Chapter 174: Miuna's swallow

The moment Miuna sensed that the tip of Sebastian's dick was twitching rather fiercely while it was being squeezed and massaged onto by her throat, Miuna immediately knew that Sebastian's hot and erected dick was about to cum.

And as expected, shortly after she had sensed that the tip of Sebastian's dick was twitching rather fiercely...

Sebastian thrust his waist forward and let out a huge moan, exclaiming that he was about to cum.

Although Miuna had never tasted Sebastian's cum, and personally, she felt that it was rather disgusting to drink something that came out from the same part that urine would come out from...

When Miuna recalled Julia telling her that Sebastian would not only love it, but also fall deeper in love with her if she were to take the initiative to drink Sebastian's cum...

Miuna tried her best to toss her disgust away as she closed her eyes and embraced herself to swallow the cum that was about to start shooting out from the glans that was currently within her throat.

As cum began shooting out from the glans and into the back of her throat...

To Miuna's surprise...

Perhaps it was mainly due to the fact that pretty much all of the cum was being shot out in her throat, which caused her to be unable to taste much of how the cum tastes like, she felt that swallowing the cum was no different to drinking water, just that the cum seemed to be a sticky kind of water.

Upon sensing that drinking Sebastian's cum wasn't anything difficult, Miuna slowly opened her eyes, then once again being looking her eyes upward to Sebastian.

"Ah..."

After Sebastian was done cumming, Sebastian couldn't help but let out a satisfied groan as he remain silent for a while.

Shortly after, having finally come back to his senses from cumming and sensing that his dick seemed to be still remaining in Miuna's throat...

Sebastian finally opened his eyes and looked downward at Julia.

And right as Sebastian looked downward, the first thing that came into his view was the puppy face that Miuna was currently making with that seductive appearance that she possesses.

Upon seeing the puppy face that Miuna was making while she still had the tip of his dick inserted in her throat, Sebastian couldn't help but feel aroused, and immediately, his dick that had just cummed a while ago and was starting to go limp turned completely hard and erect once again.

"Good job, Miuna. It felt incredibly good. I love you so much."

After Sebastian finished speaking, Sebastian bent forward and gave a smooch onto Miuna's forehead, then pat onto Miuna's head and said with a gentle and affectionate tone to his voice.

"Alright, Miuna, you can take my dick out from your throat already."

Upon hearing Sebastian's praise, and most importantly, Sebastian professing his love for her, a wide smile immediately appeared on Miuna's face.

And after hearing Sebastian told her that she could take his dick out from her throat, Miuna obediently complied.

This time, perhaps due to the fact that she actually had Sebastian's dick in her throat for close to 90 seconds, albeit the fact that Sebastian's dick had begun turning slightly smaller due to having cummed in her throat, which gave her time to recover from her gag reflex for a short moment...

But it was still a fact that Sebastian's dick had been in her throat for much longer than she was used to, which was just 20 to 25 seconds.

Thus, right after she had spat out Sebastian's dick from her mouth, once again, she couldn't help but dry heave for a bit due to the discomfort that she felt coming from her throat.

"Miuna, are you fine? Seriously, there's no need to push yourself so hard."

"It must feel uncomfortable for you, didn't it? After all, this is your first time giving blowjob, and yet you not only gave me a deepthroat, but also swallowed my cum too."

Upon hearing Sebastian's tone that was filled with concern and gentleness, Miuna, who had recovered from her dry heaving, couldn't help but let out a giggle as she reassured Sebastian.

"No, darling, it wasn't really that uncomfortable. So, you don't have to feel guilty or anything, I'm completely fine."

Right after Miuna finished speaking, Miuna said seductively, "Darling, it's time that we carry on to the main show, shouldn't we? But before that, do you mind standing up and turning around from me so that I can undress myself and get myself ready to officially become your woman?"

"Of course not, I wouldn't mind at all, take your time."

Upon hearing what Miuna said, Sebastian hurriedly stood up from the bed and completely took off his pants and underwear that were dangling at the lower parts of his legs, then turned his body away from Miuna.

