She wanted to see if Marissa would really just lie down on the ground if she didnt stop Marissa .

Paisley would kindly help her up .

She had only intended to put on a show .

There was no way she would actually sit on the ground .

Marissa gritted her teeth , contemplating what to do .

I thought this would earn Ms.

Suttons forgiveness .

Paisley scooped as if she had heard the biggest joke .

What if I really let go of my grievances and took your advice to remarry Dominick ? Marissa didnt expect Paisley to say that , and her expression froze .

She could feel Dominicks grip on her hand tighten suddenly , and his breathing quickened .

At this point , Paisley had lost all her appetite .

She put on her garment .
