

PATH TO IMMORTALITY BEGINS WITH MARRIAGE

Chapter 201: Too sudden

Upon hearing what Miuna had just whispered to her, Julia's eyes immediately opened wide as she turned her face around and looked straight to Miuna while with an evidently shocked look on her face.

On the other hand, while ignoring the shocked look that was on Julia's face, Miuna walked over to Sebastian, then began pushing Sebastian toward the staircase as she said to Sebastian.

"Darling, you head to the bedroom first. You can take a shower first or something since it will take me a bit of time to return to the bedroom."

Although Sebastian was curious as to what Miuna whispered to Julia, and also curious as to why Miuna seemed to be in a hurry to get him to head to the bedroom...

Sebastian didn't question anything and merely said to Miuna.

"Alright, alright."

Upon seeing that Sebastian's figure had disappeared from the staircase, Miuna walked over to Julia's side and hugged Julia's right arm into her embrace, then hurriedly began leading Julia to Julia's bedroom that was situated at the first floor.

And while walking in quick steps toward Julia's bedroom, Miuna began speaking in a low voice to Julia, explaining the reason as to what she had just whispered into Julia's ear a while ago.

"Julia, we have to discard all our previously planned plans, there's no point in us slowly surprising Sebastian anymore."

"Instead, we should make use of this short period of time where we are Sebastian's only wives to the best that we can and make him fall completely in love with us, not just in our daily lives, but in bed too!"

"This is why I suggested that we just throw all of our misgivings away and attend to Sebastian in bed together tonight."

"I know that I'm dropping this onto you all too sudden, but you wouldn't mind it, would you, Julia?"

Right as Miuna finished speaking, Julia and Miuna could be seen to have arrived at Julia's bedroom.

Meanwhile, right after entering into the bedroom, Julia could be seen having a slightly hesitant look on her face as she said in a low voice with a slight pout.

"I wouldn't mind, but... It's really too sudden! I'm not even mentally prepared at all!"

"Do we really have to serve upon Sebastian together tonight...? Can't we do this tomorrow or a few days later instead?"

"I mean, you have to at least give me a bit of time to mentally prepare myself for the both of us having sex together with Sebastian!"

"I don't even have any clue about what I have to do to properly make Sebastian enjoy himself to the fullest while we are having a threesome with him! The books you gave me to read only had details on what to do when 2 people are having sex together, not 3 people..."

"Furthermore, the night isn't over yet, so it is still currently your wedding night with Sebastian. It wouldn't be right for me to share Sebastian with you when it is still your wedding night!"

"So... I think it would be better if you just spend this night together with just you and Sebastian, and I will sit tonight out."

In truth, Julia really didn't mind serving upon Sebastian together with Miuna, but it was indeed all too sudden, and she didn't have the time to mentally prepare herself for it at all, nor have the time to learn about what to do in a threesome, compared to when she was having normal sex with Sebastian.

After all, because of what Miuna had previously said to her, that the both of them should take their time to surprise Sebastian in bed, so that Sebastian wouldn't end up growing tired of having sex with the two of them too quickly...

She expected that it would be probably in at least a few weeks or even a few months until she and her big sister, Miuna, would have a threesome with Sebastian.

Upon hearing what Julia said, a slight frown appeared on Miuna's face as she led Julia over to the bed and sat down on the bed side by side with Julia, then began persuading Julia to serve upon Sebastian together with her tonight.

"Julia, the idea of us serving upon Sebastian together tonight didn't appear in my mind for no reason."

"You are unaware of it because you weren't there, but let me tell you, if you had seen the way in which everyone was looking fervently at Sebastian, especially Elder Zhi and Veronica, when Sebastian revealed to everyone about the immortal tier innate talent that he possesses, you would be able to see just how intensely Elder Zhi and Veronica were staring at Sebastian!"

"The way that the both of them stared intensely at Sebastian, it seemed like they were going to devour Sebastian right on the spot!"

"And if it were not for the fact that there were other people present at the scene, I'm 100% certain that Elder Zhi and Veronica would have definitely force themselves onto Sebastian right on the spot!"

Right as Miuna spoke up to here, Julia suddenly opened her mouth and asked with a confused look on her face.

"Sebastian possesses an immortal tier innate talent? What is an immortal tier innate talent? Is that better than the sperm strengthening body that Sebastian had awakened?"

Evidently, just as Miuna had said, because Julia wasn't present in the scene, Julia didn't see how intensely Ning Zhi and Veronica were staring at Sebastian, and thus, Julia didn't really feel much emotions when Miuna mentioned about the way in which Ning Zhi and Veronia were staring at Sebastian.

Instead, the only thing that Julia picked up on what Miuna had just said to her was that Sebastian had revealed to everyone that he possesses an immortal tier innate talent.

Upon hearing Julia's question, Miuna mouth could be seen opening and closing a few times, but no words ended up coming out from her mouth.

Evidently, just like Julia, Miuna was also unaware of what an immortal tier innate talent was, so let alone know just what a cultivator possessing an immortal tier innate talent actually truly means.

Immortal tier innate talent...

When a cultivator possesses an immortal tier innate talent, it not only meant that the cultivator would be able to easily cultivate to the immortal realm, but it also meant that the cultivator would be extremely strong in combat.

It didn't matter what cultivation realm the cultivator who possesses an immortal tier innate talent was at, it was almost always 100% that the cultivator would be able to easily overwhelm other cultivators who were in the same cultivation realm as them, even if the other cultivators who were in the same cultivation realm as them were much higher level than them.

Sebastian was an extremely good example.

Although Sebastian was only at level 6 of energy refining realm and possessed pretty much close to none combat experience...

With the help of his yin yang core, he managed to defeat Ye Wei with complete ease.

And yet, who was Ye Wei?

Ye Wei was a level 10 energy refining realm cultivator that came in 2nd place within the energy refining realm martial tournament that was held not too long ago by Bright Moon Sect!

Not just within Bright Moon City and Bright Moon Sect, but the multitude number of cities that were within Bright Moon Sect's territory too, Ye Wei was considered as being the 2nd strongest energy refining realm cultivator.

But nonetheless, he was still defeated easily by Sebastian, all just because of the fact that Sebastian possesses an immortal tier innate talent, the yin yang core!

And as if just possessing an immortal tier innate talent wasn't enough, Sebastian even seemed to possess an immortal realm cultivator that was looking out for him!

Thus, how could Veroncia and Ning Zhi be able to hold themselves back from staring intensely at Sebastian?

In truth, Miuna was indeed right with her speculations.

If it were not for the fact that there were other people present in the scene, Veronica and Ning Zhi would have definitely forced themselves onto Sebastian.

After opening and closing her mouth a few times, evidently because she didn't know how to answer Julia's question regarding just what an immortal tier innate talent was...

