

PATH TO IMMORTALITY BEGINS WITH MARRIAGE

Chapter 211: Two sisters' first conflict because of a man

Right as Sebastian chose to pacify Julia and told Julia that her butt cheeks felt way better to smack onto...

If Sebastian were to look at Julia's affection points, he would be able to see that Julia's affection points toward him actually increased from 95 to 98!

A total of 3 affection points just due to him pacifying her!

And now, Sebastian was only 2 more affection points toward bringing Julia's affection points toward him to 100 affection points!

Perhaps...

By the end of this threesome, there may be a high a chance for Sebastian to bring Julia's affection points toward him to become 100!

If not, it most likely shouldn't take more than a week or two for Sebastian to make Julia's affection toward him become 100.

Once Julia's affection toward Sebastian reaches 100 affection points...

It would mean that he would possess another woman who would be able to provide him with a fixed number of allocable exp points per day...

And the higher the woman's cultivation realm becomes, the more the allocable exp points the woman would be able to provide to him!

Most importantly, once he was able to add exp points to Julia's stats every single day...

With the additional help of his yang core's ability, phoenix's blessing, Sebastian was confident that he would be able to help Julia reach foundation establishment realm in less than a year!

No, perhaps even quicker than that!

Just a few months' time, and he would be able to help Julia reach foundation establishment realm!

...

Right as Julia finished speaking and saw the slightly awkward look that appeared on Sebastian's face as he began contemplating on what answer he should give to her questions...

A slight feeling of guilt immediately appeared in Julia's heart as she knew that she must have put Sebastian in a tight spot.

Right when Julia was about to open her mouth and say that she was just joking around with Sebastian, followed by begging Sebastian to start fucking her, so that she could quickly make both Sebastian and Miuna forget about what she had just said in the heat of a moment...

Sebastian suddenly opened his mouth and said that her butt cheeks felt way better to smack onto, and that she was indeed her favorite little slut.

Upon hearing what Sebastian said, a strong feeling of happiness began appearing in her heart.

Though, more importantly, what appeared with the happiness was an incredibly strong feeling of affection toward Sebastian.

After all, in Julia's mind, the fact that Sebastian only hesitated for a few seconds to give her his answers toward her unreasonable questions, and actually really just said his answers without hesitation despite the fact that Miuna was present here on the bed with them...

It must mean that Sebastian must really love her way much more than he loves Miuna!

Unbeknownst to Julia, Sebastian's affection toward both her and Miuna was currently actually pretty much the same.

Sure, not too long ago, Sebastian's affection toward Julia was indeed higher than Miuna...

But shortly after Miuna's affection points toward Sebastian had reached 100 affection points, and Sebastian learnt of the benefits that Miuna was able to provide to him thanks to her 100 affection points toward him...

Sebastian's affection toward Miuna actually increased and reached the same level of affection that he possesses toward Julia.

Upon sensing Sebastian's unconditional love toward her...

Due to her feeling of guilt toward Sebastian for putting Sebastian in a tight spot despite how doting and affectionate Sebastian was toward her...

Which was mixing together with her incredibly strong feeling of affection toward Sebastian...

Her affection points toward Sebastian ended up increasing all the way from 95 to 98 affection points!

Meanwhile, while Julia was staring affectionately at Sebastian...

"Pa!"

Miuna suddenly smacked her left hand lightly onto Julia's lower waist, then said while rolling her eyes at Julia.

"You heartless little girl. I'm trying to help you out because I didn't know about the situation between you and Sebastian, and yet here you are throwing a tantrum and making things difficult for both Sebastian and me!"

"Also, what do you mean when you said that Sebastian is allowed to punish you by treating you however he wants, and yet, you followed your sentence by indirectly telling Sebastian to punish you by smacking your butt cheeks till they bleed, pinch your nipples and squeeze your breasts as hard as he can, and fuck your pussy without mercy?"

"Do those even count as punishments to you? You perverted, masochistic, and heartless little brat!"

"Pa!"

Upon speaking up to here, Miuna gave a smack onto Julia's right butt cheek, and this time, she didn't hold back her strength at all.

