Chapter 126

Chapter 126 Youre not Mr.

Vaire , but why are you sitting here ? Kaylas expression twisted , glaring at the man with a machine like , venomous stare The man was startled by Kaylas gaze and finally reacted .

He looked down and realized he was sitting in Nions spot .

My seat is in the back , but since there was no one here , I just sat down .

No one told me to leave , he said , sounding quite self assured .

Kayla was furious .

This is Mr.

Vaires seat .

Who do you think you are ? How dare you sit here ? Just thinking about how she had just declared her heartfelt words to such a greasy face made her want to kill the man .

If she hadnt been holding the painting in her hands , she would have definitely made a move .

Seeing Kayla getting worked up and the situation spiraling out of control , Janet quickly stood up and arranged for security to intervene , sending the man back to his original seat .

Hes not Mr.

Vaire .

Then where is Mr.

Vaire ? Kayla turned to Marissa .

Marissa , didnt you invite Mr.

Vairer Marissa was just as clueless , Jack had assured her that Nion would be there today , which was why she had made such bold claims to Kayla At that moment , Janet walked up to the stage , stood at the microphone , and said to Kayla .

Ms.

Vanderbilt, please come up to the stage and take a photo with the artist , Nion Vaire .

This was the normal procedure for the auction .

After a piece was bought , there was usually a photo opportunity with both the buyer an the buyer and the artist .

Kayla , however , was too impatient .

Without waiting for the hosts direction , she had already gone to nd Nion .

It was because of this rush that she made a fool of herself and ended up in an embarrassing situation .

But bearing Janet invite her to take a photo with Nion , Kayla immediately cheered up .

She looked gratefully at Marissa .

Mariva , you didnt be to me .

Mr.

Vaire really is here Once Marissa was sure that Nion had indeed arrived , she felt relieved .

But she looked around and saw no one getting up .

At that moment , Paisley , who had been sitting in the comer , slowly stood up in the dim light .

The spotlight caught her as she made her way toward Janet In that instant , it felt as though two large hands had grasped Marissas throat and heart .

The hands squeezed the air out of her as her eyes widened in shock , unable to react for a long time .

Marissa thought , Paisley ? Why is Paisley standing up ? Why is she walking toward the stage ? Why isnt anyone stopping her ? Paisley .

Kayla stared in shock as Paisley walked up to the stage and stood next to Janet Janet smiled and reached out to Faisley , Ms.

Vanderbilt , please come up to the stage and take a photo with the artist , Nion Vaire Kayla couldnt think anymore .

Her mind went blank , buzzing .

She couldnt see or hear anything around her .

All that echoed in Kaylas ears were Janets words .

Ms Vanderbilt , please come up to the stage and take a photo with the artist , Nion Vaire .

Kayla thought , Nion Paisley .

Paisley is Nion As Paisley walked onto the stage with grace , the crowd was thrown into an uproar once again .

Nion is actually a woman They had always referred to Nion as Mr.

Vaire , but it turned out that Nion was a woman .

And Paisley had been sitting with the poor girls from the beginning .

At first , no one paid attention to her , but later , when she competed with Kayla in the bidding , she began to catch everyones attention , Standing on stage , Paisley looked at the expressions of the guests below .

Finally , with a half smile , she turned her gaze to Kayla .

Ms.

Vanderbilt , it turns out Im your life mentor and your souls home .

Kayla trembled all over .

Her body and mind seemed to be pulled in two different directions .

Stunned , she walked to the front of the stage , looking up at Paisley with a choked voice .

Are you really Mr.

Vaire ? Paisley smiled faintly , Wrong , Ms.

Vanderbilt .

You shouldnt call me Mr.

Vaire , I am a lady .

That was my pen name , so Id prefer you call me Ms.

Sutton Ms.

Sutton Kayla repeated the name , unsure whether to laugh or cry .

Paisley , however , maintained her composed smile .

I didnt expect you to love my work so much and even spend a fortune to buy it .

To thank you for your admiration and your support of the charity , Ill write you a personalized signature .

At these words , Kayla stiffened .

She thought of how she had arrogantly shown off in front of Paisley earlier and wished she could vanish immediately .

1/2 Chapter 126 Paisley didnt care about Kaylas feelings .

She took the pen from Janet , slightly bent over , and gently wrote a few words on the coveted painting [To Kayla , may you always smile | Lucy looked at Kaylas awkward expression and thought , Ms.

After signing , Paisley handed the pen back to Janet , then turned to look at Marissa , who was lurking in the shadows , whose expression was dark .

Ms.

Prescott .

I heard I was invited by you ? Marissas face changed .

She knew her boasting was about to be exposed .

Paisley sneered and turned to Lucy .

Do you know her ? Lucy firmly denied it .

I did receive a call from a relative , saying someone wanted to meet you no matter the cost .

He was very humble .

But I know your rules and refused .

Lucy rolled her eyes at Marissa , then turned to the crowd and said , As for why Ms.

s .

Sutton is here at this auction , its because Flynn invited her s ago .

two weeks a The reason Ms.

Sutton is here is to help poor girls and for charity .

So , Ms.

Prescott , please dont spread rumors and tarnish Ms.

reputation The others thought .

Thats right , there were rich people who wanted to pay a fortune for Nions work , but she always turned them down .

Thats why Nions art is said to be something money cant buy .
