Mr.

Vanderbilt really has no common sense .

This tiny piece of glass cant even pierce your palm , let alone reach her heart Paisley had no intention of taking Marissas life .

The only reason she did this was to vent her anger .

She wanted Marissa to experience the hopelessness of being on the verge of death .

It was just unfortunate that all of this was ruined by Dominick Dominick froze , looking down at the glass shard .

Indeed , an tatsby had said , neither its hardness nor its length would have been enough to pierc human heart .

It might even struggle to pierce a rib .

At that moment , he felt an overwhelming sense of powerlessness .

Dominick said , Im not trying to defend her , Im just I dont want to hear it , Paisley coldly interrupted Dominick again .

It was pointless to say more at this point .

Paisley , what can you do to me ? Marissa leaned against the wall , dizziness from the pain in her head making ! the case at .

If anything happens to me , you can wait for a lifetime in prison ! g her unsteady .

Tim the one you threa hatm Paisley sneered , Lets see if ill end up in prison .

The spot where she had thrown the case at Marissa was carefully chosen- It wouldnt be fatal and wouldnt cause major injury .

It would just hurt a lot and cause a lot of bleeding To put it simply , it would look scary .

Just as Paisley rished her sentence , the police arrived at the Vanderbilt family estate .

Marissas eyes lit up as she pointed at Paisley .

We received a report and now suspect that Ms.

Marissa is involved in a failed murder attempt .

We need to take her in for questioning .

They said questioning , but with all the evidence , it was basically a sure thing that she would be locked up .

At this point , it was clear Paisley had made the report , and the evidence the Vanderbilt family had seen earlier had all been sent by Paisley .

Paisley , was it your Marissa glared at Paisley with bloodshot eyes .

The video showed Paisley getting into Jeremys car , and there was a car Chapter 110 accident .

Theres no reason shes alive and Jeremys nowhere to be found ! Dont worry , hell be joining you in there soon- Paisley said , raising an eyebrow with a smile .

Oh , well , you two are m ill arrest prisons , so you wont be seeing each other Marissa rashly panicked .

She used all her strength to pull her body away , trying to stop the police from taking her .

Dom ! Dom ! Help me ! Please , help me ! Dont let me go to prison ! I did all this because of you ! Because I love you ! Please , let Paisley go ! Im sorry , I knew I was wrong .

I just love you too much She refused to accept her fate .

In the past , whenever she begged Dominick would tolerate her , agreeing to everything she asked .

But this time , when she looked at Dominick with tear fled eyes , he just stood there , unmoved .

Mr.

Vanderbilt , Mrs.

Vanderbilt ! Kayla ! Please help me , ! cant go to jail , I cant ! Marissa turned to the Vanderbilt family for help , the same people who once treated her like family .

But now , the disappointed expressions on their faces fell unfamiliar to her .

Sonny ! Dont you love me the most ? Let me be your mom , please ! Quickly , ask your dad to help me ! Marissa locked her gaze on Grayson , almost out of strength to keep resisting the police .

Grayson shook his head , crying .

Youre not my mom .

You want to kill me .

Youre a bad person .

Ungrateful Grayson , youre an ungrateful little monster ! Marissa screamed in frustration , twisting and struggling , nally glaring at Dominick .

Dominick ! You promised my dad you would take care of me! Is this how you take care of me ? My dad died trying to pick you up ! If it werent for you , he wouldnt have died ! You owe my dad a life , and you have to pay me back! Reginald shook his head and revealed a truth that had been buried for years .

Marissa p your father did have an accident on his way to pick up Dom , but it was because he was driving drunk .

You should be thankful he hasnt picked up Dom yet , or Dom might have died in that accident too The reason we didnt reveal the truth was because we felt sorry for you both , a mother and daughter left alone , and because your mother always took care of Dom .

So , the Vanderbilt family doesnt owe the Prescott family anything .

On the contrary , over the years , the Vanderbilt family has taken care of your mother and even helped out the rest of the Prescott family , which has been more than enough .