A slightly flustered look appeared on Miuna's face as she said honestly and hurriedly.

"I... I don't really know what an immortal tier innate talent is too..."

"But no matter what, the fact that the words 'immortal tier' is in it, it must mean that it is very good! After all, immortal tier is the highest tier, isn't it?!"

"Also, you are completely missing my point, Julia!"

"Is the immortal tier innate talent even the main thing that you should focus on?!"

"Elder Zhi and Veronica! The two of them are what you should be focusing on!"

With a confused look on her face, Julia asked another question, "Huh...? What about Elder Zhi and Veronica...?"

Upon seeing the confused look on Julia's face, Miuna couldn't help but think to herself as she look at Julia with a slightly disappointed look on her face as if Julia had failed to meet her expectations.

'Sigh... this little sister of mine is way too oblivious...'

'If she continues on like this, even if Sebastian is satisfied with Julia and isn't willing to take away her title as being the Force Family's main wife, I'm sure the other future women that will be marrying Sebastian wouldn't think the same way.'

'Then again... this is what I'm here for! To help Julia secure her position, and furthermore, make sure that Sebastian will always dote on me and Julia!'

Upon thinking up to here, a resolute gaze appeared in Miuna's eyes as she began explaining to Julia.

"Julia, let me tell you, with the way that both Elder Zhi and Veronica were looking at Sebastian, it definitely won't take too long for Elder Zhi and Veronica to end up becoming married to Sebastian!"

"When that time comes, do you still think we would be able to have Sebastian all to ourselves anymore?"

"Even more, when that time comes, who knows just how many days in a week will Sebastian choose to spend in bed with us, especially since there will be 2 women who are in the golden core realm to serve and fawn upon him!"

"Compared to Elder Zhi and Veronica..."

"Do you think we will be able to have a chance to contend against them for Sebastian's affection if we don't toss all our misgivings aside?"

"Julia, I'm not trying to belittle the both of us but just think about it. Besides from the fact that we have a headstart in being able to serve upon Sebastian..."

"Once Elder Zhi and Veronica had become married to Sebastian, what is there that we even possess that would allow us to contend against them for Sebastian's affection?"

"Cultivation strength? Both of them are golden core realm, and even if I'm confident that I will be able to reach golden core realm, but that is still going to take a pretty long time!"

"Cultivation resources? Evidently, they possess more cultivation resources than us, thus, they would be able to help out both Sebastian and the Force Family more than we would be able to!"

"And these are just 2 points out of many other points!"

"Now, Julia, do you understand how grave our situation is looking right now and why I wanted us to have a threesome with Sebastian tonight?"

While Miuna was speaking, a nervous look could be seen to have appeared on Julia, evidently that Julia had finally realized the point that Miuna was trying to make to her.

After Miuna finished speaking...

With a resolute look on her face, Julia nodded her head and agreed, "You are right, Miuna! Let's do it! I'm prepared now! Come on, let's head upstairs!"

Right after Julia finished speaking, Julia hurriedly stood up from the bed.

"Wait! Before we head upstairs, let's first change into..."

"Swish... swish..."

Steam clung to the bathroom's shower partition glass, and as Sebastian pushed open the shower partition glass door and walked out from the shower, swishing sounds could be heard continuously ringing out from the washing machine that was situated in the bathroom.

Within the washing machine were his and Miuna's wedding clothes, bedsheet, and bed quilt.

It must be said, Sebastian was rather surprised with how advanced the technology within the Cultivation World was.

From the washing machine to the bidet toilets and shower heater, all of them were basically identical to their counterparts within his previous world, with the only difference in that, the washing machine and other equipment in this world uses spiritual energy instead of electricity.

Right when Sebastian had transmigrated to the Cultivation World, he honestly thought that the Cultivation World's technology would be similar to the

medieval age of sorts, but evidently, he was completely wrong with his assumption.

Though, unbeknownst to Sebastian, appliances such as washing machines and shower heater...

Those were only available for rich cultivators to use, and furthermore, those appliances were only functionable for houses that possess not only a water pipe system, but also a sewage system and a treatment plant.

Typically, only big cities, sects, and families, possessed all 3 of those systems, which also meant, those appliances were usually only found and usable in big cities, sects, and families.

Evidently, Bright Moon City and Bright Moon Sect both possessed all 3 of those systems.

However, those 3 systems were only available for the Bright Moon Sect, and Bright Moon City's top district and middle district to use.

Thus, within Bright Moon City's outer district, their means to shower and going to toilet were still the same as how the people in the medieval ages do so.

...

"Hmm...?"

"Miuna?"

Right after drying his body with a towel, Sebastian wrapped the towel around his waist, then began heading out of the bathroom.

However, right as he walked out of the bathroom, he couldn't help but let out a confused mutter when he saw that the lights within the bedroom were all turned off.

Immediately, he felt that the lights must have been turned off by Miuna, which meant that Miuna had returned back to the bedroom already.

Thus, Sebastian called out to Miuna as he closed the bathroom door behind him, then began walking over to the closet so that he could take out a fresh set of clothes to wear.

However, right as he had just took a few steps forward to the closet, his eyes came across the bed.

The moment his eyes came across the bed, he saw that Miuna was currently lying on the bed and covering her entire body, from her toes to her nose, with the new bed quilt that he had placed on the bed a while ago.

"Darling... come over..."

With her hands grabbing onto the bed quilt, and her eyes situated right above the bed quilt, Miuna called out to Sebastian with a shy voice while looking affectionately at Sebastian.

Upon hearing Miuna called out to him, Sebastian changed his trajectory from the closet to the bed.

And right when Sebastian had arrived at the bed...

With the help of the moonlight illuminating onto the bed, Sebastian realized that there was a small mound situated right beside Miuna.

Evidently, something was hidden in the quilt by Miuna.

Upon seeing that Sebastian had arrived at the bed, Miuna said shyly with her face red.

"Darling, I have a big surprise for you."

"Is that so? What is it?"

With a smile on his face, Sebastian asked as he began getting onto the bed.

However, right before Sebastian was about to get onto the bed, Miuna stopped him from doing so.

"Wait! Don't get onto the bed yet!"

"Darling, close your eyes first!"

Upon hearing what Miuna said...

Although Sebastian was a little confused as to what Miuna was up to, Sebastian followed along with what Miuna told him to do.

While standing beside the bed, Sebastian closed his eyes.

Right as Sebastian closed his eyes, he could hear the rustling sound of bed quilt ringing out...

And not long after, he sensed his left arm being held onto by Miuna's left hand, and his back being held onto by Miuna's right hand.

"Darling, continue keeping your eyes closed, okay?"

"Got it, got it, don't worry, I won't open my eyes until you tell me to do so."

With his eyes closed, Sebastian was guided to lie down on the middle of the bed by Miuna.

