The billionaire and his son want me back novel

Chapter 54

Chapter 54 ing until tonight , right ? Maria asked .

She placed Serena on the couch and started helping Paisley change her into her Emery and Teddy went arming riding outw Yeah Paisley nodded .

They should be here just in time before the party starts It couldn be helped .

Emery had a demanding client a real headache with endless requests .

And , of course , the client was a super VIP who didnt hesitate to throw money around Even as rebellious as Emery could be , there was no way to brush o that kid kind of cash ow .

So , she had to tread carefully .

Initially .

Emery and Teddy were supposed to come with Paisley .

But thanks to that client , they were delayed and would have to make their own way over later .

Serena was soon dressed in her riding out t .

While Paisley was con dent she could keep Serena safe , she wasnt taking any chances .

She made sure Serena wore a helmet and protective gear .

In contrast .

Paisley wasnt as particular about her own attire .

After all , it wasnt a professional competition .

She wasnt planning to show o or race .

It was just a casual ride with the kid She threw her hair into a quick ponytail , changed into something comfortable and easy to move in , pulled on knee high riding boots , and headed out with Serena and Maria From the top our suite , the stables looked like they were nearby .

But in reality , it was a bit of a trek , requiring a golf cart ride .

The stables were vast , and when they arrived , no one was riding .

Only the sta and a few trainers were around .

Following the sta s guidance , Paisley carried Serena to the stables to pick a horse .

One of the sta members introduced , Ms .

Sutton , this here is Mi .

Beaumonts flys Looking at the majestic , know white horse before her , Paisley shook her head .

In the end , she chose a smaller , gentler brown horse .

She wasnt aiming for anything early just something calm for a casual ride with Serena .

Meanwhile , Dominick stepped into Room 3303 the presidential suite , and immediately switched into work mode .

His sole purpose here was the evening cocktail party and a brief meeting with Nathanial Everything she ? He didnt care and wasnt interested Ine happy Especially knowing that Paisley was also here .

Worse , there was a chance her boy toy might show up, too .

The thought of seeing their little hi family made Dominicks stomach churn He didnt want to deal with any of it especially guring out why she had come here in the rst place .

With his dad busy working all the time , Grayson had no choice but to stay o to the side , silently reading his book .

Every now and then , he would glance up to admire the rolling green hills and clear streams outside .

But he was still annoyed , thinking .

That woman de ntely saw me back in the hotel lobby , but she acted like I didnt exist .

All she cared about was Serena .

Figures shes bad news .

The goodwill Grayson had built up toward Paisley d during last weekend at her place was now entirely replaced by anger .

Just then , the doorbell rang .

From outside came Marissas gentle voice .

Dom , Sonny , its me Graysons eyes lit up immediately .

He tossed his book .

aside and bolted to open the door for her .

Standing at the door , Marissa had plunged into a stunning riding out t .

She wore a tted white turtleneck under a tailored , navy blue riding jacket .

Her white riding pants were tucked neatly into knee high boots that s her legs perfectly , highlighting her tall and elegant pore .

Marissa smiled , Want to go horseback riding , Sonny ? she directed the question at Grayson , but her gaze kept ckening toward Dominick .

Noticing Dick Judnt come out to greet h her .

r , she stepped inside con dently and stopped right in front of him .

Lets take Sonny riding .

Dom Dominick paused his work and looked up at Marissa Then his eyes shifted to Grayson , catching the eager excitement shining in his sonns face .

Do you want to gor Dominick asked . Grayson nodded enthusiastically .

I do ? Dominick smiled at his son , replying , Alright y then , lets go .