Since Miuna was currently in foundation establishment realm, and furthermore, a foundation establishment realm who formed a heavenly foundation...

The strength that she possesses right now was way stronger than the strength that Sebastian's possesses.

Thus, right as Miuna gave a smack onto Julia's left butt cheek without holding back her strength...

Despite the fact that Julia's left butt cheek hasn't been smacked a single time by Sebastian yet...

Just one smack onto Julia's left butt cheek by Miuna's left palm actually caused an extremely red imprint to appear on Julia's left butt cheek, followed by a small amount of blood oozing out from the left butt cheek!

"Hmm...!"

"Ah...!"

The moment Miuna sensed an incredibly strong pain coming from her left butt cheek, Julia immediately let out a loud moan as her upper body collapsed powerlessly onto the bed once again.

Even more, shortly after Julia's upper body collapsed powerlessly onto the bed, Julia actually came to another orgasm!

Evidently, Julia actually reached an orgasm just from the incredibly strong pain that she felt coming from her left butt cheek!

Upon seeing that Julia actually reached an orgasm just from having her left butt cheek smacked onto, a speechless look appeared on both Sebastian and Miuna's faces as they looked speechlessly at Julia whose entire body was trembling due to coming to an orgasm.

Though, seemingly to be a little upset with Julia, this time, Miuna didn't bother being considerate of Julia, and even more, Miuna could be seen urging Sebastian.

"Darling, don't give this ungrateful horny little bitch any chance to recover, go on and fuck her pussy while she's still sensitive!"

Chapter 212: Julia's mind turning to mush

"Mwah."

"Your wish is my command, Miuna."

Due to feeling a bit guilty toward Miuna for having taken Julia's side...

Upon hearing what Miuna told him to do, Sebastian gave a light smooch onto Miuna's lips, then obediently did what Miuna told him to do.

Without hesitation, Sebastian retract his hips, all the way until only his dick's glans remained in Julia's pussy, then without any mercy, thrust his waist

forward, all the way until Julia's entire pussy was stuffed with his dick and his dick's glans was pressing hard onto Julia's cervix.

Furthermore, because of how hard Sebastian was actually pressing his dick's glans onto Julia's cervix, it seemed as if the dick's glans was trying to push open the cervix and enter into Julia's womb.

The moment Julia felt how hard Sebastian's dick had thrust into her pussy, and how hard the glans of Sebastian's dick was pressing onto her cervix right as her pussy had been completely filled with Sebastian's dick...

Julia immediately let out a loud unrestrained moan as her body trembled greatly due to the immense pleasure that she was feeling.

Even more, since her body still hasn't had time to recover from the orgasm that she just came to a while ago, the pleasure that she felt coming from her pussy was actually a few times much more pleasurable than usual as her pussy was currently extremely sensitive.

"Hmm...!"

"Darling, wait..."

"Pa!"

"Ah...!"

Right as Julia was about to request for Sebastian to give her a moment to recover her body, as her body was currently incredibly sensitive...

Sebastian retracted his hips once again, then slammed his waist forward as hard as he possibly could, causing a loud slapping sound to ring out within the bedroom right as his pelvis slammed into Julia's decently sized smooth and silky white butt cheeks, followed by the words that were coming out from Julia's mouth being cut off by a loud unrestrained moan that came out from Julia's own mouth.

Without giving Julia even a few seconds to recover, Sebastian began thrusting his dick in and out of Julia's pussy without stop.

At the same time...

As if the pleasure that was coming from her pussy wasn't enough, especially due to how sensitive her pussy was right now...

Sebastian even continued slapping his right palm onto Julia's right butt cheek.

All the way until blood began oozing out from Julia's right butt cheek, then did Sebastian stopped using just his right palm to smack onto Julia's right butt cheek, and instead, chose to alternate slapping between Julia's left and right butt cheeks with his left and right hands.

Fortunately for Julia, because Sebastian couldn't bear to continue smacking onto her butt cheeks without holding back his strength after he saw that both of Julia's butt cheeks were bleeding...