To be honest, right as Sebastian lied down on the middle of the bed, he was immediately able to somewhat guess what Miuna's big surprise was.

After all, Miuna and Julia both possessed a very evident kind of body fragrance, whereby Miuna possessed a rose-like body fragrance, while Julia possessed a lavender-like body fragrance.

Right when Sebastian had lied down on the middle of the bed...

Aside from the rose-like fragrance that he could constantly smell drifting into his nose, which was evidently Miuna's body fragrance...

He suddenly smelled another fragrance drifting into his nose, which was a lavender-like fragrance.

Upon smelling the lavender-like fragrance, and pairing with the small mound that he had saw a while ago...

Sebastian immediately became pretty sure that the small mound was most likely Julia who was curled into a fetus position while she was hiding under the bed quilt.

'This fragrance... isn't this the body fragrance that Julia's body emits out ...?'

'The small mound that was hidden under the bed quilt right beside Miuna... it's Julia, isn't it...?'

'Wait... Miuna said she had a big surprise for me... Her big surprise isn't what I'm thinking of, is it?!'

'A threesome?!'

Upon thinking up to here, Sebastian could feel his heart began beating at an incredibly fast speed.

"Darling, you can open your eyes now."

Right as Sebastian opened his eyes...

His eyes immediately opened wide with shock.

After all, right before his eyes...

Two beautiful women who were dressed in extremely sex lingerie were currently standing on the bed and looking shyly at him.

"Darling... what do you think of this big surprise?"

"Do you like it?"

Upon seeing that Sebastian was looking at her and her little sister with his eyes opened wide with shock, a seductive yet shy grin appeared on her face as she asked shyly with her face red.

Before Sebastian eyes...

Miuna was dressed in an extremely sexy looking purple lingerie, whereby the bra was a lacy bra that had a hole made onto each of the bra's cups, causing Miuna's light pink nipples to become completely exposed to the air.

As for the panties, they were lacy string thong panties.

Looking at the lacy string thong panties, it was basically just a tiny piece of cloth that was held together by 2 thin cloths, with 1 of the thin cloths connecting to the sides of the tiny piece of cloth, while 1 of the other thin cloth connecting to the bottom of the tiny piece of cloth and the middle of the other thin cloth.

Furthermore, similar to the bra that had a cut made on each of the bra's cups...

The lacy string thong panties also had a cut made on it.

At the middle of the lacy string thong panties, a cut was made on it, causing Miuna's pussy to become completely exposed to the air.

Julia was dressed in the same kind of sexy lingerie as Miuna, just that, Julia's lingerie was pink in color.

Because Sebastian was currently lying on the bed, while Julia and Miuna were currently standing right in front of him on the bed...

It meant that Julia and Miuna's bodies were both basically towering over him, and he had to look upward at them.

From Sebastian's point of view, he was able to clearly see both Julia and Miuna's exposed pussies.

Looking at Julia and Miuna's pussies, he could see that Julia's pussy possessed a small bush right above her pussy, and that Julia's pussy formed a gapless single line, whereby her outer lips were closed tightly together, causing her inner pussy lips to be completely hidden by her outer pussy lips.

Meanwhile, Miuna's pussy was completely smooth without a single pubic hair on it, and although Miuna's pussy also formed a gapless single line just like Julia's pussy did...

Miuna's outer pussy lips were actually rather plump, causing her pussy to bulge out slightly when compared to Julia's pussy.

"Gulp..."

Upon seeing the extremely alluring and blood boiling scene before him, Sebastian couldn't help but swallow his saliva as his dick became completely erected, forming a mound onto his towel that was still covering onto his lower body.

Although Sebastian didn't answer her question, just from Sebastian's reaction, Miuna was aware that Sebastian was definitely extremely fond of this big surprise of hers.

"Darling... Julia and I will serve you tonight..."

Right as Miuna finished speaking...

Miuna pulled onto Julia, then began kneeling down onto the bed...

Right as Miuna and Julia kneeled down onto the bed, the two of them began crawling to Sebastian's sides.

Upon arriving at Sebastian's sides, Miuna was situated on Sebastian's left side, while Julia was situated on Sebastian's right side.

Upon coming into positions, the two of them looked into each other's eyes, and a resolute look appeared on their faces as the two of them gave a light nod to each other, then began with the first part of their plan to pleasure Sebastian, which the both of them had planned together beforehand.

On Miuna's side, Miuna could be seen moving her head over to Sebastian's left ear, then whispered seductively into Sebastian's left ear.

"Darling, you don't have to do anything tonight, just lie down obediently and Miuna and I will do our best to pleasure you, okay?"

"O... okay. Hmm..."

Sebastian said with a hoarse voice, followed by letting out a light groan due to his completely erected dick being licked and stroked onto by Julia.

Looking at Sebastian's lower body, the towel that he had wrapped around his waist with was already removed by Julia, causing his erected dick to become completely exposed to the open air...

And Julia was currently kneeling on the right side of Sebastian's crotch, with her upper body bent forward, extending out her seductive tongue, licking the tip of her seductive tongue onto Sebastian's glans, followed by taking the glans into her mouth, then began sucking hard and licking onto the glans, while at the same time, both of her delicate white hands were gently stroking onto the dick's body.

Because Julia had already drooled her saliva onto the dick and covered both the dick's glans and dick's body with her saliva right before she had even begin licking onto the glans and stroking onto the dick's body with her hands, she was able to stroke onto the dick's body smoothly and easily with her hands.

Meanwhile, right as Sebastian let out a groan, Miuna began licking onto Sebastian's left ear, followed by moving her tongue downward of Sebastian's left ear, all the way till her tongue arrived at Sebastian's left nipple.

The moment Miuna's tongue arrived at the left nipple, Miuna began twirling her tongue around the areola first for a few times, before finally licking onto the nipple.

At the same time, her right hand was placed onto Sebastian's chest and rubbing gently onto Sebastian's chest, while her left hand was placed onto Sebastian's left nipple, gently rubbing onto the left nipple with her left thumb and left index finger, and even gently pinching onto the left nipple from time to time.

"Ah... Fuck..."

Upon sensing that his nipples and dick were being pleased by Miuna and Julia, Sebastian couldn't help but close his eyes and let out a deep groan.

Leaving aside the pleasure that he was sensing coming from his dick and nipples, the current thing that was causing him to feel most excited was the fact that he was having a threesome with Julia and Miuna.

Right at this moment, Sebastian could sense that his heartbeat was beating incredibly fast, probably even slightly faster than when he was having his first nights with Julia and Miuna.

In truth, Sebastian never expected to be able to have a threesome with Julia and Miuna so quickly, thus, Sebastian was honestly extremely shocked when he saw Miuna and Julia standing on the bed with extremely sexy lingerie worn on their bodies.

