a long battle, and in the end, one may die from exhaustion.

But this sword intent actually grows stronger the more you fight it; wouldn't that make it endless?

The dark figure continued to fight Kai, and although it always gained the upper hand, Kai was like an unkillable cockroach.

Chapter 5620

The shadowy figure began to have second thoughts, no longer daring to underestimate Kai in the slightest. (First published by Kanshu Jun)

With a wave of his palm, countless sword beams shot towards Kai, while his figure rapidly retreated.

This guy stopped fighting Kai because the more he fought, the more frightened he became, and the less confident he felt.

Kai merely shuddered, shattering the myriad sword beams.

"What? You're too scared to fight?" Kai looked at the dark figure and asked with a cold smile.

"Kid, it's not that I'm afraid of you, it's just that I don't have time to play with you!"

After saying that, the dark figure waved his hand, and the remaining three dark figures disappeared at the same time.

The four of them are going to join forces to take action against Kai.

“grass”

Kai frowned: “You shameless people, four of you at the peak of the ninth rank of the Immortal Realm, actually attacked me, a mere third rank Immortal Realm cultivator. You even bullied me with numbers, showing no martial ethics.”

“Ridiculous! This is the Heavenly Realm, the Nine Heavens, a world where the strong are respected. What the hell are you talking about martial ethics here!”

The leading figure in black sneered, and then instantly unleashed countless sword beams!

The entire void surrounding Kai was filled with that black sword light.

Seeing this, Kai’s eyes narrowed slightly, and a murderous intent rose in his eyes.

The sword in his hand, solidified with sword intent, had now transformed into a dragon-slaying sword, and the dragon crystal on his chest shimmered with golden light.

The power of the dragon surged within his body, continuously flowing into the Dragon Slayer Sword.

The Dragon-Slaying Sword emitted a series of dragon roars that resounded throughout the entire Nine Heavens.

Kai swung the Dragon-Slaying Sword in his hand.

Whoosh!

A golden light suddenly burst forth around Kai, and the countless black sword beams instantly vanished upon touching the golden light.

Upon seeing this, the four figures' expressions changed drastically, and they all retreated.

Because they saw that behind the golden light, a huge golden dragon roared out.

Sword light transforms into a golden dragon?

They had never heard of or seen anything like it.

"Everyone be careful, this kid is no ordinary person!" the leading figure in black shouted, ordering the others to retreat quickly, while he used his sword of intent to slash fiercely at the golden dragon!

boom!

The golden dragon vanished, and the leading black figure's sword also disappeared, along with his entire arm.

Blood gushed out from the severed arm like a fountain.

The leading figure stared in shock at the spot where his arm had been severed, instinctively backing away.

The other three were also shocked when they saw this!

How did Kai, who was just suppressed, suddenly become so powerful?

With a single sword stroke, they severed their elder brother's arm.

"It's your turn."

Kai, now brimming with the power of a divine dragon, charged towards the remaining three with the Dragon Slayer Sword in hand, his eyes brimming with confidence.

A cultivator at the third rank of the Immortal Realm can fight against four cultivators at the peak of the ninth rank of the Immortal Realm and still gain the upper hand, taking the initiative to attack.

If you hadn't seen it with your own eyes, I don't believe anyone.

"That sword is unusual, be careful!"

The leading figure in black gave a warning.

Upon seeing this, the remaining three men suddenly drew physical swords from their waists.

Each sword was permeated with black demonic energy.

The three people took a step forward at the same time, and three terrifying auras instantly condensed together, forming an enormous pressure force.

While the three men were using their intimidating aura to intimidate Kai, they also instantly drew their swords!

Swish Swish Swish

Throughout the void, terrifying sword energies crisscrossed, causing the entire void to begin to shatter.

Amidst countless sword energies, a golden sword beam continuously darted through.

That's Kai!

Wherever the golden sword light passed, all the sword energy disappeared.

The three dark figures stopped, and as Kai swung his Dragon-Slaying Sword, he was also enveloped by the immense pressure, his body constantly retreating backward.

Kai only managed to regain his footing after retreating a thousand feet.

At this moment, Kai's face had lost all color, and blood was still oozing from the corner of his mouth, but the dragon crystal on his chest shone even brighter.

A surge of divine dragon power, making his blood boil, coursed through his entire body.

Kai is like he's been injected with adrenaline; he just can't stop.
