Chapter 171: First night with Miuna

The other golden core realm cultivators who were aware of the procedures and main purpose of the wedding ritual were also keeping a close eye onto the knife.

Thus, right as Coril had tossed the knife into the burning flames, pretty much all of the golden core realm cultivators that were present had managed to sense the terrifying presence that was emitted out by the knife for a split second.

Because Veronica, Henry, and Damien were already aware of Sebastian's sperm strengthening body, and that Sebastian had previously successfully made a swear to the heavenly daos that was actually acknowledged by the heavenly daos...

They honestly weren't that surprised to the fact that the wedding ritual had succeeded.

On the other hand, Ning Zhi and Talisman Crafter Wu could be seen having an extremely surprised look on their faces right as they had sensed the terrifying presence.

"The wedding ritual... it worked?!"

Right upon thinking this, Ning Zhi looked over to Veronica, and upon seeing that Veronica had a calm look on her face, Ning Zhi continued on thinking to herself.

"I knew it, she definitely knows something that I don't, otherwise she wouldn't be acting so calm!"

Meanwhile, Talisman Crafter Wu could be seen gazing at Sebastian while with a contemplated look on his face, seemingly to be trying to come to a certain decision.

...

On the other hand...

Right as the wedding ritual was over, Sebastian discovered that a new text log had appeared on his text log tab.

[Miuna Lisandris's stats is now available to view within the stats tab]

Upon reading the new text log, without any hesitation, Sebastian switched over to the stats tab and began viewing onto Miuna's stats.

However, right when he was able to start viewing onto Miuna's stats, Coril appeared right before him and prevented him from doing so.

"Alright, now that the wedding ritual is over, Miuna, you can head over to the wedding room and wait for Sebastian to be done with entertaining the guests."

"As for you, Julia. Since you have taken part in this wedding ritual, you shouldn't be present in the wedding venue too. Therefore, you can start heading back to your house along with Miuna."

Upon hearing what Coril said, Miuna and Julia replied obediently, "Understood, Great Grandpa Coril."

"Alright, everyone, let's head back to the wedding venue! Come, Sebastian, let me introduce you to the other members that are from the Lisandris Family's main family branch..."

...

After hours had passed, night has finally arrived, then did Sebastian finally arrived back at his home, and while entering the house, Sebastian couldn't help but let out a breath of relief as he mumbled to himself.

"Phew... Finally it's all over."

Shortly after, upon arriving at the front of one of the bedrooms that was located at the second floor...

Which was the bedroom that Miuna had been waiting in for hours...

Sebastian took in and let out a deep breath, then finally pushed open the door and entered into the bedroom.

Upon entering the bedroom, to Sebastian's surprise, he immediately saw that Miuna was sitting down on the floor in a kneeling position right at the bedroom's entrance...

Upon seeing that, Sebastian couldn't help but think to himself.

"She hasn't been sitting down on the floor in this kneeling position for hours, have she...?"

And right as Sebastian had entered the bedroom, Miuna immediately welcomed him with a bright smile and gentle tone.

"You have finally arrived, Sebastian, I have been waiting for you."

Right as Miuna had finished speaking, Miuna stood up from the floor, then held onto Sebastian's hands and began leading Sebastian over to the bed.

"Here, Sebastian, have a seat on the bed, I will help you take off your shoes first."

As Sebastian sat down onto the bed, Miuna kneeled down onto the floor and began taking off Sebastian's shoes.

Right after Miuna was done, Miuna then pulled Sebastian up from the bed and said in a low voice while with a shy look on her face.

"Sebastian, let me help you undress."

Looking at the shy look that Miuna made with that seductive appearance that she possesses, Sebastian couldn't help but swallow his saliva, then said with a somewhat hoarse voice.

"O... okay."

While Miuna was undressing Sebastian, Sebastian couldn't help but start feeling aroused due to the alluring body fragrance that he could smell being emitted out from Miuna's body.

Thus, right when Miuna was done undressing Sebastian's shirt and was about to undress Sebastian's pants, Sebastian's dick was already somewhat erected.