Meanwhile, upon seeing Sebastian's reaction, Miuna and Julia immediately knew that they were doing great in pleasuring Sebastian, thus, feeling motivated, they began trying harder in pleasuring Sebastian.

Julia began sucking even harder onto the glans than she already was, causing her cheeks to sink into her mouth.

As for Miuna, she moved her right hand over to Sebastian's left hand and grabbed onto the left hand, then pulled the left hand over to her right breast.

Right as Sebastian's left hand came into contact with Miuna's right breast, Sebastian subconsciously squeezed onto the right breast with his left hand, then quickly opened his eyes and looked over to Miuna.

Upon seeing Sebastian looked over to her, Miuna removed the left nipple from her mouth, then said seductively to Sebastian.

"Darling, you can go ahead and play with my boobs."

"Gulp..."

Despite the inside of his mouth already feeling like it was extremely dry, Sebastian couldn't help but swallow another mouth of saliva when he opened his eyes and began to properly examine the extremely alluring view that was before him.

From Sebastian's point of view, Miuna's huge E-cup breasts were hanging down from her chests due to her upper body bending forward, and her light pink nipples were peeping out from the lingerie bra's open cuts, while her huge buttocks formed a seductive arc on her lower body.

Meanwhile, although Julia's breasts were only B-cup, since Julia was also currently kneeling and bending her upper body forward, Julia breasts were also hanging down from her chest, and similar to Miuna, Julia's light pink nipples were exposed thanks to the lingerie's bra open cuts, and her buttocks also formed a seductive arc on her lower body.

Though, because their breasts were still being covered and held onto by their bras, their breasts didn't hang down as low as they possibly could.

When comparing the two's figures, Julia's figure was definitely beautiful and alluring, but when compared to Miuna's figure, Julia's figure was evidently paling by a lot in comparison.

"Slurp...! slurp...!"

"Slurp... slurp..."

"Hah... hah..."

For the next 10 minutes, the sounds of Julia sucking loudly onto Sebastian's dick, Miuna sucking onto Sebastian's left nipple, and Sebastian's groans continuously rang out within the bedroom.

Ever since 7 minutes had passed since Julia had began sucking onto his dick, seemingly to be unable to withstand continuing on looking at the alluring scene before him, or else, he would have most likely cummed soon, Sebastian quickly closed his eyes.

However, the moment 10 minutes had passed...

Chapter 205: Pinky promise

However, the moment 10 minutes had passed...

Most probably due to the immense excitement that he felt from being pleased by two beautiful sisters who were blood-related to each other, Sebastian couldn't hold back his urge to cum anymore.

With his left hand squeezing hard onto Miuna's right breast, and his right hand grabbing tightly onto the bedsheet, Sebastian opened his eyes and shouted out.

"Fuck... Julia, I'm cumming!"

Before Sebastian had even shouted out that he was cumming, Julia was already aware that Sebastian was already close to cumming due to his dick constantly twitching and getting even hotter than it already was.

Thus, right when Sebastian shouted out that he was cumming, Julia could be seen leisurely retracting her head backward, all the way until only the glans remained in her mouth, then began doing a vacuum blowjob onto the glans, sucking extremely hard onto the glans with her mouth as she constantly swept her tongue all around the glans.

As cum began shooting out from the dick's peehole, Julia continuously swallowed all of the cum that was shot into her mouth, all the way until the dick stopped cumming.

Upon sensing that the dick had stopped cumming, Julia gave one last hard suck onto the glans, then began digging the tip of her tongue into the dick's peehole, evidently trying to scrape out all of the remaining cum that was still in the peehole.

"Ah... shit! Julia, where did you learn to do this?"

Upon sensing that the tip of Julia's tongue was digging slightly into his peehole, a strange yet extremely pleasurable feeling that he had never felt before immediately assaulted his senses, and he couldn't but raised his lower hip upward slightly as he arched his back due to the pleasure that he was feeling.

This was something that was taught to Julia by Miuna a while ago, though, Miuna herself had yet to try doing this herself.

Upon seeing Sebastian's reaction, although Julia felt that Sebastian most likely enjoyed what she was currently doing...

Just to be safe, Julia immediately took the glans out from her mouth, then while still continuing on stroking onto the dick's body, so that she could get the dick to become fully erected once again as soon as possible, she asked Sebastian as she looked over to the side, into Sebastian's direction.

"Miuna taught me this a while ago. How does it feel? Do you like it? Or should I stop?"

"It's fine. It feels a bit strange, but it feels good. You can continue, Julia."

"En..."

Upon hearing Sebastian's answer, Julia moved her face back onto the dick, then took the dick's glans into her mouth and began digging her tongue into the dick's peehole once again, while at the same time, continued on with her vacuum blowjob, whereby she sucked hard onto the glans, to the point that her cheeks caved into her mouth.

"Ah..."

"Miuna, if Julia learned that from you, where did you learn that from? I don't remember you doing that when you gave me a blowjob just now."

After letting out a moan when he sensed that Julia's tongue had once again entered into his dick's peehole, Sebastian looked over to Miuna, then said with a wry smile on his face as he squeezed onto Miuna's right breast while rubbing his left thumb and left index finger onto Miuna's light pink cherry-like right nipple.

"Where else but the erotic books that the dual-cultivation department's store sells."

"If I don't learn how to pleasure a certain someone to the best that I can, once a certain someone gets married to even more women, I wonder if this certain someone would even bother spending time in bed with me and my sister anymore."

Upon hearing Sebastian's question, an adorable yet seductive pout appeared on Miuna's face as she lied down right beside Sebastian, then said to Sebastian while looking directly into Sebastian's eyes and twirling circles onto Sebastian's chest with her left index finger.

Although Sebastian was a little confused as to why Miuna would even think that when he had been showering both her and Julia with all of his affection, Sebastian didn't think too much about it as he said immediately with a solemn look on his face.

"Why would you even think that. Isn't it obvious just how much I love the both of you sisters?"

Upon speaking up to here, for the sake of reassuring both Julia and Miuna, Sebastian made a promise to both Julia and Miuna.

"Look, Miuna, I promise to both you and Julia, no matter how many women I have in the future, the positions that the two of you will have in my heart will never change, and I will make sure to spend time with both you and Julia."

"Now, with this, do you feel reassured?"

Upon hearing what Sebastian said, a touched look immediately appeared on Miuna's face, and right after gazing affectionately at Sebastian's face, she hurriedly held her left pinky in the front of Sebastian's face and said coquettishly with a wide smile on her face.

In truth, Miuna didn't expect that Sebastian would make a promise to both her and Julia just for the sake of reassuring the both of them, especially when factoring in how grand Sebastian's identity was currently when compared to her and Julia's identities.

