Its okay , Dont cry .

Ill always be here for you .

I love you , and youre my precious baby Marissa heard the commotion and hurried our of the kitchen .

After hearing Laurens account , her face turned ashen , looking terribly upset .

Marissa , whats going on with Stella Lauren questioned Marissa .

Marissa had a solemn expression as she shot a furious glare at Stella , then looked at Lauren with a mix of fear and innocence .

Mrs.

Vanderbilt.- Stella is just talking nonsense .

She doesnt understand anything I … Stella was the daughter of Marissas cousin .

Since Stella and Grayson were the same age and went to the same school , they often went to and school together .

Hence , Stella occasionally stayed at Vanderbili Manor .

from Originally , Marissa had hoped to cultivate a relationship between Stella and Grayson similar to the one she shared with Dominick to strengthen the ties between the two families further .

Marissa wondered , The two children got along well before , so what caused this sudden rift ! Especially now , when the Vanderbilt family is starting to feel guilty toward Paisley .

She glared at Stella , feeling that Stella was nothing but a troublemaker who only made things worse .

Lauren didnt want to argue i ha child and certainly didnt want to direct her anger at Marissa .

Alright , I know this isnt your fault .

You can just take Stella home for today .

Lauren had watched Marissa grow up , so she knew her temperament well .

It was likely that Stella had heard her parents gossiping at home , which calised her to speak carelessly , so Marissa couldnt be blamed for that .

Okay , Mrs.

Vanderbilt .

Ill take Stella home right away .

With the situation already escalated , Marissa had no choice but to force a smile and take Stella back to her cousins house .

When Marissas cousin , Jeremy , saw his successful cousin arriving , he greeted her cheerfully .

Oh .

Marissa , youre here .

Come on in Jeremy and his wife had received plenty of benefits from Marissa over the years , so they treated her like a guest of honor Marissa didnt offer him any pleasantries and shoved Stella inside , immediately questioning them .

What have you two been saying in front of her at home ? Jeremy and his wife were taken aback .

They had said a lot of things , after all .

What happened ? Jeremy asked , looking confused .

How dare you ask me that ? Your precious daughter made Grayson cry , and Lauren asked me to send her back .

Shes never going there again Marissa exaggerated , delilierately making the situation sound worse .

Hearing this , Jeremy raised his hand in fury , ready to hit Stella .

You good for nothing brat .

Enough .

What are you saying ? Marissa , who despised the term good for nothing , pushed Jeremy away and sat down irritably .

Tm already fed up with everything because of Dominicks ex wife .

And now your familys making things worse for me .

How can it benefit you if I cant marry Dominick ! Of course , it would benefit them nothing .

Jeremys expression turned gloomy and he said , We should kill that damn bitch 1/2 10:10 AM Chapter 115 Jeremys words sparked a thought in Marissas mind , and she looked at him thoughtfully , thinking , Thats right .