Not only did he began holding back his strength whenever he slapped his palms onto Julia's butt cheeks, but he also began squeezing and rubbing onto Julia's butt cheeks much longer than he would before finally smacking either of his palms lightly onto either of Julia's butt cheeks.

Thus, although the pleasure that she felt coming from her butt cheeks due to the burning sensation and pain that was coming from her butt cheeks was still rather pleasurable to her...

At the least, the pleasure wasn't as immense as it would normally be if Sebastian were to not hold back his strength.

Though, even so, when matching the painful yet pleasurable burning sensation that was coming from her butt cheeks with the immense pleasure that was coming from her pussy due to how sensitive her pussy was right now...

The current immense pleasure that was assaulting Julia's mind and body was still enough to cause Julia to begin whimpering as tears began flowing out slowly from her eyes.

Evidently, the pleasure was immense to the point that Julia felt that her mind was going crazy, and in the end, she ended up whimpering and crying from being fucked behind by Sebastian.

Meanwhile, while her little sister's mind was turning into mush from the immense pleasure that was continuously assaulting her mind without stop...

Miuna was currently alternating licking her tongue around Sebastian's nipples and areolas, trying to get Sebastian to become even more aroused so that he could cum faster.

After all, from what Julia had told her beforehand, Miuna was aware that Julia's body was extremely sensitive when having sex, thus, whenever Julia and Sebastian had sex, if Julia didn't begin the foreplay with blowing Sebastian and getting Sebastian extremely aroused, Julia would end up cumming at least 2 times before Sebastian would finally end up coming close to cumming when they began having sex with each other.

For the sake of getting Sebastian to cum inside Julia as quick as possible, Miuna was currently trying her best to arouse Sebastian.

Aside from alternating licking her tongue around Sebastian's nipples and areolas, Miuna was even rubbing onto Sebastian's butt with her right hand, while her left hand was gently fondling onto Sebastian's testicles.

"Pa...!"

"Slurp, slurp..."

"Hmm..."

"Pa...!"

After what seemed like 10 minutes had passed since Sebastian had began thrusting his dick in and out of Julia's pussy...

Julia had already cummed twice just in the span of 10 minutes, with her first orgasm happening in the 3rd minute, and her second orgasm happening just a minute ago.

Looking at Julia, her eyes were closed and her tongue was sticking powerlessly out from her mouth.

If not for the extremely light whimpers that were still coming out from her mouth, one would had thought that she had lost consciousness.

Fortunately, Sebastian was finally at the brim of cumming.

"Julia, I'm cumming!"

"Hmm..."

After thrusting a few more times, Sebastian suddenly squeezed tightly onto Julia's butt cheeks as he thrust his dick as deep as he possibly could into Julia's pussy and began cumming.

"Ah...!"

Right as Julia sensed that hot semen was being shot into her pussy, Julia suddenly opened her eyes wide as she raised her head up high and let out a loud moan, followed by reaching another orgasm.

Furthermore...!

Furthermore, seemingly that the extreme pleasure of having her sensitive pussy pressed hard onto by the dick's glans, mixed together with the extreme pleasure of having hot semen shot out with force onto her cervix was too much for her...

Aside from cumming, Julia actually began squirting when she arrived at this orgasm of hers!

With a considerable amount of force and a rather fast speed, light yellow color piss began shooting out from Julia's urethra, followed by spraying onto the bedsheet and Sebastian's thighs.

In truth, this was not the first time that Julia had squirted upon arriving at an orgasm, thus, Sebastian didn't have a surprise look on his face when he sensed that his thighs were being sprayed onto by the piss that Julia was squirting out from her urethra.

On the other hand, upon seeing that Julia began squirting, Miuna's eyes immediately opened wide as she watched with shock as the bedsheet and Sebastian's thighs became soaked with Julia's piss.

"Ah...! Sex feels so good..."

"I think I'm going to..."

"Ah..."

"Die from this pleasure..."

During the entire time that Julia was squirting out piss from her urethra and cumming from her pussy, Julia could be seen moaning loudly with an extremely satisfied look on her face, despite the fact that her face was filled with tear stains, and tears were still flowing out from her eyes.