Furthermore, she was just merely complaining playfully when she said what she had just said to Sebastian a while ago and didn't expect that Sebastian would take her words so seriously.

Thus, she was rather surprised when she heard Sebastian made a promise to both her and Julia.

"Pinky promise?"

Upon seeing the pinky that was before his eyes, a smile appeared on Sebastian as he wrapped his right pinky onto Miuna's left pinky, then said.

"Pinky promise."

Right as Sebastian had made a pinky promise to Miuna, the affection and tenderness within Miuna's eyes immediately seemed as if they were going to leak out from Miuna's eyes any time soon, and right when Miuna was about to kiss onto Sebastian's lips...

Chapter 206: Julia's orgasm

Julia's voice suddenly rang out loudly in the bedroom.

Looking at Julia, Julia could be seen quickly removing the dick out from her mouth, then hurriedly crawled over to Sebastian while shouting out.

"Darling! Me too, me too! Don't forget about me!"

"Pinky promise?"

Upon arriving at Sebastian's side, Julia looked at Sebastian with a look of anticipation on her face, then said to Sebastian as she stretched out her right pinky to the front of Sebastian.

Evidently, Julia didn't want to be left out of the pinky promise pact.

Upon seeing Julia's reaction, Sebastian couldn't help but shake his head and let out a light laugh, then extended out his right pinky and hooked his right pinky onto Julia's right pinky.

"Alright, alright. Here, pinky promise. Satisfied now?"

"Hehe."

Upon seeing that Sebastian made a pinky promise pact with her too, a wide smile appeared on Julia's face as she let out a giggle.

If Sebastian were to take a look at Julia's affection right now, he would be able to see...

[Affection toward the host: 95/100]

That's right, Julia's affection toward Sebastian had already reached 95, and with just 5 more affection points, he would be able to get Julia's affection toward him to reach 100 affection points!

From the looks of things, it won't take too long for Sebastian to have another woman who possesses 100 affection points toward him.

And naturally, once Sebastian gained another woman who possesses 100 affection points toward him, it meant that Sebastian was going to be able to

gain more allocable exp points and family territory's construction points per day.

Right upon obtaining what she wanted from Sebastian, which was for Sebastian to make a pinky promise with her too, Julia began crawling back to Sebastian's crotch area, followed by licking and sucking onto Sebastian's dick once again, intending to get Sebastian's dick to become fully erect, so that she could start with pleasuring Sebastian by using her gapless single line pussy.

In just a minute or two, although Sebastian had only cummed just a while ago, thanks to Julia's blowjob, Sebastian's dick was once again revitalized and had become completely erected.

Upon sensing that the dick in her mouth had become completely hard, Julia spat the dick out from her mouth, then straddled Sebastian's crotch area.

Looking at Julia right now, she could be seen to be squatting on top of Sebastian's crotch with her pussy situated right above Sebastian's dick, while with her left hand holding onto Sebastian's dick, and her right hand pressing onto Sebastian's stomach so that she could properly balance her body.

Slowly, Julia began squatting downward and inserting the dick that she was holding with her left hand into her pussy.

"Ah..."

The moment the glans had entered into Julia's pussy, Julia couldn't help but squint her eyes slightly as she let out a light moan, then stopped holding onto the dick with her left hand and placed her left hand onto Sebastian's stomach.

With both of her hands pressing onto Sebastian's stomach, Julia continued squatting downward, all the way until the dick's glans kissed onto her cervix.

"Ah...!"

Right as the dick's glans kissed onto her cervix, Julia immediately closed her eyes and let out a loud satisfied moan as she thought to herself.

'Ah... it feels the best when my pussy is completely stuffed with darling's dick, and the dick's glans is pressing right onto my cervix...'

After Julia was done with her thoughts and had gotten adjusted to the pleasure of having her cervix pressed onto by the dick's glans, Julia began moving her hips up and down.

"Pa... pa... pa..."

"Ah... ah..."

"Squish... squish..."

Immediately, the sounds of Julia's decently plump butt cheeks smacking onto Sebastian's thighs, Julia's wet and tight pussy being pounded by Sebastian's dick, and Julia's unrestrained moans continuously ringing out in the bedroom.

Meanwhile, looking at the side that Miuna was at, which was the top part of Sebastian's body...

Sebastian could be seen to be currently lying his head onto Miuna's thighs, and his mouth and tongue were sucking and licking onto Miuna's left nipple and left areola like a baby, while his left hand and right hand were squeezing and fondling onto both of Miuna's huge seductive E-cup breasts.

It was no wonder why Sebastian didn't let out any groans when Julia had taken his dick into her pussy and began riding onto his dick with a cowgirl position.

After all, his mouth was currently preoccupied with Miuna's left breast.

Every time when Sebastian would squeeze hard onto Miuna's huge breasts, the meat of Miuna's huge breasts would seep out from the gaps of Sebastian's fingers...

And looking at how hard Sebastian was sucking onto Miuna's left nipple, it seemed as if he was trying to suck out the milk that was contained within Miuna's left breast...

Though, evidently, there wasn't any milk contained within Miuna's left breast since it hasn't even been long that Sebastian had managed to inseminate Miuna.

All the while, Miuna could be seen rubbing her left hand gently onto Sebastian's chest, while her right hand was gently massaging onto Sebastian's head.

'This must be what heaven feels like...'

While squeezing, fondling, licking, and sucking onto the seductive huge breasts before him, and sensing the pleasure that was coming from his dick, Sebastian couldn't help but mumble to himself in his own mind.

After what seemed like a total of 7 minutes had passed since Julia had began riding onto Sebastian's dick with her pussy, Julia finally arrived at her first orgasm.

"Ah... this feels so good...!"

"Darling, your dick feels too good, I'm cumming..."

"Ah...!"

Right as Julia came to an orgasm, she immediately let out a huge moan as she squatted her hips as low as she possibly could, taking the dick as deep as she possibly could into her pussy, then began twirling her hips around and get

the glans to rub onto her cervix, so that she could maximize the pleasure that she was feeling while she was cumming.

Chapter 207: Julia crawling on all fours

On the other hand...

The moment Julia came to an orgasm...

Sebastian immediately sensed that Julia's pussy walls were convulsing and squeezing even tighter than it already was onto his dick, followed by Julia's pussy juice being shot out from her pussy and splashing right onto his glans.

Furthermore, as if just those were not enough, Julia even began twirling her hips at an incredibly fast speed, causing an immense amount of pleasure to appear on his glans due to the mixture of his glans being grinded onto by Julia's cervix, and Julia's pussy juice splashing onto his glans with a decent amount of force.

To be honest, if not for the fact that Sebastian had already experienced multiple times just how Julia's pussy feels whenever Julia reaches an orgasm...