Upon seeing the bulge that was poking out from Sebastian's crotch...

Although Miuna had never seen a man's erected dick before...

From the erotic picture books that she had read in order to prepare herself for when she serves upon Sebastian...

Miuna was aware that the bulge that was poking out from Sebastian's crotch was most likely Sebastian's erected dick.

After subconsciously licking onto her lips with her tongue, Miuna kneeled down onto the floor once again, then grabbed onto Sebastian's pants and underwear and began pulling both of them down at the same time.

The moment Miuna pulled Sebastian's pants and underwear downward, Miuna could sense a slight force obstructing her from pulling the pants and underwear downward.

Knowing that it was Sebastian's erected dick that was causing the obstruction, Miuna exerted a bit more force into her hands.

To Miuna's surprise, right as she had managed to pull the pants and underwear down from the obstruction, she immediately sensed something smacking onto her face, followed by a slightly pungent smell entering into her nose.

Due to having subconsciously closed her eyes when she sensed something smacking onto her face...

As Miuna opened her eyes... what entered her eyes was Sebastian's erected dick.

Immediately as the dick entered into her eyes, Miuna couldn't help but swallow her saliva, then raised her head to take a look at Sebastian's face.

And upon seeing that Sebastian's look of anticipation...

Miuna braced herself and grabbed onto the erected dick before her eyes.

Chapter 172: Miuna's blowjob

Right as Miuna's tender and slender right hand grabbed onto his dick, Sebastian couldn't help but let out a satisfied groan.

"Ah..."

Upon hearing Sebastian's satisfied groan, Miuna bit onto her lower lip with her teeth as she took a glance onto Sebastian's face, then began focusing her attention onto the dick before her.

"What was the first step again...? Ah, that's right, peel the foreskin backward, then gently rub onto the glans until precum starts leaking out from the glans."

While thinking to herself in her mind, Miuna grabbed onto the base of Sebastian's dick with her left hand, then began to gently peel the glans backward with her right hand.

Right as Miuna was done peeling the glans backward, Miuna began to gently rub her right hand onto the glans.

However, seemingly to be feeling that the glans was a bit dry to rub onto as it was right now, Miuna decided to use her saliva to lubricate the glans instead of waiting for the precum to start leaking out from the glans.

The moment Sebastian saw Miuna moving her mouth above his glans, followed by drooling her saliva onto his glans, Sebastian's dick immediately became completely

erected, and the tip of his dick couldn't help but twitch a few times due to how aroused he was right now.

Upon seeing Sebastian's dick becoming even bigger than it already was, a look of surprise immediately appeared on Miuna's face as she previously thought that Sebastian's dick was already completely erected.

Though, from the fact that Sebastian's dick became even bigger when she had began drooling onto his glans, Miuna learnt that Sebastian most likely liked it when she was being proactive.

Thus, after Miuna was done drooling her saliva onto the glans, Miuna held back her shyness and began gently rubbing onto the glans with her right hand, while using her right hand to gently stroke onto the dick.

"Sebastian, does it feel good...?"

"Yeah... it feels good..."

After a short while of having his dick stroked onto by Miuna's hands, seemingly to not be satisfied with Miuna's hands anymore, Sebastian stopped Miuna from continuing on stroking onto his dick as he walked over and sat down onto the bed, then beckoned Miuna to kneel in front of him.

"Come, Miuna, use your mouth this time to help pleasure my dick."

Faced with Sebastian's request, Miuna merely gave a flirtatious glance to Sebastian, then obediently stuck out her tongue and gave a lick onto the glans.

"Hmm... It doesn't taste as bad I was expecting it to be..."

After giving an initial lick onto the glans to see how the glans would taste...

Upon feeling that the glans doesn't taste as bad as she had expected to be, albeit that the taste was still a little foul in her opinion...

Without any hesitation, Miuna opened her mouth and took the glans in her mouth, then began bobbing her head up and down, taking the glans in and out of her mouth.

"Ah... that's right... Miuna, just like this."