As the sounds of Miuna undressing her wedding gown rang out from behind him, Sebastian couldn't help but imagine just how Miuna's sexy and seductive figure was going to look like, especially those breasts of hers that seemed to be at least 2 cups bigger than Julia's breasts just at a glance when both of the sisters were standing side by side to each other.

Shortly after a few minutes of waiting that seemed to pass by longer than what the typical few minutes would pass by at...

Sebastian could hear Miuna's voice ringing out from the direction of the bed, instead of behind him.

"Darling... you can turn around now, I'm done undressing already."

Upon hearing Miuna's voice ring out, without any hesitation, Sebastian turned around and looked over to Miuna's direction.

And right as Miuna's figure came into Sebastian's eyes, Sebastian's eyes could be seen opening wide as he took a huge gulp.

Before his eyes, Miuna was currently dressed in a purple color lingerie set that seemed to be a few sizes smaller than what her actual sizes were, as the lingerie set could be seen evidently squeezing tightly onto her upper and lower body parts.

Chapter 175: Miuna's virginity

"Pfft, what's with that look on your face, you are acting like this is your first time seeing a woman's body."

Upon seeing Sebastian's reaction to seeing her body, albeit her body was currently still covered by the lingerie that she was wearing, Miuna couldn't help but cover onto her mouth and let out a laugh.

Shortly after, upon seeing that Sebastian was still remaining still and staring at her figure with his eyes opened wide, Miuna opened her mouth and said seductively as she used her left middle finger to pull her bra slightly downward, exposing her left pink areola to Sebastian.

"Darling, are you going to just continue staring at me? Do you not intend to get onto the bed with me?"

Upon seeing Miuna's pink areola, Sebastian couldn't help but took in a huge gulp once again.

The reason as to why Sebastian was so stunned was because Miuna's figure was actually much sexier and alluring than he had expected.

After coming back to his senses, Sebastian finally got onto the bed, then crawled to the middle of Miuna's legs.

Upon arriving at the middle of Miuna's legs...

With Miuna right in front of his eyes right now, Sebastian realized just how incredibly sexy and alluring Miuna was entirely as a woman.

From the seductive appearance that Miuna possesses, whereby most woman within Sebastian's world would describe Miuna's appearance as that of a homewrecker vixen...

To the incredibly sexy and alluring body that Miuna possesses, whereby Miuna breasts were incredibly huge, which were most likely E Cups, and her hips were wide, to the point that although Miuna was currently lying on her back, just from the front view alone, Sebastian was able to tell that Miuna possesses peached-shape buttocks...

All of it made Sebastian felt that Miuna's appearance and figure were specifically designed for seducing him, making him feel extremely aroused and getting his dick to turn extremely hard.

Furthermore, although Miuna possesses such huge breasts and such wide hips, her waist was extremely thin.

If the phrase "hour-glass figure" had to be used on one exact person, without hesitation, Sebastian would use that phrase onto Miuna.

After staring at Miuna's figure for a while, Sebastian finally decided to place his hands onto Miuna's body.

To Miuna's surprise, instead of feeling up her breasts first, which was the body part that she was most confident of, Sebastian actually first grabbed onto her waist and began rubbing his hands onto her waist, then asked her with a confused look on his face.

"How did you even maintain such a thin waist with this figure of yours...?"

Shortly after, Sebastian finally began moving his hands upward to Miuna's breasts, and upon arriving at Miuna's breasts, Sebastian took a huge gulp before finally squeezing onto Miuna's breasts with both of his hands.

"Hm..."

Upon feeling her breasts get squeezed by Sebastian, Miuna couldn't help but let out a light moan.

After squeezing onto Miuna's breasts for a short while, seemingly to be unsatisfied with fondling onto Miuna's breasts while the lacy bra was blocking most of his hand from coming into physical contact with Miuna's bare breasts, Sebastian began undressing Miuna's bra.

"Miuna, get up a bit, let me unhook your bra strap."

"En..."