Upon sensing this mixture of immense pleasure coming from his dick, Sebastian would have definitely cummed immediately a few seconds after Julia had begun twirling her hips.

Though, the most important reason that Sebastian had managed to hold himself back from cumming was actually due to having experienced Miuna's pussy.

After all, compared to the immense pleasure that Miuna's pussy was able to provide, the pleasure that Julia's pussy was able to provide was pretty minuscule in comparison.

Then again, the reason that Miuna's pussy feels so incredibly good was mainly due to the fact that she possesses the holy physique, devouring lotus physique.

After all, the devouring lotus physique was a physique that specializes in getting strong by dual-cultivation...

And for the sake of being able to easily overwhelm male cultivators during dual-cultivation sessions, not only did the bearers of the devouring lotus

physique possess incredibly sexy and alluring figures, but their pussies were also able to pleasure and make men's dicks cum way faster than any normal female cultivators would be able to.

"Hah... hah... hah..."

After Julia was done cumming, Julia's legs immediately gave in and kneeled down onto the bed, while her upper body collapsed powerlessly onto Sebastian's stomach.

Upon seeing that her little sister was done with her orgasm, and from the looks of things, Sebastian still hasn't cummed yet...

While looking affectionately at Sebastian, Miuna said gently to Sebastian who was sucking even harder onto her left breast due to the immense pleasure that he was feeling coming from his dick.

"Darling, look at Julia, she seems to be too tired to move anymore."

"So, how about you take the lead in moving now?"

"Come on, darling, get up, I will help you out."

"You have to make sure to cum inside of Julia first before I can have my turn, okay?"

In honesty, upon seeing that Julia was done with her orgasm and had collapsed powerlessly onto his stomach, he was intending to take out his dick from Julia's pussy and began having sex with Miuna.

However, upon hearing what Miuna said, whereby she evidently wanted him to cum inside of Julia first before the both of them could finally have their turn to have sex together...

Although Sebastian didn't understand why Miuna wanted him to cum inside of Julia's pussy first, Sebastian obediently obliged with Miuna's wishes.

In truth, the reason that Miuna wanted Sebastian to cum inside of Julia's pussy first was because Miuna was aware that Sebastian was able to help his women get stronger by cumming inside them, thus, she wanted Sebastian to cum inside of Julia's pussy and help make Julia become stronger.

Honestly, now that Miuna had already been inseminated by Sebastian...

If possible, Miuna would much prefer it if Sebastian would only focus on cumming inside of Julia's pussy.

After all, now that she had managed to reach the foundation establishment realm thanks to Sebastian's help, she hopes that her little sister would be able to reach the foundation establishment realm soon too with Sebastian's help.

After removing his mouth from Miuna's left breast, Sebastian gave a smooch onto Miuna's lips, then began sitting his upper body straight up.

After sitting his upper body straight up, Sebastian placed his hands right below Julia's armpits, then said to Julia as he turned Julia's body around.

"Julia, crawl on your fours, I want to fuck you from behind."

"En..."

Upon hearing what Sebastian said...

Right as Julia's body had been turned around by Sebastian, Julia let out a soft groan in response, then obediently crawled on the bed with all four of her limbs.

"Smooch... slurp... smooch... slurp..."

"Darling, let me help you out with inserting your dick into Julia's pussy."

While Sebastian was repositioning his body, Miuna was constantly kissing her lips all around Sebastian's neck, and every time she kissed her lips onto Sebastian's neck, she would suck gently onto Sebastian's neck.

And right as Sebastian was done repositioning his body, whereby he was kneeling right behind Julia's crotch, while Julia was crawling all fours in front of him like a bitch in heat...

Miuna whispered seductively to Sebastian as she moved behind Sebastian, then pressed her breasts onto Sebastian's back and wrapped her arms around Sebastian's lower waist, followed by grabbing onto the base of his dick with her left hand.

Upon seeing that his dick was held onto by Miuna's left hand, Sebastian grabbed onto Julia's butt cheeks with his hands, then began pulling Julia's lower body closer toward him, while at the same time, thrusting his waist slightly forward, all the way until his glans had been inserted into Julia's pussy.

Looking at the beautiful decently plump butt cheeks before him, and the sexy pink thong's extremely thin cloth that sunk into Julia's butt crack, Sebastian couldn't help but smack his right palm onto Julia's left butt cheek without holding back any of his strength.

"Ah... Darling..."

Immediately, Julia let out a painful yet pleasurable moan from her mouth as she called out to Sebastian.

Also, a red handprint could be seen to have appeared onto Julia's left butt cheek, which was extremely visible due to how white Julia's skin was.

Upon seeing the red handprint, Sebastian couldn't help but begin squeezing and rubbing onto the left butt cheek, specifically the spot in which the red handprint appeared on.

"Hmm... Darling... fuck me already..."

Chapter 208: Julia is a masochist

"Hmm... Darling... fuck me already..."

Upon sensing that Sebastian seemed to be focused on squeezing and rubbing onto her right butt cheek with his right hand, and doesn't seem to be intending to insert the rest of his dick into her pussy any time soon...

Julia who was basically like a bitch in heat began twirling her butt around as she turned her head around and said coquettishly with her lips pouted.

Furthermore, while twirling her butt around...

When she felt the pleasure that came from the dick's glans scraping onto her pussy walls due to her twirling her butt around, she couldn't help but let out a loud moan...

Then, seemingly to be unable to wait anymore, Julia began moving her butt backward, evidently intending to try and take the dick into her pussy by herself.

Unfortunately for Julia, right as she had just moved her butt slightly backward and took a few inches of the dick into her pussy...

Sebastian suddenly squeezed tightly onto Julia's butt cheeks with his hands and tightened his grip onto Julia's lower body, then held Julia's lower body completely still, causing Julia's lower body to be unable to move anymore...

Followed by retracting his waist slightly backward, pulling out the few inches of his dick that had entered into Julia's pussy out from Julia's pussy, until only his dick's glans remained within Julia's pussy once again.

"Hmm... Darling, give it to me already, don't tease me..."

Upon sensing that Sebastian's was holding tightly onto her lower body, causing her to be unable to move her lower body unless she were to struggle, which she obviously wouldn't do, as she was currently basically Sebastian's obedient little bitch...

And also sensing that Sebastian was removing his dick out from her pussy, all the way until his dick's glans remained in her pussy, which was basically the same situation as right before she took the initiative to move her butt backward and take Sebastian's dick into her pussy by herself...

Julia immediately pouted her lips even harder than before as she grumbled coquettishly while looking at Sebastian with puppy eyes.

"Pa!"

"Hmm...!"

However, faced with Julia's puppy eyes, a teasing grin appeared on Sebastian's face as he smacked his right palm once again onto Julia's right butt cheek without holding back his strength, causing Julia's right butt cheek to become even redder than it already was.