"Also, don't just suck onto my glans, use your tongue and rub your tongue onto my glans too."

After a short while, sensing that Miuna was merely sucking onto his glans with her mouth, Sebastian began guiding Miuna on what to do.

Upon hearing Sebastian's instruction, Miuna obediently listened and began using her tongue to rub onto the glans.

Compared to Julia's tongue that seemed like a snake that was trying its best to coil and wrap itself around its prey, Miuna's tongue seemed just like an inexperienced bird that was pecking at its prey.

After experiencing Julia's experienced blowjob techniques, to tell the truth, aside from the initial satisfaction that came from knowing the fact that Miuna was actually giving him a blowjob for the first time, the remaining experience of Miuna's inexperienced blowjob was hardly able to provide his dick with immeasurable pleasure.

Thus, Sebastian placed his right hand onto Miuna's head and began pressing down onto Miuna's head, causing Miuna to begin taking in more of his dick.

As Sebastian's dick entered deeper into Miuna's mouth...

Upon sensing that his glans was about to reach into Miuna's throat, Sebastian would stop exerting force onto Miuna's head, and right as Miuna sensed that her head was no longer being pressed down by Sebastian, she would subconsciously retract her head backward, all the way until only the glans remained in her mouth.

Just like this, Miuna followed along with Sebastian's flow and began sucking onto Sebastian's dick at the pace that Sebastian wanted.

Upon sensing that Miuna seemed to be the obedient kind, just like Julia, who would allow him to do whatever he wants and won't go against his wishes, especially while they were in bed with each other...

After what seemed like 5 minutes of normal blowjob...

This time, right as Sebastian sensed that his dick was about to reach Miuna's throat, Sebastian didn't stop exerting pressure into Miuna's head, and instead, continued pressing onto Miuna's head and pushed his glans into Miuna's throat.

"Ah... fuck..."

Upon sensing that his glans was being squeezed onto by Miuna's throat, Sebastian couldn't help but let out a deep groan.

Only after what seemed like 10 seconds had passed, and Miuna was lightly patting onto Sebastian's left thigh with her right hand, then did Sebastian stopped exerting force onto Miuna's head.

Even when Miuna was feeling uncomfortable, she didn't pat hard onto Sebastian's thigh and urged Sebastian to quickly let go of her head, and instead, merely pat gently onto Sebastian's thigh to gesture to Sebastian that she was feeling uncomfortable.

From this, it could be seen just how tolerant Miuna was toward Sebastian.

Right after retracting her head backward and spitting out the dick from her mouth, Julia began dry heaving for a bit.

Upon seeing that, an embarrassed look appeared on Sebastian's face as he apologized, "Sorry, Miuna, it seems I was being too rough with you."

"No, it's fine, Sebastian, I don't mind it."

Chapter 173: Miuna's deepthroat

"Sebastian, you don't mind if I call you darling, just as Julia does, would you?"

"Of course not."

Upon hearing what Sebastian said, a wide smile appeared on Miuna's face.

"Alright, I will address you as darling from now on then."

Right after, Miuna pressed her lips onto the glans before her, giving a hard smooch onto the glans.

After giving a smooch onto the glans, Miuna gave a flirtatious glance to Sebastian, then opened her mouth and took the dick into her mouth once again.

And this time, without Sebastian having the need to do anything, Miuna took the initiative to begin giving Sebastian deepthroats.

Every time as Miuna took the dick into her mouth, and the dick arrived at her throat, Miuna would close her eyes and try her best to take in as much of the dick as she could into her throat, and when she felt that she had reached her limit, she would remain still for as long as she could possibly withstand, so that Sebastian could enjoy the sensation of her throat squeezing onto the tip of his dick for as long as possible, before finally retracting her head backward.

During Miuna's first few attempts at deepthroating, every time when she retracted her head backward, she couldn't help but retract her head all the way backward and spit out the dick from her mouth, then began dry heaving for a short moment.