After letting out a shy groan, Miuna raised her upper body slightly upward and allowed Sebastian to unhook her bra strap.

Right after taking off Miuna's lacy bra and taking a close look at the bra in his right hand, seemingly to recall something, Sebastian couldn't help but think to himself

"Wait... Isn't this the same lacy bra that Julia was wearing yesterday?"

Upon thinking up to here, Sebastian looked down at Miuna's lacy panties, and as expected, it was the same kind of lacy panties that Julia was wearing, but just in purple colors.

"I'm right... Just that, Julia's lacy lingerie set was white in color, and Miuna's lacy lingerie set is in purple color... Did Miuna obtain this lacy lingerie set from Julia...? This would explain why this lacy lingerie set seems to be a few sizes smaller than her actual bust sizes..."

Right as Sebastian tossed the purple lacy bra over to the side of the bed, Sebastian finally looked over to Miuna's breasts...

And immediately, two huge sized breasts that were definitely E Cups entered into Sebastian's eyes.

E Cups, a breast cup that was 3 cups bigger than Julia's breast cup!

Situated on the two huge sized breasts were normal sized areolas and nipples that were all light pink in color.

Though, although the areolas and nipples were normal sized, and pretty much similar the same sizes as Julia's areolas and nipples, because Miuna's breasts were incredibly large, Miuna's areolas and nipples actually seemed much smaller when one was looking at Miuna's breasts as a whole.

Upon seeing that Sebastian was staring intensely at her bare breasts, Miuna couldn't help but ask in a low voice.

"So... how are my breasts? Do you not like them and think that they are too big?"

"No, no, no, why would I not like them, they aren't too big at all! Can't you see how hard my dick is right now? Miuna, you have no idea how sexy and alluring these tits of yours are!"

While speaking, Sebastian couldn't hold himself back anymore as he began squeezing onto Miuna's breasts.

Shortly after, while with his right hand squeezing onto Miuna's left breast, Sebastian lowered his head and began sucking onto Miuna's right tender light pink nipple.

Sebastian wasn't sure if it was just psychological, but when he sucked onto Miuna's nipple, although Miuna doesn't possess the capability of producing milk, he felt as if his mouth was filled with the taste of floral scented milk.

After what seemed like 5 minutes had passed, and upon seeing that Sebastian was completely engrossed in sucking her nipple...

Although Miuna was proud and glad that Sebastian seemed to be completely infatuated with her breasts...

Miuna didn't forget that her main goal today in bed was to get Sebastian to make her become his woman.

Thus, Miuna decided to wake Sebastian up from his engrossment with her breasts.

While rubbing her left hand gently onto Sebastian's right cheek, Miuna called out gently to Sebastian.

"Darling, don't tease me anymore... Quickly, make me your woman already..."

Upon hearing Miuna's voice, then did Sebastian finally came back to his senses.

After letting out a cough to hide his awkwardness, Sebastian reassured Miuna.

"Don't worry, Miuna, I will get to it right away."

As Sebastian positioned himself properly by kneeling in front of Miuna, Sebastian pulled onto Miuna's purple lacy panties and dragged the panties to the side, exposing Miuna's already wet pussy into the open air.

The moment Sebastian's eyes came into contact with Miuna's pussy, Sebastian's eyes immediately opened wide once again.

After all, not only did Miuna's pussy possessed a beautiful light pink color, but there was also completely no hair on Miuna's pussy at all.

Most importantly, looking at how smooth Miuna's pussy was, where there wasn't any bumps or light brown pigments leftover due to shaving, it was evident that she was the rare kind of woman that doesn't grow hair in her lower body!

Right as Sebastian felt that his blood seemed like it was starting to boil due to how aroused he was right now...

Miuna's following action actually caused Sebastian to almost start bleeding from his nose and go unconscious for a second.

When Miuna saw that Sebastian was staring intensely at her bare pussy, with a shy yet seductive look on her face, Miuna grabbed onto her thighs with her hands, then used her hands to pull onto her thighs and spread her legs wide open, causing her pussy to become even more wide open for Sebastian to see.