Immediately as Julia's right butt cheek was smacked onto by Sebastian once again, Julia let out another painful yet pleasurable loud moan.

However, despite the pain, Julia still continued looking at Sebastian with puppy eyes.

And most probably because of the pain, the puppy eyes that Julia was making with her eyes became slightly watery.

"Julia, you have to tell me clearly just what is it that you want."

"What did you mean when you said that you want me to give it to you already? What is the 'it' that you are referring to? Hmm?"

"Pa!"

"Hmm...!"

With a teasing grin on his face, Sebastian said teasingly as he continued on with smacking his right palm onto Julia's right butt cheek, while at the same time, began gently twirling his hips, scraping his glans around Julia's pussy walls that were obviously convulsing and tightening every time he had smacked his right palm onto Julia's right butt cheek.

Upon hearing what Sebastian said, and seeing the teasing look that Sebastian had on his face, Julia immediately knew that Sebastian was trying to tease her.

Though, after having multiple rounds of sex with Sebastian, different from when Julia had her first night with Sebastian, whereby she behaved extremely shame, the current Julia already practically possessed no shame when she was having sex with Sebastian.

Thus, right as Sebastian finished speaking...

Without hesitation and without any shame on her face, Julia said hurriedly while with her lips pouted and her eyes looking seductively into Sebastian's eyes.

"Darling! I want your dick! I want you to insert and push your dick all the way into my pussy's depths!"

"Darling, quickly! Your Julia wants you to fuck her pussy without any mercy!"

Right as Julia finished speaking, Sebastian said.

"Something like... this?"

"Pa!"

"Ah...!"

Right as Sebastian finished speaking, Sebastian suddenly thrust his waist forward, causing a loud smacking sound to ring out as his pelvis slammed right into Julia's decently plump butt cheek...

And seemingly to be because of the mixture of pleasure and pain that came from her right butt cheek being smacked continuously without mercy by Sebastian...

The moment Julia sensed that the dick within her pussy thrust forward, followed by the dick's glans pressing extremely hard onto her cervix, she actually came to another orgasm!

Immediately as Julia came to an orgasm, Julia let out a loud moan as her upper body collapsed powerlessly onto the bed.

Though, because her butt cheeks were still being grabbed onto by Sebastian's hands, Julia's lower body remained in the position it was originally in and didn't collapse powerlessly onto the bed as her upper body did.

"Fuck... Julia, you actually came already?!"

Ever since Sebastian had tried fucking Julia from behind, Sebastian had found out that Julia actually seemed to be a masochist, whereby, while he was thrusting his dick in and out of Julia's pussy, she would cum incredibly fast if he were to continuously smack his palms onto her decently sized butt cheeks, or if he were to pinch incredibly hard onto her seductive pretty little light pink nipples.

Though, it was still the first time that he had seen Julia cummed just from him thrusting his dick a single time into her pussy.

'Is it because I continuously smacked onto the same spot of her right butt cheek, and the pain ended up being so pleasurable that she came just from me thrusting my dick a single time into her pussy and pressing my dick's glans onto her cervix...?'

While sensing his dick being squeezed tightly onto by Julia's pussy, and Julia's pussy juice once again splashing onto his dick's glans, Sebastian couldn't help but curse out due to the pleasure that was coming from his dick.

Chapter 209: Miuna's misunderstanding

Upon hearing Sebastian's surprised voice ringing out from behind her...

Seemingly to be feeling a little embarrassed that she had actually ended up cumming just from a single thrust of Sebastian's dick...

Julia buried her face into her arms as her orgasm continued, and her body trembled continuously due to the immense pleasure that she was currently feeling due to her orgasm.

"Pa!"

"Julia, why are you so fucking slutty?"

"When I first met you, I honestly thought that you were the reserved and honest kind of girl."

"Pa!"

"But who knew, you ended up being such a naughty and horny bitch."

"Pa!"

"Tell me, Julia, do you think you should be punished for deceiving me with your appearance?"

"Pa!"

While waiting for Julia to recover from her orgasm, Sebastian said teasingly to Julia as he continued on with smacking his right palm onto Julia's right butt cheek, and every time he smacked onto Julia's right butt cheek, he could feel Julia's pussy walls convulsing and squeezing even tighter onto his dick for a few seconds.

It was as if Julia's right butt cheek had a built-in button that allows her pussy walls to convulse and squeeze tightly every time the button was pressed onto.

Though, because Sebastian had been smacking onto Julia's right butt cheek without stop for quite a while already...

Looking at Julia's right butt cheek right now, multiple handprints could be seen to have been imprinted onto the middle of Julia's right butt cheek...

And judging from how incredibly red the middle of Julia's right butt cheek was right now...

It has to be wonder if the right butt cheek would actually soon start bleeding if Sebastian continued on slapping his right palm without mercy onto the right butt cheek.

Meanwhile, Miuna, who had been gently massaging onto both of Sebastian's testicles with her delicate and smooth white hands, while sucking and licking onto Sebastian's nipples...

When she saw that Julia's right butt cheek seemed like it was about to start bleeding, and yet, Sebastian doesn't seem to be stopping with slapping his right palm onto the right butt cheek...

Miuna removed her mouth from Sebastian's right nipple, then said gently to Sebastian as she raised her head upward and looked at Sebastian's face.

"Darling... Julia's right butt cheek is going to start bleeding if you continue smacking onto her right butt cheek like this..."

"So, darling... how about you switch to hitting Julia's left butt cheek instead and let Julia's right butt cheek take some time to recover...?"

"If not... how about I let you smack onto my butt cheeks instead? My butt cheeks are way plumper than Julia's butt cheeks, so I'm sure you would definitely enjoy smacking onto my butt cheeks way more than smacking onto Julia's butt cheeks."

Upon speaking up to here, Miuna then said seductively, "Furthermore, I will allow you to smack as hard and as much as you want onto my butt cheeks, even if they end up bleeding."

Upon hearing Miuna speak, Sebastian subconsciously looked over to Miuna, and immediately, he saw the slightly worried look and puppy eyes that Miuna currently had on her face.

Upon seeing the slightly worried look and puppy eyes that Miuna had on her face...

And pairing with the fact that Miuna was obviously pleading him to stop hurting Julia...

Sebastian immediately knew that Miuna must have come to a wrong idea about him, whereby he possesses the fetish of abusing his women or something, but because he was their husband, instead of demanding him to stop abusing Julia, Miuna merely pleaded to him with puppy eyes on her face, hoping that he would find it in his heart to stop abusing Julia.

Furthermore, she even offered her own butt cheeks to Sebastian, in hopes that she would be able to move Sebastian's attention away from Julia's butt cheeks.