"Hmm...!"

After Julia was done cumming from her pussy and squirting from her urethra, Julia let out a deep satisfied muffled moan, before finally losing her consciousness and collapsing powerlessly onto the bed.

Upon sensing that Julia's pussy has stopped shooting out pussy juice onto his dick's glans, and also that Julia's piss has stopped shooting out from her urethra...

Sebastian finally opened his eyes, then began pulling out his dick from Julia's pussy.

Though, due to how tight Julia's pussy walls were squeezing and clinging onto his dick, as if they were extremely reluctant to separate from his dick...

Sebastian couldn't help but let out a light groan as he began pulling out his dick from Julia's pussy due to how pleasurable it was when the pussy walls were seemingly massaging with a decent amount of force onto his dick that was rather sensitive right now due to having just cummed a while ago.

Right as Sebastian had pulled his dick out from Julia's pussy...

Without thinking too much, Sebastian turned his body to the side, then placed his right hand onto Miuna's head and pressed Miuna's head down toward his dick.

Evidently, Sebastian was intending to get Miuna to clean up his dick for him.

Sebastian had gotten extremely used to Julia's cleaning blowjob that he subconsciously tried to get Miuna to do a cleaning blowjob for him.

Although Miuna was indeed very close to her little sister...

It was still rather disgusting for a woman to do a cleaning blowjob onto a dick that was filled with another woman's pussy juice, especially when the woman has never ever before done a cleaning blowjob onto a dick that had just cummed in a pussy.

Fortunately for Sebastian, Miuna possessed 100 affection points toward him, which meant that she was incredibly in love with Sebastian, and would accept all of Sebastian's requests, no matter how absurd or humiliating it was.

Of course, since there was still a chance for affection points to decrease even if they were at 100 affection points...

If Sebastian were to constantly make Miuna become incredibly upset, Miuna's affection points toward him may actually decrease from 100 to a certain number within the 90 range.

Then again, something like getting Miuna to do a cleaning blowjob didn't count as something incredibly upsetting to Miuna.

Toward doing a cleaning blowjob for the dick before her right now...

Rather than feeling upset...

Miuna merely felt that it was rather disgusting, especially since not only her little sister's pussy juice was clinging onto the dick, but also because the dick had only just been inside of her little sister's pussy a while ago and was filled with the smell of her little sister's pussy.

Upon having her head pressed onto by Sebastian's right hand...

Right as her face had arrived before Sebastian's dick and her mouth was about to come into contact with Sebastian's dick...

Miuna subconsciously exerted strength into her head, preventing Sebastian from pressing her head further downward, while at the same time, she pressed her right hand onto Sebastian's stomach and pushed Sebastian's body slightly away from her.

"Hmm...?"

Upon sensing that Miuna seemed to be resisting, a confused look appeared on Sebastian's face as he let out a confused mutter.

However, when he saw the slight frown that was on Miuna's face as she gazed at the dick before her...

Sebastian finally recalled that Miuna has never done a cleaning blowjob for him before, and yet, he was currently trying to get Miuna to do a cleaning blowjob onto his dick which had not only just been inside of Julia's pussy but was also covered with Julia's pussy juice.

Upon connecting the dots and realizing just what he had done...

Immediately, an awkward yet apologetic look appeared on Sebastian as he let go of his right hand from Miuna's head, then apologized sincerely.

"Sorry, Miuna, I was lost in my own pleasure for a moment and just treated you as if you were Julia, who had already been experienced with doing a cleaning blowjob for me right after I have cummed inside of her."

Upon speaking up to here, Sebastian continued on speaking while crawling toward the ends of a bed, intending to get off from the bed.

"Give me a moment, I will go and get some napkins."

Right as Sebastian had finished speaking and was just about to get off from the bed...

Miuna suddenly grabbed onto Sebastian's right arm and stopped Sebastian from getting off the bed.

"Hmm? What is it, Miuna?"

Right as Sebastian turned around and asked with a confused look on his face...

To Sebastian's surprise...

Miuna actually said shyly in a low voice, "Wait... What are you trying to leave the bed for... I didn't say that I'm not going to do it..."