"Darling... make me your woman already... my pussy is itching for your dick..."

After Miuna finished speaking, she bit onto her lower lip and gazed seductively yet pitifully at Sebastian.

Upon seeing such a seductive woman begging to be fucked, how could any man be able to hold himself back anymore?

Thus, without any words, but just heavy breathing, Sebastian held onto his dick and placed his glans onto Miuna's pussy, then began slowly pushing his dick into Miuna's pussy.

As Sebastian pushed his dick into Miuna's pussy, it didn't take long for him to sense that his glans had come into contact with something despite the fact that he had currently only inserted a tiny bit of his dick into Miuna's pussy.

Immediately, Sebastian knew that this was Miuna's hymen.

Without hesitation, Sebastian thrust his waist forward, breaking through Miuna's hymen!

"Urgh...!"

Chapter 176: Miuna's unusualness

"Urgh...!"

The moment Sebastian's dick pierced through Miuna's hymen, Miuna lightly wrinkled her brows and let out a low painful groan.

However, despite the pain, Miuna didn't close her eyes and chose to open her eyes wide and watched as Sebastian's entire dick entered into her pussy.

Meanwhile, when Sebastian was moving his dick into the depths of Miuna's pussy, to Sebastian's surprise, the length of the inside of Miuna's pussy was actually rather long.

After all, Sebastian's dick when fully erected was roughly 7 inches long, and when Sebastian was having sex with Julia, when Sebastian's glans reached all the way into Julia's cervix and pressed hard onto Julia's cervix, there would usually be 2 to 3 inches of Sebastian's dick that remained outside of Julia's pussy.

However, in Miuna's case, right as Sebastian sensed that his glans had arrived at Miuna's cervix and was just barely able to rub onto Miuna's cervix, all 7 inches of his dick had already been completely inserted into Miuna's pussy!

Furthermore, Sebastian could clearly sense that Miuna's pussy was actually way tighter than Julia's pussy, and that Miuna's pussy walls seemed to have a life of its own, constantly wriggling around, making his dick feel like it was constantly being massaged and squeezed onto by a life-like substance.

Even when Sebastian was done inserting the entirety of his dick into Miuna's pussy, Miuna's pussy walls didn't stop wriggling around, and instead, continued wriggling around, massaging and squeezing onto Sebastian's dick despite the fact that the dick wasn't moving at all.

Upon sensing and seeing that the entirety of his dick had been completely inserted into Miuna's pussy, a slightly surprised look couldn't help but appear on Sebastian's face as he thought to himself.

"I remember hearing that a woman's vaginal canal is able to expand when they are significantly aroused. Is the reason that Miuna is able to take in my entire dick into her pussy because she is extremely aroused right now...? Or because that's just how her vaginal canal's structure is like originally...?"

"Furthermore... is this normal? The way in which the inside of Miuna's pussy feels is completely different than the way in which Julia's pussy feels... The pleasure that comes from Miuna's pussy is actually so much stronger..."

Upon thinking up to here, Sebastian raised his head, looking away from Miuna's pussy and onto Miuna's face.

Right as Sebastian's eyes came into contact with Miuna's face, Sebastian could see that there wasn't any pain on Miuna's expression right now, and instead, Miuna could be seen biting onto her lower lip with her teeth and looking seductively yet pitifully at him, seemingly to be saying, "Why aren't you moving? Start moving already, darling."

Upon seeing the seductive yet pitiful look that Miuna currently had on her face, Sebastian couldn't help but swallow his saliva, then asked just to be safe.

"Miuna, do you feel fine? Does it still hurt?"

Upon seeing the concerned look that Sebastian had on his face as he asked about how she felt, adoration appeared in Miuna's eyes, seemingly due to feeling touched that Sebastian was concerned about whether she was in pain or not.

While still grabbing onto her thighs with her hands and using her hands to help spread her legs wide open for Sebastian to be able to fuck her easier and also for Sebastian to get even more aroused by her initiative...

