Chapter 187 At rst , Paisley was confused by Christina and Brittanys accusations , but when she looked at Dominick and Grayson again , realization dawned .

It wasnt a coincidence they were here theyd been invited by the Sullivan family .

Dominick was the nancial powerhouse behind the Sullivans .

This revelation sent chills down Paisleys spine , and her gaze toward Dominick grew raw than ever before.Dominick , was startled by her expression.It was the third time hed seen that look in her eyes .

The rst was the night they signed the divorce papers .

The second was when Marissa almost killed her and Serena , and she stormed into the Vanderbilt family .

And now , this instant marked the third .

Each time she looked at him like that , she would disappear from his life.

Paisley Panic crept into Dominicks voice .

So , you were the one backing Brittany to go against me ? Paisley said coldly .

Dominick , you just keep making me hate you even more ! Paisley , what are you talking about ? When have I ever gone against you ? Dominick wanted to explain but didnt know where to begin .

Gary chimed in , breaking the tension , Paisley is the screenwriter for this project , known professionally as Noir .

And Noir has a well known rule- Brittany is not allowed in any of her works .

He turned to Brittany , who glared at him with a pale face , but Gary felt a sense of satisfaction Normally , as a prominent director , he wouldnt stoop to con-ict with a mere actress .

But Brittany had turned the entire production into a mess , and as the director , hed been unable to express his frustration until now , Finally seizing the opportunity , Gary turned back to Dominick and continued .

The lead role for this project wasnt initially Brittany .

But she forced her way in through certain methods , causing signi cant delays in production .

This blatant disregard for the rules directly crossed Noirs line.He added pointedly .

And as for the methods she used , Im sure youre well aware , Mr.

Vanderbilt .

Hearing the full story , Dominick was taken aback .

He had delegated Brittanys inclusion in the cast to Julian , not bothering with the details he only cared about the result.Had done this solely because Brittany was Paisleys sister .

There was no ulterior motive .

To him , it was just a trivial matter .

But little did he know , his actions had caused Paisley such trouble .

Paisley , I didnt know you were the screenwriter for this project .

If Id known , I wouldnt have interfered .

And I have no romantic interest in her . . . you have to believe me.Dominick pleaded .

Every word he spoke struck the Sullivan family like a hammer .

Brittany was the not to object .

Thats impossible ! If you dont like me , why would you help me? Why would you support the Sullivan familys business Isnt it because of me.Dominick frowned and looked at Brittany .

He never expected that his actions would make the Sullivan family misunderstand to this extent .

I helped you and took care of the Sullivan family business all because youre Paisleys family .

Brittany shook her head , unwilling to accept such a fact .

She thought she was about to become the young mistress of the Vanderbilt family , but now she was being told that all the care the Sullivan family had received during this time was because of Paisley .

Cristina also couldnt accept it .

But Dominick , didnt you also send us betrothal gifts ? Dominick frowned even deeper .

He even started to question the Sullivan familys way of thinking .

They were just ordinary gifts that I had my assistant arrange because Im meeting Paisleys parents for the rst time .

If you consider them as betrothal gifts , then they were meant for Paisley . Paisley eared her hand with a cold expression .

Theres no need for that.Dominick didnt know how to respond to that.But you eve-even had that child call us grand.This time , Christina couldnt nish her sentence and fell silent .

What else was there to say ? They were Paisleys parents , and that obviously made them Graysons grandparents .

So , all the care they had received 13 Chapter 187 From Dominick was because of Paisley .

Realizing this , Christina instantly de ated like a punctured balloon , slumping into the chair with a vacant look in her eyes .

Brittanys face turned pale , and a strong sense of humiliation cooled her mind .

Thinking back , she felt like a clown jumping around foolishly this entire time .

If wasnt got out , people would laugh at her .

Grayorys mood also sank to rock bottom .

The faint regret he had been feeling now grew overwhelmingly strong .

If he had known this earlier , he would have treated Paisley better from the start .

Whether she was a top screenwriter , Dominicks ex wife , or Graysons mother any our of those identities would have brought honor and attention to the Sullivan family .

But now , things had come to this .

Dominick observed the Sullivan familys reactions and really realized what a foolish thing he had unknowingly done .

Paisley , whether you believe me or not , I really didnt know my actions would cause you so much trouble .

I Mi .

Vanderbilt ! Lucy interrupted , acting as Paisleys spokeswoman once again .

She was tled with anger at the disgusting events Paisley had faced today .

She stared Dominick down without fear .

Without holding back , she snapped at Dominick , You are the CEO of the Vanderbilt Group , worth billions , and you could have easily found out anything you wanted ! I dont believe that you couldnt nd out why Paisley returned to Harrowfell ! Her words struck right at Dominicks sore spot .

He had indeed asked Julian to investigate , but due to Marissa , Julian had never followed through .

And he himself had been negligent , leading to this unintended but serious mistake.Also , you said you took care of the Sullivan family because they are Paisleys family .

But if they really treated her well , why would she cut contact with them for so many years ! Dominicks face darkened .

He was aware of the con-icts between Paisley and the Sullivan Family .

Otherwise , she wouldnt have run away from home and never mentioned them in front of him .

But in his mind , they were still Paisleys family .

He did this because he wanted Paisley to still have a place to go if she ever desired familial love in the future.Seeing this , Gregory panicked and was about to speak , but Lucy didnt give him a chance .

She angrily pointed at Gregory and accused him in front of Dominick .

Do you know ? If Paisley hadnt been cautious and brought protection in advance , the Sullivan family would have sold her to that beast from the Jackman family today !