Chapter 214: Miuna's cleaning blowjob

"Wait... What are you trying to leave the bed for... I didn't say that I'm not going to do it..."

"Move over here..."

After speaking shyly in a low voice up to here, Miuna began dragging Sebastian over to another side of the bed where the spot on the bed wasn't drenched with Julia's piss and pussy juice.

While kneeling down in front of Sebastian's dick, and looking at the dick before her that was not only just covered with Sebastian's cum, but also Julia's pussy juice...

Miuna moved her head forward closer to the dick, all the way until her nose was positioned just a few centimeters away from the dick, then began sniffing onto the dick with an adorable pout on her face.

Immediately, an unfamiliar pungent smell penetrated her nostrils, causing her brows to become slightly wrinkled.

Upon seeing the slight frown that appeared on Miuna's face right after she had sniffed onto his dick, Sebastian pat onto Miuna's head with his right hand, then said with a smile on his face.

"Miuna, it's fine if you don't want to do it, there's no need to push yourself."

Upon speaking up to here, Sebastian was intending to get off the bed once again.

However, right as Sebastian had slightly moved his body...

Miuna immediately held onto Sebastian's waist with both of her hands, stopping Sebastian from moving away, then gave Sebastian a seductive glance as she ordered him to stay still.

Right after, Miuna lowered her head downward, all the way until her mouth was positioned right before the dick's glans, then took in a deep breath, before finally extending out her seductive long tongue and gave a lick onto the dick's glans.

"Hmm..."

Right as Miuna gave a lick onto the dick's glans, her brows immediately became deeply wrinkled as she let out a groan due to the taste being way much fouler than she had expected.

"Miuna, it's really fine if you..."

"Shh...! Darling, stop disrupting me and let me focus!"

"Okay, okay. I will keep quiet."

Upon seeing Sebastian raised both his hands up and did a surrender gesture, Miuna rolled her eyes flirtatiously at him, then lowered her head and began focusing onto the dick before her once again.

This time, for the sake of making everything end as fast as possible...

After taking in a deep breath, Miuna actually opened her mouth and took the dick's glans into her mouth, and right as the dick's glans entered her mouth...

Without hesitation, she began sucking and licking onto the dick's glans, cleaning onto the dick's glans, until it was completely clean of both Sebastian's cum and Miuna's pussy juice, while at the same time, swallowing the pussy juice and cum that she had sucked into her mouth, or carried into her mouth with her tongue, straight into her stomach.

Although it tasted as disgusting as she had expected, mainly due to the pussy juice, and not the cum...

After sucking and licking for a minute, Miuna ended up getting a little used to the foul taste and smell, and thus, the frown that was on her face disappeared.

Furthermore, she even had the leisure to raise her eyes to look at Sebastian's face while she was sucking and licking onto the dick's glans.

Upon seeing that Sebastian was looking at her affectionately while rubbing gently onto her head...

Miuna immediately became encouraged and thus began sucking and licking even harder than she already was.

"Slurp... slurp..."

In truth, Miuna was already done cleaning up the dick's glans once 30 seconds had passed, but she continued on sucking as she could sense that Sebastian's dick was getting erected while she was sucking onto his dick.

After a few minutes of sucking onto the glans...

Upon sensing that Sebastian's dick had become completely erected once again and was evidently ready for another round of sex...

Miuna took her mouth out from the dick's glans, then began rubbing her plump and tender cherry lips downward from the dick's glans, and onto the dick's body.

Upon arriving at the dick's body, Miuna began twirling her head around as she sucked onto the dick's body with her lips, while at the same time, use her tongue to clean onto the dick's body.

"Ah... Miuna..."

"You look so sexy when you drag your lips onto my dick, it's as if you are giving smooches onto my dick..."

Immediately, Sebastian couldn't help but let out a satisfied groan due to how alluring the scene before him was, and right after Sebastian finished speaking, he grabbed onto Miuna's huge tits with both of his hands, then began fondling

and squeezing onto those two huge tits, while from time to time, pinch and rub onto those two tiny cherry-like nipples that were situated at the tip of those two huge tits.