Miuna said seductively while with a shy look on her face.

"I'm fine, darling, you don't have to worry about me, you can start moving already..."

"My pussy is itching to feel your dick moving in and out of my pussy..."

Upon hearing what Miuna said, Sebastian couldn't help but feel as if the heat in his body was about to explode, and his dick actually began twitching, feeling like it was about to cum.

Upon sensing that he actually felt like he was about to cum just from Miuna's seduction and the constant squeezing and massaging by Miuna's pussy walls...

Sebastian quickly closed his eyes and began taking in deep breaths to calm himself down.

And while Sebastian was trying to calm himself down and hold back his urge to cum, he couldn't help but think to himself.

"Hah... hah..."

"What the hell? Something feels a bit weird..."

"After having sex with Julia, I'm confident that I'm able to last at least up 20 to 30 minutes before cumming, and yet, I almost cummed just due to how sexy and seductive Miuna was when she talked dirty to me, mixed with the pleasure that I am constantly feeling from my dick due to Miuna's pussy walls squeezing and massaging onto my dick...?"

In truth, Sebastian was right with his hunch that something was a little weird.

If Sebastian had taken the time to take a look at Miuna's stats...

Sebastian would be able to understand why not only Julia's body and appearance were extremely sexy and seductive, but even the insides of her pussy was so extraordinary compared to Julia's pussy...

From the length of her pussy being long enough to take in the entirety 7 inches of his completely erected dick...

To the way in which her pussy was able to wriggle on its own with such an amount of force that made him felt like his dick was able to cum even if he just remained his dick still within her pussy.

Meanwhile, upon seeing that Sebastian immediately closed his eyes and began taking deep breaths right after she had talked dirty to him...

A slightly worried yet confused look appeared on Miuna's face as she thought to herself, "I didn't do anything wrong, did I...?"

Right as Sebastian had managed to calm himself down and held back his urge to cum...

When Sebastian opened his eyes, he immediately saw the slightly worried yet confused look that was on Miuna's face.

"Are you fine, darling? Did I do something wrong...?"

Upon hearing what Miuna said, to hide his awkwardness, Sebastian let out a few coughs, then made up an excuse right on the spot...

Chapter 177: Cumming inside Miuna

"Cough, cough... No, no, I was just catching my breath. Don't worry, I will start moving now!"

After all, in no way was Sebastian going to let Miuna know that he almost cummed just from hearing her talked dirty to him while her pussy walls were massaging and squeezing onto his dick, and that he just barely managed to stop himself from cumming.

After taking in another deep breath, Sebastian began slowly pulling his dick out from Miuna's pussy, all the way until only his glans remained in Miuna's pussy, followed by inserting his dick all the way into the depths of Miuna's pussy.

After a few slow thrusts, Sebastian felt that he finally managed to get a little used to the pleasure that came from Miuna's pussy, and thus, he began speeding up his thrusts.

"Squish... pa... squish... pa..."

"Ah... darling... faster... your dick feels so good..."

"Squish... pa... squish... pa..."

"Ah... so this is what sex feels like... darling... faster and harder... you can be rougher with me, I can handle it..."

After just a minute or two of thrusting, with her faced flushed red and filled with lust, Miuna moaned seductively without restrain as she looked affectionately and seductively at Sebastian with her watery yet blurry eyes.

At the start, Miuna tried to hold back her moans, but after just a few thrusts, and especially when Sebastian began speeding up his thrusts, Miuna immediately felt as if her entire body was burning with lust, and when pairing that lust with the immense pleasure that she had never experienced before coming from her pussy, she couldn't help back her moans anymore, and thus, began moaning loudly without restrain.

Unbeknownst to Miuna, Sebastian was actually currently having an extremely hard time holding himself back from cumming.

Right now, Sebastian felt as if he had returned back to his first night with Julia, whereby he had just lost his virginity and wasn't able to hold back his urge to cum after just a few minutes of thrusting.

Upon hearing Miuna's loud and unrestrained seductive moans, in order to not disappoint Miuna, Sebastian decided to comply with Miuna's wishes and begin thrusting even faster and harder.