Though, honestly, because of Miuna's 100 affection points toward Sebastian, if Sebastian really possesses a fetish of abusing his women and ended up ignoring her pleading, she would actually just allowed Sebastian to continue doing whatever he was doing right now.

"Cough, cough..."

After letting out a cough, an awkward expression appeared on Sebastian's face as he hurriedly explained himself.

"Miuna, I think you have the wrong idea..."

"I admit I do sort of enjoy doing this... But the main reason I'm doing this is because this is what Julia likes. Previously after I had fucked Julia from behind, Julia has constantly been requesting me to do this to her whenever I am fucking her from behind."

Upon speaking up to here, seemingly to be afraid that Miuna wouldn't believe him, Sebastian hurriedly tapped his right hand continuously onto Julia's right butt cheek, then said hurriedly.

"Hey, Julia! I know that you are able to hear what your big sister just said to me!"

"Instead of remaining silent, shouldn't you quickly explain the reason for this situation to your big sister?!"

In truth, Julia had indeed heard what her big sister said, but because Julia wanted to remain in the current position that she was in and continue on enjoying the lingering pleasure from her latest orgasm...

Julia chose to ignore what Miuna had said.

In any case, Julia felt that there was no rush, and she could just explain to Miuna after she was done enjoying the lingering pleasure from her latest orgasm.

However, upon hearing Sebastian calling out to her, and that Sebastian's voice was evidently filled with anxiousness, Julia decided to explain to her big sister right now.

Though, because her entire body still felt a little powerless right now due to having just arrived at an orgasm a while ago...

Julia could be seen merely lifting her head up from her arms, then turned her head around slightly and said while with her eyes closed.

"Miuna, don't worry, Sebastian is telling the truth."

"It feels extremely good for me when Sebastian smacks my butt cheeks continuously without holding back his strength."

"Darling, you can ignore big sister and continue smacking onto my right butt cheek with your right hand..."

"Darling, you can ignore big sister and continue smacking onto my right butt cheek with your right hand, there's no need to show any mercy to this naughty little slut of yours."

Upon speaking up to here, Julia opened her eyes and looked seductively into Sebastian's eyes, then stuck out her tongue and said seductively to Sebastian as she began twirling her butt cheeks around in a circular motion once again, so that she could grind the dick's glans onto her cervix.

"Julia is your naughty little slut, yours and yours only..."

"For having deceived you with my honest and reserved appearance despite the fact that I'm actually a naughty and horny bitch..."

"Ah..."

"You... you can punish me by treating me however you like..."

"Smack my butt cheeks till they bleed, pinch my nipples and squeeze my breasts as hard as you want, or fuck my pussy without mercy..."

"Whatever that you do, darling, I won't resist at all."

Upon speaking up to here, seemingly to suddenly remember what Miuna had said a while ago, Julia suddenly pouted her lips, then said pitifully as she looked at Sebastian with puppy eyes.

"Although my butt cheeks aren't as plump as big sister's butt cheeks, you enjoy smacking onto my butt cheeks as much, if not way much more than big sister's butt cheeks, right?"

"After all, I'm your favorite little slut, right?"

From the looks of things, Julia must have really taken offense to it when she heard Miuna said that her own butt cheeks were way plumper than her butt cheeks, and that Sebastian would definitely enjoy smacking onto her own butt cheeks way more than her butt cheeks...

Which was why Julia ended up asking such a question to Sebastian, despite the fact that she was aware that Miuna's butt cheeks were indeed way bigger than her butt cheeks, which meant that it was only normal that Miuna's butt

cheeks would feel much more satisfying to smack onto compared to her butt cheeks.

Of course, although Julia was aware of the answer to her question, she still asked it as she felt that Sebastian would give the answer that she wants him to say, especially since she was putting on a puppy eyes look on her face when she asked that question.

All that matters to Julia was Sebastian's answer, even if Sebastian wasn't being truthful with his answer.

Right as Julia finished speaking...

A slightly awkward look appeared on Sebastian's face.

After all, if he were to say that Julia's butt cheeks feel way better to smack onto, and that Julia was indeed his favorite little slut, he would be offending Miuna.

But if he were to say that Miuna's butt cheeks feel way better to smack onto, and that Miuna was currently his favorite little slut, he would be offending Julia.

Also, if he tried to say that both of them were his favorite sluts, whereby he likes both of them equally much to each other, and that both of their butt felt equally enjoyable to smack onto...

He may actually end up offending both Julia and Miuna, contrary to ending up pacifying both of them.

After all, women were just this unreasonable sometimes, whereby they would only want to hear what they wanted to hear, not facts, or half-assed answers.

Thus, no matter which answer he were to give, he was going to end up offending one person, or even worse, end up offending both of them at once!

Though, it didn't take too long for Sebastian to come to a conclusion as to what answer he should give to Julia's question.

After glancing over to Miuna and giving a slightly apologetic look to Miuna, a wry smile appeared on Sebastian's face as he said to Julia.

"Yes, yes, I enjoy smacking onto your butt cheeks way more than smacking onto Miuna's butt cheeks. You happy now, you cheeky little vixen?"

Upon speaking up to here, Sebastian couldn't help but mutter to himself in his own mind.

'Though... I still haven't try smacking onto Miuna's butt cheeks, so I honestly don't really know just how it would feel to smack onto Miuna's butt cheeks.'

Upon thinking up to here, Sebastian subconsciously took a glance at Miuna's alluring huge butt, then continued on with his thoughts.

'But judging from the size of Miuna's butt... which is evidently way bigger than Julia's butt... Miuna's butt cheeks most likely would feel way more enjoyable to smack and squeeze onto.'

Evidently, Sebastian chose to pacify Julia and offend Miuna.

And the reason for Sebastian's decision was because Julia evidently seemed to be feeling upset and insecure due to what Miuna had said, and it would be best for him to pacify Julia.

Though, the main reason that Sebastian came to his decision so quickly, and also came to this specific decision of his was because...

He was completely aware that Miuna's affection toward him was already at 100 affection points, so, even if Miuna were to feel jealous or offended toward his answer, Miuna's affection points would still remain the same as it was.

Meanwhile, since he was intending to get Julia's affection points toward him to reach 100 affection points as soon as possible, it would be best for him to fulfill all of Julia's wishes and fawn upon Julia as much as possibly could.

Sure, in this instance, if he were to be truthful and say that he still hasn't try smacking onto Miuna's butt cheeks, but he felt that Miuna's butt cheeks would be nicer to smack onto...

Julia's affection points toward him definitely wouldn't decrease just because she was upset with Sebastian's answer...

But it would definitely mean that it was going to take much more time for him to increase Julia's affection points by even 1 affection point due to the fact that Julia was now upset with him.

On the other hand...

Right as Sebastian chose to pacify Julia and told Julia that her butt cheeks felt way better to smack onto...