"Slurp..."

"I'm glad that you like it, darling."

"Slurp..."

Soon enough, Miuna was finally done cleaning up pretty much most of the dick's body, and her lips and tongue have arrived at the lower part of the dick's body.

Though, this time, another foul taste actually appeared in her taste bud, and it didn't take too long for Miuna to realize that this new foul taste was actually Julia's piss!

After all, Julia's pussy was only able to take in roughly 5 inches of Sebastian's dick, and since the remaining 2 inches were constantly remaining outside of Julia's pussy...

It was inevitable that those remaining 2 inches would get drenched by Julia's piss when Julia was squirting piss out from her urethra.

Immediately as Miuna realized what she was tasting on her tastebuds, Miuna's movement came to a pause for a moment.

However, upon seeing that she was already close to doing a full cleaning blowjob onto Sebastian's dick...

Miuna steeled herself, then began cleaning onto the remaining 2 inches of the dick.

And immediately after Miuna was done doing a cleaning blowjob onto the remaining of the dick, and even took the initiative to clean up the area around the base of the dick...

Chapter 215: Miuna's first orgasm

Seemingly to be unable to hold back from gagging onto the disgusting taste in her mouth...

"Urgh..."

Miuna shifted her body to the side and pressed her hands down onto the bed, then began dry heaving.

Upon seeing that Miuna was dry heaving, Sebastian immediately began rubbing onto Miuna's back with his right hand, then asked worriedly with a concerned look on his face.

"Miuna, are you okay?"

Upon hearing the evident worried tone in Sebastian's tone, although Miuna currently wasn't looking at Sebastian's face, Miuna was able to imagine the worried look that Sebastian currently had on his face.

Immediately, a warm feeling appeared in her heart, and she felt that everything she had just did for Sebastian was completely worth it.

"I'm fine, don't worry."

"Just... just give me a minute to recollect myself."

Miuna raised her left hand up from the bed, then shook her left hand at Sebastian, gesturing that she was fine.

Upon seeing that Miuna seems to be fine and just needed time to recollect herself, Sebastian immediately let out a sigh of relief.

Though, right after, with worry out of his mind, Sebastian finally had time to look at the alluring curves of Miuna's body due to her currently crawling on all fours on the bed.

Hourglass figure that was dressed in just a skimpy purple color lingerie...

Thin waist, incredibly huge butt and breasts...

But most importantly, the wielder of this extremely alluring hourglass was currently crawling on all fours, as if she was a bitch begging to be fucked from behind!

Upon seeing the extremely alluring scene before him, Sebastian couldn't help but swallow a mouthful of saliva, and right after, seemingly to be attracted by an unparallel magnetic force, Sebastian's body began moving uncontrollably over to right behind Miuna's huge butt that was raised up high.

Upon arriving behind Miuna's huge butt, Sebastian grabbed onto Miuna's huge butt cheeks with both of his hands, then began pulling the huge butt cheeks to the side, so that Miuna's pussy which was not visible due to her huge butt cheeks blocking it was finally visible to Sebastian's eyes.

Evidently, different from Julia's situation, whereby Julia's pussy was visible to Sebastians' eyes when she was crawling on all fours and Sebastian was kneeling right behind her, intending to fuck her in doggystyle position...

Because Miuna's butt was way bigger than the size of Julia's butt, which was probably roughly 1.4x bigger in size...

And it must be stated, although Julia's breasts were indeed small-sized, Julia's butt was actually of decent size.

Thus, one can only imagine how big Miuna's butt must be if her butt's size was roughly 1.4x bigger than the size of Julia's butt.

After spreading Miuna's butt cheeks wide opened and causing Miuna's pussy to become visible to his eyes...

Sebastian slowly thrust his waist forward, until his dick's glans arrived at Miuna's pussy, then began rubbing his dick's glans onto Miuna's pussy, or specifically, Miuna's outer pussy lips, and inner pussy lips.

Though, because Miuna's outer pussy lips were the kind that were tightly closed together without any gap...