When Sebastian saw Miuna dry heaving, Sebastian couldn't help but feel bad toward Miuna and thus told Miuna that he was fine with her not giving him deepthroats.

However, faced with Sebastian's understanding, and what she herself perceived as Sebastian being kind and gentle to her as he wasn't willing to see her suffer...

Miuna stubbornly shook her head after she had stopped dry heaving, then began another attempt at deepthroating Sebastian's hard and erected dick.

After trying to persuade Miuna for a few times to stop and seeing that Miuna didn't seem to be willing to stop, Sebastian decided to just go with the flow and see how things go after Miuna gave deepthroating another few more attempts.

In Sebastian's mind, once Miuna realized that deepthroating was too difficult for her, especially since this was still her first time giving him a blowjob, Miuna will give up and return back to pleasuring him with a normal blowjob.

Though, Sebastian can't lie that, the way in which Miuna was trying her best to give him deepthroats was not only giving him a huge sense of satisfaction, but also the pleasure that came from Miuna's throat squeezing onto the tip of dick was extremely sensational.

To Sebastian's surprise, right after a few attempts at deepthroating, Miuna actually became used to the discomfort and gag reflex that appeared in her throat whenever the dick was pushed into her throat.

Thus, she stopped having the need to dry heave after every deepthroat or close her eyes whenever she was pushing the tip of Sebastian's dick into her throat.

Furthermore, she didn't even need to spit out the dick from her mouth after every deepthroat.

In just a few minutes, Miuna went from having a hard time giving deepthroats, to the current point whereby she was able to give deepthroats to Sebastian's hard and erected dick with rather ease.

Looking at Sebastian and Miuna right now...

Sebastian was currently grabbing tightly onto the bedsheet with both of his hands, while with his head tilted upwards and his eyes closed, seemingly to be trying to endure something.

Meanwhile, with her smooth and silky hands gently and slowly rubbing onto Sebastian's thighs, and Sebastian's dick currently inserted deep into the back of her throat, Miuna was currently gazing her eyes upward to Sebastian's face so that she could examine closely onto Sebastian's face and make sure that her deepthroating was doing well in pleasuring Sebastian.

Of course, judging from Sebastian's expression, Miuna was well aware that Sebastian was currently feeling extremely great from her deepthroat.

Furthermore, although it can't be seen solely by looking at the two of them...

While Miuna was deepthroating Sebastian's dick, Miuna currently had the leisure to use her tongue to lick around Sebastian's dick while the tip of Sebastian's dick was inserted deep into the back of her throat, and even more, took the initiative to wriggle her throat around, causing the tip of Sebastian's dick to feel like it was being massaged onto by her throat while at the same time being squeezed tightly by her throat.

After what seemed like 20 seconds had passed since Sebastian's dick had been in her throat, then would Miuna finally begin retracting her head backward, all the way until only the glans remained in the mouth.

When her lips arrived at the skirt of the glans, Miuna would then begin puckering her lips and begin sucking hard onto the glans while at the same time sweeping her tongue all around the glans.

After 10 seconds had passed of her doing this, she would once again begin taking in Sebastian's dick into her throat.

And just like this, for the next 10 minutes, without a word exchanged between the two of them, Miuna kept on continuing with her intervals of deepthroat and vacuum sucking onto the glans, while Sebastian continuously let out deep groans as he tried his best to hold himself back from cumming.

Honestly, Sebastian never expected that Miuna would be so good at deepthroating and vacuum sucking onto his glans.

Right now, Sebastian felt that Miuna's deepthroat and sucking skills were actually on the same level as Julia.

Little did Sebastian know, the reason for Miuna's current skills were all thanks to Julia.

Before Sebastian had arrived at the house, during the few hours, Julia imparted as much sexual knowledge as she knew over to Miuna.

After close to 10 minutes had passed... Sebastian finally couldn't hold back his urge to cum anymore.

And thus, while his dick was currently inserted deep into the back of Miuna's throat, Sebastian pressed his palms hard onto the bed, then thrust his hips forward and began cumming.

"Ah... Miuna, I'm cumming!"