Thus, right after Miuna told Sebastian to be rougher with her, Sebastian stopped kneeling in front of Miuna, and instead, lowered his upper body forward and pressed his palms down by the sides of Miuna's waist, then slightly raised his lower body.

Once Sebastian was done changing into a new position, without hesitation, he began thrusting as hard and fast as he possibly could.

Though, as Sebastian began thrusting as hard and fast as he possibly could, not only did he closed his eyes to look away from the extremely arousing scene that was before his eyes, but he also bit down hard onto his tongue with his teeth, hoping that the pain from his tongue would be able to somehow move his attention away from the urge to cum.

Meanwhile, right as Miuna saw that Sebastian was changing positions and seemed to be intending to press his palms down by her sides, Miuna immediately recognized this position from one of the erotic books that she had read.

Thus, to make way for Sebastian, Miuna quickly moved her hands away from her thighs and lowered her legs down onto the bed.

"Pa... squish... pa... squish...!"

"Ah... ah..."

"Pa... squish... pa... squish!"

"Ah... darling... ah..."

On the bed, the sounds of Sebastian's crotch slamming into Miuna's crotch, Sebastian's dick sliding in and out of Miuna's extremely wet pussy, and Miuna's loud unrestrained sexy moans continuously rang out without stop.

After a minute or two of thrusting, unaware that Sebastian was actually already at the brim of cumming...

And wanting to help further pleasure Sebastian by using the sexual knowledge that she had learned from the erotic books and her little sister...

With her vision rather blurred due to her mind being assaulted with the feeling of immense pleasure and lust, and her eyes rather watery, seemingly as if she was on the verge of tears...

Miuna placed her hands onto Sebastian's chest, then begin to slowly rub her fingers onto Sebastian's nipples.

"Fuck...! Miuna..."

Upon sensing that his nipples were being rubbed by Miuna, Sebastian immediately let out a loud groan as he opened his eyes and gazed ardently at Miuna.

Right as Sebastian called out Miuna's name, Sebastian wanted to continue opening his mouth and tell Miuna to not rub his nipples, as he felt that he was really going to cum soon if Miuna continued on making him even more aroused than he already was by rubbing onto his nipples while with that extremely seductive look that she currently had on her face.

However, the moment Sebastian uttered Miuna's name, Sebastian immediately closed his mouth as he could feel that the urge to cum became even stronger when he tried to speak.

Thus, in the end, he decided to quickly close his eyes and just continued on biting onto his tongue and continued on with his thrusts.

On the other hand, when Miuna saw Sebastian's reaction, Miuna mistook Sebastian's reaction as that Sebastian was extremely turned on by her rubbing onto his nipples, and thus, Miuna continued on with rubbing Sebastian's nipples, and even more, from time to time, actually playfully pinched lightly onto Sebastian's nipples with her thumbs and index fingers.

During the first three times that Miuna pinched onto his nipples, Sebastian managed to hold himself back from cumming, but after the fourth time, Sebastian immediately knew that he won't be able to hold back anymore.

"Fuck... fuck... fuck... I don't think I can hold it in anymore! How long has it been since I began having sex with Miuna? Less than 10 minutes...? Shit! I can't hold my back anymore!"

Right after thinking up to here, Sebastian opened his eyes, then shouted out loudly.

"Fuck...! Miuna, I can't hold it in anymore, I'm going to cum now!"

"Yes... darling... cum inside me, shoot all your cum into my womb!"

Upon hearing what Sebastian said, Miuna instinctively wrapped her legs around Sebastian's waist, and her arms around Sebastian's neck, then pulled Sebastian's body into her body as she moaned seductively.

"Ah... darling... your cum... it's so hot... I can feel them in my womb... I love you so much... I feel so blissful right now..."

The moment Miuna sensed that a bunch of hot liquid was being shot onto her cervix, and into her womb, Miuna immediately closed her eyes and let out a loud moan while with a satisfied smile on her face.