When Sebastian began rubbing his dick's glans onto Miuna's outer and inner pussy lips, he ended up just mostly rubbing his dick's glans onto Miuna's outer pussy lips.

Nevertheless, just by rubbing his dick's glans mostly onto Miuna's outer pussy lips was more than enough to make Miuna become extremely horny and itching to get fucked.

After all, the pussy juice that began leaking out from her pussy lips shortly after he had began rubbing his dick's glans onto her pussy lips was more than enough proof.

"Hmm..."

"Darling, don't tease me anymore..."

"Insert your dick into my pussy already..."

"Miuna wants your hot erected dick in her pussy..."

Upon sensing that Sebastian didn't seem to intend on inserting his dick into her pussy anytime soon...

While moaning seductively, Miuna turned her head around, then begged seductively with her lips pouted adorably.

Even more, while begging to get fucked, Miuna even tried to push her butt toward Sebastian's direction multiple times, trying to push the dick's glans into her pussy by herself.

However, every time when the dick's glans had just pushed into her gapless outer pussy lips and kissed onto both her inner pussy lips and pussy.

Sebastian would purposely retract his waist backward, causing the dick's glans to slip out from the outer pussy lips.

"Hmm...! Darling...!"

"Please... stop teasing Miuna already..."

"Miuna's pussy is itching to..."

"Pa!"

"Hmm...!"

"Ah...!"

After failing multiple times in taking the dick into her pussy, a slight frown appeared on Miuna's face as she grumbled coquettishly.

In truth, Sebastian himself was also itching to start fucking Miuna already.

Thus, right as his dick had once again pushed through Miuna's outer pussy lips and arrived at Miuna's pussy, before Miuna was able to finish her sentence, Sebastian suddenly thrust his hips forward with all his strength, causing the entirety of his dick to get inserted right into Miuna's pussy.

Right as the dick had been stuffed into Miuna's pussy, the loud slapping sound of Sebastian's pelvis slamming onto Miuna's huge butt cheeks immediately rang out, followed by the sounds of Sebastian's groan and Miuna's loud unrestrained satisfied moan.

"Pa!"

"Slurp... slurp..."

"Pa!"

"Ah... darling... it feels so good..."

"Pa!"

"Slurp... slurp..."

The moment Sebastian had inserted his dick into Miuna's pussy, Sebastian didn't stop for a single second, and instead, pressed his body down onto Julia's back, then went full force with fucking Miuna's pussy.

Sebastian didn't forget that he didn't manage to get Miuna to come to an orgasm previously during their first round of sex.

Thus, this time, not only did he thrust his dick relentlessly in and out of Miuna's pussy, but he also even focused on rubbing onto Miuna's clitoris with his right hand.

As most would know, the clitoris was a woman's most sensitive spot and the easiest way to make a woman cum.

Thus, it didn't take too long for Miuna to actually come to an orgasm.

"Ah...!"

"Darling... this is too much!"

"A strange feeling is swelling up in my pussy!"

"Ah...!"

"I... I can't take it anymore!"

"I'm peeing! I'm going to pee!"

"Ah!!!"

Chapter 216: Miuna's new ability

Chapter 216 Miuna's new ability

After 10 minutes of relentless thrusting, paired with constantly rubbing his right index finger and thumb onto Miuna's cervix...

Miuna finally arrived at her first orgasm.

Even more, not only did she ejaculated from her pussy with her first orgasm, but she also squirted just as Julia did a while ago, whereby piss was shot out with force from her urethra.

When Julia came to an orgasm, her pussy walls would began squeezing tightly onto the dick within her, while her cervix would wriggle gently as it shoot out pussy juice right onto the dick's glans.

On the other hand, when Miuna came to an orgasm...

The way in which her pussy walls and cervix would react was way different compared to Julia's pussy walls and cervix would react.

Not only would Miuna's pussy walls squeeze tightly onto the dick within it, but the pussy walls would also wriggle around with force, seemingly as if they were massaging with force onto the entire dick.

As for Miuna's cervix, rather than wriggling around gently, it would actually suck tightly onto the dick's glans, making sure that the dick's glans wouldn't be able to escape from it, followed by kneading onto the dick's glans.

The way in which Miuna's pussy walls and cervix would react was the same in which they would react when Sebastian had cummed into Miuna's pussy a while ago.

It was as if the entirety of Miuna's pussy was trying to squeeze out all of the semen that was contained within the dick's testicles or do it's best to make the dick start cumming if it still hasn't done so.

Honestly, Sebastian thought that he was going to cum the moment he sensed the familiar way in which Miuna's pussy walls and cervix were reacting once again.

However, this time, although the pleasure that was coming from his dick was as pleasurable as before when he had cummed inside Miuna's pussy...

Rather than feeling like his spiritual energy, yang energy, and semen were being sucked out by Julia's pussy...

He actually felt a soothing energy entering into his dick, and into his body.

The moment the soothing energy arrived in his body and spread throughout his entire body, not only did he feel extremely energized, but he could also sense that the amount of refined energy within his energy core had increased, which meant that his cultivation strength has become stronger and he was another step closer to breaking through his current cultivation level!

Though, in Sebastian's opinion, and this opinion may have most likely been affected due to the fact that he was currently having sex with Miuna and his mind was currently filled with lust...

The most important thing about the soothing energy that had entered into his dick was that the soothing energy made his dick's urge to cum decrease greatly, while at the same time, make his dick feel like it was filled with inexhaustible vigor!

"Hah... hah..."

"Darling... I love you so much..."

Right after Miuna was done with her orgasm and was currently enjoying the lingering pleasure from her orgasm...

Miuna, whose body could be seen lying completely flat on the bed, evidently due to not being able to maintain crawling on the bed with her four limbs anymore when she had arrived at her orgasm, was moaning softly with her eyes closed.

Upon sensing that Miuna had stopped squirting out piss and shooting out pussy juice from her pussy...

Sebastian slowly got his body up from Miuna's back.

Because Sebastian was hugging onto Miuna's waist and pressing his body onto Miuna's back when he was fucking Miuna from behind, his body immediately pressed down onto Miuna's body when Miuna came to an orgasm and collapsed powerlessly onto the bed.

Right as Sebastian got up from Miuna's body, his dick that was still completely erected and not even close to cumming could be seen slipping out from Miuna's pussy and slapping right onto his own stomach.

Right after, while kneeling down behind Miuna's butt, Sebastian turned Miuna's body around, then placed his hands onto Miuna's armpits and carried Miuna's body up from the bed.

The moment Miuna sensed that her body was being carried onto by Sebastian, Miuna subconsciously wrapped her legs around Sebastian's waist, and her arms around Sebastian's neck, then buried her face into Sebastian's neck and began smooching and sucking gently onto Sebastian's neck with her mouth, planting various kiss marks onto Sebastian's necks.

Right as Sebastian stood up from the bed, Sebastian took a look around the bed, and upon spotting a clean spot on the bed, Sebastian began walking over to the clean spot.

Though... looking at the bed right now, this clean spot was the only remaining clean spot on the bed.

Thus, if this clean spot were to become soaked with piss and sweat, just as the two other spots did... There wouldn't be any more clean spots in the bed.

Upon arriving at the clean spot, Sebastian slowly kneeled down onto the bed, then pat his right hand onto Miuna's back and said gently to Miuna.

"Miuna, stop wrapping your legs around my waist, let me place you down onto the bed. I want to fuck you in missionary position right now, you can feel how hard my dick is right now when it is rubbing onto your butt, don't you?"

"En..."

Upon hearing what Sebastian said, Miuna lifted up her head from Sebastian's neck as she slowly opened her eyes, then let out a light groan and obediently let go of her legs that were wrapped tightly around Sebastian's waist.

Upon sensing that Miuna's legs were no longer wrapped around his waist, Sebastian bent his upper body forward, then with his left palm pressing down onto the bed and his right hand supporting onto Miuna's back, he gently placed Miuna down onto the bed.

"Alright, Miuna, you can let go of my neck now too."

"En..."

As Sebastian lifted up his upper body and sat upright before Miuna's pussy...
